BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 10A O.S. 2011, Section 1-4-204, is amended to read as follows:

Section 1-4-204. A. 1. When awarding custody or determining the placement of a child, a preference shall be given to relatives and persons who have a kinship relationship with the child. The Department of Human Services shall make diligent efforts to place the child with such persons and shall report to the court the efforts made to secure that placement. In cases where the Indian Child Welfare Act applies, the placement preferences of the act shall be followed.

2. When two or more children are siblings, every reasonable attempt shall be made to place the siblings in the same home, except as provided in paragraph 3 of this subsection. In making a permanent placement, siblings shall be placed in the same permanent home or, if the siblings are separated, shall be allowed contact or visitation with each other; provided, however, the best interests of

each sibling shall be the standard for determining the appropriate custodian or placement as well as the contact and visitation with the other siblings.

- c. placement of siblings together would be contrary to the safety or well-being of any of the siblings, and
- d. it is in the best interests of the child to remain in the current foster family home placement.

B. In determining the appropriate custodian or placement for a child pursuant to subsection A of this section, the court and the Department shall consider, but not be limited to, the following factors:

The relative search shall be reasonable and comprehensive in scope and may continue until a fit and willing relative is identified.

2. The relatives shall be notified of the need to keep the Department informed of their current address in order to receive notice when a permanent out-of-home placement is being sought for the child. A relative who fails to provide a current address may forfeit the right to be considered for the child's permanent out-of-home placement.

3. A decision by a relative to not participate in the child's placement planning at the beginning of the case or to cooperate with the Department to expedite procedures for placement of the child in the child's home may affect whether that relative will be considered for permanent placement of the child if the child cannot be safely returned to the home of the child's parent or parents.

~~C.~~ D. The Department, while assessing the relatives for the possibility of placement, shall be authorized to disclose to the relative, as appropriate, the fact that the child is in custody, the alleged reasons for the custody, and the projected date for the child's return home or other permanent placement as well as any other confidential information deemed necessary and appropriate to secure a suitable placement.

foster placement or permanent placement, or allowed contact or visitation with other siblings.

B. Siblings may be separated if the court and the Department of Human Services find:

1. One sibling has resided in a foster family home for six (6) or more months and has established a relationship with the foster family;
