TITLE 252. DEPARTMENT OF ENVIRONMENTAL QUALITY CHAPTER 4. RULES OF PRACTICE AND PROCEDURE

[OAR Docket #20-209]

RULEMAKING ACTION:

Notice of proposed PERMANENT rulemaking

PROPOSED RULES:

Subchapter 7. Environmental Permit Process

Part 1. The Process

252:4-7-13 [AMENDED]

Part 3. Air Quality Division Tiers and Time Lines

252:4-7-32 [AMENDED]

252:4-7-33 [AMENDED]

SUMMARY:

The Department of Environmental Quality (Department or DEQ) is proposing to amend the air quality portions of Chapter 4, Subchapter 7 to better align the Department's issuance process and public participation procedures for Part 70 source construction and operating permits with the New Source Review (NSR) permit requirements and Title V operating permit requirements promulgated by the U.S. Environmental Protection Agency (EPA) in 40 C.F.R. Part 51, Subpart I, and 40 C.F.R. Part 70, respectively. The proposal would also provide for the Department's use of online notice for Tier I applications for certain permits. Specifically, amendments are being proposed to subsection (g), (Additional notice content requirements for Clean Air Act Permits) of OAC 252:4-7-13, Notices; OAC 252:4-7-32, Air quality applications - Tier I; and OAC 252:4-7-33, Air quality applications - Tier II. The gist of the proposed rule and the underlying reason for these revisions is to ensure that the State's rules are not less stringent than the federal rules require. This will remove an obstacle in obtaining approval from EPA for relevant portions of Oklahoma's State Implementation Plan (SIP), which will help ensure that the Department retains approval of the state NSR permit program and the Title V operating permit program.

Part 51, Subpart I, and 40 C.F.R. Part 70, respectively. The gist of the proposed rule and the underlying reason for these revisions is to ensure that the State's rules are not less stringent than the federal rules require. This will remove an obstacle in obtaining approval from EPA for relevant portions of Oklahoma's State Implementation Plan (SIP), which will help ensure that the Department retains approval of the state NSR permit program and the Title V operating permit program.

**TITLE 540. PHYSICIAN MANPOWER TRAINING COMMISSION
CHAPTER 50. OKLAHOMA MEDICAL LOAN REPAYMENT PROGRAM**

[OAR Docket #20-214]

RULEMAKING ACTION:

Notice of proposed PERMANENT rulemaking

PROPOSED RULES:

540:50-1-5 [AMENDED]

SUMMARY:

The Board of Commissioners of the Physician Manpower Training Commission, has adopted the proposed change to the approved maximum amount available for **physicians** for the Physician and Physician Assistant Loan Repayment Program.

This rule change also changes the yearly payout for **physicians** over the four year maximum participation period.

The proposed changes would change the maximum amount available for **physicians** from the current \$160,000 to \$200,000 for the Oklahoma Medical Loan Repayment Program. This would change the yearly payout amounts to be \$50,000 at the end of each year of service for a maximum of four years, not to exceed the total debt of the physician. This proposed change is an effort to place rural Oklahoma in a more competitive recruiting position against neighboring states. With the average medical school debt amount increasing each year, the availability of loan repayment assistance is one of the top demands for physicians as they search for a practice location. This change results in the same overall budgeted amount for the Physician and Physician Assistant Loan Repayment Program.

Emergency Adoptions

"If an agency finds that a rule is necessary as an emergency measure, the rule may be promulgated" if the Governor approves the rules after determining "that the rule is necessary as an emergency measure to do any of the following:

- a. protect the public health, safety or welfare,
- b. comply with deadlines in amendments to an agency's governing law or federal programs,
- c. avoid violation of federal law or regulation or other state law,
- d. avoid imminent reduction to the agency's budget, or
- e. avoid serious prejudice to the public interest." [75 O.S., Section 253(A)]

An emergency rule is considered promulgated immediately upon approval by the Governor, and effective immediately upon the Governor's approval or a later date specified by the agency in the emergency rule document. An emergency rule expires on September 15 following the next regular legislative session after its promulgation, or on an earlier date specified by the agency, if not already superseded by a permanent rule or terminated through legislative action as described in 75 O.S., Section 253(H)(2).

Emergency rules are not published in the *Oklahoma Administrative Code*; however, a source note entry, which cites to the *Register* publication of the emergency action, is added to the *Code* upon promulgation of a superseding permanent rule or expiration/termination of the emergency action.

For additional information on the emergency rulemaking process, see 75 O.S., Section 253.

EXECUTIVE ORDER 2020-6

On March 6, 2020, the first case of a novel coronavirus ("COVID-19"), was confirmed in the State of Oklahoma. Since that time, two additional cases of COVID-19 have been confirmed in the State. The United States Centers for Disease Control and Prevention has identified the potential public health threat posed by COVID-19 as "high" both globally and in the United States. While impact in Oklahoma has been minimal to date, it is important for Oklahoma to be ready for this threat.

1. All state agencies shall take steps necessary to protect vulnerable populations, including, but not limited to, restricting access to certain locations and facilities. These locations and facilities may include Veterans Centers, Long-term care facilities, Adult Day Care Centers, and Correctional facilities;
2. State agencies, in responding to this threat, may make necessary purchases to fully prepare for a potential outbreak

within the State. All such purchases must be readily identifiable as such, as following the conclusion of this threat, all such necessary purchases will be audited to determine if they were made for purposes consistent with this Order; and

3. State agencies shall continue to follow guidance for interaction with the public provided by the Oklahoma Department of Health.

Copies of this Executive Order shall be distributed to all agency directors who shall cause the provisions of this Order to be implemented.

IN WITNESS WHEREOF, I have set my hand and caused the Great Seal of the State of Oklahoma to be affixed at Oklahoma City, this 12th day of March, 2020.
