SECTION 12. AMENDATORY 40 O.S. 2001, Section 3-106, as last amended by Section 5, Chapter 460, O.S.L. 2009 (40 O.S. Supp. 2010, Section 3-106), is amended to read as follows:

Section 3-106.

BENEFIT WAGES CHARGED AND RELIEF THEREFROM.

A. The Oklahoma Employment Security Commission shall give notice to each base period employer of a claimant promptly after the claimant is issued his or her fifth week of benefits by the Commission or promptly after the Commission receives notice of the amounts paid as benefits by another state under a reciprocal arrangement. Notice shall be deemed given under this subsection when the Commission deposits the same with the United States Postal Service addressed to the employer at an address designated by the employer to receive the notice or at the employer's last-known address. Notice shall be presumed prima facie to have been given to the employer to whom addressed on the date stated in the written notice. This notice shall give the name and Social Security Number of the claimant, the date the claim was filed, and the amount of benefit wages charged to the employer in each quarter of the base period.

B. Within twenty (20) days from the date stated upon the notice provided for in subsection A of this section, the employer may file with the Commission written objections to being charged with the benefit wages upon one or more of the grounds for objection set forth in subsection G of this section. The employer's written objection must set forth specifically:

1. The date on which the employment was terminated;

2. Full particulars as to the circumstances of the termination including the reason given by the individual for voluntarily leaving the employment, or the nature of the misconduct for which discharged, as the case may be;

3. Full particulars as to the regular scheduled part-time or full-time employment of the employee including the starting date, and ending date if any, of the continuous period of such part-time or full-time employment; and

4. Such other information as called for by the notice.

C. Upon receipt of the employer's written objections, the Commission shall make a determination as to whether or not the employer is entitled to be relieved from the charging of benefit wages. The Commission shall promptly notify the employer of that determination. Provided further, the twenty-day time period for filing written objections with the Commission as provided for in subsection B of this section may be waived for good cause shown.

D. Within fourteen (14) days after the mailing of the determination provided for in subsection C of this section, the employer may file with the Commission or its representative a written protest to the determination and request an oral hearing de novo to present evidence in support of its protest. The Commission or its representative shall, by written notice, advise the employer of the date of the hearing, which shall not be less than ten (10) days from the date of mailing of the written notice. At the discretion of the Commission, this hearing shall be conducted by the Commission or its representative appointed by the Commission for this purpose. Pursuant to the hearing, the Commission or its representative shall, as soon as practicable, make a written order

setting forth its findings of fact and conclusions of law, and shall send it to the employer.

E. If any employer fails to file a written protest within the period of fourteen (14) days, as provided by subsection D of this section, then the determination shall be final, and no appeal shall thereafter be allowed.

F. The employer or the Commission may appeal the order of the Commission or its representative to the district court by filing a petition for review with the clerk of that court within thirty (30) days after the date the order was mailed to all parties. The mailing date shall be specifically stated in the order.

G. The benefit wages charged to an employer for a given calendar year shall be the total of the benefit wages stated in the notices given to the employer by the Commission. Provided, that an employer shall be relieved of a benefit wage charge if the employer proves to the satisfaction of the Commission that the benefit wage charge includes wages paid by the employer to any employee or former employee, who:

1. Left employment with that employer, or with his or her last employer, voluntarily without good cause connected to the work;

2. Was discharged from such employment for misconduct connected with his or her work;

3. Was a regular scheduled employee of that employer prior to the week the employee separated from other employment, and continued to work for the employer through the fifth compensable week of unemployment in his or her established benefit year;

4. Was separated from his or her employment as a direct result of a major natural disaster, declared as such by the President pursuant to the Disaster Relief Act of 1974, P.L. 93-288, and such employee would have been entitled to disaster unemployment assistance if he or she had not received unemployment insurance benefits;

5. Was discharged by an employer for unsatisfactory performance during an initial employment probationary period. As used in this

paragraph, "probationary period" means a period of time set forth in an established probationary plan which applies to all employees or a specific group of employees and does not exceed ninety (90) calendar days from the first day a new employee begins work. The employee must be informed of the probationary period within the first seven (7) work days. There must be conclusive evidence to establish that the individual was separated due to unsatisfactory work performance ~~and not separated because of lack of work due to temporary, seasonal, casual, or other similar employment not of regular, permanent, and year round nature~~;

6. Left employment to attend training approved under the Trade Act of 1974 and is allowed unemployment benefits pursuant to Section 2-416 of this title; or

7. Was separated from employment for compelling family circumstances as defined in Section ~~2~~ 2-210 of this ~~act~~ title.

H. If an employer recalls an employee deemed unemployed as defined by the Employment Security Act of 1980 and the employee continues to be employed or the employee voluntarily terminates employment or is discharged for misconduct within the benefit year, the employer shall be entitled to have the benefit wage charged against the employer's experience rating for the employee reduced by the ratio of the number of weeks of remaining eligibility of the employee to the total number of weeks of entitlement.

I. An employer shall not be charged with benefit wages of a laid-off employee if the employer lists as an objection in a statement filed in accordance with subsection B of this section that said employee collecting benefits was hired to replace a United States serviceman or servicewoman called into active duty and laid-off upon the return to work by that serviceman or servicewoman. The Unemployment Compensation Fund shall be charged with the benefit wages of the laid-off employee.

J. If the Commission receives a notice of amounts paid as benefits by another state under a reciprocal agreement, and the notice is received after three (3) years from the effective date of the underlying benefit claim, no benefit wage charge will be made against the employer identified in the notice, or if a benefit wage charge is made based on such a notice, the employer will be relieved

of the charge when the facts are brought to the attention of the Commission.
