BALLOT TITLE

Legislative Referendum No. \_\_\_\_\_ State Question No. \_\_\_\_\_

THE GIST OF THE PROPOSITION IS AS FOLLOWS:

This measure would amend the State Constitution. It would amend Sections 2, 3 and 5 of Article 11. These sections deal with school lands. At this time the Commissioners of the Land Office are allowed to divide and send the income on the school land funds to common schools and certain universities each year. This measure would allow them to add the income to the funds. They would then decide what amount to send to the schools and universities each year. The amount to be sent to the common schools must be between 4% and 5% of the market value of the school fund for the last three years. The amount to be sent to the universities is not set in this measure.

SHALL THIS AMENDMENT BE APPROVED BY THE PEOPLE?

YES, FOR THE AMENDMENT

NO, AGAINST THE AMENDMENT

SECTION 5. The President Pro Tempore of the Senate shall, immediately after the passage of this resolution prepare and file one copy thereof, including the Ballot Title set forth in SECTION 4 hereof, with the Secretary of State and one copy with the Attorney General.

**Re: Ballot Title for State Question No. 684, Legislative Referendum No. 314**

Dear Secretary Hunter:

Having found that the suggested Ballot Title for the above-referenced State Question was not in harmony with the law, we have, in accordance with the provisions of 34 O.S. Supp.1998, § 9(C)(1), prepared the following substitute Ballot Title for filing in your office. As a Title 34 Ballot Title review, the following does not constitute an Attorney General's Opinion on the merits or constitutionality of the underlying proposed change in the law. The substitute Ballot Title reads as follows:

**BALLOT TITLE**

This measure amends the State Constitution. It amends Sections 2, 3 and 5 of Article XI, which deal with the School Land Trust. The United States established the Trust to benefit the State's common schools and certain State universities. The permanent school fund is part of that Trust. That trust fund must now forever remain intact and the State can never diminish it. The State can now only use the trust fund's income to aid schools.

The measure changes how the State could use the permanent school fund. The measure allows the State to use more than the fund's income to aid schools. The measure allows the State to diminish the fund itself to aid schools. The measure allows the State to use between 4  $\frac{3}{4}$  % and 5  $\frac{1}{2}$  % of the market value of the fund for the last three years to aid common schools.

Mr. Mike Hunter, Secretary of State

The measure also allows the State to use more than trust income to aid the specified universities. The measure allows the State to also diminish the trust fund established to aid the universities. The measure does not set a limit on the amount of trust funds the State could use to aid the universities.
