SECTION 1. AMENDATORY 70 O.S. 2011, Section 6-105, is amended to read as follows:

Section 6-105. A. If, because of sickness or other reason, a teacher is temporarily unable to perform regular duties, a substitute teacher may be employed for the position for the time of the absence. A substitute teacher shall be paid in an amount and under such terms as may be agreed upon in advance by the substitute teacher and the board of education or according to regulations of the board. If a teacher is absent for reason of personal business the school district shall deduct from the salary of the teacher only the amount necessary to pay the substitute.

B. No substitute teacher shall be employed for a total period of time in excess of ninety (90) school days during a school year; or one hundred (100) school days during the school year if the substitute teacher holds a lapsed or expired certificate or has a bachelors level college degree; or no limit of school days during the school year if the substitute teacher holds a valid certificate. ~~Except as provided in this section, Each school district shall adopt a policy which sets forth the maximum number of days a substitute teacher may not be employed for the same assignment for more than twenty (20) school days during a school year unless if the substitute teacher holds~~ does not hold a valid certificate.

C. Substitute teachers who do not hold a valid certificate and who are employed to teach special education for students with physical disabilities or students with mental retardation shall not be subject to the restrictions on total time a substitute teacher may be employed ~~or the restrictions on time in the same assignment~~ if no certified teachers are available to teach such students and the students would be denied instruction in special education if the substitute teacher were not employed. Beginning with the 2007-08 school year, any substitute teacher employed to teach special education for the same assignment for more than fifteen (15) consecutive or thirty (30) total school days during a school year who does not hold a valid certificate to teach special education shall be required to complete in-service training as prescribed by the State Board of Education. The training shall be provided at no cost to the substitute teacher. Availability of certified teachers shall be determined after the school has consulted the State Board of Education and any other resources for filling the vacant position with a certified teacher.

D. A school district may request a waiver of the restrictions on total time a substitute teacher may be employed ~~or the restrictions on time in the same assignment~~ from the State Board of Education for a substitute teacher who does not hold a valid certificate. The school district shall submit evidence on the availability of certified substitute teachers and the qualifications of the substitute teacher. The Board shall develop procedures for the filing and processing of substitute teacher waivers pursuant to this subsection.

E. Payment of salary to a substitute shall have no effect on the amount of salary to which the absent regular teacher is entitled under the applicable leave plan.

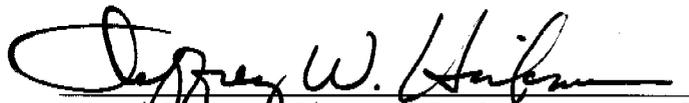

F. Any substitute or cadet teacher employed in any school system on a monthly or annual basis shall hold a certificate and have a written contract in the manner and under the same conditions as for regular teachers.

G. Teachers who are members of the Reserve Forces of the Army, the Navy, the Marine Corps, the Coast Guard, the Air Force, or any other component of the Armed Forces of the United States, including members of the Air or Army National Guard, shall, when ordered by the proper authority to active duty or service, be entitled to a leave of absence from such civil employment for the period of such active service without loss of status or efficiency rating and without loss of pay during the first thirty (30) days of such leave of absence.
