

OFFICE OF

No. SB 141

THE GOVERNOR
STATE OF OKLAHOMA

OKLAHOMA CITY, OKLA.,

June 4, 2015

TIME SIGNED: 4:43pm

TO THE HONORABLE PRESIDENT PRO TEMPORE
AND MEMBERS OF THE OKLAHOMA SENATE
FIRST SESSION OF THE
FIFTY FIFTH OKLAHOMA LEGISLATURE

ENROLLED SENATE BILL NO. 141:

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED Senate Bill 141.

Senate Bill 141 (Bill) significantly lowers the cost of Motor Vehicle Reports issued for commercial driver's licenses, and requires the Department of Public Safety (DPS) to establish a bulk rate discount for all types of reports, commercial and otherwise. Both measures would dramatically cut funding to the State's General Revenue Fund.

At the time of the Bill's passage, the extent of its negative fiscal impact was not clearly understood. Since that time, however, the Oklahoma Tax Commission and the Office of Management and Enterprise Services have estimated that the Bill would lower General Revenue collections in 2016 by up to \$3,114,698; and by 2017—the year in which the effects of bulk rate purchasing discounts would begin to be realized—General Revenue collections could be cut by as much as \$4,825,934, *plus* an additional \$1,000,000 for every dollar reduced from the cost of the bulk reports.

This Bill was not part of and, if approved, would violate the budget agreements arrived at by the Legislature and signed into law by me. As a result, I hereby veto this legislation.
