**OKLAHOMA SECRETARY
OF STATE**

**EXECUTIVE DEPARTMENT
FOURTH AMENDED EXECUTIVE ORDER 2020-13**

On April 24th, 2020, the 3,121st case of a novel coronavirus (“COVID-19”), was confirmed in the State of Oklahoma. As noted in a previous Executive Order, the United States Centers for Disease Control and Prevention has identified the potential public health threat posed by COVID-19 as “high” both globally and in the United States. In addition, on March 14, 2020, the President of the United States declared a national health emergency in the United States as a result of the national spread of COVID-19. On March 15, 2020, I issued Executive Order 2020-07, which was last amended in Eighth Amended Executive Order 2020-07, declaring an emergency caused by the impending threat of COVID-19 to the people of this State and the public’s peace, health, and safety. Further, on April 2, 2020, I declared a health emergency in the State of Oklahoma as defined in 63 O.S. § 6104 of the Oklahoma Statutes.

Therefore, I, J. Kevin Stitt, Governor of the State of Oklahoma, pursuant to the power vested in me by Section 2 of Article VI of the Oklahoma Constitution and 63 O.S. §§ 6101-6900 of the Oklahoma Statutes, specifically 63 O.S. § 6401, do hereby declare and order the following:

1. There is hereby declared an emergency caused by the impending threat of COVID-19 to the people of this State and the public's peace, health, and safety. The counties included in this declaration are:

All 77 Oklahoma Counties

2. The State Emergency Operations Plan has been activated, and resources of all State departments and agencies available to meet this emergency are hereby committed to the reasonable extent necessary to prepare for and respond to COVID-19 and to protect the health and safety of the public. These efforts shall be coordinated by the Director of the Department of Emergency Management with comparable functions of the federal government and political subdivisions of the State.
3. State agencies, in responding to this emergency, may make necessary emergency acquisitions to fulfill the purposes of this declaration. If using a P-Card to make such acquisitions, agencies may purchase the necessary acquisitions without regard to the current P-Card policy limitation of \$5,000.00 purchase limit. Agencies may make the necessary emergency acquisitions without the requirement to follow bidding requirement/limitations on such emergency acquisitions, without the need

to purchase from State Use Vendors, or to purchase from mandatory Statewide contracts. Such necessary emergency purchases shall be capped at \$250,000.00 per transaction. All such purchases must be readily identifiable as such, as following the conclusions of this threat, all such necessary emergency acquisitions will be audited to determine if they were made for emergency purposes.

4. Effective immediately, a moratorium is placed on all out-of-state travel for all employees and officers of agencies that is paid for, in whole or in part, by the State of Oklahoma. This moratorium shall apply to all travel expenses not already incurred as of the date of this Order. Any state employee or officer seeking an exception to this moratorium may submit a written request to the Governor, who shall have the sole discretion to approve or deny the request.
