

OFFICE OF

No. SB 1903

THE GOVERNOR
STATE OF OKLAHOMA

OKLAHOMA CITY, OKLA., June 10, 2010

TIME SIGNED: 7:00 PM

TO THE HONORABLE PRESIDENT PRO TEMPORE
AND MEMBERS OF THE OKLAHOMA SENATE
SECOND SESSION OF THE
FIFTY SECOND OKLAHOMA LEGISLATURE

ENROLLED SENATE BILL NO. 1903:

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 and 12 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED Senate Bill 1903. One of government's many important roles is to protect consumers, particularly senior citizens, from disreputable or deceptive business practices. Senate Bill 1903 would essentially deregulate the home service warranty industry in Oklahoma, repealing oversight functions currently performed by the State Insurance Department and allowing companies to operate in the state with little more than a registration requirement. While there are many reputable home service warranty companies doing business in Oklahoma, there is no compelling reason to deregulate the industry and reduce consumer protections.
