Information provided by a person who votes a provisional ballot shall be investigated by the secretary of the county election board after the election. A provisional ballot shall be counted only if it is cast in the precinct of the voter's residence and if evidence of the provisional voter's valid voter registration, or of the voter's identity, is found, except a provisional ballot cast by a voter identified in Section 14-121 of ~~Title 26 of the Oklahoma Statutes~~ this title shall be counted.

D. No information concerning provisional ballots, except the number of provisional ballots cast in the county, shall be made public by any election official prior to 1:00 p.m. on Friday following the election. E. In the event that the secretary of any county election board is unable to complete the investigation and verification of provisional ballots by 1:00 p.m. on Friday following the election, the Secretary of the State Election Board shall be authorized to extend the period for the investigation and verification of provisional ballots. When such an extension is required by any county for a statewide election, the extension shall apply statewide. The Secretary shall promulgate rules establishing procedures for requesting and granting such extensions.

F. All materials used for procuring and casting a provisional ballot shall be retained by the secretary of the county election board for a period of twenty-four (24) months after the day of the election.

SECTION 4. AMENDATORY 26 O.S. 2001, Section 14-115.4, as last amended by Section 8, Chapter 307, O.S.L. 2004 (26 O.S. Supp. 2008, Section 14-115.4), is amended to read as follows:

Section 14-115.4 A. As part of the application for an in-person absentee ballot such registered voter shall swear or affirm that the voter has not voted a regular mail absentee ballot and that the voter will not vote at the regular polling place in the election for which the in-person absentee ballot is requested.

B. 1. The voter also shall provide proof of identity as defined in Section 7-114 of this title. If the voter declines to or is unable to produce proof of identity, the voter may sign a statement under oath, in a form approved by the Secretary of the State Election Board, swearing or affirming that the person is the person identified on the precinct registry, and shall be allowed to cast a provisional ballot as provided in Section 7-116.1 of this title.

2. False swearing or affirming under oath shall be punishable as a felony as provided in Section 16-103 of this title, and the penalty shall be distinctly set forth on the face of the statement.

C. One or more absentee voting boards shall be on duty from 8 a.m. to 6 p.m. at the in-person absentee polling place on Friday and Monday immediately preceding any election and from 8 a.m. to 1 p.m. on Saturday immediately preceding a state or federal election. 1. An absentee voting board shall provide to each registered voter who applies for an in-person absentee ballot appropriate ballots and materials as may be necessary to vote;

2. The voter must sign an in-person absentee voter record, and the signature of the voter on such record must be certified by both members of the absentee voting board, except that the secretary of the county election board and one other member of the absentee

voting board may certify the signature of another member of the absentee voting board;

3. The voter must mark the ballots of the voter in the manner provided by law in the presence of the absentee voting board, but in such a manner as to make it impossible for any person other than the voter to ascertain how ~~said~~ such ballots are marked. Insofar as is possible, the voting procedure shall be the same as if the voter were casting a vote in person at a precinct;

4. The voter shall then deposit the ballot in a voting device designated for in-person absentee voting by the secretary of the county election board;

5. When the in-person polling place is closed on each day of in-person absentee voting the in-person absentee voting board shall, without obtaining a printout of results, remove the vote data pack from the voting device and seal ballots counted that day in a transfer case which shall be secured by the sheriff of the county in the same manner as provided in Section 8-110 of this title. The vote data pack shall be sealed in a container prescribed by the Secretary of the State Election Board. The sheriff shall secure the sealed vote data pack container and return it to the in-person absentee voting board no later than 7:45 a.m. on the next day of in-person absentee voting or to the secretary of the county election board at the time of the county election board meeting to count absentee ballots on election day;

6. The vote data pack or packs used for in-person absentee voting shall be used by the county election board to count absentee ballots on election day as provided in Section 14-125 of this title; and
