INITIATIVE PETITION

TO THE HONORABLE M. E. TRAPP,

Governor of the State of Oklahoma:

We, the undersigned citizens and legal voters of the State of Oklahoma, respectfully order that the following proposed law shall be submitted to the legal voters of the State of Oklahoma for their approval or rejection, at the next election held throughout the State, and each for himself says: I have personally signed this petition, and I am a legal voter of the State of Oklahoma; my residence and postoffice address are correctly written after my name. The time for filing this petition expires January 10, 1926. The question we herewith submit to our fellow voters is: "Shall the following proposed law be adopted?"

AN ACT FORBIDDING THE LEVYING OF ANY TAX NOT SPECIFICALLY AUTHORIZED BY LAW AND PROVIDING THE PROCEDURE WHEREBY SUCH ILLEGAL LEVIES MAY BE VOIDED, SET ASIDE AND THE TAX ROLLS CORRECTED; ALSO FIXING A TIME LIMIT AFTER WHICH CERTAIN LEVIES SHALL BE INCONTESTABLE. ALSO PROVIDING THAT ANY UNCONSTITUTIONAL TAX LEVY SHALL BE VOID AS TO ALL TAXPayers AND REFUNDED IF UNDISTRIBUTED. WARRANTS DRAWN AGAINST AN APPROPRIATION, THE LEVY FOR WHICH IS BEING CONTESTED, TO BE LEGAL ONLY FOR FIXED EXPENSE OF GOVERNMENT, NEEDEDLY INCURRED.

Be It Enacted by the People of the State of Oklahoma:

SECTION 1. No tax-assessing officer, board or commission in this State, or in any county, municipality or other political subdivision thereof shall levy or assess any tax against any property in this state, whether real, personal or mixed, except as specifically authorized by law; and any such attempted levy shall be illegal and voidable as hereinafter provided, to the extent that the same exceeds the rate authorized by law to be levied for such purpose or purposes and necessary to meet the needs for which such levy is authorized to be made.
SECTION 2. When the county excise boards of the several counties in this State shall have made their levies for taxation for the ensuing year for county, city, school district and all other purposes for which they are authorized to make levies, and shall have determined and fixed the rate of taxation for all of the various purposes for which taxes are authorized to be levied and assessed, each of said boards shall thereupon make a written certificate certifying the amount of said levies so made, the total rate in such county and in each subdivision thereof, including municipalities, townships and school districts, the subdivisions of said total showing the specific levy for each separate purpose and for each separate fund, as now provided by law, which shall be certified by the members of said board, and filed with the County Assessor in such county. Likewise, the State Equalization Board, upon the making of a levy by it for state purposes, shall make a similar certificate showing the levy made by it, and all the various purposes for which said levy was made, and the amount levied for each purpose, and cause the same to be filed and spread of record in its office. Each and all of said certificates shall be public records and at all times open to the inspection of any person desiring to see the same. Upon the filing of any such certificate, the Board of Equalization or Excise Board making such levy shall forthwith give notice by publication that such certificate has been filed and is a matter of record and the place at which the same may be found for public inspection, and said notice shall be published in one issue of a newspaper of general circulation published in the county in the case of the levy for county, municipal and school district purposes, and published in the city in which the capitol is located in the case of the levy for state purposes, and such Boards are hereby authorized to make appropriations to pay for such publications.

SECTION 3. At any time within thirty days after the date of the publication of such notice, any taxpayer who contends that such levy, or any portion thereof, so made upon his property, or any part thereof in this state, is in excess of the limitation prescribed by the Constitution or laws of this State for the purpose for which said tax was levied, or is in excess of the limitation prescribed by the Constitution and laws of this State to be levied upon the particular character of property to be taxed, or is in any other cause invalid, may institute an action of injunction in the proper district court of the State to enjoin the spreading upon the record of the illegal or excessive portion of said levy. As to levies made by the County Excise Boards, the County Assessor and County Treasurer of said county shall jointly be the defendants, and it shall be the duty of the County Attorney of the county to appear for them and represent the county in such action. As to levies made by the State Board of Equalization, the State Auditor shall be the defendant, and it shall be the duty of the Attorney General to appear for him and thus to represent the State in such action.

The defendants shall plead or answer within 10 days after service of summons in said cases, and the district court shall try the case within ten days thereafter, which trial may be had in chambers if the court be not then in session, and in any county in the judicial district, and upon a trial the court shall render judgment, adjudging and decreeing the said levy or portion thereof so attacked to be void or valid, as he may find the facts and the law to be. From such judgment an appeal may be taken to the Supreme Court of the State within ten days from the date of the rendition of the judgment and not thereafter, except for good cause shown the trial court may extend this time for a period not to exceed twenty days, and the Supreme Court shall determine the appeal at the earliest possible moment. If no appeal be taken the judgment of the district court shall be final.

Any levy not made in violation of the state or federal constitution, the validity of which is not contested within thirty days (30) as above provided, shall, after the expiration of the said thirty days be incontestable: Provided, that any tax contested by any taxpayer and adjudged by the court to be unconstitutional, shall, when not distributed, be refunded to any who have paid same, and shall not thereafter be collected.

SECTION 4. Upon any levy or part thereof being adjudged, or decreed to be invalid and the excess to be illegal, the court's decree shall specify what portion thereof is valid and what void; and thereupon it shall be the duty of the County Assessor or County Treasurer, in extending the taxes upon the records, to extend only the valid portion thereof and to omit the invalid portion, not only with respect to the plaintiff in said action, but also with respect to all other taxpayers in the county or taxing district affected by said excessive or illegal tax.

SECTION 5. When any tax levy, or portion thereof, is contested as herein provided, warrants drawn against the appropriation for which such contested levy is made shall, during the pendency of such suit, be legal only when drawn for fixed expenses of government necessarily incurred.

THE END.
