

Oklahoma Buyer Registration Agreement

Receipt of lien information is conditional upon agreement to the terms contained within this document. Failure to comply with the terms, in full, shall result in forfeiture of the registration and, if applicable, cancellation of access passwords.

As used in this agreement, a buyer is defined as a buyer of farm products, commission merchant, selling agent or any interested person or business who registers to receive portions of the master list of agricultural lien information.

The lien information supplied to a buyer as a result of registration with the Secretary of State is to be used only at the location specified below and may not be shared with other branch offices or alternate locations. Branch offices and alternate locations are considered separate entities requiring separate registration and payment of the prescribed fee to receive lien information.

Passwords shall be kept confidential. It is understood and agreed that the buyer, whose name appears on this document, is responsible for maintaining the confidentiality of the issued password. The Secretary of State's Office must be notified immediately of any unauthorized use of the password or other breach of security. The Secretary of State will change access to the lien information upon notification that the password has been lost, stolen or otherwise compromised.

This agreement is effective for the duration of the buyer's registration. Upon renewal, or if additional registrations are submitted, a new agreement must be signed.

Oklahoma law shall apply in the event of a disagreement among the parties.

The undersigned does hereby agree to the terms of this agreement dated this ____ day of _____, ____.
