A JOINT RESOLUTION DIRECTING THE SECRETARY OF STATE TO REFER TO THE PEOPLE FOR THEIR APPROVAL OR REJECTION A PROPOSED AMENDMENT TO SECTION 6B OF ARTICLE X OF THE CONSTITUTION OF THE STATE OF OKLAHOMA; MODIFYING DEFINITION OF MANUFACTURING FACILITY; REQUIRING DEFINITION BY LEGISLATURE; REQUIRING DEFINITION FOR PURPOSE OF PROMOTING FULL EMPLOYMENT OF LABOR RESOURCES; PROVIDING FOR CONTINUED EXEMPTION NOTWITHSTANDING SUBSEQUENT CHANGES IN DEFINITION; PROVIDING BALLOT TITLE; AND DIRECTING FILING.

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES AND THE SENATE OF THE 2ND SESSION OF THE 41ST OKLAHOMA LEGISLATURE:

SECTION 1. The Secretary of State shall refer to the people for their approval or rejection, as and in the manner provided by law, the following proposed amendment to Section 6B of Article X of the Constitution of the State of Oklahoma to read as follows:

Section 6B. For the purpose of inducing any manufacturing concern to locate or expand manufacturing facilities within any county of this state, a qualifying manufacturing concern shall be exempt from the levy of any ad valorem taxes upon new, expanded or acquired manufacturing facilities for a period of five (5) years.

For purposes of this section, a "qualifying manufacturing concern" means a concern that:

1. Is not engaged in business in this state or does not have property subject to ad valorem tax in this state and constructs a manufacturing facility in this state or acquires an existing facility that has been unoccupied for a period of twelve (12) months prior to acquisition; or

2. Is engaged in business in this state or has property subject to ad valorem tax in this state and constructs a manufacturing facility in this state at a different location from present facilities and continues to operate all of its facilities or acquires an existing facility that has been unoccupied for a period of twelve (12) months prior to acquisition and continues to operate all of its facilities.

The exemption allowed by this section shall apply to expansions of existing facilities. Provided, however that any exemption shall be limited to the increase in ad valorem taxes directly attributable to the expansion.

~~For the purposes of this section "manufacturing facilities" shall mean facilities engaged in manufacturing as defined by the Standard Industrial Classification Code and facilities engaged in research and development.~~

The Legislature shall define the term "manufacturing facility" for purposes of the ad valorem tax exemption provided by this section in order to promote full employment of labor resources within the state; provided, however, that a manufacturing facility that qualifies for the ad valorem tax exemption provided by this section, pursuant to the definition of "manufacturing facility" then applicable, shall be eligible for the exemption without regard to subsequent changes in the definition of the term "manufacturing facility".

The Legislature shall enact laws to carry out the provisions of this section and to provide for the reimbursement to common schools, county governments, cities and towns, emergency medical services districts, vocational-technical schools, junior colleges, county health departments and libraries for revenues lost to such entities as a result of the exemption provided by this section.

The assessed valuation of property exempt from taxation by virtue of this section shall be added to the assessed valuation of taxable property in computing the limit on indebtedness of political subdivisions contained in Section 26 of this article.

SECTION 2. The Ballot Title for the proposed Constitutional amendment as set forth in SECTION 1 of this resolution shall be in the following form:

BALLOT TITLE

Legislative Referendum No. _____

State Question No. _____

THE GIST OF THE PROPOSITION IS AS FOLLOWS:

This measure would amend the State Constitution. It would change Section 6B of Article X. The term "manufacturing facility" is defined in this section. The change would delete this definition. It would require the Legislature to define this term by law. The term would be defined for purposes of the property tax exemption granted to new or expanding industry. It would be defined to promote full employment in the state. Once a facility qualified for the exemption, it would not lose the exemption because of a change in the way the term is defined.

SHALL THIS AMENDMENT BE APPROVED BY THE PEOPLE?

YES, FOR THE AMENDMENT

NO, AGAINST THE AMENDMENT

SECTION 3. The Chief Clerk of the House of Representatives, immediately after the passage of this resolution, shall prepare and file one copy thereof, including the Ballot Title set forth in SECTION 2 hereof, with the Secretary of State and one copy with the Attorney General. _____
