SECTION 1. AMENDATORY 37 O.S. 2011, Section 521, as last amended by Section 17 of Enrolled House Bill No. 3201 of the 2nd Session of the 55th Oklahoma Legislature, is amended to read as follows:

Section 521. A. A brewer license shall authorize the holder thereof: To manufacture, bottle, package, and store beer on licensed premises; to sell beer in this state to holders of Class B wholesaler licenses and retail licenses and to sell beer out of this state to qualified persons; to sell beer produced by the licensee to consumers twenty-one (21) years of age or older on the premises of the brewery; and to serve free samples of beer produced by the licensee to visitors twenty-one (21) years of age or older. For purposes of this section, no visitor may sample more than a total of

twelve (12) fluid ounces of beer per day. The brewer must restrict the distribution and consumption of beer samples to an area within the licensed premises designated by the brewer. A current floor plan that includes the designated sampling area must be on file with the Oklahoma Alcoholic Beverage Laws Enforcement (ABLE) Commission. No visitor under twenty-one (21) years of age shall be permitted to enter this designated sampling area when samples are being distributed or consumed. Samples and sales may only be distributed or consumed between 10:00 a.m. and 9:00 p.m. Samples and sales of beer made or served by a brewery under this section shall not be considered a "sale" of beer within the meaning of Article XXVIII of the Oklahoma Constitution or Section 506 of this title; however, such samples and sales of beer shall be considered beer removed or withdrawn from the brewery for "use or consumption" within the meaning of Section 542 of this title for excise tax determination and reporting requirements.

B. A distiller license shall authorize the holder thereof: To manufacture, bottle, package, and store spirits on licensed premises; to sell spirits in this state to licensed wholesalers and manufacturers only; to sell spirits out of this state to qualified persons; to purchase from licensed distillers and rectifiers in this state, and import spirits from without this state for manufacturing purposes in accordance with federal laws and regulations.

C. A winemaker license shall authorize the holder thereof: To manufacture (including such mixing, blending and cellar treatment as authorized by federal law), bottle, package, and store on licensed premises wine containing not more than twenty-four percent (24%) alcohol by volume, provided the bottle or package sizes authorized shall be limited to the capacities approved by the United States Alcohol and Tobacco Tax and Trade Bureau; to sell wine in this state to licensed wholesalers and manufacturers; to sell bottles of wine produced at the winery from grapes and other fruits and berries grown in this state, if available, to consumers on the premises of the winery; to serve visitors on the licensed premises samples of wine produced on the premises; to serve samples of wine produced at the winery at festivals and trade shows; to sell wine produced at the winery, in original sealed containers, at festivals and trade shows; to sell wine out of this state to qualified persons; to purchase from licensed winemakers, distillers and rectifiers in this state, and to import into this state wine, brandy and fruit spirits

for use in manufacturing in accordance with federal laws and regulations; provided, a winemaker either within or without this state that annually produces no more than ten thousand (10,000) gallons of wine may elect to sell and self-distribute the wine produced by such winemaker directly to licensed retail package stores and restaurants in this state; and provided further that:

1. Any such winemaker which elects to directly sell its wine to package stores and restaurants shall not also use a licensed wholesale distributor as a means of distribution, and shall be required to sell its wines to every package store and restaurant licensee who desires to purchase the same, on the same price basis and without discrimination;

2. If a winemaker or winery sells directly to a retail package store or restaurant, the winemaker shall transport the wine from the winemaker's winery to the premises where the wine is to be delivered only in vehicles owned or leased by the winemaker and not by common or private contract carrier and shall obtain all necessary permits as required by the Oklahoma Alcoholic Beverage Control Act; and

3. If the production volume limit applicable to winemakers is ruled to be unconstitutional by a court of competent jurisdiction, then no winemaker shall be permitted to directly sell its wine to retail package stores or restaurants in this state.

D. A winemaker self-distribution license shall authorize a licensed winemaker within or without this state which is permitted by Section 3 of Article XXVIII of the Oklahoma Constitution and subsection C of this section, to distribute its wine directly to retail package stores and restaurants in this state and that elects to do so, to sell and deliver its wines directly to licensed retail package stores and restaurants in this state in full case lots only, and in accordance with the provisions of the Oklahoma Alcoholic Beverage Control Act and such rules as the ABLE Commission shall adopt.

E. A rectifier license shall authorize the holder thereof: To rectify spirits and wines, bottle, package, and store same on the licensed premises; to sell spirits and wines in this state to licensed wholesalers and manufacturers only; to sell spirits and wines out of this state to qualified persons; to purchase from

licensed manufacturers in this state; and to import into this state for manufacturing purposes spirits and wines in accordance with federal laws and regulations.

F. 1. A wholesaler license shall authorize the holder thereof: To purchase and import into this state spirits and wines from persons authorized to sell same who are the holders of a nonresident seller license, and their agents who are the holders of manufacturers agent licenses; to purchase spirits and wines from licensed distillers, rectifiers and winemakers in this state; to purchase spirits and wines from licensed wholesalers, to the extent set forth in paragraphs 2 and 3 of this subsection; to sell in retail containers in this state to retailers, mixed beverage, caterer, special event, public event, hotel beverage or airline/railroad beverage licensees, spirits and wines which have been received and unloaded at the bonded warehouse facilities of the wholesaler before such sale; to sell to licensed wholesalers, to the extent set forth in paragraphs 2 and 3 of this subsection, spirits and wines which have been received and unloaded at the bonded warehouse facilities of the wholesaler before such sale; and to sell spirits and wines out of this state to qualified persons. Provided, however, sales of spirits and wine in containers with a capacity of less than one-twentieth (1/20) gallon by a holder of a wholesaler license shall be in full case lots and in the original unbroken case. Wholesalers shall be authorized to place such signs outside their place of business as are required by Acts of Congress and by such laws and regulations promulgated under such Acts.

2. Wholesalers are prohibited from purchasing annually in excess of fifteen percent (15%) of their total spirits inventory and fifteen percent (15%) of their total wine inventory from one or more wholesalers. Wholesalers are also prohibited from purchasing annually in excess of fifteen percent (15%) of their inventory of any individual brand of spirits or wine from one or more wholesalers. The volume of spirits and wine and of each brand that each wholesaler is permitted to purchase annually from other wholesalers shall be calculated by the ABLE Commission by multiplying fifteen percent (15%) by:

a. the total volume of spirits sales of the wholesaler, by liter, from the previous calendar year, and

b. the total volume of wine sales of the wholesaler, by liter, from the previous calendar year, and

c. the volume of sales of each brand of spirits or wine of the wholesaler, by liter, from the previous calendar year.

A wholesaler who did not post any sales of spirits, wine or of a particular brand in the previous calendar year shall be deemed to have sold the same volume of spirits, wine or of a particular brand as the wholesaler posting the smallest volumes of sales in spirits, wine or of a particular brand for that year for the purposes of this paragraph. Notwithstanding the foregoing, wholesalers shall not purchase any inventory in spirits or wine from any other wholesaler until such time that the purchasing wholesaler possesses an inventory valued at no less than Two Hundred Fifty Thousand Dollars ($250,000.00). Inventory valuation shall be based on the original actual price paid by the purchasing wholesaler to the nonresident seller for the inventory.

3. A wholesaler may sell spirits and wine to other wholesalers or purchase spirits and wines from other wholesalers without complying with paragraph 2 of this subsection in the case of the sale, purchase, or other transfer or acquisition of the entire business of a wholesaler, including the inventory of spirits and wine.

4. A wholesaler license shall authorize the holder thereof to operate a single bonded warehouse with a single central office together with delivery facilities at a location in this state only at the principal place of business for which the wholesaler license was granted.

5. All licensed wholesalers shall register prices, purchase and keep on hand or have on order a fifteen-day supply of all brands constituting the top eighteen brands in total sales by all Oklahoma wholesalers during the past twelve-month period, according to the records of the ABLE Commission as revised by the ABLE Commission quarterly; provided, however, that not more than three brands of any particular nonresident seller shall be included in the top-brands classification. All purchase orders for these top eighteen brands must show an expected due delivery date. These purchase orders may

only be canceled with prior approval of the Director of the ABLE Commission, unless a wholesaler shall have in its warehouse a fifteen-day supply of merchandise on such purchase order.

In order to allow the ABLE Commission to determine the top eighteen brands, wholesalers must submit to the ABLE Commission every sixty (60) days a sworn affidavit listing their top twenty-five brands in sales for the previous sixty (60) days, excluding sales to wholesalers. Such affidavits shall be submitted in conjunction with the original price postings of wholesalers.

A fifteen-day supply of a particular brand for a particular wholesaler shall be based upon the market share of the wholesaler, determined by first multiplying the total number of liters of such brand sold by all wholesalers to all retailers during the previous calendar year by the percentage that the total sales of wine and spirits of the particular wholesaler, in liters, for such calendar year bears to the total sales of wine and spirits, in liters, reported by all wholesalers for such calendar year; and then dividing by twenty-four (24); provided, that a fifteen-day supply for a wholesaler who has not been in business for the entirety of the previous calendar year shall be deemed to be equal to that of the wholesaler who was in business for the entirety of the previous calendar year and who reported the lowest volume of sales of wine and spirits, in liters, of any wholesaler having been in business for such period.

G. A Class B wholesaler license shall authorize the holder thereof: To purchase and import into this state beer from persons authorized to sell same who are the holders of nonresident seller licenses, and their agents who are the holders of manufacturers agent licenses; to purchase beer from licensed brewers and Class B wholesalers in this state; to sell in retail containers to retailers, mixed beverage, caterer, special event, public event, hotel beverage, and airline/railroad beverage licensees in this state, beer which has been unloaded and stored at the holder's self-owned or leased and self-operated warehouse facilities for a period of at least twenty-four (24) hours before such sale; and to sell beer in this state to Class B wholesalers and out of this state to qualified persons, including federal instrumentalities and voluntary associations of military personnel on federal enclaves in this state over which this state has ceded jurisdiction.
