Re: Preliminary Ballot Title for State Question No. 759, Legislative Referendum No. 359

Dear Secretary Coffee, Senator Bingman, and Speaker Steele:

Having found that the proposed ballot title for the above referenced state question did not comply with applicable laws, we have, in accordance with the provisions of 34 O.S.Supp.2010, § 9(C), prepared the following Preliminary Ballot Title. As a Title 34 Ballot Title review, the following does not constitute an Attorney General Opinion on the merits or constitutionality of the underlying proposed changes in the law, nor on the ability of federal law to preempt the changes in the law. The Preliminary Ballot Title reads as follows:
PRELIMINARY BALLOT TITLE FOR STATE QUESTION NO. 759

This measure adds a new section to the State Constitution. It adds Section 36 to Article II.

The measure deals with three areas of government action. These areas are employment, education and contracting.

In these areas, the measure does not allow affirmative action programs. Affirmative action programs give preferred treatment based on race, color or gender. They also give preferred treatment based on ethnicity or national origin. Discrimination on these bases is also not permitted.

The measure permits affirmative action in three instances. 1. When gender is a bonafide qualification, it is allowed. 2. Existing court orders and consent decrees that require preferred treatment will continue and can be followed. 3. Affirmative action is allowed when needed to keep or obtain federal funds.

The measure applies to the State and its agencies. It applies to counties, cities and towns. It applies to school districts. It applies to other State subdivisions.

The measure applies only to actions taken after its approval by the people.

SHALL THE PROPOSAL BE APPROVED?

FOR THE PROPOSAL - YES

AGAINST THE PROPOSAL - NO

Respectfully submitted,

Re: Ballot Title for State Question No. 759, Legislative Referendum No. 359

Dear Secretary Coffee, Senator Bingman, and Speaker Steele:

In accordance with the provisions of 34 O.S.Supp.2010, § 9(C), we have reviewed the proposed Ballot Title for the above referenced State Question and conclude that it does not comply with applicable laws for the following reasons:

It does not adequately explain the effect of the proposition because:

- It does not explain that the measure’s prohibitions also apply to preferential treatment and discrimination based on color, ethnicity or national origin.
- It does not explain to which entities the measure’s prohibitions apply.
- It does not explain that the measure prohibits affirmative action programs.
- It does not explain that the measure allows some limited gender-based qualifications.
- It does not explain that the measure’s prohibitions do not apply if special treatment is needed to secure or maintain federal funding.
• It does not explain that the measure allows special treatment to comply with court orders and decrees in force as of the effective date of the measure.

Having found that the Ballot Title does not comply with applicable law, we will, in conformity with the provisions of 34 O.S.Supp.2010, § 9(C), within ten (10) business days, prepare a Preliminary Ballot Title which complies with the law.

Sincerely,

Dear Secretary Coffee, Senator Bingman, and Speaker Steele:

Having found that the proposed ballot title for the above referenced state question did not comply with applicable laws and having heretofore provided a Preliminary Ballot Title, we now, in accordance with the provisions of 34 O.S.Supp.2010, § 9(C), provide the following Final Ballot Title. The Final Ballot Title reads as follows:

FINAL BALLOT TITLE FOR STATE QUESTION NO. 759

STATE QUESTION NO. 758
LEGISLATIVE REFERENDUM 358

This measure amends the State Constitution. It amends Section 8B of Article 10.

The measure deals with real property taxes also called ad valorem taxes. These taxes are based on several factors. One factor is the fair cash value of the property.

The measure changes the limits on increases in fair cash value. Now, increases are limited to 5% of fair cash value in any taxable year.

The measure changes the cap on increases to 3% for some property. The 3% cap would apply to homestead exempted property. The cap would also apply to agricultural land.

The measure also removes obsolete language.

STATE QUESTION NO. 762 LEGISLATIVE REFERENDUM 360

This measure amends Section 10 of Article 6 of the Oklahoma Constitution. It changes current law, decreasing the power and authority of the Governor by removing the Governor from the parole process for persons convicted of certain offenses defined as nonviolent offenses. It enlarges the power and authority of the Pardon and Parole Board by authorizing that Board, in place of the Governor, to grant parole to persons convicted of certain offenses defined as nonviolent offenses.

The Legislature defines what offenses are nonviolent offenses and the Legislature may change that definition.

The measure authorizes the Pardon and Parole Board to recommend to the Governor, but not to itself grant, parole for persons convicted of certain offenses, specifically those offenses identified by law as crimes for which persons are required to serve not less than eighty-five percent of their sentence prior to being considered for parole and those designated by the Legislature as exceptions to nonviolent offenses. For those offenses for which persons are required to serve a minimum mandatory period of confinement prior to being eligible to be considered for parole, the Pardon and Parole Board may not recommend parole until that period of confinement has been served.

STATE QUESTION NO. 764 LEGISLATIVE REFERENDUM 361

This measure amends the Oklahoma Constitution. It adds a new Section 39A to Article 10. It would allow the Oklahoma Water Resources Board to issue bonds. Any bonds issued would be used to provide a reserve fund for the Board. The fund would be a reserve fund for certain water resource and sewage treatment funding programs. The fund could only be used to pay other bonds and obligations for the funding programs. The bonds could only be issued after other monies and sources are used for repayment. The bonds would be general obligation bonds. Not
more than Three Hundred Million Dollars worth of bonds could be issued. The Legislature
would provide the monies to pay for the bonds. The Legislature would provide for methods for
issuing the bonds. The Legislature would provide for how the fund is administered.

STATE QUESTION NO. 765
LEGISLATIVE REFERENDUM 362

The measure amends the Oklahoma Constitution. It abolishes the Oklahoma Department of
Human Services, the Oklahoma Commission of Human Services and the position of Director of
the Oklahoma Department of Human Services. These entities were created under different
names by Sections 2, 3 and 4 of Article 25 of the Oklahoma Constitution and given duties and
responsibilities related to the care of the aged and needy. The measure repeals these sections of
the Constitution and consequently, removes the power of the Commission of Human Services to
establish policy and adopt rules and regulations. Under the measure, the Legislature and the
people by initiative petition retain the power to adopt legislation for these purposes.

The measure adds a provision to the Constitution authorizing the Legislature to create a
department or departments to administer and carry out laws to provide for the care of the aged
and the needy. The measure also authorizes the Legislature to enact laws requiring the newly-
created department or departments to perform other duties.

STATE QUESTION NO. 766
LEGISLATIVE REFERENDUM 363

This measure amends Section 6A of Article 10 of the Oklahoma Constitution. At
present that section exempts some intangible personal property from ad valorem property
taxation. This measure would exempt all intangible personal property from ad valorem
property taxation.

An ad valorem property tax is a tax imposed upon the value of property.

Intangible Personal Property is property whose value is not derived from its physical
attributes, but rather from what it represents or evidences.

Intangible Personal Property which is still currently taxed but would not be taxed if
the measure is adopted, includes items such as:

• patents, inventions, formulas, designs, and trade secrets;
• licenses, franchise, and contracts;
• land leases, mineral interests, and insurance policies;
• custom computer software; and
• trademarks, trade names and brand names.

If adopted, the measure would apply to property taxation starting with the tax year that begins on January 1, 2013.
