No. HB 4049

**THE GOVERNOR**  
STATE OF OKLAHOMA

OKLAHOMA CITY, OKLA., May 19, 2020  
TIME SIGNED: 4:25 pm

TO THE HONORABLE SPEAKER OF THE HOUSE  
AND MEMBERS OF THE OKLAHOMA HOUSE OF REPRESENTATIVES  
SECOND REGULAR SESSION OF THE  
FIFTY SEVENTH OKLAHOMA LEGISLATURE

ENROLLED HOUSE BILL NO. 4049:

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have vetoed House Bill 4049.

Digitally transforming state government into the 21<sup>st</sup> Century is a primary focus of my administration. When I took office, our team found numerous agencies across state government still using old and outdated systems. My vision for Oklahoma is to one day offer all state services conveniently through an application on mobile devices. As my administration has worked towards this goal, we have encountered bureaucratic red tape and statutory barriers which prevent these innovative processes.

House Bill 4049 would remove the Oklahoma Tax Commission's ability to operate an online portal for motor vehicle registration and mandates that their online system direct customers to motor license agents. Instead of an Oklahoman being able to quickly choose to renew a vehicle tag online and have the Oklahoma Tax Commission promptly handle their request, the consumer would have to select a motor license agent to handle the online claim. This mandate not only creates a burdensome step for the consumer, but it creates an additional fee. I cannot support legislation that creates new burdens for consumers while working to reduce the current barriers that exist.

While I agree motor license agents play a key role in delivering services to Oklahomans, this measure would only create more statutory barriers to digitally transforming state services. As the COVID pandemic demonstrated, the need for services to be accessed remotely and electronically has never been greater. This bill would adversely affect Oklahoma and inconvenience its citizens. It is important that we continue to transform our archaic systems for the benefit of all taxpaying Oklahomans.

For the aforementioned reasons, I have vetoed House Bill 4049.
