SUMMARY:

The proposed amendments to the rule revise the deadlines for submission and approval of applications for student transfers pursuant to the Education Open Transfer Act. The proposed amendments to the rule also add a procedure to implement the provisions of HB 1422 (2013), whereby a student who has been the victim of harassment, intimidation, and bullying may request an emergency transfer to another school district if the sending school district was notified of the incident/incidents before the student files the application for transfer. Further, the proposed amendments add a provision implementing the Deployed Parents School Act at 70 O.S. §103.1 (SB 759), which permits transfers of students to a district in which the student will be residing with a relative if the student is a dependent children of a temporarily deployed full-time active duty member of the military. The amendments also add language to the rule to clarify other statutory bases for transfers and to clarify when certain emergency transfers require other action or approval from a sending district.

Emergency Adoptions

"If an agency finds that a rule is necessary as an emergency measure, the rule may be promulgated" if the Governor approves the rules after determining "that the rule is necessary as an emergency measure to do any of the following:

- a. protect the public health, safety or welfare,
- b. comply with deadlines in amendments to an agency's governing law or federal programs,
- c. avoid violation of federal law or regulation or other state law,
- d. avoid imminent reduction to the agency's budget, or
- e. avoid serious prejudice to the public interest." [75 O.S., Section 253(A)]

An emergency rule is considered promulgated immediately upon approval by the Governor, and effective immediately upon the Governor's approval or a later date specified by the agency in the emergency rule document. An emergency rule expires on September 15 following the next regular legislative session after its promulgation, or on an earlier date specified by the agency, if not already superseded by a permanent rule or terminated through legislative action as described in 75 O.S., Section 253(H)(2).

Emergency rules are not published in the *Oklahoma Administrative Code*; however, a source note entry, which cites to the *Register* publication of the emergency action, is added to the *Code* upon promulgation of a superseding permanent rule or expiration/termination of the emergency action.

For additional information on the emergency rulemaking process, see 75 O.S., Section 253.

FINDING OF EMERGENCY:

The City of Perry wants to have a trout season this fall which begins November 1, 2014 and these rules are necessary so that the Perry CCC Lake Designated Trout Fishery can be protected by all the appropriate trout fishing regulations. The City of Pawhuska no longer wants to have a Designated Trout Fishery and this would close the trout fishing at Lake Pawhuska for the fall.

ANALYSIS:

These rules would remove Pawhuska Lake from the 'Designated Trout Fishery' list and add Perry CCC Lake to the list of "Designated Trout Fishery" areas.
