A Resolution proclaiming May 8, 2014, as Oklahoma  
Cooperative Extension Service Day in Oklahoma; and  
directing distribution.

WHEREAS, Oklahoma Cooperative Extension Service began with the  
passage of the Smith-Lever Act in 1914 to provide agricultural  
education and respond to local needs, then expanded its role to help  
Oklahomans solve local issues and concerns, promote leadership and  
manage resources wisely; and

WHEREAS, Cooperative Extension Service focuses on increasing  
opportunities for agricultural enterprises, natural resources and  
environmental management, food, nutrition, health and safety  
education, and youth, family and community development; and

WHEREAS, all 77 counties in Oklahoma partner with Cooperative  
Extension Service to identify local issues and needs that their  
Specialists, Agents, Support Staff, and Volunteers can address; and

WHEREAS, this partnership of Oklahoma State University and counties embodies the true meaning of resources and knowledge combining to extend to the people of the state wherever they live and work; and

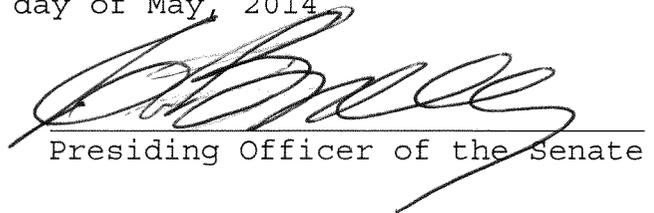

WHEREAS, the vitality of today's Cooperative Extension Service as well as its national reputation as a well-known and sought-out educational resource can be credited to the men and women of vision who accepted the challenge in 1914 to create the Oklahoma county extension system.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE 2ND SESSION OF THE 54TH OKLAHOMA LEGISLATURE:

THAT the Oklahoma State Senate proclaims May 8, 2014, as Oklahoma Cooperative Extension Service Day in Oklahoma, celebrating 100 years of working one-on-one, side-by-side with the farmers and families of Oklahoma solving everyday challenges and local issues.

THAT a copy of this resolution be distributed to the Oklahoma Cooperative Extension Services' associate director Dr. James Trapp.
