(1) **Learner Permit.** If the person is operating under a learner permit, or equivalent, issued by another jurisdiction, the person may apply for:

(A) A Learner Permit, as provided in subsection (c); provided, a person who is less than fifteen and one half (15 1/2) years of age shall not be issued a Learner Permit; or

(B) An Intermediate License, as provided in subsection (d), if driving privileges granted by another jurisdiction have been in effect for a minimum of six (6) months; provided, a person who is less than sixteen (16) years of age shall not be issued an Intermediate License.

(2) **Intermediate License.** If the person is operating under an intermediate license, or equivalent, issued by another jurisdiction, the person may apply for:

(A) A Learner Permit, as provided in subsection (c); provided, a person who is less than fifteen and one half (15 1/2) years of age shall not be issued a Learner Permit;

(B) An Intermediate License, as provided in subsection (d); provided, a person who is less than sixteen (16) years of age shall not be issued an Intermediate License; or

(C) A Class D Driver License, as provided in subsection (e), if driving privileges granted by another jurisdiction have been in effect for a minimum of twelve (12) months; provided, a person who is less than sixteen and one half (16 1/2) years of age shall not be issued a Class D Driver License; or

(3) **Class D Driver License.** If the person is operating under a Class D Driver License, or equivalent, issued by another jurisdiction, the person may apply for:

(A) A Learner Permit, as provided in subsection (c); provided, a person who is less than fifteen and one half (15 1/2) years of age shall not be issued a Learner Permit;

(B) An Intermediate License, as provided in subsection (d); provided, a person who is less than sixteen (16) years of age shall not be issued an Intermediate License; or

(C) A Class D Driver License, as provided in subsection (e), if driving privileges granted by another jurisdiction have been in effect for a minimum of twelve (12) months; provided, a person who is less than sixteen and one half (16 1/2) years of age shall not be issued a Class D Driver License.

(4) **Considerations.**

(A) Credit shall be given for the time driving privileges have been granted and in effect, as evidenced by another jurisdiction. Evidence of driving privileges shall be confirmed by the issuance date on the permit or license from another jurisdiction, by the issuance date provided by the other jurisdiction, or both; provided, the earliest date shall be the date used to calculate credit.

(B) Examinations may be waived as provided in OAC 595:10-3-9(h).

PART 3. DRIVER LICENSE RENEWAL

595:10-1-10. Procedure for obtaining a renewal driver license.

(a) **General requirements.** During the month of expiration or as provided in (d) of this Section, each licensee shall present proper identification and pay the required fee to a Motor License Agent or to the Driver License Services Division of the Department of Public Safety for renewal of the driver license of the licensee. Failure to renew a driver license by the end of the month of expiration shall not relieve the person of the obligation to renew his or her driver license under the provisions required by law and this Section if the person wishes to keep his or her driver license in force.

(b) **Required identification.**

(1) **Renewal with valid and unexpired driver license.** The valid and unexpired Class D license provided as the primary identification may be retained by the licensee, after the motor license agent has first punched a hole through the identification number of the license. The person shall provide secondary identification as prescribed in OAC 595:10-1-3(b)(4).

(2) **Renewal with an expired driver license.** The expired Class D driver license provided as the primary identification may be retained by the licensee, after the motor license agent has first punched a hole through the identification number of the license. The person shall provide primary identification as prescribed in OAC

595:10-1-3(b)(2), as appropriate. Any applicant with a license expired more than one (1) year past the expiration date and the original issue date was before 11/01/2007 must show proof of legal presence in this country. If the motor license agent's operator is not Birth Certificate certified the applicant must go to an agent who is certified or they must see a Driver License Examiner.

(3) **Renewal without driver license.** Any person who does not have the valid and unexpired driver license shall provide both primary and secondary identification as prescribed in OAC 595:10-1-3(b).

(c) **Vision examination.** Persons holding a commercial driver license shall, upon renewal, meet the vision standards established in OAC 595:10-5-7 and 49 C.F.R. § 391.41.

(d) **Limitations to issuance of a renewal driver license.**

(1) A renewal driver license will be issued only to an individual whose driving privilege is not under suspension, revocation, disqualification, cancellation or denial and who complies with this Section.

(2) Any applicant who requests a renewal of his or her driver license when the license has been expired in excess of three (3) years is required to appear before a Driver License Examiner, pursuant to OAC 595:10-1-2.

(e) **Early renewal of a driver license.** Any licensee may renew his or her driver license no more than one (1) year prior to the expiration date. A renewal which occurs more than one (1) year prior to the expiration date shall be treated as a replacement under the provisions of OAC 595:10-1-18.

(f) **Change of driver license number.**

(1) Use of the licensee's Social Security number as the driver license number is prohibited. At the time of renewal, any licensee whose driver license number is his or her Social Security number shall inform the Department or the motor license agent of that fact. If the numbers are the same, a new driver license number will be assigned for the licensee by computer [47 O.S. § 6-106(B)].

(2) Any licensee may request to change his or her driver license number to any nine-digit number by making a written request to the Department. Upon approval by the Department, the licensee shall obtain a replacement driver license from a motor license agent, and the licensee shall pay the required fee for the replacement license [see OAC 595:10-1-18 regarding replacement driver licenses].

(g) **Persons who may appear before a motor license agent.** An individual who has previously held an Oklahoma Class D driver license that has been surrendered to another state in exchange for the other state's license, may apply directly to a motor license agent for reactivation of the previous Oklahoma Class D license, upon establishing Oklahoma residence and following the applicable procedure for renewal. The agent shall call the Driver License Services Division and request clearance to issue the license. Any applicant with a license expired more than one (1) year past the expiration date and the original issue date was before 11/01/2007 must show proof of legal presence in this country. If the motor license agent's operator is not Birth Certificate certified the applicant must go to an agent who is certified or they must see a Driver License Examiner. If the clearance is given by the Department, the

person shall surrender the out of state license to the agent, and the agent shall issue the Oklahoma license. ~~If the out of state license has been lost or destroyed, the person shall provide to a motor license agent a notarized affidavit of that fact.~~ In no case shall the out of state driver license be retained by the person when an Oklahoma license has been issued to the person. The agent shall retain the license and submit it to the Department with the agent's report. If clearance is not given, the person shall be informed to contact the state whose action is causing the clearance to be withheld.

(h) **Persons unable to appear due to medical situation.** An individual, who is an Oklahoma resident and who is located within the state, may declare in writing to the Department that, because of a medical reason or condition, he or she is unable to appear in person to renew his or her driver license, in which case the Department shall issue by mail an identification card to the person and shall not issue a driver license. The driver license shall be surrendered by the individual to the Department prior to issuance of the identification card. The individual shall provide both primary and secondary identification as prescribed in OAC 595:10-1-3(b).

(i) **Renewing driver license - not in person.** The Department may create an alternative method where any Oklahoma Class D driver license holder may apply to the Department of Public Safety to renew his or her Class D driver license without appearing in person as provided in this Section.

(1) The Class D driver license holder shall make application online or in writing to the Department and shall submit to the Department:

(A) copies of documentary evidence of the applicant's name and date of birth and

(B) the applicant's Class D driver license number, and

(C) both the Oklahoma residence address and Oklahoma mailing address with the specification as to which address is to be displayed on the license (display of both the residence address and mailing address, or any combination thereof, is prohibited; provided, this subsection shall not be construed to prohibit display of a residence address if it is also the mailing address); provided, if the address is different than the address on record at the Department, the application for renewal without appearing in person shall be denied by the Department, and

(D) the number of a nationally-recognized credit card and authorization for the required fee for the renewal Class D driver license to be paid by the applicant to the Department using the credit card; and

(E) the applicant's signature.

(2) Submission of the items required in (1) shall be made in one of the following manners:

(A) online application: www.dps.state.ok.us/dlrenewal/, or

(B) by first class mail: Department of Public Safety, PO Box 11415, Oklahoma City, OK 73136

(3) Method of payment:

(A) online: if you are submitting your application online you may only pay by credit card.

Permanent Final Adoptions

(B) by mail: if the applicant is submitting their application by mail they must include a cashier's check or money order along with the required documents. No personal checks or other forms of payment will be accepted.

(4) If the Department approves the renewal Class D driver license without appearing in person, pursuant to the requirements of this chapter, and: if the digital photograph and digital signature of the applicant are available from the files of the Department, the Department shall create the renewal Class D driver license using that photo and signature.

(5) The Department may mail the renewal Class D driver license only to an applicant who is temporarily residing out of state to the out of state address provided by the licensee. The licensee shall provide a pre-paid self-addressed stamped envelope.

(6) If the Department denies the renewal Class D driver license to the applicant pursuant to this Section, the Department shall notify the applicant in writing of the denial, the reason for the denial, return any payment submitted by the applicant, and the applicant shall be required to appear in person for the renewal of the Class D driver license.

(7) A renewal Class D driver license without appearing in person shall be approved only when the immediately previous renewal was in person. Provided, any person or the spouse or dependent of a person:

(A) who is on active duty with the Armed Forces of the United States; or

(B) who is currently employed as a civilian contractor with the Armed Forces of the United States, outside of Oklahoma and having a valid Class D driver license issued by the State of Oklahoma, requiring no material change, may apply for no more than three (3) consecutive renewals or replacements of such license by mail or online. A fourth consecutive renewal or replacement must be done in person.

595:10-1-12. Oklahoma licensee temporarily residing out of the state

(a) Any Oklahoma licensee who is temporarily residing out of the state may request the Department of Public Safety to renew his or her license by mail. The Oklahoma licensee shall mail copies of documentary evidence of his or her name and date of birth as required by OAC 595:10-1-10 (documents sent for verification will not be returned; therefore, original documents should not be sent), his or her driver license number, his or her signature, both Oklahoma residence address and Oklahoma mailing address with the specification as to which address is to be displayed on the license (display of both the residence address and mailing address, or any combination thereof, is prohibited; provided, this subsection shall not be construed to prohibit display of a residence address if it is also the mailing address), and the required fee for a driver license renewal along with his or her out-of-state address to Department of Public Safety, Driver License Examining Services Division, P. O. Box 11415, Oklahoma City, Oklahoma 73136-0415.

(b) The Department shall not issue a remote renewal if there is any material change in personally identifiable information from the previous issuance. A material change means any change to the personally identifiable information of an individual, such as: their name or driver license number. A material change does not include a change of address.

~~(c)~~ If the Department approves the renewal by mail, the Department shall create the renewal license using the most recent digital photograph and digital signature of the licensee available from the files of the Department. The Department shall not renew a license by mail unless the immediately preceding issuance was done in person by the applicant. {47 OS 6-122 effective November 1, 2012}

~~(d)~~ The Department shall mail the renewal license to the out-of-state address provided by the licensee.

~~(e)~~ If the Department denies the renewal by mail, the Department shall notify the licensee in writing of the denial and the reason for the denial.

PART 5. DRIVER LICENSE REPLACEMENT

595:10-1-18. Procedure for obtaining a replacement driver license

(a) **General requirements.** Any person requiring a replacement driver license because the license was lost, stolen, or mutilated or because information on the license needs to be changed may request a motor license agent to issue a replacement, upon presentation of proper identification and payment of the required fee.

(b) **Required identification to replace lost, stolen, or mutilated license.** Any person shall provide both primary and secondary identification as prescribed in OAC 595:10-1-3(b).

(c) **Required identification to change information and replace a license.**

(1) **Name change.** Any person who requests a replacement driver license in order to make a name change shall comply with the primary and secondary identification requirements prescribed in OAC 595:10-1-3(b) in order to identify the person by his or her former name and with OAC 595:10-1-35 in order to identify the person by his or her new name. The former name shall be entered into the "Alias" field in the driver license database to provide historical information to the Department. The person requesting the name change may retain the old license, if it is available and is a Class D driver license, after the motor license agent has first punched a hole through the identification number of the license.

(2) **Address change.** Any person who requests a replacement driver license in order to make an address change shall provide both primary and secondary identification as prescribed in OAC 595:10-1-3(b). The person requesting the address change may retain the old license, if it is available, after the motor license agent has first punched a hole through the identification number of the license. An address change shall be made only to an Oklahoma address.

(3) **Endorsement or restriction change.** Any person who requests a replacement driver license in order to change endorsement or restriction information on the license shall provide both primary and secondary identification as prescribed in OAC 595:10-1-3(b). The person requesting the information change may retain the old license, if it is available, after the motor license agent has first punched a hole through the identification number of the license.

(4) **Sex change.** The licensee shall show an original or certified court order for name change, if applicable, and a notarized statement on letterhead from the physician who performed the sex change operation indicating the applicant or licensee has undergone a complete physical sex change. The letter shall state the sex change is "irreversible and permanent". The licensee shall also show proof of former legal name. The former name shall be entered into the "Alias" field in the driver license database to provide historical information to the Department. The person requesting the information change may retain the old license, if it is available, after the motor license agent has first punched a hole through the identification number of the license.

(d) **Limitations to issuance of a replacement driver license.** A replacement driver license will be issued only to an individual whose driving privilege is not under suspension, revocation, disqualification, cancellation, or denial and who complies with this Section. In addition, a person may not apply for, and the Department shall not issue, a renewal or replacement driver license while the person's license, permit or other evidence of driving privileges is in the custody of a law enforcement officer or the Department. [47 O.S. § 6-303)G)].

(e) **Change of driver license number.**

(1) Use of the licensee's Social Security number as the driver license number is prohibited. At the time of replacement, any licensee whose driver license number is his or her social security number shall inform the Department or the motor license agent of that fact. If the numbers are the same, a new driver license number will be assigned for the licensee by computer [47 O.S. § 6-106(B)].

(2) Any licensee may request to change his or her driver license number to any nine-digit number by making a written request to the Department. Upon approval by the Department, the licensee shall obtain a replacement driver license from a motor license agent, and the licensee shall pay the required fee for the replacement.

(f) **Persons unable to appear due to medical situation.** An individual, who is an Oklahoma resident and who is located within the state, may declare in writing to the Department that, because of a medical reason or condition, he or she is unable to appear in person to replace his or her driver license, in which case the Department shall issue by mail an identification card to the person and shall not issue a driver license. The driver license shall be surrendered, if available, by the individual to the Department prior to issuance of the identification card. The individual shall provide both primary and secondary identification as prescribed in OAC 595:10-1-3(b).

(g) **Replacing driver license - not in person.** The Department may create an alternative method where any Oklahoma Class D driver license holder may apply to the Department of Public Safety to replace his or her Class D driver license without appearing in person as provided in this Section.

(1) The Class D driver license holder shall make application online or in writing to the Department and shall submit to the Department:

(A) copies of documentary evidence of the applicant's name and date of birth, and

(B) the applicant's Class D driver license number, and

(C) both the Oklahoma residence address and Oklahoma mailing address with the specification as to which address is to be displayed on the license (display of both the residence address and mailing address, or any combination thereof, is prohibited; provided, this subsection shall not be construed to prohibit display of a residence address if it is also the mailing address); provided, if the address is different than the address on record at the Department, the application for replacement without appearing in person shall be denied by the Department, and

(D) the number of a nationally-recognized credit card and authorization for the required fee for the replacement Class D driver license to be paid by the applicant to the Department using the credit card; and

(E) the applicant's signature.

(2) Submission of the items required in (1) shall be made in one of the following manners:

(A) online application: www.ok.gov/dps, or

(B) by first class mail: Department of Public Safety, PO Box 11415, Oklahoma City, OK 73136

(3) Method of payment:

(A) online: if you are submitting your application online you may only pay by credit card.

(B) by mail: if the applicant is submitting their application by mail they must include a cashier's check or money order along with the required documents. No personal checks or other forms of payment will be accepted.

(4) If the Department approves the replacement Class D driver license without appearing in person, pursuant to the requirements of this chapter, and: if the digital photograph and digital signature of the applicant are available from the files of the Department, the Department shall create the replacement Class D driver license using that photo and signature.

(5) The Department may mail the renewal Class D driver license only to an applicant who is temporarily residing out of state to the out of state address provided by the licensee. The licensee shall provide a pre-paid self-addressed stamped envelope.

(6) If the Department denies the replacement Class D driver license to the applicant pursuant to this Section, the Department shall notify the applicant in writing of the denial, the reason for the denial, return any payment submitted by the applicant, and the applicant shall be required

Permanent Final Adoptions

to appear in person for the replacement Class D driver license.

(7) A replacement Class D driver license without appearing in person shall be approved only when the immediately previous renewal was in person. Provided, any person or the spouse or dependent of a person:

(A) who is on active duty with the Armed Forces of the United States; or

(B) who is currently employed as a civilian contractor with the Armed Forces of the United States, living outside of Oklahoma and having a valid Class D driver license issued by the State of Oklahoma, requiring no material change, may apply for no more than three (3) consecutive renewals or replacements of such license by mail or online. A fourth consecutive renewal or replacement must be done in person.

PART 7. IDENTIFICATION CARDS

595:10-1-26. Procedure for obtaining a renewal identification card

(a) **General requirements.** During the month of expiration or as provided in (c) of this Section, any identification card holder, who wishes to keep his or her identification card in force, may present proper identification to a motor license agency and pay the required fee to a Motor License Agent or to the Driver License Services Division of the Department of Public Safety. Identification cards issued to individuals who have attained the age of 65 or older are issued for an indefinite period of time and are not subject to this Section. Failure to renew an identification card during the month of expiration shall not relieve the person of the obligation to renew the identification card under the provisions required by law and this Section if the person wishes to keep the identification card in force.

(b) **Required identification.**

(1) **Renewal with expiring or expired identification card.** The expiring or expired identification card provided as the primary identification may be retained by the cardholder, after the motor license agent has first punched a hole through the identification number of the card. The person shall provide secondary identification as prescribed in OAC 595:10-1-3(b)(2).

(2) **Renewal without identification card.** Any person who does not have the expiring or expired identification card shall provide both primary and secondary identification as prescribed in OAC 595:10-1-3(b).

(c) **Early renewal of an identification card.** Any identification card holder may renew his or her identification card not more than one (1) year prior to the expiration date. A renewal which occurs more than one (1) year prior to the expiration date shall be treated as a replacement under the provisions of OAC 595:10-1-27.

(d) **Change of identification card number.** Use of the cardholder's Social Security number as the identification card number is prohibited.

(e) **Persons who may appear before a motor license agent.** An individual who has previously held an Oklahoma identification card may apply directly to a motor license agent for renewal of the previous Oklahoma identification card, upon establishing Oklahoma residence and following the applicable procedure for renewal.

(f) **Renewing identification card - not in person.** The Department may create an alternative method where any Oklahoma Identification card holder may apply to the Department of Public Safety to renew his or her Identification card without appearing in person as provided in this Section.

(1) The Identification card holder shall make application online or in writing to the Department and shall submit to the Department:

(A) copies of documentary evidence of the applicant's name and date of birth, and

(B) the applicant's Identification card number, and

(C) both the Oklahoma residence address and Oklahoma mailing address with the specification as to which address is to be displayed on the identification card (display of both the residence address and mailing address, or any combination thereof, is prohibited; provided, this subsection shall not be construed to prohibit display of a residence address if it is also the mailing address); provided, if the address is different than the address on record at the Department,

the application for renewal without appearing in person shall be denied by the Department, and

(D) the number of a nationally-recognized credit card and authorization for the required fee for the renewal Identification card to be paid by the applicant to the Department using the credit card; and

(E) the applicant's signature.

(2) Submission of the items required in (1) shall be made in one of the following manners:

(A) online application: www.ok.gov/dps, or

(B) by first class mail: Department of Public Safety, PO Box 11415, Oklahoma City, OK 73136

(3) Method of payment:

(A) online: if you are submitting your application online you may only pay by credit card.

(B) by mail: if the applicant is submitting their application by mail they must include a cashier's check or money order along with the required documents. No personal checks or other forms of payment will be accepted.

(4) If the Department approves the renewal Identification card without appearing in person, pursuant to the requirements of this chapter, and: if the digital photograph and digital signature of the applicant are available from the files of the Department, the Department shall create the renewal Identification card using that photo and signature.

(5) The Department may mail the renewal Class D driver license only to an applicant who is temporarily residing out of state to the out of state address provided by the licensee. The licensee shall provide a pre-paid self-addressed stamped envelope.

(6) If the Department denies the renewal Identification card to the applicant pursuant to this Section, the Department shall notify the applicant in writing of the denial, the reason for the denial, return any payment submitted by the applicant, and the applicant shall be required to appear in person for the renewal Identification card.

(7) A renewal Identification card without appearing in person shall be approved only when the immediately previous renewal was in person.

595:10-1-27. Procedure for obtaining a replacement identification card

(a) **General requirements.** Any person requiring a replacement identification card because the card was lost, stolen, or mutilated or because information on the card needs to be changed may request a motor license agent or the Department to issue a replacement, upon presentation of proper identification and payment of the required fee.

(b) **Required identification to replace lost, stolen, or mutilated identification card.** Any person shall provide both primary and secondary identification as prescribed in OAC 595:10-1-3(b).

(c) **Required identification to change information and replace an identification card.**

(1) **Name change.** Any person who requests a replacement identification card in order to make a name change must comply with the primary and secondary identification requirements prescribed in OAC 595:10-1-3(b) in order to identify the person by his or her former name and with OAC 595:10-1-35 in order to identify the person by his or her new name. The former name shall be entered into the "Alias" field in the identification card database to provide historical information to the Department. The person requesting the name change may retain the old card, if it is available, after the motor license agent has first punched a hole through the identification number of the card.

(2) **Address change.** Any person who requests a replacement identification card in order to make an address change shall provide both primary and secondary identification as prescribed in OAC 595:10-1-3(b). The person requesting the address change may retain the old card, if it is available, after the motor license agent has first punched a hole through the identification number of the card. An address change shall be made only to an Oklahoma address.

(3) **Sex change.** The cardholder shall show an original or certified court order for name change, if applicable, and a notarized statement on letterhead from the physician who performed the sex change operation indicating the applicant or licensee has undergone a complete physical sex change. The letter shall state the sex change is "irreversible and permanent". The cardholder shall also show proof of former legal name. The former name shall be entered into the "Alias" field in the identification card database to provide historical information to the Department. The person requesting the information change may retain the old card, if it is available, after the motor license

agent has first punched a hole through the identification number of the card.

(d) **Change of identification card number.** Use of the cardholder's Social Security number as the identification card number is prohibited.

(e) **Persons who may appear before a motor license agent.** An individual who has previously held an Oklahoma identification card may apply directly to a motor license agent for replacement of the previous Oklahoma identification card, upon establishing Oklahoma residence and following the applicable procedure for replacement.

(f) Replacing identification card - not in person. The Department may create an alternative method where any Oklahoma Identification card holder may apply to the Department of Public Safety to replace his or her Identification card without appearing in person as provided in this Section.

(1) The Identification card holder shall make application online or in writing to the Department and shall submit to the Department:

(A) copies of documentary evidence of the applicant's name and date of birth, and

(B) the applicant's Identification card number, and

(C) both the Oklahoma residence address and Oklahoma mailing address with the specification as to which address is to be displayed on the identification card (display of both the residence address and mailing address, or any combination thereof, is prohibited; provided, this subsection shall not be construed to prohibit display of a residence address if it is also the mailing address); provided, if the address is different than the address on record at the Department, the application for replacement without appearing in person shall be denied by the Department, and

(D) the number of a nationally-recognized credit card and authorization for the required fee for the replacement Identification card to be paid by the applicant to the Department using the credit card; and

(E) the applicant's signature.

(2) Submission of the items required in (1) shall be made in one of the following manners:

(A) online application: www.ok.gov/dps, or

(B) by first class mail: Department of Public Safety, PO Box 11415, Oklahoma City, OK 73136

(3) Method of payment:

(A) online: if you are submitting your application online you may only pay by credit card.

(B) by mail: if the applicant is submitting their application by mail they must include a cashier's check or money order along with the required documents. No personal checks or other forms of payment will be accepted.

(4) If the Department approves replacement Identification card without appearing in person, pursuant to the requirements of this chapter, and: if the digital photograph and digital signature of the applicant are available from the files of the Department, the Department shall create the replacement Identification card using that photo and signature.

Permanent Final Adoptions

(5) The Department may mail the renewal Class D driver license only to an applicant who is temporarily residing out of state to the out of state address provided by the licensee. The licensee shall provide a pre-paid self-addressed stamped envelope.

(6) If the Department denies the replacement Identification card to the applicant pursuant to this Section, the Department shall notify the applicant in writing of the denial, the reason for the denial, return any payment submitted by the applicant, and the applicant shall be required to appear in person for the replacement Identification card.

(7) A replacement Identification card without appearing in person shall be approved only when the immediately previous renewal was in person.

PART 13. MOTOR LICENSE AGENTS

595:10-1-51. Operational procedures

(a) The driver license computer, camera, printer, and other hardware, software, and supplies (which may be referred to as document issuance equipment) used in the production of driver licenses and identification cards shall be used solely for the issuance of Oklahoma driver licenses or identification cards. Driver licenses or identification cards shall be issued if the motor license agency is open for business. If the motor license agency is unable to issue licenses, the agent shall immediately notify the Driver License ~~Examining~~—Services Division to report why the agency is not issuing licenses.

(b) At the close of business each day, the agent shall remove the "Security Laminate", PVC card stock, and security key and lock them in a safe place and shall also destroy, by shredding or burning, all used color print ribbon. In addition, all printer supplies, DL10 and MVR consent forms shall be locked in a safe place. "To lock in a safe place", as used in this Section, is defined as a burglar safe that cannot be picked up and carried out. If the safe is ~~under~~less than 250 pounds, it shall be anchored to a permanent fixture to prevent removal. The safe shall have a combination lock, key lock, or both combination and key lock.

(c) The Department will maintain a database showing all current and past motor license agency driver license or identification card issuance employees. All criminal history investigations for each issuance employee will be stored in a Department database.

(d) Motor License agencies are prohibited from sharing driver license or identification card issuance consumables. Each motor license agency is responsible for all consumables obtained by its agency. Agents shall maintain correct inventory levels in the Secure Inventory Management System (SIMS).

(e) All issuing employees must pass a limited criminal history background investigation conducted by the Oklahoma Highway Patrol, Investigation Division, to be issued a temporary personal access code and complete a state criminal history background investigation conducted by the Oklahoma State Bureau of Investigation and national FBI criminal history

background investigation to be issued a permanent personal access code. The motor license agent is responsible for incurring the cost for any criminal history background investigation.

(1) Only persons who have been issued a personal access code by the Department of Public Safety shall be authorized to operate document issuance equipment and issue or make changes to driver licenses or identification cards.

(2) Personal access codes shall not be assigned to anyone under the age of eighteen (18) or to any employee whose driver license is suspended, revoked, cancelled or denied.

(3) Each application for a personal access code shall be submitted by the motor license agent to the Driver License ~~Examining~~—Services Division. A limited criminal history background investigation shall be conducted by the Oklahoma Highway Patrol, Investigations Division prior to the issuance of a temporary personal access code. The Department shall give temporary approval to the applicant to issue driver licenses and identification cards, pending an investigation of the applicant's complete national and state criminal history background investigation. The motor license agent shall submit the necessary criminal history background investigation requests within ten (10) business days of the issuance of the temporary access code, and submit proof of the request to the Driver License ~~Examining~~—Services Division within five (5) business days thereafter.

(4) The Department shall cancel the access code to issue driver licenses or identification cards upon determination the person's criminal history background investigation does not warrant certification, based upon a misdemeanor conviction for larceny, theft, fraud, perjury, or if the applicant is found to have made false statements on the application within the ten (10) years immediately preceding the application and/or any felony conviction.

(5) If no record of a conviction for the specified misdemeanors in (e)(4) of this Section, or of a felony within limited criminal history background investigation conducted by the Oklahoma Highway Patrol, the temporarily approved applicant shall be issued a temporary access code. Upon notification of the issuance of the temporary access code to the motor license agent, the agent shall submit to a national criminal history background investigation, as defined by 74 O.S. § 150.9 of the Oklahoma Statutes within ten (10) business days of said notification. If the national criminal history background investigation is not completed within ninety (90) days of the request for the national criminal history background investigation, the temporary personal access code may be revoked.

(6) The Department shall cancel the access code to issue driver licenses or identification cards upon determination the person's national criminal history background investigation does not warrant certification, based upon a misdemeanor conviction for larceny, theft, fraud, perjury, or if the applicant is found to have made false statements on an application with the ten (10) years immediately preceding the application and/or any felony conviction.

- (7) If no record of a conviction for the misdemeanors in (e)(4) of this Section or of a felony conviction is found within the national criminal history background investigation, the applicant shall be given a permanent access code number to issue driver licenses and identification cards.
- (8) If, during either the state criminal history background investigation or the national criminal history background investigation, it is discovered the applicant has pending charges that could result in the applicant being convicted of a misdemeanor for larceny, theft, fraud, or perjury or any felony, or if the applicant has a deferred sentence for the misdemeanors listed in (e)(4) or any felony the temporary personal access code shall be revoked pending the disposition of the court proceedings.
- (9) Personal access codes shall be kept confidential by the employee and motor license agent. Personal access codes shall be used only by the person to whom the code has been assigned.
- (10) A current national criminal history background investigation shall be required if:
- (A) an employee has any break in service and the result of the previous state criminal history investigation on file with the Department for the employee is more than one (1) year old, or
 - (B) if the employee changes motor license agents and it has been more than one (1) year since the last national criminal history background investigation was completed, or
 - (C) if a national criminal history background investigation was not previously required of the employee.
- (11) The Department may, at its discretion, require a current national criminal history background investigation of any individual operating the driver license equipment. Such national criminal history background investigation shall be at the motor license agency's expense.
- (12) The motor license agent shall be responsible for training new employees. The Department may offer periodic training programs as needed.
- (13) The motor license agent shall be responsible for the conduct of its employees.
- (f) Any motor license agent in possession of document issuance equipment will be subject to unannounced inspections by Department personnel to verify compliance with the Department's Administrative Rules as well as Departmental policy. Employees operating the document issuance equipment shall produce proof of identity if requested by Department personnel.
- (g) Any substitution of equipment or alteration in the making of a driver license or identification card is prohibited and may be subject to criminal prosecution. Driver licenses or identification cards shall be made in accordance with specifications as determined by the Department. If they do not meet these specifications, the agent or the employee shall not issue the license or card. The Motor License Agency shall be responsible for the cost of correcting a license created incorrectly due to negligence by the Motor License Agent or their employee. This could include the cost of the card and/or replacement fees.
- (h) Motor license agent's reports required by the Department shall be forwarded to the Driver License ~~Examining~~Services Division in accordance with the rules of the Oklahoma Tax Commission or as prescribed by law.
- (i) If the motor license agent plans to relocate its business, the agent shall immediately notify the Driver License ~~Examining~~Services Division in writing to make arrangements to have the document issuance equipment relocated. The motor license agent shall also immediately notify the Driver License ~~Examining~~Services Division in writing of its new address and telephone number. The motor license agent shall bear the cost of moving the document issuance equipment, unless the move is due to a natural disaster or for reasons beyond the control of the motor license agent.
- (j) In the event of loss, theft, or misuse of any of the document issuance equipment, supplies, or documents, or any violation of state law, Department rule, or other improper conduct related to the issuance of driver license or identification cards, the Department of Public Safety, Driver License ~~Examining~~Services Division, shall be notified immediately by telephone at (405) 425-7745. In case of loss or theft the motor license agent shall take an immediate inventory of all driver license documents and/or consumables on hand and list all missing items and equipment by number. A copy of the missing inventory list, the police investigation, and/or incident report shall be immediately forwarded to the Department of Public Safety, Driver License ~~Examining~~Services Division. In cases of misuse, the motor license agent must immediately contact the Driver License ~~Examining~~Services Division by telephone at (405) 425-7745. If the incident occurs after the Department's normal business hours, the motor license agent shall contact the Driver License ~~Examining~~Services Division no later than the next normal business day of the Department.
- (k) Agents are prohibited from accepting an altered driver license application (DL-10 form) or any other altered or unapproved document for the issuance of an Oklahoma driver license or identification card.
- (l) When a motor license agency goes out of business, any equipment, supplies, and documents issued to the agent by the Department of Public Safety must be accounted for and returned to the Department of Public Safety.
- (m) Each employee of the motor license agency is to be made aware by the motor license agent of the penalties for misuse of driver license documents, identification cards, or document issuance equipment and any production of fraudulent and erroneous driver licenses or identification cards.
- (n) When it comes to the attention of the Department of Public Safety that any motor license agent or an employee of a motor license agency is in violation of any statute, rule or policy, or has committed any fraudulent act regarding the issuance of driver licenses or identification cards, and after consultation with the Commissioner's office, the Director of the Driver License ~~Examining~~Services Division may notify the motor license agent and the Tax Commissioner that the access code number(s) issued to that motor license agent and its employees may be canceled or suspended and the document issuance equipment may be removed.

Permanent Final Adoptions

- (1) In accordance with the Administrative Procedures Act, a hearing before the Commissioner or the Commissioner's designee may be requested by the motor license agency in writing within fifteen (15) calendar days of the date of the notification of the cancellation or suspension of access code number(s) for that motor license agency.
 - (A) The issues at the hearing will be whether or not a violation occurred, and
 - (B) the severity of the sanction which should be imposed.
- (2) If the suspected violation is upheld in the administrative hearing, the motor license agency shall have its ability to issue driver licenses or identification cards suspended for six (6) months for the first offense, one (1) year for the second offense, and permanently for third offense. However, the Department may issue a permanent suspension for any offense if the findings of the administrative hearing conclude the offense was criminal or grossly negligent in nature. Suspension time shall include the time pending the administrative hearing.
- (o) The following changes or activities to a driver license or identification card are not authorized by any motor license agency without the authorization from the Driver License ~~Examining Services~~ Division director or his or her designee:
 - (1) Driver license number or identification card number change, except when changing to a computer generated number,
 - (2) Sex,
 - (3) Eye color,
 - (4) Race,
 - (5) Date of birth,
 - (6) Class of license,
 - (7) Endorsement,
 - (8) Extension of expiration on driver license or identification card,
 - (9) Temporary receipt or authorization to drive,
 - (10) The use of issuance equipment for taking photographs for other identification cards (for example: police, fire, sheriff, passport, etc.),
 - (11) Adding titles to names, such as Sheriff, Police Officer, Judge, Senator, Representative, Dr., Rev., Fireman, etc., or information to indicate professional status on the face of the driver license or identification card such as JOHN DOE, OKLAHOMA HIGHWAY PATROL, or ROBERT DOE, M.D.
 - (12) Adding addresses. All addresses shall be the legal Oklahoma residence address or Oklahoma mailing address [47 O.S. § 6-106]. Display of both the residence address and mailing address, or any combination thereof, is prohibited; provided, this paragraph shall not be construed to prohibit display of a residence address if it is also the mailing address,
 - (13) Placing anything on a driver license or identification card, such as stickers of civic clubs, medical symbols, etc., except those approved by the Department of Public Safety,
 - (14) Producing more than one (1) driver license or identification card for the applicant at the time of application,
 - (15) Adding service charges to an application fee for any reason, or
 - (16) Providing information from the driver license or identification card application to private businesses, government agencies, or persons other than the Department of Public Safety, unless authorized by the Department.
- (p) No documents shall be removed from the office of the motor license agent by anyone unless authorized by the Driver License ~~Examining Services~~ Division. If a situation arises which warrants removal of documents required or authorized by the Department, the motor license agent shall telephone the Division at (405) 425-7745 to explain the circumstances and obtain authority.
- (q) During the issuance process for an original, renewal or replacement driver license or identification card, the applicant shall be offered the opportunity to donate One Dollar (\$1.00) to the Oklahoma Organ Donor Education and Awareness Program [63 O.S. § 2220.5]. If the applicant consents to the donation, the One-Dollar donation will be added to the amount collected with the cost of the license or card. Each One-Dollar donation shall be recorded and shall be reflected on the semi-monthly reports of the motor license agency. The applicant shall be given the option to become or to decline becoming an organ donor by marking either the "Yes" or "No" box on the signature pad. A mark of "Yes" shall cause an organ donor symbol to be placed on the driver license or identification card. If the holder of a driver license or identification card wishes to remove the organ donor symbol from the license or card, the applicant shall make the request of the motor license agency and shall be asked to mark the "No" box on the signature pad and a license or card shall be issued without the organ donor symbol. The holder of a Class A, B, or C commercial driver license shall be required to appear before a Driver License Examiner to remove or add the organ donor symbol.
- (r) Rules in this Chapter regarding motor license agents are specific and limiting. Whenever an action either is not included or is not prohibited, it shall not be construed to convey authority to perform that action within the duties, responsibilities, or authority of the motor license agent. Any activity performed by motor license agents or its employees, other than those approved in writing or through hands-on training provided by or authorized in writing by the Department can result in termination of the agency's ability to issue driver licenses or identification cards and/or criminal and civil prosecution.

PART 19. DRIVER LICENSE AND IDENTIFICATION CARD CONTENT

595:10-1-92. Driving restriction codes

A restriction or restrictions may be placed upon a person's driving privilege as deemed necessary by the Department [47 O.S. §6-113]. The restriction(s) will appear as a code on the person's driver license. Following are the various driving restriction codes and their meanings:

- (1) 1. Corrective lenses
- (2) 2. Left outside rearview mirror
- (3) 3. Restriction 1 or 2

- (4) 4. Automatic transmission
- (5) 5. Turn indicators, power steering, or steering knob
- (6) 6. Food, fruit, or candy within reach of driver
- (7) 7. Adequate artificial limbs
- (8) 8. Detailed restriction - Inquire Oklahoma driver license file (This restriction code is used when other restrictions are not applicable. A narrative explaining the restriction will appear on the person's driver license file.)
- (9) 9. Accompanied by licensed driver age 21 or older in front seat
- (10) 0. Motorcycle only - if under age 16, restricted to ~~250~~300cc motorcycle or motor scooter between the hours of 4:30 a.m. and 9:00 p.m.
- (11) A. Regardless of age, when operating a motorcycle must be in view of a person who is licensed to operate a motorcycle or motor-driven cycle and who is at least 21 years old
- (12) E. When operating a commercial motor vehicle, restricted to automatic transmission
- (13) G. Inquire of Oklahoma driver license file until age 17 or older
- (14) K. CDL intrastate only
- (15) L. When operating a commercial motor vehicle, restricted to a vehicle without air brakes
- (16) M. When operating a passenger bus, restricted to Class B or C commercial motor vehicle
- (17) N. When operating a passenger bus, restricted to a Class C commercial motor vehicle
- (18) O. Restricted from operating tractor trailer vehicles
- (19) R. Ignition interlock device
- (20) V. Medical variance
- (21) W. No Passengers (P or S) or Empty/Purged Tank Vehicle (N); provided, this restriction shall be used only on a commercial learner.
- (22) Z. When operating a commercial motor vehicle with air brakes, restricted to air over hydraulic

SUBCHAPTER 3. EXAMINATION

595:10-3-9. Skills examination

(a) **In general.** The skills examination shall only be administered after the applicant has successfully passed the knowledge test, or had it waived if eligible, and the vision test. Whenever a skills examination is required, the following general conditions shall apply:

- (1) The skills examination shall start at a designated location and shall include an actual demonstration of the applicant's ability to exercise ordinary and reasonable control in the operation of a motor vehicle. Applicants shall furnish the type of vehicle required for the Class D skills examination.
- (2) The skills examination shall not be administered in a vehicle:
 - (A) which is not insured as required by 47 O.S. §7-600 et seq.,
 - (B) which does not have a current license plate,

- (C) which is not equipped with seatbelts, if the vehicle was originally manufactured and equipped with seatbelts, or
- (D) which does not comply with vehicle equipment and safety standards as required by Chapters 12 and 13 of Title 47 of the Oklahoma Statutes.
- (3) An applicant determined by an examiner to be cheating on any portion of the skills examination shall:
 - (A) immediately forfeit the examination,
 - (B) be given a failing score by the examiner, and
 - (C) be disqualified from retaking the examination for one week.
- (b) **Scoring of examination.** The scoring procedure will be on a cumulative deduction system based on poor driving practices. The Commissioner or the Commissioner's representative shall determine a point value for each improper driving act.
- (c) **Content of examination for Class D driver license.**
 - (1) The skills examination shall include, but not be limited to, the following maneuvers:
 - (A) Starting,
 - (B) Backing (excluding two-wheel and three-wheel vehicles),
 - (C) Hill parking (excluding two-wheel and three-wheel vehicles),
 - (D) Starting on hill (excluding two-wheel and three-wheel vehicles),
 - (E) Intersection movement and observance,
 - (F) Lane observance and changing,
 - (G) Left and right turns,
 - (H) Pedestrian and vehicle right-of-way,
 - (I) Proper use of automatic transmission or clutch gear (excluding two-wheel or three-wheel vehicles),
 - (J) Use of brake and accelerator,
 - (K) Traffic lights or signals, and
 - (L) Parallel Parking (excluding two-wheel and three-wheel vehicles).
 - (2) The skills examination will not be conducted when examination route roadways are considered by the examiner to be slick or hazardous due to inclement weather.
 - (3) Criteria for a skills examination are as follows:
 - (A) Starting: To determine if the individual is familiar with the vehicle's controls and proper use, and to determine the individual's skill and ability to move the vehicle from a parking space or parking lot into the traffic lane.
 - (B) Backing: To determine the individual's ability to control vehicle while backing for a distance of approximately fifty (50) feet.
 - (C) Hill parking (stopping and starting): To determine if the individual has the ability to park a vehicle on an incline in a safe manner and leave that position in a safe manner.
 - (D) Transmission (automatic or standard): To determine if the individual has the coordination and ability necessary for reasonable control of the vehicle.
 - (E) Brakes: To determine the individual's skill and physical ability in the proper usage of the brake(s).

Permanent Final Adoptions

(F) Control of speed: To determine the speed the individual maintains relative to speed limits and other traffic.

(G) Gap selection: To determine whether the individual exercises proper judgment when entering or leaving the roadway, when turning or crossing an intersection, or when changing lanes.

(H) Driver alertness: To determine whether the individual observes and is aware of situations and circumstances which play an important part in safe driving.

(I) Right-of-way: To determine the individual's knowledge of right-of-way and the ability to react properly, and to determine whether an individual shares the road properly with other drivers and pedestrians.

(J) Legal stop: To determine whether the individual observes, understands, and obeys stop signs and traffic signals.

(K) Traffic lights or signs: To determine whether the individual sees, understands, and obeys traffic lights and other signs.

(L) Signals: To determine whether the individual gives the proper signal when driving away from the curb, changing lanes, or turning.

(M) Lane usage: To determine whether the individual has the knowledge and ability to use lanes properly.

(N) Observation: To determine whether the individual observes those things which are necessary for safe driving.

(O) Final Park: To determine the individual's ability to park the vehicle at the conclusion of the skills examination in a manner compatible with safe driving practices and statutory requirements.

(P) Left turn items scored:

- (i) Cuts corner on approach.
- (ii) Cuts corner on lane entry.
- (iii) Turns into the wrong lane (does not affect other traffic).
- (iv) Turns from wrong lane (does not affect other traffic).
- (v) Turns wheels while stopped, waiting to make turn.
- (vi) Too wide on lane entry.
- (vii) Fail to signal turn for at least 100 feet before turning.
- (viii) Fail to approach turn in the proper lane.

(Q) Right turn items scored:

- (i) Too wide on approach.
- (ii) Too wide on lane entry.
- (iii) Turns from wrong lane (does not affect other traffic).
- (iv) Turns into wrong lane (does not affect other traffic).
- (v) Bumps, scrapes, or climbs curb.
- (vii) Fail to signal turn for at least 100 feet before turning.

(viii) Fail to approach turn in the proper lane.

(R) Passenger vehicles other than school buses or vehicles transporting passengers for hire are not required to stop at a railroad crossing.

(S) Parallel parking: To determine the proficiency an individual has attained in coordinating judgment, skill, and ability to park a vehicle and drive away from a designated area, and to maneuver the vehicle in close quarters.

(4) Disqualifications are as follows:

(A) **Seat belt not in use.** Applicant fails to use seat belt. The seat belt shall be properly adjusted and fastened before the vehicle enters a public roadway.

(B) **Moving traffic violation.** Applicant received a traffic citation for a moving violation during the skills examination.

(C) **Disobey sign or signal.** Applicant ignored or did not obey sign or signal.

(D) **Driver speeding.** Applicant's speed is more than five (5) miles per hour over the posted speed limit or the lawful speed limit for the vehicle being driven: Provided the speeding is not in a school zone during normal school hours or a construction zone with workers present. There will be no tolerance in a school zone during normal school hours and school is in session or in a construction zone with workers present.

(E) **Fail to stop.** Applicant rolled through stops or failed to stop.

(F) **Traffic laws.** Applicant ignored or did not obey traffic laws.

(G) **Yield to others.** Applicant did not yield to other road users (pedestrians, vehicles, etc.) Applicant did not appropriately yield the right-of-way to pedestrians or other vehicles during driving maneuvers.

(H) **Left of center.** Applicant drives left of center (except when needed to perform a turn safely or to proceed safely on a direct course).

(I) **Avoidable crash or incident or dangerous act.**

- (i) Applicant involved in an avoidable crash or collision.
- (ii) Applicant's vehicle has physical contact with other vehicles, objects, pedestrians, etc.
- (iii) Applicant commits any act or omission that creates a dangerous or unsafe traffic environment (near accidents, etc.).
- (iv) Applicant's actions causes drivers of other vehicles or pedestrians to take evasive actions.
- (v) Applicant's actions force examiner to take verbal or physical control of the vehicle.

(J) **Put vehicle over sidewalk or curb.** Applicant put vehicle over curbs or sidewalks unnecessarily.

(K) **Weighted Offenses.** Accumulation of four (4) or more of any of the following offenses, in any combination:

- (i) Failure to use turn signal.

- (ii) Coasting on a downgrade (gears in neutral or clutch disengaged).
 - (iii) Consistently goes over speed limit.
 - (iv) Proceed through intersection on yellow light when applicant could stop without creating a dangerous situation.
- (d) **Retesting.**
- (1) Applicants who fail the skills examination for a driver license or the motorcycle endorsement may be granted the opportunity to retest on the next available regular business day as scheduling permits. When an applicant fails to qualify for a Class D license after three (3) skills examination attempts, he or she will be required to obtain a restricted driver license, restricting the individual to operating a motor vehicle while accompanied by a qualified licensed driver in the front seat, before another skills examination will be administered.
 - (2) The Department shall conduct the skills examination for the holder of a restricted Class D driver license not more than three (3) times beginning thirty (30) days from the date of issuance of the restricted license. Should the restricted licensee fail the third examination, the licensee shall wait thirty (30) days before being given another skills examination by the Department. The fourth and subsequent examinations shall be given not more than one (1) time every thirty (30) days thereafter at the request of the restricted licensee.
 - (3) In computing any time period prescribed by this subsection, the day of the failed examination from which the designated period of time begins to run shall not be included. The last day of the period computed shall be included, unless it is not a working day, in which event the period runs until the end of the next working day.
- (e) **Minimum waiting period for examination.** The holder of a restricted driver license will not be eligible to have a skills examination administered until after a minimum of thirty (30) days following the issuance of such license, provided the applicant is at least eighteen (18) years of age. In computing the 30-day time period prescribed by this subsection, the day on which the restricted driver license is issued shall not be included. The last day of the period computed shall be included, unless it is not a working day, in which event the period runs until the end of the next working day.
- (f) **Skills examination when applicant must use special equipment.** Any applicant who must use special equipment, who has completed the standard skills examination and not been disqualified, will continue to drive an extended route, as provided in this subsection, in order to evaluate the operation of special equipment.
- (1) The extended skills examination will be at least thirty (30) minutes long, making the total examination at least forty-five (45) minutes in duration. However, the

individual may be given a four-minute rest stop midway through the examination.

(2) The extended skills examination may consist of interstate, expressway, or highway driving, or a combination of such driving situations, where possible so that a better evaluation may be rendered. Key points in this portion of the skills examination are as follows:

- (A) Proper usage of acceleration and deceleration lanes,
- (B) Lane usage,
- (C) Highway speed control,
- (D) Reaction to larger vehicles and fast traffic, and
- (E) Use of special control devices.

(3) If the individual fails to adequately perform on the extended portion of the examination, at the discretion of the driver examiner, the individual will be notified when he or she is eligible to return for the next examination.

(g) **Substitute for skills examination.** A skills examination may be waived for a licensee when one of the following requirements is met:

(1) The licensee is applying for a Class D driver license, provided all established requirements for a Class D license have been satisfied, and the licensee is licensed at the time of application by one of the fifty (50) states, by the District of Columbia, by a Canadian province, or by another country; provided, the current driver examination requirements of the country must be on file with the Department and must meet or exceed the standards, specifications, and requirements of the Department as set out in this Subchapter [47 O.S. § 6-110(A)(2)].

- (2) The licensee:
 - (A) has enrolled in and successfully completed a course taught by an instructor certified by the Motorcycle Safety Foundation and using the Motorcycle Safety Foundation curriculum, and
 - (B) submits to the Department at the time of application for a motorcycle endorsement a Motorcycle RiderCourse® or an Experienced RiderCourse® completion card filled out by the certified instructor [47 O.S. §6-101(D)].

SUBCHAPTER 7. POINTS SYSTEM

595:10-7-2. Points assessed for conviction

The following points shall be assessed to the driving record of any ~~licensed or unlicensed~~ person ~~when for the offenses which~~ the Department of Public Safety has received a record of a final conviction from any court for any of the following of the violations as stated below in appendix A of this Chapter:

Permanent Final Adoptions

VIOLATION	POINTS
Reckless driving without regard for the safety of others	4
Failure to stop or to remain stopped for school bus loading or unloading	4
Speeding in excess of 25 M.P.H. above the posted speed limit	3
Inattentive driving resulting in a collision	2
Left of center or wrong way	2
Failure to yield right of way	2
Violation of driver license restrictions	2
Following too close or improperly	2
Failure to obey stop sign or traffic light	2
Careless driving	2
Speeding	2
Contest racing on public traffic way	2
Speed in excess of posted maximum	2
Speed less than posted minimum	2
Speed in school zone	2
Radar checked speed violation	2
Airplane checked speed violation	2
Vascar	2
Any violation related to a railroad crossing	2
Operating a defective vehicle	1
Operating a vehicle without being licensed	1
Leaving a vehicle unattended with engine running	1
Towing or pushing vehicle improperly	1
Failure to dim lights as required	1
Failure to stop at required stops with explosives or flammable load	1
Transporting hazardous substances without safety devices or precautions	1
Improper lane usage	1
Driving on shoulder, in ditch or on sidewalk	1
Making improper entrance to or exit from trafficway	1
Loading a vehicle so drivers view is obstructed	1
Starting improperly from parked position	1
Improper backing	1
Spinning wheels	1
Operating a vehicle with view obstructed	1
Negligent driving	1
Improper passing	1
Operating a motor vehicle at speed greater than reasonable and proper	1

Operating a motor vehicle at speed less than reasonable and proper	±
Coasting or operating with gears disengaged	±
Failure to follow instructions of police officer	±
Failure to obey traffic instructions stated on traffic sign or shown by traffic control device	±
Passing through or around barrier positioned to prohibit or channel traffic	±
Failure to observe warnings or instructions on vehicle properly displaying them	±
Failure to signal intention to change vehicle direction or to reduce speed suddenly	±
Giving improper signal	±
Improper stopping on roadway	±
Improper turns	±
Operating defective vehicle after receiving a warning or summons	±
Impeding traffic (and under 40 M.P.H.)	±
Crossing center median	±

SUBCHAPTER 11. CERTIFIED SCHOOLS AND DESIGNATED CLASS D EXAMINERS

595:10-11-3. Definitions

In addition to terms defined in 47 O.S. §1-101 et seq., the following words or terms, when used in this Subchapter, shall have the following meaning unless the context clearly indicates otherwise. Use of the singular term includes the plural, and use of the plural term includes the singular.

"Certified driver education instructor" means an instructor, as defined by 47 O.S. § 801(B) or 70 O.S. § 19-113 et seq., who is currently certified to instruct in a school students who are seeking a Class D driver license in a school, but shall not include an instructor who instructs for the operation of motorcycles only.

"Department" means the Department of Public Safety.

"Designated examiner" means a certified driver education instructor who has been approved and certified by the Department of Public Safety or State Department of Education to administer driving skills examinations, on routes approved by the Department and who is employed by or operating a school.

"Division" means the Driver License ~~Examining Services~~ Division of the Department.

"Driver education" or **"driver education course"** means

- (A) a public secondary school driver education course [70 O.S. §19-113 et seq.],
- (B) a parochial, private, or nonpublic secondary school driver education course, certified by the Department of Public Safety, or
- (C) a commercial driver training course [47 O.S. §801 et seq.].

"Examination" means the driving skills examinations for an Oklahoma Class D driver license.

"School" means a:

(A) public school which is a secondary school, as defined in 70 O.S. §1-106, within a school district, as defined in 70 O.S. §1-108, which offers a prescribed secondary school driver education course, as defined by 70 O.S. §19-113,

(B) private school which is a secondary school, including parochial and other nonpublic schools, which offers a driver education course certified by the Department of Public Safety, or

(C) commercial driver training school, as defined in 47 O.S. §801(A).

595:10-11-5. Requirements for certification as a designated examiner; display of certificate; certification renewal

(a) **Requirements and application for certification.** A certified driver education instructor may apply for certification as a designated examiner. The applicant must meet the following requirements:

- (1) Complete an application provided by the Department [see 595:10-11-12],
- (2) Be employed by a school,
- (3) Possess a portable computer which shall meet current specifications, as provided by the Department, to enable it to be loaded with software necessary to train the applicant and, upon certification as a designated examiner, to conduct examinations and report examination results electronically to the Department, and the applicant shall sign a user agreement with the Department regarding the installation, maintenance, and use of the software,
- (4) Maintain throughout the time period to be covered by the certification all other certification requirements to be a certified driver education instructor, and
- (5) Successfully complete a course of instruction prescribed by the Department [see 595:10-11-6].

Permanent Final Adoptions

(b) **Certification.** Upon acceptance and approval by the Department of the application for certification from a driver education instructor, or upon acceptance and approval by the Department of the application for renewal of certification from a designated examiner, and upon completion to the satisfaction of the Department by the instructor or designated examiner of all other requirements for certification, the Department shall provide the designated examiner with:

(1) a certificate evidencing approval by the Department as a designated examiner, which shall be presented for inspection to each driver license applicant, and to the parent or legal guardian of any applicant under eighteen (18) years of age, before the applicant enters the vehicle in which the examination is to be administered. The certificate shall be carried in the vehicle in which any examination is being administered. The certificate shall be valid for the calendar in which it is issued, and

(2) an official seal to be used by the designated examiner as provided in 595:10-11-13.

(23) If the Certification of the Designated examiner becomes invalid, the certification badge and stamp are to be remanded to the Department of Public Safety.

(c) **Ineligibility.** Any person shall be deemed ineligible for certification as a designated examiner if the person is not a certified driver education instructor.

(d) **Renewal of certification.**

(1) A certified designated examiner shall be eligible for renewal of certification if the examiner:

(A) submits an application for certification renewal upon a form provided by the Department no later than December 1 of each year [see 595:10-11-12],

(B) is currently employed by a school,

(BC) currently meets the requirements and standards of the Department as prescribed by this subchapter,

(CD) administered twenty (20) or more examinations within the twelve (12) months immediately preceding the application for renewal of certification. IF the applicant fails to complete 20 drives during the previous 12 month period , the applicant must attend remedial training and pay all fees.

(2) Any driver education instructor who was previously certified as a designated examiner and whose previous certification has been expired for not more than one (1) year may make application for renewal of certification as provided in paragraph (1) of this section.

(3) Any third-party examiner who does not qualify for renewal of certification may apply, after a period of at least one (1) year from the date the examiner was notified he or she was not qualified for renewal of certification, for certification as a third-party examiner and shall meet all requirements as for an initial application for certification as a third-party examiner.

(34) Upon renewal the previous certification badge will be turned in to the Department of Public Safety and a new certificate badge will be issued.

595:10-11-6. Course of instruction for driver education instructors applying for certification as a designated examiner

(a) A driver education instructor applying for certification as a designated examiner shall enroll in and successfully complete a course of instruction as determined by the Department before the instructor will be considered for approval and certification as a designated examiner. The certification process must be completed within 12 months of the course start date.

(b) The Department shall, from time to time, conduct a course of instruction for driver education instructors applying for certification as designated examiners. The Department shall determine the standards and requirements for the curriculum and successful completion of the course of instruction. The curriculum shall include, but not be limited to, the following subjects:

(1) Examination standards and scoring.

(2) Forms and reports.

(3) Oklahoma statutes.

(4) Department rules.

(5) Behind-the-wheel driving.

(6) Records and recordkeeping.

(c) The dates and locations of courses of instruction will be determined by the Department.

595:10-11-7. Examination requirements and standards

(a) **Application.** Before an examination may be given to a driver license applicant by a designated examiner, the applicant shall provide a valid Oklahoma learner permit for inspection by the designated examiner and completely fill out and submit to the examiner an Oklahoma skills examination application (DPS Form DL-18-DE) which shall be provided to the applicant by the examiner [see 595:10-11-12]. ~~If the student is no longer in possession of the Oklahoma learner permit, the student shall provide the designated examiner a photo identification along with another form of identification listed under the primary forms of identification found in 595:10-1-3 and a signed, notarized affidavit stating the student is no longer in possession of his or her Oklahoma learner permit.~~ The examiner shall, by electronic means, verify with the Department on the day of the examination that the applicant is eligible to be administered the examination. If the applicant is not eligible, the examiner shall refer the applicant to a Driver License Examiner.

(b) **Standards.** Current minimum standards for the skills examination of applicants for an Oklahoma Class D intermediate license or driver license, as set forth in state statutes and Department rules shall be provided to all designated examiners by the Department.

(c) **Examinations.**

(1) The driving skills examination for an Oklahoma Class D intermediate license or driver license administered by a designated examiner shall:

(A) include all specified maneuvers as required by the Department, and

(B) meet or exceed all requirements of the Department for the Class D driver license.

(2) If an applicant fails a skills examination administered by the designated examiner, the examiner shall immediately notify the Division by electronic means of the failure. The notification shall include, at a minimum, the applicant's:

- (A) name and date of birth,
- (B) driver license number, if applicable;
- (C) score on the failed examination, along with any details of the failure which the examiner deems pertinent to the Department's records.

(d) **Location of examination.** All skills examination shall be administered on the route approved for the designated examiner which shall be a different route than any route used for training the applicant being examined.

(e) **Vehicle used for driving skills examination.** The applicant or parent or legal guardian of the applicant may specify the vehicle in which the driving skills examination is administered. The vehicle shall meet the same requirements as any vehicle which is used for Class D driving skills tests administered by the Department of Public Safety.

(f) **Auditing.** An employee of the Department of Public Safety or the State Board of Education may, at any time and without prior notice, accompany a designated examiner and a driver license applicant while a skills examination is being administered for the purpose of auditing the performance and effectiveness of the designated examiner.

SUBCHAPTER 13. PARENT-TAUGHT DRIVER EDUCATION

595:10-13-8. Prescribed forms

(a) **Parent-taught driver education provider applications.** Parent-taught driver education provider applications shall be requested from the Department to apply for certification as a parent-taught driver education provider. The application will require the applying parent-taught driver education provider to provide the following information:

- (1) Date of application;
- (2) Name of parent-taught driver education provider institution;
- (3) Complete school physical address and mailing address;
- (4) Name of administrator;
- (5) Statement of agreement to comply with rules of the Department and with the provisions of any contract entered into between the provider and a parent in Oklahoma;
- (6) Information required in 595:10-13-4;
- (7) Signature of administrator; and
- (8) Show proof of purchase and delivery of curriculum.

(b) **Completion certificates.** A completion certificate shall be provided by and issued by the parent-taught driver education provider to each student upon the successful completion of course work (both classroom and behind the wheel). The completion certificate shall not be issued unless the applicant has held a learner permit for the required amount of time while performing the behind the wheel portion of the curriculum. These certificates shall be computer generated, in a format

agreed upon by the Department and the provider, and shall contain the following:

- (1) Name of the provider;
- (2) Full legal name of student;
- (3) Number of total hours instruction, and a breakdown of in-class/in-car hours;
- (4) Date of completion;
- (5) Signature of administrator (stamped signature acceptable); and
- (6) Embossed or electronically generated seal of provider.

(c) **Parent affidavit.** The parent affidavit will be included in the parent-taught driver education packet [see 595:10-13-5(a) and (b) regarding the packet]. The affidavit shall be completed and signed by the parent(s) who will be teaching the parent-taught driver education course or online applications may be completed without any signature and submitted to and accepted by the Division prior to commencement of the parent-taught driver education course. The affidavit will contain the following information:

- (1) For each parent desiring to be a parent-instructor, the full legal name, mailing address, and driver license number of the parent;
- (2) The name of the parent-taught driver education provider selected by the parent;
- (3) The full legal name, mailing address, and instruction permit number or driver license number of the student;
- (4) A statement which affirms that any vehicle used for behind-the wheel instruction will comply with Oklahoma's insurance requirements (47 O.S. Chapter 7) and safety and equipment requirements (47 O.S. Chapters 12 and 13).
- (5) Statements to which the parent(s) and student(s) express understanding and agreement:
 - (A) The affidavit does not constitute authorization for the student to drive in lieu of possession of a valid Oklahoma instruction permit or driver license, nor is it a substitute for insurance verification.
 - (B) The accepted copy of the affidavit must be carried in the vehicle during any behind-the-wheel session of parent-taught driver education and must be presented upon demand to any law enforcement officer or Department of Public Safety employee.
 - (C) No more than two (2) students and two (2) parent instructors shall occupy the vehicle during any behind-the-wheel session of parent-taught driver education.
 - (D) All state laws regarding the operation of a motor vehicle and all rules of the Department regarding parent-taught driver education shall be obeyed by the student(s) and parent(s).
 - (E) The parent(s) and student(s) shall notify the Department immediately if any information on the affidavit changes.
 - (F) The parent(s) and student(s) agree to hold harmless and free from any liability the Department, any of the Department's employees, and the State of Oklahoma.

SUBCHAPTER 15. PROVISIONAL DRIVER LICENSE PROGRAM

595:10-15-3. Eligibility Criteria

~~The Applicant for the Provisional Driver License Program:~~

- ~~(1) cannot be a Commercial Driver License holder;~~
- ~~(2) must renew and/or retest, if required, if the Applicant's driver license has expired (If a driver license has never been issued to the Applicant, the Applicant must complete all requirements for the initial issuance of an Oklahoma license.);~~
- ~~(3) will not qualify if any requirement for reinstatement of driving privileges, other than the payment of all outstanding driver license reinstatement fee(s) has not been satisfied and proof of same provided to the Department of Public Safety;~~
- ~~(4) will not qualify if the Applicant cannot provide the Department of Public Safety with satisfactory proof of current liability insurance;~~

~~(a) In order to be eligible for a Provisional Driver License, the following criteria must be met by the Applicant:~~

- ~~(1) must provide the Department of Public Safety with satisfactory proof of current liability insurance in his or her name.~~
- ~~(2) will not qualify if any requirement for reinstatement of driving privileges, other than the payment of all outstanding driver license reinstatement fee(s) has not been satisfied and proof of the same provided to the Department of Public Safety;~~
- ~~(3) must renew and/or retest, if required.~~

~~(b) In addition to the requirements in (a) above, an applicant for a Class A, B, or C, Commercial Driver License under the Provisional Driver License Program, must meet the additional requirements below:~~

- ~~(1) must possess a unexpired Commercial Driver License;~~
- ~~(2) must not be currently disqualified;~~
- ~~(3) The Applicant's Commercial Driver License cannot have been expired for three (3) years or more;~~
- ~~(4) If the Applicant is ineligible for any reason for Commercial Driver License, the Applicant may only apply for a Class D Provisional Driver License.~~

595:10-15-4. Participants in the PDL Program

~~(a) Before being issued a Provisional Driver License, a Participant must obtain a valid unexpired Oklahoma Identification Card. The Identification Card and the Provisional Driver License must be carried together any time the Participant is operating a motor vehicle. A Participant must present both the Provisional Driver License (or Restriction Document for CDL holders) and the Oklahoma Identification Card (or CDL) when requested by a law enforcement officer. Any Participant who, while operating a motor vehicle, fails to have both items in their possession shall be in violation of the terms and conditions of the PDL Program which shall result in the cancellation of the Provisional Driver License and termination of the licensee's~~

~~participation in the PDL Program. The licensee shall be immediately returned to his or her previous license status and shall be ineligible for future participation in the PDL Program.~~

~~(ab) The Participant Licensee must enter into a written Pay-out Agreement with DPS which will stipulate that failure if the Participant Licensee fails to remit the minimum statutory monthly payment or if the payment is an untimely payment, the licensee's participation in the PDL Program shall be immediately revoked by the Department of Public Safety, and the licensee's failure to make a timely payment, shall result in the cancellation of the Provisional Driver License and termination of the licensee's participation in the PDL Program. The licensee shall be immediately returned to his or her previous license status and shall be ineligible for future participation in the PDL Program.~~

~~(bc) The Participant Licensee must further acknowledge that any violation of law by the Participant Licensee that would result in the suspension or revocation of a driver license shall result in the revocation the cancellation of the Provisional Driver License and the Participant Licensee termination of the licensee's participation in the PDL Program. The licensee shall be immediately returned to his or her previous license status and shall be ineligible for future participation in the PDL Program.~~

~~(ed) Upon acceptance into the PDL Program and paying the Twenty five dollar (\$25.00) fifty dollar (\$50.00) Provisional Driver License fee, the Class D license Participant Licensee will be issued a paper Provisional Driver License specifying the specific terms and conditions under which the Participant Licensee can lawfully operate a motor vehicle. The CDL Participant licensee shall retain their original CDL and will be issued a Restriction Document specifying the specific terms and conditions under which the CDL Participant Licensee can lawfully operate a motor vehicle. The Provisional Driver License and Oklahoma Identification card, or the CDL and Restriction Document, shall be carried by the Participant Licensee at all times while driving operating a motor vehicle.~~

~~(de) The Class D license issued under the The Provisional Driver License Program will be valid for a period of six (6) months from the date of issuance. Before the expiration of that six (6) month time period, the Participant Licensee shall return to a Driver Compliance Hearing Officer to be recertified and provide proof they are eligible to continue in the PDL Program. If the Participant Licensee is eligible, another Class D Provisional Driver License will be issued and will be valid for a period of six (6) months. Appearance before a Driver Compliance Hearing Officer and recertification will be required every six (6) months until all reinstatement fees are paid in full, or if the Participant Licensee is no longer eligible to participate in the PDL Program, or if the Participant Licensee is otherwise determined to not be eligible for the PDL Program. Failure to renew the Class D Provisional Driver License prior to its expiration will cause the cancellation of the Class D Provisional Driver License issued under this program and the removal of the Participant from the program. The Class D Provisional Driver License must be renewed every six (6) months in order for the Class D License Participant to continue in the program.~~

(f) The Restriction Document for the Class A, B, or C, Commercial Driver License issued under the Provisional Driver License Program will be valid for a period of six (6) months from the date of issuance. Before the expiration of that six (6) month time period, the Class A, B, or C, Participant Licensee shall return to a Driver Compliance Hearing Officer to be recertified and provide proof they are eligible to continue in the Provisional Driver License Program. If the Participant Licensee is eligible, another Restriction Document will be issued and will be valid for a period of six (6) months. Appearance before a Driver Compliance Hearing Officer and recertification and renewal of the Restriction Document will be required every six (6) months until all reinstatement fees are paid in full. Failure to renew the Restriction Document prior to its expiration will cause the cancellation of the Commercial Driver License issued under this program and the removal of the Participant from the program. The Restriction Document must be renewed every six (6) month in order for the Class A, B, or C Driver License Participant to continue in the program.

595:10-15-5. Terms and conditions under which the Participant Licensee can drive

The Participant Licensee will only be allowed to operate a motor vehicle ~~during the times and to and from the location(s) identified on the Provisional Driver License and under the same conditions and restrictions as shown on the driving record maintained by the Department of Public Safety~~ or commercial motor vehicle under one or more of the following circumstances:

- (1) Between their place of residence and their place of employment or potential employment;
- (2) During the scope and course of their employment;
- (3) Between their place of residence and a college, university or technology center;
- (4) Between their place of residence and their child's school or day care provider;
- (5) Between their place of residence and a place of worship; or
- (6) Between their place of residence and any court-ordered treatment program; as identified on the Class D Provisional Driver License or on the Restriction Document for the Class A, B, or C, Commercial Driver License issued under the Provisional Driver License Program and under the same conditions and restrictions as shown on the driving record maintained by the Department of Public Safety.

595:10-15-6. Proof of insurance

Prior to being accepted into the PDL Program, the Applicant shall provide DPS satisfactory proof of current liability insurance in his or her name. Upon acceptance into the PDL Program, the Participant Licensee shall maintain liability insurance for the duration of their participation in the PDL Program. Failure to maintain liability insurance shall result in the ~~revocation~~ cancellation of the Class D Provisional Driver License and/or the Class A, B, or C, Commercial Driver License issued under the Provisional Driver License Program. ~~The~~ the Participant Licensee shall be immediately

returned to his or her previous license status. The Participant Licensee shall also be ineligible for future participation in the PDL Program.

595:10-15-7. Completion of Required forms, payment of the initial minimum monthly payment, and payment of the Provisional License fee

- (a) The Applicant for the PDL Program will be required to complete all required forms for DPS, including but not limited to a written Payout Agreement, prior to being accepted into the PDL Program.
- (b) The minimum monthly payment of at least twenty-five dollars (\$25.00) per month toward the satisfaction of all outstanding driver license reinstatement fees will be agreed upon by the Participant Licensee and the Department of Public Safety. At no time will the Participant Licensee be allowed to pay less than the monthly statutory limit of twenty-five dollars (\$25.00).
- (c) The method of payment shall be paid in the manner prescribed by the Department of Public Safety.
- (d) The first payment is due and must be received by DPS on or before the last calendar day of the month in which the Applicant is accepted into the PDL Program. All subsequent payments are due and must be received by DPS on or before the last calendar day of each month thereafter.
- (e) Failure of the Participant Licensee to make the required monthly payments shall result in the removal of the Participant Licensee from the PDL Program, the ~~revocation~~ cancellation of the Class D Provisional Driver License or the Class A, B, or C, Commercial Driver License issued under the Provisional Driver License Program and the return of the Participant Licensee to his or her former driver license status.
- (f) The Participant Licensee shall pay a one-time Provisional Driver License fee to the Department of Public Safety in the amount of ~~twenty five dollars (\$25.00)~~ fifty dollars (\$50.00) prior to the issuance of the initial Class D Provisional Driver License or the Class A, B, or C, Commercial Driver License issued under the Provisional Driver License Program together with the accompanying Restriction Document. The Provisional Driver License fee shall be remitted to the State Treasurer to be credited to the Department of Public Safety Restricted Revolving Fund and are to be budgeted and expended solely for the purpose of administrating the provisions of the Provisional Driver License Program.

595:10-15-8. Termination (removal) from the PDL Program, cancellation of the Class A, B, C or D Provisional Driver License issued under the Provisional Driver License Program, ~~Ineligibility~~ ineligibility from future participation in the PDL Program, and Review

If a Participant Licensee has violated any of the provisions, requirements or terms of this program as determined by DPS, the Participant Licensee will be removed from the PDL

Permanent Final Adoptions

program, their Class A, B, C or D Provisional Driver License issued under the Provisional Driver License Program shall be cancelled, and they will be ineligible for future participation in the PDL Provisional Driver License Program. More specifically, the following actions will result in removal from the PDL Program, cancellation of the Class A, B, C or D Provisional Driver License issued under the Provisional Driver License Program, and ineligibility from future participation in the PDL Program:

- (1) Failure to reappear before a Driver Compliance Hearing Officer for the issuance of the Class D PDL within sixty (60) days after being issued a Driver License Testing Authorization requiring the Applicant to take and pass a driver license test in order to participate in the Class D PDL Program;
- (2) Failure to reappear before a Driver Compliance Hearing Officer for the issuance of the Class D PDL within sixty (60) days after the Applicant was instructed to renew an expired driver license in order to participate in the Class D PDL Program;
- (3) Failure to carry the Class D PDL and Oklahoma Identification Card at all times while driving;
- (4) Any act that results in the suspension, revocation or disqualification of a driver license;
- (5) Failure to comply with the terms and conditions under which the Participant Licensee can drive as set forth in the Class D PDL or the Restriction Document for the Class A, B, or C, Commercial Driver License issued under the Provisional Driver License Program, or as shown by the Department's records;
- (6) Failure to maintain current liability insurance in the Participant Licensee's name;
- (7) Failure to carry proof of current liability insurance in the Participant Licensee's name when driving and/or to present proof of currently liability insurance on demand;

(8) Failure to remit to DPS the minimum statutory monthly payment, or to remit the minimum statutory monthly payment timely;

(9) Failure to remit to DPS the minimum statutory monthly payment in a manner specified by the Payout Agreement;

(10) Failure to reappear before a Driver Compliance Hearing Officer before the issued Class D PDL or the Restriction Document for the Class A, B, or C, Commercial Driver License issued under the Provisional Driver License Program expires;

(11) Failure to provide to a DPS Hearing Officer satisfactory proof of current liability insurance in the Participant Licensee's name at the time of renewal of the Class D PDL or the Restriction Document for the Class A, B, or C Commercial Driver License issued under the Provisional Driver License Program;

(12) Any attempt by the Participant Licensee to obtain or actually obtaining a driver license or driving privileges from another state or country while in the PDL Program;

(13) Failure to renew the Restriction Document for the Class A, B, or C, Commercial Driver License issued under the Provisional Driver License Program;

(14) Failure to comply with any other term or condition of the signed Payout Agreement not specifically mentioned above. If terminated from the PDL Program for any of the aforementioned reasons, the removed participant may appear before a Driver Compliance Hearing Officer and request review of the reasons which caused the termination (removal) from the PDL Program.

APPENDIX A. POINTS ASSESSED FOR CONVICTION [NEW]

VIOLATION	POINTS
Reckless driving	4
Speeding (41 mph or more over the limit)	4
Speeding (26 – 40 mph over the limit)	3
Inattentive driving resulting in a collision	3
Improper passing (failure to slow or move over as required)	3
Speeding (11-25 mph over the limit)	2
Speeding (1-10 mph over the limit)(CDL holder/CMV operator only)	2
Excessive speed (CDL holder/CMV operator only)	2
Public transit driver operating a vehicle while texting	2
Public transit driver operating a vehicle while using a hand-held mobile telephone	2
Texting while operating a CMV	2
Using a hand-held mobile device while operating a CMV	2
Driving left of center	2
Driving in the wrong direction	2
Failure to stop for stop sign or red light	2
Failure to yield right of way	2
Following too closely	2
Following emergency vehicle or driving to disaster area	2
Careless driving	2
Contest racing	2
Operator of any vehicle failing to stop at RR Xing when required	2
Driving any vehicle through, around or under crossing gate or barrier at RR Xing	2
Operator of any vehicle failing to obey directions of law enforcement officer at RR Xing	2
Operator of CMV other than bus or HAZMAT failing to slow and check for tracks clear of train	2
Operator of CMV or bus failing to slow and check for tracks clear of train	2
Failure to clear RR Xing while driving a CMV	2
Driving a CMV in a RR Xing with insufficient undercarriage clearance	2
Operating vehicle in violation of driver license restrictions	2
Failure to display lighted lamps	1
Failure to dim lights as required	1
Operating a vehicle without required headlamps or with improper or defective headlamps	1
Operating a vehicle without required lights or with improper or defective lights (other than headlamps)	1
Operating a vehicle without required brakes or with improper or defective brakes	1
Operating a vehicle without required muffler or exhaust system or with improper or defective muffler or exhaust system	1

Permanent Final Adoptions

Operating a vehicle without required tires or with improper or defective tires	1
Operating a vehicle without required equipment or with improper or defective equipment	1
Transporting hazardous materials without required safety devices or placards	1
Improper towing or pulling a trailer or vehicle	1
Starting vehicle unsafely from parked or stopped position	1
Operating a vehicle with view obstructed or interference with control over vehicle	1
Operating a vehicle without a valid license	1
Leaving a vehicle unattended with engine running	1
Improper lane usage	1
Changing lanes unsafely	1
Improper passing	1
Failure to drive in proper lane	1
Passing vehicle on right unsafely	1
Failure to signal intention to change vehicle direction or reducing speed suddenly	1
Failure to give proper signal	1
Driving off roadway while passing on right	1
Making improper entrance or exit from any controlled-access roadway	1
Improper or unsafe turns	1
Improper backing	1
Spinning wheels	1
Operating a motor vehicle at speed greater than or less than reasonable and proper	1
Coasting or operating with gears disengaged	1
Failure to follow instructions of police officer	1
Failure to obey instructions of traffic control device (signal or sign)	1
Driving through, around or across a traffic control device, barrier or barricade	1
Failure to reduce speed	1
Driving through or within a safety zone	1
Impeding traffic	1
Crossing center median	1

GIST/ANALYSIS:

The majority of changes in this section are a direct result of federal regulation updates. Changes were made in the CDL licensing requirements to match the state's Class D requirements.

CONTACT PERSON:

Chris Sherman, DPS Legislative Analyst, Department of Public Safety, 3600 N. Martin Luther King Ave., PO Box 11415, Oklahoma City, OK 73136-0415. Phone: 405.425.7394. E-mail: thomas.sherman@dps.ok.gov

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 1. COMMERCIAL DRIVER LICENSING

PART 2. APPLICATION FOR INITIAL DRIVER LICENSE

595:11-1-15. Applicability, substitutions, limitations, and additions to federal regulations adopted by reference

(a) Applicability. The licensing regulations found in 49 C.F.R., Parts 383 and 391, as adopted in OAC 595:11-1-14 are applicable to all applicants for Class A, B, and C commercial driver licenses.

(b) Terminology substitutions. Unless otherwise specified, the following terminology shall apply to federal rules adopted by referenced in OAC 595:11-1-14:

- (1) "Department of Public Safety" shall be substituted wherever the term "Department of Transportation" or "Federal Motor Carrier Safety Administration" is used.
(2) "Commissioner of Public Safety" shall be substituted wherever the term "Federal Motor Carrier Safety Administrator" or "Regional Director" is used.

(c) Limitations to scope of definitions. The definitions provided in (b) of this Section are limited in application to 47 O.S. §6-101 et seq. and the rules adopted by the Department to carry out the provisions those statutes. These definitions do not alter, replace, or change any definitions contained in Title 47 of the Oklahoma Statutes.

(d) Additional qualification of all classes of commercial drivers. The following additions are made to the federal requirement in Qualifications of Drivers [49 CFR §391.11(b)(1)] that a driver be twenty-one (21) years of age or older:

- (1) A driver operating solely in intrastate commerce shall be at least eighteen (18) years of age; and
(2) Any person who is not at least twenty-one (21) years old shall not be licensed for:
(A) the transportation of hazardous materials which are required to be placarded or marked in accordance with 49 CFR §177.823, or
(B) transporting fifteen (15) or more passengers; provided, this subparagraph shall not apply to school bus drivers as provided in OAC 210:30-5.

(e) Additional qualifications for non-excepted commercial drivers. The following additions are made to the federal

Permanent Final Adoptions

requirement in Commercial Driver's License Standards; Requirements and Penalties [49 CFR §384] relating to medical examiner's certificate:

- (1) A non-expected commercial driver operating solely in intrastate commerce shall meet the same qualifications as a driver operating in interstate commerce; and
- (2) Current medical examiner's certificate, including any variance if applicable, shall be delivered to the Department of Public Safety by the driver:
 - (A) by mail to: Department of Public Safety, Attn: CDL Program Administration
 - (B) by fax to: 405-419-2196
 - (C) by e-mail to: mec@dps.state.ok.us
 - (D) in person to: the Department of Public Safety headquarters or any Department of Public Safety Examination Site
- (3) Until January 30, 2014, the Department ~~shall~~may date stamp the medical examiner's certificate and return a copy, along with the variance if applicable, as a receipt to the driver; and the driver shall keep the copy of the medical examiner's certificate, and any variance if applicable, in his or her possession at all times when operating a commercial motor vehicle.
- (4) Changes to the status of any driver from non-expected status to expected status or from expected status to non-expected status shall be made in writing to the Department by the driver, using one of the delivery methods described in paragraph (2).

595:11-1-17. Medical examiner's certificate requirements

(a) **Definitions.** As used in this section: "**Licensed medical professional**" shall be a person who is listed on the National Registry of Certified Medical Examiners, and also be means one of the following:

- (1) medical doctor (M.D.),
- (2) doctor of osteopathy (D.O.),
- (3) chiropractor,
- (4) physician's assistant (P.A.), or
- (5) advanced practical nurse (A.P.N.).

(b) **Submission of medical examiner certificate.** The following persons shall submit to the Department and maintain with the Department a current approved medical examiner's certificate, and any variance if applicable, signed by a licensed physician authorized to perform and approve medical examiner's certificates:

- (1) Every applicant who is subject to the requirements of 49 C.F.R. Part 391 and is applying for an original, renewal, or replacement commercial license, and
- (2) Every person who is currently the holder of a commercial driver license and is subject to the requirements of 49 C.F.R. Part 391 and who does not apply for a renewal or replacement license prior to January 30, 2014.

(c) **Retention of medical examiner's certificate.** The Department shall maintain medical examiner's certificates pursuant to the requirements in 49 C.F.R., Parts 383 and 384.

(d) **Failure to deliver or maintain medical examiner's certificate.**

(1) If a person fails to deliver to or maintain with the Department his or her medical examiner's certificate as provided in subsection (b):

(A) the person, if an applicant for a commercial driver license, shall not be granted commercial driving privileges; or

(B) the person, if currently the holder of a commercial driver license, shall be downgraded to a Class D driver license by the Department. The person shall surrender the commercial driver license to the Department.

(2) If any person in (d)(1) later delivers a medical examiner's certificate to the Department:

(A) the person, if an applicant for a commercial driver license, may be reconsidered by the Department for commercial driving privileges; or

(B) the person, if previously downgraded to a Class D driver license by the Department, shall be eligible to obtain commercial driving privileges, if the person is otherwise eligible.

(e) **Requirement to possess medical examiner's certificate.** Until January 30, 2014, any person required to maintain a medical examiner's certificate for the purposes of operating commercial motor vehicles shall have in his or her possession ~~the date stamped~~ a copy of the certificate, along with the variance if applicable, at all times when operating a commercial motor vehicle. ~~[See OAC 595:11-1-15 regarding date stamped copy]~~

PART 3. COMMERCIAL DRIVER LICENSE RENEWAL - IN PERSON

595:11-1-21. Procedure for obtaining a renewal commercial driver license in person

(a) **General requirements.** During the month of expiration or as provided in (d) of this Section, each licensee shall present proper identification and pay the required fee to a Motor License Agent or to the Department of Public Safety for renewal of the commercial driver license. Failure to renew a commercial driver license by the end of the month of expiration shall not relieve the person of the obligation to renew his or her commercial driver license under the provisions required by law and this Section if the person wishes to keep his or her commercial driver license in force.

(b) **Required identification.**

- (1) **Renewal with expiring or expired commercial driver license.** The expiring or expired commercial driver license provided as the primary identification may be retained by the licensee, after the Department has invalidated the document by punching holes through the license class and license type displayed. The person shall provide secondary identification as prescribed in OAC 595:10-1-3(b)(2). Applicant must provide current United States citizenship or lawful permanent resident and proof of domicile in the State of Oklahoma.

(2) **Renewal without driver license.** Any person who does not have the expiring or expired commercial driver license shall provide both primary and secondary identification as prescribed in OAC 595:10-1-3(b).

(c) **Vision screening.** Persons holding a commercial driver license shall, upon renewal, meet the vision standards established in OAC 595:10-5-7 and 49 C.F.R., §391.41.

(d) **Limitations to issuance of a renewal commercial driver license.**

(1) A renewal commercial driver license shall be issued only to an individual whose driving privilege is not under suspension, revocation, disqualification, cancellation, or denial and who complies with this Chapter, state law, and federal law and regulation.

(2) Any applicant who requests a renewal of his or her commercial driver license when the license has been expired in excess of three (3) years shall be required to appear before a driver license examiner, pursuant to OAC 595:11-1-11 as for an original license.

(e) **Early renewal of a commercial driver license.** Any licensee may renew his or her commercial driver license no more than one (1) year prior to the expiration date. A renewal which occurs more than one (1) year prior to the expiration date shall be treated as a replacement under the provisions of OAC 595:10-1-18.

(f) **Change of commercial driver license number.** A request by a licensee to change the commercial driver license number shall conform to the provisions of OAC 595:11-1-12(c).

PART 5. COMMERCIAL DRIVER LICENSE REPLACEMENT - IN PERSON

595:11-1-31. Procedure for obtaining a replacement driver license in person

(a) **General requirements.** Any licensee requiring a replacement commercial driver license because the license was lost, stolen, or mutilated, or because information on the license needs to be changed, shall request a replacement, upon presentation of proper identification and payment of the required fee. The driver examiner shall retain the driver license to be replaced if it is available.

(b) **Required identification to replace lost, stolen, or mutilated license.** Any person shall provide both primary and secondary identification as prescribed in OAC 595:10-1-3(b). Applicant must provide current United States citizenship or lawful permanent resident and proof of domicile in the State of Oklahoma.

(c) **Required identification to change information and replace a commercial driver license.**

(1) **Name change.** Any person who requests a replacement commercial driver license in order to make a name change shall comply with the primary and secondary identification requirements prescribed in OAC 595:10-1-3(b) in order to identify the person by his or her former name and with OAC 595:10-1-35 in order to identify the person by his or her new name. The former name shall be entered

by the driver examiner into the "Alias" field in the driver license database to provide historical information to the Department. The person requesting the name change may retain the old license, if it is available, after the Department has invalidated the document by punching holes through the license class and license type displayed.

(2) **Address change.** A licensee shall request a replacement commercial driver license within ten (10) calendar days of any address change, shall provide the new address to the Department, and shall provide both primary and secondary identification as prescribed in OAC 595:10-1-3(b).

(3) **Endorsement or restriction change.** Any licensee who requests a replacement commercial driver license in order to change endorsement or restriction information on the license shall provide both primary and secondary identification as prescribed in OAC 595:10-1-3(b). The person requesting the information change may retain the old license, if it is available, after the Department has invalidated the document by punching holes through the license class and license type displayed.

(4) **Sex change.** The licensee shall show an original or certified court order for name change, if applicable, and a notarized statement on letterhead from the physician who performed the sex change operation indicating the applicant or licensee has undergone a complete physical sex change. The letter shall state the sex change is "irreversible and permanent". The licensee shall also show proof of former legal name, if applicable. The new sex shall be entered by the driver examiner in the "Sex" field in the driver license database, and the former name shall be entered by the driver examiner into the "Alias" field in the driver license database to provide historical information to the Department.

(d) **Limitations to issuance of a replacement driver license.**

(1) A commercial driver licensee shall appear before a driver examiner to request a replacement commercial driver license in order for the examiner to perform the federally required ten-year driving history check.

(2) A replacement driver license shall be issued only to an individual whose driving privilege is not under suspension, revocation, disqualification, cancellation, or denial and who complies with this Chapter, state laws, and federal laws and regulations.

(3) The commercial driver license number may be changed as provided in OAC 595:11-1-12(c).

SUBCHAPTER 3. EXAMINATION

595:11-3-2. Study guide

The official study guide for applicants shall be the "Commercial Driver's Manual", which is distributed by the Department of Public Safety. Copies are available free of charge:

(1) Driver License Examination stations,

Permanent Final Adoptions

- (2) by mail from: Department of Public Safety, Commercial Driver License Program Administration, P.O. Box 11415, Oklahoma City, Oklahoma 73136-0415,
- (3) in person at the Department of Public Safety, Commercial Driver License Program Administration, 3600 North M. L. King Avenue, Oklahoma City, or
- (4) from the Department's website at <http://www.dps.state-ok.us/dls/www.ok.gov/dps>.

595:11-3-6. Written examination

(a) **General.** A written examination shall be administered by a driver examiner to each applicant for a commercial driver license to determine the applicant's ability to read and understand highway signs and the applicant's knowledge of the traffic laws of this state; provided, the written examination may be waived as provided in OAC 595:11-1-13(a). The written examination, if not waived, and the vision screening shall be successfully passed by the applicant before the skills test is administered. The written examination includes, when applicable, any separate endorsement/restriction examinations as described in this Section. An applicant determined by an examiner to be cheating on any portion of an examination shall:

- (1) immediately forfeit the examination,
- (2) be given a failing score by the examiner, and
- (3) be disqualified from retaking the examination for one week.

(b) Examination content.

(1) **Written examination.** The written examination administered for a commercial driver license shall consist of a minimum of fifty (50) multiple-choice questions. In addition, the combination vehicle test administered for a Class A commercial driver license shall consist of a minimum of twenty (20) multiple-choice questions. The minimum passing score for each written examination shall be eighty percent (80%).

(2) **Endorsement or restriction examination.** The minimum number of multiple-choice questions and the minimum passing score for each endorsement or restriction examination shall be as follows:

- (A) P passenger endorsement - 20 questions - 80% score
- (B) H hazardous material endorsement - 30 questions - 80% score
- (C) N tank vehicle endorsement - 20 questions - 80% score
- (D) M motorcycle endorsement - 20 questions - 75% score
- (E) S school bus endorsement - 20 questions - 80% score
- (F) T double or triple trailers endorsement - 20 questions - 80% score
- (G) Airbrakes - 25 questions - 80% score. Failure to pass at least 80% of the 25 questions regarding air brakes will result in a restriction code "L" (Vehicle Without Air Brakes) being placed on the applicant's license upon issuance. The applicant shall be prohibited from taking the skill examination in a vehicle with air brakes.

(c) **Alternate method of examination.** The Department may provide an alternate method for the written examination for an applicant who cannot read or has a language barrier.

(d) **Retesting.** An applicant failing the written examination may be granted the opportunity to retest on the next regular business day.

(e) **Discretionary examination.** Any examination, as deemed necessary by the Department, may be administered by the Department as required for the establishment and authorization of a special endorsement or to permit the operation of commercial motor vehicles.

(f) **Commercial learner permit.** Any person eighteen (18) years of age or older may apply for a Class A, B, or C commercial learner permit, as provided in 47 O.S. §6-101(F), solely for the purpose of behind-the-wheel training in a commercial motor vehicle while accompanied by a licensed driver who is twenty-one (21) years of age or older and who holds a valid commercial driver license, including any and all required endorsements, for the class and type of commercial motor vehicle being driven. The CLP must be valid for no more than 180 days from the date of issuance. The State may renew the CLP for an additional 180 days without requiring the CLP holder to take the general and endorsement knowledge test. However, any previously passed skills tests are only valid for the length of the permit. The issuance of a CLP is a pre-condition to the issuance of a CDL. The issuance of a CLP is also a pre-condition to the upgrade of a CDL if the upgrade requires a skills test. The CLP holder is not eligible to take the CDL skills in the first 14 days after initial issuance of the CLP.

(1) The commercial learner permit shall be issued as provided for 47 O.S.,—§6-101(F)(2). Any person may reapply for another ~~restricted commercial driver license~~ learner permit by complying with all requirements for the class of ~~restricted commercial driver license~~ learner permit desired.

(2) The Department shall not place a hazardous materials (H) endorsement on a ~~restricted commercial driver license~~ learner permit.

(3) A "No Passengers" restriction (restriction code "P") shall be placed on any commercial learner permit issued with a "P" or "S" endorsement. The permit holder shall not operate a commercial motor vehicle which carries any passengers [49 C.F.R. §383.25].

(4) An "Empty/Purge Tank" restriction (restriction code "X") shall be placed on any commercial learner permit issued with an "N" endorsement. The tank vehicle shall be empty and shall be purged if the tank vehicle contained hazardous materials, and the permit holder shall not operate a commercial motor vehicle with a tank vehicle which is not empty or which has not been purged if the tank vehicle contained hazardous materials. A current and valid purge certificate shall be carried in the vehicle at all times when operated by a driver with a permit [49 C.F.R. §383.25].

595:11-3-8. Skills examination

(a) **In general.** The skills examination shall be administered only after the applicant has successfully passed the

written examination, or had it waived if eligible under OAC 595:11-1-13(a), and the vision screening. Whenever a skills examination is required, the following general conditions shall apply:

- (1) The skills examination shall start at a designated location and shall include an actual demonstration of the applicant's ability to exercise ordinary and reasonable control in the operation of a commercial motor vehicle. You must take the skills test in the type of vehicle for which you wish to be licensed. ~~The applicant shall furnish for the skills examination the type of commercial motor vehicle required for the class of driver license requested.~~ It is the responsibility of the applicant to furnish for the skills examination a commercial motor vehicle in good working order which meets all state laws and federal requirements regarding operability and equipment. A vehicle not equipped with air brakes shall be required to have driving restriction code "L" (Vehicle Without Air Brakes) placed on the license of the applicant, upon approval of the issuance of the license.
 - (2) The skills examination shall not be administered in a commercial motor vehicle which:
 - (A) is transporting hazardous materials or which is required to be placarded for hazardous materials,
 - (B) requires an oversize permit under the laws of this state or the rules of the Department of Public Safety,
 - (C) was not designed and constructed by the manufacturer with a seating capacity for one or more persons in addition to the driver,
 - (D) is not insured as required by 47 O.S. §7-600 et seq.,
 - (E) does not have a current license plate,
 - (F) is saddle mounted,
 - (G) is a wrecker vehicle towing another vehicle, or
 - (H) is not equipped with seatbelts, if the vehicle was originally manufactured and equipped with seatbelts.
 - (I) any vehicle that has components marked or labeled cannot be used for the CDL skills test, or
 - (J) any vehicle hauling livestock.
 - (3) The applicant has been issued and held a commercial learner permit for a minimum of fourteen (14) days.
- (b) **Scoring of examination.** The scoring procedure will be on a cumulative deduction system based on poor or improper driving practices. The Commissioner or the Commissioner's representative shall determine a point value for each act of poor or improper driving. The applicant will be allowed ten (10) minutes per Basic Control Skills (BCS) maneuver to complete the maneuver. In the event the applicant is not able to complete the maneuver in the time allowed, the skills examination will be deemed an automatic failure.
- (c) **Content of examination for commercial driver license.** The skills examination shall be conducted in conformance with 49 C.F.R., Section 383.
- (d) **Retesting.**

(1) An applicant who fails the skills examination for a commercial driver license may be granted the opportunity to retest the following business day.

(2) The Department shall conduct the skills examination not more than three (3) times, each time at least one (1) business day apart or as instructed by the examiner, beginning no sooner than fourteen (14) days from the date of issuance of the commercial learner permit. Should the licensee fail the third examination, the licensee shall wait at least thirty (30) days before being given another skills examination by the Department. The fourth and subsequent examinations shall be given at the request of the ~~restricted~~ licensee but not more than one (1) examination shall be given every thirty (30) days.

(3) In computing any time period prescribed by this subsection, the day of the failed examination from which the designated period of time begins to run shall not be included. The last day of the period computed shall be included, unless it is not a working day, in which event the period runs until the end of the next working day.

(e) **Substitute for skills examination.** A skills examination may be waived by the Department for an applicant when one of the following requirements is met:

(1) The applicant is the holder of a valid commercial driver license from one of the fifty (50) states, the District of Columbia, or a Canadian province.

(2) The applicant is a fireman or an active member of any branch of the military, Military Reserves or National Guard on active duty, including personnel on full-time or part-time National Guard training, National Guard Military Technicians (civilians who are required to wear a military uniform), and active duty personnel of the U.S. Coast Guard; provided, the person for the two (2) years immediately preceding application for a commercial driver license [49 C.F.R. Parts 383 and 391];

(A) can show, with proper documentation, that he or she has operated a representative class commercial motor vehicle,

(B) certifies that he or she has not been licensed by more than one jurisdiction at the same time,

(C) certifies that he or she has not had any suspension, revocation, cancellation, denial, or disqualification of driving privileges in the two (2) years immediately preceding the application,

(D) has not been convicted of any major disqualifying offense, as defined in 47 O.S., §6-205.2,

(E) has not been convicted more than once of a serious traffic offense, as defined in 47 O.S. §6-205.2, regardless of the type or class of vehicle the offense occurred in, and

(F) certifies that he or she has not been involved in any collision in which he or she was recorded as being at fault.

595:11-3-9. Automatic failure of skills examination

An occurrence of any of the following will result in the automatic failure of the skills examination by the applicant:

Permanent Final Adoptions

- (1) **Seat belt not in use.** Applicant failed to use the seat belt. The seat belt shall be properly adjusted and fastened before the vehicle enters a public roadway.
- (2) **Moving traffic violation.** Applicant received a traffic citation for a moving violation during the skills examination.
- (3) **Disobey sign or signal.** Applicant ignored or did not obey sign or signal.
- (4) **Speed.** Applicant sped more than five (5) miles per hour over the posted speed limit or the lawful speed limit for the vehicle being driven. Provided the speeding is not in a school zone during normal school hours or a construction zone with workers present. There will be no tolerance in a school zone during normal school hours and school is in session or in a construction zone with workers present.
- (5) **Fail to stop.** Applicant rolled through stops or failed to stop.
- (6) **Fail to yield.** Applicant did not yield to other road users (pedestrians, vehicles, etc.). Applicant did not appropriately yield the right-of-way to pedestrians or other vehicles during driving maneuvers.
- (7) **Left of center.** Applicant drove left of center (except when needed to perform a turn safely, or any other lawful reason).
- (8) **School bus endorsement.** Commit any of the following in the procedures for pickup or discharge of students established by the State Department of Education ("SDE"):
 - (A) Fail to activate amber warning lights before stop
 - (B) Fail to set park brake and/or fail to shift to neutral
 - (C) Use hand outside the bus to direct students
 - (D) Fail to make final check of crossover mirrors before the bus is set in motion
- (9) **School bus endorsement, passenger endorsement, or hazardous materials endorsement.** Commit any of the following:
 - (A) Fail to stop vehicle at most fifty (50) feet and no less than fifteen (15) feet from first rail of railroad tracks.
 - (B) Shift gears while crossing railroad track.
 - (C) Vehicle in motion with door open or unnecessarily impeding traffic.
- (10) **Avoidable crash or incident; dangerous act.** Commit any of the following:
 - (A) Applicant was involved in an avoidable crash or accident.
 - (B) Applicant's vehicle had physical contact with other vehicles, objects, pedestrians, etc.
 - (C) Applicant commits any act or omission that creates a dangerous or unsafe traffic environment (near accidents, etc.).
 - (D) Drivers of other vehicles or pedestrians were forced to take evasive actions.
 - (E) Applicant's actions force examiner to take verbal or physical control of the vehicle.

- (11) **Put vehicle over sidewalk or curb.** Driver put vehicle over curb or sidewalk unnecessarily.
- (12) **Improper backing.** Driver opens door and leans out of cab during backing maneuver.
- (13) **Weighted offenses.** Accumulation of four (4) or more of any of the following offense in any combination:
 - (A) Failure to use turn signal
 - (B) Failure to turn on headlamps (if required)
 - (C) Coasting on a downgrade (gears in neutral or clutch disengaged)
 - (D) Consistently exceed speed limit
 - (E) Proceed through intersection on yellow light when applicant could have stopped without creating a dangerous situation.
- (14) **Violation of time limit for Pre-trip.** Applicant does not complete full pre-trip within forty (40) minutes.
- (15) **Violation of time limit for Basic Control Skills ("BCS").** Applicant does not complete each BCS maneuver within ten (10) minutes.

SUBCHAPTER 5. COMMERCIAL DRIVER LICENSE THIRD-PARTY EXAMINERS

595:11-5-4. Requirements for certification as a certified school; display of certificate; certification renewal

- (a) **Requirements and application for certification.** A school district or technology center school may apply for certification as a certified school. The applying school shall meet the following requirements:
 - (1) Be actively enrolling students and teaching a formal course of instruction for school bus drivers training as approved by the State Board of Education or truck driver training as approved by the Oklahoma Board of Career and Technology Education.
 - (2) Obtain and possess written approval to make application for and be, if approved, a certified school from:
 - (A) the State Board of Education, if the school is a school district, or
 - (B) the Oklahoma Board of Career and Technology Education, if the school is a technology center.
 - (3) Submit an application to the Department on a form prescribed by the Department [see OAC 595:11-5-13].
 - (4) Have its on-site examination route or routes examined and approved by an employee of the Department. A route:
 - (A) shall start and end on the premises or property of the certified school, unless otherwise approved by the Department,
 - (B) shall meet all state and federal requirements,
 - (C) shall not be altered or changed in any manner without first being examined and approved by the Department,
 - (D) shall not be replaced by an alternate route unless the alternate route is first examined and approved by the Department. If, during the course of the examination, it is determined that any of the approved

routes could not be followed, the third-party examiner shall notify the Department in writing the same day the test is administered as to the reason for the change in route,

(E) shall not be used to conduct training or practicing for the examination, and

(F) shall be configured to be at least seventy-five percent (75%) different from any route used for training or practicing.

(5) Agree to:

(A) meet minimum examination standards required by the Department and by the Federal Motor Carrier Safety Regulations [49 C.F.R. Part 383];

(B) allow access to school facilities by the Department and by the Federal Motor Carrier Safety Administration for the purpose of monitoring examinations and examining records;

(C) comply with the Oklahoma Open Records Act [51 O.S., §24a.1 et seq.] with regard to records kept pursuant to this Subchapter;

(D) maintain security of examination documents and related material as deemed necessary by the Department;

(E) ensure all examinations are administered by a third-party examiner;

(F) ensure third-party examiners administer the examination only to driver license applicants who:

(i) have enrolled in and successfully completed a formal course of instruction, as submitted to and approved by the Department, at the institution where the third-party examiner is employed and certified, and

(ii) have commercial learner permit and driver license issued by Oklahoma. The commercial learner permit must be issued at least fourteen (14) days prior to testing;

(G) ensure no person acts as a third-party examiner without current certification from the Department;

(H) provide immediate written notification to the Department of any impropriety or misconduct of any third-party examiner employed by the school;

(I) acknowledge that the Department reserves the right to take prompt and appropriate remedial action against the certification of any school or of any third-party examiner in the event that the school or the third-party examiner fails to comply with:

(i) any state law, Department rule, or federal regulation regarding the examination of an applicant for a commercial driver license, or

(ii) any terms of the appropriate memorandum of understanding or of a subsequent contract or agreement entered into pursuant to the memorandum of understanding;

(J) maintain records of all third-party examiners employed by the school and copies of all documents relating to examinations administered for a period of not less than three (3) years; provided, if a school discontinues doing business, the school shall send

to the Department a roster of all students who were administered examinations by the school during the immediately preceding three (3) years;

(K) immediately notify the Department by telephone, followed by written notification within five (5) days, of the termination of employment of any third-party examiner. The official seal of the Department, and the certificate and identification card issued by the Department to the third-party examiner shall be returned to the Department with the written notification;

(L) immediately notify the CDL Coordinator within the Commercial Driver License Program Administration of the Department by telephone or first-class mail of every fraudulent application made to obtain a commercial driver license; and

(M) acknowledge that the Department reserves the right to randomly reexamine applicants tested by third-party examiners for purposes of quality assurance.

(N) and are required to maintain an electronic means of communication that must be checked on a weekly basis.

(b) **Certification.** Upon acceptance and approval by the Department of the application for certification from a school district or technology center school, or upon acceptance and approval by the Department of the application for renewal of certification from a certified school, and upon completion to the satisfaction of the Department by the school of all other requirements for certification, the Department shall provide the certified school with a certificate evidencing approval by the Department as a certified school. The certificate shall be posted at the examination location at the certified school and in full view of the public. The certificate shall be valid for four (4) years.

(c) **Renewal of certification.** A certified school may apply for renewal of certification as a certified school. The school shall meet the following requirements:

(1) Have evidence on file with the Department of a satisfactory on-site inspection conducted by an employee of the Department prior to renewal.

(2) Employ at least one third-party examiner.

(3) Submit an application for renewal on a form prescribed by the Department no later than December 1 of the year of expiration [See 595:11-5-13].

595:11-5-5. Requirements for certification as a third-party examiner, display of certificate, certification renewal

(a) **Requirements and application for certification.** A driver training instructor may apply for certification as a third-party examiner. The applicant shall meet the following requirements:

(1) Meet all the requirements for a Driver License Examiner of the Department [47 O.S., §2-106(c) and (d)].

(2) Complete an application provided by the Department [see 595:11-5-13] and submit a nationwide criminal

Permanent Final Adoptions

background check certified within the immediately preceding thirty (30) days and, if the applicant has not lived in Oklahoma for the immediately preceding five (5) years, a criminal background check from the agency responsible for keeping criminal history in the state or states of previous residence.

- (3) Be employed by a certified school.
- (4) Have and maintain throughout the time period to be covered by the certification:
 - (A) a valid Oklahoma commercial driver license for the class or classes of vehicle, including any endorsement or endorsements, for which the instructor desires to administer examinations; provided, the applicant shall not be required to have a hazardous materials endorsement (endorsement H),
 - (B) in order to administer school bus examinations, a valid School Bus Workshop Instructor Certificate issued by the State Board of Education, and
 - (C) in order to administer truck examinations, a valid certificate issued by the Oklahoma Board of Career and Technology Education showing the applicant has met the current requirements.
- (5) Successfully complete a course of instruction prescribed by the Department [see 595:11-5-6].
- (6) Meet the same vision standards as for Driver License Examiners of the Department [see OAC 595:10-5-7 and 49 C.F.R., §391.41 regarding vision standards].
- (7) Have full use of both upper and lower extremities.
- (8) Agree to submit examination reports to the Department by electronic means immediately upon completion of each examination.

(b) **Ineligibility based upon driving record or criminal record.** A driver training instructor shall be deemed to be ineligible for certification as a third-party examiner upon evidence of a record of any of the following convictions:

- (1) Two (2) or more convictions for a moving traffic offense within the twelve (12) months immediately preceding the application-, or
- (2) Any alcohol- or drug-related conviction requiring the Department to revoke, suspend, or disqualify the instructor's driving privilege within the five (5) years immediately preceding the application.
- (3) Any conviction for any offense which required or will require the Department to take any type of action against the instructor within the three (3) years immediately preceding the application, including, but not limited to:
 - (A) a warning letter, or
 - (B) a revocation, suspension, cancellation, denial or disqualification of the instructor's driving privileges.
- (4) Any misdemeanor conviction, except for a misdemeanor conviction for a traffic offense, within the five (5) years immediately preceding the application.
- (5) Any felony conviction in this state or any other state or country.

(c) **Certification.** Upon acceptance and approval by the Department of the application for certification from a driver

training instructor, or upon acceptance and approval by the Department of the application for renewal of certification from a third-party examiner, and upon completion to the satisfaction of the Department by the instructor or third-party examiner of all other requirements for certification, the Department shall provide the third-party examiner with:

- (1) a certificate evidencing approval by the Department as a third-party examiner, which shall be posted at the examination location at the certified school and in full view of the public. The certification will be valid for four (4) years.
 - (2) an identification card to be carried by the third-party examiner whenever the examiner is administering an examination.
 - (3) an official seal to be used by the third-party examiner to be used as provided in 595:11-5-14.
- (d) **Renewal of certification.**
- (1) A certified third-party examiner shall be eligible for renewal of certification if the examiner:
 - (A) submits an application for certification renewal upon a form provided by the Department no later than December 1 of each year [see 595:11-5-13],
 - (B) submits a nationwide criminal background check certified within the immediately preceding thirty (30) days,
 - (C) submits a current copy of the State Department of Education instructor certificate,
 - (D) is currently employed by a certified school,
 - (E) currently meets the requirements and standards of the Department as prescribed by this Subchapter,
 - (F) administered fifteen (15) or more full examinations within the twelve (12) months immediately preceding the application for renewal of certification, and
 - (2) Any driver training instructor who was previously certified as a third-party examiner and whose previous certification has been expired for not more than one (1) year may make application for renewal of certification as provided in paragraph (1) of this section.
 - (3) Any third-party examiner who does not qualify for renewal of certification may apply, after a period of at least one (1) year from the date the examiner was notified he or she was not qualified for renewal of certification, for certification as a third-party examiner and shall meet all requirements as for an initial application for certification as a third-party examiner.

595:11-5-9. Failed examinations and reexamination

- (a) If the commercial driver license applicant fails an examination administered by a third-party examiner, the third-party examiner may administer the examination to the applicant up to two (2) additional times. The third-party examiner shall wait the required amount of time before reexamining the applicant. If the applicant fails any section of the examination three (3) times, the third-party examiner shall refer the applicant to the Department for any further examination.
- (b) The third-party examiner shall:
 - (1) record each failed examination on application form DL-18-CT [OAC 595:11-5-13(e)];

(2) within twelve (12) hours of examination, each failed exam must be reported to the Department:

- (A) during normal business hours:
 - (i) by emailing the CDL Coordinator or his or her designee, and
 - (ii) electronically through CSTIMS immediately upon completion of each exam.
- (B) after normal business hours:
 - (i) by emailing the CDL Coordinator or his or her designee, and
 - (ii) electronically through CSTIMS immediately upon completion of each exam.

(3) not administer a reexamination to the same student that has failed any part of the examination until the next business day unless the student has failed the examination three (3) times. To which the Third-party examiner will refer the student to the Department of Public Safety for the fourth examination.

595:11-5-11. Records to be maintained by certified schools and third-party examiners

(a) **Certified schools.** A certified school shall be responsible for maintaining all records pertaining to:

- (1) the certification of the school,
- (2) third-party examiners currently employed by the school,
- (3) the certification of each third-party examiner,
- (4) third-party examiners employed by the school for the immediately preceding three (3) years,
- (5) examination certificates and pre-trip forms for each examination administered,
- (6) Form DL-18-CT,
- (7) class rosters for classes conducted or certificate of completion for online training and completion letter for SDE instructor for five (5) hours behind-the-wheel training,
- (8) commercial learner permits and base license,
- (9) commercial driver license application in which an examination was administered by a third-party examiner employed by the school,
- (10) examinations and the scores of those examinations, and
- (11) records of previously certified third-party examiners.

(b) **Third-party examiner.** A third-party examiner shall be responsible for assisting the school in the maintenance of records described in (a).

(c) All records shall be kept for a period of three (3) years and shall be open for audit and inspection by the Department, the State Board of Education, the Oklahoma Board of Career and Technology Education, and the Federal Motor Carrier Safety Administration. An employee of any of the aforementioned entities shall not be required to give prior notice before appearing to examine the records of a certified school or a third-party examiner.

595:11-5-13. Prescribed forms

(a) **Certified school application.** A school district or technology center school shall request an application from the Department to apply for certification as a certified school. A certified school shall request an application form from the Department to apply for renewal of certification as a certified school. The application shall require the applying school to provide the following information:

- (1) Date of application.
- (2) Whether the application is an original or renewal application.
- (3) Name of the school.
- (4) Name and number of the school district.
- (5) Complete physical address and mailing address.
- (6) County name and number.
- (7) Name of administrator or superintendent.
- (8) Telephone number of administrator or superintendent of the school district.
- (9) Name of transportation director of the school district.
- (10) Name of each third-party examiner employed by the certified school, if the application is for renewal of certification.
- (11) Statement of agreement to comply with rules of the Department and with the provisions of the appropriate memorandum of understanding and any subsequent contracts and memorandums.
- (12) Any other information the Department deems necessary to process the application.
- (13) Signature of the administrator or superintendent.

(b) **Third-party examiner application.** A driver training instructor shall request an application form from the Department to apply for certification as a third-party examiner. A third-party examiner shall request an application form from the Department to apply for renewal of certification as a third-party examiner. The application shall require the applicant to provide the following personal information:

- (1) Date of application.
- (2) Whether the application is an original or renewal application.
- (3) Full name of the applicant.
- (4) Complete home address and mailing address of the applicant.
- (5) Telephone numbers (residence and business) of the applicant.
- (6) Name of the employing school.
- (7) Name and number of the school district in which the employing school is located.
- (8) Date of birth of the applicant.
- (9) Social security number of the applicant.
- (10) Oklahoma commercial driver license number of the applicant.
- (11) Any other information the Department deems necessary to process the application.
- (12) Signature of the applicant.

(c) **Certified school certificate.** The certificate for a certified school shall include, but not limited to, the following information:

Permanent Final Adoptions

- (1) Official name and seal of the Department.
 - (2) Official name of the school.
 - (3) School district name and number or technology center school name.
 - (4) City (when applicable) and county where the school is located.
 - (5) Type of certification.
 - (6) Date of certification.
 - (7) Expiration date of certification.
 - (8) A unique certification number.
 - (9) Name and signature of the Commissioner of Public Safety.
- (d) **Third-party examiner certificate.** The certificate for a third-party examiner shall include, but not limited to, the following information:
- (1) Official name and seal of the Department.
 - (2) Full name of the third-party examiner.
 - (3) Name, school district name and number or technology center school name, city (when applicable), county, and certification number of the certified school employing the third-party examiner.
 - (4) Type of certification.
 - (5) Date of certification.
 - (6) Expiration date of certification.
 - (7) A unique certification number.
 - (8) Name and signature of the Commissioner of Public Safety.
- (e) **Oklahoma commercial driver license application.** ~~Oklahoma commercial driver license application forms (DPS Form DL-18-CT) shall be provided to each certified school.~~ Each portion of the application shall be completed by the appropriate person, as indicated on the application, using black ink only. The commercial driver license applicant shall complete the applicant's portion of the application form and submit the form to the third-party driver license examiner. The third-party examiner shall document on the application form the gross vehicle weight rating (GVWR), the license plate number, as well as any other specific identifier pertinent to the commercial motor vehicle used in the skills examination. The third-party examiner shall also document on the form the results of the each skills examination, whether passed or failed administered to the applicant, verifying all the information on the application, and approving the application, if the applicant successfully passes the skills examination administered for the class of commercial motor vehicle and any endorsements. Upon approval by the third-party examiner and completion of all information required of the examiner, the examiner shall return the application form to the applicant. The applicant shall surrender the approved application to a Driver License Examiner of the Department to complete any required licensing procedures, ~~including, but not limited to, the administration of written examinations.~~
- (f) **Where to obtain forms.** All necessary forms are provided by the Department and can be obtained by a certified school or a third-party examiner by written or electronic request to: Department of Public Safety, CDL Program Administration, P.O. Box 11415, Oklahoma City, Ok 73136-1415.

595:11-5-14. Official seal, Map and CDL Examiners Manual

- (a) The Department will provide its official seal to each third-party examiner. The certified school shall provide its official seal to each third-party examiner it employs. The seals shall be imprinted upon each approved Oklahoma Commercial Driver License Application (DPS Form DL-18-CT) signed by the third-party examiner as a part of the examiner's verification of each skills examination, ~~whether passed or failed,~~ administered to the applicant whose name appears on the application form.
- (b) If the third-party examiner does not renew certification as a third-party examiner, or leaves the employment of or is terminated from employment by the certified school, the official seal of the Department shall be surrendered by the examiner to the school. The school shall ensure the official seal of the Department is surrendered to it by the third-party examiner. The school shall immediately notify the Department by telephone of the status of the third-party examiner ~~and shall, within five (5) days, return the official seal of the Department~~ along with written notification of the status of the examiner.
- (c) All documentation required by the Department, including the official seal, map and examiners manual, shall be locked up in a secure area on the school premises.

595:11-5-17. Withdrawal or denial of certification

- (a) The Department may:
 - (1) cancel, suspend, revoke, or refuse to renew the certification of a certified school or third-party examiner for failure to comply with any provisions of state law, federal regulation, or Department rule.
 - (2) deny certification to a school district or technology center school applying for certification as a certified school for failure to meet the requirements prescribed by this Subchapter.
 - (3) deny certification to any driver training instructor applying for certification as a third-party examiner for failure to meet the requirements prescribed by this Subchapter.
- (b) Where it is determined that a minor disqualification exists which may readily be rectified by the school or third-party examiner, the Department may informally notify the party by mail or telephone of the minor disqualification or violation, with a request for compliance within a specified period of time. If the party fails to rectify the disqualification or violation, the Department may proceed to deny, suspend, revoke or cancel certification.
- (c) The Department may deny or cancel certification of any applicant, certified school, or third-party examiner for not more than five (5) years when it is determined and good cause appears that the applicant, school, or examiner demonstrated willful disregard of the rules established in this Subchapter or committed other negligent acts.
- (d) Should the Department be required to re-test applicants as a result of fraudulent or negligent testing practices; the contractor shall be required, if not bonded, to reimburse the Department at the base rate of pay for a current Department of

Public Safety Commercial Driver License Examiner, including any travel, and other accrued expenses.

SUBCHAPTER 7. TRUCK DRIVER TRAINING

595:11-7-2. Definitions

In addition to terms defined in 47 O.S., §1-101 et seq., the following words or terms, when used in this Subchapter, shall have the following meaning unless the context clearly indicates otherwise. Use of the singular term includes the plural, and use of the plural term includes the singular.

"**Credential**" means endorsements, major and/or minor teaching areas, licenses, as well as professional, standard, provisional, temporary, and emergency certificates.

"**Commercial motor vehicle**" means a vehicle used for training students in Class A, B, or C commercial motor vehicles as defined in 47 O.S. §1-107.1, 1-107.2 1-107.3.

"**Course of study**" means a course of study in truck driver training, including highway signs, signals, markings and design, rules of the road, state laws, local ordinances, basic driving maneuvers, and safe operation of commercial motor vehicles on streets and highways.

"**Endorsements**" means credentials placed on valid licenses or certificates, or both, to indicate that the holder is eligible to teach specific subjects. An endorsement qualifies the holder to teach a full day in the subject of the endorsement.

"**Instructor**" means a qualified commercial truck driver training instructor who ~~instructs~~ is certified by the Department to instruct students desiring to apply for a commercial license, at an approved commercial truck driver training school, students desiring to apply for a commercial truck driver license.

"**School**" means a business enterprise conducted as a commercial truck driver training school by an individual, association, partnership, or corporation for the purpose of education and training of students desiring to apply for a commercial driver license.

595:11-7-4. Qualifications for instructors

An instructor employed by a school shall submit to the Department of Public Safety, upon application, proof of the following:

- (1) current employment by a school which offers a prescribed course of study;
- (2) possessing a valid Oklahoma commercial driver license, with proper class and endorsements commensurate with type or types of vehicles and endorsements which are the subject of instruction;
- (3) being at least twenty-one (21) years of age;
- (4) having never been convicted of a felony as evidenced by a nationwide criminal background check certified within the immediately preceding thirty (30) days;
- (5) if applicable, having driving privileges reinstated for at least twelve (12) months, if driving privileges were suspended, canceled, revoked, denied, or disqualified for a driving-related conviction or for Department action

related to driving under the influence or driving while impaired. If driving privileges are suspended, canceled, revoked, denied, or disqualified only for a non-driving-related conviction or reason, the applicant shall be eligible immediately upon reinstatement of driving privileges;

- (6) having not been convicted of misdemeanor possession or use of alcohol or drugs within the past twelve (12) months;
- (7) having not more than five (5) point violations on the driving record;
- (8) having no administrative action pending at the Department pursuant to 47 O.S. §§753, 754, or 754.1;
- (9) having a high school diploma or general education diploma; and
- (10) having three (3) years verifiable driving experience in the type of vehicle or vehicles used by the school for instructional purposes. The verifiable driving experience must be within 10 years of the application date.

595:11-7-13. Requirements for schools and classrooms

(a) **Location and classroom facility of schools.** The school shall:

- (1) have at least one (1) permanent classroom. Each classroom shall be used exclusively for classroom instruction during the time of instruction. A classroom shall not be located in:
 - (A) a residence or residential facility or complex,
 - (B) a motor vehicle, or converted motor vehicle,
 - (C) a hotel or motel, or
 - (D) any other facility which has a bar, lounge, or other business which sells alcohol for public consumption on the premises;
- (2) display its current and valid school license in the licensee's principal place of business at all times when classes are in session. The license or a copy of the license shall also be made available for inspection to students or prospective students;
- (3) comply with local municipal ordinances regarding lighting, heating, ventilation, and restroom facilities; and
- (4) have adequate room for equipment such as chalkboard, projector, tables and chairs for the number of students enrolled in the class being taught ~~at the time,~~
- (5) an on location basic control skills pad.

(b) **Advertising.**

- (1) No school shall use or conduct any business under any name other than its fully licensed name.
- (2) A sign reading "This school is licensed by the Department of Public Safety, State of Oklahoma" or similar language may be displayed on the school premises.
- (3) The school may place language such as "This school is licensed by the Department of Public Safety, State of Oklahoma" in any advertisements and publications of the school. However, a school may not use advertisement or publicity that states or implies that the school is specifically or uniquely recognized, recommended, or endorsed, or directly supervised by the Department of Public Safety.

Permanent Final Adoptions

- (4) No fraudulent or deceptive statements, promotions, or fee incentives shall be used on any sign or in advertisement, whether written or oral.
- (5) No school shall advertise, by any means, or otherwise state or imply that a commercial driver license or permit is guaranteed or assured to any student or individual who will take or complete any instruction offered by the school.
- (c) **Agreements and schedule of fees.**
- (1) A sample copy of each type of contract or agreement which the school may enter into with students shall be submitted to the Department with the application for an original or renewal license.
- (2) Prior to enrollment or payment of fees, each prospective student shall be provided the following information, in writing:
- (A) the type of instruction offered, whether classroom or behind-the-wheel, or both;
 - (B) the length of the course of study and the length of each lesson;
 - (C) the cost of the course of study, or the cost per lesson, as applicable to the fee structure of the school;
 - (D) the cost to lease a commercial motor vehicle from the school for the purpose of taking the skills examination;
 - (E) the terms of payment and disclosure of any interest charged;
 - (F) a statement indicating the specific date and time when instruction is to start.
- (3) The complete schedule of fees shall be posted in easy view of students and prospective students.
- (4) If any school fails to comply with the provisions of this Subchapter, the school shall refund, on a prorated basis, all monies collected from the student.
- (d) **Records to be maintained.**
- (1) Each school shall maintain a permanently bound book with pages consecutively numbered or a computer spreadsheet, setting forth the name of the school; the name of each student; the contract or agreement number for each student; the type and date of instruction given, whether classroom or behind-the-wheel, for each student. If written, all entries shall be made in ink. This record shall be on a daily time sheet form approved by the Department and initialed by each student for verification.
- (2) All student instruction records for classroom and behind-the-wheel instruction and a duplicate copy of each contract or agreement entered into between the school and the student (the original shall be given to the student) shall be kept on file in the office of each school for a period of three (3) years after the student has concluded instruction at or with the school. Each school shall furnish the student, if requested, an exact copy of his or her instruction record when all of the contracted courses are completed or the student otherwise ceases taking instruction at or with the school. If a school discontinues doing business, the school shall send to the Department a roster of all students who attended the school during the immediately preceding three (3) years, with each student identified as to whether

the student successfully completed or did not successfully complete the course of study.

(3) The student instruction record shall contain a copy of a receipt for any monies paid to the school by the student. The receipt shall contain:

- (A) The name of the school.
- (B) The name of the student.
- (C) The date of payment.
- (D) The amount of payment.
- (E) The signature of the person receiving the payment.

(4) The student instruction record maintained by the school shall be available at all times for inspection and/or copying by an authorized representative of the Department of Public Safety.

(5) A copy of the student's completion certificate, in a preprinted format prescribed by the Department, shall be provided and issued by the school to each student upon the successful completion of course work (both classroom and behind-the-wheel). The certificate shall contain, at a minimum, the following:

- (A) Name of the school;
- (B) Full legal name of student;
- (C) Number of total hours of instruction (optional)
- (D) Date of completion;
- (E) Signature of administrator (a stamped signature is acceptable).

(6) Medical examiner's certificate.

(7) Copy of the student's valid driver license and commercial learner permit.

(8) Copy of proof of Oklahoma residency: utility bill or Government form bearing the name and address of the student.

GIST/ANALYSIS:

Section 25-3-1 updates education requirements and continuing education requirements for wrecker drivers and operators. Outdated language was deleted as it relates to size of lettering required for wrecker vehicles which has to be 3 inches in height. Updates language to include operators and drivers as persons who cannot operate a wrecker service as an operator or driver who have been convicted of certain crimes and updates language as it relates to itemized statements. Section 25-3-2, Applications, has been updated and language has been removed as it relates to temporary 30 day permits. The department no longer issues temporary permits as it conflicts with current statute. Again, in Section 25-3-3, language has been redacted that is in conflict with current statute. In section 23-3-4 small changes were made to clarify the rule. The changes in Section 25-5-1 clarify what the requirements for a storage facility are and redacts outdated language. Section 25-5-2 updates equipment requirements for wreckers. The operation section, 25-5-3, updates were made to help delineate evidence of ownership, proof of identification and proof of insurance documents that are acceptable. Outdated language was struck and language was added to again clarify what is required from an owner or authorized agent. Section 25-5-5 takes out the requirement that the Department furnish record keeping documents to wrecker services as all of the information is online. Section 25-5-6 was completely redacted; DPS is no longer in charge of the rates and fees as it has become an OCC issue. The last change comes in Section 25-9-2 and adds language that an operator will advise dispatch of their current location and time of arrival.

CONTACT PERSON:

Chris Sherman, DPS Legislative Analyst, Department of Public Safety, 3600 N. Martin Luther King Ave., PO Box 11415, Oklahoma City, OK 73136-0415. Phone: 405.425.7394. E-mail: thomas.sherman@dps.ok.gov

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 3. WRECKER LICENSE

595:25-3-1. General requirements

The following are the requirements for obtaining a wrecker license:

- (1) **License required.** No operator as defined by law, regardless of storage location, shall operate a wrecker vehicle upon any public street, road or highway of this

state for the offering to tow vehicles or the actual towing of vehicles without first obtaining from the Department a license as provided in this Chapter. Any wrecker vehicle being operated on any public street, road, highway or turnpike in violation of Oklahoma law or these rules may be removed from service by Oklahoma law enforcement officers.

(2) **Display and use.** An operator's wrecker service license shall be personal to the holder thereof and a wrecker vehicle license shall be unique to the vehicle. Each license shall be issued only to a person, a corporation or some definite legal entity. The licenses are non-transferable and any change in ownership, whether of a wrecker service or wrecker vehicle, shall cancel the applicable license. The wrecker service license shall be conspicuously displayed at the primary place of business. The license shall be valid only at the place of business as shown on the license. Additional or satellite places of business shall not be permitted or approved on the same license but shall require a separate application and license.

(3) **Reason for application.** No showing of public convenience or necessity need to be made in support of an application for a wrecker or towing license.

(4) **Issuance.** No license for operation of a wrecker or towing service shall be issued until:

- (A) The wrecker operator has a minimum of one towing/wrecker vehicle,
- (B) Certificates of insurance as prescribed by the Department are on file with the Department, ~~and~~
- (C) Each wrecker vehicle has been inspected by an officer of the Department to verify that equipment requirements of this Chapter have been met, ~~and~~
- (D) Each new wrecker owner and driver of a wrecker/towing vehicle has successfully completed a minimum of 16 hours of Department approved course of training or have minimum of 2 years of experience on the following:

- (i) Traffic incident management
- (ii) Wrecker vehicle recovery controls
- (iii) Connecting or loading vehicle onto wrecker
- (iv) Tie down and secure vehicle to wrecker
- (v) Wrecker operation safety
- (vi) Annually complete 8 hours of continuing education approved by the department

(5) **Carry license.** A copy of the wrecker vehicle license issued by the Department shall be carried at all times in the wrecker vehicle for which the license was issued.

(6) **Return license to Department.** Any wrecker operator that disposes of or deletes any wrecker vehicle from operation shall return the license and window decal issued for that particular vehicle and window decal to the Department of Public Safety. When an unlicensed wrecker vehicle is observed with decals identifying it as a licensed wrecker vehicle, law enforcement personal may remove the decals and seize the cab card license and return both to the Department. Any operator that cancels its last remaining wrecker vehicle from operation will have

Permanent Final Adoptions

thirty (30) days to have another wrecker vehicle inspected, approved, and licensed or the wrecker license issued to that operator will be cancelled.

(7) **Additional wreckers.** Any wrecker operator that adds a wrecker vehicle shall:

(A) Register the wrecker vehicle with the Oklahoma Tax Commission, in the name of the operator or the name of the wrecker service, and properly display a current license plate. A leased wrecker vehicle shall show the owner information and the name of the lessee on the vehicle registration.

(B) Notify the Department of the make, model, GVW and serial number of the vehicle.

(C) Send notification to the Department from the insurance carrier of the wrecker operator that the vehicle has been added to present insurance coverage.

(D) Have the vehicle inspected and approved by an employee of the Department.

(E) A wrecker license plate, or a proportional license plate, must be purchased and affixed to the wrecker vehicle after the vehicle has been inspected and approved and before the vehicle can be used by the operator to tow vehicles.

(8) **Sticker required on each vehicle.** Each wrecker vehicle which is used by an operator in pulling or towing a vehicle shall display in the lower right hand corner of the windshield a valid sticker furnished by the Department indicating the classification of wrecker service.

(9) **License number and business name.**

(A) The DPS number issued to the operator by the Department for the operation of a wrecker or towing service, along with the name of the wrecker service, shall be clearly visible at all times and shall be conspicuously displayed and vertically centered on each side of every tow vehicle used by the operator in the wrecker or towing service.

(B) On wrecker vehicles in use ~~on or before July 14, 2002, the wrecker license number shall be at least two inches (2") in height. On wrecker vehicles put into use on or after July 15, 2002, the~~ DPS number and business name shall be at least three inches (3") in height. The font shall not be a font which is highly decorative or difficult to read. The lettering shall be in a color that will contrast with the color of the tow vehicle in order to be readily noticed and legible.

(C) The signage required by this paragraph shall be permanent in nature and shall not contain any misleading or false information. The wrecker vehicle shall not have more than one wrecker service name on the vehicle.

(D) Magnetic signs are not approved; provided, if requested of and approved by the Commissioner's designee, a magnetic sign may be used for a period of thirty (30) days in an emergency situation.

(10) **Service of notice.** Any notice required by law or by the rules of the Department served upon any holder of a wrecker or towing license shall be served personally or

mailed to the last known address of such a person as reflected by the records on file with the Department. It is the duty of every holder of a certificate or license to notify the Department of Public Safety, Wrecker Services Division, in writing as to any change in the address of such person or of the place of business.

(11) **License prohibited.**

(A) No person under eighteen (18) years of age shall be licensed or employed as a wrecker operator.

(B) No person shall be licensed as a wrecker/towing service operator or employee who has been convicted of:

(i) a felony, larceny, theft or untruthfulness; or

(ii) any provision of Title 21 O.S. §1029 while providing wrecker services; or

(C) No person shall be licensed as a wrecker/towing service or be employed by a wrecker/towing service until five (5) years after completion of the sentence for the conviction, including probation or supervised release. In cases of deferred judgment and sentence, the prohibition shall extend to five (5) years after the end of the deferred judgment and sentence.

(D) Any person who is required to register as a sex offender, as required by 57 O.S. §583_582, shall be prohibited from owning or working for a wrecker service for the period of time the person is or is required to be registered.

~~(12) **Itemized statement.** All wrecker operators shall develop and maintain for each vehicle towed, or serviced an itemized statement [see OAC 595:25-5-5(b) regarding records] and shall furnish the owner or the agent of the owner, of each vehicle with an itemized statement, and a bill or invoice of the towing and charges incurred, which shall include, but not be limited to, the beginning and ending times of service and the beginning and ending mileage of the wrecker vehicle or vehicles used for the service. The itemized statement may be listed on the bill or invoice or may be listed separately but shall, in any case, be provided to the owner or agent, upon request or within a reasonable length of time.~~

~~(13) **One Class AA license per place of business.** Wrecker operators shall be issued no more than one Class AA wrecker license for any one place of business.~~

~~(14) **One Class AA wrecker service on Oklahoma Highway Patrol's rotation log in same rotation area.**~~

An operator shall be permitted to rotate no more than one Class AA wrecker service in the same Highway Patrol rotation area on the Highway Patrol's rotation log. For purposes of this paragraph, "Class A wrecker service" shall include those services with a Class AA-TL wrecker vehicle.

~~(15) **Business telephone number.** Each wrecker service shall have a local business telephone number published in the local telephone directory. The telephone number published shall be a number that is accessible to the public twenty-four hours a day. The operator shall~~

provide in writing to the Department notice of any permanent business telephone number change prior to the new telephone number being placed in service.

(4615) **Business sign.** Each AA Wrecker Service and each G Wrecker Service with storage shall have a business sign at the business location. The sign shall be at least 2 feet by 4 feet with letters at least 3 inches in height with contrasting background and shall display, at a minimum, the name of the wrecker service as shown on the license and a telephone number accessible to the public twenty-four (24) hours a day.

(4716) **Wrecker drivers.** Wrecker services shall notify the Wrecker Services Division within ten (10) days of hiring or termination of employment of any wrecker driver.

595:25-3-2. Applications

(a) Every applicant shall file with the Department a written application on a form prescribed by the Department and shall tender with the application a fee of One Hundred Dollars (\$100.00) by check or money order. The application shall be completed using the applicant's legal name, and also include every alias and nickname by which the applicant is or has been known. Every applicant shall submit with the application a current original Oklahoma State Bureau of Investigation (O.S.B.I.) criminal record check for each individual, partner or corporate officer as shown on the application. If any owner, partner or officer has not lived in Oklahoma for the immediately preceding five (5) years, he or she shall submit a criminal record check from the agency responsible for keeping criminal history in the state or states of residence for the immediately preceding five (5) years. Upon the return of any dishonored check the application shall be canceled.

(b) Upon receipt and approval of the application, the Department shall assign to the operator a permanent identification number for all matters relating to the approved wrecker and towing service. ~~The Department may issue a temporary 30 day permit, after inspection, which will authorize the wrecker service to operate while paperwork for the permanent license is being processed. The temporary 30 day permit Wrecker Services Inspector/Trooper will issue a contact report form may be presented by the operator to present to the Oklahoma Tax Commission or a motor license agent for the purpose of being issued a wrecker license plate pursuant to 47 O.S. §1134.3. The temporary 30 day permit shall only be valid for use if a wrecker license plate is purchased and affixed to the wrecker vehicle.~~

(c) The filing of an application for a license does not authorize wrecker or towing service operations by the applicant. Operation may commence only after all requirements have been met and proper authorization has been issued by the Department.

(d) The application shall be an affidavit containing the following information together with any additional information the Department may require.

(1) The trade name (business name) of the wrecker service. If the business name is registered with the Oklahoma Secretary of State, such registered name shall be used. A copy of the Certificate of Limited Liability Company, a

Certificate of Authority, a Certificate of Limited Partnership or a Certificate of Incorporation from the Secretary of State must be submitted with the application.

(2) The name of the individual (owner/applicant) or, in the event of a legal entity such as a corporation, limited liability company, partnership or limited partnership, the names of any two of the following:

- (A) President,
- (B) Vice-President,
- (C) Another officer, such as a Secretary or the name of the person responsible for the day to day operation of the legal entity. The legal entity shall notify DPS immediately in the event any officer or the person responsible should change.

(3) A statement substantially as follows: "Under oath, I affirm the information submitted in this application is true and I further affirm that I have read the rules of the Department of Public Safety and hereby agree in good faith to abide by the applicable laws and rules governing the wrecker and towing services for which this application is made."

(4) Date of application.

(5) ~~Notarized~~ signature Signature of the individual applicant or of each company officer, as named on the application.

(6) For each driver, the name, date of birth and driver license number.

(7) *If an officer of the Department of Public Safety or a law enforcement officer of any political subdivision may have an interest, financial or otherwise, in or may be employed by a wrecker or towing service, the wrecker service shall affirm that its sole purpose and only business is to perform repossessions of vehicles which are subject to lien and are being repossessed by the lien holder of record [47 O.S. §956(C)].* If a determination is made that the wrecker service performs services other than repossessions, it shall be grounds for revocation of the wrecker license.

(e) If, within ninety (90) days of receipt of an application, the Department is unable to verify all information as required by these rules, the application shall be denied. Such applicant may reapply ~~any time~~.

(f) It is within the Department's discretion to disallow the licensing of a wrecker operator should it appear, by a preponderance of the evidence, that the identity of the business is substantially the same as that of one that is currently under suspension by the Department.

595:25-3-3. Renewal

(a) 47 O.S. §953, provides that the wrecker license shall expire on the 31st day of December of each year. ~~The Department shall send a renewal application to each operator not later than the November 15 of each year.~~ The renewal shall be truthfully and completely filled out.

(b) The operator shall ~~return the completed~~ complete and submit a renewal application with a Fifty Dollar (\$50.00) renewal fee to the Department not later than December 31 of the same year.

Permanent Final Adoptions

(c) Any Class AA wrecker service which fails to renew its wrecker license on or before December 31 shall be removed from the rotation log on the immediately following January 1.

(d) Any wrecker service which fails to renew its wrecker license on or before December 31 ~~shall have a grace period of 31 (thirty one) days, until the immediately following January 31, to make application for renewal. This grace period does not allow the wrecker service to tow vehicles but only to make application for renewal. Any wrecker service which fails to renew by the immediately following February 1 shall be considered cancelled, revoked, or suspended, and any an application for an original or reinstatement license may be submitted, but not be effective until on or made by the cancelled wrecker service after February 1 shall be required to be a new application with all procedures and fees to apply.~~

595:25-3-4. Trade name

(a) Each operator shall use a unique trade name, approved by the Department, which shall be printed and appear on the license and shall be clearly distinguishable from the trade name of any other operator. Provided, however, the Department shall approve any trade name which has been accepted and currently registered with Oklahoma's Secretary of State.

(b) Upon written request by the operator, the Department may change the trade name of a wrecker or towing service if there is no change in ownership. The identifying number shall be retained and no license fee shall be assessed.

(c) Any change in ownership due to sale, merger, dissolution, or any other reason, except as provided in subsection (d), shall reserve the wrecker service trade name for a period of ~~thirty (30)~~sixty (60) days, during which time the successor or owner ~~may shall~~ apply for a wrecker license using the same trade name or another trade name. However, the successor may not operate as a licensed wrecker service until the application has been accepted and approved by the Department.

(d) When the owner of a sole-proprietorship wrecker service dies, the wrecker license shall be considered cancelled by the Department effective upon the date of the death of the owner. Upon the death of the wrecker service owner, the wrecker service shall be immediately removed from Oklahoma Highway Patrol rotation. The heirs shall ~~have thirty (30) days to~~ apply for a reinstatement of the wrecker service license using the same name and the same Department-assigned number; provided, the application shall be treated by the Department as a new application, and all procedures and fees shall apply.

SUBCHAPTER 5. ALL WRECKER OPERATORS

595:25-5-1. Physical requirements for storage facility

(a) **General requirements.** All wrecker operators, who, in conjunction with or as part of a licensed wrecker operation, store, park or maintain possession of a towed vehicle, shall store such vehicle in a storage facility which shall meet the minimum physical requirements prescribed in this Section. No vehicle shall be stored in any facility or area which has not been inspected and approved by the Department except in

case of exceptional circumstances such as natural disasters or at the direction of law enforcement officers at the scene of an incident.

(1) An operator shall not store vehicles:

- (A) at their home,
- (B) in another operator's storage lot; or
- (C) any other location unknown to the Department.

(2) The entrance to the storage facility shall be separate from any other business entity.

(3) A vehicle accepted for storage may not be altered without consent of the vehicle owner or their authorized representative.

(4) No stored vehicle may be used for personal or business use without the prior written consent of the vehicle's owner.

(b) **Outdoor storage facilities.**

(1) Every outdoor storage facility:

(A) shall be designed to be adequate in size for the individual wrecker service's need for storing vehicles,

(B) shall be surrounded by a fence. Construction material for fences shall be of wood, and be at least six feet (6') in height. Outdoor storage facilities, effective July 1, 2014, shall meet new standards or if facilities previous of date, upon a failed inspection, if found the fence did not meet previous standards, new standards will be imposed.

(C) shall have at least one (1) gate of the same quality of material and height of the fence and must be locked if not attended.

(D) The storage lot area:

(i) shall be maintained, including but not limited to removal of tall weeds, overgrown vegetation and debris,

(ii) The lot surface shall be an all-weather surface such as concrete, asphalt, black-top, gravel, or any materials equivalent

(iii) and cover the complete area of the storage lot that enables the safe and effective movement of stored vehicles upon all portions of the storage lot.

(2) If the construction requirements in paragraph (1) of this subsection are in violation of municipal zoning ordinances or other laws, regulations, or ordinances, the operator may file with the Department a petition for exemption and a proposed security plan in lieu of the requirements, which the Department may approve. The operator shall attach a copy of such zoning ordinance or other laws, regulations, or ordinances with the petition.

(c) **Facility location and number.**

(1) A minimum of one (1) primary storage facility shall be located within a two (2) mile radius of the place of business address as reflected on the wrecker license and, effective January 1, 2005, shall be located within Oklahoma. Secondary storage facilities may be located outside the two (2) mile radius.

(2) Each vehicle stored must be initially stored and held at the primary storage facility. After thirty (30) days from date of initial storage, vehicles may be moved to a

secondary storage facility. The provisions of this paragraph shall not apply to junk vehicles.

(d) **Alternate primary storage facility.** In lieu of or in addition to the primary storage facility described in this Section, a wrecker operator that tows a vehicle pursuant to a contract with a municipality or county may store such vehicle in a facility meeting the requirements set forth in such contract; provided, that:

- (1) A copy of the proposed contract is furnished to the Department, along with documentation that requirements specified in this Section will be or have been met.
- (2) Only vehicles towed at the request of the municipality shall be stored in such facilities unless such facility meets all the requirements of this Section.
- (3) The wrecker operator shall have assumed reasonable responsibility with respect to the owner of such towed vehicle for any damages or loss of contents occurring during such time as the towed vehicle is stored in the facility.
- (4) If the storage facility is not owned by the operator, the owner of such storage facility shall also assume joint responsibility for damages or loss of contents to the vehicle secured during such time as the vehicle is stored at such facility.
- (5) Such storage facility must meet or exceed the requirements of this Section.
- (6) If such storage facility is not operated by the operator, the operator shall have made arrangements with the owner of such storage facility to enable the owner of the vehicle to make full payment for towing and storage costs at the storage facility location and thereby obtain full release of the vehicle.
- (7) A wrecker operator may not store any vehicle in a facility which has not been inspected and approved by the Department.

(e) **Indoor storage facility.** An operator may also provide an indoor storage facility as either a primary or secondary storage facility. An indoor storage facility shall be a permanent structure that meets the following minimum physical requirements:

- (1) A solid roof,
- (2) A solid hard-surface floor, and
- (3) Solid walls which fully enclose all sides, i.e. reach from corner to corner on each side and from the floor to the roof on all sides. The walls may be penetrated by windows and doors which must be fully operable so as to make the facility fully enclosed when the windows and doors are closed.

(f) **Each wrecker service is a separate entity.** Each wrecker service shall be licensed as a separate legal entity. Any wrecker service with storage shall maintain a primary storage facility that is physically separated from any other entity's storage facility as determined by the Department, so that the responsibility and accountability of the operator relating to compliance with these rules is maintained.

(g) **Shared storage prohibited.** Shared use of any outdoor or indoor storage facility by two (2) or more wrecker services is not permitted, except as may be determined by the Commissioner.

(h) **Leased or rented storage.** Wrecker operators intending to lease or rent any storage facilities shall file such plan of lease or rent with the Department for approval. Such plan shall be of at least one year in duration and include specific terms therein delineating the responsibility of the operator relating to compliance with the rules of this Chapter and assurance that accountability is maintained.

(i) **Accessibility.** Any primary storage facility used to store vehicles at the request of law enforcement shall be accessible to the public by way of an all-weather road. This provision shall not apply to primary storage facilities which have been approved prior to July 14, 2003.

595:25-5-2. Equipment requirements for all classes of wrecker vehicles

(a) **All wrecker vehicles.** Each wrecker which is used by an operator in the performance of a wrecker or towing service shall be equipped with the following:

- (1) **Fire extinguisher.** One (1) or more dry chemical, B.C. rating, fire extinguisher having a minimum of ten pounds (10 lbs.) total capacity, which shall be mounted and readily accessible.
- (2) **Flashing light.** At least one (1) amber rotating or flashing light, visible from 360 degrees or on a lightbar, and approved by an officer of the Department. The amber rotating light is for use only at the scene of an emergency or where a traffic hazard exists and there is the necessity to warn approaching vehicles, such as at a routine vehicle pickup [47 O.S. 12-218.1]. Wreckers presently approved will not be required to have lights of another color replaced with an amber light until such time as the present lights become defective to the point of needing replacement, at which time it shall be replaced with an amber light. Any wrecker service approved after April 27, 1990, shall be required to have the amber light. Any wrecker vehicle approved after July 15, 2004, shall be required to have the amber rotating or flashing light or light bar permanently mounted on each wrecker. In addition to the required amber rotating light, the wrecker may be equipped with a red or blue flashing light, or a combination of red and blue flashing lights, for use only at the scene of an emergency [47 O.S. 12-218.1]; provided, on any wrecker vehicle approved after July 15, 2005, the red or blue light, or the combination of red and blue flashing lights, shall be on a separate switch from the amber light. Under no circumstances are any of the rotating or flashing red or blue lights intended for use when traveling on the streets or highways [47 O.S. 12-218.1]. White rotating lights are not authorized under Oklahoma statutes.
- (3) **Chains.** Two (2) chains of sufficient grade to assist in securing the towed vehicle.
- (4) **Broom.** One (1) push-type broom, suitable for clearing debris from the road.
- (5) **Shovel.** One (1) shovel, suitable for clearing debris from the road.
- (6) **Tire chains.** One (1) set of tire chains, mud and snow tires or other device to assist wrecker to maintain traction in mud, snow or ice.

Permanent Final Adoptions

- (7) **Warning devices.** Warning devices, applicable to trucks as required in 47 O.S. §12-407, capable of protecting the scene of a collision by day or night.
- (8) **Lighting for towed vehicle.** Wreckers must be equipped to operate a towed vehicle's stop, turn and clearance lights (if applicable), or be equipped with a light bar or other lighting equipment to provide the highway lighting requirements for vehicles. When used, the light bar or tow lights shall be affixed securely to the towed vehicle to assure a minimum of movement while traveling on the highway and to prevent any damage to the towed vehicle.
- (9) **Safety chains or straps.** Two (2) safety chains or wheel straps of sufficient capacity to keep the towed vehicle attached to the wrecker in the event of disengagement.
- (10) **Additional equipment.** Each operator of a roll back wrecker shall secure towed vehicles with four-point tie downs. Operator of other wrecker vehicle types shall secure towed vehicles in accordance with wrecker vehicle chassis recommendations.
- (11) **Approved dolly use.** When a wrecker dolly is used as the lift or towing device, both the wrecker dolly and the wrecker shall first be approved and licensed as a unit by the Department. In addition to the requirements in (a) of this Section for all wreckers, a wrecker dolly towing vehicle shall also be equipped at a minimum with the following:
- (A) A ball or pintle hook of sufficient size and capacity to safely control the wrecker dolly, securely fastened to the appropriate frame member of the wrecker.
 - (B) Two safety chains of sufficient capacity to keep the wrecker dolly attached to the wrecker in the event of hitch failure.
- (12) **Safety Apparel.** A minimum of (1) one high-visibility safety apparel (vest, jacket or shirt), per wrecker vehicle, in compliance with 23 C.F.R., section 634.
- (13) **Safety Apparel while in right-of-way.** Each wrecker operator or driver shall wear high visibility safety apparel, in compliance with 23 C.F.R., section 634, when working in any highway right-of-way.
- (b) **Class AA wrecker vehicles.** Each Class AA wrecker vehicle, in addition to the equipment required by subsection (a), shall be equipped with the following:
- (1) **Scotch blocks.** Two (2) scotch blocks, or similar devices, capable of adding stability to the wrecker during winching. Scotch blocks shall be constructed of steel plate with a chain or cable of sufficient grade and quality to attach to the frame or body of the wrecker. Hydraulic stabilizing equipment shall be approved. (NOTE: Roll-back wrecker vehicles are exempt from this requirement.)
 - (2) **Dollies.** Dollies for the purpose of providing a method of towing a disabled vehicle which is otherwise incapable of being towed safely on either axle. (NOTE: Roll-back wrecker vehicles are exempt from this requirement.)
 - (3) **Axe.** One (1) axe.
 - (4) **Pry-bar.** One (1) pry-bar or wrecking bar capable of prying open doors.
 - (5) **Sling and stay-bar.** One (1) sling and stay-bar, wheel lift device, or other type of device capable of safely loading and protecting the disabled vehicle while being towed.
 - (6) **Dual rear wheels.** At least one (1) set of dual rear wheels for stability in towing another vehicle.
 - (7) **Winch.** A winch or winches permanently mounted at the rear of the vehicle with a minimum factory rated capacity of eight thousand pounds (8,000 lbs.) and equipped with a cable to be compatible with manufacturer's specifications and be of sufficient length based on the design of the wrecker vehicle.
 - (8) **Absorbent.** An adequate supply of an absorbent capable of absorbing liquid spills from vehicles (not including cargo spills); provided, the wrecker service or wrecker operator shall not be required to pick up or dispose of the used absorbent. The Department recommends keeping at least four (4) gallons of absorbent on each wrecker vehicle.
 - (9) **Hydraulic jack.** One (1) hydraulic bottleneck jack or floor jack with a minimum two and a half ton rating
- (c) **Class AA-TM wrecker vehicles.** Each Class AA-TM wrecker (medium truck wrecker), in addition to the equipment required by subsection (a), shall be equipped with the following:
- (1) **Minimum vehicle requirements.**
 - (A) **Air brakes.** Factory or certified installed full air brakes with a full tractor package (hand control, in line foot valve, air hoses and trailer emergency valve) capable of releasing the air brakes on a tractor-trailer and capable of operating the brakes of the towed vehicle with the same application as the towing vehicle.
 - (B) **Parking brake.** Air-activated spring parking brake.
 - (C) **GVWR compatibility.** Wrecker body and equipment shall be compatible with the chassis GVWR in size and shall be suitable by design to operate under emergency conditions.
 - (i) Vehicle body must be capable of safely anchoring scotch blocks.
 - (ii) Vehicle must be designed to adequately anchor snatch blocks.
 - (2) **Equipment requirements.**
 - (A) **Winch.** A winch or winches permanently mounted at the rear of the vehicle with a minimum factory rated capacity of thirty thousand pounds (30,000 lbs.) and be equipped with a cable to be compatible with manufacturer's specifications and be of sufficient length based on the design of the wrecker vehicle.
 - (B) **Boom.** A boom or booms constructed so as to be compatible with winch rating.
 - (C) **Snatch blocks.** A minimum of two (2) snatch blocks compatible with winch cable size and cable rating.
 - (D) **Axe.** One (1) axe.
 - (E) **Pry-bar.** One (1) pry-bar or wrecking bar capable of prying open doors.

(F) **Sling and stay-bar.** One (1) sling and stay-bar, wheel lift device, or other type of device capable of safely loading and protecting the disabled vehicle while being towed.

(d) **Class AA-TL wrecker vehicles.** Each Class AA-TL wrecker (large truck wrecker), in addition to the equipment required by subsection (a), shall be equipped with the following:

(1) **Minimum vehicle requirements.**

(A) **Air brakes.** Factory-installed or certified installed full air brakes with a full tractor package (hand control, in-line foot valve, air hoses, and trailer emergency valve) capable of releasing the air brakes on a tractor-trailer and capable of operating the brakes of the towed vehicle with the same application as the wrecker.

(B) **Parking brake.** Air-activated spring parking brake.

(C) **Axle and suspension.**

(i) Minimum front axle and suspension of twelve thousand pounds (12,000 lbs.). (Note: GVWR ratings are altered or affected by tires, springs and axles.)

(ii) Minimum rear axle and suspension combination of thirty-two thousand pounds (32,000 lbs.).

(iii) Be equipped with full-driven tandem axle (NOTE: A drag axle or pusher axle is not acceptable).

(D) **Wheel base.** Minimum wheel base of two hundred inches (200").

(E) **GVWR compatibility.** Wrecker body and equipment shall be compatible with chassis GVWR and size and shall be suitable by design to operate under emergency conditions.

(i) Body must be capable of safely anchoring scotch blocks.

(ii) Must be designed to adequately anchor snatch blocks.

(2) **Equipment requirements.**

(A) Winch(s) permanently mounted at the rear of the vehicle and must have a factory rated capacity of at least forty thousand pounds (40,000 lbs.) and must be equipped with a cable to be compatible with manufacturer's specifications and be of sufficient length based on the design of the wrecker vehicle.

(B) Boom(s) must be constructed as to be compatible with winch rating and must be capable of being adjusted to accomplish proper weight distribution.

(C) **Pry-bar.** One (1) pry-bar or wrecking bar capable of prying open doors.

595:25-5-3. Operation

All operators using the public roads and highways within the State of Oklahoma shall comply with the following:

(1) All operators shall require each driver of a wrecker vehicle be proficient in the operation thereof, and be properly licensed for the type vehicle operated.

(2) No operator shall knowingly permit any operator of a wrecker vehicle to consume beer, wine, intoxicating

beverages, drugs or other stimulants or depressants while subject to call nor knowingly permit any operator to come on duty after having inhaled or consumed any such beverage, drug or other stimulants or depressants.

(3) No operator shall proceed to the scene of a collision or traffic tie-up without being requested to do so by a law enforcement agency or the owner or driver of a vehicle involved.

(4) Any operator traveling on the roads and highways of the State of Oklahoma during the normal course of his business may, upon arriving at the scene of a collision or traffic tie-up, stop and assist in rendering emergency aid. However, the operator shall not solicit business directly or indirectly from the owner or drivers at the scene.

(5) An operator at the scene of a collision or traffic tie-up is subject to the same traffic-control directions issued by an officer to the motoring public.

(6) An operator shall not use the rotating or flashing light while traveling on the roadway en route to any location. The use of the flashing or rotating light is authorized only in the vicinity of hook-up or at the scene of an incident to protect the scene and the vehicle involved. Only amber flashing lights may be used when leaving the scene of a wrecker service call for the purpose of warning the operators of other vehicles to exercise care in approaching, overtaking or passing. [47 O.S. §12-218.1]

(7) Each operator must be a person of good moral character and reputation in his community, as determined by the Commissioner of Public Safety, and conduct the operation of the storage facilities and towing service in a responsible manner so as not to endanger the public safety of persons or property of others in the custody of the operator.

(8) No operator shall tow a vehicle when the combined weight of the wrecker vehicle and the wrecker supported weight of the towed vehicle exceeds the factory gross vehicle weight rating of the wrecker vehicle, regardless of the weight for which the wrecker vehicle is licensed.

(9) No wrecker service shall suspend or abandon said service without prior written notice to this Department of such intent and returning of all wrecker licenses issued.

(10) Wrecker services and operators shall be responsible for the removal of any glass or other injurious substances dropped upon the highway or highway right-of-way at the location of an accident as required by ~~comply with~~ comply with title 47 O.S. § 11-1110(C).

(11) Upon payment of the reasonable cost of removal, and storage of a stored vehicle, whether stored at the request of law enforcement or a private property owner and recorded by the wrecker service as provided in OAC 595:25-5-5(b), the vehicle shall be released to:

(A) ~~the owner, upon presentation of an Oklahoma driver license, Oklahoma identification card, other state driver license, other state identification card, or any federally issued identification, proof of valid insurance or affidavit of nonuse, and evidence of ownership which is satisfactory to the wrecker operator and required by 47 O.S. §904 & §955, such~~

Permanent Final Adoptions

~~as a certificate of title, to show proof of purchase and ownership, or recent registration, or written verification from a local law enforcement agency as to the identity of the owner, or other documentation acceptable to the wrecker owner/operator. If unacceptable, the wrecker service shall explain why an ownership document is not acceptable;~~ of one (1) of each of the following: proof of ownership, identification and insurance (if required by law); Evidence of ownership may be:

- (i) A valid certificate of title, to show proof of purchase and ownership to include tribal and other state titles;
- (ii) Registration Receipt (Digital or Electronic verification shall be accepted) or;
- (iii) Title properly assigned by the seller, dated, notarized (if required on title) and the owner 's name filled out on the title or;
- (iv) Written verification from a local law enforcement agency as to the identity of the owner or;
- (v) Other appropriate documentation sufficient to establish ownership. Proof of identification may be :
- (vi) Oklahoma driver license or;
- (vi) Oklahoma identification card or;
- (vii) Other state driver license or;
- (viii) Other state or federally issued photo identification or;
- (ix) Other documentation sufficient to establish identity. Proof of Insurance may be: (Insurance may not be in owner's name, as required in Title 47 955A.)
- (x) Valid insurance verification form, not expired with VIN of vehicle listed or
- (xi) Valid insurance policy not expired with VIN of vehicle listed or
- (xii) Valid affidavit of non-use and vehicle cannot be driven from facility (Digital or Electronic verification shall be accepted).

(B) a person representing the owner, upon presentation of ~~the certificate of title,~~ a notarized letter from the owner permitting said person to act in behalf of the owner, with year, make, model and vehicle identification number of the vehicle and proof as listed in paragraph A. proper personal identification, such as a driver license, of the representative, or written verification from a local law enforcement agency as to the identity of the person representing the owner;

~~(C) an individual with possessory interest in the vehicle, upon presentation of an agreement with the owner of the vehicle giving that individual a present possessory interest in the vehicle;~~

~~(D) a lien holder or a duly authorized agent of a lien holder, upon presentation to the wrecker operator proof of being a lien holder [47-904.1], hold harmless letter and a notarized letter from the lien holder permitting said person to act on behalf of the lien holder~~

that includes year, make, model and vehicle identification number; or

~~(E) the insurer of or the representative of the insurer accepting liability for or purchasing a motor vehicle as provided in 47 O.S., Section 904, 953.1, or 953.2, must provide a hold harmless letter and a letter from the insurer permitting said person to act on behalf of the insurer that includes year, make, model and vehicle identification number.~~

(12) Personal property, which shall include everything in a stored vehicle except the vehicle and its attached or installed equipment, vehicle keys, or devices to start and unlock the vehicle, and the spare tire and tools to change the tire, shall be released, upon request, to the owner or owner 's representative, upon showing of proof as described in (11) of this section. Wrecker operators shall allow the vehicle owner or owner 's representative to have access to the vehicle for the sole purpose of retrieving ownership documentation, such as title or registration. [47 O.S. §955 E]

(13) Wrecker operators shall not call hazardous materials remediation companies unless at the direction of the vehicle owner or a governmental agency.

(14) Each operator shall require each wrecker driver to maintain the appropriate driver license for the type vehicle being operated.

(15) Each operator shall prohibit any known thief or felon from loitering, visiting, or otherwise being on the premises of the place of business or any storage facility of the wrecker service.

(16) Each operator shall secure vehicles on roll back wreckers with four (4) point tie down. Other wrecker vehicles shall secure vehicles in accordance with wrecker vehicle chassis recommendations.

(17) A wrecker operator or driver responding to the scene of a motor vehicle collision in the capacity of a first responder, fireman, or volunteer fireman shall not respond to the scene in a wrecker vehicle.

~~(18) Each wrecker operator or driver shall wear high-visibility safety apparel, in compliance with 23 C.F.R., Section 634, when working in any highway right-of-way.~~

595:25-5-5. Records

(a) Each operator shall comply with the provisions of 47 O.S. §4-105(c), and provide a thirty (30) day vehicle report to the Department. A junk vehicle may be reported beginning on the fifth day of storage of the junk vehicle, and the vehicle report shall be notated with the word "JUNK".

(b) Each operator shall maintain, on a form prescribed ~~and furnished or approved~~ by the Department, a record system covering all services performed in pulling or towing all vehicles impounded for law enforcement or at the request of private property owners, and such records shall include the following:

- (1) The day and time the operator was contacted and requested to perform the service.
- (2) The name of the person requesting this service.
- (3) The location of the vehicle.

- (4) A description of the towed vehicle, including license tag and vehicle identification number.
- (5) The owner or driver of the vehicle when known.
- (6) The service charge and fees.
- (c) The operator shall maintain said records for at least three (3) calendar years from the date the records are created.
- (d) All records herein shall be stored in a manner which makes such records readily retrievable for inspection or examination of an individual record by the Department.
- (e) Every operator shall cooperate with the Department whenever the Department requests copies of or finds it necessary to review, audit, examine, or investigate any records relating to the operation of the wrecker service.

595:25-5-6. Schedule of rates and fees [REVOKED]
~~Posting of schedule of rates and fees. The operator shall at all times keep a copy of the current schedule of rates and fees posted in a conspicuous place, readily accessible to the public.~~

SUBCHAPTER 9. OKLAHOMA HIGHWAY PATROL ROTATION LOG - ADDITIONAL REQUIREMENTS

595:25-9-2. Operator requirements

Operators on the Rotation Log shall comply with the following:

- (1) When more than one (1) vehicle is towed on one (1) call, each tow shall be counted as another call to that operator.
- (2) When an operator receives a request for services from the Oklahoma Highway Patrol and no services are rendered for which the operator is able to receive compensation, the operator shall not lose position on the Rotation Log.
- (3) If an operator has received a request for services, but does not respond to the scene within a reasonable length of time, including but not limited to such factors as distance from the scene, weather, and nature of the collision or traffic tie-up, the Oklahoma Highway Patrol may request the services of the next operator on the Rotation Log. Under these circumstances, the operator who receives the first request shall lose position on the Rotation Log.
- (4) When an emergency condition exists, the Oklahoma Highway Patrol reserves the right to request the services of any appropriately equipped and licensed wrecker service best able to handle the emergency and can reach the scene in the shortest time, regardless of the operator 's position on the Rotation Log. Said call shall count as a call on the Rotation Log.
- (5) Only one (1) wrecker service shall be approved for Highway Patrol rotation at any one place of business and/or storage facility, unless otherwise approved by the Commissioner.
- (6) Wrecker services shall respond to Highway Patrol requests only in a wrecker vehicle licensed to the

- requested wrecker service, unless otherwise approved by the Commissioner.
- (7) Every wrecker service on the Highway Patrol Rotation Log shall maintain twenty-four (24) hour service.
- (8) A wrecker service called from the Highway Patrol Rotation Log shall not accept a request for services unless the operator has a vehicle immediately available to perform the requested service.
- (9) Each operator shall require each driver responding to a request to maintain the appropriate driver license for the type vehicle being operated.
- (10) Each operator shall require each driver to obey in good faith the rules of the road.
- (11) Each operator shall prohibit any known thief or felon from loitering, visiting, or otherwise being on the premises of the place of business or any storage facility of the wrecker service.
- (12) Every operator shall accept each Oklahoma Highway Patrol call unless there exists a valid reason for refusal. Upon acceptance of a call an operator shall advise dispatch of their current location and estimated time of arrival.
- (13) Each operator shall provide service for a minimum of seventy-five (75%) percent of the requests made by the Highway Patrol to be computed on a quarterly basis. Failure to meet this standard for any reason shall be grounds for removal from the Oklahoma Highway Patrol Rotation Log.
- (14) Any Class AA wrecker operator who uses an answering service as a means of dispatch and who fails to properly respond in a timely manner, as determined by the Commissioner 's designee of the Wrecker Services Division, to a rotation call request may have the Class AA license revoked for failure to properly respond to rotation call requests. The operator shall not be licensed as a Class AA wrecker service while utilizing the same answering service as a means of dispatch.
- (15) Persons responding to calls must be able to speak and understand the English language.
- (16) A wrecker operator shall respond to law enforcement agencies ' wrecker service requests with a wrecker vehicle and operator capable of efficiently uprighting an overturned vehicle, pulling or winching a vehicle back onto the roadway, lifting a vehicle off a victim, or assisting with opening a vehicle to extricate a victim. In addition, the wrecker vehicle shall be equipped to remove a disabled vehicle without inflicting further damage to the disabled vehicle.
- (17) If two or more vehicles are involved in a collision and two or more wrecker services are called the following shall apply:
 - (A) The first wrecker service arriving at the scene will tow the vehicle causing the greatest traffic hazard, which shall be determined by the investigating officer.
 - (B) If a requested wrecker service is first on scene, said wrecker service will assist in removing the vehicle causing the traffic hazard from roadway, then will

Permanent Final Adoptions

proceed to pick up the vehicle it has been requested to tow.

(18) Any wrecker service having a wrecker vehicle with major or critical mechanical failure or failing to meet equipment requirements, which does not have another wrecker vehicle of the same classification approved for rotation, shall become temporarily unavailable for rotation until the wrecker vehicle has been approved to return to service or a new wrecker vehicle of the same classification has been inspected, if necessary, and approved by the Department.

(19) A wrecker service shall become temporarily unavailable for rotation if there is no approved Certificate of Insurance (WA) filing on file with the Department for the wrecker service or wrecker vehicles approved for rotation.

(20) Any wrecker service with a wrecker vehicle displaying an expired tag, which does not have another wrecker vehicle of the same classification approved for rotation, shall become temporarily unavailable for rotation until the wrecker license plate has been renewed and is properly displayed on the wrecker vehicle.

GIST/ANALYSIS:

Update definition to eliminate confusion. Add steerman and the definition of steerman to 595:30-3-17(d)(3) to read: "The operator of the escort

vehicle shall not perform as a tillerman or steerman while performing escort operations. A passenger in the escort vehicle may act as a steerman. For purposes of this paragraph, "tillerman" means a person who is physically located on the CMV, has a valid commercial driver license and who operates by remote control or other means any axle of the CMV; "steerman" means a person who is not physically located on the CMV, not required to have a valid commercial driver license, and who operates by remote control or other means any axle of the CMV." Applicable federal regulation guidance found at FMCSR §383.3 Question 34 and §390.5 Question 14. Within the last year there has been multiple questions and confusion from carriers regarding the differences and requirements.

Chris Sherman, DPS Legislative Analyst, Department of Public Safety, 3600 N. Martin Luther King Ave., PO Box 11415, Oklahoma City, OK 73136-0415. Phone: 405.425.7394. E-mail: thomas.sherman@dps.ok.gov

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 3. SIZE AND WEIGHT PERMIT LOAD

595:30-3-17. Requirements for escort vehicles and escort vehicle operators

(a) **General requirements for escort vehicles.** Any vehicle to be used as an escort vehicle must be either a pickup truck of not less than one-quarter (1/4) ton rated load capacity or an automobile of not less than 2,000 pounds. The escort vehicle must be properly licensed under the statutes of the State of Oklahoma [47 O.S. §1101 et seq.] or properly licensed in another state. If commercially licensed, an escort for an intrastate move must obtain a temporary registration from the Oklahoma Tax Commission Motor Vehicle Registration Division.

(b) **Identification of escort vehicles.** The owner of an escort vehicle must have displayed on each side of the escort vehicle the name, city and state of the escort vehicle company or operator, or the owner of the escort vehicle, or both. Such identifying markings must be:

- (1) Plainly legible and visible to the motoring public.
- (2) Readily legible during daylight hours from a distance of fifty (50) feet while the vehicle is stationary.
- (3) Kept and maintained in a manner to preserve legibility.
- (4) In a color or colors which sharply contrast with the background on which they are placed.

(c) **Equipment of escort vehicles.** An escort vehicle must carry the following items of equipment at all times when escorting an oversize/overweight vehicle or load:

- (1) **Flags.** Red flags shall be at least twelve (12) inches square and shall be attached to standards angled upward to the left and right at forty-five (45) degrees and mounted on the top of the cab. No flags shall be displayed unless the escort vehicle is actually engaged in escorting.
- (2) **Mirrors.** The vehicle shall be equipped with an outside rear-view mirror on each side of the vehicle.

(3) **Radio.** Escort and towing vehicles shall be equipped with a two-way radio which is capable of transmitting and receiving voice messages over a minimum distance of one-half (1/2) mile and which is compatible with radios in the escorted vehicle and any other escort vehicle(s).

(4) **Fire extinguisher.** One (1) ten-pound or two (2) five-pound ABC fire extinguishers. Extinguishers shall be checked annually to ensure they are operational.

(5) **Flares or reflectors.** Four (4) fifteen minute flares or three (3) portable triangle reflector units.

(6) **Sign.** The regulation "Oversize Load" sign, as provided in 595:30-3-16(a), except that sign shall be at least ten (10) inches high, shall be mounted either on the front or the roof of front escort vehicles and on the rear or on the roof of the rear escort vehicle while escorting an oversize vehicle or load. The sign shall be clearly visible without an obstruction. No signs shall be displayed unless the escort vehicle is actually engaged in escorting.

(7) **Warning lights.** One AAMVA-approved rotating or flashing amber beacon or a flashing amber light bar system shall be mounted on top of the escort vehicle and shall be of sufficient intensity when illuminated to be visible from five hundred (500) feet in normal sunlight, and shall rotate, oscillate or flash through 360 degrees. Blue, red, or white rotating lights are not authorized under Oklahoma statutes. In addition:

(A) Headlights of escort vehicles shall be lighted at all times during movement.

(B) Warning lights in conformance with 47 O.S. §12-220(D) and §12-227(C) may be used in conjunction with the headlights.

(C) No warning lights shall be displayed unless the escort vehicle is actually engaged in escorting.

(8) **Measuring pole.** A current height measuring pole made of non-conductive, flexible, non-fragile material when escorting a load or vehicle which is fifteen (15) feet and nine (9) inches or more in height.

(9) **Traffic control sign.** Two (2) "STOP" and "SLOW" paddle signs at least 18" inches in diameter with letters at least 6" high with a reflective surface which meets standards set by the Manual on Uniform Traffic Control Devices.

(10) **Safety clothing.** A hard hat and a jacket or vest, both of which meet standards set by the Manual on Uniform Traffic Control Devices, for each person who may be assigned to traffic control, setting reflectors or any other duties conducted on or near a roadway.

(11) **Flashlight.** A flashlight equipped with and powered by at least two (2) D cell batteries.

(12) **Spare tire.** A full-size spare tire for the escort vehicle, tire jack and lug wrench.

(d) **Prohibitions when operating escort vehicles.** The escort vehicle shall not:

(1) Carry any item, equipment or load in or upon the vehicle which:

(A) Exceeds the height, length or width of the vehicle, overhangs the escort vehicle; or otherwise

impairs its immediate recognition as an escort vehicle by the motoring public.

(B) Impairs the view of the operator of the escort vehicle or the escorted vehicle.

(C) Obstructs the view of signs or flags used by the escort vehicle or causes safety risks to the motoring public.

(D) Impairs the performance of the escort vehicle.

(2) Tow any trailer or other vehicle, except that an escort vehicle operator not required to be certified by the Department may tow a trailer when escorting a manufactured home. Such trailer shall not exceed eight and one-half (8 1/2) feet in width and twenty (20) feet in length with siding not to exceed four (4) feet in height measured from the bed of the trailer. The trailer may only be used to transport supplies and equipment necessary to carry out the mission of escort vehicle operators [47 O.S. §14-120.1(C)] and shall not be used to carry other supplies, equipment, or cargo.

(3) The operator of the escort vehicle shall not perform as a tillerman or steerman while performing escort operations. A passenger in the escort vehicle may act as a ~~tillerman~~ steerman. For purposes of this paragraph, "tillerman" means a person who is physically located on the CMV, has a valid commercial driver license and who operates by remote control or other means any axle of the ~~CMV, escorted vehicle.~~ "steerman" means a person who is not physically located on the CMV, not required to have a valid commercial driver license, and who operates by remote control or other means any axle of the CMV.

(e) **Duties of escort vehicle operators.**

(1) **Traffic control.** In the performance of duties as the operator of an escort vehicle, the operator is authorized to direct traffic to stop, slow down or proceed in situations where such direction is necessary to allow traffic or the escorted vehicle or load to continue moving safely.

(A) The operator of the escort vehicle shall require the escorted vehicle or load to stop, and the escorted vehicle shall move as far off of the roadway as practicable

(i) When the escorted vehicle or load becomes disabled.

(ii) When the movement of the escorted vehicle or load on a particular section of roadway presents a safety risk or unreasonable risk to or unreasonably interferes with the efficient movement of other traffic, based upon such factors as the widths of the escorted vehicle or load, roadway, volume of traffic, limited visibility or mountainous terrain.

(iii) When driving conditions for the escorted vehicle or load are hazardous for any reason including weather.

(B) When the escorted vehicle or load stops, the escort vehicle operator shall direct other traffic past the escorted vehicle or load as necessary until such time as the escorted vehicle or load can reenter the roadway and continue moving without presenting a

Permanent Final Adoptions

safety risk or unreasonably interfering with efficient movement of other traffic.

(2) **Escort vehicle operation.**

(A) The operator of an escort vehicle must comply with all applicable traffic laws of this state and with the requirements of this Chapter when escorting a vehicle on all routes of the state highway system, including but not limited to the Dwight D. Eisenhower National system for Interstate and Defense Highways, all turnpikes, and such other roads, streets, or public ways that the Commissioner of Public Safety and the Oklahoma Department of Transportation shall deem appropriate.

(B) On two-lane highways, the first escort vehicle will travel far enough to the front and the second escort vehicle, if required, will travel far enough to the rear of the escorted vehicle or load to timely warn approaching motorists. On multi-lane highways, the first escort vehicle will travel far enough to the rear of the escorted vehicle or load to timely warn motorists approaching from the rear.

(C) The operator of an escort shall not:

(i) possess, use, or be under the influence of alcohol, or have any measureable alcohol concentration within four (4) hours before or at any time while operating or in actual physical control of any escort vehicle.

(i) use alcohol or be under the influence of alcohol within 4 hours before going on duty or while operating or having actual physical control of an escort vehicle; or

(ii) use alcohol, be under the influence of alcohol, or have any measured alcohol concentration or detected presence of alcohol, while on duty, or operating, or in physical control of an escort vehicle.

(iii) Operate an escort vehicle and be in possession of wine, beer, or distilled spirits.

(iv) be on duty and possess, be under the influence of, or use, any of the following drugs or other substances:

(I) Any Title 63 O.S. §2-204 Schedule I substance;

(II) An amphetamine or any formulation thereof;

(III) A narcotic drug or any derivative thereof; or

(IV) Any other substance, to a degree which renders the driver incapable of safely operating a motor vehicle.

(f) **Insurance.**

(1) Each certified escort vehicle operator who operates in interstate commerce, and on and after August 1, 2012, each certified escort vehicle operator, shall maintain a valid insurance policy issued by an insurance company currently authorized to issue policies of insurance covering risks in the State of Oklahoma, and proof of insurance shall be carried in the escort vehicle at all times. The insurance policy shall protect the public against loss of life,

bodily injury to persons, and damage to property, as evidenced by a current certificate of insurance, including any applicable endorsement, which indicates that the operator, or the operator's employer, has in full force and effect insurance coverage for bodily injury or property damage, or both, as a result of the operation of the escort vehicle or of the actions of escort vehicle operator, or of both, causing the bodily injury or property damage, or both, arising out of an act or omission by the escort vehicle operator relating to the escort duties required by this chapter. The insurance shall be no less than \$1,000,000 combined single limit or \$1,000,000 per occurrence, or both, of commercial liability coverage, as applicable, and must be maintained at all times during the term of the certification.

(2) Until July 31, 2012, paragraph (1) of this subsection shall not apply to any operator who operates only in intrastate commerce or in interstate commerce into or through states which do not have escort vehicle certification requirements for the type of vehicle and/or load being escorted and who applies for and is granted restricted certification as provided for in OAC 595:30-3-17.1(c)(3); provided, the operator shall meet all minimum requirements for compulsory liability insurance in this state, and proof of insurance shall be carried in the escort vehicle at all times.

(3) On and after August 1, 2012, paragraph (1) of this subsection shall apply to all certified escort vehicles. operators.

GIST/ANALYSIS:

The rule conflicts with federal regulations. This rule is intended to only contain deletions, substitutions, and additions to federal rules adopted by reference in 595:35-1-4. The rule as it reads currently contains exceptions that need to be adjusted to comply with federal regulations. The thought it to remove any exceptions that need to be changed to match the federal exceptions, why have the exemption in both places when it has already been adopted by reference. In 2008 the FMCSA ran a compliance audit on our state laws and admin rules and within that audit they found that 595:35-1-6 was out of compliance with at least 5 federal regulations. Some of the required changes were made to 595:35-1-6o2 but need to be added to 595:35-1-6 with some additional changes. It is indicated in our FY2017 CVSP for the MCSAP grant that we are aware that 595:35-1-6 is not compatible with the federal regulations and that a rule change would be requested for FY2017.

Additionally, states no longer have the ability to issue USDOT numbers, the current rule still allows for this. We are required for federal compliance to adopt the registration through the Uniform Registration System and the change of markings no later than October 23, 2018. Also, the rule allows for a cargo tank exemption in (d)(1) that expired in 1/1/99; we would like to remove it from the rule; federal regulation 173.315(k) contains this exception. Lastly, the substitute terminologies for Troop S in (b)(3) are not used anywhere else within 595:35-1 and are not necessary. The hearings under 595:35-1-9 for civil penalties on motor carrier safety and hazardous material violations fall within Article II of the APA (Administrative Procedures Act). The current rule does not align with the requirements under the APA. Rule 595:35-1-9 currently allows for a rehearing, reopening, or reconsideration request under 75 O.S. §317 both before and after a final order is issued. Statute 75 O.S. §317 only allows for a rehearing, reopening, or reconsideration request after a final order is issued. The APA separately allows for oral arguments and briefing before the administrative head prior to the final order being issued under 75 O.S. §311. DPS has been directed to promulgate rules. Statute 47 O.S. §14-116 was amended during the 2016 legislative session. The amending language created DPS port of entry officers (hereafter "DPS POE officers") and provided funding. The amended statute enables and directs DPS to promulgate rules specifying the powers and duties of the DPS POE officers. Troop S would like the possibility for DPS POE officers to be CLEET certified peace officers. The benefit of having CLEET certified peace officers is a safety concern for the officer and for the motoring public. The officer will potentially be alone day/night many miles away from a town needing to protect themselves and others. The officer may also run into a driver that needs to be detained. We have been granted this opportunity by the legislature to fill the port of entries; if we do not jump on this opportunity as soon as possible we run the risk of losing it. The hiring of DPS POE officers, from the additional funds specifically appropriated to DPS from permit fees, will allow Troop S to drastically increase the number of inspections conducted every day which will in turn drastically increase the number of Out-of-Service violations discovered. There has been a new section added to this chapter for DPS Port of Entry officers. The legislature amended 47 O.S. §14-116 in 2016 to provide funding for Department of Public Safety port of entry officers (DPS POE officers) and directing the Department to promulgate rules specifying the powers and duties of DPS POE officers.

CONTACT PERSON:

Chris Sherman, DPS Legislative Analyst, Department of Public Safety, 3600 N. Martin Luther King Ave., PO Box 11415, Oklahoma City, OK 73136-0415. Phone: 405.425.7394. E-mail: thomas.sherman@dps.ok.gov

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

595:35-1-6. Deletions, substitutions, and additions to federal rules adopted by reference

(a) **Changes.** The changes in this Section to the federal rules adopted by reference in 595:35-1-4 apply only to intrastate commerce.

(b) **Terminology.** Unless otherwise specified, the following terminology shall apply:

(1) "Department," as defined in 595:35-1-2, shall be substituted wherever the term "Department of Transportation" or "Federal Motor Carrier Safety Administration" is used.

(2) "Commissioner," as defined in 595:35-1-2, shall be substituted wherever the term "Federal Motor Carrier Safety Administrator" or "Regional Director" is used.

~~(3) "Troop S," as defined in 595:35-1-2, shall be substituted wherever the term "Office of Motor Carriers" or "Motor Carrier Division" is used.~~

(c) **Scope of Definitions.** The definitions provided in (b) of this Section are limited in application to the Act and the rules adopted to carry out the Act. These definitions do not alter, replace or change any other definitions contained in Title 47 of the Oklahoma Statutes.

~~(d) **Exceptions in the transportation of hazardous materials.**~~

~~(1) Cargo Tank Specifications [49 CFR §173.33(a)], concerning the qualifications and maintenance of cargo tanks used to transport hazardous materials, shall include the following exemption: Intrastate movements of petroleum products in on specification cargo tanks of 3,500 gallons and less by motor carriers transporting petroleum products solely in intrastate commerce may continue, provided the cargo tanks meet the general packaging requirements of 49 CFR §173.24, except specification packages as stated in paragraph (c), and have been in actual operation transporting similar materials prior to October 1, 1987. This provision will expire on January 1, 1999. Any retrofitting of cargo tanks after October 1, 1987 shall be made to meet specification requirements for the type of hazardous material transported in them. This exemption does not apply if at any time after October 1, 1987 the cargo tank is sold or ownership of the cargo tank is otherwise transferred.~~

~~(2) The transportation of agricultural product other than a Class 2 material, over local roads between fields of the same farm, is excepted from the requirements of 49 CFR §§100 through 199 when transported by a farmer who is an intrastate private motor carrier.~~

~~(3) The transportation of an agricultural product to and from a farm, within 150 miles of the farm, is excepted from the requirements in subparts G and H of part 172 of 49 CFR §§100 through 199 when:~~

~~(A) It is transported by a farmer who is an intrastate private motor carrier.~~

~~(B) The packaging conforms to the requirements of 49 CFR §173.24 in so far as it does not leak, and the total amount of the agricultural product being transported on a single vehicle does not exceed:~~

Permanent Final Adoptions

- (i) 16,094 pounds (7,300 kilograms) of ammonium nitrate fertilizer properly classed as Division 5.1, PG III, in a bulk packaging, or
- (ii) 502 gallons (1,900 liters), for liquids or gases, or 5,070 pounds (2,300 kilograms), for solids, of any other agricultural product.

(C) ~~Each person having any responsibility for transporting the agricultural product or preparing the product for shipment has been instructed in the applicable requirements of 49 CFR §§100 through 199.~~

(D) ~~Formulated liquid agricultural products in specification packagings of 58 gallons (220 liters) or less capacity, with closures manifolded to a closed mixing system and equipped with positive dry disconnect devices, may be transported by a private motor carrier between a final distribution point and an ultimate point of application or transported for loading aboard an airplane for aerial application.~~

(E) ~~Pertaining to nurse tanks of anhydrous ammonia [see 49 CFR §173.315(m)].~~

(4) ~~Permission to drive a transport vehicle in intrastate commerce containing a hazardous material in an emergency without the proper markings or placards, as provided under Marking and Placarding Motor Vehicles [49 CFR §177.823(a)(2)] shall be obtained from the following: Department of Public Safety, Troop S, Commercial Vehicle Enforcement Division, P. O. Box 11415, Oklahoma City, OK 73136-0415, Phone: (405) 521-6104.~~

(de) Motor Carrier Identification Report, Unified Registration System.

(1) Applicability. ~~All motor carriers conducting operations in intrastate commerce shall complete the Unified Registration System (URS). All motor carriers conducting operations in intrastate commerce shall file a Motor Carrier Identification Report (Form MCS-150) before commencing operations, or if already operating, as soon as practical.~~

(2) Availability. ~~The Unified Registration System with complete instructions is available on the Federal Motor Carrier Safety Administration website <https://www.fmcsa.dot.gov/registration>. The Motor Carrier Identification Report with complete instructions, is available from:~~

- (A) ~~Department of Public Safety:~~
 - (i) ~~in person: Troop S Headquarters, 220 NE 38th Terrace, Oklahoma City~~
 - (ii) ~~by mail: Troop S, 200 NE 38th Terrace, Oklahoma City, OK 73105~~
 - (iii) ~~by telephone: (405) 521-6060~~
- (B) ~~Corporation Commission:~~
 - (i) ~~in person: 2101 N. Lincoln Blvd., Oklahoma City~~
 - (ii) ~~by mail: P.O. Box 52000, Oklahoma City, OK 73152-2000~~
 - (iii) ~~by telephone: (405) 521-2251~~
- (C) ~~Oklahoma Division Office of the Federal Motor Carrier Safety Administration:~~

(i) ~~in person or by mail: 300 N. Meridian, Suite 106 S., Oklahoma City, OK 73107~~

(ii) ~~by telephone: (800) 823-5660~~

(iii) ~~from the internet: <http://www.fmcsa.dot.gov/>~~

(3) Filing. ~~Intrastate motor carriers are required to complete the Unified Registration System before commencing operations, or if already operating, as soon as practicable. The completed Motor Carrier Identification Report shall be filed:~~

(A) ~~**Intrastate carriers.** For intrastate carriers, the Report must be filed with either:~~

(i) ~~Department of Public Safety, Commercial Vehicle Enforcement Section, 200 NE 38th Terrace, Oklahoma City, OK 73105, or~~

(ii) ~~Corporation Commission, 2101 N. Lincoln Blvd., P.O. Box 52000, Oklahoma City, OK 73152-2000.~~

(B) ~~**Interstate carriers.** For interstate carriers, the Report must be filed at the address as indicated on the Motor Carrier Identification Report.~~

(4) Motor carrier name updating information in the Unified Registration System. ~~Only the legal name or single trade name of the motor carrier may be used on the Motor Carrier Identification Report. Each intrastate motor carrier must update their information:~~

(A) ~~Any time a motor carrier changes its name, address, or other details in their record; and~~

(B) ~~Every two years based on the filing schedule found in 49 CFR 390.19(b). Only the legal name or single trade name of the motor carrier may be used on the Motor Carrier Identification Report.~~

(5) Penalties. ~~A motor carrier who fails to file a Motor Carrier Identification Report or who, upon the report, furnishes misleading information or makes false statements is subject to the penalties prescribed in 47 O.S., §230.9.~~

(6) Issuance and display of USDOT number. ~~Upon processing of the Unified Registration System, an identification number (USDOT number) will be issued to the motor carrier. The motor carrier must display the number on both sides of each self-propelled commercial motor vehicle, as defined in 595:35-1-5. Intrastate motor carriers must mark each CMV power unit as follows: Upon receipt and processing of the Motor Carrier Identification Report, an identification number (USDOT number) will be issued to the motor carrier. The motor carrier must display the number on each self-propelled commercial motor vehicle, as defined in 595:35-1-5, along with the additional information required by 49 C.F.R., Part 390.21. Intrastate USDOT numbers shall be displayed as follows:~~

(A) ~~the motor carrier's legal name or single trade name (DBA name) as shown in the Unified Registration System; and the letters "USDOT";~~

(B) ~~the letters "USDOT" preceded by the identification number issued to the motor carrier, the identification number itself, and~~

(C) ~~the suffix letters "OK".~~

(~~f~~) **Qualification of drivers.** The following addition is made to the federal requirement in Qualifications of Drivers [49 CFR §391.11(b)(1)] that a driver be twenty-one (21) years of age or older: A driver in solely intrastate commerce must be at least eighteen (18) years old and be at least twenty-one (21) years old for the transportation of hazardous materials which are required to be placarded or marked in accordance with 49 CFR §177.823 or for transporting more than eight (8) passengers for compensation or more than fifteen (15) passengers not for compensation.

(~~g~~) **Relief from regulations.**

~~(1) Anyone requesting relief from the hours of service regulations must contact the Troop Commander or, if declared to be unavailable by personnel at the Troop headquarters, the duty supervisor at the Troop headquarters for the region in which the emergency exists. This contact must be made and the prior approval obtained before the requesting party may claim relief from the regulations. The requesting party must provide the following information:~~

- ~~(A) the type of emergency,~~
- ~~(B) if applicable, the company on whose behalf the requesting party is seeking the exception,~~
- ~~(C) the region the emergency covers,~~
- ~~(D) the type of work required to restore services in the area, and~~
- ~~(E) the approximate time to restore those services.~~

~~(2) The decision to declare an emergency and grant relief from the hours of service regulations rests in the sound discretion of the Troop Commander or duty supervisor Commissioner of Public Safety or the Commissioner's designee, the Governor, the appropriate Federal Motor Carrier Safety Administration Field Administrator, or the President of the United States.~~

~~(3) Upon completion of the emergency restoration services, any on duty hours accumulated during the emergency will be counted against the driver's allowable on duty hours and the driver may not drive as long as the amount of accumulated on duty hours exceeds those allowed by 49 CFR §395.3. However, any period of eight (8) consecutive days may end with the beginning of an off-duty period of ~~twenty~~thirty-four (24)(34) or more successive hours when taken at the end of any emergency restoration service.~~

~~(4) Within thirty (30) days after completion of the emergency restoration services, the individual who had been granted relief from the hours of service regulations must submit a report detailing the following:~~

- ~~(A) Nature and extent of the emergency,~~
- ~~(B) Type of services restored during the emergency,~~
- ~~(C) Names and driver license numbers of those drivers for which the exemption was granted, and~~
- ~~(D) Total hours on duty during the declared emergency for each driver.~~

~~(5) Said report must be sent to the following address: Department of Public Safety, Troop S, 200 NE 38th Terrace, Oklahoma City, OK 73105.~~

595:35-1-9. Hearings

(a) In responding to the Notice of Claim, the respondent may submit to the official who issued the notice written explanations, information, or arguments in response to the allegations or the amount of the assessed penalty set forth in the Notice of Claim. The contents of the informal response will be reviewed by the Commissioner's representative who may choose to amend, dismiss, or let the Notice of Claim remain as issued. If the Commissioner's representative does not dismiss the administrative penalty in whole, the respondent shall be notified as soon as reasonably possible. The respondent shall then be given either the longer of the twenty-five (25) days still outstanding or at least ten (10) days to pay the penalty. Should a proposed settlement be rejected by the respondent, the amount of the assessed penalty set forth in the Notice of Claim shall be reinstated.

(b) Any request for a hearing must be filed by the respondent with the Department of Public Safety, Troop S, 200 NE 38th Terrace, Oklahoma City, OK 73105 within twenty-five (25) days after the Notice of Claim was sent.

(c) The request for a hearing must be in writing and must:

- (1) state the name and address of the respondent and of the person submitting the request if different from the respondent,
- (2) state which allegations of violations, if any, are admitted,
- (3) state generally the issues to be raised by the respondent at the hearing, but issues not raised in the written request are not barred from presentation at the hearing, and
- (4) be addressed to the official who issued the notice.

(d) If the hearing is timely requested, such hearing shall be scheduled either at the Department or by telephone.

(e) The Commissioner shall designate the hearing officer. Each party shall be afforded the opportunity to respond and present evidence and argument on all issues involved. Either party may make application for a continuance of the hearing. The granting or denial of such a continuance is within the reasonable discretion of the hearing officer.

(f) The Commissioner or the hearing officer will determine, at his discretion, whether the hearing will be conducted in person or telephonically. Where a telephonic hearing is designated, the procedure specifically applicable to telephonic hearings will be provided to the respondent and the respondent's attorney, if designated, along with the notice letter confirming that the hearing has been scheduled.

(1) Within ten (10) days after receiving notice that the hearing is being held telephonically, the respondent must provide to the Department:

- (A) the name, mailing address, and phone number of the respondent's attorney, if the respondent is being represented by an attorney,
- (B) the name, mailing address(es), and telephone numbers of any witnesses on the respondent's behalf who the respondent desires to have present, and
- (C) the telephone number at which the respondent will be available.

Permanent Final Adoptions

- (2) If the respondent, the investigating officer, or a witness desires to have additional exhibits or documentary evidence included in the hearing, the exhibits or evidence must be delivered to the Department's Legal Division at least ten (10) days prior to the hearing. The hearing officer may consider documentary evidence if it is received in time for the hearing. The materials shall be mailed to: Department of Public Safety, Troop S MCSAP Hearing Officer, 200 NE 38th Terrace, Oklahoma City, OK 73105~~Department of Public Safety, Legal Division MCSAP Hearing Officer, P.O. Box 11415, Oklahoma City, OK 73136-0415.~~
- (3) At or near the time scheduled for the hearing, the hearing officer will call all parties to the hearing at the telephone number(s) provided. If the telephone line for any of the parties is busy, or a party fails to answer, the hearing officer will call again approximately three (3) minutes later.
- (A) All parties will be sworn in prior to testimony.
- (B) If the rule of sequestration is invoked pursuant to 12 O.S. §2615, the appropriate witness will be disconnected from the conference call by the hearing officer and reconnected prior to testimony.
- (4) When the respondent or the designated attorney fails to provide a telephone number or to answer the telephone number provided to the Department, or the line is busy after the hearing officer has attempted a second call after the three (3) minutes as provided in (3) of this subsection, the hearing officer will not call again and an order of default will be entered. It is the responsibility of the respondent to keep the line(s) open to receive the call from the hearing officer.
- (5) Should a necessary witness adverse to the licensee, such as an officer, fail to provide a telephone number or to answer or the line is busy, after the procedure provided in (3) of this subsection has been followed, the case will be set aside.
- (g) The hearing officer shall render a ~~decision~~proposed order based upon the law and the evidence presented. Each party shall be ~~promptly~~ notified of the ~~decision~~proposed order either personally or by mail.
- (h) The proposed order shall become the final order twenty (20) days from the date of entry.
- (i) By written stipulation the respondent may waive compliance with 75 O.S. §311, in accordance with 75 O.S. §311. Unless the hearing officer timely receives a request for a rehearing, reopening, or reconsideration of the decision as provided by the Administrative Procedures Act [75 O.S. §317], the hearing officer shall, after Such a request must:
- (1) be in writing, and
 - (2) be received within twenty (20) days of the entry of the proposed order.~~twenty (20) days from the entry of the decision, enter an appropriate final order. Each party shall be notified of the final order personally or by mail.~~
- (ij) If the respondent fails to appear at the scheduled hearing without good cause, the hearing officer shall record the non-appearance and enter a final order reflecting the effective date of twenty-five (25) days after the date of the Notice of Claim in lieu of the decision and final order as described in (h) of this Section.
- (jk) If the representative fails to appear without good cause, the hearing officer shall record the nonappearance and enter a final order dismissing the administrative penalty action, with prejudice. The parties shall be notified that the department action has been dismissed with prejudice. However such a dismissal affects only those violations listed in the Notice of Claim and does not affect the same or other violations occurring at another time.
- (kl) A party aggrieved with the ~~final order~~hearing officer's decision may file an appeal with the Commissioner requesting a rehearing, reopening, or reconsideration of the case in accordance with~~75 O.S. §317~~. Such an appeal must:
- (1) be in writing,
 - (2) be within ~~twenty (20)~~ten (10) days of the entry of the ~~final order~~decision by the hearing officer, and
 - (3) state the grounds for the appeal and include all arguments and information pertinent to the grounds for appeal.
- (lm) Where a timely written exceptions to the proposed order or request for a rehearing, reopening, or reconsideration of the case is received, the administrative penalty will be stayed ~~suspended~~ until a final order has been entered. Grounds for rehearing, reopening, or reconsideration are limited to those in the Administrative Procedures Act [75 O.S. §317].
- (mn) The administrative penalty assessed shall be due immediately upon issuance of the final order. If, within twenty-five (25) days after the issuance of a final order, the concerned party does not comply with the terms of the order by paying any administrative penalty assessed ~~or correcting the violation, or both, if required, or by filing an appeal of the final order~~, the case may be prosecuted by the Commissioner or the representative for enforcement through the Oklahoma County District Court.
- (no) A respondent aggrieved with both the hearing officer's and the Commissioner's decisions may file an appeal with the Oklahoma County District Court.
- (op) At any time prior to the Commissioner or the representative bringing an action in Oklahoma County District Court for enforcement of the final order, either the respondent or the Commissioner's representative, whose names appears on the Notice of Claim, may recommend a compromise of the amount of the penalty by submitting an offer for a specific amount to the other party. An offer of compromise shall be submitted to the representative who may, after consultation with the Troop S Commander, accept or reject it.
- (1) A compromise offer stays the running of any response period then outstanding.
 - (2) Any compromise agreed to by the parties is also subject to approval by the hearing officer. If a compromise is agreed to by the parties and approved by the hearing officer, the respondent will be notified in writing. Upon receipt of payment by the Department, the respondent will be notified in writing that acceptance of the payment is in

full satisfaction of the administrative penalty proposed or assessed, and the Department closes the case with prejudice to the respondent.

(3) If a compromise cannot be agreed to, the respondent will be notified, either personally or by mail, and shall be given ten (10) days or the amount of time remaining in the then outstanding response period, whichever is longer, to respond to whatever action has been taken by Troop S or any other representative authorized to enforce the provisions of the Act.

(pq) The administrative penalty is not a substitute for compliance and is not intended to preclude injunctive relief or other non-duplicative remedies, particularly if the Commissioner has determined an order requiring compliance is necessary under the circumstances. Money penalties are not fees allowing the concerned party to continue to operate in violation of the Act or of any rules adopted to carry out the Act. [47 O.S. §230.9(F)]

595:35-1-12. Department of Public Safety port of entry officers

(a) The legislature amended 47 O.S. §14-116 in 2016 to provide funding for Department of Public Safety port of entry officers (DPS POE officers) and directing the Department to promulgate rules specifying the powers and duties of DPS POE officers. DPS POE officers are DPS commissioned inspectors or DPS civilian inspectors assigned to Troop S to work only at and around port of entry locations.

(b) In accordance with 47 O.S. §2-117 any officer designated and commissioned by the Commissioner is declared to be a peace officer of the State of Oklahoma and shall be so deemed and taken in all courts having jurisdiction of offenses against the laws of the state.

(c) The Commissioner shall designate and commission DPS POE officers. The Commissioner may also appoint civilian DPS POE officers. All DPS POE officers shall only be assigned to and supervised by Troop S.

(d) The Commissioner has the authority to authorize any officer, employee, or agent of the Department to conduct the activities necessary to administer the Oklahoma Motor Carrier Safety and Hazardous Material transportation Act through 47 O.S. §203.4.

(e) Commissioned DPS POE officers shall have the powers and authority now and hereafter vested by law in other peace officers, including the right and power of search and seizure, except the serving or execution of civil process, and the right and power to investigate and prevent crime and to enforce the criminal laws of this state. However, the duties of the DPS POE officers and civilian DPS POE officers shall be limited to:

(1) Enforce all or any portions of the federal motor carrier safety regulations and the hazardous materials regulations of the United States Department of Transportation, as now or hereafter amended, as adopted by reference;

(2) Conduct investigations; make reports; require the production of relevant documents, records and property; demonstration and training activities;

(3) Enter upon, inspect and examine at reasonable times and in a reasonable manner, the records and properties of persons to the extent such records and properties

relate to motor carrier safety or the transportation or shipment of hazardous materials in commerce, and to inspect and copy records and papers of carriers and other persons to carry out the purposes of the Oklahoma Motor Carrier Safety and Hazardous Materials Transportation Act;

(4) Stop and inspect any driver or commercial motor vehicle for any violation of the Oklahoma Motor Carrier Safety and Hazardous Materials Transportation Act or rules and regulations issued pursuant thereto;

(5) Declare and mark any transport vehicle or container as out of service if its condition, filling, equipment or protective devices would be hazardous to life or property during transportation, or if records thereof reflect such hazard, or if required records are incomplete;

(6) Prohibit any commercial driver from transporting hazardous materials if such driver is unqualified or disqualified under any federal or department regulation;

(7) Administer and enforce the provisions of the Oklahoma Motor Carrier Safety and Hazardous Materials Transportation Act and any rules and regulations issued pursuant thereto and;

(8) All power and authority vested by law in other peace officers regarding law violations committed in the presence of the commissioned DPS POE officer at and around port of entry locations.

(f) All commissioned DPS POE officers shall be CLEET certified peace officers. To become qualified for designation as peace officers, DPS POE officers shall meet the training and screening requirements conducted by the Department and certified by the Council on Law Enforcement Education and Training within six (6) months of employment.

(g) Only CLEET certified peace officers shall carry a weapon.

(h) DPS POE officers are not and shall not be considered Oklahoma Highway Patrol Troopers.

(i) The powers and duties conferred upon said commissioned DPS POE officers shall in no way limit the powers and duties of sheriffs or other peace officers of the state, or any political subdivision thereof.

(j) No state official, other than members of the Department, shall have any power, right, or authority to command, order, or direct any DPS POE officer to perform any duty or service. DPS POE officers shall not be commanded, ordered, or directed to perform any duty or service outside the limitations of (d).

GIST/ANALYSIS:

The changes in 595:40-1-2 update the definition of "Driver Education Instructor" to include the words demonstrating and supervising. The updates in section 40-1-3 update language as it relates to background checks and updates the name of the division to Driver License Services Division from the Driver Examining Division. Section 595:40-1-4 adds sex offenders who are required to register to the list of disqualifications from becoming a driver instructor. The language also adds non-public schools in section (b) to include those instructors and some out of date language was struck as well. In section 595:4-1-9 the requirement was added that a Driver Education instructor must occupy the front seat of the vehicle while instructing students. Language was updated in part (6) to reflect that a paper or electronic filed copy of the student roster is required before instruction can begin and part (8) updates the Motorcycle Safety Foundation Curriculum to the most recent version and it makes it the only acceptable course of instruction. Section 595:40-1-13 ads language that requires the Commercial Driver Education schools must submit a paper or electronic list of all enrolled students before training begins. Section 595:40-1-15 updates the list of requirements for all driver education schools and classrooms and adds part (7) which lays out the requirements for a motorcycle range facility and equipment for motorcycle classes. The hearings under 595:40-1-18 for commercial driver school schools and instructor licenses fall within Article II of the APA (Administrative Procedures Act). Rule 595:40-1-18 currently requires that a hearing, when requested, be set no less than 15 days nor more than 30 days from the date the request was received. This time restriction is not necessary. This type of time restriction has been removed in other types of administrative hearings. Prior to 1977 47 O.S. §754 required a type of administrative hearing to be set within 30 days, which has since been removed. Most importantly, the APA does not have a time restriction of when administrative hearing must be held. Additionally, the current rule does not align with the requirements under the APA. The current rule allows for a rehearing, reopening, or reconsideration request under 75 O.S. §317 before and after the final order is issued. Statute 75 O.S. §317 only

allows for a rehearing, reopening, or reconsideration request after a final order is issued. The APA separately allows for oral arguments and briefing before the administrative head prior to the final order being issued under 75 O.S. §311.

CONTACT PERSON:

Chris Sherman, DPS Legislative Analyst, Department of Public Safety, 3600 N. Martin Luther King Ave., PO Box 11415, Oklahoma City, OK 73136-0415. Phone: 405.425.7394. E-mail: thomas.sherman@dps.ok.gov

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 1. DRIVER EDUCATION INSTRUCTION

595:40-1-2. Definitions

The following words and terms, when used in this Chapter, shall have the following meaning, unless the context clearly indicates otherwise:

"Career and Technology Education" means any school that is governed by the Oklahoma Department of Career and Technology Education.

"Credential" means endorsements, major and/or minor teaching areas, licenses, as well as professional, standard, provisional, temporary, and emergency certificates.

"Commercial driver education course" means a course of study including highway signs, signals, markings and design, rules of the road, state laws, local ordinances, basic driving maneuvers, and safe operation of motor vehicles on streets and highways.

"Commercial driver education school" means a business enterprise conducted by an individual, association, partnership, or corporation for the education and training of fifteen year old or older students for a class D driver license and charging a consideration or tuition for such services.

"Commercial motorcycle driver training instructor" means a qualified instructor of Motorcycle Safety Foundation curriculum and certified by the Department of Public Safety

"Commercial motorcycle driver training schools" means a business enterprise conducted by an individual, partnership, or corporation for the education and training of motorcycle drivers.

"Commercial School" means a "Commercial driver education school" or "Commercial Motorcycle driver training school."

"Commercial Instructor" means a qualified Driver Education Instructor or a qualified Commercial motorcycle driver training instructor.

"Driver Education Instructor" means a qualified instructor who provides instruction to, demonstrating to, or supervising ~~instructs~~ students seeking a driver license according to the rules set forth in this chapter.

"Endorsements" means credentials placed on valid licenses/certificates to indicate that the holder is eligible to teach specific subjects. An endorsement qualifies the holder to teach a full day in the subject of the endorsement.

"High School or Secondary School" means a school offering continuous programs of general education for regularly enrolled full-time students including grades nine through twelve.

"Private, parochial and non-public high school" means any high school or secondary school which is not a public school supported with public funds and/or does not meet the definition of a Commercial School under Title 47, Chapter 69.

595:40-1-3. Driver education instructor permit/license

(a) **Requirement of Driver Education Instructor Permit/license.** A Driver Education Instructor Permit/license is required for instructors who teach Driver Education as prescribed under 47 O.S. §6-105 (D) and 47 O.S. § 801, who offer behind the wheel instruction to students who do not possess a valid Oklahoma driver license.

(b) **Application for Driver Education Instructor permit/license.**

(1) **Public schools.** The State Department of Education, Comprehensive Health/Driver and Traffic Safety Section, shall provide an application for Driver Education instructor permits/licenses and renewal permit/licenses for public schools upon request.

(A) The instructor shall make application to the State Department of Education by mail to: State Department of Education, Comprehensive Health/Driver Education, Room 314, 2500 Lincoln Boulevard, Oklahoma City, Oklahoma 73105-4599.

(B) The State Department of Education shall review the application as to teacher qualification and prescribed course of study and forward the application to the Department of Public Safety.

(C) Driving privileges of the applicant shall not be under suspension, revocation, denial, or cancellation at the time of original or renewal application.

(2) **Commercial schools - original application.**

(A) All applications for an original school license shall be made on a form provided by the Department. The term of each original school license shall be for a period of one (1) year. Each place of business and/or location shall be considered a separate school and require a separate license.

(B) Each application for an original school license shall be accompanied by:

- (i) a fee of Twenty-five Dollars (\$25.00), which shall be paid to the Department by money order, cashier's check, or business/personal check,
- (ii) a class curriculum, and
- (iii) an e-mail address.

(C) Each applicant shall maintain ~~at the school~~ and have available for audit and inspection by the Department:

- (i) certificates of insurance from a company licensed to conduct business in this State certifying proper commercial insurance coverage, as required by OAC 595:40- 1-12,

(ii) the make, model, vehicle identification number, and registration number of each vehicle used for training purposes, except motorcycles used for motorcycle training, and

(iii) school brochures, contracts of all agreements, and a schedule of fees and charges.

(D) No license fee shall be refunded in the event the license is rejected, suspended or revoked by the Commissioner of Public Safety.

(E) All applications must be approved by the Department before a school will be permitted to open for business.

(F) Every operator of a Commercial Driver Education school shall be required to have a Commercial Driver Education Instructor License.

(G) Application for Driver Education Instructor license for non-public schools may be obtained from the Department of Public Safety, at: Driver License ~~Examining~~Services Division, P.O. Box 11415, Oklahoma City, Oklahoma 73136-0415, or on the website of the Department, www.dps.state.ok.us.

(H) All schools shall meet the requirements of OAC 595:40-1-15.

(3) **Commercial schools - renewal application.**

(A) All applications for a renewal school driver education license shall be made on a form provided by the Department of Public Safety. The term of each renewal school driver education license shall be for a period of one (1) year. Each place of business and/or location shall be considered a separate driver education school and require a separate driver education license.

(B) Each application for a renewal school driver education license shall be accompanied by:

- (i) a fee of Twenty-five Dollars (\$25.00), which shall be paid to the Department by money order, cashier's check, or business/personal check,
- (ii) a schedule of fees and charges, if any changes have been made since the last license issuance, and
- (iii) an e-mail address.

(C) Each school desiring to renew shall submit a DPS approved application to each licensee at the school and shall remit all fees and submit all applications to the Department no later than November 15 of the year of expiration. If application for renewal is not received by the required date and the Department is unable to process and approve the application by December 31 of the year of expiration, the commercial school shall cease operation on January 1 of the year following the year of expiration and shall not resume operation until the application for renewal is processed and approved by the Department.

(4) **Commercial instructors - original applications.**

(A) All applications for an original driver education instructor license shall be made on a form provided by the Department. The term of each original driver education instructor license shall be for a period of

Permanent Final Adoptions

no more than one (1) year. A driver education instructor shall make application for each Commercial School he or she is employed and will be instructing. A driver education instructor license shall become invalid upon termination of employment with the school ~~or schools of a single owner~~. If a driver education instructor accepts employment with another school ~~or schools of a different owner~~, the driver education instructor license is not transferrable, and the driver education instructor shall apply for an original license as a new employee of the other school.

(B) Each application for an original driver education instructor license shall be accompanied by:

- (i) documentation required by OAC 595:40-1-4, and
- (ii) a fee of Five Dollars (\$5.00) [47 O.S. § 805], which shall be paid to the Department by money order, cashier's check, or business/personal check.

(5) **Commercial instructors - renewal applications.**

(A) All applications for a renewal driver education instructor license shall be made on a form provided by the Department. The term of each renewal driver education instructor license shall be for a period of one (1) year. A driver education instructor shall make application for each Commercial School location where he or she will be instructing. A driver education instructor license shall become invalid upon termination of employment with the school or schools of a single owner. If a driver education instructor accepts employment with another school ~~or schools of a different owner~~, the driver education instructor license is not transferrable, and the driver education instructor shall apply for an original license as a new employee of the other school.

(B) Each application for a renewal driver education instructor license shall be accompanied by:

- (i) a full certified finger print based criminal history background investigation from the ~~Oklahoma State~~ Federal Bureau of Investigation certified within the immediately preceding thirty (30) days, and
- (ii) a fee of Five Dollars (\$5.00) [47 O.S. § 805], which shall be paid to the commercial school which employs the driver education instructor and the school shall remit the Five Dollar (\$5.00) fee to the Department by money order, cashier's check, or business/personal check. If the driver education instructor is licensed at multiple schools ~~with different owners~~, a fee of Five Dollars (\$5.00) shall be paid for each school ~~with a different owner~~.

595:40-1-4. Qualifications for instructors

(a) **All driver education instructors.** Instructors of public, private, commercial driver education schools and other non-public schools shall submit to the Department of Public Safety, upon application, proof of the following:

- (1) current employment by a school which offers a prescribed course of study;
- (2) a valid and unexpired Oklahoma driver license that is not suspended, revoked, denied or cancelled at the time of original or renewal application;
- (3) at least twenty-one (21) years of age;
- (4) never been convicted of a felony, have any pending court action that could result in a felony conviction, or any conviction, whether within Oklahoma or in another state, that would result in the applicant having to register according to the Sex Offenders Registration Act, as evidenced by an full finger print based ~~Oklahoma State~~ Federal Bureau of Investigation criminal history background investigation conducted within the immediately preceding thirty (30) days.

(A) Once the Department has received the state criminal history background investigation, showing no adverse action, pending or otherwise, the Department will issue a ninety (90) day temporary driver education instructor license to the applicant and the applicant shall be directed to have a national criminal history background investigation conducted by the Federal Bureau of Investigations.

(B) The commercial school shall submit the necessary national criminal history background investigation request within ten (10) business days of the issuance of the temporary driver education instructor license and submit proof of the request to the Driver License Examining Division within five (5) business days thereafter. If the national criminal history background investigation is not completed within ninety (90) days of the request for the national criminal history background investigation, the temporary driver education instructor license may be revoked.

(C) If either the state or national criminal history background investigation is returned with:

- (i) no adverse action, the Department will issue the temporary or permanent driver education instructor license; or
- (ii) adverse action is found on the applicant's criminal history background investigation, the Department will ~~not issue or~~ revoke the temporary driver education instructor permit and will not issue another temporary or permanent driver license instructor license to the applicant as long as the adverse action remains on the applicants criminal history; or
- (iii) if the applicant has pending court proceedings that could result in a felony conviction, the temporary or permanent driver education instructor license shall not be issued until the pending action has been dispensed.

(5) if applicable, have driving privileges reinstated for at least twelve (12) months, if driving privileges were suspended, canceled, revoked, denied, or disqualified for a driving-related conviction or for Department action related to driving under the influence or driving while impaired. If driving privileges are suspended, canceled,

revoked, denied, or disqualified only for a non-driving-related conviction or reason, the applicant shall be eligible immediately upon reinstatement of driving privileges;

- (6) not been convicted of misdemeanor possession or use of alcohol or drugs within the past twelve (12) months;
- (7) not more than five (5) point violations on the driving record;
- (8) no administrative action pending pursuant to 47 O.S. §§ 753, 754, or 754.1;
- (9) a high school diploma or general education diploma; and
- (10) a motorcycle instructor shall have a valid Motorcycle Safety Foundation instructor's certificate.

(b) **All commercial school and non-public school driver education instructors.** At the time of original application, all commercial school and non-public school driver education instructors shall take the vision, skills, and written examinations given by the Department for the purposes of driver licensing and, for licensing as a commercial school or non-public school driver education instructor. Commercial motorcycle driver training instructors will not be required to take the basic Class D written exam and skills test but instead will take the motorcycle written exam and skills test. The skills test will be performed on a motorcycle. All driver education instructors shall be required:

- (1) to receive a score of at least eighty percent (80%) on driver license written examination. Should the applicant fail to achieve the required score after three (3) attempts, the applicant shall be denied certification and may reapply after one (1) year;
- (2) to pass the standard Class D driver license or motorcycle road test with a passing score of at least eighty percent (80%). Should the applicant fail to achieve the required passing score after (three) attempts, the applicant shall be denied certification and may reapply after one (1) year.

(c) **Public school driver education instructors only.** Qualifications for public driver education instructors are set out in the rules for Oklahoma High School Driver and Traffic Safety Education by the Oklahoma State Board of Education.

(d) **Non-public school driver education instructors.** Instructors of driver education for non-public schools, except commercial driver education schools, shall submit to the Department of Public Safety proof of the following:

- (1) a valid Oklahoma secondary, elementary-secondary, library media specialist, speech-language pathology or technology center school license/certificate,
- (2) credentials in Driver and Traffic Safety Education or five (5) years consecutive experience in driver safety training, and
- (3) a valid and unexpired Oklahoma driver license.

(e) **Commercial school driver education instructors other than motorcycle training instructors.** Commercial driver education school instructors, other than motorcycle training instructors, shall submit to the Department of Public Safety proof of the following:

- (1) a minimum of six (6) semester hours of Driver Education I and Driver Education II, and a minimum of

three (3) semester hours of General Safety Education from an accredited college or university; or

- (2) a course equivalent to that described in paragraph (1) offered by a nationally recognized commercial driver instructor course approved by the Department of Public Safety; or
- (3) certification by the State Department of Education as a driver education instructor, which certification shall be for at least five (5) years immediately preceding application and approval as a commercial driver education school instructor in conjunction with having taught driver education for at least five (5) years in public, private, or parochial school; ~~or~~

(f) **Commercial motorcycle training school instructor qualifications.** Commercial motorcycle training school instructors shall submit to the Department of Public Safety proof of the following:

- (1) a high school diploma, or equivalent, and
- (2) an instructor's certificate issued by the Motorcycle Safety Foundation.

(g) **MSF Basic Rider Coach training.** A participant in the MSF Basic Rider Coach training will be exempt from the Oklahoma certification requirement while acting as an instructor under the supervision of a MSF certified Rider Coach Trainer during the Basic Rider Coach training. MSF certification must be signed by the MSF and Oklahoma Certified Rider Coach Trainer.

595:40-1-9. Prescribed course of study

(a) A prescribed course of study of Driver Education shall be designed to develop knowledge of those provisions of the Oklahoma Vehicle Code and other laws of this state relating to the operation of motor vehicles, acceptance of personal responsibility in traffic, appreciation of the causes, seriousness, and consequences of traffic collisions, and to develop the knowledge, attitudes, habits, and skills necessary for the safe operation of motor vehicles.

(b) Public Schools must be in compliance with Oklahoma State Board of Education rules and regulations. Non-public/Commercial schools must meet the following requirements:

- (1) Students must be at least fifteen (15) years of age and regularly enrolled and certified by the instructor as taking a prescribed driver education course, certified by the Department of Public Safety.
- (2) Private and Parochial students shall receive a minimum of thirty (30) hours of classroom instruction and a minimum of six (6) hours of actual driving in the Driver Education vehicle, while accompanied by and under the supervision of a qualified Driver Education instructor who is occupying the front seat of the vehicle.
- (3) Each commercial student, except for commercial motorcycle students, shall receive a minimum of ten (10) hours of classroom instruction and a minimum of six (6) hours of actually driving the Driver Education vehicle, while accompanied by and under the supervision of a qualified Driver Education instructor who is occupying the front seat of the vehicle.

Permanent Final Adoptions

- (4) Instruction shall include, but not be limited to, the following:
- (A) Signs, signals, highway markings and highway design.
 - (B) Rules of the road, state laws, and local ordinances.
 - (C) Driving attitude toward motorcyclists, bicyclists, and pedestrians.
 - (D) Basic driving maneuvers.
 - (E) Operation of motor vehicle on streets and highways.
 - (F) Familiarity with the Oklahoma Driver's Manual, distributed by the Department of Public Safety. Copies of this manual are available at motor license agencies or online at www.dps.state.ok.us/dls/.
 - (G) Insurance laws of the State.
 - (H) Financial responsibility.
 - (I) Seat belt use and laws.
 - (J) Effects of natural laws on driving.
 - (K) Alcohol and drug substance abuse and the effect on driving.
 - (L) Basic vehicle maintenance including fluid levels, tire pressure and lighting systems.
 - (M) Skills:
 - (i) Starting.
 - (ii) Backing.
 - (iii) Parallel parking.
 - (iv) Hill parking.
 - (v) Starting on hill.
 - (vi) Intersection movement and observance.
 - (vii) Lane observance and changing.
 - (viii) Left and right turns.
 - (ix) Pedestrian and vehicle right-of-way.
 - (x) Proper use of automatic and/or standard transmission.
 - (xi) Use of brake and accelerator.
 - (xii) Traffic lights or signals.
- (5) All passengers, students and instructors in the driver education vehicle shall comply with the Oklahoma Mandatory Seat Belt Use Act, 47 O.S. §§ 12-416 through 12-420, whenever the vehicle is in operation.
- (6) ~~Maintain a student roster list (paper or electronic) of students that are receiving or will be receiving behind the wheel instruction.~~ Maintain and file with the Department of Public Safety a student roster list (paper or electronic) of students that are receiving or will be receiving behind-the-wheel instruction before such instruction begins.
- (7) Driving instruction shall not be conducted within a one mile radius of the Department of Public Safety or any district office thereof.
- (c) The Motorcycle Safety Foundation Curriculum (MSFC) 16th revision January 2011 is hereby adopted by reference, ~~which~~ and it shall be the only course of instruction used by motorcycle education instructors certified by the Department of Public Safety.
- (1) A copy of the curriculum is available at the Department of Public Safety Driver License Examining Division.

- (2) Every school shall develop written and driving examinations to determine the students knowledge and performance in accordance with the prescribed curriculum.

595:40-1-13. Reports

(a) The Comprehensive Health/Driver and Traffic Safety Education section of the State Department of Education will furnish all forms for the required reports for public schools. These reports are addressed in the rules of the State Department of Education. For private, parochial, Commercial, and other non-public schools, the Department of Public Safety, Driver Examining Division, will provide the following report forms which must be completed and filed with the Department of Public Safety:

- (1) A current list of all students enrolled in Driver Education shall be maintained in a file (paper or electronic) at the offices of the Commercial Driver Education school and submitted to the Department of Public Safety prior to beginning behind the wheel instruction. These files shall list the complete legal name, and date of birth of those students who will be or are currently receiving instruction.
- (2) While conducting instruction of the students one of the following must be in the vehicle:
 - (A) readable ~~approved~~ copy of the roster (paper or electronic), or
 - (B) a daily paper or electronic copy of the student roster and/or schedule (~~form provided by DPS~~), which includes a list of students being instructed on a given day ~~and must have the instructors signature that will be in the vehicle,~~ or
 - (C) students receiving instruction must carry the original or a copy of the school contract.
- (3) At the discretion of the Commissioner of Public Safety, an affidavit may be required from the principal of the school, or one of equivalent authority verifying that the curriculum offered the Driver Education student meets the requirements of these rules.
- (4) Other reports that may be requested by the Department of Public Safety.

(b) Driver Education schools must furnish the Department of Public Safety, Driver License Examining Division, with a copy of an official collision report on any driver education vehicle which is involved in an collision while used for training purposes. This is in addition to the collision report required by law.

595:40-1-15. Requirements for all ~~commercial~~ driver education schools and classrooms except public schools

(a) **Location and classroom facility of commercial driver education schools.** An application for a Commercial Driver Training School license shall not be approved if the school is located or driving instruction is conducted within one (1) mile, using the most direct driving route, of the Department of Public Safety or any district office thereof. The school shall:

(1) have at least one (1) permanent classroom. Each classroom shall be used exclusively for classroom driver education instruction during the time of such instruction. A classroom shall not be located in:

- (A) a residence or residential facility or complex,
- (B) a motor vehicle, or converted motor vehicle,
- (C) a hotel or motel, or
- (D) any other facility which has a bar, lounge, or other business which sells alcohol for public consumption on the premises;

(2) display its current and valid Commercial Driver Training License in the licensee's principal place of business when classes are in session. The school's and/or driver education instructor's license or a copy of the license shall also be made available for inspection to students, or prospective students and their parents;

(3) comply with all local municipal ordinances ~~regarding lighting, heating, ventilation, and restroom facilities~~. Separate restroom facilities shall be provided for males and females, shall be fully plumbed with at least one toilet and one sink in each restroom, and shall be located in the same building as the classroom. The requirement for separate restroom facilities may be waived if a single restroom facility is provided that has a door which is capable of being locked from the inside;

(4) have adequate room for equipment such as chalkboard, projector, tables and chairs. Tables and chairs will be provided for the number of students enrolled in the class being taught at the time;

(5) when moving locations the school shall be responsible for notifying the Department of Public Safety Driver License Examining Division in writing no later than two (2) weeks prior to the relocation. The Division shall schedule with the school an appointment for inspection of the new location. Use of the new facility will not be allowed until the inspection is complete; and

(6) if the commercial driver education school is located in a public school, the commercial driver education school shall present to the Department upon application and upon every renewal a current contract with the school district signed by the superintendent of the district. The contract shall stipulate that:

(A) the presence of the commercial driver education school on the public school property is in compliance with state law and specifically in compliance with 70 O.S. § 5-130, and

(B) any public school in the school district, including the public school where the commercial driver education school named in the contract is located, is available on an equal and non-discriminatory basis to any other commercial driver education school desiring to conduct business on public school property in the school district on the same terms and at the same time as the commercial driver education school named in the contract as required by *Hennessey v. ISD No. 4*, 552 P.2d 1141 (Okla. 1976), and

(C) should the school district refuse to allow another commercial driver education school to conduct

business on public school property within the school district, whether at the same public school as the commercial driver education school named in the contract or any other school in the district, the contract shall be null and void upon the date of the refusal, and the school district and the commercial driver education school named in the contract shall both agree to notify the Department of Public Safety of the voiding of the contract.

(7) Motorcycle Range Facility and Equipment for Motorcycle Classes

(A) The Motorcycle Range must adhere to standards related to participant safety and have equipment to ensure safe instruction.

(B) The motorcycle range facility should be maintained and be free from all obstacles/potential obstacles or problematic surface conditions and there must be a minimum 20 foot paved buffer from any obstacles.

(C) The range must be free from pedestrian, animal or vehicle traffic. The pavement needs to be kept suitable for riding maneuvers such as sharp turns, braking and safe vehicle travel.

(D) The surface must provide good traction and there must not be any obstacles that present an unsafe environment.

(E) Ranges must be correctly laid out to meet curriculum and safety standards. The surface and markings need to be maintained for proper instruction and safety.

(F) Motorcycles must be properly maintained in safe operating condition for the safety of the students.

(b) Advertising.

(1) No Commercial Driver Education School shall use or conduct any business under any name other than its fully licensed name.

(2) A sign reading "This school is licensed by the Department of Public Safety, State of Oklahoma" or similar language may be displayed on the school premises.

(3) The school may place language such as "This school is licensed by the Department of Public Safety, State of Oklahoma" in any advertisements and publications of the school. However, a school may not use advertisement or publicity that states or implies that the school is specifically or uniquely recognized, recommended, or endorsed, or directly supervised by the Department of Public Safety.

(4) No fraudulent or deceptive statements shall be used on any sign or in advertisement, whether written or oral. If a promotion or fee incentive is used for an applicant, the school shall attach a copy of the promotion or fee incentive to the contract.

(5) No school shall advertise, by any means, or otherwise state or imply that a driver license or permit is guaranteed or assured to any student or individual who will take or complete any instruction offered by the school.

(c) Agreements and schedule of fees.

Permanent Final Adoptions

- (1) A sample copy of all contracts or agreements with students must be submitted to the Department with the application for licensing.
- (2) Prior to enrollment or payment of fee all prospective students shall be provided the following information, in writing:
 - (A) the type of instruction offered, whether classroom or behind the wheel;
 - (B) length of each lesson;
 - (C) rate per lesson;
 - (D) rate for use of school vehicle for road test, if extra charge is made;
 - (E) terms of payment and disclosure of any interest charged;
 - (F) a statement indicating the specific date and time when instruction is to start.
- (3) The schedule of fees shall be posted in easy view of students and prospective students.
- (4) If any school fails to comply with the provisions, the school shall refund, on a prorated basis, all monies collected from the student.
- (d) **Records to be maintained.**
 - (1) Each school shall maintain a permanently bound book with pages consecutively numbered or a computer spreadsheet/database, setting forth the name of the school; the name of the student; the contract or agreement number; the type and date of instruction given, whether classroom or behind-the-wheel. If information is kept in a bound book, all entries shall be made in ink.
 - (2) All student instruction records, including a duplicate copy of each contract or agreement entered into between the school and the student (the original must be given to the student) must be kept on file in the office of each school or at the primary office of multiple site schools owned by one individual for a period of (1) calendar year after the student has concluded instruction at or with the school. Each school shall furnish the student, if requested, a duplicate of his/her instruction record when all of the contracted courses are completed or the student otherwise ceases taking instruction at or with the school.
 - (3) The student instruction record shall contain a copy of a receipt for any monies paid to the school by the student. The receipt, in a format prescribed by the Department, shall contain:
 - (A) The name of the school.
 - (B) The name of the student.
 - (C) The date of payment.
 - (D) The amount of payment.
 - (E) The signature of the person receiving the payment.
 - (4) The student instruction record file maintained by the school shall be available at all times for inspection or copying by an authorized representative of the Department of Public Safety.
- (e) **Completion certificates.** A completion certificate, in a preprinted format prescribed by the Department, shall be provided and issued by the Commercial School to each student

upon the successful completion of course work (both classroom and behind the wheel). The certificate shall contain the following:

- (1) Name of the provider;
- (2) Full legal name of student;
- (3) Number of total hours of instruction (optional)
- (4) Date of completion;
- (5) Signature of administrator (a stamped signature is acceptable).

595:40-1-18. Hearings

- (a) In the event the Department has determined that a school's or instructor's license should be denied, suspended, revoked, or canceled, notice shall be provided by mail to the applicant or licensee of the facts or conduct which warrant the intended action, and an opportunity for hearing shall be offered. The aggrieved party may request a hearing within twenty (20) days of receipt of the notice. The request for a hearing shall be in writing and must:
 - (1) state the name and address of the respondent,
 - (2) state which allegations of violations, if any, are admitted,
 - (3) state generally the issues to be raised by the respondent at the hearing, but issues not raised in the written request are not barred from presentation at the hearing, and
 - (4) be addressed to the official who issued the notice.
- (b) If the hearing is timely requested, the Department shall grant the person an opportunity to be heard~~such hearing shall be scheduled at the Department no less than fifteen (15) days nor more than thirty (30) days from the date the Department received the request. However, the parties may agree to schedule the hearing at another location or time.~~
- (c) The Commissioner shall designate the hearing officer. Each party shall be afforded the opportunity to respond and present evidence and argument on all issues involved. Either party may make application for a continuance of the hearing. The granting or denial of a continuance is within the reasonable discretion of the hearing officer.
- (d) The hearing officer shall render a proposed order~~decision~~ based upon the law and the evidence presented. Each party shall be promptly notified of the proposed order~~decision~~ either personally or by mail.
- (e) The proposed order shall become the final order twenty (20) days from the date of entry~~Unless the hearing officer timely receives a written request for a rehearing, reopening, or reconsideration of the decision as provided by the Administrative Procedures Act [75 O.S. §317], the hearing officer shall, after twenty (20) days from the entry of the decision, enter an appropriate final order. Each party shall be notified of the final order personally or by mail.~~
- (f) By written stipulation the respondent may waive compliance with 75 O.S. §311, in accordance with 75 O.S. §311. If not waived the respondent may make written exceptions to the proposed order requesting the opportunity to present briefs and oral argument to the Commissioner. Such a request must:
 - (1) be in writing, and

(2) be received within twenty (20) days of the entry of the proposed order.

(fg) If the respondent fails to appear at the scheduled hearing without good cause, the hearing officer shall record the nonappearance and enter a final order.

(gh) If the Department representative fails to appear without good cause, the hearing officer shall record the nonappearance and enter a final order dismissing the administrative penalty action, with prejudice. The parties shall be notified that the department action has been dismissed with prejudice.

(hi) A party aggrieved with the final orderhearing officer's decision may file an appeal with the Commissioner requesting a rehearing, reopening or reconsideration of the case in accordance with 75 O.S. §317. Such an appeal must:

- (1) be in writing,
- (2) be within tentwenty (1020) days of the entry of the final orderdecision by the hearing officer, and
- (3) state the grounds for the appeal and include all arguments and information pertinent to the grounds for appeal.

Charla J. Slabotsky, Executive Director, Oklahoma Real Estate Commission, 1915 North Stiles, Suite 200, Oklahoma City, Oklahoma 73105 405-521-3387

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF NOVEMBER 1, 2017:

SUBCHAPTER 1. GENERAL PROVISIONS

605:1-1-4. Operational procedures

(a) **Organization.** The organization of the Commission is declared to be that as enumerated in Sections 858-201 through 858-204 of the heretofore described Code.

(b) **Operational procedures.** The general course and method of operation shall be as hereinafter specified in overall provisions of the rules of this Title.

(c) **Open Records Act.** In conformance with Title 51, Section 24 A.1., et seq, Oklahoma Statutes, 1985, titled "Oklahoma Open Records Act" all open records of the Real Estate Commission may be inspected and copied in accordance with procedures, policies, and fee as required by the Commission. The Commission shall charge the following:

- (1) A fee of \$.25 for each xerographic copy or micrographic image.
- (2) A fee of \$1.00 for each copy to be certified.
- (3) A fee of \$10.00 per hour for a record or file search.
- (4) A fee of Forty Dollars (\$40.00) per extract for License Data extract.
- (5) A fee of Fifty Dollars (\$50.00) every three (3) months for an Examinee Data extract.
- (6) A fee of no more than Seven Dollars and Fifty Cents (\$7.50) for a convenience fee for any electronic/on-line transaction.

(d) **Petition for promulgation, amendment or repeal of any rule.** Any person may petition the Commission in writing requesting a promulgation, amendment or repeal of any rule.

- (1) The petition must be in writing in business letter form or in the form of petitions used in civil cases in this State, and shall contain an explanation and the implications of the request and shall be:
 - (A) Signed by the person filing the petition and be filed with the Secretary-Treasurer of the Commission.
 - (B) Submitted to the Commission at least thirty (30) days prior to a regular meeting.
 - (C) Considered by the Commission at its first meeting following such thirty (30) days.
 - (D) Scheduled for a public hearing before the Commission within sixty (60) days after being considered by the Commission in a regular meeting.

(2) Within sixty (60) days after the public hearing, the Commission shall either grant or deny the petition. If the petition is granted, the Commission shall immediately

Permanent Final Adoptions

begin the procedure for the promulgation, amendment or repeal of any rule pursuant to Title 75 O.S. 303.

(3) If the petition is denied the parties retain their rights under 75 O.S. Sec. 318, to proper Judicial Review.

(e) **Petition for declaratory ruling of any rule or order.**

(1) Any person may petition the Commission for a declaratory ruling as authorized by Section 307 of Title 75 of the Oklahoma Statutes as to the applicability of any rule or order of the Commission. Such petition shall:

- (A) be in writing;
- (B) be signed by the person seeking the ruling;
- (C) state the rule or order involved;
- (D) contain a brief statement of facts to which the ruling shall apply; and
- (E) if known and available to petitioner, include citations of legal authority in support of such views.

(2) The Commission shall have at least thirty (30) days to review the petition. Following the review period, the Commission shall consider the petition at its next meeting.

(3) The Commission may compel the production of testimony and evidence necessary to make its declaratory ruling.

(4) Declaratory rulings shall be available for review by the public at the Commission office.

(f) **Contract Forms Committee.**

(1) The Contract Forms Committee is required to draft and revise real estate purchase and/or lease contracts and any related addenda for standardization and use by real estate licensees (Title 59 O.S. 858-208 {14}).

(2) The committee shall consist of eleven (11) members. Three (3) members shall be appointed by the Oklahoma Real Estate Commission; three (3) members shall be appointed by the Oklahoma Bar Association; and five (5) members shall be appointed by the Oklahoma Association of Realtors, Incorporated.

(3) The initial members' terms shall begin upon development of the forms and each member shall serve through the effective date of implementation of form(s) plus one (1) year. Thereafter, the Oklahoma Real Estate Commission shall appoint one (1) member for one (1) year, one (1) member for two (2) years, and one (1) member for three (3) years; the Oklahoma Bar Association shall appoint one (1) member for one (1) year, one (1) member for two (2) years, and one (1) member for three (3) years and; the Oklahoma Association of Realtors, Incorporated shall appoint two (2) members for one (1) year, two (2) members for two (2) years, and one (1) member for three (3) years. Thereafter, terms shall be for three (3) years and each member shall serve until their term expires and their successor has been appointed. Any vacancy which may occur in the membership of the committee shall be filled by the appropriate appointing entity.

(4) A member can be removed for just cause by the committee.

(5) Each member of the committee shall be entitled to receive travel expenses essential to the performance of the duties of his appointment, as provided in the State Travel Reimbursement Act.

(g) **Oklahoma Education and Recovery Fund.** If a special levy is assessed on licensees as outlined in Title 59 O.S. 858-604 (E), the levy must be paid within sixty (60) days of assessment or the license will be placed on inactive status and shall not be placed on active status until the levy is paid.

APPENDIX A. RESIDENTIAL PROPERTY CONDITION DISCLOSURE STATEMENT [REVOKED]

APPENDIX A. RESIDENTIAL PROPERTY CONDITION DISCLOSURE STATEMENT [NEW]

Notice to Seller: Oklahoma Law (the "Residential Property Condition Disclosure Act," Title 60, O.S., §831 et seq., effective July 1, 1995) requires Sellers of 1 and/or 2 residential dwelling units to complete this form. A Seller must complete, sign and date this disclosure form and deliver it or cause it to be delivered to a purchaser as soon as practicable, but in any event no later than before an offer is accepted by the Seller. If the Seller becomes aware of a defect after delivery of this statement, but before the Seller accepts an offer to purchase, the Seller must deliver or cause to be delivered an amended disclosure statement disclosing the newly discovered defect to the Purchaser. If the disclosure form or amendment is delivered to a Purchaser after an offer to purchase has been made by the Purchaser, the offer to purchase shall be accepted by the Seller only after a Purchaser has acknowledged receipt of this statement and confirmed the offer to purchase in writing.

Notice to Purchaser: The declarations and information contained in this disclosure statement are not warranties, express or implied of any kind, and are not a substitute for any inspections or warranties the Purchaser may wish to obtain. The information contained in this disclosure statement is not intended to be a part of any contract between the Purchaser and Seller. The information and statements contained in this disclosure statement are declarations and representations of the Seller and are not the representations of the real estate licensee.

LOCATION OF SUBJECT PROPERTY _____

SELLER IS ___ IS NOT ___ OCCUPYING THE SUBJECT PROPERTY.

Instructions to the Seller: (1) Answer ALL questions. (2) Report known conditions affecting the property. (3) Complete this form yourself. (4) If an item is not on the property, or will not be included in the sale, mark "None/Not Included." If you do not know the facts, mark "Do Not Know if Working." (5) The date of completion by you may not be more than 180 days prior to the date this form is received by a purchaser.

GIST/ANALYSIS:

ACT Test Scores: In recent years, ACT has expanded its options for taking the ACT test beyond the traditional six national Saturday testing dates each year. Other official ACT testing options now include school-level testing administered at a school site during the school day, statewide ACT tests (not used in Oklahoma to date), and international tests. The proposed change would recognize these additional methods for students to obtain ACT scores considered official and valid by ACT. The language specifically excludes "residual" ACT tests administered by an individual college because ACT does not allow residual test scores to be used beyond the campus that administers the test. The language also requires that SAT test scores be considered in a manner comparable to the ACT test scores.

Institutional Nominee Transfers from Two-Year Colleges: The proposed revision would allow Institutional Nominee students attending a two-year college to transfer to a four-year college once they have completed an associate's degree or accumulated at least 48 credit hours. Current policy requires the student to earn at least 48 hours at a two-year college during their first two years of college before transferring. The proposed change addresses those students that enter college with significant college credit already earned through concurrent enrollment or Advanced Placement (AP) credit. Per current policy, the student would still be required to attend at least one full year at the two-year college that initially nominated the student. The proposed change would also be consistent with the existing policy for four-year universities that requires the Institutional Nominee to attend at least one year at the nominating four-year university before transferring to another institution.

CONTACT PERSON:

David B. Harting, Assistant General Counsel, Oklahoma State Regents for Higher Education, (405) 225-9289.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S.,

SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 1. ACADEMIC SCHOLARS PROGRAM

610:25-1-3. General principles for operation of program

- (a) Recipients of award must attend a regionally or State Regents' accredited public, independent or proprietary higher education institution in Oklahoma.
- (b) The program is designed to adhere to the State Regents' Policy on Social Justice by encouraging all potential applicants to the Oklahoma State Regents' Academic Scholars Program to enter national scholarship competition.
- (c) Concurrently enrolled high school students are not eligible for this program.
- (d) Only SAT and ACT test scores reported on an official test report issued by ACT from tests administered on national test dates prior to college entry, excluding concurrently enrolled students and students enrolled for the summer term following high school graduation, will be considered for admission to the program. Scores from ACT residual tests will not be considered. SAT test scores will be considered in a manner comparable to ACT test scores. Qualifying test scores obtained on a national test date after college enrollment are invalid for applying to the program. Partial scores from more than one examination will not be considered.
- (e) A student must enter the program the fall semester immediately after his/her class graduates from high school, except for students admitted under the State Regents' Opportunity Admission Category. The Chancellor may approve exceptions to this requirement for extraordinary circumstances.
- (f) Disability Provision. Provisions contained in this section are consistent with 70 O.S. 1991, Section 2403, as amended, and federal legislation affecting disabled persons. If a person identifies himself or herself as a student with a disability and requests consideration for a scholarship under the Academic Scholars Program by means other than standard testing procedures, the State Regents shall permit the student to be examined under the special testing arrangements provided by either ACT or The College Board provided that he or she meets the qualifications specified by ACT and SAT respectively to be examined. Performance percentile requirements for participation in the Academic Scholars Program remain the same as for other students. Students taking such tests and receiving Academic Scholarship awards will be expected to meet the same retention standards as other students. Special provisions may be considered in determining full-time enrollment for students falling in this category.

610:25-1-4. Eligibility Requirements and Term of Scholarship Award

- (a) There are five avenues by which to qualify for the Academic Scholars Program. Each is defined below:

Permanent Final Adoptions

- (1) An Individual Applicant Qualified Student, which shall mean a student who is a resident of the State of Oklahoma whose ACT test score or whose Scholastic Aptitude Test score falls within the 99.5 to 100.0 percentile levels as administered in the State of Oklahoma and whose grade-point average and/or class rank is exceptional, as determined by the State Regents,
- (2) A Presidential Scholar, which shall mean a student selected by the Commission on Presidential Scholars pursuant to the Presidential Scholars Program administered by the United States Department of Education,
- (3) A National Merit Scholar, which shall mean a student designated as a National Merit Scholar by the National Merit Scholarship Corporation,
- (4) A National Merit Finalist, which shall mean a student designated as a National Merit Finalist by the National Merit Scholarship Corporation.
- (5) An Institutional Nominee, which shall mean a student nominated by an institution in The Oklahoma State System of Higher Education whose ACT test score or whose Scholastic Aptitude Test score falls within the 95.0 to 99.49 percentile levels, or who shows exceptional academic achievement as evidenced by factors including but not limited to grade point average, class rank, national awards, scholastic achievements, honors, and who shows exceptional promise based on documentation that may include but not be limited to teacher recommendations, extracurricular activities, and evidence of overcoming economic and social obstacles as determined by the State Regents. The State Regents shall ensure that standards of high academic ability are documented. Scholarship awards to institutional nominees become effective when appropriate documentation is verified by the State Regents.

(A) Effective with the Fall 2006 semester, Institutional Nominees are required to meet at least one of the two minimum criteria outlined below to be considered eligible for application as an Institutional Nominee:

- (i) Research universities:
 - (I) ACT: 32 or SAT equivalent
 - (II) GPA 3.9 and either Top 2% Class Rank or rank of first or second in their graduating class
 - (ii) Regional universities:
 - (I) ACT: 30 or SAT equivalent
 - (II) GPA 3.8 and either Top 4% Class Rank or rank of first or second in their graduating class
 - (iii) Two-year colleges:
 - (I) ACT: 29 or SAT equivalent
 - (II) GPA 3.7 and either Top 5% Class Rank or rank of first or second in their graduating class
- (B) Students graduating from high schools that do not provide class rank and home-educated students shall be considered for eligibility as an Institutional nominee based on their ACT or SAT test scores.

- (C) Students are eligible for consideration as an Institutional Nominee no later than the fall semester immediately following the graduation of their high school class. The Chancellor may approve exceptions to this requirement for extraordinary circumstances.
- (D) Institutional Nominees may be Oklahoma residents or nonresidents.
- (E) Students receiving the scholarship as an Institutional Nominee of a two-year college are eligible for transfer to a four-year public or private Oklahoma institution after completion of an associate's degree or the accumulation of at least 48 credit hours within their first two academic years at any combination of two year colleges in the State System. In addition, the Institutional Nominee of a two-year college must attend the nominating institution for the first year.
- (F) Students receiving the scholarship as an Institutional Nominee of a four-year university are eligible for transfer to another Oklahoma institution after one year of attendance at the nominating institution.
- (G) Students who fail to enroll the first semester upon nomination forfeit their scholarship eligibility.
- (H) Institutions may not replace students who forfeit their scholarship or are removed from the program due to failure to meet continuing eligibility requirements with another nominee.

(b) Students receiving the scholarship are eligible for eight semesters of scholarship at Oklahoma colleges and universities. Additional semesters of award, up to ten semesters, are available upon approval by the President or appropriate academic officer of the institution and the Chancellor. Additional semesters are intended only for extraordinary circumstances or for undergraduate academic programs that cannot be completed within eight semesters.

GIST/ANALYSIS:

Award Disbursement Policies: Colleges and universities continue to expand their offerings of more flexible non-traditional enrollment options. In addition, many certificate programs at state career technology centers (at which the Oklahoma Tuition Aid Grant - OTAG - is authorized to be used) are also offered in non-traditional enrollment periods based on clock hours rather than college semester credit hours. The proposed changes allow the OTAG award to be disbursed in a manner consistent with the student's actual enrollment period. The OTAG disbursement procedure will follow federal Pell Grant guidelines which are familiar to all student financial aid officers. The proposed change does not change the maximum annual award, but allows the award to be disbursed in a consistent and effective manner.

CONTACT PERSON:

David B. Harting, Assistant General Counsel, Oklahoma State Regents for Higher Education, (405) 225-9289.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 7. OKLAHOMA TUITION AID GRANT PROGRAM

610:25-7-6. Eligibility; amount of grant; application procedures and deadlines; disbursement of funds

(a) *A college tuition aid grant shall be awarded annually to each eligible, qualified full-time or part-time undergraduate or graduate student enrolled in a curriculum leading to a degree or certificate in an institution of collegiate grade or postsecondary institution providing a program of training to prepare students for employment in a recognized occupation in Oklahoma approved or accredited by the Oklahoma State Regents for Higher Education or appropriate postsecondary agency in accordance with the following [70 O.S., § 626.7]:*

(1) **Eligibility.**

(A) Each full-time or part-time resident student's financial eligibility will be based on their Expected Family Contribution (EFC) calculated for federal Title IV student financial aid eligibility. A resident student is one who meets the current Policy on Residence Status of Enrolled Students in the Oklahoma State System of Higher Education. Full-time and part-time status will be defined in accordance with the current definition for full-time or half-time enrollment status for federal Title IV student financial aid eligibility.

(B) *The Oklahoma State Regents for Higher Education shall determine by rules and regulations the maximum number of semesters a student may be eligible for grants. [70 O.S., § 626.7] An otherwise eligible undergraduate student can continue to receive awards as long as they are eligible for funding from the federal Pell grant program. Graduate students can receive a maximum of eight full-time disbursements.*

(C) *No student shall be eligible for grants unless he maintains such minimum standards of academic performance as are required by the institution in which the student is enrolled. [70 O.S., § 626.7] The minimum standards of academic performance shall be those required by the institution for federal Title IV financial aid recipients.*

(D) *Students who are incarcerated are not eligible to receive tuition aid grants. Incarceration will be defined in accordance with the current definition for federal Pell grant eligibility.*

(E) *Students must be enrolled in a postsecondary institution eligible to participate in the federal Title IV student financial aid programs.*

(F) *Students must meet all general eligibility requirements for recipients of federal Title IV student financial aid. The school of attendance will report each student's completed application status through a reporting system provided by the Oklahoma State Regents for Higher Education.*

(G) *In the event a student for any reason ceases to continue to be enrolled during the course of an academic year, the student shall cease to be eligible for tuition aid. [70 O.S., § 626.7]*

(2) **Amount of grant.**

(A) *The amount of tuition aid grant to any student under this act [70 O.S., § 626.1 et seq.] for any semester shall represent a percentage not greater than seventy-five percent (75%) of the previous year's tuition and enrollment fees normally charged to residents of the State of Oklahoma by the institution of attendance. [70 O.S., § 626.7] The tuition and enrollment fees used in calculating the award will be based on standards as follows: full-time undergraduate - 30 credit hours per academic year; part-time undergraduate and graduate - 12 credit hours per academic year; full-time graduate - 18 credit hours per academic year; full-time career technology - at least 900 clock hours; and part-time career technology - at least 450 clock hours. If the Oklahoma State Regents for Higher Education determine that funds are available to offer awards for summer enrollments, institutions will be notified. At the time of the notification, summer award amounts will be announced.*

(B) *The percentage of aid awarded shall be based on a need analysis system that is consistent with federal student financial aid regulations. [70 O.S., § 626.7] The percentage of aid awarded shall be based on the student's Expected Family Contribution*

Permanent Final Adoptions

(EFC) calculated for federal Title IV student financial aid eligibility. The Oklahoma State Regents for Higher Education will issue an annual award payment schedule identifying the maximum eligible EFC and identifying the percentage of aid to be awarded according to EFC ranges.

(C) *The Oklahoma State Regents for Higher Education shall determine by rules the annual maximum award based on an annual assessment of funds availability. The State Regents shall not increase the annual maximum award amount unless funding is sufficient to serve at least the same number of students as the previous academic year.* [70 O.S., § 626.7]

(D) The minimum amount of grant to be awarded is \$200 per academic year or \$100 per semester.

(E) The award must be included in the student's financial aid package managed by the institution. If the inclusion of the tuition aid grant award results in the student receiving more financial assistance than is needed to meet their cost of education as determined by the institution, the institution will resolve the over-award in accordance with federal Title IV student financial aid regulations. The institution may reduce or revoke the award if necessary to resolve the over-award.

(3) **Application procedures and deadlines.** *The Oklahoma State Regents for Higher Education may adopt rules and regulations, prescribe and provide appropriate forms for application and employ such persons, contract for such services and make such additional expenditures as may be necessary or appropriate for effectuating the provisions of this act.* [70 O.S., § 626.7]

(A) Students will apply for tuition aid grant award consideration by completing the federal student financial aid application. A separate application may be provided for students eligible for state financial aid under 70 O.S., § 3242. The Oklahoma State Regents for Higher Education will receive application data from the federal Title IV student financial aid application system for those students who indicate their legal state of residence is Oklahoma. Applications with at least one eligible Oklahoma institution selected by the student will be processed for tuition aid grant award consideration.

(B) The application receipt deadline will be reflected in the application document provided annually by the federal Title IV student financial aid application system.

(4) **Disbursement of funds.**

(A) Funds will be disbursed to students after the institution confirms enrollment status and eligibility in each the fall and spring semesters. For standard fall and spring semester enrollment, one-half of the award will be disbursed in the fall semester, and one-half of the award will be disbursed in the spring semester. For non-standard enrollment, disbursements will be made consistent with federal Pell Grant regulations.

(B) Funds for eligible students will be delivered to the institution for disbursement to students in accordance with the institution's student financial aid disbursement policies.

(b) The Oklahoma State Regents for Higher Education are hereby authorized to determine priorities for participation in this tuition aid program by full-time, part-time, undergraduate and graduate students based on available state funding. [70 O.S., § 626.8]

GIST/ANALYSIS:

Adding Statistics and Probability Course Option to Math Curriculum Requirements: The core curriculum requirements for Oklahoma's Promise are directly aligned with the core curriculum requirements for college admission as approved by the State Regents. In June 2016, the State Regents approved a modification to the college admission curriculum requirements for mathematics by adding statistics and probability to the list of acceptable courses. The proposed revision makes this same change to the Oklahoma's Promise curriculum requirements for mathematics.

ACT Test Scores: In addition to meeting the other Oklahoma's Promise program requirements, homeschool students and students graduating from non-accredited high schools are also required by state law to score a 22 or higher on the ACT test. In recent years, ACT has expanded its options for taking the ACT test beyond the traditional six national Saturday testing dates each year. Other official ACT testing options now include school-level testing administered at a school site during the school day, statewide ACT tests (not used in Oklahoma to date), and international tests. The proposed change would recognize these additional methods for students to obtain ACT scores considered official and valid by ACT. The language specifically excludes

"residual" ACT tests administered by an individual college because ACT does not allow residual test scores to be used beyond the campus that administers the test. The language also requires that SAT test scores be considered in a manner comparable to the ACT test scores.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 23. OKLAHOMA HIGHER LEARNING ACCESS PROGRAM

610:25-23-4. Program requirements

- (a) Students shall agree to abide by the following provisions:
 - (1) Attend school regularly and to do homework regularly;
 - (2) Refrain from substance abuse;
 - (3) Refrain from commission of crimes or delinquent acts;
 - (4) Have school work and school records reviewed by mentors designated pursuant to the program;
 - (5) Provide information requested by the Oklahoma State Regents for Higher Education (OSRHE) or the State Board of Education; and
 - (6) Participate in program activities. [70 O.S. § 2605]
- (b) The student's parent(s), custodial parent(s), or guardian(s) shall witness the student's agreement and further agree to:
 - (1) Assist the student in achieving compliance with the agreements;
 - (2) Confer, when requested to do so, with the school contact person, other school personnel, and program mentors;
 - (3) Provide information requested by the OSRHE or the State Board of Education; and
 - (4) Assist the student in completing forms and reports required for program participation, making application to institutions and schools of higher learning, and filing applications for student grants and scholarships. [70 O.S. § 2605]
- (c) Students in the program graduating high school in 2010 and thereafter must complete the following 17-unit core curriculum with a minimum 2.50 grade-point-average (GPA) on a 4.00 grading scale, by the time they graduate from high school. For the purpose of calculating the required core curriculum GPA, core courses in English, lab science, mathematics, history and citizenship skills, foreign or non-English language, computer technology, or "additional" subject areas must be transcribed with a letter grade that has a corresponding numerical value. If the school district assigns a course a grade of "pass" without a numerical value, the OSRHE will assign a letter grade of "D" or the lowest passing grade that the high school assigns to courses. If the required one unit, year, or set

of competencies in fine arts (music, art, or drama) or speech is fulfilled on a pass/fail or competency basis, the course(s) will be accepted and excluded from the required core curriculum GPA calculation.

- (1) Four units, or years, of English (grammar, composition, literature; should include an integrated writing component);
- (2) Three units, or years, of lab science (biology, chemistry, physics, or any lab science certified by the school district; general science with or without a lab may not be used to meet this requirement);
- (3) Three units, or years, of mathematics (Algebra I, Algebra II, geometry, trigonometry, math analysis, pre-calculus, statistics and probability [must have completed geometry and Algebra II], calculus, Advanced Placement Statistics);
- (4) Three units, or years of history and citizenship skills (1 unit of American history and 2 units from the subjects of history, economics, geography, government and/or non-Western culture);
- (5) Two units, or years, of a foreign or non-English language (both units, or years, of the same language), or Two units, or years, of computer technology (courses in programming, hardware, and business computer applications such as word processing, databases, spreadsheets and graphics will qualify; keyboarding and typing classes do not qualify);
- (6) One additional unit, or year, of subjects listed above, or any Advanced Placement course except AP courses in applied fine arts (art history and music theory will count; studio art courses will not count);
- (7) One unit, year, or set of competencies of fine arts (music, art, or drama) or speech.
- (d) The program curricular requirements for English, science, mathematics, history and citizenship skills are identical with the curricular requirements for college admission set by the OSRHE. Any change by the OSRHE to the curricular requirements for college admission shall also apply to the program curricular requirements.
- (e) Advanced students who complete core courses in earlier grades will not be required to take additional courses for purposes of the requirements of this program.
- (f) Strict parameters regulate the substitution of applied courses (OSRHE policy on Institutional Admission and Retention).
- (g) Exceptions to the required core curriculum will be considered according to the following:
 - (1) Students attending schools, or homeschool students participating in other educational programs, which do not offer all the core curriculum courses will be allowed to satisfy the requirements subject to the following provisions:
 - (A) Core curriculum requirements which are also required for regular college admission (OSRHE policy on Institutional Admission and Retention) will be subject to the OSRHE Policy on Remediation and Removal of High School Curricular Deficiencies.
 - (B) Any other core curriculum requirements must be satisfied during the first twenty-four (24)

Permanent Final Adoptions

hours of college coursework. Any exceptions to the twenty-four (24) hour limitation must be requested in writing and shall be subject to approval by the Chancellor.

- (2) Students who have documented proficiency in a non-English language equivalent to at least two (2) units of high school study may be exempted from the requirement of two (2) units of a foreign or non-English language.
 - (3) Any other requests for exceptions to the core curriculum requirement must be submitted in writing to the Chancellor. Upon approval of the exception, the student may be eligible for program benefits; provided, such approval may require the satisfaction of any core curriculum requirements omitted in high school or other educational program.
- (h) Students must attain a minimum 2.50 cumulative GPA on a 4.00 grading scale for all work attempted in grades nine through twelve.
- (i) Homeschool students and students graduating from a high school not accredited by the State Board of Education must achieve a composite score of 22 or higher on the ACT test or the equivalent SAT test score. Only ACT ~~and SAT~~ test scores reported on an official test report issued by ACT from tests administered on national test dates prior to the student's high school graduation will be considered. Scores from ACT residual tests will not be considered. SAT test scores will be considered in a manner comparable to ACT test scores.

GIST/ANALYSIS:

ACT Test Scores: To be eligible for the Regional University Baccalaureate Scholarship, students must score at least a 30 on the ACT unless they meet other designations. In recent years, ACT has expanded its options for taking the ACT test beyond the traditional six national Saturday testing dates each school year. Other official ACT testing options now include school-level testing administered at a school site during the school day, statewide ACT tests (not used in Oklahoma to date), and international tests. The proposed change recognizes these additional methods for students to obtain ACT scores considered official and valid by ACT. The language specifically excludes "residual" ACT tests administered by an individual college because ACT does not allow residual test scores to be used beyond the campus that administers the test.

Retention/Graduation Grade Point Average (GPA): The proposed changes allow, in addition to the cumulative GPA, the use of the student's retention/graduation GPA for meeting the program's continuing eligibility GPA requirements. The retention/graduation GPA calculation does not include activity courses or courses subject to academic forgiveness provisions authorized by State Regents' policy. State Regents' policy also uses the retention/graduation GPA for compliance with State Regent's system-wide academic enrollment requirements. In addition, on students' transcripts, the retention/graduation GPA is required to be shown but the reporting of the cumulative GPA is optional.

Final Semester Award: Students in the program are limited to eight semesters of scholarship eligibility and must enroll in at least twelve hours per fall or spring semester. The proposed revision would allow students in their final semester of undergraduate enrollment to be eligible for a half-semester award for at least six hours of enrollment. This provision is for students who need less than twelve hours in their final semester to complete their undergraduate degree. The change would prevent the student from having to take unnecessary courses to receive an award and would also prevent the program from having to pay a larger award for unnecessary courses.

David B. Harting, Assistant General Counsel, Oklahoma State Regents for Higher Education, (405) 225-9289.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 33. REGIONAL UNIVERSITY BACCALAUREATE SCHOLARSHIP PROGRAM

610:25-33-4. Eligibility Requirements

- (a) Applicants shall be Oklahoma residents.
- (b) Applicants must meet one of the following criteria defined below:
 - (1) An ACT qualified student, which shall mean a student whose ~~American College Testing~~ACT composite score is at least 30 and whose grade point average and class rank are exceptional, as determined by the institution;
 - (2) A National Merit Semifinalist or Commended Student, which shall mean a student designated as a National Merit Semifinalist or National Merit Commended Student by the National Merit Scholarship Corporation;
- (c) Only ACT ~~and SAT~~ test scores from tests administered on national test dates reported on an official test report issued by ACT will be considered for admission to the program. Scores from ACT residual tests will not be considered.

610:25-33-5. Criteria for Continued Eligibility

(a) Participants awarded a scholarship must maintain a cumulative 3.25 cumulative or retention/graduation grade-point-average. A program year is defined as beginning in the fall semester and continuing through the summer term. The cumulative or retention/graduation grade-point-average will be determined at the end of the program year, i.e., between the summer and fall terms.

(b) Scholarship recipients must maintain full-time enrollment each semester. Full-time enrollment shall mean a minimum of 12 hours per semester and 24 hours in the two regular semesters. Students who, due to extraordinary circumstances during the semester, drop below the minimum of 12 hours of initial enrollment, must earn 24 credit hours for the two regular semesters to retain eligibility for the next program year. Students will be eligible for summer awards if they have earned 24 semester credit hours in the preceding two regular semesters. Students who receive part-time awards for summer must enroll in at least 6 credit hours and must complete a total of at least 30 credit hours during the full academic year (fall, spring, summer). Students who receive full-time awards for summer must enroll in at least 12 credit hours and must complete a total of at least 36 credit hours during the full academic year (fall, spring, summer). Hours of enrollment required for summer awards may consist of a combination of summer and intersession enrollment. Part-time awards, for enrollment of 6 to 11 credit hours, made for the summer term will count as one-half of a semester used in the program and will be in the amount of one-half of a semester award. Full time awards, for enrollment of 12 or more credit hours, made for the summer term will count as a full semester used in the program and will be in the amount of one semester award. Students who require less than 12 credit hours for graduation purposes during the last semester of undergraduate enrollment may request payment of their scholarship in the amount of a one-half semester award for at least six hours of enrollment. The term will count as one-half semester used in the program.

(c) A student who fails to meet the continued eligibility requirements will be removed from the program without academic scholarship assistance the following semester. Any semester during which the student does not receive an award due to failure to meet the continuing eligibility requirements is counted as a semester used in the program and is deducted from the eight semesters allotted for the program. A student may be reinstated to the program:

- (1) If the student achieves a 3.25 cumulative or retention/graduation grade-point average at the end of the following fall or spring semester or summer term;
- (2) If the student in the following fall or spring semester remedies the credit-hour deficiency by earning twelve credit hours in addition to the number of hours by which the student is deficient; or if the student earns the deficient credits in the following summer term.

(d) In summary, a student may be reinstated only one time and has one year to remedy the grade-point average or credit-hour deficiency. Maintaining eligibility and familiarity with State Regents' and institutional policy is the responsibility of the student.

(e) Participants may take a leave of absence from the program by petition to the Oklahoma State Regents for Higher Education. Leaves of absence may not be used to remedy grade-point average or credit-hour deficiency.

GIST/ANALYSIS:

The majority of the changes throughout Chapter 1 consist of the division name change of Vocational Rehabilitation for the Blind & Visually Impaired (VRBVI) becoming Visual Services (VS). Additional changes include removing specific names of publications, forms and instructions and use general descriptive language.

CONTACT PERSON:

Tina Calloway, Administrative Assistant, State Department of Rehabilitation Services, Process Improvement Unit, 3535 N.W. 58th Street, Suite 500, Oklahoma City, OK 73112-4824, (405) 951-3552.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

Permanent Final Adoptions

SUBCHAPTER 1. GENERAL PROVISIONS

612:1-1-6. Description of forms and instructions issued by the Department for public use

Forms and instructions issued by the Department for public use are:

- (1) ~~"A Personal Directory, Your Rights and Responsibilities as an Applicant or Client"~~ A publication outlining rights and responsibilities of applicants for and clients of Vocational Rehabilitation or Vocational Rehabilitation for the Blind & Visually Impaired Visual Services" is issued for public use as a guide to accessing services from the Department, as a guide to requesting fair hearings, and as a guide to the application and eligibility determination process. The explanations given in this publication repeat Department policy faithfully and accurately.
- (2) The Certification as a Person With A Severe Disability is issued to qualifying individuals to use in applying for State government jobs, and allows for exemption from specific Merit System requirements.
- (3) From time to time, the Department issues public information pamphlets for general distribution. These pamphlets present general overviews of services provided by the Department as a whole, or by Divisions or Units within the Department. These pamphlets are carefully reviewed using the two-person proofreading method to check against the official Code or Register text.

SUBCHAPTER 3. ADMINISTRATIVE COMPONENTS OF THE DEPARTMENT

612:1-3-2.1. The Chief of Staff of Rehabilitation Services

- (a) The Chief of Staff of Rehabilitation Services assists the Director of the Department in fulfilling the chief administrative and executive responsibilities for day-to-day direction of the activities necessary for DRS to attain its mission as established by Title 74, Section 166.1 et seq. of Oklahoma State Statute. The work of the Chief of Staff is overseen by the Director of the Department of Rehabilitation Services. In the Director's absence, the work of the Chief of Staff is overseen by the Commission for Rehabilitation Services.
- (b) To the extent deemed necessary and prudent by the Director, or in the Director's absence, the Chief of Staff supervises the Division Administrators for Vocational Rehabilitation Services, ~~Vocational Rehabilitation for the Blind & Visually Impaired Visual Services~~, Disability Determination, Financial Services Division, Management Services, and the Superintendents of the School for the Blind and the School for the Deaf. To the extent deemed necessary and prudent by the Director, or in the Director's absence, the Chief of Staff also supervises the Communications Director and External Relations Officer, and the Chief Fiscal Officer.
- (c) The Chief of Staff duties include:
 - (1) assuring that all of DRS is working toward its mission and the goals established by the Commission and

the Director through aggressive implementation of the planning and budgeting system;

- (2) serving as staff to the Commission for Rehabilitation Services at the direction of, or in the absence of, the Director, providing necessary input for decision-making and assuring that actions approved by the Commission are carried out;
- (3) developing and maintaining cooperative relationships with lawmakers and other officials, both federal and state, to assure the fulfillment of DRS's mission;
- (4) maximizing all available resources for the delivery of services to the clients DRS is charged to serve;
- (5) serving as a spokesperson for DRS and as an advocate for the clients it serves;
- (6) assuring the coordination of services with other state agencies; and,
- (7) carrying out such other duties and assignments the Director, or in the Director's absence, the Commission deems necessary and prudent to attain the mission of DRS; delegating authority to complete duties assigned, and overseeing the accomplishment of those assigned responsibilities.

612:1-3-10. Final signature authority

The Department of Rehabilitation Services recognizes the importance of efficient processing of resource and operations approval requests. At the same time, the Department must assure sufficient oversight of resource allocation in order to fulfill its obligations as a steward of public funds. The Department has therefore established a signature authority listing to delineate final approval levels for resource and operations approval requests. With regard to signature authority on contracts, all expenditures must be consistent with DRS's budget categories as approved by the Commission. Delegation of final signature authority is limited to the next lower administrative level unless approved in writing by the Director. The administrator is to notify the appropriate administrative programs of delegations. Administrators have authority to approve actions within their areas of responsibility at all administrative levels below their own. The requests listed in (1) through (9) of this Subsection must continue to be reviewed and approved by the appropriate staff before presentation to the individual with final signature authority. There are additional resource and operations approvals unique to each administrative area that are stated in the policies established for that administrative area.

- (1) **Director's signature.** The Director has final signature authority for items listed in (A) through (E) of this Paragraph.
 - (A) Sole source contracts.
 - (B) Initial contracts for \$250,000 or more.
 - (C) Notices of personnel action (may be delegated).
 - (D) Leave without pay requests for 90 days or more.
 - (E) Other actions as required by executive order, statute, etc.

(2) **Chief of Staff.** The Chief of Staff has final signature authority for items listed in (A) through (C) of this Paragraph.

(A) Initial contracts between \$100,000 and \$250,000 on a case by case basis and upon written authority of the Director.

(B) Initial contracts or interagency agreements which obligate the entire Department or more than one division.

(C) New brochures, forms, publications (electronic or printed), and videos produced for more than one division.

(3) **Division Administrator.** Division Administrators have final signature authority for items listed in (A) through (K) of this Paragraph.

(A) Initial contracts for less than \$100,000.

(B) New or revised interagency agreements involving the division.

(C) Administrative purchases costing \$10,000 or more (may be delegated). Computer purchases must be co-signed by the Administrator for Information Services.

(D) Requests for employee in-state travel (may be delegated).

(E) Requests for out-of-state employee travel.

(F) Final decisions for employee grievance resolution, other than discrimination complaints, and for adverse action after review by Human Resources.

(G) Leave without pay requests for less than 90 days.

(H) Brochures, forms, publications (electronic or printed), and videos produced for the division.

(I) Requests for internships or practicums for respective division.

(J) Memos for general distribution to the division.

(K) Grant proposals.

(4) **Executive and MSD Administrators.** Executive and MSD Administrators have final signature authority for items listed in (A) through (F) of this Paragraph.

(A) Office supply orders.

(B) Reorder of existing printed materials.

(C) MSD Unit administrative purchase requisitions under area of responsibility up to \$10,000. Computer purchases must be co-signed by the Administrator for Information Services.

(D) Administrative memos under area of responsibility.

(E) Policy Transmittals by the Administrator for Policy Development and Programs Standards.

(F) Requests for employee in-state travel.

(5) **Field Coordinators and Program Managers in DVR and DVRBVIDVS.** The Field Coordinators or Program Managers in Vocational Rehabilitation Services and ~~Vocational Rehabilitation for the Blind and Visually Impaired~~ Visual Services Divisions have final signature authority for administrative purchases up to \$10,000. Computer purchases must be co-signed by the Administrator for Information Services.

(6) **Program Managers in DVRBVIDVS.** Program Managers have final signature authority for items listed in (A) through (B) of this Paragraph.

(A) Office supply requisitions other than those available on the electronic ordering system.

(B) Reorder of existing printed materials.

(7) **Superintendents at OSB and OSD.** Superintendents have final signature authority for items listed in (A) through (J) of this Paragraph for the respective school.

(A) Initial contracts for less than \$100,000.

(B) Interagency agreements involving only the school.

(C) All administrative and educational purchases. Computer purchases must be co-signed by the Administrator for Information Services.

(D) Requests for all employee travel.

(E) Final decisions for adverse action after review by Human Resources.

(F) Final decisions for grievance resolutions, other than discrimination complaints.

(G) Leave without pay requests for less than 90 days.

(H) Requests for internships or practicums.

(I) Brochures, forms, publications (electronic or printed), and videos produced for the school.

(J) Grant proposals.

(8) **Supervisors at OSB and OSD.** Supervisors at OSB and OSD have final signature authority for items in (A) through (B) of this Paragraph for the respective school.

(A) Office supply orders.

(B) Reorder of existing printed materials.

(9) **Program Managers, Disability Determination Division.** Program Managers at the Disability Determination Division have final signature authority for the following items in (A) through (B) of this Paragraph.

(A) The Program Manager responsible for budgets, contracts, and purchases approves administrative purchases under \$10,000. Computer purchases must be co-signed by the Administrator for Information Services.

(B) Reorder of existing printed materials.

SUBCHAPTER 5. PROGRAM DIVISIONS WITHIN THE DEPARTMENT

612:1-5-1. Overview of the department

The purpose of this Subchapter is to provide an overview of the program divisions within the Department of Rehabilitation Services. Program divisions are established for the following areas: Vocational Rehabilitation Services, ~~Vocational Rehabilitation for the Blind & Visually Impaired~~ Visual Services, Disability Determination, Management Services, The Oklahoma School for the Blind and the Oklahoma School for the Deaf. Each of the Divisions has one or more components.

Permanent Final Adoptions

612:1-5-3. Division of Vocational Rehabilitation for the Blind & Visually Impaired Visual Services (DVRBVIDVS)

The Division of ~~Vocational Rehabilitation for the Blind & Visually Impaired Visual Services~~ provides diagnostic, counseling and guidance, physical restoration, training, and other services to individuals whose major disability is blindness or severe visual impairment. All departmental managers and ~~Vocational Rehabilitation for the Blind & Visually Impaired Visual Services~~ Field Coordinators report directly to the Division Administrator or designee. Rehabilitation teachers for the blind provide in-home training, counseling and instruction in daily-living skills to blind individuals. DRS has field staff assigned to meet the needs in every county of the state, although staff may not be officed in each county. Local office staff report to ~~VRBVIDVS~~ Program Managers, who report to the Field Coordinators. The Oklahoma Library for the Blind and Physically Handicapped provides books and magazines in special media to blind and print-limited Oklahomans. The Division of ~~Vocational Rehabilitation for the Blind & Visually Impaired Visual Services~~ administers the Randolph-Sheppard Business Enterprise Program in Oklahoma, securing suitable locations for vending facilities; designing and installing equipment; recruiting, training, placing and supervising operators for the facilities.

GIST/ANALYSIS:

The majority of changes throughout Chapter 10 consist of the division name change of Vocational Rehabilitation for the Blind & Visually Impaired (VRBVI) becoming Visual Services (VS). Additional changes consist of clarifying terms and updating language to reflect current use of terms and removal of antiquated language. The addition of a new policy to authorize DRS to assist clients to participate in work experiences, internships and apprenticeships which are training options encouraged under WIOA. Definition terms revised to implement WIOA changes.

612:10-1-1. Purpose

The purpose of this Chapter is to set forth rules for the provision of services provided by the Division of Vocational Rehabilitation and the Division of ~~Vocational Rehabilitation for the Blind & Visually Impaired~~ Visual Services.

612:10-1-2. Definitions

The following words and terms, when used in this Chapter, shall have the following meaning, unless the context clearly indicates otherwise:

"Act" means the Rehabilitation Act [29 USC 701 et seq.].

"ADL" Activities of Daily Living often refer to the routine activities carried out for personal hygiene and health (including bathing, dressing, feeding) and for operation of a household.

"Applicant" means an individual who has completed and signed an agency application form or has otherwise requested vocational rehabilitation services; who has provided information necessary to initiate an assessment to determine eligibility and priority for services; and who is available to complete the assessment process.

"Assistive technology" means technology designed to be utilized in an assistive technology device or service.

"Assistive technology device" means any item, piece of equipment, or product system, whether acquired commercially,

modified, or customized, that is used to increase, maintain, or improve functional capabilities of individuals with disabilities.

"Assistive technology service" means any service that directly assists an individual with a disability in the selection, acquisition, or use of an assistive technology device.

"Authorized Representative" means a client's or applicant's parent, guardian, advocate (i.e. Client Assistance Program) or other person designated by the client or applicant as the individual authorized to deal with the Department on behalf of the client or applicant, consistent with provisions of the Act. Authorized representative does not include an employee of the Department of Rehabilitation Services, another state agency, or vendor of the Department unless the person is actually the parent, guardian, or is serving in the capacity of guardian (for example: court appointed).

"Best correction" refers to the use of standard eyeglasses or contact lenses and does not include the use of bioptic telescopic systems or specialized lenses which cannot be worn by the individual on a sustained basis.

"Blind" means persons who are blind within the meaning of the State Law relating to Vocational Rehabilitation. Legal blindness means a visual acuity of 20/200 or less in the better eye with best correction, or a visual field of 20 degrees or less.

"Client/Consumer" means an individual found eligible and receiving services under the Act.

"Clubhouse model" means a psychosocial and vocational approach to work adjustment for people with mental illness. The work-ordered day is a core element of the clubhouse, which focuses on strengths, talents and abilities. Work in the clubhouse helps members develop appropriate social skills and gain self-worth, purpose, and confidence. The clubhouse enables members to return to paid work through Transitional Employment, Supported Employment and independent employment.

"Community rehabilitation program" (CRP) means a program that directly provides or facilitates the provision of vocational rehabilitation services to individuals with disabilities, and provides singly or in combination, services for an individual with a disability to enable the individual to maximize opportunities for employment, including career advancement.

"Comparable services and benefits" means services that are provided or paid for in whole or in part by other Federal, state or local public agencies, health insurance or employee benefits, and are available to the individual at the time needed to further the progress of the individual toward achieving his/her identified employment outcome.

"Compensatory training" means training required before the client can enter a formal training program or employment, such as pre-vocational or personal adjustment training.

"Competitive integrated employment" means ~~work in the competitive labor market that is performed on a full time or part time basis in an integrated setting; and for which the individual is compensated at or above the minimum wage, but not less than the customary wage and level of benefits paid by the employer for the same or similar work performed by individuals who do not have disabilities~~ full or part-time work that is compensated at or above minimum wage, offers

Permanent Final Adoptions

an individual with a disability benefits and opportunities for advancement comparable to those offered to employees in similar positions, and is performed in a setting where the individual with a disability interacts with persons without disabilities to the same extent that employees who are not individuals with disabilities and who are in comparable positions interact with these persons. Specific criteria defining competitive integrated employment are detailed in 34 CFR 361.5(c)(9).

"Consumer Independence Support Services" (CISS) are defined as providing independent living assessment, intensive counseling, community integration, and housing modifications to further assist consumers with severe disabilities in achieving independence.

"Continuity of Services" means once an individual is selected for services in accordance with policy, regardless of the priority category from which the individual was selected, the individual will receive the necessary purchased services, including post-employment services.

"Counselor" means the qualified rehabilitation professional, who is an employee of the designated state unit, and who has primary responsibility for the management of an individual's rehabilitation services case record, including determination of eligibility, service planning and management, counseling and guidance, and determination of successful or unsuccessful rehabilitation. Counselor is equivalent to such terms as ~~VR/VRBVI~~VR/VS Specialist and ~~VR/VRBVI~~VR/VS Coordinator.

"Customized employment" means competitive integrated employment, for an individual with a significant disability, that is based on a determination of the unique strengths, needs and interests of the individual; designed to meet the specific abilities of the individual and the business needs of the employer; and carried out using flexible strategies such as those detailed in 34 CFR 361.5(c)(11).

"Department" unless otherwise indicated in the text, means the Department of Rehabilitation Services as constituted in 74 O.S., Section 166.1 et seq.

"DRS" means the Department of Rehabilitation Services.

"DVR" means the Division of Vocational Rehabilitation.

"~~DVRBVIDVS~~" means the Division of ~~Vocational Rehabilitation for the Blind & Visually Impaired~~Visual Services.

"Eligibility" or "Eligible" means:

(A) when used in relation to an individual's qualification for Vocational Rehabilitation services, a determination that the individual has a physical or mental impairment which for such individual constitutes or results in a substantial impediment to employment; can benefit in terms of an employment outcome from rehabilitation services; and requires vocational rehabilitation services to prepare for, secure, retain, advance in or regain employment;

(B) when used in relation to an individual's qualification for Supported Employment services, a determination that the individual is eligible for Vocational Rehabilitation services; is an individual with the most significant disabilities (priority group one); and

(i) for whom competitive employment has not traditionally occurred; or

(ii) for whom competitive employment has been interrupted or intermittent as a result of a significant disability; and

(iii) who, because of the nature and severity of their disability, need intensive supported employment services, and extended services after the transition from intensive supported employment services, in order to perform such work;

(C) when used in relation to an individual's qualification for Rehabilitation Teaching services, a finding that an individual is legally and/or functionally blind, has a rapidly progressive eye condition; or has a visual impairment that with or without secondary disabilities results in functional visual limitations; the individual has identifiable deficiencies in independent living due to disabilities; and it is expected services will improve the individual's independence in the home and community.

"Employment and Retention" (E&R) means short-term job coach support for individuals with severe disabilities who require assistance preparing for, obtaining, and maintaining employment.

"Employment outcome" means, with respect to an eligible individual, ~~entering or retaining full time or, if appropriate, part time competitive employment in the integrated labor market to the greatest extent practicable; supported employment; or any other type of employment (including self employment, telecommuting, or business ownership) that is consistent with an individual's strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice~~entering, advancing in, or retaining full-time or part-time competitive integrated employment as defined in 34 CFR §361.5(c)(9) (including customized employment, self-employment, telecommuting, or business ownership), or supported employment as defined in 34 CFR §361.5(c)(53), that is consistent with an individual's unique strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice. (Note: As specified in federal rule, a designated State unit may continue services to individuals with uncompensated employment goals on their approved individualized plans for employment prior to the effective date of the final federal regulations until June 30, 2017, unless a longer period of time is required based on the needs of the individual with the disability, as documented in the individual's service record.)

"Extended employment" means work in a non-integrated or sheltered setting for a public or private nonprofit agency or organization that provides compensation in accordance with the Fair Labor Standards Act and any needed support services to an individual with a disability to enable the individual to continue to train or otherwise prepare for competitive ~~integrated employment, unless the individual through informed choice chooses to remain in extended employment.~~

"Extended period of time" means when appropriate services are provided in a timely and orderly manner, completion of the Individualized Plan for Employment (IPE) will be expected to require a minimum of 6 months.

"Extended services" means ongoing support services provided to individuals with the most significant disabilities after the time-limited vocational rehabilitation services have been completed and job stabilization has been achieved. They consist of specific services, including natural supports, needed to maintain the supported employment placement. Extended services are paid from funding sources other than DRS and are specifically identified in the IPE, except that DRS may provide and pay for extended services for youth with the most significant disabilities for a period not to exceed 4 years.

"Extreme medical risk" means a risk of substantially increasing functional impairment or risk of death if medical services are not provided expeditiously.

"Functional capacities" means a client's assets, strengths, and resources which maintain or increase the individual's ability to work. Functional capacities include mobility, communication, self-care, self-direction, interpersonal skills, work tolerance, or work skills.

"Functional limitations" means physical or mental conditions, emergent from a disability, which impair, interfere with, or impede one or more of an individual's functional capacities.

"Higher education" means universities, colleges, community/junior colleges, vocational schools, technical institutes, or hospital schools of nursing.

"Highly challenged" describes a client receiving supported employment services who, due to the nature of the disability, requires a greater level of support from the job coach to achieve and maintain employment.

"Homemaker" means a person whose primary work is performance of duties related to upkeep and maintenance of a home.

"IEP" means Individualized Education Program as required by the Individuals with Disabilities Education Act.

"Independent Living (IL) Core services/Services" is defined as information and referral services; independent living skills training; peer counseling; individual and systems advocacy; and services that facilitate the transition of individuals with significant disabilities from institutions to community-based residences, assist individuals at risk of entering institutions to remain living in the community, and assist the transition to postsecondary life for youth with significant disabilities who were eligible for special education and are no longer in school.

"Independent Living Services" as defined in the Rehabilitation Act, 29 USC Section 705 (17) and (18), include IL core services and counseling, housing procurement and modifications, personal assistance, mobility training, rehabilitation technology, life skills training, interpreters, readers, transportation, community integration, supported living, physical rehabilitation, aids and devices, social and recreational opportunities, and other services that are necessary and not inconsistent with the Act's provisions related to independent living.

"Individual with a disability" means an individual having one or more physical or mental conditions which materially limits, contributes to limiting or, if not corrected, will probably

result in limiting an individual's employment activities or vocational functioning.

"Individual with a severe disability" means with respect to eligibility for the state's Optional Program for Hiring Applicants with Disabilities, an individual who has a physical or mental impairment which seriously limits one or more functional capacities (such as mobility, communication, self-care, self-direction, interpersonal skills, work tolerance, or work skills) in terms of an employment outcome.

"Individual with significant disability" means an individual with a significant barrier to employment, as used in the Rehabilitation Act amendments of 1998, and an individual:

(A) who has a physical or mental impairment seriously limiting one or more functional capacities (such as mobility, communication, self-care, self-direction, interpersonal skills, work tolerance, or work skills) in terms of an employment outcome;

(B) whose vocational rehabilitation can be expected to require multiple vocational rehabilitation services over an extended period of time; and

(C) who has one or more physical or mental disabilities resulting from amputation, arthritis, autism, blindness, burn injury, cancer, cerebral palsy, cystic fibrosis, deafness, head injury, heart disease, hemiplegia, hemophilia, respiratory or pulmonary dysfunction, mental illness, intellectual disability, multiple sclerosis, muscular dystrophy, musculoskeletal disorder, neurological disorders (including stroke and epilepsy), paraplegia, quadriplegia, other spinal cord conditions, sickle cell anemia, specific learning disability, end-stage renal disease or other disability or combination of disabilities determined on the basis of an assessment for determining eligibility and vocational rehabilitation needs to cause comparable substantial functional limitation.

"Individual with the most significant disability" means an individual with the most significant barrier to employment as used in the Rehabilitation Act amendments of 1998, and an individual with physical or mental disabilities:

(A) who has a severe physical or mental disability that seriously limits three or more major life activities in terms of an employment outcome;

(B) whose vocational rehabilitation can be expected to require multiple vocational rehabilitation services over an extended period of time; and

(C) who has one or more physical or mental disabilities resulting from amputation, arthritis, autism, blindness, burn injury, cancer, cerebral palsy, cystic fibrosis, deafness, head injury, heart disease, hemiplegia, hemophilia, respiratory or pulmonary dysfunction, mental illness, intellectual disability, multiple sclerosis, muscular dystrophy, musculoskeletal disorder, neurological disorders (including stroke and epilepsy), paraplegia, quadriplegia, other spinal cord conditions, sickle cell anemia, specific learning disability, end-stage renal disease or other disability or combination of disabilities determined on the basis

Permanent Final Adoptions

of an assessment for determining eligibility and vocational rehabilitation needs to cause comparable substantial functional limitation.

"Integrated setting" means:

(A) With respect to the provision of services, a setting typically found in the community in which applicants or eligible individuals interact with non-disabled individuals other than non-disabled individuals who are providing services to those applicants or eligible individuals.

(B) With respect to an employment outcome, means a setting typically found in the community in which applicants or eligible individuals interact with non-disabled individuals, other than non-disabled individuals who are providing services to those applicants or eligible individuals, to the same extent that non-disabled individuals in comparable positions interact with other persons.

"Intercurrent (acute) conditions" means an illness or injury occurring during the actual course of an individual's rehabilitation which, if not cared for, will complicate or delay achievement of the client's employment outcome as identified in the client's IPE.

"IPE" means the Individualized Plan for Employment.

"Job Club" is a structured learning experience for a client to build skills in self-assessment, resume development, job search and research strategies, and interview techniques to assist the person to enter a career of their choice.

"Job Coach/Employment Training Specialist" means a qualified individual providing support services to eligible individuals in supported employment and employment and retention programs. Services directly support the eligible individual's work activity including marketing and job development, applied behavioral analysis, job and work site assessment, training and worker assessment, job matching procedures, and teaching job skills.

"Long-term treatment" means medical or psychological treatment that is expected to last more than three months.

"Maintenance" is a service provided to assist with the out-of-ordinary or extra expenses to the individual resulting from and needed to support the individual's participation in diagnostic, evaluative, or other substantial services in the IPE. Activities of Daily Living (ADL) expenses are not eligible for maintenance payments.

"Milestones" means a payment system that reimburses a vendor based on incentives and outcomes. The vendor is paid when the client completes pre-defined checkpoints on the way to a desired employment goal.

"Multiple services" means the counseling and guidance provided as a routine part of case management plus two or more VR services. Comparable benefits and/or services can count toward meeting the definition of multiple services. Services routinely provided as a package do not count as multiple services for the purpose of determining the presence of a significant disability, even if two or more services are included in the package.

"Natural supports" means any assistance, relationships or interactions that allow a person to maintain employment in

ways that correspond to the typical work routines and social interactions of other employees. Natural supports may be developed through relationships with people or put into place by the adaptation of the work environment itself, depending on the support needs of the person and the environment.

"Occupational license" means any license, permit, or other written authority required by a state, city or other governmental unit to be obtained in order to enter an occupation.

"Ongoing support services" means services specified in the IPE according to individual need, which support and maintain an individual with the most severe significant disabilities in supported employment. Sponsored ongoing support services are provided from the time of placement until the individual is stabilized on the job. Ongoing support services are provided by one or more extended services providers, or by natural supports, following transition throughout the individual's term of employment. ~~In transitional employment, the provision of ongoing support services must include continuing sequential job placements until job permanency is achieved.~~

"Other Qualified Rehabilitation Personnel" means qualified rehabilitation personnel who, in addition to rehabilitation counselors, are necessary to facilitate the accomplishment of the employment outcomes and objectives of an individual (Section 100(a)(3)(E) of the Act.) Other qualified rehabilitation personnel include, but are not limited to, rehabilitation teachers of the blind who are certified at the national level ~~as Certified Vision Rehabilitation Therapists (CVRT) or who are CRC eligible (Section 101(a)(7)(B) of the Act). The agency has determined that nationally certified rehabilitation teachers of the blind are necessary for the provision of vocational rehabilitation services and accomplishment of employment outcomes in Homemaker cases and that in their role as Other Qualified Rehabilitation Personnel; nationally certified rehabilitation teachers are approved to manage Homemaker cases through closure.~~

"Package of services" means several services which are usually provided together for the same purpose. The services in a package are usually, but not always, from the same category of services (see definition of multiple services, this section). Examples include, but are not limited to: surgery, anesthesia, and hospitalization; or personal computer, software, and peripheral equipment.

"Personal assistance services" means a range of services provided by one or more persons designed to assist an individual with a disability to perform daily living activities on or off the job that the individual would typically perform without assistance if the individual did not have a disability.

"Physical and mental restoration services" means services which are necessary to correct or substantially modify a physical or mental condition which is stable or slowly progressive, within a reasonable period of time.

"Physical or mental disability" means a physical or mental condition which, if not corrected, materially limits, contributes to limiting or will result in limiting an individual's activities or functioning.

"Pre-employment transition services" means the required activities and authorized activities specified in 34 CFR 361.48(a)(2) and (3).

"**Rehabilitation Act**" means the Rehabilitation Act [29 USC 701 et seq.].

"**Related factors**" means those factors which are not directly attributable to the impediment to employment, but which have impact on the potential for successful rehabilitation. They frequently become evident only from an assessment of the person's social, vocational, educational, and environmental circumstances.

"**Section 504 Plan**" is a plan designed as a protection for students with disabilities who may not be considered eligible for special education under IDEA in compliance with Section 504 of the Rehabilitation Act of 1973 as amended.

"**Small business enterprises**" means a small business operated by blind or other individuals with severe disabilities under the management and supervision of the state DRS. Such businesses include only those selling, manufacturing, processing, servicing, agricultural, and other activities which are suitable and practical for the effective utilization of the skills and aptitudes of individuals who are blind or individuals who have severe disabilities. Small business enterprise provides substantial gainful employment or self-employment commensurate with the time devoted by the operators to the business, the cost of establishing the business and other factors of an economic nature.

"**Stabilization**" means the period of time when job coach support is reduced to the long-term maintenance level while the individual retains employment, and personal satisfaction with the job, as well as employer satisfaction with the person's job performance. Stabilization must include appropriate individualized supports, including a minimum of two employee contacts and one employer contact per month.

"**Substantial impediment to employment**" means that a physical or mental disability (in the light of related medical, psychological, vocational, educational, cultural, social or environmental factors) that impedes an individual's occupational performance, by preventing his/her obtaining, retaining, or preparing for a gainful occupation consistent with his/her capacities and abilities.

"**Supported employment**" (SE) means competitive work in integrated work settings integrated employment, including customized employment, or employment in integrated work settings in which individuals are working on a short-term basis toward competitive work, consistent with the strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice of the individuals, for individuals with the most significant disabilities who meet the eligibility criteria for supported employment as defined in 34 CFR 361.5(c)(53). For purposes of this definition, "short-term basis" shall mean six months or up to 12 months in limited circumstances as described in 34 CFR 361.5(c)(53). ~~This term includes transitional employment for persons who are individuals with the most significant disabilities due to mental illness (see the definition for "transitional employment")~~

"**Transitional employment**" (TE) ~~means, when referring to the Supported Employment Program, a series of temporary job placements in competitive work in integrated settings with ongoing support services for individuals with the most significant disabilities due to mental illness.~~

"**Transition services**" means, for a student or a youth with a disability, a coordinated set of activities designed within an outcome-oriented process that promotes movement from school to post-school activities, including postsecondary education, vocational training, competitive integrated employment, supported employment, continuing and adult education, adult services, independent living, or community participation. Transition services (1) are based upon the individual student's or youth's needs, preferences and interests; (2) include instruction, community experiences, the development of employment and other post-school adult living objectives, and, if appropriate, acquisition of daily living skills and functional vocational evaluation; (3) promote or facilitate the achievement of the employment outcome identified in the student's or youth's individualized plan for employment; and (4) include outreach to and engagement of the parents, or, as appropriate, the representative of such a student or youth with a disability.

"**Transportation**" is a service provided to assist with the costs of travel, including instruction in the use of public transportation vehicles and systems, which result from and are needed to support the individual's participation in diagnostic, evaluative, or other substantial and necessary VR services.

~~"**Unpaid family worker**" means a person who works without pay on a family farm or in a family business, operated by a family member who is related by blood or marriage.~~

"**VR**" means the Division of Vocational Rehabilitation, or the more general term vocational rehabilitation services, depending upon the context.

~~"**VRBVI**" means the Division of Vocational Rehabilitation for the Blind & Visually Impaired~~ Visual Services, depending upon the context.

612:10-1-3. Basic philosophy of rehabilitation programs

(a) **Purpose.** The purpose of programs and services provided by the Division of Vocational Rehabilitation (DVR) and the Division of ~~Vocational Rehabilitation for the Blind & Visually Impaired~~ Visual Services (DV~~RBVIDVS~~VS) is to empower individuals with disabilities to maximize employment, economic self-sufficiency, independence, and inclusion and integration into society through comprehensive programs of vocational rehabilitation. Vocational rehabilitation programs are designed to assess, plan, develop and provide vocational rehabilitation services for individuals with disabilities, consistent with their strengths, resources, priorities, concerns, abilities, capabilities, interests and informed choice, so that they may prepare for and engage in gainful employment (34 CFR 361.1 (b)).

(b) **Basic philosophy.** DVR and ~~DV~~RBVIDVS~~~~ visual vocational rehabilitation programs are carried out in accordance with the principles stated in Section 100 (3) of the Rehabilitation Act including,

(1) Individuals with disabilities, including individuals with the most significant disabilities, are generally presumed to be capable of engaging in gainful employment and the provision of individualized vocational rehabilitation services can improve their ability to become gainfully employed.

Permanent Final Adoptions

- (2) Individuals with disabilities must be provided the opportunities to obtain gainful employment in integrated settings.
- (3) Individuals with disabilities must have the opportunity to be active and full partners in their vocational rehabilitation process.
- (4) Qualified vocational rehabilitation counselors and other qualified and specialized rehabilitation personnel are necessary to facilitate the accomplishment of the employment outcomes and objectives of an individual.

612:10-1-3.1. Procedural exceptions

Procedures set forth in this Chapter are not intended to reflect every situation that might confront DVR or ~~DVR-BVIDVS~~ staff or to replace the staff's use of good judgment. In individual cases an exception from basic procedures may be requested. Authority to approve certain deviations from standard procedure rests with the division administrator. Authority to approve certain procedural exceptions has been delegated to program managers and field coordinators. Only those exceptions stated in rule may be applied to rules.

612:10-1-3.2. Pilot projects

The purpose of pilot projects is to allow the Divisions of Vocational Rehabilitation and ~~Vocational Rehabilitation for the Blind & Visually Impaired~~ Visual Services to design and evaluate service delivery innovations on a scale that will provide for an effective trial without being disruptive to the entire organization. Such pilot projects might include trials of innovative policies, standards, and/or procedures.

- (1) **Authorization of pilot projects.** The Division Administrator may approve applications for pilot projects after review and approval of the pilot by the ~~DVR/DVR-BVIDVS~~ Management Team. Approval of an application for a pilot project by the Division Administrator will constitute authority to implement the pilot project for a length of time to be specified by the Division Administrator. The Division Administrator can terminate the pilot project at any time prior to the specified project duration. The pilot project may not be extended beyond the originally approved time period.
- (2) **Effect of DRS policy on pilot projects.** The Director of the Department of Rehabilitation Services may waive the applicability of specified departmental policies when necessary to implement a meaningful trial of the approved pilot project. The waiver will apply only to the pilot project specified by the Director, and will be effective only for the duration of the pilot project. The waiver will end immediately upon termination or completion of the model project.

612:10-1-5. Confidentiality

(a) **General guidelines.** All client or applicant information acquired will remain the property of DRS. All casework materials are to be maintained in the appropriate case record. The terms "release of information", "release of personal information", and similar terms refer to providing access to the

record, or providing copies, summaries, descriptions, or other reproductions of the actual case record materials and not to the materials themselves. All applicants, clients, or client representatives will be informed of the Department's policies on confidentiality of personal information. This information will only be used and released for purposes directly related to the administration of the Vocational Rehabilitation and ~~Vocational Rehabilitation for the Blind & Visually Impaired~~ Visual Services programs. Information containing identifiable personal information will not be shared with advisory or other bodies who do not have official responsibility for the administration of these programs. In the administration of the program, the DVR and ~~DVR-BVIDVS~~ units may obtain personal information from service providers and cooperating agencies under assurances the information will not be further divulged. Use and release of personal information will conform to applicable state and federal laws and regulations. Questions regarding release of information are to be directed to the Department's general counsel. Staff are to consult the general counsel before providing trial testimony, depositions, or a sworn affidavit concerning consumer information. Moreover, if served with a subpoena for the release of client information, staff should notify the general counsel immediately. In a legal proceeding, client information can only be released without the client's consent in response to a court order. A subpoena by itself is not sufficient to authorize disclosure of client information.

(b) **Written release required.** Release of personal information must be by written consent of the individual or authorized representative. If requested in writing by an applicant or eligible individual, DRS will make all requested information in that individual's record of services available to the individual in a timely manner except as provided in subsection (c). The Department's Authorization for Release of Information form may be used when the client requests that personal information be released by DRS to a third party and may also be used to request confidential information from other sources. Other release forms are acceptable, as long as they provide the required information. Written authorization for release of information must include:

- (1) the nature of the information to be released;
- (2) designation of the parties to whom the information is to be released;
- (3) the specific purpose for which the released information may be used;
- (4) designation of the agency or person authorized to disclose the information; and
- (5) dates of initiation and termination of consent.

(c) **Release of information to the individual.** The individual, or the individual's representative, will be given access to the relevant case record, or provided copies of requested information upon providing a written authorization for release of information, except as in (1) through (3) of this Subsection.

- (1) Psychological, psychiatric, mental health and substance abuse treatment records and information from psychological, psychiatric, mental health and substance abuse treatment practitioners may only be obtained provided the requirements of Section 1-109 of Title 43A of the Oklahoma Statutes are met. Under these circumstances,

refer the individual, or the individual's representative, to the treating health professional.

(2) When a DRS professional staff person believes medical or other information not covered in (1) of this Subsection may be harmful to the individual, the information may not be released directly to the individual but must be provided to the individual through a third party chosen by the individual, which may include, among others, an advocate, a family member, or a qualified medical or mental health professional, unless a representative has been appointed by a court to represent the individual, in which case the information must be released to the court-appointed representative.

(3) Information obtained from another organization or agency may be released only through that agency, or under the conditions established by the outside agency, organization or providers. For example, information from the Veteran's Administration and Social Security Administration may not be released. Refer the individual requesting such information to the source from which the information was obtained.

(d) **Request for information correction.** An individual who believes that information in the individual's case record is inaccurate or misleading may request that the information be amended. Even if the information is not amended, the request for amendment must be documented in the case record.

(e) **Release of information to other programs or authorities.** Paragraphs (1) through (4) of this Subsection provide the rules governing release of personal information to other programs or authorities.

(1) Upon receiving the informed written consent of the individual, or the individual's representative, information may be released to another agency or organization. Only that information that would be released to the involved individual, or the individual's representative will be released, and only to the extent that the other program or organization demonstrates that the information requested is necessary for its program.

(2) Personal information will be released if required by Federal law or regulations.

(3) Personal information will be released in response to investigations in connection with law enforcement, fraud, or abuse, unless expressly prohibited by Federal or State laws or regulations, and in response to an order issued by a judge, magistrate, or other authorized judicial officer.

(4) Personal information may be released in order to protect the individual or others if the individual poses a threat to his or her safety or to the safety of others.

(f) **Release of information for audit, evaluation or research.** Personal information may be released to an organization, agency, or individual engaged in audit, evaluation, or research, only:

(1) for the purposes directly connected with the administration of the DVR or ~~DVRBVIDVS~~ program;

(2) for purposes which would significantly improve the quality of life for persons with disabilities; and

(3) if the organization, agency or individual assures:

(A) The information will be used only for the purpose it is being provided;

(B) The information will be released only to persons officially connected with the audit, evaluation or research;

(C) The information will not be released to the individual;

(D) The information will be managed in a manner to safeguard confidentiality; and

(E) The final product will not reveal any personal identifying information without the informed written consent of the involved individual or the individual's representative. [34CFR361.38]

612:10-1-6. Due process

(a) **Notification of rights to due process.** Any applicant or client of DVR or ~~DVRBVIDVS~~ dissatisfied with a determination that affects the provision of vocational rehabilitation services may request a timely review of the determination. Each applicant or client, or as appropriate, the individual's authorized representative will be informed of:

(1) the right to get decisions regarding the individual's case reviewed by an impartial hearing officer;

(2) the right to pursue mediation on decisions regarding the individual's case;

(3) the names and addresses of individuals with whom requests for mediation or due process hearings may be filed;

(4) the manner in which a mediator or impartial hearing officer may be selected; and

(5) the availability of assistance from the client assistance program.

(b) **When notification of rights to due process is required.** The notifications specified in (a) shall be provided in writing, and in appropriate accessible format:

(1) at the time an individual applies for VR services;

(2) at the time an individual is assigned to the State's order of selection;

(3) at the time the Individualized Plan for Employment is developed; and

(4) upon reduction, suspension, or cessation of VR services for the individual.

(c) **Client Assistance Program (CAP).** The purpose of the Client Assistance Program (CAP) as described in this Section is to provide assistance with informing and advising clients and applicants of all available benefits under the Rehabilitation Act. When requested by clients and applicants, CAP will assist them in their relationships with projects, programs, and Community Rehabilitation Programs providing services to them under the Act.

(1) The Oklahoma CAP has the authority to pursue legal, administrative and other appropriate remedies to ensure the protection of the rights of individuals with disabilities who are receiving treatment, services or rehabilitation under the Act within the State.

(2) Vocational Rehabilitation agencies are required by Federal statute to advise all clients and applicants of the existence of CAP, the services provided by the program,

Permanent Final Adoptions

and how to contact the program. A brochure is provided to each individual at the time of application and development of the IPE.

(3) Counselors must assure clients and applicants have access to CAP without fear of reprisal and are not pressured against or otherwise discouraged from using CAP services.

(4) The CAP staff members will provide the following services:

(A) Helping clients or applicants to understand rehabilitation service programs under the Act;

(B) Advising clients or applicants of benefits available to them through rehabilitation programs authorized under the Act and their rights and responsibilities in connection with those benefits;

(C) Otherwise assisting clients and applicants in their relationships with projects, programs, and Community Rehabilitation Programs providing rehabilitation services under the Act;

(D) Helping clients or applicants by pursuing or assisting them in pursuing legal, administrative, and other available remedies when necessary to ensure the protection of their rights under the Act;

(E) Advising State and other agencies of identified problem areas in the delivery of rehabilitation services to individuals with disabilities and suggesting methods and means of improving agency performance; and

(F) Providing information to the public concerning the CAP and Title I of the ADA.

(5) Clients may be referred to CAP by any one of the following:

(A) The client's counselor;

(B) Other DRS representative;

(C) Office of Handicapped Concerns' Hotline;

(D) Self;

(E) Any other interested party.

(6) Every client or applicant has the right to protection of information provided by him/her from unauthorized or indiscriminate disclosure. DVR and ~~DVRBVIDVS~~ will provide CAP officials information regarding an individual's case in accordance with 612:10-1-5 and applicable Federal law and regulations.

(7) The CAP staff will make periodic field visits to facilitate CAP's availability to clients or applicants who cannot travel to Oklahoma City.

(d) **Supervisory review.** DVR and ~~DVRBVIDVS~~ use a supervisory review process to resolve disagreements as close to the field service delivery level as possible. The objective of the supervisory review process is a timely resolution of disagreements, and is not to be used to delay or deny a fair hearing before a hearing officer or the services of an impartial mediator. The supervisory review of a counselor determination starts the 60 day time period established under (f)(5) of this Section. The request for a fair hearing is submitted at this time in accordance with (f)(2) of this Section.

(1) The supervisory review is usually conducted by the program manager. If the program manager was involved

in the disputed determination, the field coordinator conducts the administrative review. If the field coordinator was involved in the disputed determination, the division administrator conducts the administrative review.

(2) The decision that results from the administrative review will be stated in a letter to the individual, or to the individual's representative, with copies to the case record, the program manager, and the hearings coordinator. The letter will identify the individual, case number, caseload, and office location. The body of the letter will state the reason for the administrative review and the decision resulting from that review. If the administrative review resolves the disagreement, the Withdrawal of Request for Hearing form must be submitted with the copy of the letter that is sent to the hearings coordinator.

(e) **Mediation.** Whenever a fair hearing is requested under this Section, mediation shall be offered as an option to resolve a disputed decision. DRS uses the voluntary mediation services of the Oklahoma Supreme Court. The supervisor will arrange for a mediator with the Early Settlement Center that is most convenient to the consumer upon receipt of a request for mediation. DRS will bear the cost of the mediation. The mediation session will be scheduled in a timely manner. An agreement reached by the parties to the dispute in the mediation will be set forth in writing. Discussions that occur during the mediation process will be confidential and may not be used as evidence in any subsequent due process hearing or civil proceeding. Should the dispute be resolved through mediation, a withdrawal of request for hearing must be submitted to the hearings coordinator. The parties to the mediation may be required to sign a confidentiality pledge prior to commencement of the process. Nothing in this Subsection shall be construed to preclude the parties from informally resolving the dispute. The Departmental representative attending the mediation must be the individual who has final decision making authority for the question in dispute. The mediation:

(1) must be entered into voluntarily by all parties;

(2) is not used to deny or delay the hearing or any other right; and

(3) Is conducted by a qualified and impartial mediator.

(f) **Fair hearing process.** The fair hearing process will be conducted in accordance with (1) through (10) of this Subsection.

(1) **Services under IPE to continue.** No services being provided under the IPE shall be stopped, delayed, or reduced by the Department pending a final resolution of a requested hearing unless so requested by the individual or individual's authorized representative; or the service was obtained through misrepresentation, fraud, collusion, or criminal conduct on the part of the individual with disabilities.

(2) **Request for a fair hearing.** The individual has 30 calendar days following the date on the notice of the adverse decision to request a fair hearing.

(A) The individual requesting a fair hearing, may submit it to the local office, or may send it directly to the hearings coordinator in State Office. DVR and

~~DVRBVIDVS~~ staff will assist the individual in completing this form and with preparation of evidence from the case record in conformance with 612:10-1-5, if so requested.

(B) DVR and ~~DVRBVIDVS~~ staff will immediately notify their supervisor of the request for a fair hearing so that the administrative review can be started by the appropriate staff person. The completed Hearing Summary form, a copy of the notice of the adverse decision, and all supporting materials to be used in the hearing must be sent to the hearings coordinator as soon as possible. If a request for a fair hearing is submitted to the local office, staff will immediately forward it with the other materials.

(C) Prior to the actual fair hearing, the hearings coordinator will provide copies of materials the agency will use in the fair hearing to the individual and/or the individual's representative in conformance with 612:10-1-5.

(3) **Withdrawal of request for a fair hearing.** The individual, or the individual's representative, may submit a withdrawal of request for hearing any time following the submission of a request for a fair hearing up to the time the hearing is actually held. If the issue is resolved prior to the fair hearing, the individual, or the individual's representative, must submit a Withdrawal of Request for Hearing to end the fair hearing process.

(4) **Selection of impartial hearing officer.** The hearings coordinator will select an impartial hearing officer from a list of qualified impartial hearing officers maintained and identified by the State unit. Once selected, the impartial hearing officer will assume responsibility for arranging and conducting the fair hearing with the assistance of agency staff as necessary. The hearings coordinator will be apprised of events in the hearing process, and will be provided copies of all correspondence.

(A) Selections will be made randomly; or by agreement between the director of the designated State unit and the applicant or eligible individual or, as appropriate, the individual's representative; from the list of available impartial hearing officers. The hearings coordinator will forward all relevant materials to the assigned impartial hearing officer.

(B) The impartial hearing officer will send written notice of the fair hearing to all parties involved. The written notice of the fair hearing will include the name, address, and a brief vita of the impartial hearing officer.

(C) The individual may request a different impartial hearing officer based upon presented evidence that a conflict of interest exists consistent with Section 7 (16) of the Rehabilitation Act and 34 CFR 361.5(b)(25). A request for a different impartial hearing officer must be made within five days of receiving the fair hearing notice.

(5) **Scheduling of the fair hearing.** The fair hearing must be held within 60 calendar days from the date the request for a fair hearing is received, unless the issue is

resolved prior to the 60th day or the parties agree to a specific extension of time. The administrative review must be conducted and concluded within the same 60 days. Delays or continuances will not be given for the purpose of extending the provision of services. Any agreement to an extension of time must be formalized in writing.

(6) **Consumer's participation in hearing.** At a fair hearing, the individual, or the individual's representative, is afforded the opportunity to:

(A) present additional evidence, information, and witnesses to the impartial hearing officer;

(B) be represented by counsel or other advocate selected by the applicant or eligible individual; and

(C) examine all witnesses and other relevant sources of information and evidence.

(7) **Agency staff attendance.** Professional staff involved in the disputed determination will appear at the hearing to provide appropriate information and evidence and testimony. Other staff will appear as directed.

(8) **Order of proceedings in the fair hearing.** The Impartial Hearing Officer will conduct the fair hearing in accordance with State laws regarding conduct of individual proceedings before an agency, and applicable Federal laws and regulations. Although the order of proceedings is at the discretion of the Hearing Officer, generally, the fair hearing follows this order of proceedings:

(A) presentation, arguments, and disposition of all preliminary motions and matters;

(B) opening statements;

(C) information and evidence presented by the agency;

(D) evidence presented by the grievant;

(E) rebuttal by either or both sides;

(F) closing statements by the grievant;

(G) closing statements by the agency; and

(H) rebuttal by grievant.

(9) **Decision.** The hearing officer makes a decision based on the provisions of the approved State Plan, the Act, Federal vocational rehabilitation regulations, and State regulations and policies that are consistent with Federal requirements and on whether or not the counselor properly applied rules. The hearing officer does not have the authority to rule upon the legality of DRS rules that are consistent with Federal requirements. A decision made after a fair hearing shall be final, unless a party to the fair hearing requests a review under Paragraph (10) of this Subsection. The hearing officer provides the individual, or the individual's representative, and the hearings coordinator a full written report of the findings and grounds for the decision within 30 days of the completion of the hearing. The hearings coordinator will immediately forward the decision to the Director of DRS. The impartial hearing officer may make one of several decisions, which include, but are not limited to:

(A) finding in favor of the grievant;

(B) upholding the determination or action of the agency;

Permanent Final Adoptions

(C) accepting a withdrawal of the appeal confirmed in writing signed by the grievant, or the grievant's representative; or

(D) accepting a settlement of the issues agreed to by the grievant and the agency which must include a written withdrawal of request for a hearing.

(10) Review of impartial hearing officer's decision.

Any party involved in a fair hearing may request an impartial review of the impartial hearing officer's decision within 20 calendar days of that decision. This review will be conducted by the Governor or the Governor's designee to whom DRS is assigned. The review will be conducted in accordance with the standards in (A) through (E) of this paragraph:

(A) The Governor or the Governor's designee will not delegate responsibility for this review to any officer or employee of DRS.

(B) The Governor or the Governor's designee will provide an opportunity for the submission of additional evidence and information relevant to a final decision concerning the matter under review.

(C) The Governor or the Governor's designee will make a final decision within 30 days of the request for administrative review. The decision will be provided to all parties, and/or to the parties' authorized representatives, in writing. The written decision will include a full report of the findings, and the grounds for the decision.

(D) The Governor or the Governor's designee cannot overturn or modify a decision, or part of a decision, made by an impartial hearing officer that supports the position of the individual unless the Governor or the Governor's designee concludes, based upon clear and convincing evidence, that the decision of the hearing officer is clearly erroneous on the basis of being contrary to the approved State plan, the Act, Federal vocational rehabilitation regulations, or State regulations and policies that are consistent with Federal requirements. The Governor or the Governor's designee will apply the standards presented in (i) through (iii) of this Subparagraph when conducting the review of the hearing officer's decision.

(i) The hearing officer's decision shall not be arbitrary, capricious, an abuse of discretion, or otherwise unreasonable.

(ii) The hearing officer's decision shall be supported by substantial findings of fact.

(iii) In reaching the initial decision, the impartial hearing officer shall correctly apply Federal and State law, regulation, agency policy, and the approved State Plan as they pertain to the specific issue in question.

(E) A decision made under this Paragraph shall be final unless a party involved in the hearing brings a civil action.

(g) **Civil proceedings.** Any party aggrieved by a final decision of an impartial hearing officer, or by the Governor or

the Governor's designee, may bring a civil action for review of the decision. The action may be brought in any State court of competent jurisdiction or in a district court of the United States of competent jurisdiction without regard to the amount in controversy. If a party brings a civil action, the final decision of the impartial hearing officer, or of the Governor or the Governor's designee, shall be implemented pending review by the court.

In any action brought under this Subsection, the court:

(1) shall receive the records relating to the hearing, and the records relating to any review conducted under (f)(10), if applicable;

(2) shall hear additional evidence at the request of a party to the action; and

(3) basing the decision of the court on the preponderance of the evidence, shall grant such relief as the court determines to be appropriate. [29 USC 722]

(h) **Standards for impartial hearing officers.** In addition to qualifications required in a contract with the Department, an impartial hearing officer must meet the standards set forth in (1) through (6) of this Subsection:

(1) cannot be an employee of a public agency (other than an administrative law judge, hearing examiner, or employee of an institution of higher learning);

(2) cannot be a member of the Oklahoma Rehabilitation Council;

(3) has not been involved previously in the vocational rehabilitation of the applicant or eligible individual;

(4) must have knowledge of the delivery of vocational rehabilitation services, the State plan required under Section 101 of the Act, and the Federal and State rules governing the provision of such services and training with respect to the performance of official duties;

(5) must have no personal, professional or financial interest that would be in conflict with the objectivity of the impartial hearing officer; and

(6) must have successfully completed impartial hearing officer training presented by DRS.

(i) **Standards for impartial mediators.** In addition to qualifications required in a contract with the Department, an impartial mediator:

(1) will be trained and certified or licensed in effective mediation techniques;

(2) will not be an employee of a public agency (other than an Administrative Law Judge, hearing examiner, employee of a State Office of Mediators, or employee of an institution of higher education);

(3) will not be a member of the Oklahoma Rehabilitation Council;

(4) must be knowledgeable in laws and regulations relating to the provision of VR services;

(5) has not been involved previously in the vocational rehabilitation of the applicant or eligible individual; and

(6) must have no personal, professional or financial interest that would be in conflict with the impartiality of the mediator.

612:10-1-7. Purchase of services and goods for individuals with disabilities

(a) All Department authorizations are made in compliance with the state purchasing policy under legal authority of the Director or by an employee to whom the Director has delegated such authority. Services, other than diagnosis, must be in an approved Individualized Plan for Employment prior to authorization. All authorizations are to be issued prior to or simultaneously with the provision of the services. Verbal authorizations may be made when needed to ensure effective delivery of services. Verbal authorization must be followed immediately by the actual authorization. Separate authorizations for each fiscal year are required when a planned service extends beyond a single fiscal year. Rehabilitation professionals may not authorize fees for services in excess of those established by the Department unless approved by the Division Administrator. A prior written purchasing agreement is required before authorization can be made to any medical vendor or post-secondary school. Other nonmedical vendors will not require a prior written purchasing agreement unless stated otherwise in the DRS policy manual section(s) for that service. When a vendor has a prior written purchasing agreement with the Department, and required approvals have been obtained, authorization may be issued for consumer services directly to that vendor. All other consumer services will be purchased pursuant to the rules in (g) and (h) of this Section. However, a requisition may be submitted to the DRS Purchasing Section if, in the judgment of the responsible rehabilitation professional, the best interests of the consumer and/or the agency would be served by having the Purchasing Section handle the procurement. In either case, once items have been received and checked against the authorization, the appropriate DVR or ~~DVRBVIDVS~~ staff, in accordance with (g) and (h) of this Section, approves the claim, then forwards it to the DRS Financial Services Division. When a vendor does not abide by the authorization or written purchasing agreement or bills and accepts fees from the client in addition to those agreed upon, the rehabilitation professional will bring this to the immediate attention of the supervisor for action by the administration. The vendor will not be used for further rehabilitation services until agreement to discontinue the objectionable practice is reached.

(b) Since the Department is a state-federal agency, it does not pay sales, excise, or transportation taxes.

(c) All claims for medical and/or nonmedical client services must be filed on claim forms approved by the Department. When the provision of an authorization is fulfilled, payment for the authorized client services constitutes payment in full. The client will not have any financial liability other than the amount required of clients who must participate in the cost of the service provided. The individual is liable for services he/she arranged which were not planned and initiated under the auspices of DRS. When DVR and ~~DVRBVIDVS~~ funds are used to supplement third party medical resources, participation cannot exceed the difference between the third-party payment and the Department's established schedule.

(d) The client must transfer, assign, or authorize payments to the Department of any and all claims against Health Insurance

or Liability Insurance companies or other third parties, to the full extent of all payments for medical services made by the Department.

(e) The Department retains right and title to any tools, equipment, durable medical equipment, or other goods costing \$500 or more purchased with DVR and ~~DVRBVIDVS~~ funds, until and unless such goods are released to the client. Upon delivery of any such goods to the client, a Receipt for Equipment and Title Agreement must be completed and approved.

(1) **Completion of Program:** Any tools, equipment or durable medical goods purchased for training or occupational purposes remain with the client after completion of the program of services if they can be used in the client's chosen vocation. If the client fails to complete the program of service, the counselor will make effort to reclaim the goods to transfer to another client.

(2) **Disposition at closure:** Case recording must reflect the disposition at the time of closure of tools, equipment, and goods provided the client. All occupational tools, equipment, and durable medical goods remain the property of the agency until released. If the client is not using the items, the counselor will pick them up if an economical savings to the agency will result, and if the transfer will not endanger the health or safety of the client.

(3) **Title Release:** Title on any tools, equipment or durable medical equipment purchased with DRS funds for training or occupational purposes will not be released to the client until the counselor has determined the client is using the items as planned.

(f) When the rehabilitation professional determines an authorization or portion of an authorization will not be utilized, procedures to cancel the remaining services will be completed. Before the case is closed, all unliquidated authorizations must be canceled or accounted for to determine if a claim will be made against any outstanding authorization.

(g) Purchasing consumer goods or services, other than direct client payments, when there is no prior written purchasing agreement is basically a three step process. These steps include specifying the requirements for the goods or services, authorizing for the purchase, and receiving delivery of the goods or services. For audit purposes, no one person can perform more than one of these steps. A different person is required for:

- (1) identifying the requirement for the purchase;
- (2) placing the order; and
- (3) accepting the material or service.

(h) When a prior written purchasing agreement for consumer goods or services, other than direct client payments, is not required, and the service or package of services to be obtained will cost the amount of the DCAM authority order limit or less, the rehabilitation professional and client will jointly choose an appropriate vendor. The rehabilitation professional will then authorize for the planned services to the chosen vendor. When a prior written purchasing agreement for consumer services, other than direct client payments, is not required, and the service or package of services will cost more than the DCAM authority order limit, the rehabilitation professional will follow rules in (1) through (7) of this Subsection.

Permanent Final Adoptions

- (1) The rehabilitation professional will obtain specialist recommendations for purchase requirements and approvals in accordance with agency policy.
- (2) The participation of the client, or the client's authorized representative, will be obtained in deciding upon at least three vendors to be contacted by the rehabilitation professional to obtain bids for the goods or services. The rehabilitation professional will review available vendor information with the client, or client's authorized representative, to jointly determine which vendor(s) can best meet the needs of the client in terms of product and service function, quality, and vendor accessibility.
- (3) At least three vendors offering the goods or services will be contacted to obtain bids. To expedite planning and service delivery, bids may be obtained verbally. Upon request, contacted vendors will be afforded at least 24 hours in which to prepare and submit the verbal bid. The rehabilitation professional will ensure that all bids are submitted in writing for the same or comparable items, and will document the bids received by using the Vendor Bid Documentation Form.
- (4) The rehabilitation professional will issue the appropriate authorization and claim to the vendor submitting the lowest and best bid. If the rehabilitation professional managing the case is also the recognized specialist who identified the purchase requirements, then the supervisor will issue the appropriate authorization. Authorization may be issued to a vendor not submitting the lowest bid only with strong documentation that the selected vendor can best meet the needs of the client. When the bid is in excess of \$5,000.00 the successful bidder will sign a non-collusion statement (to be sent with the claim), which will be maintained in the case service record.
- (5) In the case of a vehicle modification or housing modification, upon completion of the authorized services, the counselor will contact the AT Specialist to schedule inspection of the work in accordance with 612:10-7-220 and 612:10-11-38. The AT Specialist will complete the "Assistive Technology Inspection Report" verifying the modification conforms to acceptable standards and the work is satisfactory.
- (6) Upon delivery of the goods or services in accordance with the IPE and authorization, a rehabilitation staff person other than the specialist who specified the purchase requirements and the rehabilitation professional who authorized the purchase will accept delivery, verify that goods received match the vendor invoice, sign the appropriate claim form, sign and attach the invoice and forward them to the DRS Financial Services Division.
- (7) Upon delivery of any goods costing \$500 or more to the client, a Receipt for Equipment and Title Agreement must be completed and approved.
- (8) Itemized documentation will be in the case record on all orders costing less than \$500 and the client will acknowledge their receipt. (For example, signing and dating the packaging slip, vendor's invoice, or typed list of goods.)

- (9) Returned or repossessed items must be documented on for "Receipt for Equipment and Title Agreement" and the final disposition noted in Case Narrative entry.
- (i) Program Managers will review case records when submitted for approvals to ensure that purchases are being awarded in a manner that ensures competition and client participation within the scope of DRS and applicable fiscal rules. At least once each fiscal year a random selection of case records will be reviewed by the DRS Central/Departmental Services Unit to monitor compliance with DRS and applicable fiscal rules. If a Program Manager has reason to believe that a rehabilitation professional is not making a good faith effort to award purchases in a competitive manner and in accordance with agency policy, a fiscal audit of the entire caseload will be requested to determine the appropriate action to take.
- (j) Pursuant to 74 O.S. 85.44A, any goods or services required under a court order shall be purchased in accordance with DRS fiscal rules.

SUBCHAPTER 3. CLIENT PARTICIPATION IN COST OF SERVICES

612:10-3-2. Consideration of comparable services and benefits

- (a) Prior to providing any VR service to an eligible individual, except those services specified in Paragraph (1), the VR counselor will determine whether comparable services and benefits are available under any other program unless any of the conditions in Paragraph (2) apply to the individual.
 - (1) The VR services listed in (A) through (F) are to be provided without first determining the availability of comparable services and benefits. However, comparable services and benefits may be used for these VR services if the comparable services and benefits are readily available at the time the VR services are needed. VR services exempt from a required search for comparable services and benefits are:
 - (A) information and referral services to eligible individuals not in an open priority group under the order of selection;
 - (B) assessment for determining eligibility and vocational rehabilitation needs by qualified personnel, including, if appropriate, an assessment by personnel skilled in rehabilitation technology;
 - (C) counseling and guidance, including information and support services to assist an individual in exercising informed choice;
 - (D) referral and other services to secure needed services from other agencies through cooperative agreements;
 - (E) job-related services, including job search and placement assistance, job retention services, follow-up services, and follow-along services; and
 - (F) rehabilitation technology, including telecommunications, sensory, and other technological aids and devices.

(2) Determining whether comparable benefits and services are available will not be required prior to providing any VR services if that determination would interrupt or delay:

- (A) the progress of the individual toward achieving the employment outcome identified in the IPE;
- (B) an immediate job placement; or
- (C) the provision of such services to any individual at extreme medical risk.

(b) Counselors will advise clients of available benefits, help in completing the application for such benefits when needed, and refer clients to the appropriate contact person. Each client is required to apply for such benefits. DVR and ~~DVRBVIDVS~~ will not participate in the cost of services for any client who fails to apply for and accept available comparable benefits.

(c) Whether or not the client must participate in the cost of VR services has absolutely no effect upon the required search for, or use of, available comparable benefits. Available comparable benefits cannot be used in place of client resources when the client is required to participate in the cost of VR services.

(d) Awards and scholarships based upon merit will not be counted as comparable benefits.

(e) A student loan is not a comparable benefit. Failure to apply for a student loan which must be repaid will not be cause to withhold participation by DVR or ~~DVRBVIDVS~~. Clients who have defaulted on a student loan will not be assisted with post-secondary training until the client has cleared the default or has made arrangement with the lender on the terms of payment. Documentation of the arrangement made must be in the case record before post-secondary training services are provided when it is known a client has defaulted on a loan. The counselor will inform such clients of organizations which can help resolve debt problems, such as credit counseling services and legal aid.

(f) Clients are expected to provide the counselor a copy of the award letter(s) or other written notice of comparable benefits received from other sources, and it is expected the comparable services and benefits available to the client will be used to defray all or part of the cost of the individual's IPE.

(g) The client's IPE will be reviewed and amended by the client and VR counselor whenever comparable services or benefits that were not accounted for in the original plan become available to the client.

(h) Cooperative agreements between DRS and other service providers may affect how comparable services and benefits available from such service providers will be applied in an IPE. Cooperative agreements entered into by DRS with other service providers will include:

- (1) provisions for determining and stating the financial responsibility of each agency in providing services;
- (2) conditions, terms, and procedures for DRS to be reimbursed by other agencies for providing covered services;
- (3) procedures for resolving interagency disputes under the agreement; and
- (4) coordination of agency procedures for timely VR services delivery.

612:10-3-3. Client participation in services cost and financial status determination

(a) DVR and ~~DVRBVIDVS~~ require the client to participate in the cost of some vocational rehabilitation services if the client and/or client's family income exceeds the established basic living requirement for the applicable family size. Any client who has been determined eligible for Social Security benefits under Title II or XVI of the Social Security Act is exempt from client participation in service costs.

(b) Before an individual can be provided services other than those listed in DRS policy, the counselor must evaluate the client's financial situation to determine if the client must participate in the cost of services, and if so, the amount of such participation. Any client whose available family income exceeds the applicable basic living requirements is required to apply the monthly surplus to the cost of services during each 30 day period services are provided. DVR and ~~DVRBVIDVS~~ funds will not be used to purchase services based on client's financial status when there is any refusal on client's behalf to participate in the cost of services. However, the client can be provided services not based on financial status. Any client who does not have a surplus is not required to participate in the cost of services. Financial status does not exempt the client from required use of comparable benefits. If a payment is required of the client, it will be made to the vendor.

(c) The counselor will re-evaluate the client's financial situation at least annually and any time there is a change in the financial situation of the client or family. The amount of client participation in cost is based upon the most recent determination of client's financial status at the time the IPE or amendment is written, and is stated in the IPE or amendment.

(d) The client's financial status must be verified when an IPE includes services which require client participation in cost of services. Information used to verify the client's financial status includes such documents as income tax returns, bank statements, pay stubs, canceled checks, payment receipts, and/or payroll documents. It is the client's responsibility to provide the documents needed for verification of financial status information for the family. If the client refuses to provide the requested verification, DVR and ~~DVRBVIDVS~~ resources will not be used to defray the cost of services which require client participation in cost of services.

612:10-3-4. Services exempt from client participation in service costs

(a) DVR and ~~DVRBVIDVS~~ clients who have income and assets above the basic living requirements will be required to apply surplus resources to the cost of rehabilitation services except for the following services which do not require a determination of financial status:

- (1) services provided to assess eligibility and rehabilitation needs (services which would require the individual's participation in cost under an IPE will also require the individual's participation in cost during an evaluation of the individual's ability to benefit from VR services);
- (2) counseling, guidance, referral, and other services provided directly by DVR and ~~DVRBVIDVS~~ staff;

Permanent Final Adoptions

- (3) on-the-job training, work experiences, internships and apprenticeships;
 - (4) personal or work-adjustment training;
 - (5) reader services;
 - (6) interpreter services;
 - (7) personal assistance services;
 - (8) job-related services including job search and placement, job retention services, follow-up services and follow-along services;
 - (9) compensatory training;
 - (10) job coaching services (i.e., supported employment, employment and retention, transitional employment); or
 - (11) any auxiliary aid or service that an individual with a disability require under Section 504 of the Rehabilitation Act or the Americans with Disabilities Act, or regulations implementing those laws, in order for the individual to participate in the VR program; and
 - (12) library services.
- (b) Recipients of Social Security benefits under Titles II (federal old age, survivors, and disability insurance benefits) or XVI (SSI) of the Social Security Act do not have to participate financially in the cost of their rehabilitation program.

SUBCHAPTER 7. VOCATIONAL REHABILITATION AND VOCATIONAL REHABILITATION FOR THE BLIND & VISUALLY IMPAIRED VISUAL SERVICES

PART 1. SCOPE OF VOCATIONAL REHABILITATION AND VOCATIONAL REHABILITATION FOR THE BLIND & VISUALLY IMPAIRED VISUAL SERVICES

612:10-7-1. Overview of Vocational Rehabilitation and Vocational Rehabilitation for the Blind & Visually Impaired Visual Services

- (a) Vocational rehabilitation services are provided by the Division of Vocational Rehabilitation and the Division of Vocational Rehabilitation for the Blind & Visually Impaired Visual Services to help eligible individuals achieve employment outcomes that are consistent with the unique strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice of each eligible individual. ~~To the maximum extent appropriate,~~ VR services for individuals are meant to result in competitive employment in an integrated setting. Vocational rehabilitation services include services for individuals and services to groups of individuals.
- (b) Vocational rehabilitation services for an individual are prescribed in an Individualized Plan for Employment (IPE) that is based on an assessment of the individual's rehabilitation needs, guidance provided by a qualified vocational rehabilitation professional and the individual's informed choice with regard to employment goal, services and service providers. Services may include but are not limited to:

- (1) an assessment for determining eligibility and vocational rehabilitation needs by qualified personnel, including, if appropriate, an assessment by personnel skilled in rehabilitation technology;
- (2) counseling and guidance, including information and support services to assist an individual in exercising informed choice;
- (3) referral and other services to secure needed services from other agencies through cooperative agreements if such services are not available from DVR or ~~DVR-BVIDVS~~;
- (4) job-related services, including job search and placement assistance, customized employment services, services leading to self-employment, job retention services, ongoing services, and extended services;
- (5) vocational and other training services, including the provision of personal and vocational adjustment services, books, tools, and other training materials;
- (6) to the extent that financial support is not readily available from a source (such as health insurance or comparable services and benefits) other than DVR or ~~DVR-BVIDVS~~, diagnosis and treatment of physical and mental impairments;
- (7) maintenance for additional costs incurred while participating in an assessment for determining eligibility and vocational rehabilitation needs or while receiving services under an Individualized Plan for Employment;
- (8) transportation, including training in the use of public transportation vehicles and systems, that is provided in connection with the provision of any other service described in this section and needed by the individual to participate in rehabilitation services or to achieve an employment outcome;
- (9) on-the-job or other related personal assistance services provided while an individual is receiving other services described in this section;
- (10) interpreter services provided by qualified personnel for individuals who are deaf or hard of hearing, and reader services for individuals who are determined to be blind;
- (11) rehabilitation teaching services, and orientation and mobility services, for individuals who are blind;
- (12) occupational licenses, tools, equipment, and initial stocks and supplies;
- (13) technical assistance and other consultation services to conduct market analyses, develop business plans, and otherwise provide resources, to the extent such resources are authorized to be provided through the statewide workforce investment system, to eligible individuals who are pursuing self-employment or telecommuting or establishing a small business operation as an employment outcome;
- (14) rehabilitation technology, including rehabilitation engineering, assistive technology devices and assistive technology services;
- (15) transition services for students with disabilities, that facilitate the achievement of the employment outcome identified in the Individualized Plan for Employment, and pre-employment transition services as described in 34 CFR 361.48(a) and 29 USC 733;

- (16) supported employment services for individuals with the most significant disabilities that need ongoing support services from a job coach to obtain and maintain employment;
 - (17) employment and retention services for individuals with significant disabilities who require short term job coach support to obtain and maintain a successful employment outcome;
 - (18) transitional employment services for individuals with the most significant disabilities due to mental illness who have little or no successful work history and need work adjustment/trial work experience;
 - (19) ~~job placement services for individuals with disabilities who are job ready, including customized employment services~~ work experiences, internships, and apprenticeships;
 - (20) services to the family of an individual with a disability necessary to assist the individual to achieve an employment outcome; and
 - (21) specific post-employment services necessary to assist an individual with a disability to, retain, regain, or advance in employment.
- (c) Vocational rehabilitation services for groups of individuals with disabilities are described in 34 CFR 361.49 and include:
- (1) In the case of any type of small business operated by individuals with significant disabilities the operation of which can be improved by management services and supervision provided by DVR or ~~DVRBVIDVS~~, the provision of such services and supervision, along or together with the acquisition by DVR or ~~DVRBVIDVS~~ of vending facilities or other equipment and initial stocks and supplies;
 - (2) Transition services to youth and students with disabilities who may not have applied or been determined eligible for vocational rehabilitation services, that involve collaboration of a vocational rehabilitation counselor with education agencies, programs serving individuals with developmental disabilities, businesses, workforce programs, independent living centers, housing and transportation authorities and related entities. Such services are to benefit a group of youth or students with disabilities and may not be individualized services related to an individual plan for employment. Services may include group tours of training programs and businesses, career fairs, interview practice, resume writing, and other group activities that support future employability.
 - (3) The use of telecommunications systems (including telephone, television, video description services, tactile-vibratory devices, satellite, radio, and other similar systems) that have the potential for substantially improving delivery methods of activities described in this section and developing appropriate programming to meet the particular needs of individuals with disabilities;
 - (4) Special services to provide access to information for individuals who are blind, visually impaired, deaf, hard of hearing or deaf-blind including:
 - (A) the use of telecommunications, Braille, sound recordings, or other appropriate media;
 - (B) captioned television, films, or video cassettes for individuals who are deaf or hard of hearing;
 - (C) tactile materials for individuals who are deaf-blind; and
 - (D) other special services that provide information through tactile, vibratory, auditory, and visual media.
 - (5) Technical assistance to businesses that are seeking to employ individuals with disabilities.
 - (6) Consultative and technical assistance services to assist educational agencies in planning for the transition of students with disabilities from school to post-school activities, including employment.
 - (7) The establishment, development or improvement of assistive technology demonstration, loan, reutilization or financing programs in coordination with activities authorized under the Assistive Technology Act of 1998.
 - (8) The establishment, development or improvement of a community rehabilitation program that is used to provide vocational rehabilitation services that promote integration into the community and prepare individuals with disabilities for competitive integrated employment.

612:10-7-2. Field staff responsibilities

- (a) The counselor is responsible for contacting each referral within 30 days of receipt of the referral information. The counselor is responsible for completing a contact by telephone or in person. The counselor is responsible for providing interpreter services to applicants who are deaf or non-English speaking.
- (b) The rehabilitation counselor is responsible for the determination of an individual's eligibility to receive services from DVR or ~~DVRBVIDVS~~. In cases where the counselor has difficulty in making an eligibility determination, the counselor will consult with the supervisor. For further clarification, the case will be reviewed by the field coordinator for a decision. Individuals who are legally blind are to be referred to the appropriate rehabilitation teacher for determination of eligibility for the rehabilitation teaching program.
- (c) The counselor's primary vocational rehabilitation service is counseling and guidance with job placement. Additional services must be justified as necessary to compensate for, correct or circumvent an impediment to employment. Every IPE must include a plan of counseling and guidance services. Regular documentation of counseling sessions will be included in every DVR and ~~DVRBVIDVS~~ case.
- (d) The rehabilitation counselor is to ensure that the client is a full participant in the decisions that are made concerning his or her vocational rehabilitation. This responsibility is carried out by providing the individual with as much relevant information as is available so that the individual, and/or the individual's authorized representative, can exercise informed choice consistent with the Department's policies. The minimum information concerning service choice to be supplied includes:
 - (1) service cost;
 - (2) available service providers;
 - (3) service accessibility;

Permanent Final Adoptions

- (4) expected duration of services;
 - (5) consumer satisfaction with the services in question, to the extent that such information is available;
 - (6) qualifications of potential service providers;
 - (7) the types of services offered by the potential service providers;
 - (8) the degree to which services are provided in integrated settings; and
 - (9) outcomes achieved by individuals working with the service provider, to the extent such information is available.
- (e) The individual will be notified in writing of any adverse determination made by professional staff concerning that individual's case. This notification will be made in a timely manner, and in a manner that supports the individual's right to due process.
- (f) The counselor will complete a financial status determination form prior to the provision of any service (other than exempt services listed in 612:10-3-4) to determine if the client will be required to participate in the cost of services.
- (g) The counselor will inform each individual of his or her rights and responsibilities as an applicant or client of DVR and ~~DVRBVIDVS~~. Cross reference 612:10-7-3
- (h) The Department of Rehabilitation Services (DRS) has an obligation under state and federal law to provide services in a fair and impartial manner. State Ethics Commission Rules state that the proper operation of state government requires that the state employee be independent and impartial; that state employees not use state office to obtain private benefits; that a state employee must avoid action which creates the appearance of using state office to obtain a private or inappropriate benefit; and that state employees exercise their powers without prejudice or favoritism.
- (i) The counselor is limited in determining eligibility for services for friends or relatives. At the time of application or referral, if in the counselor's judgment, the individual is familiar to the point of friendship, the counselor must immediately disclose this relationship to their supervisor in writing and obtain approval before determining eligibility. If the applicant is related by blood or marriage, the counselor must immediately refer the case to another counselor, if available. If no other counselor is available, the counselor must notify their supervisor immediately for appropriate case assignment. The counselor should also disclose the potential conflict of interest to the applicant and explain the reason for the potential delay of eligibility determination. The counselor must not only be impartial in the determination of eligibility but also act so that there can be no question of impartiality. The technician must also disclose to the counselor any relationship with the applicant that might create a conflict of interest. The counselor will then contact the Program Manager to see if the case can be worked without partiality or transferred to another counselor.

612:10-7-3. Client responsibilities

To make the rehabilitation effort a success, the individual and agency's staff must work together to reach chosen goals. This shared responsibility requires that the client or applicant for services accept the basic responsibilities in (1) through

(12) of this Subsection. Other specific client responsibilities are stated in relevant manual sections. It is the counselor's responsibility to fully and appropriately inform the client of client responsibilities.

- (1) Provide information and be available to complete the assessment process to find out if you are eligible for services.
- (2) Be on time and keep appointments with ~~DVR/DVRBVIDVS~~ staff, doctors and others. Call in advance or as soon as possible, if you cannot come to an appointment.
- (3) Follow the advice of doctors and other medical professionals.
- (4) Participate with your ~~DVR/DVRBVIDVS~~ counselor in developing the Individualized Plan for Employment, (IPE) including participating in assessments needed to determine your needs and strengths.
- (5) Provide enrollment documents to home/supervisor counselor before the college or university's designated "Drop and Add" deadline so an authorization can be issued, if your IPE includes educational and training services.
- (6) Attend education or training classes on a regular basis and make at least passing grades, if your IPE includes these services.
- (7) Review your IPE with your counselor at least once a year and participate in making revisions to the plan when needed.
- (8) Maintain satisfactory progress toward completing the IPE.
- (9) Abstain from abuse of drugs and/or alcohol. Individuals who abuse drugs and/or alcohol while receiving services will be referred to the Oklahoma Department of Mental Health and Substance Abuse Services (ODMH-SAS) and/or other appropriate agencies for purposes of seeking treatment. All case services will be suspended. If the client refuses or fails to cooperate with seeking treatment, or is not available to pursue a DRS program, this will be considered as reasonable cause for case closure.
- (10) Keep the appropriate professional informed of changes in the individual's address, financial status, or other program-related changes.
- (11) Apply for and make appropriate use of any comparable benefits and services for which the client is eligible to defray in whole or in part the cost of services in the individual's IPE and provide verification of financial aid award status to counselor.
- (12) Work with the counselor to obtain or keep suitable gainful employment or appropriate independent living outcomes as services are being completed.

PART 3. CASE PROCESSING REQUIREMENTS

612:10-7-21.1. Processing incoming referrals

- (a) **Processing incoming referrals.** All referrals to DVR and ~~DVRBVIDVS~~ will be contacted by the VR counselor and appropriate action taken within 30 days, after receipt of the

referral information. The counselor is responsible for completing a contact by telephone or in person. The counselor is responsible for providing interpreter services to referrals who are deaf or non-English speaking. In situations where the individual cannot be personally contacted, correspondence will be mailed to the individual for informational purposes.

(b) **Referrals to rehabilitation teachers.** All individuals who are legally blind, whether being served by a DVR counselor or a ~~DVRBVIDVS~~ counselor, will be referred to a rehabilitation teacher. Rehabilitation teachers may also receive counselor referrals and provide services for individuals who are not legally blind but have functional limitations due to vision loss and have potential to benefit from rehabilitation teaching services.

612:10-7-21.2. Information and referral system

(a) DVR and ~~DVRBVIDVS~~ staff will ensure that individuals with disabilities, including eligible individuals who do not meet order of selection criteria when the agency is operating under an order of selection, are provided accurate vocational rehabilitation information and guidance, using appropriate modes of communication. This information and guidance will be used to assist the individual in preparing for, securing, retaining, or regaining employment.

(b) Staff will ensure that individuals with disabilities are appropriately referred to Federal and State programs, including other components of the workforce investment system. An appropriate referral shall:

- (1) be to the Federal or State program(s) best suited to address the specific employment needs of the individual; and
- (2) include, for each involved program, provision to the individual of:
 - (A) a notice of the referral from DVR or ~~DVRBVIDVS~~ to the agency responsible for the program;
 - (B) information identifying a specific point of contact within the agency responsible for the program; and
 - (C) information and advice regarding the most suitable services to assist the individual.

612:10-7-24.2. Assessment for determining eligibility

(a) To determine whether an individual is eligible for vocational rehabilitation services:

- (1) the counselor will use to the maximum extent possible and appropriate existing data including counselor observations, education records, information provided by the individual or the individual's family, and determinations made by officials of other agencies; and
- (2) to the extent necessary provide appropriate assessments, including provision of goods and services during the assessment, to obtain additional documentation necessary to make the determination of eligibility and priority group assignment. The counselor will carefully evaluate the need to provide assistive technology devices and services or worksite assessments.

(b) The counselor will determine whether an individual is eligible for vocational rehabilitation services within a reasonable period of time, not to exceed 60 days after the individual has submitted an application for services. This time period may be extended only when unforeseen and exceptional circumstances beyond the control of the Department preclude completing the determination of eligibility within the 60 days and the individual agrees a specific extension of time is warranted as documented on the Need for Extension of Time to Determine Eligibility form; or a trial work period or an extended evaluation is needed to determine the individual's ability to benefit from VR services.

(c) Documentation that the individual has a disability which constitutes or results in an impediment to employment must come from qualified professionals.

(d) Applicants Eligibility determinations will be expedited for applicants who have been determined eligible for vocational rehabilitation services by an American Indian Vocational Rehabilitation Services (AIVRS) Program program are deemed to be eligible for services through DRS. After making the determination of eligibility the VR counselor may authorize assessments and services needed to further document eligibility, assign priority group and develop the IPE, making maximum use of diagnostic documentation and other data provided by the American Indian VR program. Counselors will work cooperatively with the applicable American Indian VR Program to obtain pertinent diagnostic and other documentation, and utilize such documentation, as appropriate, in making eligibility decisions that are prompt or, whenever feasible, immediate.

(e) A qualified rehabilitation professional may proceed with a determination of eligibility if there is an obvious and/or observable disability that results in an impediment to employment. The VR specialist will document observations pertaining to the applicant's disability. After making the determination of eligibility the VR specialist may authorize any assessments and services necessary to further document eligibility, establish priority group placement and determine rehabilitation needs for development of the Individualized Plan for Employment.

(f) Diagnosis and evaluation are to be provided only for determination of eligibility for VR services, priority group placement, and determination of VR service needs. DVR and ~~DVRBVIDVS~~ funds are not to be used to assist an individual in establishing eligibility for other programs.

(g) When necessary, diagnostic evaluations may be purchased at any time during the life of the case.

(h) If an individual is determined eligible, the VR counselor will notify the individual in writing. If the individual is determined to be ineligible, the counselor will notify the applicant and provide information on further options in accordance with DRS policy on ineligibility decisions.

(i) **Eligibility for supported employment.** The counselor may not find an individual ineligible for supported employment services because a resource for providing extended services cannot be identified. In this instance, the counselor will:

- (1) accept the individual as eligible for VR services;

Permanent Final Adoptions

- (2) plan VR services as appropriate, including the expected availability of extended services; and
- (3) seek out and/or help in developing the needed extended services resource.

612:10-7-24.3. Trial Work Experience and Extended Evaluation

(a) Use of trial work experience and extended evaluation.

It shall be presumed that an individual can benefit in terms of an employment outcome from vocational rehabilitation services unless clear and convincing evidence demonstrates that the individual is incapable of benefiting in terms of an employment outcome due to the severity of the individual's disability. In making such demonstration, the VR Counselor will explore the individual's capabilities to perform in work settings through the use of trial work experiences with appropriate supports, except under limited circumstances when an individual cannot take advantage of such experiences and extended evaluation may be utilized.

(b) **Trial work.** The trial work experience shall be provided in the most integrated setting possible, consistent with the individual's informed choice and rehabilitation needs, and shall be of sufficient variety and duration to determine the eligibility of the individual or to determine the existence of clear and convincing evidence that the individual is incapable of benefiting from VR services in terms of an employment outcome. Cases may not remain in this status more than 18 months. An assessment of the individual's progress is required as frequently as necessary but at least once every 90 days. The assessment will include periodic reports from the institution, facility or person providing the services to determine the results of the provision of such services and to ascertain whether the individual may be determined to be eligible or ineligible. The assessment summary narrative will be recorded in the case file.

(c) **Extended evaluation.** Extended evaluation is available for individuals with the most significant disabilities who cannot take advantage of trial work experiences or if the options for trial work experiences have been exhausted before DVR or ~~DVRBVIDVS~~ is able to conclude whether the applicant is able to benefit from vocational rehabilitation services or incapable of benefiting from VR services in terms of an employment outcome due to the severity of the disability. Trial work experiences remain the first option by which to assess an individual's ability to benefit from VR service. Extended evaluation is not meant to be a routine alternative to trial work experiences, but is to be used only as a last resort and under limited circumstances. An individual may be determined unable to take advantage of a trial work experience if there is a need for substantial restoration services prior to entering a work environment. Extended evaluation involves the development of a written plan which provides only those services necessary to make a determination of eligibility.

(d) **Case recording requirements.** The counselor will document the case record according to the criteria and recording standards in (1) - (5) of this Subsection.

(1) **Justification that a trial work experience or an extended evaluation is required.** It is presumed that an individual can benefit in terms of an employment outcome

from vocational rehabilitation services unless clear and convincing evidence demonstrates otherwise. The use of trial work experiences or extended evaluations is to be limited solely to those extraordinary situations in which the preponderance of evidence obtained in the normal manner is sufficient to challenge the presumption of benefit due to the severity of the disability. Documentation and case recording must clearly support the determination that this preponderance of evidence exists, and that trial work experience is necessary to make the eligibility determination.

(2) **Written plan for trial work experiences or extended evaluations.** Services related to the trial work experience or extended evaluation will be planned by the counselor and individual, or the individual's authorized representative. The trial work experience or extended evaluation plan will describe the services necessary to obtain clear and convincing evidence concerning the presumption of benefit.

(3) **Termination of trial work experience or extended evaluation - eligible.** When an individual is determined to be eligible for services, the case is processed in accordance with DRS policy.

(4) **Termination of trial work experience or extended evaluation - ineligible.** If the trial work experience or extended evaluation provides clear and convincing evidence that the individual cannot benefit from vocational rehabilitation services in terms of an employment outcome due to the severity of the disability, the case may be closed as ineligible in accordance with DRS policy. In addition to explaining the individual's right to a review of the determination and the availability of the Client Assistance Program, the counselor will make referrals to other agencies, facilities, or programs as may be appropriate.

(5) **Amendments.** An amendment to the plan is made stating all new decisions, facts, and planned services not already covered in the original trial work experience or extended evaluation plan.

612:10-7-25.1. Order of selection

(a) **Need for order of selection.** The Department, in consultation with the Oklahoma Rehabilitation Council, has determined, due to budgetary constraints or other reasoned limitations, that it cannot serve all individuals who are determined eligible for DVR and ~~DVRBVIDVS~~ services. The Department consults with the Oklahoma Rehabilitation Council regarding the:

- (1) need to establish an order of selection, including any re-evaluation of the need;
- (2) priority categories of the particular order of selection;
- (3) criteria for determining individuals with the most significant disabilities; and
- (4) administration of the order of selection.

(b) **Priority groups.** It is the policy of DRS to provide vocational rehabilitation services to eligible individuals under an order of selection. Under the order of selection, the Department has established three priority groups on the basis of serving first those with the most significant disabilities.

Every individual determined to be eligible for DVR and ~~DVR-BVIDVS~~ services is placed in the appropriate priority group based upon the documentation used to determine eligibility and/or vocational rehabilitation needs. Selection and placement in a priority group is based solely upon the significance of the eligible individual's disability, and is not based upon the type of disability, geographical area in which the individual lives, projected type of vocational outcome, age, sex, race, color, creed, religion, or national origin of the individual. The priority groups are:

- (1) **Priority Group 1.** Eligible individuals with the most significant barrier to employment. A most significant barrier is one that includes a mental or physical disability resulting in serious limitations in three or more functional capacities and can be expected to require multiple services over an extended period of time.
- (2) **Priority Group 2.** Eligible individuals with significant barriers resulting in serious limitations in at least one, but not more than, two functional capacities and can be expected to require multiple services over an extended period of time.
- (3) **Priority Group 3.** Eligible individuals with disabilities not meeting the definition of individual with a significant barrier.

(c) **Implementation.** Prior to the start of each fiscal quarter, or when circumstances require, the DRS Director will determine in which priority groups new Individualized Plans for Employment will be written and initiated. The Director may restrict the writing and initiation of new Individualized Plans for Employment within a priority group to cases having eligibility dates falling on or before a specified date providing that all consumers in higher priority groups are being served. Considerations in making this determination will include, but not be limited to, the projected outcomes, service goals, expenditures, and resources available for each priority group. Projected costs and resources for each priority group will be based upon costs of current Individualized Plans for Employment, anticipated referrals, availability of financial resources, and adequacy of staffing levels. The Director will implement actions under the order of selection through written notice to DVR and ~~DVRBVIDVS~~ staff. The written notice will specify the implementation date of the action and direct DVR and ~~DVRBVIDVS~~ staff on how to handle cases by priority group and application date. DVR and ~~DVRBVIDVS~~ staff will inform each eligible individual on their caseloads:

- (1) of the priority groups in the order of selection;
- (2) of the individual's assignment to a priority group; and
- (3) of the individual's right to appeal that assignment.

(d) **Closing and opening priority groups.** When all or part of a priority group is closed, designated cases within that priority group without a written IPE will be placed on a waiting list after the individual has been determined to be eligible. No IPE will be written for cases on the waiting list. Staff will continue to take applications, diagnose and evaluate all applicants to determine eligibility and vocational rehabilitation needs, find the individual eligible when documentation supports such a decision, then place each eligible individual's case in the

appropriate priority group. If an eligible individual is placed in a closed priority group, his or her case will go on the waiting list and no IPE will be written or initiated. The DRS Director will notify DVR and ~~DVRBVIDVS~~ staff in writing when all or part of a closed priority group is opened. When this directive includes new applicants who are found eligible, individuals already on the waiting list within that same priority group will be given priority over new applicants. When all or part of closed priority groups are opened, staff will contact individuals on the waiting list to develop and implement their Individualized Plans for Employment using the priorities in Paragraphs (1) - (3) of this Subsection:

- (1) contact individuals within the highest open priority group first, Most Significant being the highest of all priority groups;
- (2) within each opened priority group, staff will contact individuals on the waiting list in order of application date, earliest application date first; then
- (3) staff will contact individuals whose cases will remain on the waiting list to explain how their cases will be handled.

(e) **Continuity of services.** Any individual with an IPE that existed prior to the date all or part of that individual's priority group was closed will continue to receive services as planned. Such an IPE may be amended if the changes are necessary for the individual to continue progress toward achieving an appropriate employment outcome, or are otherwise necessary within policy. Persons requiring post employment services will also be provided the necessary services regardless of priority group assignment.

(f) **Information and referral services.** Information and referral services will remain available to eligible individuals who are not in an open priority group. These individuals will be given information and guidance, using appropriate modes of communication, to assist such individuals in preparing for, securing, retaining or regaining employment, and will be appropriately referred to Federal and State programs (other than the vocational rehabilitation program) including other components of the statewide workforce investment system in the state. No IPE will be written to provide such services to these individuals.

612:10-7-31. Transfer of cases

(a) **Transfer of cases between caseloads.** When it has been determined an individual has moved from one counselor's area to another, the individual could be served more appropriately under another DVR or ~~DVRBVIDVS~~ program, or in the supervisor's opinion, transfer is in the best interest of the individual, the case will be transferred.

(b) **Transfer of cases between programs.** Prior to transferring a case between DVR and ~~DVRBVIDVS~~, the transferring counselor must obtain the required specialist information to support the change of primary disability.

PART 5. CASE STATUS AND CLASSIFICATION SYSTEM

Permanent Final Adoptions

612:10-7-50. Eligibility Status

(a) **Use of Eligibility Status.** An active case is defined as one which has been accepted as meeting the basic eligibility requirements. An applicant who has been determined eligible for vocational rehabilitation will be placed in Eligibility Status for completion of a comprehensive assessment to determine employment goal and rehabilitation needs and for development of the Individualized Plan for Employment (IPE). An individual who is placed in an order of selection priority group that is not currently being served will be placed on a waiting list and held there pending further directives from the Director concerning opening or closing of priority groups.

(b) **Case recording requirements.** The counselor records activities during this period by individual entry or by summary recording at regular intervals in case narratives. Copies of pertinent case information will be shared with all DVR or ~~DVRBVIDVS~~ professionals involved in the case. During eligibility status and throughout the life of the case, ~~DVRBVIDVS~~ counselors and rehabilitation teachers will share pertinent information related to a case they jointly serve. Pertinent case information will also be shared with contracted vendors, when appropriate, with a release signed by the client. If an IPE cannot be developed during this period, the client's case is closed with a full explanation to the client and documentation as to the reason for closing the case. This documentation will be completed on a closure letter and a copy given to the client.

612:10-7-51. Individualized Plan for Employment

(a) **Options for developing the Individualized Plan for Employment (IPE).** The VR counselor will provide the eligible individual, or the individual's authorized representative, in writing and in appropriate mode of communication, with information on the individual's options for developing the IPE.

(1) The required information will include the following:

(A) information on the availability of assistance, to the extent determined to be appropriate by the eligible individual, or authorized representative, from a qualified VR counselor in developing all or part of the IPE, and the availability of technical assistance for this purpose;

(B) a description of the required content of the IPE;

(C) as appropriate:

(i) an explanation of agency requirements for client participation in cost of services;

(ii) additional information requested by the individual or authorized representative;

(iii) information on the availability of assistance in completing ~~DVR/DVRBVIDVR/DVS~~ forms required in developing the IPE;

(iv) For cases involving Mental Disorders and Obesity, treatment must be incorporated as a service in the IPE, in accordance with DRS policy.

(D) a copy of a DRS publication addressing client's rights and responsibilities.

(2) For cases in an open priority group, the IPE must be completed and signed as soon as possible, consistent with the needs of the individual, but not more than 90 calendar

days following the eligibility determination, unless the individual or the authorized representative and the VR or ~~VRBVIDVS~~ counselor jointly agree to an extension of time of a specific duration. The 90-day time frame for development of the IPE will be applied from the date a closed priority group is reopened.

(b) **Vocational objective.** The primary purpose in providing vocational rehabilitation services is to assist an eligible individual obtain appropriate competitive employment in an integrated setting consistent with the individual's informed choice. The choice of a vocational objective for an individual receiving vocational rehabilitation services must be based primarily upon the individual's strengths, resources, priorities, concerns, abilities, interests and capabilities, consistent with the general goal of competitive integrated employment.

(1) **Informed choice.** The vocational objective is to be chosen with the full participation of the client. The client's interests and informed choice determine his or her vocational goal to the extent these factors are consistent with the client's strengths, resources, priorities, concerns, abilities, interests and capabilities.

(2) **External conditions.** Factors such as the local labor market or local economy must also be taken into consideration. However, in most cases these factors cannot be used as the only basis upon which to determine whether a vocational objective is appropriate.

~~(c) **Non-competitive vocational objectives.** The primary mission of DVR and ~~DVRBVIDVS~~ is to help eligible individuals achieve competitive employment in an integrated work setting. Therefore, careful consideration and planning are required when services are to be provided to achieve a long term goal of non-competitive employment.~~

~~(1) **Homemaker.** A homemaker is defined as a person whose primary work is performance of duties related to the upkeep and maintenance of a home. This work takes place in the individual's own home, without remuneration.~~

~~(A) The IPE can have a vocational objective of homemaker only when services will directly and substantially improve the individual's ability to perform the primary homemaking work activities for their home.~~

~~(B) Self-care activities are not sufficient to meet the definition of gainful occupation.~~

~~(C) A vocational objective of homemaker can be established for only one person within the same household.~~

~~(2) **Unpaid family worker.** A vocational objective of unpaid family worker is appropriate when services will enable the individual to perform work without pay on a family farm or in a family business operated by one or more members of the client's family. The record must document how the services will substantially improve the productivity of the client and his/her contribution to the family farm or business.~~

~~(d) **General requirements for the Individualized Plan for Employment.**~~

~~(1) The IPE documents the client's chosen employment goal, and the planning of vocational rehabilitation services~~

which are necessary to achieve a successful employment outcome. The client will be a full participant in the development of the IPE or any amendments consistent with Federal and State regulations, laws, and statutes. The eligible individual must be given the opportunity to exercise informed choice in selecting an employment outcome, the specific VR services to be provided under the plan, the service providers, and the methods for service delivery. For cases in an open priority group, the IPE must be agreed to and signed by the eligible individual or authorized representative, approved by a VR counselor and, as appropriate, other administrators employed by DVR or ~~DVRBVIDVS~~ within 90 days of determination of eligibility, unless the individual or the authorized representative of the individual and the VR or ~~VRBVIYS~~ counselor jointly agree to an extension of time of a specific duration. To the maximum extent possible, the IPE is to be provided in the native language or mode of communication of the individual or, as appropriate, of a parent, family member, guardian, advocate, or authorized representative. It is also required the client receive a copy of the plan and any subsequent amendments.

(2) The IPE is subject to continuous development and change. Substantial changes to the IPE are documented as amendments. A substantial change is broadly defined as any change in the employment objective, or in service needs or available resources not accounted for in the original IPE or existing amendment(s). The amount of any client participation in the cost of a service will be based upon the determination of client's financial status completed at the time the relevant IPE or amendment is written, and is to be stated in the IPE or amendment. If services based upon financial status are included in the original IPE and/or in the amendment, a new Financial Status Determination form will be completed when the IPE is amended. A copy of any Amendment to an Individualized Plan for Employment will be given to the client, or client's authorized representative, as appropriate.

(3) Diagnosis related to eligibility or the IPE can be provided at any time it is necessary during the life of the case.

(4) An IPE is not considered in effect until all required approvals have been obtained in accordance with Department policy.

(5) Plan reviews are comprehensive reviews of the entire IPE. A plan review can be done at any time, but must be done at least annually. The client must be given the opportunity to review the plan and, if necessary, participate in its redevelopment and agree to its terms. A financial status determination will be completed at the time of plan review when the IPE includes services based upon client's financial status.

(ed) Content of the Individualized Plan for Employment. The Individualized Plan for Employment must include:

(1) a description of the specific employment outcome that is chosen by the client consistent with the individual's unique strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice ~~of the~~

~~client, and to the maximum extent appropriate, results in competitive employment in an integrated setting, and the estimated timeframe for the achievement of the employment outcome consistent with the general goal of competitive integrated employment (except that in the case of a student or a youth with a disability, the description may be a description of the individual's projected post-school employment outcome), and the estimated timeframe for the achievement of the employment outcome;~~

- (2) a description of the specific VR services that are:
 - (A) needed to achieve the employment outcome including as appropriate, the provision of assistive technology services and devices, and personal assistance services, including training in the management of such services;
 - (B) provided in the most integrated setting that is appropriate for the service involved and is consistent with the informed choice of the client; and
 - (C) timelines for the achievement of the employment outcome and for the initiation of services.
- (3) a description of the service provider chosen by the client or authorized representative, and the methods of services delivery;
- (4) a description of the criteria that will be used to evaluate progress toward achieving the employment outcome;
- (5) the terms and conditions of the IPE including as appropriate:
 - (A) the responsibilities of DVR or ~~DVRBVIDVS~~;
 - (B) the responsibilities of the client, including:
 - (i) the client's responsibilities for the employment outcome;
 - (ii) the client's participation in paying the cost of VR services; and
 - (iii) the client's responsibility to apply for, accept, and use comparable services and benefits to defray in whole or in part the cost of VR services.
- (6) for an IPE that includes supported employment services, information identifying:
 - (A) the extended services needed by the client; and
 - (B) the source of the extended services, including natural supports, or an explanation concluding there is a reasonable expectation a source will become available; and
 - (C) the weekly work goal.
- (7) if it appears they will be necessary, a statement of needed post-employment services.

612:10-7-56. Employment

(a) **Use of Employment status.** A case is placed in this status when the client begins employment. The client must be followed in employment for a minimum of 90 days ~~after the completion of services and~~ prior to being closed to ensure the adequacy of the employment in relation to the needs and limitations of the client.

(b) **Supported employment.** Cases are placed into employment status after the requirements have been met for completion of the "Stabilization" Milestone, and the client is

Permanent Final Adoptions

ready to begin the final milestone, "Successful Rehabilitation". During this milestone, the provider must continue ongoing supports for a minimum of 90 days before the case can be closed.

(c) **Employment and Retention.** Cases are placed into employment status when the individual has completed the fifth day of work ("Job Placement" Milestone), or after completion of "Four Weeks Job Support" Milestone if short term job coach training or support is needed. The client must be followed in employment for a minimum of 90 days prior to being closed.

(d) **Case recording requirements.** ~~At the time planned services are completed and~~ After the client has entered employment, it is the client's responsibility to provide the counselor with employment and salary information. When an individual is placed in employed status, case recording will document:

- (1) Beginning date of employment;
- (2) Name and address of the employer;
- (3) Client's wages or salary;
- (4) Suitability of the employment; and
- (5) How the job was obtained. If the information is obtained from a source other than the client, the source of the information will be identified.

(e) **Contact.** When a client is placed in employed status, contact is maintained and documented until it is determined the employment is satisfactory and the case can be closed. This determination that the employment outcome is satisfactory will be made with the full participation of the client.

PART 11. PHYSICAL AND MENTAL RESTORATION SERVICES

612:10-7-98. General guidelines for physical and mental restoration services

(a) To the extent that assistance is not readily available from a source other than DVR or ~~DVRBVIDVS~~, diagnosis and treatment of physical and mental impairments may be provided to assist the individual with a disability in preparing for, securing, retaining or regaining employment. Physical or mental restoration services are provided only when the condition is stable, or slowly progressive. A slowly progressive condition is one in which the client's functional capacity is not expected to diminish so rapidly as to prevent successful completion of vocational rehabilitation services, and/or employment for a reasonable period of time. The individual is liable for services he or she arranged which were not planned and initiated under the auspices of DVR and ~~DVRBVIDVS~~. DVR and ~~DVRBVIDVS~~ will not pay for hospitalization or treatment occurring prior to initiation of an Individualized Plan for Employment (IPE). DVR and ~~DVRBVIDVS~~ will not pay for emergency hospitalization or treatment needed at the time of referral. However, diagnostic examinations or information may be paid from DVR and ~~DVRBVIDVS~~ funds for use in eligibility determination, priority group placement, or determination of vocational rehabilitation needs. Physical and/or mental restoration services will be purchased only from licensed or board certified health professionals unless otherwise specified in DRS policy. Payment will be made in accordance with the established fee schedule of the Department.

(b) Temporary conditions with sudden onset do not fall within the definition of impairment for eligibility purposes. Emergency treatment of remediable conditions will not be purchased by DVR and ~~DVRBVIDVS~~ except under intercurrent illness policy. When the staff is in doubt as to the effect of such a condition upon the outcome of the IPE objectives, a medical consultation may be requested.

(c) DVR and ~~DVRBVIDVS~~ do not provide long-term or ongoing physical or psychological treatment. DVR and ~~DVRBVIDVS~~ funds cannot be used to initiate treatment that is reasonably anticipated to last more than three months unless supervisory approval has been obtained for a three month extension. Additional three month extensions may be approved if the client maintains reasonable progress toward achieving the vocational goal. Persons needing long-term or ongoing treatment are to be referred to other medical assistance sources if available.

(d) Payment from DVR and ~~DVRBVIDVS~~ funds may be planned and authorized only after applicable third party pay sources provide verification of the expense they will cover, and not cover, associated with the physical or mental restoration services in question. When DVR and ~~DVRBVIDVS~~ funds are used to supplement a third party pay source, planned services and the authorization will be limited to those expenses that fall within the scope of the program and that do not exceed the difference between what the third party pay source will pay and the Department's established payment schedule.

PART 9. ACTIONS REQUIRING REVIEW AND APPROVAL

612:10-7-87. Actions requiring supervisor's approval

Actions requiring supervisory approval include:

- (1) All actions of a newly employed counselor/teacher.
- (2) All IPE's or amendments when the total of the planned DVR and ~~DVRBVIDVS~~ expenditures for the entire case exceed \$25,000.
- (3) All case closures in which an IPE was developed and services initiated.
- (4) Transfer of cases from one counselor/teacher caseload to another outside the sending supervisor's unit (signed by the supervisor of the sending counselor or teacher).
- (5) All IPE's which include purchase of physical or mental restoration services, prescription drugs or prescribed medical supplies lasting more than three months.
- (6) Small Business plans with a cost to the agency in excess of \$10,000.00.
- (7) Vehicle or home modifications over the DCAM authority order limit and housing modifications involving structural modifications.
- (8) Vehicle repairs that exceed \$1,000.00 for the life of a case.
- (9) Dental services with a projected cost over \$5,000.00.

- (e) Individuals with chronic disabilities that can be removed with little or no residual limitations will not be eligible for purchase of services other than those related to the required treatment.
- (f) Physical and mental restoration services may include but are not limited to:
- (1) Braces and orthotic devices.
 - (2) Chiropractic services. A chiropractor providing treatment must be duly licensed to practice his profession in Oklahoma, have a current provider/vendor agreement with DRS, and following evaluation of the client's needs, must provide a treatment plan with goals, time frames and the estimated number of treatments required to meet the goals. Treatment may not be extended beyond three months unless progress toward treatment goals can be determined.
 - (3) Dental services. Dental services may be provided to treat or correct dental conditions that constitute an impediment to employment or participation in the rehabilitation process, produce health problems or aggravate an existing disability. Dental services with a projected cost over \$5,000.00 require review by the DRS dental consultant and supervisory approval.
 - (4) Dialysis and treatment for end-stage-renal-disease. DVR and ~~DVRBVIDVS~~ may assist with the cost of Medicare deductible, co-insurance, and services not covered by Medicare if documentation states other resources are not available and the client is actively participating in an IPE with treatment as part of the plan. Requests for kidney transplants must be approved by the medical consultant.
 - (5) Prescription drugs and prescribed medical supplies. Prescription drugs and/or prescribed medical supplies may be purchased when required for proper diagnosis, for post-operative treatment, or to stabilize a documented disability. The need for the drugs and/or medical supplies must be documented in a physician's report. Payment will be made for generic type drugs unless the physician specifically requests a brand name drug.
 - (6) Hearing aids and audiological services.
 - (7) Hospitalization when recommended by a physician and the client is to receive medical treatment or surgery. Hospitalization may also be authorized for diagnostic services upon recommendation of a physician.
 - (8) Treatment for intercurrent illness. Intercurrent illness is an illness or injury which occurs during the course of an individual's vocational rehabilitation and, if not treated, will complicate or significantly delay achievement of the client's employment outcome. DVR and ~~DVRBVIDVS~~ will purchase treatment for intercurrent illness or injuries if the client is not covered by health insurance or eligible for comparable services and benefits, or when the provision of services through comparable services and benefits would significantly interrupt or delay treatment for an individual at extreme medical risk, jeopardize a job placement or impair the individual's progress in achieving the planned employment outcome.
 - (9) Laboratory work and x-rays if required by the physician to complete his examination or in conjunction with diagnosis or treatment.
 - (10) Low vision services.
 - (11) Medical examinations, when necessary to determine eligibility, achieve a goal in the IPE or when related to an intercurrent illness.
 - (12) Nursing services can be provided for a client who is convalescing from physical restoration services if recommended by the doctor of treatment. Either Registered Nurses or Licensed Practical Nurses may be used to provide this service when a current medical vendor agreement is on file with the Department. Volunteers may be used if less technical care is needed and if approved by the client's physician.
 - (13) Physical and occupational therapy may be provided on either an in-hospital or outpatient basis if recommended by the attending physician.
 - (14) Post-operative care of cataract patients.
 - (15) Prosthetic eyes, glasses and other optical aids.
 - (A) Glasses and other visual aids and services may be prescribed or provided by either an ophthalmologist or an optometrist. Other optical aids recommended by optical aid clinics are purchased upon the recommendation of the specialist(s) in one or more such clinics. Prosthetic eyes are provided, upon the recommendation of an ophthalmologist.
 - (B) Lenses and frames for glasses purchased by DRS will be authorized at fee schedule prices. The vendor may add a service charge not to exceed the established fee. An additional code and fee may be added for tinting if it has been prescribed by the physician or optometrist that performed the eye examination with written medical/vocational justification.
 - (C) The fee that has been established for frames will only cover the cost of plain sturdy frames. Clients do not have the option of selecting more expensive frames and paying the difference between the vendor's price and the amount authorized. If the vendor accepts payment from the client or a representative of the client and also files a claim with the Department for the same services, a violation of the Provider Agreement has occurred and the vendor would be subject to sanctions.
 - (D) If a client selects special frames and has sufficient resources to purchase them, the frames should not be included on the authorization and the client would be responsible for the entire cost of the frames.
 - (16) Prosthetic limbs.
 - (A) Prosthetic limbs may be provided if the prosthesis is recommended by a physician. The client who has successfully worn a prosthesis will not be required to see an orthopedist or physiatrist, or attend an amputee clinic unless some other disorder is apparent.
 - (B) An individual who has never worn a prosthesis must be seen by a physician before the prosthesis is provided. The client must agree to training in its use. Gait training is considered Personal Adjustment

Permanent Final Adoptions

Training and does not require client participation in cost. However, physical therapists providing the training are recognized as medical vendors and require authorizations completed on a Medical Service Authorization.

(C) Persons with multiple amputations must have the special examination and training.

(D) The counselor may authorize for a prescribed standard prosthesis without further review. The choice of prosthesis must be closely related to its intended use in a work setting, or in relation to reasonable independent living goals. Non-standard prostheses (i.e., myoelectric) will not be purchased with DRS funds unless medically justified and/or required for a specific employment, or independent living, outcome. When a prosthesis other than a standard prosthesis is prescribed the counselor will request a consultation from the appropriate medical consultant. Justification for the non-standard prosthesis must be documented in the case record.

(17) Psychiatric and psychological treatment.

(A) Psychotherapy may be provided for emotional conditions which may be expected to respond within a reasonable period of time. Psychotherapy can be provided only by the sources in (1) - (5) of this Subsection.

(i) Psychiatrists certified by the American Board of Psychiatry and Neurology or completed the required training and are "Board Qualified", or who have spent a major portion of their time in a particular specialty for at least two years and are recognized as specialists in the local community (same criteria as applied to other medical specialists).

(ii) Licensed Doctors of Medicine or Doctors of Osteopathy who have received specific training for and are experienced in performing mental health therapeutic, diagnostic, or counseling functions.

(iii) Psychologists with a doctorate in clinical or counseling psychology who hold a valid license to practice psychology.

(iv) Psychologists with a doctorate in clinical or counseling psychology who are employed by governmental agencies exempt from the licensing law.

(v) Other licensed clinicians or those employed by governmental agencies who have received administrative approval to provide this treatment service.

(B) Upon receipt of a written report from the therapist, the supervisor may approve additional three-month periods of therapy. Clients needing long-term or ongoing psychiatric or psychological treatment will be referred to the appropriate community mental health center.

(C) Personal Adjustment Counseling may be provided for those persons with emotional conditions who may benefit from counseling to bring about a

more adequate social adjustment, alleviate superficial anxiety, and to create more effective interpersonal relationships. Personal Adjustment Counseling may be provided by: those individuals listed in (17) (A) of this Subsection.

(18) Speech therapy/training as recommended in a speech evaluation. Speech therapy, although provided by recognized speech therapists, is considered Personal Adjustment training and is not based on financial status. The providers of speech therapy are classified as medical vendors.

(19) Surgery and medical treatment.

(A) Surgery and complex or unusual medical treatment may be provided when recommended by a specialist. Medical consultant approval will be obtained prior to planning and authorizing a diagnostic procedure which could lead to immediate surgical treatment. The medical consultant will give conditional approval for the possible surgery if deemed necessary. Normal post-operative care is an integral part of the surgery; therefore, no post-operative charges are to be paid above the approved surgical fee.

(B) Specified outpatient surgical services are approved for payment when provided in qualified outpatient surgical facilities. Qualified facilities include Medicare certified free standing ambulatory surgical centers, Medicare certified hospitals offering outpatient surgical services, and hospitals which have an agreement with DRS.

(C) The counselor will advise the client he/she may be liable for any balance due when payment by private insurance exceeds the Department allowable rate.

(20) Weight loss treatment. A weight loss plan or treatment are included as a service in the IPE for individuals who are eligible on the basis of obesity. A licensed dietician or a physician skilled in weight reduction must monitor any treatment program authorized by the agency. Surgery for weight loss is not provided unless medically recommended as treatment for morbid obesity, a second confirming medical opinion is obtained, the surgery is approved by the DRS medical consultant and supervisory approval is obtained. Before approving DRS provision of surgery for treatment of morbid obesity, the supervisor shall consider the individual's past experience with standard weight loss protocols, and medical and behavioral factors that may impact the individual's ability to obtain long-term benefit from the surgery.

(21) Wheelchairs and other durable medical equipment when prescribed by a physician or recommended by an occupational therapist, physical therapist, assistive technology specialist or person with equivalent qualifications. Power mobility devices may be purchased for individuals when necessary to assist the client in achieving IPE goals.

(A) The client, and/or client's authorized representative, will participate in choosing from which vendor the wheelchair or durable medical equipment will be purchased. Wheelchairs and other durable medical

equipment will be authorized at the agency approved fee.

(B) The client, or client's family or authorized representative as appropriate, is responsible for maintaining wheelchairs or other durable medical equipment in good working order. DVR and ~~DVRBVIDVS~~ will pay for repairs to wheelchairs or other durable medical equipment during the life of the case unless there is clear evidence the equipment has been damaged due to client abuse or neglect. An agency-purchased wheelchair will be returned to the agency if the client becomes unable to use it.

(C) Wheelchair rental may be authorized for a period not to exceed six months when necessary to assist the client with mobility. An exception can be made if it is documented that rental is more cost effective than purchase.

PART 13. SUPPORTIVE SERVICES

612:10-7-130. Maintenance

(a) **General guidelines.** Maintenance is a supportive service provided to assist with the out-of-ordinary or extra expenses to the individual resulting from and needed to support the individual's participation in diagnostic, evaluative, or other substantial services in the IPE. Maintenance, including payments, may not exceed the cost of documented expenses to the individual resulting from service provision. Authorizations for maintenance will not be issued to pay the cost, or part of the cost, for any other service or expense.

(b) **Provision of maintenance.** To receive maintenance, an individual must be either an eligible DVR or ~~DVRBVIDVS~~ client or an applicant for vocational rehabilitation services undergoing diagnostic evaluation and testing. For an accepted client, maintenance must be a supportive service related to outcomes listed in the Individualized Plan for Employment. The costs of the maintenance may not exceed the amount of increased expenses that the IPE causes for the individual or his/her family. The provision of maintenance as a supportive service is not synonymous with general assistance payments. It is not intended to pay for those living costs that exist irrespective of the individual's status as a DVR and ~~DVRBVIDVS~~ client. Maintenance payments must be carefully tied to the achievement of specific VR outcomes which must be stated and documented in the case record and the IPE to justify such payments. Maintenance cannot substitute for or supplement income assistance payments.

(1) **Maintenance for diagnostic and evaluation services.** Maintenance payments for individuals receiving diagnostic or evaluation services may be authorized for overnight care, short-term lodging and/or meals.

(2) **Maintenance for physical restoration services.** Maintenance for physical restoration services is paid to the client until he/she is able to work. The client must be in his/her own home and the covered period of convalescence is to be 60 days or less. For convalescent periods in excess of 60 days, the counselor will refer the client to

other sources for assistance (public assistance, SSI). In no instance will medical maintenance be paid while the client is hospitalized.

(3) **Maintenance for training.** Maintenance can be authorized for full time vocational school students or college students. Maintenance can be authorized for a client granted an exception to the full-time attendance requirement under 612:10-7-150(a).

(4) **Maintenance for job search services.** Maintenance for job search services requires an IPE with major services directed toward the goal of employment.

(5) **Maintenance for job relocation.** Maintenance may be paid to a client for assistance in relocating to a new job site. Maintenance services for this purpose must be identified on the IPE.

(c) **Clothing expenses.** Clothing and/or uniforms can be purchased when needed to begin training or enter employment. Everyday clothing needs of the client are considered as part of the basic living requirements. Any clothing purchased for the client must be:

- (1) required by the training facility;
- (2) necessary to participate in job search or begin employment; or
- (3) necessary to begin a training program that requires clothing standards beyond the client's means.

(d) **Day care expenses.** Day care expenses will be paid for from DVR and ~~DVRBVIDVS~~ funds only when necessary to participate in the IPE, and it is fully documented that no other resources are available for this service, including family members and friends.

PART 15. TRAINING

612:10-7-142. General guidelines for training services

(a) **Types of training.** Training provided by DVR and ~~DVRBVIDVS~~ may include:

(1) **Vocational.** Vocational training provides the knowledge and skills necessary for performing the tasks involved in an occupation. Such knowledge and skills may be acquired through training from an institution, on-the-job, by tutors or through a combination of these methods. Vocational training may be provided for any occupation.

(2) **Prevocational.** Prevocational training includes any form of academic or basic training provided for the preparatory skills needed for entrance into a vocational training program or employment. Prevocational training is initiated to enhance occupational knowledge or skills or to remove an educational deficiency interfering with employment.

(3) **Personal or work adjustment.** Personal or work adjustment training includes any training given for one or a combination of the reasons given in (A) - (D) of this paragraph.

(A) To assist the individual in developing personal habits, attitudes, and skills enabling the individual to function effectively in spite of disability.

Permanent Final Adoptions

- (B) To develop or increase work tolerance prior to engaging in prevocational or vocational training or in employment.
 - (C) To develop work habits and to orient the individual to the world of work.
 - (D) To provide skills or techniques enabling the individual to compensate for a disability such as the loss of a body part or the loss of a sensory function.
- (b) Training may be provided for clients who:
 - (1) are mentally, physically and/or emotionally capable of pursuing a course of training to completion;
 - (2) require training to achieve an employment outcome or other goals established in the Individual Plan for Employment (IPE); and
 - (3) are determined to have a reasonable opportunity for obtaining employment in the chosen vocation.
 - (c) Decisions related to training are based on the individual needs and informed choices of the client as identified in the IPE.
 - (d) DVR and ~~DVRBVIDVS~~ will only pay tuition and fees for courses which count toward requirements consistent with the vocational goal of the IPE. Training of DVR and ~~DVRBVIDVS~~ clients is provided by colleges, universities, private business and trade schools, state supported vocational schools, employers in the form of on-the-job training, sheltered workshops, and other approved training facilities with valid contracts.
 - (e) Federal regulations require a search for comparable services and benefits with the results documented before payment can be made for training in the following institutions: colleges, universities, community/junior colleges, public or private vocational/technical schools, or hospital schools of nursing. PELL grants and other available Federal/State student aid (excluding merit awards) must be applied to tuition, fees and all other educational expenses as a first dollar source prior to consideration of the expenditure of DRS funds.
 - (f) Training costs will not be authorized beyond the first DVR and ~~DVRBVIDVS~~ sponsored enrollment until proof of the availability of comparable benefits is received by the counselor.
 - (g) Once training has begun, the client is expected to progress toward the vocational objective at a steady rate. This requires the client to attend training on a regular basis, and maintain a full-time load unless an exception is granted by the counselor due to severity of disability, scheduling problems or other valid reasons. Training progress reports or other methods of reporting (i.e., grade reports, transcripts) are utilized to document training progress. Sporadic attendance and reduced training loads causing a delay in the completion of training must be reviewed by the counselor. The client is responsible for advising the counselor of problems encountered during the training program.
 - (h) All types of institutional, technical, personal adjustment or employment training are purchased by an authorization issued by the counselor.

612:10-7-149. College and university training

- (a) Training for rehabilitation clients is provided in those colleges and universities which are accredited by the appropriate accrediting agency, whose credits will be given full recognition by other accredited colleges and universities, and which are under contract. Private and denominational colleges and universities may be used for the training of DRS clients, provided they are accredited and under contract.
- (b) Clients approved for college or university training must exhibit the ability to do college work. The counselor will have evidence in the case file indicating the client's ability to do college work before a program is developed calling for training at the college or university level.
- (c) For DVR and ~~DVRBVIDVS~~ clients pursuing a college or university degree, the Department will sponsor only the number of semester hours or remaining hours required for a specific degree. Exceptions may be approved by the counselor.
- (d) Previously completed credit hours which are applicable to the degree requirements will be incorporated in the development of the IPE. When a client changes majors, DVR and ~~DVRBVIDVS~~ funding will be limited to the number of credit hours needed for the new major minus the number of DVR and ~~DVRBVIDVS~~ funded credit hours lost due to the change in majors, unless the change in majors results from circumstances beyond the client's control.

612:10-7-150. Continued eligibility for college or university training

- (a) **Requirements for continued eligibility.** DVR or ~~DVRBVIDVS~~ clients in college or university training will be expected to attend classes regularly and make continuous progress toward graduation. To continue assistance with college or university training, the client must maintain a cumulative 2.0 grade-point average (GPA), based on a four point (4.0) scale. The client must carry the minimum number of semester hours determined to be full time at the school attended. Exceptions may be granted by the counselor, based on severity of disability, scheduling problems, or other valid reasons. When a client fails to meet the requirements for continued sponsorship the guidelines in (1) - (5) of this Subsection are to be followed:
 - (1) Payment of training services based on client's financial status will not be provided if the client's grades fall below 1.5 cumulative GPA.
 - (2) Training services may be paid for a client having a cumulative GPA between 1.5 and 1.9 for the first semester that grades fall below 2.0 cumulative GPA. Subsequent enrollments can only be paid if the student's cumulative GPA shows progress.
 - (3) A client failing to meet the grade point requirement may continue to receive services not based on financial status.
 - (4) A client failing to meet grade point requirements may be approved by the counselor if there are extenuating circumstances beyond the client's control.
 - (5) A client failing to meet grade point requirements will be contacted as soon as appropriate to complete a

program review to determine if a change in services, vocational goal, or objectives is needed. A client failing to meet chosen goals will not have his/her case closed until the counselor has provided counseling and guidance and determined that a change in the IPE is inappropriate. The counselor should investigate the need for further vocational and/or educational evaluation to explore alternative employment goals.

(b) **Withdrawals and failures.** Clients who withdraw or fail courses paid by DVR and ~~DVRBVIDVS~~ will be required to pay for a like number of hours during the following enrollment period subject to the guidelines in (a) of this Section.

612:10-7-152. Payment of tuition and fees at colleges and universities

(a) **Public institutions of higher learning.** Tuition and fees for DVR and ~~DVRBVIDVS~~ clients attending public colleges and universities will be paid at the rate set for resident students by the Oklahoma Regents for Higher Education and within limits prescribed by the Legislature. DVR and ~~DVRBVIDVS~~ will pay those fees charged to all students and special fees associated with required courses in the student's major field of study. After the completion of the first semester, a grade report, proof of enrollment, and an itemized invoice are required documentation to support the authorization for tuition and fees. It is the responsibility of the client to provide this support documentation. The client may provide this documentation electronically or as a printed document in the standard format used by the school.

(b) **Private institutions of higher learning.** Tuition and fees for students in attendance at accredited private or denominational schools will be paid at the same rate as that paid at state-supported colleges or universities of equal rank. After the completion of the first semester, a grade report, proof of enrollment, and an itemized invoice are required documentation to support the authorization for tuition and fees. It is the responsibility of the client to provide this support documentation. The client may provide this documentation electronically or as a printed document in the standard format used by the school.

(c) **Federal/State student aid.** Pell Grant and all other Federal/State aid (excluding merit awards) must be applied to tuition, fees and all other educational expenses as a first dollar source prior to the consideration of the expenditure of DRS funds regardless of whether the student is attending a public or private institution of higher education.

(d) **Cost documentation.** Each client is responsible for providing the counselor a copy of the college or university's current semester costs before the designated "Drop and Add" date.

612:10-7-158. Training for individuals in custody of the Department of Corrections

DVR and ~~DVRBVIDVS~~ funds are not used to defray the cost of training for individuals in the custody of the Department of Corrections. This does not apply to individuals who meet the criteria set forth within a joint memorandum of understanding between DRS and the Department of Corrections.

612:10-7-161. Public and private vocational schools

(a) Client training may be purchased from public or private vocational schools that have a valid purchasing agreement with DRS, after use of available comparable benefits such as PELL grants and other federal/state student aid (excluding merit awards).

(b) Privately-owned vocational schools must be accredited or licensed through the appropriate state board, if applicable, before a purchasing agreement with DRS can be finalized. Tuition at privately owned vocational schools will be paid at rates approved by the Oklahoma Commission for Rehabilitation Services sitting as the Rates and Standards Committee. The authorized rate will remain constant during the contract period.

(c) Continued eligibility of a client in training at a vocational school will be based on the client's performance in respect to grades, progress and attendance. The minimum standards used by the training facility for satisfactory progress in respect to grades and attendance will be utilized by DVR and ~~DVRBVIDVS~~ staff in determining the progress of the client.

(1) DVR and ~~DVRBVIDVS~~ sponsored clients attending vocational technical schools who withdraw or fail course work will be required to pay for like credit or clock hours during the following enrollment period.

(2) A client who fails to meet agency sponsorship guidelines for training at vocational technical schools may continue to receive services not requiring client participation in cost of services.

(3) A client failing to meet agency sponsorship guidelines may be approved by the counselor if there are extenuating circumstances.

(4) A client failing to meet agency sponsorship guidelines will be contacted as soon as appropriate to complete a program review to determine if a change in services, vocational goal or objective is needed. A client failing to meet chosen goals will not have her/his case closed until the counselor has provided counseling and guidance and has determined that a change in the IPE is inappropriate. The counselor should investigate the need for further vocational and/or educational evaluation to explore alternative employment goals.

612:10-7-162. Textbooks, supplies, training tools and equipment

(a) For clients attending training, an allowance may be provided to cover the actual cost of required books, supplies, training tools and equipment, after available comparable benefits have been applied. When an allowance is provided, the client will be required to furnish documentation of the costs of required books, supplies, tools or equipment. The counselor will work with the client in obtaining and utilizing comparable benefits including the PELL grant and planning for the use of other resources to help meet this expense. The textbook allowance will be adjusted the following semester for clients who fail or withdraw from courses paid by DVR or ~~DVRBVIDVS~~. Only textbooks for the current semester's enrollment will be provided.

Permanent Final Adoptions

(b) Training tools and equipment costing more than \$500 will be purchased directly from the vendor in accordance with DRS policy.

(c) The client, or client's family or authorized representative as appropriate, is responsible for maintaining supplies and training tools in good working order. DVR and ~~DVRBVIDVS~~ will pay for repairs to supplies and training tools purchased with DVR and ~~DVRBVIDVS~~ funds during the life of the case unless there is clear evidence the supplies or training tools have been damaged due to client abuse or neglect.

(d) Gun "kits", but not operable firearms, used as training tools may be purchased for students in gun-smithing school only.

(e) The Department retains title to any tools costing \$500 or more purchased for training purposes until title is released by an authorized agent of the Department. The counselor will complete the Receipt for Equipment and Title Agreement, and obtain necessary signatures, before releasing such tools to the client. Any tools purchased for training purposes remain with the client while he/she is in training and after the completion of the training if they can be used in the client's chosen vocation. If the client drops out of training, DRS at its discretion may take steps to repossess the tools to transfer to another client.

(f) Case recording must reflect the disposition of tools and materials provided the client before the case is closed.

(g) Computers and related high tech equipment necessary for the client to participate in a training program or required by the training entity may be purchased as a client service in accordance with agency policy. The cost of computers and related equipment will not be included in an allowance for textbooks and supplies.

612:10-7-170. Work experience, internship and apprenticeship

(a) Work experience, internship and apprenticeship opportunities are types of training that may be provided or arranged to help clients gain experience in the world of work, improve job readiness, develop a work record to advance future employment, make or refine vocational goal decisions, develop career/discipline familiarity, obtain specific skills related to a career choice, or prepare for a specific occupation.

(b) Work experiences, internships and apprenticeships may be arranged with public or private organizations or employers.

(c) To the extent that costs of providing work experiences, internships or apprenticeships are not met by employers or through comparable benefits, DRS may provide these types of training through agreement or contracted with the employer or organization, in accordance with agency procedures for purchase of services. Work experiences, internships and apprenticeships do not require client participation in cost of services.

(d) Work experiences and internships or any combination of such experiences provided for a client by DRS may be of any duration not to exceed six months except with supervisory approval.

PART 17. SUPPORTIVE EMPLOYMENT SERVICES

612:10-7-183. Ongoing support services

The individual will be provided needed and appropriate ongoing support services such as job site training, transportation, service to family members, or any service necessary to achieve and maintain the supported employment placement throughout the term of employment. DVR and ~~DVRBVIDVS~~ sponsored support services are provided from the time of placement until the individual is stabilized on the job (completion of "Stabilization Milestone") by the service provider.

612:10-7-184. Extended services

Extended services are a continuation of ongoing support services provided to individuals in Supported Employment at completion of stabilization, during the "Successful Rehabilitation" Milestone and beyond case closure. Such services consist of the provision of specific services, including natural supports, needed to maintain the supported employment placement. Extended services are specifically identified in the IPE. Except as provided by federal law with regard to youth with the most significant disabilities, extended ~~Extended~~ services are paid from funding sources other than DVR and ~~DVRBVIDVS~~ ~~and are specifically identified in the IPE.~~ An individual may not be found ineligible for supported employment services because the resource for providing extended services cannot be identified.

PART 19. SPECIAL SERVICES FOR INDIVIDUALS WHO ARE BLIND, DEAF, OR HAVE OTHER SEVERE DISABILITIES

612:10-7-199. Reader/recording services

(a) Reader services may be purchased for individuals who are blind, visually impaired or have difficulty reading standard print books/materials due to any other disability. Reader services are exempt from client participation in cost of service. Hours of reader service purchased shall be based upon the client's needs with respect to reading of textbooks, training materials or other printed materials used in the rehabilitation process.

(b) Payment for reader services will be based on the Federal Minimum Wage, unless the counselor justifies use of a higher basis for readers of specialty subjects (e.g., law, science, technology, professions). Reader services may not be paid in advance. Payment is authorized directly to the client in the same manner as maintenance or transportation and may be included on the same authorization with either or both of these other services.

(c) Individuals who have difficulty reading or using standard print materials will be referred to existing resources for recorded, large print, Braille and digital books and materials. Any required fee or materials cost for a recorded/digital textbook service may be paid through DVR and ~~DVRBVIDVS~~ funds and is not based on financial status determination.

612:10-7-201. Rehabilitation teaching services

Rehabilitation teachers provide counseling and instruction to aid clients in adjusting to blindness. All clients who are legally blind or have a rapidly progressive eye condition are to be referred to a rehabilitation teacher. Exceptions are allowed in instances where rehabilitation teaching services have been provided and the client appears to be functioning independently, or when physical restoration services are planned which will likely restore the client's functioning to a level which would remove the need for rehabilitation teaching. Rehabilitation teachers employed by the Division of ~~Vocational Rehabilitation for the Blind & Visually Impaired~~ Visual Services may serve clients who are legally blind jointly with the DRS counselor.

612:10-7-203. Orientation and Mobility (O & M)

DVR and ~~DVRBVIDVS~~ clients who are legally blind can receive direct instruction from O & M specialists employed by the Department. O & M specialists assist these clients to adjust to their surroundings.

612:10-7-205. Services to persons who are deaf-blind

(a) **Overview of services.** Because of the overwhelming impact upon the individual with a combination disability of deafness and blindness, a multiple disciplinary approach is needed to adequately serve these individuals. Unique problems in mobility and communication can cause severe social, recreational, academic deprivation and long term prevocational training may be necessary. Persons who are deaf-blind are capable of competitive employment and the counselor will carefully evaluate expected employment outcomes.

(b) **Deaf-Blindness Specialist.** To promote and coordinate appropriate services for persons with dual losses of vision and hearing, the Division of ~~Vocational Rehabilitation for the Blind & Visually Impaired~~ Visual Services employs a Deaf-Blindness Specialist. This specialist works with counselors, rehabilitation teachers and others who provide services directly to clients who are deaf-blind. A major role served by this specialist is coordinating services and ensuring dialogue among schools, programs, agencies and organizations serving the deaf and blind.

612:10-7-206. Assistive technology services for individuals with visual impairments

The need for assistive technology devices and services is to be addressed in the client's Individualized Plan for Employment. Counselors and rehabilitation teachers may refer clients with visual disabilities to the Division of ~~Vocational Rehabilitation for the Blind & Visually Impaired~~ Visual Services assistive technology laboratory for blindness and low vision which may provide or procure:

- (1) assistive technology evaluations;
- (2) recommendation of assistive technology devices and services to meet individual needs;
- (3) training in use of technology and devices, referral to training sources and information on training options;

- (4) information on technologies and devices to meet specific individual needs;
- (5) technical assistance for installation and operation of select applications and devices; and
- (6) demonstration and loan of adaptive aids, devices, electronic and computer technologies and other assistive technology products.

PART 21. PURCHASE OF EQUIPMENT, OCCUPATIONAL LICENSES AND CERTIFICATIONS

612:10-7-216. Tools, occupational equipment, initial stocks and supplies

(a) Tools, occupational equipment and supplies will be provided to eligible clients to the extent necessary to achieve their vocational goal providing the client has adequate resources available for the proper maintenance and upkeep of such tools and equipment. The client, or client's family or authorized representative as appropriate, is responsible for maintaining tools, occupational equipment, initial stocks, and supplies in good working order. DVR and ~~DVRBVIDVS~~ will not pay for repairs to tools, occupational equipment, initial stocks and supplies purchased with DVR and ~~DVRBVIDVS~~ funds once title has been released to the client. DVR and ~~DVRBVIDVS~~ will not pay for repairs before title is released when there is clear evidence that the damage resulted from abuse or neglect.

(b) The client will retain possession and control of articles while engaging in the job or occupation for which articles were provided, or when title is released to client. Occupational tools, occupational equipment, and initial stocks and supplies are defined as follows:

- (1) Occupational tools are considered to be those minimum tools required for a designated trade, necessary to the employment of the individual, and not furnished by the employer. DRS will NOT purchase operable firearms even if required for employment. Counselor will assist consumer in finding resources to help in this purchase if necessary.
- (2) Occupational equipment is equipment required to meet the minimum needs of an individual in starting and conducting a business of his or her own.
- (3) Initial stocks and supplies are those materials and merchandise necessary for the client to become operational in a business.

(c) Purchase of occupational tools, equipment and initial stocks and supplies will be made in accordance with 612:10-1-7. If the client is required to participate in cost of services, the payment will be made to the nonmedical vendor. When the equipment is received and/or installed, the appropriate rehabilitation professional completes the Receipt for Equipment and Title Agreement. If the purchase total is \$5,000 or more, the rehabilitation professional then signs the vendor's invoice and routes it to DRS state office.

(d) Used tools or equipment may be purchased when it is evident considerable savings may be affected. Used equipment or tools are to be appraised piece-by-piece by at least three shop

Permanent Final Adoptions

owners or managers in the same type of work, and who are not acquainted with the vendor.

(e) If the counselor, after a thorough check of the tools or equipment, finds they are not being used for the purpose for which they were purchased, the counselor is to repossess the tools or equipment by executing the Release or Receipt of Equipment form.

PART 25. TRANSITION FROM SCHOOL TO WORK PROGRAM

612:10-7-245. Definitions

The following words and terms, when used in this Part, shall have the following meaning, unless the context clearly indicates otherwise:

"FLSA" means the Fair Labor Standards Act which sets forth labor standards and protections as enforced by the U.S. Department of Labor.

"IDEA" means the Individuals with Disabilities Education Act, P.L. 101-476 which ensures the rights and protections of children with disabilities and their parents being served by public education agencies through special education services and on an individualized education program (IEP).

"IEP" means Individualized Education Program. This is an educational document developed on an annual basis that documents the educational and transition goals students are working toward each year in grades PK-12.

"LEA" means Local Educational Agency, or local school district.

"SDE" means State Department of Education.

"SECTION 504 Plan" is a plan designed as a protection for students with disabilities who may not be considered eligible for special education under the IDEA in compliance with Section 504 of the Rehabilitation Act of 1973 as amended.

"Teacher coordinator" means a teacher employed by a school who is released as part of her work day and responsible for working with ~~DVR/DVRBVID~~DVR/DVS counselors and students eligible for the Transition from School to Work Program.

"Work Adjustment Training (WAT)" is provided on a work site, in a school, or in an approved Community Rehabilitation Program having valid contracts with DRS. WAT may also include (but is not limited to) activities aimed toward work tolerance, development of personal habits, attitudes, and work habits necessary to orient the individual to the world of work. High school students eligible for this service must be at least 16 years of age and may not participate for more than 18 months unless determined necessary by the counselor and client.

"School Work Study (SWS)" allows students with disabilities to work on the school campus. The students are supervised or closely monitored by school personnel, and the school pays the students a stipend with DRS making reimbursement to the school for that payment. The stipend is not a wage/salary. The school maintains liability for the students while working on campus.

"Trial Work/Extended Evaluation" has the meaning given these terms in DRS policy and federal law/rules.

"Work Site Learning (WSL)" allows students with disabilities to work in the community. The students are supervised or closely monitored by school personnel, and the school pays the students a stipend with DRS making reimbursement to the school for that payment. The stipend is not a wage/salary. The school maintains liability for the students while working off campus.

"Employer Work Study (EWS)" allows students with disabilities employment experience in part-time jobs in the community with the employers paying the wages/salary(ies). In this instance, the students are employees of the community employers, and DRS does not reimburse the employers for the wages/salary(ies).

SUBCHAPTER 9. REHABILITATION TEACHING SERVICES

PART 3. CASE PROCESSING AND RECORDING

612:10-9-17. Application Status

(a) A case is placed in Application Status when the individual submits an application with DVR or ~~DVRBVID~~DVS in accordance with agency policy.

(b) A decision of eligibility or ineligibility must be made within 60 days of the completed application unless unforeseen and exceptional circumstances beyond the control of the Department indicate the need for an extension as documented on the Need for Extension of Time to Determine Eligibility form. The consumer must agree an extension of time is warranted after full consultation.

(c) The rehabilitation teacher will conduct an initial interview and document it in a narrative summary. The consumer and/or representative will be given an explanation of consumer rights and responsibilities and information about the Client Assistance Program and mediation procedures in a medium which is understandable to the individual and in their preferred medium. The teacher will document this in the case record. The consumer will be offered the opportunity to register to vote at time of application and/or time of address change.

SUBCHAPTER 11. INDEPENDENT LIVING SERVICES FOR OLDER AND INDIVIDUALS WHO ARE BLIND

PART 1. SCOPE OF SERVICES

612:10-11-7. Administrative review

Any individual who is an applicant or client of OB services must be advised of his/her right to request a timely review or a re-determination of any action taken by DRS staff. The review will be conducted by the Administrator for ~~Vocational Rehabilitation for the Blind & Visually Impaired~~Visual Services or

his/her designee, who shall respond to the applicant or client in writing with the findings and conclusions of the review.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 1. GENERAL PROVISIONS

612:15-1-3. Library functions and legal basis

(a) The Oklahoma Library for the Blind and Physically Handicapped (OLBPH), operated by the Division of ~~Vocational Rehabilitation for the Blind & Visually Impaired~~ Visual Services within the Department of Rehabilitation Services, is the regional library for Oklahoma as part of the national network of libraries of the Library of Congress National Library Service (NLS) for the Blind and Physically Handicapped.

(b) On March 3, 1931, the Pratt-Smoot bill authorized the Library of Congress to arrange with other libraries to serve as local or regional centers to circulate books to blind or visually-impaired users. By the end of fiscal 1966, Congress passed Public Law 89-522 extending the service to library users who could not read standard print because of physical disability, which can include certain reading disabilities. State law (7 O.S. Section 8 and 74 O.S. 166.4(B)(3)(b) and 166.5) establish that the Section of Services to the Blind (~~Vocational Rehabilitation for the Blind & Visually Impaired~~ Visual Services) of the Commission for Rehabilitation Services has the authority and duty to provide special library services to blind and visually impaired citizens.

(c) Functions of the Library include but are not limited to:

- (1) Loan of books and periodicals in accessible formats for eligible adults and children with visual, physical or learning disabilities that prevent effective use of standard print materials;
- (2) Production of recorded and Braille materials on request and on a limited basis, subject to availability of resources. Fees may be established to cover the cost of production. Services provided by OLBPH as part of the National Library Service will be given priority over requests for production of reading materials in alternate formats;
- (3) Acquisition, housing and circulation of Braille textbooks and other accessible instructional materials for students with print disabilities in grades pre-K through 12;
- (4) Improving access to print information for Oklahomans with print disabilities by providing, through contract or directly, services that supply audio or electronic access to newspapers, books, works by Oklahoma authors, educational programming, local and state activities, and information on resources.
- (5) Recruitment and training of volunteers to support library functions.

SUBCHAPTER 5. LIBRARY LOAN POLICY

612:15-5-2. Suspension procedures

In the event any of the rules in this Chapter are violated repeatedly, the borrower's service may be suspended for a period of time after being given a written warning and an opportunity to reply. If after reinstatement of services, abuse continues, service may be suspended again. In the event of suspension, these steps will be taken:

- (1) The library will first discuss the problem noted with the patron by telephone or in person, then will send

Permanent Final Adoptions

a warning letter summarizing the discussion, the problem and, provide an opportunity for the patron to reply.

(2) If service abuse reoccurs, a second written communication is sent to the patron citing the earlier warning letter, listing incidents of abuse, giving the patron an opportunity to reply by a certain date, and suspending the service for a stated period up to six months. A specific date for resumption of service is included. Service will be suspended only after a review by and upon the concurrence of both the administrative librarian and the Director of ~~Vocational Rehabilitation for the Blind & Visually Impaired~~ Visual Services.

(3) When the service is resumed, a letter will be sent to the borrower notifying him/her of the resumption of the service and reminding the patron that further reoccurrences will result in another suspension of service as it relates to the documented abuse.

SUBCHAPTER 3. GENERAL OPERATING PROCEDURES FOR THE SCHOOLS

PART 1. GENERAL EDUCATIONAL POLICIES

612:20-3-5. Departmental resources

(a) **In-service training.** State Office staff are available as resource persons through the Staff Development Unit. They are charged by the director with the responsibility of assisting the superintendents with the development of a meaningful, ongoing in-service training program patterned to serve the individual needs of each school and embodying the Department's school goals.

(b) **Rehabilitative and Vocational Rehabilitation for the Blind & Visually Impaired Visual Services Division.** Coordination of efforts to make a smooth transition from secondary school to employment or further training will be facilitated by VR counselors trained to work with the blind and deaf. The Department of Rehabilitation Services will encourage and support efforts to enhance communication and cooperation between school and rehabilitation personnel.

ANALYSIS:

The proposed changes to Chapter 25 consist of the division name change of Vocational Rehabilitation for the Blind & Visually Impaired (VRBVI) becoming Visual Services (VS).

CONTACT PERSON:

Tina Calloway, Administrative Assistant, State Department of Rehabilitation Services, Process Improvement Unit, 3535 N.W. 58th Street, Suite 500, Oklahoma City, OK 73112-4824, (405) 951-3552.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 2. GENERAL PROVISIONS

612:25-2-5. Definitions

The following words or terms, when used in this Manual, shall have the following meaning unless the context clearly indicates otherwise:

"Act" means the Randolph-Sheppard Vending Facility Act (Public Law 74-732), as Amended by Public Law 83-565 and Pub Law 93-516, 20 U.S.C., Ch. 6A, Sec. 107.

"Active participation" means a process of good faith negotiations involving the Elected Committee of Licensed Managers and the State Licensing Agency. The Committee must be given the opportunity to have meaningful input into the decision-making process in the formulation of program policies which govern the duties, supervision, transfer, promotion and financial participation of licensed managers. The SLA is charged with the ultimate responsibility for the administration and operation of all aspects of the Business Enterprise Program.

"Annual Evaluation" means an evaluation conducted on a yearly basis of a manager. This evaluation will be performed at the end of each calendar year.

"BEP" means the Business Enterprise Program of the State Licensing Agency which provides self-employment opportunities for qualified persons who are blind.

"BEP Operations Coordinator" means the person who has responsibility for the operation of the Business Enterprise Program in the State.

"Blind person" means a person who, after examination by a physician skilled in the diseases of the eye or by an

optometrist, whichever the person shall select, has been determined to have (1) not more than 20/200 central visual acuity in the better eye with correcting lenses, or (2) an equally disabling loss of the visual field as evidenced by a limitation to the field of vision in the better eye to such a degree that its widest diameter subtends an angle of no greater than 20 degrees.

"Board" or "Commission" means the governing body for the State Licensing Agency.

"Business Consultant (BC)" means an individual who provides consultative and management services to those business enterprises and licensed managers of the State to which the consultant is assigned.

"Business Enterprise" means an approved business administered by the State Licensing Agency. See definition of "Vending Facility."

"Business Enterprise Program (BEP)" means the Business Enterprise Program services available to establish business enterprises for persons who are blind.

"Cafeteria facility" means a food dispensing business enterprise capable of providing a broad variety of prepared foods and beverages (including hot meals) primarily through the use of a line where customers serve themselves from displayed selections. A cafeteria may be fully automatic or provide limited waiter or waitress service. Table and/or booth seating facilities are always provided.

"Client or Consumer" means any person who has made application for the State Licensing Agency's services and has been determined by the State Licensing Agency to be eligible for services.

"Commissioner" means the Commissioner of the Rehabilitation Services Administration (RSA) who exercises approval authority for the Federal government under the Randolph-Sheppard Act.

"Committee" means the Elected Committee of Licensed Managers.

"Contract" means a written agreement between the State Licensing Agency and officials in control of Federal or other property to establish a business enterprise.

"Contract labor" means a person or company that performs duties or services not a part of the regular duties of the business enterprise.

"Counselor" means Division of Vocational Rehabilitation or Division of Vocational Rehabilitation for the Blind & Visually Impaired Visual Services counselors assigned to the State Licensing Agency's program of vocational rehabilitation.

"Director" or "Executive Director" means the chief administrator of the State Licensing Agency.

"Displaced licensed manager" means a licensed manager who has been displaced from his or her business enterprise through no fault of his or her own.

"Dry/Wet facility" means any business enterprises providing manual dispensing of prepackaged articles, refreshments, and services.

"Elected Committee of Licensed Managers (ECM)" means the committee elected biennially by licensed managers in accordance with 34 CFR 395.14.

"Emergency" means an unforeseen circumstance that calls for immediate action. When a piece of equipment is out

Permanent Final Adoptions

of order it is not normally considered an emergency unless it will harm/destroy lives, other equipment or property.

"Employee" means an individual who receives compensation for services rendered to a licensed manager.

"Equipment, expendable" means items having a relatively small cost per item and having a relatively short life expectancy.

"Equipment, non-expendable" means all necessary equipment which requires a relatively high capital outlay and has a normal life expectancy of several years.

"Federal property" means any building, land or other real property owned, leased, or occupied by any department, agency, or instrumentality of the United States (including the Department of Defense and the United States Postal Service), or any other instrumentality wholly owned by the United States.

"Federal regulations" means the regulations issued pursuant to the Randolph-Sheppard Act.

"Grantor" means a Federal, State, County, Parish, city government, private corporation, company, partnership or individual, who grants a permit or enters into an agreement with the State Licensing Agency to operate a business enterprise on its/their property.

"Grantor's agreement" means a written document between a Grantor and the State Licensing Agency which sets forth the terms, conditions and responsibilities of all parties to the agreement for the operation of a business enterprise on private and/or public property.

"Gross receipts" means all revenue from a business enterprise, including sales tax.

"Inactive Licensee" means a licensed individual who is not currently working in the Business Enterprise Program.

"Initial stock and supplies" means those resalable items or supplies necessary for the opening and operation of a specific type of business enterprise.

"Interim manager" means a licensed manager appointed to manage a business enterprise on a temporary basis.

"License" means a written instrument issued by the State Licensing Agency to a person who is blind, authorizing such person to manage a business enterprise.

"Licensed employee" means a licensed individual who is currently working for a licensed manager.

"Licensed Manager (LM)" means a licensed individual who has signed an agreement with the State Licensing Agency to manage a Randolph-Sheppard business enterprise under the supervision of the State Licensing Agency.

"Licensee" means a person who is blind and holds a valid BEP license.

"Licensing agency" means the State Licensing Agency (SLA), which has been designated by the Commissioner, pursuant to the Act, to issue licenses to persons who are blind for the management of business enterprises.

"Management services" means inspection, quality control, consultation, accounting, regulating, in-service training, and other related services provided on a systematic basis to support and improve business enterprises operated by licensed managers.

"Manager's agreement" means an agreement between a licensed manager and the State Licensing Agency, establishing basic terms and conditions for management of a business enterprise.

"Mail" is a method of distributing information that includes, but is not limited to, the U.S. Postal System, email, fax, or Federal Express.

"Net earnings" or "Net profits" means gross profit after deducting operating expenses and set-aside collected.

"Net proceeds" means the amount remaining from the sale of articles or services of business enterprises and any vending machine income or other income accruing to licensed managers after deducting the cost of such sales and other authorized expenses excluding set-aside charges required to be paid by the licensed managers.

"Net sales" means the sum total of sales, excluding sales tax.

"Nominee" means a nonprofit agency or organization designated by the State Licensing Agency through a written agreement to act as its agent in the provision of services to licensed managers under the State's Business Enterprise Program.

"Other income" means money received by a licensed manager from sources other than over the counter and machine sales.

"Other property" means property which is not Federal property and on which business enterprises are established or operated by the use of any funds derived in whole or in part, directly or indirectly, from the operation of vending facilities on any Federal property.

"Performance Evaluation" means an evaluation conducted to determine if a manager is eligible to apply for a facility or to be awarded a permanent BEP license.

"Permanent BEP License" means a license issued on a permanent basis to a BEP manager who has successfully completed all probationary requirements.

"Permit" means the official approval given a State Licensing Agency by a department, agency, or instrumentality in control of the maintenance, operation and protection of Federal property or person in control of other property where the State Licensing Agency is authorized to establish a business enterprise.

"Probationary BEP License" means a license issued to an individual on their first day as manager of an Oklahoma BEP facility.

"Probationary Licensee" means a person who has received a certificate of completion of the Business Enterprise Program training and has not completed their six (6) month probationary period.

"Purveyor" means an approved source of supply for food, beverages, supplies, or services.

"Randolph-Sheppard Act" means Public Law 74-732 as amended by Public Law 83-565, Public Law 93-516, and Public Law 95-602, 20 U.S.C. Chapter 6A, Section 107.

"Retained vending machine income" means vending machine income disbursed by a property managing department, agency or instrumentality of the United States, or

received from vending machines on State or other property in excess of the amounts eligible to accrue to licensed managers.

"Routine preventive maintenance" means the regular care, upkeep, and cleaning of equipment used in a business enterprise.

"Rules and regulations" means the instrument written by the State Licensing Agency and approved by the Secretary of Education setting forth the conduct and operation of the Business Enterprise Program. A copy of the document granting approval of the rules and regulations from RSA, will be mailed to each licensed manager.

"Saleable stock/merchandise" means products comprising the merchandise available for sale to the public and determined by the SLA to be from an approved source in the original container, in date, consistent with the needs of the customers for a particular business enterprise.

"Satellite business enterprise" means a business enterprise assigned to a licensed manager on a temporary basis.

"Satisfactory site" means an area determined by the BEP Operations Coordinator to have sufficient space, electrical and plumbing outlets, and other such accommodations as prescribed by the Act, for the location and operation of a business enterprise in accordance with applicable health laws and building codes.

"Secretary" means the United States Secretary of Education.

"Set-aside funds" means funds which accrue to a State Licensing Agency from an assessment against the net proceeds of each business enterprise in the State's business enterprise Program and any income from vending machines on Federal property which accrues to the SLA.

"Snack bar business enterprise" means a business enterprise engaged in selling limited lines of refreshment and prepared food items necessary for a light meal service.

"State Licensing Agency (SLA)" means the State agency that issues licenses to persons who are blind for the operation of business enterprises on public and/or private property.

"State property" means lands, buildings, and/or equipment owned, leased, or otherwise controlled by the State.

"Statewide average manager earnings" means the average annual manager earnings (after set-aside) as calculated each year for the RSA-15 Report.

"Trainee" means a qualified client of the Division of ~~Vocational Rehabilitation for the Blind & Visually Impaired~~ Visual Services, who when referred to the Business Enterprise Program, is placed in training to prepare for licensing under the rules and regulations of the State Licensing Agency.

"Training program" means the program of study and/or on-the-job training provided to prospective and/or experienced licensed managers.

"Vending facility" means automatic vending machines, cafeterias, snack bars, cart service, shelters, counters, and such other appropriate auxiliary equipment which may be operated by licensed managers and which is necessary for the sale of newspapers, periodicals, confections, tobacco products, foods, beverages, and other articles or services dispensed automatically or manually and prepared on or off the premises

in accordance with all applicable health laws and including the vending or exchange of chances for any lottery authorized by State Law and conducted by an agency of a State within such State. [CFR 34, Part 395.1(X)]

"Vending machine" means any machine, operated using currency or other medium of exchange, which dispenses articles or services, except any machine operated by the United States Postal Service for the sale of postage stamps or other postal products and services. Machines providing services of a recreational nature and telephones shall not be considered to be vending machines.

"Vending machine facility" means an automated business enterprise which dispenses a variety of food and refreshment items and services from vending machines. Included in this category would be interstate highway locations and vending machine routes.

"Vocational Rehabilitation for the Blind & Visually Impaired Services" means those services as defined in the Rehabilitation Act. [29 USC 701 et seq.]

"Volunteer" means an individual who works in a business enterprise and receives no compensation.

SUBCHAPTER 4. THE STATE LICENSING AGENCY

PART 1. ORGANIZATION AND GENERAL OPERATION STANDARDS

612:25-4-1. Organization of the State Licensing Agency

(a) **Governing board.** The Oklahoma Department of Rehabilitation Services (DRS) is the designated State Licensing Agency (SLA) for administration of Oklahoma's vending facility program for the blind under the Randolph-Sheppard Act. The governing board of the SLA is the Oklahoma Commission for Rehabilitation Services. The Director of DRS reports directly to the Commission.

(b) **Business Enterprise Program administration.** The Business Enterprise Program (BEP) is located in the Division of ~~Vocational Rehabilitation for the Blind & Visually Impaired~~ Visual Services of DRS, and is administered by the Business Enterprise Program Operations Coordinator who reports to the ~~Vocational Rehabilitation for the Blind & Visually Impaired~~ Visual Services Division Administrator.

(c) **BEP staff.** The SLA, with consultation from the Elected Committee of Licensed Managers, determines staffing requirements for administration of the BEP and provision of services to achieve the mission, goals and objectives of the Program.

(d) **Licensed managers.** The individual enterprises established by the Business Enterprise Program are managed by licensed managers. Licensed managers are subject to the policies and procedures of the Business Enterprise Program, but are not employees of the program, the SLA, or the State of Oklahoma. They do, however, have a contractual relationship with the SLA and are required to manage the business enterprise in accordance with established rules and regulations.

Permanent Final Adoptions

PART 3. BUSINESS ENTERPRISE PROGRAM TRAINING

612:25-4-14. Training for new or potential licensed managers

(a) **Overview of Licensed Manager Training.** The Business Enterprise Program (BEP) provides individuals who are blind with training that leads to potential employment as a Licensed Manager of a vending facility or related business in the Business Enterprise Program. The training program includes but is not limited to training in laws and regulations affecting the Business Enterprise Program, state and federal tax reporting, food service operations, sanitation, inventory control, money management, staffing of personnel, safety procedures, business management principles and techniques, and preparation of reports required by the State Licensing Agency. The licensed manager training program will be based on a curriculum developed and periodically reviewed through consultation with appropriate business representatives, trainers, BEP experts, and the Elected Committee of Licensed Managers. Additional training required by the licensed manager trainee to adjust to blindness, learn assistive technology skills or improve the trainee's opportunity to succeed as a licensed manager may be arranged through coordination with the DRS Division of Vocational Rehabilitation for the Blind & Visually Impaired/Visual Services and DRS Division of Vocational Rehabilitation.

(b) **Application process.** Applications for BEP training shall include the following information which shall be obtained from the individual's counselor:

- (1) current eye examination, documenting blindness;
- (2) documentation for United States citizenship;
- (3) documentation the client is at least 18 years of age; and
- (4) completion of any rehabilitation training prerequisites established by the BEP in consultation with the ECM to better optimize the successful employment outcome;

(c) **Acceptance for training.** Applicant qualifications will be reviewed by BEP staff who will report any training-related recommendations to the individual's ~~DVR-BVI/DVRDVS/DVR~~ counselor and BEP operations coordinator. An individual's application must be approved by the BEP operations coordinator prior to acceptance into the training program.

(d) **Notice regarding criminal background record.** Before entering training, BEP applicants will be informed that a criminal background investigation will be performed and may prevent their being licensed to manage some BEP facilities.

(e) **Duration of training.** To be eligible for licensure as a BEP facility manager an individual must complete the full BEP manager training program, unless the BEP operations coordinator, in consultation with the Chair of the Elected Committee of Licensed Managers, determines an exception is justifiable.

(f) **Completion of training.** Each trainee who completes the BEP manager training program is issued a certificate certifying that the trainee has met all the training criteria to be a licensed manager in the Business Enterprise Program.

Upon assuming management of their first facility, a certified graduate shall be issued a temporary license and begin a six (6) month probationary period. During this period, the probationary manager will receive benefits afforded all other managers, along with accruing seniority. Upon completion of their probationary period, the BEP Operations Coordinator, in consultation with the ECM Chair, will review their progress and if determined appropriate will issue their permanent BEP Manager License.

(g) **Failure to complete training.** If it appears that a trainee will not be able to successfully complete training, the BEP operations coordinator, in consultation with the ECM Chair, will review the individual's training record before making a decision to terminate training. The BEP operations coordinator will notify the trainee and their ~~DVR-BVI/DVS~~ or DVR counselor of any BEP decision to terminate training.

(h) **Post-training interview.** Upon completion of a new manager's probationary period, they will be interviewed by a representative of the Elected Committee of Licensed Managers, normally the chairperson, to evaluate the effectiveness of the training program. The interviewer formulates recommendations and comments regarding the training program and provides them to the BEP Operations Coordinator.

(i) **Acceptance of out-of-state licenses.** The BEP Operations Coordinator will evaluate the skills and knowledge of BEP applicants who were licensed managers in other states. Training will be provided to correct any noted deficiencies and acquaint the applicant with Oklahoma's program. After qualifications are met, the applicant is issued a training completion certificate.

(j) **Seniority.** Seniority in the Oklahoma Business Enterprise Program will only accrue when managing an Oklahoma BEP facility.

PART 11. BUSINESS ENTERPRISE PROGRAM AUDITING AND DUE PROCESS

612:25-4-73. Due process

(a) **Due process overview.** The SLA provides procedures for fair hearings of licensed managers' grievances. These procedures provide each licensed manager the opportunity to seek remediation of dissatisfaction with any SLA action arising from the operation of the BEP.

(b) **Informal administrative review.** It is the policy of the SLA to resolve complaints in an expeditious and facilitative manner. These resolutions shall be accomplished through the informal administrative review process whenever possible. A licensed manager has the right to request a full evidentiary hearing at any time within established due process time lines. These timelines are identified later in this policy.

(1) Informal administrative reviews are conducted by the SLA staff person closest to the problem who was not involved in the action resulting in the complaint, and who can resolve the complaint in the most expeditious manner.

(2) The informal administrative review is to be completed within 30 calendar days of receipt of the complaint to the appropriate SLA staff person.

(3) The results of the informal administrative review are to be reported in writing within 15 calendar days to the BEP Operations Coordinator, with a copy going to the licensed manager affected.

(c) **Full evidentiary hearings.** Licensed managers have the right to a full evidentiary hearing to resolve dissatisfaction with any SLA action arising from the operation or administration of the Business Enterprise Program.

(1) If the complaint cannot be resolved with an informal administrative review, or in the absence of an informal administrative review, the licensed manager may request a full evidentiary hearing. The request for a full evidentiary hearing must be made to the BEP Operations Coordinator in writing within 30 calendar days from the date the licensed manager receives the notification of adverse action, or the written report of the informal administrative review. The request for a full evidentiary hearing is to be sent by certified mail. Upon receipt, the BEP Operations Coordinator will immediately forward the request to the ~~Vocational Rehabilitation for the Blind & Visually Impaired~~ Visual Services Division Administrator. The Licensed Manager submitting the request for full evidentiary hearing will be notified of the date it was forwarded.

(2) The licensed manager may be represented in the evidentiary hearing by legal counsel, or other representation of the licensed manager's choice, and at the licensed manager's expense.

(3) Reasonable accommodations will be arranged by the SLA upon the request of the licensed manager.

(4) The hearing will be scheduled by the SLA for a time and place convenient and accessible to the licensed manager and the SLA staff involved in the hearing. The licensed manager will be notified of the place and time of the hearing and the right to be represented by legal or other counsel in writing.

(5) The hearing will be conducted by an impartial and qualified official with no involvement or vested interest in the SLA, action at issue, or with the operation of the affected business enterprise. The presiding officer will conduct the hearing in accordance with State and/or Federal laws and rules governing the conduct of such proceedings. In any case, the hearing will be conducted in a manner that avoids delay, maintains order, and provides for a full recording and reporting of the proceedings so that a full and true disclosure of the facts and issues occurs.

(6) The hearing officer's determination will be based upon the facts as presented by both parties and upon applicable law and the existing rules of the SLA. The hearing officer does not have the power to rule upon the legality or construction of the rules themselves. The officer's decision will determine the relevant issues and facts to be ruled upon.

(7) The hearing officer shall make a written report of the evidence presented, the laws and rules used in determining a resolution, and the resolution itself. This report shall be issued to the BEP Operations Coordinator and the licensed manager, or his/her authorized representative

within 15 calendar days of the conclusion of the full evidentiary hearing.

(8) The hearing officer's report shall be issued to the Director of the SLA within 15 calendar days of the conclusion of the full evidentiary hearing. The SLA Director issues his or her final written decision to the BEP Operations Coordinator and the licensed manager within 30 calendar days of the date on which he or she receives the hearing officer's report.

(9) If the licensed manager is dissatisfied with the decision, she or he may request that the Secretary (USDE) convene an arbitration panel.

[OAR Docket #17-473; filed 6-20-17]

**TITLE 690. BOARD OF EXAMINERS FOR SPEECH-LANGUAGE PATHOLOGY AND AUDIOLOGY
CHAPTER 10. LICENSURE AND FEES**

59 O.S., 2011 § 1613; Board of Examiners for Speech-Language Pathology and Audiology.

SUBMISSION OF PROPOSED RULES TO GOVERNOR AND CABINET SECRETARY:

January 31, 2017

COMMENT PERIOD:

February 16, 2017 through March 17, 2017

PUBLIC HEARING:

March 21, 2017

ADOPTION:

March 24, 2017

Permanent Final Adoptions

SUBMISSION OF ADOPTED RULES TO GOVERNOR AND LEGISLATURE:

March 31, 2017

APPROVED BY GOVERNOR'S DECLARATION:

Approved by Governor's declaration on June 13, 2017

FINAL ADOPTION:

June 13, 2017

EFFECTIVE:

September 11, 2017

SUPERSEDED EMERGENCY ACTIONS:

n/a

INCORPORATIONS BY REFERENCE:

n/a

GIST/ANALYSIS:

The proposed amendments to Chapter 10 change the phrase "clinical experience intern" to "clinical fellow," and the phrase "clinical experience" to "clinical fellowship" throughout Subchapters 3 and 5. Rule 10-3-8 is amended to clarify the prorated amount of continuing education required by licensees.

Rules 10-5-6 and 10-7-3 are amended to clarify the supervision training requirement. In section 10-5-8, "audiologist" is removed from the section because an audiologist does not supervise a clinical fellow.

Rule 10-7-3 is also amended to add new language about documenting supervision. Rule 10-7-9 is amended to change the academic requirements for speech-language pathology assistants. Rule 10-9-2 is amended to change the application requirements for persons whose licenses have permanently expired.

Amy Hall, Executive Secretary, 3700 N Classen Blvd. Ste. 248, Oklahoma City, OK 73118, 405-524-4955, amy.hall@obespa.ok.gov

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 3. LICENSURE OF SPEECH-LANGUAGE PATHOLOGISTS AND AUDIOLOGISTS

690:10-3-5. Supervised clinical practicum requirement

(a) Speech-language pathology applicants must submit evidence of satisfactory completion of four hundred (400) clock hours of supervised clinical practicum, of which at least 375 must be in direct client/patient contact and 25 in clinical observation that are provided by the educational institution or by one of its cooperating programs. At least 325 of the 400 clock hours must be completed while the applicant is engaged in graduate study in a program accredited in speech language pathology by the Council on Academic Accreditation in Audiology and Speech-Language Pathology. Each ~~Speech Language Pathology~~ speech-language pathology applicant seeking licensure from a non-accredited program shall submit a bona fide official academic transcript(s) and verification of clinical practicum hours.

(b) With the exception of post-masters professional degree (Au.D) applicants and applicants with a Ph.D. with a major emphasis in audiology, audiology applicants must demonstrate completion of a minimum of (1820) supervised clinical hours in audiology through clinical practicum, clinical rotations, or externships during their professional or graduate doctoral

degree program. Audiology applicants with a post-masters distance education professional degree (Au.D.) and applicants with a Ph.D. with a major emphasis in audiology must provide evidence of a minimum of (350) supervised clinical hours obtained in audiology through clinical rotations, or externships during their masters or Ph.D. degree program. In addition, audiology applicants with a post-masters distance education professional degree (Au.D.) or a Ph.D. with a major emphasis in audiology must provide evidence of a completed clinical experience of no less than nine (9) months of successful full-time, paid clinical experience in audiology, obtained under the supervision of one or more independent practitioners licensed under the Speech-Language Pathology and Audiology Licensing Act, 59 O.S. 1601, et. seq., as amended or of one or more persons whose education and experience are the equivalent of an independent practitioner. The supervisor of clinical experience must be eligible for licensure as an audiologist. This supervision must entail the personal and direct involvement of the supervisor in any and all ways that will permit him to evaluate the applicant's performance in professional clinical employment and must include direct observation. The applicant and his supervisor must list and describe the methods of supervision employed. Specific information should be given regarding the professional activity supervised, the number of supervisory contacts per month, and the length of each supervisory contact. The supervisor shall base his total evaluation on no less than thirty-six (36) supervisory visits. This experience must follow completion of the requirements of 690:10-3-3 and 690:10-3-6. "Full-time" is defined as at least thirty (30) hours per week; the nine (9) months of full time paid experience must be obtained within a period of twenty-four consecutive months. This requirement may also be fulfilled by eighteen (18) months of half time paid experience of at least fifteen (15) hours per week which must be completed within a period of thirty-six (36) consecutive months. All clinical practicum, clinical rotations or externships adduced to satisfy this requirement must have been obtained under the supervision of an individual eligible for licensure as a speech-language pathologist or audiologist under the Speech-Language Pathology and Audiology Licensing Act, 59 O.S. 1601, et. seq., as amended, and this Chapter. The supervisor of clinical practicum, clinical rotations or externships must be eligible for licensure in the professional area (speech-language pathology or audiology) in which the supervision is provided.

690:10-3-6. Clinical experience fellowship requirement

(a) Clinical experience fellowship form.

(1) Each speech-language pathology applicant shall submit evidence (Clinical ~~Experience Fellowship~~ experience fellowship Form) of no less than nine (9) months of successful, full time, paid, ~~clinical experience fellowship in the area for which a license is required,~~ clinical experience fellowship obtained under the supervision of one or more practitioners who meet the requirements for supervision of clinical ~~experience interns~~ experience fellows set forth in subchapter five of this chapter. This supervision must entail the personal and direct involvement of the supervisor in any and all ways that will permit the supervisor

to evaluate the applicant's performance in professional clinical employment and must include direct observation. The applicant and the supervisor must list and describe the methods of supervision employed. Specific information should be given regarding the professional activity supervised, the number of supervisory contacts per month, and the length of each supervisory contact. The supervisor shall base the total evaluation on no less than thirty-six (36) supervisory visits. This ~~experience~~fellowship must follow completion of the requirements of 690:10-3-3 and 690:10-3-6. "Full-time" is defined as at least thirty (30) hours per week; the nine (9) months of full time paid ~~experience~~fellowship must be obtained within a period of twenty-four consecutive months. This requirement may also be fulfilled by eighteen (18) months of half time paid ~~experience~~fellowship of at least fifteen (15) hours per week, which must be completed within a period of thirty-six (36) consecutive months.

(2) With the exception of audiology applicants with a post-masters distance education professional degree (Au.D.) or applicants with a Ph.D. with a major emphasis in audiology, each audiology applicant will be required to present to the Board a copy of an Au.D. degree diploma, or its equivalent, from an accredited academic institution in order to demonstrate completion of the clinical rotation or externship requirement.

(b) **Waiver of clinical ~~experience~~fellowship requirement.** The Board ~~shall~~shall waive the clinical ~~experience~~fellowship requirement and grant a license to any applicant who holds the Certificate of Clinical Competence of the American Speech-Language-Hearing Association or its current equivalent in the area for which he is applying for licensure, provided that the current requirements for such certification are equivalent to or greater than those for licensure under the Speech-Language-Pathology and Audiology Licensing Act, 59 O.S. 1601 et. Seq., as amended. The current requirements for the Certificate of Clinical Competence of the American Speech-Language-Hearing Association are deemed the equivalent of those for licensure under the Act. Evidence of such certification shall be received by the Board directly from the American Speech-Language-Hearing Association. All fees associated with obtaining such evidence shall be borne by the applicant.

690:10-3-7. Examination requirement and exceptions

(a) **Examination.** All applicants for licensure as a speech-language pathologist and/or audiologist must present evidence of successful completion of the examination approved by the Board. The examination must be passed within two (2) years after board approval of the applicant's first application for a ~~clinical experience intern~~license as a clinical fellow. Failure to pass the examination within this time period shall result in revocation of authorization to practice as a clinical ~~experience intern~~fellow under supervision as defined in Subchapter 5 of this Chapter.

(1) The Board designates as its approved examinations the most current versions of the Educational Testing Service (ETS) Praxis II Audiology Exam and the Praxis II Speech-Language Pathology Exam, or any other national examination recognized by the Board to have similar standards equal to or higher than the ETS Praxis II exams. It shall be the responsibility of the applicant to assure that the testing vendor forwards the examination score to the Board.

(2) An applicant who fails an examination may retake it upon payment of another examination fee to the testing vendor and at any time the testing vendor regularly administers the ETS Praxis II Audiology and Speech-Language Pathology exams. Arrangements and fees are the responsibility of the applicant.

(3) Exceptions to the two year requirement may be granted by the Board under extenuating circumstances.

(b) **Waiver of examination.** The Board shall waive the examination and grant a license to any applicant who holds the Certificate of Competence of the American Speech-Language-Hearing Association or its current equivalent in the area for which he is applying for licensure, provided that the current requirements for such certification are equivalent to or greater than those for licensure under the Speech-Language Pathology and Audiology Licensing Act, 59 O.S. 1601, et. seq., as amended. The current requirements for the Certificate of Clinical Competence of the American Speech-Language-Hearing Association are deemed the equivalent of those for licensure under the Act. Evidence of such certification shall be received by the Board directly from the American Speech-Language-Hearing Association. All fees associated with obtaining such evidence shall be borne by the applicant.

(c) **Reciprocity.** The Board may issue a license without examination to a person who holds a current license in another state or country in speech-language pathology or audiology according to the following conditions:

(1) the other state or country maintains a system and standard of qualifications and examinations for speech-language pathologists and audiologists which meet or exceed the current requirements for licensure in Oklahoma;

(2) payment of the Board's current fee for licensure; and

(3) submission of evidence satisfactory to the Board of proof of licensure in good-standing in another state or country.

(d) The Board shall expedite the process of licensure by reciprocity for applicants whose spouse is an active duty member of the armed forces of the United States if:

(1) the military service member is on active duty within Oklahoma or claims permanent residency within Oklahoma for the six (6) months prior to assignment to active duty or during the period of the active duty and

(2) the applicant left employment in another state to accompany the military service member spouse to Oklahoma.

Permanent Final Adoptions

690:10-3-8. Continuing education (CE) for speech-language pathologists, audiologists, and speech - language pathology assistants

(a) **Purpose.** The purpose of continuing education requirements for speech-language pathologists and audiologists is to assure that licensees update and advance their skills such that the public shall benefit from the most current and effective standards of professional practice. To further the goal of public benefit, all speech-language pathologists and audiologists are encouraged to fulfill a portion of their ~~Continuing Education~~ continuing education requirements in the area of ethics, professional conduct, and related legal issues.

(b) **Clock hours required for license renewal.** A licensee must obtain a minimum of twenty (20) clock hours of acceptable continuing education, including at least three clock hours of professional ethics in a two-year period. The continuing education period begins in January of every odd-numbered year. A speech-language pathologist or audiologist obtaining initial licensure during a two-year period shall have his or her continuing education requirement prorated to 2.5 clock hours per ~~full quarter~~ every full three month quarter remaining in ~~that~~ the two-year period. If ~~the pro-rated hours are~~ total of pro-rated hours is less than five clock hours, the requirement for at least three clock hours of ethics does not apply.

(c) **Approval of continuing education activities required.** Continuing education hours may be granted for acceptable educational activities which are approved by the Board, or by a committee appointed by the Board. No hours will be granted for any activities or categories of activities that have not been approved. A provider of educational activities may apply to the Board for pre-approval of an activity. The provider shall be responsible for compliance with the standards for approval of the activity, verification of participation, and for the provision of the necessary verification of attendance forms to all participants. This verification of attendance form shall include: The participant's name, the presenter's name and credentials, the presentation topic, the program sponsor or agency, the location of the presentation, the dates of presentation, and the total number of clock hours attended. A list of preapproved activities is available on the website or by contacting the board office. Any activity not included on this list will require approval by the Board for credit.

(d) **Exceptions to the requirements.** Exceptions to the pre-approval requirement may be granted at the discretion of the Board for programs presented by recognized sponsors whose programs have been pre-approved by the Board. The university academic semester hour is equivalent to fifteen (15) clock hours, and shall be verified by the presentation of an official academic transcript showing course or audit credits. The licensee is ultimately responsible for providing all information necessary for the Board to make a final determination concerning the acceptability of any requested continuing education hours.

(e) **Fee for approval.** Providers of continuing education programs may be charged a fee for approval of their program. This fee shall be set by the Board.

(f) **Kinds of educational activities for which credit may be received.** Continuing education hours may be earned through formal organized learning experiences, scientific publications, attendance at regularly scheduled meetings of international, national, regional, or state professional associations, or through presentations to appropriate groups not related to the speech-language pathologist's or audiologist's regular employment.

(g) **Hours allowed.** Continuing education activities, whether received or presented by the speech-language pathologist or audiologist, must be targeted toward a professional audience. In those instances when the speech-language pathologist or audiologist is teaching in programs such as institutes, university or college courses, seminars, workshops, and conferences which have been granted approval by the Board, three (3) clock hours will be given for each one (1) hour that is taught, provided that such teaching is not part of the speech-language pathologists or audiologists regular employment. Publication in a ~~professionally~~ professionally related format approved by the Board shall be equal to up to twenty (20) clock hours. Completion of select job-required activities such as CPR training, etc. can be counted once in the two-year period for a maximum of 20% of the total required hours. Other activities may be credited as authorized and disseminated separately by the Board.

(h) **Petition for extension.** A speech-language pathologist or audiologist who fails to comply with the required twenty (20) hours of continuing education in the two year continuing education period ending December 31 may, by submitting an individual review fee of fifty (\$50.00), petition the Board for a ninety (90) day extension. Failure to meet this deadline may result in disciplinary action. The petition for extension shall be filed prior to the expiration of the continuing education period.

(i) **Petition for hardship relief.** A speech-language pathologist or audiologist may petition the Board for partial or complete relief of the continuing education requirements upon the showing of incapacitation or serious illness of licensee or licensee's immediate family member, or licensee's absence from the United States for a period of at least eighteen (18) months during the continuing education period, or the licensee is a member of the armed forces on full-time active duty during the continuing education period. The petition for hardship relief should be filed prior to the expiration of the continuing education period, and will be accepted no later than February 1st of the year following the audit period.

(1) Individuals with medical disabilities must provide evidence that documents the inability to work in the professions, such as a letter from a doctor or a Social Security Administration determination letter. Individuals with medical disabilities will be required to sign an affidavit confirming that they are not providing or supervising the provision of clinical services. In addition, individuals with temporary medical disabilities will be required to affirm every two years that they continue to be classified as medically disabled.

(2) Members of the armed forces on full-time active duty will be required to provide a copy of their deployment orders and a signed affidavit stating they will not practice

during their deployment. They will be assigned a new 2-year maintenance interval that will start on January 1 of the year following their return. If licensees are deployed for the purpose of providing clinical services or supervising the provision of clinical services, an exemption will be considered on a case-by-case basis.

(j) **Audits of continuing education.** The Board will conduct audits every two years (every even year) of licensee compliance with continuing education requirements.

- (1) A minimum of 3% of licensees will be audited.
- (2) Those audited will be required to submit verification of completion for each continuing education activity completed within the audited period. The verification shall be signed by the course provider and shall include the title of the activity, the course description, the number of contact hours and a contact for verification of participation. An official continuing education transcript from a Board approved provider is acceptable verification. The verification must be submitted within thirty (30) days of receipt of notification of selection for audit. Failure to submit verification as required shall be considered non-compliance with the continuing education requirements, and the licensee shall be subject to the provisions of paragraph four of this subsection.
- (3) Licensees will maintain all original documentation of attendance, course agendas and/or other supporting documentation. The Board may request copies of such documentation as is necessary to determine if an activity will be accepted for continuing education credit. The Board will destroy all such copies following the audit.
- (4) Licensees found to be non-compliant with the continuing education requirement shall have ninety (90) calendar days from receipt of notification of continuing education deficiency to complete the following:
 - (A) obtain ~~Continuing Education~~continuing education hours sufficient to meet this requirement;
 - (B) submit verifications of completion to the Board;
 - (C) pay a penalty fee equal to half of the licensure renewal fee. This fee is in addition to any fees for late license renewal. Such hours may not be counted toward fulfillment of future ~~Continuing Education~~continuing education requirements. Failure to comply with the provisions of the paragraph within the ninety (90) calendar day period may result in disciplinary action.

**SUBCHAPTER 5. LICENSURE OF
SPEECH-LANGUAGE PATHOLOGY
CLINICAL EXPERIENCE INTERNSFELLOWS
COMPLETING POST-GRADUATE CLINICAL
EXPERIENCE FELLOWSHIP**

690:10-5-1. License to practice as a speech-language pathology clinical ~~experience intern~~ fellow

Persons in the process of fulfilling the supervised clinical experience required by paragraph 3 of Subsection A of Section 1605 of the Speech-Language Pathology and Audiology Licensing Act, as amended, for licensure as a speech-language pathologist must practice as a clinical ~~experience intern~~fellow under the supervision of a licensed speech-language pathologist. Upon completion of the clinical ~~experience~~fellowship requirement, the applicant may apply for ~~full~~independent licensure and pay the required fee.

690:10-5-3. Representation of clinical ~~experience intern~~ fellow as independent practitioner

A licensed clinical ~~experience intern~~ fellow shall not state, imply or otherwise represent that he or she is authorized to practice independently without the supervision of a licensed speech-language pathologist. Preparation or distribution of announcements of practice, independent telephone listings, internet or social media advertisements or other such notices or representations which indicate or imply that the clinical ~~experience intern~~fellow is an independently licensed speech-language pathologist shall be considered unprofessional conduct, and will result in discipline as authorized by the Speech-Pathology and Audiology Licensing Act.

690:10-5-4. Application form for clinical ~~experience interns~~ fellows

Application for authorization to practice as a clinical ~~experience intern~~fellow under supervision shall be made in the same manner and on the same forms that are used to apply for licensure as a speech-language pathologist ~~and/or audiologist~~. A notarized letter of agreement shall be provided with each application. The letter of agreement must be signed by both the applicant and the proposed supervisor, and must be submitted with the application. Said notarized letter of agreement shall explicitly indicate that the supervisor agrees to supervise the clinical ~~experience intern's~~fellow's practice of speech-language pathology ~~or audiology~~ and that the supervisor accepts complete and full responsibility for the clinical ~~experience intern's~~fellow's activities and services.

690:10-5-5. Authorization period and extensions for clinical ~~experience interns~~ fellows

Authorization for practice as a clinical ~~experience intern~~fellow under this Subchapter shall be for a period of one (1) calendar year from the date of approval by the Board of the application for practice under supervision. A full one (1) year extension of this authorization shall be considered only on written request of the clinical ~~experience intern~~fellow and such request must be received prior to the end of the one (1) year period of previous authorization. Failure to apply for extension shall result in an automatic revocation of authorization to practice. Such revocation shall not jeopardize later application for authorization. If, during the completion of the clinical ~~experience year~~fellowship, it is necessary for a change of supervisors

Permanent Final Adoptions

to occur, it is the responsibility of the applicant to notify the Board of the change and to submit revised paperwork.

690:10-5-6. Requirements for supervision of clinical ~~experience-interns~~ fellows

(a) Clinical ~~experience-interns~~ fellows must be supervised by a speech-language pathologist who has been licensed for a minimum of two years. Licensure as a clinical ~~experience-intern~~ fellow does not count toward the two-year license requirement.

(b) Each supervising speech-language pathologist shall accept no more than two clinical ~~experience-interns~~ fellows. Each supervisor holding licenses in both speech-language pathology and audiology is restricted to no more than two persons to supervise, in aggregate.

(c) Beginning January 2017, the supervising speech-language pathologist must have successfully completed at least six hours of Board approved training in clinical supervision. At least ~~three~~ three hours must include instruction in the knowledge and skills areas necessary for clinical ~~experience-fellow~~ supervisors as identified by the American Speech-Language Hearing Association (ASHA), other organizations, or entities the Board deems acceptable.

(d) A speech-language pathologist who has completed six hours of training is eligible to supervise both clinical fellows and speech-language pathology assistants, provided that the six hour training includes three hours specific to supervision of clinical fellows and three hours specific to supervision of assistants.

690:10-5-7. Notification of Board decision

The applicant and supervisor shall be notified by mail of the decision of the Board with respect to an application filed under this Subchapter. Any Board decision concerning a clinical ~~experience-intern~~ fellow shall also be communicated by mail to the individual and his supervisor.

690:10-5-8. Direct supervision required

The applicant must practice in a setting which permits direct supervision by the supervising speech-language pathologist ~~or audiologist~~. The supervising speech-language pathologist ~~and audiologist~~ must engage in no fewer than thirty-six (36) supervisory activities during the clinical ~~experience-fellowship~~. This supervision must include at least eighteen (18) on-site observations of direct client contact at the clinical ~~experience-intern's~~ fellow's work site (one (1) hour equals one (1) on-site observation; a maximum of six (6) on-site observations may be accrued in one (1) day.) "On-site" is defined as physical presence at the clinical ~~experience-intern's~~ fellow's work site. At least six (6) observations must be accrued during each third of the clinical ~~experience-fellowship~~. These on-site observations must be of the clinical ~~experience-intern~~ fellow providing screening, evaluation assessment, habilitation, and rehabilitation. In addition, the supervision must include at least eighteen (18) other monitoring activities. At least six (6) other monitoring activities must be completed during each of the three segments of the clinical

~~experience-fellowship~~. These other monitoring activities may be executed by correspondence, review of video tapes and/or audio tapes, evaluation of written reports, phone conferences and/or other telepractice activities with the clinical ~~experience-intern~~ fellow, and evaluations by professional colleagues.

SUBCHAPTER 7. LICENSURE OF SPEECH-LANGUAGE PATHOLOGY ASSISTANTS AND AUDIOLOGY ASSISTANTS

690:10-7-1. Practice as an assistant

(a) Any person not eligible for licensure as a speech-language pathologist or clinical ~~experience-intern~~ fellow, who assists in the practice of speech-language pathology, unless exempt pursuant to Section 1604 of this Act, must be licensed by the Board as a speech-language pathology assistant. Licensure to practice as a speech-language pathology assistant may be granted to applicants who meet the qualifications set forth in the law and rules of the Board. Nothing in this section shall be construed to prevent a practitioner from employing any individual in non-clinical capacities.

(b) The Board shall consider on an individual basis the request of each applicant for a speech-language pathology assistant license. Before granting a license the Board will consider the applicant's academic training and clinical experience, specific duties and responsibilities, and amount and nature of the applicant's supervision. The Board retains the power to determine whether or not an applicant meets the requirements.

(c) Beginning January 1, 2015, any person not eligible for licensure as an audiologist, who assists a licensed audiologist in the practice of audiology, unless exempt pursuant to Section 1604 of this Act, must be authorized by the Board as an audiology assistant. To be eligible for authorization, applicants must meet the qualifications set forth in the law and rules of the Board. Before granting an authorization, the Board will consider the applicant's specific duties and responsibilities, and amount and nature of the applicant's supervision. The Board retains the power to determine whether or not an applicant meets the qualifications for authorization.

690:10-7-3. Supervision required

(a) The speech-language pathology assistant must be supervised by a speech-language pathologist who has been licensed for two years. Each supervisor shall accept no more than two assistants. Licensure as a clinical ~~experience-intern~~ fellow does not count toward the two-year license requirement. Each practitioner licensed in both speech-language pathology and audiology is likewise restricted to two assistants in aggregate. Further, the total number of licensees supervised by a single supervisor shall not exceed two.

(b) Beginning January 2017, the supervising speech-language pathologist must have successfully completed at least six hours of Board approved training in clinical supervision. Three hours must include instruction in the knowledge and skills areas necessary for speech-language pathology assistant's supervisors as identified by the American Speech-Language

Hearing Association (ASHA), other organization or entity the Board deems acceptable. A speech-language pathologist who has completed six hours of training is eligible to supervise both clinical fellows and speech-language pathology assistants, provided that the six hour training includes three hours specific to supervision of clinical fellows and three hours specific to supervision of assistants.

(c) A speech-language pathology assistant shall practice under a minimum of 30% supervision weekly, of which 20% is direct and 10% is indirect for the first 90 workdays. After successful completion of the first 90 workdays, a minimum of 10% of direct supervision is required with 20% indirect supervision. The supervising speech-language pathologist must be available by electronic means at all times when the speech-language pathology assistant is performing clinical activities. The supervision must be documented ~~in the client/patient record~~ and on a supervision log signed by the supervisor and the assistant. Direct supervision must also be documented on the client/patient session note. Records of supervision are subject to inspection by the Board.

(1) Direct supervision: in-view observation and guidance by a speech-language pathologist while the speech-language pathology assistant is providing an assigned clinical service to a patient. While directly supervising, the speech-language pathologist may not perform any clinical services unrelated to the client/patient receiving services from the speech-language pathology assistant.

(2) Indirect supervision means the supervising speech-language pathologist is engaged in supervisory activities other than direct supervision, observation and guidance of the assistant while the assistant is providing an assigned clinical service to a patient. Indirect supervision activities performed by the supervising speech-language pathologist may include but are not limited to demonstration, record review, review and evaluation of audio or videotaped sessions, and interactive television and supervising conferences that may be conducted by telephone, email or live webcam.

(d) The supervising speech-language pathologist is responsible for exercising his or her professional judgment to determine the appropriate level of supervision at or above the required minimum necessary to ensure that each client/patient receives competent services. The supervising speech-language pathologist should consider:

- (1) the individual speech-language pathology assistant's knowledge, experience and competence;
- (2) the treatment setting;
- (3) the client/patient's diagnosis/prognosis; and
- (4) the nature of the assigned clinical service.

(e) For audiology assistants, direct supervision is required when the assistant is performing activities involving direct patient care. Direct supervision requires the supervising audiologist to be present on-site for supervision and guidance of the assistant. Indirect supervision of the audiology assistant is permissible when the audiology assistant is performing duties or activities that do not involve direct patient care. Indirect

supervision requires the supervising audiologist to be available for instruction or guidance but does not require the supervising audiologist to be present on-site. The audiology assistant must be supervised by an audiologist who has been licensed for two years. Each supervisor shall accept no more than two assistants.

690:10-7-9. Academic Requirements

(a) Academic requirements for speech-language pathology assistants.

(1) Each speech-language pathology assistant applicant shall hold not less than an associate's degree, or its equivalent, with a major emphasis in speech-language pathology from an accredited academic institution.

(2) Each speech-language pathology assistant applicant shall submit a bona fide official transcript(s) and verification of academic preparation and clinical experience reflecting a minimum of eighteen (18) semester credit hours in general education, a minimum of twenty (20) semester credit hours in technical content, a minimum of twenty five (25) hours of observation which precede a minimum of 100 clock hours of supervised clinical experience.

(A) General education. The general education component typically includes, but is not limited to, course work in oral and written communication, mathematics, computer applications, social sciences and natural sciences.

(B) Technical content. The technical content component must include, but is not limited to the following areas:

- (i) Normal processes of communication.
- (ii) Overview of communication disorders.
- (iii) Instruction in assistant-level service delivery practices.
- (iv) Instruction in work-place behaviors.
- (v) Cultural and linguistic factors in communication.
- (vi) Observation experiences include direct on-site observation of a licensed speech-language pathologist. Additional observation experiences may include on-site, video or digital observation of a ~~fully~~ licensed speech-language pathologist.

(C) Clinical experience. Applicants must complete 100 clock hours of clinical experience supervised by a speech-language pathologist. The clinical experience requirement must be completed through an accredited academic institution with a Board approved degree program.

(b) **Academic requirements for audiology assistants.** Each audiology assistant applicant shall hold not less than a high school diploma or its equivalent.

SUBCHAPTER 9. FEES

Permanent Final Adoptions

690:10-9-2. License renewal fee

(a) The license renewal fee shall be eighty-five dollars (\$85.00) each calendar year. The renewal fee is due on or before December 31st of each year. Failure of any licensed person to pay the renewal fee before the first day of January does not deprive the licensee of the right to renew the license, but the fee paid for renewal postmarked after December 31st shall be increased by 50% for each month or fraction thereof that the payment is delayed, up to a maximum of three times the renewal fee (\$255.00). Failure to pay the renewal fee by January 1st, however, shall render the license invalid until renewed. Renewal of an invalid license within the first year will result in an automatic audit of that licensee's ~~Continuing Education~~ continuing education activities for the preceding continuing education two-year reporting period. Failure to renew a license within the twelve month period following expiration, without otherwise placing the license(s) in question on inactive status (see 690:10-9-6), will render the license permanently invalid, requiring reapplication for licensure based on meeting all current requirements for licensure in the applicant's area of specialization, ~~including completion of another clinical experience year and retaking the exam~~. The applicant whose license has been expired for less than five years may petition the Board to waive the clinical ~~experience-fellowship~~ requirement and/or the examination requirement. If the license has been expired for a period of five (5) years or more, the licensee shall be required to demonstrate competence to practice by completion of one of the following requirements within the last two (2) years prior to submission of the application for relicensing:

- (1) retake and pass the exam required for licensure;
- (2) show proof of licensure and at least 520 hours of practice in another state;
- (3) show proof of at least 520 hours of practice in a setting exempt from licensure pursuant to 59 O.S. § 1604;
- (4) show proof of completion of an additional twenty hours of Continuing Education.

(b) Any licensee whose license is active and in good standing; is a member of the Armed Forces of the United States; and is on active duty at the time of renewal is exempt from payment of the renewal fee. Upon receipt of notice of assignment to active duty from the licensee, the Board shall automatically renew the license without fee each year thereafter of active duty military service, and for up to one year after the date of discharge from active duty.

690:10-9-7. Inactive status fee

(a) A one-time fee of twenty five dollars (\$25.00) shall be charged a licensed speech-language pathologist, audiologist or speech-language pathology assistant to place the license on inactive status, provided that, prior to expiration of the license, the licensee makes written application to the Board for such status. Thereafter, the licensee may reactivate the license upon payment of a reactivation fee equal to one and one-half (1 1/2) times the current license renewal fee. A licensee must be in compliance with ~~Continuing Education~~ continuing education requirements to be placed on inactive status, and must maintain compliance while inactive. During the period of time the

license is on inactive status, the licensee shall not engage in the practice of speech-language pathology or audiology in the State of Oklahoma, unless the licensee is exempt from licensure pursuant to 59 O.S. § 1604. A license may be maintained in inactive status for no longer than ten years.

(b) To reactivate a license on inactive status, the licensee must make written application to the Board, pay a reactivation fee equal to one and one-half (1 1/2) times the current license renewal fee, and provide proof of compliance with ~~Continuing Education~~ continuing education requirements during the time the license was inactive.

(c) In addition to the requirements in subsection (b) of this rule, if the license has been on inactive status for a period of five (5) years or more, the licensee shall be required to demonstrate competence to practice by completion of one of the following requirements within the last two (2) years prior to submission of the application for reactivation:

- (1) retake and pass the exam required for licensure;
- (2) show proof of licensure and at least 520 hours of practice in another state;
- (3) show proof of at least 520 hours of practice in a setting exempt from licensure pursuant to 59 O.S. § 1604;
- (4) show proof of completion of an additional twenty hours of ~~Continuing Education~~ continuing education

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 3. PUBLIC POLICY

PART 1. GENERAL PROVISIONS

710:1-3-2. Required forms and where available

(a) The Oklahoma Tax Commission utilizes a wide variety of forms in the administration of the tax laws. The forms are subject to frequent change because of changes in the law and for administrative reasons. The Commission attempts to make a wide distribution of the commonly used forms needed by taxpayers for ~~which~~whom there is a current, valid mailing address available, such as: Sales Tax permit holders, businesses registered under Income Tax Withholding provisions, and business entities licensed under Franchise Tax provisions.

(b) Current Oklahoma Income Tax forms are available from Taxpayer Assistance Division, at the main offices of the Oklahoma Tax Commission, 2501 North Lincoln Boulevard, Oklahoma City and may be accessed through the Tax Commission website at ~~http://www.oktax.state.ok.us~~ www.tax.ok.gov.

(c) The Commission maintains a Forms Catalog containing sample taxpayer forms required by the Oklahoma Tax Commission in the administration of the various tax levies. The Forms Catalog may be viewed in the Communications Division, M. C. Connors Building, 2501 North Lincoln Boulevard, Oklahoma City, Oklahoma, during normal business hours}.

PART 7. TAXPAYER PAYMENTS

710:1-3-48. Payment of taxes by credit card

(a) "Nationally recognized" credit card means any instrument or device, whether known as a credit card, credit plate, charge plate or by any other name, issued with or without fee by an issuer for the use of the cardholder in obtaining goods,

services or anything else of value on credit which is accepted by over one thousand merchants in this state. The Oklahoma Tax Commission shall determine which nationally recognized credit cards will be accepted for payment of taxes. Currently Discover, American Express, Visa and MasterCard are accepted.

(b) Implementation of payment by credit card will be phased in over a period of time as determined by the Commission.

(1) Initially, payment of taxes by credit card will only be allowed at the current designated receiving points or by designated agents.

(2) When tax return forms are modified to include credit card information in a designated area on the form, payment by this method will be accepted when the tax return document is submitted.

(c) The Tax Commission will verify that sufficient credit is available before acceptance of credit card to insure that no loss of state revenue will occur by the use of such card.

(1) If a taxpayer is at a designated receiving point and credit is not available, the taxpayer then has the opportunity to pay by other methods accepted by the Commission.

(2) If the taxpayer mails ~~in~~ the credit card information with their return and credit is not available, the return will be handled as a document with no remittance and a bill will be forthcoming.

(d) The Tax Commission may add an amount equal to the amount of the service charge incurred, not to exceed four percent (4%) of the amount of such payment as a service charge for the acceptance of such credit card.

(e) Credit card payments should not be mixed with other type payments, i.e. checks, cash.

(f) The Commission will contract a third party to process credit card transactions who will place monies received into the Commission's account with the State Treasurers Office and report such payments to the Commission.

(g) Taxpayers wishing to pay by credit cards must be willing to submit normally required credit card information to the Commission. This includes, but is not limited to: card type (VISA, etc.), card number, card expiration date, and card holder name as shown. The Commission assumes no liability for unauthorized use of this information.

PART 11. PUBLIC RECORDS

710:1-3-71. Rules of the Oklahoma Tax Commission

(a) **Rules described.** "Rules" of the Oklahoma Tax Commission are formal statements of policy which set out procedures to be followed in the administration of various tax levies and fees. Rules describe broad interpretations of the tax laws, often prescribe forms, and may set out informal and formal procedures for filing, remitting, registering and objecting to the various taxing provisions. Rules may also prescribe procedures for the granting, denial, suspension, renewal, or revocation of various permits and licenses administered by the Commission. Rules are subject to the provisions of Article I of the Oklahoma Administrative Procedures Act (APA), 75 O.S. §§ 250-308.2, and must be promulgated under the terms

Permanent Final Adoptions

of the APA before they are considered effective. Rules which have been promulgated have the full force and effect of law and continue in effect until amended or revoked under APA provisions.

(b) **Availability.** Current Rules, both permanent and emergency, of the Oklahoma Tax Commission are available on the Oklahoma Tax Commission website at ~~http://www.ok-tax.state.ok.us~~www.tax.ok.gov or from Taxpayer Assistance Division, M. C. Connors Building, 2501 North Lincoln Boulevard, Oklahoma City, Oklahoma, during normal business hours.

SUBCHAPTER 5. PRACTICE AND PROCEDURE

PART 3. DESCRIPTION OF ADMINISTRATIVE REVIEW AND HEARINGS

710:1-5-13. Settlement of claims or protests

Settlement of **disputed, unliquidated** tax claims or assessments is within the discretionary authority of the Oklahoma Tax Commission pursuant to the provisions of 68 O.S. § 219. Request for settlement or offer of settlement proposal should be made to the taxing division which initiated the disputed assessment. Settlements of final liabilities pursuant to 68 O.S. ~~Supp. 2002~~, § 219.1 are governed by the provisions of Part 8 of this Subchapter.

PART 8. SETTLEMENT OF TAX LIABILITY

710:1-5-89. Payment

(a) No payment is required to be paid when the Settlement Agreement Application is submitted to the Commission.

(b) Full payment of the amount offered in settlement of the tax liability must be made within thirty (30) days from date of notification that the proposed Settlement Agreement has been accepted. Payment of the accepted settlement amount by cash, cashier's check, money order, or charged to an approved credit card must be made by the payment due date indicated on the acceptance notice. [See: ~~www://oktax.state.ok.us/oktax/gn-payopt.html~~ https://www.ok.gov/tax/Online_Services/Payment_Options/index.html or Call: 1-800-2PAY-TAX]

(c) Any payment made with the application will not be returned to Applicant, even if the Settlement Agreement is declined or withdrawn. The retained payment will be applied to Applicant's outstanding tax liability in accordance with Section 710:1-3-46 of this Chapter.

(d) In appropriate circumstances, the Commission may consider proposed Settlement Agreements that provide for payments to be made over a period of time based on future income.

(e) The Settlement Agreement becomes void if taxpayer defaults on payment under the agreement.

(f) The Settlement Agreement becomes void if the agreement was obtained by fraud or misrepresentation of a material fact.

GIST/ANALYSIS:

Subchapter 1 *General Provisions* has been AMENDED to implement the provisions of HB 2349 which removed veterans' disability income from the calculation of gross household income for purposes of qualification for the additional homestead exemption and senior valuation limitation and provide procedures and form information for additional homestead exemption qualification. This Subchapter was also AMENDED to update and add statutory citations, improve readability and strike unnecessary language. [68:2890]

Subchapter 2. *Business Personal Property Valuation Schedules* has been AMENDED to provide current information to obtain access to the Business Personal Property Valuation Schedule and to provide notice of participation in surveys to be conducted by the Ad Valorem Division. This Subchapter has also been revised to correct statutory citations and improve readability.

Subchapter 3. *Equalization Study* has been AMENDED to correct terminology in addition to correcting citations to case law and the Oklahoma Constitution. The Subchapter has also been revised to update information to include orthophotographic aerials instead of Soil Conservation Service or Farm Service aerials for a source of additional data for use classifications for purposes of the agricultural equalization portion of the equalization study and to revoke outdated provisions relating to the presumption of selective reappraisal and the methodology utilized for the equalization study of a county using selective reappraisal.

Subchapter 5. *Homestead Exemption* has been revised by updating statutory citations and striking redundant or other unnecessary language covered in statute.

Subchapter 6. *Storm Shelter Exemption* has been AMENDED to improve readability, add current form information for filing the exemption and update statutory citations.

Subchapter 7. *Manufacturing Facilities* has been AMENDED to provide for the provisions of Section 3 of Senate Bill 1282 which modifies the definition of investment costs for purposes of qualification for the five year manufacturing exemption and Senate Bill 498 [2015] and to strike the qualification requirements for wind electric power generation facilities consistent with Senate Bill 498 [2015]. [68:2902]

Subchapter 8. *Exemption for Certain Oil and Gas Property Upon Which Oklahoma Gross Production Tax is Paid* has been AMENDED to correct statutory citations and implement the provisions of SB 166 [2013] which included certain commercial disposal system equipment in the ad valorem exemption for property utilized in the production of oil or gas for which gross production taxes are paid. [68:2353]

Subchapter 9. *Manufactured Homes* has been AMENDED to update statutory citations.

Subchapter 10. *Visual Inspection Plan* has been AMENDED to clarify existing rule provisions and update statutory citations in addition to the state standards for purposes of the mapping program conducted by the Ad Valorem Division.

Subchapter 11. *Reimbursements and Assistance to Counties* has been AMENDED to correct wording of existing language.

Subchapter 13. *Valuation Exclusion for Desulphurization Equipment* has been AMENDED to update statutory citations.

CONTACT PERSON:

Lisa R. Haws, Tax Policy Analyst, Tax Policy and Research Division, Oklahoma Tax Commission, 2501 North Lincoln Boulevard, Oklahoma City, Ok 73194, 405-521-3133.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 1. GENERAL PROVISIONS

710:10-1-3. Procedures for implementation of the ad valorem valuation limitation

(a) **Application of limitation for counties in compliance January 1, 2013 and subsequently.** Pursuant to Article X, Section 8B of the Oklahoma Constitution and ~~Title~~ 68 O.S. §2817.1, on and after January 1, 2013, the fair cash value of any parcel of locally assessed real property which constitutes homestead property or agricultural land shall not increase by more than 3% in any taxable year. The fair cash value of all other locally assessed real property shall not increase by more than 5%. The limitation on valuation increases set forth in this subsection do not apply in any year when the title of the property is transferred, changed, or conveyed to another person, or if improvements are made to the property unless subject to provisions of subsection (j) of this Section. [See: 68 O.S. § 2802.1] The limitation shall apply January 1, 2013, to all counties in compliance with applicable laws and administrative regulations governing valuation of locally assessed real property. For those counties out of compliance as of January 1, 2013, the limitation shall apply January 1 of the year following the date on which the county was deemed to be in compliance. Once a county is in compliance on or after January 1, 2013 the limitation shall not be removed, even if a county is deemed to be out of compliance.

(b) **Implementation of limitation.** The county assessor will implement the limitation by annually comparing the fair cash value with the constitutionally-limited value. County assessors should continue to determine fair cash value on an annual basis. The limitation does not accumulate. In the event that a final fair cash value of a property changes as the result of a protest with the county assessor, County Board of Equalization, applicable court action, or action by the County Board of Tax Roll Corrections, the applicable valuation limitation shall apply to that property's final taxable value, as determined using accepted appraisal methodology for subsequent years.

Permanent Final Adoptions

(c) **Rights of taxpayers.** Taxpayers shall continue to have all rights of protest with respect to the valuation and assessment of property as currently specified by statute. If the taxpayer demonstrates to the satisfaction of the county assessor or county board of equalization that the fair cash value is below the constitutionally-limited value, it is appropriate for the county assessor to lower the property to that value. The limitation would then be applied annually to that value if all other conditions of the limitation on increases of fair cash value in Article 10, Section 8B, Oklahoma Constitution, are met.

(d) **Review of valuation for error.** The county assessor should review the valuation of the property for clerical errors, incorrect physical characteristics, or other material error affecting valuation in order to protect the taxpayer. This review should **not** include a revaluation of the property because it is below fair cash value.

(e) **Duration of limitation.** The annual valuation limitation is valid on the property as long as title to the property is not transferred, changed, or conveyed. [See: Article 10, Section 8B, Oklahoma Constitution & 68 O.S. §§ 2802.1 & 2817.1]

(f) **Physical improvements on limited property.** In the event that physical improvements are made to the limited property, the improvement shall be valued in the same manner as the improvements are presently valued. Examples of physical improvements may include, but are not limited to, a room addition, additional square footage, a garage, out buildings, enclosed garage, or similar improvements. This additional valuation shall be added to the limited value of the property before the construction occurred. For example, if the improvements added \$5,000 in fair cash value to the property, it would be increased by that amount. The property may increase up to the applicable valuation limitation in addition to the increased amount added by the improvement. The new total value continues to be limited as long as the title of the property remains the same. Physical additions or changes that are considered normal maintenance such as certain normal repairs, minor re-modeling, roof repair or installation, minor energy efficiency improvements, or retro fit improvements such as wheelchair ramps providing access to the property are not generally considered physical improvements affecting the limited value. [See: 68 O.S. §§ 2802.1, 2817.1]

(g) **Effect of conveyance of property.** If title to the property is transferred or conveyed, the parcel of real property shall be assessed at fair cash value as set forth by Section 8 of Article X of the Oklahoma Constitution. This valuation is to be based upon current market value standards rather than simply placing the property on at its sale price, and it is the responsibility of the county assessor to value the property at fair cash value consistent with applicable statutes and ad valorem rules. Any sale occurring during the course of a given calendar year shall be valued at fair cash value as specified by statute for the following tax year. The county assessor shall continue to be responsible for making valuation changes to surrounding properties based on current sales information of comparable property within the constitutional limitations specified for non-sold properties. [See: 68 O.S. § 2802.1]

(h) **Omitted property.** While accomplishing statutorily mandated duties, the county assessor or a deputy will discover

unassessed improvements on real property. A house and outbuildings, for example, could be on the assessment rolls, but a detached garage, second dwelling, or barn, previously unassessed, could be discovered. This additional property must be treated as if it were new construction and the county assessor should proceed to establish the fair cash value of the discovered property. It should be added to the assessment rolls, and proper notice provided. The original property will still be subject to the applicable valuation limitation, but the additional structure will **not** be subject to the valuation limitation, **for that year only**. This additional property was not on the assessment rolls before, and is to be placed on the assessment rolls at fair cash value.

(i) **Clerical errors.** When a property has been incorrectly entered on the assessment rolls as a result of clerical or data entry error, any error should be corrected. Clerical errors, however, are **not** to be used for general revaluation of the property, except that when the error results in a substantial impact on the value of the property, it should be corrected when discovered and proper notice provided to the taxpayer. For example, a residence that has been incorrectly entered as 1,000 square feet, instead of 2,000 feet, **because of a clerical error** should be corrected. The clerical error must be a mistake of fact, and the change must reflect the actual physical characteristics of the property itself. Clerical errors of this nature are not subject to the applicable valuation limitation.

(j) **Adjustment of damaged properties.** In valuing property damaged by natural causes, flood, storms, fires, or other disasters, the county assessor shall adjust the value of such properties. When the damage has been repaired, or the property fully restored to its previous usage, the improvements made must be disregarded for purposes of determining the maximum amount of fair cash value subject to ad valorem taxation pursuant to Section 8B of Article 10 of the Oklahoma Constitution unless the improvements increase the square footage. The valuation limitation outlined in subsection (a) of this Section applies to the restoration of the damaged property to the extent the square footage is the same as the original property. However, the limitation does **not** apply to any improvements constituting increases in square footage to the original property. [See: 68 O.S. §§ 2802.1, and 2817.1]

710:10-1-4. Limitation of the fair cash value on homestead property of qualified owners; ~~implementation of Article 10, Section 8C of the Oklahoma Constitution and additional homestead exemption~~

(a) The procedures and requirements set out in this Section shall be used to implement the limitation of the valuation on homestead property of qualified owners for ad valorem purposes and the additional homestead exemption:

(b) For purposes of qualifying for the senior valuation limitation and/or the additional homestead exemption "gross household income" means the gross amount of income of every type, regardless of the source, received by all persons occupying the same household, whether such income was taxable or nontaxable for federal or state income tax purposes.

including pensions, annuities, federal Social Security, unemployment payments, public assistance payments, alimony, support money, workers' compensation, loss-of-time insurance payments, capital gains and any other type of income received, and excluding gifts. The term "gross household income" shall not include any veterans' disability compensation payments.

~~(4c)~~ **General provisions.** "Senior valuation limitation" means the implementation of Oklahoma Constitution, Article 10, Section 8C, which directed county assessors to limit the fair cash value of the homestead property of any qualified person who has made proper application. The applicant's property must be a valid homestead property, with proper evidence of a homestead or an application made in 1997 or subsequent years. As with any homestead, the general statutes for homestead qualification apply to the limitation. Only one homestead, and by extension, only one limitation is permitted in any one year. The limitation applies only to the occupied homestead property and may not be applied to non-homestead property. [See: 68 O.S.2001, §§ 2888, 2889, 2890, 2893]

~~(21)~~ **Relationship to exemptions and other programs.**

The senior valuation limitation is available to qualified owners in addition to participation in the circuit breaker and additional homestead exemption. ~~{See: 68 O.S. § 2802, for definitions of "circuit breaker" and "additional homestead exemption".}~~ Availability of the senior valuation limitation is not dependent upon the county's compliance status with the State Board of Equalization.

~~(32)~~ **Qualified owner.** The taxpayer must be at least 65 the year before the senior valuation limitation is approved, and the applicant's total household annual income for the previous year must not exceed the amount as provided in the Oklahoma Constitution, Article 10, Section 8C. The income threshold for the gross household income from all sources for an individual head of household under this Section shall not exceed the amount determined by the United States Department of Housing and Urban Development to be the estimated median income for the preceding year for the county or metropolitan statistical area which includes such county. The Tax Commission shall provide this information to each county assessor each year, as soon as it is available.

~~(43)~~ **Application; qualification; duties of assessor; right of appeal.** In order to be eligible for the senior valuation limitation, the individual must apply at the county assessor's office by completing form OTC Form 994 (Revised-04), Application for Property Valuation Limitation and Additional Homestead Exemption. The application must be made between January 1 and March 15. ~~However, the time within which to apply for additional homestead exemption may be extended thirty (30) days, if a Notice of Change in Assessed Value (OTC Form 926 R 87) is sent, as stipulated in 68 O.S. § 2890(C).~~ The limitation will be in ~~affected~~ effect for the tax year in which the application is made and approved, based on the current year valuation.

(A) For the limitation to be valid, form OTC Form 994 (Revised-04), Application for Property Valuation Limitation and Additional Homestead Exemption, must be completed in its entirety as to income, age, ownership, and other information.

(B) The county assessor has the right and duty to review the information provided, ask any necessary questions, request documentation of age, income, or other information.

(C) The county assessor shall deny any application that is inaccurate, incomplete, inadequately documented, or otherwise invalid pursuant to this Section.

(D) The county assessor may request assistance from the Oklahoma Tax Commission in determination of income qualifications under 68 O.S.2001, § 2890.

(E) The taxpayer may appeal any denial of a senior valuation limitation application by the county assessor to the county board of equalization in the same manner as an appeal of the denial of a homestead exemption.

~~(54)~~ **Review of valuation for error.** The county assessor should review the valuation of the property for clerical errors, incorrect physical characteristics, or other material error affecting valuation in order to protect the taxpayer. This review shall not include a revaluation of the property solely because it may be below fair cash value.

~~(65)~~ **Physical improvements to property.** If a physical improvement is made to the property, such as a room addition, additional square footage, garage, out buildings, enclosed garage, or similar improvement, the improvement shall be valued in the same manner as these improvements are presently valued. This additional valuation shall be added to the limited value of the property before the construction occurred. If improvements are added to the property, the fair cash value shall be increased by the amount attributable to the addition. The new total value is then limited again, so long as the owner and property remain qualified. Physical additions or changes that are considered normal maintenance, such as normal repairs, minor re-modeling, roof repair or insulation, minor energy efficiency improvements, or retro fit improvements such as wheelchair ramps to provide access to the property, are not generally considered physical improvements affecting the valuation limitation.

~~(76)~~ **Duration of, and conditions which terminate the limitation.** The senior valuation limitation is valid on the property as long as the taxpayer owns and occupies the property and title to the property is not transferred, changed, or otherwise modified. If the taxpayer fails to own and occupy the property or if title to the property is transferred, changed, or conveyed to another person, the senior valuation limitation shall expire. It is then the responsibility of the county assessor to value the property at fair cash value consistent with constitutional provisions, statutes and applicable rules. If the person's gross household income from all sources exceeds the amount provided in the Oklahoma Constitution, Article 10, Section 8C, the

Permanent Final Adoptions

senior valuation limitation shall expire and the value of the property shall be subject to the three percent limitation increase for that year.

(87) Instances in which tax amount may increase, despite limitation. The senior valuation limitation applies to the valuation, ~~but it does not limit all taxes, however; The tax amount could increase tax increases may occur under the three specific situations outlined as follows:~~

- (A) If an additional millage such as a bond issue or other levy is added;
- (B) If judgment is rendered against the county and a judicial order directs an additional levy; or,
- (C) If the county voters adopt a measure increasing the assessment percentage within the county under the authority of Section 8, Article 10, of the Oklahoma Constitution.

(8) Additional homestead exemption. "Additional homestead exemption" means an exemption in addition to the amount of the homestead exemption authorized and allowed in Section 2889 of this Title 68, to the extent of One Thousand Dollars (\$1,000.00) of the assessed valuation on each homestead of heads of households whose gross household income from all sources for the preceding calendar year did not exceed Twenty Thousand Dollars (\$20,000.00).

(A) To qualify for the additional homestead exemption, the individual must apply at the county assessor's office by completing form OTC 994, Application for Property Valuation Limitation and Additional Homestead Exemption.

(B) The application must be made on or before March 15 or within thirty (30) days of taxpayer's receipt of a County Assessor Notice of Increase in Valuation of Real Property form (OTC 926) whichever is later. [68 O.S. § 2890(C)].

SUBCHAPTER 2. BUSINESS PERSONAL PROPERTY VALUATION SCHEDULES

710:10-2-1. General provisions

(a) **Purpose.** The provisions of this Subchapter have been adopted, pursuant to 68 O.S. ~~2001~~,—§ 2875(D)(4), to provide information regarding the schedules of values of personal property given to county assessors to assist in the assessment of personal property.

(b) **Schedules of values.** Schedules of values are intended only to provide the user with an approximation of value for the personality "typical" for the class, not an absolute value.

(c) **Schedules of trending and depreciation.** Trending schedules are used to adjust historical cost to a current estimated replacement cost new. Depreciation schedules are used to estimate normal depreciation as applied to replacement cost new to estimate current value of the asset. The factors or percentages used are taken from *Marshall and Swift Valuation Service*, a national valuation service contracted by the Division to provide values and schedules of trending and depreciation

for real and personal property. This service is updated on a monthly basis.

(d) **Caveat.** Nothing in this Subchapter, nor any other guidelines, procedures, or rates provided to assessors by the Oklahoma Tax Commission Ad Valorem Division ("**Division**") is intended to relieve property owners or assessing officials of their obligations by law to report, value, or assess personal property at its fair cash value. Though the schedule of values referred to in this Subchapter are typical values for business personal property, actual value of any particular asset may be affected by conditions or use.

(e) **Disclosure.** A copy of the "Business Personal Property Valuation Schedule" ~~provided to the county assessors~~ may be obtained ~~upon written request to the Ad Valorem Division of the Oklahoma Tax Commission, 2501 N. Lincoln, Oklahoma City, OK 73194~~ by accessing the Tax Commission website at www.tax.ok.gov.

(f) **Surveys.** Individuals and organizations who wish to participate in surveys conducted by the Ad Valorem Division may notify the Division ~~in writing at 2501 N. Lincoln, Oklahoma City, OK, 73194~~ or by ~~emailing email at: cheath@ok-tax.state.ok.us~~ ~~jbittner@tax.ok.gov~~.

710:10-2-5. Petroleum related equipment

(a) **Petroleum related equipment.** "Petroleum related equipment" includes, but is not limited to: cable tool rigs, casing and tubing, crude oil, drill pipe, drilling rigs, gas compressors, meters, natural gas, pipeline costs, tanks, and valves.

(b) **Exploration related equipment.** All taxable personal property used in the exploration of oil, natural gas, or other minerals, including drilling equipment and rigs shall be assessed annually at its fair cash value, based upon the value set by the first *Hadco International* monthly bulletin published for the current tax year and such other available relevant and reliable market data, if any, concerning the fair cash value of property of the same kind, using the appropriate depth rating assigned to the drawworks by its manufacturer and actual condition of the rig. [See: 68 O.S. ~~Supp.2007 §2817(K)-2817(L)~~]

(c) **Sources.** ~~Sources utilized to determine the values~~ Values of petroleum related equipment are determined from the following sources:

(1) For cable tool rigs, values are determined by reference to catalogs of equipment manufacturers and dealers.

(2) For casing, tubing, drill pipe, collars, and drilling rigs the source for values utilized is *Hadco International*, an appraisal and data firm specializing in the petroleum industry which measures current market conditions and values of various assets. This is a monthly publication.

(3) For crude oil, values are determined from the Oklahoma market twelve-month ~~verage~~ average.

(4) For valves and tanks, values utilized are taken from *Marshall and Swift Valuation Service*, a national valuation service contracted by the Division to provide tables of values for real and personal property, depreciation schedules, and trending tables for historical costs. The service is updated on a monthly basis.

(5) For natural gas in storage, value is determined by reference to the *New York Mercantile Exchange (NYMEX)*,

which provides average cost of natural gas purchased from the storage facility, including data on well head gas purchase price, pipeline transportation, and storage fees.

(6) For gas compressors, meters, pipeline costs, and related equipment, values are determined from surveys of Oklahoma companies, research of records filed in the various counties, and other available sources. Such values may be adjusted using *Marshall and Swift Valuation Service* tables as provided in *OAC 710:10-2-1(c)*.

SUBCHAPTER 3. EQUALIZATION STUDY

PART 1. GENERAL PROVISIONS

710:10-3-1. Purpose of the equalization study

(a) The equalization study set forth in this Subchapter is mandated by law pursuant to 68 O.S. ~~1992~~, §2865(a) of the Ad Valorem Tax Code. The purpose of this study is to collect and analyze data for the purpose of formulating recommendations to be presented to the State Board of Equalization. The State Board of Equalization may use the recommendations of the Oklahoma Tax Commission for the equalization and adjustment of the valuation of the real property within and among the several counties pursuant to Article 10, Section 21 of the Oklahoma Constitution and 68 O.S. §2865 of the Ad Valorem Tax Code. See also: **Board of County Commissioners of Canadian County v. State Board of Equalization**, 363 P.2d 242 (Okla. 1961); **In Re McNeal's Appeal**, 35 Okl. 17, 128 P. 285 (1912).

(b) The purpose of the equalization study among the counties is to ~~insure~~ensure the legal level of assessment of each county is at the level ordered by the State Board of Equalization. Should the State Board of Equalization determine that new legal levels of assessments be mandated, the purpose of this study among the counties will be to ~~insure~~ensure that each county maintains the constitutionally-mandated assessment level.

(c) The purpose of the equalization study within each county is to ~~insure~~ensure that all classes of real property are valued uniformly and assessed at one ratio. **Cantrell v. Sanders**, 610 P.2d 227 (Okla. 1980).

(d) The purpose of the equalization study is also to notify the State Board of Equalization as to any inequities that exist within any class or classes of real property within a county or among the several counties. 68 O.S. §2864.

(e) The purpose of such equalization study is to conduct a comprehensive review of the assessments in each county assessor's office. This equalization study shall be the basis for the Oklahoma Tax Commission findings and recommendations presented to the State Board of Equalization under its responsibilities defined by 68 O.S. § 2865.

(f) The provisions of this Subchapter are not to be construed to limit the constitutional and statutory authority of the State Board of Equalization to equalize within and among the counties, nor the statutory authority of the Oklahoma Tax Commission to make recommendations to the State Board of

Equalization under the provisions of Section 2865, Title 68, Oklahoma Statutes.

710:10-3-18. Equalization study finding; submission to State Board of Equalization

(a) **Compliance with equalization study requirements.** Upon completion of the equalization study, the Oklahoma Tax Commission Ad Valorem Division shall report median audited assessment percentages for each property classification. Counties found to be within the Constitutional assessment percentage range of 11 to 13.5 percent, with all three classes of real property within the deviation range of 1.5 percent from the highest to the lowest ratio, shall be certified to the State Board, as being in compliance with equalization audit requirements.

(1) **Class deviations.** All counties must have all three classes of real property within the deviation range of 1.5 percent range, from the highest to the lowest ratio, in order to be in compliance, regardless of overall median ratio. [See: Art. 10, ~~Section 8A2~~Section 8(A)(2), Okla. Const.]

(2) **Annual valuation.** The county must annually value all taxable real and personal property within the county, as required by 68 O.S. §§ 2817; 2829; and 2830, regardless of overall median ratio.

(3) **Constitutional compliance.** The county must be in compliance with Article 10, Section 8, of the Oklahoma Constitution, concerning assessment percentage limitation for real and personal property; with Section 8B, concerning the applicable valuation limitation on increases in fair cash value; and Section 8C, concerning limitations on fair cash value on certain homestead property, regardless of the overall median ratio.

(b) **Categories of ~~non-compliance~~—noncompliance.** As specified in 68 O.S. §2830, the findings of the equalization study shall constitute the monitoring responsibilities specified in that statute. For purposes of that statute, the following three categories specified are defined:

(1) **Category One ~~non-compliance~~—noncompliance.** If a county is found out of compliance on its annual equalization study in December, the county would be classed in Category One ~~non-compliance~~noncompliance. The county would have until the following June 15 meeting of the State Board of Equalization to correct the deficiencies noted in the equalization study. [See: 68 O.S. § 2830]

(2) **Category Two ~~non-compliance~~—noncompliance.** If the county did not correct the problems noted in the equalization study by the June 15 date, this will be noted in the Oklahoma Tax Commission's report to the State Board of Equalization with a recommendation to re-classify the county to Category Two ~~non-compliance~~noncompliance. At the next State Board of Equalization meeting in December, if all compliance criteria have been achieved, the State Board of Equalization would determine the county in compliance. If the county was found not in compliance at the December meeting, the county would then have until the following June 15 meeting to achieve compliance. If compliance was not achieved, the State Board of Equalization would have the option not to certify the county abstract until all compliance criteria had been achieved

Permanent Final Adoptions

and to reclassify the county Category Three ~~non-compliance~~noncompliance.

(3) **Category Three ~~non-compliance~~noncompliance.** If a county which has been previously classified Category Two and has failed to meet compliance criteria set forth by the State Board, the county would be classified Category Three ~~non-compliance~~noncompliance. The State Board of Equalization may elect not to certify the abstract.

(c) **Right of appeal.** Under 68 O.S. § 2882, a district attorney, acting under the direction of the board of county commissioners, can appeal a decision of the State Board of Equalization. Pursuant to 68 O.S. § 2883, a county assessor may appeal the decision of the Oklahoma Tax Commission of Category Two or Three ~~non-compliance~~noncompliance.

710:10-3-20. Classes of Property

(a) For the purpose of the equalization study in this Subchapter, the stratum of real property will be ~~sub-divided~~subdivided into the following strata (use classification):

- (1) Residential
- (2) Commercial - Industrial
- (3) Agricultural. [See: **Techniques, Guidelines and Definitions for Determining Use Value of Real Property for Ad Valorem Tax Purposes.** (Adopted by the State Board of Equalization on July 21, 1981)]

(b) The State Board of Equalization may further stratify the classes of property for the purpose of equalization pursuant to Article 10, § 21 of the Oklahoma Constitution.

(c) The Oklahoma Tax Commission may recommend further stratification pursuant to 68 O.S. § 2865.

(d) This Section is not to be construed to limit the constitutional and statutory authority of the State Board of Equalization to equalize within and between the counties, or the statutory authority of the Oklahoma Tax Commission to make recommendations to the State Board of Equalization as to the stratification or consolidation of classes of property for the purposes of equalization. [See: **Poulos v. State Board of Equalization, 646 P. 2d 1269 (Okla. 1982)**]; ~~Supra;~~ **Cantrell v. Sanders, Supra**; ~~Supra~~; **Board of Commissioners of Canadian County v. State Board of Equalization**; ~~supra~~; **Shell Petroleum Corporation v. State Board of Equalization, 170 Okl. 581, 41 P.2d 106(1935)**; **In Re McNeal's Appeal, supra**; Also: Werner W. Doering, "Property Tax Equalization and Conventional Measures of Assessment Performance," **Analyzing Assessment Equity, (IAAO, 1977) PP. 23-45.**]

PART 3. DATA COLLECTION

710:10-3-27. Agriculture data collection and assessment data collection

(a) The Oklahoma Tax Commission staff will proceed to determine the samples to be used in the agricultural equalization portion of the equalization study.

(b) Following the gathering of agricultural samples to be used in the study, the Oklahoma Tax Commission will prepare appraisals in accordance with the State Board of Equalization

approved agricultural use value methodology. Appraisals will be made on at least one taxable parcel of unimproved agricultural land in each full township on a random basis in each county, if available. This is subject to the guidelines on adequate sampling set out in 710:10-3-30.

(1) For purposes of the equalization study, an unimproved sample parcel of at least forty (40) acres is required in each full township.

(2) A physical inspection by the analyst is required to determine the use classification of the land as follows: **[See: Techniques, Guidelines and Definitions for Determining Use Value of Real Property for Ad Valorem Tax Purposes.** (As AMENDED by the State Board of Equalization on December 1, 1987)]

- (A) Cropland;
- (B) Improved pasture;
- (C) Native pasture;
- (D) Timber/waste; or
- (E) Other categories specified by the State Board of Equalization.

(c) A determination of the agricultural use classification other than physical inspection shall be made only with the written permission of the supervisor or the Director of Ad Valorem and with just cause.

(d) The use of ~~Soil Conservation Service or Farm Service~~orthophotographic aerials for use classifications as a source of additional data is permitted and encouraged, but a physical inspection will also be performed unless otherwise specified in writing by the Director of the Ad Valorem Division.

(e) The Oklahoma Tax Commission staff will use only the approved Oklahoma Tax Commission and State Board of Equalization agricultural use value methodology for the appraisal of each classification of agricultural land.

PART 5. AUTHORITIES AND METHODOLOGY

710:10-3-61. Selective reappraisal of properties sold; investigation; alternate methodology [REVOKED]

~~(a) A presumption of selective reappraisal will exist if the following conditions exist:~~

~~(1) A comparison of assessments of properties sold with assessments of properties not sold reveals a consistently higher valuation and assessment on the sold properties.~~

~~(2) A comparison of new construction properties with properties not sold reveals a consistently higher valuation and assessment on the new construction properties.~~

~~(3) Extraordinarily low coefficients of dispersion in a county where little or no annual adjustments are made or the reassessment program is less than aggressive. [See: IAAO Standard on Assessment Ratio Studies: Latest edition.]~~

~~(b) The following methodology will be used for the equalization study of a county using selective reappraisal.~~

(1) The county assessor of that county will be given a written notification by the Oklahoma Tax Commission, by the third Monday in October, of intent to use an alternate methodology in the determination of an equalization ratio within the county because of selective reappraisal.

(2) The assessment ratio study will be conducted by the use of the current year sales and the previous year assessments.

(3) The methodology set out in this Section will not be the exclusive method of adjusting the equalization ratio. Any method, such as the use of an appraisal ratio study, that is reasonable and calculated to reflect the true market value of the taxable real property in that county may be utilized.

(e) The State Board of Equalization shall be notified of the special equalization ratio determined pursuant to this Section, and it will be noted in the recommendations by the Oklahoma Tax Commission to the Board.

SUBCHAPTER 5. HOMESTEAD EXEMPTION

710:10-5-1. Status as of January first governs; exception

(a) In order to obtain a homestead exemption, the applicant must be the record actual owner of the property on January 1st and must actually be residing there. If the evidence of title is not executed on or before January 1st and filed of record in the office of the County Clerk on or before February 1st, no exemption can be allowed, even though the person may have owned the property and may have been residing there for a number of years. [See: Op. Att'y Gen. issued 02-20-50; 68 O.S.4991, § 2888]

(b) A natural person actually owning, residing and domiciled in the residence on January 1st shall be deemed to be the record owner of the property on January 1st, if the deed or other evidence of ownership, executed on or before January 1st, is of record in the office of the County Clerk on February 1. [See: 68 O.S.4991, § 2888]

710:10-5-2. Homestead exemption available to natural persons, citizens; marital status irrelevant

The homestead exemption should be granted to any natural person who is a citizen of the State of Oklahoma, provided other requirements of the Act are satisfied. It is not necessary for a man to be married or be the head of a family. The exemption may be allowed to a single person. [See: 68 O.S.4991, § 2888; Op. Att'y Gen. issued 02-09-37]

710:10-5-3. What constitutes residence and domicile; temporary absence

(a) **Legislative definition.** A homestead, under the Oklahoma Constitutional definition for exemption from execution for debt, is not the same as the homestead under the Homestead Tax Exemption Act. Under the Homestead Constitutional Amendment, the Legislature was specifically authorized

to define a homestead for tax exemption purposes. Pursuant to this authority, the Legislature requires that the applicant be residing on the property before a homestead exemption can be allowed. [See: **Board of Equalization of Oklahoma County v. Bonner**, 185 Okla. 431.]

(b) **Legal residence.** A person's legal residence must be that of the place for which a homestead exemption is sought and ~~he~~the person must actually be residing there, as of January 1st, the assessment date. In most cases, a person cannot obtain the exemption if ~~his~~ the home was rented on January 1st. The one exception is that a person in the Armed Services in the time of war, or during a National Emergency, or his family, is not required to be residing on the property and may even rent the property and still receive the exemption, if properly claimed.

(eb) **Effect of absence.** Temporary absence for the purpose of making a visit or ~~temporary absence~~ for other purposes, where the home is not rented and the owner intends to return to the home within a reasonable length of time and does not establish what could properly be considered to be a permanent residence elsewhere, will not serve to deprive the owner of a homestead exemption. For example, a school teacher may own a home and maintain it for her mother and herself, although for nine months of the year, she is absent from the home, teaching, provided the home is not rented or closed during her absence and she returns during vacation months. In such a case, she is entitled to homestead exemption. In any case where a person is absent from his home and rents his home during his absence, and if the home is rented on the first day of January, the applicant cannot obtain an exemption. [See: Op. Att'y Gen. issued 03-17-54]

710:10-5-4. Restrictions as to homestead acreage, valuation, and location

(a) ~~Homestead size and value; one exemption allowed. The Homestead Exemption Act specifically restricts a rural homestead to 160 acres of land and improvements thereon; and an urban homestead to one acre and the improvements thereon. It further provides that homesteads assessed at \$1,000.00 or less shall be completely exempt, and that homesteads assessed at more than \$1,000.00 shall be exempt up to that amount of the assessed valuation.~~ There can be only one homestead exemption allowed to one homestead or one piece of property, and only one exemption can be allowed to any single person of legal age, married couple and their minor child or children, or the minor child or children or a deceased person, whether residing together or separated, or surviving spouse. [See: 68 O.S.4997, §§ 2888, 2889]

(b) **Urban homestead defined.** "Urban homestead" as used herein shall mean and include any homestead located within any city or town whether incorporated or unincorporated, or located within a platted subdivision or addition, whether such subdivision or addition be a part of a city or town. In no case shall an urban homestead exceed in area one (1) acre. Under the Act, any Any platted subdivision or addition, whether a part of an incorporated city or town, or part of a township, is defined as an urban homestead and the one acre restriction applies. If a person owns a five acre tract in a subdivision platted in tracts of that size, he cannot

Permanent Final Adoptions

obtain the homestead exemption on more than one acre and the improvements. The exemption as applied to urban homesteads is confined to the lot or lots upon which the residence and other outbuildings necessary or convenient for the family use are located. ~~This shall not be construed as meaning that an exemption cannot be allowed in any instance to a vacant lot.~~ The exemption may be allowed to a vacant lot where such vacant lot adjoins or is contiguous to the lot or lots upon which the improvements are actually situated, but it must be in one tract, except that an alley between two lots does not deprive a person of the exemption of the lot across the alley, or to a lot in another block across the street from the house, if the barn or other outbuildings are located upon such lot. In no case can the exemption be granted on a vacant lot which does not adjoin or is not contiguous to the lot or lots upon which the improvements are actually situated. [See: 68 O.S.1997, § 2888]

(c) **Rural homestead defined and Landland included in rural homestead.** "Rural homestead" as used herein shall mean and include any homestead located outside a city or town or outside any platted subdivision or addition. Land included in rural homesteads must be "about and contiguous or adjacent to" the land upon which the house is located. ~~This shall not be construed as meaning that the land must be in one tract.~~ Land across a section line from the house may be included as a part of the homestead. Two tracts of land in one section which do not join, may also, in some cases, be included as a part of the homestead. Under the Act, it is impossible to definitely lay down a rule as to what land can be included. ~~However, the best rule to follow is to allow the~~The homestead exemption is allowed on any land close enough to the tract upon which the house is located to be considered to be, and actually is, one farm. [See: 68 O.S.1997, § 2888]

(d) **Contiguous property.** The Act contemplates that the homestead selection will be in one contiguous area and not separated by property belonging to someone else. [See: Op. Att'y Gen. issued 05-14-37]

710:10-5-8. Keeping of roomers or boarders [REVOKED]

~~The law specifically provides that the keeping of boarders or roomers in a building maintained otherwise exclusively as a home, will not be considered a commercial purpose under the Homestead Act. It also states that the renting of not exceed three bedrooms is not to be considered business or commercial use, or affect the homestead exemption. Construing these, a person may rent not to exceed three bedrooms without affecting his right to the full exemption, but in case more than three bedrooms are rented, it becomes a duplex or rooming house, and the exempt portion is to be determined by taking the proportion of rooms occupied by the owner to the total number of rooms of the house. The question naturally arises as to what should be done if two or three rooms are rented and one or more of them used for purposes other than a bedroom. The use of one room for purposes other than that of a bedroom is material and that the effect of such renting would be to make a duplex out of a single family residence. In other words, a person may rent two rooms of a six room house for light housekeeping; one room being the bedroom and the other, being the dining room~~

~~and kitchen. This then becomes a separate living unit and cannot be claimed as a part of the homestead. If a six room house were divided into two equal apartments, one of them occupied by the owner, and the other rented, the effect would be to make a single family residence into a duplex and in that case, the owner could not obtain an exemption on more than fifty percent of the assessed valuation. [See: 68 O.S.1997, §§ 2888, 2896]~~

710:10-5-9. Homesteads used partially for business or commercial purposes; allocation of value and exemption [REVOKED]

(a) ~~Business or commercial use.~~ Duplexes, apartment houses, rooming houses, and other property used partially for business or commercial purposes are well covered in the Act and require little explanation. It is necessary in all such cases to arrive at separate values on that part used for business or commercial purposes, and that part used as a home. In case of duplexes, apartment houses and rooming houses, an allocation can usually be made on the basis of the proportion of the number of rooms used for the home and the number rented or for rent. If the property is used partially for business or commercial purposes, it is necessary to use judgment, making best estimate of the value of that part used as a home and that part used for other purposes. [See: 68 O.S.1991, § 2896]

(b) **Business or commercial use of rural homestead.** The location and use of a part of a building or buildings for business or commercial purposes on a rural homestead does not prevent the exemption of the full 160 acres, but on urban homesteads, the same proportionate allocation of value must be made of the land that is made of the improvements. On rural homesteads, the owner is entitled to the full exemption, up to 160 acres, provided he lives on the property, although he may rent or lease the land to others. [See: Op. Att'y Gen. issued 03-17-54]

710:10-5-10. Filing an application

(a) **Application restriction.** In order for any person to obtain an exemption on his homestead an application must be filed with the County Assessor on ~~forms prescribed by the Tax Commission on form OTC 921,~~ on or before March 15th of that year. However, the time within which to apply for the homestead exemption may be extended by thirty (30) days from receipt by the taxpayer of a Notice of Change of Assessed Value (OTC Form 926 R-87) County Assessor Notice of Increase in Valuation of Real Property form (OTC 926) by the taxpayer. Applications may be accepted by the county assessor throughout the year, however, applications filed after March 15, or after 30 days from receipt of a Notice of Change of Assessed Value County Assessor Notice of Increase in Valuation of Real Property, whichever is later, will not be effective until the following year.

(b) **Who may sign application.** The application shall be signed by the owner of the property, or in case of minors or incompetents, by the guardian. Either husband or wife may sign an application if joint title is held by both parties. Similarly, an adult child may sign for the parents, if title to the property is jointly held between them. Other agents for taxpayers may

not sign an application for an exemption, unless the owner is currently a member of the Armed Services of the United States, during time of war or a national emergency. Persons sixty-five (65) years of age or older, as of March 15, who have previously qualified for the additional homestead exemption or the limitation of fair cash value of homestead property, shall **not** be required to make an annual application, provided all qualifications are maintained. [See: 68 O.S. § 2892]

710:10-5-11. What levies exempt

Homesteads are not exempt from levies for interest and sinking fund requirements, for bonded indebtedness incurred prior to the effective date of the Act. They are exempt from all General Fund levies, including the additional millage voted by school districts. [See: 68 O.S. ~~1994~~, § 2889]

710:10-5-12. Exemption limited to natural persons

A homestead exemption cannot be granted on a home if the title is in the name of a corporation, since a corporation is not a **natural person**, as required by the Act. [See: 68 O.S. ~~1997~~, § 2888]

710:10-5-13. Parents and children as co-owners

A parent or parents may be granted a full homestead exemption if the parents reside on and own the homestead property in joint tenancy with one or more of their children, whether parents are residing together or separated, provided the joint tenancy instrument is recorded in the County Clerk's office. [See: 68 O.S. ~~1997~~, § 2888]

SUBCHAPTER 6. STORM SHELTER EXEMPTION

710:10-6-1. Purpose

The provisions of this Subchapter have been adopted for the purpose of compliance with the Administrative Procedures Act, 75 O.S. ~~1994~~, § 250 et seq., and to facilitate the administration of the exemption from the ad valorem taxation for storm shelters approved by popular vote on November 5, 2002 (Laws 2002, H.J.Res.No. 1001; State Question 696).

710:10-6-6. Exemption not restricted to homestead property

~~As stipulated in Article 10, Section 6, of the Oklahoma Constitution, any~~ A storm shelter located in a residential or commercial property ~~where a storm shelter is located~~ may qualify for the exemption. Article 10, Section 6, of the Oklahoma Constitution.

710:10-6-8. Filing an application

(a) **Application by taxpayer.** Unless the exempt storm shelter property has been identified and designated by the county assessor, an application to obtain a storm shelter exemption must be filed with the county assessor on ~~forms~~form

~~OTC 905 prescribed by the Oklahoma Tax Commission.~~ Such an application may be filed at any time. However, the county assessor shall, if the applicant qualifies, grant an exemption for a storm shelter for the current tax year only if the application is filed on or before March 15 of the current tax year. An application filed after March 15 of the current tax year will only entitle the applicant, if otherwise qualified, to an exemption for storm shelter property beginning the following tax year. There ~~will be~~ is no requirement for annual reapplication once the exemption is granted.

(b) **Assessor may identify exempt storm shelter property.** If the county assessor identifies a storm shelter that, in the assessor's opinion, qualifies for the exemption, the assessor may designate the shelter on the permanent property record in the assessor's office. In this case, there will be no requirement for the property owner to make application for the exemption. The exemption will be subject to all other requirements set out in this Subchapter.

710:10-6-9. County assessor to make determination of status

(a) The county assessor shall examine each application and shall determine if the storm shelter meets the requirements set out by law. In determining if the application is to be approved, the assessor may, if necessary, make inspections, make a written request for additional information, or examine any person under oath, as provided by law.

(b) The assessor shall complete the assessor's portion of the application and shall deliver all applications, whether approved or rejected, to the County Board of Equalization on or before the fourth Monday in April, for the Board's review.

(c) If the county assessor finds an application for exemption should not be allowed by reason of non-conformity with the law, the applicant shall be notified of the disapproval and advised of the appeal process. [See: 68 O.S. ~~Supp. 2001~~, §§ 2893-2895]

SUBCHAPTER 7. MANUFACTURING FACILITIES

710:10-7-2.2. Exemption requirements for qualified manufacturing and research and development facilities established, expanded or acquired

(a) **Definitions.** The following words and terms, when used in this Section shall have the following meanings unless the context clearly indicates otherwise:

(1) **Manufacturing facilities** means manufacturing facilities as defined in 68 O.S. § 2902(B)(1).

(2) **Facility or facilities** means and includes the land, building, structures, improvements, machinery, fixtures, equipment and other personal property used directly and exclusively in the manufacturing process. 68 O.S. § 2902(B)(2).

(3) **Research & development** means activities directly related to and conducted for the purpose of discovering,

Permanent Final Adoptions

enhancing, increasing or improving future or existing products or processes or productivity. 68 O.S. § 2902(B)(3).

(4) **Base payroll** means total payroll for the calendar year the construction, acquisition, or expansion assets are first placed in service and the subsequent four (4) calendar years of eligibility.

(5) **Initial payroll** means payroll for the calendar year immediately preceding the initial construction, acquisition or expansion. In the event initial payroll is not comprised of a complete year's payroll, the amounts reported must be computed to arrive at an annual figure.

(b) **Qualification or statutory requirements.** Except as otherwise provided in (6) and (7) of this subsection, facilities must meet the requirements mandated by statute and summarized in (1) through (5) of this subsection:

(1) Facilities must satisfy the requirement of being new, expanded, or acquired.

(2) The investment cost of the construction, acquisition or expansion of the manufacturing facility must be Two Hundred Fifty Thousand Dollars (\$250,000.00) or more within the calendar year in which the construction, acquisition or expansion occurred. Investment Cost shall not include the cost of direct replacement, ~~refurbish~~refurbishment, repair or maintenance of existing machinery or equipment, except that "investment cost" shall include capital expenditures for direct replacement, refurbishment, repair or maintenance of existing machinery or equipment that qualifies for depreciation and/or amortization pursuant to the Internal Revenue Code of 1986, as AMENDED, and such expenditures shall be eligible as part of an "expansion" that otherwise qualifies under this section.

(3) Base payroll for the calendar year the assets are placed in service must be increased over initial payroll by at least Two Hundred Fifty Thousand Dollars (\$250,000.00) if the facility is located in a county with a population of less than seventy-five thousand (75,000) persons according to the most recent federal decennial census or by at least One Million Dollars (\$1,000,000.00) if the facility is located in a county with a population of seventy-five thousand (75,000) or more, according to the most recent federal decennial census. For the subsequent four years of eligibility, base payroll must be maintained in an amount equal to, or greater than, the base payroll amount established for the calendar year the assets are first placed in service.

(A) To determine initial and base payroll, the Tax Commission must verify all payroll information through the Oklahoma Employment Security Commission (OESC) utilizing OESC reports filed with the OESC for the applicable calendar year years. [See: 68 O.S. § 2902(C)(4)].

(B) The amount of increased payroll shall include payroll for full-time-equivalent employees in this state who are employed by an entity other than the facility which has qualified to receive an exemption pursuant to the provisions of this Section and who are

leased or otherwise provided to the facility, if such employment did not exist in this state prior to the start of initial construction or expansion of the facility.

(C) A manufacturing facility shall have the option of excluding certain components from its payroll. Manufacturing facilities electing to exclude either of the options in (i) or (ii) of this subparagraph, shall document the election by an attached addendum to the application at time of filing which states in detail any payroll exclusions. (See: 68 O.S. § 2902(C)(4))

(i) Payments to sole proprietors, members of partnerships, members of a limited liability company who own at least ten percent (10%) of the capital of the limited liability company, or stockholder employees of a corporation who own at least ten percent (10%) of the stock in the corporation may be excluded from payroll.

(ii) Nonrecurring bonuses, exercise of stock option or stock rights, or other nonrecurring, extraordinary items included in total payroll numbers as reported by the OESC may be excluded from payroll. Nonrecurring bonuses shall not include additional wages or other compensation paid on the basis of length of service.

(D) A manufacturing concern which does not meet the amount of increased payroll shall submit to the Tax Commission, with the initial application year of exemption, an affidavit, signed by an officer. The signed affidavit must state that from the start of initial construction, acquisition, or expansion, to the completion of said construction, acquisition, or expansion, or for three (3) years, whichever occurs first, the establishment or expansion of the facility will result in a net increase of the required base payroll. When the increased payroll requirement is met, the affidavit will be considered satisfied and no longer in effect.

(4) The facility will offer within one hundred eighty (180) days of the date of employment, a basic health benefit plan to the full-time employees of the facility. [See: 68 O.S. § 2902(C)(4)(b)] Calculation of the number of employees shall be made in the same manner as required pursuant to 68 O.S. § 2357.4 for an investment tax credit.

(5) A manufacturing facility requesting an exemption must hold title to real or personal property, or have an equity interest in real or personal property.

(6) ~~Entities engaged in the generation of electric power by means of wind, as described in the North American Industry Classification System No. 221119, if there is a net increase in payroll at the facility of at least Two Hundred Fifty Thousand Dollars (\$250,000.00), or a net increase of Two Million Dollars (\$2,000,000.00) or more in capital improvements while maintaining or increasing payroll, and all other requirements of this Section are met.—~~Effective January 1, 2017, an entity engaged in the generation of electric power by means of wind, as described in the North American Industry Classification System No. 221119, shall not be defined as a qualifying

manufacturing concern for purposes of the exemption authorized pursuant to Section 6B of Article X of the Oklahoma Constitution or qualify as a manufacturing facility as defined in this Section. While facilities which qualified for exemption pursuant to the filing of an exemption application before 2018 will be allowed to claim the exemption for any periods remaining in the five years provided all qualification requirements are met, no initial application for exemption shall be filed by or accepted from an entity engaged in electric power generation by means of wind on or after January 1, 2018.

(7) For applications received after November 1, 2007, establishments primarily engaged in distribution as defined under industry Numbers 49311, 49312, 49313 and 49319 and Industry Sector Number 42 of the NAICS Manual latest revision, must meet all criteria required by statute and outlined in (4) and (5) of this subsection and the following subparagraphs:

- (A) Initial capital investment of at least Five Million Dollars (\$5,000,000.00);
- (B) Employment of at least one hundred (100) FTE as certified by OESC;
- (C) Wages and salaries equal to or exceeding one hundred seventy-five percent (175%) of the federally mandated minimum wage; and
- (D) Commencement of construction on or after November 1, 2007, to be completed within three (3) years from the date of commencement of construction. [See: 68 O.S. § 2902(B)(1)(e)].

(c) **Review of facility eligibility.** To confirm eligibility, the Tax Commission may request any information from the applicant or require verification of any information as needed.

(d) **Requirements for acquired existing facility.** An acquired existing facility must be unoccupied for a period of twelve (12) months prior to acquisition for initial qualification. [See: Art. 10, Section 6B, Okla. Const. and 68 O.S. § 2902(A)].

(e) **Transfer of exemption.** If the ownership of a qualified facility currently enrolled in the exemption program changes during the five-year exemption period, the exemption shall continue in effect for the balance of the five-year period, so long as all other qualifications are maintained.

710:10-7-4. Qualifying manufacturing concerns exempt; forms

Qualifying manufacturing concerns as defined by law shall be exempt from the levy of any ad valorem taxes upon new, expanded or acquired manufacturing facilities for a period of five (5) years. Exemptions will be allowed only upon approved application filed with the county assessor for each year the exemption is requested on forms prescribed by the Oklahoma Tax Commission. The application shall be fully completed, sworn to and signed by the applicant, if an individual, or by a duly authorized officer or general partner or authorized agent of entities applying for the exemption. Authorized agents must file a Power of Attorney, OTC Form BT 129, with the initial and each annual application. Form BT 129 is available telephonically at (405) 521-3160 or online

at www.tax.ok.gov. Any additional information requested in writing by the county assessor, the County Board of Equalization, or the Oklahoma Tax Commission shall be furnished in a sworn and signed statement.

710:10-7-5. Date of qualification; application for exemption

(a) The period of exemption granted to qualifying manufacturing concerns shall be computed from the assessment date immediately following the initial qualifying use of the property in the manufacturing process and subject to the statutory requirements for qualification in place at the time of the initial qualifying use. Applicants may claim any remaining eligibility not to exceed five years from the initial qualifying use.

(b) When completion of a facility or facilities will occur after January 1 of a given year, a facility may apply to claim the ad valorem tax exemption for that year. If the facility is found to be qualified, the exemption shall be available for the entire year and shall apply to the ad valorem valuation as of January 1st of that given year.

(c) Qualifying manufacturing concerns owning facilities engaged in manufacturing in Oklahoma on the first day of January may file an application for ad valorem manufacturing exemption on or before March 15, or as otherwise provided by law. Approved applications signed by the county assessor and the county board of equalization shall be filed by the county assessor with the Oklahoma Tax Commission no later than June 15 of the **TAX YEAR** in which the facility desires to take the exemption. Incomplete applications and applications filed after said date will be declared null and void by the Commission. [See: 68 O.S. § 2902(F); Article 10 § 22A Okla. Const.]

710:10-7-11. County assessor to make initial determination of status; examination and valuation of the facility; notice upon rejection

(a) The county assessor shall examine each application for the manufacturing exemption from ad valorem taxation and shall determine whether the facility is exempt under the law. In determining whether the exemption application is to be approved, the assessor shall, if necessary, make inspections, make a written request for additional information, or examine any person under oath as provided by law.

(b) The assessor shall complete the assessor's portion of each application, whether approved or rejected, and shall consecutively number each ~~completed application received, whether approved or rejected,~~ retain a copy of each application, and shall deliver the original application, whether approved or rejected, to the County Board of Equalization, on or before the fourth Monday in April each year for its review. After the County Board of Equalization has approved or rejected the application, the original application shall be forwarded to the Oklahoma Tax Commission Ad Valorem Division by June 15th of the current year.

(c) If the manufacturer's application is approved, the assessor shall mark the Notice of Approval or Disapproval (OTC Form 900 XMA-B) "**APPROVED**" and notify the applicant

Permanent Final Adoptions

at the address shown on the application. It shall then be the duty of the Oklahoma Tax Commission to make a physical inspection of each facility approved for the exemption, determine the fair cash value of the real property, if necessary, and the personal property separately, and to determine the assessed value of each by applying the assessor's assessment percentage to that value. The Tax Commission shall then notify the county assessor of the valuation.

(d) If the county assessor finds that the exemption should not be allowed by reason of not being in conformity to the law, he shall mark the Notice of Approval or Disapproval (OTC Form 900 XMA-B) "**DISAPPROVED**", stating the reason for the disapproval, and shall notify the applicant at the address shown in the application. The notice shall be mailed on or before the fourth Monday in April. The assessor shall then immediately proceed to value and assess the property, as provided by law.

SUBCHAPTER 8. EXEMPTION FOR CERTAIN OIL AND GAS PROPERTY UPON WHICH OKLAHOMA GROSS PRODUCTION TAX IS PAID

710:10-8-1. General provisions

The provisions of this Subchapter have been adopted for the purpose of compliance with the Administrative Procedures Act, 75 O.S. § 250 et seq., and to establish guidelines, as authorized by 68 O.S. § 1001.1, for the determination of properties exempt from ad valorem taxes under the terms of 68 O.S. §§~~1001(R) and (S)~~1001(S) and (T) by payment of the "*in lieu*" gross production tax.

710:10-8-2. Exempt properties

(a) The following property shall be eligible for exemption from ad valorem taxation pursuant to the provisions paragraphs ~~(R) and (S)~~ and (T) of Section 1001 of Title 68:

- (1) Wellhead equipment, including compression equipment that is used for injection purposes on enhanced oil and gas recovery projects or compression equipment actually used in the process of bringing oil or gas, or both, to the surface;
- (2) Pumping units and any other devices designed to raise hydrocarbons to the surface;
- (3) Tubing, casing and other downhole equipment;
- (4) Lease production tanks, including flow tanks and water tanks;
- (5) Production units, separators, heaters, treaters, and any other devices designed to remove water and contamination from the hydrocarbons which are located upstream from lease production tanks, custody transfer points, or where production is commingled with that of other leases;
- (6) Flow lines going from the wellhead to production units, separators, heaters, treaters, and lease production tanks, including flow tanks and water tanks;
- (7) Residue lines used to return processed gas to the lease for use in powering production equipment or for injection purposes. If the lines transport gas which is sold

or used for any other purpose, only that percentage of the value of the lines that equals the percentage of the volume of gas used to power production equipment or for injection shall qualify for the exemption;

(8) Lease production meters;

(9) Miscellaneous production equipment, including but not limited to valves, piping, and electrical accessories; and,

(10) Disposal systems which are not for commercial purposes and wellbore and non-recoverable down-hole material, including casing, actually used in the commercial disposal of waste materials produced with oil and gas. The value of property in a disposal system used for both commercial and non-commercial purposes shall be exempted on a pro rata basis according to its use.

(b) Items enumerated in (a) of this Section are not intended to be exclusive or exhaustive.

SUBCHAPTER 9. MANUFACTURED HOMES

710:10-9-1. Listing and assessment of manufactured homes for ad valorem taxes

(a) **Manufactured homes subject to ad valorem taxation.**

On the first day of January of each year, the county assessor of the county in which a manufactured home is located shall list, assess and tax such manufactured homes as required by the Ad Valorem Tax Code as it pertains to real and personal property. [See: 68 O.S. §§2811-2813] If a manufactured home is permanently affixed to the real estate, the original document of title may be surrendered to the Oklahoma Tax Commission for cancellation, in accordance with 47 O.S. ~~Supp. 2002~~, § 1110, provided there is no outstanding lien recorded on the title. Thereafter, these homes will be assessed as other real property improvements.

(b) **New manufactured homes sold and properly registered between December 1st and January 31st.** New manufactured homes which are sold and properly registered between December 1st and January 31st pursuant to this subsection shall be exempt from ad valorem taxes for the assessment period beginning January 1st. [See: 710:10-9-4 for proper listing and assessment of used manufactured homes held for resale.]

(c) **New manufactured homes.** The purchaser of a new manufactured home will not be subject to ad valorem taxes until January 1st of the following year, if the new manufactured home is properly registered, titled, and tagged, as required by law.

(d) **Information required.** Data elements required for listing a manufactured home with a **completed certified** OTC Form 936 (Manufactured Home Certificate 936) consist of:

- (1) Receipt or Release for taxes paid;
- (2) Type of manufactured home transaction;
- (3) Date to be moved;
- (4) Name of current manufactured home owner(s);
- (5) Seller's current mailing address;
- (6) Seller's new mailing address;
- (7) Name of manufactured home buyer;

- (8) Buyer's current mailing address;
- (9) Buyer's new mailing address;
- (10) Information describing where manufactured home is being **moved from**, such as:
 - (A) Landowner's or park's name,
 - (B) City,
 - (C) County, and
 - (D) Legal description, or
 - (E) Situs description;
- (11) Current physical address;
- (12) Real property account number or personal property account number;
- (13) Information describing where manufactured home is being **moved to**, such as:
 - (A) Landowner's or park's name,
 - (B) City,
 - (C) County, and
 - (D) Legal description, or
 - (E) Situs description;
- (14) New physical address;
- (15) School district;
- (16) Certificate of Title information, consisting of:
 - (A) Vehicle identification number (VIN);
 - (B) Year of manufacture;
 - (C) Size;
 - (D) Make;
 - (E) Title number;
 - (F) Body type;
 - (G) Model;
 - (H) Agent number;
 - (I) Factory delivered price;
 - (J) Total delivered price.
- (17) Fair cash value;
- (18) Total current estimated taxes due;
- (19) Taxes due from prior years, if unpaid;
- (20) Total of prior years' taxes due, if unpaid;
- (21) Signature of applicant and date;
- (22) Certification by assessor's office, evidenced by signature and date;
- (23) Certification by treasurer's office that all current and prior years' taxes have been paid, evidenced by signature, date, and a statement substantially as follows: **"THIS DOCUMENT SHALL NOT BE CERTIFIED BY THE TREASURER'S SIGNATURE UNLESS ALL SPACES HAVE BEEN COMPLETED WITH THE INFORMATION REQUESTED"**
- (24) Column for remarks;
- (25) Instructions as to who receives colored copies of the Manufactured Home Certificate 936:
 - (A) The white copy is retained by the assessor issuing the certificate;
 - (B) The yellow copy is forwarded to the county assessor of the county receiving the Manufactured Home Certificate 936;
 - (C) The pink copy is retained by the homeowner or applicant;
 - (D) The blue copy is retained by the county treasurer signing the certificate;

- (26) Legal certification of the Manufactured Home Certificate 936 requires the **signatures of the assessor and treasurer**;
- (27) Other information necessary for CAMA valuation;
- (28) Such other information as may be required by the Oklahoma Tax Commission.

710:10-9-3. Transfer of manufactured home with real property

When ownership of the manufactured home is transferred with the land upon which it is located with real property, the registration and certificate of title will be transferred in the new ownership as follows:

- (1) The new owner will obtain a "Manufactured Home Certificate 936" (OTC Form 936) from the county assessor's office; and
- (2) The new owner will present the "Manufactured Home Certificate 936" (OTC Form 936) to the Oklahoma Tax Commission or a motor license agent (tag agent) who will prepare the registration and certificate of title pursuant to the rules and regulations of the Motor Vehicle Division of the Oklahoma Tax Commission. A registration would not be issued unless the initial registration fee was never collected.
- (3) All taxes due, as required by this Subchapter and the statutes of Oklahoma, including the current year's ad valorem taxes, will be collected before issuance of the "Manufactured Home Certificate 936" (OTC Form 936). However, there will be no excise tax due on the change in registration and certificate of title.
- (4) If the manufactured home owner has surrendered the title in accordance with 47 O.S. ~~Supp.2002~~, § 1110, no title work or OTC Form 936 will be required, provided the home is not being moved.

710:10-9-7. Moving manufactured homes

- (a) **License plates.** Except as described in subsection (b), a current manufactured home license plate, in the form of a permanent metal or temporary dealer plate, is to be displayed at all times when upon a public roadway. [See: 47 O.S. ~~Supp.2002~~, § 1113(E)] An "M" tag is issued to manufactured home dealers and can only be used for the purchase and delivery of manufactured homes for the dealer's place of business. A "K" tag is an "in-transit" license plate issued to transporters and can be used only for transporting a new manufactured home or in the case of manufactured homes coming into Oklahoma from another state. Neither an "M" tag, nor a "K" tag may be used to transport a repossessed manufactured home, which requires use of a repossession affidavit.
- (b) **Permit to transport or move; exceptions to payment of ad valorem tax paid in advance.** The Department of Public Safety shall **not** issue a permit to any person to transport or move a manufactured home without evidence of a current calendar year registration and decal on that manufactured home, except:
 - (1) To the holder of a dealer's license plate ("M" tag) issued by the Oklahoma Tax Commission;

Permanent Final Adoptions

(2) To the holder of a transporter's in-transit license plate ("K" tag) issued by the Oklahoma Tax Commission;

(3) In the case of a manufactured home which is in the state of Oklahoma for less than sixty (60) days and the tax receipts of the state in which residency is claimed are provided; or,

(4) When a properly-completed repossession affidavit, issued pursuant to the terms of Sections 1110 and 1126 of Title 47, has been obtained for use in moving a repossessed manufactured home to a secure location. [See: 47 O.S. ~~Supp.2002~~, § 1113(E)]

(c) **Ad valorem taxes.** Issuance of a permit to transport a manufactured home does not relieve the holder of a perfected security interest of the ultimate responsibility for the payment of ad valorem taxes in the county of origin. The repossession lender must obtain a Repossession Affidavit (OTC Form 737) before hiring a manufactured home transporter and has thirty (30) days from the date shown on the repossession affidavit to obtain an OTC Form 936 and pay any fees or taxes which may be due.

(d) **Required documentation.** In all instances other than those described in (1) through (4) of subsection (b), the Department of Public Safety will require that the following documentation be presented:

- (1) A current registration and current year decal; or,
- (2) A current OTC Form 936 may also be used, providing the current year decal is affixed. [See: 68 O.S.1997, § 2813]

710:10-9-14. Registration of new or used non-registered manufactured homes; payment of taxes; failure to show proof of registration

(a) **Who shall register.** The following shall apply for registration and obtaining an original certificate of title with the Oklahoma Tax Commission or a motor license agent (tag agent):

(1) **New manufactured home.** A person that purchases a new manufactured home which acquires taxable situs in this state;

(2) **Used manufactured home.** A person that purchases a used manufactured home which acquires taxable situs in this state;

(3) **Manufactured home which obtains taxable situs.** A nonresident owner of a manufactured home which obtains taxable situs by the presence of the manufactured home in this state in excess of sixty (60) days.

(b) **Registration of new manufactured homes.** Proper registration of a manufactured home is described as follows:

(1) A person lawfully filing an application for registration and original certificate of title for a manufactured home shall be required to make payment of the following:

- (A) License fee; and,
- (B) Excise tax, if applicable. Used manufactured homes entering Oklahoma and owned over sixty (60) days are exempt from payment of the excise tax.

(2) The Oklahoma Tax Commission or motor license agent (tag agent) shall, upon the proper application and

payment of required fees, issue to the owner of the manufactured home the following:

- (A) A certificate of original title;
- (B) A manufactured home registration receipt;
- (C) A manufactured home registration decal;
- (D) A manufactured home license plate; and
- (E) An excise tax receipt, if applicable.

(c) **Payment of excise tax in lieu of ad valorem tax.** The owner of a manufactured home that pays the fees set out in (b)(1) of this Section as evidenced by the presentation of the documents set out in (b)(2) of this Section will not be required to pay ad valorem taxes for the year of registration of the manufactured home. The manufactured home shall be valued and assessed for ad valorem taxes as provided by the Ad Valorem Tax Code on January 1st of the year following registration. [See: 68 O.S.1997, § 2813]

(d) **Failure to register and pay excise tax as required by the Motor Vehicle Code.** The owner of a manufactured home which fails to register a manufactured home and pay the fees and excise tax required by the Motor Vehicle Code shall have his manufactured home listed and assessed as omitted property and entered upon the assessment and tax rolls for prior years not to exceed three (3) years. The subsequent registration of a manufactured home by the owner, as required by the Motor Vehicle Code, after the county assessor lists and assesses the manufactured home as omitted property, as required by the Ad Valorem Tax Code, does not entitle the owner to a one (1) year refund on the ad valorem taxes. **The duties mandated by the Motor Vehicle Code and the Ad Valorem Tax Code are mandatory and mutually exclusive.** That is, they operate independently of each other, which ~~requires~~require that both the proper late registration fees be paid and also the ad valorem taxes be paid.

(e) **Proof of registration; loss of registration and title; refusal to furnish proof of registration.**

(1) **Proof of registration.** The county assessor of the county where a manufactured home is located shall require proof of the following to assure proper payment of ad valorem taxes and fees:

- (A) Proof of proper registration;
- (B) Proof of payment of excise taxes, if applicable; and,
- (C) Proof of payment of ad valorem taxes (OTC Form 936).

(2) **Loss of registration and certificate of title.** The procedure outlined in this paragraph will be utilized when an owner of a manufactured home seeks to render it as personal property or the county assessor discovers it while listing and assessing property and the owner is unable to locate or find the registration and certificate of title.

(A) The county assessor is required to list and assess all taxable property located in the county on an annual basis. The lack of registration papers does not relieve the assessor of that duty.

(B) The county assessor shall proceed to place the manufactured home on the assessment and tax rolls as omitted property unless:

(i) The county assessor ascertains the manufactured home is on the assessment and tax rolls of the county;

(ii) The owner of a manufactured home presents the county assessor a Manufactured Home Certificate 936 (OTC Form 936) - RECEIPT OF TAXES PAID - from another county showing that no taxes are due for current or prior years. Thereafter, the county assessor will value the manufactured home as of January 1st of the subsequent year if its taxable situs is still within the county.

(iii) The owner of a manufactured home presents the county assessor a Manufactured Home Certificate 936 (OTC Form 936) - RELEASE OF TAXES PAID - from another county for the current year. Thereafter, the county assessor will value the manufactured home as of January 1st of the subsequent year if its taxable situs is still within the county.

(C) The county assessor shall refer those owners of manufactured homes who have failed to present their registrations and certificates of title to either the local motor vehicle agent (tag agent) or the Oklahoma Tax Commission upon a determination of their taxable situs and assessment pursuant to (B) of this paragraph. If the title has been lost, the owner must apply for a duplicate title. A new registration will not be issued by the local motor vehicle agent (tag agent).

(3) **Failure to present proof of registration.** Any person owning a manufactured home and failing to present satisfactory proof of registration of such manufactured home or who fails to make payment of ad valorem taxes upon demand by the county assessor of the county in which the manufactured home is located, upon conviction, shall be guilty of a misdemeanor.

710:10-9-20. Repossession of manufactured home where ad valorem taxes due

(a) Repossession of a manufactured home listed, valued and assessed as real estate.

(1) The reposessor of a manufactured home will have thirty (30) days from the date of the repossession affidavit to comply with the terms of this subsection. [See: 68 O.S. 4997, §2813]

(2) The requirements of a reposessor of a manufactured home listed, valued and assessed as real estate are as follows:

- (A) The reposessor must be a holder of a perfected security interest on the manufactured home;
- (B) The reposessor or his agent must be lawfully repossessing a manufactured home;
- (C) The manufactured home must be valued and assessed as real estate on the assessment rolls.

(3) Procedures for issuance of an OTC Form 936 as a **receipt** for taxes paid are as follows:

(A) The county assessor will determine the assessment of the manufactured home apart from the real property and the other improvements thereon;

(B) The county assessor will determine the amount of taxes due upon the manufactured home apart from the real property and the other improvements thereon;

(C) The county assessor will determine the valuation and assessment of the manufactured home for any prior years omitted and calculate the taxes due on the manufactured home for those prior years;

(D) The county assessor will complete the required Manufactured Home Certificate 936 (OTC Form 936) and forward to the county treasurer;

(E) The county treasurer will add any delinquent taxes due on the manufactured home as described in Section 710:10-9-23;

(F) The county treasurer, upon the collection of all taxes due on the manufactured home, will sign the Manufactured Home Certificate 936 (OTC Form 936);

(G) The county assessor will assure that the applicant's signature (or written authorization to sign) is affixed to the Manufactured Home Certificate 936 (OTC Form 936);

(H) Only the completed Manufactured Home Certificate 936 (OTC Form 936) shall constitute the **receipt** for taxes paid.

(b) Repossession of a manufactured home valued and assessed as personal property.

(1) The requirements for obtaining an OTC Form 936 as a **receipt** for taxes paid on a repossessed manufactured home valued and assessed as personal property are set out in paragraphs (A) through (C) of this subsection. The reposessor of a manufactured home will have thirty (30) days from the date of the repossession affidavit to comply with the terms of this subsection.

(A) The reposessor must be a holder of a perfected security interest on the manufactured home;

(B) The reposessor or the agent must be lawfully repossessing a manufactured home; or

(C) The manufactured home is valued and assessed as personal property and currently on the personal property assessment rolls.

(2) Procedures for issuance of an OTC Form 936 as a **receipt** for taxes paid are as follows:

(A) The county assessor will determine current valuation and assessment of the manufactured home;

(B) The county assessor will determine the taxes due for the current year;

(C) The county assessor will determine the valuation and assessment of the manufactured home for any prior years omitted and calculate the taxes due for those prior years;

(D) The county assessor will complete the required Manufactured Home Certificate 936 (OTC Form 936) and forward to the county treasurer;

Permanent Final Adoptions

(E) The county treasurer will add any delinquent taxes due on the manufactured home as described in 710:10-9-23;

(F) The county treasurer, upon the collection of all taxes due on the manufactured home, will sign the Manufactured Home Certificate 936 (OTC Form 936);

(G) The county assessor will assure that the applicant's signature (or written authorization to sign) is affixed to the Manufactured Home Certificate 936 (OTC Form 936);

(H) Only the completed Manufactured Home Certificate 936 (OTC Form 936) shall constitute the receipt for taxes paid.

710:10-9-26. Unclaimed warrants on tax refunds

(a) The funds held by the county treasurer as a refund of taxes on a manufactured home will be governed by the Uniform Unclaimed Property Act. [See: 60 O.S. §651 et seq.]

(b) A tax refund unclaimed for three (3) years comes within the Unclaimed Property Act which states the following: *Intangible property held for the owner by a court, state or other government, governmental subdivision or agency, public corporation, or public authority which remains unclaimed by the owner for more than one (1) year after becoming payable or distributable is presumed abandoned.* [60 O.S. ~~4994~~, §657]

SUBCHAPTER 10. VISUAL INSPECTION PLAN

PART 1. GENERAL PROVISIONS

710:10-10-1. Purpose

(a) Pursuant to 68 O.S. ~~4994~~, §2820(C), each county assessor shall develop a detailed visual inspection plan and conduct a continuing comprehensive program within their respective counties, and shall leave in place an on-going system which will effectively maintain property valuations in future years.

(b) Each county assessor shall submit a visual inspection plan, which conforms to the requirements described in 68 O.S. ~~4994~~, §2820(C) and the provisions of this Subchapter, to the Ad Valorem Division of the Oklahoma Tax Commission by the first working day in October preceding the January 1 beginning of a new four-year cycle. The county shall keep a copy of the approved visual inspection plan and any amendment(s) on file for the current four year-cycle and shall retain the plan for five years after the last year of this cycle.

(c) Following Tax Commission approval of the county visual inspection plan, the county assessor shall timely submit a copy of the approved visual inspection plan to each school superintendent within the county.

PART 3. PLANNING AND ORGANIZATION

710:10-10-10. Administrative

(a) Submission of a list of detailed administrative objectives shall be required as an essential component of the visual inspection plan.

(b) Each county assessor in the state shall annually prepare an assessment roll, which shall be generated by the counties in a format prescribed by the Oklahoma Tax Commission pursuant to title 68 O.S. ~~4994~~, §2842.

(c) The Oklahoma Tax Commission shall provide a standard visual inspection template which may be utilized by all counties.

710:10-10-12. Mapping

(a) The Mapping Program shall include a comprehensive, continuous cadastral mapping schedule that shall be based upon use of State standards (68 O.S. ~~4994~~, §2821) summarized in (1) through (12) of this subsection:

(1) Boundaries of all parcels, whether the parcels are taxable or nontaxable.

(2) Parcel dimensions and/or acreage.

(3) Lot and block number and, if scale permits, names and boundaries of subdivisions and plats.

(4) Boundaries of political subdivisions, i.e., county, city, town.

(5) Boundaries of geographic subdivisions, i.e., section, township and range, government lot boundaries and numbers, land districts, land lots and numbers.

(6) Location and names of roads, streets, highways, alleys, railroads, rivers, lakes and other such features.

(7) ~~Map parcel~~ Parcel identification number (MPIN).

(8) Map reference information, including map ~~date~~ number, title block, revision block, legend, ~~map key and~~ north arrow, and keys to adjoining maps.

(9) Map scale.

(10) Data concerning soil type and soil use.

(11) On-going collection, maintenance and inventory for the mapping program.

(12) Use of the most recent aerial photographs furnished by the State of Oklahoma or obtained from other sources, provided that they comply with established mapping standards.

(b) The above information shall be used as a minimum with other supplemental information that may also be included on cadastral maps. If additional information is to be added to maps, the additional time necessary to add these features should be included in the required comprehensive mapping schedule.

PART 5. DIRECTION AND GUIDANCE

710:10-10-27. Agricultural property

(a) All agricultural properties shall be inspected and appraised from schedules and guidelines as set out in 68 O.S. ~~Supp. 1996~~, §2817(C) and shall be listed in the visual inspection plan. A sketch of the dwelling and the outbuildings shall be drawn, showing all structures and buildings in proper size and location including dimensions and suitable symbols

used to identify each building. All farm and urban dwellings with other improvements shall be described and valued in the same manner. The object being to establish a fair, equitable, and realistic value by comparison with other like properties, and to maintain the same level of market values placed on all other classes of property within the county.

(b) The use value of agricultural land shall be based on the income capitalization approach using cash rent. The rental income shall be calculated using the direct capitalization method based upon factors including; soil type, soil productivity and use categories, using the same methodology that Center for Local government Technology (CLGT) prescribes.

(c) Agricultural land shall be valued according to the specifications set forth by 68 O.S. ~~1991~~, §2817(C). The agricultural "per point system" mandated for use by the State shall be adjusted annually as determined necessary and applied to all agricultural parcels within the county. Each soil type shall be identified for every agricultural parcel using the latest published soil survey of the county from the U.S. ~~Soil~~ Natural Resources Conservation Service (~~SCS~~) (NRCS). The acreage of each soil type shall be calculated and its usage determined both by physical inspection and by using the most recent aerial photographs available. A detailed report indicating each soil type, its usage, number of acres of each soil type, value per acre of each soil type and total calculated value of each soil type and total value of the land shall be provided on each defined agricultural parcel within the county.

(d) A methodology was adopted by the State Board of Equalization that gives 75 percent weight to the rental value of agricultural land and 25 percent weight to the sales value of land.

710:10-10-28. Notification of valuation changes; hearings

(a) Information and procedures related to valuation changes shall be included in the visual inspection plan. Notices shall then be mailed to all property owners having an increase in valuation. The notice shall include the fair cash value, taxable value, assessed value and the assessment percentage for the current and previous year. [See: 68 O.S. ~~Supp. 1997~~, § 2876]

(b) The taxpayer shall have ~~twenty~~ (20)thirty (30) calendar days from the date the notice was mailed to file a written complaint with the county assessor. A taxpayer may even file a complaint if the valuation of property has not increased or has decreased from the previous year if the complaint is filed on or before the first Monday in May, as required by 68 O.S. ~~1991~~, §2876(E).

(c) Staff members in each county shall conduct informal hearings to resolve any errors in appraisal or assessment. ~~Taxpayers still desiring to appeal an assessed value will be given the opportunity to be heard by the~~ Informal decisions by the assessor may be appealed to the County Board of Equalization within ten (10) working days of the date the decision is mailed.

PART 7. CONTROLS AND EVALUATION

710:10-10-44. Computer-assisted mass appraisal

(a) Data related to computer-assisted mass appraisal shall be listed and described in the visual inspection plan. The counties shall use computer-assisted mass appraisal (C.A.M.A.) to value all properties and the depreciation. The C.A.M.A. system provides the county with C.A.M.A. support and provides cost, market, and income valuation support. The C.A.M.A. system is capable of valuing residential, commercial, industrial, agricultural and special purpose real estate. The visual inspection plan shall have quality assurance, performance analysis and data accuracy control for the data entry.

(b) The records control section shall check all property record cards for missing data and similar errors. All incomplete or incorrect record cards shall be returned to the field division for correction. Random reinspection of all properties shall be conducted by personnel to check on the accuracy of the data collection.

(c) The operation of the data system shall be the responsibility of the in-house personnel who shall not only receive, store, and dispense the data, but shall also review it for accuracy and be responsible for monitoring all data used in the program. A ~~tape~~ back-up of C.A.M.A. shall be done daily.

(d) The counties shall have the capability of valuing all taxable property annually.

(e) There shall be no modifications in the state provided CAMA ~~system(s)~~ system(s) ~~or software programs~~ without approval from the Ad Valorem Division.

SUBCHAPTER 11. REIMBURSEMENTS AND ASSISTANCE TO COUNTIES

710:10-11-12. Review and monitoring of funds

The Commission retains discretion to review and monitor the counties that have received funds from the Commission to ~~insure~~ ensure that the funds are being accounted for and spent in compliance with all applicable statutes and these rules. The Commission retains discretion to require reimbursements from the counties or to make other appropriate adjustments to future disbursements to the counties, if the Commission determines that such funds have not been accounted for or spent in compliance with the applicable statutes or rules, or in compliance with the plan that had been submitted to the Commission.

SUBCHAPTER 13. VALUATION EXCLUSION FOR DESULPHURIZATION EQUIPMENT

710:10-13-3. Strict compliance

All persons claiming, utilizing, or administering the valuation method detailed in 68 O.S. ~~Supp. 2003~~, § 2817.3 shall strictly comply with the law and this subchapter, under penalty of law, to the end that the objectives of the law be accomplished.

Permanent Final Adoptions

710:10-13-8. Exclusion of valuation for qualified assets

Qualified assets, as defined in 68 O.S. ~~Supp. 2003~~, § 2817.3, shall not be included in the valuation used in determining the fair market value of oil refineries if such property would qualify as exempt property pursuant to 68 O.S. ~~Supp. 2003~~, § 2902, whether or not an application for such exemption is made by an otherwise qualifying manufacturing concern owning the property described by 68 O.S. ~~Supp. 2003~~, § 2817.3. The County Assessor shall indicate on the permanent property record the amount of any valuation exclusion and any other information that the Assessor deems necessary.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 5. MIXED BEVERAGES

710:20-5-2. Designation of agent of the Oklahoma Tax Commission

~~(a)~~ The Director of the Taxpayer Assistance Division is hereby designated as the agent, servant and employee of the Oklahoma Tax Commission for the following purposes:

- (1) Issuance of mixed beverage tax permits;
- (2) Cancellation of mixed beverage tax permits upon delinquency in reporting or paying the gross receipts tax or sales tax;
- (3) Temporary suspension of mixed beverage tax permits upon revocation or suspension of the mixed beverage, caterer, hotel beverage, public event, or special events licenses issued by the ABLE Commission;
- (4) Establishing amounts of required bonds; and,
- (5) Seizure of containers or cases of alcoholic beverages declared to be contraband.

~~(b) The Director shall report to the Commission, at least on a quarterly basis, all actions taken pursuant to the delegation in~~

~~(a) of this Section. [See: 37 O.S. §§577-578, 582]~~

710:20-5-8. Liability and audit of mixed beverage tax permit holder for gross receipts tax upon sale, preparation or service of all alcoholic beverages purchased or received

(a) **Liability in general.** Every mixed beverage tax permit holder or any other person transacting business subject to the gross receipts tax shall be liable for the tax upon the gross receipts from such beverages (on the basis of the number of drinks available for sale, preparation, or service from the total alcoholic beverages received). Each permit holder or other person shall be liable for the gross receipts tax upon any and all disposition by his agents or employees or any other persons on the premises of the mixed beverage tax permit holders or other person, except upon seizure or other disposition of the alcoholic beverage by employees of the ABLE Commission, Tax Commission, or other law enforcement agencies in the execution of their official duties. [See: 37 O.S. §576]

(b) **Audit procedures.**

- (1) Upon audit of the books and records of a mixed beverage establishment for Gross Receipts Tax, it shall be assumed that spirits have been dispensed at the average rate of one and one-half fluid ounce, except for drinks with recipes calling for more than one type of spirit or for double portions of spirits, or upon reasonable evidence of a different rate of use.
- (2) Wines will be presumed to have been dispensed at the average rate of six ounces (6 oz.) per serving. The Tax Commission may use an average rate greater or less than those set out in this Rule upon reasonable evidence of a different rate of use.
- (3) An audit may be conducted to determine if the correct amount of tax payable has been collected. The taxpayer will be deemed in compliance if the audit reveals that the amount of tax collected is:

TITLE 710. OKLAHOMA TAX COMMISSION
CHAPTER 22. BOATS AND MOTORS

[OAR Docket #17-520]

(A) For spirits, within Eighty-four percent to One Hundred Sixteen percent (84-116%) of the amount of tax payable.

(B) For wine, within Ninety percent to One Hundred Ten percent (90-110%) of the amount of tax payable.

(C) For beer sold at draft and not in original packages, within Eighty-six percent to One Hundred Fourteen percent (86-114%) of the amount of tax payable.

(D) For beer in original packages, within Ninety-five percent to One Hundred Five percent (95-105%) of the amount of tax payable. [See: 37 O.S.Supp.2001, § 579]

(4) In addition, a deduction may be allowed from the gross receipts tax liability determined by an audit or other investigation of the books and records of a mixed beverage tax permit holder, for alcoholic beverages that are:

(A) consumed in food as verified by the audit;

(B) destroyed due to breakage for which the permit holder has retained the container; or that portion thereof that has the unbroken seal; or for partial bottles destroyed by breakage for which the permit holder has completed a breakage affidavit listing the date of the occurrence, the brand and type of liquor, the size bottle, the approximate amount left in the bottle by 1/10ths, and the cause of the breakage. The affidavit shall be signed by the permit holder and two witnesses;

(C) stolen or destroyed by a disaster such as a fire or flood, provided that reasonable evidence is provided to support a claim. Reasonable evidence might include a copy of a police or sheriff's crime report; or an insurance claim detailing the inventory destroyed by brand, size, and type of liquor;

(D) not consumed, and exist or existed, at the close of a taxable period in question, provided that the amount and nature of the unconsumed inventory has been verified by agents of the Tax Commission, ABLE Commission, or verified by invoice to a mixed beverage permittee or wholesaler approved to purchase the inventory by the ABLE Commission. Partially filled bottles which are not included in a transferred inventory should be verified by a Tax Commission or ABLE Commission agent or agents.

(5) If an establishment was selling alcoholic beverages prior to the starting date of the audit period being used by the Commission in its audit, the establishment shall be required to furnish the Commission with a beginning inventory of all liquor, wine, and strong beer on hand if an ending inventory is offered for audit purposes. When the permittee is unable or unwilling to furnish such an inventory, then no beginning or ending inventories shall be considered for the audit period used and the audit will be conducted solely on the taxpayer's purchases made during the audit period.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 1. GENERAL PROVISIONS

710:22-1-15. Military personnel

All active duty military personnel U.S. Armed Forces service members or their spouses who are residents of Oklahoma, or stationed in Oklahoma, are eligible for an Armed Forces boat or outboard motor registration rate, as set forth by statute. A properly completed U.S. Armed Forces Affidavit (OTC Form 779) is required.

GIST/ANALYSIS:

Section 710:25-1-4 has been amended to implement the provisions of Section 1 of HB 2932 (2016) which authorized the OTC to refuse to issue a coin-op decal to any person delinquent in payment of decal fees; provided, that a notice of intent to refuse the issuance of the decal was furnished.

Section 710:25-1-10 has been amended consistent with the provision of Sections 2 and 3 of HB 2932 (2016) which reduce the delinquency penalty for certain coin-op devices and place restrictions and notice requirements relating to the seizure by the OTC of devices for which the applicable fee has not been paid.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

710:25-1-4. Who must purchase decals

For purposes of this Chapter, "person" means any individual, partnership, limited liability company, association or corporation. Every person who owns and has available to the public for operation or who permits to be operated in his place of business a coin-operated device shall purchase a decal for each device and shall at the same time pay the Commission the associated annual fee. The Commission may refuse to issue a decal to any person delinquent in payment of decal fees; provided, that notice of its intent to refuse the issuance

of the decal as required in 710:25-1-10 was furnished. [See: 68 O.S. §§1501, 1503]

710:25-1-10. Penalties for operations without decal; forfeiture

(a) Any owner who places a coin-operated vending device in operation and any person who permits a device to be ~~placed~~located in his place of business without a decal affixed shall be liable for the fee on the device at the full annual rate and shall be liable ~~to a penalty of One Hundred Dollars (\$100.00)~~ for a penalty dependent upon the type of device as follows:

(1) For any coin-operated music device, coin-operated amusement device, or coin-operated vending device requiring a coin or thing of value of twenty-five cents (\$0.25) or more, a One Hundred Dollar (\$100.00) penalty.

(2) For any other coin-operated device, a Ten Dollar (\$10.00) penalty.

(b) The Tax Commission shall notify any owner or person of the assessment of penalty and provide the owner or person thirty (30) days to remit the penalty. The Commission shall not refuse to issue a decal under 710:25-1-4 until after the expiration of the thirty (30) days provided in this subsection.

(c) A device left without the decal affixed, including all cash in the receptacle, may be sealed until released by the Commission or seized by an authorized agent of the Commission, or any sheriff, constable or other peace officer of the State and upon seizure, the machine, together with the cash, if any contained in the receptacle of such device, will be delivered to the Commission. No device shall be seized less than fifteen (15) days after the sealing of the device and notice being placed on the device informing the owner that the device is subject to seizure if the applicable fees are not paid and decal affixed. [See: 68 O.S. §§1506, 1507]

GIST/ANALYSIS:

Sections 710:45-9-81, 710:45-9-82, 710:45-9-83 and 710:45-9-84 have been amended to implement the provisions of Senate Bill 1577 (2016) which amends the definition of "economically at-risk oil or gas lease" and limits the amount of authorized refunds for each calendar year (2015 through 2020) to \$12,500,000.00. [68:1001.3a]

Sections 710:45-11-8 and 710:45-15-6 have been amended to implement the provisions of House Bill 2774 (2016) by removing the mandate that railroad companies, pipeline and transportation companies are required to report to the Tax Commission all information related to the transportation of crude oil or gas subject to gross production tax; however, if requested by the Tax Commission, they must provide this information. [68:1005]

Sections 710:45-3-11, 710:45-9-2, 710:45-9-24, 710:45-9-80, 710:45-11-2, 710:45-13-1, and 710:45-15-2 have been amended along with other sections that may be amended to clarify policy, improve readability, correct scrivener's errors, remove obsolete language, update statutory citation, and ensure accurate internal cross-references.

CONTACT PERSON:

Lisa R. Haws, Tax Policy Analyst, Tax Policy and Research Division, Oklahoma Tax Commission, 2501 North Lincoln Boulevard, Oklahoma City, Ok 73194, 405-521-3133.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 3. PAYMENT; REMITTANCE; REFUNDS

710:45-3-11. Minimum requirements for making claims for rebates, refunds, or credits

(a) **General provisions.** Adjustments to Gross Production Taxes previously paid may be made by filing a claim for refund or by claiming credit on a subsequent return. In either case, the claim must include the information and conform to the procedures described in this Section. All claims for refund or credits taken remain subject to audit.

(b) **Rebates.** Claims for rebates, authorized by 68 O.S. Sections 1001(E) through (J), and from Section ~~1001.3~~1001.3a, must be filed following the specific procedures applicable to each statutory incentive and be supported by the documentation required by statute and the applicable Tax Commission rules set out in Subchapter 9, Parts 5 through 19 of this Chapter.

- (1) For claims related to horizontally drilled wells, see Part 5 of Subchapter 9.
- (2) For claims related to incremental production from production enhancement projects, see Part 9 of Subchapter 9.
- (3) For claims related to reestablished production from an inactive well, see Part 11 of Subchapter 9.
- (4) For claims related to deep wells, see Part 13 of Subchapter 9.
- (5) For claims related to new discovery wells, see Part 15 of Subchapter 9.
- (6) For claims related to economically at-risk oil leases, see Part 17 of Subchapter 9.
- (7) For claims related to three-dimensional seismic shoots, see Part 19 of Subchapter 9.

(c) **Frac oil exclusion.** Procedures to be followed in computing, documenting, and claiming the exclusion for frac oil used in qualified well completions may be found in Part 3 of Subchapter 9 of this Chapter.

(d) **Claims for refund.** Claims for refunds of Gross Production Tax must include the information and conform to the procedures described in this subsection.

(1) **Claims filed within twelve months of production.** Claims for refund of gross production tax which are filed within the twelve-month period immediately following the month of production to which the claim pertains, must include:

- (A) A letter stating the reason for the request, amount requested, by Gross Production Tax and Petroleum Excise Tax, the period of time covered, and the Oklahoma Tax Commission's assigned production unit numbers; and,
- (B) Amended reports (Type 3) for each month, county, and product code. The amended report must note the "As Paid" volumes, values, and taxes; followed by entries reflecting "Should Have Paid" volumes, values, and taxes; and page totals must accurately support the amount of the refund request.

(2) **Claims not filed within twelve months of production.** Claims for refund of gross production tax **not** postmarked within the twelve-month period immediately

Permanent Final Adoptions

following the month of production to which the claim pertains, must include:

- (A) A letter stating the reason for the request, amount requested, by Gross Production Tax and Petroleum Excise Tax, the period of time covered, and the Oklahoma Tax Commission's assigned production unit numbers;
 - (B) Original source documents, provided to the operator, which may include, but not be limited to: run, settlement, purchase, sales, or metered volume statements, frac affidavits, frac invoices, check stubs, worksheets, pricing bulletins, and any information necessary to verify an exemption, such as BLM lease numbers. Original and all correcting statements pursuant to the claim for refund must be submitted;
 - (C) Amended reports (Type 3) for each month, county, and product code, reversing the "**As Paid**" volumes, values, and taxes, then entering the "**Should Have Paid**" volumes, values, and taxes. Page totals must reflect the amount of the refund request; and,
 - (D) All supporting documentation required by statute or Commission rules.
- (e) **Claims for credit.** For claims pertaining to production months July 2002 and later, credits may be applied to the current month's tax liability, provided that:
- (1) Amended reports (Type 3) for each month, county and product code are filed. The amended reports must note the "**As Paid**" volumes, values, and taxes; followed by entries reflecting "**Should Have Paid**" volumes, values and taxes; and page totals must accurately support the amount of the credit requested. The amended reports must be submitted along with the current production month's Gross Production Tax Report.
 - (2) The prior month's adjustments do not exceed the current production month's liability;
 - (3) Magnetic media submissions conform to established magnetic media guidelines; and,
 - (4) Supporting documents are retained and available for submission upon request of the Oklahoma Tax Commission.
- (f) **Exceptions and limitations.** Neither the refund procedures described subsection (d), nor the expedited filing procedures for claiming a credit described in subsection (e) may be used for claiming an abatement or frac oil exclusion, nor for any claims for refund submitted by a non-remitting party.

SUBCHAPTER 9. EXEMPTIONS AND EXCLUSIONS

PART 1. GENERAL PROVISIONS

710:45-9-2. Election of exemptions

(a) **Election of exemptions generally.** Persons entitled to exemption based upon production from qualifying oil, gas, or

oil and gas wells shall be entitled only to the exemption granted pursuant to:

- (1) Incremental production from enhanced recovery projects, as authorized by 68 O.S.~~Supp-2000~~, § 1001(D) and Part 7 of this Subchapter; **or**,
 - (2) Horizontally drilled production wells, as authorized by 68 O.S.~~Supp-2000~~, § 1001(E) and Part 5 of this Subchapter; **or**,
 - (3) Reestablished production from inactive wells, as authorized by 68 O.S.~~Supp-2000~~, § 1001(F) and Part 11 of this Subchapter; **or**,
 - (4) Production enhancement projects, as authorized by 68 O.S.~~Supp-2000~~, § 1001(G) and Part 9 of this Subchapter; **or**,
 - (5) Production from deep wells, as authorized by 68 O.S.~~Supp-2000~~, § 1001(H) and Part 13 of this Subchapter; **or**,
 - (6) Production from new discovery wells, as authorized by 68 O.S.~~Supp-2000~~, § 1001(I) and Part 15 of this Subchapter.
 - (7) Production from wells located within the boundaries of three-dimensional seismic shoot, as authorized by 68 O.S. § 1001(J) and Part 19 of this Subchapter.
- (b) **Special provision.** Expiration of an exemption available for production from a qualifying well pursuant to one of Subsections (a)(2) through ~~(a)(6)~~(a)(7) of this Section does not prohibit any person from qualifying for the exemption provided for in Subsection (a)(1).

PART 5. HORIZONTALLY DRILLED PRODUCTION WELLS

710:45-9-24. Time periods for exemption from gross production tax levied on horizontally drilled producing wells

- (a) **General provisions.** The exemption for horizontally drilled wells qualified pursuant to this Part shall be determined from the project beginning date until project payback is achieved, and are limited in duration to the time periods set out in this Section.
- (b) **Twenty-four (24) month exemptions.** For production described in this subsection, duration of the exemption may not exceed a period of twenty-four (24) months commencing with the date of initial production from the horizontally drilled well.
 - (1) **Production prior to July 1, 1994.** Any incremental production which results from a horizontally drilled well producing prior to July 1, 1994.
 - (2) **Production prior to July 1, 2002, which commenced after July 1, 1995.** Any horizontally drilled well producing prior to July 1, 2002, which production commenced after July 1, 1995.
- (c) **Forty-eight (48) month exemption.** For a horizontally drilled well producing prior to July 1, 2015, which production commenced after July 1, 2002, the duration of the exemption may not exceed a period of forty-eight (48) months commencing with the date of initial production from the horizontally drilled well. [See: 68 O.S.~~Supp-2002~~, § 1001(E)(1)]

PART 17. ECONOMICALLY AT-RISK LEASES

710:45-9-80. Scope of Part 17

Exemption from the levy of Gross Production Tax on economically at risk leases set out in 68 O.S. ~~Supp. 1999, Section 1001.3~~ 1001.3a shall be determined according to the provisions of this Part. [See: 68 O.S. ~~Supp. 1999, Section 1001.3(F)~~ 1001.3a]

710:45-9-81. Definitions

The following words and terms, when used in this Chapter, shall have the following meaning, unless the context clearly indicates otherwise:

"Economically at risk oil or gas lease" means prior to calendar year 2015, any lease operated at a net loss or a net profit which is less than the total gross production tax remitted for such lease during the previous tax reporting year. Beginning with calendar year 2015, and each year thereafter, economically at-risk lease means any oil or gas lease with one or more producing wells with an average production volume per well of ten (10) barrels of oil or sixty (60) MCF of natural gas per day or less. The "average production volume" shall be determined based upon the Oklahoma Corporation Commission well classification, wherein only the primary product shall be used to determine the "average production volume." For example, only production from wells classified as oil wells shall be considered to determine average daily production of oil and no production of natural gas from these oil wells shall be used to determine if the lease meets the definition. The lease in its entirety must be operated at a net loss or at a net profit which is less than the total gross production tax remitted for all products for such lease during the qualifying calendar year.

"Lease" means a spaced unit, a separately metered formation within the spaced unit, or each tract within a Corporation Commission approved unitization, or a lease which, for tax reporting purposes, has been assigned a production unit number. A lease may contain one or more wells which have identical interest and payout.

710:45-9-82. Exemption period

The exemption for economically at risk oil and gas leases is limited to calendar years 2005 through 2020, with each year being claimed separately. No claims for rebates regarding the economically at risk leases shall be permitted after December 31, 2015 for production periods occurring between calendar years 2005 through 2013. No claims for rebates regarding the economically at risk leases for production periods occurring between calendar years 2014 through ~~2020~~ 2015 shall be claimed or paid more than eighteen (18) months after the date that the refund is first available. Claims for rebates regarding economically at risk leases for production periods ending on or before December 31, 2015 shall not be claimed until after July 1 of the year following the year of production. Claims for rebates regarding economically at risk leases for production periods occurring in calendar years 2016 through 2020 shall be claimed prior to July 1 of the year following the year of

production. Any claims for refunds received on or after July 1 of each year will not be accepted by the Tax Commission.

710:45-9-83. Certification

(a) **General provisions.** This Section establishes criteria for determining whether an operator of an economically at risk oil lease has met the required conditions to apply for an exemption from gross production tax levied on such and establishes a procedure for the issuance of the refund.

(b) **Application to Oklahoma Tax Commission; determination; approval.** Any operator who desires to make application to have a lease certified as being economically at risk shall complete the appropriate OTC Form in its entirety and file it with the Commission. The application must be ~~notarized and~~ properly signed by the operator.

(c) **Formula used to determine if lease is economically at risk.** The application sets out the formula used to determine if a lease is economically at risk. This entails subtracting from the gross revenue from each lease for the previous calendar year, any severance taxes, royalty payments, and lease operating expenses, including expendable workover and recompletion costs for the previous calendar year, and overhead costs up to the maximum overhead percentage allowed by the Council of Petroleum Accountants Societies (COPAS). For purposes of this calculation, depreciation, depletion, and intangible drilling costs shall **not** be included in lease operating expenses.

(d) **Commission may require additional information.** For audit purposes, the Commission may require additional information, such as copies of the ~~operators~~ operator's Federal Income Tax Return, joint interest billings, or other documentation regarding lease production or expenses.

~~(e) Letter of determination issued by Commission. Within sixty days from the date the application is filed, the Commission shall make its determination and shall issue, either an approval letter or denial letter, to the lease operator. If the exemption is denied, an explanation for the denial will be provided. The applicant may file an appeal under provisions of 68 O.S. §227, 228 and the Rules of this Commission.~~

710:45-9-84. Refund procedure

(a) **Issuance of refund.** Upon certification by the Commission, a refund of the gross production taxes paid in the previous calendar year for the lease shall be issued after July 1 of the subsequent year, to the well operator or a designee.

(b) **Limitation of refund.** For oil and natural gas produced from qualifying economically at risk leases in calendar years 2015 through 2020, the total amount of refunds to be paid, as provided for in 68 O.S. § 1001.3a, shall not exceed Twelve Million Five Hundred Thousand Dollars (\$12,500,000.00) for all products combined. If the amount of claims exceeds Twelve Million Five Hundred Thousand Dollars (\$12,500,000.00), the Tax Commission shall determine the percentage of the refund which establishes the proportionate share of the refund that may be claimed by any taxpayer of a qualifying lease, so that the maximum amount authorized is not exceeded.

(c) **Assignment of a designee.** If the refund is to be issued to a party other than the recognized operator, a notarized affidavit,

Permanent Final Adoptions

signed by the operator must be submitted to the Commission authorizing the designee to receive the refund.

SUBCHAPTER 11. TRANSPORTERS

710:45-11-2. Transporter license and permits

The ~~Taxpayer~~ ~~Assistance~~ Compliance Division of the Oklahoma Tax Commission is authorized to issue and renew non-transferrable licenses and vehicle permits, upon license and permit forms approved by the Commission, to transporters, other than railroad or pipeline transporters, of any product subject to the Oklahoma Gross Production Tax, upon receipt of the following:

- (1) A properly completed Application for Transporters License upon a form approved by the Oklahoma Tax Commission;
- (2) Completed and duly executed Gross Production Tax Bond in the amount of One Thousand Dollars (\$1,000.00), which has been approved by the Commission; and
- (3) Payment of a fee in the amount of One Hundred Fifty Dollars (\$150.00) for each license issued, renewed or reinstated and the first vehicle permit, and Five Dollars (\$5.00) for each additional vehicle permit. [See: 68 O.S. § 1013]

710:45-11-8. Required transporter reports

~~(a)~~ Every person or firm who transports any oil, gas or other liquid hydrocarbon or any deleterious substance as defined by 52 O.S. §139 shall maintain a log on OTC Form 323A of all loads transported and shall keep such log for a period of three years from the date of transportation. Each person or firm required to be licensed hereunder shall complete file with the Tax Commission, each month under oath, OTC Form 323A listing each load of products regulated by 68 O.S. §1013 transported during the preceding month. Such report shall be submitted to the Tax Commission upon request of the Tax Commission. Such report shall be due the first day of the month following the month of business being reported and shall be delinquent if not filed on or before the 10th day of the month following the month it becomes due.

~~(b) Transporters who transport lease purchase oil where the transporter is the tax remitter of record with the Tax Commission shall report the transportation of that oil on OTC Form 300R-7-81.~~

SUBCHAPTER 13. REFINERS AND PROCESSORS

710:45-13-1. Refiner or processor license

(a) The Director of the ~~Registration~~ Compliance Division of the Oklahoma Tax Commission, or a designee, is authorized to issue non-transferrable licenses, upon the license form approved by the Commission, to refiners, or other processors of

any product subject to the Oklahoma Gross Production Tax, upon receipt of the following:

- (1) Completed and duly executed Request for Assignment of Oklahoma Tax Commission Production Unit Number, OTC Form 320, from the applicant; and,
 - (2) Completed and duly executed Application for Refiner's License to Process Petroleum Oil or Casinghead Gas, OTC Form 309, in triplicate, from the applicant; and,
 - (3) Completed and duly executed Gross Production Tax Bond from the applicant, which has been approved by the Commission.
- (b) Any refiner-applicant, who has established that it has tangible assets in this state of sufficient value to protect the State against loss of Gross Production, Petroleum Excise or Conservation Excise Taxes, may obtain a refiner's license without bond. [See: 68 O.S. §1015]

SUBCHAPTER 15. RECLAIMERS AND RECLAIMING OPERATIONS

710:45-15-2. Reclaimer licenses

The ~~Taxpayer~~ ~~Assistance~~ Compliance Division of the Oklahoma Tax Commission is authorized to issue and renew non-transferrable licenses, upon license forms approved by the Commission, to reclaimers of products subject to the Oklahoma Gross Production Tax, upon receipt of the following:

- (1) A properly completed Application for Reclaimers License upon a form approved by the Oklahoma Tax Commission.
- (2) A surety bond or other security approved by the Tax Commission, as guaranty for payment of all taxes, penalties and interest. Security shall be in the amount of Ten Thousand Dollars (\$10,000.00) or three months tax liability, whichever is greater, for each license issued, except when issued for a salt water disposal well. Security for each license issued for a salt water disposal well shall be in the amount of \$2,500 or three months tax liability, whichever is greater. A person or firm having five or more licenses shall be required to post security in the total amount of fifty thousand dollars (\$50,000.00) or three months tax liability, whichever is greater; except that for persons or firms having five or more licenses for salt water disposal facilities, the security requirement shall be a total of ten thousand dollars (\$10,000.00) or three months tax liability, whichever is greater.
- (3) A One Hundred Fifty Dollar (\$150.00) three-year license fee for each new, renewed, or reinstated license. [See: 68 O.S. §1015.1]

710:45-15-6. Reports and payment; due dates for reclaimers

The operators of reclaiming plants, including disposal facilities, shall be required to remit the Gross Production and Petroleum Excise Taxes on all oil coming into their possession except where such taxes have previously been paid or when it can be shown that such oil was not subject to tax for reason

of being exempt by law or having been produced in another state. Taxes shall be due on oil purchased by a reclaimer on the first day of the month following the month of purchase. Taxes shall be due on oil recovered from water at a disposal facility the first day of the month following the month it was sold by the reclaimer who recovered it. The tax shall become delinquent if not received by the Tax Commission on or before the twenty-fifth (25th) day of the second month in which it became due. Reclaimer's Monthly Gross Production Tax Report, ~~and the Reclaimers and Transporters Monthly Reports of Oil Transported and Stored are is~~ due on the same date as the tax and shall be delinquent if not received by the twenty-fifth (25th) day of the second month following the month in which ~~they become it becomes~~ due. ~~Reports~~The report shall be made on OTC Form ~~323 323R 7 81 and OTC Form 323A 7 81~~.

GIST/ANALYSIS:

Section 710:50-1-3 has been revoked to reflect current agency practices and procedures.

Sections 710:50-3-3 and 710:50-3-4 have been amended due to the change in due dates for Oklahoma corporate and partnership income tax returns in House Bill 2775. [68:216]

Section 710:50-3-8 has been amended and new Section 710:50-3-9 has been added. If a taxpayer receives a credit under I.R.C. § 1341(a)(5) on its federal income tax return for the year in which the repayment was made, Oklahoma will recognize a recomputation of federal adjusted gross income for the year(s) the income was initially received under claim of right. [OTC Order No. 94-02-24-010]

Sections 710:50-3-35 and 710:50-15-50 have been amended to implement the provisions of Senate Bill 1606 which requires state and local income taxes or sales taxes included in itemized deductions be added back to calculate Oklahoma taxable income (by subtracting them from itemized deductions) effective for tax year 2016. [68:2358]

Section 710:50-3-45 has been amended to clarify policy regarding electronic signature methods on an electronically-filed Oklahoma income tax return. [68:2368]

Section 710:50-9-3 has been amended to implement the provisions of House Bill 2775 which require the Tax Commission to pay interest on refunds claimed on returns filed electronically if those refunds are not paid within forty-five (45) days. [68:217]

Section 710:50-9-10 has been amended to comply with the current statutory law regarding the expiration of checkoff programs. [68:2368.18]

Section 710:50-13-6 has been amended to clarify policy regarding a taxpayer's request of a refund after the taxpayer has elected to have an overpayment credited to the following year's Oklahoma estimated income tax. [68:2385.9, 2385.17]

Section 710:50-15-71 has been amended to clarify policy on the proration of the credit. [68:2357]

Section 710:50-15-74 has been amended to implement the provisions of Senate Bill 1582 which relates to the Investment/New Jobs Income Tax Credit, by limiting the amount of credit for various periods by implementing a

Permanent Final Adoptions

\$25,000,000 annual cap for tax years beginning on or after January 1, 2016 and ending on or before December 31, 2018. [68:2357.4]

Section 710:50-15-76 has been amended to implement the provisions of Senate Bill 1614 which relates to the Coal Credit, by limiting this credit to seventy-five percent 75% of the amount allowed under current law, effective January 1, 2016. [68:2357.11]

Section 710:50-15-90 has been amended to implement the provisions of Senate Bill 1604 which relates to the Oklahoma Earned Income Credit, by eliminating the refundable aspect of this credit beginning with tax year 2016. [68:2357.43]

Section 710:50-15-103 has been amended to implement the provisions of House Bill 3204, which relates to the Credit for Railroad Modernization, by reducing this credit by twenty-five percent (25%) for tax years beginning on or after January 1, 2016. [68:2357.104]

Section 710:50-15-104 has been amended to implement the provisions of Senate Bill 1603, which relates to Credit for the Construction of Energy Efficient Homes, by eliminating this credit for any period on or after July 1, 2016. [68:2357.46]

Sections 710:50-3-54, 710:50-9-4, 710:50-9-8, 710:50-15-30, 710:50-15-62 and 710:50-15-83 have been amended to clarify policy, improve readability, correct scrivener's errors, remove obsolete language, update statutory citation, and ensure accurate internal cross-references.

CONTACT PERSON:

Lisa R. Haws, Tax Policy Analyst, Tax Policy and Research Division, Oklahoma Tax Commission, 2501 North Lincoln Boulevard, Oklahoma City, Ok 73194, 405-521-3133.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 1. GENERAL PROVISIONS

710:50-1-3. Taxpayer assistance [REVOKED]

~~The Tax Commission will assist taxpayers in completing their Oklahoma returns at the Tax Commission office. Taxpayers must provide a properly completed Federal return when requesting this assistance. The Tax Commission will answer specific questions on the phone, but will not assist in the completion of a tax return over the telephone due to limited phones and resources.~~

SUBCHAPTER 3. RETURNS AND REPORTS

PART 1. GENERAL INFORMATION

710:50-3-3. Due dates; timely filing of returns

(a) Income Tax Returns of individuals are due on the 15th day of the fourth month following the close of the taxable year unless the returns are filed electronically. If the individual income tax returns are filed electronically, the returns are due on the 20th day of the fourth month following the close of the taxable year. This change to the due date will be effective for tax year 2007 returns and subsequent tax years.

(b) If the Internal Revenue Code provides for a later due date for returns of individual filers, the Oklahoma income tax returns may be filed by the later due date and will be considered

timely filed. This change to the due date will be effective for tax year 2007 returns and subsequent tax years.

~~(c) Income Tax Returns of corporations are due on the 15th day of the third month following the close of the taxable year.~~

~~(d) To be considered timely filed, Income Tax Returns are to be filed with and received by the Oklahoma Tax Commission at 2501 Lincoln Blvd., Oklahoma City, Ok. 73194-0009 on or before the statutory filing date. However, dates placed on returns by the Oklahoma Tax Commission corresponding to postmarks that indicate timely mailing will be accepted as timely filed. In the case of electronically filed returns, any payment of taxes due on the 20th day of the fourth month following the close of the taxable year must also be remitted electronically in order to be considered timely paid. If balances due on electronically filed returns are not remitted to the Oklahoma Tax Commission electronically, penalty and interest will accrue from the 15th day of the fourth month following the close of the taxable year~~

710:50-3-4. Extension of time for filing returns

~~(a) A valid extension of time in which to file a Federal Income Tax Return automatically extends the due date of the Oklahoma Income Tax Return, unless an Oklahoma liability is owed. A copy of the Federal extension must be attached to the Oklahoma Return. If the due date for filing the Federal Return is not extended or if an Oklahoma liability is owed, an extension of time to file the Oklahoma Return may be granted only by OTC Form 504. Ninety percent (90%) of the tax liability must be paid by the original due date for the return to avoid penalty charges for late payment. Interest will be charged from the original due date of the return.~~

~~(b) A corporate extension may exceed, upon written request, the approved Federal extension by one month.~~

710:50-3-8. Adjustments by the Internal Revenue Service

(a) If any taxpayer's Federal Income Tax Return is adjusted, an Amended Oklahoma Income Tax Return must be filed within one year. All supporting documentation must be enclosed with an Oklahoma Amended Income Tax Return for the tax year involved. Upon request, the taxpayer must furnish a complete copy of the Federal Income Tax Return, including all schedules, to enable the Tax Commission to determine the correct Oklahoma tax. A recomputation of taxable income under I.R.C. § 1341(a)(5)(B) shall constitute an adjustment to taxable income for the year the income was initially received.

(b) The Commission has two (2) years from the date the return or notice was filed to make an assessment or refund and not thereafter, unless a waiver is agreed to and signed by the Commission and the taxpayer.

(c) In the event of failure by a taxpayer to comply with the requirement set out in (a) of this Section, the statute of limitations is tolled until the Amended Oklahoma Income Tax Return is actually furnished.

(d) When the Internal Revenue Service changes the Federal Income Tax Return by issuing its final determination, the Tax Commission shall have the authority to audit each and every item of income, deduction, credit or any other matter related to

the return, where such items or matters relate to allocation or apportionment between the State of Oklahoma and some other state or the federal government, even if such items or matters were not affected by revisions made in such final determination. Where such items or matters do not relate to allocation or apportionment between the State of Oklahoma and some other state or the federal government, the Tax Commission shall be bound by the revisions made in such final determination. [See: 68 O.S. § 2375]

710:50-3-9. Amended Oklahoma return under federal claim of right adjustment

- (a) Section 1341 of the Internal Revenue Code allows taxpayers who make repayments of income which were received under claim of right in a prior year to take a federal deduction or claim a federal tax credit for the taxable year in which the repayment was made. The Oklahoma Income Tax Code contains no parallel claim of right provision which would allow a credit or deduction in the year of repayment. [See OTC Order No. 89-11-14-10 (Precedential) and OTC Order No. 91-02-22-013 (Precedential).]
- (b) If a taxpayer receives a credit under I.R.C. § 1341(a)(5) on its federal income tax return for the year in which the repayment was made, Oklahoma will recognize a recomputation of federal adjusted gross income for the year(s) the income was initially received under claim of right. This recomputation allows the taxpayer to amend its Oklahoma return(s) for the year(s) the income was initially received to exclude from federal adjusted gross income the amount of income repaid. Taxpayer must attach to its amended return(s) a claim of right worksheet showing the recomputation of adjusted gross income for the year(s) in which the income was initially received. [See OTC Order No. 94-02-24-010.]
- (c) When a taxpayer's federal taxable income is recomputed for a prior year as described in (b) of this Section, an amended Oklahoma income tax return for the year(s) in which the income was initially received must be filed within one (1) year from the date the federal return claiming the Section 1341 credit was filed.

PART 5. FILING STATUS; ELECTIONS; ACCOUNTING PERIODS AND METHODS

710:50-3-35. Filing status and elections

For the purpose of determining any income tax liability, a taxpayer's filing status, and any elections, such as itemized deductions (subject to the limitations in *OAC 710:50-15-50*), shall be the same as on the Federal Income Tax Return. In cases where no return has been filed, any information made available by the I.R.S., whether a Revenue Agents Report (R.A.R.), or other related return information, shall constitute the filing status and elections for the purpose of the determination, assessment, and collection of any Oklahoma Income Tax liability.

710:50-3-45. Verification of signatures on electronically-filed returns

- (a) **General provisions.** Section 2368(H) of the Oklahoma Statutes requires that any return must be verified by a written declaration that it is made under penalties of perjury and further, authorizes the Tax Commission to promulgate rules to provide procedures for verification of signatures on returns which are filed electronically.
- (b) **Authentication.** ~~For purposes of authenticating a signature for electronic filing, entry of the Taxpayer's Personal Identification Number (PIN) or use of an electronic signature pad (as authorized by the Internal Revenue Service) in the electronic filing process operated by the Internal Revenue Service shall serve as an "electronic signature" to sufficiently identify and link the taxpayer to a particular return, pursuant to the Oklahoma Income Tax Code. Entry of the taxpayer's PIN or use of an electronic signature pad as signature will only be allowed on a joint federal/state return or a linked electronically-filed return. Use of a PIN and will not be allowed on a state-only or unlinked return.~~ For Oklahoma income tax purposes, the Tax Commission will permit a taxpayer to sign any electronically-filed return pursuant to the Oklahoma Income Tax Code using any electronic signature method authorized by the Internal Revenue Service (IRS). Use of an electronic signature pad as signature will only be allowed on a joint federal/state return or a linked electronically-filed return. Use of a PIN and will not be allowed on a state-only or unlinked return.
- (c) **Verification.** For purposes of verifying the information provided by a taxpayer filing electronically, as required by Section 2368(H) of the Oklahoma Income Tax Code, completion of the electronic filing process operated by the Internal Revenue Service, including entry of the Taxpayer's PIN or use of an electronic signature pad shall serve as verification of the information provided by the taxpayer during the transmission.

PART 7. OTHER REQUIRED REPORTING

710:50-3-54. Income tax withholding for pass-through entities

- (a) **General provisions.** Generally, any pass-through entity that makes a distribution to a non-resident member is required to deduct and withhold Oklahoma income tax from distributions of taxable income being made with respect to Oklahoma source income.
- (b) **Definitions.** The following words and terms, when used in this Section, shall have the following meaning, unless the context clearly indicates otherwise:
 - (1) **"Member"** means:
 - (A) A shareholder of an S-Corporation;
 - (B) A partner in a general partnership;
 - (C) A partner in a limited partnership;
 - (D) A partner in a limited liability partnership;
 - (E) A member of a limited liability company; or,
 - (F) A beneficiary of a trust.
 - (2) **"Non-resident"** means an individual who is not a resident of, or domiciled in, this state; a business entity which does not have a commercial domicile in this state; or a trust which is not organized in this state.
 - (3) **"Pass-through entity"** means:

Permanent Final Adoptions

- (A) A corporation that is treated as an S-Corporation under the Internal Revenue Code;
 - (B) A general partnership;
 - (C) A limited partnership;
 - (D) A limited liability partnership;
 - (E) A trust; or,
 - (F) A limited liability company that is not taxed as a corporation for federal income tax purposes. [68 O.S. § 2385.29]
- (4) **"Pass-through entity"** does not include an entity which is disregarded for income tax purposes under the Internal Revenue Code.
- (c) **S-Corporations; general, limited, or limited liability partnerships; limited liability companies.** In the case of S-Corporations; general, limited, or limited liability partnerships; and limited liability companies, withholding of five percent (5%) is required on the Oklahoma portion of the taxable income distributed to each non-resident member. In the case of S-Corporations paying the tax on behalf of non-resident shareholders (68 O.S. § 2365) or partnerships filing composite returns on behalf of non-resident partners, the non-resident members withholding can be claimed on the return filed by the S-Corporation or the partnership.
- (d) **Trusts.** For trusts, withholding of five percent (5%) is required on the Oklahoma portion of the taxable income distributed to each beneficiary of the trust.
- (e) **Non-resident members not subject to withholding.** The following persons and organizations are not subject to required withholding by a pass-through entity:
- (1) Persons, other than individuals, who are exempt from federal income tax;
 - (2) Organizations granted an exemption under Section 501(c)(3) of the Internal Revenue Code;
 - (3) Insurance companies subject to the Oklahoma Gross ~~Premiums~~Premium Income Tax and therefore exempt from Oklahoma income tax pursuant to 68 O.S. §~~2359(e)~~2359(C); and
 - (4) Non-resident members who have submitted an affidavit (OTC Form OW-15) to the pass-through entity and which pass-through entity has submitted the affidavit information on behalf of the member to the Tax Commission. In the affidavit, the non-resident member agrees to be subject to the personal jurisdiction of the Tax Commission in the courts of this state for the purpose of determining and collecting any Oklahoma taxes, including estimated tax payments, together with any related interest and penalties. See (k) of this Section for the procedure to be followed in filing the affidavit.
 - (A) For non-resident partners included in a composite partnership return under *OAC* 710:50-19-1 and filing OTC Form OW-15, the inclusion of the partners' income within the composite partnership return will satisfy the requirements contained in the affidavit.
 - (B) For non-resident shareholders filing OTC Form OW-15, and electing not to file Oklahoma income tax returns under 68 O.S. § 2365, inclusion of

the non-resident shareholder's income in the Subchapter S corporate income tax return will satisfy the requirements contained in the affidavit.

(C) For non-resident beneficiaries included in a trust return and filing OTC Form OW-15, the inclusion of the beneficiary's income within the trust return will satisfy the requirements contained in the affidavit.

- (f) **When pass-through entities are not required to withhold.** Withholding is not required in the following instances:
- (1) When an entity is not required to file a federal income tax return, or properly elects out of such duty;
 - (2) When a pass-through entity is making distributions of income not subject to Oklahoma income tax;
 - (3) When a pass-through entity has withheld tax on royalty interest income pursuant to 68 O.S. § 2385.25 et seq.;
 - (4) ~~When a pass-through entity is making distributions subject to the withholding requirements for non-resident attorneys set out in 5 O.S. Supp. 2004, § 1.6 and Commission rule 710:95-13-1, and the pass-through entity is withholding accordingly;~~
 - (5) When a pass-through entity is making distributions to another pass-through entity. Provided however, the exception set out in this paragraph does not relieve the lower-tiered pass-through entity from the duty to withhold on distributions it makes which are not otherwise exempt;
 - (6) When a pass-through entity is a publicly traded partnership, as defined by Section 7704(b) of the Internal Revenue Code, and is treated as a partnership for purposes of the Internal Revenue Code. Provided the publicly traded partnership has agreed to file an annual information return reporting the name, address, taxpayer identification number, and other information requested by the Tax Commission of each unit-holder with an income in the state in excess of Five Hundred Dollars (\$500.00); or,
 - (7) When a distribution made by a pass-through entity has been determined to be not subject to the provisions of this Section by the Commission.
- (g) **Due dates for payment of pass-through entity withholding.** Pass-through entities that withhold income tax on distributions of taxable income to non-resident members are required to remit the amount of tax withheld from each non-resident member on or before the due date of the pass-through entity's income tax return, including extensions. Any pass-through entity that can reasonably expect the total amount of income tax withheld from all non-resident members to exceed Five Hundred Dollars (\$500.00) for the taxable year **must** make quarterly estimated tax payments. OTC Form OW-9-EW is to be used to remit the quarterly estimated tax payments. The required estimated tax payments are due on or before the last day of the month after the end of the calendar quarter and must be made in equal quarterly installments. The total of the required quarterly estimated tax payments is the lesser of seventy percent (70%) of the withholding tax that must be withheld for the current taxable year, or one hundred percent (100%) of the withholding tax withheld for the previous taxable year. Any pass-through entity that can reasonably expect the total amount of tax withheld from all non-resident

members to be less than Five Hundred Dollars (\$500.00) for the taxable year may, *at their option*, make quarterly estimated tax payments.

(h) **Required reports.** The pass-through entity is required to provide non-resident members and the Oklahoma Tax Commission an annual written statement showing the name of the pass-through entity, to whom the distribution was paid, the amount of taxable income distributed, and the amount of Oklahoma income tax withheld. Further, the statement must also furnish the non-resident member's name, address, and social security number or Federal Employer Identification Number. To accomplish this:

(1) Each pass-through entity must provide non-resident members with Oklahoma Tax Commission Form 500-B, (OTC Form 500-B), on or before the due date of the pass-through entity's income tax return, including extensions. Copies of OTC Form 500-B, along with OTC Form 501, must be sent to the Oklahoma Tax Commission by the same date.

(2) Each pass-through entity must file with the Oklahoma Tax Commission the appropriate income tax withholding return (OTC Form WTP10003) on or before the due date of the pass-through entity's income tax return, including extensions.

(3) Each non-resident member must enclose a copy of OTC Form 500-B to the Oklahoma income tax return as verification for this withholding.

(i) **Non-resident members entitled to credit, or refund, from Oklahoma income taxes paid.** Any non-resident member from whom an amount is withheld pursuant to the provisions of this Section, and who files an Oklahoma income tax return is entitled to a credit for the amount withheld. If the amount withheld is greater than the tax due, the non-resident member will be entitled to a refund of the amount of the overpayment.

(j) **Pass-through entities must register.** Pass-through entities that make distributions subject to Oklahoma withholding must register with the Oklahoma Tax Commission.

(k) **Affidavit filing procedures.** Non-resident members who elect to file an affidavit (OTC Form OW-15) agreeing to be subject to the personal jurisdiction of the Tax Commission in the courts of this state for the purpose of determining and collecting any Oklahoma taxes, including estimated tax payments, and any related interest and penalties, must remit the affidavit to the appropriate pass-through entity. The pass-through entity is to retain the affidavit and file the following information with the Oklahoma Tax Commission by the due date of the required annual tax return of the pass-through entity.

(1) **Content.** The name, address, and social security number or federal identification number of the non-resident member having a signed OTC Form OW-15. All pass-through entities are required to file the non-resident member affidavit information on a diskette or CD with the Oklahoma Tax Commission - Audit Division.

(2) **Format.** The format for filing the diskette or CD will be in either a spreadsheet format (i.e. Lotus 1-2-3 or Excel) or a database format (i.e. dbf or Access).

(3) **Waiver.** Pass-through entities may obtain a waiver from the diskette or CD filing requirement if the pass-through entity can demonstrate that a hardship would result if it were required to file on a diskette or CD. Direct waiver requests to the Oklahoma Tax Commission - Audit Division.

SUBCHAPTER 9. REFUNDS

710:50-9-3. Interest on refunds

(a) **Returns filed prior to January 1, 2004.** For returns filed on or after January 1, 1987, and before January 1, 2004, interest will be paid on income tax refunds that are not processed within ninety (90) days from the date a processible return is filed or due, whichever is later, at the same rate of interest specified for delinquent tax payments.

(b) **Returns filed on or after January 1, 2004 and before January 2, 2010.** In the case of returns filed on or after January 1, 2004 and before January 2, 2010, a taxpayer will be entitled to interest paid at the same rate specified for delinquent tax payments if the refund is not paid to the taxpayer within the following time periods:

(1) For electronically-filed returns, thirty (30) days from the date a processible return is filed or due, whichever is later; and,

(2) For all other returns, one hundred fifty (150) days from the date a processible return is filed or due, whichever is later.

(c) **Returns filed after January 1, 2010 and before July 1, 2016.** For returns filed after January 1, 2010 and before July 1, 2016, a taxpayer will be entitled to interest paid at the same rate specified for delinquent tax payments if the refund is not paid to the taxpayer within the following time periods:

(1) For electronically-filed returns, twenty (20) days from the date a processible return is filed, and

(2) For all other returns, ninety (90) days from the date a processible return is filed.

(d) **Returns filed on or after July 1, 2016.** For returns filed on or after July 1, 2016, a taxpayer will be entitled to interest paid at the same rate specified for delinquent tax payments if the refund is not paid to the taxpayer within the following time periods:

(1) For electronically-filed returns, forty-five (45) days from the date a processible return is filed, and

(2) For all other returns, ninety (90) days from the date a processible return is filed.

(e) **Processible return.** To be "**processable**", all information on the return, including the computations, must be correct and all documents required by the Tax Commission must be included. In the case of an Amended Oklahoma Income Tax Return with a federal adjusted gross income change, the return must be accompanied by documentation to substantiate that the I.R.S. accepted the requested change. [See: 68 O.S. § 217(H)]

(ef) **Exceptions.** Alternative statutory provisions apply in the following instances:

Permanent Final Adoptions

- (1) Interest will not be paid on refunds that are intercepted for state or federal agencies. See provisions of Subchapter 11 of this Chapter. [See: 68 O.S. § 217(H)]
- (2) In the event of litigation, interest will be paid in accordance with 68 O.S. §2374.
- (3) In the case of refunds made to recover taxes illegally collected on bonus payments from oil and gas leases located on tax exempt Indian lands interest at 6 percent (6%) per annum will be calculated from the date of payment by the taxpayer, until the date the refund is issued. [See: 68 O.S. § 2373]

710:50-9-4. Refunds returned by postal service [REVOKED]

~~The Taxpayer Assistance Division will receive refund vouchers returned by the Postal Service. Upon receipt of a written request signed by the taxpayer(s) the voucher will be remailed.~~

710:50-9-8. Reissued vouchers for deceased taxpayer refunds or lost, stolen or forged vouchers

- (a) Income tax refunds which are issued in the name of a deceased taxpayer who is not represented by an executor or executrix may be returned to the ~~Refund Section of the Taxpayer Assistance Division~~ Oklahoma Tax Commission for reissuance in the name of the claimant, upon a determination that the claimant is the proper recipient. OTC Form 507, along with a separate letter setting out the facts and signed by the claimant, must accompany any such claim.
- (b) Claims for refunds that have been lost in the clearing process may be submitted to the State Treasurer's Office for reissue. Upon notification by the State Treasurer, the ~~Refund Section of the Taxpayer Assistance Division~~ Tax Commission will reissue the voucher in the name of the taxpayer and forward to the holder in due course.
- (c) Refund vouchers which have become lost, stolen or forged will be reissued by the ~~Refund Section of the Taxpayer Assistance Division~~ Tax Commission after the taxpayer has properly executed an affidavit setting out the facts, and upon approval by the State Treasurer's office.

710:50-9-10. ~~Check-off~~ Checkoff program

- (a) ~~Check-off~~ Checkoff program. The Oklahoma Income Tax ~~Check-Off~~ Checkoff Program provides a taxpayer with the opportunity to make a financial gift to a variety of Oklahoma organizations from a tax refund due.
- (b) ~~Termination~~ Expiration of a ~~check-off~~ checkoff category. ~~If, on September 1, of any year, the total contributions to any one of the categories established by the Income Tax Check Off Program do not equal or exceed Fifteen Thousand Dollars (\$15,000.00) for each of the last three consecutive calendar years, the category will be removed from Oklahoma Income Tax Returns for the following and all subsequent years. Any contribution to the removed category after September 1 shall be refunded to the taxpayer. [See: 68 O.S. § 2368.2] All income tax checkoffs provided for in state statute shall expire~~

four (4) years after enactment, unless reauthorized by the Legislature. [See: 68 O.S. § 2368.18]

SUBCHAPTER 13. ESTIMATED TAX

710:50-13-6. Payment of estimated tax

- (a) OTC Form OW-8-ES (individual) and OTC Form OW-8-ESC (corporations, fiduciaries and partnerships) should be used to report and pay estimated Oklahoma Income Tax. Print or type taxpayer's name, Social Security Number or Federal I.D. Number, address and the amount of the payment on each voucher
- (b) ~~The first installment of Oklahoma Estimated Income Tax is to be paid on or before the following dates: April 15 of the current taxable year, June 15 of the current taxable year, September 15 of the current taxable year, and January 15 of the following taxable year. Fiscal year filers will pay Oklahoma Estimated Income Tax on or before the following dates: the 15th day of the fourth month of the fiscal year, the 15th day of the sixth month of the fiscal year, the 15th day of the ninth month of the fiscal year, and the 15th day of the first month in the succeeding fiscal year. Other payments must be made by the dates shown on the vouchers or corresponding dates for fiscal year filers. The estimated tax is to be applied to the succeeding applicable tax year's Oklahoma Income Tax liability, and may be claimed on the succeeding applicable tax year's Oklahoma Income Tax Return.~~
- (c) Refunds will be applied, at the taxpayer's request, to Oklahoma Estimated Income Tax for the following year, on the original ~~Return~~ return only, ~~and may not be adjusted, except as provided in this Section.~~
- (d) ~~Refunds applied to the following year's Oklahoma Estimated Income Tax (at the taxpayer's request) may not be adjusted except in the following case: When a taxpayer claims on the Oklahoma Income Tax Return, a total estimated tax in excess of the amount actually paid and requests the resultant refund be applied to the next year's estimated tax, this produces an erroneous estimated tax figure for the following tax year. In this instance, the amount of credit to be applied to the following year and/or the figure reported for total Oklahoma Estimated Tax for the current year, may be adjusted to the correct amounts. If a taxpayer elects to have an overpayment credited to the following year's Oklahoma Estimated Income Tax in error, the taxpayer may request, in writing, any or all of the estimated tax payment be refunded to the taxpayer. The request must be filed no later than October 15 of the year in which the refund was to be applied. For example, if a 2015 refund was applied to 2016 estimated tax, the written request for a refund of the estimated tax payment must be received by October 15, 2016.~~
- (e) Provided, however, that when a refund is applied, at the Taxpayer's request, to the following year's Oklahoma Estimated Income Tax and either the Tax Commission or the Internal Revenue Service subsequently determines that additional tax is due for the original tax year, no delinquent interest shall be due on the difference between the original tax paid and the subsequently-determined amount of tax, so long as the refund applied exceeds the additional tax due and the taxpayer

makes payment of the additional tax within sixty (60) days of the notice of assessment. In the event that the additional tax due exceeds the refund applied, delinquent interest shall be assessed on the amount of additional tax due from the date the original tax was due, until the total additional tax is paid.

(f) All estimated tax payments should be paid under the Social Security Number listed first on the Oklahoma Income Tax Return.

SUBCHAPTER 15. OKLAHOMA TAXABLE INCOME

PART 3. EXEMPTIONS

710:50-15-30. Additional exemption for 65 or older

(a) There shall be allowed an additional exemption on the Oklahoma Income Tax Return of One Thousand Dollars (\$1,000.00) for each taxpayer or spouse who is sixty-five (65) years of age or older at the close of the tax year, based upon the filing status and federal adjusted gross income of the taxpayer. Taxpayers with the following status may claim this exemption if the federal adjusted gross income does not exceed:

- (1) Twenty-five Thousand Dollars (\$25,000.00) if married and filing jointly;
- (2) Twelve Thousand Five Hundred Dollars (\$12,500.00) if married and filing separately;
- (3) Fifteen Thousand Dollars (\$15,000.00) if single; and
- (4) Nineteen Thousand Dollars (\$19,000.00) if a qualifying head of household. [See: 68 O.S. §2358 ~~(E)(1)(e)~~2358(E)]

(b) For taxable years beginning after December 31, 1999, amounts included in the calculation of federal adjusted gross income pursuant to the conversion of a traditional Individual Retirement Account to a Roth Individual Retirement Account shall be excluded from federal adjusted gross income for purposes of the income thresholds set out in paragraphs (a)(1) through (a)(4) of this Section.

PART 5. OTHER ADJUSTMENTS TO INCOME

710:50-15-50. Deductions

(a) Oklahoma itemized deductions to income will be the same as Federal itemized deductions, subject to the limitation in (i) of this Section. In the event the standard deduction is used on the Federal Return, the Oklahoma standard deduction must be used.

(b) For tax year 2005 and prior, the standard deduction for Oklahoma is the larger of \$1,000.00 or 15% of Oklahoma Adjusted Gross Income not to exceed \$2,000.00 (if married filing separately, the larger of \$500.00 or 15% not to exceed \$1,000.00).

(c) For tax year 2006, taxpayers filing as married joint, head of household or surviving spouse will have a standard deduction for Oklahoma of \$3,000.00. Taxpayers filing as single or

married separate will have a standard deduction for Oklahoma of \$2,000.00.

(d) For tax year 2007, taxpayers filing as married joint or surviving spouse will have a standard deduction for Oklahoma of \$5,500.00. Taxpayers filing as single or married separate will have a standard deduction for Oklahoma of \$2,750.00. Taxpayers filing as head of household will have a standard deduction for Oklahoma of \$4,125.00.

(e) For tax year 2008, taxpayers filing as married joint, or surviving spouse will have a standard deduction for Oklahoma of \$6,500.00. Taxpayers filing as single or married separate will have a standard deduction for Oklahoma of \$3,250.00. Taxpayers filing as head of household will have a standard deduction for Oklahoma of \$4,875.00.

(f) For tax year 2009, taxpayers filing as married joint, or surviving spouse will have a standard deduction for Oklahoma of \$8,500.00. Taxpayers filing as single or married separate will have a standard deduction for Oklahoma of \$4,250.00. Taxpayers filing as head of household will have a standard deduction for Oklahoma of \$6,375.00.

(g) For tax year 2010 and subsequent tax years, taxpayers will have a standard deduction for Oklahoma equal to the standard deduction allowed by the Internal Revenue Code of 1986 based upon the amount and filing status prescribed by the Code for purposes of filing federal individual income tax returns.

(h) Taxpayers will be required to add back the "qualified motor vehicle taxes" which were allowed as an itemized deduction on the Federal return under the provisions of the American Recovery and Reinvestment Act of 2009.

(i) For tax year 2016 and subsequent tax years, taxpayers shall add back state and local sales or income taxes which were allowed as an itemized deduction on the Federal income tax return.

710:50-15-62. Agricultural commodity processing facility income/investment exclusion

(a) **General provisions.** Owners of agricultural commodity processing facilities may exclude from Oklahoma Taxable Income, or in the case of individuals, from Oklahoma Adjusted Gross Income, a portion of their investment costs in any new or expanded agricultural commodity processing facility located in this state.

(1) **For investments made on or after January 1, 1997, but before December 31, 1998.** Owners of agricultural commodity processing facilities may exclude fifteen percent (15%), of their investment cost in a new or expanded agricultural commodity processing facility located in Oklahoma.

(2) **For investments made on or after January 1, 1999.** If the exclusion for investment in agricultural processing facilities results in the reduction in total Oklahoma Income Tax in excess of one million dollars (\$1,000,000.00) in any previous calendar year, the percentage of investment subject to exclusion will be adjusted. The adjusted percentage allowable will be determined by dividing \$1,000,000.00 by six percent, then further dividing the result by the total previous year's investment subject to exclusion.

Permanent Final Adoptions

(b) **Definitions.** For purposes of this Section, the following words and terms, shall have the following meaning, unless the context clearly indicates otherwise:

(1) **"Agricultural commodities"** means a farm or ranch product, including but not limited to, wheat, corn, soybeans, cotton, timber, cattle, hogs, sheep, horses, poultry, animals of the families bovidae, cervidae, and antilocapridae, or birds of the ratite group, produced in farming or ranching operations, or a product of such crop or livestock in its unmanufactured state, such as ginned cotton, wool-dip, maple syrup, milk, and eggs, or any other commodity listed under any Industry Group Number under Major Group 20, Division D, of the Standard Industrial Classification Manual.

(2) **"Agricultural commodity processing facility"** means building, structures, fixtures and improvements used or operated primarily for the processing or production of marketable products from agricultural commodities. Effective November 1, 2000, the term shall also mean a dairy operation that requires a depreciable investment of at least Two Hundred Fifty Thousand Dollars (\$250,000.00) and which produces milk from dairy cows. The term does not include a facility that provides only, and nothing more than, storage, cleaning, drying or transportation of agricultural commodities. [See: 68 O.S. ~~Supp-2000~~, § 2358(A)(6)(a)]

(3) **"Facility"** means each part of the facility which is used in a process primarily for:

(A) The processing of agricultural commodities, including receiving or storing agricultural commodities, or, effective November 1, 2000, the production of milk at a dairy operation, [See: 68 O.S. ~~Supp-2000~~, § 2358(A)(6)(b)]

(B) Transporting the agricultural commodities or product before, during or after the processing, or

(C) Packaging or otherwise preparing the product for sale or shipment.

(c) **Qualification.** In order to qualify for the exclusion, the agricultural commodity processing facility must be operated primarily for the processing or production of agricultural commodities to marketable products.

(d) **Limitations.** This exclusion from income is to be taken in the taxable year when the investment is made. For purposes of this exclusion, the investment is deemed to be made when the property is placed in service. Under no circumstances shall this exclusion from income lower claimant's Oklahoma Taxable Income below zero. In the event the exclusion does exceed income, any unused portion may be carried forward for a period not to exceed six (6) years from the initial year of qualification. If the exclusion from income amount is determined based on the percentage allowable but not used, the amount shall not change based on subsequent change in percentage allowable to be excluded. In no event will the exclusion percentage exceed fifteen percent (15%).

(e) **Information return required.** Owners who intend to claim the exclusion for investment costs described in this Section must file, on a form prescribed by the Commission, an information return, reporting the amount of qualified property

placed in service during the preceding calendar year. The information return must be submitted by January 31.

PART 7. CREDITS AGAINST TAX

710:50-15-71. Credit for child care/child tax credit

(a) For tax years beginning before January 1, 2008, resident individuals, part-year resident individuals or nonresident individual members of the Armed Forces may claim a credit against the tax imposed by 68 O.S. § 2355 equal to twenty percent (20%) of the credit for child care expenses allowed under the Internal Revenue Code of the United States.

(b) For tax years beginning after December 31, 2007, resident individuals, part-year resident individuals or nonresident individual members of the Armed Forces may claim a credit against the tax imposed by 68 O.S. § 2355 equal to the greater of twenty percent (20%) of the credit for child care expenses allowed under the Internal Revenue Code of the United States or five percent (5%) of the child tax credit allowed under the Internal Revenue Code, whichever amount is greater. If federal adjusted gross income is greater than One Hundred Thousand Dollars (\$100,000.00), no credit is allowed.

(c) Taxpayers must attach a completed copy of the Federal child care schedule to the Oklahoma Income Tax Return to receive a child care credit.

(d) The credit is to be prorated on the ratio that Oklahoma Adjusted Gross Income bears to Federal Adjusted Gross Income, not to exceed one hundred percent (100%). If the Federal Adjusted Gross Income is zero or less, the ratio will be 100%.

710:50-15-74. Credit for investment/new jobs

(a) **For tax years 1981 through 1987.** For tax years 1981 through 1987 the Oklahoma Investment/New Jobs Credit is allowed for Oklahoma Income Tax purposes only on investment in qualified depreciable property which directly results in a net increase in the number of employees engaged in manufacturing or processing in this state.

(b) **For 1988, and later years.** For 1988, and later years, the Oklahoma Investment/New Jobs Credit may be calculated on the investment or new employees when other qualifications are met. (See OTC Form 506).

(c) **Examples.** A company engaged in the process of cooking hamburgers for sale to the general public does not qualify for the Investment/New Jobs Credit. The Oklahoma Supreme Court determined, in the case **McDonald's Corp. vs. Oklahoma Tax Commission**, 563 P.2d 635 (Okla. 1977), that a company engaged in retail sales or a service organization (laundry, transportation, oil & gas production, drilling, restaurant, repair services, etc.) does not qualify for Oklahoma Investment/New Jobs Credit. [See: 68 O.S. §§ 2357.4, 2357.5]

(d) **"Processing" defined.** For purposes of this Section, "processing" means the preparation of tangible personal property for market. "Processing" begins when the form, context, or condition of the tangible personal property is changed with the intent of eventually transforming the property into a saleable product. "Processing" ends when the property being

processed is in the form in which it is ultimately intended to be sold at retail. A business that has the majority of its emphasis on the retail side of business does not qualify as a processor or a manufacturer for purposes of this credit.

(e) **Leasing of employees by manufacturing or processing entity for purposes of the new jobs credit.** A company that engages in manufacturing or processing may still qualify for the Oklahoma New Jobs Credit pursuant to 68 O.S. § 2357.4 even though they lease their employees through an employee leasing company. The leased employees must still meet the requirements of 68 O.S. § 2357.4 for full-time equivalent employees and there must exist an employer-employee relationship between the leased employees and the employer who seeks the new jobs credit pursuant to 68 O.S. § 2357.4. Whether the employer-employee relationship exists between the employer manufacturing or processing entity and an employee who is leased will be determined on a case by case basis by considering the following factors:

- (1) The right of the employer to control the details of the employees work;
- (2) The employer furnishing the tools and the workplace;
- (3) The employee having taxes, worker's compensation and unemployment insurance funds withheld and the employer being liable for these items;
- (4) The employer's right to discharge the employee; and
- (5) The permanency of the employer-employee relationship.

(f) **Transfer of employees.** The transfer of employees to or from a leasing company cannot generate any additional credit, nor will any transfer of employees extend the period of time in which a current credit may be claimed.

(g) **Carryover.** Any credits allowed based on assets placed into service prior to January 1, 2000, or an increase in employment but not used may be carried over, in order, to each of the four (4) years following the year of qualification, and to the extent not used in those years, in order, to each of the fifteen (15) years following the initial five-year period. Credits allowed for assets placed into service after December 31, 1999, but not used may be carried over, in order, to each of the four (4) years following the year of qualification, and to the extent not used in those years, to any year following the initial five-year period.

(h) **Limitations.**

- (1) No qualified establishment, nor its contractors or subcontractors, that has received or is receiving an incentive payment pursuant to Section 3601 et seq. of the Oklahoma Statutes, (Oklahoma Quality Jobs Program Act), Section 3901 et seq. of the Oklahoma Statutes, (Small Employer Quality Jobs Incentive Act) or Section 3911 et seq. of the Oklahoma Statutes (21st Century Quality Jobs Incentive Act) shall be eligible to receive the credit described in this Section in connection with the activity and establishment for which incentive payments have been, or are being received. Effective January 1, 2010, this limitation does not apply to the investment / new jobs credit earned under 68 O.S. § 2357.4 (which requires a \$40 million investment within a three (3) year

time period). Further, the entity must pay an annualized wage which equals or exceeds the state average wage. The qualifying entity must also obtain a determination letter from the Oklahoma Department of Commerce that the business activity of the entity will result in a positive net benefit rate. [See: 68 O.S. §§ 3607, 3909 and 3919]

(2) Business entities that benefit from proceeds of obligations issued by the Oklahoma Development Finance Authority from the Economic Development Pool may not generate, accrue or otherwise claim any investment tax credits during the period of time that withholding taxes attributable to the payroll of said entity are being paid to the Community Economic Development Pooled Finance Revolving Fund or in any manner used for the payment of principal, interest or other costs associated with any obligations issued by the Oklahoma Development Finance Authority pursuant to the provisions Oklahoma Community Economic Development Pooled Finance Act.

(3) Beginning January 1, 2017, except with respect to tax credits allowed from investment or job creation occurring prior to January 1, 2017, the credits authorized by 68 O.S. § 2357.4 shall not be allowed for investment or job creation in electric power generation by means of wind as described by the North American Industry Classification System No. 221119.

(4) Effective for tax years beginning on or after January 1, 2016 and ending on or before December 31, 2018, no more than Twenty-five Million Dollars (\$25,000,000.00) of credit may be allowed as an offset in a taxable year. The formula to be used for the percentage adjustment shall be Twenty-five Million Dollars (\$25,000,000.00) divided by the amount of credits used to offset tax in the second preceding year. [68 O.S. § 2357.4(L)] The Tax Commission shall determine the percentage which may be claimed as a credit no later than September 1 of each calendar year. Any credits carried over into or earned during the 2016, 2017, and 2018 tax years but which are not allowed to be offset against income tax due to the application of the Twenty-five Million Dollar (\$25,000,000.00) cap may be carried over as outlined in subsection (g) and will be available to offset income tax in subsequent tax years.

(i) **Tax credit moratorium.**

(1) Credits based on assets placed in service or jobs created prior to July 1, 2010 are not affected by the tax credit moratorium and may be claimed as provided under 68 O.S. § 2357.4.

(2) No credit may be claimed for assets placed in service or new jobs created on or after July 1, 2010 through June 30, 2012. Credits generated during this time period are deferred, and may be claimed beginning with tax year 2012 returns, subject to the following limitations:

(A) Credits accrued during the period from July 1, 2010 through June 30, 2012, shall be limited to a period of two (2) taxable years.

(B) Only fifty percent (50%) of the total amount of the credit generated between July 1, 2010 and June 30, 2012 may be claimed each taxable year.

Permanent Final Adoptions

(C) Amended returns shall not be filed after July 1, 2012 to claim the credits generated between July 1, 2010 and June 30, 2012 for tax years prior to tax year 2012.

(3) For example, a calendar year taxpayer places qualifying assets of \$150,000.00 in service in August 2010 which generates \$1,500.00 of credit for investment/new jobs per tax year for a five (5) year period (tax year 2010 through 2014) for a total of \$7,500.00. This results in the taxpayer generating \$3,000.00 of tax credits between July 1, 2010 and June 30, 2012. The taxpayer can initially claim \$1,500.00 in tax year 2012 and \$1,500.00 in tax year 2013 of credits generated during the moratorium. Taxpayer may also claim an additional \$1,500.00 of credits in both tax year 2012 and 2013. Final \$1,500.00 of credits can be claimed in tax year 2014.

710:50-15-76. Oklahoma coal credits

(a) **General provisions applicable to qualifying business entities purchasing Oklahoma-mined coal.** There shall be allowed a credit against the tax imposed by Sections 1803 and 2355 of Title 68 or Sections 624 and 628 of Title 36 of the Oklahoma Statutes for legal business entities purchasing Oklahoma-mined coal for qualifying purposes. In order to qualify for the Oklahoma Coal Credit, the business entity must either furnish water, heat, light, or power to the citizens or to the State of Oklahoma, or burn coal to generate heat, light, or power for use in manufacturing operations in Oklahoma. [See: 68 O.S. § 2357.11; *Wyoming v. Oklahoma*, 112 S.Ct. 789 (1992)]

(1) **Basic credit.** For tax years beginning on or after January 1, 1993, and ending on or before December 31, 2005 and for the period beginning January 1, 2006 through June 30, 2006, the credit shall be Two Dollars (\$2.00) per ton of Oklahoma-mined coal purchased. For the period July 1, 2006 through December 31, 2006 and for tax years beginning on or after January 1, 2007 and ending on or before December 31, 2021, the credit shall be Two Dollars and eighty-five cents (\$2.85) per ton of Oklahoma-mined coal purchased, except as provided in (h) of this Section.

(2) **Extended basic credit.** For the period July 1, 2006 through December 31, 2006 and for tax years beginning on or after January 1, 2007 and ending on or before December 31, 2021, the credit shall be Two Dollars and fifteen cents (\$2.15) per ton of Oklahoma-mined coal purchased. The extended basic credit may not be claimed or transferred prior to January 1, 2008, except as provided in (h) of this Section.

(3) **Additional credit for large quantity purchasers.** For tax years beginning on or after January 1, 1995, and ending on or before December 31, 2005 and for the period beginning January 1, 2006 through June 30, 2006, there shall be allowed, in addition to the credit described in (1) of this subsection, a **supplemental** credit of Three Dollars (\$3.00) per ton of Oklahoma-mined coal purchased. However, to obtain the credit described in this paragraph, purchases must total at least Seven Hundred Fifty Thousand (750,000) tons of Oklahoma-mined coal in the tax year for which credit is sought.

(b) **General provisions applicable to qualifying business entities that mine, produce, or extract coal.** For tax years beginning on or after January 1, 2001, and ending on or before December 31, 2021, there shall be allowed a credit against the tax imposed by Sections 1803 and 2355 of Title 68 or Sections 624 and 628 of Title 36 of the Oklahoma Statutes for every business entity in this state primarily engaged in mining, production, or extraction of coal, and holding a valid permit issued by the Oklahoma Department of Mines, **so long as** the average price of coal mined, produced, or extracted in any month for which credits are claimed is less than Sixty-eight Dollars (\$68.00) per ton.

(1) **Basic credit.** For tax years beginning on or after January 1, 2001 and ending on or before December 31, 2005, and for the period beginning January 1, 2006 through June 30, 2006, the credit shall be Ninety-five Cents (\$0.95) per ton and for the period of July 1, 2006 through December 31, 2006, and for tax years beginning on or after January 1, 2007 and ending on or before December 31, 2021, the credit shall be Five Dollars (\$5.00) for each ton of coal mined, produced, or extracted in, on, under, or through a permit in this state, except as provided in (h) of this Section.

(2) **Additional credit for thin seam coal.** For tax years beginning on or after January 1, 2001 and ending on or before December 31, 2005, and for the period of January 1, 2006 through June 30, 2006, there shall be allowed, in addition to that described in (1) of this subsection, a **supplemental** credit in the amount of Ninety-five Cents (\$0.95) per ton of coal mined, produced, or extracted from **thin seams** in this state, **so long as** the purchaser of the thin seam coal purchases less than Seven Hundred Fifty Thousand (750,000) tons of Oklahoma coal per year.

(3) **Extended credit for thin seam coal.** For tax years beginning on or after January 1, 2005 and ending on or before December 31, 2005, for the period of January 1, 2006, through June 30, 2006, there shall be allowed, in addition to that described in (1) and (2) of this subsection, a **supplemental** credit in the amount of Ninety-five Cents (\$0.95) per ton of coal mined, produced, or extracted from **thin seams** in this state on or after July 1, 2005.

(c) **Transferability.** The coal credits allowed, but not used, shall be freely transferable by written agreement to subsequent transferees, at any time during the five (5) years following the year of qualification.

(1) **"Eligible transferee" defined.** For purposes of this subsection, an **"eligible transferee"** means *any taxpayer subject to the tax imposed by Section 1803 or 2355 of Title 68 or Section 624 or 628 of Title 36 of the Oklahoma Statutes.* [See: 68 O.S. § 2357.11(H)] Pursuant to the statutory definition, an "eligible transferee" taxpayer may be an individual, as well as a legal business entity.

(2) **Written transfer agreement requirements.** The business entity which originally earned the credit and the subsequent transferee must jointly file a copy of the written transfer agreement with the Commission, within thirty (30) days of the transfer. The written agreement must contain the name, address, and taxpayer identification number

of the parties to the transfer, the amount of credit being transferred, the year the credit was originally allowed to the transferring entity, and the tax year or years for which the credit may be claimed.

(3) **Claiming transferred credit.** A copy of OTC Form 572 must be attached to any tax return on which a taxpayer claims a transferred credit.

(4) **Limitation of transferability.** Credits earned after December 31, 2013, shall not be transferable.

(d) **Application of credit election.** Any coal credit may, upon the election of the taxpayer, be claimed as a payment of tax, a prepayment of tax, or a payment of estimated tax for purposes of Section 1803 or 2355 of Title 68 or Section 624 or 628 of Title 36. In no event shall the credit reduce the tax below zero, and as such, this credit is non-refundable. Coal credits shall not be used to lower the price of any Oklahoma-mined coal sold that is produced by a subsidiary of the person receiving a tax credit under this section to other buyers of the Oklahoma-mined coal.

(e) **Carryover provisions.** Any coal credit earned prior to January 1, 2014, to the extent not used, may be carried over in order to each of the five (5) years following the year of qualification. However, at no time may the credit claimed exceed the tax liability for credits earned prior to January 1, 2014.

(f) **Refund of tax credits.** Credits earned on or after January 1, 2014, but not used, shall be refunded to the taxpayer at eighty-five percent (85%) of the face amount of the credits. If the taxpayer is a pass-through entity and does not file a claim for a direct refund, the pass-through entity shall allocate the credit to one or more of the shareholders, partners or members of the pass-through entity. The total amount of credits refunded or allocated shall not exceed the amount of the credit or refund to which the pass-through entity is entitled.

(g) **Tax credit moratorium.** No credit may be claimed for coal purchased, mined, produced or extracted during the period of July 1, 2010 through June 30, 2012, for which the credit would otherwise be allowable. This credit may be claimed for tax year 2012 and subsequent tax years, for Oklahoma-mined coal for qualifying purposes purchased, mined, produced or extracted on or after July 1, 2012.

(h) **Tax credit limitation.** For any credits calculated pursuant to (a)(1) or (a)(2), or (b)(1) of this Section for activities occurring on or after January 1, 2016, the amount of credit allowed shall be equal to seventy-five percent (75%) of the amount otherwise provided. [68 O.S. § 2357.11(N)]

710:50-15-83. Limitation of credits allowed by the Oklahoma Quality Jobs Program, the Small Employer Quality Jobs Incentive Acts and the 21st Century Quality Jobs Incentive Act

No establishment which qualifies under the terms of Section 3601 et seq. of the Oklahoma Statutes, (Oklahoma Quality Jobs Program Act), Section 3901 et seq. of the Oklahoma Statutes, (Small Employer Quality Jobs Incentive Act), or Section 3911 et seq. of the Oklahoma Statutes (21st Century Quality Jobs Incentive Act) and has received or is receiving

incentive payments pursuant to those Acts, nor its contractors or subcontractors, shall be eligible to receive, in connection with the activity and establishment for which incentive payments have been, or are being received, the credits described as follows:

(1) The investment credit provided for by 68 O.S. §2357.4. [See: 710:50-15-74]

(2) The credit for investments in qualified venture capital companies provided for by 68 O.S. §2357.7. [See: 710:50-15-77 and 710:50-15-78]

(3) The credit for recycling, reuse, or ultimate destruction of controlled industrial waste or deleterious substances, provided for by 68 O.S. §2357.16. (Amended and recodified at 27A O.S. §§2-11-301 through 2-11-307.) [See: 710:50-15-75]

(4) The credit for clean-burning motor vehicle fuel property, provided for by 68 O.S. §2357.22. [See: 710:50-15-81]

~~(5) The credit for certain qualified health care plans, provided for by 68 O.S. §2357.31. [See: 710:50-15-79]~~

~~(6) The credits provided pursuant to the Oklahoma Research and Development Incentives Act, 68 O.S. §§54003, 54006~~

710:50-15-90. Oklahoma earned income tax credit

(a) Effective for tax years beginning on or after January 1, 2002, there shall be an Oklahoma Earned Income Tax Credit for resident and part year resident individuals.

(b) The Oklahoma Earned Income Tax Credit shall be an amount equal to five percent (5%) of the Federal Earned Income Tax Credit allowed under Section 32 of the Internal Revenue Code. Effective for tax year 2016 and subsequent tax years, if the credit exceeds the tax imposed by Section 2355 of Title 68, the excess amount shall not be refunded to the taxpayer, nor shall any amount be carried forward to a subsequent tax year. The Oklahoma Earned Income Tax Credit may not be paid in advance and must be claimed on the individual income tax return when filed.

(c) The credit is to be prorated on the ratio that Oklahoma Adjusted Gross Income bears to Federal Adjusted Gross Income, not to exceed one hundred percent (100%). When the Oklahoma Adjusted Gross Income or the Federal Adjusted Gross Income are negative the ratio will be determined as follows:

(1) When the Oklahoma Adjusted Gross Income is negative and is less than the Federal Adjusted Gross Income, the ratio shall be 0%. (For example: Oklahoma Adjusted Gross Income is negative \$1,000 and the Federal Adjusted Gross Income is negative \$500, the ratio shall be 0%).

(2) When the Federal Adjusted Gross Income is negative and is equal to or less than the Oklahoma Adjusted Gross Income, the ratio will be 100%. (For example: Oklahoma Adjusted Gross Income is negative \$500 and the Federal Adjusted Gross Income is negative \$1,000 the ratio is 100%).

Permanent Final Adoptions

710:50-15-103. Credit for qualified railroad reconstruction or replacement expenditures

(a) **General provisions.** For tax years beginning after ~~12/31/05~~ December 31, 2005 there is a credit allowed against the tax imposed by Section 2355 of Title 68 equal to 50% of an eligible taxpayer's qualified railroad reconstruction or replacement expenditures.

(b) **Definitions.** The following words and terms, when used in this Section, shall have the following meaning, unless the context clearly indicates otherwise:

(1) **"Eligible taxpayer"** means any railroad that is classified by the United States Surface Transportation Board as a Class II or Class III railroad.

(2) **"Qualified railroad reconstruction or replacement expenditures"** means expenditures for reconstruction or replacement of railroad infrastructure. This includes track, roadbed, bridges, industrial leads and track-related structures owned or leased by a Class II or Class III railroad as of January 1, 2006. Qualified railroad reconstruction or replacement expenditures can also include new construction of industrial leads, switches, spurs and sidings and extensions of existing sidings by a Class II or Class III railroad.

(c) **Limitations.**

(1) The amount of the credit may not exceed the product of Five Hundred Dollars (\$500.00) for tax year 2007 and Two Thousand Dollars (\$2,000.00) for tax years 2008 and the number of miles of railroad track owned or leased within this state by the eligible taxpayer as of the close of the taxable year. In tax year 2009 and subsequent tax years, an eligible taxpayer may elect to increase the limit for tax year 2008 to an amount equal to three times the amount specified. However, the taxpayer may only claim one third (1/3) of the credit in any one taxable period. An eligible taxpayer who elects to increase the limitation on the credit will not be granted additional credits during the period of such election.

(2) Effective for tax years beginning on or after January 1, 2016, the credit is limited to seventy-five percent (75%) of the otherwise allowable credit. [68 O.S. § 2357.104(H)]

(d) **Transferability.** The credits allowed pursuant to this Section that are not used are freely transferable by written agreement, to subsequent transferees, at any time during the five (5) years following the year of qualification.

(1) **"Eligible transferee" defined.** For purposes of this subsection, an "eligible transferee" shall be any taxpayer subject to the tax imposed by Section 2355 of Title 68.

(2) **Written transfer agreement requirements.** The person originally allowed the credit and the subsequent transferee must jointly file a copy of the written transfer agreement with the Commission, within thirty (30) days of the transfer. The written agreement must contain the name, address, and taxpayer identification number of the parties to the transfer, the amount of credit being transferred, the year the credit was originally allowed to the

transferring person, and the tax year or years for which the credit may be claimed.

(e) **Carryover provisions.** Any credit allowed pursuant to the provisions of this Section, to the extent not used, may be carried over in order to each of the five (5) years following the year of qualification.

(f) **Tax credit moratorium.** No credit may be claimed for qualified railroad reconstruction or replacement expenditures occurring during the period of July 1, 2010 through June 30, 2012, for which the credit would otherwise be allowable. Qualified railroad reconstruction or replacement expenditures occurring before July 1, 2010 will qualify for the tax credit regardless of when the Department of Transportation issues the certificate of verification of completion of the project. This credit may be claimed for tax year 2012 and subsequent tax years, for qualified railroad reconstruction or replacement expenditures on or after July 1, 2012.

710:50-15-104. Credit for construction of energy efficient residential property

(a) **General provisions.** Effective for tax the time period beginning on or after January 1, 2006, and ending on or before July 1, 2016 ~~year 2006~~, a credit is available for contractors who construct either energy efficient residential property or energy efficient manufactured homes. The credit is dollar for dollar based on the cost of certain eligible expenditures.

(b) **Definitions.** For purposes of this Section, the following words and terms, shall have the following meaning, unless the context clearly indicates otherwise:

(1) **"Contractor"** is the taxpayer who actually constructed the residential property or manufactured home. In cases if more than one person qualifies as the contractor, the primary contractor.

(2) **"Eligible energy efficient residential property"** means a newly constructed residential property or manufactured home property located in the State of Oklahoma. Further the home cannot exceed two thousand (2,000) square feet in order to be eligible for the credit. The eligible energy efficient residential property must be substantially complete after December 31, 2005.

(3) **"Eligible expenditure"** includes the cost of energy efficient heating or cooling systems, insulation material specifically designed to reduce the heat gain or loss of a residential property, exterior windows, exterior doors or metal roofs with appropriate pigmented coatings designed to reduce the heat gain which meets Energy Star program requirements.

(4) **"Home energy ratings"** means a confirmed rating involving an on-site inspection of a home by a residential energy efficiency professional trained and certified by a Residential Energy Services Network accredited home energy rater.

(5) **"Residential energy services network provider"** means an accredited home energy inspector certified by Residential Energy Services Network.

(6) **"Residential property"** means a single dwelling unit, duplex, or townhouse with three stories or less, that provides independent living and could be sold or leased as

separate property. The term does not include Group R-2 and R-4 residential buildings as defined in the International Energy Conservation Code.

(7) **"Substantially complete"** means the residential property or manufactured home has a certificate of occupancy issued if located in a municipality. For residential property or manufactured home in non-metropolitan area, the property will be substantially complete after passing the appropriate inspections required under the applicable County Building Codes permitted under 19 O.S. § 863.44.

(c) Amount of credit.

(1) The credit is capped at Four Thousand Dollars (\$4,000) for those residential properties that are certified at forty percent (40%) or above of the International Energy Conservation Code 2003 and any supplement in effect at the time of completion. If the residential property is certified between twenty percent (20%) and thirty-nine (39%) of the International Energy Conservation Code of 2003 and any supplement in effect at the time of completion, the credit is limited to Two Thousand Dollars (\$2,000.00).

(2) The credit is not available if the residential property is in excess of Two Thousand (2,000) square feet.

(d) Carryover provisions. Any credit allowed pursuant to the Section, to the extent not used, may be carried over in order to each of the four (4) years following the year of qualification. However, at no time may the credit claimed exceed the tax liability.

(e) Transfer of the credit. Effective for credits earned on or after August 25, 2006, the credit for construction of energy efficient residential property may be transferred.

(f) Tax credit moratorium. No credit may be claimed for any expenditure made during the period of July 1, 2010 through June 30, 2012, for which the credit would otherwise be allowable. A credit will be allowed for eligible expenditures made prior to July 1, 2010 regardless of when the property is substantially complete. This credit may be claimed for tax year 2012 and subsequent tax years, for eligible expenditures made on or after July 1, 2012, by contractors who construct either energy efficient residential property or energy efficient manufactured homes.

(g) Termination of the credit. No credit may be claimed for any expenditure made on or after July 1, 2016 for which the credit would otherwise be allowable. The credit shall be allowed for eligible expenditures made prior to July 1, 2016; however, the property must be substantially complete before January 1, 2017.

New Section 710:55-4-106 has been added to require the electronic filing of motor fuel tax monthly reports.

Sections 710:55-4-102 and 710:55-7-6 have been amended to clarify policy, improve readability, correct scrivener's errors, remove obsolete language, update statutory citation, and ensure accurate internal cross-references.

CONTACT PERSON:

Lisa R. Haws, Tax Policy Analyst, Tax Policy and Research Division, Oklahoma Tax Commission, 2501 North Lincoln Boulevard, Oklahoma City, Ok 73194, 405-521-3133.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 4. MOTOR FUEL TAX

PART 1. LICENSES

710:55-4-102. Bonds

(a) **Applicants required to post a bond.** Applicants for the following licenses shall be required to post a bond:

- (1) Terminal operators
- (2) Exporters
- (3) Transporters
- (4) Tank wagon operator-importers
- (5) Suppliers and permissive suppliers
- (6) Bonded importers

Permanent Final Adoptions

(b) **Single bond required from applicant for multiple licenses.** An applicant for more than one license shall be required to post only one (1) bond. The bond shall be posted in the greatest amount required for one of the licenses.

(c) **Computation of amount of bond.** Bonds required for licenses described in this Part shall be posted in amounts determined by (1) through ~~(6)~~(5) of this subsection:

(1) **Terminal operators.** Terminal operators must post a bond in an amount not less than three (3) months estimated tax liability, but not to exceed Five Hundred Thousand Dollars (\$500,000.00). The initial bond shall be in the amount of Two Thousand Dollars (\$2,000.00).

(2) **Exporters.** Exporters must post a bond in an amount not less than three (3) months estimated tax liability, but not to exceed One Million Dollars (\$1,000,000.00). The initial bond shall be in the amount of Two Thousand Dollars (\$2,000.00).

(3) **Transporters.** Transporters must post a bond in an amount not less than three (3) months estimated tax liability, but not to exceed One Hundred Thousand Dollars (\$100,000.00). The initial bond shall be in the amount of Two Thousand Dollars (\$2,000.00).

(4) **Tank wagon operators-importers.** Tank wagon operators-importers must post a bond in an amount not less than three (3) months estimated tax liability, but not to exceed Fifty Thousand Dollars (\$50,000.00).

(5) **Suppliers; permissive suppliers; bonded importers.** Suppliers, permissive suppliers, and bonded importers must post a bond in an amount not less than three (3) months estimated tax liability, but not less than One Hundred Thousand Dollars (\$100,000.00), nor more than Two Million Dollars (\$2,000,000.00)

(d) **Alternative to posting bond for supplier's or bonded importer's licenses.** In lieu of posting a bond, an applicant for a supplier's or bonded importer's license, may show proof of financial responsibility. Proof of financial responsibility shall be evidenced by proof of Five Million Dollars (\$5,000,000.00) net worth. "Net worth" means total assets, minus total liabilities, as evidenced in a statement from an independent auditor prepared within six (6) months of the date of application.

(e) **Form of bond.** All bonds shall be in the form of a surety bond, upon a form provided by the Tax Commission, or a cash deposit or certificate of deposit.

(f) **Commission may review, rescind eligibility.** Pursuant to the authority granted by 68 O.S. ~~Supp. 1996~~, § 500.23(C), the Commission may review eligibility standards, including "net worth", of any licensee and may take further actions, including, but not limited to, requiring further assurance of financial responsibility, increasing the amount of required bond, rescission of a permit-holder's eligibility and election to defer payment of motor fuel taxes, or other action needed to ensure remittance of the motor fuel tax.

(g) **Cancellation of license.** Rescission of a permit-holder's eligibility and cancellation of any license or permit shall be preceded by a hearing pursuant to the terms of 68 O.S. § 212.

PART 2. REPORTS

710:55-4-106. Reports must be filed electronically

The required monthly reports must be filed electronically in Extensible Markup Language (XML) format or by Excel Imports into the Taxpayer Access Point (TAP).

SUBCHAPTER 7. SPECIAL FUELS TAX

710:55-7-6. Fee in lieu of special fuel tax

(a) The Oklahoma Special Fuel Tax Code levies a flat fee of Fifty Dollars (\$50.00) on each automobile, pickup truck or van not exceeding one ton in capacity and using ~~liquefied~~liquefied petroleum gas or natural gas as fuel. If a vehicle is acquired or system installed after July 1, the flat fee is Twenty-five Dollars (\$25.00).

(b) The Oklahoma Special Fuel Tax Code levies a flat fee of One Hundred Dollars (\$100.00) on each passenger automobile, pickup truck or van not exceeding one ton in capacity, using compressed natural gas or liquefied natural gas as fuel. If a vehicle is acquired or system installed after July 1, the flat fee is Fifty Dollars (\$50.00).

(c) Beginning January 1, 1993, the Oklahoma Special Fuel Tax Code levies a flat fee of One Hundred Fifty Dollars (\$150.00) on each vehicle exceeding one ton in capacity, using liquefied petroleum gas, compressed natural gas, or liquefied natural gas as fuel. If a vehicle is acquired after July 1, the flat fee is Seventy-five Dollars (\$75.00).

(d) Payment of the fee is mandatory on vehicles described in (a), (b), and (c) of this Section. Assessment of the fee is in substitution for Special Fuel Tax levied under 68 O.S. §§ 703, 705, 707.1, 707.2 and 707.3, and no tax need be paid at the time of purchase of the fuels for use in vehicles covered by this Section and upon which the required fee has been paid. Once the fee has been paid as to a particular vehicle, a decal is issued for that vehicle. Such decal is to be placed on the lower right hand corner of the front windshield of that vehicle.

(e) The decal is issued to one vehicle only and is not transferable to another vehicle, even though the equipment used to adapt the first vehicle for L.P.G. use is transferred to the second vehicle, such that the first vehicle is no longer capable of using ~~liquefied~~liquefied petroleum gas.

(f) Payment of the fee for the decal is due on January 1 of each calendar year. The decal shall be effective only until December 31 of the year in which the fee is paid regardless of the day and month within that year when the fee is paid.

(g) Payment of the fee levied shall be due on the first day that L.P.G. is used in a vehicle covered by this section and thereafter on January 1 of each calendar year. A taxpayer may make application for the decal with the Oklahoma Tax Commission; the required fee is to be remitted at the time application for the decal is made.

(h) Failure to obtain a proper and current decal within thirty (30) days from the date when application for such decal should have been made shall result in a penalty of twenty percent (20%) of the fee being added to the required fee.

(i) Any vehicle subject to the Fee in Lieu of Special Fuel Tax for which the required decal has not been obtained, shall

be subject to payment of the Special Fuel Tax levied on the purchase of L.P.G. for use in that vehicle. Payment of the required Fee and acquisition of the required decal, at a date subsequent to the date due, shall not result in an allowable claim for refund on any Special Fuel Taxes paid prior to the acquisition of the decal.

GIST/ANALYSIS:

Section 710:60-3-22 has been amended to implement the provisions of Senate Bill 1459 which allow a nonprofit charitable organization, upon providing documentation of its tax exempt status as an organization, to obtain from the OTC charitable nonprofit organization license plates for the purposes of demonstrating, transporting or test driving donated vehicles, provided that the organization may possess or use at any one time no more than eight of the described plates. [47:1137.1]

Section 710:60-3-25 has been amended to implement the provisions of House Bill 3192 which provide for an alternative method in which to document "active duty status" for purposes of qualifying for the \$15 reduced vehicle registration rate for vehicles of active duty military service members and waiver of delinquent penalties for Oklahoma resident armed forces personnel who are stationed out-of-state by official assignment. [47:1127]

Sections 710:60-3-70 and 710:60-3-130 have been amended to implement the provisions of House Bill 2378 which exclude "park model recreation vehicle" from the definition of manufactured home for purposes of the levy of motor vehicle excise tax, and Senate Bill 972 which redefines the term "autocycle" by striking the requirement that these vehicles have a fully enclosed compartment for the driver and passenger. [47:1-103.2, 1102:68:2101]

Section 710:60-3-112 has been amended to implement the provisions of House Bill 2492 which expand the list of tax-exempt or nonprofit license plates to be designed for any vehicle owned and operated by the Civil Air Patrol. [47:1135.1]

Sections 710:60-5-4 and 710:60-5-77 have been amended and new Section 710:60-5-79 has been added to comply with the provisions of Senate Bill 1511 which provides for the transfer of a motor vehicle upon the death of the vehicle owner by filing with the Tax Commission a transfer-on-death notice signed by the vehicle owner which designates a death beneficiary. [47:1107.5]

Section 710:60-5-55 has been amended to implement the provisions of House Bill 2624 which modify the type of documentation required to be provided by a person when selling a vehicle to a scrap metal dealer. [2:11-92; 47:1105]

Section 710:60-5-111 has been amended to clarify existing policy to ensure submission of proper documentation by lender when perfecting a lien.

Section 710:60-7-3 has been amended to implement the provisions of Senate Bill 900 which relate to the motor vehicle excise tax exemption afforded to veterans with permanent active service-related disabilities receiving compensation at the 100% rate, allowing an exception to the one vehicle in a consecutive three (3) year period exemption limitation in cases where the vehicle is a replacement for a vehicle which was destroyed and declared by the insurer to be a total loss claim. [68:2105]

Section 710:60-9-72 has been amended to clarify existing policy that motor license agent semimonthly report documentation submission requirements encompass all transaction summaries.

Section 710:60-9-94 has been amended to remove outdated language and clarify existing policy regarding procedures relating to the processing of returned checks for remittance to OTC by a motor license agent.

Section 710:60-9-120 has been amended to remove outdated language and clarify existing policy that motor license agents are expected to maintain an orderly office environment for taxpayer service and comply with Tax Commission equipment policies.

Section 710:60-5-1 has been amended along with other sections that may be amended to clarify policy, improve readability, correct scrivener's errors, remove obsolete language, update statutory citation, and ensure accurate internal cross-references.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

Permanent Final Adoptions

SUBCHAPTER 3. REGISTRATION AND LICENSING

PART 1. GENERAL PROVISIONS

710:60-3-22. Charitable organization vehicle registration

(a) Vehicles donated to a charitable organization licensed through the Oklahoma Secretary of State's Office are exempt from delinquent registration fees, excise tax, and penalties. The charitable organization is responsible only for a title fee, when applicable.

(b) Should ownership of a vehicle on which delinquent taxes are due be assigned to a licensed charitable organization and subsequently reassigned back to the donor, all delinquent taxes and fees again become due.

(c) Organizations entitled to a specific exemption from the Secretary of State charitable organization registration requirements pursuant to 18 OS § 552.4 may, upon confirmation of that exemption by the Motor Vehicle Division of the Oklahoma Tax Commission, receive and assign ownership of donated vehicles in the same manner as registered charitable organizations.

(d) A nonprofit charitable organization which is exempt from taxation pursuant to the provisions of the Internal Revenue Code, 26 U.S.C., Section 501(c)(3), and which accepts donations of used motor vehicles previously titled in Oklahoma to be subsequently transferred to another owner, upon the qualifying organization providing sufficient documentation of its tax-exempt status, may obtain from the Oklahoma Tax Commission charitable nonprofit organization license plates for demonstrating, transporting or test-driving donated vehicles, provided that no organization shall possess or use at any one time more than eight (8) such plates.

710:60-3-25. Active-duty military U.S. Armed Forces personnel registration

(a) Eligibility for registration rate. The following are eligible for a special armed forces annual vehicle registration rate. Vehicles and manufactured homes owned by members of the U.S. Armed Forces, or their spouses, are eligible for a special registration rate, under the conditions outlined below:

(1) Noncommercial vehicles. Vehicles owned by active-duty reservists and active-duty members of the National Guard. Reservists activated under annual training orders do not qualify for this reduced active-duty military registration rate. Qualifying service members, or their spouses, who are either residents of, or assigned to duty in Oklahoma.

(2) Noncommercial vehicles owned by an Oklahoma resident, or spouse of an Oklahoma resident, stationed out of state due to an official military assignment. The vehicle may not be used in any trade or business, or for any commercial purpose.

(3) Noncommercial vehicles owned by the spouse, who resides in Oklahoma, of an active-duty military service person serving in a foreign country.

(4) Manufactured homes owned by an out of state resident active-duty military personnel stationed service member assigned to duty in Oklahoma.

(5) Manufactured homes located out of state and owned by an Oklahoma resident active-duty military personnel, service member when the manufactured home is also located out of state. Manufactured homes located in Oklahoma and owned by Oklahoma military personnel service members are not entitled to eligible for the special military registration rate.

(6) The reduced registration fee does not apply to vehicles owned by retired members of the Armed Forces, inactive members of the Reserve Corps of the Armed Forces, inactive members of the Oklahoma National Guard and other members and former members of the Armed Forces of the United States who are not on active duty.

(b) **Affidavit required.** A properly completed U.S. Armed Forces Affidavit (OTC Form 779) must be presented by the applicant.

(1) The affidavit requires the signature of the active-duty military service person, or their spouse, and the signature of an officer for the organization to which the military service person is assigned. In lieu of certification by an officer, the applicant may submit copies of written orders documenting that the service member, Guardsman, or Reservist is on active duty at the time of application for registration.

(2) When the active-duty military service person is serving in a foreign country, the spouse may sign the affidavit under penalties of perjury. In this instance, certification by an officer of the U.S. Armed Forces organization is not required.

(3) An Oklahoma resident stationed in another state due to an official military assignment may authorize his/her parents a designated representative to register his/her vehicle(s) on their behalf. A completed U.S. Armed Forces Affidavit, including an officer's certification, is required.

(4) Oklahoma resident armed forces personnel stationed service members assigned to duty outside of this state due to official assignment of the U.S. armed forces or Oklahoma National Guard are entitled to a waiver of delinquent registration penalties for the duration of the out of state assignment and up to sixty (60) days following the end of that assignment. may utilize the The delinquent penalty waiver section of the U.S. Armed Forces Affidavit may be utilized to certify their eligibility for the referenced statutory registration penalty waiver.

(c) **Transfer of ownership.** When a vehicle currently registered at the reduced rate is sold by a military service person member to a purchaser who does not qualify for the military rate, the purchaser must register the vehicle from the date of ownership assignment at the new appropriate registration classification. If the vehicle is sold to another military service person qualifying for the special rate, the purchaser may transfer title into his/her name with no additional registration fee, upon presentation of a properly completed U.S. Armed Forces Affidavit.

PART 7. NONCOMMERCIAL VEHICLES

710:60-3-70. Noncommercial vehicles

Annual registration rates fee amounts are based on the number of years the vehicle has been registered pursuant to a five tiered registration scheme approved by popular vote on August 22, 2000. The Registration fees for the following vehicles/vehicle types are registered using determined by this method.

- (1) **Automobiles.** "Automobiles" includes noncommercial trucks and vans and nonagricultural trucks.
- (2) **Travel trailers.** Travel trailers are any vehicular portable structure built on a chassis and used as a temporary dwelling for travel, recreational or vacation use. The dimensions of a travel trailer cannot exceed 40 feet in length (including hitch or coupling) or 8 feet in width.
- (3) **Motorcycles.** Motorcycles are defined as those vehicles designed and constructed to travel on not more than three (3) wheels, having a saddle or a single seat for the use of the rider.
- (4) **Recreational vehicles.** "Recreational vehicle" means every vehicle which is built on or permanently attached to a self-propelled motor chassis or chassis cab which becomes an integral part of the completed vehicle and is capable of being operated on the highways. In order to qualify as a recreational vehicle pursuant to this subsection such vehicle shall be permanently constructed and equipped for human habitation, having its own sleeping and kitchen facilities, including permanently affixed cooking facilities, water tanks and holding tank with permanent toilet facilities. Recreational vehicle shall not include manufactured homes or any vehicle with portable sleeping, toilet and kitchen facilities which are designed to be removed from such vehicle. Effective November 1, 2016, recreational vehicle includes park model recreational vehicles, as defined in 47 O.S. § 1102.
- (5) **Moped.** A "moped" is any motor-driven cycle with a motor producing no more than two brake horsepower and which is not capable of propelling the vehicle at a speed in excess of thirty (30) miles per hour on level ground. If an internal combustion engine is used, the displacement shall not exceed fifty (50) cubic centimeters, and the moped shall have a power drive system that functions directly or automatically without clutching or shifting by the operator after the drive system is engaged. mopeds are subject to all the provisions of the Motor Vehicle License and Registration Act. No dealer's license is required to sell them. If sales tax was paid upon purchase, no excise tax should be assessed when titling.
- (6) **Dirt bikes, minibikes, all-terrain vehicles (3 & 4 wheelers), and golf carts.** Dirt bikes, minibikes, all-terrain vehicles (3 & 4 wheelers), and golf carts are not street legal and are not to be titled and tagged for street or highway use in Oklahoma. All-terrain vehicles and off-road motorcycles meeting the criteria outlined in OAC 710:60-3-140 are subject to titling and registration, as therein specified. Golf carts owned by the Tourism and Recreation Department may be operated on streets and

highways located within the boundaries of a state park by employees of the Department, or by employees of an independent management company on behalf of the Department.

(7) **Autocycle.** An autocycle, which is to be issued a standard vehicle license plate, means any motor vehicle with the following:

- (A) A seat or saddle for the use of each rider;
- (B) Three wheels in contact with the ground, but excluding a tractor;
- (C) A combustion engine with a piston or rotor displacement of one hundred fifty cubic centimeters (150 cu cm) or greater;
- (D) ~~A fully enclosed compartment for the driver and any passenger;~~
- (~~E~~) For each occupant, safety belts or safety shoulder harnesses which shall be of a type and shall be installed pursuant to 49 C. F. R., Section 571.208 et seq.;
- (~~F~~~~E~~) All equipment required by the provisions of Article II et seq. of Chapter 12 of Title 47 of the Oklahoma statutes, with respect to equipment on vehicles.

PART 11. OTHER VEHICLES

710:60-3-112. Tax exempt license plates

(a) **Classifications.** Tax exempt ~~tags~~license plates are divided into two categories:

(1) **Nonrenewable.** Nonrenewable license plates are issued to political subdivisions of the State and other entities as provided by statute. ~~They are classified as Nonrenewable plates are issued at no cost to State agencies, the Oklahoma Highway Patrol, the Oklahoma Military Department, and volunteer fire departments organized under Title 18 of the Oklahoma Statutes, which are issued directly by the Oklahoma Tax Commission free of charge. Other classification types are County, City, and School. Nonrenewable plates are issued at an initial fee set forth by statute to vehicles owned and operated by Counties, Cities, Schools and the Civil Air Patrol. Each of these groups has issued a distinctive tagplate with a distinctive prefix. A yearly validation decal will not be Yearly validation decals are not issued with these types of exempt ~~tags~~plates as they are nonrenewable and nontransferable (unless transferring to same type of exempt entity). ~~All other nonrenewable exempt plates listed in this paragraph have an initial fee as set forth by statute.~~~~

(2) **Renewable.** All other tax exempt organizations are issued renewable license plates. These ~~tags~~plates are designated by an "E" prefix and must be renewed annually, for a fee set forth by statute, plus an insurance verification fee.

(b) **Display of exempt organization.** All tax exempt organizations, with the exception of political subdivisions of the State (State, County, City and School) and organizations which are prohibited from such displays, must have the name or symbol of the tax exempt or nonprofit organization prominently displayed on both sides of the vehicle in letters not less than 2 inches high and 2 inches wide and of such shape and color as to

Permanent Final Adoptions

be readily legible during daylight hours from a distance of fifty (50) feet while the vehicle is not in motion.

(c) **Display not required when prohibited by law.** The Statute provides for a waiver of the sign requirement if such a display is prohibited by federal or state law or by state agency rules and regulations.

(d) **Affidavit of tax exempt registration.** An "Affidavit for Tax Exempt Registration" (OTC Form 701-29) must be completed by the vehicle registrant. On the affidavit, the registrant must indicate, by marking the specific statutory vehicle registration exemption applicable to their organization and confirm that the exempt vehicle either meets the sign requirements, or that the sign requirement is inapplicable because of a federal or state law or regulation. If the latter situation is indicated, a photocopy of the applicable federal or state law or state agency rule and regulation must be submitted. Tax exempt organizations statutorily exempted from the sign requirement are not required to complete the signage verification portion of the Affidavit affidavit.

PART 13. MANUFACTURED HOMES

710:60-3-130. Manufactured homes

(a) **Definition.** "**Manufactured home**" means a residential dwelling built in accordance with the ~~provisions of 42 U.S.C. § 5401~~ National Manufactured Housing Construction and Safety Standards Act of 1974, 42 U.S.C., Section 5401 et seq., and rules promulgated pursuant thereto and the rules promulgated by the Oklahoma Used Motor Vehicle and Parts Commission pursuant to 47 O.S. § 582. Effective November 1, 2016, manufactured home shall not mean a park model recreational vehicle as defined in 47 O.S. § 1102.

(b) **Initial title and registration.** In most instances, manufactured homes purchased new or brought in from another state are initially titled and registered at motor license agencies. Thereafter, they are placed on county Ad Valorem tax rolls and will be issued registration renewal decals by the County Treasurer.

(c) **License plate and decal required.** A manufactured home license plate and registration decal are required on all manufactured homes registered in this State.

(d) **Fees may be prorated for remainder of current year.** For those manufactured homes purchased new or coming in from another state, license plates and corresponding registration decals shall be issued upon payment of the applicable registration fee for the balance of the year.

(e) **Issuance of license and decal for currently registered manufactured homes; proof of payment of ad valorem tax.** For those manufactured homes already located and registered in this State on December 1, 1988, a license plate and registration decal shall be issued upon proof of current Ad Valorem taxes paid. Proof of payment must be in the form of a Manufactured Home Tag Certification Form or Manufactured Home Certificate (OTC Form 936). When presented with proof of payment, a license plate and corresponding decal will be issued for a total fee as set forth by statute.

(f) **Basis used for registration fee and excise tax.** Both the registration fee and the excise tax assessment are based upon the selling price of the manufactured home. The selling price will be recorded as both the Factory Delivered Price (FDP) and the Total Delivered Price (TDP) when issuing an original Oklahoma title.

(g) **Excise tax on manufactured homes.** The excise tax on new manufactured homes is levied on one-half 1/2 of the retail selling price. The excise tax on a used manufactured home will be applied to sixty-five percent (65%) of one-half the resale price. The excise tax rate is levied by the Oklahoma Statutes.

(h) **Sale of manufactured home; transfer of title; change of basis.** If the manufactured home is sold, the title must be transferred to the new owner, who will have the title issued in his/her name. The FDP should be changed to reflect the purchase price. However, the TDP listed on the title will not be changed.

(i) **Proof of payment of ad valorem tax required upon transfer.** Proof of current paid ad valorem taxes must be obtained before transferring ownership of a manufactured home.

(j) **Manner of proof.** Acceptable proof of paid ad valorem taxes will be a Form 936 Manufactured Home Certificate or other receipt issued by a county treasurer which lists the manufactured home being transferred and clearly designates that taxes for the current calendar year have been paid in full.

(k) **When other basis used in determining tax.** Should the manufactured home be repossessed or brought in used from out-of-state, the "blue book" suggested selling price will be used as a base price for the registration and collection of excise tax.

(l) **Late registration; penalties.** The penalty for late registration of manufactured homes, which are those not registered within the 30 day period from the date of purchase or the date the manufactured home was brought into this state, shall be an amount equal to the registration fee, less the administrative fee, as set forth by statute.

(m) **Park model recreational vehicle.** A park model recreational vehicle formerly registered as a manufactured home may make application for a change in registration classification by completing an affidavit confirming the unit meets the statutory definition criteria outlined in 47 O.S. § 1102 and submitting to the Oklahoma Tax Commission for review.

SUBCHAPTER 5. MOTOR VEHICLE TITLES

PART 1. GENERAL PROVISIONS

710:60-5-1. Certificate of title required

Except for ~~those vehicles that are~~ proportionally registered with the Oklahoma Corporation Commission and properly titled in another state, pursuant to the Trucking One-Stop Shop Act, 47 O.S. Supp. 2004, § 160 et seq., or vehicle types that are exempted from titling requirements, the owner of every ~~motor~~ vehicle registered in this state shall possess an Oklahoma certificate of title as proof of their ownership of such vehicle.

710:60-5-4. Multiple owners

- (a) When multiple owners are listed on vehicle ownership documentation, whether a title document or ownership assignment document, and there is no distinction as to whether ownership is to be joined by 'and', 'and/or', or 'or', the resulting Oklahoma title is to be issued reflecting ownership joined by 'and'.
- (b) When transferring ownership from a title document which lists multiple (former) owners, the following assignment guidelines apply:
 - (1) When ownership is joined by 'or' or 'and/or', any one of the owners may assign ownership.
 - (2) When ownership is joined by 'and', all owners are required to assign ownership.
- (c) When multiple owners are listed, followed by "WROS" (With Rights of Survivorship), the rules under (a) and (b) above apply.
- (d) When ownership is listed as two names, followed by "TOD" (Transfer Upon Death), the first name listed will be considered the primary (unconditional) owner and the second name listed as the secondary (conditional) owner. The secondary owner may obtain ownership only in the event of the primary person's death (upon presentation of the death certificate). The secondary owner has no other ownership claim to the vehicle. As long as the primary owner remains alive, he/she can assign ownership of the vehicle at any time, with no signature or documentary approval of the secondary owner required.
- (e) Effective November 1, 2016, the transfer-upon-death provisions provided for in 47 O.S. § 1107.5 may be utilized as an alternative to placing the TOD designation on a title. [See: OAC 710:60-5-77]

PART 5. CERTIFICATES OF TITLE

710:60-5-55. Junked titles

- (a) **Junked title defined.** A junked vehicle is any vehicle which is incapable of operation or use on the highway, has no resale value except as a source of parts or scrap and has an eighty percent (80%) loss in fair market value.
- (b) **Out-of-state junked titles; junked title permanent classification.** Any vehicle which is a junked vehicle or is specified as a junked vehicle or the equivalent thereof on a certificate of title from another state is to receive an Oklahoma Junked Title. Once a Junked Title is issued on a vehicle, it will remain as such permanently.
- (c) **Procedure for cancellation of title for junked vehicle.** The owner of any vehicle which is incapable of operation or use on the public roads and has no resale value except as parts, scrap or junk, may deliver the certificate of title to the Oklahoma Tax Commission, accompanied by an Affidavit for Cancellation of Oklahoma Title (OTC Form 701-8). Upon verification that any perfected lien against the vehicle has been released and the registration is current, the certificate of title shall be cancelled. There is no charge to the vehicle owner for this cancellation. If unable to cancel the title, an explanation will be returned to the submitting owner.

- (d) **Subsequent transfer of ownership of vehicle for which title has been cancelled.** Once a title is cancelled, no subsequent title or registration may be issued. Any subsequent transfers of ownership will be done so on a certificate of ownership (OTC Form 766). The format of this certificate is prescribed by the Oklahoma Tax Commission and furnished to all motor license agencies. Any form which contains all the information listed on the Oklahoma Tax Commission form will be acceptable.
- (e) **Inspection for absence of vehicle identification number.** If there is no public VIN on the vehicle, it shall be inspected by a law enforcement officer to verify the absence of the number and the corresponding statement shall be signed by the officer on the certificate of ownership.
- (f) **Transfer of ownership for vehicles over ten model years old, or vehicles being sold to a scrap metal dealer, for which title is lost, cancelled or not available.** Any vehicle over ten model years old which is not roadworthy and not capable of repair for operation or use on the roads and highways, or a vehicle which is being sold to a scrap metal dealer pursuant to 2 O.S. § 11-92, and on which the certificate of title has been lost, cancelled or otherwise not available, shall also transfer ownership by use of the certificate of ownership. Use of this transfer of ownership form will result in cancellation of the Oklahoma title, if it has not already been done. Unless being sold to a scrap metal dealer as referenced above, if the vehicle is ten (10) model years or newer, a certificate of ownership may not be utilized unless the title has previously been cancelled.
- (g) **Procedure for transfers by use of certificate of ownership.** This certificate of ownership will be a three part form. The buyer and seller shall each retain a copy and within thirty (30) days of the transaction, the seller shall submit one copy to the Oklahoma Tax Commission or a motor license agent with the applicable fee. All requests for ownership transfer via certificate of ownership must be reviewed and approved by the Commission before processing. The Commission shall review the documentation and vehicle record to ensure the owner of record has submitted a properly completed certificate on an eligible vehicle. The record will be checked against NCIC files for the presence of a stolen vehicle record. If a stolen vehicle report is on file, the appropriate law enforcement agency will be contacted and the transaction will remain on hold, pending that agency's response. If an active lien is on file and the transaction is approved, the lienholder will be notified of the certificate of ownership transfer. If the transaction is not approved, an explanation will be returned to the submitting buyer and seller.

PART 7. TRANSFER OF TITLE

710:60-5-77. Transfer of title upon death

- (a) **Intestacy; transfer to surviving spouse.** When a person dies intestate leaving a vehicle, that vehicle becomes the property of the surviving spouse, if any. If the decedent held title to more than one (1) vehicle, the surviving spouse may choose one (1) vehicle. If there are additional vehicles, or there is no surviving spouse, the vehicles may be distributed by

Permanent Final Adoptions

the law of descent, upon submission of a properly completed **No Administrator Affidavit** (OTC Form 798) and the death certificate of the deceased vehicle owner. (See: 84 O.S. § 232),

(b) ~~**Transfer by third party; required authorization.** An assigned title which has been assigned by some person other than the person shown on the face of the title must be accompanied by some form of authorization for assignment. This may be a Power of Attorney, Court Order or authorization by an Executor or an Administrator of an estate.~~ **Testate.** When a decedent has left a Last Will and Testament, the will must be probated before any action may be taken regarding disposition of any vehicle owned by the deceased, unless the value of the estate is not more than \$50,000.00. Upon probate of the will, letters testamentary are ordinarily issued by the court, naming the individual or individuals responsible for administering the estate. The named administrator(s) may assign vehicle ownership on behalf of the deceased owner.

(1) **Transfer by power of attorney.** When transferring a title where assignment has been made by Power of Attorney, the Power of Attorney (POA) must be surrendered with the assigned title. When transferring a title where the assignment has been completed by the administrator or executor of an estate, a certified copy of the letters testamentary, naming that individual as executor or administrator for the deceased's estate, is required to be submitted by the title applicant as supporting documentation for the title transaction.

(A) An original copy must be presented. Faxes or photocopies are unacceptable.

(B) The POA must be notarized, if from a notary state

(C) If a general POA (not restricted to a specific vehicle or transaction), the original, or a certified copy of the original, must be presented to the motor license agent. The motor license agent may make a photocopy of the original for submission to OTC.

(D) If a specific POA (restricted to a specific vehicle or transaction), the original, or a certified copy of the original, must be surrendered and submitted to OTC.

(E) A POA may not be utilized if the grantor is deceased.

(2) **Transfer by court order.** When transferring a title when assignment is completed by the administrator or executrix of an estate, a Court Order must be presented authorizing the sale of the motor vehicle being transferred. If not a qualifying family excise tax exempt transfer pursuant to 68 O.S. §2103(C), excise tax is exempt only if a copy of the probated will is provided, naming the applicant as the recipient of that specific vehicle.

(c) **Estate valued at no more than ~~\$20,000.00~~\$50,000.00.** When a decedent has left a will, but the value of the estate does not exceed ~~Twenty~~Fifty Thousand Dollars (~~\$20,000.00~~)(\$50,000.00), ownership of any vehicle(s) bequeathed in the decedent's will may be transferred to the successor of interest by completing a Small Estate Affidavit. (See: 58 O.S. § 393). In addition to the Affidavit, the following must be submitted:

- (1) A copy of the decedent's death certificate.
- (2) A copy of the decedent's unprobated will, naming the applicant as beneficiary of the vehicle.
- (3) Either the title certificate in the decedent's name, or evidence from the Tax Commission vehicle title files that such a title record exists.

(d) **Transfer-on-death notice.** Effective November 1, 2016, the title of a motor vehicle that is not subject to any lien or other encumbrance may be transferred by filing with the Tax Commission a transfer-on-death (TOD) notice, signed by the transferor and designating the transferee. Such notice shall transfer ownership of the vehicle to the transferee upon the death of the transferor.

(1) The notice shall include:

(A) The vehicle identification number of the vehicle;

(B) The number of the license plate issued to the vehicle, if any;

(C) The full name and address of the transferor;

(D) The full name and address of the transferee; and

(E) The signature of the transferor. The signature or consent of or notice to the transferee shall not be required for any purpose during the lifetime of the transferor.

(2) The completed notice may be submitted to the Tax Commission by the transferor/owner at any time, to be recorded in the vehicle record file. The transferee designation may be revoked or changed at any time prior to the death of the transferor by filing an amended notice with the Commission. The transferee may disclaim any ownership interested in the vehicle by filing an amended notice with the Commission.

(3) Transfer-on-death notice is subject to the following limitations:

(A) TOD notices may be filed on motor vehicles only.

(B) Only the record owner(s), per the motor vehicle title files of the Oklahoma Tax Commission, may file a TOD notice.

(C) Ownership of a vehicle on which a TOD notice is to be filed must be in the name of an individual or individuals.

(D) If current ownership reflects multiple individuals joined by "and", all must sign the TOD filing notice. If joined by "or", any single owner may sign the TOD filing notice.

(E) If current ownership reflects multiple individuals, regardless of whether joined by "and" or "or", all must be deceased before a transfer of ownership to the TOD transferee may be completed.

(F) Ownership on a transfer title issued to the TOD transferee is to be entered exactly as designated by the transferor on the TOD notice filing. Any desired change by the transferee must be accomplished on a separate and subsequent title transaction completed by the transferee.

(G) Excise tax is not to be assessed when issuing title to a TOD transferee.

(H) Filing of a TOD notice will supersede any TOD notation reflected on a previously issued title certificate.

(4) Unless revoked by the transferor or transferee, once a TOD is filed to the motor vehicle record, it will remain in effect until the resulting transfer of ownership to the transferee is completed, or until another event precipitating cancellation of the transfer-on-death filing occurs. Presentation of deceased transferor's Last Will and Testament reflecting other disposition of the vehicle does not cancel the TOD notice filing. TOD notice cancelling events include:

(A) Transfer of ownership of the vehicle by the transferor owner.

(B) Transfer of ownership of the vehicle by court order, sheriff's sale, or possessory lien action.

(C) Transfer of ownership of the vehicle by issuance of a repossession title

(D) Subsequent filing of a TOD notice by the owner/transferor, which will replace any previously filed notice.

(E) Presence of active lien on the vehicle record at time transferee files an affidavit to accept title to the vehicle following death of transferor.

(F) Cancellation of the Oklahoma title resulting from notice of subsequent titling of vehicle in another state.

(G) Death of transferee prior to transferor. In the event transferee's death follows transferor's, but before a transfer of vehicle ownership to the transferee has been completed, transferee's ownership interest in the vehicle belongs to the transferee's estate.

(5) To accept the certificate of title of a motor vehicle pursuant to a properly filed transfer-on-death notice, the designated transferee shall execute an affidavit verifying the death of the transferor owner and submit the affidavit, along with a copy of the death certificate of the owner and appropriate transfer fees, to the Tax Commission. Following review of the documentation and confirmation no active liens are present on the vehicle file, a transfer title will be issued to the transferee.

710:60-5-79. Transfer of ownership by third party

A title that has been assigned by a person other than the owner reflected on the face of the title must be accompanied by some form of authorization for the assignment. Such authorization may be a power of attorney or court order.

(1) **Transfer by power of attorney.** When transferring a title where assignment has been made by power of attorney, the power of attorney (POA) must be presented with the assigned title.

(A) Unless otherwise noted below, an original copy, or a certified copy of the original must be surrendered. Faxes or photocopies are unacceptable.

(B) The POA must be notarized, if from a notary state

(C) If a general POA (not restricted to a specific vehicle or transaction), the original, or a certified copy of the original, must be presented to the motor license agent. The motor license agent may make a photocopy of the original for submission to OTC and return the original to applicant.

(D) If a specific POA (restricted to a specific vehicle or transaction), the original, or a certified copy of the original, must be surrendered to the motor license agent.

(E) A POA may not be utilized if the grantor is deceased.

(2) **Transfer by court order.** When transferring a title pursuant to a court order, a certified copy of the court order authorizing the transfer must be surrendered.

PART 11. LIENS

710:60-5-111. Perfecting liens

(a) **Documents required for perfecting lien.** To perfect a lien, either an Oklahoma title, or an Application for Oklahoma Title accompanying a properly assigned Manufacturer's Statement of Origin or out-of-state ownership document, must be presented, along with a completed Lien Entry Form. If the lien is being perfected on behalf of a transferee who has yet to obtain ownership in their name, the title presented must be properly assigned to that transferee before a lien may be perfected.

(b) **Lien form must be legible.** To be acceptable, all lien entry forms must be clearly legible, as determined by the Tax Commission.

(c) **Secured party information.** The secured party must have completed his part of the form, particularly the signature and date of execution. Strikeovers and off line printing are not acceptable.

(d) **Title to conform to lien entry form.** The name of the secured party will be entered on the face of the secured title exactly as it appears on the lien entry form.

(e) **Title receipt reflecting lien to be issued; fees.** When recording a lien on a registered vehicle, boat or motor used as collateral, a title must be issued to reflect the lien. A title fee, in addition to the lien fee, will be assessed.

(f) **Reassignment of lien.** A secured party may file a reassignment of a lien to another secured party by submitting to the Oklahoma Tax Commission Motor Vehicle Division a release of the initial lien, as well as a lien entry form and filing fees for the lien reassignment. The lien entry form is to state it is a reassignment of an existing lien. Upon receipt of proper documentation and payment, the Motor Vehicle Division will enter the new lien information to the vehicle record, reflecting the same effective date as the initial lien.

(g) **Certain liens not perfectible under Motor Vehicle Code.** Lien entry forms cannot be accepted on any vehicle that cannot be issued an Oklahoma Certificate of Title. As an example, farm tractors or mobilized farm machinery cannot be issued a title. A lien cannot be perfected under the Motor Vehicle Code because a title will never be issued.

SUBCHAPTER 7. MOTOR VEHICLE EXCISE TAX

710:60-7-3. Excise tax levy and exemptions

(a) **General levy on transfer of legal ownership.** Excise tax is levied on every exchange of legal ownership on any vehicle registered or being registered in Oklahoma unless a specific tax exemption applies.

(b) **Exemptions.** Following is information on some of the more frequently encountered exempt situations:

(1) **Husband and wife; parent and child.** Only transfers made without consideration between husband and wife, parent and child, or vice versa, are exempt. A Family Affidavit (Form 794) must be included with the other supporting documentation and is to be attached to the Title documentation. This exemption does not apply to transfers between in laws or grandparents to grandchildren.

(2) **Out-of-state residence and registration; nonresident military.** Any vehicle brought into Oklahoma by a person formerly living in another state is exempt, if the person owned and registered the vehicle in such other state of his residence at least sixty (60) days prior to the time it is required to be registered in Oklahoma. Nonresident members of the Armed Forces stationed in Oklahoma may register their vehicle without excise tax if the vehicle has been registered by them in another state (60 day limit does not apply).

(3) **Governmental entities.** Any vehicle is exempt if registered by the State of Oklahoma or any political subdivision thereof. Additionally, vehicles leased by a county, municipality, or a school district are exempt from the excise tax.

(4) **Title by inheritance.** Any vehicle on which legal ownership was obtained by inheritance is exempt from the levy of the excise tax.

(5) **Certain transfers of corporations and partnerships.** Legal ~~Ownership~~ownership of vehicles obtained by transfer as set out in Section 2105(9) of Title 68 may also be exempt.

(6) **Moped.** A motorized bicycle (moped) is exempt if sales tax was paid.

(7) **Rural water districts.** A Rural Water District is exempt.

(8) **Rural electric cooperatives.** A Rural Electric Coop is exempt.

(9) **Federal reserve banks.** Federal Reserve Banks are exempt.

(10) **Vehicles registered under International Registration Plan.** Transfer of vehicles registered under the International Registration Plan between lessor and lessee at the termination of the lease are exempt from the excise tax.

(11) **Short term rentals by rental companies.** Vehicles acquired by rental companies not to be rented for terms of more than 90 days may be registered and titled by the rental agency exempt from excise tax. An Oklahoma title branded "Rental Vehicle" will be issued. If the vehicle is sold less than one (1) year from date of issuance

of the title, the rental agency must pay the excise tax that would have been due on the vehicle, plus a 20% penalty before transferring the vehicle, unless the vehicle is being transferred to the manufacturer or its financing company, to a franchised dealer of the same line/make of the vehicle to be transferred, or to anyone, if the vehicle is in a salvage condition (salvage or junk title).

(12) **Foreclosure of lien or mortgage; insurance contracts.** Any vehicle, the ownership of which was obtained by the lienholder or mortgagee under or by foreclosure of a lien or mortgage in the manner provided by law or to the insurer under subrogated rights arising by reason of loss under an insurance contract, is exempt from excise tax.

(13) **New vehicles registered by new car dealers.** A new vehicle registered by a new vehicle dealer is exempt for a period of four (4) months.

(14) **Insurance companies.** An insurance company may obtain title to a vehicle on which they paid a loss exempt from excise tax.

(15) **Revocable trusts.** Transfers made without consideration between an individual and an express trust which that individual or the spouse, child or parent of that individual has a right to revoke are exempt.

(16) **Limited liability companies.** A limited liability company is a combination of a corporate and a partnership business organization structure. Excise tax exemption applies to the following transfers:

(A) Transfers to the limited liability company if former owners are members of the limited liability company and the interest in the company is in proportion to interest in the vehicle prior to the transfer. A notarized bill of sale indicating such will be required as supporting documentation.

(B) Transfers of ownership from a limited liability company to members when a dissolution is made. A notarized affidavit indicating such is required.

(17) **Vehicle lease or lease-purchase agreements.** Transfers of ownership of a vehicle acquired by a lessee are exempt from excise tax, provided the vehicle excise tax was paid at the time of the initial lease or lease-purchase agreement and an Oklahoma title was issued.

(18) **Fire Protection Districts.** Vehicles acquired by a Fire Protection District are exempt from the levy of excise tax.

(19) **Exemption for disabled veterans in receipt of compensation at the one hundred percent rate.** Persons who have been honorably discharged from active service in any branch of the Armed Forces of the United States or Oklahoma National Guard, and who have been certified by the United States Department of Veterans Affairs, or its successor, to be in receipt of compensation at the one hundred percent (100%) rate for a permanent disability sustained through military action or accident or resulting from a disease contracted while in such service is exempt from vehicle excise tax for one (1) vehicle in a consecutive three (3) year period, unless the vehicle is a replacement for a vehicle which was destroyed and declared by the insurer to be a total loss claim.

(A) To prove eligibility a disabled veteran must submit either an Oklahoma Tax Commission exemption card with the notation "Sales Tax Exemption:100% Disabled Veteran" or a letter from the United States Department of Veterans Affairs, its successor, or the Armed Forces of the United States, certifying that the veteran is receiving disability compensation at the 100% rate.

(B) In order to qualify for the exemption, the vehicle must have been purchased on or after July 1, 2005 and the name of the eligible disabled veteran must be included as an owner on the vehicle title.

(C) The consecutive three (3) year period computation is to be based upon the actual purchase date of the vehicle(s), as reflected in the ownership assignment date on the MSO or title certificate surrendered to the Commission at time of title application. To qualify for this excise tax exemption, the actual date of purchase of the vehicle must be more than three (3) years removed from the date of purchase of the prior vehicle to which the exemption was most recently applied.

(D) To qualify for an excise tax waiver under the total loss claim exception to the three (3) year restriction, documentation confirming the insurer's total loss claim declaration must be presented for review and approval by the Tax Commission.

(20) **Exemption for repossessed vehicle transferred back to former owner.** Ownership of a vehicle transferred by the reposessor back to the former Oklahoma title record owner(s) within thirty (30) days of issuance of the repossession title.

(A) Ownership must be identical to that reflected in the Oklahoma title record immediately prior to issuance of the repossession title. Ownership (as assigned by the reposessor) may reflect an additional name without the assessment of excise tax only if an exemption exists between the owners. Otherwise, any change in ownership will result in the assessment of excise tax.

(B) Title assignment to the former owner(s) must be completed within thirty (30) days of issuance of the repossession title.

SUBCHAPTER 9. MOTOR VEHICLE LICENSE AGENTS/AGENCIES

PART 7. SPECIFIC REPORTING DUTIES

710:60-9-72. Semimonthly reporting procedure

(a) **Semimonthly reports.** Each motor license agent must submit semimonthly reports to the Tax Commission to properly account for all funds, regardless of source, received by a motor license agent in the performance of the agent's duties.

(b) **Closing dates for report preparation.** Reports are to be ended on the fifteenth (15th) and the last day of each month. Report summary pages are to be generated from the computer

system and included with the required report transaction documentation. Driver license transaction reporting guidelines are established by the Department of Public Safety. IRP (International Registration Plan) transaction reporting guidelines are established by the Corporation Commission.

(c) **Transaction documents.** Semimonthly report transaction documentation is to be prepared and submitted to the Oklahoma Tax Commission in a manner outlined by the Motor Vehicle Division. The Division shall communicate any report preparation procedural changes to motor license agents in a timely manner.

(d) **When reports due; penalties for late report.** All agents are to prepare semimonthly reports to be filed with the Oklahoma Tax Commission no later than the first (1st) day of the month for the report ending on the fifteenth (15th) day of that month and the fifteenth (15th) day of the following month for the report ending on the last day of a month. When a report due date falls on a Saturday, Sunday, state holiday or federal holiday, the next business day becomes the due date for that report. If not postmarked by the due date, a penalty of 1% of the gross amount of the report shall be assessed. The penalty increases to 3% should the report not be postmarked within 5 days of the due date.

(e) **Sufficiency of semimonthly reports.** To comply with the reporting requirement, the reports filed with the Oklahoma Tax Commission must include system generated remittance pages, Department of Public Safety driver license transaction report summary (when applicable), Oklahoma Corporation Commission IRP transaction report summary (when applicable) and all supporting individual transaction documentation. Any such semimonthly report that does not include these minimum requirements shall not constitute the mandatory report. In the event a proper semimonthly report is not filed on or before the due dates, in accordance with (d) of this Section, the report shall be delinquent.

PART 9. SPECIFIC FISCAL DUTIES

710:60-9-94. Procedures for reporting and collecting dishonored checks on OTC transactions

The following procedures should be followed in the event a check deposited by a motor license agent is returned unpaid.

(1) **Notice of dishonored check.** The bank should notify the agent that they are holding an unpaid item. The agent must make two (2) attempts to redeem the check through the depository bank. Should the bank refuse to accept the dishonored check a second (2nd) time, it shall be treated as if two (2) attempts were made. The agent shall retrieve the check immediately from the bank utilizing one of the following methods:

(A) The agent may utilize current funds due the OTC to reimburse the bank for the dishonored check and immediately forward the check and supporting documentation to the Commission for review and credit. If not received by the Commission within five (5) business days of retrieval, the OTC funds utilized will be considered delinquent and the delinquent

Permanent Final Adoptions

depositing penalties outlined in 47 O.S. § 1142 shall apply.

(B) The agent may utilize personal funds to reimburse the bank for the dishonored check and attempt collection from the taxpayer for a period of thirty (30) days, as set forth below.

(2) **Procedure for collection of dishonored check; applicable penalties; taxpayer liability.** An initial returned check fee of \$25.00 is to be charged to the maker of a dishonored check, after an attempt has been made to deposit the check twice. Should payment for the check be subsequently collected by any motor license agent, that agent may retain the \$25.00 returned check fee. Any accrued penalty to date of collection is to be assessed. The taxpayer is notified to remit payment immediately to the tag office. If the agent's collection attempts on a check retrieved from the depository bank with personal funds are unsuccessful, the agent shall send to the Oklahoma Tax Commission the dishonored check, agent's file copies of documents on which the check was issued, and a copy of the notification to the taxpayer within thirty (30) days of retrieval from the depository bank. Upon receipt of the required documentation, the Commission will issue credit to the agent's account in the full amount of the check. ~~The security verification form is to be retained in the tag office along with photocopies of all transaction and correspondence documents issued.~~ Copies of all transaction and correspondence documentation is to be retained in the motor license agent's office. In the event the taxpayer returns all items issued by the motor license agent, the insufficient check is not to be returned to the taxpayer, or the transaction cancelled by the agent. Return of these items does not relieve the taxpayer of responsibility to remit the proper fees to the State of Oklahoma.

(3) **Subsequent tender of payment.** After the documents and dishonored check have been forwarded to the Motor Vehicle Division, the agent shall not accept payment from the registrant without contacting the Division for instructions.

(4) **Tag license plate or decal may be held.** The motor vehicle agent may hold a ~~tag license plate~~ or decal until the taxpayer's check has cleared the bank.

(5) **Dishonored checks to be forwarded to the Oklahoma Tax Commission; time limits.** Dishonored checks for which the agent utilizes OTC funds to retrieve from the depository bank are to be forwarded immediately to the Oklahoma Tax Commission, along with the documentation required by the Commission to record and confirm date of retrieval from the depository bank. Information relating to any dishonored check retrieved with OTC funds is to be timely entered to the MLA deposit entry program, in the manner outlined by the Commission. All dishonored checks retained by the agent for attempted collection and for which payment is not received are to be sent to the Oklahoma Tax Commission no later than thirty (30) days after the date picked up from the bank. Further delays in processing may prevent collection.

(6) **Purchaser not responsible.** The purchaser of a vehicle shall not be required, as a condition for registration

of the vehicle, to pay any tax, fee or penalty due resulting from a dishonored check submitted by the previous owner.

PART 11. AGENCY OPERATION

710:60-9-120. Summary of operational requirements

The following is a summary of operational requirements for agents and agencies:

(1) Agents are required to operate the agency forty (40) hours a week, of which at least four (4) hours are after normal business hours or on Saturday. The number of operating hours required of a specific agency may be reduced upon written approval from the Oklahoma Tax Commission.

(2) Agents are required to collect fees as outlined by state statute, and issue all documents (i.e. license plates, registration decals, title certificates) prescribed by the Oklahoma Tax Commission. Additionally, an agent must issue all titles and liens, boats and motors titles - registrations, etc., prescribed by the Oklahoma Tax Commission.

(3) Agents are required to deposit all monies required by the Commission into the designated Oklahoma Tax Commission bank account within one (1) banking day of collection, preparing an Advice of Deposit which is to be submitted to the Oklahoma Tax Commission in the manner prescribed by the Commission.

(4) Agents are required to prepare semimonthly reports to be received by the Oklahoma Tax Commission within the time frame outlined in Section 710:60-9-55.

(5) Agents must perform all necessary inspections required by the Oklahoma Tax Commission motor license agents manual.

(6) Agents are required to provide a notary within their agency.

(7) Agents are required to insure that all transactions are processed and entered to the Oklahoma Tax Commission computer system on a daily basis.

(8) The Advice of Deposit shall be submitted to the Oklahoma Tax Commission, Motor Vehicle Division in the manner prescribed by the Commission. Advice of Deposit information is to be entered to the Oklahoma Tax Commission MLA deposit entry system immediately following depositing of the funds.

(9) Agents are responsible for errors in tax computations and/or fee computations and collections as determined by the Commission.

(10) A motor license agent shall follow the process and procedures set forth in Section 710:60-9-94 for reporting and collecting dishonored checks on Tax Commission transactions. (11) Agents are required to maintain files of all receipts and required reports issued by their office, including those of a former agent, if applicable, for at least two (2) years. ~~Transaction receipts are to be maintained in ascending receipt number order.~~

(12) Agents must pay or account for all missing items identified by an inventory audit.

(13) Agents shall not issue license plates, registration decals, receipts, or any type of document until payment of all applicable taxes and fees has been received in full. Payment may be made by cash, money order, personal or company check, cashier's check, or by a nationally recognized credit or debit card. The Tax Commission shall determine which nationally recognized credit or debit cards will be required to be accepted by motor license agents, ensuring no loss of state revenue results from their use. All checks and money orders are to be made payable to the Oklahoma Tax Commission.

(14) Agents are required to maintain strict compliance with the Motor Vehicle Licensing and Registration Act and with the rules, regulations, fee schedule, and procedures as set forth in the Motor License Agents Manual of Procedure and instructional material periodically issued by the Tax Commission.

(15) Agents are responsible for keeping abreast of, as well as implementing, statutory and procedural changes and instructions issued by the Tax Commission. Annual area schools conducted by the Commission are an important component in disseminating such instruction. Area school attendance is not mandatory, unless specifically mandated by the Commission, but is strongly encouraged.

(16) Agents are required to post the Public Notice Fee Chart, in addition to any other required public notices provided by the Tax Commission, in a conspicuous location in the agency.

(17) All customers' checks are to be made payable to: Oklahoma Tax Commission. One of the following identifying numbers must be listed on the face of the check: the remitter's driver license number, or a Department of Public Safety identification number.

(18) Motor license agents are authorized to perform additional duties as directed by the Tax Commission, in compliance with Oklahoma statutory guidelines.

(19) Agents must maintain a clean, orderly office environment, conducive to taxpayer service.

(20) Agents shall comply with Oklahoma Tax Commission policies relating to the provision and maintenance of equipment furnished by the Commission.

GIST/ANALYSIS:

Section 710:65-1-8 has been amended to implement the provisions of Section 2 of HB 2531 which modified the definition of *maintaining a place of business* contained in the Oklahoma Sales Tax Code attributing nexus to vendors for purposes of the requirement to collect and remit Oklahoma sales tax based on actions and operation of affiliated businesses.

Section 710:65-7-8 has been amended to state policy in accordance with Oklahoma's membership as a Streamlined Sales and Use Tax state regarding the information which must be obtained by a vendor from a purchaser claiming a resale exemption for sales tax purposes in order to be relieved from liability to collect sales tax.

Section 710:65-11-1 has been amended to clarify the procedure for credit/refund requests by a purchaser.

Section 710:65-13-70 has been amended to reflect the applicable statutory provisions governing refunds to contractors due to a change of sales tax rate.

Section 710:65-13-155 has been amended to reflect the applicable statutory provision governing protest procedures.

Sections 710:65-13-170 and 710:65-13-171 have been amended to clarify the exempt treatment of sales of prosthetic devices for use by an individual.

Section 710:65-13-356 has been amended to correct obsolete references to the form currently utilized to claim a sales or use tax refund.

Section 710:65-19-268 has been amended for clarification purposes to make specific reference to valet parking.

Section 710:65-21-8 has been amended to outline the additional requirements placed on non-collecting retailers pursuant to the passage of Section 4 of HB 2531.

Lisa R. Haws, Tax Policy Analyst, Tax Policy and Research Division, Oklahoma Tax Commission, 2501 North Lincoln Boulevard, Oklahoma City, Ok 73194, 405-521-3133.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S.,

Permanent Final Adoptions

SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 1. GENERAL PROVISIONS

710:65-1-8. Established place of business; maintaining a place of business

(a) "Established place of business" defined.

(1) An "established place of business" means a location at which:

(A) Any person regularly engages in, conducts, or operates a business:

- (i) in a continuous manner,
- (ii) for any length of time,
- (iii) that is open to the public during hours customary for the type of business; and

(B) Merchandise for resale is maintained, and not exempted by law from attachment, execution, or other species of forced sale barring any satisfaction of any delinquent sales tax liability.

(2) A location used in conducting a hobby is not considered an "established place of business" even though occasional taxable sales are made from the location; i.e., a garage set up as a wood working shop. The occasional sales are taxable and are to be reported by the seller on a sales tax report as casual sales.

(b) "Maintaining a place of business" defined. "Maintaining a place of business in this state" means and includes the following shall be presumed to include:

(1) ~~Having~~Utilizing or maintaining in this state, directly or through subsidiary;~~the operations outlined in (A) through (E) of this paragraph whether owned or operated by the vendor or any other person, other than a common carrier acting in its capacity as such.~~

- (A) an office (to include a home office),
- (B) a distribution house,
- (C) a sales house (such as a shop or store),
- (D) a warehouse (could be in a home's garage), or
- (E) any other physical place of business (a hot dog stand on wheels, a barbecue wagon parked on the roadside, or an ice cream truck traveling a route); or

(2) Having agents operating in this state such as salesmen, brokers, or wholesale buyers; ~~or~~

~~(3A)~~ Whether the place of business, or agent is within this state temporarily (traveling salesman, buyers for out-of-state firms) or permanently (shop or store in a mall); or

~~(4B)~~ Whether the person is authorized to do business within this state. Example: A broker, who is self-employed, operates his business from an office he has established in a spare bedroom of his home in this state. He does not have an "established place of business" but he does "maintain a place of business in this state." [See: 68 O.S. §§ 1352(10), (13); 1401(10)]

(3) The presence of any person, other than a common carrier acting in its capacity as such, that has substantial nexus in this state and that:

(A) sells a similar line of products as the vendor and does so under the same or a similar business name,

(B) uses trademarks, service marks or trade names in this state that are the same or substantially similar to those used by the vendor,

(C) delivers, installs, assembles or performs maintenance services for the vendor,

(D) facilitates the vendor's delivery of property to customers in the state by allowing the vendor's customers to pick up property sold by the vendor at an office, distribution facility, warehouse, storage place or similar place of business maintained by the person in this state, or

(E) conducts any other activities in this state that are significantly associated with the vendor's ability to establish and maintain a market in this state for the vendor's sale.

(4) The presumptions in paragraphs (1) and (2) of subsection (b) may be rebutted by demonstrating that the person's activities in this state are not significantly associated with the vendor's ability to establish and maintain a market in this state for the vendor's sales.

SUBCHAPTER 7. DUTIES AND LIABILITIES

710:65-7-8. Vendors' responsibility - sales for resale

~~In the case of sales for resale, items set out in this Section written certification containing the purchaser's name, address, type of business, sales tax permit number, and the signature of the purchaser are required to establish properly completed documentation:~~

~~(1) A copy of the purchaser's sales tax permit, or if unavailable, the purchaser's name, address, sales tax permit number, and its date of expiration. If a copy of the sales tax permit is unavailable, and if the information provided has not been previously verified, it must be verified by either calling the Taxpayer Assistance Division or by reference to the sales tax permit list obtained pursuant to OAC 710:65-9-6;~~

~~(2) A statement that the articles purchased are purchased for resale;~~

~~(3) The signature of the purchaser or a person authorized to legally bind the purchaser;~~

~~(4) Certification on the face of the invoice, bill or sales slip or by a separate document, that says the purchaser is engaged in reselling the articles purchased; and,~~

~~(5) In cases where purchases are made on regular basis, and the certification indicates that all purchases are for resale, then subsequent purchases may be made without further certification until the expiration date of the permit.~~

SUBCHAPTER 11. CREDITS AND REFUNDS

710:65-11-1. Sales tax credits and refunds

(a) Credits, other than for bad debts discussed below, may not be taken on the sales tax reporting form until or unless a valid letter of credit has been received from the Commission. The burden of establishing the right to, and the validity of, a credit or refund is on the vendor or purchaser claiming the credit or refund.

(b) ~~Credit/refund requests should be documented with the following information~~ submitted by a vendor shall include the information set out in paragraphs (1) through (8) of this subsection (if applicable); ~~The application for credit may be obtained from the Oklahoma Tax Commission, 2501 N. Lincoln Boulevard, Oklahoma City, OK 73194, or online at www.tax.ok.gov.~~

(1) A written detailed explanation of why the credit/refund is due. (Include exemption numbers and/or an explanation on exempt customers.)

(2) Amended reports detailing the correct figures that should have been reported. (A worksheet may be used in lieu of an amended report for each month involving an extended period.)

(3) Copies or a list of the sales tax reports on which the sales were originally reported.

(4) Copies of cancelled checks used to remit the tax paid.

(5) Copies of the original invoices on which the tax was originally charged. If the number of invoices exceeds twenty-five (25), the invoices must be accompanied by an electronic spreadsheet of the invoices associated with the refund claim that relates back to the tax amount requested on the application for credit. The required fields should accurately list the customer name, invoice date, invoice number, description of the items, the taxable amount, the sales/use tax requested, period the tax was remitted, permit number the tax was remitted under, and the jurisdiction(s) for which the tax was paid.

(6) Copies of the credit invoices or checks showing the tax collected or charged in error has been refunded to your customer.

(7) A recap of the credit/refunds by tax type, tax period, and taxing jurisdiction.

(8) Other documentation which may be pertinent to the requested credit/refund. ~~[See: 68 O.S. §227]~~

(c) Credit/refund requests submitted by a purchaser shall include the information set out in paragraphs (1) through (5) of this subsection (if applicable). The application for credit may be obtained from the Oklahoma Tax Commission, 2501 N. Lincoln Boulevard, Oklahoma City, OK 73194, or online at www.tax.ok.gov.

(1) The name, address, telephone number of the contact person along with the name, address, telephone number and at least the last four digits of the purchaser's identification number.

(2) A written detailed explanation of why the credit/refund is due. Such explanation must contain sufficient factual information about the transaction and reason why the transaction is not subject to tax. (Include exemption number, if applicable)

(3) Copies of the original invoices included in the refund request, in chronological order, from the oldest to the most current. If the number of invoices exceeds twenty-five (25), the invoices must be accompanied by an electronic spreadsheet of the invoices associated with the refund claim that relates back to the tax amount requested on the application for credit. The required fields should accurately list the vendor name, invoice date, invoice number, description of the items, the taxable amount, the sales/use tax requested, period the tax was remitted, permit number the tax was remitted under, and the jurisdiction(s) for which the tax was paid.

(4) Additional documents which support the refund claim, for example: executed contracts, shipping documents or bills of lading, or documentation reflecting usage of tangible personal property, if not evident from the invoice description.

(5) If the amount of the credit/refund request exceeds \$10,000.00, the purchaser must also provide the following:

(A) A statement from each vendor to whom the purchaser paid the tax setting forth each invoice included in the claim.

(B) The amount of state, city and/or county tax collected from the purchaser and reported by the vendor and the local jurisdiction(s) for which the tax was paid.

(C) The date on which the tax was remitted to the Tax Commission, and

(D) A statement that the vendor has not, and will not, refund the tax to the purchaser.

SUBCHAPTER 13. SALES AND USE TAX EXEMPTIONS

PART 13. CONTRACTORS REFUND; CHANGE OF RATES

710:65-13-70. Refund to contractor due to change of sales tax rate

(a) **Terms and limitations.** Any contractor who becomes liable for additional sales tax because of an increase in the rate of state, municipal, or county sales tax subsequent to the date a contract is executed is entitled to a refund of the additional sales taxes paid on property, equipment and services necessary to complete the contract due to the increase in rate. Provided however:

(1) The contractor must have a contract for the development or improvement of real estate which requires the purchase of materials, supplies, and equipment by the contractor to complete the contract.

(2) The contract must be a lump sum contract rather than a contract which provides for or permits the pass through of the additional tax to contracting entity.

(3) Subsequent to the date the contract was executed a state law increasing the rate of sales tax imposed by Sales

Permanent Final Adoptions

Tax Code or an ordinance increasing the sales tax levy of a political subdivision becomes effective.

(4) The contractor makes purchases of materials, supplies and equipment required under the contract paying the increased rate of sales tax.

(5) Only those purchases of materials, supplies and equipment required to be made to complete the contract and affixed to or used to improve the real estate will qualify for the refund.

(b) **Rates in effect.** The rates in effect at the time the contract is entered will be applicable to purchases made pursuant to the contract or any change order under the contract until the earlier of:

(1) The contract or any change order has been completed, accepted and the contractor has been discharged from any further obligation under the contract or change order; or

(2) Two (2) years from the date on which the contract was entered.

(c) **Application.** In order to receive a refund ~~the contractor,~~ within the time prescribed in ~~Section 227 of Title 68 subsection~~

(f), the contractor must file the "Contractor's Application for Sales Tax Refund" on forms available from the Commission. The form may be submitted on an annual basis for purchases made the preceding year or upon completion of the contract. The following documentation must be supplied:

(1) A copy of the contract which qualifies the contractor for the lower sales tax rate.

(2) A separate schedule for each vendor detailing purchases made by invoice date, number, amount, and distribution of tax paid certified by the vendor.

(3) A summary sheet certified by the contractor which details those invoices on which the higher sales tax rate was paid.

(d) **Computation.** All vendor's remittances will be considered timely filed, therefore, the contractor's refund will be reduced by the remuneration in effect at the time the sale was made.

(e) **Documentation, forms, certification.** Before the Commission will process any refund due to change of rate, the contractor must supply all forms and documentation required by the Commission. Each vendor must complete the certification for property, materials and supplies the vendor sold to the contractor. The contractor must complete the certification pertaining to all purchases to which the refund provisions are applicable. [See: 68 O.S. § 1354(21)]

(f) **Time limitations.** The contractor shall file a claim for said refund before the expiration of three (3) years from the date of completion of the contract or five (5) years after the contract was entered into, whichever date is earlier.

710:65-13-155. Exemption for sales of tangible personal property to be consumed or incorporated in the construction or expansion of a qualified aircraft maintenance or manufacturing facility

(a) **Qualification.** Sales of tangible personal property to a qualified aircraft maintenance or manufacturing facility to be consumed or incorporated in a new facility or to expand an existing facility are exempt from sales and use tax. For purposes of this exemption, sales made to a contractor or sub-contractor who has previously entered into a contractual relationship with a qualified aircraft maintenance or manufacturing facility for construction or expansion of a facility shall be considered sales made to the qualified aircraft maintenance or manufacturing facility.

(1) For purposes of this exemption "facility" is defined as buildings and land improvements used in maintaining or manufacturing aircraft, except that up to ten percent (10%) of the square feet of such building may be devoted to office space used to provide clerical support for the manufacturing operation.

(2) For purposes of this exemption, "aircraft maintenance or manufacturing facility" is defined as any enterprise whose total cost of construction exceeds the sum of Five Million Dollars (\$5,000,000.00) and which employs at least Two Hundred Fifty (250) new full-time-equivalent employees, as certified by the Employment Security Commission, upon completion of the facility.

(b) **Limitations.**

(1) The exemption pertains only to sales of tangible personal property made after the effective date of the statute. The exemption applies to sales of tangible personal property made to a contractor or sub-contractor to be consumed or incorporated in the construction of a new or expanded facility pursuant to a contract with an aircraft maintenance or manufacturing facility, as well as to sales of tangible personal property made to an aircraft maintenance or manufacturing facility.

(2) No exemption shall be granted if the aircraft maintenance or manufacturing facility fails to file both the documentation required below with the Commission within thirty-six (36) months of first purchase and the required certification issued by the Employment Security Commission within sixty (60) months of first purchase.

(c) **Administration.** Pursuant to statute, the exemption outlined above will be administered as a refund for state and local taxes paid to the vendor or, in the case of use tax, self-remitted to the State of Oklahoma.

(d) **Application process.**

(1) **Application.** All persons who believe that they fall within the exemption provided shall file an Application/Intent to Qualify with the Commission. The Application/Intent to Qualify shall be on forms provided by the Commission and shall include, as attachments, specifications of the new or expanded facility, a complete description of the maintenance, repair or manufacturing that will take place within the facility, and other information requested by the Commission.

PART 29. MANUFACTURING

(2) **Review.** Upon receipt of the Application, the Application will be reviewed by the Commission for completeness and compliance with the exemption. A copy of the Application will be forwarded to the Employment Security Commission for establishment of the entity's base line employment. The applicant will be notified of any action taken regarding the Application by the Commission.

(e) **Claims process.**

(1) **Records required for claim.**

(A) For each purchase made, the entity who believes that it will be certified shall file the following documentation with the Commission on forms provided for that purpose by the Commission:

- (i) Invoice indicating the amount of state and local taxes billed to the aircraft maintenance or manufacturing facility;
- (ii) Affidavit of the vendor of the tangible personal property that state and local sales tax reflected on that invoice has not been credited, rebated, or refunded to the aircraft maintenance or manufacturing facility, but rather, that the sales tax charged has been collected by the vendor and remitted to the Tax Commission. Any number of invoices from the same vendor may be attached to one affidavit so long as the affidavit covers all invoices attached;
- (iii) All additional documentation required to be submitted by the Commission.

(B) In cases where the state and local sales tax was paid by a contractor or sub-contractor who has previously entered into a contract with an aircraft maintenance or manufacturing facility, the aircraft maintenance or manufacturing facility shall file with the Commission the following:

- (i) Invoices indicating the amount of state and local sales taxes billed;
- (ii) An affidavit from the contractor or sub-contractor who made the purchase of tangible personal property stating that the sales tax reflected on the attached invoice is based on state and local sales tax paid by the contractor or sub-contractor on tangible personal property to be consumed or incorporated in a construction of new or expanded aircraft maintenance or manufacturing facility and that the amount of state and local sales tax claimed was paid by the contractor or sub-contractor to the vendor and no credit, refund or rebate has been claimed by the contractor or sub-contractor. Any number of invoices can be attached to an affidavit of a contractor or sub-contractor provided that all invoices attached reflect purchases made by that contractor or sub-contractor and are reflected in the affidavit;
- (iii) Additional documentation required by the Commission.

(2) **Filing claims.** At the option of the entity who believes it will be certified as an aircraft maintenance or manufacturing facility, the documentation can be filed

monthly, quarterly, semi-annually, or annually. However, all documentation must be filed no later than thirty-six (36) months after first purchase is made.

(3) **Review.** The Commission will review the documentation submitted and determine within thirty (30) days whether the refund claimed will be allowed. In the event that the claim is denied, the person who submitted the documentation will be notified by the Commission as to the reason for the denial. The person who submitted the documentation will similarly be notified that a claim has been approved.

(f) **Fiscal procedure.** Each month, the Commission shall transfer from sales tax collected, to an account designated by the Commission, the estimated amount of claims approved by the Commission the previous month.

(g) **Certification process.**

(1) **Application review.** Upon completion of the new or expanded facility and the addition of the employees as required by statute, the person who believes he falls within the exemption shall apply for certification on forms provided by the Commission. Each application for certification shall be reviewed by the Commission for the purpose of determining that the total costs of construction for such facility exceeded the sum of Five Million Dollars (\$5,000,000.00) required by law. During such time that the Commission is reviewing the application for certification, the Commission will forward a copy of the application for certification to the Employment Security Commission who will review employees hired. Upon completion of the review by the Commission and the Employment Securities Commission, the Tax Commission will notify the applicant of the approval or denial of the certification requested.

(2) **Approval.** The applicant whose certification has been approved shall receive a refund in the amount not to exceed the total amount of state and local sales taxes paid and previously approved by the Commission. The applicant will also receive accrued interest upon the principal amount of the refund made as provided for by statute. [See: 68 O.S. §1357.5(C)]

(3) **Denial of certification; protest procedure.**

(A) Any applicant whose request for certification is denied may, within ~~thirty (30)~~ **sixty (60)** days after the mailing of the denial by the Commission, file with the Commission a protest under oath, signed by the applicant or a duly authorized agent setting out:

- (i) a statement of denial as determined by the Commission;
- (ii) a statement of the applicant's disagreement with such denial, and
- (iii) supporting documentation relied on by the taxpayer in support of certification.

(B) If an applicant fails to file a written protest within the sixty (60) days, then the denial, without further action of the Commission, shall become final and no appeal will be entertained.

(C) Applicants filing a protest to the denial of certification by the Commission shall be scheduled for

Permanent Final Adoptions

a hearing en banc before the Commission for a date, time and place set by the Commission. Notice of the date, time and place will be given by mail at least ten (10) days prior to the hearing.

(D) The burden of proving that the denial of certification was erroneous is on the applicant. The applicant can present testimony, evidence and argument in support of the requested certification.

(E) The Commission will issue an order in each case. That order is directly appealable to the Supreme Court. The appeal must be perfected within thirty (30) days of the mailing of the order by filing a Petition in Error with the Clerk of the Supreme Court of the State of Oklahoma and by filing a designation of the record with the Secretary of the Commission at the same time the Petition in Error is filed. [See: 68 O.S. §225]

(F) **Additional information.** For further information the applicant should refer to the Rules of Practice and Procedure before the Office of the Administrative Law Judges (710:1-5-21 through 710:1-5-49). [See: 68 O.S. §§1357.5, 1404.4]

PART 31. MEDICINE, MEDICAL APPLIANCES, AND HEALTH CARE ENTITIES AND ACTIVITIES

710:65-13-170. Medicines, drugs, hospitals, nursing homes, practitioners, and medical equipment and appliances, generally

(a) **Drugs.** Sales of drugs, except for over-the-counter drugs, prescribed for the treatment of human beings by a person licensed to prescribe the drugs are exempt from sales tax. Ocular lenses, if permanently implanted through medical surgery, and sales of insulin and medical oxygen are also exempt from sales tax. [68 O.S. § 1357(9)]

(b) **Prosthetic devices.** Sales of prosthetic devices for use by an individual are exempt from sales tax.

(c) **Medical equipment, appliance, or device.** Except as set forth in 710:65-13-173, the sale or rental of medical equipment, appliances or devices is taxable. Examples of these taxable items are: syringes, replacement joints, bandages, oxygen regulators and tanks, crutches and wheelchairs.

(ed) **Sales to hospitals, nursing homes and practitioners.** Sales of medical appliances, medical devices and other medical equipment to hospitals, infirmaries, sanitariums, nursing homes, and similar institutions, and practitioners are taxable when such items are furnished to their patients as part of the services provided. The institutions, companies and practitioners are considered to be the users or consumers. In-state vendors collect and remit the tax on sales of such property to the institutions, and use tax is due on out-of-state purchases. These institutions and practitioners primarily render services and are not liable for sales tax on receipts from meals, bandages, dressings, x-ray photographs, and other tangible personal property when used in rendering medical service to

patients, regardless of whether the tangible items are billed separately.

(de) **Sales to medical benefits recipients, generally.** Unless otherwise prohibited by federal or state law, if a vendor of medical equipment and devices makes a sale to an individual, the sale is not considered to be made to a governmental agency or insurance company, even if the individual assigns the proceeds of an insurance policy to the vendor and the vendor receives payment directly from the insurance company or the governmental agency via the assignment.

(ef) **Sales tax refund claims.** Under circumstances where hospitals, nursing homes, similar institutions and practitioners dispense or provide medical appliances, medical devices or medical equipment to Medicare or Medicaid patients, a refund may be claimed by the institution or practitioner for the sales taxes previously paid by the institution or practitioner on such items.

(fg) **Direct payment permits (DPP).** Health care providers may qualify for a direct payment permit, valid for three (3) years, pursuant to the provisions of Section 710:65-9-10 of this Chapter.

710:65-13-171. Sales of prosthetic devices to individuals

(a) **General provisions.** Sales of prosthetic devices to an individual for use by such an individual are exempt from sales tax.

(b) Applicable definitions. For purposes of this Section:

(1) **"Prosthetic device"** means a replacement, corrective or supportive device, including repair and replacement parts for same, worn on or in the body to:

(A) Artificially replace a missing portion of the body;

(B) Prevent or correct physical deformity or malfunction; or,

(C) Support a weak or deformed portion of the body.

(2) **"Prosthetic device"** does **not** include corrective eye glasses, contact lenses, or hearing aids. A non-exhaustive list of prosthetic devices is set forth in 710:65-13-173(e).

(3) **"Use by that individual"** means usage for the purposes and in a manner for which the device was designed and intended.

(c) **Medicare and Medicaid recipients.** Eye glasses, contact lenses, and hearing aids are considered items of "medical equipment", and if their cost will be reimbursed by Medicare or Medicaid pursuant to the terms set out in 710:65-13-173, the sale is tax exempt.

PART 43. SOCIAL, CHARITABLE, AND CIVIC ORGANIZATIONS AND ACTIVITIES

710:65-13-356. Exemption for Blue Star Mothers of America, Inc.

(a) **Qualification for Blue Star Mothers of America, Inc.** ~~Effective November 1, 2007, qualifying sales~~ Sales of tangible personal property made to tax exempt 501(c)(19) service organizations of mothers who have children serving or have served

in the military known as the Blue Star Mothers of America, Inc. are exempt from state sales tax. The exemption shall only apply to purchases of tangible personal property actually sent to United States Military personnel overseas who are serving in a combat zone.

(b) **Administration.** Pursuant to statute, the exemption for sales to "Blue Star Mothers of America, Inc." will be administered as a refund of state sales taxes which were paid by "Blue Star Mothers of America, Inc." to vendors. State sales tax shall only be refundable on purchases of tangible personal property actually sent to United States Military personnel overseas who are serving in a combat zone.

(c) **Refund procedure.** Before making its first refund claim or simultaneous thereto the claimant organization must provide to the Credits and Refunds Section of the Account Maintenance Division the following information:

(A) A letter from the Internal Revenue Service (IRS) recognizing the organization as exempt from federal income taxation pursuant to 26 U.S.C. Section 501(c)(19);

(B) A written description stating the activities of the organization, as evidenced by copies of:

- (i) Articles of incorporation;
- (ii) By-laws;
- (iii) Brochure; or
- (iv) Notarized letter from the President or Chairman of the organization.

(d) **Application process.** To claim a refund under this Section, the qualified organization may, within sixty (60) days after the end of each calendar quarter, submit a completed and signed Form ~~06-0713-9A~~, *Application for Refund of State Sales Tax*, along with invoices and all receipts indicating the amount of state sales tax paid on qualifying purchases during such preceding calendar quarter. Form ~~06-0713-9A~~ may be obtained from the Account Maintenance Division, Oklahoma Tax Commission, 2501 Lincoln Blvd., Oklahoma City, OK 73194, or online at ~~www.oktax.state.ok.us~~ www.tax.ok.gov.

SUBCHAPTER 19. SPECIFIC APPLICATIONS AND EXAMPLES

PART 31. "P"

710:65-19-268. Sales of parking privileges

(a) Sales of the service of storage or of parking privileges by auto hotels or parking lots are subject to sales tax.

(b) The sale of parking privileges for motor vehicles is taxable even if the person making the sale is primarily engaged in some other business or profession.

(c) Mandatory charges for valet parking are subject to sales tax regardless of whether the charge is made by an auto hotel, parking lot, or person who is primarily engaged in some other business or profession, such as a hotel, restaurant, or club.

(d) The charges for the storage of impounded motor vehicles, made by persons operating wrecking services are subject

to sales tax. Charges separately stated from the storage charges are not subject to sales tax.

(~~d~~e) Charges for parking privileges sold, leased or used by institutions of the Oklahoma System of Higher Education are not subject to sales tax.

(~~e~~f) Charges for the storage of vehicles other than motor vehicles, such as aircraft or boats, are not subject to sales tax.

SUBCHAPTER 21. USE TAX

710:65-21-8. Out-of-state retailers or vendors not registered in Oklahoma

(a) **Definitions.** For the purposes of this Section:

(1) **"De minimis online auction website"** means any online auction website that facilitates total gross sales in Oklahoma in the prior year of less than \$100,000.00 and reasonably expects Oklahoma sales in the current year will be less than \$100,000.00.

(2) **"De minimis retailer"** means any non-collecting retailer that made total gross sales in Oklahoma in the prior year of less than \$100,000.00 and reasonably expects Oklahoma sales in the current year will be less than \$100,000.00.

(3) **"Non-collecting retailer"** means a retailer, not currently registered to collect and remit Oklahoma sales and use tax, who makes sales of tangible personal property from a place of business outside of Oklahoma to be shipped to Oklahoma for use and who is not required to collect Oklahoma sales or use taxes.

(4) **"Oklahoma purchaser"** means a purchaser that requests goods be shipped to Oklahoma.

(5) **"Online auction website"** means a collection of web pages on the Internet that allows persons to display tangible personal property for sale which is purchased through a competitive process where participants place bids with the highest bidder purchasing the item when the bidding period ends.

(b) **Requirements for notice.** Effective October 1, 2010, every non-collecting retailer must give notice that Oklahoma use tax is due on nonexempt purchases of tangible personal property and should be paid by the Oklahoma purchaser.

(1) **Notice contents.** The notice must be readily visible and contain the information set forth as follows:

(A) The non-collecting retailer is not required, and does not collect Oklahoma sales or use tax;

(B) The purchase is subject to Oklahoma use tax unless it is specifically exempt from taxation;

(C) The purchase is not exempt merely because it is made over the Internet, by catalog, or by other remote means;

(D) The State of Oklahoma requires Oklahoma purchasers to report all purchases that were not taxed and pay tax on those purchases. The tax may be reported and paid on the Oklahoma individual income tax return [Form 511] or by filing a consumer use tax return. [Form 21-1]; and

Permanent Final Adoptions

- (E) The referenced forms and corresponding instructions are available on the Oklahoma Tax Commission website, www.tax.ok.gov.
- (2) **Website and/or catalog notice.** Notice on a website shall occur on a page necessary to facilitate the applicable transaction. It shall be sufficient if the non-collecting retailer provides a prominent linking notice that reads as follows: "See important Oklahoma sales tax information regarding the tax you may owe directly to the State of Oklahoma", if such linking notice directs the purchaser to the principal notice required by this Section. Notice in a catalog shall be part of the order form. It shall be sufficient if the non-collecting retailer provides a prominent reference to a supplemental page that reads as follows: "See important Oklahoma sales tax information regarding the tax you may owe directly to the State of Oklahoma on page ___", if such page includes the principal notice required by this Section.
- (3) **Invoice notice.** For internet purchases, the invoice notice must occur on the electronic order confirmation. It shall be sufficient if the non-collecting retailer provides a prominent linking notice that reads as follows: "See important Oklahoma sales tax information regarding the tax you may owe directly to the State of Oklahoma", if such linking notice directs the purchaser to the principal notice required by this Section. If the non-collecting retailer does not issue an electronic order confirmation, the complete notice must be placed on the purchase order, bill, receipt, sales slip, order form, or packing statement. For catalog purchases, the complete notice must be placed on the purchase order, bill, receipt, sales slip, order form, or packing statement.
- (4) **Exceptions.**
- (A) For internet purchases, notice on the check-out page fulfills both the website and invoice notice requirements simultaneously. It shall be sufficient if the non-collecting retailer provides a prominent linking notice that reads as follows: "See important Oklahoma sales tax information regarding the tax you may owe directly to the State of Oklahoma", if such linking notice directs the purchaser to the principal notice required by this Section.
- (B) If a retailer is required to provide a similar notice for another state in addition to Oklahoma, the retailer may provide a consolidated notice so long as such notice includes the information contained in (b) of this Section, specifically references Oklahoma and meets the placement requirements of this Section.
- (c) **Prohibition from advertising no tax due.** A non-collecting retailer may not state or display or imply that no tax is due on any Oklahoma purchase unless such display is accompanied by the notice required by (b) of this Section each time the display appears.
- (1) For example, a summary of the transaction including a line designated "sales tax" and showing the amount of sales tax as "zero" or "0.00" would constitute a "display" implying that no tax is due on the purchase. Such a

display must be accompanied by the notice required by (b) of this Section every time it appears.

- (2) Notwithstanding the limitation in this subsection, if a non-collecting retailer knows that a purchase is exempt from Oklahoma tax pursuant to Oklahoma law, the non-collecting retailer may display or indicate that no sales tax is due even if such display is not accompanied by the notice required by (b) of this Section.
- (d) **Invoice notification exception for online auction websites.** With the exception of notification on invoices, the provisions of this Section shall apply to online auction websites as defined in (a) of this Section.
- (e) **De minimis exception.** A de minimis retailer and a de minimis online auction website, as defined in (a) of this Section, shall be exempt from the notice requirements in (b) of this Section.
- (f) **Annual purchase statement.** In addition to the requirements outlined in (b) of this Section, every non-collecting retailer must provide, by February 1 of each year, a statement to each customer to whom tangible personal property was delivered in this state a statement of the total sales made to the customer during the preceding calendar year.

(1) **Statement contents.** The statement must contain language substantially similar to the following: *You may owe Oklahoma use tax on purchases you made from us during the previous tax year. The amount of tax you may owe is based on the total sales price of [insert total sales price] that must be reported and paid when you file your Oklahoma income tax return unless you have already paid the tax.*

(2) **Confidential information prohibited.** The statement must not contain any information that would indicate, imply or identify the class, type, description or name of the products purchased.

(3) **Statement distribution.** The statement may be provided by first-class mail, email or other electronic communication.

CONTACT PERSON:

Lisa R. Haws, Tax Policy Analyst, Tax Policy and Research Division, Oklahoma Tax Commission, 2501 North Lincoln Boulevard, Oklahoma City, Ok 73194, 405-521-3133.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 1. GENERAL PROVISIONS

710:90-1-13. Pensions, annuities, and certain other deferred income

(a) **Treatment of designated distributions.** Designated distributions, as defined by the Internal Revenue Code (IRC), Section 3405, whether periodic or non-periodic, should be treated as if they were a payment of wages for Oklahoma Income Tax Withholding purposes. The payor of any periodic or non-periodic payment should inform recipients who are or become Oklahoma residents of the need to withhold if:

- (1) The recipient has not chosen the election of "no federal withholding," provided by Sections 3405(a)(2) and (b)(3) of the Internal Revenue Code, or
- (2) The recipient elects to have Oklahoma Income Tax withheld irrespective of any election to not withhold federal income tax.

(b) **Treatment of periodic payments.** The amount to be withheld from a periodic payment is determined as if it were a payment of wages. The marital status and number of withholding allowances an employee may claim in determining the tax to be withheld shall be the same as that claimed on Form W-4P, Withholding Certificate for Pension or Annuity Payments, or a similar form provided by the payer.

- (1) If the recipient has not provided a withholding certificate, tax will be withheld as if the recipient were married and claiming three (3) withholding allowances.
- (2) The recipient can choose not to have tax withheld, regardless of how much tax is owed for the previous year, or is expected to be owed in the current year.

(c) **Treatment of non-periodic payments.** Tax will be withheld at a five percent (5%) rate on any non-periodic payments.

- (1) The recipient cannot use Form W-4P to determine the amount to be withheld, since withholding allowances or marital status are not taken into consideration.
- (2) The recipient can use ~~Form~~ Form W-4P to specify an additional amount to be withheld.
- (3) The recipient can also use Form W-4P to choose not to have tax withheld.

(d) **Employer contributions.** Employer contributions to qualified cash or deferred arrangements are not subject to Oklahoma Withholding Tax.

SUBCHAPTER 3. RETURNS AND PAYMENTS

710:90-3-11. Income tax withholding for pass-through entities

(a) **General provisions.** Generally, any pass-through entity that makes a distribution to a non-resident member is required to deduct and withhold Oklahoma income tax from distributions of taxable income being made with respect to Oklahoma source income.

(b) **Definitions.** The following words and terms, when used in this Section, shall have the following meaning, unless the context clearly indicates otherwise:

- (1) **"Member"** means:
 - (A) A shareholder of an S-Corporation;
 - (B) A partner in a general partnership;
 - (C) A partner in a limited partnership;
 - (D) A partner in a limited liability partnership;
 - (E) A member of a limited liability company; or,
 - (F) A beneficiary of a trust.
- (2) **"Non-resident"** means an individual who is not a resident of, or domiciled in, this state; a business entity which does not have a commercial domicile in this state; or a trust which is not organized in this state.
- (3) **"Pass-through entity"** means:
 - (A) A corporation that is treated as an S-Corporation under the Internal Revenue Code;
 - (B) A general partnership;
 - (C) A limited partnership;
 - (D) A limited liability partnership;
 - (E) A trust; or,
 - (F) A limited liability company that is not taxed as a corporation for federal income tax purposes. [68 O.S. § 2385.29]
- (4) **"Pass-through entity"** does not include an entity which is disregarded for income tax purposes under the Internal Revenue Code.

(c) **S-Corporations; general, limited, or limited liability partnerships; limited liability companies.** In the case of S-Corporations; general, limited, or limited liability partnerships; and limited liability companies, withholding of five percent (5%) is required on the Oklahoma portion of the taxable income distributed to each non-resident member. In the case of S-Corporations paying the tax on behalf of non-resident

Permanent Final Adoptions

shareholders (68 O.S. § 2365) or partnerships filing composite returns on behalf of non-resident partners, the non-resident members withholding can be claimed on the return filed by the S-Corporation or the partnership.

(d) **Trusts.** For trusts, withholding of five percent (5%) is required on the Oklahoma portion of the taxable income distributed to each beneficiary of the trust.

(e) **Non-resident members not subject to withholding.** The following persons and organizations are not subject to required withholding by a pass-through entity:

- (1) Persons, other than individuals, who are exempt from federal income tax;
- (2) Organizations granted an exemption under Section 501(c)(3) of the Internal Revenue Code;
- (3) Insurance companies subject to the Oklahoma Gross Premiums Tax and therefore exempt from Oklahoma income tax pursuant to 68 O.S. § 2359(c); and
- (4) Non-resident members who have submitted an affidavit (OTC Form OW-15) to the pass-through entity and which pass-through entity has submitted the affidavit information on behalf of the member to the Tax Commission. In the affidavit, the non-resident member agrees to be subject to the personal jurisdiction of the Tax Commission in the courts of this state for the purpose of determining and collecting any Oklahoma taxes, including estimated tax payments, together with any related interest and penalties. See (k) of this Section for the procedure to be followed in filing the affidavit.

(A) For non-resident partners included in a composite partnership return under *OAC 710:50-19-1* and filing OTC Form OW-15, the inclusion of the partners' income within the composite partnership return will satisfy the requirements contained in the affidavit.

(B) For non-resident shareholders filing OTC Form OW-15, and electing not to file Oklahoma income tax returns under 68 O.S. § 2365, inclusion of the non-resident shareholder's income in the Subchapter S corporate income tax return will satisfy the requirements contained in the affidavit.

(C) For non-resident beneficiaries included in a trust return and filing OTC Form OW-15, the inclusion of the beneficiary's income within the trust return will satisfy the requirements contained in the affidavit.

(f) **When pass-through entities are not required to withhold.** Withholding is not required in the following instances:

- (1) When an entity is not required to file a federal income tax return, or properly elects out of such duty;
- (2) When a pass-through entity is making distributions of income not subject to Oklahoma income tax;
- (3) When a pass-through entity has withheld tax on royalty interest income pursuant to 68 O.S. § 2385.25 et seq.;
- (4) When a pass-through entity is making distributions to another pass-through entity. Provided however, the exception set out in this paragraph does not relieve the lower-tiered pass-through entity from the duty to withhold on distributions it makes which are not otherwise exempt;

(5) When a pass-through entity is a publicly traded partnership, as defined by Section 7704(b) of the Internal Revenue Code, and is treated as a partnership for purposes of the Internal Revenue Code. Provided the publicly traded partnership has agreed to file an annual information return reporting the name, address, taxpayer identification number, and other information requested by the Tax Commission of each unit-holder with an income in the state in excess of Five Hundred Dollars (\$500.00); or,

(6) When a distribution made by a pass-through entity has been determined to be not subject to the provisions of this Section by the Commission.

(g) **Due dates for payment of pass-through entity withholding.** Pass-through entities that withhold income tax on distributions of taxable income to non-resident members are required to remit the amount of tax withheld from each non-resident member on or before the due date of the pass-through entity's income tax return, including extensions. Any pass-through entity that can reasonably expect the total amount of income tax withheld from all non-resident members to exceed Five Hundred Dollars (\$500.00) for the taxable year **must** make quarterly estimated tax payments. OTC Form ~~OW-9-EW~~WTP-10005 is to be used to remit the quarterly estimated tax payments. The required estimated tax payments are due on or before the last day of the month after the end of the calendar quarter and must be made in equal quarterly installments. The total of the required quarterly estimated tax payments is the lesser of seventy percent (70%) of the withholding tax that must be withheld for the current taxable year, or one hundred percent (100%) of the withholding tax withheld for the previous taxable year. Any pass-through entity that can reasonably expect the total amount of tax withheld from all non-resident members to be less than Five Hundred Dollars (\$500.00) for the taxable year may, *at their option*, make quarterly estimated tax payments.

(h) **Required reports.** The pass-through entity is required to provide non-resident members and the Oklahoma Tax Commission an annual written statement showing the name of the pass-through entity, to whom the distribution was paid, the amount of taxable income distributed, and the amount of Oklahoma income tax withheld. Further, the statement must also furnish the non-resident member's name, address, and social security number or Federal Employer Identification Number. To accomplish this:

(1) Each pass-through entity must provide non-resident members with Oklahoma Tax Commission Form 500-B, (OTC Form 500-B), on or before the due date of the pass-through entity's income tax return, including extensions. Copies of OTC Form 500-Bs, along with OTC Form 501, must be sent to the Oklahoma Tax Commission by the same date.

(2) Each pass-through entity must file with the Oklahoma Tax Commission the appropriate income tax withholding return (OTC Form ~~OW-9-CW~~WTP-1003) on or before the due date of the pass-through entity's income tax return, including extensions.

(3) Each non-resident member must enclose a copy of OTC Form 500-B to the Oklahoma income tax return as verification for this withholding.

(i) **Non-resident members entitled to credit, or refund, from Oklahoma income taxes paid.** Any non-resident member from whom an amount is withheld pursuant to the provisions of this Section, and who files an Oklahoma income tax return is entitled to a credit for the amount withheld. If the amount withheld is greater than the tax due, the non-resident member will be entitled to a refund of the amount of the overpayment.

(j) **Pass-through entities must register.** Pass-through entities that make distributions subject to Oklahoma withholding must register with the Oklahoma Tax Commission.

(k) **Affidavit filing procedures.** Non-resident members who elect to file an affidavit (OTC Form OW-15) agreeing to be subject to the personal jurisdiction of the Tax Commission in the courts of this state for the purpose of determining and collecting any Oklahoma taxes, including estimated tax payments, and any related interest and penalties, must remit the affidavit to the appropriate pass-through entity. The pass-through entity is to retain the affidavit and file the following information with the Oklahoma Tax Commission by the due date of the required annual tax return of the pass-through entity.

(1) **Content.** The name, address, and social security number or federal identification number of the non-resident member having a signed OTC Form OW-15. All pass-through entities are required to file the non-resident member affidavit information on a diskette or CD with the Oklahoma Tax Commission - Compliance Division.

(2) **Format.** The format for filing the diskette or CD will be in either a spreadsheet format (i.e. Lotus 1-2-3 or Excel) or a database format (i.e. dbf or Access).

(3) **Waiver.** Pass-through entities may obtain a waiver from the diskette or CD filing requirement if the pass-through entity can demonstrate that a hardship would result if it were required to file on a diskette or CD. Direct waiver requests to the Oklahoma Tax Commission - Compliance Division.

SUBCHAPTER 5. USED TIRE RECYCLING

710:95-5-2. Definitions

The following words and terms, when used in this Chapter, shall have the following meaning, unless the context clearly indicates otherwise:

"**Commission**" means the Oklahoma Tax Commission.

"**DEQ**" means the Oklahoma Department of Environmental Quality.

Permanent Final Adoptions

"ODH" means the Oklahoma Department of Health.

"Tire-derived fuel facility" or "TDF facility" means a facility that uses processed tires or whole used tires for energy or fuel recovery.

"Used tire" means an unprocessed whole tire or tire part that can no longer be used for its original intended purpose but can be beneficially reused as approved by the DEQ. Any used tire collected in accordance with the requirements of the Oklahoma Used Tire Recycling Act is not considered to be discarded. A tire that can be used, reused or legally modified to be reused for its original intended purpose shall not be a used tire.

"Used tire facility" means any place which is permitted as a solid waste disposal site, in accordance with the Oklahoma Solid Waste Management Act, at which used tires are processed.

"Used tire processing" means altering the form of whole used tires by shredding, chipping, or other method approved by the department, except baling. [27A O.S. ~~Supp. 2005~~, §2-11-401.1]

710:95-5-8. Transactions to which the fee is inapplicable

(a) The Oklahoma Used Tire Recycling Fee is not applicable to sales for resale to holders of valid Oklahoma Sales Tax Permits who are in the business of selling tires. The sale for resale provision will only be valid if the purchaser holds an Oklahoma resale permit and actually resells the tires. The fee applies to tires sold to mechanics or others not holding sales tax permits.

(b) Pursuant to 27A O.S. ~~Supp. 2002~~, ~~§ 2-11-403(A)(3)~~ § 2-11-401.2, the Oklahoma Used Tire Recycling Fee is not applicable to the sale of a used tire by a tire dealer on which the used tire fee has previously been paid, provided that the tire dealer can document that the tire carcass was one on which the fee was previously paid when the tire was originally purchased, either as a new tire or as a used tire, or when the vehicle upon which it was mounted was first registered in Oklahoma. This documentation may consist of a copy of the bill of sale, invoice, or other document showing when, where, by whom, and the circumstances under which the fee was collected.

(c) The Oklahoma Used Tire Recycling Fee is not applicable to the transfer of a tire carcass by a tire owner to a tire recapper, who after completion of the recapping, delivers the recapped tire back to the owner of the tire, since no sale of the tire has been made, but rather, a service has been performed.

(d) The Oklahoma Used Tire Recycling Fee is not applicable to the sale of a recapped tire by a tire dealer where the fee has previously been paid and the documentation described in (b) of this Section has been obtained.

(e) No fee shall be assessed by a tire dealer if the customer retains the used agricultural tire for use on a farm or ranch.

SUBCHAPTER 9. PROFESSIONAL LICENSING COMPLIANCE REVIEW

710:95-9-3. General provisions

(a) **Information to be provided.** Each licensing entity shall provide to the Commission a list of all its licensees, along with social security numbers and other identifying information that may be required by the Commission. The list, in the form of a complete renewal file, should be provided to the Commission the month following the license renewal cycle. [See: 68 O.S. § 238.1(B)]

(b) **Requisite lead time and format.** Every licensing entity shall provide the information described in subsection (a) in a timely manner, so there is a minimum of six months lead time within which to research and resolve any compliance issues with licensees. [See: 68 O.S. § 238.1(B)]

(c) **Contact information.** The Commission's Professional Licensing Compliance Unit can be reached by phone at 522-6800 or by E-mail at ~~license-review@oktax.state.ok.us~~ license-review@tax.ok.gov.

SUBCHAPTER 11. STATE EMPLOYEES COMPLIANCE REVIEW

710:95-11-2. Definitions

In addition to terms defined in Section 238.2(G) of Title 68 of the Oklahoma Statutes, the following words and terms, when used in this Subchapter, shall have the following meaning, unless the context clearly indicates otherwise:

"Appointing authority" means the chief administrative officer of a state agency.

"Employee" or "state employee" means an appointed officer or employee of a state agency. However, the term "employee" or "state employee" does not include an elected official, or an employee of a local governmental entity. [68 O.S. ~~Supp. 2003~~, § 238.2(G)(2)]

"In compliance" with state income tax laws means that all income tax filing obligations have been met, and balances due have been paid in full. For purposes of this Subchapter, in the case of a state employee with an outstanding obligation upon initial review, "in compliance" includes the following situations:

(A) The state employee has filed all reports due and entered into a payment program with the Commission for the taxes due;

(B) The state employee has provided documentation that the employee is currently participating in a payment plan and is current in all payments; or,

(C) The state employee has a pending request for relief before the Commission, or has been determined to be an "innocent spouse" with regard to an outstanding obligation, pursuant to 710:50-3-60 through 710:50-3-65. [See: 68 O.S. ~~Supp. 2003~~, § 238.2(D)]

"State agency" means any office, department, board, commission, or institution of the executive, legislative, or judicial branch of state government.

"Tax Commission" means the Oklahoma Tax Commission.

710:95-11-3. General provisions

(a) **Information to be provided.** The Office of State Finance Oklahoma Office of Management and Enterprise Services shall provide to the Tax Commission a list of all state employees, along with social security numbers and other identifying information that may be required by the Commission. The list should be provided to the Commission not later than August 1 of each year and shall include all employees of the state as of the preceding July 1. [See: 68 O.S. Supp. 2003, § 238.1(B) § 238.2(B)]

(b) **Contact information.** The Commission's State Employee Compliance Unit can be reached by phone at 522-6800 or by Email at employees-review@ok-tax.state.ok.us employees-review@tax.ok.gov.

710:95-11-4. Procedure for review of status and notification to state employee

(a) **Review and notification to state employee.** Information from the Office of State Finance Oklahoma Office of Management and Enterprise Services shall be reviewed to determine those state employees for whom compliance cannot be confirmed. Each state employee for whom compliance cannot be confirmed shall be notified, no later than November 1 of each year, in a letter mailed to the address provided by the Office of State Finance Oklahoma Office of Management and Enterprise Services, that Commission records indicate non-compliance with the Oklahoma Income Tax income tax laws. The state employee will be informed that the employee will be subject to disciplinary action by the appointing authority unless the state employee is determined to be in compliance by the Commission. The notice shall include a statement of the reasons the taxpayer is considered to be out of compliance with the Oklahoma Income Tax income tax laws, the amount of any tax, penalty, and interest due, or a list of tax years for which income tax returns have not been filed, or both, in applicable cases. The notice shall also provide information regarding the rights of the employee and what procedures must be followed in order to come into compliance with the income tax laws.

(b) **Compliance assistance.** The Commission shall make every reasonable effort to assist non-compliant state employees to attain compliance status within six (6) months from the date of notification.

SUBCHAPTER 17. PREPAID WIRELESS FEE

710:95-17-3. Definitions

The following words and terms, when used in this Subchapter, shall have the following meaning, unless the context clearly indicates otherwise:

"Consumer" means a person who purchases prepaid wireless telecommunications service in a retail transaction.

"Prepaid wireless nine one one fee" means the fee that is required to be collected by a seller from a consumer in the amount established in Section 2843.2 of Title 63 of the Oklahoma Statutes.

"9-1-1 wireless telephone fee" means the fee imposed in Section 2865 of Title 63 of the Oklahoma Statutes to finance the installation and operation of emergency 9-1-1 services and any necessary equipment.

"Prepaid wireless telecommunications service", as defined in paragraph 12 of subsection A of Section 1354.30 of Title 68 Section 2862 of Title 63 of the Oklahoma Statutes, means a telecommunications wireless service that provides the right to utilize mobile wireless service as well as other non-telecommunication telecommunications services, including the download of services, digital products delivered electronically, content and ancillary services, which must be paid for in advance that is sold in predetermined units or dollars of which the number declines with use in a known amount. "Prepaid wireless telecommunications service" does not include traditional calling cards.

"Provider" means a person who provides prepaid wireless telecommunications service pursuant to a license issued by the Federal Communications Commission.

"Retail transaction" means the purchase of prepaid wireless telecommunications service from a seller for any purpose other than for resale.

"Seller" means a person who sells prepaid wireless telecommunications service to another person.

"Traditional calling card" means a calling card which provides access only to long distance telephone service by enabling the user to originate a call using an access number or authorization code and which is not intended for use exclusively on a cellular phone.

"Voice over Internet Protocol (VoIP) provider" means a provider of interconnected Voice over Internet Protocol service to end users in the state, including resellers.

"Wireless service provider" means a provider of commercial mobile service under Section 332(d) of the Telecommunications Act of 1996, 47 U.S.C., Section 151 et seq., Federal Communications Commission rules, and the Omnibus Budget Reconciliation Act of 1993, Pub. L. No. 103-66, and includes a provider of wireless two-way communication service, radio-telephone communications related to cellular telephone service, network radio access lines or the equivalent, and personal communication service.

The term does not include a provider of:

- (A) a service whose users do not have access to 9-1-1 service,
- (B) a communication channel used only for data transmission, or
- (C) a wireless roaming service or other nonlocal radio access line service.

"Wireless telecommunications connection" means the ten-digit access number assigned to a customer regardless of whether more than one such number is aggregated for the purpose of billing a service user.

710:95-17-5. Fees, reports, payments and penalties

(a) **Fee imposition.** A fifty cent (\$0.50) fee is imposed on every retail sale of prepaid wireless telecommunications service occurring in Oklahoma. Every seller of prepaid wireless telecommunications services must collect the fifty cent (\$0.50)

Permanent Final Adoptions

~~fee on every purchase of prepaid wireless telecommunications service not for resale.~~ **9-1-1 wireless telephone fee imposition.** Beginning January 1, 2017, a seventy-five cent [\$0.75] 9-1-1 wireless telephone fee is imposed:

- (1) Monthly on each wireless telephone connection and other communication device or service connection with the ability to dial 9-1-1 for emergency calls;
- (2) Monthly on each service that is enabled by Voice over Internet Protocol (VoIP) or Internet Protocol (IP) with the ability to dial 9-1-1 for emergency calls; and
- (3) On each prepaid wireless retail transaction occurring in this state.

(b) **Fee invoice.** The 9-1-1 wireless telephone fees imposed pursuant to paragraphs (1) and (2) of subsection (a) which are required to be collected by the wireless service provider or VoIP provider may be added to and must be separately stated in any billing to the service subscriber. [63 O.S. § 2866(D)]. The 9-1-1 wireless telephone fee imposed pursuant to paragraph (3) of subsection (a) ~~is and~~ is and collected by the seller from the consumer ~~and should~~ shall be separately stated on the invoice, receipt or similar document provided to the consumer, or otherwise disclosed to the consumer. ~~[63 O.S. § 2843.2(B)&(C)].~~ [63 O.S. § 2867(C)].

(bc) **Fee incidence:** The prepaid 9-1-1 wireless telephone fee is the liability of the consumer or wireless service subscriber. However, the seller must remit all prepaid wireless fees collected from consumers and in the event the seller fails to separately state the prepaid wireless fee on the consumers invoice or receipt, the seller will be deemed to have collected the fee and will be liable for payment thereof. [63 O.S. § 2843.2(E)]. ~~[63 O.S. §§ 2866(C) and 2867(D)]~~

(ed) **Examples of prepaid wireless telecommunications service.** Examples of prepaid wireless telecommunications services include cellular phones preloaded with a set dollar amount, minutes or units of air time, or sold with rebates for airtime; calling cards for cellular phones preloaded with a set dollar amount, minutes or units of air time and the recharging of a reusable cellular phone calling card or the cellular phone itself with additional minutes or units of air time.

(de) **Examples and illustrations.** Examples and illustrations of situations involving 9-1-1 wireless telephone fee calculation and the base determination for purposes of sales tax collection and other applicable taxes, fees and surcharges.

- (1) **Multiple purchase transactions.** Sellers ~~must collect a~~ ~~\$0.75 fee is imposed~~ for each ~~product of prepaid wireless telecommunications service sold at retail~~ transaction outlined in subsection (a) of this Section. For example, if a consumer simultaneously buys five (5) preloaded cellular phone cards, ~~\$0.50~~ \$0.75 is imposed on each card resulting in a total of ~~\$2.50~~ \$3.75 in ~~prepaid~~ 9-1-1 wireless telephone fees. Further if a person's monthly wireless telecommunications subscription includes four (4) service connections or wireless telephone lines a \$0.75 fee would be imposed on each connection for a total monthly fee of \$3.00.
- (2) **Fee excluded from base.** When separately stated on the invoice, the ~~prepaid~~ 9-1-1 wireless telephone fee should not be included in the base for measuring sales tax

or any other applicable tax, fee, surcharge, or other charge that is imposed by the state, any political subdivision of this state, or any intergovernmental agency. ~~[63 O.S. § 2843.2(F)]~~

(ef) **Monthly electronic reporting.** On the 20th of the month every seller of prepaid wireless telecommunications service, wireless service providers and Voice over Internet Protocol providers, except as noted in ~~(f)~~ (g) of this Section, shall report and make payment of the 9-1-1 wireless telephone fees for the previous calendar month in accordance with the Tax Commission's electronic funds transfer and electronic data interchange program available online at www.ok.tax.gov. ~~[63 O.S. § 2843.2(H)]~~

(fg) **Exception to electronic reporting and payment.** Any seller of prepaid wireless telecommunications services, wireless service providers and Voice over Internet Protocol providers which has been granted an exception to the electronic filing requirement for sales tax reporting and payment purposes pursuant to *OAC* 710:65-3-4(c) shall automatically receive an electronic filing exception for purposes of reporting and paying prepaid wireless fees. These ~~sellers~~ entities shall file Form ~~BT-146~~ 20013-A on or before the 20th day of each month. Remittances covering the ~~prepaid~~ 9-1-1 wireless telephone fees must accompany the ~~prepaid wireless~~ return. Form BT-146 20013-A is available telephonically at (405) 521-3160 or online at www.tax.ok.gov.

(gh) **Interest.** Interest at the rate of one and one-quarter percent (1 1/4%) per month will be imposed on all liability not paid at the time when required to be paid. Said interest will be imposed and collected on the delinquent fees at one and one-quarter percent (1 1/4%) per month from the date of delinquency until paid. [68 O.S. § 217]

(hi) **Penalty for failure to file and remit.** A ~~seller~~ taxpayer who fails to file a return and remit the full fee amount within fifteen (15) days after the due date shall be subject to a penalty of ten percent (10%) of the fee amount due. [68 O.S. § 217]

(ij) **Waiver of penalty; interest.** At the discretion of the Tax Commission, the interest or penalty, or both, may be waived provided the taxpayer can demonstrate that the failure to pay the tax when due is satisfactorily explained, or that the failure resulted from a mistake by the taxpayer of either law or fact, or that the taxpayer is unable to pay the interest or penalty due to insolvency. Requests for waiver or remission must be made in writing and must include all pertinent facts to support the request. [See: 68 O.S. §§ 220]

710:95-17-7. Due date that falls on Saturday, Sunday or holiday

If a due date of a ~~prepaid~~ 9-1-1 wireless telephone fee report falls on Saturday, Sunday, holiday, or a date when the Federal Reserve Banks are closed, such due date shall be considered to be the next business day.

710:95-17-9. Contents of monthly prepaid wireless fee report

(a) **General provisions.** Every seller ~~making retail sales of~~ prepaid wireless telecommunications service, wireless service

providers and Voice over Internet Protocol providers shall file a monthly report for sales made the preceding month stating the name of the seller, address, telephone number, federal employer identification number (FEIN) or social security number (SSN), account number of the business and the period (month and year) covered by the report. In addition, the report shall disclose the following:

- (1) Total number of retail transactions for prepaid wireless telecommunications.
- (2) Amount of ~~prepaid wireless nine one one~~ resulting 9-1-1 wireless telephone fees.
- (3) Amount of seller's retention outlined in subsection (b), if applicable.
- (4) Total number of VoIP Connections.
- (5) Total number of Wireless Connections.
- (6) Amount of resulting 9-1-1 telephone fees.
- (7) Amount of seller's retention outlined in subsection (b), if applicable.
- (8) The balance of fees due less any retention amount allowed, as described in (b) of this Section.
 - (A) The return should show the amount of interest (if any) that is due.
 - (B) The return should show the amount of penalty (if any) that is due.

(59) Such other reasonable information as the Tax Commission may require. ~~{63 O.S. § 2843.2(H)}~~

(b) ~~Seller's retention~~ **Retention for timely reporting and payment.** When the ~~prepaid wireless 9-1-1 wireless telephone~~ fee report with all required information included is timely filed, and the total amount of fees reported are timely paid, ~~the seller may deduct and retain three percent (3%) of the fees collected pursuant to paragraph (3) of subsection (a) of 710:95-17-5 may be deducted and retained in addition to one percent (1%) of the fees collected pursuant to paragraphs (1) and (2) of subsection (a) of 710:95-17-5 prepaid wireless nine one one fees collected from consumers. The three percent (3%) retention amount~~ amounts may not be deducted and retained by a ~~seller taxpayer~~ who files an incomplete report, files his report after the date of delinquency, or fails to make full payment on or before the due date. ~~{63 O.S. § 2843.2(I)}~~ {63 O.S. § 2867(B)}

710:95-17-10. Record maintenance for wireless and VoIP service providers

The wireless service provider or VoIP provider must maintain records of the amount of 9-1-1 telephone fees collected in accordance with the provisions of this subchapter for a period of three (3) years from the time the fee is collected.

710:95-17-11. Registrants must file a return for every reporting period

Sellers making retail sales of prepaid wireless telecommunications services, wireless service providers and Voice over Internet Protocol providers must file a return for each reporting period, notwithstanding the fact that, during one or more of such reporting periods, there is no item sold ~~at retail~~ subject to the ~~prepaid wireless 9-1-1 telephone~~ fee. On the return for such a reporting period, the ~~seller taxpayer~~ should indicate that no

~~retail sales~~ transactions subject to the fee were made and that no fees are due. ~~{63 O.S. § 2843.2(H)}~~

710:95-17-13. Records required to document resale transactions

Where the nature of the seller's business is such that a portion or all of its sales of prepaid wireless telecommunications services are for resale, the records that must be kept to document the resale nature of the transaction are as follows:

- (1) The name and address of the customer,
- (2) The date of the transaction,
- (3) The number of prepaid wireless services purchased for resale,
- (4) A copy of the purchaser's resale number issued by the Tax Commission along with a written statement signed by a person authorized to bind the business that it is in the business of reselling the items being purchased, and that the items being purchased are for resale. The certification may be made in the manner set forth in *OAC* 710:65-13-200(a)(1), and
- (5) Such other information as may be necessary to establish the nontaxable character of such transactions. ~~{63 O.S. 2843.2(K)}~~

710:95-17-15. Sourcing retail purchases of prepaid wireless telecommunications service

Retail purchases of prepaid wireless telecommunications services shall be sourced as follows:

- (1) A retail transaction that is effected in person by a consumer at a business location of the seller shall be treated as occurring in this state if that business location is in this state. ~~Any other retail transaction shall be sourced as follows:~~
- ~~(2)~~ *When the retail transaction does not occur at a business location of the seller, the retail transaction is sourced to the location where receipt by the consumer, or the consumer's donee, designated as such by the consumer, occurs, including the location indicated by instructions for delivery to the consumer or donee, known to the seller;*
- ~~(3)~~ *When the provisions of paragraph ~~1~~ 2 of this subsection do not apply, the sale is sourced to the location indicated by an address for the consumer that is available from the business records of the seller that are maintained in the ordinary course of the seller's business when use of this address does not constitute bad faith;*
- ~~(4)~~ *When the provisions of paragraphs ~~(1) and~~ (2) and 3 of this subsection do not apply, the sale is sourced to the location indicated by an address for consumer obtained during the consummation of the sale, including the address of a consumer's payment instrument, if no other address is available, when use of this address does not constitute bad faith; and*
- ~~(5)~~ *When none of the previous rules of paragraphs (1), (2), ~~or~~ (3), and (4) of this subsection apply, including the circumstance in which the seller is without sufficient information to apply the previous rules, then the location will be determined by the address from which the service was*

Permanent Final Adoptions

provided, disregarding for these purposes any location that merely provided the digital transfer of the product sold. If the seller knows the mobile telephone number, the location will be that which is associated with the mobile telephone number. [~~63 O.S. § 2843.2(D)~~63 O.S. § 2865(B)]

715:1-1-16. General IRS qualification rules

In addition to other Code provisions otherwise noted, and in order to satisfy the applicable requirements under the Code, the retirement system shall be subject to the following provisions, notwithstanding any other provision of the retirement system law:

(1) The Board of Trustees shall distribute the corpus and income of the retirement system to the members and their beneficiaries in accordance with the retirement system law.

(2) Forfeitures arising from severance of employment, death, or for any other reason may not be applied to increase the benefits any member would otherwise receive under the retirement system law.

(3) The Board of Trustees or its designee may not:

(A) determine eligibility for benefits,

(B) compute rates of contribution, or

(C) compute benefits of members or beneficiaries in a manner that discriminates in favor of members who are considered officers, supervisors, or highly compensated, as prohibited under Code Section 401(a)(4)

(4) The Board of Trustees may not engage in a transaction prohibited by Code Section 503(b).

(5) Compliance with Code Section 401(a)(2) for exclusive benefit and nondiversion of trust funds:

(A) The assets of the Plan shall never inure to the benefit of an employer and shall be held for the exclusive purpose of providing benefits to members and their beneficiaries and defraying reasonable expenses of administering the Plan.

(B) The trust fund must not revert, and no contributions shall be permitted to be returned, to the employers, except due to a mistake of fact as permitted by Revenue Ruling 91-4.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S. SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 14, 2017:

SUBCHAPTER 15. SERVICE RETIREMENT

715:10-15-3. Date of retirement; making application

The earliest effective date of retirement for any eligible member is the first day of the month following the one in which employment ceases, with the first annuity payment due the last day of that month.

- (1) It is the member's responsibility to notify, by filing a retirement contract as outlined in paragraphs 4 and 5 of this section, the TRS Board of Trustees of the date on which retirement is to begin.
- (2) Payments for all years of service, for which a member wants to receive credit, must be made no less than 90 days prior to the date of retirement.

(3) State law does not permit TRS to make retroactive retirement payments. Members should ensure that their creditable service record is up-to-date and accurate before they retire.

(34) Not less than ninety (90) days prior to retirement, the member must submit to TRS a Pre-Retirement Information Verification, copy of the member's proof of birth, copy of the joint annuitant's proof of birth (if applicable), copy of marriage certificate or license if married to joint annuitant, and verification of 120 days of accrued/unused sick leave for calculation of sick leave credit. The Pre-Retirement Information Verification and supporting pre-retirement documentation must be on file with TRS to enable TRS to prepare a complete Application to Retire.

(45) After submitting all required pre-retirement documentation, the member will receive an ~~Intent Application~~ to Retire. This form must be returned to TRS no less than sixty (60) days prior to the effective date of retirement. Upon receipt of the completed ~~Intent Application~~ to Retire the member will receive a final contract for retirement.

(56) The Final Contract for Retirement, properly executed before a notary, is required by statutes to be filed with TRS no less than thirty (30) days before the date of retirement. Therefore, the final contract for retirement must be completed and on file with TRS by the first day of the month immediately preceding the retirement date. The first retirement benefit payment will be made on the first day of the month following the effective date of retirement.

(67) For example, a retirement contract must be on file by May 1, for a retirement date of June 1, in order to process the first retirement benefit payment on July 1.

715:10-15-3.1. Employer's verification of retirement information

Employers of members actively employed during the school year of retirement must submit to TRS information on the member's final year of employment to complete the member's retirement.

(1) Upon receipt of the Application to Retire from a member, TRS shall notify the employer that final employment information is needed from the employer. The employer shall submit the required employment information via TRS' online Employer Portal not less than sixty (60) days prior to the member's date of retirement. Information submitted by the employer shall include, but not be limited to: last day the member is expected to be physically on the job; last day the member is expected to be on the payroll, the member's expected final annual compensation for that employment year, and an expected balance of accrued/unused sick leave.

(2) No later than the 15th day of the month of the member's retirement the employer shall confirm via the TRS Employer Portal the information provided to TRS in subsection (1) above, making any changes to the final information as is necessary. Failure to submit this information by the deadline or errors in submitted information that result in a disqualification of retirement eligibility shall be

Permanent Final Adoptions

the responsibility of the employer as is provided in 70 O.S. § 17-105(1)(a)(2).

715:10-15-10. Retirement plans

A member may elect to receive a monthly life annuity under one of the following plans:

(1) The Maximum Retirement Plan provides the greatest monthly lifetime benefit that each individual member's years of creditable service and average salary permit. The maximum retirement plan is the monthly entitlement calculated using the standard retirement formula set by statutes. In the event the total retirement payments made prior to the death of a retired member are less than the member's accumulated contributions (with any interest credited to the account prior to July 1, 1968), the difference shall be paid to the member's designated beneficiary or to the member's estate if no designated beneficiary survives the member.

(2) Retirement Option 1 provides a slightly reduced lifetime benefit. The monthly entitlement is the difference between the annuity portion of the maximum retirement plan and the annuity portion of an Option 1 retirement plan subtracted from the Maximum retirement plan. If the retired member dies before receiving in the annuity portion of the monthly payments an amount equal to the member's deposits (with any interest credited to the account prior to July 1, 1968), the remaining balance shall be paid in a lump sum to the member's designated beneficiary or to the member's estate if no beneficiary survives the member. (The member's deposits are "protected" for the member's beneficiary for a longer period of time than under the maximum retirement plan, hence, the monthly benefit is less than the Maximum benefit.)

(3) Retirement Option 2 provides a reduced monthly benefit payable to the member for life. At the death of the retired member, the same monthly benefit payable to the member shall continue to the member's joint annuitant, if living. This option is known as a "100% joint survivor annuity." The reduction in the monthly benefit is based on actuarial tables developed for this purpose and approved by the Board of Trustees. The ages of the member and joint annuitant are an important factor in computing this benefit. The joint annuitant for the Option 2 retirement plan may be the member's spouse, another person, or the beneficiary of a Discretionary and Special Needs Trust as provided in 70 O.S. § 17-105(g). If the designated joint annuitant is not the member's spouse, IRS Regulations require that the adjusted member/joint annuitant age difference cannot be more than ten (10) years. The adjusted member/joint annuitant age difference is determined by first calculating the excess of the age of the member over the age of the joint annuitant based on their ages on the date of retirement. If the member is younger than age 70, the age difference determined in the previous sentence is reduced by the number of years that the member is younger than age 70 based on the member's age on the date of retirement. If the adjusted member/joint annuitant age difference is greater than ten (10) years, the Option

2 retirement plan is not available. In the event the member's joint annuitant dies at any time after the member's retirement date but before the death of the member, the member shall return to the retirement benefit, including any post-retirement benefit increases the member would have received, had the member not selected the Option 2 retirement plan. The joint annuitant designation cannot be changed under any circumstance after the date of retirement except as provided in OAC 715:10-15-11. The reduction in the monthly payment is much greater than under all other retirement options because two people are protected for the life of both individuals.

(4) Retirement Option 3 provides a reduced monthly benefit payable to the member for life. At the death of the retired member, one-half (or 50%) of the monthly benefit payable to the member, shall continue to the member's joint annuitant, if living. This option is known as a "50% joint survivor annuity." The reduction in the monthly benefit is based on actuarial tables developed for this purpose and approved by the Board of Trustees. The age of the joint annuitant is an important factor in computing this benefit. The joint annuitant for the Option 3 retirement plan may be any person or the beneficiary of a Discretionary and Special Needs Trust as provided in 70 O.S. § 17-105(g). In the event the member's joint annuitant dies at any time after the member's retirement date but before the death of the member, the member shall return to the retirement benefit, including any post-retirement benefit increases, the member would have received had the member not selected the Option 3 retirement plan. The joint annuitant cannot be changed under any circumstance after the date of retirement except as provided in OAC 715:10-15-11. The reduction in the monthly payment, while not as great as in the Option 2 plan, still requires a substantial reduction because two people are protected for the life of both individuals.

(5) Retirement Option 4 provides a reduced monthly benefit payable to the member for life. In the event the retired member dies within one hundred twenty (120) continuous months from the date of retirement, the balance of the payments is continued to the designated beneficiary until a total of one hundred twenty (120) months have been completed. The actual reduction is based on actuarial tables developed for this purpose and approved by the Board of Trustees. The beneficiary must be designated at the time of retirement. The Option 4 retirement plan is not available for a member whose retirement date is on or after the member reaches age 93. However, if the designated beneficiary is the member's spouse, the Option 4 retirement plan may be selected if the 120-month period does not extend beyond the joint life and last survivor expectancy of the member and the member's spouse. If the beneficiary dies before the total number of "guaranteed" months have been completed, the remaining payments shall be computed at the rate of interest used in determining the original guarantee. The funds remaining shall be paid to the administrators, executors or assigns of the last surviving payee.

715:10-15-11.1. Designation of Trustee of Oklahoma Discretionary and Special Needs Trust as joint annuitant or beneficiary

(a) 70 O.S. § 17-105(g) provides that any person who is eligible to be named as a beneficiary or joint annuitant, and who is also a beneficiary of a trust created under the Oklahoma Discretionary and Special Needs Trust Act, or comparable Trust Act under another state, may be a beneficiary or joint annuitant of a retired member by having the trustee of the trust established for the benefit of that individual named as the legal beneficiary or joint annuitant. Benefit payments shall be paid to the Trustee for the benefit of the beneficiary.

(b) If a beneficiary or joint annuitant, at the time of or subsequent to being named a beneficiary or joint annuitant of a TRS member, is or becomes the beneficiary of a Special Needs Trust, TRS will acknowledge the trust as the beneficiary or joint annuitant and make payments to the Trustee once the following has been submitted to and approved by TRS:

(1) Trust creation documents which include the following:

- (A) Provision that the trust is non-revocable;
- (B) Provision for only one beneficiary of the trust which cannot be changed and provision no other beneficiaries may be added; and,
- (C) Provision that the beneficiary must hold all interests in the trust except for the remainder interest to be paid in the event of the beneficiary's death;

(2) Signed and notarized acknowledgment from Trustee that he or she will notify TRS within 15 (fifteen) days of the death of the beneficiary, or in the event a new Trustee is appointed, or any other change to the Trust documents that would affect the eligibility of the beneficiary or Trustee from being eligible to be named a beneficiary under subsection (b) such as addition of a beneficiary, etc.; and, the tax identification number of the Trust, as well as the Social Security number of the Trust beneficiary.

8:00 a.m. to 4:30 p.m., Monday through Friday at the Oklahoma Uniform Building Code Commission, 2401 NW 23rd Street, Suite 2F, Oklahoma City, OK 73107, 405-521-6501

GIST/ANALYSIS:

The purpose of these permanent rules is to continue implementation of 59 O.S. §§1000.20 - 1000.29 (the "Act") originally enacted by SB1182, effective June 2, 2009, creating the Oklahoma Uniform Building Code Commission (the "OUBCC"). These permanent rules amend the adoptions of the International Building Code®, 2015 Edition (IBC®), as the statewide minimum code for commercial building construction; the International Fire Code®, 2015 Edition (IFC®), as the statewide minimum code for residential and commercial fire prevention and fire protection systems; the International Residential Code®, 2015 Edition (IRC®), as the statewide minimum code for residential building construction for one- and two-family dwellings and townhouses; the International Existing Building Code®, 2015 Edition (IEBC®), as the statewide minimum code for commercial existing building construction; the National Electrical Code®, 2014 Edition (NEC®), as the statewide minimum code for commercial electrical construction; the International Fuel Gas Code®, 2015 Edition (IFGC®), as the statewide minimum code for commercial fuel gas construction; the International Mechanical Code®, 2015 Edition (IMC®), as the statewide minimum code for commercial mechanical construction; and the International Plumbing Code®, 2015 Edition (IPC®), as the statewide minimum code for commercial plumbing construction; in the State of Oklahoma as modified by the OUBCC for implementation in the State of Oklahoma.

748:20-1-1., 748:20-1-9., and 748:20-1-18. amend the Oklahoma modifications to provide notification of trademark information, provide for changes needed for the alternative fuel industry of Oklahoma, and update the edition year in the referenced standards, to the provisions adopted by the OUBCC for the IBC®, 2015 edition.

748:20-3-1., 748:20-3-7., 748:20-3-13.1., 748:20-3-13.2., 748:20-3-13.3., 748:20-3-13.4., 748:20-3-13.5., and 748:20-3-14. amend the Oklahoma modifications to provide notification of trademark information, provide for changes needed for the alternative fuel industry of Oklahoma, and update the edition year in the referenced standards, to the provisions adopted by the OUBCC for the IFC®, 2015 edition.

748:20-5-3. and 748:20-5-28. amend the Oklahoma modifications to correct a section error and provide for an update to an appendix regarding garage door wind speed ratings, to the provisions adopted by the OUBCC for the IRC®, 2015 edition.

748:20-7-1. and 748:20-7-9. amend the Oklahoma modifications to provide notification of trademark information and update an edition year in the referenced standards to the provisions adopted by the OUBCC for the IEBC®, 2015.

748:20-9-1. and 748:20-9-7. amend the Oklahoma modifications to provide notification of trademark information and changes needed for the alternative fuel industry of Oklahoma, to the provisions adopted by the OUBCC for the NEC®, 2014.

748:20-11-1., 748:20-11-6.1., 748:20-11-8., and 748:20-11-10. amend the Oklahoma modifications to provide trademark information, changes needed for the alternative fuel industry of Oklahoma and update an edition year in the referenced standards, to the provisions adopted by the OUBCC for the IFGC®, 2015 edition.

748:20-13-1., 748:20-13-9., and 748:20-13-11. amend the Oklahoma modifications to provide for trademark information, changes needed for the alternative fuel industry of Oklahoma and update an edition year in the referenced standards, to the provisions adopted by the OUBCC for the IMC®, 2015 edition.

748:20-15-1., 748:20-15-8., and 748:20-15-17. amend the Oklahoma modifications to provide for trademark information, correct wording and measurement errors and update an edition year to the referenced standards, to the provisions adopted by the OUBCC for the IPC®, 2015.

CONTACT PERSON:

Billy Pope, Chief Executive Officer, OUBCC, 2401 NW 23rd, Suite 2F, Oklahoma City, OK 73107, 405-521-6501

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 15, 2017:

SUBCHAPTER 1. IBC® 2015

748:20-1-1. Adoption of International Building Code®, 2015 Edition (IBC® 2015)

(a) The Oklahoma Uniform Building Code Commission (the "OUBCC") hereby adopts the International Building Code®, 2015 Edition (IBC® 2015) as amended and modified in this subchapter as the statewide minimum code for commercial building construction in the State of Oklahoma pursuant to 59 O.S. 1000.23.

(b) The OUBCC through formal action expressly chose to adopt the IBC® 2015 as amended and modified in this subchapter, as the statewide minimum code for commercial building construction in the State of Oklahoma. In like manner, the OUBCC through formal action expressly chose to not adopt the International Building Code®, 2012 Edition (IBC®, 2012) for any purpose.

(c) As part of its 2012 code cycle, the International Code Council, Inc.® (ICC®) reorganized the format of certain of its model codes as it was foreseeable to ICC that additional chapters will need to be added in the future as model regulations for new processes or operations are developed. The format reorganization was designed by ICC to accommodate such future chapters by providing reserved (unused) chapters in several parts of certain of its model codes as part of its 2012 code cycle. The format reorganization continues into the ICC's 2015 code cycle and is adopted by the OUBCC to the extent provided in this subchapter by the phrase "reserved for future use" inserted in lieu of titles for chapters.

(d) This material contains information which is proprietary to and copyrighted by the International Code Council, Inc. The acronym "ICC" and the ICC logo are trademarks and service marks of ICC. ALL RIGHTS RESERVED.

748:20-1-9. IBC® 2015 Chapter 4 Special Detailed Requirements Based on Use and Occupancy

Chapter 4 of the IBC® 2015 is adopted with the following modifications:

(1) Section 406.7.2.1 Canopies used to support gaseous hydrogen systems. This section has been modified by deleting the word "hydrogen" in the heading and in the third requirement; and by adding the wording "lighter-than-air" to require the section header to make the section applicable to all lighter-than-air fuels. This section has been modified to read: 406.7.2.1 Canopies used to support lighter-than-air gaseous systems. Canopies that are used to shelter dispensing operations where flammable compressed gases are located on the roof of the canopy shall be in accordance with the following:

(A) The canopy shall meet or exceed Type I construction requirements.

(B) Operations located under canopies shall be limited to refueling only.

(C) The canopy shall be constructed in a manner that prevents the accumulation of gas.

(2) Section 406.7.2.2. Canopies sheltering units and devices that dispense lighter-than-air gas. This section has been added to require all canopies to be designed to prevent the accumulation or entrapment of ignitable vapors under canopies when dispensing lighter-than-air gas or all electrical equipment installed beneath the canopy is required to be suitable for Class I, Division 2 hazardous (classified) locations. This section has been added to read: 406.7.2.2 Canopies sheltering units and devices that dispense lighter-than-air gas. Where CNG, LNG, or Hydrogen motor fuel dispensing devices are installed beneath a canopy, the canopy shall be designed to prevent the accumulation or entrapment of ignitable vapors, including provisions for natural or mechanical ventilation means, or all electrical equipment installed beneath the canopy or within the enclosure shall be suitable for Class I, Division 2 hazardous (classified) locations. Tank vents that are installed within or attached to the canopy shall extend a minimum of 5 feet (1524 mm) above the highest projection of the canopy. Compression and storage equipment located on the top of the canopy shall be in accordance with current State of Oklahoma adopted International Fire Code®, Section 2309.

(43) Section 419.1 General. This section has been modified to add a new exception to allow Group B, M, and F occupancies located in a detached dwelling unit to be constructed in accordance with the IRC® if they comply with the limitations in Section 419.1.1. This section has been modified to read: 419.1 General. A live/work unit shall comply with Sections 419.1 through 419.9. Exceptions:

(A) Dwelling or sleeping units that include an office that is less than 10 percent of the area of the dwelling unit are permitted to be classified as dwelling units with accessory occupancies in accordance with Section 508.2.

(B) Group B, M, and F occupancies that are located in a detached dwelling unit complying with the limitations of Section 419.1.1 shall be permitted to be constructed in accordance with the IRC®.

(24) Section 419.1.1 Limitations. This section has been modified to limit the nonresidential portion of the live/work unit to not greater than 2,500 square feet (232 square meters). This section has been modified to read: 419.1.1 Limitations. The following shall apply to all live/work areas:

(A) The nonresidential portion of the live/work unit is permitted to be not greater than 2,500 square feet (232 square meters) in area;

(B) The nonresidential area is permitted to be not more than 50 percent of the area of each live/work unit;

(C) The nonresidential area function shall be limited to the first or main floor only of the live/work unit; and

(D) Not more than five nonresidential workers or employees are allowed to occupy the nonresidential area at any one time.

(35) Section 423 Storm Shelters. This section title has been modified to add to the title the words "Safe Rooms". This section has been modified to read: Section 423 Storm Shelters and Safe Rooms.

(46) Section 423.1 General has been modified to require both storm shelters and safe rooms to be constructed in accordance with the definitions in Chapter 2 of this code and this section. The section has been modified to read: Section 423.1 General. In addition to other applicable requirements in this code, storm shelters and safe rooms shall be constructed in accordance with the definitions and this section.

(57) Section 423.1.1 Scope. This section has been modified to include above and below ground storm shelters and safe rooms and limit the use of the terms storm shelter and safe room to those structures constructed according to this section. This section has been modified to read: 423.1.1 Scope. This section applies to the construction of above or below ground storm shelters or safe rooms constructed as separate detached buildings, or rooms within buildings, structures, or portions thereof for the purpose of providing safe refuge from storms that produce high winds, such as tornados. Any room or structure, as may be used as a place of refuge during a severe wind storm event, shall not be defined as a storm shelter or safe room unless specifically designed to the requirements as listed in Section 423.

(68) Section 423.2 Definitions. This section has been modified to add wording noting the definitions of a Safe Room, Community Safe Room, and Other Safe Room to the definitions of Chapter 2 of this code. This section has been modified to read: 423.2 Definitions. The following terms are defined in Chapter 2 of this code:

(A) SAFE ROOM.

- (i) Community safe room.
- (ii) Other safe room.

(B) STORM SHELTER.

- (i) Community storm shelter.
- (ii) Residential storm shelter.

(79) Section 423.3 Critical emergency operations. This section, including the exception, has been moved to the newly created Appendix N, entitled "Supplemental Storm Shelter and Safe Room Requirements" and is not adopted as a minimum standard for residential or commercial construction within the State of Oklahoma. This section has been renumbered in Appendix N to become N102. The section number 423.3 itself, will stay as part of this code for numbering alignment but will not have any requirements attached to it.

(810) Section 423.4 Group E occupancies. This section, including exceptions, has been moved to the newly created Appendix N, entitled "Supplemental Storm Shelter and Safe Room Requirements" and is not adopted as a

Permanent Final Adoptions

minimum standard for residential or commercial construction within the State of Oklahoma. The section has been renumbered in Appendix N to become N103. The section number 423.4 itself, will stay as part of this code for numbering alignment but will not have any requirements attached to it.

~~(911)~~ Section 423.5 Required. This section has been added to specify the requirements when storm shelters or safe rooms are provided. This section has been added to read: 423.5 Required. Where storm shelters and safe rooms are provided, they shall be provided in compliance with ICC 500[®] except as required by Sections 423.5.1 through 423.5.2.3.

~~(4012)~~ Section 423.5.1 Number of doors. This section has been added to clarify the number of doors required for a storm shelter or safe room. This section has been added to read: 423.5.1 Number of doors. The number of means of egress doors from a storm shelter or safe room shall be determined based upon the occupant load for the normal occupancy of the space in accordance with Chapter 10 of this code. For facilities used solely for storm shelters or safe rooms, the number of doors shall be as specified in Section 423.5.1.1 based upon the occupant load as calculated in ICC 500[®], Section 501.1. Where only one means of egress is provided and the occupant load as calculated per ICC 500[®], Section 501.1 is 16 or more but less than 50, an emergency escape opening shall be provided in accordance with ICC 500[®] Section 501.4.

~~(4113)~~ Section 423.5.1.1 Minimum number of doors per storm shelter or safe room. This section has been added to specify the minimum number of doors necessary based upon occupant load. This section has been added to read: 423.5.1.1 Minimum number of doors per storm shelter or safe room. For 1-49 occupants provide a minimum 1 door in storm shelter or safe room; for 50-500 occupants provide a minimum number of 2 doors in storm shelter or safe room; for 501-1000 occupants provide a minimum number of 3 doors in storm shelter or safe room; and for more than 1000 occupants provide a minimum number of 4 doors in storm shelter or safe room.

~~(4214)~~ Section 423.5.2 Sanitation facilities. This section has been added to clarify sanitation facility requirements in storm shelters or safe rooms. This section has been added to read: 423.5.2. Sanitation facilities. Toilet and hand-washing facilities shall be located within the storm shelter or safe room and provided in the minimum number shown in Sections 423.5.2.1 through 423.5.2.3.

~~(4315)~~ Section 423.5.2.1 Temporary sanitary fixtures. This section has been added to allow temporary sanitary fixtures, chemical toilets or other means approved by the authority having jurisdiction in community storm shelters and community safe rooms based upon the occupant load. This section has been added to read: 423.5.2.1 Temporary sanitary fixtures. Temporary sanitary fixtures, chemical toilets or other means approved by the authority having jurisdiction shall be provided in community storm shelters and community safe rooms when an occupant load as

calculated per ICC 500[®], Section 501.1 is 16 or more but less than 50.

~~(4416)~~ Section 423.5.2.2 Permanent sanitary fixtures. This section has been added to require permanent sanitary fixtures and hand-washing facilities within community storm shelters and community safe rooms based upon occupant load. This section has been added to read: 423.5.2.2 Permanent sanitary fixtures. Permanent toilet and hand-washing facilities shall be located within community storm shelters and community safe rooms with an occupant load of 50 or more based upon the occupant load as calculated in ICC 500[®], Section 501.1. One toilet facility per 500 occupants, or portions thereof and one hand-washing facility per 1000 occupants, or portions thereof shall be provided based upon the occupant load as calculated by ICC 500[®] Section 501.1

~~(4517)~~ Section 423.5.2.3 Additional facilities. This section has been added to provide relief from the requirements for sanitary facilities in community storm shelters and community safe rooms when the number of facilities for the community storm shelter or community safe room as calculated per Section 423.5.2.2 exceeds the number of facilities provided for the normal occupancy of the space. This section has been added to read: 423.5.2.3 Additional facilities. Where the required number of sanitation facilities for the community storm shelter or community safe room, as calculated per Section 423.5.2.2 exceeds the number of facilities provided for the normal occupancy of the space, the additional facilities shall be permitted to be temporary sanitary fixtures, chemical toilets, or other means as approved by the authority having jurisdiction.

748:20-1-18. IBC[®] 2015 Chapter 35 Referenced Standards

Chapter 35 of the IBC[®] 2015 is adopted with the following modifications:

(1) A reference for the Federal Emergency Management Agency (FEMA) 2008 edition of P-320[®] Taking Shelter from the Storm: Building a Safe Room for your Home or Small Business has been added to the chapter. This section has been added to read: FEMA P-320[®]-2008 Taking Shelter from the Storm: Building a Safe Room for your Home or Small Business, Code reference section 202.

(2) A reference for the Federal Emergency Management Agency (FEMA) 2008 edition of P-361[®] Design and Construction Guidance for Community Safe Rooms has been added to the chapter. This section has been added to read: FEMA P-361[®]-2008 Design and Construction Guidance for Community Safe Rooms, Code reference section 202.

(3) The reference to ICC 500[®] has been modified to change the edition year from 2015 to 2008, and sections to be referenced. This section has been modified to read: ICC 500[®]-08 ICC/NSSA Standard on the Design and Construction of Storm Shelters, Code reference sections: 202, 423.5, 423.5.1, 423.5.1.1, 423.5.2, 423.5.2.1, 423.5.2.2, and 423.5.2.3.

(4) The reference to the International Existing Building Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IEBC®-15 International Existing Building Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(5) The reference to the International Energy Conservation Code® has been modified to change the edition year to 2006. This section has been modified to read: IECC®-06 International Energy Conservation Code®.

(6) The reference to the International Fire Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IFC®-15 International Fire Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(7) The reference to the International Fuel Gas Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IFGC®-15 International Fuel Gas Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(8) The reference to the International Mechanical Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read IMC®-15 International Mechanical Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(9) The reference to the International Plumbing Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IPC®-15 International Plumbing Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(10) The reference to the International Residential Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: ~~IRC®-09~~IRC®-15 International Residential Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(11) The referenced standard for NFPA® 70® National Electrical Code® has been modified to add after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: 70-14 National Electrical Code® as adopted and modified by the State of Oklahoma through the OUBCC.

SUBCHAPTER 3. IFC® 2015

748:20-3-1. Adoption of International Fire Code®, 2015 Edition (IFC® 2015)

(a) The Oklahoma Uniform Building Code Commission (the "OUBCC") hereby adopts the International Fire Code®,

2015 Edition (IFC® 2015) as amended and modified in this subchapter as the statewide minimum code for residential and commercial fire prevention and fire protection systems in the State of Oklahoma pursuant to 59 O.S. § 1000.23.

(b) The OUBCC through formal action expressly chose to adopt the IFC® 2015 as amended and modified in this subchapter, as the statewide minimum code for residential and commercial fire prevention and fire protection systems in the State of Oklahoma. In like manner, the OUBCC through formal action expressly chose to not adopt the International Fire Code®, 2012 Edition (IFC®, 2012) for any purpose.

(c) As part of its 2012 code cycle, the International Code Council, Inc.® (ICC®) reorganized the format of certain of its model codes as it was foreseeable to ICC® that additional chapters will need to be added in the future as model regulations for new processes or operations are developed. The format reorganization was designed by ICC® to accommodate such future chapters by providing reserved (unused) chapters in several parts of certain of its model codes as part of its 2012 code cycle. The format reorganization continues into the ICC's® 2015 code cycle and is adopted by the OUBCC to the extent provided in this subchapter by the phrase "reserved for future use" inserted in lieu of titles for chapters.

(d) This material contains information which is proprietary to and copyrighted by the International Code Council, Inc. The acronym "ICC" and the ICC logo are trademarks and service marks of ICC. ALL RIGHTS RESERVED.

748:20-3-7. IFC® 2015 Chapter 2 Definitions

Chapter 2 of the IFC® 2015 is adopted with the following modifications:

(1) The definition of an AUTHORITY HAVING JURISDICTION has been added to clarify the different individuals that may have authority with in the code. This definition has been added to read: AUTHORITY HAVING JURISDICTION. Means an organization, office, or individual responsible for enforcing the requirements of the State Adopted Building Codes, including the prior authorization or approval of any equipment, materials, installations or procedures used in all or part of the construction of a new, or alteration or renovation of an existing building or structure, including integral finishes, fixtures and building system therein.

(2) The definition of a DISPENSING AREA has been added to clarify multiple references in the code with regard to fuel dispensing. This definition has been added to read: DISPENSING AREA. The appropriate hazardous (classified) locations for the fuel being dispensed in accordance with the National Electrical Code® - NFPA® 70.

(3) The definition of a MAIN RAILROAD TRACK has been added to provide clarity to building code officials. This definition has been added to read: MAIN RAILROAD TRACK. That part of the railway, exclusive of switch tracks, branches, yards, and terminals upon which trains are operated by timetable or train order or both.

(44) The definition for Residential Group R-3 has been modified to clarify the International Residential Code® 2015 (IRC® 2015) can be utilized so long as the facilities

Permanent Final Adoptions

have four or fewer rooms. This definition has been modified to read: [BG] Residential Group R-3. Residential R-3 occupancies where occupants are primarily permanent in nature and not classified as Group R-1, R-2, R-5, or I including Boarding houses (non-transient) with 16 or fewer occupants, Boarding houses (transient) with 10 or fewer occupants, Buildings that do not contain more than two dwelling units, Care facilities that provide accommodations for five or fewer persons receiving care, Congregate living facilities (non-transient with 16 or fewer occupants), Congregate living facilities (transient) with 10 or fewer occupants and Lodging houses with four or fewer guest rooms.

(A) [BG] Care facilities within a dwelling. Care facilities for five or fewer persons receiving care that are within a single-family dwelling are permitted to comply with the IRC[®] provided an automatic sprinkler system is installed in accordance with Section 903.3.1.3 or Section P2904 of the IRC[®].

(B) [BG] Lodging houses. Owner-occupied lodging houses with four or fewer guest rooms shall be permitted to be constructed in accordance with the IRC[®].

(25) The definition of a SELF-SERVICE STORAGE FACILITY from the International Building Code[®], 2015 Edition (Section 202) has been added to the International Fire Code[®], 2015 Edition. This definition has been added to read: SELF-SERVICE STORAGE FACILITY. Real property designed and used for the purpose of renting or leasing individual storage spaces to customers for the purpose of storing and removing personal property on a self-service basis.

748:20-3-13.1. IFC[®] 2015 Chapter 57 Flammable and Combustible Liquids [RENUMBERED TO 748:20-3-13.4.]

Chapter 57 of the IFC[®] 2015 is adopted with the following modification: Section 5705.5 Alcohol based hand rubs classified as Class I or II. This section has been modified to require guards or shields on alcohol based hand rub dispensers when installed over a carpeted area. This section has been modified to read: 5705.5 Alcohol based hand rubs classified as Class I or II liquids. The use of wall mounted dispensers containing alcohol based hand rubs classified as Class I or II liquids shall be in accordance with all of the following:

- (1) The maximum capacity of each dispenser shall be 68 ounces (2 L).
- (2) The minimum separation between dispensers shall be 48 inches (1219 mm)
- (3) The dispensers shall not be installed above, below, or closer than 1 inch (25 mm) to an electrical receptacle, switch, appliance, device or other ignition source. The wall space between the dispenser and the floor or intervening counter top shall be free of electrical receptacles, switches, appliances, devices or other ignitions sources.
- (4) Dispensers shall be mounted so that the bottom of the dispensers is not less than 42 inches (1067 mm) and not more than 48 inches (1219 mm) above the finished floor.

(5) ~~Dispensers shall not release their contents except when the dispenser is manually activated. Facilities shall be permitted to install and use automatically activated "touch free" alcohol based hand rub dispensing devices with the following requirements:~~

~~(A) The facility or persons responsible for the dispensers shall test the dispensers each time a new refill is installed in accordance with the manufacturer's care and use instructions.~~

~~(B) Dispensers shall be designed and must operate in a manner that ensures accidental or malicious activations of the dispensing devices are minimized. At a minimum, all devices subject to or used in accordance with this section shall have the following safety features:~~

~~(i) Any activations of the dispenser shall only occur when an object is placed within 4 inches (98 mm) of the sensing device.~~

~~(ii) The dispenser shall not dispense more than the amount required for hand hygiene consistent with label instructions as regulated by the United States Food and Drug Administration (USFDA).~~

~~(iii) An object placed within the activation zone and left in place will cause only one activation.~~

~~(6) Storage and use of alcohol based hand rubs shall be in accordance with the applicable provisions of Sections 5704 and 5705.~~

~~(7) Dispensers when installed over a carpeted area shall have a guard or shield to prevent alcohol based hand rub product from dispensing onto the floor.~~

748:20-3-13.2. IFC[®] 2015 Chapter 23 Motor Fuel-Dispensing Facilities and Repair Garages

Chapter 23 of the IFC[®] 2015 is adopted with the following modifications:

(1) Section 2301.7 Liquid natural gas (LNG) motor fuel-dispensing facilities. This section has been added to clarify that motor fuel-dispensing facilities for LNG shall comply with the requirements of Section 2303 and Chapter 55. This section has been added to read: 2301.7 Liquid natural gas motor fuel-dispensing facilities. Motor fuel-dispensing facilities utilizing liquid natural gas (LNG) fuel shall comply with the requirements of Section 2303 and Chapter 55.

(2) Section 2302 Definitions. This section has been modified to add to the terms "Main Railroad Track" and "Dispensing Area" to the list of terms defined in Chapter 2. This section has been modified to read: 2302.1 Definitions. The following terms are defined in Chapter 2:

(A) AIRCRAFT MOTOR-VEHICLE FUEL-DISPENSING FACILITY.

(B) ALCOHOL-BLENDED FUELS.

(C) AUTOMOTIVE MOTOR FUEL-DISPENSING FACILITY.

(D) DISPENSING AREA.

(E) DISPENSING DEVICE, OVERHEAD TYPE.

(F) FLEET VEHICLE MOTOR FUEL-DISPENSING FACILITY.

(G) LIQUEFIED NATURAL GAS (LNG).

(H) MAIN RAILROAD TRACK.

(I) MARINE MOTOR FUEL-DISPENSING FACILITY.

(J) REPAIR GARAGE.

(K) SELF-SERVICE MOTOR FUEL-DISPENSING FACILITY.

(3) Section 2303.1 Location of dispensing devices. This section has been modified to provide a sixth requirement when different types of fuel-dispensing devices for different fuels are located under the same canopy to prevent the accumulation or entrapment of ignitable vapors or all the electrical equipment located under the canopy must be suitable for Class I, Division 2 hazardous (classified) location. This section has been modified to read: 2303.1 Location of dispensing devices. Dispensing devices shall be located as follows:

(A) Ten feet (3048 mm) or more from lot lines.

(B) Ten feet (3048 mm) or more from buildings having combustibile exterior wall surfaces or buildings having noncombustibile exterior wall surfaces that are not part of a 1-hour-fire-resistance-rated assembly or buildings having combustibile overhangs. Exception: Canopies constructed in accordance with the International Building Code® providing weather protection for the fuel islands.

(C) Such that all portions of the vehicle being fueled will be on the premises of the motor fuel-dispensing facility.

(D) Such that the nozzle, when the hose is fully extended, will not reach within 5 feet (1524 mm) of building openings.

(E) Twenty feet (6096 mm) or more from fixed sources of ignition.

(F) Where compressed natural gas (CNG), LNG, or Hydrogen motor fuel-dispensing devices are installed beneath a canopy or within an enclosure, either the canopy or enclosure shall be designed to prevent the accumulation or entrapment of ignitable vapors, including provisions for natural or mechanical ventilation means, or all electrical equipment installed beneath the canopy or within the enclosure shall be suitable for Class I, Division 2 hazardous (classified) locations. Tank vents that are installed within or attached to the canopy or enclosure shall extend a minimum of 5 feet (1524 mm) above the highest projection of the canopy. Compression and storage equipment located on top of the motor fuel-dispensing facility canopies shall be in accordance with current State of Oklahoma adopted International Fire Code®, Section 2309 and International Building Code®, Section 406.

(4) Section 2303.2.1 Local emergency disconnect switches. This section has been added to clarify when local emergency disconnect switches are required and when those switches are required to be interlocked with other local emergency disconnect switches. This section

has been added to read: 2303.2.1 Local emergency disconnect switches. A local emergency disconnect switch, provided within 20 feet (6096 mm) of any dispensing unit shall be interlocked with all other dispensing units of the same fuel type and all other dispensing devices located within 20 feet (6096 mm) of the local emergency disconnect switch.

(5) Section 2303.2.2 Emergency disconnect switch lighting. This section has been added to clarify the requirements for providing illumination for emergency disconnect switch lighting. This section has been added to read: 2303.2.2 Emergency disconnect switch lighting. Permanent lighting shall be provided during hours of operation in times of darkness at all dispensing devices, required signage, emergency disconnects and emergency shutdown controls. The lighting shall be designed to provide illumination such that all dispensing devices, required signage, emergency disconnect switches and emergency shutdown controls are visible to the operator.

(6) Section 2304.3.7 Quantity Limits. This section has been modified to include an exception to the requirement that dispensing devices at unsupervised locations be programmed or set to limit uninterrupted fuel delivery to 25 gallons and require manual action to resume delivery. This section has been modified to read: 2304.3.7 Quantity limits. Dispensing equipment used at unsupervised locations shall comply with one of the following:

(A) Dispensing devices shall be programmed or set to limit uninterrupted fuel delivery to 25 gallons (95 L) and require a manual action to resume delivery. Exception: Dispensing devices that are equipped with a listed breakaway device or equal approved by the Authority Having Jurisdiction. Such emergency breakaway device shall be installed, maintained and replaced in accordance with the manufacturer's instructions.

(B) The amount of fuel being dispensed shall be limited in quantity by a preprogrammed card as approved.

(7) Section 2307.3 Attendants. This section has been modified to add an exception to the requirement for an attendant when the dispensing equipment meets the guidelines of NFPA® 58 for a "Low emission transfer." This section has been modified to read: 2307.3 Attendants. Motor fuel-dispensing operations for LP-gas shall be conducted by qualified attendants or in accordance with Section 2307.7 by persons trained in the proper handling of LP-gas. Exception: When the dispensing equipment meets the guidelines of NFPA® 58 for "Low emission transfer" an attendant is not required.

(8) Section 2307.4.1 Low emission transfer. This section has been added to clarify when the dispensing equipment meets the guidelines of NFPA® 58, Section 6.28.5 for "Low emission transfer" then the transfer distance shall be reduced by one-half. This section has been modified to read: 2307.4.1 Low emission transfer. When the dispensing equipment is installed in accordance with Section 6.28.5 of NFPA® 58 for "Low emission transfer," the

Permanent Final Adoptions

transfer distance requirements in Table 6.5.2.1 and Section 6.25.4.3(1) of NFPA[®] 58 shall be reduced by one-half.

(9) Section 2307.7 Public fueling of motor vehicles. This section has been modified to provide an exception to the owner's requirement to train users when the dispensing equipment meets the guidelines of NFPA[®] 58 for a "Low emission transfer." This section has been added to read: 2307.7 Public fueling of motor vehicles.

(A) Self-service LP-gas dispensing systems, including key, code and card lock dispensing systems, shall be limited to the filling of permanently mounted containers providing fuel to the LP-gas powered vehicle.

(B) The requirements for self-service LP-gas dispensing systems shall be in accordance with the following:

(i) The arrangement and operation of the transfer of product into a vehicle shall be in accordance with this section and Chapter 61.

(ii) The system shall be provided with an emergency shut-off switch located within 100 feet (30 480 mm) of, but not less than 20 feet (6096 mm) from dispensers.

(iii) The owner of the LP-gas motor fuel-dispensing facility or the owner's designee shall provide for the safe operation of the system and the training of users. Exception: If the LP-gas motor fuel-dispensing facility meets the requirements of a low emission transfer station per NFPA[®] 58, then training of the users is not the responsibility of the facility.

(iv) The dispenser and hose-end valve shall release not more than 1/8 fluid ounce (4 cc) of liquid to the atmosphere upon breaking the connection with the fill valve on the vehicle.

(v) Portable fire extinguishers shall be provided in accordance with Section 2305.5.

(vi) Warning signs shall be provided in accordance with Section 2305.6.

(vii) The area around the dispenser shall be maintained in accordance with Section 2305.7.

(10) Section 2308.3.2 Warning signs. This section has been added to include warning signs to be posted on Compressed Natural Gas (CNG) dispensing devices. This section has been added to read: 2308.3.2 Warning signs. Warning signs complying with Section 310 shall be posted as follows:

(A) Warning sign(s) shall be conspicuously posted within sight of each dispenser in the fuel dispensing area and shall state the following:

(i) No smoking

(ii) Shut off motor

(iii) Flammable Gas

(iv) Natural gas vehicle fuel cylinders shall be inspected at intervals not exceeding 3 years or 36,000 miles to ensure safe operation of the vehicle

(v) Natural gas fuel cylinders past their end-of-life date shall not be refueled and shall be removed from service.

(B) A warning sign with the words "No smoking, flammable gas" shall be posted in all compressor and storage areas.

(C) The lettering on the sign shall be legible and large enough to be visible from each point of transfer.

(D) The service pressure of each dispenser shall be posted in view of the operator.

(11) Section 2308.4 Private fueling of motor vehicles. This section has been modified to allow for the industry practice of utilizing CNG trailers that are not permanently attached to CNG powered vehicles and delete the requirement for the owner to ensure the user of a CNG powered vehicle to be properly trained on the vehicle's filling procedures. This section has been modified to read: 2308.4 Private fueling of motor vehicles.

(A) Self-service CNG dispensing systems, including key, code and card lock dispensing systems, shall be limited to the filling of approved, permanently mounted fuel containers.

(B) In addition to the requirements in Section 2305, the owner of a self-service CNG motor fuel-dispensing facility shall ensure the safe operation of the system.

(12) Section 2308.7 Emergency shutdown control. This section has been modified to change the word "control" to "devices" in the section heading, clarify the requirements of the emergency manual shutdown device and provide an exception to those requirements for time-fill applications. This section has been modified to read: 2308.7 Emergency shutdown devices. A remote and local emergency manual shutdown device shall be provided. Upon activation, the emergency shutdown system shall automatically close valves between the main gas supply and the compressor and between the storage containers and dispensers, and automatically shut off the power supply to the compressor and the following associated devices: dispensing enclosures; remote pumps; power, control, and signal circuits; and electrical equipment in the hazardous (classified) locations surrounding the fuel dispensing enclosures. All labeled emergency shutdown devices shall be interconnected, whether required or not. Resetting from an emergency shutoff condition shall require manual intervention and the manner of resetting shall be approved by the Authority Having Jurisdiction. Exception: In time-fill applications, in lieu of a defined remote and local emergency manual shutdown device, an emergency manual shutdown device shall be provided within 50 feet (15 240 mm) of each fixed point of dispensing hose attachment and located inside and outside the compressor area within 10 feet (3048 mm) of the main access to the compressor area.

(13) Section 2308.7.1 Remote emergency shutdown device. This section has been added to clarify the distance requirements remote emergency manual shutdown device placement and provide for an exception to the maximum distance required when located within line of sight of

the dispensing enclosures and approved by the Authority Having Jurisdiction. This section has been added to read: 2308.7.1 Remote emergency shutdown device. A remote emergency manual shutdown device shall be located within 100 feet (30 480 mm) of, but not less than 20 feet (6096 mm) from all dispensing enclosures and shall be provided inside and outside the compressor area within 10 feet (3048 mm) of the main access to the compressor area. Exception: A remote emergency shutdown device may be located greater than 100 feet (30 480 mm) from one or more dispensing enclosures when within line of sight of the dispensing enclosures and approved by the Authority Having Jurisdiction.

(14) Section 2308.7.2 Local emergency shutdown device. This section has been added to require a local emergency manual shutdown device be provided within 15 feet (4572 mm) of each dispensing enclosure. This section has been added to read: 2308.7.2 Local emergency shutdown device. A local emergency manual shutdown device shall be located within 15 feet (4572 mm) of each dispensing enclosure.

(15) Section 2311.4.3 Ventilation. This section has been modified to clarify the point at which themechanical ventilation should be exhausted in a basement or pit. This section has been modified to read:2311.4.3. Ventilation. Where class I liquids or LP-gas are stored or used within a building having a basement or pit wherein flammable vapors could accumulate, the basement or pit shall be provided withmechanical ventilation in accordance with the International Mechanical Code®, at a minimum rate of 1 1/2 cubic feetper minute per square foot (cfm/square foot) [0.0008 cubic meters per (second meter squared)] taken from a point within 12 inches (305 mm) of the floor to prevent the accumulation of flammable vapors.

(16) Section 2311.5 Preparation of vehicles for repair. This section has been modified to clarify Liquefied Natural Gas vehicles comply with Section 2311.5.1 as applicable. This section has been modified to read: 2311.5 Preparation of vehicles for repair.

(A) For vehicles powered by gaseous fuels, the fuel shutoff valves shall be closed prior to repairing any portion of the vehicle fuel system.

(B) Vehicles powered by gaseous fuels in which the fuel system has been damaged shall be inspected and evaluated for fuel system integrity prior to being brought into the repair garage. The inspection shall include testing of the entire fuel delivery system for leakage. Liquefied Natural Gas (LNG) vehicles shall comply with Section 2311.5.1 as applicable.

(17) Section 2311.5.1 Liquefied Natural Gas (LNG) This section has been added to clarify the process needed to measure and record the pressure of the LNG vehicle fuel system prior to and on every third day while in the repair facility to ensure the fuel pressure does not exceed the maximum allowable fuel pressure. This section has been added to read: 2311.5.1 Liquefied Natural Gas. Liquefied Natural Gas (LNG) vehicle fuel system

pressure shall be measured and recorded prior to entering the repair facility and at least every third day the vehicle remains in the building. Records shall be posted on the windshield of the vehicle. The maximum allowable system pressure shall be no more than 170 psig. Pressure above 170 psig shall be reduced by operating the vehicle, or limited venting outdoors as required.

(18) Section 2311.7 Repair garages for vehicles fueled by lighter-than-air fuels. This section has been modified to include a third exception for repair garages where work is conducted only on vehicles that have been defueled and their systems purged with nitrogen gas and where there are standard operating procedures to document and maintain the fueling status throughout the repair operations are approved. This section has been modified to read: 2311.7 Repair garages for vehicles fueled by lighter-than-air fuels. Repair garages for the conversion and repair of vehicles that use CNG, liquefied natural gas (LNG), hydrogen or other lighter-than-air motor fuels shall be in accordance with Sections 2311.7 through 2311.7.2.3 in addition to the other requirements of Section 2311. Exceptions:

(A) Repair garages where work is conducted only on vehicles that have been defueled and their systems purged with nitrogen gas, and where standard operating procedures to document and maintain the fueling status throughout the repair operations has been approved.

(B) Repair garages where work is not performed on the fuel system and is limited to exchange of parts and maintenance not requiring open flame or welding on the CNG-, LNG-, hydrogen- or other lighter-than-air-fueled motor vehicle.

(C) Repair garages for hydrogen-fueled vehicles where work is not performed on the hydrogen storage tank and is limited to the exchange of parts and maintenance not requiring open flame or welding on the hydrogen-fueled vehicle. During the work, the entire hydrogen fuel system shall contain a quantity that is less than 200 cubic feet (5.6 cubic meters) of hydrogen.

(19) Section 2311.7.1.1 Design. This section has been modified to clarify exhaust outlets should be located within 18 inches (475 mm) of the high point of the room on exterior walls or the roof and to change the ventilation rate from not less than 1 cubic foot per minute per 12 cubic feet of room volume to 1 cubic foot per square foot of room area. This section has been modified to read: 2311.7. 1.1 Design.

(A) Indoor locations shall be ventilated utilizing air supply inlets and exhaust outlets arranged to provide uniform air movement to the extent practical. Inlets shall be uniformly arranged on exterior walls near floor level. Outlets shall be located within 18 inches (457 mm) of the high point of the room in exterior walls or the roof.

(B) Ventilation shall be by a continuous mechanical ventilation system or by a mechanical ventilation

Permanent Final Adoptions

system activated by a continuously monitoring natural gas detection system or, for hydrogen, a continuously monitoring flammable gas detection system, each activating at a gas concentration of not more than 25 percent of the lower flammable limit (LFL). In all cases, the system shall shut down the fueling system in the event of failure of the ventilation system.

(C) The ventilation rate shall be not less than 1 cubic foot per minute per square foot [0.0051 cubic meters per (second square meter)] of room area.

748:20-3-13.3. IFC® 2015 Chapter 55 Cryogenic Fluids

Chapter 55 of the IFC® is adopted with the following modification: Section 5501.1 Scope. This section has been modified to add a third exception for liquefied natural gas (LNG) facilities for LNG vehicular applications to comply with Chapter 23 and NFPA® 52. This section has been modified to read: 5501.1 Scope.

(1) Storage, use and handling of cryogenic fluids shall comply with this chapter and NFPA® 55. Cryogenic fluids classified as hazardous materials shall also comply with the general requirements of Chapter 50. Partially full containers containing residual cryogenic fluids shall be considered as full for the purposes of the controls required. Exceptions:

(A) Fluids used as refrigerants in refrigeration systems (see Section 606).

(B) Liquefied natural gas (LNG), which shall comply with NFPA® 59 A.

(C) LNG facilities for LNG vehicular applications, which shall comply with Chapter 23 and NFPA® 52.

(2) Oxidizing cryogenic fluids, including oxygen, shall comply with Chapter 63, as applicable.

(3) Flammable cryogenic fluids, including hydrogen, methane, and carbon monoxide, shall comply with Chapters 23 and 58, as applicable.

(4) Inert cryogenic fluids, including argon, helium and nitrogen, shall comply with ANSI/CGA P-18.

748:20-3-13.4. IFC® 2015 Chapter 57 Flammable and Combustible Liquids

Chapter 57 of the IFC® 2015 is adopted with the following modification: Section 5705.5 Alcohol-based hand rubs classified as Class I or II. This section has been modified to require guards or shields on alcohol-based hand rub dispensers when installed over a carpeted area. This section has been modified to read: 5705.5 Alcohol-based hand rubs classified as Class I or II liquids. The use of wall-mounted dispensers containing alcohol-based hand rubs classified as Class I or II liquids shall be in accordance with all of the following:

(1) The maximum capacity of each dispenser shall be 68 ounces (2 L).

(2) The minimum separation between dispensers shall be 48 inches (1219 mm)

(3) The dispensers shall not be installed above, below, or closer than 1 inch (25 mm) to an electrical receptacle, switch, appliance, device or other ignition source. The

wall space between the dispenser and the floor or intervening counter top shall be free of electrical receptacles, switches, appliances, devices or other ignition sources.

(4) Dispensers shall be mounted so that the bottom of the dispenser is not less than 42 inches (1067 mm) and not more than 48 inches (1219 mm) above the finished floor.

(5) Dispensers shall not release their contents except when the dispenser is manually activated. Facilities shall be permitted to install and use automatically activated "touch free" alcohol-based hand-rub dispensing devices with the following requirements:

(A) The facility or persons responsible for the dispensers shall test the dispensers each time a new refill is installed in accordance with the manufacturer's care and use instructions.

(B) Dispensers shall be designed and must operate in a manner that ensures accidental or malicious activations of the dispensing devices are minimized. At a minimum, all devices subject to or used in accordance with this section shall have the following safety features:

(i) Any activations of the dispenser shall only occur when an object is placed within 4 inches (98 mm) of the sensing device.

(ii) The dispenser shall not dispense more than the amount required for hand hygiene consistent with label instructions as regulated by the United States Food and Drug Administration (USFDA).

(iii) An object placed within the activation zone and left in place will cause only one activation.

(6) Storage and use of alcohol-based hand rubs shall be in accordance with the applicable provisions of Sections 5704 and 5705.

(7) Dispensers when installed over a carpeted area shall have a guard or shield to prevent alcohol-based hand rub product from dispensing onto the floor.

748:20-3-13.5. IFC® 2015 Chapter 61 Liquefied Petroleum Gases

Chapter 61 of the IFC® 2015 is adopted with the following modifications:

(1) Section 6106.1 Attendants. This section has been modified to provide an exception to the requirement for a qualified attendant if the motor fuel-dispensing equipment meets the guidelines of NFPA® 58 for a "Low emission transfer." This section has been modified to read: 6106.1 Attendants. Dispensing of LP-gas shall be performed by a qualified attendant. Exception: When the dispensing equipment meets the guidelines of NFPA® 58 for "Low emission transfer" an attendant is not required.

(2) Section 6106.2 Overfilling. This section has been modified to include an overfilling prevention device on the container as one of the ways to measure the volume in the container. This section has been modified to read: 6106.2 Overfilling. LP-gas containers shall not be filled or maintained with LP-gas in excess of either the volume determined using the fixed liquid-level gauge installed in accordance with the manufacturer's specifications and in

accordance with Section 5.7.5 of NFPA® 58, the volume determined by the overfilling prevention device installed on the container, or the weight determined by the required percentage of water capacity marked on the container. Portable LP-gas containers shall not be refilled unless equipped with an overfilling prevention device (OPD) where required by Section 5.7.3 of NFPA® 58.

748:20-3-14. IFC® 2015 Chapter 80 Referenced Standards

Chapter 80 of the IFC® 2015 is adopted with the following modifications:

- (1) The reference to the International Building Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IBC®-15 International Building Code® as adopted and modified by the State of Oklahoma through the OUBCC.
- (2) The reference to the International Existing Building Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IEBC®-15 International Existing Building Code® as adopted and modified by the State of Oklahoma through the OUBCC.
- (3) The reference to the International Fuel Gas Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IFGC®-15 International Fuel Gas Code® as adopted and modified by the State of Oklahoma through the OUBCC.
- (4) The reference to the International Mechanical Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IMC®-15 International Mechanical Code® as adopted and modified by the State of Oklahoma through the OUBCC.
- (5) The reference to the International Plumbing Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through OUBCC." This section has been modified to read: IPC®-15 International Plumbing Code® as adopted and modified by the State of Oklahoma through the OUBCC.
- (6) The reference to the International Residential Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: ~~IRC®-09~~IRC®-15 International Residential Code® as adopted and modified by the State of Oklahoma through the OUBCC.
- (7) The referenced standard for NFPA® 2 Hydrogen Technologies Code has been modified to change the edition year from 2011 to 2016. This Section has been modified to read: 02-16 Hydrogen Technologies Code.
- (78) The referenced standard for NFPA® 70® National Electrical Code® has been modified to include after the title the words "as adopted and modified by the State of

Oklahoma through the OUBCC." This section has been modified to read: 70-14 National Electrical Code® as adopted and modified by the State of Oklahoma through the OUBCC.

SUBCHAPTER 5. IRC® 2015

748:20-5-3. IRC® 2015 Appendices

- (a) The OUBCC through formal action has chosen not to adopt appendices A through Y of the IRC® 2015 for inclusion in the statewide minimum code for residential construction in the State of Oklahoma. Appendices A through Y are informative and provide prescriptive requirements which are not mandatory unless specifically referenced in the adopting ordinance or order by other jurisdictions within the State of Oklahoma in accordance with 59 O.S. § 1000.29.
- (b) The OUBCC hereby creates a new appendix V, entitled "Appendix V Automatic Fire Systems." Sections ~~R312.2.1~~R312.2 entitled "One- and two-family dwellings automatic fire systems" and "R312.2.1 entitled "Design and installation" have been removed from Chapter Three of the IRC® 2015 and relocated to Appendix V, entitled "Appendix V, Automatic Fire Systems."
- (c) OUBCC hereby creates a new appendix W, entitled "Appendix W Energy Efficiency." Section N1101.14 entitled "Certificate" has been removed from Chapter Eleven of the IRC® 2015 and relocated to Appendix W, entitled "Appendix W, Energy Efficiency."
- (d) The OUBCC hereby creates a new appendix X, entitled "Appendix X, Swimming Pools, Spas and Hot Tubs." Appendix G has been carried forward from the previous adoption of IRC® 2009 and relocated to Appendix X, entitled "Appendix X, Swimming Pools, Spas and Hot Tubs."
- (e) The OUBCC hereby creates a new Appendix Y, entitled "Appendix Y, Residential Tornado Provisions."

748:20-5-28. Appendix Y, Residential Tornado Provisions

- (a) This appendix has been newly created and entitled "Residential Tornado Provisions." The provisions contained in this appendix are not mandatory unless specifically referenced in the adopting ordinance or order.
- (b) Y101 Scope. This section heading has been added to specify the sections of this appendix that deal with the Scope of the appendix. This section header has been added to read: Y101. Scope.
 - (1) Section Y101.1 General. This section has been added to clarify the provisions shall be applicable for new construction. This section has been added to read: Y101.1 General. These provisions shall be applicable for new construction where residential tornado provisions are required. This appendix provides prescriptive based requirements for construction of a residential structure meeting or exceeding a 135 mph wind event corresponding to an EF-2 tornado rating. The single most important objective in protecting a structure against high wind is

Permanent Final Adoptions

achieving a continuous load path from the roof to the foundation. Based on the findings of studies and failures associated with various construction types, a group of 11 building practices (each associated with a different aspect of the structure) are summarized in this section.

(2) Section Y101.2 Application. This section has been added to clarify the administrative provisions of this appendix are applicable in the administrative and building planning and construction requirements in Chapters 1 through 10 of this code. The section has been added to read: ~~Section~~ Y101.2 Application. In addition to the general administration requirements of Chapter 1, the administrative provisions of this appendix shall also apply to the building planning and construction requirements of Chapters 1 through 10.

(3) Section Y101.3 Wind design criteria. This section has been added to clarify that if Section R301.2.1 is modified, the buildings and portions thereof shall be constructed in accordance with the code and the ultimate wind speed design of 135 mph. This section has been added to read: Y101.3 Wind design criteria. Modifying section R301.2.1 buildings and portions thereof shall be constructed in accordance with the wind provisions of this code using the ultimate design wind speed 135 mph.

(4) Section Y101.4 Lumber sheathing. This section has been added to address the permitted forms of lumber sheathing. This section has been added to read: Y101.4 Lumber sheathing. Only OSB or plywood sheathing is permitted. Dimensional lumber sheathing may not be used. Allowable spans and attachment for lumber used as roof or exterior wall sheathing shall conform to the following:

(A) ~~Section~~ Y101.4.1 Sixteen Inch Framing. For rafter, stud, or beam spacing of 16 inches, the minimum nominal sheathing panel thickness will be 7/16 inch, the minimum wood structural panel span rating 24/16, to be nailed with 8d ring shank (0.131 inch x 2.5 inch) or 10d (0.148 inch x 3 inch) nails on 4 inches on center along the edges and 6 inches on center in the field.

(B) Y101.4.2 ~~Section~~ Twenty-four Inch Framing. For rafter, stud or beam spacing of 24 inches, the minimum nominal sheathing panel thickness will be 23/32 inch, the minimum wood structural panel span rating 24/16 to be nailed with 8d ring shank (0.131 inch x 2.5 inch) or 10d (0.148 inch x 3 inch) nails on 4 inches on center along the edges and 4 inches on center in the field.

(5) Section Y101.5 Ceiling joist and rafter connections. This section has been added to require ceiling joists and rafters to be nailed to each other in a manner to achieve a connection that can transfer a 500 pound force in both compression and tension across the connections. This section has been added to read: Y101.5 Ceiling joist and rafter connections. In addition to the provisions of Chapter 8, ceiling joists and rafters shall be nailed to each other

in a manner to achieve a connection that can transfer a 500 pound force in both compression and tension across the connection.

(6) Section Y101.6 Rafter uplift resistance. This section has been added to require individual rafters to be attached to supporting wall assemblies by connections capable of resisting uplift forces of 500 pounds. This section has been added to read: Y101.6 Rafter uplift resistance. Individual rafters shall be attached to supporting wall assemblies by connections capable of resisting uplift forces of 500 pounds.

(7) Section Y101.7 Gable end walls. This section has been added to clarify connections and sheathing for gable end walls. This section has been added to read: Y101.7 Gable end walls. Gable end walls will be sheathed per Y101.4 and will have connections to both a.) supporting wall assemblies and b.) roof framing by connections capable of resisting uplift forces of 500 pounds in both compression and tension across the connection.

(8) Section Y101.8 Exterior wall bracing. This section has been added to clarify sheathing methods to be utilized to brace exterior walls and prohibit intermittent bracing on exterior walls. This section has been added to read: Y101.8 Exterior wall bracing. Only continuous sheathing methods per R602.10.4.2 may be used to brace exterior walls. Frame garage doors using the sheathed portal frame method CS-PF. Lumber sheathing and attachment per Y101.4. Any form of intermittent bracing is not allowed on an exterior wall. Intermittent bracing may only be used for interior braced wall lines.

(9) Section Y101.9 Multi story construction. This section has been added to require nailing upper and lower story wall sheathing to a common rim board. This section has been added to read: Y101.9 Multi story construction. Nail upper and lower story wall sheathing to common rim board in order to maintain continuity between stories.

(10) Section Y101.10 Wood floor above crawl space construction. This section has been added to require extending structural wood sheathing to lap the sill plate. This section has been added to read: Y101.10 Wood floor above crawl space construction. Extend structural wood sheathing to lap the sill plate. Nail to sill plate at 4 inches on center along the edges. Nail to rim board if present with 8d ring shank (0.131 inch x 2.5 inch) or 10d (0.148 inch x 3 inch) nails at 4 inches on center along both the top and bottom edges of the rim board.

(11) Section Y101.11 Garage Doors. This section has been added to require garage doors to be rated for 135 mile per hour winds. This section has been added to read: Y101.11 Garage Doors. Garage doors are to be wind rated to 135 mph.

SUBCHAPTER 7. IEBC® 2015

748:20-7-1. Adoption of International Existing Building Code®, 2015 Edition (IEBC® 2015)

(a) The Oklahoma Uniform Building Code Commission (the "OUBCC") hereby adopts the International Existing Building Code®, 2015 Edition (IEBC® 2015) as amended and modified in this subchapter as the statewide minimum code for commercial existing building construction in the State of Oklahoma pursuant to 59 O.S. 1000.23.

(b) The OUBCC through formal action expressly chose to adopt the IEBC® 2015 as amended and modified in this subchapter, as the statewide minimum code for commercial existing building construction in the State of Oklahoma. In like manner, the OUBCC through formal action expressly chose not to adopt the International Existing Building Code®, 2012 Edition (IEBC®, 2012) for any purpose.

(c) This material contains information which is proprietary to and copyrighted by the International Code Council, Inc. The acronym "ICC" and the ICC logo are trademarks and service marks of ICC. ALL RIGHTS RESERVED.

748:20-7-9. IEBC® 2015 Chapter 16 Referenced Standards

Chapter 16 of the IEBC® 2015 is adopted with the following modifications:

(1) The reference to the International Building Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IBC®-15 International Building Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(2) The reference to the International Energy Conservation Code® has been modified to change the edition year to 2006. This section has been modified to read: IECC®-06 International Energy Conservation Code®.

(3) The reference to the International Fire Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IFC®-15 International Fire Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(4) The reference to the International Fuel Gas Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IFGC®-15 International Fuel Gas Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(5) The reference to the International Mechanical Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IMC®-15 International Mechanical Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(6) The reference to the International Plumbing Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read:

IPC®-15 International Plumbing Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(7) The reference to the International Residential Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: ~~IRC®-09~~IRC®-15 International Residential Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(8) The referenced standard for NFPA® 70® National Electrical Code® has been modified to add after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section shall now read: 70-14 National Electrical Code® as adopted and modified by the State of Oklahoma through the OUBCC.

SUBCHAPTER 9. NEC® 2014

748:20-9-1. Adoption of National Electrical Code®, 2014 Edition (NEC® 2014)

(a) The Oklahoma Uniform Building Code Commission (the "OUBCC") hereby adopts the National Electrical Code®, 2014 Edition - NFPA® 70® (NEC® 2014), as amended and modified in this subchapter as the statewide minimum code for commercial electrical construction in the State of Oklahoma pursuant to 59 O.S. § 1000.23.

(b) This material contains information which is proprietary to and copyrighted by the National Fire Protection Association. The acronym "NFPA" and the NFPA logo are trademarks and service marks of NFPA. ALL RIGHTS RESERVED.

748:20-9-7. NEC® 2014 Chapter 5 Special Occupancies

Chapter 5 is adopted with modifications as follows:

(1) Section 505.7 (A) Implementation of zone classification system. This section has been modified to require a registered professional engineer to engineer and design, and select the equipment and wiring methods for classification areas. It allows for the installation of the equipment, wiring methods and inspections to be performed by qualified persons. This section has been modified to read: 505.7 (A) Implementation of zone classification system. Classification of areas, engineering and design, selection of equipment and wiring methods shall be performed by a Registered Professional Engineer with expertise in Hazardous (Classified) Locations and Zone Systems. The installation of equipment and wiring methods, and inspections shall be performed by qualified persons.

(2) Section 506.6 (A) Implementation of zone classification system. This section has been modified to require a registered professional engineer to engineer and design, and select the equipment and wiring methods for classification areas. It allows for the installation of the equipment, wiring methods and inspections to be performed by qualified persons. This section has been modified to read:

Permanent Final Adoptions

506.6 (A) Implementation of zone classification system. Classification of areas, engineering and design, selection of equipment and wiring methods, shall be performed by a Registered Professional Engineer with expertise in Hazardous (Classified) Locations and Zone Systems. The installation of equipment and wiring methods inspection shall be performed by qualified persons.

(3) Section 511.2 Major Repair Garage. This section has been modified to include maintenance or repairs that require open-flame cutting or welding as part of the definition of a major repair garage. This section has been modified to read: 511.2 Major Repair Garage. A building or portions of a building where major repairs, such as engine overhauls, painting, body and fender work, maintenance or repairs that require open-flame cutting or welding, and repairs that require draining of the motor vehicle fuel tank are performed on motor vehicles, including associated floor space used for offices, parking, or showrooms [30A: 3.3.12.2].

SUBCHAPTER 11. IFGC® 2015

748:20-11-1. Adoption of International Fuel Gas Code®, 2015 Edition (IFGC® 2015)

(a) The Oklahoma Uniform Building Code Commission (the "OUBCC") hereby adopts the International Fuel Gas Code®, 2015 Edition (IFGC® 2015) as amended and modified in this subchapter as the statewide minimum code for commercial fuel gas construction in the State of Oklahoma pursuant to 59 O.S. 1000.23.

(b) The OUBCC through formal action expressly chose to adopt the IFGC® 2015 as amended and modified in this subchapter, as the statewide minimum code for commercial fuel gas construction in the State of Oklahoma. In like manner, the OUBCC through formal action expressly chose not to adopt the International Fuel Gas Code®, 2012 Edition (IFGC®, 2012) for any purpose.

(c) This material contains information which is proprietary to and copyrighted by the International Code Council, Inc. The acronym "ICC" and the ICC logo are trademarks and service marks of ICC. ALL RIGHTS RESERVED.

748:20-11-6.1. IFGC® 2015 Chapter 2 Definitions

Chapter 2 of the IFGC® 2015 is adopted with the following modifications:

(1) The definition of a DISPENSING AREA has been added to clarify multiple references in the code with regard to fuel dispensing. This definition has been added to read: DISPENSING AREA. The appropriate hazardous (classified) locations for the fuel being dispensed in accordance with the National Electrical Code® - NFPA® 70.

(2) The definition of a MAIN RAILROAD TRACK has been added to clarify to building code officials. This definition has been added to read: MAIN RAILROAD TRACK. That part of the railway, exclusive of switch

tracks, branches, yards, and terminals upon which trains are operated by timetable or train order or both.

748:20-11-8. IFGC® 2015 Chapter 4 Gas Piping Installations

Chapter 4 of the IFGC® 2015 is adopted with the following ~~modification~~ modifications:

(1) Section 404.12 Minimum burial depth. This section has been modified to change the minimum burial depth from 12 inches (305 mm) to 18 inches (457 mm) and to allow for an exception when there is no ability to meet that minimum depth. This section has been modified to read: 404.12 Minimum burial depth. Underground piping systems shall be installed a minimum depth of 18 inches (457 mm) below grade, except as provided for in Section 404.12.1. Exception: Where a minimum depth of cover cannot be provided, the pipe shall be installed in conduit or bridged (shielded).

(2) Section [F] 412.5 Attendants. This section has been modified to provide an exception the requirement of an attendant when the dispensing equipment meets the guidelines of NFPA® 58 for a "Low emission transfer." This section has been modified to read: [F] 412.5 Attendants. Motor fuel-dispensing operations shall be conducted by qualified attendants or in accordance with Section 412.9 by persons trained in the proper handling of LP-gas. Exception: When the dispensing equipment meets the guidelines of NFPA® 58 for "Low emission transfer" an attendant is not required.

(3) Section [F] 412.6.1 Low emission transfer. This section has been added to clarify when the dispensing equipment meets the guidelines of NFPA® 58, Section 6.28.5 for "Low emission transfer" then the transfer distance shall be reduced by one-half. This section has been modified to read: [F] 412.6.1 Low emission transfer. When the dispensing equipment is installed in accordance with Section 6.28.5 of NFPA® 58 for "Low emission transfer," the transfer distance requirements in Table 6.5.2.1 and Section 6.25.4.3(1) of NFPA® 58 shall be reduced by one-half.

(4) Section [F] 412.9 Public fueling of motor vehicles. This section has been modified to provide an exception to the owner's requirement to train users when the dispensing equipment meets the guidelines of NFPA® 58 for a "Low emission transfer." This section has been added to read: [F] 412.9 Public fueling of motor vehicles.

(A) Self-service LP-gas dispensing systems, including key, code and card lock dispensing systems, shall be limited to the filling of permanently mounted containers providing fuel to the LP-gas-powered vehicle.

(B) The requirements for self-service LP-gas dispensing systems shall be in accordance with the following:

(i) The arrangement and operation of the transfer of product into a vehicle shall be in accordance with this section and Chapter 61 of the International Fire Code®.

- (ii) The system shall be provided with an emergency shut-off switch located within 100 feet (30 480 mm) of, but not less than 20 feet (6096 mm) from dispensers.
 - (iii) The owner of the LP-gas motor fuel-dispensing facility or the owner's designee shall provide for the safe operation of the system and the training of users. Exception: If the LP-gas motor fuel-dispensing facility meets the requirements of a low emission transfer station per NFPA® 58, then training of the users is not the responsibility of the facility.
 - (iv) The dispenser and hose-end valve shall release not more than 4 cubic centimeters of liquid to the atmosphere upon breaking the connection with the fill valve on the vehicle.
 - (v) Portable fire extinguishers shall be provided in accordance with Section 2305.5 of the International Fire Code®.
 - (vi) Warning signs shall be provided in accordance with Section 2305.6 of the International Fire Code®.
 - (vii) The area around the dispenser shall be maintained in accordance with Section 2305.7 of the International Fire Code®.
- (5) Section [F] 413.3.2 Warning signs. This section has been added to include warning signs be posted on Compressed Natural Gas (CNG) dispensing devices. This section has been added to read: [F] 413.3.2 Warning signs. Warning signs complying with Section 310 of the International Fire Code® shall be posted as follows:
- (A) Warning sign(s) shall be conspicuously posted within sight of each dispenser in the fuel dispensing area and shall state the following:
 - (i) No smoking
 - (ii) Shut off motor
 - (iii) Flammable Gas
 - (iv) Natural gas vehicle fuel cylinders shall be inspected at intervals not exceeding 3 years or 36,000 miles to ensure safe operation of the vehicle
 - (v) Natural gas fuel cylinders past their end-of-life date shall not be refueled and shall be removed from service.
 - (B) A warning sign with the words "NO SMOKING, FLAMMABLE GAS" shall be posted in all compressor and storage areas.
 - (C) The lettering on the sign shall be legible and large enough to be visible from each point of transfer.
 - (D) The service pressure of each dispenser shall be posted in view of the operator.
- (6) Section [F] 413.5 Private fueling of motor vehicles. This section has been modified to allow for the industry practice of utilizing CNG trailers that are not permanently attached to CNG powered vehicles and delete the requirement for the owner to ensure the user of a CNG powered

vehicle be properly trained on the vehicle's filling procedures. This section has been modified to read: [F] 413.5 Private fueling of motor vehicles.

(A) Self-service CNG-dispensing systems, including key, code and card lock dispensing systems, shall be limited to the filling of approved, permanently mounted fuel containers.

(B) In addition to the requirements in the International Fire Code, the owner of a self-service CNG-dispensing facility shall ensure the safe operation of the system.

(7) Section [F] 413.8 Emergency shutdown control. This section has been modified to change the word "control" to "device" in the section heading, clarify the requirements of the emergency shutdown device and provide an exception to those requirements for time-fill applications. This section has been modified to read: [F] 413.8 Emergency shutdown devices. A remote and local emergency manual shutdown device shall be provided. Upon activation, the emergency shutdown system shall automatically close valves between the main gas supply and the compressor and between the storage containers and dispensers, and automatically shut off the power supply to the compressor and the following associated devices: dispensing enclosures; remote pumps; power, control, and signal circuits; and electrical equipment in the hazardous (classified) locations surrounding the fuel dispensing enclosures. All labeled emergency shutdown devices shall be interconnected, whether required or not. Resetting from an emergency shutoff condition shall require manual intervention and the manner of resetting shall be approved by the Authority Having Jurisdiction. Exception: In time-fill applications, in lieu of a defined remote and local emergency manual shutdown device, an emergency manual shutdown device shall be provided within 50 feet (15 240 mm) of each fixed point of dispensing hose attachment and located inside and outside the compressor area within 10 feet (3048 mm) of the main access to the compressor area.

(8) Section 413.8.1 Remote emergency shutdown device. This section has been added to clarify the distance requirements for remote emergency shutdown device placement and provide an exception to the maximum distance required when located within line of sight of the dispensing enclosures and approved by the Authority Having Jurisdiction. This section has been added to read: 413.8.1 Remote emergency shutdown device. A remote emergency manual shutdown device shall be located within 100 feet (30 480 mm) of, but not less than 20 feet (6096 mm) from all dispensing enclosures and shall be provided inside and outside the compressor area within 10 feet (3048 mm) of the main access to the compressor area. Exception: A remote emergency manual shutdown device may be located greater than 100 feet (30 480 mm) from one or more dispensing enclosures when within line of sight of the dispensing enclosures and approved by the Authority Having Jurisdiction.

Permanent Final Adoptions

(9) Section 413.8.2 Local emergency shutdown device. This section has been added to require a local emergency shutdown device be provided within 15 feet (4572 mm) of each dispensing enclosure. This section has been added to read: 413.8.2 Local emergency shutdown device. A local emergency manual shutdown device shall be located within 15 feet (4572 mm) of each dispensing enclosure.

748:20-11-10. IFGC® 2015 Chapter 8 Referenced Standards

Chapter 8 of the IFGC® 2015 is adopted with the following modifications:

- (1) The reference to the International Building Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IBC®-15 International Building Code® as adopted and modified by the State of Oklahoma through the OUBCC.
- (2) The reference to the International Energy Conservation Code® has been modified to change the edition year to 2006. This section has been modified to read: IECC®-06 International Energy Conservation Code®.
- (3) The reference to the International Fire Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IFC®-15 International Fire Code® as adopted and modified by the State of Oklahoma through the OUBCC.
- (4) The reference to the International Mechanical Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IMC®-15 International Mechanical Code® as adopted and modified by the State of Oklahoma through the OUBCC.
- (5) The reference to the International Plumbing Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IPC®-15 International Plumbing Code® as adopted and modified by the State of Oklahoma through the OUBCC.
- (6) The reference to the International Residential Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: ~~IRC®-09~~IRC®-15 International Residential Code® as adopted and modified by the State of Oklahoma through the OUBCC.
- (7) The referenced standard for NFPA® 70® National Electrical Code® has been modified to add after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section shall now read: 70-14 National Electrical Code® as adopted and modified by the State of Oklahoma through the OUBCC.

748:20-13-1. Adoption of International Mechanical Code®, 2015 Edition (IMC® 2015)

- (a) The Oklahoma Uniform Building Code Commission (the "OUBCC") hereby adopts the International Mechanical Code®, 2015 Edition (IMC® 2015) as amended and modified in this subchapter as the statewide minimum code for commercial mechanical construction in the State of Oklahoma pursuant to 59 O.S. 1000.23.
- (b) The OUBCC through formal action expressly chose to adopt the IMC® 2015 as amended and modified in this subchapter, as the statewide minimum code for commercial mechanical construction in the State of Oklahoma. In like manner, the OUBCC through formal action expressly chose not to adopt the International Mechanical Code®, 2012 Edition (IMC®, 2012) for any purpose.
- (c) This material contains information which is proprietary to and copyrighted by the International Code Council, Inc. The acronym "ICC" and the ICC logo are trademarks and service marks of ICC. ALL RIGHTS RESERVED.

748:20-13-9. IMC® 2015 Chapter 5 Exhaust Systems

Chapter 5 of the IMC® 2015 has been adopted with the following modifications:

- (1) Section [F] 502.15 Repair garages. This section has been modified to require compliance with Section 2311.4.3 of the International Fire Code® when designing basement or pit ventilation. This section has been modified to read: [F] 502.15 Repair garages. Where Class I liquids or LP-gas are stored or used within a building having a basement or pit wherein flammable vapors could accumulate, the basement or pit shall be provided with ventilation designed in accordance with Section 2311.4.3 of the International Fire Code® to prevent the accumulation of flammable vapors therein.
- (2) Section [F] 502.16.1 Design. This section has been modified to clarify exhaust outlets should be located within 18 inches (475 mm) of the high point of the room on exterior walls or the roof and to change the ventilation rate from not less than 1 cubic foot per minute per 12 cubic feet of room volume to 1 cubic foot per square foot of room area. This section has been modified to read: [F] 502.16.1 Design.
 - (A) Indoor locations shall be ventilated utilizing air supply inlets and exhaust outlets arranged to provide uniform air movement to the extent practical. Inlets shall be uniformly arranged on exterior walls near floor level. Outlets shall be located within 18 inches (457 mm) of the high point of the room in exterior walls or the roof.
 - (B) Ventilation shall be by a continuous mechanical ventilation system or by a mechanical ventilation system activated by a continuously monitoring natural gas detection system, or for hydrogen, a continuously monitoring flammable gas detection system, each activating at a gas concentration of not more than 25 percent of the lower flammable limit (LFL). In all cases, the system shall shut down the fueling system in the event of failure of the ventilation system.

SUBCHAPTER 13. IMC® 2015

(C) The ventilation rate shall not be less than 1 cubic foot per minute per square foot [0.0051 cubic meters per (second square meter)] of room area.

(43) Section 506.3.1.1 Grease duct materials. This section has been added to clarify the language between the code and NFPA® 96 regarding the type of steel to be utilized. This section has been modified to read: 506.3.1.1 Grease duct materials. Grease ducts serving Type I hoods shall be constructed of non- galvanized carbon steel having a minimum thickness of 0.0575 inch (1.463 mm) (No. 16 gage) or stainless steel not less than 0.0450 inch (1.14 mm) (No. 18 gage) in thickness. Exception: Factory-built commercial kitchen grease ducts listed and labeled in accordance with UL 1978 and installed in accordance with Section 304.1.

(24) Section 507.2. Type I hoods. This section has been modified to add an additional exception for installation of Type II hoods when specific conditions are met. This section has been modified to read: Type I hoods shall be installed where cooking appliances produce grease or smoke as a result of the cooking process. Type I hoods shall be installed over medium-duty, heavy-duty, and extra-heavy-duty cooking appliances. Exceptions:

(A) A Type I hood shall not be required for an electric cooking appliance where an approved testing agency provides documentation that the appliance effluent contains 5 mg per cubic meter when tested at an exhaust flow rate of 500 cfm (0.236 cubic meters per second) in accordance with UL 710B.

(B) In non-commercial cooking occupancies a residential or Type II hood can be installed over a medium-duty residential appliance when approved.

748:20-13-11. IMC®2015 Chapter 15 Referenced Standards

Chapter 15 of the IMC® 2015 is adopted with the following modifications:

(1) The reference to the International Building Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IBC®-15 International Building Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(2) The reference to the International Energy Conservation Code® has been modified to change the edition year to 2006. This section has been modified to read: IECC®-06 International Energy Conservation Code®.

(3) The reference to the International Fire Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IFC®-15 International Fire Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(4) The reference to the International Fuel Gas Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read:

IFGC®-15 International Fuel Gas Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(5) The reference to the International Plumbing Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IPC®-15 International Plumbing Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(6) The reference to the International Residential Code® 2009 has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: ~~IRC®-09~~IRC®-15 International Residential Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(7) The referenced standard for NFPA® 70® National Electrical Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section shall now read: 70-14 National Electrical Code® as adopted and modified by the State of Oklahoma through the OUBCC.

SUBCHAPTER 15. IPC® 2015

748:20-15-1. Adoption of International Plumbing Code®, 2015 Edition (IPC® 2015)

(a) The Oklahoma Uniform Building Code Commission (the "OUBCC") hereby adopts the International Plumbing Code®, 2015 Edition (IPC® 2015) as amended and modified in this subchapter as the statewide minimum code for commercial plumbing construction in the State of Oklahoma pursuant to 59 O.S. 1000.23.

(b) The OUBCC through formal action expressly chose to adopt the IPC®, 2015 as amended and modified in this subchapter, as the statewide minimum code for commercial plumbing construction in the State of Oklahoma. In like manner, the OUBCC through formal action expressly chose not to adopt the International Plumbing Code®, 2012 Edition (IPC®, 2012) for any purpose.

(c) This material contains information which is proprietary to and copyrighted by the International Code Council, Inc. The acronym "ICC" and the ICC logo are trademarks and service marks of ICC. ALL RIGHTS RESERVED.

748:20-15-8. IPC®2015 Chapter 3 General Regulations

Chapter 3 of the IPC® 2015 is adopted with the following modifications:

(1) Section 305.3 Pipes through foundations walls. This section has been modified to require the relieving arch or pipe sleeve pipe to conform with the materials and standards listed in Table 702.2 or as approved by the authority having jurisdiction. This section has been modified to read: 305.3 Pipes through foundation walls. Any pipe that passes through a foundation wall shall be provided with a relieving arch or pipe sleeve pipe shall be built into the foundation wall. The relieving arch or pipe

sleeve shall conform to one of the materials and standards listed in ~~Title Table~~ Table 702.2, or as approved. The sleeve shall be two pipe sizes greater than the pipe passing through the wall.

(2) Section 305.4.1 Sewer depth. This section has been modified to include a depth for the septic tank connection unless otherwise approved by the authority having jurisdiction. This section has been modified to read: 305.4.1 Sewer depth. Building sewers that connect to private sewage disposal systems shall be a minimum of 12 inches (305 mm) or as approved by the authority having jurisdiction below finished grade at the point of septic tank connection. Building sewers shall be a minimum of 12 inches (305 mm) below grade.

(3) Section 312.2 Drainage and vent water test. This section has been modified to change the test from a requirement of a 10 foot (3048 mm) head of water to a requirement of a 5 foot (1524 mm) head of water. This section has been modified to read: 312.2 Drainage and vent water test. A water test shall be applied to the drainage system either in its entirety or in sections. If applied to the entire system, all openings in the piping shall be tightly closed, except the highest opening, and the system shall be filled with water to the point of overflow. If the system is tested in sections, each opening shall be tightly plugged except the highest openings of the section under test, and each section shall be filled with water, but no section shall be tested with less than a 5 foot (1524 mm) head of water. In testing successive sections, at least the upper 5 feet (1524 mm) of the next preceding section shall be tested so that no joint or pipe in the building, except the uppermost 5 feet (1524 mm) of the system, shall have been submitted to a test of less than a 5 foot (1524 mm) head of water. This pressure shall be held for at least 15 minutes. The system shall then be tight at all points.

(4) Section 312.3 Drainage and vent air test. This section has been modified to change the equivalent pressure for the inches of mercury to match the feet of water change made for the drainage and vent test. This section has been modified to read: 312.3 Drainage and vent air test. Plastic piping shall not be tested using air. An air test shall be made by forcing air into the system until there is a uniform gauge pressure of 2.5 psi (17.25 kPa) or sufficient to balance a 5-inch (127 mm) column of mercury. This test shall be held for a period of not less than 15 minutes. Any adjustments to the test pressure required because of changes in ambient temperatures or the seating of gaskets shall be made prior to the beginning of the test period.

(5) 312.6 Gravity sewer test. This section has been modified to allow the authority having jurisdiction to determine if this test is required and change the test from a 10 foot (3048 mm) head of water test to a 5 foot (~~1024~~1524 mm) head of water test. This section has been modified to read: 312.6 Gravity sewer test. Where required, gravity sewer tests shall consist of plugging the end of the building sewer at the point of connection with the public sewer,

filling the building sewer with water, testing with not less than a 5 foot (~~1024~~1524 mm) head of water and maintaining such pressure for 15 minutes.

(6) Section 312.10.1 Inspections. This section was modified to allow for third-party inspections to be accepted by the code official. This section has been modified to read: 312.10.1 Inspections. Annual inspections shall be made of all backflow prevention assemblies and air gaps to determine whether they are operable, in accordance with Chapter 1, Sections 104.3 and 105.3.2

748:20-15-17. IPC® 2015 Chapter 15 Referenced Standards

Chapter 15 of the IPC® 2015 is adopted with the following modifications:

(1) The reference to the International Building Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IBC®-15 International Building Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(2) The reference to the International Energy Conservation Code® has been modified to change the edition year to 2006. This section has been modified to read: IECC-06 International Energy Conservation Code®.

(3) The reference to the International Fire Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IFC®-15 International Fire Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(4) The reference to the International Fuel Gas Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IFGC®-15 International Fuel Gas Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(5) The reference to the International Mechanical Code® has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: IMC®-15 International Mechanical Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(6) The reference to the International Residential Code® 2009 has been modified to include after the title the words "as adopted and modified by the State of Oklahoma through the OUBCC." This section has been modified to read: ~~IRC®-09~~IRC®-15 International Residential Code® as adopted and modified by the State of Oklahoma through the OUBCC.

(7) The referenced standard for NFPA® 70® National Electrical Code® has been modified to include the words after the title "as adopted and modified by the State of Oklahoma through the OUBCC." This section shall now

read: 70-14 National Electrical Code® as adopted and modified by the State of Oklahoma through the OUBCC.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

765:4-1-3. Bonds

(a) All bonds required for licensing shall expire on the 31st day of December of the odd numbered year after the issuance

Permanent Final Adoptions

of the bond, except as provided hereinafter. Upon proof that the cost of the required bond for the entire license period exceeds Two Thousand Dollars (\$2,000.00), an applicant or licensee may request that the Commission allow the applicant or licensee to submit a one (1) year bond which expires December 31st of the year of the issuance of the license and a separate bond for the second license year. In the event that the licensee fails to submit a bond for the second license year, the license shall expire and be revoked coterminously with the expiration of the bond.

(b) Any bond required for any license to be issued by this Commission may be submitted by electronic means, provided the electronic bond provides sufficient information to allow the Commission to determine that the bond is a good and valid bond issued by the bonding company providing the bond.

765:4-1-4. OSBI Report

Every applicant for a license to be issued by the Commission shall be required to submit a current report from the Oklahoma State Bureau of Investigation (OSBI Report) which indicates whether the applicant has been charged or convicted of a felony. The report shall include information showing whether any of the charges or convictions were violent or sex offender felonies.

765:4-1-6. Electronic verification

Every application which requires a verification or notary signature may be performed by electronic verification when the database of the Commission is sufficiently developed to accept such verification.

SUBCHAPTER 3. OPERATION

765:10-3-5. Prohibited Acts

(a) A used motor vehicle dealer shall not solicit or offer compensation for referrals of prospective buyers from used motor vehicle salespersons employed by another used motor vehicle dealer.

(b) A used motor vehicle dealer shall not fail to execute any of the forms required in a used motor vehicle transaction. A used motor vehicle dealer who fails to execute the required forms or who violates the terms of any contractual obligation in the sales transaction shall be subject to the appropriate fine for violation of the Rules of the Commission.

(c) A used motor vehicle dealer shall not display or offer a used motor vehicle for sale at any location, other than the location for which the dealer has been issued a license or at the location of another licensed used motor vehicle dealer by consignment. Provided, this prohibition shall not restrict a dealer from taking a vehicle to an identified prospective buyer for inspection and demonstration for the convenience of the parties.

(d) A used motor vehicle dealer shall not offer a used motor vehicle for sale or lease to option to purchase on Sundays, unless the dealer is conducting a classic, antique, or special interest automobile auction.

(e) A used motor vehicle dealer shall not allow an unlicensed individual or a salesperson to act as a dealer using the dealer's license, or allow any unlicensed person to use the dealer's name, license, or dealer number for any prerogative reserved to a dealer.

GIST/ANALYSIS:
The approved rules establishes the regulatory guidance for the Honorable Interment Of Indigent Veterans Program, providing grant assistance for the proper interment or cremation of indigent veterans of the United States Armed Forces. The program shall provide for a burial grant for any indigent veteran or any person who qualifies for financial assistance as determined by the Oklahoma Department of Veterans Affairs. These rules are impacted by both state and federal statutes. The federal statutes are Title 38 of the United States Code; Title 38 of the Code of Federal Regulations. The state statute impacting this rule is Oklahoma Statutes Title 72.

SUBCHAPTER 7. HONORABLE INTERMENT OF INDIGENT VETERANS PROGRAM

770:15-7-1. Purpose

The purpose of the *Honorable Interment of Indigent Veterans Program* is to provide assistance for the proper interment or cremation of honorably discharged indigent veterans of the United States Armed Forces. *The program shall provide for a burial grant for any indigent veteran or any person who qualifies for financial assistance as determined by the Oklahoma Department of Veterans Affairs* [Senate Bill No. 398, 2016].

770:15-7-2. Eligibility for Interment of Indigent Veterans Program

To be eligible for Honorable Interment Of Indigent Veterans Program through the Oklahoma Department of Veterans Affairs, a veteran must be honorably discharged and otherwise meet all the following, pursuant to 72 O.S. §2 and 72 O.S. §34.

(1) The deceased shall be a veteran as defined by 38 U.S.C. 101(2) [Senate Bill No. 398, 2016].

(A) Who is eligible under 38 Code of Federal Regulation 38.620 [Senate Bill No. 398, 2016].

(B) An Oklahoma resident who served in the National Guard or Reserve Component whose only service is active duty training or inactive duty for training but meets all other 38 Code of Federal Regulations 38.620 statutes [Senate Bill No. 398, 2016].

(2) The indigent veteran has been determined to be homeless as defined as follows: A homeless veteran is an individual without permanent housing who may live on the streets, stay in a shelter, mission, abandoned building or in any other unstable or non-permanent situation [Senate Bill No. 398, 2016].

(3) The Veteran shall have died in Oklahoma [Senate Bill No. 398, 2016].

(4) The Veteran shall have been homeless and indigent at the time of death [Senate Bill No. 398, 2016].

(5) The Veteran's estate did not possess money or other assets to pay for or defray funeral expenses [Senate Bill No. 398, 2016].

(6) There is no other person obligated by law to pay for funeral expenses of the deceased [Senate Bill No. 398, 2016].

(7) The veteran's remains have been interred or buried in Oklahoma [Senate Bill No. 398, 2016].

770:15-7-3. Procedures for processing claims

(a) The Oklahoma Department of Veterans Affairs Executive Director or his or her designee require the following documentation / evidence in support of the claim for reimbursement:

(1) Documentation showing the Veteran was homeless and indigent at the time of death.

(2) Documentation or discharge records verifying the deceased veteran was eligible under 38 CFR 38.620 and a veteran as defined by 38 U.S.C. 101(2).

(3) Documentation or discharge records verifying the deceased was an Oklahoma resident who served in the National Guard or Reserve Component meeting all other 38 CFR 38.620 statutes but does not meet 38 U.S.C. 101(2).

(4) An Oklahoma Certificate of Death for the Veteran.

(5) Documentation showing the Veteran's estate did not possess money or other assets to pay for or defray funeral expenses.

(6) The applicant will attest that a due diligence search and inquiry have been completed and no other person(s) obligated by law to pay for funeral expenses of the deceased has been found.

(7) Documentation showing the veteran's burial location/cemetery or placement of the veteran's cremains.

(8) Documentation showing the veteran has a Memorial Headstone/Marker provided pursuant to 38 U.S. Code § 2306 or otherwise meeting the physical standards for size, composition, placement, and informational content as those available to qualifying veterans through the Department of Veterans Affairs.

(b) The Oklahoma Department of Veterans Affairs will accept for consideration documents/supporting evidence from:

(1) Medical Examiner's and/or;

(2) Federal, State, City, or County Law Enforcement agencies and/or;

(3) County or City Offices responsible for the arrangement for the disposition of the indigent veteran and/or;

(4) Funeral Director completion and signed affidavit or;

(5) ODVA Form 505.

770:15-7-4. Policies and basis for claims

(a) The Executive Director of the Department of Veterans Affairs or his or her designee shall make final approval of Indigent Veteran Burial Applications.

(1) The approving authority shall determine whether the deceased meets eligibility criteria and approve funds to defray burial costs on a reimbursement basis.

(2) Maximum reimbursement shall not exceed Five Hundred Dollars (\$500.00) per indigent veteran.

(3) Reimbursement will be paid from the Indigent Veteran Burial Revolving Fund.

(b) If there are insufficient resources in the Indigent Veteran Burial Revolving Fund, payment will be made from the Oklahoma Department of Veterans Affairs Revolving Fund.

(c) Once funds are available in the Indigent Veteran Burial Revolving Fund the Oklahoma Department of Veterans Affairs may be reimbursed for payments made from the Oklahoma Department of Veterans Affairs Revolving Fund.

(d) The handling, allowing, disallowing and supervision of the Indigent Veteran Burial Revolving Fund is vested in the Headquarters office with the Executive Director.

(e) Review of applications or claims shall be made by a panel of at least 3 members from the Central Office and/or Claims Office staff and recommendations made to the Executive Director for his or her final approval.

(f) The Executive Director shall make a complete investigation of any reported or suspected misrepresentation of eligibility of the deceased. If there is fraud connected with the case, the ODVA Executive Director may deny payment on a current application, suspend future eligibility of the applicant, and may refer unusual cases to the Attorney General for appropriate action.

(g) The Oklahoma Department of Veterans Affairs Executive Director or his or her designee will establish internal operating procedures for the expeditious processing of the claim.

(h) The Department of Veterans Affairs will accept the discharge or statement of service in determining eligibility for the claim. Honorable discharges are accepted without question. For discharge characterizations other than Honorable, or other irregularities regarding CFR 38 statutes, ODVA will ask the Veterans Administration for a determination as to whether or not the veteran meets all the eligibility criteria for all benefits as it pertains to interment.

(i) The procedures in (a) through (h) of this section may include the development of forms, letters of instruction, checklists for the use of review panels, and correspondence to claimants.

**PURSUANT TO THE ACTIONS DESCRIBED HEREIN,
THE FOLLOWING RULES ARE CONSIDERED
FINALLY ADOPTED AS SET FORTH IN 75 O.S.,
SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE
DATE OF SEPTEMBER 11, 2017:**

SUBCHAPTER 1. GENERAL PROVISIONS

777:1-1-5. Time computation

Any period of time prescribed by this Title shall be calculated in accordance with the following provisions:

(1) The day of the act or event from which the designated period of time begins to run shall not be included.

(2) The last day of the period so computed shall be included, unless:

(A) The last day falls on a Saturday, a Sunday, or a legal holiday as defined by the Oklahoma Statutes, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday as defined by the Oklahoma Statutes; or

(B) The last day falls on any other day when the administrative office of the Statewide Virtual Charter School Board does not remain open for public business until 4:30 p.m., in which event the period runs until the end of the next day when the receiving office does remain open for public business until 4:30 p.m.

777:1-1-9. Individual proceedings

(a) **Definitions.** The following words and terms, when used in this subchapter, shall have the following meaning:

(1) "Board" shall mean the Statewide Virtual Charter School Board.

(2) "Individual proceeding" shall have the meaning set forth in the Administrative Procedures Act at 75 O.S. § 250.3.

(b) **Computation of time.** Any period of time prescribed pursuant to the provision of this rule shall be computed in accordance with the provisions of the Administrative Procedures Act at 70 O.S. § 250.8.

(c) **Petitions.** An individual proceeding shall be initiated by filing a petition with the Statewide Virtual Charter School Board. The petition shall meet all of the following requirements:

(1) The Petition must include:

(A) A statement of the legal authority and jurisdiction under which the petitioner seeks to initiate the proceeding and the hearing is to be held;

(B) A reference to each particular statute and/or rule involved;

(C) A short and plain statement of the allegations asserted; and

Permanent Final Adoptions

- (D) A statement or description of the request for the relief petitioner seeks from the Board.
- (2) The Petition must clearly identify the petitioner(s) and be signed by the petitioner or counsel for the petitioner.
- (d) **Informal disposition.** Nothing in this Section shall prevent informal disposition of a petition from being made by stipulation, agreed settlement, consent order, or default, unless otherwise precluded by law. In the event of an informal disposition of a petition, written notice signed by each party or counsel representatives shall be delivered to the Statewide Virtual Charter School Board prior to the time of the scheduled hearing.
- (e) **Right to counsel.** All parties to an individual proceeding shall have the right to representation by legal counsel in accordance with the provisions of 75 O.S. § 310. The Board may be represented by its own counsel, or, if deemed necessary by the Chairperson of the Board, a request may be made of the Attorney General to provide counsel to the Board to rule on questions of admissibility of evidence, competency of witnesses, and any other questions of law. In the event that counsel is not requested from the Attorney General, the Chairperson of the Board or a hearing officer appointed by the Board will rule on the evidence, competency of the witnesses and other questions of law.
- (f) **Entry of appearance.** All parties or attorneys representing parties in an individual proceeding shall file an entry of appearance. The entry of appearance shall constitute the address of record for the party at which all documents in the individual proceedings will be served. The entry of appearance shall meet all of the following requirements:
- (1) The case caption of the individual proceeding;
 - (2) The name and signature of the party or parties entering an appearance in the individual proceeding; and
 - (3) The mailing address, telephone, fax number and e-mail address of the party or parties entering an appearance in the individual proceeding or, if represented by counsel:
 - (A) The name and signature of the attorney or attorneys entering an appearance in the individual proceeding on behalf of the party or parties;
 - (B) The name of the law firm of the attorney(s), if any; and
 - (C) The Oklahoma Bar Association number of the attorney(s).
- (g) **Motions.** All requests for action in an individual proceeding before the Board shall be made in the form of a motion. Motions shall be filed with the Board, and shall comply with all of the following requirements:
- (1) The motion must clearly and specifically state:
 - (A) The facts upon which the request is based;
 - (B) All legal grounds in support of the request; and
 - (C) The action or relief sought.
 - (2) The motion must be signed by the movant or counsel for the movant;
 - (3) The motion must include the name and contact information of record of the movant or counsel for the movant; and
- (4) ~~The motion must be signed by the movant or counsel for the movant;~~
- (5) The motion must be timely served upon all parties to the proceeding and shall include a certificate of service that complies with the provisions of (h)(3) of this Section.
- (h) **Service.** Methods of service and proof of service of any notice, pleading, order, or other document required by this Section shall comply with the following provisions:
- (1) **Methods of service.** Service of any notice, pleading, or order required by this Section shall be made by one of the following methods:
 - (A) By personal delivery, served by a person licensed to make service of process in civil cases;
 - (B) By certified mail with delivery shown by return receipt. Service by certified mail shall be effective on the date of receipt or, if refused, on the date refusal by the Respondent. Acceptance or refusal by any officer of a business or an authorized agent for a business shall constitute acceptance or refusal by the party addressed;
 - (C) By publication if it is shown that service cannot be made by any other means despite the exercise of due diligence; or
 - (D) Any other method authorized by 12 O.S. § 2005(B).
 - (2) **Proof of service.** Proof of service of any petition to initiate an individual proceeding shall be filed with the Statewide Virtual Charter School Board. Acknowledgment in writing of the document by the recipient, or appearance by the recipient at a hearing without objection to service, shall be considered proof of service.
 - (3) **Certificates of service.** All documents filed with the Statewide Virtual Charter School Board in a pending individual proceeding and all documents requiring service in accordance with the provisions of this Section shall include a Certificate of Service that meets all of the following requirements:
 - (A) The Certificate of Service shall state "I hereby certify that on this ____ day of _____, _____, a copy of the foregoing document was mailed, postage prepaid, to:" and shall identify the name and address of all parties to whom the document was served.
 - (B) The Certificate of Service shall be signed by the party or counsel for the party charged with service of the document.
- (i) **Formal hearing procedures.** A hearing on a petition shall be conducted by the Chairman of the Board or the hearing officer in accordance with 75 O.S. § 310 and the following procedures:
- (1) ~~Initial-Date of hearing.~~ When a petition is filed, the Board shall promptly set the petition for an ~~initial~~ hearing. Notice of the hearing shall comply with the requirements of 75 O.S. § 309. At the hearing, the Board may choose to consider evidence and arguments in support of or in opposition to the petition, the Board may set the matter for further hearing.
 - (2) **Appointment of a hearing officer.** The Chairman of the Board shall preside over any hearing conducted in an

individual proceeding in accordance with the provisions of this Section. Alternatively, the Board, at its discretion, may utilize a hearing officer to conduct the hearing. If utilized, the hearing officer shall be appointed by the Chairperson of the Board upon a vote of the majority of the members of the Board.

(3) **Continuances.** Any party to the proceeding may request a continuance of the scheduled hearing in accordance with the following provisions:

(A) A party may request to continue a hearing scheduled in an individual proceeding by filing a motion for continuance with the Board. The motion for continuance shall meet all of the following requirements:

(i) The motion shall comply with all of the requirements of (g) of this Section; and

(ii) The motion shall be filed at least five (5) business days prior to the scheduled hearing date, provided that this time requirement may be waived by the Board or hearing officer for good cause shown by the movant.

(B) The Board may continue a scheduled hearing by submitting written notification to all parties via certified mail, return receipt requested, or by electronic mail at least five (5) business days prior to the date of the scheduled hearing, provided that the time requirement may be waived by the Board or the hearing officer for good cause shown by the Board or counsel for the Board.

(C) If a motion for continuance is unopposed and the Board finds good cause for granting the motion, counsel for the Board shall prepare and sign a continuance order. The continuance order shall be filed with the Board and served in accordance with the requirements of (h) of this Section.

(D) If a motion for continuance is opposed, the non-moving party shall file a motion opposing the continuance stating all factual and legal grounds for denial of the motion. The Board or the hearing officer shall issue an order concerning the motion as soon as possible prior to the hearing. The order shall be filed with the Board, and copies of the order served in accordance with the provisions of (h) of this Section and by email if possible.

(4) **Discovery and subpoenas.** The Board or the hearing officer may require parties to an individual proceeding to attend discovery when necessary and appropriate for prompt adjudication of an individual proceeding conducted in accordance with the provisions of this Section. Discovery shall be conducted in accordance with 75 O.S. § 315 and the following provisions:

(A) **Depositions.** The parties, upon notice may take depositions of witnesses in the same manner prescribed for depositions in civil actions in the district courts of the State of Oklahoma. The depositions may be admitted into evidence by the Board or the hearing officer in the same manner as other evidence. Costs of depositions shall be borne by the deposing party.

(B) **Subpoenas.** Subpoenas for the attendance of a witness or for production of evidence may be issued in accordance with the following provisions:

(i) **Issuance of a subpoena.** The Chairman of the Board or the hearing examiner may direct the Board to issue a subpoena upon the motion of a party. The signature of the Executive Director shall be sufficient authentication for issuance of any subpoena. A motion for issuance of a subpoena shall comply with the provisions of (h) of this Section and shall be filed with sufficient time to permit service of the subpoena at least five (5) business days prior to the hearing at which the attendance of the witness or ten (10) business days prior to the date production of records is required.

(ii) **Service of a subpoena.** Subpoenas shall be served in any manner prescribed for service of a subpoena in a civil action in the district courts of the State of Oklahoma.

(iii) **Objections to and compliance with subpoenas.** Any party to the proceeding may move to quash a subpoena or subpoenas duces tecum issued in accordance with the provisions of this Section, provided that, prior to quashing a subpoena or subpoenas duces tecum the agency shall give notice to all parties. A subpoena or subpoenas duces tecum may not be quashed if any party objects.

(iv) **Enforcement of subpoenas.** Upon the failure of any person to obey a subpoena, or upon the refusal of any witness to be sworn or make an affirmation or to answer a question put to her or him in the course of any individual proceeding, the Board shall consider the issue of enforcement of the subpoena as soon as convenient. By resolution, the Board may direct initiation of appropriate judicial proceedings necessary to enforce the subpoena. Meanwhile, the hearing or other matters shall proceed, so far as is possible, but the Board or the hearing officer, at its discretion at any time may order a stay or continuance of the proceedings for such time as may be necessary to secure a final ruling in the compliance proceedings.

(v) **Costs of issuance and service of subpoenas.** The costs covering the issuance and service of subpoenas and all witness fees incurred on behalf of a party to the proceedings, other than the Board, shall be borne by the party on whose behalf they are incurred, provided that the Board in its final order may tax such costs to another party if justice so requires.

(j) **Disqualification of a Board member or hearing officer.** A Board member or hearing officer shall withdraw from any individual proceeding in which he or she cannot accord a fair and impartial hearing or consideration. Any party may request the disqualification on the ground of his or her inability to give a fair and impartial hearing by filing an affidavit promptly upon discovery of the alleged disqualification, stating with particularity the grounds upon which it is claimed that a fair

Permanent Final Adoptions

and impartial hearing cannot be accorded. The issue shall be determined promptly by the Board, or if it affects a member of the Board, by the remaining members thereof, if a quorum. Upon the entry of an order of disqualification affecting a hearing officer, the Board shall either assign a replacement hearing officer, or conduct the hearing itself. Upon the entry of an order of disqualification affecting a Board member, the Governor immediately shall appoint a member pro tempore to sit in place of the disqualified member in that proceeding.

(k) **Presentation and consideration of evidence.** Presentation and consideration of evidence shall be conducted in accordance with the following procedures:

(1) **Witness and exhibit lists.** The parties to the hearing shall exchange witness and exhibit lists no later than five (5) business days prior to the hearing.

(2) **Admissibility and consideration of evidence.** The Board or hearing examiner may determine the order in which evidence shall be received and presented. Admission and consideration of evidence in an individual proceeding conducted in accordance with the provisions of this Section shall be conducted in accordance with the Administrative Procedures Act at 75 O.S. §§ 309 through 326 and the following provisions:

(A) **Official notice.** The Board or hearing officer may take notice of judicially cognizable facts or of generally recognized technical or scientific facts within the specialized knowledge of the Statewide Virtual Charter School Board. The Board or hearing officer shall give notice to all parties, prior to, or at the hearing, of any facts of which it proposes to take official notice. Any party or her/his attorney may request that official notice be taken of any fact qualified for such notice by the statutes of this state. If such official notice is taken, it shall be stated in the record, and all parties shall have opportunity to contest and give evidence in rebuttal or derogation of the official notice.

(B) **Exclusion of witnesses.** A party may request the exclusion of witnesses to the extent and for the purposes stated in 12 O.S. § 2615. Exclusion of a witness shall not be considered a violation of the Oklahoma Open Meeting Act.

(C) **Testimony of witnesses.** All testimony of witnesses presented by parties shall be made under oath or affirmation. A party may conduct cross-examination of witnesses called by other parties. Witnesses may also be questioned by the Board or the hearing officer.

(D) **Objections to evidence.** Objections to evidence may be made and shall be included in the record of the proceedings.

(E) **Documentary evidence and authentication.** Documentary evidence may be received in the form of copies or excerpts. Parties may challenge the authenticity of any copies. Any part of the evidence may be received in written form, when a hearing will be expedited and the interests of the parties will not be prejudiced.

(l) **Order of procedure.** The order of procedure at the hearing shall be as follows:

(1) Opening statements by legal counsel of both parties;

(2) Presentation of evidence by both parties followed by cross-examination of witnesses, and questions by State Board members or the hearing officer;

(3) Closing arguments by legal counsel of both parties; and

(4) Submission of case to the Board or the hearing officer for decision.

(m) **Dismissal of an action.** Upon a hearing, if the petitioner fails to show a prima facie case for lack of sufficient evidence, the Board may dismiss the petition upon grounds of failure to prove sufficient facts in support of the petition or upon the recommendation of the hearing examiner on the same grounds.

(n) **Deliberations and decisions.** Deliberations by the Board or the hearing officer in an individual proceeding may be held in executive session pursuant to the provisions of the Open Meeting Act set forth at 25 O.S. § 307.

(o) **Decision.** Decisions shall be issued in accordance with the following procedures:

(1) After hearing all evidence, and all witnesses, the Board or, if applicable, the hearing officer, shall render a decision on the petition.

(2) The decision shall be announced at the conclusion of the hearing and notification of that decision shall be by certified or registered mail, restricted delivery with return receipt requested to the petitioner.

(3) If the petitioner fails to appear at the scheduled hearing without prior notification within the time frame to request a stay or continuance set forth in (i) of this Section and without a demonstration of good cause, or fails to prove the allegations by clear and convincing evidence, the petition shall be dismissed.

(p) **Findings of fact and conclusions of law.** After the decision is announced, but before issuance of the final order, if the Board has not heard the case or read the record of the individual proceeding, the Board or hearing officer shall provide the parties with an opportunity to prepare and submit proposed findings of fact and conclusions of law in accordance with the provisions of 75 O.S. § 311. After the parties have been given notice and an opportunity to file exceptions, present briefs and oral arguments to the proposed findings of fact and conclusions of law, the Board may take action to accept, reject, or modify the proposed Findings and Conclusions of the hearing officer. The Board shall render findings of fact and conclusions of law. All findings of fact made by the Board shall be based exclusively on the evidence presented during the course of the hearing or previously filed briefs, (made a part of the record), of the testimony of witnesses taken under oath.

(q) **Final order.** As the final determination of the matter, the final order shall constitute the final agency order and shall comply with the requirements set forth at 75 O.S. § 312. If no motion for rehearing, reopening or reconsideration of the order is filed in accordance with (t) of this Section, the final agency order shall represent exhaustion of all administrative remedies. All final orders in an individual proceeding shall be in writing

and made a part of the record. Final orders are to be issued and signed by the Chairperson of the Board or the hearing officer for transmission to the parties by the Board. Within five (5) business days of the date of issuance of the final order, parties shall be notified of a final order either personally or by certified mail, return receipt requested. Upon request, a copy of the order shall be delivered or mailed to each party and the party's attorney of record, if any.

(r) **Communication with parties.** Unless required for the disposition of ex parte matters authorized by law, the Chairperson and the members of the Board, the hearing officer, or the employees or the agents of the Board shall not communicate, directly or indirectly, in connection with any issue of fact, with any person or party, nor, in connection with any issue of law, with any party or his or her representative except upon notice and opportunity for all parties to participate. The Chairperson and members of the Board or their employees may communicate with one another and have the aid and advice of one or more personal assistants. Advice may also be secured from the Attorney General's office.

(s) **Record of hearing.** The record of the hearing shall be set forth in such form and detail as the Chairperson or the Board may direct.

(1) In accordance with the requirements of 75 O.S. § 309, the record shall include:

- (A) All pleadings, motions, and intermediate rulings;
- (B) Evidence received or considered during the individual proceeding;
- (C) A statement of matters officially noticed;
- (D) Questions and offers of proof, objections, and rulings thereon;
- (E) Proposed findings and exceptions;
- (F) Any decision, opinion, or report by the Board or a hearing officer presiding at the hearing; and
- (G) All other evidence or data submitted to the Board or hearing officer in connection with their consideration of the case.

(2) The Board shall ensure that all proceedings, except for executive sessions, are electronically recorded. The recording shall be made and maintained in accordance with the requirements of 75 O.S. § 309, and a copy shall be provided to any party to the proceeding upon request. The Board may, but is not required to direct the recording of a proceeding to be fully transcribed and have a copy of the transcript placed on file in the Board's office. Parties to the proceeding may have the proceedings transcribed by a court reporter at their own expense.

(t) **Rehearing, reopening or reconsideration of an order.** The ruling shall become final unless, within ten (10) calendar days of entry of the order of declaratory ruling, the petitioner files a written request for a reconsideration of the petition with the Board stating all grounds upon which the petitioner seeks reconsideration of the Board's ruling. A petition for rehearing,

reopening, or reconsideration of an agency order issued pursuant to the provisions of this Section shall comply with the following procedures:

(1) A petition for rehearing, reopening or reconsideration of a final order must be filed with the Board within ten (10) days from the entry of the order. It must be signed by the party or his or her attorney, and must set forth with particularity the statutory grounds upon which it is based. However, a petition based upon fraud practiced by the prevailing party or upon procurement of the orders by perjured testimony or fictitious evidence may be filed at any time. All petitions for rehearing, reopening, or reconsideration will be considered and ruled upon as soon as the convenient conduct of the Board's business will permit.

(2) A petition for a rehearing, reopening, or reconsideration shall set forth the grounds for the request. The grounds for such a petition shall be either:

- (A) Newly discovered or newly available evidence, relevant to the issues;
- (B) Need for additional evidence adequately to develop the facts essential to proper decision;
- (C) Probable error committed by the Agency in the proceeding or in its decision such as would be grounds for reversal on judicial review of the order;
- (D) Need for further consideration of the issues and the evidence in the public interest; or
- (E) A showing that issues not previously considered ought to be examined in order to properly dispose of the matter. The grounds justifying the rehearing shall be set forth by the Statewide Virtual Charter School Board which grants the order, or in the petition of the individual making the request for the hearing.

(3) It is the burden of the party requesting a rehearing to notify the opposing party of the appeal.

(4) Upon receipt of a written request for reconsideration in accordance with this subsection, the request shall be set on the agenda for consideration by the Statewide Virtual Charter School Board at the next available regular meeting or at a subsequent regular or special meeting. Rehearing, reopening, or reconsideration of the matter may be heard by the Statewide Virtual Charter School Board or may be referred to a hearing officer. The hearing must be confined to those grounds on which the recourse was granted.

(u) **Judicial review.** Any person or party aggrieved or adversely affected by a final order in an individual proceeding, after the exhaustion of administrative remedies, is entitled to certain judicial review in accordance with the provisions of the Oklahoma Administrative Procedures Act, and the procedures set forth therein shall govern appeals.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

777:10-1-2. Definitions

The following words and terms, when used in this Chapter, shall have the following meaning, unless the context clearly indicates otherwise:

"Charter school site" or "school site" or "statewide virtual charter school site" means the physical location of any facility or structure, other than the legal residence of a student or the parent/legal guardian of a student, ~~approved by the Statewide Virtual Charter School Board~~ for use by

a statewide virtual charter school to provide face-to-face or virtual instruction to students enrolled in the statewide virtual charter school.

"Face-to-face instruction" means any in-person tutoring, educational instruction, or any other activity provided by the statewide virtual charter school to an enrolled student for which the student's physical presence and/or participation is used by the charter school to earn credit for a virtual course, meet the instructional requirements of 70 O.S. § 1-111 and/or counted toward the student's compulsory attendance requirements set forth at Art. 13, § 4 of the Oklahoma Constitution, 70 O.S. § 10-105, and/or accompanying regulations of the State Department of Education relating to student attendance.

"Statewide virtual charter school" means any charter school sponsored by the Statewide Virtual Charter School Board in accordance with the requirements of the Oklahoma Charter Schools Act for the purpose of providing full-time virtual public school courses of instruction for Pre-K through twelfth (12th) grade students whose legal residence is located within the State of Oklahoma.

"SVCSB" means the Statewide Virtual Charter School Board.

"OCAS" means the Oklahoma Cost Accounting System.

777:10-1-3. School establishment requirements

By July 1 of the first year of operation, the school shall have in place the following:

(1) Purchased and implemented a state-approved school finance system; Every approved statewide virtual charter school must utilize a state-approved school finance system aligned with the Oklahoma Cost Accounting System (OCAS). The school must notify the Statewide Virtual Charter School Board of the name of the system being utilized by July 1 prior to the start of school.

(2) Purchased and implemented a state-approved student information system; Every approved statewide virtual charter school must utilize a state-approved student information system. The school must notify the Statewide Virtual Charter School Board of the name of the system being utilized by July 1 prior to the start of school.

(3) Secured connectivity to state reporting systems; Every approved statewide virtual charter school must verify connections to state-reporting systems. The school must notify the Statewide Virtual Charter School Board of the name of the system being utilized by July 1 prior to the start of school.

(4) Secured and occupy a public school administration facility. Every approved statewide virtual charter school must have a public site that allows the public to have access to the main office of the school. The school must notify the State Virtual Charter School Board of the location, address, contact information of the facility by July 1 prior to the start of the school, and during the year if the location of the site changes. Notification to the Statewide Virtual Charter School Board shall be through the online information gathering system set forth in 777:10-3-4.

SUBCHAPTER 3. STATEWIDE VIRTUAL CHARTER SCHOOL SPONSORSHIP

777:10-3-3. Applications to sponsor statewide virtual charter schools; renewal and termination of contracts for sponsorship of statewide virtual charter schools

(a) **Sponsorship application cycle and timelines.** To ensure that timely processing, review, and consideration of applications for sponsorship occurs within the time periods specified by 70 O.S. § 3-134, and to ensure that the application process is completed with sufficient time for new schools to comply with all statutory reporting requirements for the beginning of the next school year, (e.g., statutory state finance reporting deadlines for state aid purposes) the ~~Statewide Virtual Charter School Board shall establish a schedule for each year's application cycle for charter school sponsorship requests. No later than September 1 of each school year, the Board shall approve a timeline for the application cycle for the following school year that sets forth deadlines for each of the following events is as follows:~~

- (1) Completion of charter school training required by 70 O.S. § 3-134(A) prior to submission of letter of intent to submit an application;
- (2) Submission of a letter of intent to submit an application by May 1 prior to the July 1 application deadline;
- (3) Submission of a full application for statewide virtual charter school sponsorship by July 1 of the year prior to the first year of proposed operation;
- (4) Public presentation of application/proposal for sponsorship at the next regularly scheduled Statewide Virtual Charter School Board meeting;
- (5) Review of application and recommendation ~~by State Department of Education staff;~~
- (6) Statewide Virtual Charter School Board decision on application for sponsorship at a subsequent Board meeting;
- (7) Submission of an amended application within thirty (30) days of receipt of notification of rejection;
- (8) Board decision on amended application, if applicable, within thirty (30) days of receipt of amended application; and
- (9) Negotiation and execution of a contract for sponsorship.

(b) **Sponsorship application requirements.** In addition to meeting the requirements of 70 O.S. § 3-134, new applications to the Statewide Virtual Charter School Board for sponsorship of a statewide virtual charter school must include the following information in the sponsorship proposal:

- (1) For initial consideration for sponsorship, every applicant shall submit a set of policies and procedures governing administration and operation of the proposed statewide virtual charter school. The policies and procedures governing administration and operation of the proposed statewide virtual charter school shall be incorporated into the terms of the contract of the virtual charter school, and shall include, but are not limited to, all of the following subject areas:

(A) Each of the following provisions required by 70 O.S. § 3-135:

- (i) A description of the charter school program offered by the school which complies with the purposes outlined in 70 O.S. § 3-136;
- (ii) Student admission and enrollment policies and procedures;
- (iii) Management and administration of the charter school;
- (iv) Requirements and procedures for program and financial audits;
- (v) All of the requirements set forth in 70 O.S. § 3-136, including, but not limited to, compliance with all regulations of the State Department of Education pertaining to health, safety, civil rights and insurance and financial reporting and auditing requirements;
- (vi) Assumption of liability by the charter school; and
- (vii) Employment rights and personnel policies of the school required to be included in employee contracts pursuant to 70 O.S. § 3-135(B);

(B) Duties and responsibilities of the charter school governing body;

(C) Student grade placement, promotion, retention, and graduation requirements;

(D) Use and maintenance of charter school property and facilities, including:

- (i) Virtual provider technology, course delivery and technical support;
- (ii) Facility safety and emergency and crisis management;
- (iii) School calendar, sample daily schedule as applicable to online learning at proposed school, school instructional hours, school holidays, dismissals and closures; and

(E) Any other topics deemed necessary by the Statewide Virtual Charter School Board to assess the applicant's capability to administer and operate the charter school in compliance with all applicable provisions of federal and state laws and regulations to which charter schools are required to comply.

(2) Each applicant shall:

(A) Articulate the vision and purpose of the school;

(B) Articulate the mission of the school, specifying how the school will embrace and accomplish its vision and purpose;

(C) Describe the elements of the school program that align with and support the school's mission;

(D) Describe how the school will ensure education access and equity for all eligible students;

(E) Describe how the governing body and governing documents ensure that a functioning organization with competent governance will be sustained, including:

- (i) lines of authority;
- (ii) leadership roles and responsibilities;

Permanent Final Adoptions

- (iii) governing by-laws;
 - (iv) meeting schedules for governing body;
 - (v) a list of advisory bodies;
 - (vi) external organizations applicable to school management;
 - (vii) make-up of governing body, including proof of Oklahoma residency for a majority of Board members.
 - (viii) start up plan;
 - (ix) recruitment, hiring and personnel policies, professional and staff development and training, technology capacity, system accessibility, student records and data management, student recruitment policies and procedures, admission and enrollment policies and procedures (including minimum and maximum enrollment for each contract year and proposed school calendar and sample daily schedule), promotion and graduation policies and procedures, attendance policies and procedures, student conduct and discipline plan, school safety and emergency response plan, parent and family education and engagement plan; ~~and~~
 - (x) school effectiveness measurement criteria; and
 - (xi) location and description of school facilities.
- (F) Describe how the governing body will ensure a sound and stable financial condition for the school, including:
- (i) description of the roles and responsibilities of the treasurer and financial officers, and how each has demonstrated experience in school finance or the equivalent thereof;
 - (ii) financial policies, including financial controls and compliance with audit requirements;
 - (iii) financial plan for the first five years of operation;
 - (iv) start-up and five-year budgets and cash flow projections; The documents provided must account for the school's anticipated enrollment, as well as, a budget if the school only realizes a portion of the school's anticipated enrollment.
 - (v) anticipated fundraising plan, if applicable; ~~and~~;
 - (vi) insurance coverage/plan; and
 - (vii) verifiable proof of secured funds for each source of revenue, and documentation to support any agreement, donation or loan that supports the budget.
- (G) Describe how the governing body will ensure the delivery of a high-quality education program that meets academic performance for growth, proficiency, and college career readiness, including:
- (i) grade levels served;
 - (ii) plan for program delivery and program evaluation;
 - (iii) curriculum and instructional model, including learning environment, curriculum

overview, curriculum materials, instructional strategies, equipment and technology requirements, alignment with Oklahoma academic standards,

(iv) student assessment, including plan to measure and report student progress, and benchmarks for student learning, district/school assessments, Oklahoma School Testing Program;

(v) plan for support structures (e.g. online tutoring, home mentors, and technical support services in place 24x7) in addition to teacher support,

(vi) plan for support of diverse learners, (students at-risk for poor learning outcomes, academically behind learners, and other students identified through testing and assessments as being in need of targeted remediation, intervention, and/or support);

(vii) co-curricular and extracurricular activities; ~~and~~

(viii) student performance; and

(ix) school culture.

(H) Include a concise plan that details expected school growth and how the school will evolve to meet the needs of school growth.

(I) Demonstrate the applicant's experience in common education school operation.

(3) Each applicant shall provide documentation of its school's ability to meet each of the following requirements specific to the virtual delivery of education services:

(A) That each statewide virtual charter school is adequately prepared to deliver services to all enrolled students on the school's first day of operation and for all required instructional hours for every school year through a stable virtual platform;

(B) That each statewide virtual charter school has consistent procedures in place governing admission, transfers, enrollment, and withdrawal of students;

(C) That each statewide virtual charter school has consistent procedures in place governing admission, child find responsibilities, evaluation, and re-evaluation of students with disabilities, as well as applicable procedural safeguards and policies and procedures to ensure provision of free appropriate online and other educational and related services, supplementary aids and services, modifications, accommodations, supports for personnel, and other technical supports provided in the least restrictive environment to students with disabilities and/or other special needs in compliance with applicable federal and state laws and regulations, including:

(i) Students who require or may require individualized education programs pursuant to the Individuals with Disabilities Education Act (IDEA); and

(ii) Students who require or may require accommodations, regular or special education and related aids, or other services under a plan developed in accordance with the requirements of

Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act;

(D) That each statewide virtual charter school has consistent procedures in place governing the admission, identification, evaluation, re-evaluation, parental notification, and provision of educational programs and services in compliance with applicable federal and state laws and regulations to students with special needs or unique abilities, including, but not limited to:

- (i) Students who are English Language Learners/Limited English Proficient and who require services as necessary to overcome language barriers and ensure that they can participate meaningfully in the district's education programs; and
- (ii) Students who meet the definition of "gifted and talented children" set forth in 70 O.S. § 1210.301;

(E) That each statewide virtual charter school complies with state and federal law in protection and handling of student records and data, including, but not limited to, protocols for secure storage and transmission of student data;

(F) That each statewide virtual charter school has consistent procedures and technology in place necessary to monitor and report student attendance, student participation in online school activities, and any necessary instruction in accordance with the requirements of state law;

(G) That each statewide virtual charter school has fair and consistent procedures in place to implement necessary and appropriate practices to promote student discipline that include sufficient due process protections for students facing accusations of conduct which may result in suspension and/or expulsion of a student;

(H) That each statewide virtual charter school has consistent procedures and technology in place to ensure delivery of services and that each virtual charter school provider has an adequate plan in place for communicating emergency procedures to students in the event of technical failures of equipment and/or loss of connectivity ~~as a result of weather conditions~~;

(I) That each statewide virtual charter school has consistent procedures and technology in place to ensure consistent and adequate communication with parents/guardians of students and provide student progress and academic reports to parents/guardians of students; and

(J) That each statewide virtual charter school has provided a full description and explanation of the grade levels in which the provider intends to provide instruction and, for each charter school that offers secondary level coursework for grades nine (9) through twelve (12), whether the charter school will offer coursework as necessary to comply with the graduation requirements of 70 O.S. § 11-103.6 and accompanying regulations.

(4) Each applicant shall provide a written plan for compliance with all state and federal financial recording and reporting requirements for state and federal funds that are applicable to public school districts, including, but not limited to compliance with:

- (A) The School District Transparency Act at 70 O.S. § 5-135.4 et seq.;
- (B) The Oklahoma Public School Audit Law at 70 O.S. § 22-101 et seq.;
- (C) Annual itemized expenditure budget and request for appropriated funds and estimate of revenues required by 70 O.S. § 5-128.1; and
- (D) Statutes and regulations pertaining to the Oklahoma Cost Accounting System (OCAS).

(5) Each application shall include a contact name, mailing address of record, phone number, and email address of the governing body at which all written notices required by 70 O.S. § 3-134 shall be served. In the event that a change in contact information occurs during the application process, the governing body shall provide the Board with updated contact information in writing within five (5) business days of the date that the change occurs.

(c) **Filing, review, approval, and denial of charter school applications for sponsorship.** All applications for sponsorship shall be submitted by the governing body of the prospective charter school to the Statewide Virtual Charter School Board by filing an original and sixteen (16) copies of the application with the Statewide Virtual Charter School Board. Upon receipt of an application for sponsorship, the Board shall stamp the application to record the date of receipt, and shall promptly submit written confirmation of the receipt of the application to the contact name and address of record of the governing body listed on the application.

(1) **Application format.**

- (A) The text and attachments shall use standard one-inch margins, be clearly paginated, and use a readable font not smaller in type than 11 point;
- (B) A cover page shall be labeled *Application for Initial Authorization* and include the following information:
 - (i) Name of proposed school;
 - (ii) Address of proposed school;
 - (iii) Contact information: name, title, phone, email address; ~~and~~
 - (iv) Application submission date; ~~and~~
 - (v) Name of applicant(s) and requested sponsor.

(C) A cover letter not to exceed two pages shall provide a brief overview of the proposed school;

(D) A clearly labeled table of contents shall be included setting forth all major sections (Foundation for the School Charter, Organizational Capacity, Financial Management, Education Program and Performance, Growth Plan), appendices, and page numbers;

(E) Tables, graphs, and other data provided in the application shall be clearly presented and explained and shall be relevant to the text;

Permanent Final Adoptions

(F) The application shall include a signed and notarized ~~statement~~statements from the Head of the School and the governing body members, as applicable, showing their agreement to fully comply as an Oklahoma public charter school with all ~~state and federal laws and regulations and specifically the Oklahoma Open Meeting and Open Records Acts; and statute, regulations, and requirements of the United States of America, State of Oklahoma, Statewide Virtual Charter School Board, and Oklahoma Department of Education. Specifically cite agreement to abide by the Oklahoma Open Meeting Act and the Oklahoma Open Records Act, and to guarantee access to education and equity for all eligible students regardless of their race, ethnicity, economic status, academic ability, or other factors as established by law. In addition, the head of school and governing body members, as applicable, will guarantee to establish the components necessary to begin school operations in the State of Oklahoma on July 1 of the first year, including a public administration facility, state-approved school financial system, state-approved student information system, and secured applicable connections to state reporting systems.~~

(G) The application shall include documentation of applicant's completion of charter school training.

(2) **Initial review and recommendation.** Prior to consideration of the application by the Statewide Virtual Charter School Board, a review panel may be formed by the Executive Director for the purpose of developing a recommendation on the application to the Board for consideration. The panel, chaired by the Executive Director, may include representatives with expertise in the area of accreditation, education services, technology, school finance, federal programs, education law, curriculum, instruction, special education, and student information.

(3) **Application review and criteria.** In reviewing an application for sponsorship of a statewide virtual charter school, the Statewide Virtual Charter School Board shall determine whether the applicant's proposal for sponsorship complies with the provisions of 70 O.S. § 3-134 and other applicable provisions of the Oklahoma Charter Schools Act. In addition, the Board may consider any other factors demonstrating the applicant's capacity to successfully comply with the goals set forth in its mission statement and applicable state, federal, tribal and/or local statutes and regulations. Such factors may include, but are not limited to the following:

(A) Whether the applicant can demonstrate previous experience in operation of one or more virtual charter schools;

(i) If the applicant cannot demonstrate previous experience in operation of one or more virtual charter schools, whether applicant has sufficient resources in place to ensure compliance with applicable state, federal, tribal and/or local statutes and regulations;

(ii) If the applicant can demonstrate previous experience in operation of a virtual charter school, whether applicant has a history of non-compliance with applicable state, federal, tribal and/or local statutes and regulations either in the State of Oklahoma or in other jurisdictions;

(B) Whether the applicant has provided evidence demonstrating financial stability;

(C) Whether the criteria designed to measure the effectiveness of the charter school proposed by the applicant is reasonably calculated to provide accurate benchmarks for evaluation of teacher effectiveness and student learning; and

(D) Whether the charter school has adequate human resources, facilities, systems, and structures in place as necessary to evaluate the needs of and provide services to students with disabilities, English Language Learners, and gifted and talented students.

(4) **Acceptance or denial of sponsorship applications.** The Statewide Virtual Charter School Board shall review and consider the application in accordance with the timeline established pursuant to (a) of this Section, provided that a final decision on the application shall be made no later than ninety (90) calendar days from the date of receipt of the application by the Statewide Virtual Charter School Board. The Board shall promptly submit written notification of the decision of the Board, including reasons for rejection of the application, if applicable, to the applicant via certified mail, return receipt requested, to the address of record of the governing body designated on the application.

(5) **Reconsideration of sponsorship applications.** In the event of a denial of an application for sponsorship, the applicant may submit a revised application for reconsideration in accordance with the following procedures:

(A) The revised application for reconsideration shall be filed with the Board within thirty (30) calendar days after the date of receiving notification of the rejection. The revised application shall meet all of the application requirements set forth in this Section. In the event that delivery of written notification required by (2) of this subsection is refused by the applicant or returned as undeliverable due to the applicant's failure to update the contact of record in accordance with the requirements of (b)(4) of this Section, the date of receipt of notification of the rejection shall be considered the date of the meeting at which the Board took action on the proposed application.

(B) Within five (5) business days of the date of receipt of the application for reconsideration, the Board shall promptly set the application for consideration at a meeting of the Board and submit notification of the date, time, and place of the meeting to the applicant to the contact of record. The meeting to consider the application shall occur within thirty (30) days of the date of receipt of the application.

(C) The Statewide Virtual Charter School Board shall take action to accept or reject the revised application within thirty (30) days of its receipt by the Board.

(6) Appeal of denial of sponsorship applications.

The procedures for filing appeals to the State Board of Education shall be governed by 70 O.S. § 3-145.3 and the policies and rules adopted by the State Board of Education, with a copy of the appeal mailed to the Statewide Virtual Charter School Board.

(d) Requirements of the sponsorship contract. Contracts for sponsorship between the Statewide Virtual Charter School Board and the governing body of a statewide virtual charter school shall include terms that meet all of the following requirements:

(1) The contract shall incorporate the provisions of the charter of the school in accordance with the requirements of 70 O.S. § 3-135, and the charter shall comply with the provisions of 70 O.S. § 3-136;

(2) The contract shall contain terms addressing all of the requirements set forth in 70 O.S. § 3-135;

(3) The contract shall contain terms setting forth measurable goals and objectives for student performance;

(4) The contract shall contain terms specifying standards for fiscal accounting and management that ensure the compliance of the charter school with all applicable provisions of state and federal statutes and regulations pertaining to requests for appropriations and recording and reporting receipt and expenditures of public funds, including, but not limited to:

(A) Terms providing that the charter school shall conduct annual financial audits in accordance with the requirements of the Oklahoma Public School Audit Law;

(B) Terms providing that the charter school shall comply with all State Department of Education deadlines necessary for budgeting, calculation of appropriations and/or disbursements of state aid and/or federal aid;

(C) Terms providing that the charter school shall comply with all deadlines for recording and reporting of state aid revenue and expenditures;

(D) Terms providing that the charter school shall comply with all requirements of the Oklahoma Cost Accounting System (OCAS); ~~and~~

(E) Terms providing that the charter school shall comply with all provisions of the School District Transparency Act at 70 O.S. § 5-135.4 et seq.;

(F) Terms providing that the charter school will provide any and all records of the school including, but not limited to, financial records upon request by the sponsor;

(G) Terms providing that the charter school will provide any and all school records including, but not limited to, financial records from education service providers upon request by the sponsor;

(H) Terms providing that the school is subject to requests for audit by the State Auditor's office;

(I) Terms providing that the charter school shall adopt a viable conflict of interest policy and a code of ethics;

(J) Terms providing that the charter school submit three data-driven goals and measurement criteria, including one non-academic goal, and included in the Performance Framework.

(5) The policies and procedures governing administration and operation of the statewide virtual charter school shall be incorporated into the terms of the contract;

(6) The term of the initial contract shall be effective for five (5) years from the first day of operation in accordance with the provisions of 70 O.S. § 3-137;

(7) The term of the contract shall designate at least one contact name and address of record of the governing body of the charter school to which all notices required by the terms of the contract and/or this Section shall be served, including the name, title, mailing address, email address, and phone number of all individual(s) authorized to receive service of notices required by this Section and pursuant to the terms of the contract; ~~and~~

(8) The contract shall contain any other terms necessary to ensure compliance with applicable provisions of state and/or federal law.

(e) Renewals of contracts for sponsorship of statewide virtual charter schools. Renewal of a contract with a statewide virtual charter school sponsored by the Statewide Virtual Charter School Board shall be conducted in accordance with the requirements of the Oklahoma Charter Schools Act.

(1) Requests for renewal of contract for sponsorship. Requests for renewal of the contract for sponsorship shall be submitted by the governing body of the charter school in accordance with the following procedures:

(A) At least one (1) year prior to expiration of the initial contract term, but no earlier than eighteen (18) months prior to the date of expiration of the contract; the governing body of the charter school may submit a proposal for renewal of the contract to the Statewide Virtual Charter School Board by filing an original and seven (7) copies of the proposal with the Board.

(B) The Board shall schedule the request for renewal as an item on the agenda for the next regular meeting of the Board, or at a subsequent meeting if the proposal for renewal is not received until after the agenda for the next meeting has already been set. The Board shall timely submit written notice of the date, time, and location of the meeting at which the proposal for renewal will be considered and/or heard by regular mail to the governing body of the charter school at the address of record set forth in the sponsorship contract. In addition, the Board may send a courtesy copy of the notice by facsimile, and/or email. If the Board will act on the proposal for renewal at a subsequent meeting of the Board, similar notice of such meeting shall be sent to the governing body of the charter school.

(C) The Board shall review the proposal for renewal and take action on the request for renewal no

Permanent Final Adoptions

later than eight (8) months prior to the date of expiration of the contract.

(D) The Board may base its decision to deny the charter school governing body's request for renewal upon any of the grounds for nonrenewal or termination set forth in 70 O.S. § 3-137 and/or (f)(1) of this Section.

(2) **Format for renewal application.** The renewal application shall include:

(A) Text and attachments using standard one-inch margins, clearly paginated, and using a readable font not smaller in type than 11 point.

(B) A cover page labeled *Application for Reauthorization*, including the following information:

- (i) Name of school;
- (ii) Address of school;
- (iii) Contact information: name, title, phone, email address;
- (iv) Date application approved by governing body; and
- (v) Application submission date.

(C) A cover letter no more than two pages in length providing a brief overview of the school's mission, design elements, and major challenges and accomplishments over the term of the current contract.

(D) A clearly labeled table of contents setting forth all major sections, appendices, and page numbers.

(E) Clearly labeled attachments provided in the appendix;

(F) Clearly labeled tables, graphs, and other data provided in this application in addition to an explanation of their relevance to the text.

(G) A signed and notarized statement from the Head of the School and the governing body members, as applicable, showing their consideration and approval of the reauthorization application and their agreement to fully comply, as an Oklahoma public charter school with all state and federal laws and regulations and specifically the Oklahoma Open Meeting and Open Records Acts; and statute, regulations, and requirements of the United States of America, State of Oklahoma, Statewide Virtual Charter School Board, and Oklahoma Department of Education. Specifically cite agreement to abide by the Oklahoma Open Meeting Act and the Oklahoma Open Records Act, and to guarantee access to education and equity for all eligible students regardless of their race, ethnicity, economic status, academic ability, or other factors. and

(H) A single page entitled *Introduction to the School* containing, at a minimum, the following list of information:

- (i) Name of school;
- (ii) Location of School;
- (iii) Year Opened;
- (iv) Year Renewed, if applicable;
- (v) ~~Maximum enrollment;~~

~~(vi) Current enrollment;~~

~~(vii) Grade span;~~

~~(viii) Most recent report card grade accountability report information from the State of Oklahoma;~~

~~(ix) Attendance rate;~~

~~(x) Graduation rate;~~

(x) Recurrent enrollment; and

~~(xi) Dropout rate;~~

~~(xii) Mobility rate; and~~

(xiii) Percentage of at risk students enrolled. Any other information the school deems necessary to include.

(3) **Information in renewal request.** Each applicant shall:

~~(A) Articulate the mission of the school, specifying how the school embraces and accomplishes its vision or purpose;~~

~~(B) Describe the elements of the school program that support the school's mission;~~

~~(C) Describe how the school ensures education access and equity for all eligible students;~~

~~(D) Describe how the governing body and governing documents ensure that a functioning organization with competent governance will be sustained.~~

~~(E) Describe how the governing body ensures a sound and stable financial condition for the school.~~

~~(i) description of the roles and responsibilities of the treasurer and financial officers;~~

~~(ii) financial reporting;~~

~~(iii) financial plan for operation;~~

~~(iv) annual audits;~~

~~(v) anticipated fundraising plan, if applicable, and~~

~~(vi) insurance coverage plan;~~

~~(F) Describe how the governing body ensures the delivery of a high quality education program that meets academic performance for growth, proficiency, and college career readiness.~~

~~(G) Include a concise plan that details the school's plans for the next charter term to modify and augment the school's programs to ensure high quality educational services and student success. In addition to the information found in the performance report, and the school's response to the performance report, if any, this reauthorization application is the school's opportunity to address each of the following components highlighting what the school believes is most important in each area:~~

~~(i) Faithfulness to the foundation of the charter;~~

~~(ii) Organizational capacity;~~

~~(iii) Financial management;~~

~~(iv) Education program and performance; and~~

~~(v) Strategic planning.~~

(B) Appendices. Provide documents and related information for the term of the contract beyond those

provided in the performance report and response, including examples of community and parent support of the school.

(4) **Performance report and site visit.** The sponsor of the school will issue a school performance report in accordance with State statute. The school shall have forty-five (45) days to respond to the performance report and submit any corrections or clarifications for the report. In evaluating a school's renewal request, the Board may consider the performance report, results of a site visit, and evidence provided in the school's presentation to the Board.

(5) **Notice of intent of non-renewal of contract for sponsorship.** Notwithstanding the provisions of (1) of this subsection, the Statewide Virtual Charter School Board may elect to not renew a contract for sponsorship in accordance with the following procedures:

(A) No later than eight (8) months prior to the date of expiration of the contract. The Statewide Virtual Charter School Board shall submit written notice of its intent of non-renewal via certified mail, return receipt requested to the governing body of the charter school at the address of record set forth in the contract. The notice shall include:

- (i) A statement of any and all factual and legal grounds upon which the Board's intent to non-renew the contract is based; and
- (ii) A statement of the date, time, and location of the meeting at which the Board intends to take action on the proposed non-renewal, which shall be held no earlier than thirty (30) calendar days from the date of the notice of intent to non-renew the contract is sent to the charter school.

(B) The Board may base its decision to non-renew the contract for sponsorship upon any of the grounds for nonrenewal or termination set forth in 70 O.S. § 3-137 and/or (f)(1) of this Section.

(C) The procedures for filing appeals to the State Board of Education shall be governed by 70 O.S. § 3-145.3 and the policies and rules adopted by the State Board of Education, with a copy of the appeal mailed to the Statewide Virtual Charter School Board.

(f) **Terminations of contracts for sponsorship of statewide virtual charter schools.** The Statewide Virtual Charter School Board may terminate the contract with a statewide virtual charter school in accordance with the following procedures:

(1) **Grounds for termination of a contract for sponsorship:** At any time during the term of the contract, the Statewide Virtual Charter School Board may terminate the contract on one or more of the following grounds:

- (A) Failure to meet the requirements for student performance set forth in the terms of the contract;
- (B) Failure to meet the standards of fiscal management set forth in the terms of the contract;
- (C) Violations of applicable state, federal, tribal, or local laws, statutes, and/or regulations;
- (D) Other good cause as established by the Board, which may include, but shall not be limited to:

(i) Failure by the governing body of the charter school, its charter school administrators, charter school personnel, and/or charter school contractors to meet reporting deadlines necessary for compliance with state or federal statutes or regulations;

(ii) Failure by the governing body of the charter school, its charter school administrators, charter school personnel, and/or charter school contractors to accurately report student enrollment counts;

(iii) Failure by the governing body of the charter school, its charter school administrators, charter school personnel, and/or charter school contractors to accurately report and/or classify student accountability data;

(iv) Identification and/or designation of the charter school by the State Board of Education as consistently in need of improvement in accordance with subsection (g)(6) of Section 1003 of Title I of the Elementary and Secondary Education Act of 1965 (ESEA), pursuant to 70 O.S. § 1210.544;

(v) Any material breach of the terms set forth in the contract for sponsorship; and

(vi) Any action or failure to act by the governing body of the charter school, its charter school administrators, charter school personnel, and/or charter school contractors that presents or results in an immediate and serious danger to the health, safety, and welfare of its students.

(2) **Notice of intent to terminate contract.** At least ninety (90) calendar days prior to termination of a contract for sponsorship of a statewide virtual charter school, the Statewide Virtual Charter School Board shall submit written notice of its intent to terminate the contract via certified mail, return receipt requested to the governing board of the charter school at the address of record set forth in the contract. The notice shall include:

(A) A statement of any and all factual and legal grounds upon which the Board's intent to terminate the contract is based;

(B) A statement of the date, time, and location of the meeting at which the Board intends to take final action on the proposed termination, which shall be held no earlier than forty-five (45) calendar days from the date the notice of intent to terminate is mailed to the charter school; and

(C) A statement that the governing board of the school may request a ~~an~~ informal hearing before the Board to present evidence in opposition to the proposed termination by delivering a written request to the Board within fourteen (14) calendar days of receipt of notice of the intent to terminate the contract that includes:

- (i) A response to the factual and legal grounds for termination set forth in the notice; and
- (ii) A summary of evidence that the school intends to submit in support of its response.

Permanent Final Adoptions

(D) Within ten (10) calendar days of the date of receipt of the request for ~~informal~~ hearing, the Board shall schedule ~~a an informal~~ hearing and submit written notice of the date, time, and location of the hearing by regular mail to the charter school's address of record set forth in the sponsorship contract. The Board may send a courtesy copy of the notice by facsimile, and/or email.

(3) ~~Informal hearing~~**Hearing on termination.** In the event that ~~an informal~~ hearing is requested pursuant to the provisions of (2)(C) of this subsection, the Board shall promptly schedule ~~an informal~~ hearing at which the statewide virtual charter school may present argument and/or evidence in opposition to the proposed termination. The Board shall prescribe the time allotted for oral argument and presentation of evidence. Upon completion of the hearing, the Board may consider the merits of the argument and presentation of evidence and take action on the proposed termination, or it may schedule action on the proposed termination for a subsequent board meeting to provide the board with further opportunity for deliberation.

(4) **Appeals of termination.** The procedures for filing appeals to the State Board of Education shall be governed by 70 O.S. § 3-145.3 and the policies and rules adopted by the State Board of Education, with a copy of the appeal mailed to the Statewide Virtual Charter School Board.

(g) **Negotiation and execution of contracts for sponsorship.** To facilitate and/or expedite negotiations for new contracts for sponsorship, the Statewide Virtual Charter School Board may adopt a model contract for sponsorship of a statewide virtual charter school for use by the Board and potential statewide virtual charter schools sponsored by the Board. Adoption of a model contract shall not prohibit the Board from further negotiation of contract terms or addition of terms to the contract for sponsorship prior to execution of the contract so long as such terms are in compliance with applicable state, federal, local, and/or tribal law and the provisions of this Section.

(h) **Execution of the contract.** The final contract for sponsorship shall not be executed until approved by the Statewide Virtual Charter School Board at a regular or special meeting. The Board may delegate authority to the Chairman to execute the approved contract for sponsorship on behalf of the Board.

777:10-3-4. Oversight and evaluation of virtual charter schools by the Statewide Virtual Charter School Board

(a) **Oversight and annual review.** The Statewide Virtual Charter School will provide ongoing oversight of the charter schools through data and evidence collection, site visits, attendance of governing board meetings, school website compliance checks, and school performance reviews. At the end of each year, schools will be subject to an annual review consisting of a compilation of performance ratings and findings that will be shared with key stakeholders. The charter school will have fifteen (15) business days to respond to the annual review in writing and such response will become part of the record. A

formal review of school performance may be conducted during the contract term, as applicable. The annual review report and any response will be posted to the SVCSB's website along with other information regarding each of the schools.

(b) **Performance framework.** The performance framework establishes accountability criteria for virtual charter schools authorized by the Statewide Virtual Charter School Board that assesses schools on their ability to operate as a sound, independent school that successfully serves all students in the areas of academic, financial, and organizational capacities. The board will use a checklist to determine if the charter school meets the standards or does not meet the standards for each criteria.

(1) Oklahoma performance measures will be used to assess the school's academic performance, including overall achievement, overall growth, subgroup achievement, subgroup growth and post-secondary readiness. Academic performance is measured via twenty-four (24) accountability indicators (see items A-X below). To meet the expectations, schools must demonstrate attainment of each indicator for each grade level and will be given weight accordingly. Indicators and measurements required to demonstrate that each standard has been met for achievement in each category are listed below. Sub-group measures will only be applicable if the school has a minimum of ten (10) students in the sub-group.

(A) Are students achieving proficiency on statewide assessments in Reading/English Language Arts

(i) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is equal to or above the state level of proficiency; or

(ii) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is improved 5% or greater each year over the baseline score established the first year of the charter contract term.

(B) Are students achieving proficiency on statewide assessments in Math

(i) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is equal to or above the state level of proficiency; or

(ii) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is improved 5% or greater each year over the baseline score established the first year of the charter contract term.

(C) Are students enrolled in the school for two or more consecutive academic years achieving proficiency on statewide assessments in Reading/English Language Arts?

(i) The percentage of students scoring proficient or above at each grade level on the Oklahoma

- School Testing Program (OSTP) state assessments is equal to or above the state level of proficiency;
or
(ii) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is improved 5% or greater each year over the baseline score established the first year of the charter contract term.
- (D) Are students enrolled in the school for two or more consecutive academic years achieving proficiency on statewide assessments in Math?
(i) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is equal to or above the state level of proficiency;
or
(ii) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is improved 5% or greater each year over the baseline score established the first year of the charter contract term.
- (E) Are students enrolled in the school for three or more consecutive academic years achieving proficiency on statewide assessments in Reading/English Language Arts?
(i) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is equal to or above the state level of proficiency;
or
(ii) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is improved 5% or greater each year over the baseline score established the first year of the charter contract term.
- (F) Are students enrolled in the school for three or more consecutive academic years achieving proficiency on statewide assessments in Math?
(i) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is equal to or above the state level of proficiency;
or
(ii) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is improved 5% or greater each year over the baseline score established the first year of the charter contract term.
- (G) Are students in the special education subgroup achieving proficiency on statewide assessments in Reading/English Language Arts?
(i) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments
is equal to or above the state level of proficiency;
or
(ii) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is improved 5% or greater each year over the baseline score established the first year of the charter contract term.
- (H) Are students in the special education subgroup achieving proficiency on statewide assessments in Math?
(i) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is equal to or above the state level of proficiency;
or
(ii) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is improved 5% or greater each year over the baseline score established the first year of the charter contract term.
- (I) Are students in the special education subgroup enrolled for two or more consecutive academic years achieving proficiency on statewide assessments in Reading/English Language Arts?
(i) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is equal to or above the state level of proficiency;
or
(ii) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is improved 5% or greater each year over the baseline score established the first year of the charter contract term.
- (J) Are students in the special education subgroup enrolled for two or more consecutive academic years achieving proficiency on statewide assessments in Math?
(i) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is equal to or above the state level of proficiency;
or
(ii) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is improved 5% or greater each year over the baseline score established the first year of the charter contract term.
- (K) Are students in the special education subgroup enrolled for three or more consecutive academic years achieving proficiency on statewide assessments in Reading/English Language Arts?
(i) The percentage of students scoring proficient or above at each grade level on the Oklahoma

Permanent Final Adoptions

School Testing Program (OSTP) state assessments is equal to or above the state level of proficiency;

or

(ii) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is improved 5% or greater each year over the baseline score established the first year of the charter contract term.

(L) Are students in the special education subgroup enrolled for three or more consecutive academic years achieving proficiency on statewide assessments in Math?

(i) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is equal to or above the state level of proficiency;

or

(ii) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is improved 5% or greater each year over the baseline score established the first year of the charter contract term.

(M) Are students in the economically disadvantaged subgroup achieving proficiency on statewide assessments in Reading/English Language Arts?

(i) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is equal to or above the state level of proficiency;

or

(ii) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is improved 5% or greater each year over the baseline score established the first year of the charter contract term.

(N) Are students in the economically disadvantaged achieving proficiency on statewide assessments in Math?

(i) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is equal to or above the state level of proficiency;

or

(ii) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is improved 5% or greater each year over the baseline score established the first year of the charter contract term.

(O) Are students in the economically disadvantaged subgroup enrolled for two or more consecutive academic years achieving proficiency on statewide assessments in Reading/English Language Arts?

(i) The percentage of students scoring proficient or above at each grade level on the Oklahoma

School Testing Program (OSTP) state assessments is equal to or above the state level of proficiency;

or

(ii) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is improved 5% or greater each year over the baseline score established the first year of the charter contract term.

(P) Are students in the economically disadvantaged subgroup enrolled for two or more consecutive academic years achieving proficiency on statewide assessments in Math?

(i) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is equal to or above the state level of proficiency;

or

(ii) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is improved 5% or greater each year over the baseline score established the first year of the charter contract term.

(Q) Are students in the economically disadvantaged subgroup enrolled for three or more consecutive academic years achieving proficiency on statewide assessments in Reading/English Language Arts?

(i) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is equal to or above the state level of proficiency;

or

(ii) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is improved 5% or greater each year over the baseline score established the first year of the charter contract term.

(R) Are students in the economically disadvantaged subgroup enrolled for three or more consecutive academic years achieving proficiency on statewide assessments in Math?

(i) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is equal to or above the state level of proficiency;

or

(ii) The percentage of students scoring proficient or above at each grade level on the Oklahoma School Testing Program (OSTP) state assessments is improved 5% or greater each year over the baseline score established the first year of the charter contract term.

(S) Based on state expectations for student graduation within four years, does the school meet the expectations for student graduation?

- (i) The school's most recent graduation rate is equal to or greater than the most recent average graduation rate for the State of Oklahoma or
- (ii) The school's most recent graduation rate increased 20% or more of the difference between the graduation rate of the baseline year and 100% over the past two years.
- (T) Based on the extended-year adjusted graduation rate, does the school meet the expectations for student graduation? Evidence indicates a majority of extended-year students graduating.
- (U) Did the school meet the expectation for graduating eligible seniors during the most recent year? The percent of eligible seniors enrolled on the first day of the school year and graduating in the current school year is equal to or greater than the current graduation rate for the State of Oklahoma.
- (V) Are the school's students participating in the American College Testing (ACT) college preparation assessment process? The most recent year's average American College Testing (ACT) participation rate is equal to or greater than the most recent average scores recorded for the State of Oklahoma.
- (W) Does the school's student performance on the American College Testing (ACT) meet the state performance level? The school's most recent year's average composite American College Testing (ACT) score is equal to or greater than the most recent average scores recorded for the State of Oklahoma.
- (X) Are students benefiting from college and career readiness opportunities (i.e. college preparatory coursework, Career Technology programs, military service)? Evidence provides a profile of college and career readiness opportunities.
- (2) Fiscal viability of the schools is measured through audit findings, quarterly financial reports, and financial reporting. Financial performance is measured via six (6) accountability indicators (see items A-F below). To meet the expectations, schools must demonstrate attainment of each indicator. Indicators and measurements required to demonstrate that each standard has been met for achievement in each category are listed below.
- (A) Did the most recent audit have findings? There were no findings of significant deficiencies, material noncompliance or known fraud on the school's most recent independent financial audit.
- (B) Did any of the school's audits over the term of the contract have findings? There were no findings of significant deficiencies, material noncompliance or known fraud on any independent financial audits over the term of the charter contract?
- (C) Did the school consistently submit appropriate quarterly financial reports over the most recent year? Appropriate reports were submitted in the Oklahoma Cost Accounting System (OCAS) format, on time, and indicating financial stability of the school.
- (D) Did the school consistently submit appropriate quarterly financial reports over the term of the charter contract? Appropriate reports were submitted in the Oklahoma Cost Accounting System (OCAS) format, on time, and indicating financial stability of the school.
- (E) Did the school consistently meet financial reporting expectations over the most recent year, as required by the State Department of Education and confirmed by the Office of Financial Accounting, Oklahoma Cost Accounting System (OCAS), and Audits? Financial reporting met expectations over the most recent year.
- (F) Did the school consistently meet financial reporting expectations over the term of the charter contract, as required by the State Department of Education and confirmed by the Office of Financial Accounting, Oklahoma Cost Accounting System (OCAS), and Audits? Financial reporting met expectations over the term of the charter contract.
- (3) Organizational performance is measured by effective organizational structure, governance, record of compliance, attendance, recurrent enrollment, accreditation and student support. Organizational performance is measured via eighteen (18) accountability indicators (see items A-W below). To meet the expectations, schools must demonstrate attainment of each indicator. Indicators and measurements required to demonstrate that each standard has been met for achievement in each category are listed below.
- (A) Is the school faithful to its mission and implementing key design elements within the approved charter contract? Evidence documents faithfulness to the school's mission and implementation of key design elements of school.
- (B) Does the school follow appropriate procedures to ensure student access and equity? Data confirms appropriate procedures to ensure student access and equity.
- (C) Does the school have approved and appropriate policies and procedures that ensure student and staff safety and success, and does the school communicate those policies and procedures to students/families and staff? Approved and appropriate policies and procedures are implemented and communicated.
- (D) Does the school adhere to applicable state and federal laws and regulations? Evidence suggests the school adheres to state and federal laws and regulations.
- (E) Does the school adhere to the terms of the charter contract? Evidence suggests the school adheres to the charter contract.
- (F) Does a stable governing board exist? History of board stability exists.
- (G) Does the governing board recruit, select, orient and train members with skills and expertise to enable them to govern the school appropriately? Board agendas and minutes document board member activities.

Permanent Final Adoptions

(H) Does the charter school comply with the Open Meeting Act and Open Records Act? The charter school consistently complies with requirements of the Open Meeting Act and Open Records Act.

(I) Does the charter school provide transparency through Statewide Virtual Charter School Board access to school records? The charter school has provided the Statewide Virtual Charter School Board with all requested school records.

(J) Does the educational service provider(s) provide transparency through Statewide Virtual Charter School Board access to school records? The charter school has provided the Statewide Virtual Charter School Board with all requested school records.

(K) Did the school consistently meet the reporting expectations as required by the State Department of Education during the most recent year? The State Department of Education confirms reporting expectations fulfilled.

(L) Did the school consistently meet the reporting expectations as required by the State Department of Education over the term of the charter contract? The State Department of Education confirms reporting expectations fulfilled.

(M) Did the school consistently meet the reporting expectations as required by the Statewide Virtual Charter School Board during the most recent year? Reporting expectations fulfilled as required - 90% or above in both on-time and accuracy categories.

(N) Did the school consistently meet the reporting expectations as required by the Statewide Virtual Charter School Board over the term of the charter contract? Reporting expectations fulfilled as required - 90% or above in both on-time and accuracy categories.

(O) Does the school website meet the standards for transparency and documentation as mandated by the Oklahoma School District Transparency Act and requested by the Statewide Virtual Charter School Board? The school has consistently met requirements for school website as mandated by the Oklahoma School District Transparency Act and requested by the Statewide Virtual Charter School Board.

(P) Did the school receive accreditation from the State Department of Education in the most recent year? The school received accreditation with no deficiencies noted from the State Department of Education in the most recent year.

(Q) Did the school receive accreditation from the State Department of Education over the term of the charter contract? The school received accreditation with no deficiencies noted from the State Department of Education over the term of the charter contract.

(R) Does the school meet the expectations for student attendance? Evidence documents the school met the expectations for student attendance.

(S) Does recurrent enrollment of students meet expectations? The school's student recurrent enrollment

rate meets the expectations indicated by the methodology used for public schools in Oklahoma.

(T) Does the school provide support structures for students and families that are accessible twenty-four (24) hours per day and seven (7) days per week, such as teacher support, individualized learning plans, guidance/counseling program? Students and families have access to multiple support structures twenty-four (24) hours per day and seven (7) days per week.

(U) The charter school will submit up to three (3) data-driven goals and measurement criteria for approval by the SVCBS.

(i) Did the charter school meet the expectations of Goal One?

(ii) Did the charter school meet the expectations of Goal Two?

(iii) Did the charter school meet the expectations of Goal Three?

(4) A Performance Framework Index will be calculated based on the following categories:

(A) Academic (A) Calculation - (Score) * (Weight) = A with at weight of 33.33%.

(B) Financial (F) Calculation - (Score) * (Weight) = F with at weight of 33.33%.

(C) Organizational (O) Calculation - (Score) * (Weight) = O with at weight of 33.33%.

(D) Performance Framework scores will guide reauthorization procedures.

(i) A Performance Framework Index (PFI) score of 80% or higher calculated over the course of the charter contract term will result in renewal of authorization for a five (5) year term should the governing board of the charter school choose to submit a letter requesting reauthorization

(ii) A Performance Framework Index (PFI) score of 70% or higher calculated over the course of the charter contract term is expected. However, an application for renewal of authorization is required for consideration by the Statewide Virtual Charter School Board.

(iii) A Performance Framework Index (PFI) score of less than 70% calculated over the course of the charter contract term places the charter school at risk of non-approval of the renewal for authorization. An application for reauthorization is required for consideration by the Statewide Virtual Charter School Board.

(E) In the event data is not available, the Statewide Virtual Charter School Board will designate corresponding score with "Not Applicable".

(c) **Submission of school data.** To aid the Statewide Virtual Charter School Board in assessing whether the schools are meeting the expectations of the performance framework, schools are required to submit school data to the Statewide Virtual Charter School Board through an online data collection system.

(1) Schools must submit the requested documentation according to the instructions for the submission by the due date indicated in the online data collection system;

- (A) Current charter contract and any amendments;
- (B) Management contracts;
- (C) Lease/purchase agreements;
- (D) Annual budget;
- (E) Audit documents (audit, response, corrective action);
- (F) School performance review report response;
- (G) Key design elements of school report and evidence of implementation;
- (H) College preparation coursework report;
- (I) Career technology programs report;
- (J) Senior graduation report;
- (K) Current inventory report;
- (L) Quarterly financial statements;
- (M) Handbooks (Student/family handbook, Employee handbook);
- (N) School calendar;
- (O) Student support documentation;
- (P) Internal assessment plan;
- (Q) School policies (attendance, employment, enrollment/lottery);
- (R) Governing Board rosters, submit updated rosters as changes are made;
- (S) Insurance verification;
- (T) Enrollment counts (initial, monthly and final);
- (U) Surety bond verification;
- (V) Accreditation application and status;
- (W) First Quarter statistical report summary;
- (X) Board meeting calendar, agendas, minutes;
- (Y) Plan for Improvement;
- (Z) Final state aid and federal allocations;
- (AA) ACT profile report;
- (BB) Military service report;
- (CC) Four (4) year cohort and extended year graduation rate documents;
- (DD) Annual statistical report summary;
- (EE) Strategic planning documents;
- (FF) Oklahoma School Testing Program (OSTP) documentation;
- (GG) Child counts;
- (HH) Enrollment file;
- (II) Estimate of Needs and Supplemental Estimate;
- (JJ) Litigation documents; and
- (KK) State accountability report.

(2) In the event submission through the online system is not possible, the school must hand-deliver hard-copy documentation to the office of the Statewide Virtual Charter School Board by the due date.

(3) Failure to submit the documentation is grounds for termination of the contract.

(4) Receipt of document submissions does not necessarily indicate approval of the content of the data.

(d) **School website compliance.** In order to aid in transparency, charter schools sponsored by the Statewide Virtual Charter School Board will be subject to website compliance

checks at any time. The schools must have the following information available on its website:

- (1) Governing board members (board member information, and office held if any);
- (2) Schedule of governing board meetings;
- (3) Board meeting agendas;
- (4) Board meeting approved minutes;
- (5) School accountability reports; and
- (6) Financial documents or a link to the Oklahoma Cost Accounting System (OCAS), including:
 - (A) District expenditure data;
 - (B) Identification of school district; and
 - (C) Oklahoma Cost Accounting System (OCAS) Code designation for each expenditure.

777:10-3-5. Full-time virtual charter schools - succession of contractual rights and reversion of property to Statewide Virtual Charter School Board

(a) Pursuant to 70 O.S. § 3-136(F), upon the date of expiration or termination of a contract for sponsorship for a statewide virtual charter school, or in the event of a failure of a statewide virtual charter school to continue operations, all real and personal property acquired by the charter school shall be disposed of as set forth in the contract for sponsorship and in accordance with the following provisions:

(1) All unencumbered state aid, local, or federal funds, and all real property and personal property for which state, local or federal funds have been used all or in part to procure the property, shall be retained by the Statewide Virtual Charter School Board as the sponsor.

(2) All funds and property subject to the provisions of this subsection shall be deemed to revert to the Board as of the Termination Date. For purposes of this Section the Termination Date shall be either:

- (A) The effective date of expiration or termination of the contract for sponsorship; or
- (B) In the event a statewide virtual charter school fails to continue operation prior to expiration or termination of the contract, the date upon which the last day of courses were provided to students enrolled in the charter school.

(3) No later than ninety (90) calendar days prior to the date of expiration of the sponsorship contract, the statewide virtual charter school shall provide the Statewide Virtual Charter School Board with executed copies of all of the following documents:

- (A) A detailed list of all real and/or personal property and other assets procured by the charter school during the term of the contract that includes identification of all sources of funds used to procure the property. All items procured all or in part with state, local or federal funds shall be clearly identified;
- (B) Title documents, deeds, and/or leases for all real or personal property or other assets procured all or in part with state or federal funds;
- (C) Copies of all executory contracts to which the charter school or its governing body is a party; and

Permanent Final Adoptions

(D) All documentation relating to debt, liabilities, encumbrances, or other obligations incurred by the charter school and/or the governing body of the charter school during the term of the sponsorship contract.

(a) **School Closure Process.** Final school closure determination may be made as the result of voluntary or involuntary school closure decisions. This includes a decision of the charter school governing board to close the school, nonrenewal of a charter contract, or termination of a charter contract. In the event of a voluntary closure by the school, the final closure determination occurs as of the date the charter school governing board votes to close the school. In the event of an involuntary closure of the school, the final closure determination occurs as of the date the final order is issued by the SVCSB. Once a final closure determination is made the SVCSB will appoint a Closing Officer to provide oversight of school closure. Oversight responsibilities include management of the operational process of charter school closure and ensured continuation of appropriate educational services and transfer process for students and families, and ensure the governing board of the charter school continues to meet as necessary to take actions needed to wind down school operations, manage school finances, allocate resources and facilitate all aspects of closure. Under the oversight and with the support of the Closing Officer, the charter school is responsible for completing the tasks required for the closing of the school in a legal and orderly manner while continuing to operate the school and provide academic and other services to students and families. With the exception of the cost of the SVCSB Closing Officer, all expenses of school closure will be provided for through charter school funds. These include, but are not limited to, the expense of contracted expertise such as accountants and auditor, general supplies and postage, and auction costs. The following School Closure Protocol will be implemented ten (10) days after the final order is issued, and may be stayed by the Statewide Virtual Charter School Board in the event of a request for reconsideration or rehearing:

(1) Within two (2) calendar weeks:

(A) The Closing Officer meets with the school's Chief Administrative officer and the Governing Board President to provide information regarding the school closure process and expectations.

(B) A special meeting of the charter school governing board will be called for to establish a Transition Team composed of school staff, applicant staff, and others designated by the applicant who will attend to the tasks and responsibilities of school closure on behalf of the school.

(C) The SVCSB issues a media release appropriate for public notification of charter school closure.

(D) A temporary hold will be placed on all state and federal funding.

(E) Notification of school closure determination is submitted to the Oklahoma State Department of Education (OSDE) including name of school, date of action, effective date of closure, criteria for closure determination, closure process information, and location of student and personnel records. Request name

and contact information for OSDE representative for communication purposes and for assistance with closure. Similar notification also sent to the Oklahoma Teachers Retirement System (if applicable), State Treasurer, and State Auditor.

(F) Notification is made to parents of enrolled students regarding school closure determination including name of school, date of action, effective date of closure, and expected future communication to parents.

(G) Notification to school staff regarding school closure determination including name of school, date of action, effective date of closure, and expected future communication to school staff.

(5) No later than forty five (45) days after the Termination Date, the charter school shall complete and provide the Statewide Virtual Charter School Board with a final audit of the charter school that complies with the annual audit requirements of the Oklahoma Public School Audit Law at 70 O.S. § 22-101 et seq and accompanying regulations.

(6) No later than sixty (60) calendar days after the Termination Date, the charter school shall deliver all records pertaining to operation of the charter school and its students to the Statewide Virtual Charter School Board or to the State Department of Education.

(2) Once a Transition Team is established, the following should occur within thirty (30) days:

(A) The Closing Officer and Transition Team will establish a written student transfer plan including the steps required for the transfer of students and student records and the security of those records.

(B) The Closing Officer and Transition Team will contact Oklahoma school districts regarding charter school closure.

(C) The Closing Officer and Transition Team will establish a written plan for ongoing communication with families. This plan will include communication through closure process and a final report of school closure to charter school families. A list of all students/families will be generated and maintained to include student name, parent name, address, telephone, email, grade level, and school district of residence.

(D) The Closing Officer and Transition Team will establish a written plan for ongoing communication with staff. This plan will include the initial communication of school closure, follow-up communication as needed, and a final report of school closure to charter school staff. A list of all staff will be created to include name, position, address, telephone, email. Notification includes information regarding closure determination, closure date, personnel records, and benefits.

(E) The Closing Officer and Transition Team will secure all financial and personnel records. In addition, Closing Officer and Transition Team will identify all agencies, employees, insurers, contractors, creditors, debtors, grantors, and management

organizations. The statewide virtual charter school shall provide the Statewide Virtual Charter School Board with executed copies of all of the following documents:

- (i) A detailed list of all real and/or personal property and other assets procured by the charter school during the term of the contract that includes identification of all sources of funds used to procure the property. All items procured all or in part with state, local or federal funds shall be clearly identified.
 - (ii) Title documents, deeds, and/or leases for all real or personal property or other assets procured all or in part with state or federal funds.
 - (iii) Copies of all executory contracts to which the charter school or its governing body is a party.
 - (iv) All documentation relating to debt, liabilities, encumbrances, or other obligations incurred by the charter school and/or the governing body of the charter school during the term of the sponsorship contract.
 - (v) The Closing Officer and Transition Team Chair will ensure a complete financial accounting. A financial plan for school closure will be established. The Closing Officer may include other financial experts on behalf of the SVCSB to assist with the process.
 - (vi) All assets will be inventoried. Inventory shall include name of asset, quantity, estimated value, and location of property. Assets include, but are not limited to, property, furnishings, technology, books, supplies, and equipment.
 - (vii) All assets will be confirmed by the Closing Officer and Transition Team. Within forty-five (45) business days of a final closure determination date, the charter school assets may be liquidated and funds used to satisfy remaining school debt. Otherwise the sponsor may dispose of remaining school property as deemed appropriate and retaining any remaining funds.
- (3) Prior to final closeout, the charter school shall complete all federal, state, and local obligations on behalf of school employees as governed by Federal and State Statute and regulations; including but not limited to the following:
- (A) File all final federal, state, and local employer payroll tax returns and issue final W-2s and Form 1099s by the statutory deadlines.
 - (B) File the Federal Notice of Discontinuance with the Department of Treasury.
 - (C) Make final federal tax payments.
 - (D) File the final withholding tax return.
 - (E) File the final return with the IRS.
 - (F) Complete all tax requirements of the State of Oklahoma.
 - (G) Provide employees with notices and pamphlets required under applicable state and federal law.

(4) Within thirty (30) business days of school closure, all school records, including but not limited to, student, personnel and financial records are received and secured by the SVCSB or the State Department of Education (SDE).

(5) Within forty-five (45) business days of school closure, a final school closure audit will be conducted and provided to the SVCSB. A copy of the audit will be presented to the State Superintendent of Public Instruction, and all fiscal balances of the charter school will be retained by the charter school authorizer.

(46) The Statewide Virtual Charter School Board shall have forty-five (45) days after the date of delivery of all of the documents set forth in (3) of this subsection to request any additional documentation from the charter school the Board deems necessary to determine the assets and liabilities of the statewide virtual charter school.

(7) The Closing Officer will report school closure progress to the SVCSB at each regular meeting through the school closing transition period.

(8) Upon completion of school closure, a final report from the Closing Officer will be presented to the Statewide Virtual Charter School Board.

(79) All personal property of the charter school reverting to the Statewide Virtual Charter School Board in accordance with the provisions of 70 O.S. 3-136 and this Section shall be delivered to the Board no later than sixty (60) calendar days after the ~~Termination~~ School Closure Date in the manner and to the location(s) directed by the Board.

(810) The Chairman of the Statewide Virtual Charter School Board is authorized to execute conveyances and documents on behalf of the Board as necessary to fulfill the requirements of this subsection.

(b) School district contracts for sponsorship of full-time virtual charter schools. In accordance with the provisions of 70 O.S. 3-145.5, the following provisions shall apply to school district contracts for sponsorship of charter schools who provide full-time virtual education:

(1) Contracts for sponsorship of a full-time virtual charter school. Beginning July 1, 2014, no school district shall:

(A) Offer full-time virtual education to any student whose legal residence, as determined in accordance with the provisions of 70 O.S. § 1-113, is located outside of the boundaries of the school district; or

(B) Enter a contract to provide full-time virtual education to any student whose legal residence, as determined in accordance with the provisions of 70 O.S. § 1-113, is located outside of the boundaries of the school district.

(2) Succession of contracts for school district sponsorship of a virtual charter school executed prior to January 1, 2014. Beginning July 1, 2014, the Statewide Virtual Charter School Board shall succeed to the contractual sponsorship rights of any school district that executed

Permanent Final Adoptions

a contract for sponsorship of a charter school prior to January 1, 2014. Contract succession shall be conducted in accordance with all of the following procedures:

(A) No later than July 1, 2014, the charter school shall provide the Statewide Virtual Charter School Board with all of the following documents:

- (i) All of the documentation set forth in (a)(3) through (a)(4) of this Section; ~~and~~
- (ii) Copies of all reports, documents, and statements required by the Oklahoma Public School Audit Law, for all previous fiscal years of the charter school's operation; including, but not limited to, auditor's opinions and related financial statements of the charter school; and
- (iii) Copies of the charter school's annual estimate of needs, and income and expenditure data required by 70 O.S. §§ 5-135 and 5-135.2 for all previous fiscal years of the charter school's operation.

(B) The terms of succession to the contract for sponsorship by the Statewide Virtual Charter School Board shall be as follows:

- (i) The Statewide Virtual Charter School Board shall not succeed to any terms of a contract for sponsorship executed between a charter school and a school district that violates or conflicts with the Oklahoma Charter Schools Act and/or any state or federal laws and regulations applicable to charter schools, charter school sponsors, or the Statewide Virtual Charter School Board. In the event that any such statute or regulation goes into effect during the term of the contract, the conflicting contractual term shall be deemed superseded by law and deemed null and void.
- (ii) Any debt, obligations, encumbrances, and/or liabilities incurred by the charter school in violation of the provisions of Art. 10 § 26 of the Oklahoma Constitution shall be deemed null and void, and shall not be assumed by the Statewide Virtual Charter School Board.
- (iii) The Statewide Virtual Charter School Board may require the statewide virtual charter school to execute an addendum to the contract for sponsorship for the purpose of clarifying terms not otherwise addressed in the existing contract as necessary to comply with the Oklahoma Charter Schools Act or any other provision of state or federal law applicable to charter schools.

(C) The Statewide Virtual Charter School Board shall not distribute any state aid funds to a statewide virtual charter school pursuant to the provisions of this subsection until all of the following conditions have been met:

- (i) All appropriate conveyances and other documents necessary to effect the transfer of any property associated with the contract have been finally executed by the parties and copies of the

finally executed documents have been filed with the Statewide Virtual Charter School Board;

(ii) All property, equipment, supplies, records, and assets required to be transferred to the Statewide Virtual Charter School Board in accordance with the provisions of 70 O.S. § 3-145.5(B) has been delivered in the manner and to the location(s) directed by the Board;

(iii) The charter school is in compliance with all applicable state and federal regulations pertaining to charter schools; and

(iv) All other requirements of this paragraph have been met.

(D) The Statewide Virtual Charter School Board shall not distribute midyear allocation funds to a statewide virtual charter school that is a party to a contract for sponsorship assumed by the Statewide Virtual Charter School pursuant to the provisions of this subsection until:

(i) The statewide virtual charter school has conducted a final audit of the charter school for fiscal year 2014 that complies with the Oklahoma Public School Audit Law at 70 O.S. § 22-101 et seq and accompanying regulations;

(ii) Copies of the auditor's opinions, related financial statements, and any other documentation pertaining to the audit have been provided to the Statewide Virtual Charter School Board; and

(iii) The charter school has presented the audit at a meeting of the Statewide Virtual Charter School Board.

(E) Succession to the contractual rights and responsibilities of sponsorship by the Statewide Virtual Charter School Board shall not qualify the charter school to apply for funds from the Charter School Incentive Fund established pursuant to the provisions of 70 O.S. § 3-144, nor shall the first year of operation under the sponsorship of the Board be considered the charter school's first year of operation.

(F) The Chairman of the Statewide Virtual Charter School Board is authorized to execute conveyances and documents on behalf of the Board as necessary to fulfill the requirements of this subsection.

(c) **Termination or nonrenewal for good cause.** Failure by any charter school to comply with the provisions of this Section shall constitute good cause for:

(1) Termination or nonrenewal of a contract for sponsorship with the Statewide Virtual Charter School Board; and/or

(2) Denial of any application for sponsorship subsequently submitted by the charter school and/or authorized representatives of the charter school, including, but not limited to, the governing body of a charter school.

SUBCHAPTER 5. STATEWIDE VIRTUAL CHARTER SCHOOL FACILITIES

777:10-5-3. Statewide virtual charter school sites

(a) **Face-to-face instruction.** No statewide virtual charter school or employee of the statewide virtual charter school shall provide face-to-face instruction to any charter school student unless:

- (1) The instruction occurs at either:
 - (A) The legal residence of a student or the parent/legal guardian of a student; or
 - (B) A municipality-, state-, or federally-owned or regulated facility approved as a charter school site of the statewide virtual charter school in which the student is enrolled that complies with all federal, state and local statutes and regulations governing health and safety that are applicable to public school facilities; and
- (2) The instruction is limited to no more than ~~nine~~ twelve (12) hours per week of instruction per student.
- (3) Approval of statewide virtual charter school sites. The Board may approve an additional charter school site if the following conditions have been met:
 - (A) The statewide virtual charter school submits an application at least sixty (60) days prior to beginning face-to-face instruction at the facility;
 - (B) The facility complies with all federal and state statutes and regulations governing safety that are applicable to public school facilities; and
 - (C) The facility has been approved by the State Department of Education Office of Accreditation.

(b) **Reporting of approved statewide virtual charter school sites.** ~~No later than July 1 prior to each school year, each~~Each statewide virtual charter school shall provide the Statewide Virtual Charter School Board and the State Department of Education with a list of all approved statewide virtual charter school sites. A statewide virtual charter school shall not be eligible to obtain funding for instruction provided at any statewide virtual charter school site not ~~approved and reported~~authorized in accordance with the provisions of this Section and all other applicable statutes and regulations pertaining to charter school ~~facilities~~sites. The charter school must maintain documentation that all sites comply with all federal, state and/or local statutes and regulations governing health and safety, and must produce such documentation to the Statewide Virtual Charter School Board and State Department of Education upon request.

(d) **Transportation supplement funding.** A statewide virtual charter school shall not be eligible to receive transportation supplement funding for transportation to a statewide virtual charter school site in accordance with the provisions of 70 O.S. § 3-141 for any school year without a written transportation plan approved by the Statewide Virtual Charter School Board. The statewide virtual charter school shall submit its approved transportation plan to the State Department of Education Office of State Aid no later than July 1 prior to the school year for which the transportation plan has been approved.

CONTACT PERSON:
Rebecca L. Wilkinson, Executive Director, OSVCSB, 2500 North Lincoln Boulevard, Oklahoma City, OK 73105-4599, 405-522-0717, Rebecca.Wilkinson@svcsb.ok.gov

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

777:15-1-1. Purpose
The Statewide Virtual Charter School Board (SVCSB) makes publicly available a list of supplemental online courses which it has reviewed and certified to ensure that the courses are high quality options and are aligned with the subject matter standards approved by the State of Oklahoma. In conjunction with the Office of Management and Enterprise Services (OMES), the SVCSB negotiates with online course providers to offer a state rate price to school districts for supplemental online courses. These rules have been adopted for the purpose of implementing policy and procedures pursuant to Oklahoma Statute Title 70, Section 3-145.3.

Permanent Final Adoptions

777:15-1-2. Definitions

The following words and terms, when used in this Chapter, shall have the following meaning, unless the context clearly indicates otherwise:

"Course provider" means an entity that meets eligibility requirements and provides an online course to Oklahoma school districts.

"Course review" means the process conducted by content and pedagogical experts to ensure courses recommended for certification by the SVCSB meet the established standards.

"Oklahoma Online Course Catalog" means a publicly available listing of courses certified (or pending review) by the SVCSB available through approved Course Providers.

"Online course" means an educational course in which instruction and content are delivered primarily over the Internet. A student and teacher are in different locations for a majority of the student's instructional period, most instructional activities take place in an online environment, the online instructional activities are integral to the academic program, consistent communication between a student and a teacher and among students is emphasized, and a student is not required to be located on the physical premises of a public school district. An online course is the equivalent of what would typically be taught in one semester.

"Receiver district" means an Oklahoma public school district that has students enrolled in the district who take one or more online courses.

777:15-1-3. Application for course certification

(a) To have a course(s) listed in the Oklahoma Online Course Catalog, Course Providers must first be approved as vendors through the Oklahoma Management and Enterprise System (OMES). Potential vendors must respond to the Request for Proposals (RFP) released by the SVCSB through OMES and provide all required documentation according to the deadline listed in the RFP solicitation.

(b) Once the solicitation period has closed, all submitted materials will be reviewed for compliance by the SVCSB and OMES. Entities meeting the minimum criteria established in the RFP will be approved as vendors for the State of Oklahoma.

777:15-1-4. Pricing

Each course offered through the Oklahoma Online Course Catalog must be offered at a price that does not exceed the lowest price at which the course is offered for use or sale to any state, public school, or school district in the United States. The price of any course or item or service for the course must automatically be reduced to the extent that, and at the same time as, the price is reduced or offered for a lesser fee elsewhere in the United States. A course or item or service for the course must be provided free of charge or at a price discount to the same extent that it is provided to any state, public school, or school district anywhere in the United States.

777:15-1-5. Course review requirements

(a) Online Course Providers must supply the following at the time of course review:

(1) The name of the institution or organization providing the online content;

(2) Course title and subject code (using appropriate course title and subject code as established by the Oklahoma State Department of Education's approved Subject Codes for the appropriate academic year);

(3) Number of students who may be admitted to the course per instructor;

(4) Explanation of the alignment between Oklahoma content standards and course content and assignments;

(5) Protocols established to monitor student engagement and course progression, including guidelines to address non-responsive students;

(6) Description of procedures for reporting students' course progression, grade and other student information to the local school district;

(7) Instructor credentials and qualifications;

(8) Recognition of course by external entity (e.g., NCAA, College Board Authorized, AdvancED certification); and

(9) Course syllabus that includes:

(A) course title;

(B) course description;

(C) course credits;

(D) objectives that clearly state, in measurable terms, what the students will know or be able to do at the end of the course;

(E) assignments/assessments;

(F) instructional strategies and student expectations, including any synchronous attendance requirements;

(G) time requirements;

(H) grading policy;

(I) contact policies for communication between teacher and students and teacher and parents;

(J) resources and materials required; (k) technology requirements, including the Learning Management System (LMS) utilized;

(L) accommodation and accessibility statement; and

(M) course outline (i.e. list of units/modules in sequential order).

(b) At the time of the course review, guest access to the course will be required for the reviewers. If substantive changes are made to a course since its last certification, it must be submitted for review regardless of its current status in the review cycle. Substantive changes would include altering the intended course outcomes, significantly changing instructional strategies or assessment protocols used in the course as a whole, or any revision that impacts standards alignment. Only courses certified (or pending review) by the Statewide Virtual Charter School Board will be accepted into the Oklahoma Online Course Catalog.

(c) Course Providers of Advanced Placement (AP) courses must provide the results of their College Board AP Course

Audit and Authorization. No other course evaluation will be conducted for AP Courses. If a course is authorized by the College Board as an AP course, it is automatically listed as "state-certified" in the Oklahoma Online Course Catalog. Online Providers must provide evidence annually of AP Authorization Renewal.

777:15-1-6. Course review and certification process

(a) All approved vendors will have the online courses they submitted as part of the RFP published on the OSOCP website and reviewed according to the schedule adopted by the SVCSB.

(b) Course reviews will be conducted by content experts and pedagogical experts selected by the SVCSB. Courses will be evaluated using rubrics to determine alignment with the current academic standards approved by the State of Oklahoma (or nationally/ internationally accepted content standards set for courses whose content is not included in state standards) and the International Association for K-12 Online Learning (iNACOL) National Standards for Quality Online Courses. The rubric published in the most current National Standards for Quality Online Courses will be used as part of the Course Review, along with a rubric to measure the presence of each of the academic standards for the content area. Online Course Providers of Advanced Placement (AP) courses must provide the results of the AP Course Audit and Authorization. No other course evaluation will be conducted for AP Courses. Online Providers must provide evidence annually of AP Authorization Renewal.

(c) If results of the initial review suggest that a course will not be recommended for certification, the Course Provider will be contacted with the review results and will have fifteen (15) calendar days to revise material or provide additional information pertinent to the review. These revisions will be examined by the course reviewers and, if appropriate, the rubric scores will be modified. Once the course review is complete, results of the evaluation will be presented to the Statewide Virtual Charter School Board (SVCSB). The SVCSB will consider the evidence and vote whether to certify or not certify the course. The decision will be made on a simple majority vote. If the SVCSB votes to not certify a course, the course will be removed from the Oklahoma Online Course Catalog and the Course Provider will be notified of the reasons the course was not certified. The Course Provider may revise the course and resubmit for additional Course Review and certification consideration. Resubmitted courses will be reviewed after all submitted courses have undergone an initial review. Courses approved will be certified for a five-year period. After which, Course Providers must apply for renewal. Certified courses will be identified as such and have their course review ratings published in the Oklahoma Online Course Catalog available on the OSOCP website. Courses pending review will be identified as such and have the date of their scheduled review published in the Oklahoma Online Course Catalog.

777:15-1-7. Certified courses remaining in good standing

(a) To remain in good standing and have a course(s) continuously listed in the Oklahoma Online Course Catalog through the entirety of the approval period, Course Providers agree to:

- (1) Maintain their vendor status.
- (2) Notify the SVCSB of any additions, deletions or changes to certified courses by completing the online form located on the OSOCP website.
- (3) Serve all enrolled students, regardless of number enrolled in a section so that Receiver Districts have reliable course options for students.
- (4) Provide online instructors who are 1) certified in Oklahoma or another state to teach in the content area of the course offered; or 2) a faculty member at an accredited institution of higher education, possessing the specific content expertise necessary to teach the course. Additionally, the Course Provider shall supply certification or applicable credentialing documentation to the SVCSB as part of the course review process and within ten (10) working days upon the hire of any new instructors for any certified course. The Course Provider shall be responsible for such obligation regardless of whether instructors are employees of the Course Provider, independent contractors, or employees of a third-party course vendor. Course Providers shall take all steps necessary to verify the qualifications of non-employee instructors.
- (5) Notify SVCSB in writing within ten (10) working days if for any reason an online instructor no longer meets the requirements to teach a course offered. The name and credentials of the replacement instructor must also be provided at that time.
- (6) Refer only to courses currently certified and listed in the Oklahoma Online Course Catalog as "Statewide Virtual Charter School Board approved."
- (7) Own, secure, and/or maintain licensure and copyright for all courses offered in the Oklahoma Online Course Catalog.
- (8) Maintain a current course syllabus including key information such as examinations requiring proctoring and other supporting information (see syllabus requirements in Course Review Requirements).
- (9) Course Providers of Advanced Placement (AP) courses must provide evidence annually of AP Authorization Renewal.
- (10) Refrain from significantly modifying or changing courses without prior notice and approval from the SVCSB. Course Providers shall provide written notice of any planned modification in sufficient detail for SVCSB Course Reviewers to determine whether the course continues to satisfy all requirements. Failure to obtain written approval may result in removal of the course from the approved catalog.
- (11) Ensure that each certified course is maintained throughout the duration that the course is offered and continues to meet the current academic standards approved by the State of Oklahoma; the International Association for K-12 Online Learning (iNACOL) National Standards

Permanent Final Adoptions

for Quality Online Courses; and Oklahoma's Information Technology Accessibility Standards.

(12) Employ the appropriate course title and subject code as established by the Oklahoma State Department of Education's approved Subject Codes for the appropriate academic year for the purpose of data collection.

(13) Report aggregate student success data to the SVCSB in the requested format and by the timeline set. The SVCSB does not collect individual student information. By August 1 of each year, the Course Provider will report the following aggregate student success data to the SVCSB:

- (A) Total number of unique Oklahoma students;
- (B) Total number of courses taken by Oklahoma students;
- (C) Number of students in each course (both over-all number and Oklahoma students); and
- (D) Successful completion rate (number and percent) of each course (i.e. X#/60% of students enrolled in X successfully completed the course). Include both overall rates and Oklahoma-specific rates.

(b) Course providers will be notified if a course(s) is found to be noncompliant and will have fifteen (15) business days after notification to bring the course(s) into compliance. If the course(s) is still noncompliant at the end of this period, the course certification will be revoked and the course will be removed from the Oklahoma Online Course Catalog.

777:15-1-8. Process for course certification renewal

Courses that remain in good standing are certified for a period of five years. Course Providers may apply for renewal of their course certification six months prior to the completion of the course approval period. Course Providers will notify the SVCSB of their intent to apply for renewal by submitting all documents listed in the Course Review Requirements. Course Providers who have maintained their "good standing" status throughout the course approval period will have their courses reviewed and considered for certification following a similar procedure as their initial Course Review and Certification Process. Aggregate student success data will be considered in renewal decisions. Additionally, the SVCSB may survey districts to collect satisfaction data and those data may also be considered in renewal decisions. Course Providers who have not maintained a "good standing" status must provide documentation explaining the lapse in "good standing" status and the protocols that are in place to prevent such a lapse in the future.

777:15-1-9. SVCSB responsibilities

The SVCSB shall:

- (1) Ensure that all courses listed in the Oklahoma Online Course Catalog are reviewed according to the stated requirements.
- (2) Notify the Course Providers of changes in current academic standards approved by the State of Oklahoma; the International Association for K-12 Online Learning (iNACOL) National Standards for Quality Online

Courses; and Oklahoma's Information Technology Accessibility Standards, or other standards that prompt the need for course revisions. Such notification is a courtesy and does not negate the responsibility of the Course Providers to maintain currency with regard to these standards.

(3) Maintain accurate information in the Oklahoma Online Course Catalog.

GIST/ANALYSIS:

The proposed rule amendments corrects errors in format, punctuation, capitalization and grammar. It also updates information to match current terminology. Additionally, proposed rule amendments delete language and roles that are no longer in effect due to agency reorganization. This rule amendment provides clarification needed to describe the change in program names and how instructions will be disseminated for reporting. Through reorganization, the Information Commons division has been absorbed and services to state staff and field staff are provided differently.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 3. STATE TECHNICAL ASSISTANCE, SUPERVISION, AND SERVICES

780:10-3-2. Career guidance and counseling, career information, disability services, integrated academics, innovation support services, essential skills and career development

(a) **Career guidance to technology centers.** The Department shall provide coordination and leadership for career guidance and counseling to technology centers and other entities whose primary purpose is the delivery of career guidance and counseling. Technology center districts shall have an identifiable guidance program in place, implemented and administered by an adequate number of credentialed staff and coordinated by staff with experience in delivering or supervising student services that addresses the career development needs of all students. Technology centers shall provide all students with information and advisement about career and educational options, administer assessment instruments such as interest inventories, aptitude tests, and achievement tests or acquire the results of such assessments prior to enrollment to provide career guidance, and provide support for students to help them be successful in their career pathway.

(b) **Career Information.** The Department shall provide technical assistance to schools, institutions, and agencies for career development software and career information materials.

(c) **Financial Aid Services.** The Department shall represent the Oklahoma career and technical education system by performing a liaison function with the Federal Student Financial Aid Office (SEFA) (FSA) of the US Department of Education. As such, the Department will determine the in-service needs of technology center financial aid personnel and arrange for knowledgeable individuals, from SEAFSA or other professional organizations, to conduct workshops and training sessions. The purpose of these in-service opportunities is to strengthen financial aid programs at technology centers ensuring adherence to current state and federal regulations governing the administration of financial aid programs. The Oklahoma Department of Career and Technology Education shall collect relevant statistical data related to financial aid activities at technology centers and report this information where appropriate. The Oklahoma Department of Career and Technology Education shall also administer the Oklahoma GI Bill program that provides tuition assistance to qualified Vietnam-era veterans.

~~(d) **Innovation Support Services.** The Department shall provide support for the alignment of Oklahoma education innovation and improvement initiatives through the services of the Innovation Support Services Liaisons. The Innovative~~

~~Support Services Liaisons shall provide technical assistance and services focused on the High Schools That Work ten key practices, guidance and instruction for improved student achievement along with leadership from the Technology Center Services Division to create a culture of high expectations to local education agencies and/or technology centers for school improvement with raised student achievement. The ISS Division/Liaisons shall accomplish its purpose by providing:~~

- ~~(1) Support for education innovation.~~
- ~~(2) Lead and participate in technical assistance visits and provide technical review visits with follow up.~~
- ~~(3) Assist in locating and using resources and materials.~~
- ~~(4) Provide guidance for implementing career pathways, plans of study, improved instruction, and services supported by the Oklahoma Department of Career and Technology Education.~~
- ~~(5) ISS Liaisons shall serve local education agencies designated by the Oklahoma Department of Career and Technology Education. The local education agency shall request the assistance and shall designate a local administrator, counselor, or instructor to coordinate the services to be delivered.~~

~~(ed) **Disabilities services.** The Department shall coordinate and provide technical assistance to assure appropriate services and accessibility for individuals with disabilities and other members of special populations enrolled in CareerTech instruction at technology centers and at local education agencies. The Department will also provide guidance and assistance for the field to assist students with transition from high school to a technology center as well as transition from technology centers to postsecondary education and/or work.~~

~~(fe) **Integrated academics and essential skills.** The Department shall coordinate developmental activities and provide technical assistance to technology centers, comprehensive school programs and skills centers for education enhancement, career assessment, and employability skills development.~~

780:10-3-4. Information Commons [REVOKED]

~~(a) **Objectives.** The Information Commons shall be responsible for the following activities:~~

- ~~(1) Providing current career and technology education materials and services designed to meet the informational requirements of Department personnel and CareerTech educators in the state of Oklahoma; and,~~
- ~~(2) Providing assistance to persons doing research in the field of CareerTech education.~~

~~(b) **Services.** The Information Commons shall accomplish its objectives by providing the following services:~~

- ~~(1) Searches of the Information Commons collection using the on-line database. Searches may be initiated by phone, fax, Internet e-mail, or walk-in requests;~~
- ~~(2) Searching commercial on-line databases and the Internet if needed;~~
- ~~(3) Promoting new acquisitions to CareerTech educators in Oklahoma through a monthly acquisitions list; and,~~
- ~~(4) Utilizing interlibrary loans as need dictates.~~

~~(e) **Circulation.**~~

Permanent Final Adoptions

- (1) **Patrons.** The Information Commons shall circulate materials primarily to Department personnel, career and technology faculty, and students at any Oklahoma college or university, and to *CareerTech* educators in Oklahoma.
- (2) **Researchers.** Materials may be circulated to persons doing research in the field of career and technology education, subject to recall if needed by Department personnel.
- (3) **Circulation periods for printed materials.**
- (A) **One-month circulation; renewals.** Printed materials, except high demand materials, shall be circulated for one month and may be renewed in written or verbal form if there are no holds on the materials.
- (B) **High demand materials.** High demand materials will be checked out for a two week period only.
- (C) **Fines; replacement copy charges.** No fines will be charged on late materials, but if materials are lost, a replacement copy charge will be issued to the responsible party. No additional materials will be loaned to that particular party until such previously stated charges are paid, or overdue materials are returned.
- (D) **Interlibrary loan fines.** Materials obtained through interlibrary loans are subject to fines assessed by the lending library. If these materials are returned late, the fines will be the responsibility of the person requesting the interlibrary loan.
- (d) **Gifts.** The Information Commons may accept gifts of materials. Upon acceptance, these materials become property of the Information Commons and will be evaluated according to the Information Commons's selection criteria and then added or disposed of accordingly.
- (e) **Collection development.**
- (1) **Selection.** Materials are considered for purchase on requests and recommendations from the Oklahoma Department of Career and Technology Education staff, from catalogs and advertisements of publishers, and from professionally prepared selection aids. Criteria for selection of materials for purchase are considered on the basis of the subject matter with emphasis on career and technology education, the reputation of the author/artist/publisher, the publication year, and the price. The Information Commons tries to accommodate all requests for job related materials from the staff, but it has the responsibility of adhering to the budget restraints of the Department. Some requests may be evaluated by the Information Commons staff and determined to be too expensive or unrelated to vocational education or *CareerTech* education and will not be purchased.
- (2) **Weeding.** Materials on Oklahoma career and technology education will be retained indefinitely in the "Historical Collection." All other materials in the Information Commons collection will be reviewed on an ongoing basis according to age, space, usage, and relevance. If the items

have not been checked out in the last year or if technological changes have rendered the items obsolete, they will be evaluated and may be discarded.

SUBCHAPTER 5. FINANCE

780:10-5-4. Instructional funding

- (a) **Secondary and full-time adult career majors in technology centers.**
- (1) **Formula payments.** The State Board will fund a portion of the cost of instruction and services in accordance with an approved technology center funding formula. The Department shall consider enrollment, number of school sites in the district, number of instructors employed on a full-time basis, transportation, availability of funds, provision of appropriate student services for all students and appropriate state and federal laws in developing the annual technology center funding budget.
- (2) **Formula adjustment.** The failure of a technology center to meet minimum standards may result in an adjustment of the funding.
- (b) **Secondary programs in comprehensive schools.**
- (1) **Budgets.** The State Board will assist local districts in providing for excess costs of *CareerTech* programs. The Department shall prepare budgets to be approved annually based upon availability of funds and appropriate state and federal laws.
- (2) **Program assistance monies.** All approved *CareerTech* programs shall receive the program assistance monies annually. Pending availability of funds. These monies shall be used to support the additional costs of the *CareerTech* program limited to the purchase of equipment, instructional delivery and supplies, and staff development.
- (3) **Equipment matching funds.** New *CareerTech* programs will receive equipment matching funds in the first year of operation, if funding is available. If funding is available, matching funds will be provided to existing programs.
- (4) **Location of equipment.** Any program equipment purchased with state or federal funds shall remain in the program area for which it is intended.
- (5) **~~CareerTech teacher contracts.~~** ~~*CareerTech* teacher contracts shall be a minimum of 10 months and shall begin on or before August 1 of each year.~~
- (6) **Teacher salary supplement.** The Department shall determine annually the amount to reimburse each school district to augment the salary of each teacher of a 10 month *CareerTech* program in a comprehensive school. Teachers are required to attend summer conference and other required teacher professional development per division to receive teacher salary supplement and program assistance.
- (7) **Additional salary.** In those programs where the instructor is employed and approved by the State Board beyond 10 calendar months, the additional salary will be calculated on the basis of 1/10 of the base salary as prescribed by the school district for an instructor of like qualifications

~~employed on a 10-month basis. The career and technology instructor's summer pay is to be calculated on the local school base schedule (including increments and any flat raises provided by the legislature over and above the minimum salary and increments) for instructors of like qualifications. Agriculture Education programs are on a 12-month contract, the department shall determine annually the amount to reimburse each district to augment the salary of each agriculture education 12-month contract teacher.~~

~~(87) Part-time programs. In order to receive 100 percent funding, a program must be full-time. Any exceptions to the offering of a full-time program shall constitute a reduction in funding of 50 percent. Approved funded programs may not fall below half-time and 50% funding.~~

(c) **TechConnect Plus.** Reimbursement for approved Tech-Connect Plus programs shall include incentive assistance and teacher salary supplement in the same manner as with other comprehensive school programs. The program assistance (state) funds are provided to meet the minimum program operation requirements. Federal career and technology (vocational) education funds and/or local funds may be used to meet the program operation recommendations.

(d) **Business and Industry Services.** The Department shall reimburse Business and Industry Services initiatives based on the availability of funds and approved by the Business and Industry Services Division.

(e) **Skills Centers programs.** The Department shall fund Skills Centers programs based on the availability of funds.

(f) **Postsecondary institutions-collegiate.** Funds shall be allocated to postsecondary institutions as set forth in agreements between the State Board and the Oklahoma State Regents for Higher Education or as mandated by P.L. 101-392.

(g) **Apprenticeship.** Local education agencies conducting apprenticeship-related training shall qualify for reimbursement at a rate approved by the Department.

(h) **Work-site learning.** Approved work-site learning activities shall meet the standards established by the Department. Reimbursement shall be based on availability of funds and approval by the Department.

(i) **Reduction in instruction and/or student services due to changes in funding.** The Oklahoma Department of Career and Technology Education may also recommend reduction in instruction and/or student services based upon loss of funding, lack of funding, revenue shortfalls or other changes in funding. The rules dealing with probationary status and reevaluation shall not apply to instruction being considered for closure based upon changes in funding. The State Board shall make the determination for reduction in instruction and/or student services based on economic factors, need, duplication, school to industry articulation, school to postsecondary articulation, student demand, student placement, student completion/retention, performance measures and/or standards and the decision of the Board shall be final.

SUBCHAPTER 7. LOCAL PROGRAMS, CAREER MAJORS OR INSTRUCTIONAL POSITIONS; APPLICATION; STUDENT ACCOUNTING; EVALUATION

780:10-7-2. Student accounting system

(a) **Data collection.**

(1) **Report submissions.** Each local education agency or eligible recipient shall submit student accounting reports by the established due dates as instructed by the Information Management Division ~~in their yearly guidebooks.~~

(2) **Program enrollment data.** Each local education agency or eligible recipient shall submit enrollment information for every student who received CareerTech services during the school year or fiscal year as instructed by the Information Management Division ~~in their yearly guidebooks.~~

(3) **Completion/Follow-Up Report.** Technology centers are required to submit completion data on all students enrolled in ~~full-time program~~ ~~career majors~~. Placement information is required on all students identified as concentrators or ~~program~~ ~~career major~~ completers. Placement data is also required on all twelfth grade enrollees in the comprehensive schools.

(4) **Other Requests for Data.** As federal and state requests for data change, other types of data may be requested from each local education agency or eligible recipient. ~~Guidebooks/instructions~~ Instructions will be provided from the Information Management Division as needed to explain reporting requirements and due dates.

(b) **Data requests.**

(1) **Student data analysis requests.** All requests for student data analysis shall be directed to the Information Management Division. Specialized or very detailed data analysis should be requested at least three weeks prior to the needed date to allow adequate time for computer programming and/or manual data compilation.

(2) **Documentation; non-staff requests.** All information released shall be dated and documented with the date of request, person to whom data is released, and purpose of data's use. Non-staff information requests will be completed within a reasonable time.

(3) **Release of data.** All data requests that require the release of individual identifiable student data to anyone outside the Department must receive prior approval from the State Director. Third parties receiving such data are to protect against re-disclosure of the information.

780:10-7-3. Institutional Standards; accreditation; review

(a) **Quality standards.**

(1) Establishment; funding. As appropriate, quality standards shall be established by the State Board for postsecondary and secondary CareerTech institutions, programs, ~~career majors~~, courses and/or services. These standards shall be comprehensive, reflecting state and

Permanent Final Adoptions

federal mandates as they relate to quality CareerTech education. Funding approval is contingent upon meeting quality standards or making satisfactory progress toward meeting those standards.

- (2) **Standards.** Standards shall include the following:
 - (A) STANDARD I-Leadership and Administration
 - (B) STANDARD II-Instruction and Training
 - (C) STANDARD III-Support Services
 - (D) STANDARD IV-Measurement and Analysis
 - (E) STANDARD V-Personnel
 - (F) STANDARD VI-Operations
 - (G) STANDARD VII-System Impact
- (3) **Revisions.** The standards are revised periodically based upon input from appropriate sources and relevant data regarding factors that influence student learning and the quality of *CareerTech* education. Any such revisions will be taken to the State Board for approval.
- (4) **Dissemination.** The standards will be disseminated to *CareerTech* personnel throughout the state. Evaluation results will be considered in the processes of planning and funding programs.
- (5) **Technical assistance.** The Department staff will provide technical assistance to help CareerTech institutions, programs, courses, ~~career majors~~ and/or services meet the standards established by the State Board and other accrediting agencies.

(b) **Postsecondary accreditation.**

(1) **Approval/accreditation agency.** For the purpose of determining eligibility for federal student aid (FSA) programs administered by the U.S. Department of Education, the Oklahoma State Board of Career and Technology Education is recognized as the authority for the approval of public postsecondary vocational education offered at CareerTech institutions in the state of Oklahoma that are not offered for college credit or under jurisdiction of the Oklahoma State Regents for Higher Education, including the approval of public postsecondary vocational education offered via distance education.

(2) **Adopted procedures.** Schools seeking and maintaining postsecondary approval/accreditation status shall follow the State Board's adopted procedures as prescribed in the publication **Accreditation Guidelines**. This publication shall be made available to interested parties from the Department.

(A) **Self-Study, Onsite Visit, and Monitoring.** Accreditation status is reviewed through monitoring annually. Every five years, a technology center must complete a self-assessment application and examiners must conduct an onsite visit. State agency staff shall visit the institution, as applicable, following the onsite visit review to ensure that the technology center's corrective action plan(s) are being followed. In addition, ODCTE staff will conduct a monitoring visit during year 3 of the accreditation cycle.

(B) **Publication and Reevaluation.** The accreditation status of the education institution must be publicized in an official notification. Technology centers must be reevaluated at least every five years.

(3) **Noncompliance of corrective action plan.** The State Board shall have the authority to assume the administration and supervision of any technology center that after being placed on "Probational Accreditation Status" continues to be in noncompliance of the corrective action plan(s) as approved by the State Board.

780:10-7-3.2. Program standards; accreditation; review

(a) **Quality standards.**

(1) **Establishment; funding.** As appropriate, quality standards shall be established by the State Board for postsecondary and secondary CareerTech programs, ~~career majors~~, courses, and/or services at technology centers related to distance education and competency-based education/direct assessment. These standards shall be comprehensive, reflecting state and federal mandates as they relate to quality CareerTech education. Funding approval is contingent upon meeting quality standards or making satisfactory progress toward meeting those standards.

- (2) **Standards.** Standards shall include the following:
 - (A) STANDARD I Program Integrity
 - (B) STANDARD II Resources and Technology
 - (C) STANDARD III Learning Development, Instruction, and Safety
 - (D) STANDARD IV Skill Attainment, Assessment, and Reporting
 - (E) STANDARD V Student Support and Services
 - (F) STANDARD VI Marketing and Recruitment
 - (G) STANDARD VII Student Engagement and Satisfaction
 - (H) STANDARD VIII Program Effectiveness and Improvement

(3) **Revisions.** The standards are revised periodically based upon input from appropriate sources and relevant data regarding factors that influence student learning and the quality of *CareerTech* education. Any such revisions will be taken to the State Board for approval.

(4) **Dissemination.** The standards will be disseminated to *CareerTech* personnel throughout the state. Evaluation results will be considered in the processes of planning and funding programs.

(b) **Postsecondary accreditation.**

(1) **Approval/accreditation agency.** For the purpose of determining eligibility for federal student aid (FSA) programs administered by the U.S. Department of Education, the Oklahoma State Board of Career and Technology Education is recognized as the authority for the approval of public postsecondary vocational education offered at *CareerTech* institutions in the state of Oklahoma that are not under jurisdiction of the Oklahoma State Regents for Higher Education, including the approval of public postsecondary vocational education offered via distance education.

(2) **Adopted procedures.** Schools seeking and maintaining postsecondary approval/accreditation status shall follow the State Board's adopted procedures as prescribed

in the publication **Accreditation Guidelines**. This publication shall be made available to interested parties from the Department.

(3) **Program Evaluation and Improvement.** Each instructor shall annually review the progress of the program or career major based on the accountability measures developed as required by P. L. 109-270, as amended, which include:

- (A) Student attainment of challenging State established academic and technical skill proficiencies.
- (B) Student attainment of a secondary school diploma or its recognized equivalent, a proficiency credential in conjunction with a secondary school diploma, or a postsecondary degree or credential.
- (C) Placement in, retention in, and completion of postsecondary education or advanced training, placement in military service, or placement or retention in employment.
- (D) Student participation in and completion of career and technology (vocational and technical) education programs or career majors that lead to non-traditional training and employment.

(4) **Monitoring.** Programs, courses or career majors not meeting quality standards will be monitored on an annual basis. If a technology center, skills center or comprehensive school has programs, ~~career majors~~, courses and/or services not meeting evaluation standards, an annual status report addressing completed and/or pending corrective actions will be submitted to the appropriate agency personnel for review. Appropriate agency personnel will notify the school in writing whether the status report was approved or disapproved.

(c) **Secondary evaluation.** Substandard secondary *CareerTech* education programs or career majors shall be formally evaluated, utilizing quality standards, as adopted by the State Board.

(d) **Review of substandard programs or career majors.**

(1) **Probationary status.** A *CareerTech* program or career major may be placed on a probationary status if:

- (A) The program or career major fails to meet standards and the deficiencies are documented in writing as a result of a visit or a team evaluation, and/or
- (B) The program or career major does not meet the specifications as outlined in the **Rules for Career and Technology Education**.

(2) **Written notification.** Written notification of probationary status that identifies the deficiencies and outlines recommended steps for improvement shall be given to the school administration.

(3) **Reevaluation.** A program or a career major on probationary status shall be reevaluated within one year.

- (A) **Removal of probation.** If the documented deficiencies have been corrected upon reevaluation, the probationary status shall be removed.
- (B) **Reevaluation failure.** If the program in a comprehensive school has failed to make improvement on documented deficiencies upon reevaluation, a report shall be made in writing to the appropriate

agency staff and the program may be recommended for closure or reduction in funding for the following school year. If the career major in a technology center has failed to make improvement on documented deficiencies upon reevaluation, a report shall be made in writing to the appropriate agency personnel.

(i) **Written notification; appeal.** The appropriate agency personnel will notify, in writing, the superintendent of the comprehensive school in which the program, instructional position or career major is located that the Department is recommending closure or reduction in funding for the program or career major for the following school year. An appeal process will be included for those superintendents who can show evidence of projected program or career major improvement. The appropriate agency personnel will notify, in writing, the superintendent of the technology center in which the career major is located that the Department is recommending a reduction in funding for the instructional position for the following school year. An appeal process will be included for those superintendents who can show evidence of projected program or career major improvement.

(ii) **Recommended program and/or career major closures.** The appropriate agency personnel will make a presentation of recommended program closures, if any, in comprehensive schools for State Board approval at the designated board meeting. The appropriate agency personnel will make a presentation of recommended career major closures, if any, in technology centers for State Board approval at the designated board meeting.

(e) **Evaluation of recipients receiving federal funds.** Programs or career majors of eligible recipients receiving federal funds under P. L. 109-270, as amended, shall be evaluated annually. Such contracts and agreements shall be in accordance with state and federal laws.

[OAR Docket #17-514; filed 6-23-17]

**TITLE 780. OKLAHOMA DEPARTMENT OF CAREER AND TECHNOLOGY EDUCATION
CHAPTER 20. PROGRAMS AND SERVICES**

[OAR Docket #17-515]

RULEMAKING ACTION:
PERMANENT final adoption

- RULES:**
- Subchapter 3. Secondary, Full-Time and Short-Term Adult CareerTech Programs
780:20-3-2 [AMENDED]
780:20-3-4 [AMENDED]
780:20-3-5 [AMENDED]
 - Subchapter 5. Programs, Services, and Activities Funded Through P.L. 105-332 Carl D. Perkins Vocational and Technical Education Act of 1998, as Amended by P.L. 109-270

INCORPORATIONS BY REFERENCE:

n/a

GIST/ANALYSIS:

The rule amendment clarifies the approval of comprehensive school programs that operate on block schedules and trimesters. It also deletes an outdated section on mixing levels of courses within the same class period and correction to grammatical errors. Proposed rule amendment reflects the name change to family and consumer sciences content and program. Additionally, this proposed rule amendment reflects the change to teacher certification requirements for certain Science, Technology, Engineering and Math areas and would allow the option for STEM students to participate in the Business Professionals of America student organization if it fits within their occupational program. Also, this proposed rule amendment clarifies language for roles that were changed in the reorganization of the agency.

CONTACT PERSON:

Marie Saatkamp, Human Resources Specialist, Oklahoma Department of CareerTech, 1500 W. Seventh Ave., Stillwater, OK 74074, 405-743-5455, marie.saatkamp@careertech.ok.gov

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 3. SECONDARY, FULL-TIME AND SHORT-TERM ADULT CAREERTECH PROGRAMS

780:20-3-2. Programs: admissions, operations, enrollment, and length

(a) **Nondiscrimination; admission guidelines.** Students shall be provided access to CareerTech programs and facilities without regard to race, color, national origin, sex, or disability.

(1) **Agricultural Education.** Agricultural Education programs are designed for junior high and high school grades eight through twelve and shall be provided by comprehensive school districts. Technology center school districts shall be prohibited from operating Agricultural Education programs or FFA chapters in any location. Each student enrolled in an agricultural education program shall participate in a supervised agricultural experience project.

For each agricultural education program which is funded by the Oklahoma Department of Career and Technology Education, the local school district shall provide transportation services, for the agricultural education program and FFA program related duties and activities. (FFA is an integral part of the agricultural education program.)

(2) **Business, Marketing and Information Technology Education.** Business, Marketing and Information Technology Education programs are designed to prepare junior high and high school students (grades 7 through 12) and adults for pathways to careers in business, marketing and information technology.

(3) **Family and Consumer Sciences Education.**

(A) **Comprehensive Family and Consumer Sciences Education in comprehensive schools.** Family and Consumer Sciences programs are designed for ~~junior high and high school~~ students (grades 6 through 12) to experience hands-on experiential and problem based learning to explore opportunities for careers, post-secondary transitions and pathways in family and consumer sciences related areas.

(B) **Occupational Family and Consumer Sciences Occupational Education.** Occupational Family and Consumer Sciences programs are designed to prepare for high school students in (grades 11 and 12) and/or adults for careers to train or retrain in a specific family and consumer sciences related occupation/occupations.

(4) **Health Careers Education.**

(A) **CareerTech health careers.** Health Careers Education programs are designed to prepare junior high students, high school students and adults for employment in a health career of their choice.

(B) **Requirements for applicants.** Applicants for admission to Health Careers Education programs must meet requirements as set by the individual program, state statutes, and any other requirements of the appropriate licensing or accrediting agency.

(5) **Science Technology Engineering and Mathematics (STEM).** Science Technology Engineering and mathematics programs are designed to prepare students grades 6-12 for hands-on and problem based curriculum that allows students to explore opportunities in Science, Technology, Engineering and Mathematics and prepares students for post-secondary transition and pathways for careers in STEM.

(6) **Trade and Industrial Education/TechConnect Plus.** Trade and Industrial Education programs in comprehensive schools are designed for students in grades 10 through 12. TechConnect Plus programs are designed for 11th and 12th grade students when access to advanced career and technology programs are not available or special needs are identified. Schools must apply with the appropriate division for approval of a TechConnect Plus program. Trade and Industrial Education programs in technology centers are designed for students in grades 11 and 12 and/or adults. In technology center programs, tenth-grade students, or over-age students in a grade lower

than the eleventh, may be enrolled upon approval of the sending school.

(b) **Program operations.**

(1) **Recommendation for program approval.** The appropriate CareerTech program administrator shall recommend approval of a program when criteria for the approval of new programs are met and funds are available.

(2) **Program composition.** Programs shall offer hands-on experience or supervised occupational experiences in the laboratory or clinical setting as well as classroom instruction to provide opportunities for students to achieve career objectives.

(3) **Course titles.** CareerTech course offerings must be in agreement with the course titles listed in the current **Standards for Accreditation of Oklahoma Schools**, published by the State Department of Education. These same course titles (or abbreviated titles) should be the class titles entered on the student's transcript.

(4) **Units of credit.** The units of credit shall be determined by the number of periods the student is in class plus on-the-job training, clinical training, or internship served. (Refer to the **Standards for Accreditation of Oklahoma Schools**.)

(5) **Full-time programs.** A full-time program in a comprehensive school shall consist of five CareerTech instruction class periods and one planning period for a six-period day, and six CareerTech instruction class periods and one planning period for a seven-period day. Exceptions to this rule shall include the following:

(A) **Two planning periods.** Teachers who supervise students' agricultural experience programs shall have a minimum of two periods to plan, supervise, and coordinate the activities of student learners (see 780:20-3-1(e) and 780:20-3-2(b)(7)(A)). For schools on non-traditional schedules, teachers shall have the equivalent of a minimum of 90 minutes per day for planning and supervision of students. It is recommended that the last hour of the school day be utilized as one of the planning periods. Schools offering Agricultural Education courses the final period of the day must provide a written explanation to the program administrator.

(B) **Teaching of related courses.** Full-time program teachers of Marketing Education, Career Transitions Education, and TechConnect Plus may be allowed to teach one related course, subject to the approval of the appropriate ODCTE state program administrator.

(C) **Trade and Industrial Education/TechConnect Plus.** Two three-hour block courses shall constitute a full-time program in Trade and Industrial Education in a Technology Center. Three two-hour block courses or six one-hour block courses or any combination thereof shall constitute a full-time program in a TechConnect Plus program in a seven period day at a comprehensive school.

(D) **Marketing Education.** Full-time Marketing Education teachers may be allowed to teach one

related course (excluding internship, cooperative learning, or job out courses and if the school is on a standard six- or seven-period teaching day), subject to the approval of the Business, Marketing and Information Technology Education state program administrator.

(E) **Health Careers Education.** Teachers of Health Careers may be allowed to teach one or two related courses with at least one conference period (if the school is on a standard six or seven-period teaching day), subject to the approval of the Health Careers Education program administrator.

(F) **Science Technology Engineering and Mathematics.** Teachers of Science Technology Engineering and Mathematics may be allowed to teach one related course, subject to approval of the appropriate cluster administrator. Science and Math courses listed in the STEM Career Major can be counted as a STEM course, not a related course, with the approval of the cluster administrator.

(6) **Adult Training and Development.** Adult Training and Development (short-term adult) programs in comprehensive schools may be organized under the supervision of the CareerTech teacher and must be occupationally specific. These programs are organized on request or as the need indicates. They may vary in length.

(7) **Program operations by occupational division.**

(A) **Agricultural Education.**

(i) **Secondary programs.** The agricultural education instructor is a full-time, 12-month employee and shall teach only approved agricultural education courses. Agricultural education instructor shall have no other extra curricular duties or responsibilities other than those required through the FFA student organization and normal school supervisory duties. Coaching, administration, or other similar full-time duties will not be approved. In the case of a non-funded agriculture education program, the program must follow state policy and guidelines to remain in good standing and be able to utilize the CareerTech student organization, FFA.

(ii) **Summer program.** The agricultural education instructor shall formulate a summer program of work and a calendar of activities, which are to be submitted to the local education agency at the completion of the school year.

(iii) **Activities.** Summer activities shall include supervision of students' activities; educational field days and tours; in-service and professional development activities; and, working with adults, agricultural organizations, and industries.

(iv) **Summer leave.** Agricultural Education teachers are entitled to two weeks of summer leave. In lieu of these two weeks of vacation, three weeks each year may be allowed for professional improvement. Summer leave should be coordinated with the local administration. If there is a

Permanent Final Adoptions

question in regard to summer leave, the program administrator should be contacted for approval.

(v) **Full-time adult programs.** Full-time adult Agricultural Business Management programs vary in length and are designated for and intended to meet the needs of adults engaged in agriculture and agricultural business operations.

(B) Business, Marketing and Information Technology Education.

(i) **Full-time programs in comprehensive schools.** A full-time program in a comprehensive school shall consist of five instructional class periods (five credits) and one planning period for a six-period day or six instructional class periods (six credits) and one planning period for a seven-period day that is offered to students in grades 7 through 12. Block schedules, including trimesters, will be approved if they provide one full unit/credit per course and offer a full schedule of approved courses with one planning period. Instructors shall teach only approved business, marketing and information technology education courses that are aligned with an approved occupational outcome. Nine week and semester rotation courses are not approved for Business and Information Technology Education programs, but are approved for select Marketing Education courses. Business, Marketing and Information Technology Education instructors shall have no other extracurricular duties or responsibilities other than those required through the BPA or DECA student organizations and normal school supervisory duties. Non-funded Business, Marketing and Information Technology Education programs must follow state policies and guidelines and maintain an active BPA or DECA student organization chapter in order to remain in good standing.

(ii) **Full-time programs in technology centers.** A full-time program in a technology center shall consist of two three-hour block periods of instruction for students in grades 10 through 12 and adults and should have an occupational outcome that includes a work-based learning component. Any exceptions must be approved in writing by the ~~of Business, Marketing and Information Technology Education~~ state program administrator.

~~(iii) **Course levels.** Comprehensive school Business, Marketing and Information Technology Education programs shall not mix levels of courses in the same period without written permission from the State Department of Education. This written permission does not ensure programs are meeting Oklahoma Department of Career and Technology Education standards.~~

~~(iv) **Technology/equipment.** Business, Marketing and Information Technology Education~~

programs shall provide technology that is appropriate for the defined occupational objectives and is reflective of a modern business environment. A written plan integrating curriculum, training materials, and technology shall be maintained to guide program development and maintain relevance to the marketplace.

~~(v) **Part-time comprehensive school programs.** Comprehensive school Business, Marketing and Information Technology Education programs that are less than full-time will be funded as a half-time program and will be approved only through the permission of the state program administrator. A part-time program shall include a minimum of three approved business, marketing or information technology education courses with one planning period.~~

(C) Comprehensive Family and Consumer Sciences Education in comprehensive schools.

(i) **Full-time programs.** A full-time program shall consist of at least ~~two~~ three levels of family and consumer sciences classes with one ~~or more~~ conference period in the daily schedule, and the instructor shall teach only approved family and consumer sciences courses. Block schedules, including trimesters, will be approved if they provide one full unit/credit per course and offer a full schedule of approved courses with one planning period. Family and consumer sciences instructors shall have no other extra curricular duties or responsibilities other than those required through the FCCLA student organization and normal school supervisory duties. Each single teacher program shall offer at least two complete programs of study in a three-year period. A multi-teacher district shall offer one more program or study than the number of teachers per building. Coaching, administration, or other similar full-time duties will not be approved.

(ii) **Part-time programs.** Programs that are less than full-time will be funded as a half-time program and will be approved only through permission of the program administrator. A part-time program shall include a minimum of two family and consumer sciences classes and a conference period for a six period day and three family and consumer sciences classes and a conference period for a seven or eight period day.

(iii) **Course coordination.** Comprehensive school Family and Consumer Sciences Education programs shall not mix levels of courses in the same class period without written permission from the State Department of Education. This written permission does not ensure programs are meeting Oklahoma Department of Career and Technology Education standards.

(iv) **Unfunded programs.** In the case of a non-funded family and consumer sciences program, the

program must follow state policy and guidelines to remain in good standing.

(D) **Occupational Family and Consumer Sciences Occupational Education.**

(i) **Full-time occupational programs in comprehensive schools.** A full-time occupational family and consumer sciences related occupational education program in the comprehensive school will include two or more classes, two to three periods in length for 11th- and 12th-grade students.

(ii) **Full-time occupational programs in technology centers.** A full-time occupational family and consumer sciences related occupational education program in a technology center will include two classes, three periods in length for 11th- and 12th-grade students and adults.

(iii) **Length; order.** Two years of occupational training may be offered. No student shall be enrolled in Occupational Training II until Occupational Training I has been successfully completed.

(E) **Health Careers Education.**

(i) **Comprehensive Schools.** Programs in 7th, 8th, and 9th grade or high schools vary in length and may be offered in one, two or three blocks of time. Secondary programs in technology centers may be one or two academic years in length and vary in hours per day.

(ii) **Technology Centers.** Programs vary in length and in hours per day according to accrediting bodies and career major requirements.

(F) **Science, Technology, Engineering and Mathematics.**

(i) **Biomedical Science and Medicine.** The following courses are required to be taught: Principles of Biomedical Sciences (PBS), Human Body Systems (HBS), Medical Interventions (MI), Biomedical Innovations (BI), in addition to the appropriate science and math courses. Technology centers and high schools are required to administer each biomedical end of course test if applicable, preferably by a proctor and/or testing liaison.

(ii) **Biotechnology.** The following courses are required to be taught: Survey of Biotechnology, Biotechnology I, Biotechnology II, Advanced Biotechnology I, Advanced Biotechnology II and Biotechnology Capstone in addition to the appropriate math and science courses. Other biotechnology courses and career majors may be approved by STEM division of ODCTE.

(iii) **Computer Science.** The following courses are suggested to be taught in order for an ODCTE computer science career major Computer Science and Software Engineering, Computer Science Applications, Capstone Course: Computational Problem Solving, in addition to the appropriate math and science courses.

(iv) **Gateway to Technology.** This program is designed for grades 6-8 primarily and 5th grade

with state program administrator written approval. The following classes are required to be taught in order for an ODCTE Gateway to Technology: Design & Modeling, Automation & Robotics and at least one other GTT course approved by the state program administrator.

(v) **Pre-Engineering.** A minimum of three pre-engineering courses required. Foundation courses required are Introduction to Engineering Design (IED) and Principles of Engineering (POE). In addition to at least one specialty course preferably Engineering Design and Development (EDD)/capstone course. Appropriate math and science courses must be offered. Technology Centers and high schools are required to administer each pre-engineering end of course test if applicable, preferably by a proctor and/or testing liaison.

(vi) **Technology Engineering Middle School (grades 6-8):** This program is designed for grades 6-8 primarily and 5th grade with state program administrator written approval.

(vii) **Technology Engineering High School (grades 9-12):** The technology engineering courses are designed for 9-12 grades.

(viii) **Tech Connect High School (grades 9-10):** The appropriate approved courses need to be taught from one of the following career pathways: Tech Connect Agriculture, Food and Natural Resources; Tech Connect Architecture & Construction; Tech Connect Arts; A/V Technology and Communications; Tech Connect Information Technology; Tech Connect Law, Public Safety and Security; Tech Connect Manufacturing; Tech Connect Transportation, Distribution and Logistics; Tech Connect Science, Technology, Engineering and Mathematics; Tech Connect Diversified Programs.

(ix) **Trade and Industrial Education.** All secondary trade and industrial education students in Technology Centers shall be enrolled for three consecutive periods daily, five days a week. Secondary TechConnect Plus students in comprehensive high schools may be enrolled for one period daily, five days a week. Adult trade and industrial education students may enroll for one-half day (three periods) or a full day (six periods). The Program Administrator of Trade and Industrial Education must approve any exceptions in writing.

(x) **Integrated Academics.** Academics taught in the technology center shall be delivered in the context of the program in which each student is enrolled. If academic instruction is offered for credit through the sending school, it shall be structured so as to meet current legislation and State Department of Education guidelines. Students must meet, within the structure of the academic class, the attendance requirements of their comprehensive schools in order to receive

Permanent Final Adoptions

academic credit. Further, the legislated limit of 10 days of absence from the academic class for school-related activities applies.

(c) **Enrollment for full-time programs.**

(1) **Guidelines compliance.** Program enrollments shall comply with the established guidelines of the appropriate occupational division. Exceptions must have written approval by the appropriate program administrator prior to the second week of class. Consideration shall be given to the availability of work stations, clinical experiences and individual student needs.

(2) **Enrollments specific to occupational divisions and programs.**

(A) **Agricultural Education.**

(i) **Student enrollment limits.** If a department has adequate space, equipment, and laboratory sites, a maximum of 25 students may be enrolled in each agricultural education class with the exception of lab classes, such as Horticulture and Ag Mechanics, and they shall be limited to 15 per class. Exceptions to these numbers must have written approval by the appropriate program administrator.

(ii) **Maximum class enrollment.** The maximum enrollment in each agricultural mechanics and horticulture class shall be 15 students per class period.

(iii) **Course prerequisite.** Introduction to Agricultural Science is the prerequisite for all other agricultural education courses with the exception of eighth-grade Agricultural Orientation.

(iv) **Employment in Agribusiness.** The Agricultural Education course, Employment in Agribusiness, is considered a Cooperative Program in which students can earn scholastic credit if the course meets all requirements listed under section (780:20-3-1 section e). It must be taught and supervised by the agricultural education instructor. Note: The work-site experience must be directly related to the curriculum offered in the program.

(B) **Business, Marketing and Information Technology Education.**

(i) **Programs in comprehensive schools.** Business, Marketing and Information Technology Education courses may enroll a maximum of 25 students at a ratio of one work station per student. A maximum of 25 students per teacher-coordinator shall be enrolled in a capstone course or Marketing Education cooperative learning course. Only one section of cooperative learning will be allowed per program. Students enrolling in cooperative learning in a Marketing Education program must have completed a minimum of 120 hours of approved marketing education coursework.

(ii) **Programs in technology centers.** Business, Marketing and Information Technology Education courses may enroll a maximum of 25 students at a ratio of one work station per student.

(iii) **Part-time program enrollment.** The maximum number of cooperative students in a half-time program in a comprehensive school is 25 per marketing teacher-coordinator. Only one section of cooperative learning will be allowed per program. Students enrolling in cooperative learning in a Marketing Education program must have completed a minimum of 120 hours of approved marketing education coursework.

(C) **Family and Consumer Sciences Education.**

(i) **Comprehensive Family and Consumer Sciences programs in comprehensive schools.** If a department has adequate space, equipment and laboratory sites, maximum enrollment for the following courses shall be: ~~(Not all class offerings are listed, but those not listed have enrollment determinatives in common with one of the courses listed.)~~

~~(I) Personal Development, Teen Living, and Life Management 20 Students~~

~~(II) Family and Consumer Sciences I and II 20 Students~~

~~(III) Hospitality—Careers—Orientation, Career Orientation, and Adult and Family Living 25 Students~~

~~(IV) Non-laboratory 60—hour courses—2530 Students students~~

~~(V) Laboratory 60—hour courses—2424 students~~

(ii) **Occupational Family and Consumer Sciences Occupational Education.** A minimum of 10 and a maximum of 20 students shall be enrolled in each section of occupational family and consumer sciences ~~related occupational~~ education.

(D) **Health Careers Education.**

(i) **Comprehensive Schools.** A minimum of ten and a maximum of eighteen students shall be enrolled in each course/section of a comprehensive school health careers education program.

(ii) **Technology Centers.**

(I) **Full time high school health careers programs.** A minimum of ten and 8a maximum of eighteen students per instructor shall be enrolled in a Health Careers Education program. Those programs utilizing student-centered learning as the primary method of instruction shall have a maximum of fifteen students per instructor. Program enrollment may also be limited by national and/or state accrediting bodies, by equipment, classroom and/or laboratory facilities and by clinical site availability.

(II) **Full-time adult-only health careers programs.** A minimum of eight and a maximum of twelve students per instructor shall be enrolled in a full-time adult-only Health Careers Education program. Program enrollment may also be limited by national and/or state accrediting bodies, by equipment, classroom

and/or laboratory facilities and by clinical site availability.

(E) Science, Technology, Engineering and Mathematics.

(i) **Student Enrollment Limits.** The maximum enrollment for each period of a STEM program except TechConnect shall be 24 students. The maximum enrollment for each period of TechConnect shall be 20 students. Consideration should be given to the size of the facility. The minimum recommended floor space per student is 60 square feet.

(ii) **Full-time program.** In a six period day, instructor shall teach five approved CareerTech STEM courses and/or one approved related course. In a seven period day, instructor shall teach six approved CareerTech STEM courses and/or one approved related course. In an eight period day, instructor shall teach seven approved CareerTech STEM courses and/or one approved related course.

(F) Trade and Industrial Education and TechConnect Plus.

(i) **Maximum enrollment.** The maximum enrollment for each Trade and Industrial Education, TechConnect Plus program section shall be 20 students, with the exceptions of cosmetology, which may have a maximum of 22 students, and career transitions programs, which may have 50 students per career transitions teacher.

(ii) **Alternate program enrollment.** The Trade and Industrial Education Division shall establish a reduced maximum enrollment for any program not meeting adequate size or layout of teaching facilities, number of training stations, appropriate quality and quantity of tools, and equipment and supplies. Individual student needs, student safety and supervision shall also be considered when determining maximum student enrollment.

(iii) **Inclusion of on-the-job students.** Students involved in on-the-job training shall be included in the maximum enrollment for the program unless each school has an on-the-job training coordinator.

(d) **Length of programs.** CareerTech programs shall be 10 or 12 calendar months as approved by the appropriate program administrator. Exceptions must be approved by the Department.

780:20-3-4. Instructors

(a) **Certification on file.** All CareerTech secondary teachers shall have (on file in the local education agency) an appropriate teaching certificate issued by the Certification Section of the State Department of Education.

(b) **Administrative responsibility.** It shall be the responsibility of school administration to assure that a CareerTech teacher applicant meets CareerTech certification requirements

before placing the applicant under contract. Certification requirements are found in the **Teacher Certification Guide for School Staff Assignments** on the Oklahoma State Department of Education website.

(1) **Occupational division approval.** All CareerTech teachers must have the CareerTech certification application approved by the program administrator in the appropriate occupational division.

(2) **Occupational division renewal of certification.** All CareerTech teachers must complete the specific occupational division's requirements for CareerTech certification renewal and be approved by the appropriate program administrator.

(c) Health Careers Education.

(1) **Faculty requirements.** Faculty shall hold current credentials as a licensed, certified and/or registered health care professional and must meet the requirements of the local education agency, Health Careers Education Division, and the respective accrediting agency.

(A) **Technology Centers: High School Health Careers Programs.** Faculty holding a baccalaureate degree will be required to have additional coursework specific to Career and Technology teacher education. These requirements will be posted on the Health Careers Education website. Faculty shall have a degree plan on file with the Health Careers Education division and provide documentation in the form of transcripts demonstrating yearly progress toward obtaining required coursework.

(B) **Technology Centers: Adult Only Health Careers Programs.** Faculty shall hold a minimum of an Associates' degree or be on a degree plan making yearly progress toward completion. State and national accreditation standards may indicate additional faculty requirements towards advanced degrees. Faculty hired before 2010 will be exempt from this rule.

(2) **On-file applications.** Faculty shall have an application on file in the Health Careers Education office, including a Statement of Qualifications form, all current transcripts and, a copy of professional credential or credential verification, and, if appropriate, current teaching certificate or application for teaching certificate.

(3) **Clinical experience.** Faculty must have a minimum of two years' work experience in a clinical setting within the last five years prior to their first teaching experience. The Health Careers Education Program Manager must approve any variations.

(d) Science Technology Engineering and Mathematics (STEM). Faculty requirements.

(1) **Biomedical Sciences.** Required Certifications: Biology, Chemistry, or Physics

(2) **Biotechnology.** Required Certifications: Biology, Chemistry, or Physics

(3) **Computer Science.** Required Certifications: Computer Science, Advanced Mathematics, Intermediate Mathematics, Physics, or Business Education (with AP Computer Science teaching experience.) This includes Gateway Computer Science courses.

Permanent Final Adoptions

- (4) **Gateway to Technology.** Required Certifications: Appropriate math and/or science meeting State Department of Education's grade level requirements and Technology Engineering ~~or Trade and Industrial Education~~. Teachers teaching at the middle or high school level must hold the appropriate certification to instruct the specific grades being taught. Check State Department of Education current requirements.
- (5) **Pre-Engineering.** Required Certifications: Chemistry, Physics, Advanced Mathematics, or Trade & Industrial.
- (6) **Technology Engineering Middle School.** Appropriate math and/or science meeting State Department of Education's grade level requirements, and Technology Engineering ~~or Trade and Industrial Education~~. Teachers teaching at the middle or high school level must hold the appropriate certification to instruct the specific grades being taught. Check State Department of Education current requirements.
- (7) **Technology Engineering High School.** Required Certifications: Appropriate math and/or science meeting State Department of Education's grade level requirements, Technology Engineering, or Trade and Industrial.
- (8) **Tech Connect.** Required Certifications: Trade & Industrial with demonstration of competencies through appropriate mechanism or Technology Engineering with demonstration of competencies through appropriate mechanism.
- (9) Teachers teaching math and/or science academic courses must meet the requirements of the Oklahoma State Department of Education for that specific academic course/area.
- (e) **Professional development.** New instructors shall participate in preservice professional development activities as required by the appropriate divisions. All secondary and full-time adult *CareerTech* instructors and staff shall participate in professional inservice as required by the appropriate divisions, including summer conference and mid-year activities.

780:20-3-5. Career and Technology Student Organizations

- (a) **Student organizations as an integral part of the CareerTech program.** The Oklahoma Department of Career and Technology Education is the responsible entity for governance and administration of the career and technology student organizations and therefore has the authority to develop and enforce policy of the student organizations consistent with CareerTech program design and operation. Each secondary CareerTech program shall have an active and appropriate student organization as an integral part of its program.
- (b) **Membership in appropriate organization.** Each student who participates in student organization activities shall be a member of the student organization designed for the occupational program in which the student is enrolled.
- (c) **Organizations.** Career and technology student organizations shall include:

- (1) DECA (Business, Marketing and Information Technology Education)
- (2) BPA (Business, Marketing and Information Technology Education and STEM), Business Professionals of America.
- (3) FFA (Agricultural Education)
- (4) FCCLA (Family and Consumer Sciences Education), Family, Career and Community Leaders of America
- (5) HOSA (Health Careers Education and STEM)
- (6) TSA (STEM), Technology Students Association
- (7) SkillsUSA (Trade and Industrial Education and STEM)
- (d) **Accountability; loss of program funding.**
- (1) The school and the career and technology student organization chapter will be held accountable for the actions of the student organization members and the advisor participating in any career and technology student organization activity. Failure to comply with the official rules of such activities may, after an opportunity to present reasons why said action should not occur, result in the loss of the state funding for that CareerTech program.
- (2) The school and the FFA chapter will be held accountable for the actions of the FFA members and the FFA advisor participating in any FFA activity. Any Agricultural Education program that has a student/FFA member who is the owner of an animal testing positive for illegal or improper drugs or additives, has altered the appearance of the animal(s) surgically (other than normal and customary practice), and/or violates the eligibility rules for ownership of animals shall, after hearing, and after consideration by the State Board, and upon determination that there has been a violation of this policy, lose state funding for that program.
- (e) **FFA Membership Eligibility.** Any student in Grades 8-12 must be regularly enrolled in a year long course of study in Agricultural Education at school in order to be eligible to participate in any FFA activity. For the purpose of this section; at school is defined as physically present and supervised in a classroom by a certified agricultural education instructor. Exceptions are granted to students who attend a school with block schedule and who, therefore, may have completed a year-long course of study in Agricultural Education in one semester. Students in the seventh grade are not eligible for the FFA membership in Oklahoma. Annual local, state, and national FFA dues must also be paid in order to be eligible to participate in any FFA activity.

SUBCHAPTER 5. PROGRAMS, SERVICES, AND ACTIVITIES FUNDED THROUGH P.L. 105-332 CARL D. PERKINS VOCATIONAL AND TECHNICAL EDUCATION ACT OF 1998, AS AMENDED BY P.L. 109-270

780:20-5-4. High Schools That Work

Supervision and technical assistance for High Schools That Work
The Department will coordinate the High Schools That Work initiative to help schools embed college- and

career-readiness academic standards into instruction and produce graduates who can succeed in postsecondary studies and careers in high-demand, high-skill, high-wage fields. The Department will coordinate with the Southern Regional Educational Board and other entities to organize professional development sessions on topics such as numeracy, literacy and using data for continuous school improvement.

Marie Saatkamp, Human Resources Specialist, Oklahoma Department of CareerTech, 1500 W. Seventh Ave., Stillwater, OK 74074, 405-743-5455, marie.saatkamp@careertech.ok.gov

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

780:35-1-1. General Provisions

(a) **Purpose.** The rules of this subchapter have been adopted for the purpose of establishing standards, guidelines, allocation of funds, development of projects and applications, and the implementation of Adult Education and Literacy, ~~Activities, Workplace Literacy, English Literacy, Corrections Education and other Education of Institutionalized Individuals, and Integrated English Literacy and Civics Education.~~ These projects provide educational programs to educationally disadvantaged adults and community needs. These activities are designed to 1) assist adults to become literate and obtain the knowledge and skills necessary for employment and economic self-sufficiency, 2) assist adults who are parents or family members to obtain the education and skills that are necessary to becoming full partners in the educational development of their children, and lead to sustainable improvements in the economic opportunities for their family 3) assist adults in attaining a secondary school diploma and in the transition to postsecondary education and training, including through career pathways, and 4) assist immigrants and other individuals who are English language learners in improving their reading, writing, speaking, and comprehension skills in English, mathematics skills, and acquiring an understanding of the American system of Government, individual freedom, and the responsibilities of citizenship.

(b) **Definitions.** The following words and terms, when used in this Subchapter, shall have the following meaning unless the context clearly indicates otherwise:

(1) **"Act"** means the Adult Education and Family Literacy Act (AEFLA), Title II of the ~~Workforce Investment Act of 1998 (P.L. 105-330).~~ Workforce Innovation and Opportunity Act (P.L. 113-118).

(2) **"Adult"** means ~~an individual who has attained 16 years of age or who is beyond the age of compulsory school attendance under State law who is not enrolled in secondary school; who lacks sufficient mastery of basic educational skills to enable him/her to function effectively in society or who does not have a secondary school diploma or its recognized equivalent and who has not achieved an equivalent level of education, and whose lack of mastery of basic skills results in an inability to speak, read, or write the English language.~~

(3) **"Adult education"** means ~~services or instruction below the college level for educationally disadvantaged adults.~~ academic instruction and education services below the postsecondary level that increase an individual's ability to a) read, write and speak in English and perform mathematics or other activities necessary for the attainment of a secondary school diploma, b) transition to postsecondary education and training, and c) obtain employment.

(4) **"Adult education program"** means a local education agency, postsecondary institution, community-based organization, ~~or faith-based organization,~~ corrections education agency or faith-based organization, a volunteer literacy organization, a public or private nonprofit agency, a library, a public housing authority, a nonprofit institution, a consortium or coalition of agencies, institutions,

Permanent Final Adoptions

libraries, or authorities describe previously, or partnership between an employer and entities described previously who are responsible for locally administering the Adult Education and Family Literacy Act grant.

(5) **"Community-based organization" (CBO)** means a private nonprofit organization which is representative of a community or significant segments of a community and which provides education, vocational education or rehabilitation, job training, or internship services and programs and includes neighborhood groups and organizations, community action agencies, community development corporations, union related organizations, employer related organizations, tribal governments, and organizations serving Native Alaskans and Indians. The term private industry council means the private industry council established under section 102 of the Job Training Partnership Act.

(6) **"Cooperative"** means that the board of education of two or more school districts may enter into cooperative agreements and maintain joint programs including but not limited to, courses of instruction for handicapped children, courses of instruction in music and other subjects, practical instruction for trades and vocations, practical instruction in driver training courses, and health programs including visual care by persons legally licensed for such purpose, without favoritism as to either profession.

(7) **"Disadvantaged Adult"** means an adult who demonstrates basic skills equivalent to or below that of students at the fifth grade level.

(4) **"Eligible Individual"** means an individual who 1) has attained 16 years of age, 2) who is not currently enrolled or required to be enrolled in secondary school under state law, and 3) who is basic skills deficient, does not have a secondary school diploma or its recognized equivalent and has not achieved an equivalent level of instruction, or is an English language learner.

(85) **"High School Equivalency" (HSE)** means a high school equivalency credential (GED, HiSet, TASC). The Oklahoma Department of Career and Technology Education is the appointed entity in the State of Oklahoma, responsible for oversight and regulation of the High School Equivalency (HSE) program for high school equivalency examinations for adult populations. Effective July 1, 2015 the HISET, GED AND TASC, High School Equivalency Examinations are authorized by the Oklahoma Department of Career and Technology Education to provide high school equivalency examinations that meet state requirements.

(9) **"Local educational agency" (LEA)** means a public board of education or other public authority legally constituted within elementary or secondary schools in a city, county, township, school district, or other political subdivision of a state, or such combination of school districts or counties as are recognized in a State as an administrative agency for its public elementary or secondary schools, except that, if there is a separate board of other legally constituted local authority having administrative

control and direction of adult education in public schools therein, such term means such other board or authority.

(106) **"State educational agency" (SEA)** means the Oklahoma Department of Career and Technology Education.

780:35-1-2. Adult basic education

(a) Programs, services and activities funded in accordance with uses specified in sections 203 and 231 of ~~the~~ this Act are designed to expand or improve the quality of adult education programs, including priority programs for eligible individuals. Educationally disadvantaged adults (including first those adults with less than a 5th grade achievement level, and second, those adults with a 6th–8th grade achievement level), adults with limited English speaking ability, adults with disabilities, institutionalized adults and High School Equivalency preparation.

(b) Adult education programs governed by the Act shall make every effort to provide free classes to students. Adult education programs may charge necessary and reasonable fees for consumable materials and work-based classes. Adult education programs that wish to implement fees must develop a fee policy that has been approved by the adult learning center's local governing board. The fee policy must be reasonable and may not restrict access to services.

(c) The Act permits local adult education programs to generate income. The purpose of income is not to make a profit, but rather to expand services. Income and donations received must be reinvested in the adult education program. Any income must be accounted for in records and reported to the state Lifelong Learning Adult Basic Education office for National Reporting System Financial Reports.

(d) Adult education programs governed by the Act must follow the state adult education Assessment Policy per federal guidelines.

(e) Adult education programs governed by the Act must follow the state adult education Student Goal Setting Policy per federal guidelines.

(f) For each year covered by the plan, the fiscal effort per student from nonfederal sources available for expenditure by the state for adult education, during the second preceding fiscal year must not be less than the fiscal effort per student from nonfederal sources during the third preceding fiscal year in order to meet the maintenance of effort requirement.

(g) Teachers of adult education and literacy activities located in the adult learning centers funded by the state under the Act, shall have a valid Oklahoma Teacher's Certificate or a minimum of a Master's degree. Directors of adult education located in the adult learning centers shall have a valid Oklahoma Teacher's Certificate or a graduate degree a minimum of a Master's degree.

(h) For fiscal control, the obligation basis of accounting is used; expenditures will be supposed by copies of paid claims and invoices and will be audited following accepted auditing procedures.

(i) Federal funds for adult education programs operating under a grant extension will be allocated according to ~~local program data, program performance, the funding formula~~

~~described in and participation in state and national initiatives Oklahoma's AEFLA State Plan. Seventy percent of federal funds will be allocated according to the number of students with a pre assessment and 12 hours of instruction as reported in National Reporting System (NRS) data. Twenty percent of federal funds will be allocated according to whether federal and state indicators of performance were met. Ten percent of funds will be allocated for participation in state and national initiatives. Allocations for the current fiscal year will be based on National Reporting System data from the second preceding fiscal year.~~

~~(j) State funds for adult education programs operating under a grant extension will be allocated according to program data, the funding formula described in Oklahoma's AEFLA State Plan. Fifty percent of state funds will be divided evenly among all programs to establish a funding base. The remaining fifty percent of state funds will be allocated according to the number of students enrolled. Allocations for the current fiscal year will be based on National Reporting System data from the second preceding fiscal year.~~

(k) The SEA and the adult education programs participating in the plan shall enter into cooperative arrangements, when feasible and appropriate, with such entities as other state agencies, community based organizations, community action agencies, career technology schools, churches, businesses, etc. in order to carry out the general purpose of the Act.

(l) The adult education programs will expand 95% of the funding for adult education activities and 5% will be used for administrative costs, however if the administrative cost limits would be insufficient for adequate planning and administration of the program, the state agency may negotiate with the local grant recipient in order to determine an adequate level of funds to be used for noninstructional purposes. Negotiated administrative cost limits are indicated in the Adult Education and Literacy State Plan/State Plan Amendments.

(m) The SEA will provide direct and equitable access to and will review grant proposal applications during an open grant competition. The adult education program will demonstrate that the thirteen considerations outlined in Section 231 of the Act are being met in order to be considered for a grant award. The adult education program must assure that the services are coordinated with and are not duplicative services under other Federal, State and local programs. The comments of the adult education program and responses thereto shall be attached to the application when it is forwarded to the state.

(n) Federal funds for new grantees shall be allocated on the basis of an application, budget, and proposed number of students to be served. State funds will be matched on the ratio specified by the ~~Adult Education Act~~Act's regulations in existence for the current fiscal program year.

(o) The SEA will evaluate grant recipients based on the federal requirements for program evaluation.

(p) Adult education programs will follow all requirements set forth in the SEA Adult Education State Plan and State Plan Amendments.

(q) Adult education programs will meet the state performance measures of pre-/post-assessing 60% of their students and increasing the average number of student contact hours each fiscal year.

(r) Adult education programs will use an SEA-approved management information system to document student enrollment, goals, attendance, educational gains, and other information as required by the National Reporting System (NRS). Programs will update data monthly.

780:35-1-3. High School Equivalency (HSE) testing program

~~(a) The Lifelong Learning~~Adult Basic Education Division of the Oklahoma Department of Career and Technology Education has responsibility for directing the HSE Testing Program in Oklahoma and for issuing high school diplomas to those who successfully complete the HSE Test.

(b) An applicant shall be 18 years of age or older, except beginning August 1, 1995, persons having attained the age of 16, but who are not yet 18, must be permitted to take the HSE Tests provided the applicant meets the residency requirements and submits along with the application to take the HSE Tests, a notarized joint written agreement between the school administrator of the school district in which the applicant resides, and the parent, guardian, or custodian, stating that it has been determined that such action is in the best interest of the child and community.

~~(c) An applicant shall be a resident of the State of Oklahoma.~~

~~(d) The HSE Tests shall be administered by one of the many local HSE Testing Centers in Oklahoma, approved by the HSE Testing Service, Washington, D.C.~~

~~(e) To become eligible to take the HSE Tests, an application must be made to the Lifelong Learning~~Adult Basic Education Division of the Oklahoma Department of Career and Technology Education online or through an ~~approved local~~ HSE Testing ~~Center~~Company. A fee will be charged by the ~~local testing center~~company when the application is made. ~~at the time the tests are taken.~~

~~(f) The Oklahoma Department of Career and Technology Education will contract with an independent scoring service approved by the HSE Testing Service for the scoring of HSE Tests. The local HSE Testing Centers shall send the test answer sheets to the contracted scoring service for scoring.~~

~~(g) An applicant shall make the minimum score required for passing the HSE Tests, as established by the HSE Testing Service~~company.

~~(h) Only scores from the 2002 HSE Tests will count toward earning a HSE Diploma from January 1, 2002, forward.~~

GIST/ANALYSIS:

Over the past decade, the development of water reuse has been explored as a means to augment water supplies to meet Oklahoma's current and future water supply demands. The practice of Aquifer Storage and Recovery (ASR) has been put forward as one possible method for meeting future water supply needs. Upon considering groundwater quality and the structure of Oklahoma's current groundwater quality standards it became clear that the current groundwater quality standards wholly restrict an activity such as ASR and a revision of the groundwater quality standards would be necessary in order to allow for ASR and/or other projects.

The proposed revision includes three key components: (1) Antidegradation Policy: Consistent with the existing protection philosophy outlined in the existing groundwater quality standards this revision specifies a Groundwater Quality Antidegradation Policy (785:45-7-2), which will continue to protect existing high quality groundwaters and prohibit degradation of Special Source Groundwaters; (2) Beneficial Uses: The revision maintains two important beneficial uses of *Agriculture* and *Industrial and Municipal Process and Cooling Water* and revises the drinking water beneficial uses (785:45-7-3(b)). As part of this revision the drinking water beneficial uses are separately identified as *Domestic Untreated Water Supply* and *Public Water Supply*; this allows explicit independent protection for users of raw untreated groundwater and public water supplies; (3) Criteria: The revision maintains the existing approach of using narrative criteria to provide broad protection for all groundwaters (785:45-7-4(b)). The revision includes new narrative and numeric criteria, which are applicable to artificial recharge and ASR activities (785:45-7-4(c)). The narrative criteria ensure protection for all beneficial uses

and the numeric human health criteria protect the drinking water beneficial uses.

CONTACT PERSON:

Monty Porter, OWRB, 3800 N. Classen Blvd., Oklahoma City, OK, 73118; 405-530-8800; Monty.Porter@owrb.ok.gov.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 1. GENERAL PROVISIONS

785:45-1-2. Definitions

The following words and terms, when used in this Chapter, shall have the following meaning unless the context clearly indicates otherwise:

"**Abatement**" means reduction of the degree or intensity of pollution.

"**Acute test failure**" means greater than or equal to 50% mortality to appropriate test species at or below the critical effluent dilution after a 48 hour test as provided in OAC 252:690-3-29.

"**Acute toxicity**" means greater than or equal to 50% lethality to appropriate test organisms in a test sample.

"**Alpha particle**" means a positively charged particle emitted by certain radioactive materials. It is the least penetrating of the three common types of radiation (alpha, beta and gamma) and usually is not dangerous to plants, animals or humans.

"**Ambient**" means surrounding, especially of or pertaining to the environment about an entity, but undisturbed and unaffected by it.

"**Aquifer**" means a formation that contains sufficient saturated, permeable material to yield significant quantities of water to wells and springs. This implies an ability to store and transmit water; unconsolidated sands and gravels are typical examples.

"**Aquifer Storage and Recovery Activities (ASR)**" means activities that exclusively include activities for the storage of water in and recovery of water from an aquifer pursuant to a site-specific aquifer storage and recovery plan authorized by 82 O.S. § 1020.2A. Activities not conducted pursuant to a site-specific aquifer storage and recovery plan shall not be considered ASR activities. For purposes of this chapter, ASR activities also shall not include groundwater recharge or augmentation through a natural connection with a farm pond or other impoundment otherwise authorized by law.

"**Artificial Aquifer Recharge**" means activities with the primary purpose of recharging or augmenting an aquifer with no intention of recovering such water for future use. For purposes of this chapter, Artificial Aquifer Recharge activities shall not include activities specifically authorized pursuant to 82 O.S. § 1020.2(G) or stormwater runoff management practices otherwise authorized by law.

"Assimilative capacity" means the amount of pollution a waterbody can receive and still maintain the water quality standards designated for that waterbody.

"Attainable uses" means the best uses achievable for a particular waterbody given water of adequate quality. The process of use attainability analysis can, and in certain cases must, be used to determine attainable uses for a waterbody.

"Background" means the ambient condition upstream or upgradient from a facility, practice or activity which has not been affected by that facility, practice or activity.

"BCF" means bioconcentration factor.

"Beneficial uses" means a classification of the waters of the State, according to their best uses in the interest of the public.

"Benthic macroinvertebrates" means invertebrate animals that are large enough to be seen by the unaided eye, can be retained by a U. S. Standard No. 30 sieve, and live at least part of their life cycles within or upon available substrate in a body of water or water transport system.

"Best Available Technology" means the best proven technology, treatment techniques or other economically viable means which are commercially available.

"Best management practices" means schedules of activities, prohibitions of practices, maintenance procedures, and other management practices to prevent or reduce the pollution of waters of the state or United States. BMPs also include treatment requirements, operating procedures, and practices to control plant site runoff, spillage or leaks, sludge or waste disposal, or drainage from raw material storage.

"Beta particle" means a negatively charged elementary particle emitted by radioactive decay that may cause skin burns. It is easily stopped by a thin sheet of metal.

"Bioconcentration factor" means the relative measure of the ability of a contaminant to be stored in tissues and thus to accumulate through the food chain and is shown as the following formula: $BCF = \text{Tissue Concentration} / \text{Water Concentration}$.

"BMPs" means best management practices.

"Board" means Oklahoma Water Resources Board.

"BOD" means biochemical oxygen demand.

"Carcinogenic" means cancer producing.

"Chronic test failure" means the statistically significant difference (at the 95% confidence level) between survival, reproduction or growth of the test organism at or below the chronic critical dilution after completion of a 7 day test as provided in OAC 252:690-3-29, or other test as approved by the permitting authority and the EPA Regional Administrator, and a control.

"Chronic toxicity" means a statistically significant difference (at the 95% confidence level) between longer-term survival and/or reproduction or growth of the appropriate test organisms in a test sample and a control. Teratogenicity and mutagenicity are considered to be effects of chronic toxicity.

"Coliform group organisms" means all of the aerobic and facultative anaerobic gram-negative, non-spore-forming rod shaped bacteria that ferment lactose broth with gas formation within 48 hours at 35°C.

"Color" means true color as well as apparent color. True color is the color of the water from which turbidity has been removed. Apparent color includes not only the color due to substances in solution (true color), but also that color due to suspended matter.

"Conservative element" means a substance which persists in the environment, having characteristics which are resistant to ordinary biological or chemical degradation or volatilization.

"Conservation plan" means, but is not limited to, a written plan which lists activities, management practices and maintenance or operating procedures designed to promote natural resource conservation and is intended for the prevention and reduction of pollution of waters of the state.

"Critical dilution" means, for chronic whole effluent toxicity testing, an effluent dilution expressed as a percentage representative of the dilution afforded a wastewater discharge according to the appropriate Q*-dependent chronic mixing zone equation.

"Critical temperature" means the higher of the seven-day maximum temperature likely to occur with a 50% probability each year, or 29.4°C (85°F).

"Criterion" means a number or narrative statement assigned to protect a designated beneficial use.

"CWAC" means Cool Water Aquatic Community.

"Degradation" means any condition caused by the activities of humans which result in the prolonged impairment of any constituent of the aquatic environment.

"Designated beneficial uses" means those uses specified for each waterbody or segment whether or not they are being attained.

"Dissolved oxygen" means the amount of oxygen dissolved in water at any given time, depending upon the water temperature, the partial pressure of oxygen in the atmosphere in contact with the water, the concentration of dissolved organic substances in the water, and the physical aeration of the water.

"DO" means dissolved oxygen.

"DRASTIC" means that standardized system developed by the United States Environmental Protection Agency for evaluating groundwater vulnerability to pollution, based upon consideration of depth to water (D), net recharge (R), aquifer media (A), soil media (S), topography (T), impact of the vadose zone media (I), and hydraulic conductivity (C) of the aquifer.

"EPA" means the United States Environmental Protection Agency.

"Ephemeral stream" means an entire stream which flows only during or immediately after a rainfall event, and contains no refuge pools capable of sustaining a viable community of aquatic organisms.

"Epilimnion" means the uppermost homothermal region of a stratified lake.

"Eutrophication" means the process whereby the condition of a waterbody changes from one of low biologic productivity and clear water to one of high productivity and water made turbid by the accelerated growth of algae.

"Existing beneficial uses" means those uses listed in Title 40 CFR §131.3 actually attained by a waterbody on or

Permanent Final Adoptions

after November 28, 1975. These uses may include public water supplies, fish and wildlife propagation, recreational uses, agriculture, industrial water supplies, navigation, and aesthetics.

"Existing point source discharge(s)" means, for purposes of 785:45-5-25, point source discharges other than stormwater which were/are in existence when the ORW, HQW, SWS, or SWS-R designation was/is assigned to the water(s) which receive(s) the discharge. The load from a point source discharge which is subject to the no increase limitation shall be based on the permitted mass loadings and concentrations, as appropriate, in the discharge permit effective when the limitation was assigned. Publicly owned treatment works may use design flow, mass loadings or concentration as appropriate if those flows, loadings or concentrations were approved as a portion of Oklahoma's Water Quality Management Plan prior to the application of the ORW, HQW, SWS, or SWS-R limitation.

"Fecal coliform" means a group of organisms common to the intestinal tracts of humans and of animals. The presence of fecal coliform bacteria in water is an indicator of pollution and of potentially dangerous bacterial contamination.

"Fresh groundwater" means groundwater with naturally-occurring concentrations of total dissolved solids less than 10,000 mg/L, or with levels of total dissolved solids of 10,000 or more mg/L caused by human activities.

"Geometric mean" means the nth root of the product of the samples.

"Groundwater" means waters of the state under the surface of the earth regardless of the geologic structure in which it is standing or moving outside the cut bank of any definite stream. [82: 1020.1(A)]

"Groundwater basin" means a distinct underground body of water overlain by contiguous land and having substantially the same geological and hydrological characteristics and yield capabilities". [82: 1020.1(C)]

"HLAC" means Habitat Limited Aquatic Community.

"HQW" means High Quality Water.

"HUC" means hydrologic unit code utilized by the United States Geologic Survey and other federal and state agencies as a way of identifying all drainage basins in the United States in a nested arrangement from largest to smallest, consisting of a multi-digit code which identifies each of the levels of classification within two-digit fields.

"Intolerant climax fish community" means habitat and water quality adequate to support game fishes or other sensitive species introduced or native to the biotic province or ecological region, which require specific or narrow ranges of high quality environmental conditions.

"Lake" means:

- (A) An impoundment of waters of the state over 50 acre-feet in volume which is either:
 - (i) owned or operated by federal, state, county, or local government or
 - (ii) appears in Oklahoma's Clean Lakes Inventory.
- (B) Surface impoundments which are used as a treatment works for the purpose of treating stabilizing or holding wastes are excluded from this definition.

"LC50" means lethal concentration and is the concentration of a toxicant in an external medium that is lethal to fifty percent of the test animals for a specified period of exposure.

"Long-term average flow" means an arithmetic average stream flow over a representative period of record.

"MDL" means the Method Detection Limit and is defined as the minimum concentration of an analyte that can be measured and reported with 99% confidence that the analyte concentration is greater than zero (0). MDL is dependent upon the analyte of concern.

"Mixing zone" means when a liquid of a different quality than the receiving water is discharged into the receiving water, a mixing zone is formed. Concentration of the liquid within the mixing zone decreases until it is completely mixed with receiving water. A regulatory mixing zone is described in 785:45-5-26.

"Narrative criteria" means statements or other qualitative expressions of chemical, physical or biological parameters that are assigned to protect a beneficial use.

"Natural source" means source of contamination which is not human induced.

"NLW Impairment Study" means a scientific process of surveying the chemical, physical and biological characteristics of a nutrient threatened reservoir to determine whether the reservoir's beneficial uses are being impaired by human-induced eutrophication.

"Non-conservative element" means a substance which undergoes significant short-term degradation or change in the environment other than by dilution.

"Nonpoint source" means a source of pollution without a well defined point of origin.

"Normal stream flow conditions" means flow corresponding to low gradient areas in the hydrograph.

"NTU" means Nephelometric Turbidity Unit, which is the unit of measure using the method based upon a comparison of the intensity of light scattered by the sample under defined conditions with the intensity of light scattered by a standard reference suspension (formazin). The higher the intensity of scattered light, the higher the turbidity.

"Numerical criteria" means concentrations or other quantitative measures of chemical, physical or biological parameters that are assigned to protect a beneficial use.

"Numerical standard" means the most stringent of the numerical criteria assigned to the beneficial uses for a given stream.

"Nutrient impaired reservoir" means a reservoir with a beneficial use or uses determined by an NLW Impairment Study to be impaired by human-induced eutrophication.

"Nutrient-limited watershed" means a watershed of a waterbody with a designated beneficial use which is adversely affected by excess nutrients as determined by Carlson's Trophic State Index (using chlorophyll-a) of 62 or greater, or is otherwise listed as "NLW" in Appendix A of this Chapter.

"Nutrients" means elements or compounds essential as raw materials for an organism's growth and development; these include carbon, oxygen, nitrogen and phosphorus.

"ORW" means Outstanding Resource Water.

"OWRB" means Oklahoma Water Resources Board.

"PCBs" means polychlorinated biphenyls.

"Picocurie" means that quantity of radioactive material producing 2.22 nuclear transformations per minute.

"Point source" means any discernable, confined and discrete conveyance, including but not limited to any pipe, ditch, channel, tunnel, well, discrete fissure, container, rolling stock or concentrated animal feeding operation from which pollutants are or may be discharged. This term does not include return flows from irrigation agriculture.

"Pollutant" means any material, substance or property which may cause pollution.

"Pollution" means contamination or other alteration of the physical, chemical or biological properties of any natural waters of the State, or such discharge of any liquid, gaseous or solid substance into any waters of the State as will or is likely to create a nuisance or render such waters harmful, or detrimental or injurious to public health, safety or welfare, or to domestic, commercial, industrial, agricultural, recreational, or other legitimate beneficial uses, or to livestock, wild animals, birds, fish or other aquatic life". [82: §1084.2(1)]

"Polychlorinated biphenyls" means a group of organic compounds (206 possible) which are constructed of two phenyl rings and more than one chlorine atom.

"PQL" means Practical Quantitation Limit and is defined as 5 times the MDL. The PQL represents a practical and routinely achievable detection limit with high confidence.

"Put and take fishery" means the introduction of a fish species into a body of water for the express purpose of sport fish harvest where existing conditions preclude a naturally reproducing population.

"Q*" means dilution capacity.

"Salinity" means the concentration of salt in water.

"Sample standard" means the arithmetic mean of historical data from October 1976 to September 1983 except as otherwise provided in Appendix F of this Chapter, plus two standard deviations of the mean.

"Seasonal base flow" means the sustained or fair-weather runoff, which includes but is not limited to groundwater runoff and delayed subsurface runoff.

"Seasonal seven-day, two-year low flow" means the 7-day low flow of a stream likely to occur with a 50% probability for a season with the applicable dates in Table 1 of Appendix G of OAC 785:45.

"Seasonal 7Q2" means the seasonal seven-day, two-year low flow.

"Sensitive representative species" means *Ceriodaphnia dubia*, *Daphnia magna*, *Daphnia pulex*, *Pimphales promelas* (Fathead minnow), *Lepomis macrochirus* (Bluegill sunfish), or other sensitive organisms indigenous to a particular waterbody.

"SWS" means Sensitive Public and Private Water Supply.

"SWS-R" means waterbodies classified as sensitive public and private water supplies that may be augmented with reclaimed water for the purpose of indirect potable reuse.

"Seven-day, two-year low flow" means the 7-day low flow of a stream likely to occur with a 50% probability each year.

"7Q2" means the seven-day, two-year low flow.

"Standard deviation" means a statistical measure of the dispersion around the arithmetic mean of the data.

"Standard Methods" means the publication "Standard Methods for the Examination of Water and Wastewater", published jointly by the American Public Health Association, American Water Works Association, and Water Environment Federation.

"Standards", when capitalized, means this Chapter, which constitutes the Oklahoma Water Quality Standards described in 82 O.S. §1085.30. Whenever this term is not capitalized or is singular, it means the most stringent of the criteria assigned to protect the beneficial uses designated for a specified water of the State.

"Storm water" means storm water runoff, snow melt runoff, and surface runoff and drainage.

"Subwatershed" means a smaller component of the larger watershed.

"Synergistic effect" means the presence of cooperative pollutant action such that the total effect is greater than the sum of the effects of each pollutant taken individually.

"Thermal pollution" means degradation of water quality by the introduction of heated effluent and is primarily a result of the discharge of the cooling waters from industrial processes, particularly from electrical power generation.

"Thermal stratification" means horizontal layers of different densities produced in a lake caused by temperature.

"Variance" means a temporary (not to exceed three years) exclusion of a specific numerical criterion for a specific discharge to a specific waterbody.

"Warm Water Aquatic Community" means a sub-category of the beneficial use category "Fish and Wildlife Propagation" where the water quality and habitat are adequate to support intolerant climax fish communities and includes an environment suitable for the full range of warm water benthos.

"Wastes" means industrial waste and all other liquid, gaseous or solid substances which may pollute or tend to pollute any waters of the state". [82 O. S. §1084.2(2)]

"Waterbody" means any specified segment or body of waters of the state, including but not limited to an entire stream or lake or a portion thereof.

"Water quality" means physical, chemical, and biological characteristics of water which determine diversity, stability, and productivity of the climax biotic community or affect human health.

"Waters of the state" means all streams, lakes, ponds, marshes, watercourses, waterways, wells, springs, irrigation systems, drainage systems, and all other bodies or accumulations of water, surface and underground, natural or artificial, public or private, which are contained within, flow through, or border upon this State or any portion thereof [82:1084.2(3)].

"Watershed" means the drainage area of a waterbody including all direct or indirect tributaries.

"WWAC" means Warm Water Aquatic Community.

"Yearly mean standard" means the arithmetic mean of historical data from October 1976 to September 1983 except as otherwise provided in Appendix F of this Chapter, plus one standard deviation of the mean. The moving yearly mean standard is an average of the last five years of available data.

Permanent Final Adoptions

"Zone of passage" means a three dimensional zone expressed as a volume in the receiving stream through which mobile aquatic organisms may traverse the stream past a discharge without being affected by it. A regulatory zone of passage is described in 785:45-5-26.

SUBCHAPTER 7. GROUNDWATER QUALITY STANDARDS

785:45-7-1. Scope and Applicability; Purpose

- (a) The provisions of this Subchapter apply only to fresh groundwater.
- (b) The purposes of the rules in this Subchapter are to protect beneficial uses and classifications of groundwater, to assure that degradation of the existing quality of groundwater does not occur, and to provide minimum standards for remediation when groundwater becomes polluted by humans.
- (c) OWRB's Implementation provisions for groundwater quality standards are located in 785:46-13.

785:45-7-2. ~~Criteria for groundwater protection and corrective actions~~Groundwater Quality Antidegradation Policy

- (a) Criteria for protection of groundwater quality. The groundwaters of the state of Oklahoma are an important and valuable resource that shall be maintained and protected.
 - (1) The groundwaters of the state shall be maintained to prevent alteration of their chemical properties by harmful substances not naturally found in groundwater.
 - (2) Protective measures adequate to preserve and protect background quality of the groundwater and existing and designated groundwater basin classifications shall be maintained at all times. Protective measures shall also be sufficient to minimize the impact of pollutants on groundwater quality. The concentration of any synthetic substance or any substance not naturally occurring in that location shall not exceed the PQL in an unpolluted groundwater sample using laboratory technology. If the concentration found in the test sample exceeds the PQL, or if other substances in the groundwater are found in concentrations greater than those found in background conditions, that groundwater shall be deemed to be polluted and corrective action may be required.
 - (3) Measures to prevent noncompliance with this Section caused by any person shall be the responsibility of each state environmental agency within their jurisdictional areas of environmental responsibility. Such measures shall be prescribed in the Water Quality Standards Implementation Plan of each such agency. When regulating activities that have the potential to contaminate groundwater from the surface, state environmental agencies shall consider the vulnerability level of an affected hydrogeologic basin (for example, more stringent measures such as siting limitations, lagoon liners, or additional monitoring wells may be required to protect

groundwater in hydrogeologic basins with High or Very High vulnerability levels).

- (b) Criteria for corrective action. Beneficial uses shall be maintained and protected and human degradation of groundwater quality that would cause or contribute to the nonattainment of beneficial uses shall not be allowed.

(1) Groundwater that has been polluted as a result of human activities shall be restored to a quality that will support the beneficial uses designated in OAC 785:45-7-3 for that groundwater, or as otherwise specified in a site specific remediation plan approved by an agency of competent jurisdiction.

(2) Measures to remedy, control or abate groundwater pollution caused by any person shall be the responsibility of each state environmental agency within its jurisdictional areas of environmental responsibility. Such measures shall be taken as prescribed in the agency's Water Quality Standards Implementation Plan.

- (c) Whenever existing groundwater quality exceeds the level necessary for beneficial uses to be maintained and protected, the existing groundwater quality shall be maintained and protected, unless it is demonstrated to the State that any lowering of groundwater quality:

(1) After an analysis of alternatives, is necessary to accommodate important economic and social development and is in the public interest; and

(2) Protective measures sufficient to protect beneficial uses shall be maintained at all times.

- (d) In certain groundwaters, whenever existing groundwater quality exceeds the level necessary for beneficial uses to be maintained and protected, the existing groundwater quality shall be maintained and protected.

(1) Special Source Groundwaters

(A) Special source groundwaters are defined as groundwaters where exceptional water quality exists, where there is an irreplaceable source of water, where it is necessary to maintain an outstanding resource, or where the quality of the groundwater may be important for maintaining a uniquely designated characteristic of certain surface waters, as defined in i-iv below:

(i) All groundwater likely to influence the quality of waters designated as a "Scenic River" in Appendix A of this Chapter and their watersheds; and

(ii) All groundwater likely to influence the quality of waters located within the boundaries of the areas described in Appendix B of this Chapter; and

(iii) All groundwater likely to influence the quality of waters designated as "HQW" in Appendix A of this Chapter; and

(iv) All groundwater likely to influence the quality of waters located within the boundaries of a State approved source water protection area for public water supply.

(B) Groundwaters designated as special source groundwaters are prohibited from receiving any

discrete discharge(s), surface water from constructed infiltration basins, or surface application of waste, unless the activity maintains or improves existing water quality.

(C) Discharges proximate and/or adjacent to special source groundwaters shall take into consideration the requirement to maintain or improve existing water quality in special source groundwaters and shall ensure that any activity provides for the maintenance or improvement of water quality in special source groundwaters

785:45-7-3. Groundwater classifications, beneficial uses and vulnerability levels

(a) **Classifications.** Classification of all groundwater shall be designated as follows:

(1) ~~(Class I): [RESERVED] (Special Source Groundwater):~~ Special source groundwaters are defined as groundwaters where exceptional water quality exists, where there is an irreplaceable source of water, where it is necessary to maintain an outstanding resource or where the groundwater is ecologically important. Special source groundwaters are considered to be very vulnerable to contamination. This classification shall include:

~~(A) All groundwater located underneath the watersheds of waterbodies designated "Scenic River" in Appendix A of this Chapter;~~

~~(B) Special source groundwater located underneath lands located within the boundaries of the areas described in Appendix B of this Chapter; and~~

~~(C) All groundwater located underneath lands located within the boundaries of a State approved well head or source water protection area for public water supply.~~

(2) ~~Class II (General Use Groundwater)(Class II):~~ These are groundwaters which have good quality due to natural conditions capable of being used as a drinking water supply with no treatment or with conventional treatment methods, which have the potential to be used for other beneficial uses and which and generally have a mean concentration of Total Dissolved Solids of less than 3,000 milligrams per liter.

(3) ~~Class III (Limited Use Groundwater)(Class III):~~ These are groundwaters which have poor quality due to natural conditions and which could require extensive treatment for use as a source of drinking water, and which generally have a mean concentration of Total Dissolved Solids of greater than or equal to 3000 milligrams per liter but less than 5000 milligrams per liter.

(4) ~~Class IV (Highly Mineralized Treatable Groundwater)(Class IV):~~ These are groundwaters which have very poor quality due to natural conditions and which would require extensive treatment for use as a source of drinking water, and which generally have a mean concentration of Total Dissolved Solids of greater than or equal to 5000 milligrams per liter but less than 10,000 milligrams per liter.

(b) **Beneficial uses.** This subsection lists the various beneficial uses of groundwater and designates certain beneficial uses for certain classifications of groundwater.

(1) **List of beneficial uses for groundwater.**

(A) ~~Public and Private Water Supply.~~ The beneficial use designation of Public and Private Water Supply refers to those groundwaters capable of delivering suitable quantities of fresh groundwater for municipal or domestic consumption whether or not treatment is required.

(B) ~~Domestic Untreated Water Supply.~~ The beneficial use designation of Domestic Untreated Water Supply refers to those groundwaters capable of delivering suitable quantities of untreated groundwater for domestic consumption.

(BC) ~~Agriculture.~~ The beneficial use designation of Agriculture refers to that groundwater which is or could be used for irrigation or livestock watering.

(CD) ~~Industrial and Municipal Process and Cooling Water.~~ The beneficial use designation of Industrial and Municipal Process and Cooling Water refers to that groundwater that is or could be used for a municipal or industrial process or cooling function.

(2) **Beneficial use designations.**

(A) The beneficial uses for General Use Groundwater (Class II), Class I and Class II groundwater not identified in Appendix H of this Chapter, shall be Domestic Untreated Water Supply, Public and Private Water Supply, Agriculture, and Industrial and Municipal Process and Cooling Water.

(B) The beneficial uses for Limited Use Groundwater (Class III) and Highly Mineralized Treatable Groundwater (Class IV), Class III and Class IV groundwater, not identified in Appendix H of this Chapter, shall be Agriculture and Industrial and Municipal Process and Cooling Water.

(C) The beneficial uses for any groundwater identified in Appendix H of this Chapter shall be as designated in that appendix.

(D) The beneficial use for groundwater which is used for domestic water supply purposes on or after July 1, 2000, has a mean concentration of Total Dissolved Solids of less than 3000/5000 milligrams per liter, and has not been determined by any state environmental agency to be not suitable for human consumption, shall be Public Water Supply and or Domestic Untreated Water Supply Public and Private Water Supply.

(E) A beneficial use designation for groundwater may be amended or removed only after a demonstration to the satisfaction of the Board that meets one of the following tests:

(i) The designated use does not exist due to a condition that was not caused by humans, and treatment using Best Available Technology will not achieve the designated use, or

(ii) The designated use does not exist due to a condition that is attributable to irreversible impacts

Permanent Final Adoptions

caused by humans, and the remedy would cause substantial and widespread economic and social impact.

(F) Groundwater which has had a beneficial use designation amended or removed pursuant to (E) of this paragraph shall be identified in Appendix H of this Chapter.

(c) **Vulnerability level.** Groundwater in certain hydrogeologic basins is further classified according to its vulnerability to contamination as determined by DRASTIC. Such vulnerability levels of hydrogeologic basins shall be identified as Very Low, Low, Moderate, High, and Very High as prescribed in Table 1 of Appendix D of this Chapter. The vulnerability level may vary within each hydrogeologic basin, depending on site-specific hydrogeologic factors.

(d) **Nutrient-vulnerable groundwater.** Certain specified groundwaters shall be further subject to designation in Table 2 of Appendix D of this Chapter as nutrient-vulnerable groundwater.

785:45-7-4. Criteria for groundwater quality protection

(a) Groundwaters of the state support many different beneficial uses. The criteria below do not require improvement over naturally occurring background concentrations. When naturally occurring background concentrations exceed the criterion for a given parameter, the naturally occurring background concentration may be utilized as a criterion, if suitable. If a given parameter has more than one criterion associated with it, the most stringent criteria shall apply to ensure beneficial use protection.

(b) The following criteria apply to all groundwaters for the protection of beneficial uses except those groundwaters specifically referenced in 785:45-7-4(c).

(1) The groundwaters of the state shall be maintained to prevent alteration of their chemical properties by harmful substances not naturally found in groundwater.

(2) Protective measures adequate to preserve and protect background quality of the groundwater and existing and designated groundwater basin classifications shall be maintained at all times.

(3) Protective measures shall also be sufficient to minimize the impact of pollutants on groundwater quality.

(4) The concentration of any synthetic substance or any substance not naturally occurring in that location shall not exceed the PQL in an unpolluted groundwater sample using laboratory technology. If the concentration found in the test sample exceeds the PQL, or if other substances in the groundwater are found in concentrations greater than those found in background conditions, that groundwater shall be deemed to be polluted and corrective action may be required.

(c) For artificial aquifer recharge and or aquifer storage and recovery activities, the criteria below and presented in Tables 1 and 2 of Appendix I shall apply to ensure the protection of beneficial uses, as specified. Artificial recharge and or aquifer storage and recovery activities shall not cause or contribute to

a condition of pollution or nuisance or result in nonattainment of any applicable groundwater quality standard.

(1) **Chemical Constituents.** Groundwaters shall not contain chemical constituents in concentrations that adversely affect any beneficial use. At a minimum, groundwaters with the designated beneficial uses of public water supply and domestic untreated water supply shall not contain concentrations of chemical constituents in excess of the maximum contaminant levels specified in the following provisions:

(A) Organic Contaminants in 40 CFR 141.61(a)

(B) Synthetic Organic Contaminants in 40 CFR 141.61(c)

(C) Inorganic Contaminants in 40 CFR 141.62(b)

(D) Disinfection Byproducts in 40 CFR 141.64

(E) Disinfectants in 40 CFR 141.65(a)

(2) **Toxicity.** Groundwaters shall be maintained free of toxic substances in concentrations that produce detrimental physiological responses in human, plant, animal, or aquatic life associated with any beneficial use(s). This criterion applies regardless of whether the toxicity is caused by a single substance or the interactive effect of multiple substances or the mobilization and or transformation of a substance due to changes in physiochemical properties within the aquifer. At a minimum, groundwaters with the designated beneficial uses of public water supply and domestic untreated water supply shall not exceed limits specified in Table 1 of Appendix I of this chapter.

(3) **Secondary Contaminants.** At a minimum, groundwaters with the designated beneficial uses of public water supply and domestic untreated water supply shall not exceed the criteria limits presented in Table 2 of Appendix I of this chapter and consistent with 40 CFR 143.3.

(4) **Microorganisms.** Groundwaters with the designated beneficial uses of public water supply and domestic untreated water supply microorganisms shall not exceed the limits specified in 40 CFR 141.63 and 40 CFR 141.70-73.

(5) **Taste and Odor.** Groundwaters shall be free from taste and odor producing substances, in concentrations that cause nuisance or adversely affect any beneficial use.

(6) **Radioactivity.** At a minimum, groundwaters with the designated beneficial uses of public water supply and domestic untreated water supply shall not contain concentrations of radionuclides in excess of limits specified in 40 CFR 141.66.

(7) **Geochemical and Physical Composition.** The geochemical and physical composition of groundwaters shall not be altered such that mobilization of any introduced or in-situ contaminants, natural or non-natural, occurs and impairs any beneficial use.

(8) **Minerals.** Increased mineralization, in comparison to existing water quality, from elements such as, but not limited to, calcium, magnesium, sodium and their associated anions shall not impair any beneficial use.

(d) Measures to prevent noncompliance with this Section caused by any person, or activity, shall be the responsibility

of each state environmental agency within their jurisdictional areas of environmental responsibility. Such measures shall be prescribed in the Water Quality Standards Implementation Plan of each such agency. When regulating activities that have the potential to contaminate groundwater from the surface, the vulnerability level of an affected hydrogeologic basin (for example, more stringent measures such as siting limitations, lagoon liners, or additional monitoring wells may be required to protect groundwater in hydrogeologic basins with High or Very High vulnerability levels) shall be considered. When regulating groundwater quality activities that have the potential to cause or contribute to impairment of a surface water beneficial use., provisions to prevent the impairment of any surface water beneficial use shall be included.

785:45-7-5. Corrective action

(a) Groundwater that has been polluted as a result of human activities shall be restored to a quality that will support the beneficial uses designated in OAC 785:45-7-3 for that groundwater, or as otherwise specified in a site-specific remediation plan approved by an agency of competent jurisdiction.

(b) Measures to remedy, control or abate groundwater pollution caused by any person shall be the responsibility of each state environmental agency within its jurisdictional areas. Such measures shall be prescribed in the Water Quality Standards Implementation Plan of each such agency. When regulating activities that have the potential to contaminate groundwater from the surface, state environmental agencies shall consider the vulnerability level of an affected hydrogeologic basin (for example, more stringent measures such as siting limitations, lagoon liners, or additional monitoring wells may be required to protect groundwater in hydrogeologic basins with High or Very High vulnerability levels).

Permanent Final Adoptions

APPENDIX I. CRITERIA FOR GROUNDWATER PROTECTION [NEW]

Table 1. Numerical criteria to protect the Public Water Supply and Domestic Untreated Water Supply beneficial uses.

Parameter	CAS #	Criteria (ug/L, unless otherwise noted)
Nickel	7440020	140
Acrolein	107028	3.5
Acrylonitrile	107131	0.65
Aldrin	309002	0.021
Chloroform	67663	70
4,4'-DDD	72548	1.5
4,4'-DDT	50293	1
Dichlorobromomethane	75274	5.6
Dieldrin	60571	0.022
Perchlorate	7601-90-3	4.9
Phenol	108952	4,200
Bis(2-ethylhexyl)phthalate (BEHP)	117817	25
Butylbenzyl phthalate	85687	1,400
Diethyl Phthalate	84662	5,600
Dimethyl Phthalate	131113	70,000
Di-n-Butyl Phthalate	84742	700

Table 2. Secondary drinking water contaminants and associated criteria as listed in 40 CFR 143.3.

Parameter	Criteria
Aluminum	0.05 mg/L
Color	15 color units
Corrosivity	Non-corrosive
Copper	1.0 mg/L
Fluoride	2.0 mg/L
Foaming Agents	0.5 mg/L
Iron	0.3 mg/L
Manganese	0.05 mg/L
Odor	3 TON (threshold odor number)
pH	6.5 – 8.5
Silver	0.1 mg/L
Chloride	250 mg/L
Sulfate	250 mg/L
Total Dissolved Solids (TDS)	500 mg/L
Zinc	5.0 mg/L

GIST/ANALYSIS:

Section 785:50-7-7 is proposed to be amended to add language regarding what bond requirements are needed in order to receive Emergency and Rural Economic Action Plan Grants (REAP). The intended effect of this amendment is to help clarify the requirements needed from grant recipients in order to get the grant funds.

Section 785:50-8-8 is proposed to be amended to clarify the date the projects must be completed for a REAP grant. The intended effect of this amendment is to clarify the grant fund distribution process.

Section 785:50-9-23 is proposed to be amended to remove language regarding the L1 application document. The intended effect is to remove unnecessary requirements in the loan application process.

Section 785:50-9-33 is proposed to remove existing language of the rules to reflect the correct process of loan closing and construction. The intended effect is to create more cohesive sections and make the language easily understood for potential applicants.

CONTACT PERSON:

Kate Burum, Assistant General Counsel and Funds Manager, OWRB, 3800 N. Classen Blvd., Oklahoma City, OK, 73118; 405-530-8800; Kate.Burum@owrb.ok.gov.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

**SUBCHAPTER 7. WATER AND SEWER
PROGRAM (BOND PROCEED LOANS AND
EMERGENCY GRANTS) REQUIREMENTS AND
PROCEDURES**

785:50-7-7. Disbursement of funds

(a) Conditions for disbursement.

(1) After an application for financial assistance under the program authorized by Sections 1085.31 through 1085.49 of Title 82 of the Oklahoma Statutes has been approved by the Board, the following conditions and requirements shall be met prior to the release and disbursement of any assistance funds:

(A) Unless otherwise provided and approved by the Board, applicant must submit to the Board all plans, specifications and engineering reports for the project for staff approval all of which shall be complete and in sufficient detail as would be required for submission of the project to a contractor for bidding or contracting the project.

(B) Applicant and Board, and all other necessary parties, shall have executed all necessary and incidental instruments and documents for loan closing, including but not limited to all mortgages, notes, financing statements and pledges of project security and revenues where appropriate.

(C) If not previously provided, applicant shall provide Board with a written and verified statement setting forth:

- (i) the amount of funds necessary for release and disbursement at closing which funds are needed for initial commencement of the project;
- (ii) and, information reflecting the reasonable availability of and/or a commitment from all other revenue or funding sources needed to finance and complete the project.

(2) At the time of and upon compliance with the requirements in (1) of this subsection, the Board may release, advance and disburse financial assistance funds to the applicant for the approved project.

(b) Disbursement of assistance funds.

(1) Unless otherwise provided and approved by the Board, the total amount of financial assistance funds authorized for loan or grant under the program authorized by Sections 1085.31 through 1085.49 of Title 82 of the Oklahoma Statutes to the applicant shall not be released and disbursed to applicant in a total lump sum but instead shall be disbursed to applicant in partial amounts at agreed upon intervals and stages of construction, all as provided within the financial assistance agreement.

(2) In conjunction with the rule, the Board may require applicant to submit to the Board prior to any release or disbursement of funds such invoices, receipts, contracts, verifications, evidence of expenditure or encumbrance, construction status and progress reports or other information as the Board may require.

Permanent Final Adoptions

- (3) Unless otherwise provided and approved by the Board, the Board shall not approve the release nor disbursement of more than ninety-five percent (95%) of the total loan funds authorized for loan until such time as the project has been completed, inspected by the project engineer and the Board, and accepted by the applicant. Furthermore, unless otherwise provided and approved by the Board, the Board shall not release nor disburse more than ninety-five percent (95%) of the total loan funds authorized for engineering services until the project engineer has prepared and submitted three sets of as built project plans (if different from original plans) to the applicant and one set to the Board.
- (c) **Disbursement of grant funds.**
- (1) Notwithstanding and in addition to the provisions set out in (a) of this Section, the following specific provisions shall apply in all instances of the disbursement of grant (financial assistance) funds under the Water and Sewer Financial Assistance Program.
- (2) Upon approval of a grant application, the Board shall furnish to the applicant a letter notice of grant approval and Board commitment. The notice and commitment shall advise the applicant that the grant application has been formally and officially approved by the Board and that the grant funds approved shall be made available to the applicant by the Board for such purposes and upon such other terms and conditions as the Board may require.
- (3) Within ninety (90) days following the date of the letter notice of approval, the applicant shall file with the Board an acceptable bid for completion of the proposed project. Where determined necessary and appropriate, the Board or its staff may permit additional time to file such a bid; provided, notwithstanding any approval of additional time, if such a bid is not filed within one (1) year following the date of Board approval of the application, then the Board's approval shall expire and no funds shall be released; provided, however, if an acceptable bid for completion has not been filed due to circumstances that lay outside the applicant's control, the applicant may request, and the Board may approve or deny, a one-time extension of time not to exceed six months to file an acceptable bid. Provided further, in the event of such expiration the applicant may file a new application which shall be subject to due consideration on its own merit.
- (4) For purposes of final disbursement of funds to the applicant, the grant amount initially approved may be lowered by the Board based on actual project costs.
- (5) As the Board may determine and direct, grant funds may be disbursed to the applicant in installments or in lump sum, and may be disbursed prior to, during or upon completion of the project, all as deemed appropriate under the project circumstances presented. However, prior to the disbursement of any grant funds to the applicant, the applicant must:
- (A) Submit to the Board such evidence as the Board may require to establish that the emergency continues to exist; and
- (B) Establish, in such manner as is acceptable to the Board or its staff, a special and separate federally insured fund or account (within applicant's accounting system) in and through which the grant proceeds shall be administered and accounted for by the applicant.
- (6) In all instances, the Board reserves the right to impose additional reasonable and necessary conditions or requirements for the disbursement of grant funds, all as may be deemed appropriate by the Board under the circumstances of the project for which grant assistance is made available.
- (d) **Disbursement of contract funding.**
- (1) Upon approval of an application for contract funding under the Water and Sewer Financial Assistance Program, the Board shall furnish to the applicant a letter containing notice of application approval and a draft contract.
- (2) The contract shall contain, among others, the following provisions:
- (A) A description of the project;
- (B) The requirement that the applicant comply with applicable competitive bidding provisions in the acquisition of materials and services used for the project;
- (C) The requirement that all projects less than \$50,000.00 shall have a maintenance bond, letter of credit, or the equivalent equal to the project cost for a period of one year after construction has been completed.
- (~~D~~) The requirement that proper invoices ~~be~~ submitted monthly to the Board as funds are expended;
- (~~E~~) The requirement that all books and records of applicant containing information pertaining to the project be available for inspection and audit.
- (3) The funding contemplated by approval of the application and execution of the contract shall be paid to applicant upon submittal and acceptance of invoices for the work performed.

SUBCHAPTER 8. RURAL ECONOMIC ACTION PLAN (REAP) GRANT PROGRAM REQUIREMENTS AND PROCEDURES

785:50-8-6. Disbursement of funds

(a) **Action following Board approval and prior to disbursement of funding.**

- (1) **Notification of approval.** Upon approval of a REAP grant application, the Board shall furnish to the applicant a written notice of grant approval. The notice shall advise the applicant that the grant application has been formally and officially approved by the Board and that the grant funds approved shall be made available to the applicant by the Board for such purposes and upon such other terms and conditions as the Board may require.

(2) **Bid filing.** Within ninety (90) days following the date of the written notice of approval, the applicant shall file with the Board an acceptable bid for completion of the proposed project. Where determined necessary and appropriate, the Board or its staff may permit additional time to file such a bid; provided, notwithstanding any approval of additional time, if such a bid is not filed within one (1) year following the date of Board approval of the application, then the Board's approval shall expire and no funds shall be released provided however, if an acceptable bid for completion has not been filed due to circumstances that lay outside the applicant's control, the applicant may request, and the Board may approve or deny, a one-time extension of time not to exceed six months to file an acceptable bid. Provided further, in the event of such expiration the applicant may file a new application which shall be subject to due consideration on its own merits.

(3) **Additional conditions prior to disbursement of grant funds.**

(A) Applicant shall establish, in such manner as is acceptable to the Board or its staff, a special and separate federally insured account in and through which the grant proceeds shall be administered and accounted for by the applicant.

(B) Unless otherwise provided and approved by the Board, applicant shall submit to the Board all plans, specifications and engineering reports, for the project for staff approval, all of which shall be complete and in sufficient detail as would be required for submission of the project to a contractor for bidding or contracting the project. If not previously provided, applicant shall provide Board with a written and verified statement setting forth:

- (i) the amount of funds necessary for release and disbursement at closing which funds are needed for initial commencement of the project, and
- (ii) information reflecting the reasonable availability of and/or a commitment from all other revenue or funding sources needed to finance and complete the project.

(C) Applicant and Board, and all other necessary parties, shall have executed all necessary and incidental instruments and documents, including but not limited to a grant agreement.

(4) **Board action on request for increase in approved amount.** If prior to disbursement of the grant monies to the applicant, the project bids exceed the engineer's estimates or it otherwise develops that the REAP grant amount approved by the Board, when combined with any other sources of funding, will be insufficient to complete the approved project, then the applicant may file a written request:

- (A) to amend the scope of the approved project in a manner consistent with (a)(5) of this Section; or
- (B) decline funding and withdraw its application for the current fiscal year and request that the Board reconsider the application with an increased REAP

grant amount during the following fiscal year. The request for an increased REAP grant amount shall be treated as a new application on its own merits; provided, the original application shall not be counted for purposes of the previous grant assistance portion of the priority point determination.

(5) **Board action on request for change in scope of approved project.** If prior to disbursement of the grant monies to the applicant, it develops that the applicant wishes to change the scope of the project from that approved by the Board, then the applicant may file a written request for approval of such a change. If the Board staff determines that the change is reasonably and in all material aspects within the scope of the project description approved by the Board, then the staff shall be authorized to approve such requested change. If the Board staff determines that the change is not in all material respects within the scope of the project description approved by the Board, then such a request shall be presented to the Board for action. Provided, however, the Board shall not approve a change in scope of project if the change, if considered as part of the original application, would have resulted in a lower priority point determination on the application.

(b) **Disbursement of funding to applicant; action following disbursement.**

(1) **Disbursement contingent on completion of conditions; reduction from approved amount.** At the time and upon compliance by the applicant with the applicable requirements in (a) of this Section, the Board may disburse the approved amount of REAP grant funds to the applicant for the approved project.

(2) **Disbursement in whole or part; timing.** As the Board may direct, grant funds may be disbursed to the applicant in installments or in lump sum, and may be disbursed prior to, during or upon completion of the project, all as deemed appropriate by the Board under the project circumstances presented.

(3) **Post-disbursement requests for increases in funding amount.** If after disbursement of the grant monies to the applicant it develops that the applicant needs more money for the project than the REAP grant amount disbursed by the Board, then any request for additional REAP grant money shall follow the rules in this Subchapter governing, and shall be treated as, a new application on its own merits.

(4) **Post-disbursement requests for changes in scope of approved project.** If after disbursement of the grant monies to the applicant it develops that the applicant wishes to change the scope of the project from that approved by the board, then the applicant may file a written request for approval of such a change. If the applicant successfully demonstrates reasonably unforeseeable or extraordinary circumstances that in the Board's judgment and sound discretion represent a better utilization of REAP grant funds by the applicant to serve the public interest and welfare, then the Board shall approve the change in project scope. If the applicant does not make such a demonstration, then the Board shall deny the request and

Permanent Final Adoptions

the applicant shall either proceed with the project as approved or abandon the project and return the grant monies to the Board within thirty days after the date of the Board's action.

(5) **Post-disbursement action regarding unexpended funding.** If following completion of the project it develops that the applicant needed less money for the project than disbursed by the Board, the applicant shall return the unexpended amount to the Board.

(6) **Additional requirements.** The Board may impose additional reasonable and necessary conditions or requirements for the disbursement to the applicant or expenditure by the applicant of REAP grant funds, all as may be deemed appropriate by the Board.

(c) **Completion of Project after receipt of Bid Tabulation.**

(1) All projects under \$500,000 must be completed within 180 days of receipt of the bid tabulation or the date of completion on the notice to proceed, whichever is later, unless the delay is caused by circumstances outside the control of the grant recipient shown by written documentation thereof. If these provisions are not met, the funds will be deobligated and the grant will expire.

(2) All projects over \$500,000 must be completed within 365 days of the receipt of the bid tabulation, or the completion date on the notice to proceed, whichever is later, unless the delay is caused by circumstances outside the control of the grant recipient shown by written documentation thereof. If these provisions are not met, the funds will be deobligated and the grant will expire.

(3) In the case where the documented circumstances are beyond the control of the grant recipient, an extension will be allowed based on the circumstances surrounding the project, but never beyond one (1) year of the Notice to Proceed date of completion.

SUBCHAPTER 9. CLEAN WATER STATE REVOLVING FUND REGULATIONS

PART 3. GENERAL PROGRAM REQUIREMENTS

785:50-9-23. Clean Water SRF Project Priority System

(a) **Preparation.** The Board shall prepare and maintain a current Clean Water SRF Project Priority Listing of potential eligible projects in the order of priority.

(b) **Projects included.**

(1) **Fundable portion.** The fundable portion includes projects scheduled for financial assistance during the current fiscal year, and which are within the limits of currently available funds.

(2) **Planning portion.** The planning portion includes that portion of the priority list containing all of those projects outside the fundable portion of the list, and which are anticipated to receive financial assistance in future fiscal years. The planning portion may also include contingency projects which are scheduled for assistance during

the current fiscal year, but for which adequate funds are not available to provide financial assistance. Contingency projects may receive assistance due to bypass provisions or due to additional funds becoming available.

(c) **Public participation.** Before the beginning of each fiscal year, the Board shall ensure that adequate public participation has taken place. A public meeting will be held to discuss the Clean Water SRF Project Priority List and any revisions that were made to the Clean Water SRF Project Priority System. The notice of public meeting shall precede the public meeting by 30 days and shall be published in a statewide publication. At this time, the Board shall circulate information about the Project Priority List including a description of each proposed project. Attendees of the public meeting will be allowed to express their views concerning the list and system.

(d) **Clean Water SRF Project Priority List.** A Clean Water SRF Project Priority List shall become effective and supersede all previous lists upon the beginning of the fiscal year for which it is designated. A Clean Water SRF Project Priority List, as updated during the funding year, shall remain effective until such time as it is superseded by a new list.

(e) **CWSRF Integrated Priority Rating System.** The Board will utilize an integrated priority ranking system to evaluate and rank proposed projects, including treatment works, Brownfield activities, and stormwater activities, based on the relative impact of the project in achieving the water quality objectives of the Clean Water Act. This system consists of criteria integrating public health protection and Oklahoma's Water Quality Standards beneficial use maintenance and protection goals and Anti-degradation policy, including project type, water quality restoration, water quality protection, programmatic priorities, and readiness to proceed.

(1) **Project Type Factor.** The Project Type Factor provides a maximum of seventy (70) points for proposed water quality projects based on the following:

(A) Treatment works or water quality projects designed to effectively eliminate or reduce a documented source of human health threat and/or discharge permit limit violation within a watershed of a waterbody being utilized as a public water supply shall receive seventy (70) points.

(B) Treatment works or water quality projects designed to effectively eliminate or reduce a documented source of human health threat and/or discharge permit limit violation shall receive sixty (60) points.

(C) Treatment works or water quality projects designed to sustain compliance with or provide a degree of treatment beyond permit limits; increase capacity, reliability, or efficiency; reclaim/reuse wastewater; reduce a documented water quality threat, or otherwise maintain beneficial uses shall receive thirty (30) points.

(D) All other eligible treatment works or pollution control projects shall receive twenty (20) points.

(2) **Water Quality Restoration Factor.** The Water Quality Restoration Factor provides a maximum of twenty (20) points for proposed projects located on waterbodies

which are not meeting the beneficial uses assigned to them in Oklahoma's Water Quality Standards and which are listed on Oklahoma's 303(d) list as threatened or impaired. The water quality restoration factor will be subject to change whenever the 303(d) List is revised. Water quality projects meeting the following criteria shall receive additional priority points:

(A) A project located in a watershed listed as a "NPS Priority Watershed" in Oklahoma's Nonpoint Source Management Program shall receive an additional ten (10) points.

(B) A project listed on Oklahoma's 303(d) list of threatened or impaired stream segments shall receive an additional five (5) points.

(C) A project that implements the recommendations of a conservation plan, site-specific water quality remediation plan, TMDL, storm water management program, water audit or modified 208 water quality management plan, which has been approved by an agency of competent jurisdiction, in a sub-watershed where discharge or runoff from nonpoint sources are identified as causing, or significantly contributing to water quality degradation shall receive an additional five (5) points.

(3) **Water Quality Protection Factor.** The Water Quality Protection Factor provides a maximum of ten (10) priority points to proposed water quality projects that provide maintenance of beneficial uses and protection for water bodies afforded special protection under OWQS. Projects shall receive ten (10) points for satisfying the following criteria:

(A) A water quality project located within the watershed of a stream segment or in a groundwater basin underlying a watershed of a stream segment (known as "Special Source" groundwater):

(i) listed in OWQS Appendix A. as an Outstanding Resources Water, High Quality Water, Sensitive Water Supply, Scenic River, Culturally Significant Water or Nutrient Limited Watershed;

(ii) listed in OWQS Appendix B.--"Areas with Waters of Recreational and/or Ecological Significance"; or

(iii) located in a delineated "source water protection area"; or

(B) A water quality project located in an area overlying a groundwater classified in OWQS with a vulnerability level of Very High, High, Moderate, or Nutrient Vulnerable.

(4) **Programmatic Priority Factor.** The Programmatic Priority Factor provides a maximum of one hundred (100) priority bonus points to projects that address specific programmatic priorities set forth by the Environmental Protection Agency or Board and detailed in the Annual Intended Use Plan.

(5) **Readiness to Proceed Factor.** The Readiness to Proceed Factor provides a maximum of four hundred (400) points depending on the relative "readiness to proceed" with a loan commitment among proposed projects.

(A) A project requesting to be considered for funding within the five-year planning period shall receive one hundred (100) points.

(B) In addition to a request for funding, a project for which preliminary planning documents have been submitted shall receive two hundred (200) points. Preliminary planning documents include a preliminary engineering report and a preliminary environmental information document, and must be submitted to the Board and to the Department or the Conservation Commission as appropriate.

(C) In addition to a request for funding and preliminary planning documents, a project for which a completed loan application has been submitted shall receive three hundred (300) points.

(D) In addition to a request for funding, preliminary planning documents, and a completed loan application, a project for which the appropriate technical plans and specifications necessary to implement the project have been approved by the Department or the Conservation Commission, as appropriate, shall receive four hundred (400) points.

(f) **Management of the Project Priority List.**

(1) **Tie breaking procedure.** A tie breaking procedure shall be utilized when two or more projects have equal points under the Project Priority System and are in competition for funds. Projects will be ranked according to existing population. According to the most recent 208 Water Quality Management Plan, i.e., the project with the greatest existing population will receive the higher ranking.

(2) **Project bypass.** A project on the fundable portion of the list may be bypassed if it is determined that the project will not be ready to proceed during the funding year. This determination will be made on projects that are unable to meet the schedule established on the priority list. The applicant whose project is affected shall be given written notices that the project is to be bypassed. Projects that have been bypassed may be reinstated on the funded portion of the list if sufficient funds are available, and the project completes the necessary tasks to proceed. Funds which become available due to the utilization of these bypass procedures will be treated in the same manner as additional allotments.

(3) **Project Priority List update.** The priority list is continually reviewed and changes (i.e., loan award dates, estimated construction assistance amounts, project bypass, addition of new projects, etc.) may occur as necessary.

(4) **Additional allotments.** After defining the fundable portion of the Clean Water SRF Project Priority List, the Board may determine that it is necessary or desirable to obligate additional funds that are available and the list may be extended to include the next highest ranked project or projects on the planning portion of the list. Any sum made available to a state by reallocation or deobligation shall be treated in the same manner as the most recent allotment.

Permanent Final Adoptions

(5) **Project removal.** The Board may remove a project from the Clean Water SRF Project Priority List when the project has been funded, the project is found to be ineligible, it is indicated that the applicant does not intend to continue in the Clean Water State Revolving Loan Program, or the Board has determined that the applicant does not have financial, legal, or managerial capability to construct the project.

(6) **Amount of financial assistance.** The amount of financial assistance shall be the sum of the total eligible costs related to construction. The amount is contingent upon the availability of funds for this purpose. During each funding year, loans totaling twenty-five (25) percent of the funds available from the capitalization grant and state match for that year shall be provided to those eligible small municipalities with a population of 10,000 or less. However, if the state has not met the federal requirement of making binding commitments in an amount equal to one hundred and twenty (120) percent of each quarterly grant payment within one year of receipt of each quarterly payment, other eligible applicants may apply for a loan or an increase to an existing loan to utilize the small community set aside, if such actions will permit the state to comply with the federal binding commitment requirement.

(7) **Addition of new projects to the Clean Water SRF Project Priority List.**

(A) **General.** Prior to the placement of any new projects on the Clean Water SRF Project Priority List, the applicant must submit a request for such placement to the Board. ~~If the applicant is not a previous borrower then an L1 also needs to be submitted prior to being placed on the project priority list.~~ The Programmatic Application must specify that the applicant intends to apply for financial assistance from the Clean Water SRF. The Board will evaluate the Programmatic Application. If it is indicated that a viable project could result which would be in conformance with Clean Water SRF requirements, the potential project will be added to the Clean Water SRF Priority List.

(B) **Brownfield Activities.** Requests received for Brownfield activity projects must satisfy the following requirements before they will be placed on the Clean Water SRF fundable portion of the project priority list:

- (i) Submit a certification from the Department that the project is a Brownfield project;
- (ii) Submit a certification from the Department that urban runoff from the project site potentially impacts water quality; and
- (iii) Submit project documents which determine the water quality benefits of the proposed project.

(C) **Nonpoint source and Watershed Management activities.** Requests received for nonpoint source and watershed management projects must satisfy the requirements of 82 O.S. §1085.58(G), as

amended, before they will be placed on the Clean Water SRF fundable portion of the project priority list.

(8) **Categories of need.** All projects receiving financial assistance must fit into at least one of the categories of need listed in 785:50-9-21(a).

(A) A project may include all eligible categories of need.

(B) If a point source project consists of more than one category including a nonpoint source project, its project ranking calculation will be based on that category which will result in the greatest priority points.

(9) **Change of scope.** A change of scope, such as the addition of new construction items, will not be eligible after loan closing unless:

(A) The change of scope is necessary to result in an operable treatment works due to an oversight and not to replace faulty construction or equipment already funded, or

(B) The change of scope is necessary due to changes in Federal or State requirements

785:50-9-33. Application for financial assistance

(a) **Application filing.** An application shall be filed with the Board. The information required on all applications for financial assistance must meet the requirements of the Board presented to the applicant at the preapplication conference and must be on the project priority list and included on the current year Intended Use Plan. A copy of the adopted generating program necessary to meet local debt service requirement will be submitted with the application.

(b) **Action on application.**

(1) After a preliminary recommendation for approval of a pre-application is made as provided in 785:50-9-28 and an application is filed as provided in (a) of this Section, the Board shall conduct an in-depth review and evaluation of the application and wastewater project to determine whether it complies with applicable state and federal laws. Board staff may request additional information from the applicant and have further conferences as deemed necessary and beneficial to complete the application review.

(2) In the review and consideration for financial assistance under the Clean Water SRF Program, the Board shall give consideration to the following general and non-exclusive criteria for application approval:

(A) **Compliance with laws.** The application and proposed project must be found to be in compliance with all applicable and relevant federal, state and local laws and regulations, and applicant must possess all necessary and incidental legal rights and privileges necessary to project commencement and operation.

(B) **Eligibility.** The applicant and proposed project must be determined to be eligible for the assistance sought.

(C) **Economic feasibility.** The Board shall consider the overall apparent economic viability and feasibility of the project as a whole including proposed revenues from the project and the adequacy and

reliability of estimated revenues necessary for loan repayment when indicated.

(D) **Availability of funds.** The Board shall take into consideration the current and anticipated availability of assistance funds needed to provide the financial assistance requested.

(E) **Planning Design Documents.** The applicant shall submit ~~planning documents, final plans and specifications and the permit to construct~~

(3) The Board may deny an application for a loan from the Clean Water SRF program for any of the following reasons:

(A) The applicant or the entity which stands to receive the benefit of the financial assistance is not an eligible entity.

(B) The applicant does not have a demonstrated history of sound management.

(C) The applicant's financial condition is not sound enough to assure the Board that the loan would be satisfactorily repaid (including but not limited to circumstances such as inability to meet debt service, inability to meet any applicable rate covenant or additional indebtedness requirements, a substantial increase in operation and maintenance costs due to the proposed project, substantial revenue collection problems, substantial negative financial trends, a default or record of late payment(s) on previous indebtedness, etc.)

(D) The economic conditions pertinent for the applicant show negative trends (including but not limited to conditions such as substantial declines in sales tax revenues, population, per capita income, building permits, or water and/or sewer connections; a substantial increase in unemployment; or detrimental changes in the bases of ten largest customers or ten largest taxpayers).

(E) Any other reason based upon applicable law or the Board's judgment and discretion.

(4) Once the Board staff deems its review complete, the matter will be placed on the Board's agenda for consideration. The Board may approve the application, reject the application, or request additional information. The Board shall notify the applicant as to any such action taken.

(c) **Continuing review after approval of application.** If the application and loan receives final approval, the Board and applicant will coordinate the setting of the date, time and place for the closing of the loan. In the period between the date the application and loan were approved and the date of loan closing, the Board shall continue to review loan documents and shall consult with the applicant's representatives as deemed necessary.

[OAR Docket #17-589; filed 7-6-17]

**TITLE 800. DEPARTMENT OF WILDLIFE CONSERVATION
CHAPTER 10. SPORT FISHING RULES**

[OAR Docket #17-459]

RULEMAKING ACTION:

PERMANENT final adoption

RULES:

Subchapter 1. Harvest and Possession Limits

800:10-1-3. Additional definitions [AMENDED]

800:10-1-4. Size limits on fish [AMENDED]

Subchapter 3. Methods of Taking

800:10-3-5. Use of bow and arrow, grabhooks, gigs, spears, and spearguns, snagging, noodling and netting [AMENDED]

Subchapter 5. Area Restrictions and Special Fees

800:10-5-3. Designated trout areas [AMENDED]

800:10-5-6. Lakes, reservoirs, rivers and streams [AMENDED]

AUTHORITY:

Title 29 O.S., Section 3-103, 5-401, 6-302; Article XXVI, Section 1 and 3 of the Constitution of Oklahoma; Department of Wildlife Conservation Commission.

SUBMISSION OF PROPOSED RULES TO GOVERNOR AND CABINET SECRETARY:

November 1, 2016

COMMENT PERIOD:

December 1, 2016 through January 12, 2017

PUBLIC HEARING:

January 5, 2017 and January 10, 2017

ADOPTION:

February 6, 2017

SUBMISSION OF ADOPTED RULES TO GOVERNOR AND LEGISLATURE:

February 9, 2017

APPROVED BY GOVERNOR'S DECLARATION:

Approved by Governor's declaration on June 13, 2017

FINAL ADOPTION:

June 13, 2017

EFFECTIVE:

September 11, 2017

SUPERSEDED EMERGENCY ACTIONS:

n/a

INCORPORATIONS BY REFERENCE:

n/a

GIST/ANALYSIS:

The purpose of the proposed rule amendments is to manage for trophy largemouth bass on Bull Lake and minimize hooking mortality of striped bass in the Lower Illinois River, to add regulations and definitions for the new Oklahoma Land Access Program (OLAP), and to help protect the valuable and unique paddlefish resource from illegal commercialization, exploitation, and overharvest by providing more efficient law enforcement efforts.

CONTACT PERSON:

Barry Bolton, Chief of Fisheries Division, Oklahoma Department of Wildlife Conservation, 2145 N.E. 36th Street, Oklahoma City, OK 73111. Phone: 405/521-3721 or Rhonda Hurst, APA Liaison, phone: 405/522-6279.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 1. HARVEST AND POSSESSION LIMITS

Permanent Final Adoptions

800:10-1-3. Additional definitions

The following words or terms, when used in this subchapter, shall have the following meaning, unless the context clearly indicates otherwise:

"Department fishing areas" means lakes American Horse, Burtschi, Chambers, Dahlgren, Doc Hollis, Elmer, Etling, Fugate, Hall, Jap Beaver, Nanih Waiya, Ozzie Cobb, Raymond Gary, Schooler, Vanderwork, Vincent, Watonga, the Blue River Public Fishing and Hunting Area and the Lower Illinois River Public Fishing and Hunting Area - Simp and Helen Watts Management Unit.

"No culling" means fish caught and placed on a stringer or otherwise held in possession (live well, basket, ice chest, etc.) cannot be released.

"Total length" means measured from the tip of the snout to the end of the tail, with the fish laid flat on the rule with mouth closed and tail lobes pressed together.

"Close To Home" fishing waters means bodies of water designated as such under a cooperative fisheries management agreement between ODWC and participating cities and/or municipalities. "Close to Home" fishing waters shall be designated in the Oklahoma Department of Wildlife Conservation Oklahoma Fishing Guide which is published annually.

"OLAP" means walk-in fishing areas and stream access means bodies of water designated as such under a lease agreement through the Oklahoma Land Access program between the Department and the cooperator.

"Stream access areas" means stream access points and/or stream corridors enrolled in the OLAP.

"Stream access point" means a delineated area enrolled in the OLAP that provides access to a stream.

"Stream corridor" means a length of a stream enrolled in the OLAP. These areas may include one or both banks, and the boundaries are delineated by signage and/or the OLAP map directory.

800:10-1-4. Size limits on fish

There are no length and/or size limit restrictions on any game or nongame fish, except as follows:

(1) All largemouth and smallmouth bass less than fourteen (14) inches in total length must be returned to the water unharmed immediately after being taken from public waters unless regulated by specific municipal ordinance or specified in regulations listed below: Lakes and Reservoirs with no length limit on largemouth and smallmouth bass - Lake Murray, all waters in the Wichita National Wildlife Refuge.

(2) All largemouth and smallmouth bass between thirteen (13) and sixteen (16) inches in total length must be returned unharmed immediately after being taken from lakes Chimney Rock (W.R. Holway), Arbuckle, Okmulgee and Tenkiller Lake (downstream from Horseshoe Bend boat ramp).

(3) All crappie (*Pomoxis* sp.) less than 10 inches in total length must be returned to the water unharmed immediately after being taken from Lakes Arbuckle, Tenkiller, Hudson, Texoma, Ft. Gibson, including all tributaries

and upstream to Markham Ferry Dam and Grand Lake, including all tributaries to state line.

(4) All walleye, sauger, and saugeye (sauger x walleye hybrid) less than 14 inches in total length must be returned to the water unharmed immediately after being taken statewide, except at Great Salt Plains Reservoir and tailwater where the size limit does not apply, the Arkansas River from Keystone Dam downstream to the Oklahoma state line including all major tributaries upstream to impoundment and R.S. Kerr, Webbers Falls, W.D. Mayo reservoirs as legally defined in Title 800 where all walleye, sauger and saugeye less than 16 inches must be returned to the water unharmed immediately, and at Atoka Bluestem, Bluestem, Carl Blackwell, Healdton, Ponca City, Shell, Sooner, and Thunderbird Reservoirs and the respective tailwaters where all walleye, sauger, and saugeye less than 18 inches total length must be returned to the water unharmed immediately.

(5) All largemouth and smallmouth bass between sixteen (16) and twenty-two (22) inches in total length must be returned to the water immediately after being taken from McGee Creek Lake, Dripping Springs Lake and Crowder Lake (Washita County).

(6) All rainbow trout less than twenty (20) inches in total length must be returned to the water immediately after being taken from the lower Mountain Fork River trout stream below Broken Bow dam from the first Highway Bridge below the Spillway downstream to the second Highway Bridge below the Spillway, including the Evening Hole stream channel, and from the State Park Dam downstream to the mouth of Rough Branch Creek and in the lower Illinois River trout stream from the USGS stream gauge downstream to the gravel pit county road. All brown trout less than twenty (20) inches in total length must be returned to the water immediately after being taken from the lower Mountain Fork River from Broken Bow Dam downstream to the U. S. Highway 70 bridge, and from the lower Illinois River trout stream from Tenkiller Dam downstream to the U. S. Highway 64 bridge.

(7) All blue catfish and channel catfish less than twelve (12) inches in total length must be returned to the water unharmed immediately after being taken from Texoma Lake.

(8) All smallmouth bass less than fourteen (14) inches in total length must be returned to the water unharmed immediately after being taken from all rivers and streams including the Illinois River upstream from the Horseshoe Bend boat ramp, and from the Glover River from the confluence with the Little River upstream to the 'Forks of the Glover River'. Possession of smallmouth bass less than fourteen (14) inches in total length on all streams and rivers is prohibited.

(9) All black bass (largemouth, spotted and smallmouth) less than fourteen (14) inches in total length must be returned unharmed immediately after being taken from the Blue River Public Fishing Area.

(10) All striped bass less than twenty (20) inches must be returned unharmed immediately after being taken from Sooner Reservoir.

(11) On Bull Lake (City of Vinita) - Bag limit of six (6) largemouth bass per day, of which only one (1) largemouth bass may be greater than sixteen (16) inches in total length.

SUBCHAPTER 3. METHODS OF TAKING

800:10-3-5. Use of bow and arrow, grabhooks, gigs, spears, and spearguns, snagging, noodling and netting

(a) **Bow and arrow.** The use of bow and arrows in bowfishing shall be lawful for taking nongame fish only in all waters of the state throughout the year, except:

(1) Illinois River and its tributaries shall be closed at all times to such fishing except, those portions above the Horseshoe Bend boat ramp on Tenkiller Reservoir which is open from December 1 through March 31 annually. Tenkiller Reservoir below Horseshoe Bend boat ramp is open to bowfishing.

(2) Reservoir tailwaters, other than Eufaula, Keystone, Wister, Fort Gibson, Thunderbird, Hudson (Markham Ferry), and Heyburn shall be closed to fishing with bow and arrows throughout the year. This does not alter provisions of 29 O.S., Section 7-101, which designates a safety zone of the first 150 feet immediately below the dam on all reservoirs except Tenkiller, Canton, Salt Plains, and Fort Supply.

(3) All waters defined as "Designated Trout Areas" during open season for taking trout are closed.

(4) All waters within the boundaries of the Wichita Mountains Wildlife Refuge are closed.

(5) Only that section of the Caney River from Hulah Dam downstream approximately 1,200 feet to the re-regulation dam is closed. Fishing with a bow and arrow is lawful in the Caney River below the re-regulation dam.

(6) The following portions of Grand River:

(A) The main river channel of Grand River below the turbine outlets of Grand River Dam downstream to the State Park Bridge is closed throughout the year.

(B) The Grand River occurring below the spillway outlets of Grand River Dam downstream to the highline crossing (approximately $\frac{1}{2}$ mile) is closed throughout the year with the next $\frac{1}{2}$ mile downstream from the highline crossing closed during periods when the spillway gates are open and discharging water and for seven (7) days following closure of the spillway gates.

(7) The Little River tributary of Thunderbird Reservoir above Franklin Road in Cleveland County is closed.

(8) "Close To Home" fishing waters and Lakes Pickens, Carl Albert and Taft and all ponds and lakes in the Ouachita National Forest are closed.

(9) The taking of paddlefish by bow and arrow is prohibited on the Red River from Denison Dam downstream to the stateline year round.

(10) Bowfishing may be used at Lakes Hefner, Overholser (including tailwaters and downstream to NW 10th St. bridge) and Draper throughout the year during daylight hours only.

(11) The Salt Fork of the Arkansas River from the spillway of Great Salt Plains Reservoir downstream to the State Highway 38 Bridge is closed.

(12) Bowfishing for tiger muskie at Lake Carl Etling is prohibited.

(b) **Grabhooks.** Taking fish by use of a grabhook is prohibited in all state waters.

(c) **Gigs, spears and spearguns.** The use of gigs, spears and spearguns containing not more than three (3) points with no more than two (2) barbs on each point shall be lawful for taking nongame fish only, except white bass may be taken by use of a gig. These methods are lawful in all:

(1) Rivers and streams from December 1 through March 31, except:

(A) The taking of paddlefish by use of gig, spear or speargun is prohibited from May 16 through March 14 of the following year, statewide.

(B) The Poteau and Fourche Maline Rivers and all their tributaries within LeFlore County are closed throughout the year.

(C) All waters designated as "Designated Trout Areas" during the open season for taking trout are closed.

(D) The Canadian River from Eufaula Dam downstream for a distance of one (1) mile to be so designated by buoy or other appropriate marker is closed throughout the year.

(E) The Caney River from Hulah Dam downstream to the confluence of the old and new river channels is closed.

(F) The following portions of Grand River:

(i) The main river channel of the Grand River below the turbine outlets of Grand River Dam downstream to State Park Bridge is closed throughout the year.

(ii) The Grand River occurring below the spillway outlets of Grand River Dam downstream for a distance of one (1) mile is closed throughout the year.

(G) Rivers and streams in Delaware and Mayes counties are open to the use of gigs throughout the year, unless specifically closed in other sections of this chapter.

(H) The Little River tributary of Thunderbird Reservoir above Franklin Road in Cleveland County is closed.

(2) Lakes and reservoirs throughout the year, except:

(A) Waters within the boundaries of the Wichita Mountains Wildlife Refuge other than that portion of Lake Elmer Thomas are closed.

(B) Tenkiller Reservoir, below the Horseshoe Bend boat ramp, is closed throughout the year except by speargunning when used with a self-contained underwater breathing apparatus which is closed from June

Permanent Final Adoptions

- 15 through July 15 annually to the taking of flathead catfish only.
- (C) All Department Fishing Areas, all "Close To Home" fishing waters and Lakes Carl Albert, Sooner, Lone Chimney and Taft and all ponds and lakes in the Ouachita National Forest are closed. Konawa is closed to gigging.
- (D) Lakes Hefner, Overholser (including tailwaters and downstream to NW 10th St. bridge) and Draper are closed.
- (3) Reservoir tailwaters other than Hudson (Markham Ferry) shall be closed to fishing with gigs, spears and spearguns throughout the year. This does not alter provisions of 29 O.S., Section 7-101, which designates a safety zone of the first 150 feet immediately below the dam on all reservoirs except Tenkiller, Canton, Salt Plains, and Fort Supply.
- (d) **Snagging.** Snagging for nongame fish only shall be lawful in all waters of the State throughout the year, except:
- (1) Reservoir tailwaters other than Fort Gibson which is open 24 hours a day shall be closed to fishing by snagging throughout the year. This does not alter provisions of 29 O.S., Section 7-101, which designates a safety zone of the first 150 feet immediately below the dam on all reservoirs except Tenkiller, Canton, Salt Plains, and Fort Supply.
- (2) Wister tailwater is closed to snagging from below the dam down to the power-line at the confluence of the old and new river channels.
- (3) The following rivers, lakes, and streams:
- (A) The Illinois River and its tributaries above the Horseshoe Bend boat ramp on Tenkiller Reservoir and below the dam shall be closed at all times to such fishing.
- (B) All waters designated as "Designated Trout Areas" during the open season for taking trout are closed.
- (C) All waters within the boundaries of the Wichita Mountains Wildlife Refuge are closed.
- (D) The Canadian River from Eufaula Dam tailwater downstream for a distance of one (1) mile to be so designated by buoy or other appropriate marker is closed throughout the year.
- (E) The Caney River from the Hulah Dam downstream to the confluence of the old and new river channels is closed.
- (F) The following portions of the Grand River:
- (i) The main river channel of Grand River below the turbine outlets of Grand River Dam downstream to the State Park Bridge is closed throughout the year.
- (ii) That portion of the Grand River occurring below the spillway outlets of Grand River Dam downstream to the highline crossing (a distance of approximately $\frac{1}{2}$ mile) is closed throughout the year with the next $\frac{1}{2}$ mile downstream from the highline crossing closed during periods when the spillway gates are closed.
- (iii) That portion of the Grand River occurring from the Markham Ferry Dam (Lake Hudson Dam) downstream to the Highway 412 bridge from 10 p.m. to 6 a.m. year-round.
- (G) The Arkansas River from the tailwaters below Keystone Dam downstream to the Interstate 44 (Skelly Drive) Bridge at Tulsa shall be closed at all times to such fishing.
- (H) The Little River tributary of Thunderbird Reservoir above Franklin Road in Cleveland County is closed.
- (I) All Department Fishing Areas, all "Close To Home" fishing waters and Lakes Pickens, Carl Albert, Sooner and Konawa and all ponds and lakes in the Ouachita National Forest are closed.
- (J) Lakes Hefner, Overholser (including tailwaters and downstream to NW 10th St. bridge) and Draper are closed.
- (4) When snagging for paddlefish the hook must have the barbs removed or completely closed. Only one (1) rod and reel is permitted per angler when snagging.
- (5) All snagging shall be closed from 10:00 p.m. to 6:00 a.m. in the areas east of I-35 and north of I-40 except the Miami City Park from the south boat ramp to the 125 Highway bridge which shall remain open.
- (e) **Noodling.** Possession of hooks, gaffs, spears, poles with hooks attached and/or ropes with hooks attached while in the act of noodling, shall be proof of violation of the "hands only" noodling law. Noodling shall be lawful for nongame fish and blue, channel, and flathead catfish; only during daylight hours throughout the year.
- (1) Rivers and streams of the state, except:
- (A) The Illinois River and its tributaries above Horseshoe Bend boat ramp on Tenkiller Reservoir and below the dam shall be closed at all times to such fishing.
- (B) All waters designated as "Designated Trout Areas" during the open season for taking trout are closed.
- (C) Kiamichi River from Hugo Dam downstream to the first railroad bridge is closed.
- (D) The following portions of the Grand River:
- (i) The main river channel of Grand River below the turbine outlets of Grand River Dam downstream to the State Park Bridge is closed throughout the year.
- (ii) The Grand River occurring below the spillway outlets of Grand River Dam downstream to the highline crossing is closed throughout the year except the day of and two (2) days following closure of the spillway gates when noodling will be legal.
- (E) The Little River tributary of Thunderbird Reservoir above Franklin Road in Cleveland County is closed.
- (F) Wister tailwaters is closed to noodling from below the dam down to the power-line at the confluence of the old and new river channels.
- (2) Corps of Engineers and Bureau of Reclamation Reservoirs, Grand and Hudson Lakes.

(3) All waters within the boundaries of the Wichita Mountains Wildlife Refuge are closed.

(4) All Department Fishing Areas, all "Close To Home" fishing waters (except noodling is allowed in the North Canadian River from the NW 10th St. bridge downstream to the MacArthur St. bridge in Oklahoma City) and Lakes Pickens, Carl Albert, Taft, and Lone Chimney, Ponca and Carl Blackwell and all ponds and lakes in the Ouachita National Forest are closed.

(5) Lakes Hefner, Overholser (including tailwaters and downstream to NW 10th St. bridge) and Draper are closed.

(f) **Netting (noncommercial).** Netting (noncommercial) is closed statewide.

(g) **Collecting Bait for personal use.** Cast netting, trawl netting, dip netting, minnow traps and seining non-game fish commonly used for bait for personal use is lawful in all waters of this state unless specifically closed under 800:10-5-2, 800:10-5-3 and/or 800:10-5-6. Cast nets and dip nets shall have a mesh size no greater than three-eighths (3/8) inch square mesh. Seines shall not exceed twenty (20) feet in length, and the mesh shall be no larger than one-half (1/2) inch square unless seining for minnows then the mesh shall not exceed one-fourth (1/4) inch. Minnow traps shall have a mesh size no greater than one-half (1/2) inch, shall not be longer than three (3) feet, shall not exceed eighteen (18) inches in diameter on round traps or eighteen (18) inches on a side on square or rectangular traps. The trap entrance (throat) cannot exceed two (2) inches across the opening. No person shall fish with more than 3 minnow traps. All minnow traps must have the owner's name and address attached and the traps must be attended once every 24 hours. All game fish and non-game fish not commonly used for bait must be released immediately. Minnow traps cannot be made with glass.

SUBCHAPTER 5. AREA RESTRICTIONS AND SPECIAL FEES

800:10-5-3. Designated trout areas

(a) **Designated trout areas and seasons.** The following are the designated trout areas and trout seasons at each area:

(1) The Illinois River and its tributaries from the Tenkiller Ferry Reservoir Dam downstream to the Highway 64 Bridge near Gore, trout season is year-round.

(2) Blue River, within boundaries of the Blue River Public Fishing & Hunting Area (includes Landrum Wilderness Area and Plaster Wildlife Management Unit), trout season is from November 1 through March 31 of the following year; season is annual.

(3) Lake Watonga located within the boundaries of Roman Nose State Park, trout season is from the November 1 through March 31 of the following year; season is annual.

(4) The lower Mountain Fork River and tributaries from Broken Bow Dam downstream to U.S. Highway 70 bridge, excluding that portion from the mouth of Rough Branch Creek downstream to the Re-regulation dam. Trout season is year-round.

(5) Medicine Creek from Gondola Lake dam downstream to the State Highway 49 bridge, where trout season is from November 1 through March 15 of the following year; season is annual.

(6) Lake Carl Etling located within the boundaries of Black Mesa State Park, trout season is from November 1 through April 30 of the following year; season is annual,

(7) The Fourche Maline River from Carlton Lake Dam downstream to the Robbers Cave State Park boundary a distance of approximately one and one-quarter (1 1/4) miles, trout season is from November 1 through March 15 of the following year; season is annual.

(8) Perry CCC Lake trout season is from November 1 through March 31 of the following year; season is annual.

(b) **General; area restrictions.** The following rules apply to designated trout areas and to specified locations within certain designated trout areas:

(1) It shall be unlawful to take or attempt to take fish from these areas during trout seasons except with rod and reel or pole and line, except collecting shad with cast nets is legal from the south boundary of the MarVal trout camp downstream to the Highway 64 bridge; only one (1) rod and reel or pole and line per person is allowed.

(2) Once a trout is reduced to possession by being placed on a stringer or in the creel of any type, said trout must count toward day's limit and cannot be released.

(3) Glass beverage containers are prohibited at designated trout areas except in designated camping and parking areas.

(4) The following areas are restricted to fishing tackle made by fly-tying or artificial lures made of wood, metal, glass, feathers, hair, synthetic fibers or hard plastic and barbless hooks only with the exception of the lower Illinois trout stream when fishing for species other than Rainbow Trout and Brown Trout with hooks 3/0 or larger. The use of any substance in combination with restricted fishing tackle is prohibited:

(A) The lower Mountain Fork River trout stream below Broken Bow dam from the first Highway Bridge below the Spillway to the second Highway Bridge below the Spillway including the Evening Hole stream channel, and from the State Park Dam downstream to the mouth of Rough Branch Creek.

(B) Fishing in the lower Illinois River trout stream below Tenkiller dam from the USGS stream gauge downstream to the gravel pit county road is restricted to artificial flies and lures only and barbless hooks only, ~~except that single barbed hooks, size 3/0 or larger, may be used only when fishing with natural bait.~~ barbed hooks, size 3/0 or larger, may be used in combination with natural or artificial bait, including soft plastics, for species other than Rainbow and Brown Trout.

(C) Fishing in the Blue River from its entry onto the Plaster Wildlife Management Unit/Landrum Wilderness Area downstream approximately 1/2 mile to a marker cable is restricted to artificial flies and

Permanent Final Adoptions

lures only and barbless hooks only during the period November 1 to March 1, annually.

- (5) All trout retained in possession must be kept separate from other anglers' fish on a stringer or in a creel that is clearly marked with that anglers name and license number.

800:10-5-6. Lakes, reservoirs, rivers and streams

(a) **Lake Carl Albert.** The following special rules govern public use on Lake Carl Albert:

- (1) Outboard motors used shall not exceed ten (10) h.p.
- (2) Maximum speed limit for boats shall be six (6) m.p.h.
- (3) Waterfowl hunting shall be permitted in season; all other hunting shall be prohibited on the area.
- (4) Swimming shall be prohibited on the area.
- (5) Waterskiing and trotlines, throwlines, netting, noodling, yo-yo's and jug fishing are prohibited.
- (6) Camping shall be limited to three (3) days.

(b) **Pickens Lake.** The following special rules govern public use on Pickens Lake in Fountainhead State Park:

- (1) Fishing shall be permitted throughout the year.
- (2) All fishing shall be pole and line or rod and reel only (2 poles per person).
- (3) Fishing shall be restricted to only Oklahoma residents in the following categories:
 - (A) All persons 65 years of age or older.
 - (B) All persons having disability of 60% or more.
 - (C) Legally blind persons.
 - (D) Any person who has not yet attained the age of 16 years.
 - (E) Any persons accompanying persons in categories above.

(c) **Sooner Reservoir.** The following special rules govern public fishing at Sooner River:

- (1) Fishing by juglines, trotlines, limblines, throwlines, snagging, spearfishing, gigging, grabhooks and scuba diving is prohibited.
- (2) Fishing by boats, wading or all flotation devices is prohibited within the buoy-marked area of the intake channel, discharge channel and spillway embankment.
- (3) Fishing from the dam, the fenced area below the dam and the north bank of the intake channel is prohibited.
- (4) The use of Tilapia as bait and/or the stocking of Tilapia is prohibited.

(d) **Lake Lone Chimney.** The following special rules govern public use at Lake Lone Chimney:

- (1) No overnight camping is permitted until recreational facilities are developed.
- (2) Boats and motors are permitted. All boats and motors must comply with existing state boat regulations and boat operators must obey Oklahoma State Boat Laws. All boats must be operated at no-wake speed of six (6) miles per hour or less and may not be left on the water or the lake area longer than the limit on camping.
- (3) Water skiing and swimming are prohibited.
- (4) Disposal of trash, refuse and debris is prohibited, except in designated trash containers. This includes organic and inorganic material.

(5) Commercial concessions and private development on Tri-County Authority property are prohibited. Soliciting, advertising or promoting any commercial or private activity is prohibited.

(6) Dogs must be kept on a leash at all times, except when used to hunt during legal waterfowl hunting season.

(7) It shall be unlawful to drive, occupy, or park any motor driven vehicle including automobiles, trucks, mini-bikes, motorcycles, three-wheelers, etc., except on maintained roads, designated parking areas and designated camping areas. It shall be unlawful to operate any vehicle in a reckless manner or operate any vehicle in a manner to create a public nuisance or to destroy or damage public property. Operators must be licensed drivers.

(8) Cutting or defacing of trees and vegetation shall be prohibited. Removal of vegetation, soil, rocks, water or minerals is prohibited except under written permission by the Tri-County Authority Board of Directors.

(9) Disorderly conduct, vandalism, theft and damage to Tri-County Authority property is prohibited.

(10) The lake shall be closed from 10:00 p.m. to 5:00 a.m., except for fishing and hunting activities.

(11) No person may fish with more than two (2) poles or rods.

(12) Trotlines, throwlines, limblines, juglines, nets, seines, yo-yo's, spearguns and the taking of fish by noodling and taking of bait minnows by any method are prohibited.

(13) All hunting or discharging of firearms, except for legal waterfowl hunting, is prohibited.

(e) **Taft Lake.** The following special rules govern public use at Taft Lake:

(1) Camping is permitted, but limited to three (3) days. Camping is permitted only in designated camping areas.

(2) Boats and motors are permitted. All boats and motors must comply with existing state boat regulations and boat operators must obey Oklahoma State Boat Laws. All boats must be operated at no-wake speed (six '6' miles per hour or less) and may not be left on the water or the lake area longer than the limit on camping.

(3) Water skiing and swimming are prohibited.

(4) Disposal of trash, refuse and debris is prohibited, except in designated trash containers. This includes organic and inorganic materials.

(5) Commercial concessions and private development on State property are prohibited. Soliciting, advertising or promoting any commercial or private activity is prohibited. The use of these areas for any commercial operation in any way is prohibited.

(6) Dogs must be kept on a leash at all times.

(7) Boat houses, ramps, docks and other facilities may not be constructed.

(8) It shall be unlawful to drive, occupy, or park any motor driven vehicle including automobiles, trucks, mini-bikes, motorcycles, etc., except on maintained roads (unless designated as "no parking zones"), designated parking areas, and designated camping areas. It shall be unlawful to operate any vehicle in a manner to create a

public nuisance or to park in a "no parking zone". Operators must be licensed drivers.

(9) Cutting or defacing of trees and vegetation shall be prohibited. Removal of vegetation, soil, rocks, water or minerals is prohibited.

(10) Vandalism, theft, and damage to State Property is prohibited.

(11) No person shall use threatening, abusive, or indecent language, participate in a disorderly assemblage, nor publicly appear nude or intoxicated.

(12) After 10:00 p.m. and until 5:00 a.m., all areas will be restricted to fishing and fishing related activities only.

(13) Fishing is permitted under regular fishing rules and regulations of the Department and State Statutes.

(14) No person may fish with more than two (2) poles or rods.

(15) Trotlines, throwlines, limblines, juglines, nets, seines, yo-yo's, spearguns, and the taking of fish by noodling or bow fishing and taking of bait minnows by any method is prohibited.

(16) Firearms, bows and trapping shall not be allowed on the area.

(f) **Kid's Fish Out Pond (Fountainhead State Park).** Fishing shall be restricted to persons in the following categories:

(1) All persons 64 years of age or older.

(2) Any person who has not yet attained the age of 16 years.

(3) All persons having 60% or more disability, or legally blind, or physically impaired and one companion accompanying same.

(g) **Adair Recreation Area Lake.** Fishing is restricted to rod and reel fishing only and only one rod and reel per person.

(h) **Lake Hefner, Lake Overholser (including tailwaters downstream to NW 10th St. bridge), Lake Draper and the Oklahoma River (NW 10th St to NE 10th St).** Fishing is restricted to no more than three (3) rods or poles per person, with no more than three (3) hooks per line. No other fishing methods are allowed.

(i) **"Close To Home" fishing waters.** Fishing is restricted to no more than three (3) rods or poles per person, with no more than three (3) hooks per line. No other fishing methods are allowed.

(j) **Lakes and reservoirs.** Use of and/or placement into lakes and reservoirs of the waters of this state any container, including but not limited to drums, cans, tubs, boxes or barrels which attract, entice, or lure fish into an open cavity within the container is prohibited.

(k) **Lake Texoma.** The special Lake Texoma annual fishing license shall be eleven dollars (\$11.00). License shall be issued in accordance with Sections 4-201 and 4-202, Title 29 of the Oklahoma Statutes.

(l) **Rivers and streams.** The take, possession or transport of more than twenty-five (25) nongame bait fish, excluding shad; is prohibited from all rivers and streams.

(m) **Scenic Rivers.** The use or possession of cast nets is prohibited on all Oklahoma Scenic Rivers including the Barren Fork River in its entirety to the Arkansas state line.

(n) **OLAP walk-in fishing area.** The following special rules govern public use at OLAP walk-in fishing areas.

(1) Fishing is restricted to no more than three (3) rods or poles per person, with no more than three (3) hooks per line. No other fishing methods are allowed. Cast netting is prohibited.

(2) It shall be unlawful to drive, occupy, or park any motor driven vehicle including automobiles, trucks, mini-bikes, motorcycles, three-wheelers, etc., except on designated parking areas.

(3) Disposal of trash, refuse and debris is prohibited, and all trash must be packed out.

(4) Swimming, camping, fires, and alcohol are prohibited in walk-in fishing areas.

(5) Access is allowed on annual walk-in fishing areas year-round, and access on seasonal walk-in fishing areas is allowed beginning on the day following the end of spring turkey season and ending on the day preceding the beginning of dove season.

(6) Motorboats are prohibited unless authorized for the specific OLAP fishing area in the OLAP map directory and on signs posted at the OLAP walk-in area. Kayaks, canoes, fishing tubes, and vessels not powered by an in-board or outboard engine are permitted but must be carried to water edge unless stated otherwise for the specific OLAP fishing area in the OLAP map directory and/or on signs posted at the OLAP walk-in area.

(7) Fishing at OLAP walk-in fishing areas is catch and release only.

(8) Access is restricted to fishing areas and access corridors as specified in the OLAP map directory and/or on signs posted at the OLAP walk-in area. Unauthorized access to restricted areas of the property may be considered trespassing.

(o) **OLAP stream access.** The following special rules govern public use at OLAP stream access areas.

(1) OLAP stream access points provide a publicly accessible site to launch and retrieve boats for hunting, fishing and recreational activities. Activities unrelated to launching and retrieving boats or accessing a stream are prohibited.

(2) Persons must remain within the designated stream corridor or access area when accessing OLAP stream access areas for hunting, fishing, and recreational activities. Any access outside of the stream corridor or access area is trespassing. Stream corridors will be delineated in the OLAP map directory and/or on signs posted at the OLAP stream access area.

(3) Seasons, regulations, creel limits, and equipment restrictions are consistent with the existing regulations of the stream within which the OLAP stream access area occurs.

GIST/ANALYSIS:

The purpose of the proposed rule amendments are to adjust regulations on several Corps of Engineers properties around Lake Texoma for safety, clarification of acres and to offer more hunting opportunity. Allow deer hunters, after notifying a game warden, to use a leashed tracking dog to recover downed deer. Restrict peregrine falcon take by non-residents to no more than 50% of the number allowed by the U.S. Fish and Wildlife Service. Establish dates for open access to Hunt Areas #4 and #6, adjust season dates for spring turkey, and gate closing times on Camp Gruber Training Center. Close squirrel, common snipe, and woodcock during the first nine days of deer gun season on Fobb Bottom WMA. Close predator/furbearer calling during the first nine days of deer gun season and open deer archery season same as statewide season dates on Hickory Creek and Love Valley WMA's. Add rules, regulations, and definitions for new Oklahoma Land Access Program (OLAP) including exemption from written permission for hunting antelope and elk on actively enrolled OLAP properties. Add rules to allow landowners and their designee to shoot feral hogs at night on their property.

CONTACT PERSON:

Alan Peoples, Chief of Wildlife Division, Oklahoma Department of Wildlife Conservation, 2145 N.E. 36th Street, Oklahoma City, OK 73111. Phone: 405/521-2739 or Rhonda Hurst, APA Liaison, phone: 405/522-6279.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 3. HUNTING ON CORPS OF ENGINEERS LANDS

800:25-3-2. Areas open to archery equipment and shotguns with pellets only

The following Corps of Engineers areas are open to archery equipment and shotguns with pellets only:

- (1) Canton Lake: A 80-acre unit above Highway 58A in the Sandy Cove Area.
- (2) Keystone Lake:
 - (A) A 460-acre unit including land north and south of the Cowskin North Recreation Area.
 - (B) A 200-acre unit on the west side of the north end of the Highway 64 bridge.
 - (C) A 530-acre unit north of the New Mannford Ramp area.
 - (D) A 480-acre unit east of the Cimarron Park area.
 - (E) A 100-acre unit north and south of the Pawnee Cove Access Point.
 - (F) A 200-acre unit in the Old Mannford Ramp area.
 - (G) A 280-acre unit on the south side of the road ending at Washington Irving North.
 - (H) A 120-acre unit west and south of the Sinnett Cemetery and south of the old Keystone road.
 - (I) A 200-acre unit south of Highway 51 on Bakers Branch.
 - (J) A 135-acre area on the west side of Walnut Creek (old Walnut Creek #3).
- (3) Hugo Lake: Except, archery only during all deer seasons.
 - (A) A 2,373-acre unit in the Kiamichi Park Area.
 - (B) A 418-acre unit in the Salt Creek Area.
 - (C) A 478-acre unit in the Wilson Point Area.
 - (D) A 481-acre unit in the Virgil Point Area.
 - (E) A 280-acre unit in the Sawyer Bluff Area.
 - (F) A 60-acre unit in the Rattan Landing Area.
 - (G) A 500-acre unit in the embankment area above Hugo Dam.
- (4) Tenkiller Ferry Lake: A 110-acre unit north of the asphalt road and east of Highway 10A.
- (5) Copan Lake: Except, archery equipment only during all deer seasons.
 - (A) A 650-acre unit below the dam.
 - (B) A 100-acre unit east and southeast of Copan Point Park.
 - (C) Three islands north of Washington Cove Park.
- (6) Fort Gibson Lake:
 - (A) A 300-acre unit on the north side of North Bay.
 - (B) A 800-acre unit on the south side of the Chouteau Creek, starting at Highway 69 and running east and south to Highway 33.
 - (C) A 320-acre unit across the lake from the Chouteau Bend Recreation Area.
 - (D) A 480-acre unit on the west side of Mallard Bay.
 - (E) A 103 -acre unit in Section 13 of the Blue Bill Point housing addition.
 - (F) A 160-acre unit west of the town of Murphy.
 - (G) A 650-acre unit on Pryor Creek beginning on the east side of Highway 69 in Sections 29, 30 & 31.
 - (H) A 190-acre unit in the south $\frac{1}{2}$ of Section 12, north of the Blue Bill Recreation Area.
 - (I) A 120-acre unit west of the town of Hulbert.
- (7) Sardis:

Permanent Final Adoptions

- (A) A 950-acre unit in the Potato Hills Area.
(B) A 100-acre unit in the Sardis Cove Area.
- (8) Webbers Falls Lock and Dam 16:
(A) A 37-acre unit on the peninsula north of the lock and dam.
(B) A 150-acre unit in the Hopewell Park Area.
(C) A 150-acre unit in the Brewer's Bend Area only open for hunting 1 December through 28 February.
(D) A 50-acre unit south of the Spaniard Creek Area.
(E) A 60-acre unit off Lock View access road and south of the project office.
- (9) Lake Texoma:
(A) A 380-acre unit below Denison Dam.
(B) A ~~60-acre~~ 160-acre unit in the Willow Springs Area.
(C) ~~A 100-acre unit on the north side of Alberta Creek.~~ A 100-acre unit in the Buncombe Creek West Area
(D) A 110-acre unit on the Limestone Creek Area.
(E) A 250-acre unit on the Treasure Island, North Island Group.
(F) ~~A 500-acre unit southwest of McLaughlin Creek.~~ A 512-acre unit in the McLaughlin Creek Southwest Area.
(G) A 1,100-acre unit in the Washita Point Area.
(~~H~~) ~~A 1,200-acre unit north of Newberry Creek.~~
(~~H~~) A 300-acre unit south of the Butcher Pen Area.
(~~J~~) A 800-acre unit on either side of Highway 70 on the east side of the lake.
(~~K~~) ~~A 1,000-acre unit in the Lakeside area.~~ A 650-acre unit in the Lakeside West and South Area.
(~~L~~) ~~A 800-acre unit west of Platter.~~ A 420-acre unit in the Lebanon Area.
(~~M~~) A 226-acre unit on the west side of Wilson Creek.
(~~M~~) A 130-acre unit in the Caney Creek Area.
(~~N~~) A 170-acre unit in the Oakview North Area.
- (10) Kaw Lake:
(A) A 280-acre unit in the Traders Bend Area.
(B) A 320-acre unit in the Sarge Creek Cove Area.
(C) A 220-acre unit in the Burbank Landing Area.
(D) A 110-acre unit between Sandy Park Swim Beach and Osage Cove.
(E) A 100-acre unit in the Bear Creek Cove, open for hunting only from 15 September through 15 February.
(F) A 186-acre unit south of Camp McFadden and north of a housing addition.
- (11) Eufaula Lake:
(A) Open for archery equipment 1 October through 28 February and open for shotguns with pellets from 1 November through 28 February.
(i) A 165 -acre unit in the Highway 31 Landing Area.
(ii) A 128 -acre unit in Holiday Cove Recreation Area.
(iii) A 200-acre unit in Hickory Point Recreation Area.
(iv) A 90 -acre unit in the Gentry Creek Recreation Area.
(B) Open for hunting for all species that can be legally taken during legal open seasons by archery equipment and shotguns with pellets.
(i) A 275-acre unit known as Duchess Creek Island.
(ii) A 47-acre unit in Juniper Park.
(iii) A 99-acre unit in the Coal Creek area.
(iv) A 69-acre unit southwest of the city of Crowder.
(v) A 116-acre unit east of the city of Crowder.
(vi) A 95-acre unit in the Rock Creek Heights area.
(vii) A 63-acre unit around Highway 9 Marina.
(viii) A 411-acre unit in the area of Highway 9A.
(ix) A 247-acre unit known as Bunny Creek.
(x) A 251-acre unit in Sandy Bass Bay.
(xi) A 32-acre unit in Dam Site area.
(xii) A 95-acre unit below Eufaula Dam, north of the river.
(xiii) A 443-acre unit in the Longtown Creek area known as Round Tree Landing.
(C) Open for hunting for all species that can be legally taken during legal open seasons by archery equipment and shotguns with pellets, except for the 2nd Friday through Monday in December: A 395-acre unit in the Brooken Cove Recreational Area.
- (12) Chouteau Lock and Dam 17: All lands beginning from the MK&T Railroad below Chouteau Lock and Dam 17 and continuing upstream to Newt Graham Lock and Dam 18, except that Pecan Park is open to hunting with archery equipment only and the Chouteau Lock and Dam 17 has a 600 yard "No Hunting" buffer area around both the lock and dam, and that Coal Creek Access Point and Afton Landing Park are closed to all hunting.
- (13) Hulah Lake:
(A) A 200-acre unit in the Turkey Creek Point Area.
(B) A 60-acre unit below Hulah Dam.
(C) A 375-acre unit in the Caney Bend Area.
- (14) Wister Lake: A 400-acre unit east of the uncontrolled spillway and Glendale Dike.
- (15) Oologah Lake:
(A) A 80-acre unit on the east side of Blue Creek Park.
(B) A 180 acre-unit on the south side of Spencer Creek Park.
(C) A 120-acre unit east of Double Creek Park.
- (16) Waurika Lake: All lands presently designated as open to public hunting, except fall turkey hunting is archery only. Spring turkey hunting is prohibited.
- (17) Newt Graham Lock and Dam 18: All lands beginning from Newt Graham Lock and Dam 18 and continuing upstream to Interstate 44, except that the Newt Graham Lock and Dam 18 has a 600 yard 'No Hunting' buffer area

around it, and that Bluegill Access Point, Highway 33 Access Point and Bluff Landing Public Use Area are closed to all hunting.

800:25-3-3. Areas open to archery equipment only

The following Corps of Engineers areas are open to archery equipment only:

- (1) Birch Lake: A 450-acre unit in the Birch cove, Outlet Park and Twin cove areas.
- (2) Kaw Lake:
 - (A) A 400-acre unit in the Washunga Bay Area.
 - (B) A 600-acre unit in the McFadden Cove Area and below the dam embankment access road.
 - (C) A 236-acre unit in the Osage Cove Area open from 1 December to 31 December.
 - (D) A 60-acre unit south of Kaw City and west of Pioneer Park.
- (3) Fort Gibson:
 - (A) A 515-acre unit on the south side of Mallard Bay.
 - (B) A 360-acre unit on the north side of the mouth of North Bay.
 - (C) A 50-acre unit south of Jackson Bay Area.
 - (D) A 150-acre area on the northeast end of Ranger Creek.
 - (E) A 488-acre unit on the south side of Whitehorn Cove Concession.
 - (F) A 100-acre unit in the Snug Harbor area.
 - (G) A 320-acre unit on the south side of North Bay.
 - (H) A 320-acre unit on the north side of Long Bay.
 - (I) A 70-acre area on the upper end of Pryor Creek adjacent to the east side of Highway 69.
 - (J) A 36-acre area in Section 6, T16N, R20E.
 - (K) A 77-acre area on the north shore of Ranger Creek.
 - (L) A 166-acre area west of Taylor Ferry South Park in Sections 20 & 21, T17N, R19E.
- (4) Copan Lake:
 - (A) A 50-acre unit north of Copan Point Park.
 - (B) A 50-acre unit north of the Post Oak area.
 - (C) A 5-acre unit west of Post Oak Park between the old and new Highway 10.
 - (D) A 340-acre unit north of the Washington Cove Park.
- (5) Heyburn Lake: A 120-acre unit on the south side of the Dam Site Area and west of the outlet channel.
- (6) Skiatook Lake:
 - (A) A 138-acre unit in the Osage Park Area.
 - (B) A 150-acre unit area below Skiatook Dam.
 - (C) A 120-acre unit in Hominy Landing.
- (7) Hulah Lake: A 40-acre unit south of the Hulah State Park office.
- (8) Pine Creek Lake:
 - (A) A 200-acre unit north of Highway 3 and south of the old highway.
 - (B) A 120-acre unit west of Little River Park.
- (9) Fort Supply: A 183-acre unit in the south portion of Fort Supply Park.

(10) Arcadia Conservation Education Area: (Open by ODWC sanctioned controlled hunt through the City of Edmond Game and Fish Commission only.)

- (A) A 500-acre unit $\frac{1}{2}$ mile North of Memorial Road on Midwest Boulevard
- (B) 230-acre unit at Douglas and 150th street.
- (11) Keystone Lake: A 570-acre area south of the town of Prue (old Walnut Creek #1).
- (12) Lake Texoma:
 - (A) A 610-acre unit in the Burns Run Area
 - (B) ~~A 125-acre unit south of Alberta Creek~~ A 550-acre unit in the Alberta Creek Area.
 - (C) A 60-acre unit in the Colbert Boat Club Area.
 - (D) A 40-acre unit in the Oak Hills Area.
 - (E) A 100-acre unit in the Willafa Woods Area.
 - (F) A 50-acre unit in the Buncombe Creek South Area.
- (13) Hugo Lake:
 - (A) A 13 acre unit located across from Wilson Point in Section 18, east of Highway 147.
 - (B) A 40 acre unit located north of County Road E2040 in Section 6 and east of Highway 147.

800:25-3-5. Areas open to archery equipment and all legal firearms other than centerfire rifles and handguns

The following Corps of Engineers areas are open to archery equipment and all legal firearms other than centerfire rifles and handguns:

- (1) Tenkiller Lake:
 - (A) A 320-acre unit between Tenkiller State Park and Cato Creek Landing public use area.
 - (B) A 300-acre unit southeast of Etta Bend.
 - (C) A 1,090-acre unit known as the Tenkiller Basin Wildlife Management Area, located south of the dam embankment, spillway and project office, the area is open for hunting of all species which may legally be taken during the open seasons by archery equipment, shotguns (utilizing federally approved nontoxic shot only), and rimfire firearms, except that the area is closed to all hunting from 1 October through 15 November and deer hunting is by archery equipment only.
 - (D) A 240-acre unit south and southwest of Carters Landing Park.
- (2) Robert S. Kerr Lock and Dam 15:
 - (A) A 90-acre unit in Little SanBois Creek Public Use Area.
 - (B) A 160-acre unit on the eastern portion of Cowlington Point Public Use Area.
 - (C) A 145-acre unit south of the Cowlington Point Public Use Area.
 - (D) A 200-acre unit on the eastern portion of Short Mountain Cove Public Use Area.
 - (E) A 135-acre unit in the Applegate Cove Area.
- (3) Lake Texoma:
 - (A) A 800-acre unit in the Platter Flats Area.
 - (B) A 330-acre unit in the Streetman East Area.

Permanent Final Adoptions

- (C) A 400-acre unit in the Newberry Creek South Area.
- (D) A 220-acre unit in the Enos East Area.
- (E) A 115-acre unit in the Island View East Area.
- (F) A 350-acre unit in the Buncombe Creek East Area.

PART 1. GENERAL PROVISIONS

800:25-7-3. General provisions

- (a) Any person hunting any wildlife in open areas during the youth deer gun, bear muzzleloader, deer muzzleloader, deer gun, holiday antlerless deer gun (in open zones), elk gun (in open counties) or September antelope gun (in open areas) seasons with a shotgun and rifled slug, or any rifle or handgun larger than a .22 caliber long rifle, must possess a valid bear, deer, elk, or antelope license, unless otherwise exempt. Any person hunting feral hogs in open areas during the deer gun, deer primitive, elk, bear or antelope season with a shotgun and rifled slug, or any rifle or handgun larger than a .22 caliber rim-fire, must possess a filled or unfilled deer, elk, bear or antelope license appropriate for that season unless otherwise exempt.
- (b) No person while in the field may possess or attempt to harvest any wildlife, except waterfowl and crane, with shotgun utilizing shot larger than conventional BB.
- (c) Any person participating in primitive firearms season, deer gun seasons, elk season, antelope season and bear gun season must conspicuously wear both a head covering and an outer garment above the waistline, both totaling 500 square inches or more of clothing, both consisting of daylight fluorescent orange color totaling not less than 400 square inches [Title 29 O.S., Section 5-205, Part A]. All other hunters, except those hunting waterfowl, crow or crane, or while hunting furbearing animals at night must wear either a head covering or upper garment of fluorescent orange clothing during the deer primitive firearms season, deer gun seasons, elk season, antelope season and bear primitive firearms season, or bear gun season in areas where these season are open.
- (d) For purposes of pheasant, turkey, deer, elk, bear and antelope regulations, 'final destination' shall be the hunter's residence or place of consumption.
- (e) No person may possess any game bird, animal or other wildlife, or portions thereof that have been taken by another person unless such game bird, animal or other wildlife, contain information giving the taker's name, address, license number, date taken and the number and kind of game bird, animal or wildlife. In addition, information on deer, elk, antelope, bear and turkey must include where game was checked or electronic check station confirmation number as proof that the animal has been checked. The person's name and address receiving said wildlife must also appear on the written information.

- (f) No person shall concentrate, drive, molest, hunt, take, capture or kill; or attempt to take any wildlife by the aid of any fire or smoke whether man-made or natural.
- (g) No person may hunt, chase, capture, shoot at, wound or kill any moose or Rocky Mountain bighorn sheep, except as otherwise provided by statute or Commission rule.
- (h) Private landowner regulations regarding any items covered by these rules may be more restrictive, but not less restrictive than these rules.
- (i) Dogs may be used in taking all game species in these rules except bear, deer, elk, antelope and turkey. Exceptions to this rule would be the use of a leashed dog to track downed game after notification to the game warden of location and having no means of take on person while tracking.
- (j) Except as otherwise provided for by law or Commission rule, nothing shall prohibit the year round pursuit of game, which may be lawfully hunted with the use of hunting dogs, for dog training or sport only. However unless otherwise provided, no person in pursuit of game with hunting dogs outside of the regular harvest season shall have in their possession the means to harvest such game.
- (k) The pursuit of feral hogs with a shotgun on private property is not restricted by shot size.

PART 7. FALCONRY

800:25-7-31. Taking provisions

- (a) **Eyas:** Young birds not yet capable of flight (eyases) may only be taken from the wild during the period April 15 through July 31 by a General or Master Falconer. No more than two eyases may be taken by the same licensee during the taking period. At least two birds must be left in any nest form which one or more birds is removed, except in the case of birds of the genus Buteo where a minimum of one bird must be left in the nest. Removal of eggs from nests is prohibited.
- (b) **Passage:** First-year (passage) birds, still in immature plumage, may be taken only from August 1 through May 31.
- (c) Raptors that are lost to the wild may be retrapped at any time. Raptors lost for more than 30 days shall be considered as lost and reported as such to the Department.
- (d) **Legal raptors:** Raptors that may be taken from the wild in Oklahoma are the same as those listed in CFR 50.
- (e) Golden eagles may be taken with permission of the Oklahoma Department of Wildlife Conservation as allowed by pertinent state and federal statutes and regulations.
- (f) The Director of the Department of Wildlife may authorize resident general and master falconers to take passage gyrfalcons.
- (g) The take of any state or federally listed threatened species will require prior approval from the Oklahoma Department of Wildlife Conservation.
- (h) The first bird acquired by an apprentice falconer must be one in which they actively participated in capturing from the wild. This bird may only be a Red-tailed Hawk or an American Kestrel. An apprentice can acquire a bird through transfer no sooner than six months following the capture date of their first

bird. An apprentice falconer may only possess a Red-tailed Hawk, American Kestrel or a Harris' Hawk.

(i) Non-resident falconers shall be allowed to take no more than fifty percent (50%) of the number of peregrine falcons annually allotted to Oklahoma by the U.S. Fish and Wildlife Service.

PART 12. ANTELOPE

800:25-7-47. General provisions for antelope - archery

Hunters must carry written permission on their person while hunting. Landowners, operators, and immediate family thereof are exempt from written permission. Persons with a current valid hunting license and antelope license are exempt from this provision only while hunting on actively enrolled OLAP walk-in hunting areas.

PART 14. ELK

800:25-7-56. General provisions for elk

Elk hunts will be held in years when warranted by the Oklahoma Wildlife Conservation Commission. Hunts will be listed in Oklahoma Hunting Guide in years when appropriate. Elk license and written permission from the landowner or where appropriate the lessee (tenant) must be carried on the person while hunting elk. Persons with current valid hunting license and elk license are exempt from this provision only while hunting on actively enrolled OLAP walk-in areas.

PART 19. SEASONS ON AREAS OWNED OR MANAGED BY THE OKLAHOMA DEPARTMENT OF WILDLIFE CONSERVATION AND THE U.S. FISH AND WILDLIFE SERVICE

800:25-7-86.1. Camp Gruber Maneuver Training Center ~~(CGTC)~~ (CGMTC)

The following area regulations and hunting and trapping seasons apply to designated open areas on CGTC.

- (1) All hunter(s)/trapper(s), regardless of age or military status, entering CGTC must possess the following:
 - (A) A hunting/trapping license or proof of exemption appropriate for the season being hunted/trapped as stated in the Oklahoma Hunting Regulation Guide booklet, published by ODWC.
 - (B) A valid Unexploded Ordinance (UXO) permit from CGTC.
 - (C) Hunter Education certification as required and outlined in the current Oklahoma Hunting Regulation Guide booklet.
- (2) All other recreational users (anglers, horseback riders, etc.) entering CGTC for any reason are required to have in their possession a valid UXO permit.
- (3) The following designated hunting seasons will apply to all hunting areas (#1, #2, #3, #5) on CGTC.

- (A) The three-day youth deer gun season in October.
- (B) The nine-day primitive firearms (muzzleloader) deer season, beginning the fourth Saturday in October and continuing for nine consecutive days.
- (C) The sixteen-day deer gun season, beginning the Saturday before Thanksgiving and continuing for sixteen consecutive days.
- (D) December 11 through Martin Luther King Day of each year, for all open hunting/trapping seasons listed for CGTC in the Oklahoma Hunting Regulation Guide booklet.
- (E) ~~April 15~~ The 3rd Saturday in April through May 6 for spring turkey hunting.

(4) No later than 8:00 A.M. the day before the start of each designated hunting season, the gates west of Highway 10 (gates 5, ~~6~~, 43, 44, 45, 46, 48 and 49), Hill Top gate (gate 12), Black Hollow gate (gate 16), Wild Horse Road gate (gate 17), Pumpkin Center Road gate (gate 23), and south Highway 10 gate (gate 38) will be opened and they will close starting at 10:00 P.M. and the last gate to be closed, Hilltop Road (Gate 12), will be closed at midnight on the last day of each designated hunting season.

(5) Hunter/trapper use and access to hunting areas will also be allowed outside the designated hunting seasons whenever specific hunting areas are available and the use and access can be granted without impairment to the military mission.

(6) ~~Hunting areas west of Highway 10 (#4, #6) will remain open year round for all open hunting/trapping seasons listed for CGTC in the Oklahoma Hunting Regulation Guide booklet, unless required for military training and coordinated with ODWC a minimum of 30 days in advance be open for public use during the listed dates and designated hunting seasons.~~

- (A) October 1 through Martin Luther King Day, for all open hunting/trapping seasons listed for CGTC in the Oklahoma Hunting Regulation Guide.
- (B) The two-day Youth Spring Turkey season, the Saturday and Sunday prior to the opening day of the statewide Spring Turkey season.
- (C) The entire Spring Turkey season, April 6 through May 6.

(7) Camping on CGTC will be allowed only in Hunter's Camp 2 and only during the designated hunting seasons.

- (A) ~~Controlled public access routes to the camping area will be through Hill Top Road (gate 12), and Wild Horse Road (gate 17). These gates will be open by 8:00 A.M. the day before the start of the designated hunting seasons and will close at midnight on the last day of each designated hunting season.~~
- (B) Open fire(s) will be allowed in the designated camping area only. CGTC may restrict the use of fire(s) in the camping area during dry conditions or if the CGTC is under a county or state burn ban.
- (C) Quiet shall be maintained in the camping area between the hours of 11 P.M. and 7 A.M. and all dogs

Permanent Final Adoptions

or other pets must be kept on a leash or otherwise confined while in the camping area.

(D) Fishing will be allowed in the ponds at Hunter's Camp 2 during the designated hunting seasons with a fishing license or proof of exemption as stated in the Oklahoma Fishing Regulation Guide booklet, published by ODWC.

(8) All motorized vehicles must stay on the maintained road network. No all-terrain vehicles (ATVs) are allowed on the CGTC, except for those individuals who possess an ODWC Non-ambulatory permit. Permit holders operating an ATV are required to wear a reflective vest, DOT approved motorcycle helmet, eye protection (meets or exceeds ASNI 287.1 standards), long sleeve shirt, pants, over the ankle footwear, and full fingered gloves or mittens. Speeds on all ATV's will not exceed 25 MPH. Additionally, all motor vehicle and non-ambulatory vehicle permit holders must abide by all rules and regulations applicable to the permit as listed in the Oklahoma Hunting Guide Regulation booklet. Only those hunting areas and/or roads that are determined suitable and specifically designated for such will be open, intended users will inquire with Range Operations in building 740 for a map of designated areas/roads.

(9) Quail: Same as statewide season dates, except closed from the opening day of deer archery season through deer gun season.

(10) Pheasant: Closed season.

(11) Prairie chicken: Closed season.

(12) Turkey-Fall:

(A) Archery: Same as statewide season dates, either-sex.

(B) Gun: Closed season.

(13) Turkey-Spring: Same as statewide season dates, 1 tom limit.

(14) Squirrel: Same as statewide season dates, except closed from the opening day of deer archery season through deer gun season.

(15) Rabbit: Same as statewide season dates, except closed from the opening day of deer archery season through deer gun season.

(16) Crow: Same as statewide season dates, except closed from the opening day of deer archery season through deer gun season.

(17) Dove: Same as statewide season dates, except closed from the opening day of deer archery season through deer gun season.

(18) Rail and gallinule: Same as statewide season dates, except closed from the opening day of deer archery season through deer gun season.

(19) Common snipe: Same as statewide season dates, except closed from the opening day of deer archery season through deer gun season.

(20) Woodcock: Same as statewide season dates, except closed from the opening day of deer archery season through deer gun season.

(21) Deer-archery: Same as statewide season dates.

(22) Deer-primitive firearms: Same as statewide season dates.

(23) Deer-gun: Same as statewide dates, except closed to antlerless deer hunting.

(24) Trapping: Same as statewide season dates, except closed from the opening day of deer archery season through deer gun season.

(25) Pursuit with hounds: Same as statewide dates, except closed from the opening day of deer archery season through deer gun season and spring turkey season.

(26) Predator/furbearer calling: Same as statewide dates, except closed from the opening day of deer archery season through deer gun season and spring turkey season.

(27) Waterfowl: Same as statewide season dates, except closed from the opening day of deer archery season through deer gun season.

800:25-7-97. Fobb Bottom WMA

The following hunting and trapping season apply to the Fobb Bottom WMA:

(1) Quail: Same as statewide season dates, except closed during first nine days of deer gun season.

(2) Pheasant: Closed season.

(3) Prairie chicken: Closed season.

(4) Turkey-Fall:

(A) Archery: Same as statewide season dates, either sex.

(B) Gun: Closed season.

(5) Turkey-Spring: Same as statewide season dates, 1 tom limit.

(6) Squirrel: Same as statewide season dates, except closed during the first nine days of deer gun season.

(7) Rabbit: Same as statewide season dates, except closed during first nine days of deer gun season.

(8) Crow: Same as statewide season dates.

(9) Dove: Same as statewide season dates.

(10) Rail and gallinule: Same as statewide season dates.

(11) Common snipe: Same as statewide season dates, except closed during the first nine days of deer gun season.

(12) Woodcock: Same as statewide season dates, except closed during the first nine days of deer gun season.

(13) Deer-archery: Same as statewide season dates.

(14) Deer-primitive firearms: Same as statewide season dates, except closed to antlerless hunting after the first day.

(15) Deer-gun: Same as statewide season dates, except closed to antlerless hunting after the first day.

(16) Trapping: Open to water sets, live box traps, and enclosed trigger traps only.

(17) Pursuit with hounds: Same as statewide season dates, except closed during first nine days of deer gun season.

(18) Predator/furbearer calling: Same as statewide season dates except closed during first nine days of deer gun season.

(19) Waterfowl: Same as statewide season dates.

800:25-7-108. Hickory Creek WMA

The following hunting and trapping seasons apply to the Hickory Creek WMA:

- (1) Quail: Same as statewide season dates, except closed during first nine days of deer gun season.
- (2) Pheasant: Closed season.
- (3) Prairie chicken: Closed season.
- (4) Turkey - Fall:
 - (A) Archery: Same as statewide season dates, either-sex.
 - (B) Gun: Same as statewide season dates, 1 tom.
- (5) Turkey - Spring: Same as statewide season dates, 1 tom limit.
- (6) Squirrel: Same as statewide season dates, except closed during first nine days of deer gun season.
- (7) Rabbit: Same as statewide season dates, except closed during first nine days of deer gun season.
- (8) Crow: Same as statewide season dates.
- (9) Dove: Same as statewide season dates.
- (10) Rail and gallinule: Same as statewide season dates.
- (11) Common snipe: Same as statewide season dates, except closed during first nine days of deer gun season.
- (12) Woodcock: Same as statewide season dates, except closed during first nine days of deer gun season.
- (13) Deer - archery: Same as statewide season dates, ~~except closed during first nine days of deer gun season.~~
- (14) Deer - primitive firearms: Same as statewide season dates.
- (15) Deer - gun: Same as statewide season dates.
- (16) Trapping: Open to water sets, live box traps, and enclosed trigger traps only.
- (17) Pursuit with hounds: Same as statewide season dates, except closed during first nine days of deer gun season.
- (18) Predator/furbearer calling: Same as statewide season dates, except closed during the first nine days of deer gun season.
- (19) Waterfowl: Same as statewide season dates.

800:25-7-120. Love Valley WMA

The following hunting and trapping seasons apply to Love Valley WMA:

- (1) Quail: Same as statewide season dates, except closed during first nine days of deer gun season.
- (2) Pheasant: Closed season.
- (3) Prairie chicken: Closed season.
- (4) Turkey - Fall:
 - (A) Archery: Same as statewide season dates, either-sex.
 - (B) Gun: Same as statewide season dates, 1 tom.
- (5) Turkey - Spring: Same as statewide season dates, 1 tom limit.
- (6) Squirrel: Same as statewide season dates, except closed during first nine days of deer gun season.
- (7) Rabbit: Same as statewide season dates, except closed during first nine days of deer gun season.
- (8) Crow: Same as statewide season dates.

- (9) Dove: Same as statewide season dates.
- (10) Rail and gallinule: Same as statewide season dates.
- (11) Common snipe: Same as statewide season dates, except closed during first nine days of deer gun season.
- (12) Woodcock: Same as statewide season dates, except closed during first nine days of deer gun season.
- (13) Deer - archery: Same as statewide season dates, ~~except closed during first nine days of deer gun season.~~
- (14) Deer - primitive firearms: Same as statewide season dates.
- (15) Deer - gun: Same as statewide season dates.
- (16) Trapping: Open to water sets, live box traps, and enclosed trigger traps only.
- (17) Pursuit with hounds: Same as statewide season dates, except closed during the first nine days of deer gun season.
- (18) Predator/furbearer calling: Same as statewide season dates, except closed during the first nine days of deer gun season.
- (19) Waterfowl: Same as statewide season dates.

PART 25. OKLAHOMA LAND ACCESS PROGRAM

800:25-7-180. General provisions for OLAP walk-in areas

- (a) Hunting seasons and bag limits are consistent with the applicable statewide legislation unless stated otherwise in the OLAP map directory and/or on posted signs at the walk-in area.
- (b) OLAP walk-in areas are considered Department managed lands and subject to the provision therein unless stated otherwise.
- (c) Access is allowed from two hours before official sunrise to 60 minutes after official sunset unless stated otherwise in the OLAP map directory and/or on posted signs at the walk-in area.
- (d) Vehicular access onto OLAP walk-in areas is prohibited.
- (e) No overnight camping or fires are permitted on OLAP walk-in areas.
- (f) Dogs are allowed on OLAP walk-in areas for the pursuit of game only, with the exception of service dogs. Dogs shall not harass livestock, persons, or property on OLAP walk-in areas.
- (g) Horses are prohibited on OLAP walk-in areas.
- (h) Permanent type blinds and stands are prohibited, and hunters are limited to one temporary blind or stand per person.
- (i) Persons accessing OLAP walk-in areas must possess a valid hunting license, fishing license, or conservation passport.
- (j) It is unlawful for any person to refuse to leave an OLAP walk-in area when requested by the cooperator, a Department representative, or a law enforcement officer.
- (k) Any unlawful removal of OLAP signs, kiosks, maps, or other postings is prohibited.
- (l) Any Title 29 or Title 800 rule violation incurred by persons on OLAP walk-in areas may incur any applicable fines.

Permanent Final Adoptions

800:25-7-181. OLAP walk-in hunting areas, seasons, and equipment restrictions

(a) Access is allowed for hunting activities only. All other activities are prohibited on OLAP walk-in hunting areas unless stated otherwise in the OLAP map directory and/or on posted signs at the walk-on area.

(b) The following defines types of OLAP Walk-in Hunting Areas.

(1) Access allowed from September 1 - February 15. Regulations and methods of take consistent with statewide regulations.

(2) Access allowed from September 1 - February 15. Archery/Shotgun with pellets only

(3) Access allowed from September 1 - 30.

(4) Access allowed for Spring Turkey:

(A) Access in southeast region consistent with southeast region spring turkey season dates.

(B) Access statewide excludes the southeast region consistent with statewide spring turkey season dates.

(5) Controlled Hunt Area: Access granted by permit drawn through the controlled hunt program.

800:25-7-182. OLAP wildlife-viewing areas, seasons, and equipment restrictions

(a) Hunting is prohibited on OLAP wildlife-viewing areas. Fishing may be allowed if the property is concurrently enrolled as a walk-in fishing area.

(b) No more than 25% of the total acres leased in the OLAP may be designed as wildlife-viewing area.

SUBCHAPTER 9. CONTROLLED HUNTS

PART 3. ANTELOPE

800:25-9-12. General antelope regulation

(a) General regulations for antelope shall be the same as those established for deer gun season.

(b) Any antelope or any portion of any antelope transferred to another person must have the hunter's name, address, hunting license number and date harvested attached to the animal. The person's name and address receiving said wildlife must also appear on the written information.

(c) Private landowner regulations regarding any items covered by these rules may be more restrictive, but not less restrictive than these rules.

(d) The following provisions apply to the tagging and checking of antelope.

(1) Persons taking an antelope shall immediately attach their name and license number to the carcass.

(2) Persons taking an antelope must directly take the antelope to the check station in Cimarron or Texas County where it will be tagged with a carcass tag that shall remain with the carcass through processing, transportation and storage.

(3) Evidence of sex (head) must not be removed until the carcass has been checked.

(e) The yearly statewide bag limit for antelope is two (2) antelope, which may include no more than one (1) buck. Antelope taken on controlled hunts are not bonus antelope and count towards the statewide bag limit.

(f) A buck antelope is any antelope, regardless of sex, with a black cheek patch.

(g) All antelope hunters are required to have written permission on property that they are hunting and must carry this permission on their person while hunting. However, landowners, operators (agriculture lessee) and their spouse or child, lessee, or immediate family hunting on their own property are exempt. Persons with a current valid hunting license and antelope license are exempt from this provision only while hunting on actively enrolled OLAP walk-in hunting areas.

(h) Hunter fluorescent orange clothing requirements are the same as those required for deer gun season.

SUBCHAPTER 37. NUISANCE WILDLIFE CONTROL PROGRAM

PART 3. WILDLIFE AND FERAL HOG NUISANCE AND DEPREDATION RULES

800:25-37-12. General Provisions

In addition to the statutory provisions of Title 29 OS 4-135, the following general provisions shall apply to the issuance of a Nuisance and Depredation Permit:

(1) The Department of Wildlife Conservation (Department) shall create a complaint/permit form, which must be completed and signed by the landowner/lessee and an authorizing Department employee before a permit can be issued.

(2) If the complaint form is approved, the Department shall issue a nuisance/depredation permit. A copy of the permit must be kept on the person of the permittee and all individuals authorized in writing to help the permittee while conducting nuisance wildlife ~~or feral swine~~ control. The permit will detail:

(A) date of complaint received and effective dates of control activities;

(B) location;

(C) method of control;

(D) landowner/lessee information and signature;

(E) name and address of designated agent(s);

(F) the signature of authorizing Oklahoma Department of Wildlife Conservation employee.

(3) Each permit holder shall:

(A) be in possession of a valid Hunting License or proof of exemption, and a valid Fishing & Hunting Legacy permit or proof of exemption and/or a valid Trapping License or proof of exemption. Landowners and/or lessees controlling nuisance wildlife on land owned or leased by them shall be exempt from the Hunting License, Trapping License and the Fishing & Hunting Legacy permit.

(B) be at least 16 years of age for wildlife ~~or feral swine~~ control at night with firearms.

(C) any person who's hunting or trapping license privileges are revoked and is not legally able to purchase a hunting or trapping license, shall not be allowed to possess, or operate under the authority of a depredation permit.

(4) Big game (deer, antelope, elk) complaints must comply with the provisions of 800:25, Subchapter 30.

800:25-37-13. Exemptions

(a) Employees of the Oklahoma Department of Wildlife Conservation and the Oklahoma Department of Agriculture Wildlife Services Division are exempt.

(b) Employees of any city, town or county government shall be exempt from purchasing or possessing the annual Hunting License and Fishing & Hunting Legacy permit while they are on duty.

(c) Certified Nuisance Wildlife Control Operators acting on a documented wildlife complaint in accordance with 800:25, Subchapter 37, Part 1.

~~(d) Permittees controlling feral swine only shall be exempt from possessing the hunting license and Fishing and Hunting Legacy permit.~~

800:25-37-14. Specific Provisions

The following provisions shall be in effect to establish the legal methods that may be used to control nuisance/depredating wildlife ~~or feral swine~~ under such a permit.

(1) permittees are authorized to trap, shoot or euthanize nuisance wildlife in accordance with the stipulations on the permit.

(2) The sale, trade, barter, gifting or retention of beavers and coyotes or parts thereof, including live coyotes, taken under authority of a Depredation Permit is allowed. A copy of the depredation complaint form including the permittee's name and signature must accompany the coyote, beaver or parts thereof. The provisions of Title 29 O.S. 7-503A apply to live coyotes.

(3) permittees must follow all state and federal laws that apply except as otherwise provided in this section.

(4) All wildlife ~~and or feral swine~~ taken under a Nuisance and Depredation Permit shall be disposed of in a proper manner to prevent harm to the public. Carcasses shall be disposed of in accordance with O.S. Title 21, Section 1223.

(5) Traps and other similar devices set shall be checked at least once every 24 hours.

(6) All traps, snares and similar devices shall have the permit holder's name attached (except landowners).

(7) Signs must be conspicuously posted to inform the public that traps are in use. Signs must have minimum dimensions of 5" by 8" and the wording "TRAPS" must be included and be conspicuous on the signs and printed in letters at least 2" tall (except landowners).

(8) The following are legal methods which may be allowed under a Nuisance and Depredation Permit:

(A) box or live traps;

(B) smooth-jawed single spring or double spring offset jawed leg-hold steel traps with a jaw spread of no more than eight inches;

(C) snares which have a locking device that prevents the loop from having a circumference less than 10 inches;

(D) body gripping style traps; size 330 may be used for water sets only; and

(E) shooting where permitted by law or by city ordinance.

(9) All trapping devices must be placed in a manner that will:

(A) minimize the risk of non-target species;

(B) minimize the risk to public and pets; and

(C) be out of the view of the general public.

(10) Shooting with firearms shall be subject to all state, county and municipal restrictions and ordinances.

(11) Night shooting may be allowed under a Depredation Permit only under the following conditions:

(A) Permittee must notify the game warden(s) in the county where activity will occur twenty-four (24) hours prior to such activity;

(B) night shooting beavers shall be with shotguns with buckshot or smaller only; and

~~(C) there are no firearm restrictions for night shooting feral swine; and~~

~~(D)~~ must be conducted in a safe manner to prevent injury to people, livestock and damage to personal property.

800:25-37-16. Feral swine night shooting exemptions

The following rules detail exemptions to shoot feral swine at night under provisions of T29 4-135:

(1) Night Shooting exemptions will only be issued to the deed-holding landowner or a written designee. Only one exemption will be issued per property. The landowner or their written designee may obtain an immediate exemption to night shoot by contacting their game warden in the county in which their property is located. A game warden in an adjoining county may also be contacted to immediately issue the exemption. If the landowner or their written designee does not speak to the game warden by telephone, the landowner or their written designee may leave a voice mail message, send a text message or email to the game warden which will serve as sufficient means for an immediate exemption to shoot feral swine at night. The Wildlife Department may also create an electronic exemption issuance and notification system.

(2) If the initial contact is through the game warden, then the game warden will be responsible for following up with the requesting party to issue a night shooting exemption.

(3) Exemptions shall be valid for one year. Exemptions shall contain the landowner's name, the name of the written designee (if landowner designates someone in place of himself or herself) claiming the exemption, the person's

Permanent Final Adoptions

address, and contact information, plus either a legal description or a listing of the landowner's acreage and location relative to the nearest roadways (e.g.: $\frac{1}{2}$ mile west of the intersection of Hwy 177 and Tooley Rd; on the north side of the roadway; 280 acres). Persons shooting feral swine on a night exemption may not shoot from, to, on or across any public roadway. Anyone under age 18 is recommended to be immediately accompanied by an adult.

(4) Exemptions may be revoked for violations within the last three years of Title 800:25-37-16; Title 29 Section 5-411; Title 29 Section 5-203.1; or municipal law violations (night shooting in a prohibited area).

(5) During the period outside of the 16-day regular firearms deer season - and in areas where firearms deer season(s) is/are not in effect - the landowner or their written designee can allow anyone to night shoot on the landowner's property by providing written or electronic (text/email) permission. At least one person in the group must have a copy of the landowner's or written designee's exemption (written or electronic copy). Any person night shooting during this time period is encouraged to provide some type of advance notification to the local game warden, but advanced notification is not required.

(6) During the 16-day regular firearms deer season - only the landowner or their written designee can night shoot on the property listed on their exemption, and he or she is required to provide some type of advanced notification to the local game warden. The advanced notification can be by text message, voice mail message, email, or through an electronic notification system. Family members (parents, children, grandchildren, sons-in-laws and daughters-in-laws) can assist an exemption holder. At least one person in the group must have a copy of the exemption while night shooting.

(7) Night vision equipment, including image-enhancement technology and thermal imaging technology will be allowed, as will infra-red or what are commonly called 'night scopes'. The use of a hand-held or other powerful light (firearms mounted) shall be allowed and for the purposes of night shooting feral swine, vehicle headlights and vehicle mounted headlights will be allowed. Motor-driven land conveyances to pursue or follow feral swine will be allowed.

(8) There are no firearm restrictions for night shooting feral swine.

(9) Persons controlling only feral swine shall be exempt from possessing the hunting license and Fishing and Hunting Legacy permit.

for a lease that allows public walk-in access for hunting, fishing, and/or wildlife viewing. This rule also establishes some of the basic responsibilities of the landowner, the Department, and the OLAP sportsperson.

800:25-40-2. Definitions

The following words and terms, when used in this Subchapter, shall have the meaning as specified in §29-2-101, in addition to the following, unless the context clearly indicates otherwise:

"Lease activity" means recreation limited to hunting, fishing, and/or wildlife viewing. The plural, 'lease activities' may refer to any combination of the aforementioned activities.

"Lease agreement" means the contract signed by the private landowner and the Department in which the private landowner agrees to allow public walk-in access for hunting, fishing, and/or wildlife viewing.

"OLAP" means and refers to the Oklahoma Land Access Program.

"OLAP walk-in area" means all lands described in the lease agreement to which the private landowner agrees to allow public walk-in access for hunting, fishing, and/or wildlife viewing.

"OLAP sportsperson" means any person accessing an OLAP walk-in area.

"Private landowner" means any individual, agent, trust, partnership, corporation, authorized lessee, association, tribe, or other entity that possesses the legal authority to grant a walk-in access lease.

"Cooperator" means a private landowner that is engaged in an active OLAP walk-in area lease with the Department.

"Stream access areas" means stream access points and/or stream corridors enrolled in the OLAP.

"Stream access point" means a delineated area enrolled in the OLAP that provides access to a stream.

"Stream corridor" means a length of a stream enrolled in the OLAP. These areas may include one or both banks, and the boundaries are delineated by signage and/or the OLAP map directory.

800:25-40-3. Qualifications and enrollment procedures

The following are some of the basic qualifications and procedures for application and enrollment in the Oklahoma Land Access Program:

(1) A qualifying private landowner shall be the owner of record or lessee with both authority and operational control over the lands proposed for OLAP enrollment for the term of the contract.

(2) A qualifying OLAP walk-in area must be accessible from a public road.

(3) A private landowner interested in enrolling in the OLAP must fill out, sign, and submit an enrollment application to the Department representative. Department representatives may assist with completion of enrollment

SUBCHAPTER 40. OKLAHOMA LAND ACCESS PROGRAM

800:25-40-1. Purpose

The purpose of this Subchapter is to establish guidelines and procedures to help administer a walk-in access program in the state of Oklahoma and to compensate private landowners

application forms. Enrollment application forms are available at applicable Department offices and on the Department website.

(4) Applicants must provide:

(A) A legal description of the proposed OLAP walk-in area.

(B) Evidence of property ownership, or a copy of the lease agreement if the applicant is an authorized lessee.

(5) All OLAP lease agreements shall provide a public purpose. Department personnel shall evaluate potential OLAP walk-in areas to determine if the property is suitable for providing public hunting, fishing, and/or wildlife viewing.

800:25-40-4. Lease agreement

Each qualifying private landowner enrolled in OLAP shall enter into a lease agreement in a form provided by the Department with terms and conditions acceptable to the Department pertaining to the OLAP walk-in area.

800:25-40-5. Compensation

The following are some guidelines to help determine payment rates to Cooperators participating in the Oklahoma Land Access Program:

(1) The amount of compensation paid to the Cooperator enrolled in the OLAP shall include consideration of the following variables:

(A) The acreage enrolled as an OLAP walk-in area.

(B) The type(s) of lease activities allowed on the OLAP walk-in area.

(C) The season duration for applicable lease activities.

(2) Additional compensation may be awarded based upon:

(A) Concurrent enrollment by multiple private landowners with adjoining OLAP walk-in areas.

(B) Proximity to major metropolitan areas.

(C) Enrollment of OLAP walk-in area for additional consecutive years.

(D) Enrollment of CRP, EQUIP, WRP, and other conservation easement programs for the remaining duration of the easement program contract.

(E) Concurrent enrollment in other Department programs.

(3) Variables determining compensation are specified in the OLAP walk-in area evaluation document. Walk-in areas are quantitatively scored based on the aforementioned variables to ensure standardized compensation. A copy of the document is given to the Cooperator for their review and records.

800:25-40-6. Landowner responsibilities

The following are some of the basic responsibilities of the Cooperators enrolled in the Oklahoma Land Access Program:

(1) Cooperators must provide public walk-in access for lease activities as provided in the lease agreement. Restriction of public use by the cooperator on an OLAP walk-in area without cause may void the lease agreement.

(2) Cooperators may not separately lease hunting, fishing, or other rights on OLAP walk-in areas that may interfere with the lease activity. Violation of this section may result in cancellation of the lease agreement between the cooperator and the Department.

(3) Cooperators shall allow law enforcement to access the OLAP walk-in area to enforce wildlife regulations.

800:25-40-7. Department responsibilities

The following are some of the basic responsibilities of the Department to Cooperators and OLAP sportspersons in regards to the Oklahoma Land Access Program:

(1) The Department shall evaluate habitat and lease activity opportunities using standardized methods as specified in the OLAP walk-in area evaluation document.

(2) The Department shall provide:

(A) OLAP lease agreement forms.

(B) Signs indicating the type and duration of lease activities on the OLAP walk-in area.

(C) Law enforcement on the OLAP walk-in area.

(D) Current and accurate maps in digital format for OLAP walk-in areas detailing the type and duration of lease activities. Hard copy maps are provided but cannot be guaranteed to be current or accurate due to enrollment of OLAP walk-in areas throughout the year.

(E) Clear signs denoting any changes in access or lease activities at current and former OLAP walk-in areas that may not be reflected in the hard copy map atlas.

800:25-40-8. OLAP sportsperson responsibilities

The following are some of the basic responsibilities of the OLAP sportspersons accessing OLAP properties enrolled in the Oklahoma Land Access Program:

(1) OLAP sportspersons may not access an OLAP walk-in area if it is temporarily closed for agricultural or ranching activities.

(2) OLAP sportspersons are responsible for obtaining current maps in digital or hard copy format to ensure lawful entrance onto an OLAP walk-in area and awareness of the boundaries of the OLAP walk-in area.

800:25-40-9. Right to deny access

The following are some guidelines to help control access to OLAP walk-in areas enrolled in the Oklahoma Land Access Program:

(1) The Department and the Cooperator reserve the right to deny a person access to the OLAP walk-in area described in the lease agreement for causes related to, but not limited to, property damage, wildlife violations, intoxication, trespassing, violations of terms provided in the lease agreement, interference with ranching/farming

Permanent Final Adoptions

activities, harassment of livestock, damaging fences or gates, and entering the OLAP walk-in area with any motorized vehicle.

(2) The Department and the Cooperator reserve the right to deny persons access to the OLAP walk-in area for hunting if migrating Whooping Cranes are present. Access will resume upon the confirmed absence of the Whooping Cranes.

(3) The Cooperator with reasonable notice to the Department, reserves the right to temporarily deny persons access to the OLAP walk-in area when use of the walk-in area might adversely affect agricultural or ranching activities. Access will resume once the activity concludes on the OLAP walk-in area. The duration of the denial of access for work reasons must be consistent with reasonable completion times for agricultural and ranching activities.

GIST/ANALYSIS:

These rule amendments would prohibit intoxicating beverage and low-point beer on shooting range parking areas. Allow suppressors on Department managed lands and at shooting ranges owned or managed by the Department of Wildlife.

CONTACT PERSON:

Alan Peoples, Chief of Wildlife Division, Oklahoma Department of Wildlife Conservation, 2145 N.E. 36th Street, Oklahoma City, OK 73111. Phone: 405/521-2739 or Rhonda Hurst, APA Liaison, phone: 405/522-6279.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 1. USE OF DEPARTMENT MANAGED LANDS

800:30-1-8. Language, disorderly assemblage, noise or other disruptive acts

(a) No person shall use threatening, abusive or indecent language, participate in a disorderly assemblage, nor publicly appear nude or intoxicated on any lands owned or managed by the Oklahoma Department of Wildlife Conservation.

(b) No person shall possess, consume or use any intoxicating beverage or low-point beer, as defined in Title 37, except in camping and parking areas, not including shooting range parking areas, on any lands or waterways subject to the control of the Oklahoma Department of Wildlife Conservation except U.S. Forest Service regulations shall apply to the Black Kettle, Ouachita, Rita Blanca and Tiak Wildlife Management Areas.

(c) Any act or conduct by any person which interferes with, impedes or disrupts the use of Department managed lands or impairs the safety of another person is prohibited. Individuals who are boisterous, rowdy, disorderly or otherwise disturb the peace on Department managed lands or waters may be requested to leave.

(d) The operation or use of any audio or other noise producing device including, but not limited to radios, televisions, or musical instruments and motorized equipment, including vessels or vehicles, in such a manner as to reasonably annoy or endanger persons at any time or exceed state or local laws governing noise levels from motorized equipment is prohibited.

(e) No person shall possess, consume, use or manufacture any controlled or dangerous substance, as defined in Title 63, on any land or waterways subject to the control of the Oklahoma Department of Wildlife Conservation.

(f) No person shall use or possess any explosive devices, including fireworks or firecrackers on Department managed lands.

800:30-1-14. Firearms

(a) Unless otherwise specified, all public land areas open for hunting may be hunted by all methods specified in the annual season regulations as legal for the species sought in the county being hunted.

(b) The possession of fully automatic firearms ~~and/or suppressors~~ are prohibited on any Department managed lands, except for Department personnel and law enforcement officers

in the performance of their duties, and as otherwise provided for military training authorization.

(c) **Corps of Engineers restrictions.** The possession of loaded firearms, ammunition, loaded projectile firing devices, bows and arrows, crossbows, explosives or explosive devices of any kind including fireworks is prohibited on all U.S. Army Corps of Engineers project lands except as permitted for hunting purposes during authorized hunting seasons or being used at an authorized shooting range.

800:30-1-16. Shooting ranges

(a) On all Department owned or managed lands, the discharge of firearms for purposes other than while hunting is restricted to the specific target or shooting ranges provided for public use.

- (1) Shooting ranges are open year-round, unless specified otherwise in the Oklahoma Hunting Guide or signs at the range.
- (2) Shooting hours are official sunrise to official sunset, daily.
- (3) Any person using the shooting range under the age of 16 must be immediately supervised by an adult (18 years old or older).
- (4) All firearms shooting single projectiles or any pellets larger than conventional BB (.180" dia.) must be shot at approved berms and target areas only. Air-borne clay targets may be shot using pellets no larger than conventional BB (.180" dia.).
- (5) All rifle, pistol, shotgun, and muzzleloader targets will consist of paper or clay targets only.
- (6) All paper targets must be removed before leaving the shooting area.
- (7) Centerfire rifles and pistols .50 caliber and larger are prohibited.
- (8) Fully automatic firearms ~~and suppressors~~ are prohibited.
- (9) Fireworks, explosive devices, exploding targets, tracer and incendiary rounds are prohibited.
- (10) Eye and ear protection shall be worn while shooting.
- (11) Shooters, and accompanying adult, must possess a valid Oklahoma hunting license, or combination hunting/fishing license unless exempt.

(b) Exemptions to (a) of this Section may only be granted by the Director of the Oklahoma Department of Wildlife Conservation upon prior submission of a written application setting forth the location, date, nature and purpose of such activity.

Incorporated standards:

IAIABC Electronic Data Interchange Implementation Guide, Release 3.0, and Oklahoma WCC Electronic Data Interchange (EDI) Implementation Guide.

Incorporating rules:

810:1-1-8

Availability:

8:00 a.m. to 5:00 p.m., Monday through Friday at the Oklahoma Workers Compensation Commission offices 1915 N. Stiles Avenue, Oklahoma City, OK 73105, 405-522-3222 and 440 South Houston, Tulsa, OK 74127, 918-295-3732. The incorporated standards are also available online at www.okwccedi.info.

GIST/ANALYSIS:

The rule amendments add definitions and establish procedures necessary to implement an Electronic Data Interchange (EDI) system. The proposed rule sets forth electronic reporting requirements and incorporates EDI implementation guides.

CONTACT PERSON:

Lindsey Christopher, Commission Counsel, OWCC, 212 Kerr State Office Building, 440 S. Houston, Tulsa, Oklahoma 74127, 918-295-3731, lindsey.christopher@wcc.ok.gov.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

810:1-1-2. Definitions

In addition to the terms defined in 85A O.S. § 2, the following words and terms, when used in this Chapter, shall have the following meaning, unless the context clearly indicates otherwise:

Permanent Final Adoptions

"Administrative Law Judge" means an Administrative Law Judge of the Commission to whom the Commission has delegated by order or otherwise, the authority to conduct a hearing.

"AWCA" means the Administrative Workers' Compensation Act, 85A O.S. § 1, et seq.

"Certificate of noncoverage" or "CNC" means a certificate which may be issued by the Oklahoma Workers' Compensation Commission after proper application and reasonable investigation to a sole proprietor or the partners of a partnership who do not elect to be covered by the AWCA.

"Claimant" means a person who claims benefits for an alleged work injury, occupational disease or illness, or death, pursuant to the provisions of the AWCA.

"Claim administrator" means the trading partner sending electronic transactions to the Commission, which can be an insurer filing directly with the Commission on its own behalf, or a servicing company/third party administrator filing on behalf of the insurer.

"Claim Information" means data submitted via First Report of Injury (FROI) or Subsequent Report of Injury (SROI).

"Commission" means the Oklahoma Workers' Compensation Commission, a designee, or an Administrative Law Judge to whom the Commission has delegated responsibility as authorized by 85A O.S. § 21(D).

"Electronic Data Interchange" means the transmission of claim information through electronic means, in a format established by the Commission.

"EDI" means electronic data interchange.

"Executive Director" means the Executive Director of the Commission.

"FROI" means first report of injury.

"Insurer" means the entity responsible for making electronic filings as prescribed by law and these rules. This term includes self-insurers.

"Self-insurer" means any duly qualified individual employer or group self-insurance association authorized by the Commission to self-fund its workers' compensation obligations.

"SROI" means subsequent report of injury.

"Trading Partner" means an entity that has registered with the Commission to exchange data through Electronic Data Interchange.

"Workers' Compensation Commission fee schedule" means a state mandated schedule of maximum allowable reimbursement levels for health care providers, including hospitals, ambulatory surgical centers, and inpatient rehabilitation facilities, rendering reasonable and necessary health care services and supplies to an injured employee for a compensable injury pursuant to the Oklahoma workers' compensation laws.

"Written" means that which is expressed in writing, and includes electronic records.

810:1-1-3. General description of the Oklahoma Workers' Compensation Commission

(a) **History.** The Oklahoma Workers' Compensation Commission was created pursuant to legislation enacted in 2013 and is responsible for administration of the Administrative

Workers' Compensation Act, 85A O.S. § 1, et seq., except as otherwise provided by law.

(b) **Composition.** The Commission is comprised of three members who are appointed by the Governor and confirmed by the Senate for staggered terms. The initial appointments are for two (2), four (4) and six (6) years respectively, as determined by the Governor. Subsequent terms are for six (6) years. One of the initial appointments must be from a list of three (3) nominees selected by the Speaker of the Oklahoma House of Representatives. The Chair of the Commission is appointed by the Governor from among the Commission members. The Chair organizes, directs and develops administrative work, employs administrative staff within budgetary limitations, and performs other duties authorized by law or prescribed by the Commission. The Commission appoints an administrator who is the administrative officer of the Commission and manages the activities of its employees and performs other duties prescribed by the Chair or Commission. The title of the administrative officer shall be Executive Director. The Commission may appoint as many Administrative Law Judges and other personnel as necessary within budgetary limitations to effectuate the AWCA.

(c) **Duties.** It is the Commission's responsibility to apply the law as set out in the AWCA. The Commission has adjudicative, administrative and regulatory functions. Those functions include providing fair and timely procedures for the resolution of workers' compensation disputes; monitoring claims and benefit payments to injured workers, processing settlements and requests for changes in physicians; ensuring that employers maintain required insurance coverage; issuing certificates of noncoverage to eligible applicants; processing and approving applications of employers to act as self-insurers; processing and approving applications related to independent physicians, mediators and case managers; developing and maintaining a workers' compensation fee schedule; providing legal information and assistance to interested persons who have questions concerning the Oklahoma workers' compensation law; and participating in programs to explain the law and functions of the Commission to the general public.

(d) **Main offices of Commission.** The main offices of the Commission are located at: Denver Davison Building, 1915 North Stiles Avenue, Oklahoma City, Oklahoma 73105.

810:1-1-8. Electronic data interchange

(a) **Mandatory compliance.** Mandatory compliance with all provisions of Commission rules pertaining to electronic data interchange shall commence January 1, 2018. Beginning January 1, 2018, claim administrators shall submit all claim information via EDI, according to electronic record layouts adopted by the International Association of Industrial Accident Board and Commissions (IAIABC) in its Release 3 standards, until such time as the Commission may adopt a subsequent release of the IAIABC standards. Any subsequent version of the IAIABC standards is deemed adopted upon approval by the Commission. Claim administrators shall adhere to the IAIABC standards most recently adopted by the Commission. Paper forms postmarked before the mandatory implementation date of January 1, 2018 will be accepted and filed.

(b) Trading partner profile. Each claim administrator shall submit to the Commission's EDI vendor a completed EDI trading partner profile at least two (2) business days before submitting claim information via EDI. A claim administrator shall have a trading partner profile on file with the Commission before EDI submissions from that claim administrator will be accepted. The claim administrator shall report changes to its profile information at least two (2) business days prior to sending transactions containing revised profile-related information to the Commission. Failure to report changes to the trading partner profile information may result in the rejection of an entire transmission or individual transaction(s) containing profile information different from information reported on profile documents mostly recently submitted to the Commission.

(c) Implementation guides incorporated by reference. Claim administrators shall file all claim information according to the IAIABC EDI Implementation Guide for claims, the Oklahoma Workers' Compensation Commission EDI Implementation Guide, which includes, but is not limited to, the Event Table, Element Requirements and Edit Matrix as referenced, and as otherwise specified in these rules. The IAIABC EDI Implementation Guide for claims and the Oklahoma Workers' Compensation Commission EDI Implementation Guide are herein incorporated by reference. The Commission's EDI Implementation Guide can be found at www.okwccedi.info.

(d) Paper forms. On or after January 1, 2018 paper copies of the following forms will not be accepted and will only be satisfied by filing FROI and SROI as specified in the Oklahoma Workers' Compensation Commission EDI Implementation Guide:

- (1) CC-Form-2 Employer's First Notice of Injury;
- (2) CC-Form-2A Employer's Intent to Controvert Claim;
- (3) CC-Form-2A Extension Employer's Application and Authorization for Extension of Time to File CC-Form-2A; and
- (4) CC-Form-4 Report of Compensation Paid/Suspension of Payments.

(e) Social security number. All EDI reports submitted to the Commission shall include the last five (5) digits of the claimant's social security number, in addition to other information that may be required. If no social security number can be obtained, the report shall include the worker's USCIS (green card) number, employment visa number, or passport number.

(f) Catastrophic event. Claim administrators, who directly or through a third party vendor, experience a catastrophic event resulting in the insurer's failure to meet timely filing requirements, shall submit a written or electronic request to the Commission for approval to submit required electronic form equivalents in an alternative filing timeline. The request shall be sent to the Commission within fifteen (15) days after the catastrophic event. The request shall contain a detailed explanation of the nature of the event, date of occurrence, and measures being taken to resume electronic submission. The claim administrator shall also provide an estimated date by which electronic submission of affected EDI filings will be resumed. Approval

to submit in an alternative filing timeline shall be granted by the Commission if a catastrophic event prevents electronic submission. If approved, the electronic form equivalents that were due to be filed during the time the claim administrator was unable to file due to a catastrophic event, shall be sent with Late Reason Code "LB" (Late notification/payment due to Natural Disaster) or "LC" (Late notification/payment due to an act of Terrorism).

Lindsey Christopher, Commission Counsel, OWCC, 212 Kerr State Office Building, 440 S. Houston, Tulsa, Oklahoma 74127, 918-295-3731, lindsey.christopher@wcc.ok.gov.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 1. GENERAL PROVISIONS

810:10-1-3. Definitions

In addition to the terms defined in 85A O.S. § 2, the following words and terms, when used in this Chapter, shall have the following meaning, unless the context clearly indicates otherwise:

"Acceptable Electronic Signature Technology" means technology that is capable of creating a signature that is unique to the person using it, is capable of verification, is under the sole control of the person using it, and is linked to the data in such a manner that if the data is changed, the electronic signature is invalidated.

"Administrative Law Judge" means an Administrative Law Judge of the Commission to whom the Commission has delegated by order or otherwise, the authority to conduct a hearing.

"Attorney" means an attorney licensed to practice law in Oklahoma and a member in good standing of the Oklahoma Bar Association, or an out-of-state attorney.

"AWCA" means the Administrative Workers' Compensation Act, 85A O.S. §§1, et seq.

"Business day" means a day that is not a Saturday, Sunday, or legal holiday.

"Certified workplace medical plan" means an organization that is certified by the Oklahoma State Department of Health to provide management of quality treatment to injured employees for injuries and diseases compensable pursuant to the workers' compensation laws of the State of Oklahoma.

"Claim administrator" means the trading partner sending electronic transactions to the Commission, which can be an insurer filing directly with the Commission on its own behalf, or a servicing company/third party administrator filing on behalf of the insurer.

"Claim for compensation" means a Commission prescribed form filed by or on behalf of an injured worker or the worker's dependents to initiate a claim for benefits pursuant to the AWCA for an alleged work injury, occupational disease or illness, or death.

"Claim Information" means data submitted via First Report of Injury (FROI) or Subsequent Report of Injury (SROI).

"Claimant" means a person who claims benefits for an alleged work injury, occupational disease or illness, or death, pursuant to the provisions of the AWCA.

"Commission" means the Oklahoma Workers' Compensation Commission, a designee, or an Administrative Law Judge to whom the Commission has delegated responsibility as authorized by 85A O.S. § 21(D).

"Commission Chair" means the Chair of the Oklahoma Workers' Compensation Commission.

"Continuance" means postponing a hearing from the time or date set, and rescheduling it on a later time or date.

"Controverted claim" means there has been a contested hearing before the Commission over whether there has been a compensable injury or whether the employee is entitled to temporary total disability, temporary partial disability, permanent partial disability, permanent total disability, or death compensation.

"Discovery" means the process by which a party may, before the hearing, obtain evidence relating to the disputed issue or issues from the other parties and witnesses.

"Document" means any written matter filed in a cause, including any attached appendices.

"Electronic Data Interchange" means the transmission of claim information through electronic means, in a format established by the Commission.

"EDI" means electronic data interchange.

"Electronic Signature" means an electronic symbol, or process attached to or logically associated with a record and executed or adopted by a person with the intent to sign the record.

"Executive Director" means the Executive Director of the Commission.

"FROI" means first report of injury.

"Good cause" means, in the context of a request for continuance or failure of a party to comply with the Rules of this Chapter, circumstances beyond the party's control or that the party could not reasonably foresee. In the context of a claim, defense, or order, it means a reasonable legal basis.

"Insurance carrier" means any stock company, mutual company, or reciprocal or interinsurance exchange authorized to write or carry on the business of workers' compensation insurance in this state, and includes an individual own risk employer or group self-insurance association duly authorized by the Commission to self fund its workers' compensation obligations.

"Insurer" means the entity responsible for making electronic filings as prescribed by law and these rules. This term includes self-insurers.

"Joint Petition Settlement" means a settlement between the employer/insurance carrier and the employee, of all or some issues and matters in a claim for compensation.

"Legal holiday" means only those days declared legal holidays pursuant to 25 O.S. § 82.1 or by proclamation of the Governor of Oklahoma.

"Mediation" means the process of resolving disputes with the assistance of a mediator, outside of a formal administrative hearing.

"Out-of-state attorney" means a person who is not admitted to practice law in the State of Oklahoma, but who is admitted in another state or territory of the United States, the District of Columbia, or a foreign country.

"Pro se" means without an attorney.

"Proceeding" means any action, case, hearing, or other matter pending before the Commission.

"Representative" means a person designated in writing by an injured employee, person claiming a death benefit, employer, insurance carrier or health or rehabilitation provider, to assist or represent them before the Commission in a matter arising under the AWCA.

"Sanction" means a penalty or other punitive action or remedy imposed by the Commission on an insurance carrier, representative, employee, employer, or health care provider for an act or omission in violation of the AWCA or a rule, judgment, order, or decision of the Commission.

"Self-insurer" means any duly qualified individual employer or group self-insurance association authorized by the Commission to self fund its workers' compensation obligations.

"SROI" means subsequent report of injury.

"Subpoena" means a Commission issued writ commanding a person to attend as a witness to testify or to produce documents, including books, papers and tangible things, at a deposition or at a hearing.

"Trading Partner" means an entity that has registered with the Commission to exchange data through Electronic Data Interchange.

"Workers' compensation fee schedule" means a state mandated schedule of maximum allowable reimbursement levels for health care providers, including hospitals, ambulatory surgical centers, and inpatient rehabilitation facilities, rendering reasonable and necessary health care services and supplies to an injured employee for a compensable injury pursuant to the Oklahoma workers' compensation laws.

"Written" means that which is expressed in writing, and includes electronic records.

810:10-1-4. Reporting injuries or deaths

(a) Employer's first report of injury (formerly CC-Form 2).

(1) Within ten (10) days after the date of receipt of notice or of knowledge of death or injury that which results in more than three days' absence from work for the injured employee, the employer the loss of time beyond the shift or which requires medical attention away from the work site the claim administrator shall send a report thereof to the Commission as provided in 85A O.S. § 63, on a form prescribed by the Commission that includes, in addition to other required information, the worker's full name and date of birth, and the last four digits of the worker's

Social Security number. The report shall be known as the Employer's First Notice of Injury. The employer also shall send the report to the employer's insurance carrier, if any, within the ten day period file a FROI with the Commission via EDI.

(2) The report shall contain the information required by 85A O.S. § 63 and any additional information prescribed by the Commission.

(3) Failure or refusal of an insurer to comply with the reporting requirements of this Section may subject the insurer to sanctions prescribed in 85A O.S. § 63.

(b) Employer's First or Subsequent Report of Injury (formerly, CC-Form 2A and CC-Form 2A Extension).

(1) Each insurer is required by 85A O.S. § 86 to file a report of controversion, if intending to controvert, within fifteen (15) days of notice or knowledge of injury. Insurer, if intending to controvert, shall do so by the claim administrator making the appropriate FROI and/or SROI filings as provided in the Oklahoma Workers' Compensation Commission EDI Implementation Guide.

(2) A FROI UI (Under Investigation) or SROI UI (Under Investigation) is submitted to request an extension to investigate compensability of the claim. The request must be submitted within the fifteen (15) days after notice of the injury, or by such later date as fixed by the Commission, in its discretion. The extension shall be deemed granted upon request, and extends the filing deadline for a standard time period of thirty (30) days from the original due date of the FROI or SROI for a total of forty-five (45) days from the date of the employer's notice or knowledge of injury/death. The Commission reserves the right to alter the extension period and may audit extension requests.

(3) Within fifteen (15) days of notice or knowledge of injury the claim administrator, if not controverting, shall report first payment of benefits on either a FROI or SROI in accordance with the Oklahoma Workers' Compensation Commission EDI Implementation Guide.

(c) Employer's Subsequent Report of Injury, Report of Compensation Paid (formerly CC-Form-4).

(1) Within fifteen (15) days of the initial payment of a benefit, change in benefit amount, change in benefit type, reinstatement of a benefit or suspension of a benefit, the employer shall file a SROI reporting such initial payment, change, suspension or reinstatement and the reason therefore.

(2) Within thirty (30) days of making the final payment of compensation, including payments made for medical treatment, the employer shall file a SROI FN (Final) reporting such final payment.

(3) The claim administrator shall file a sub-annual report (SROI SA) every 6 months for every indemnity or medical only claim where indemnity and/or medical benefits were paid during the reporting year. For ongoing claims, reports are due six months from the date of injury and every six months following. If the claim is closed prior to the initial six months from when the SROI SA (Sub-Annual) is due, a SROI FN (Final) shall be filed.

Permanent Final Adoptions

(bd) **Additional reporting requirements.** Reports or additional reports with respect to the death, injury and of the condition of the employee shall be sent by the employer to the Commission at such time and in such manner as the Commission may prescribe.

(ee) **Evidentiary effect of reports.** Any report provided pursuant to this Section shall not be evidence of any fact stated in the report in any proceeding with respect to the injury or death for which the report is made.

(d) **Sanctions.** ~~Failure or refusal of an employer to comply with the reporting requirements of this Section may subject the employer to sanctions prescribed in 85A O.S. § 63.~~

810:10-1-5. Commencing temporary total disability compensation and medical benefits

(a) Upon receipt of notice or of knowledge that an employee has been injured, the employer has an obligation under the AWCA to provide that employee with reasonable and necessary medical treatment for the injury, and to pay temporary total disability compensation if the employee is unable to perform the employee's job, or any alternative work offered by the employer, for more than three (3) calendar days. No order from the Commission directing the employer to provide these benefits is required.

(b) The first installment of temporary total disability compensation is due on the fifteenth day after the employer has notice of the injury. By that date, all temporary total disability compensation then accrued shall be paid to the employee, and weekly installment payments shall be made thereafter, unless the employer controverts the employee's right to compensation ~~as provided in 85A O.S. § 86 by timely filing a Commission or requests an extension to determine compensability as prescribed CC Form 2A Employer's Intent to Controvert Claim form with the Commission. To be timely, the employer must file the CC Form 2A within fifteen (15) days after notice of the injury, or by such later date as fixed by the Commission, in its discretion, upon the employer's filing of a CC Form 2A Extension Employer's Application and Authorization for Extension of Time to File CC Form 2A form with the Commission. The request must be postmarked within the fifteen day period after the employer has notice of the injury. The employer shall send a copy of the CC Form 2A to the employee and so certify on the form when filed in 85A O.S. § 86 and 810:10-1-4(b).~~ The employee may request a hearing before an Administrative Law Judge of the Commission no sooner than ten (10) days after filing a claim for compensation with the Commission as provided in 810:10-5-2.

810:10-1-7. Forms and other documents generally

(a) All forms, pleadings, proposed orders, correspondence or other documents submitted to the Commission shall:

- (1) be typewritten or printed legibly on 8 ½" by 11" paper, unless electronically filed;
- (2) refer to the Commission file number if assigned;

(3) bear the typed or printed name, mailing address, telephone number, and signature, of the person who prepared the document, including the firm name if applicable; and

(4) include the attorney's Oklahoma Bar Association number, if the document is submitted by an attorney licensed to practice law in Oklahoma.

(b) The signature of an attorney or party constitutes the following:

(1) a certification that the claim, request for benefits, request for additional benefits, controversion of benefits, request for a hearing, pleading, form, motion, or other paper has been read;

(2) that to the best of his or her knowledge, information, and belief formed after reasonable inquiry, it is well grounded in fact and is warranted by existing law or a good faith argument for the extension, modification, or reversal of existing law; and

(3) that it is not brought for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation.

(c) If a claim, request for benefits, request for additional benefits, request for hearing, pleading, motion, or other paper:

(1) is not signed, it shall be stricken unless it is signed promptly after the omission is called to the attention of the pleader or movant; or

(2) is signed in violation of the AWCA, the Commission, including Administrative Law Judges, on motion or on their own initiative, shall impose an appropriate sanction as prescribed in 85A O.S. § 83.

(d) An electronic signature using acceptable electronic signature technology may be used to sign a document or a form and shall have the same force and effect as a hand written signature.

(e) All documents filed with the Commission shall be served on all parties and shall have a certificate of service setting forth the manner of such service. A copy of all correspondence addressed to the Commission with respect to a pending matter shall be sent to all parties at the time it is sent to the Commission and shall list the parties to whom copies were sent.

(f) All forms filed with the Commission, except forms submitted via EDI, shall be file-stamped by the Clerk of the Commission on the date of receipt.

(g) All FROI and SROI filings properly submitted through EDI according to the standards specified in 810:1-1-8 shall be deemed to comply with the requirements of this section.

810:10-1-8. Display and use of an individual's Social Security number

Unless otherwise ordered or as otherwise provided by law, every filer may limit the employee's or the employee's dependent's Social Security number to only the last ~~four~~ five (5) digits of that number in all pleadings, papers, exhibits or other documents, or Commission forms prescribed by the Commission. The responsibility for following this provision rests solely with counsel, the parties, or any other filer. The Clerk of the Commission or other Commission personnel shall not have any duty to review documents for compliance with this

provision. If a filer includes the Social Security number in any document filed with the Commission, the document becomes a public record as filed. Nothing in this Section shall impact the confidentiality of any records the Legislature has determined are confidential.

810:10-1-9. Who may appear before Commission

(a) Attorneys licensed to practice law in Oklahoma and members in good standing of the Oklahoma Bar Association may appear on behalf of parties to litigation before the Commission and in Joint Petition Settlement proceedings before the Commission. Legal interns licensed by the Oklahoma Supreme Court may appear on behalf of a party only on matters properly within the scope of their license. Out-of-state attorneys who have complied with the requirements of Chapter 1, Appendix 1, Article II, Section 5 of Title 5 of the Oklahoma Statutes may appear on behalf of a party with leave of the Commission. The attorney shall file an entry of appearance with the Commission as provided in 810:10-1-10.

(b) Persons other than licensed attorneys, including adjusters, may file standard, administrative reporting forms such as the ~~Employer's First Notice of Injury~~ FROI per 810:10-1-4(a) and notice of compliance with payment and reporting obligations related to Multiple Injury Trust Fund assessments (85A O.S., § 31) and Self-insurance Guaranty Fund assessments (85A O.S., § 98), which are required by law and/or Commission rules, are not considered legal pleadings, and the submission of which in no way is intended as an act of legal representation. Persons other than licensed attorneys may not assume an advocate's role or introduce evidence or examine witnesses in proceedings before the Commission or an Administrative Law Judge.

(c) An individual may appear pro se or by an attorney. A corporation, limited liability company, insurance carrier, individual own risk employer, and group self-insurance association, may appear only by its attorney.

810:10-1-10. Contact information for service of notice; entry of appearance; leave to withdraw

(a) Contact information for service of notice.

(1) Each party, upon instituting or responding to any proceedings before the Commission, shall file with the Commission the party's address, or the name and address of any agent upon whom notices shall be served to such party or agent at the last address so filed with the Commission. A party, including a claimant acting pro se, shall promptly communicate any change of address to the Commission's Docket Office.

(2) An attorney of record, as defined in Subsection (d) of this Section, shall give notice of a change of address by providing the Commission's Docket Office with a copy of the letterhead containing the new address and a list containing the Oklahoma Bar Association number of each attorney member of the firm who regularly appears before the Commission.

(3) Notice and service of documents may be made as prescribed in 12 O.S. § 2005(B). It is the responsibility

of parties to an action before the Commission to provide a current mailing address, and email address if available, to Commission staff. Notices and documents sent to the last known address or email address on file with the Commission, are presumed delivered in a timely manner, and presumed received.

(b) Entry of appearance.

(1) An entry of appearance shall be filed by any attorney or law firm representing any party in any proceeding before the Commission. No attorney or law firm will be recognized in any case before the Commission unless the attorney or law firm duly entered their written appearance. When an entry of appearance has been duly filed by a law firm, any attorney member of that firm may appear and be recognized by the Commission. All entries of appearance when filed shall be accompanied by a written authorization signed by the client and attorney identifying the attorney or law firm as the client's representative, as defined in 810:10-1-3, to provide services in the workers' compensation matter, including the presentation of evidence as provided in 85A O.S. § 71(C)(1)(a).

(2) An appearance on behalf of the employer/insurance carrier shall be filed no later than ten (10) days after the employer/insurance carrier's receipt of a file-stamped copy of a claimant's claim for compensation filed pursuant to 810:10-5-2. The entry of appearance for the employer/insurance carrier shall identify whether or not the employer is an active member of a certified workplace medical plan in which the claimant is potentially enrolled, and if so, the name of the plan.

(c) Leave to withdraw.

(1) Once an entry of appearance has been filed, Leave to Withdraw can only be had upon written order of the Commission following appropriate notice to the client and the opposing side. Substitution of Counsel may be had by filing with the Commission and serving on the opposing party a notification of the substitution, signed by the attorney of record, the substituted attorney and the client. Notification of the substitution when filed shall be accompanied by a written authorization signed by the client and substituted attorney identifying the attorney as the client's representative to provide services in the workers' compensation matter, including the presentation of evidence as provided in 85A O.S. § 71(C)(1)(a).

(2) Except when an attorney's representation has been terminated at the client's initiative, no attorney shall be allowed to withdraw as an attorney for a party when that attorney has signed the pleadings necessary to perfect an appeal to the Commission en banc. This prohibition shall apply until the appeal has been fully submitted to the Commission en banc for consideration. This prohibition shall not apply if another attorney has entered an appearance for the appealing party before the filing of the application to withdraw.

(d) Attorney of record.

(1) The attorney of record for the claimant in a case shall be the attorney signing the first claim for compensation filed in the case for the claimant as provided in

Permanent Final Adoptions

810:10-5-2. Any other attorney who files an entry of appearance on behalf of any party in the case or who is identified as a substitute attorney pursuant to a notice of substitution of attorney shall also be considered an attorney of record. The Commission shall send notices to all attorneys of record until a substitution of attorney has been filed or an Application for Leave to Withdraw has been filed and granted by the Commission. Various attorneys may appear before the Commission in a matter, but notice shall be sent only to those attorneys who are an "attorney of record" as defined in this Subsection.

(2) Attorneys of record who change law firms shall notify the Commission of the status of the representation of their clients, and shall immediately seek Leave to Withdraw, when appropriate.

(e) **Attorney leave requests.** Attorneys must make leave requests at least seven (7) weeks in advance. Requests for leave that exceed a total of two (2) consecutive weeks must be approved by the Chief Administrative Law Judge and Presiding Court of Existing Claims Judge. Leave requests may be submitted via the online request form on the Commission's website at www.ok.gov/wcc or submitted directly to the Commission's docket office.

SUBCHAPTER 3. INFORMAL DISPUTE RESOLUTION PROCESSES

810:10-3-3. Counselor program

(a) The Commission shall maintain a workers' compensation counselor program to assist injured employees, employers and persons claiming death benefits under the AWCA. The program shall be administered by the Counselor Division of the Commission.

(b) A Division counselor shall:

- (1) meet with or otherwise provide information to injured employees;
- (2) investigate complaints;
- (3) communicate with employers, insurance carriers, individual own risk employers, group self-insurance associations, and health care providers on behalf of injured employees;
- (4) provide informational seminars and workshops on workers' compensation for medical providers, insurance adjusters, and employee and employer groups; and
- (5) develop informational materials for employees, employers and medical providers.

(c) Notice of the availability of the services of the counselor program and of the availability of mediation and other forms of alternative dispute resolution to assist injured workers shall be mailed to the injured worker within ten (10) days of the filing of the ~~Employer's First Notice of Injury~~ FROI as provided in 810:10-1-4(a). Information about the counselor program and the availability of alternative dispute resolution also shall be made part of the Commission's training materials for self-insurers and claims representatives handling Oklahoma workers' compensation claims.

810:10-3-5. Preliminary conferences

(a) At the Commission's discretion the first prehearing conference shall be directed to the preliminary conference docket of a Benefit Review Officer of the Commission. Pursuant to 85A O.S. § 70, the Benefit Review Officer shall:

- (1) assist unrepresented claimants to enable those persons to protect their rights in the workers' compensation system;
- (2) narrow and define the disputed issues;
- (3) facilitate informal dispute resolution and provide an opportunity for a binding settlement of some or all of the issues;
- (4) prepare at the conclusion of the preliminary conference stipulations of all contested and uncontested issues which shall be signed by representatives of the parties and the Benefit Review Officer; and
- (5) draft a written summary report of the conference within five (5) days after the preliminary conference is closed to be filed in the case.

(b) All unresolved contested issues shall be set by the Commission on the assigned Administrative Law Judge's docket upon the filing of a CC-Form-9 or CC-Form-13.

(c) Benefit Review Officers are authorized to advise unrepresented claimants and to approve Joint Petition Settlements which may result from a preliminary conference; provided, the same Benefit Review Officer who conferred with the claimant may not also approve the Joint Petition Settlement.

(d) A Mediation Conference as provided in this Section may be conducted by agreement of the parties to a workers' compensation dispute or pursuant to a referral order by the assigned Administrative Law Judge following the filing of a request for hearing and assent of the parties to mediate as provided in 85A O.S. § 110. All workers' compensation issues may be mediated except for disputes related to medical care under a certified workplace medical plan or claims against the Multiple Injury Trust Fund.

(e) A Mediation Conference set and conducted as provided in this Section shall be voluntary, informal, nonbinding and strictly confidential. The mediator is authorized to compel attendance at the conference, but is not authorized to compel settlement. Attendance by the parties, and/or a representative of each party having full authority to settle all issues, is required. Failure to attend a Mediation Conference pursuant to this Section without good cause is subject to sanctions for contempt as provided in 85A O.S. § 73(B).

(f) The Mediation Conference may be held in the county where the accident occurred, if the accident occurred in Oklahoma, unless otherwise agreed to by the parties, or as otherwise directed by the Commission. Mediation Conferences involving a nonresident claimant or an accident occurring outside Oklahoma shall be held at the main offices of the Commission in Oklahoma City, Oklahoma, unless otherwise agreed to by the parties, or as otherwise directed by the Commission.

(g) A Mediation Conference may be concluded by any party at any time, by the mediator if in the mediator's discretion it is necessary or an impasse exists, or upon an agreement or settlement being reached by the parties. Whether or not an agreement or settlement is reached, upon conclusion of the

conference, the mediator shall complete the Commission prescribed Report of Mediation Conference form and send a copy to the Commission Counselor Division and to each party. The original Report of Mediation shall be filed in the Commission case file, and if there is none, then shall be retained by the Counselor Division.

(h) Except as otherwise provided in Subsections (d) through (g) of this Section, a Mediation Conference conducted by a Commission Benefit Review Officer shall be conducted according to the policies and procedures applicable to mediation conferences of workers' compensation matters by private mediators as provided in 810:10-3-4, 810:10-3-7 through 810:10-3-11.

SUBCHAPTER 5. HEARINGS CONDUCTED BY ADMINISTRATIVE LAW JUDGES AND COMMISSIONERS

PART 1. COMMENCEMENT OF CLAIMS AND REVIEW OF QUALIFIED EMPLOYER BENEFIT DETERMINATIONS

810:10-5-5. Review of adverse benefit determination by qualified employers [REVOKED]

~~(a) Except as otherwise provided by law, a claimant aggrieved by all or part of an adverse benefit determination upheld by a qualified employer's appeals committee pursuant to 85A O.S. § 211, may appeal the determination to the Commission en banc by filing an original and four (4) copies of a Commission prescribed CC Form 211 Request for Review of Adverse Benefit Determination with the Commission within one (1) year after the claimant's receipt of notice that the determination, or part thereof, was upheld. The CC Form 211 shall:~~

- ~~(1) include a copy of the adverse benefit determination being appealed to the Commission en banc; and~~
- ~~(2) clearly and concisely address each issue in the adverse benefit determination that the claimant wants reviewed, and state the relief sought. General allegations of error do not suffice. Allegations of error concerning matters not included in a timely filed CC Form 211 shall be deemed waived.~~

~~(b) The Commission shall assign a file number to the CC Form 211 upon receipt, and, within ten (10) days thereafter, shall mail or send an electronic copy thereof to the qualified employer.~~

~~(c) Proceedings related to oral argument before the Commission en banc and submission by the parties of written arguments as an aid to the Commission en banc shall be governed by 810:10-5-66(e) (f). The qualified employer's written argument shall be accompanied by an appendix that includes a copy of the employer's benefit plan and the entire administrative record established by the internal process of the qualified employer's plan.~~

~~(d) Discovery related to a claim for review under this section shall be governed by Rule 810:10-5-31(e) (d).~~

PART 5. PREHEARING PROCEEDINGS

810:10-5-31. Discovery

(a) **Generally.** Discovery in administrative proceedings before the Commission is governed by this Section.

(b) **Authority of the Administrative Law Judge.** Any party may commence with discovery methods such as depositions, issuance of subpoenas and requests for production, prior to or after invoking the jurisdiction of the Administrative Law Judge. Discovery disputes may be resolved by filing a CC-Form-13 requesting a prehearing conference. The Administrative Law Judge, upon the judge's own motion or on the motion of either party, may permit or perform such discovery or other appropriate action as the judge decides is appropriate in the circumstances, taking into account the needs of the parties to the proceeding and other affected persons and the desirability of making the proceeding fair, expeditious, and cost-effective. If discovery is permitted or performed, the Administrative Law Judge may order a party to the proceeding to comply with the judge's discovery-related orders, issue subpoenas for the attendance of a witness and for the production of records and other evidence at a discovery proceeding, including a deposition, and take action against a noncomplying party as appropriate and consistent with 85A O.S. § 73(B) and 85A O.S. § 83(B).

(c) **Protective orders.** The Commission may issue a protective order to prevent the disclosure of privileged information, confidential information, trade secrets, and other information protected from disclosure to the extent a court could if the controversy were the subject of a civil action in this state, including any orders with respect to subpoenas and attendance of a witness as may be appropriate for the protection of persons, including an order quashing a subpoena, excusing attendance of witnesses, or limiting documents to be produced.

(d) **Subpoenas; costs; fees; service.**

(1) When a witness is required to appear or to produce documentary evidence, a subpoena shall be issued by an attorney authorized to practice law in Oklahoma or under the seal of the Clerk of the Commission. The party requesting the subpoena under the seal of the Commission shall fill it in before issuance. The subpoena may be served by certified mail with return receipt requested or it may be hand delivered. The party requesting the subpoena shall bear the cost of serving it. Except as otherwise provided by law or this Title for physician testimony, fees of a nonparty witness who is subpoenaed to appear before the Commission shall be the same as those allowed to witnesses appearing before the district courts of this state. Party witnesses are not entitled to witness fees.

(2) The party who takes the deposition of a witness or of a party shall bear all expenses thereof, including the cost of transcription, except as otherwise provided in 85A O.S., § 112(J) and 810:10-5-49.

(e) **Completion of discovery by the employer or insurance carrier in contested claims.** Pursuant to 85A O.S. § 111, if the compensability of a claim is contested, the employer or

Permanent Final Adoptions

insurance carrier shall complete and secure a medical evaluation of the claimant within sixty (60) days of the filing of a claim for compensation pursuant to 810:10-5-2.

(f) **Filing Discovery.** No depositions, interrogatories, interrogatory answers, requests for production of documents and things, requests for admissions, or responses thereto, shall be filed with the Commission, except as ordered by the assigned Administrative Law Judge.

PART 7. INITIAL AND SUBSEQUENT PROCEEDINGS

810:10-5-46. Evaluation of permanent impairment

(a) **Generally.** Except for scheduled losses subject to 85A O.S. § 46(A) and as otherwise provided in this Section, member injuries enumerated in 85A O.S. § 46, evaluations of permanent impairment for injuries occurring on or after February 1, 2014, shall be evaluated as a percentage of whole body impairment, not to exceed 350 weeks, 85A O.S. § 46(C), and must be based solely on criteria established by the current edition of the American Medical Association's Guides to the Evaluation of Permanent Impairment as a proportionate loss of use of the body as a whole, using the conversion tables of the guides. Deviations from the Guides are permitted only when specifically provided for in the Guides, or pursuant to an alternative method of evaluation approved pursuant to 85A O.S. § 60 that deviates from or is used in place of or in combination with the Guides. Such deviations must be medically reasonable and necessary, as shown by clear and convincing evidence.

(b) **Change of condition.** Evaluations of permanent impairment which are prepared in support of a Motion of Change of Condition occurring on or after February 1, 2014 shall be performed using the appropriate edition of the AMA Guides, including any approved alternative method of evaluation developed as provided in 85A O.S. § 60 that deviates from or is used in place of or in combination with the Guides, in effect on the date of injury.

(c) **Hearing impairment.** The current edition of the American Medical Association's Guides to the Evaluation of Permanent Impairment, or any alternative method approved pursuant to 85A O.S. § 60 that deviates from or is used in place of or in combination with the Guides, in effect on the date of injury, shall be used to evaluate permanent impairment caused by hearing loss where the last exposure occurred on or after February 1, 2014. Objective findings necessary to prove permanent disability in occupational hearing loss cases may be established by medically recognized and accepted clinical diagnostic methodologies, including, but not limited to audiological tests that measure air and bone conduction thresholds and speech discrimination ability. Differences in baseline hearing levels shall be confirmed by subsequent testing given within four (4) weeks of the initial baseline hearing level test.

(d) **Eye impairment.**

(1) The criteria for measuring and calculating the percentage of eye impairment for an injury occurring on or after February 1, 2014 shall be pursuant to this Subsection.

A physician may deviate from the method of evaluation provided for in this Subsection or may use some other recognized method of evaluation, if the deviation or the method of evaluation is fully explained.

(2) Physicians should consult the American Medical Association's Guides to the Evaluation of Permanent Impairment regarding the equipment necessary to test eye function and for methods of evaluating vision loss. Evaluation of visual impairment may be based upon visual acuity for distance and near, visual fields and ocular motility with absence of diplopia.

(3) Use of corrective lenses may be considered in evaluating the extent of vision loss, 85A O.S. § 46(E).

810:10-5-49. Rules of evidence

(a) **Generally.** The Commission and Administrative Law Judges and are not bound by technical or statutory rules of evidence or procedure, 85A O.S. § 72(A).

(b) **Presentation of evidence.** At the hearing, an opportunity shall be afforded all parties to present evidence and argument with respect to matters and issues involved, although the argument may be restricted to a presentation in written form, to cross-examine witnesses who testify, and to submit rebuttal evidence. During a hearing, irrelevant, immaterial, or unduly repetitious evidence shall be excluded.

(c) **Taking official notice.** The Administrative Law Judge may take official notice of the law of Oklahoma and other jurisdictions, facts that are judicially cognizable, and generally recognized facts within the Commission's specialized knowledge; provided all parties shall be notified either before or during the hearing of the material so noticed, and they shall be afforded an opportunity to contest the facts so noticed.

(d) **Documents.**

(1) A photographic copy of a document which is on file as part of the official records of the Commission will be received without further authentication.

(2) A photographic copy of a public record certified by the official custodian thereof will be received without further authentication. A written statement by such custodian of records that no record or entry of described character is found in his records shall be received as proof of absence of such record.

(3) A photographic copy of a document may be substituted for the original at the time the original is offered in evidence.

(4) A document may not be incorporated in the record by reference except by permission of the Commission or Administrative Law Judge. Any document so received must be precisely identified.

(5) The Commission or Administrative Law Judge may require that additional copies of exhibits be furnished for use by other parties of record.

(6) When evidence is offered which is contained in a book or document containing material not offered, the person offering the same shall extract or clearly identify the portion offered.

(7) The Commission or Administrative Law Judge may permit a party of record to offer a document as part of the

record within a designated time after conclusion of the hearing.

(e) **Witnesses.** All witnesses who appear to testify during a hearing shall first be subject to oath or affirmation and any testimony submitted by deposition shall show on the face thereof that the witness was so qualified.

(f) **Prepared testimony.** Except as otherwise provided in Subsection (g) and (h) of this Section, written testimony of a witness in the form of a notarized affidavit may be received in lieu of direct examination.

(g) **Expert medical testimony.**

- (1) Expert medical testimony may be offered by:
 - (A) a written medical report of the physician;
 - (B) deposition; or
 - (C) oral examination before the Commission or Administrative Law Judge.

(2) Medical opinions addressing compensability and permanent disability must be stated within a reasonable degree of medical certainty. Medical opinions concerning the existence or extent of permanent disability must be supported by competent medical testimony of a physician described in 85A O.S. § 45(C)(1) and shall be supported by objective findings as described in 85A O.S. § 2(31). The medical testimony must include the employee's percentage of permanent partial disability and whether or not the disability is job-related and caused by the accidental injury or occupational disease or illness.

(3) The fact that the medical report constitutes hearsay shall not be grounds for its exclusion; ~~provided, objection.~~

(4) Objection to and request for cross-examination of a Commission appointed independent medical examiner is governed by 85A O.S. § 112(J). The claimant is responsible for scheduling the deposition regardless of which party asserted the objection. The respondent shall choose the court reporter.

(5) Objection to and request for cross-examination of a physician, other than a Commission appointed independent medical examiner, must be made in writing to all parties within ten (10) days after receipt of the physician's report. The party requesting the deposition testimony is responsible for the physician's reasonable charges for such testimony, preparation time and deposition expenses. Arrangements for the deposition shall be made by the offering party.

(h) **Vocational rehabilitation and case management evidence.**

- (1) Testimony of a vocational rehabilitation expert or medical case manager may be offered by:
 - (A) a written report of the vocational rehabilitation expert or medical case manager, as appropriate;
 - (B) deposition; or
 - (C) oral examination before the Commission or Administrative Law Judge.

(2) The fact that the report constitutes hearsay shall not be grounds for its exclusion.

(3) Objection to and request for cross-examination of a Commission appointed vocational rehabilitation evaluator or Commission appointed medical case manager shall be

made in writing to the Commission and all parties within ten (10) days after receipt of the evaluator's or manager's report. The claimant is responsible for scheduling the deposition regardless of which party asserted the objection. The respondent shall choose the court reporter. All costs associated with the deposition shall be borne by the respondent regardless of which party asserted the objection.

(i) **Exhibits.** All exhibits shall be identified by the case style and Commission assigned file number before being submitted.

(j) **Retention and retrieval of exhibits.** For purposes of this part, an exhibit is a document or other evidence that is introduced at a hearing and is marked, offered, and accepted into the record by a judge as an exhibit. Exhibits do not become a permanent part of the Commission file; however, the judge's lists of exhibits must be retained in the Commission file. Exhibits must be retained by the Commission or the office for 60 days after a final decision is served and filed in the case. During this 60-day period, exhibits may be retrieved by the submitting party upon request to the Commission. If no party has retrieved the exhibits after 60 days, the exhibits will be destroyed.

810:10-5-50. Setting of matters

(a) **General.** All contested hearings to decide the rights of interested persons under the AWCA shall be set before an Administrative Law Judge, except as otherwise provided by law or this Title.

(b) **Exceptions.** The Commission en banc shall hear appeals of decisions from Administrative Law Judges, 85A O.S. § 78; ~~and review adverse benefit determinations made pursuant to 85A O.S. § 211 of the Oklahoma Injured Employee Benefit Act, 85A O.S. § 200.~~

(c) **Show cause hearings.** When a Commission Division contests a permit or license holder's compliance with state workers' compensation laws or Commission rules, the Division may cause notice to be issued to the permit or license holder to appear before an Administrative Law Judge or an administrative hearing officer designated by the Commission to show why the holder's permit or license should be renewed or should not be cancelled or revoked. The notice shall contain a date certain for the hearing. Failure to appear at the hearing may result in the nonrenewal, cancellation or revocation of the permit or license. Appearances at the hearing are governed by 810:10-1-9. The permit or license holder is to bring all reports and payments for delinquent assessments or other documentation pertinent to the hearing to the show cause hearing. Evidence and witnesses may be presented at the hearing.

PART 13. DISMISSALS

810:10-5-85. Dismissals

(a) **Generally.** Except as otherwise required by law, unless good cause is shown, dismissal of a complaint shall be without prejudice.

(b) **Untimely prosecution or failure to prosecute claim.**

Permanent Final Adoptions

(1) The Commission, on motion and after notice and hearing, may dismiss a claim for compensation with prejudice if no bona fide request for hearing with respect to the claim has been made within six (6) months of the filing of claim. The Commission may set such claims on a disposition docket.

(2) The Commission shall dismiss a claim for additional compensation without prejudice to refile of the claim within the limitation period specified in 85A O.S. § 69(B), if no bona fide request for hearing with respect to the claim has been filed within six (6) months after the filing of the claim for additional compensation. A claim for additional compensation is described in 85A O.S. § 69(B)(C)(D).

(c) **Request of party filing claim for compensation.** Voluntary dismissal of a claim for compensation pursuant to a request of the worker is authorized in 85A O.S. § 108. This law gives the injured worker, upon order of the Commission and payment of the \$140.00 final award fee provided for in 85A O.S. § 118, the right to dismiss the worker's claim for compensation at any time before final submission of the case to the Commission for decision. The worker's application for dismissal shall be made on a Commission prescribed CC-Form-100 upon payment of the \$140.00 final award fee or execution of a payment plan approved by the Commission's business office. The dismissal shall be without prejudice, unless the Commission's order on the CC-Form-100 clearly identifies the dismissal as with prejudice. Prior to entering an order for dismissal with prejudice, the Commission may require notice and an evidentiary hearing.

PART 15. SETTLEMENTS

810:10-5-95. Joint petition settlements.

(a) Under 85A O.S. § 87 and 85A O.S. § 115, upon and after the filing of a claim for compensation, or, in the absence of a claim for compensation, the filing of the ~~Employer's First Notice of Injury~~ FROI per 810:10-1-4(a) in a claim involving a pro se employee, the parties may engage in a compromise and release of any and all liability which is claimed to exist under the AWCA on account of the injury or occupational disease or illness, subject to approval by the Commission, an Administrative Law Judge, or a Benefit Review Officer.

(b) The parties in interest to a claim for compensation may settle upon and determine any and all issues and matters by agreement, subject to the terms and conditions of this Section.

(c) Any agreement submitted to the Commission, Administrative Law Judge or Benefit Review Officer of the Commission's Counselor Division, for approval shall be set forth in a Commission prescribed CC-Joint Petition Settlement. Nothing in this rule shall preclude the Multiple Injury Trust Fund from compromising a claim as authorized by 85A O.S. § 32(F).

(d) No CC-Joint Petition Settlement agreement shall be binding on the parties in interest unless it is approved by the Commission pursuant to 85A O.S. § 22, Administrative Law Judge of the Commission pursuant to 85A O.S. § 115, or a

Commission Benefit Review Officer pursuant to 85A O.S. § 70. The CC-Joint Petition Settlement, including any attached appendix as provided in 85A O.S. § 115(B), identifying the outstanding issues that are subject to the Commission's continuing jurisdiction and possible reopen, shall be approved unless it is determined that:

(1) The agreement is unfair, unconscionable, or improper as a matter of law; or

(2) The agreement is the result of an intentional misrepresentation of a material fact; or

(3) The agreement, if for permanent disability, is not supported by competent medical evidence as required by 85A O.S. § 2(33).

(e) As used in this Section, "parties in interest" means the respondent (employer and the employer's insurance carrier if insured), and an employee. An employee who is not represented by legal counsel may effect a CC-Joint Petition Settlement upon the employer's filing of the ~~Employer's First Notice of Injury~~ FROI as provided in 810:10-1-4(a), or the employee's filing of a claim for compensation (CC-Form-3 or CC-Form-3B), regarding the injury or occupational disease or illness which is the subject of the CC-Joint Petition Settlement.

(f) In no instance shall the total attorney's fee amount provided for in a CC-Joint Petition Settlement exceed the maximum attorney fee allowed by law.

(g) No CC-Joint Petition Settlement shall be made upon written interrogatory or deposition except in cases where the claimant is currently engaged in the military service of the United States, is outside of the state, is a nonresident of Oklahoma, or in cases of extreme circumstances.

(h) A stenographic record of the terms and conditions of an approved joint petition settlement and the understanding of the claimant concerning the effect of the settlement must be made by a Commission court reporter and transcribed at the expense of the employer or insurance carrier. The transcript shall be prepared and provided to the parties within ninety (90) days. Medical reports and other exhibits submitted in support of a CC-Joint Petition Settlement shall not be transcribed. The original exhibits or duplicate copies thereof shall be affixed to the original transcript and placed in the Commission file.

(i) A file-stamped copy of an approved CC-Joint Petition Settlement shall be mailed by the Commission to all unrepresented parties and attorneys of record.

(j) A CC-Joint Petition Settlement that fully and finally resolves all issues in a claim for compensation between the employee and the employer, shall not be deemed an adjudication of the rights between the medical or rehabilitation provider and the employer for reasonable and necessary medical and rehabilitation expenses incurred by the employee due to the injury before the file-stamped date of the approved CC-Joint Petition Settlement.

(k) Within seven (7) days of the date a medical provider provides initial treatment for a work-related accident, the medical provider shall provide notice in writing to the Commission, if and only if, a CC-Form-3 or CC-Form-3B has been filed with the Commission, and in all cases shall provide notice in writing to the patient's employer, and if known, the employer's insurance carrier. If the medical provider fails to provide the

required notification, the medical provider forfeits any rights to future notification, including those circumstances where a case is fully and finally settled by a CC-Joint Petition Settlement, unless the medical provider is actually known to the employer or insurance carrier or is listed by the employee.

(1) If the issue of medical treatment is fully and finally settled by a CC-Joint Petition Settlement, the employee shall provide to the employer or insurance carrier a list of all medical providers known to the employee. The Commission prescribed Form ~~CC-JPS~~CC-Joint Petition Settlement shall be used for that purpose. Within ten (10) days from the file-stamped date of the CC-Joint Petition Settlement, the employer or insurance carrier shall send notice of the CC-Joint Petition Settlement to all medical providers listed by the employee and to all medical providers known to the employer or insurance carrier. The employee is liable for payment of any medical services rendered after the CC-Joint Petition Settlement is filed. The employee also is responsible for informing any future medical providers that the case or issue of medical treatment was fully and finally disposed of by a CC-Joint Petition Settlement and that the employee, rather than the employer or insurance carrier, is the party financially responsible for such services.

PART 17. FEES

810:10-5-105. Fees

Fees payable to the Commission include:

- (1) A fee of One Thousand Dollars (\$1,000.00), payable by each carrier writing worker's compensation insurance in this state, upon securing a license to transact business in this state [85A O.S. § 29(A)];
- (2) A fee of One Thousand Dollars (\$1,000.00), payable by each self-insurer at the time it is approved to self-insure its obligations under the AWCA [85A O.S. § 29(B)];
- (3) An annual fee of One Thousand Dollars (\$1,000.00), payable by third-party administrators [85A O.S. § 29(C)];
- (4) A fee of One Hundred Seventy-five Dollars (\$175.00), payable by a party appealing an order or award of an Administrative Law Judge to the Commission en banc [85A O.S. § 78(B)];
- (5) A fee of One Hundred Dollars (\$100.00), for compiling and transmitting a record for appeal of a Commission order to the Oklahoma Supreme Court, payable by the appealing party [85A O.S. § 78(D)];
- (6) A fee of One Hundred Forty Dollars (\$140.00), payable by the party against whom an award becomes final (i.e. the employer or insurance carrier if there is an award of compensation, or the worker if there is a denial or dismissal of a claim for compensation) [85A O.S. § 118(A)]. Ten Dollars (\$10.00) of the fee is payable by the Commission to the credit of the Attorney General's Workers' Compensation Fraud Unit Revolving Fund;
- (7) A fee of One Hundred Thirty Dollars (\$130.00), payable by the worker if the reopen request is to reopen on a change of condition for the worse, or payable by the

employer or insurance carrier if the reopen request is to reopen on a change of condition for the better [85A O.S. § 118(B)];

- (8) A fee of One Dollar (\$1.00) per page, payable as a copy charge [85A O.S. § 119(A)];
- (9) A fee of One Dollar (\$1.00) per search request for prior claims records, not to exceed One Dollar (\$1.00) per claims record of a particular worker [85A O.S. § 120(B)];
- (10) A fee of Forty-five Dollars (\$45.00), plus postage, if any, for a Commission handbook [85A O.S. § 20(B)]; and
- (11) A fee of Fifty Dollars (\$50.00), payable by an applicant requesting a Certificate of Noncoverage or a renewal thereof [85A O.S., § 36(D)(2)]; and
- (12) Such other fees as may be allowed by law or this Title.

GIST/ANALYSIS:

The rule amendments modify procedures and standards governing medical matters over which the Commission has responsibility under the Administrative Workers Compensation Act, 85A O.S. §§ 1 et seq. The amendments to the 2012 Workers' Compensation Fee Schedule prescribe a billing modifier for Advanced Practice Registered Nurses; amend procedures

Permanent Final Adoptions

pertaining to the qualifications and appointment of Independent Medical Examiners; require certified workplace medical plans to provide the Commission with current website addresses where dispute resolution forms and providers may be accessed by the general public; and correct citations and internal references.

CONTACT PERSON:

Lindsey Christopher, Commission Counsel, OWCC, 212 Kerr State Office Building, 440 S. Houston, Tulsa, Oklahoma 74127, 918-295-3731, lindsey.christopher@wcc.ok.gov.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 3. WORKERS' COMPENSATION FEE SCHEDULE

810:15-3-3. Allowable reimbursement for advanced practice registered nurses

A certified advanced practice registered nurse (APRN) shall be allowed eighty-five percent (85%) of the fee schedule allowance for Evaluation and Management services and other services performed within the advanced practice registered nurse's license and certification, subject to the conditions and procedures set forth in General Ground Rule 13 of the 2012 fee schedule. When billing for services provided by an APRN, use the modifier (-NP).

SUBCHAPTER 9. INDEPENDENT MEDICAL EXAMINERS

810:15-9-1. Qualifications

(a) The Commission shall maintain a list of private physicians to serve as independent medical examiners. The list shall be placed on the Commission's website at <http://www.wcc.ok.gov>.

(b) To be eligible for appointment by the Commission to the list of qualified independent medical examiners, and for retention on the list, the physician must:

- (1) have a valid, unrestricted professional license as a physician which is not probationary;
- (2) have at least three (3) years' experience and competency in the physician's specific field of expertise and in the treatment of work-related injuries;
- (3) be knowledgeable of workers' compensation principles and the workers' compensation system in Oklahoma, as demonstrated by prior experience and attend Commission ~~sponsored~~ approved educational programming at least once every two (2) years, including programming in the Official Disability Guidelines if a treating physician and/or in the American Medical Association's "Guides to the Evaluation of Permanent Impairment" if a rating physician;

(4) have in force and effect health care provider professional liability insurance from a domestic, foreign or alien insurer authorized to transact insurance in Oklahoma. The per claim and aggregate limits of the insurance must be at least One Million Dollars (\$1,000,000.00);

(5) have no felony conviction under federal or state law within seven (7) years before the date of the physician's application to serve as a qualified independent medical examiner; and

(6) have a valid Oklahoma State Bureau of Narcotics and Dangerous Drugs Control (BNDD) registration and federal Drug Enforcement Agency (DEA) registration, as authorized by law for the physician's professional license.

(c) Physicians who are serving unexpired terms as qualified independent medical examiners for the Oklahoma Workers' Compensation Court on February 1, 2014 shall serve as qualified independent medical examiners for the Commission until their respective terms expire, unless voluntarily terminated by the physician or revoked by the Commission, and may reapply for successive qualification periods. The two year period in which to meet the educational requirement in 810:15-9-1(b)(3) commences with the independent medical examiner's first appointment or renewal after February 1, 2014.

810:15-9-4. Requests for assignment

(a) Appointment of an independent medical examiner from the Commission's list of independent medical examiners is governed by this Section. Appointments shall take into account the specialty, availability and location of the examiner. The independent medical examiner selected shall be certified by a recognized specialty board in the area or areas appropriate to the condition under review.

(b) Requests for the appointment of an independent medical examiner may be set for a prehearing conference, at the discretion of the Commission.

(c) An independent medical examiner may be appointed on any issue before the Commission, including to determine if further medical treatment is needed following a full duty release on all body parts by the treating physician. If surgery is recommended by a treating physician, upon written request of the employer made on a CC-Form-13 filed within twenty (20) days of receipt of the treating physician's report, an independent medical examiner who is qualified to perform the type of surgery recommended shall be appointed to determine the reasonableness and necessity of the surgery. The twenty-day request deadline may be waived by agreement of the parties or for good cause shown.

(d) The parties shall send the employee's medical records to the independent medical examiner by regular mail within ten (10) calendar days of receipt of the Commission order assigning the examiner. If necessary, the independent medical examiner may contact persons in whose possession the records or information is located solely for the purpose of obtaining such records or information.

(e) An independent medical examiner's opinion is binding unless there is clear and convincing evidence to the contrary. Deviations by the Commission from the independent medical examiner's opinion must be explained.

SUBCHAPTER 13. CHANGE OF TREATING PHYSICIAN

810:15-13-1. Scope

(a) This Subchapter applies to requests to the Commission for a change of treating physician made by a claimant who is not subject to a certified workplace medical plan. These requests are authorized in 85A O.S. § 56(B).

(b) Requests for a change of treating physician sought by an injured employee of an employer that previously contracted with a certified workplace medical plan are not subject to this Subchapter. Such requests must be made by utilizing the plan's dispute resolution process on file with the State Department of Health.

(c) Each certified workplace medical plan shall notify the Executive Director in writing of the plan's appropriate internet website address where its dispute resolution form(s) and current list of providers may be accessed electronically by the general public. A plan shall notify the Executive Director in writing upon a change of the website address where the required information may be accessed.

SUBCHAPTER 15. MEDICAL DISPUTE RESOLUTION

810:15-15-2. Payment of charges

(a) As provided in 85A O.S., §50(H), payment for medical care required by the AWCA is due within forty-five (45) days of receipt by the employer or insurance carrier of a complete and accurate invoice. The late payment of medical charges, absent good cause, may subject the employer or insurance carrier to a Commission ordered penalty of up to twenty-five percent (25%) of any amount due under the Oklahoma workers' compensation fee schedule that remains unpaid. The Commission also may assess a civil penalty of up to Five Thousand Dollars (\$5,000.00) per occurrence if the Commission finds a pattern of an employer or insurance carrier willfully and knowingly delaying payments for medical care. Any such fines and penalties assessed under the AWCA, upon collection, shall be deposited to the Workers' Compensation Fund created in 85A O.S., § 28.

(b) Medical care provided as recommended by the ODG is presumed reasonable, and also is presumed to be health care reasonably required. In order for the insurance carrier to deny payment for medical services that are recommended by the ODG, the denial must be supported by clear and convincing medical evidence. A medical provider whose services exceed, are not recommended, or are not addressed by the ODG, must support the deviation from the ODG by clear and convincing medical evidence, in writing to the insurance carrier, as a condition of payment for services rendered. Resolution of medical fee disputes involving deviation from the ODG are governed by 810:15-15-4.

810:15-15-3. Medical dispute resolution of fee disputes

(a) **Applicability.** This Section applies to a request to the Commission for a medical fee dispute resolution (MFDR) pertaining to an injury sustained by an injured employee on and after February 1, 2014. Medical fee dispute resolution requests involving an injury occurring before February 1, 2014 shall be resolved in accordance with the statutes and rules applicable to the Oklahoma Workers' Compensation Court of Existing Claims.

(b) **Provider Request for MFDR.** Requests by a health care provider for MFDR shall be filed and processed in the form and manner prescribed in this Section.

(1) **MFDR Form 19.** A provider may initiate proceedings to address a medical fee dispute by filing a Commission prescribed MFDR Form 19 with the Commission. A copy of the form may be obtained from the Commission at its main offices, or from the Commission's website.

(2) **Request for hearing.** A provider may request a hearing for determination of the issues raised on the MFDR Form 19 by filing a request for hearing before an administrative law judge of the Commission as provided in ~~810:2-5-16~~810:10-5-16. The provider shall send a copy of the request for hearing, together with a copy of the MFDR Form 19 and the records and supporting documentation required in Paragraph (4) of this Subsection, to the insurance carrier. The insurance carrier shall file a response to the MFDR Form 19 as provided in Paragraph (5) of this Subsection.

(3) **Contents of MFDR Form 19.** The health care provider's MFDR Form 19 shall include the following information, and such other information as may be required on the form, and shall be signed by the provider under penalty of perjury:

- (A) the name, address, and contact information of the provider;
- (B) the name of the injured employee;
- (C) the date of injury;
- (D) the date(s) of the service(s) in dispute;
- (E) the place of service;
- (F) the treatment or service code(s) in dispute;
- (G) the amount billed by the health care provider for the treatment(s) or service(s) in dispute;
- (H) the amount paid by the workers' compensation insurance carrier for the treatment(s) or service(s) in dispute;
- (I) the disputed amount for each treatment or service in dispute;
- (J) a statement of whether or not there is a final decision regarding compensability, extent of injury, liability and/or medical necessity for the health care related to the dispute; and
- (K) a position statement of the disputed issue(s) which includes:
 - (i) the provider's reasoning for why the disputed fees should be paid,
 - (ii) a discussion of how the AWCA, Commission rules, and/or the Oklahoma workers'

Permanent Final Adoptions

compensation fee schedule impacts the disputed fee issues, including reference to the specific general instruction, ground rule or other provision of the Oklahoma workers' compensation fee schedule serving as the basis for the requested reimbursement, and

(iii) a discussion of how the submitted documentation supports the provider's position for each disputed fee issue.

(4) **Supplemental records and documentation.** The following records and documentation applicable to a provider's MFDR Form 19 shall be sent by the provider to the insurance carrier as provided in Paragraph (2) of this Subsection, but shall not be attached to the MFDR Form 19 when the form is filed with the Commission:

(A) a paper copy of all medical bills related to the dispute, as originally submitted to the insurance carrier;

(B) a paper copy of each explanation of benefits (EOB) related to the dispute as originally submitted to the health care provider;

(C) a copy of all applicable medical records related to the dates of service in the dispute; and

(D) any other documentation that the provider deems applicable to the medical fee dispute.

(5) **Respondent response.**

(A) The insurance carrier shall respond to the MFDR Form 19 by filing a Commission prescribed MFDR Form 10M within thirty (30) days of the file-stamped date of the CC-Form-9 Request for Hearing filed by the provider. The response shall provide any missing information not provided by the health care provider and known to the respondent. The MFDR Form 10M shall include the following information, and such other information as may be required on the form, and shall be signed by the respondent under penalty of perjury:

(i) the name, address, and contact information of the respondent; and

(ii) a position statement of the disputed issue(s) which includes:

(I) the respondent's reasoning for why the disputed fees should not be paid,

(II) a discussion of how the AWCA, Commission rules, and/or the Oklahoma workers' compensation fee schedule impacts the disputed fee issues, including reference to the specific general instruction, ground rule or other provision of the Oklahoma workers' compensation fee schedule serving as the basis for the respondent's position, and

(III) a discussion of how the submitted documentation supports the respondent's position for each disputed fee issue.

(B) The respondent shall send the MFDR Form 10M, together with the following records and documentation applicable to the respondent's MFDR Form

10M, to the provider. The records and documentation shall not be attached to the MFDR Form 10M when the form is filed with the Commission:

(i) a paper copy of all initial and appeal EOBs related to the dispute, as originally submitted to the health care provider, related to the health care in dispute not submitted by the health care provider, or a statement certifying that the respondent did not receive the health care provider's disputed billing before the MFDR Form 19 dispute request;

(ii) a paper copy of all medical bills related to the dispute, if different from that originally submitted to the insurance carrier for reimbursement; and

(iii) a copy of any pertinent medical records or other documents relevant to the fee dispute not already provided by the health care provider.

(6) **Determination of allowable amounts.**

(A) **Audits.** Audits of medical bills to determine the amount allowable under the appropriate Oklahoma workers' compensation fee schedule may be offered by each party. Audits prepared by billing review services, medical bill audit services or in-house auditors may be submitted as evidence reflecting the methodology of the application of the fee schedule. The fee schedule sets maximum amounts allowable but does not prohibit a party from asserting a lesser amount should be paid.

(B) **Referral to the Health Services Division.**

(i) The Commission, at its discretion, may refer medical fee disputes which involve conflicting interpretations of the Oklahoma workers' compensation fee schedule and a reduction by the insurance carrier of the provider's bill for health care services determined to be medically necessary and appropriate for the injured employee's compensable injury, to the Commission's Health Services Division for a recommendation regarding the maximum reimbursement amount allowed under the fee schedule for the services rendered.

(ii) Medical fee disputes involving the denial by an insurance carrier of a bill for services based on denial of compensability of the injured employee's injury or occupational disease, length of treatment, necessity of treatment, unauthorized physician or other ground, shall not be referred to the Division.

(7) **Hearing dockets.** MFDR Form 19 hearings shall be scheduled initially on an administrative docket to determine the payment status of the disputed medical fee charges. If the charges are not paid before the administrative hearing or the parties are unable to resolve the dispute at the administrative hearing, the dispute shall be set on the assigned administrative law judge's hearing docket.

(8) **Appearances.** Appearances at the administrative docket and before the administrative law judge or Commission are governed by 810:10-1-9.

(9) **Mediation.** Nothing in this Subchapter is intended to preclude resolution of medical fee disputes by mediation or agreement of the parties, as appropriate.

SUPERSEDED EMERGENCY ACTIONS:

n/a

INCORPORATIONS BY REFERENCE:

n/a

GIST/ANALYSIS:

The rule amendments add procedures related to certificates of noncoverage, subpoenas issued in compliance investigations, reporting requirements for individual own risk employers and remove the triennial audit requirement for third-party administrators.

CONTACT PERSON:

Lindsey Christopher, Commission Counsel, OWCC, 212 Kerr State Office Building, 440 S. Houston, Tulsa, Oklahoma 74127, 918-295-3731, lindsey.christopher@wcc.ok.gov.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2017:

SUBCHAPTER 1. GENERAL PROVISIONS

810:25-1-1. Purpose

This Chapter establishes procedures and standards for proof of coverage (85A O.S., § 42); issuance of certificates of noncoverage; regulation of individual own risk employers, group self-insurance associations and third-party administrators for workers' compensation purposes (85A O.S., §§ 22, 29, 38, 102 and 103); and enforcement of workers' compensation insurance requirements (85A O.S., § 40), as authorized in the Administrative Workers' Compensation Act, 85A O.S., §§ 1, et seq.

810:25-1-2. Definitions

In addition to the terms defined in 85A O.S., § 2, the following words and terms, when used in this Chapter, shall have the following meaning, unless the context clearly indicates otherwise:

"**Administrator**" means the person designated by the supervisory board of members of a group self-insurance association to oversee the financial affairs of the association, accept service of process on behalf of the association, act for and bind the association and members in all transactions either relating to or arising out of the operation of the association.

"**Advisory loss costs**" means the National Council on Compensation Insurance's projections of future claims costs and loss adjustment expenses by classification code.

"**Aggregate excess insurance**" means an insurance product that limits a group self-insurance association's annual aggregate liability to an agreed upon amount.

"**Association**" or "**Group Self-Insurance Association**" means a duly qualified group self-insurance association authorized by the Commission to self fund its workers' compensation obligations.

"**AWCA**" means the Administrative Workers' Compensation Act, 85A O.S., §§ 1, et seq.

"**Board**" or "**Members' Supervisory Board**" means the supervisory board of members of an association.

"**Cancellation short rate penalty**" means a penalty imposed on the member for cancelling its policy before the expiration date of the policy.

"**Certificate of noncoverage**" or "**CNC**" means a certificate which may be issued by the Oklahoma Workers' Compensation Commission after proper application and reasonable investigation to a sole proprietor or the partners of a partnership who do not elect to be covered by the AWCA.

"**Certified audit**" means a financial audit performed by a certified public accountant, accompanied by the auditor's opinion regarding the audit.

Permanent Final Adoptions

"Claims reserves" means workers' compensation claim losses expected to be paid in the future, but does not include IBNR.

"Commission" means the Oklahoma Workers' Compensation Commission, a designee, or an administrative law judge to whom the Commission has delegated responsibility as authorized by 85A O.S., § 21(D).

"Common interest" means employers engaged in the same industry or members of an Oklahoma trade association that has been in business for at least five (5) years.

"Expense constant" means a flat charge included in a workers' compensation policy to cover the costs of issuing and servicing the policy.

"Experience modifier" means a modification to premium based on the claims history of the policyholder.

"IBNR" means incurred but not reported reserves. It includes a reserve for claims that have been incurred, but not yet reported to the individual own risk employer or group self-insurance association, as applicable, and reserves for adverse loss development on known claims.

"Incurred loss" means the total of the paid indemnity and medical losses plus claims reserves, reported by accident year.

"Insurance Department" means the Insurance Department of the State of Oklahoma.

"Joint and several liability" means mutual and individual responsibility of members for the liabilities of the association.

"Loss portfolio transfer" means the transfer of the liabilities of the association to an insurance carrier for an agreed upon premium.

"Member" means an individual member of an association.

"NCCI" means the National Council on Compensation Insurance, a national source for information on workers' compensation insurance, tools and services, and the provider of advisory ratemaking and statistical services in Oklahoma.

"Partnership" means a type of unincorporated business organization in which two or more individuals own the business and are equally liable for its debts.

"Pro forma financial statement" means a hypothetical financial statement showing revenues and expenses that may be recognized in the upcoming fiscal year.

"Proof of coverage" means the statutory filings of workers' compensation policy information to the NCCI.

"Scopes Manual" is a catalog of four-digit workers' compensation codes based on the nature of business and estimated risk to its workers.

"Self insured retention" means the individual own risk employer's or group self-insurance association's retained amount of risk under a specific excess insurance policy, before the liability is transferred to an insurance carrier.

"Sole proprietor" means an individual (or married couple) who is sole owner of a business that is neither a partnership nor an incorporated or limited liability company.

"Solvency" means a member whose assets are greater than its liabilities and who is capable of meeting its financial obligations to the association.

"Specific excess insurance" means an insurance product that limits the liability of an individual own risk employer or group self-insurance association specific occurrence liability to an agreed upon amount.

"Standard premium" means experience modified workers' compensation premium that has not been discounted.

"Statutory limits" means an insurance carrier's amount of liability under a specific excess insurance policy, capped at the maximum amount allowed by statute.

"TPA" or "Third-Party Administrator" means any person defined in 36 O.S., § 1442 of the Third-Party Administrator Act as an "administrator".

"Unearned premium" means the share of the members' premiums applicable to the unexpired portion of the policy terms.

810:25-1-3. Proceedings related to permit actions

The Commission may deny an application, refuse to issue or renew, or revoke a Certificate of Noncoverage (Subchapter 5 of this Chapter), or a permit for Individual Own Risk Employer (Subchapter 9 of this Chapter), Group Self-Insurance Association (Subchapter 11 of this Chapter) or Third-Party Administrator (Subchapter 13 of this Chapter) as provided in this Chapter. Proceedings related to such Commission actions shall be governed by 810:10-5-50 on show cause hearings and the contested hearings rules set forth in Subchapter 5 of Chapter 10 of this Title.

SUBCHAPTER 5. DOCUMENTATION OF EXEMPT STATUS

810:25-5-1. Certificate of noncoverage requirements

(a) To request a CNC as authorized by 85A O.S., §36, an individual doing business as a sole proprietor or the partner of a partnership who does not elect to be covered by the AWCA and be deemed an employee thereunder, shall:

(1) Submit a signed and completed Application for Certificate of Noncoverage on a form prescribed by the Commission, to the following address: Oklahoma Workers' Compensation Commission, Attention: INSURANCE DIVISION, 1915 North Stiles Avenue, Oklahoma City, Oklahoma 73105. The application shall be notarized and signed by the applicant under penalty of perjury. Illegible, incomplete or unsigned applications will not be considered and shall be returned. A copy of the application form may be obtained from the Commission at the address set forth in this Paragraph, or from the Commission's website;

(2) Pay to the Commission a nonrefundable application fee of Fifty Dollars (\$50.00) with the Application for Certificate of Noncoverage. The fee may be charged and shall be collected from each individual who applies for a CNC;

(3) Provide such substantiating documentation in support of the application as may be required by the Commission; and

(4) Verify that the applicant will notify the Commission in writing upon any change affecting the applicant's qualifications as provided in this Subsection.

(b) The application shall be reviewed by the Commission's Insurance Division. If the application is determined to be sufficient, the Division will issue a Certificate of Noncoverage for a period of two years. If the application is determined to be deficient, the Division will notify the applicant thereof, stating the reasons for the deficiency. If the deficiency cannot be resolved within the stated time from the Division, the application will be denied.

810:25-5-2. Revocation of certificate of noncoverage

The Commission may revoke a CNC for cause, including, but not limited to, material misrepresentation on the CNC application, or refusal or substantial failure of the CNC holder to notify the Commission of any change affecting the holder's qualifications as provided in 810:25-5-1.

810:25-5-3. Renewal process

The criteria for renewal of a certificate of noncoverage shall be the same as that for a new applicant.

SUBCHAPTER 7. ENFORCEMENT OF WORKERS' COMPENSATION INSURANCE REQUIREMENTS

810:25-7-1. Proof of insurance

(a) Whenever the Commission has reason to believe that an employer is required to secure the payment of compensation under the AWCA and has failed to do so, the Commission may make reasonable inquiry of the employer, issue subpoenas and demand proof of current workers' compensation insurance coverage compliant with 85A O.S., § 38 or documentation substantiating the employer's exemption from coverage requirements. Subpoenas issued under this Section shall be governed by 810:10-5-31.

(b) As authorized in 85A O.S., § 40, if no proof of insurance or exemption is provided; or the documentation offered does not substantiate a claimed exemption or is not current, valid proof of insurance in accordance with 85A O.S., § 38; or the employer fails to respond in a timely manner, the Commission shall serve on the employer a proposed judgment declaring the employer to be in violation of the workers' compensation insurance coverage requirements mandated by law and assess a monetary fine against the employer in an amount not to exceed One Thousand Dollars (\$1,000.00) per day of violation.

SUBCHAPTER 9. INDIVIDUAL OWN RISK EMPLOYER PERMIT

810:25-9-13. Notification of changed status

An individual own risk employer must notify the Commission in advance of any change in its financial condition, such

as a bankruptcy filing, potential bankruptcy, or negative net income for a fiscal year, or any change in ownership during the interim period between applications, such as a net financial loss, which may impact the employer's financial ability to pay its compensation. Failure to notify the Commission in a timely manner may result in revocation of the own risk permit. If there is a change in majority ownership of an individual own risk employer, the own risk privilege granted to the employer shall be at the discretion of the Commission and the new entity shall be required to qualify under this Subchapter.

810:25-9-15. Assessments

An individual own risk employer must pay all applicable Multiple Injury Trust Fund assessments (85A O.S., § 31) and all Self Insurance Guaranty Fund assessments (85A O.S., § 98), when due and timely report payment thereof to the Commission as prescribed by law. Failure to do so is grounds for revocation of the individual own risk employer permit, imposition of fines by the Commission, or both revocation and fines. No report to the Commission or Insurance Department shall be required where no payment is due.

SUBCHAPTER 13. THIRD-PARTY ADMINISTRATOR PERMIT FOR WORKERS' COMPENSATION PURPOSES

810:25-13-4. Operating requirements

The TPA must:

- (1) Have adequate personnel on staff to handle the volume and type of work. The TPA may subcontract for services not provided by the TPA, but requested from the self-insurer;
- (2) Be financially solvent, and must report its financial statements on an annual basis to the Commission in an approved form and manner;
- (3) Maintain an adequate Errors and Omissions policy;
- (4) Maintain an adequate Fidelity Bond;
- (5) Establish claims reserves at the most likely outcome. Best case reserving is not allowed.
- ~~(6) Undergo a triennial audit of its claims handling, claims reserving, and internal controls, by independent professionals;~~
- ~~(7) Retain its independence when setting claim reserves. The TPA shall not let the self-insurer influence the amount of the reserve or the closing of a claim;~~
- ~~(8) Maintain an Oklahoma office, if handling a group self-insurance association program; and~~
- ~~(9) Maintain adequate computerized records and paper claims files on each claim. A copy of this information must be made available for the Commission's review at all times upon request.~~

[OAR Docket #17-619; filed 7-11-17]

Executive Orders

As required by 75 O.S., Sections 255 and 256, Executive Orders issued by the Governor of Oklahoma are published in both the *Oklahoma Register* and the *Oklahoma Administrative Code*. Executive Orders are codified in Title 1 of the *Oklahoma Administrative Code*.

Pursuant to 75 O.S., Section 256(B)(3), "Executive Orders of previous gubernatorial administrations shall terminate ninety (90) calendar days following the inauguration of the next Governor unless otherwise terminated or continued during that time by Executive Order."

TITLE 1. EXECUTIVE ORDERS

1:2017-23.

EXECUTIVE ORDER 2017-23

I, Mary Fallin, Governor of the State of Oklahoma, pursuant to the power and authority vested in me by Sections 1 and 2 of Article VI of the Oklahoma Constitution hereby order the formation of the Second Century Corporation Commission Task Force (Task Force).

The Task Force will conduct an organizational analysis of the Oklahoma Corporation Commission.

Specifically, the Task Force's analysis shall, at a minimum, include:

1. An assessment of the stated mission, addressing:
 - a. Accuracy in light of modern day agency functions;
 - b. Appropriateness and necessity of current duties;
 - c. If performance of certain functions are better suited to other agencies.
2. A performance assessment, addressing:
 - a. Current workload levels;
 - b. Time required to process workload and individual cases.
3. A staffing assessment, addressing:
 - a. If the agency is properly staffed to meet its mission;
 - b. If the staffing structure of the agency is efficient and effective;
 - c. If the staff has the autonomy and accountability needed to perform their duties.
4. A funding assessment, addressing:
 - a. Whether the agency is properly funded;
 - b. The current funding mechanisms available;
 - c. Funding gaps within individual programs.
5. A structural assessment, addressing:
 - a. The makeup of the Commission and the impact of the Oklahoma Open Meeting Act requirements;
 - b. Trends related to terms of office;
 - c. The appropriateness of the current number of Commissioners;
 - d. Whether the Commission should be appointed, elected, or a combination thereof.

The Task Force shall consist of the Secretary of Energy and Environment (the Secretary), Attorney General or his

designate, a Corporation Commissioner appointed by the Commission, a Senator appointed by the President Pro Tempore, and a State Representative appointed by the

Speaker of the House of Representatives. The Secretary shall serve as the Chair of the Task Force.

The Task Force shall meet at such times and places as the Chair deems appropriate. Members shall serve without compensation. The Office of the Secretary of Energy and Environment shall provide staff and administrative support for the Task Force at the direction of the Secretary. The Secretary is authorized, at his discretion, to contract with a third party to provide consulting services as necessary to carry out the mission of the Task Force. The Task Force shall approve the scope of their analysis.

The Task Force shall consult and engage with stakeholders, including but not limited to entities regulated by the commission and consumer groups, throughout the development of their analysis. The Task Force or the Secretary of Energy and Environment may hold listening sessions or opportunities to engage with stakeholders and members of the public prior to submitting a final report.

All Executive departments, officers, agencies, and employees of this State shall cooperate with the Task Force in carrying out of their duties and responsibilities, including providing any information, records, and reports as may be requested.

The Task Force shall prepare and submit a final report containing a detailed statement of the findings and recommendations of the analysis to the Governor, all Corporation Commissioners, the Attorney General, the President Pro Tempore of the Senate, and the Speaker of the House of Representatives no later than November 15, 2018.

The Secretary of Energy and Environment is directed to use his authorities found in Titles 27A, 52, and 74 of the Oklahoma Statutes to undertake this analysis. The Task Force shall not include within their analysis specific issues, concerns, recommendations, or other actions dealing with any past, current, or future cases, orders, proceedings, actions, enforcements, or other matters before the Corporation Commission; this shall not limit the Task Force in examining the processes related to management issues or workflow before the Corporation Commission.

Executive Orders

This Executive Order shall be distributed to the Members of the Task Force and the Secretaries of State and Energy and Environment.

IN WITNESS WHEREOF, I have set my hand and caused the Great Seal of the State of Oklahoma to be affixed at Oklahoma City, Oklahoma, this the 7 day of August, 2017.

BY THE GOVERNOR OF THE
STATE OF OKLAHOMA

Mary Fallin

ATTEST:
Dave Lopez
Secretary of State

[OAR Docket #17-672; filed 8-7-17]

1:2017-24.

EXECUTIVE ORDER 2017-24

I, Mary Fallin, Governor of the State of Oklahoma, pursuant to the power vested in me by Section 2 of Article VI of the Oklahoma Constitution, hereby declare the following:

1. Due to tornadoes, straight line winds, flooding, and severe storms beginning August 5, 2017 and continuing, there is hereby declared a disaster emergency that threatens the lives and property of the people of this State and the public's peace, health, and safety in Mayes, Rogers, Tulsa, and Wagoner counties.

This declaration may be amended as conditions warrant.

2. It may be necessary to provide for the rendering of mutual assistance among the State and political subdivisions of

the State with respect to carrying out disaster emergency functions during the continuance of the State emergency pursuant to the provisions of the Oklahoma Emergency Management Act of 2003.

3. State agencies, in responding to this disaster emergency, may make necessary emergency acquisitions to fulfill the purposes of this proclamation without regard to limitations or bidding requirements on such acquisitions.

4. The State Emergency Operations Plan has been activated and resources of all State departments and agencies available to meet this emergency are hereby committed to the reasonable extent necessary to protect lives and to prevent, minimize, and repair injury and damage. These efforts shall be coordinated by the Director of the Department of Emergency Management with comparable functions of the federal government and political subdivisions of the State.

This Executive Order shall terminate at the end of thirty (30) days.

Copies of this Executive Order shall be distributed to the Director of Emergency Management who shall cause the provisions of this order to be implemented by all appropriate agencies of state government.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Oklahoma to be affixed at Oklahoma City, Oklahoma, this 9 day of August, 2017.

BY THE GOVERNOR OF THE
STATE OF OKLAHOMA
