**ORDER/SUBSCRIPTION AGREEMENT**

**for**

**OKLAHOMA ADMINISTRATIVE CODE AND OKLAHOMA REGISTER IN ELECTRONIC FORMAT**

**FORMAT:** The electronic versions of the Oklahoma Administrative Code and Supplement(s) (OACAS) and the Oklahoma Register are in xml format. In addition to structured text, the rules include tables and graphics.

**MEDIA:** The electronic data is available by FTP Internet download.

**OFFICIAL VERSION OF THE OACAS:** The printed and CD-ROM publications issued by the Oklahoma Secretary of State's Office (SOS) are the only official versions of the OACAS and the Oklahoma Register. Any other version produced or sold must include:

- a disclaimer that the version produced or sold is not the official version and that any discrepancy with the official OACAS will be resolved in favor of the printed and CD-ROM versions produced by the SOS, and
- a notice of the SOS copyright.

**LIMITATION ON USE OF DATA:** The purchaser may utilize the electronic version of the OACAS and the Oklahoma Register only in connection with the creation and provision of an on-line computer-assisted legal research service and/or the publication of legal research materials.

**PRICING:** The latest full edition of the Oklahoma Administrative Code (OAC) is available electronically in xml format for \$25,000.00. Updates are available, as follows:

- **Annual updates** – Until publication of another full edition of the OAC, cumulative Supplements are published annually by the SOS, and are available electronically in xml format for \$10,000 per year. Annual supplements are cumulative, and include rules and executive orders that have been added or revised since publication of the last full edition of the OAC.
- **Semi-monthly updates** – Between annual OACAS publications, the Oklahoma Register serves as supplementation. Updates to rules and executive orders can be obtained by subscribing to the semi-monthly issues of the Oklahoma Register. An annual subscription to the electronic xml version of the Oklahoma Register may be purchased for \$10,000.00.

**INTEGRATION OF RULES IN THE SUPPLEMENT OR REGISTER:** The files available are the xml files used in printing the OAC, the Supplement, and the Oklahoma Register. Both the Supplement and the Register contain the full text of each new or revised rule and executive order; however, rules published in the Oklahoma Register include underscoring and strikeouts to identify new and deleted language. Conversion of rules from the amendatory format used in the Oklahoma Register to the currently effective text of those rules is the responsibility of the purchaser. Integration of all new or revised rules, whether from the Supplement or the Oklahoma Register, into the OAC, is the responsibility of the purchaser.
