¹ Effective 11-1-11, permanent rules that establish or increase fees, as well as permanent rules proposed by agencies created by or receiving authority from Title 59 of the Oklahoma Statutes, must be actively approved by joint resolution of the Legislature. In addition, the Legislature has until the end of session to act, instead of being limited to the 30-legislative-day review period required for all other rulemaking actions. **Therefore, it is no longer necessary to count legislative days for these types of actions, and the information in this table is not applicable.** [Note the following language in HB 1044 (2011), Section 2(F): "Any rule which establishes or increases fees or any rule by an agency, board, or commission created by or that receives its authority from Title 59 of the Oklahoma Statutes shall require approval by the Legislature by joint resolution. If the Legislature fails to approve the rule on or before the last day of the legislative session, the rule shall be deemed disapproved."]

² The FA date is the same as the LA date if the Governor also approved the rules on or before the LA date.
