Each statewide virtual charter school approved by the Statewide Virtual Charter School Board shall be eligible to receive federal funds generated by students enrolled in the charter school for the applicable year. Each statewide virtual charter school shall be considered a separate local education agency for purposes of reporting and accountability.

D. As calculated as provided for in Section 3-142 of this title, a statewide virtual charter school shall receive the State Aid allocation and any other state-appropriated revenue generated by students enrolled in the virtual charter school for the applicable year, less up to five percent (5%) of the State Aid allocation, which may be retained by the Statewide Virtual Charter School Board for administrative expenses and to support the mission of the Board. Each statewide virtual charter school shall be considered a separate local education agency for purposes of reporting and accountability.

A virtual charter school shall pre-enroll any public school student whose parent expresses intent to enroll in the district. Upon pre-enrollment, the State Department of Education shall initiate a transfer on a form to be completed by the receiving virtual charter school. Upon approval of the receiving virtual charter school, the student may begin instructional activities. Upon cancellation of a transfer the virtual charter school shall transmit
the student's records to the student's new school district within three (3) school days. The State Board of Education shall act on the appeal within sixty (60) days of receipt of the request from the statewide virtual charter school applicant. The State Board of Education may reverse the decision of the Statewide Virtual Charter School Board or may remand the matter back to the Statewide Virtual Charter School Board for further proceeding as directed.
