ENROLLED SENATE  
BILL NO. 1418

By: Simpson of the Senate

and

Ownbey of the House

An Act relating to oil and gas; requiring the Corporation Commission to promulgate rules governing reporting requirements for certain landfill disposal of drilling waste materials; stating time period; stating requirements for reporting and making information available to the public; and providing for noncodification.

SUBJECT: Drilling waste material records

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law not to be codified in the Oklahoma Statutes reads as follows:

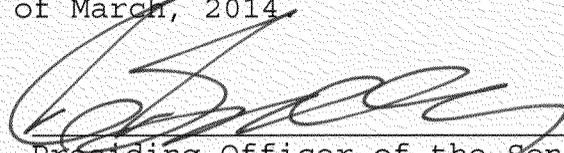

No later than sixty (60) days following the effective date of this act, the Corporation Commission shall promulgate rules as necessary to implement the following:

Oil and gas operators disposing of any oil field waste materials, including drilling fluids and solids, by method of disposal in any commercial solid waste disposal site regulated by the Department of Environmental Quality, shall be required to generate a record, report and/or manifest of such material. The manifest shall include, but not limited to, generator of the waste, source of the waste, volume of the waste, and the disposal site.

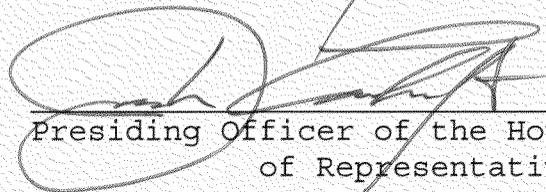

The Commission shall require information on drilling waste materials disposed of in commercial solid waste disposal sites to be included in such record, report and/or manifest in the same manner as such information is recorded and maintained for other disposal

methods authorized by the Commission. Such reporting requirements shall not be more or less stringent than is required for any other disposal method authorized by the Commission. In addition, the Commission shall make such information available to the public in the same manner as similar information is made available to the public.
