OKLAHOMA SECRETARY
OF STATE

STATE OF OKLAHOMA

EXECUTIVE DEPARTMENT

Proclamation

Whereas, the story of Oklahoma's distant past is recorded in tens of thousands of prehistoric and historic archeological sites found in many counties; and

Whereas, the Oklahoma Anthropological Society; the Oklahoma Archeological Survey; the Oklahoma Historical Society, State Historic Preservation Office; the Oklahoma Public Archaeology Network; and the University of Oklahoma Anthropology Department believe that increased public awareness about the significance of these special places and about the threats to them will improve their protection; and

Whereas, these agencies and organizations are partnering with archeologists representing federal, tribal, and state agencies, cultural resource management firms, academic institutions, and museums to share information about archeological research and preservation projects through a coordinated program featuring demonstrations of prehistoric daily life, cultural heritage performances, exhibits and lectures in communities throughout the state;

Now Therefore, I, Governor J. Kevin Stitt, do hereby proclaim October, 2020, as

“Oklahoma Archeology Month”

in the State of Oklahoma.

In Witness Whereof, I have hereunto set my hand and caused the Great Seal of the State of Oklahoma to be affixed.

Done at the Capitol, in the City of Oklahoma City, this twenty-second day of September, in the Year of Our Lord two thousand and twenty, and of the State of Oklahoma in the one hundred and twelfth year.
