BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 68 O.S. 2001, Section 1401, as amended by Section 28, Chapter 413, O.S.L. 2003 (68 O.S. Supp. 2009, Section 1401), is amended to read as follows:

Section 1401. The following words, terms and phrases when used in this article shall have the meanings respectively given to them in this section:

1. The term "person" shall mean and include any individual, company, partnership, joint venture, joint agreement, association (mutual or otherwise), limited liability company, corporation, estate, trust, business trust, receiver, or trustee appointed by the state or federal court, syndicate, this state, any county, city, municipality, or other political subdivision or agency of the state, or group or combination acting as a unit in the plural or singular number;

2. The term "Tax Commission" means the Oklahoma Tax Commission;

3. The term "purchase price" applies to the measure subject to the tax levied under Section 1402 of this title and has the same meaning as "gross receipts" or "gross proceeds" or "sales price" as defined in Section 1352 of this title;

4. The term "taxpayer" means any person liable to pay a tax hereunder, or charged with the collection and remission thereof, or to make a report for the purpose of claiming any exemptions in payment of any tax levied by this article;

5. The term "purchase at retail" means and includes all purchases except purchases made for the purpose of resale;

6. The term "sale" means and includes the transfer of either the title or possession for a valuable consideration of tangible personal property, regardless of the manner, method, instrumentality or device by which such transfer is accomplished. The term "sale" also includes the exchange, barter, lease, or rental of tangible personal property where such exchange, barter, lease or rental results in either the transfer of the title or the possession;

7. The term "purchase" means and includes any method whereby a transferee receives from a transferor either the title or possession, for a valuable consideration, of tangible personal property, regardless of the manner, method, instrumentality or device by which such transfer is accomplished. The term "purchase"

also includes the exchange, barter, lease or rental of tangible personal property where such exchange, barter, lease or rental results in either the transfer of the title or the possession to the transferee;

8. The term "use" means and includes the exercise of any right or power over tangible personal property incident to the ownership or possession of that property, except that it shall not include the sale of that property in the regular course of business;

9. a. The term "retailer" means every person engaged in the business of selling tangible personal property for use within the meaning of the article; provided, however, that when in the opinion of the Tax Commission it is necessary for the efficient administration of this article to regard any salesmen, representatives, truckers, peddlers, or canvassers as the agents of the dealers, distributors, supervisors, employers, or persons under whom they operate or from whom they obtain the tangible personal property sold by them, irrespective of whether they are making sales on their own behalf or on behalf of such dealers, distributors, supervisors, employers, or persons, the Tax Commission may so regard them and may regard the dealers, distributors, supervisors, employers or persons as retailers for purposes of this article.

b. A retailer shall be deemed to be engaged in the business of selling tangible personal property for use in this state if:

(1) both of the following conditions exist:

(a) the retailer holds a substantial ownership interest in, or is owned in whole or in substantial part by, a retailer maintaining a place of business within this state, and

(b) the retailer sells the same or a substantially similar line of products as the related Oklahoma retailer and does so under the same or a substantially similar business name, or the Oklahoma facilities or Oklahoma employees of the related Oklahoma retailer are used to advertise, promote or

facilitate sales by the retailer to consumers, or

- (2) the retailer holds a substantial ownership interest in, or is owned in whole or in substantial part by, a business that maintains a distribution house, sales house, warehouse or similar place of business in Oklahoma that delivers property sold by the retailer to consumers.

c. For purposes of subparagraph b of this paragraph:

- (1) "substantial ownership interest" means an interest in an entity that is not less than the degree of ownership of equity interest in an entity that is specified by Section 78p of Title 15 of the United States Code, or any successor to that statute, with respect to a person other than a director or officer,
- (2) "ownership" means and includes both direct ownership and indirect ownership through a parent, subsidiary or affiliate, and
- (3) the processing of orders electronically, including facsimile, telephone, the Internet or other electronic ordering process, does not relieve a retailer of responsibility for collection of the tax from the purchaser if the retailer is doing business in this state pursuant to this paragraph.

d. Any retailer that is part of a controlled group of corporations, and that controlled group of corporations has a component member that is a retailer engaged in business in this state as described in subparagraph b of this paragraph, shall be presumed to be a retailer engaged in business in this state. This presumption may be rebutted by evidence that during the calendar year at issue the component member that is a retailer engaged in business in this state did not engage in any of the activities described in this subparagraph on behalf of the retailer. For purposes of this subparagraph, "controlled group of

corporations" means "controlled group of corporations" as defined in Section 1563(a) of the Internal Revenue Code, and "component member" means "component member" as defined in Section 1563(b) of the Internal Revenue Code.

- e. Any retailer making sales of tangible personal property to purchasers in this state by mail, telephone, the Internet or other media which has a contractual relationship with an entity to provide and perform installation or maintenance services for the retailer's purchasers within this state shall be included within the definition of "retailer" under the provisions of subparagraph a of this paragraph; and

10. The phrase "maintaining a place of business within the state" includes any person having or maintaining in the state, directly or by subsidiary, an office, distribution house, sales house, warehouse, or other place of business. It also includes any person having agents operating in the state under authority of the retailer or subsidiary, whether the place of business or agent is within the state permanently or temporarily, or whether the person or subsidiary is authorized to do business within the state is immaterial.

SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1406.1 of Title 68, unless there is created a duplication in numbering, reads as follows:

A. Each retailer or vendor making sales of tangible personal property from a place of business outside this state for use in this state that is not required to collect use tax, shall provide notification on its retail Internet website or retail catalog and invoices provided to its customers that use tax is imposed and must be paid by the purchaser, unless otherwise exempt, on the storage, use, or other consumption of the tangible personal property in this state. The notification shall be readily visible. It is further provided that no retailer shall advertise on its retail Internet website or retail catalog that there is no tax due on purchases made from the retailer for use in this state. The provisions of this section, except for notification on invoices, shall apply to online auction websites. The Oklahoma Tax Commission is hereby authorized and directed to define the term "online auction websites" through the promulgation of a rule. The rule shall include an exception for

websites with sales below a threshold to be set by the Tax Commission.

B. The provisions of this section shall not be effective as law until an administrative rule, whether an emergency rule or permanent rule or both, has become effective as law pursuant to the Oklahoma Administrative Procedures Act.

SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1407.2 of Title 68, unless there is created a duplication in numbering, reads as follows:

A. For the purpose of encouraging the voluntary registration, collection, and remittance of use taxes owed to this state, the Oklahoma Tax Commission is hereby authorized and directed to establish a Retailer Compliance Initiative for out-of-state retailers, as provided in this section.

B. 1. The Tax Commission shall not seek payment of uncollected use taxes from an out-of-state retailer who registers to collect and remit applicable use taxes on sales made to purchasers in this state prior to registration under the Retailer Compliance Initiative, provided that the retailer was not registered in this state in the twelve-month period preceding the effective date of this section.

2. The provisions of this subsection will preclude assessment for uncollected use taxes together with penalty or interest for sales made during the period the retailer was not registered in this state, provided registration occurs prior to July 1, 2011.

3. The relief provided herein shall not be available to a retailer with respect to any matter or matters for which the retailer received notice of the commencement of an audit and which audit is not yet finally resolved including any related administrative and judicial processes and is not available for use taxes already paid or remitted to the state or taxes collected, but not remitted, by the retailer.

4. The relief provided herein is fully effective, absent the retailer's fraud or intentional misrepresentation of a material fact, as long as the retailer continues registration and continues collection and remittance of applicable use taxes for a period of at least thirty-six (36) months. The statute of limitations applicable to asserting a tax liability during this thirty-six-month period shall be tolled.

5. The relief provided herein is applicable only to use taxes due from a retailer in its capacity as a retailer and not to use taxes due from a retailer in its capacity as a buyer.

C. The registration by an out-of-state retailer for the collection of use taxes under the Retailer Compliance Initiative shall not be used as a factor in determining whether the retailer has nexus with this state for any other taxes, including income taxes, at any time.

D. Out-of-state retailers registering under the Retailer Compliance Initiative shall receive a discount for timely reporting and remitting use taxes as provided in Section 1354.31 of Title 68 of the Oklahoma Statutes.

E. No registration fee shall be charged against any voluntary out-of-state retailer that comes forward to register to collect and remit use taxes under the Retailer Compliance Initiative.

F. The Tax Commission shall promulgate rules detailing the terms and other conditions of this program.

SECTION 4. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1407.3 of Title 68, unless there is created a duplication in numbering, reads as follows:

In an effort to improve compliance by Internet retailers for the collection of use tax on their sales to Oklahoma residents, the Oklahoma Tax Commission shall implement an outreach program to Internet retailers. The program shall include contacting Internet retailers for a review of their business activities to determine if such activities may require the registration and collection of Oklahoma use taxes and the providing of information to the out-of-state retailers about the Retailer Compliance Initiative to encourage registration in this state.

SECTION 5. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1407.4 of Title 68, unless there is created a duplication in numbering, reads as follows:

A. For the purpose of encouraging the voluntary disclosure and payment of use taxes owed to this state, the Oklahoma Tax Commission is hereby authorized and directed to establish a Consumer Compliance Initiative for consumers liable for payment of use taxes, as

provided in this section. A taxpayer shall be entitled to a waiver of penalty, interest and other collection fees due if the taxpayer voluntarily files delinquent tax returns and pays the taxes due during the initiative.

B. No assessment of use tax levied under the provisions of Section 1401 et seq. of Title 68 of the Oklahoma Statutes shall be made for more than one (1) year prior to the date the consumer registers to pay applicable use taxes under this initiative.

C. The relief provided herein shall not be available to a consumer with respect to any matter or matters for which the consumer received notice of the commencement of an audit and which audit is not yet finally resolved including any related administrative and judicial processes and is not available for use taxes already paid or remitted to the state.

D. The Tax Commission shall promulgate rules detailing the terms and other conditions of this program.

E. The Tax Commission shall develop and distribute a fact sheet explaining responsibilities regarding the reporting and payment of use taxes and how business entities can examine their records to establish the use tax due on purchases from out-of-state sellers. The Tax Commission shall make the fact sheet available on the Oklahoma Tax Commission's website, mail to targeted industries, existing licensees, and all Tax Commission license applicants.

F. The Tax Commission is authorized to expend necessary available funds, including contracting with third parties, to publicly advertise the Consumer Compliance Initiative and shall be exempt from the provisions of Section 85.7 of Title 74 of the Oklahoma Statutes for the purpose of implementing this section.

G. To assist consumers in remitting use taxes due, the Tax Commission shall develop and maintain an option for consumers to remit use taxes through an Internet-based portal.

SECTION 6. AMENDATORY 68 O.S. 2001, Section 249, as amended by Section 5, Chapter 479, O.S.L. 2005 (68 O.S. Supp. 2009, Section 249), is amended to read as follows:

Section 249. A. Any person that prepares any state tax returns or reports for an Oklahoma taxpayer, other than the employer of the preparer, for compensation, shall:

1. Set forth the name, identifying number, and address of the preparer on the face of the prepared return or report; and

2. Manually, or by means of a rubber stamp, mechanical device, or computer software program which includes a facsimile of the individual preparer's signature or printed name, sign and execute the prepared return or report; and

3. Furnish the taxpayer a copy of the prepared return or report and retain a copy of same for a period of three (3) years from the date the prepared return or report was filed or required to be filed, whichever expires the later.

Upon a determination of a violation of this subsection, the preparer shall be subject to a penalty in the amount of Five Hundred Dollars (\$500.00) which shall be apportioned as provided for the apportionment of the tax for which the return or report was prepared.

B. Any person that prepares any state tax returns or reports for an Oklahoma taxpayer for compensation is hereby prohibited from endorsing or negotiating the state income tax refund check of the taxpayer. Upon a determination by the Tax Commission that a preparer violated this subsection, a penalty in the amount of Five Hundred Dollars (\$500.00) shall be assessed. Said penalty shall be apportioned in the same manner as provided for the apportionment of the state income tax revenues.

C. The penalties imposed pursuant to the provisions of this section shall be in addition to any other penalties imposed by any tax laws or civil or criminal laws of this state.

D. When assisting taxpayers in preparing an individual income tax return, tax preparers shall advise their clients of their responsibility to remit use taxes through the use tax remittance line on the individual income tax return or by filing a consumer use tax return.

SECTION 7. AMENDATORY 68 O.S. 2001, Section 1410.1, is amended to read as follows:

Section 1410.1 A- For the purpose of compensating the seller or vendor in keeping use tax records, filing reports and remitting

~~the tax when due, a seller or vendor shall be allowed a deduction not to exceed two and one-fourth percent (2 1/4%) of the tax due under the applicable provisions of this title.~~

~~B. No deductions from tax shall be allowed if any such report or payment of tax is delinquent.~~

~~C. Notwithstanding the formula provided by subsection A of this section, the deduction provided by this section shall be limited to a maximum of Three Thousand Three Hundred Dollars (\$3,300.00) per reporting period. Persons remitting use tax pursuant to Section 1406 or 1407 of Title 68 of the Oklahoma Statutes as of April 1, 1993, shall continue to remit use tax in the same manner as they were on April 1, 1993. No such person may change the manner by which the person remits use tax in order to avoid the provisions of this subsection.~~

~~D. Notwithstanding any other provision of law, an amount equal to the excess of the amount calculated by the formula provided by subsection A of this section over the Three Thousand Three Hundred Dollar limit provided by subsection C of this section shall be retained by the state as an administrative expense and deposited to the General Revenue Fund equal to the amount provided for vendors under the Oklahoma Sales Tax Code.~~

SECTION 8. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1407.5 of Title 68, unless there is created a duplication in numbering, reads as follows:

A. It is hereby declared to be the intent of the Oklahoma Legislature to specifically include within the use tax levied by this article all storage, use or other consumption of tangible personal property purchased or brought into this state through the continuous, regular or systematic solicitation in the Oklahoma consumer market by out-of-state retailers through the Internet, mail order and catalog publications.

B. The Oklahoma Legislature finds that out-of-state retailers purposefully direct their activities through the Internet and other media at Oklahoma residents, that the magnitude of those contacts are more than sufficient for due process purposes, and that the use tax is related to the benefits the out-of-state retailers receive from access to the state. The consumers of these retail sales are not paying use taxes when the out-of-state retailer does not collect the tax as provided in this article. The failure of these out-of-

state retailers to collect the use tax due and owing to the State of Oklahoma and its jurisdictions is detrimental to the ability of the state and local governments to provide the services and benefits bestowed upon the out-of-state retailer and their Oklahoma consumers.

C. The Oklahoma Legislature finds that the sales and use tax system established under Oklahoma law does not pose an undue burden on out-of-state retailers and provides sufficient simplification to warrant the collection and remittance of use taxes by out-of-state retailers that are due and owing to the State of Oklahoma and its local jurisdictions. In support of this finding:

1. The state is a member of the Streamlined Sales and Use Tax Agreement and has amended its laws to be in full compliance with its terms;

2. The state provides state level administration of sales and use taxes levied by its cities, counties and other local jurisdictions by contracting with these entities. All cities, counties and other local jurisdictions levying sales and use taxes shall continue to contract with the Oklahoma Tax Commission for administration of its sales and use taxes so that sellers collecting and remitting these taxes will not have to register or file returns with, remit funds to, or be subject to independent audits from the local taxing jurisdictions;

3. The state provides and maintains a database that describes boundary changes for all taxing jurisdictions within this state for sales and use tax purposes and the sales and use tax rates for all of the jurisdictions levying taxes within the state;

4. The state provides a deduction of the tax due to all retailers, including out-of-state retailers, to compensate them for recordkeeping, filing reports, collecting and remitting the tax in a timely manner;

5. The state provides a mechanism for the electronic submission of sales and use tax reports and payments;

6. The state provides liability relief to sellers for collecting an incorrect amount of tax as a result of relying on erroneous data provided by the Tax Commission on rates, boundaries or taxing jurisdiction assignments;

7. The state participates in a central registration system that allows out-of-state retailers to register one time in one place for multiple states;

8. All local jurisdictions have the same tax base as the state for sales and use taxes, except as permitted under the Streamlined Sales and Use Tax Agreement;

9. The state does not require the payment of a registration fee from an out-of-state retailer which does not have a legal requirement to register;

10. The state requires the Oklahoma Tax Commission to give notice to vendors of local rate changes and boundary changes at least sixty (60) days prior to the effective date of the change;

11. The state has the same tax rate for every taxable item;

12. The state only requires the filing of a single tax return to cover all taxing jurisdictions with the state;

13. The Oklahoma Tax Commission provides, free of charge, business tax workshops for sellers designed to provide information and answer questions regarding the Oklahoma sales and use tax system;

14. The state allows electronic payments to be made by either ACH credit or by ACH debit;

15. The state allows a deduction from taxable sales for bad debts;

16. The state provides a taxability matrix which gives information on the taxability of a wide variety of items including all items defined in the Streamlined Sales and Use Tax Agreement; and

17. The state pays the direct cost of a certified service provider to perform all of an out-of-state seller's sales and use tax functions other than the seller's obligation to remit taxes on its own purchases.

SECTION 9. AMENDATORY 68 O.S. 2001, Section 205.1, is amended to read as follows:

Section 205.1 A. To determine the actual municipal sales tax liability of any person engaged in any business upon which the Oklahoma excise tax is levied, the Oklahoma Tax Commission, notwithstanding the provisions of Section 205 of this title, shall mail not less than quarterly, upon request, make available reports to the governing body of each city or town that levies a municipal sales tax, a notice that the governing body may request the following report from the Commission. Said report which shall contain only include, but not be limited to, the following information:

1. A full and complete list of the names and addresses of persons who report doing business during the preceding calendar year within the boundary of the city or town and who have a sales tax permit; ~~and~~

2. A full and complete list of such persons specified in paragraph 1 of this subsection who are more than sixty (60) days delinquent in remitting sales tax levied pursuant to the provisions of the Oklahoma Sales Tax Code;

3. A full and complete list of sales and use taxes collected by such persons specified in paragraph 1 of this subsection during the preceding calendar month;

4. A full and complete list of taxpayers who were issued a sales tax permit for a location in the city or town the previous calendar month; and

5. A full and complete list of taxpayers who have advised the Oklahoma Tax Commission that business at the location in the city or town was stopped during the previous calendar month.

B. Upon request by the governing body of a city or town that levies a municipal sales tax, the Oklahoma Tax Commission, notwithstanding the provisions of Section 205 of this title, shall release to such governing body such information or evidence necessary to be used by such body to prosecute violations of municipal sales tax ordinances. Such information or evidence shall include, but is not limited to, the following:

1. Certified copies of sales tax permit applications;
2. Certified copies of sales tax permits;

3. Certified copies of sales tax reports; and

4. Names of Tax Commission employees who may be potential witnesses for municipal prosecution purposes.

C. Except in reporting to the members of the governing body of the city or town, no city or town official or employee shall divulge any information gained from the Oklahoma Tax Commission except that the municipal prosecutor and other municipal enforcement personnel may receive all information necessary to enforce municipal sales tax ordinances.

D. Any city or town official or employee found in violation of this section shall be removed or dismissed from office in the manner provided by law. In addition, any violation of the provisions of this section shall constitute a misdemeanor and shall be punishable by the imposition of a fine not exceeding One Thousand Dollars (\$1,000.00) or by imprisonment in the county jail for a term not exceeding one (1) year, or by both said fine and imprisonment.

SECTION 10. AMENDATORY 68 O.S. 2001, Section 255, as last amended by Section 5, Chapter 426, O.S.L. 2009 (68 O.S. Supp. 2009, Section 255), is amended to read as follows:

Section 255. A. In order to facilitate and expedite the collection of taxes more than ninety (90) days overdue from any taxpayer, the Oklahoma Tax Commission may enter into a contract with a debt collection agency doing business in the State of Oklahoma or in any other state for the collection of such delinquent taxes in addition to all other taxes accrued or accruing, including penalties and interest thereon, from the taxpayer. The contract shall only authorize the debt collection agency to collect tax liabilities which are already established and the Tax Commission shall not refer accounts to the debt collection agency unless the Tax Commission has notified the taxpayer, by first class mail, of the liability and has made additional efforts to collect the debt. Provided, if a sales tax permit holder fails to file two or more consecutive sales tax returns, as required under Section 1365 of this title, the Tax Commission may refer the accounts to the debt collection agency prior to the establishment of the tax liability, but only after the Commission has notified the taxpayer as required under this subsection.

B. If an account has been referred to a debt collection agency, the Tax Commission shall review all payments posted by the

collection agency prior to commencing any further collection activity against the taxpayer. Further, the collection agency shall review all payments posted by the Tax Commission prior to commencing any collection activity. The Tax Commission or the collection agency shall, within ten (10) business days, provide the taxpayer with a written confirmation of all payments received and any balance due. In addition, the contract shall not authorize the debt collection agency to conduct audits or examine the books and records of a taxpayer in any manner. The Tax Commission may also enter into a contract with a person doing business in the State of Oklahoma or in any other state for the purpose of identifying and locating the assets of such delinquent taxpayer. Such contracts authorized by this section shall be subject to the provisions of The Oklahoma Central Purchasing Act.

C. In addition to the authority provided in subsection A of this section, the Tax Commission may enter into a contract for the purpose of identifying nonresident businesses and individuals who are required by law to file and pay Oklahoma state taxes and who are presently unknown to the Tax Commission.

D. Prior to entering into such a contract with a debt collection agency, the Tax Commission shall require that the debt collection agency file a bond in the amount of One Hundred Thousand Dollars (\$100,000.00). The bond shall be a bond from a surety company chartered or authorized to do business in this state, cash bond, certificates of deposits, certificates of savings or U.S. Treasury bonds, as the Tax Commission may deem necessary to guarantee compliance with the terms of the contract.

E. Each contract entered into by the Tax Commission with a debt collection agency, pursuant to the provisions of this section, shall specify that fees for services rendered, reimbursements or other remuneration shall be based on the total amount of delinquent taxes, including accrued penalties and interest, which is actually collected. No costs shall be reimbursed unless authorized in the contract. Each contract entered into between the Tax Commission and a debt collection agency shall provide for the payment of fees for such services, reimbursements or other remuneration not in excess of thirty-five percent (35%) of the total amount of delinquent taxes, penalty and interest actually collected. The debt collection agency contract fee shall be added to the amount of the delinquent taxes, accrued penalties and interest collected from the taxpayer. The total amount of the delinquent tax, accrued penalties and interest,

and the debt collection agency contract fee shall be owed and collected from the taxpayer.

F. Each contract entered into by the Tax Commission with a person for the purpose of identifying and locating assets of delinquent taxpayers shall specify the amount of money to be paid for the performance of such services. No costs shall be reimbursed unless authorized in the contract.

G. All such funds collected by a debt collection agency, including the fees for collection services as provided for in such contract, shall be remitted to the Tax Commission within five (5) days from the date of collection from a taxpayer. The Tax Commission shall pay from such remitted fees the amount of fees to which such debt collecting agency is entitled for services performed pursuant to the provisions of such contract. All assets of such delinquent taxpayers which are identified and located shall be reported to the Tax Commission within five (5) days from the date of identification and location. The test to determine whether the machine can operate separate and apart from any other shall be whether the provider or dispenser can still function if separated from the others to which it is attached. When multiple machines are placed on a single stand, a decal shall be required for each machine as provided in Section 1501 et seq. of this title. The annual fee required shall be as follows:

The Tax Commission shall promulgate rules which provide a procedure for the issuance of a joint license for any wholesaler making application pursuant to this section and Section 304 of this title. Application for such license, which shall be made upon such forms as prescribed by the Tax Commission, shall include the following:

1. The applicant's agreement to the jurisdiction of the Tax Commission and the courts of this state for purposes of enforcement of the provisions of Section 301 et seq. of this title; and

2. The applicant's agreement to abide by the provisions of Section 301 et seq. of this title and the rules promulgated by the Tax Commission with reference thereto. This license, which will be for the ensuing year, must at all times be displayed in a conspicuous place so that it can be seen. Persons operating more than one place of business must secure a license for each place of business. "Place of business" shall be construed to include the place where orders are received, or where tobacco products are sold. If tobacco products are sold on or from any vehicle, the vehicle shall constitute a place of business, and the license fee of Two Hundred Fifty Dollars (\$250.00) shall be paid with respect thereto. However, if the vehicle is owned or operated by a place of business for which the regular license fee is paid, the annual fee for the license with respect to such vehicle shall be only Ten Dollars (\$10.00). The expiration for such vehicle license shall expire on the same date as the current license of the place of business.

Upon expiration of such license, the retailer to whom such license was issued may obtain a renewal license which shall be valid for three (3) years or until expiration of the retailer's sales tax permit, whichever is earlier, after which a renewal license shall be valid for three (3) years. The manner and prorated fee for renewals shall be prescribed by the Tax Commission. Every person operating under such license as a retailer and who owns or operates more than one place of business must secure a license for each place of business. "Place of business" shall be construed to include places where orders are received or where tobacco products are sold.

C. Nothing in this section shall be construed to prohibit any person holding a retail license from also holding a wholesaler license.

D. Every distributing agent shall, as a condition of carrying on such business, pursuant to written application on a form prescribed by and in such detailed form as the Tax Commission may require, annually secure from the Tax Commission a license, and shall pay therefor an annual fee of One Hundred Dollars (\$100.00). An application shall be filed and a license obtained for each place of business owned or operated by a distributing agent. The license, which will be for the ensuing year, shall be consecutively numbered, nonassignable and nontransferable, and shall authorize the storing

~~D~~- E. 1. All wholesale, retail, and distributing agents' licenses shall be nonassignable and nontransferable from one person to another person. Such licenses may be transferred from one location to another location after an application has been filed with the Tax Commission requesting such transfer and after the approval of the Tax Commission.

2. Wholesale, retail, and distributing agent's licenses shall be applied for on a form prescribed by the Tax Commission. Any person operating as a wholesaler, retailer, or distributing agent must at all times have an effective unexpired license which has been issued by the Tax Commission. If any such person or licensee continues to operate as such on a license issued by the Tax Commission which has expired, or operates without ever having obtained from the Tax Commission such license, such person or licensee shall, after becoming delinquent for a period in excess of fifteen (15) days, pay to the Tax Commission, in addition to the annual license fee, a penalty of twenty-five cents (\$0.25) per day on each delinquent license for each day so operated in excess of fifteen (15) days. The penalty provided for herein shall not exceed the annual license fee for such license.

~~E~~- F. No license may be granted, maintained or renewed if any of the following conditions apply to the applicant. For purposes of this section, "applicant" includes any combination of persons owning directly or indirectly, in the aggregate, more than ten percent (10%) of the ownership interests in the applicant:

1. The applicant owes Five Hundred Dollars (\$500.00) or more in delinquent tobacco products taxes;

2. The applicant had a dealer, wholesaler, or retailer license revoked by the Tax Commission within the past two (2) years; or

~~F~~- G. No person or entity licensed pursuant to the provisions of this section shall purchase tobacco products from or sell tobacco products to a person or entity required to obtain a license unless such person or entity has obtained such license.

G. H. In addition to any civil or criminal penalty provided by law, upon a finding that a licensee has violated any provision of Section 301 et seq. of this title, the Tax Commission may revoke or suspend the license or licenses of the licensee pursuant to the procedures applicable to revocation of a license set forth in Section 418 of this title.

SECTION 23. This act shall become effective July 1, 2010.

SECTION 24. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
