(\$20) of unearned income, subtract the twenty dollars (\$20) remaining exclusion from their combined earned income;

(B) Subtracting sixty-five dollars (\$65) and one-half of the remainder of their earned income; and

(C) Totaling the ineligible parent(s)' remaining earned and unearned income and, depending on the number of parents in the home, subtracting the SSI FBR for an individual or a couple, per OKDHS Appendix C-1, Schedule VIII.C.

(5) The parent(s)' remaining income is then deemed to the eligible child. When there is more than one eligible child in the home, the parent(s)' remaining income is divided by the number of eligible children in the home.

(6) The deemed income is added to the eligible child's own countable unearned income. When the eligible child's deemed and own unearned and earned income, minus appropriate exclusions, per OAC 317:35-5-42(e),(f), and (g), is less than or equal to the SSI FBR for an individual, per OKDHS Appendix C-1, Schedule VIII.C, the child is financially eligible for SoonerCare (Medicaid).

(A) When a child with intellectual disabilities is ineligible for SoonerCare due to the deeming process, he/she may be approved for SoonerCare under the Home and Community Based Services Waiver (HCBS) Program, per OAC 317:35-9-5.

(B) When a child is eligible for Tax Equity & Fiscal Responsibility Act (TEFRA), the income of child's parent(s) is not deemed to him/her.

(C) The parent(s)' income is not deemed to a premature infant born at thirty seven (37) weeks or less whose birth weight is less than twelve hundred (1200) grams or approximately two (2) pounds ten (10) ounces until the child leaves the hospital and begins living with his/her parent(s).

(o) **Deeming when the household includes an ineligible spouse, an eligible spouse, and an eligible and ineligible child.** When the household includes an ineligible spouse, an eligible spouse, one or more eligible children, and one or more ineligible children, the ineligible spouse's income is first deemed to the eligible spouse and the remainder to the eligible child(ren) using the deeming steps in (1) through (6) of this subsection.

(1) The gross unearned and earned income of the ineligible spouse is determined and appropriate exclusions are applied, per (l) of this Section.

(2) An ineligible child allocation is subtracted for each ineligible child in the home, per OKDHS Appendix C-1, Schedule VIII.C. Exception: An ineligible child allocation is not allowed for a child who receives public income-maintenance payments, per 20 C.F.R. § 416.1142 and as listed per (l)(2) of this Section.

(3) If the ineligible spouse's remaining income is less than or equal to the current SSI FBR for a couple minus the current SSI FBR for an individual, no income is deemed to the eligible spouse or eligible child(ren).

(A) Compare the eligible spouse's and each eligible child's own countable income, after applying

appropriate exclusions, per OAC 317:35-5-42(e),(f), and (g) to the current SSI FBR for an individual, per OKDHS Appendix C-1, Schedule VIII.C.

(B) When the eligible spouse's and/or each eligible child's own income is less than or equal to the current SSI FBR for an individual, they are financially eligible for SoonerCare.

(4) If the ineligible spouse's remaining income after subtracting the ineligible child allocation(s) is greater than the current SSI FBR for a couple minus the current SSI FBR for an individual:

(A) Combine the ineligible spouse's post-allocation unearned and earned income and the eligible spouse's unearned and earned income, after applying the appropriate exclusions, per OAC 317:35-5-42(e),(f), and (g);

(B) Subtract the twenty dollars (\$20) general exclusion from the couple's combined unearned income. If there is less than twenty dollars (\$20) of unearned income, then subtract the remainder of the exclusion from the couple's combined earned income; and

(C) Subtract sixty-five dollars (\$65) plus one-half of the remainder from the couple's combined earned income.

(5) If the couple's countable income is less than or equal to the current SSI FBR for a couple, per OKDHS Appendix C-1, Schedule VIII.C, the eligible spouse is financially eligible for SoonerCare and no income is deemed to the eligible child(ren). If the couple's countable income is greater than the current SSI FBR for a couple, the eligible spouse is not financially eligible for SoonerCare.

(6) When the eligible spouse is not financially eligible for SoonerCare, the amount of the couple's income in excess of the SSI FBR for a couple is divided by the number of eligible children in the household. The resulting amount is deemed to each eligible child.

(A) Any income deemed to an eligible child is added to the eligible child's own unearned income.

(B) The eligible child's unearned and earned income are combined after applying appropriate exclusions, per OAC 317:35-5-42(e),(f), and (g).

(C) If each eligible child's resulting countable income is less than or equal to the current SSI FBR for an individual, per OKDHS Appendix C-1, Schedule VIII.C, the eligible child is financially eligible for SoonerCare.

(p) **Deeming from a sponsor to an alien.** Sponsor-to-alien deeming applies regardless of whether the sponsor and the sponsored alien live in the same household or whether the sponsor actually provides any support to the sponsored alien unless (a)(3)(A) applies.

(1) The income of the sponsor and the sponsor's spouse, if applicable, is first determined and applicable exclusions applied, per OAC 317:35-5-42(e).

(2) The appropriate allocation for the sponsor, the sponsor's spouse, and any children of the sponsor is

then subtracted. An ineligible dependent's income is not subtracted from the sponsor's child(ren)'s allocation.

(A) The allocation amount for the sponsor is the current SSI FBR for an individual, per OKDHS Appendix C-1, Schedule VIII.C.

(B) The allocation for each sponsor's spouse and child(ren) of each sponsor is one-half of the current SSI FBR for an individual, per OKDHS Appendix C-1, Schedule VIII.C.

(3) The remaining income amount is deemed to the sponsored alien as unearned income. If the sponsor sponsors multiple aliens, the deemed amount is applied in full to each sponsored alien.

(4) The sponsored alien's unearned and earned income is combined and applicable exclusions applied, per OAC 317:35-5-42(e),(f), and (g). When the alien's countable income and deemed income is less than or equal to the current SSI FBR for an individual, per OKDHS Appendix C-1, Schedule VIII.C, the alien is financially eligible for SoonerCare.

SUBCHAPTER 7. MEDICAL SERVICES

PART 5. DETERMINATION OF ELIGIBILITY FOR MEDICAL SERVICES

317:35-7-40. Eligibility as Qualified Medicare Beneficiary Plus

An individual determined to be categorically related to aged, blind or disabled is eligible for Medical Services as a Qualified Medicare Beneficiary Plus (QMBP) if he/she meets the conditions of eligibility shown in paragraphs (1)-(3) of this subsection. For persons age 65 and older in mental health hospitals, refer to Oklahoma Administrative Code 317:35-9-7.

(1) ~~The individual's/couple's income and resources do not exceed the standards as shown on DHS Appendix C-1, Schedule VI, of which the income standard is based on 100 percent of the Federal Poverty Level.~~ The individual's income and resources do not exceed the standard as shown on OKDHS Appendix C-1, Schedule VI, of which the income standard is based on 100 percent (100%) of the Federal Poverty Level. For an individual whose spouse is not eligible for Medicare, total countable income of the eligible individual must be equal to or less than the QMBP standards for an individual, and the income of both must be equal to or less than the QMBP standards for a couple. For a couple who are both eligible for Medicare, total countable income must be equal to or less than the QMBP standards for a couple.

(2) Countable income and resources are determined using the same rules followed in determining eligibility for individuals categorically related to Aged, Blind or Disabled, except that a \$20 general income disregard is applied to either earned or unearned income, but not both. For couples, only one \$20 general income disregard is given.

- (3) The individual meets all other eligibility conditions for SoonerCare.

SUBCHAPTER 5. ELIGIBILITY AND COUNTABLE INCOME

PART 7. APPLICATION AND ELIGIBILITY DETERMINATION PROCEDURES

317:35-5-63. Agency responsible for determination of eligibility

(a) **Determination of eligibility by ~~OHCA~~-Oklahoma
Health Care Authority (OHCA).** OHCA is responsible for
determining eligibility for the following eligibility groups:

- (1) children
- (2) newborns deemed eligible
- (3) pregnant women
- (4) pregnancy-related services under Title XXI
- (5) parents and caretaker relatives
- (6) former foster care children
- (7) Oklahoma Cares Breast and Cervical Cancer program
- (8) SoonerPlan Family Planning program.
- (9) Programs of All-Inclusive Care for the Elderly

(b) **Determination of eligibility by ~~OKDHS~~DHS.** ~~OKDHS~~DHS is responsible for determining eligibility for the following eligibility groups:

- (1) TANF recipients
- (2) recipients of adoption assistance or kinship guardianship assistance
- (3) state custody
- (4) Refugee Medical Assistance
- (5) aged
- (6) blind
- (7) disabled
- (8) Tuberculosis
- (9) QMBP
- (10) QDWI
- (11) SLMB
- (12) QI-1
- (13) Long term care services
- (14) alien emergency services.

(c) **Determination of eligibility for programs offered
through the Health Insurance Exchange.** Effective October 1, 2013, OHCA assesses applicants who are found to be ineligible for SoonerCare for potential eligibility for affordable insurance programs offered through the Health Insurance Exchange. OHCA does not determine eligibility or ineligibility for those programs. OHCA facilitates the determination for those affordable insurance programs by forwarding applicants' electronic applications to the Health Insurance Exchange.

SUBCHAPTER 18. PROGRAMS OF ALL-INCLUSIVE CARE FOR THE ELDERLY (PACE)

317:35-18-3. Definitions

The words and terms used in this Subchapter have the following meanings, unless the context clearly indicates otherwise:

- (1) **"American Indian/Alaska Native (AI/AN)"** means an individual of Native American descent who has or is eligible for a Certificate of Degree of Indian Blood (CDIB) card;

GIST/ANALYSIS:

The proposed revisions will comply with recent changes in federal law, which provides that individuals under the age of twenty-one, or individuals under the age of twenty-six in the former foster care eligibility group, who become incarcerated, shall not have their eligibility terminated. Eligibility, for the aforementioned populations, will instead be suspended for the duration of the incarceration. Additionally, revisions outline that a redetermination of eligibility, based on information known to the OHCA, will be conducted prior to the inmate's release without requiring a new application. Eligibility will be restored to the date the inmate is released from custody, if the individual meets all other eligibility requirements. The process of restoring SoonerCare eligibility to the date the individual is released from incarceration will involve collaboration between the OHCA, Oklahoma Department of Human Services (DHS), Oklahoma Office of Juvenile Affairs (OJA), and the Oklahoma Department of Corrections (DOC). Of note, coverage and reimbursement of inpatient services, while an individual is incarcerated, will not change through these proposed changes.

only pay for services rendered to individuals residing in a correctional institution as specified in Oklahoma Administrative Code (OAC) 317:35-5-26.

(b) In accordance with federal law, including, but not limited to, 42 United States Code (U.S.C.) § 1396a(a)(84), individuals residing in correctional institutions who are under the age of twenty-one (21) or who meet the former foster care child requirements found at OAC 317:35-5-2, shall have their eligibility suspended for the duration of the incarceration period, except for periods of time that inpatient services are provided as specified in OAC 317:35-5-26.

(c) The effective date of the suspension is the calendar day following the date on which an individual described in (b) of this section becomes incarcerated.

(d) A redetermination of eligibility for an individual described in (b) of this section shall be conducted prior to release to determine if the individual continues to meet the eligibility requirements for SoonerCare. A new application will not be required to redetermine eligibility.

(e) Suspended eligibility shall be restored to the release date after a redetermination of eligibility, when:

(1) The Oklahoma Department of Human Services (OKDHS), using the release date supplied by the Oklahoma Office of Juvenile Affairs (OJA) or the Oklahoma Department of Corrections (DOC), removes the suspension;

(2) The individual reports his or her release to the Oklahoma Health Care Authority (OHCA) within ten (10) calendar days of the release date; or

(3) The individual reports his or her release to OHCA more than ten (10) calendar days from the release date, and there is good cause for the delay in reporting.

GIST/ANALYSIS:

The proposed revisions will revise the formula for calculating the vendor payment for SoonerCare members receiving services in a Nursing Facility (NF) or an Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF/IID). The vendor payment is the monthly amount the member must contribute toward the cost of their care in a long-term care facility. The revisions will establish limitations and/or reasonable requirements before a medical expense can be deducted from the individual's post-eligibility income when determining the vendor payment. Currently, there are no limitations or established criteria by which expenses are quantified or determined to be allowed for deduction. Similar reasonable limits have been implemented by numerous State Medicaid agencies, including that of Arkansas, Colorado, Massachusetts, and Texas.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 14, 2020:

SUBCHAPTER 9. ICF/IID, HCBW/IID, AND INDIVIDUALS AGE 65 OR OLDER IN MENTAL HEALTH HOSPITALS

PART 7. DETERMINATION OF FINANCIAL ELIGIBILITY

317:35-9-68. Determining financial eligibility for care in an ~~ICF/MR~~Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF/IID) (public and private), for ~~HCBW/MR~~HCBW/IID services, and for persons age ~~65~~sixty-five (65) or older in mental health hospitals

(a) **Determining financial eligibility for care in an ~~ICF/MR~~ICF/IID.** Financial eligibility and spenddown for individuals in an ~~ICF/MR~~ICF/IID is determined according to whether or not a spouse remains in the home.

(1) **Individual without a spouse.** For an individual without a spouse, the following rules are used to determine financial eligibility for ~~ICF/MR~~ICF/IID care.

(A) **Income eligibility.** To determine the income of the individual without a spouse, the rules in (i) - (iii) of this subparagraph apply.

(i) If payment of income is made to the individual and another person(s), the income is considered in proportion to the individual's interest.

(ii) If a legal instrument exists which specifies terms of payment, income is considered according to the terms of the instrument.

(iii) After determination of income, the gross income of the individual cannot exceed the categorically needy standard in OKDHS Oklahoma Department of Human Services (OKDHS) Form 08AX001E (Appendix C-1), Schedule VIII. B. 1., to be eligible for ICF/MR/ICF/IID services. If the individual's gross income exceeds this standard, refer to SoonerCare rules for establishing a Medicaid Income Pension Trust [OAC 317:35-5-41.6(a)(6)(B)].

(B) **Resource eligibility.** In order for an individual without a spouse to be eligible for ICF/MR/ICF/IID services, his/her countable resources cannot exceed the maximum resource standard listed in OKDHS Form 08AX001E (Appendix C-1), Schedule VIII. D.

(C) **Vendor payment.** When eligibility for ICF/MR/ICF/IID services has been determined, the vendor payment is computed. For an individual eligible for long-term care in an ICF/MR/ICF/IID, the individual's share of the vendor payment is not prorated over the month. As SoonerCare is the payer of last resort, the full amount of the member's share of the vendor payment must first be applied to the facility's charges before SoonerCare reimbursement begins. See (b) of this Section for calculation of the vendor payment after financial eligibility has been determined.

(D) **First month.** For the first month of care, the following procedures apply when determining the vendor payment:

(i) When an individual enters the facility on the first day of the month, all countable income is considered with the facility maintenance standard allowed.

(ii) When an individual enters the facility after the first day of the month, all countable income is considered with the own home standard allowed in computation of the vendor payment. Only the remaining income actually available is used to compute the vendor payment.

(E) **Equity in capital resources.** If the equity in capital resources is in excess of the standards, certification is delayed up to 30thirty (30) days providing plans are made for the applicant to utilize the excess resource. Certification is made at the point the excess resources have been exhausted, with the effective date of certification being shown as the date on which the resources came within the standard. If the excess

capital resources, along with excess income to be considered against the vendor payment, are in excess of one (1) month's vendor payment, the application is denied.

(2) **Individual with a spouse who is institutionalized in a NF or ICF/MR/ICF/IID, or who receives ADvantage or HCBW/MR/HCBW/IID services, or is 65sixty-five (65) or over and in a mental health hospital.** For an individual with a spouse who is institutionalized in a NF or ICF/MR/ICF/IID, or who receives ADvantage or HCBW/MR/HCBW/IID services, or is 65sixty-five (65) or over and in a mental health hospital, resources are determined for each individual as the amount owned by each individual plus one-half of the jointly owned resources of the couple. Once this separation of assets is made, a resource of either spouse is not considered available to the other during institutionalization.

(A) **Income eligibility.** To determine income for an individual whose spouse is institutionalized in a NF or ICF/MR/ICF/IID, or who receives ADvantage or HCBW/MR/HCBW/IID services, or is 65sixty-five (65) or over and in a mental health hospital, income determination is made individually. The income of either spouse is not considered as available to the other during institutionalization for determination of financial eligibility. See (b) of this Section for post-eligibility calculation of the vendor payment and the community spouse income allowance, if applicable. The rules in (i) - (v) of this subparagraph apply in this situation.

(i) If payment of income is made solely to one (1) or the other, the income is considered available only to that individual.

(ii) If payment of income is made to both, one-half is considered for each individual.

(iii) If payment of income is made to either one (1) or both and another person(s), the income is considered in proportion to either spouse's interest (if payment is to that spouse) or one-half of the joint interest if no interest is specified.

(iv) If a legal instrument exists which specifies terms of payment, income is considered according to the terms of the instrument.

(v) After determination of income, the gross income of the individual cannot exceed the categorically needy standard in OKDHS Form 08AX001E (Appendix C-1), Schedule VIII. B. 1., to be eligible for ICF/MR/ICF/IID care. If the individual's gross income exceeds this standard, refer to SoonerCare rules for establishing a Medicaid Income Pension Trust [OAC Oklahoma Administrative Code (OAC) 317:35-5-41.6(a)(6)(B)].

(B) **Resource eligibility.** In order for an individual with a spouse who is institutionalized in a NF or ICF/MR/ICF/IID, receives ADvantage or HCBW/MR/HCBW/IID services, or is 65sixty-five (65) or older and in a mental health hospital to be

Permanent Final Adoptions

eligible for ~~ICF/MR~~ICF/IID services, his/her countable resources cannot exceed the maximum resource standard for an individual listed in OKDHS Form 08AX001E (Appendix C-1), Schedule VIII. D.

(C) **Vendor payment.** When eligibility for ~~ICF/MR~~ICF/IID services has been determined, the vendor payment is computed. For an individual eligible for long-term care in an ~~ICF/MR~~ICF/IID, the individual's share of the vendor payment is not prorated over the month. As SoonerCare is the payer of last resort, the full amount of the member's share of the vendor payment must first be applied to the facility's charges before SoonerCare reimbursement begins. See (b) of this Section for calculation of the vendor payment after financial eligibility has been determined.

(D) **First month.** For the first month of care, the following procedures apply when determining the vendor payment:

(i) When an individual enters the facility on the first day of the month, all countable income is considered with the facility maintenance standard allowed.

(ii) When an individual enters the facility after the first day of the month, all countable income is considered with the own home standard allowed in computation of the vendor payment. Only the remaining income actually available is used to compute the vendor payment.

(E) **Equity in capital resources.** If the equity in capital resources is in excess of the standards, certification is delayed up to ~~30~~thirty (30) days providing plans are made for the applicant to utilize the excess resource. Certification is made at the point the excess resources have been exhausted, with the effective date of certification being shown as the date on which the resources came within the standard. If the excess capital resources, along with excess income to be considered against the vendor payment, are in excess of one (1) month's vendor payment, the application is denied.

(3) **Individual with a spouse remaining in the home who does not receive ADvantage or ~~HCBW/MR~~HCBW/IID services.** When an individual and spouse are separated due to the individual entering an ~~ICF/MR~~ICF/IID, income and resources are determined separately. However, the income and resources of the community spouse must be included on the application form. At redetermination of eligibility, the community spouse's income must be included in the review process. During any month that the individual is in the ~~ICF/MR~~ICF/IID, income of the community spouse is not considered available to that individual. The following rules are used to determine the income and resources of each:

(A) **Income eligibility.** To determine the income of both spouses, the rules in this subparagraph apply:

(i) If payment of income is made solely to one (1) or the other, the income is considered available only to that individual.

(ii) If payment of income is made to both, one-half is considered for each individual.

(iii) If payment of income is made to either one (1) or both and another person(s), the income is considered in proportion to either the spouse's interest (if payment is to that spouse) or one-half of the joint interest if no interest is specified.

(iv) If a legal instrument exists which specifies terms of payment, income is considered according to the terms of the instrument.

(v) If the individual's gross income exceeds the categorically needy standard as shown on OKDHS Form 08AX001E (Appendix C-1), Schedule VIII. B. 1., refer to SoonerCare rules for establishing a Medicaid Income Pension Trust [OAC 317:35-5-41.6(a)(6)(B)].

(B) **Resource eligibility.** To determine resource eligibility, it is necessary to determine the amount of resources for both spouses for the month of the individual's entry into the nursing facility. Of the resources available to the couple (both individual and joint ownership) an amount will be protected for the community spouse which will not be considered available to the spouse in the ~~ICF/MR~~ICF/IID. OKDHS Form 08MA011E, Assessment of Assets, is used for the assessment prior to application for SoonerCare. The amount determined as the spousal share is used for all subsequent applications for SoonerCare, regardless of changes in the couple's resources. The protected spousal share cannot be changed for any reason. When application for SoonerCare is made at the same time the individual enters the ~~ICF/MR~~ICF/IID, OKDHS Form 08MA012E, Title XIX Worksheet, is used in lieu of OKDHS Form 08MA011E.

(i) The first step in the assessment process is to establish the total amount of resources for the couple during the first month of the entry of the spouse into the ~~ICF/MR~~ICF/IID.

(ii) The community spouse's share is equal to one-half of the total resources of the couple not to exceed the maximum amount of resource value that can be protected for the community spouse, as shown on OKDHS Appendix C-1, Section XI.

(iii) The minimum resource standard for the community spouse is found on OKDHS Appendix C-1, Schedule XI. When the community spouse's share is less than the minimum standard, an amount may be deemed from the other spouse's share to ensure the minimum resource standard for the community spouse. If the community spouse's share equals or exceeds the minimum resource standard, deeming cannot be done.

(iv) If deeming is necessary to meet the minimum resource standard for the community spouse,

the amount that is deemed must be legally transferred to the community spouse within one (1) year of the effective date of certification for SoonerCare. At the first redetermination of eligibility, the worker must document that the resources have been transferred. After the first year of SoonerCare eligibility, resources of the community spouse will not be available to the other spouse and resources cannot be deemed to the community spouse.

(v) After the month in which the institutionalized spouse and community spouse have met the resource standards and the institutionalized spouse is determined eligible for benefits, no resources of the community spouse, regardless of value, will be considered available to the institutionalized spouse. If the resources of the community spouse grow to exceed the original deemed amount, the State cannot require the community spouse to apply any of these excess resources toward the cost of the care of the institutionalized spouse.

(vi) When determining eligibility for SoonerCare, the community spouse's share of resources is protected and the remainder considered available to the spouse in the ICF/MR/ICF/IID.

(vii) The resources determined for the individual in the ICF/MR/ICF/IID cannot exceed the maximum resource standard for an individual as shown in OKDHS Form 08AX001E (Appendix C-1), Schedule VIII. D.

(viii) Once the dollar value of the community spouse's share of resources is established for the month of the other spouse's entry into an ICF/MR/ICF/IID, that amount is used when determining resource eligibility for a subsequent SoonerCare application for ICF/MR/ICF/IID.

(ix) Once a determination of eligibility for SoonerCare is made, either spouse is entitled to a fair hearing. Any such hearing regarding the determination of the community spouse's resource allowance is held within ~~30~~thirty (30) days of the date of the request for the hearing. Either spouse is entitled to a fair hearing if dissatisfied with a determination of:

- (I) ~~the~~The community spouse's monthly income allowance;
- (II) ~~the~~The amount of monthly income otherwise available to the community spouse;
- (III) ~~determination~~Determination of the spousal share of resource;
- (IV) ~~the~~The attribution of resources (amount deemed); or
- (V) ~~the~~The determination of the community spouse's resource allowance.

(x) The rules on determination of income and resources are applicable only when an individual has entered an ICF/MR/ICF/IID and is likely to remain under care for ~~30~~thirty (30) consecutive

days. The ~~30-day~~thirty-day requirement is considered to have been met even if it is interrupted by a hospital stay or the individual is deceased before the ~~30-day~~thirty-day period ends.

(xi) The rules on resources included in this Section apply only to those cases in which an individual begins a continuous period of care in an ICF/MR/ICF/IID on or after September 30, 1989.

(xii) If the individual was admitted prior to September 30, 1989, there is not a protected amount for the community spouse. Resources are separated according to spousal ownership with one-half of jointly owned resources counted for each. In this instance, each spouse's resources are considered separately and the resources of the community spouse does not affect the eligibility of the spouse in the ICF/MR/ICF/IID.

(C) **Vendor payment.** After the institutionalized spouse has been determined eligible for long-term care, the vendor payment is computed. For an individual eligible for long-term care in an ICF/MR/ICF/IID, the individual's share of the vendor payment is not prorated over the month. As SoonerCare is the payer of last resort, the full amount of the member's share of the vendor payment must first be applied to the facility's charges before SoonerCare reimbursement begins. See (b) of this Section for calculation of the vendor payment after financial eligibility has been determined.

(D) **Excess resources.** If the equity in capital resources is in excess of the standards but less than the amount of one (1) month's vendor payment, certification is delayed up to ~~30~~thirty (30) days providing plans are made for the applicant to utilize the excess resource. Certification is made at the point the excess resources have been exhausted, with the effective date of certification being shown as the date on which the resources came within the standard. If the excess capital resources, along with excess income to be considered against the vendor payment, are in excess of the vendor payment, the application is denied.

(b) **Determination of the vendor payment for ICF/MR/ICF/IID.** Calculation of the vendor payment after financial eligibility for care in an ICF/MR/ICF/IID has been established is determined according to whether or not a spouse remains in the home. For the purpose of calculating the community spouse income allowance, spouses receiving ADvantage or HCBW/MR/HCBW/IID services are considered community spouses. The formula for determining the vendor payment for individuals without a spouse or other dependents is in accordance with OAC 317:35-19-21(b).

~~(1) The formula for determining the vendor payment for individuals without a spouse or other dependents is:~~

- ~~(A) Countable income;~~
- ~~(B) Minus the institutional or own home standard;~~
- ~~and~~
- ~~(C) Minus the verified countable medical expenses (only the actual monthly payments being made for~~

medical insurance premiums including Medicare premiums).

(2) ~~The own home standard is the categorically needy standard found on OKDHS Form 08AX001E (Appendix C-1), Schedule VI.~~

(3) ~~The computation for the community spouse's share of resources for individuals with a spouse remaining in the home is the total countable resources divided by two. This amount cannot exceed the maximum resource standard. If it is less than the minimum resource standard, resources are deemed from the institutionalized spouse to the community spouse, up to the minimum standard.~~

(4) ~~The formula for determining the vendor payment for an individual with a spouse remaining in the home, regardless of whether the spouse receives ADvantage or HCBW/MR services, is:~~

~~(A) Determine the institutionalized spouse's monthly income as described in (b)(1) of this Section.~~

~~(B) Determine how much of the institutionalized spouse's income can be deemed to the community spouse:~~

~~(i) Subtract the community spouse's gross income from the maximum monthly income standard on OKDHS Form 08AX001E (Appendix C-1), Schedule XI.~~

~~(ii) The resulting amount is the maximum amount that can be deemed from the institutionalized spouse to the community spouse.~~

~~(C) The amount actually deemed from the institutionalized spouse to the community spouse is subtracted from the institutionalized spouse's monthly income as described in (b)(1) of this Section. Any amount remaining is the vendor payment if there are no minor dependent children, parents, or siblings residing with the community spouse.~~

~~(D) If there are minor dependent children, parents, or siblings residing with the community spouse, the formula for determining their allowance is:~~

~~(i) Divide the maximum monthly income standard from OKDHS Form 08AX001E (Appendix C-1), Schedule XI by 3;~~

~~(ii) Subtract the gross income of each dependent child, parent, or sibling residing with the community spouse from the amount in (i);~~

~~(iii) If there is more than one dependent, add the amounts from (ii) together;~~

~~(iv) This amount is deemed to the dependents residing with the community spouse.~~

~~(E) The amount actually deemed to the dependents residing with the community spouse is subtracted from the amount determined in (b)(4)(C) of this Section. Any amount of the institutionalized spouse's income remaining is the vendor payment.~~

(c) **Determining financial eligibility for HCBW/MRHCBW/IID.** For individuals determined eligible for HCBW/MRHCBW/IID services, there is no vendor payment. Financial eligibility for HCBW/MRHCBW/IID

services for a single individual is determined the same as for ICF/MR/ICF/IID services as outlined in paragraph (a)(1) of this Section with the exception of the vendor payment. Financial eligibility for HCBW/MRHCBW/IID services for an individual with a spouse who is institutionalized in a NF or ICF/MR/ICF/IID, or who receives ADvantage or HCBW/MRHCBW/IID services, or is ~~65~~sixty-five (65) or over and in a mental health hospital is determined the same as for ICF/MR/ICF/IID services as outlined in paragraph (a)(2) of this Section with the exception of the vendor payment. Financial eligibility for HCBW/MRHCBW/IID services for an individual with a spouse in the home who does not receive ADvantage or HCBW/MRHCBW/IID services is determined the same as for an individual with a community spouse according to paragraph (a)(3) of this Section. If the individual is a minor child who can be determined categorically needy and SSP eligible by considering the parent(s)' income and resources in the deeming process, the case is handled in the usual manner. If the child is not eligible for SSP only because of the deeming of parent(s)' income/resources, financial eligibility for HCBW/MRHCBW/IID services is determined using only the child's income/resources and exempting the parent(s)' income and resources from the deeming process.

(d) **Determining financial eligibility for persons age ~~65~~sixty-five (65) years or older in mental health hospitals.** The eligibility determination for an individual age ~~65~~sixty-five (65) or older in a mental health hospital as categorically needy is the same as for any other person who is institutionalized. (Refer to subsection (a) in this Section.) The same procedure for determining excess income to be applied to the vendor payment as described in this Section is applicable.

SUBCHAPTER 19. NURSING FACILITY SERVICES

317:35-19-21. **Determining financial eligibility for care in ~~NF~~nursing facility**

(a) Financial eligibility and vendor payment calculations for individuals in ~~an NF~~nursing facility (NF) are determined according to whether or not a spouse remains in the home.

(1) **Individual without a spouse.** For an individual without a spouse, the following rules are used to determine financial eligibility.

(A) **Income eligibility.** To determine the income of the individual without a spouse, the rules in (i) - (iii) of this subparagraph apply.

(i) If payment of income is made to the individual and another person(s), the income is considered in proportion to the individual's interest.

(ii) If a legal instrument exists which specifies terms of payment, income is considered according to the terms of the instrument.

(iii) After determination of income, the gross income of the individual cannot exceed the categorically needy standard in ~~OKDHS~~Oklahoma Department of Human Services (OKDHS) Form

08AX001E (Appendix C-1), Schedule VIII. B. 1., to be eligible for NF services. If the individual's gross income exceeds this standard, refer to SoonerCare rules for establishing a Medicaid Income Pension Trust [OAC ~~Oklahoma Administrative Code (OAC)~~ 317:35-5-41.6(a)(6)(B)].

(B) **Resource eligibility.** In order for an individual without a spouse to be eligible for NF services, his/her countable resources cannot exceed the maximum resource standard listed in OKDHS Form 08AX001E (Appendix C-1), Schedule VIII. D.

(C) **Vendor payment.** When eligibility for NF care has been determined, the vendor payment is computed. For an individual eligible for long-term care in a NF, the individual's share of the vendor payment is not prorated over the month. As SoonerCare is the payer of last resort, the full amount of the member's share of the vendor payment must first be applied to the facility's charges before SoonerCare reimbursement begins. See (b) of this Section for calculation of the vendor payment after financial eligibility has been determined.

(D) **First month.** For the first month of care, the following procedures apply when determining the vendor payment:

(i) When an individual enters the facility on the first day of the month, all countable income is considered with the facility maintenance standard allowed.

(ii) When an individual enters the facility after the first day of the month, all countable income is considered with the own home standard allowed in computation of the vendor payment. Only the remaining income actually available is used to compute the vendor payment.

(E) **Equity in capital resources.** If the equity in capital resources is in excess of the standards, certification is delayed up to ~~thirty~~ (30) days providing plans are made for the applicant to utilize the excess resource. Certification is made at the point the excess resources have been exhausted, with the effective date of certification being shown as the date on which the resources came within the standard. If the excess capital resources, along with excess income to be considered against the vendor payment, are in excess of ~~one~~ (1) month's vendor payment, the application is denied.

(2) **Individual with a spouse who is institutionalized in a NF or ~~ICF/MR~~ICF/IID, or who receives ADvantage or ~~HCBW/MR~~HCBW/IID services, or is ~~65~~sixty-five (65) or over and in a mental health hospital.** For an individual with a spouse who is institutionalized in a NF or ~~ICF/MR~~ICF/IID, or who receives ADvantage or ~~HCBW/MR~~HCBW/IID services, or is ~~65~~sixty-five (65) or over and in a mental health hospital, resources are determined for each individual as the amount owned by each individual plus one-half of the

jointly owned resources of the couple. Once this separation of assets is made, a resource of either spouse is not considered available to the other during institutionalization.

(A) **Income eligibility.** To determine income for an individual whose spouse is institutionalized in a NF or ~~ICF/MR~~ICF/IID, or who receives ADvantage or ~~HCBW/MR~~HCBW/IID services, or is ~~65~~sixty-five (65) or over and in a mental health hospital, income determination is made individually. The income of either spouse is not considered as available to the other during institutionalization for determination of financial eligibility. See (b) of this Section for post-eligibility calculation of the vendor payment and the community spouse income allowance, if applicable. The rules in (i) - (v) of this subparagraph apply in this situation.

(i) If payment of income is made solely to ~~one~~ (1) or the other, the income is considered available only to that individual.

(ii) If payment of income is made to both, one-half is considered for each individual.

(iii) If payment of income is made to either one (1) or both and another person(s), the income is considered in proportion to either spouse's interest (if payment is to that spouse) or one-half of the joint interest if no interest is specified.

(iv) If a legal instrument exists which specifies terms of payment, income is considered according to the terms of the instrument.

(v) After determination of income, the gross income of the individual cannot exceed the categorically needy standard in OKDHS Form 08AX001E (Appendix C-1), Schedule VIII. B. 1., to be eligible for Nursing Facility services. If the individual's gross income exceeds this standard, refer to SoonerCare rules for establishing a Medicaid Income Pension Trust [OAC 317:35-5-41.6(a)(6)(B)].

(B) **Resource eligibility.** In order for an individual with a spouse who is institutionalized in a NF or ~~ICF/MR~~ICF/IID, receives ADvantage or ~~HCBW/MR~~HCBW/IID services, or is ~~65~~sixty-five (65) or older and in a mental health hospital to be eligible for NF services, his/her countable resources cannot exceed the maximum resource standard for an individual listed in OKDHS Form 08AX001E (Appendix C-1), Schedule VIII. D.

(C) **Vendor payment.** When eligibility for NF services has been determined, the spenddown calculation is used to compute the vendor payment. For an individual eligible for long-term care in a NF, the individual's share of the vendor payment is not prorated over the month. As SoonerCare is the payer of last resort, the full amount of the member's share of the vendor payment must first be applied to the facility's charges before SoonerCare reimbursement begins. See (b) of this Section for calculation of the

Permanent Final Adoptions

vendor payment after financial eligibility has been determined.

(D) **First month.** For the first month of care, the following procedures apply when determining the vendor payment:

(i) When an individual enters the facility on the first day of the month, all countable income is considered with the facility maintenance standard allowed.

(ii) When an individual enters the facility after the first day of the month, all countable income is considered with the own home standard allowed in computation of the vendor payment. Only the remaining income actually available is used to compute the vendor payment.

(E) **Equity in capital resources.** If the equity in capital resources is in excess of the standards, certification is delayed up to ~~30~~thirty (30) days providing plans are made for the applicant to utilize the excess resource. Certification is made at the point the excess resources have been exhausted, with the effective date of certification being shown as the date on which the resources came within the standard. If the excess capital resources, along with excess income to be considered against the vendor payment, are in excess of ~~one~~one (1) month's vendor payment, the application is denied.

(3) **Individual with a spouse remaining in the home who does not receive ADvantage or HCBW/MRHCBW/ID services.** When an individual and spouse are separated due to the individual entering an NF, income and resources are determined separately. However, the income and resources of the community spouse must be included on the application form. At redetermination of eligibility, the community spouse's income must be included in the review process. During any month that the individual is in the NF, income of the community spouse is not considered available to that individual. The following rules are used to determine the income and resources of each:

(A) **Income eligibility.** To determine the income of both spouses, the following rules in this subparagraph apply:

(i) If payment of income is made solely to one (1) or the other, the income is considered available only to that individual.

(ii) If payment of income is made to both, one-half is considered for each individual.

(iii) If payment of income is made to either one (1) or both and another person(s), the income is considered in proportion to either the spouse's interest (if payment is to that spouse) or one-half of the joint interest if no interest is specified.

(iv) If a legal instrument exists which specifies terms of payment, income is considered according to the terms of the instrument.

(v) If the individual's gross income exceeds the categorically needy standard as shown on OKDHS

Form 08AX001E (Appendix C-1), Schedule VIII. B. 1., refer to SoonerCare rules for establishing a Medicaid Income Pension Trust [OAC 317:35-5-41.6(a)(6)(B)].

(B) **Resource eligibility.** To determine resource eligibility, it is necessary to determine the amount of resources for both spouses for the month of the individual's entry into the nursing facility. Of the resources available to the couple (both individual and joint ownership) an amount will be protected for the community spouse which will not be considered available to the spouse in the NF. OKDHS Form 08MA011E, Assessment of Assets, is used for the assessment prior to application for SoonerCare. The amount determined as the spousal share is used for all subsequent applications for SoonerCare, regardless of changes in the couple's resources. The protected spousal share cannot be changed for any reason. When application for SoonerCare is made at the same time the individual enters the NF, OKDHS Form 08MA012E, Title XIX Worksheet, is used in lieu of OKDHS Form 08MA011E.

(i) The first step in the assessment process is to establish the total amount of resources for the couple during the first month of the entry of the spouse into the NF.

(ii) The community spouse's share is equal to one-half of the total resources of the couple not to exceed the maximum amount of resource value that can be protected for the community spouse, as shown on OKDHS Form 08AX001E (Appendix C-1), Schedule XI.

(iii) The minimum resource standard for the community spouse, as established by the ~~OHCA~~Oklahoma Health Care Authority (OHCA), is found on OKDHS Form 08AX001E (Appendix C-1), Schedule XI. When the community spouse's share is less than the minimum standard, an amount may be deemed from the other spouse's share to ensure the minimum resource standard for the community spouse. If the community spouse's share equals or exceeds the minimum resource standard, deeming cannot be done.

(iv) If deeming is necessary to meet the minimum resource standard for the community spouse, the amount that is deemed must be legally transferred to the community spouse within ~~one~~one (1) year of the effective date of certification for SoonerCare. At the first redetermination of eligibility, the worker must document that the resources have been transferred. After the first year of SoonerCare eligibility, resources of the community spouse will not be available to the other spouse and resources cannot be deemed to the community spouse.

(v) After the month in which the institutionalized spouse and community spouse have met the resource standards and the institutionalized spouse

is determined eligible for benefits, no resources of the community spouse, regardless of value, will be considered available to the institutionalized spouse. If the resources of the community spouse grow to exceed the original deemed amount, the State cannot require the community spouse to apply any of these excess resources toward the cost of the care of the institutionalized spouse.

(vi) When determining eligibility for SoonerCare, the community spouse's share of resources is protected and the remainder considered available to the spouse in the NF.

(vii) The resources determined above for the individual in the NF cannot exceed the maximum resource standard for an individual as shown in OKDHS Form 08AX001E (Appendix C-1), Schedule VIII. D.

(viii) Once the dollar value of the community spouse's share of resources is established for the month of the other spouse's entry into NF, that amount is used when determining resource eligibility for a subsequent SoonerCare application for NF.

(ix) Once a determination of eligibility for SoonerCare is made, either spouse is entitled to a fair hearing. Any such hearing regarding the determination of the community spouse's resource allowance is held within ~~30~~thirty (30) days of the date of the request for the hearing. Either spouse is entitled to a fair hearing if dissatisfied with a determination of:

(I) ~~the~~The community spouse's monthly income allowance;

(II) ~~the~~The amount of monthly income otherwise available to the community spouse;

(III) ~~determination~~Determination of the spousal share of resource;

(IV) ~~the~~The attribution of resources (amount deemed); or

(V) ~~the~~The determination of the community spouse's resource allowance.

(x) The rules on determination of income and resources are applicable only when an individual has entered an NF and is likely to remain under care for ~~30~~thirty (30) consecutive days. The ~~30-day~~thirty (30) day requirement is considered to have been met even if it is interrupted by a hospital stay or the individual is deceased before the ~~30-day~~thirty (30) day period ends.

(xi) The rules on resources included in this Section apply only to those cases in which an individual begins a continuous period of care in an NF on or after September 30, 1989.

(xii) If the individual was admitted prior to September 30, 1989, there is not a protected amount for the community spouse. Resources are separated according to spousal ownership with one-half of jointly owned resources counted for

each. In this instance, each spouse's resources are considered separately and the resources of the community spouse do not affect the eligibility of the spouse in the NF.

(C) **Vendor payment.** After the institutionalized spouse has been determined eligible for long-term care, the vendor payment is computed. For an individual eligible for long-term care in a NF, the individual's share of the vendor payment is not prorated over the month. As SoonerCare is the payer of last resort, the full amount of the member's share of the vendor payment must first be applied to the facility's charges before SoonerCare reimbursement begins. See (b) of this Section for calculation of the vendor payment after financial eligibility has been determined.

(D) **Excess resources.** If the equity in capital resources is in excess of the standards but less than the amount of ~~one~~one (1) month's vendor payment, certification is delayed up to ~~30~~thirty (30) days providing plans are made for the applicant to utilize the excess resource. Certification is made at the point the excess resources have been exhausted, with the effective date of certification being shown as the date on which the resources came within the standard. If the excess capital resources, along with excess income to be considered against the vendor payment, are in excess of the vendor payment, the application is denied.

(b) Calculation of the vendor payment after financial eligibility for care in a NF has been determined is performed according to whether or not a spouse remains in the home. For the purpose of calculating the community spouse income allowance, spouses receiving ADvantage or ~~HCBW/MR~~HCBW/ID services are considered community spouses.

(1) The formula for determining the vendor payment for individuals without a spouse or other dependents is:

(A) Countable income;

(B) Minus the institutional or own home standard; and

(C) Minus ~~the verified countable medical expenses~~only the actual monthly payments being made for medical insurance premiums including Medicare premiums; and

(D) Minus incurred expenses for necessary medical and remedial care not covered under Medicaid, as set forth in the Oklahoma State Medicaid Plan.

(i) In order to be allowed to be deducted, expenses must:

(I) Have been incurred during the three (3) month period immediately preceding the month of application;

(II) Have been prescribed by a medical professional;

(III) Be certified as being medically necessary by a treating physician, physician assistant, or advanced practice registered nurse working within the scope of his or her licensure; and

(IV) Be no more than the least of the fee recognized by Medicaid, Medicare, or the average cost allowed by a commercial health insurance plan in Oklahoma.

(ii) The following expenses are not allowed to be deducted:

(I) Expenses incurred as the result of the imposition of a transfer penalty;

(II) Expenses for which a third party (including Medicaid) is liable, even if provided by an out-of-state network provider;

(III) Expenses resulting from the failure to obtain prior approval from applicable private insurance, Medicare, or Medicaid, due to the service being medically unnecessary;

(IV) Expenses that had been the subject of a prior authorization denial by Medicaid, due to lack of medical necessity; and

(V) Health insurance premiums paid by an individual who is not a financially responsible relative, for which repayment is not expected.

(2) The own home standard is the categorically needy standard found on OKDHS Form 08AX001E (Appendix C-1), Schedule VI.

(3) The computation for the community spouse's share of resources for individuals with a spouse remaining in the home is the total countable resources divided by ~~two~~two (2). This amount cannot exceed the maximum resource standard. If it is less than the minimum resource standard, resources are deemed from the institutionalized spouse to the community spouse, up to the minimum standard.

(4) The formula for determining the vendor payment for an individual with a spouse remaining in the home, regardless of whether the spouse receives ADvantage or ~~HCBW/MR/HCBW/ID~~ services, is:

(A) Determine the institutionalized spouse's monthly income as described in Paragraph (b)(1) of this Section.

(B) Determine how much of the institutionalized spouse's income can be deemed to the community spouse:

(i) Subtract the community spouse's gross income from the maximum monthly income standard on OKDHS Form 08AX001E (Appendix C-1), Schedule XI.

(ii) The resulting amount is the maximum amount that can be deemed from the institutionalized spouse to the community spouse.

(C) The amount actually deemed from the institutionalized spouse to the community spouse is subtracted from the institutionalized spouse's monthly income as described in Paragraph (b)(1) of this Section. Any amount remaining is the vendor payment if there are no minor dependent children, parents, or siblings residing with the community spouse.

(D) If there are minor dependent children, parents, or siblings residing with the community spouse, the formula for determining their allowance is:

(i) Divide the maximum monthly income standard from OKDHS Form 08AX001E (Appendix C-1), Schedule XI by 3;

(ii) Subtract the gross income of each dependent child, parent, or sibling residing with the community spouse from the amount in (i);

(iii) If there is more than ~~one~~one (1) dependent, add the amounts from (ii) together;

(iv) This amount is deemed to the dependents residing with the community spouse.

(E) The amount actually deemed to the dependents residing with the community spouse is subtracted from the amount determined in Subparagraph (b)(4)(C) of this Section. Any amount of the institutionalized spouse's income remaining is the vendor payment.

other SoonerCare services. ADvantage ~~Waiver~~waiver members do not have a copayment for ADvantage services except for prescription drugs. For members residing in an ADvantage ~~Assisted Living Center~~assisted living center, any income beyond ~~150~~one-hundred and fifty percent (150%) of the federal benefit rate is available to defray the cost of the assisted living services received. The member is responsible for payment to the assisted living services center provider for days of service, from the first day of each full-month in which services were received, until the vendor pay obligation is met. When an individual is aged, blind, or disabled and is determined eligible for long-term care, a separate eligibility determination must be made for QMBP or SLMB benefits. An ADvantage program member may reside in a licensed assisted living services center only when the assisted living services center is a certified ADvantage assisted living services center provider from whom the member is receiving ADvantage assisted living services.

317:35-17-3. ADvantage program services

(a) The ADvantage program is a Medicaid Home and ~~Community-Based Waiver~~Community-Based waiver used to finance non-institutional, long-term care services for the elderly and a targeted group of physically disabled adults when there is a reasonable expectation that within a ~~30 calendar~~thirty (30) calendar day period, the person's health, due to disease process or disability, would, without appropriate services, deteriorate and require nursing long-term care (LTC) facility care to arrest the deterioration. Individuals may not be enrolled in ADvantage for the sole purpose of enabling them to obtain Medicaid eligibility. Eligibility for ADvantage program services is contingent on an individual requiring one (1) or more of the services offered in the ~~Waiver~~waiver, at least monthly, ~~in order~~ to avoid institutionalization.

(b) The number of individuals who may receive ADvantage services is limited.

(1) To receive ADvantage program services, individuals must meet one of the ~~following categories:~~ in (A) though (D) of this paragraph. He or she must:

(A) ~~be 65~~Be sixty-five (65) years of age and older; or

(B) ~~be 21 to 64~~Be twenty-one (21) to sixty-four (64) years of age, ~~when physically disabled and not developmentally disabled or when 21 to 64 years of age and not physically disabled, the person has a clinically documented, progressive degenerative disease process that responds to treatment and previously required hospital or nursing facility (NF) level of care services for treatment related to the condition; and requires ADvantage services to maintain the treatment regimen to prevent health deterioration;~~

(C) ~~when~~When developmentally disabled, and ~~21 to 64~~twenty-one (21) to sixty-four (64) years of age; and does not have an intellectual disability or a cognitive impairment related to the developmental disability;

(D) Be twenty-one (21) to sixty-four (64) years of age, not physically disabled but has clinically documented, progressive, degenerative disease process

that responds to treatment and previously required hospital or LTC facility level of care services to maintain the treatment regimen to prevent health deterioration.

(2) In addition, the individual must meet criteria in (A) through (C) ~~of this paragraph~~. He or she must:

(A) ~~require~~Require nursing long-term care facility level of care. ~~Refer to, per~~ Oklahoma Administrative Code (OAC) 317:35-17-2;

(B) ~~meet~~Meet service eligibility criteria. ~~Refer to, per~~ OAC 317:35-17-3(f); and

(C) ~~meet~~Meet program eligibility criteria. ~~Refer to, per~~ OAC 317:35-17-3(g).

(c) ADvantage members are eligible for limited types of living arrangements. The specific living arrangements are set forth ~~below in (1) though (5) of this subsection.~~

(1) ADvantage program members are not eligible to receive services while residing in an unlicensed institutional living arrangement, such as a room and board home and/or facility; an institutional setting including, but not limited to, licensed facilities, such as a hospital, a nursing LTC facility, licensed residential care facility, or licensed assisted living facility, unless the facility is an ADvantage Assisted Living Center ~~or in an unlicensed institutional living arrangement, such as a room and board home/facility-assisted living center.~~

(2) Additional living arrangements in which members may receive ADvantage services are the member's own home, apartment, or independent-living apartment, or a family or friend's home or apartment. A home/apartment unit is defined as a self-contained living space having a lockable entrance to the unit and including a bathroom and ~~food storage/preparation~~food storage and/or preparation amenities in addition to ~~bedroom/living~~bedroom and/or living space.

(3) ADvantage program members may receive services in a shelter or similar temporary-housing arrangement that may or may not meet the definition of ~~home/apartment~~home and/or apartment in emergency situations, for a period not to exceed ~~60 calendar~~sixty (60) calendar days during which location and transition to permanent housing is sought.

(4) For ADvantage members who are full-time students, a dormitory room qualifies as an allowable living arrangement in which to receive ADvantage services ~~for the period during which~~while the member is a student.

(5) Members may receive ADvantage respite services in a ~~nursing facility~~an LTC facility for a continuous period not to exceed ~~30 calendar~~thirty (30) calendar days.

(d) ~~Home and Community-Based Waiver Services~~Community-Based waiver services are outside of the scope of Medicaid State Plan services. The Medicaid ~~Waiver~~waiver allows ~~OHCA~~the Oklahoma Health Care Authority (OHCA) to offer certain Home and ~~Community-Based~~Community-Based services to an annually capped number of persons, who are categorically needy, ~~refer to~~ DHS Former Oklahoma Department of Human Services (OKDHS) Appendix C-1, Schedule VIII. B. 1., and without

such services would be institutionalized. The estimated cost of providing an individual's care outside the ~~nursing facility~~ LTC facility cannot exceed the annual cost of caring for that individual in a ~~nursing facility~~ an LTC facility. When determining the ADvantage service plan cost cap for an individual, the comparable SoonerCare cost to serve that individual in a ~~NF~~ an LTC facility is estimated.

(e) Services provided through the ADvantage ~~Waiver~~ waiver are:

- (1) ~~ease~~Case management;
- (2) ~~respite~~Respite;
- (3) ~~adult~~Adult day health care;
- (4) ~~environmental~~Environmental modifications;
- (5) ~~specialized~~Specialized medical equipment and supplies;
- (6) ~~physical~~Physical, occupational, or speech therapy or consultation;
- (7) ~~advanced—supportive/restorative—assistance~~Ad-
vanced supportive and/or restorative assistance;
- (8) ~~nursing~~Nursing
- (9) ~~skilled~~Skilled nursing;
- (10) ~~home—delivered~~Home-delivered meals;
- (11) ~~hospice~~Hospice care;
- (12) ~~medically~~Medically necessary prescription drugs, within the limits of the ~~ADvantage Waiver~~ waiver;
- (13) ~~personal~~Personal care, State Plan, or ADvantage personal care;
- (14) A Personal Emergency Response System (PERS);
- (15) Consumer-Directed Personal Assistance Services and Supports (CD-PASS);
- (16) Institution ~~Transition Services~~;
- (17) ~~assisted~~Assisted living; and
- (18) SoonerCare medical services for individuals ~~21~~ twenty-one (21) years of age and over, within the ~~State Plan~~ scope of the State Plan.

(f) The ~~DHS~~OKDHS area nurse or nurse designee makes a determination of service eligibility prior to evaluating the Uniform Comprehensive Assessment Tool (UCAT) assessment for ~~nursing~~ long-term care facility level of care. The following criteria in (1) through (5) of this subsection are used to make the service eligibility determination, which includes:

- (1) ~~an~~An open ADvantage Program ~~Waiver~~ program waiver slot, as authorized by the ~~Waiver~~ document approved by the Centers for Medicare and Medicaid Services (CMS), which is available to ensure federal participation in payment for services to the individual. When the ~~Ok-~~lahoma Department of Human Services/Aging Services (~~DHS/AS~~)(OKDHS/AS) determines all—ADvantage ~~Waiver~~ slots are filled, the individual cannot be certified by ~~DHS~~OKDHS as eligible for ADvantage services, ~~the individual~~ and his or her name is placed on a waiting list for entry when an open slot becomes available;
- (2) ~~the individual is in the~~The ADvantage ~~targeted~~waiver-targeted service group. The target group ~~are~~is individuals, who:

- (A) ~~are~~Are frail and ~~65~~sixty-five (65) years of age and older; or

(B) ~~have a physical disability~~, are between 21 and 64~~Twenty-one to sixty-four~~ years of age; and ~~do not have an intellectual disability or a cognitive impairment; or~~physically disabled; or

(C) ~~have developmental disability~~, are 21 and 64 years of age, and ~~does~~When developmentally disabled, and are twenty-one (21) to sixty-four (64) years of age and do not have an intellectual disability or cognitive impairment related to the developmental disability; or

(D) Are twenty-one (21) to sixty-four (64) years of age, not physically disabled but have a clinically documented, progressive, degenerative disease process that responds to treatment and previously required hospital or long-term care facility level of care services to maintain the treatment regimen to prevent health deterioration. The individual must meet criteria, per OAC 317:35-174-3(b)(2)(A through C).

(3) ~~the~~An ineligible individual is not eligible because he or she poses a physical threat to himself or herself or others as supported by professional documentation;

(4) ~~members~~Members of the household or persons who routinely visit the household, as supported by professional documentation, that do not pose a threat of harm or injury to the individual or other household visitors;

(5) ~~the~~An ineligible individual is not eligible when his or her living environment poses a physical threat to himself or herself or others as supported by professional documentation where applicable, and measures to correct hazardous conditions or assist ~~individuals~~the individual move are unsuccessful or not feasible.

(g) The State, as part of the ~~Waiver~~ADvantage waiver program approval authorization, ensures ~~Centers for Medicare and Medicaid Services (CMS)~~CMS that each member's health, safety, or welfare can be maintained in his or her home. When a member's identified needs cannot be met through provision of ADvantage program or Medicaid State Plan services and other formal or informal services are not in place or immediately available to meet those needs, the individual's health, safety, or welfare in ~~their~~his or her home cannot be ensured. The ADvantage Administration (AA) determines ADvantage program eligibility through the service plan approval process. An individual is deemed ineligible for the ADvantage program based on the following criteria: (1) through (8) of this subsection.

(1) ~~the~~The individual's needs, as identified by UCAT and other professional assessments, cannot be met through ADvantage program services, Medicaid State Plan services, and/or other formal or informal services;

(2) ~~one~~One (1) or more members of the individual's household pose a physical threat to ~~self~~themselves or others as supported by professional documentation;

(3) ~~the~~The individual or other household members use threatening, intimidating, degrading, or use sexually inappropriate language/~~innuendo~~language and/or innuendo or behavior towards service providers, either in the home or through other contact or communications, and significant efforts were attempted to correct such behavior, as

supported by professional documentation or other credible documentation.

(4) ~~the~~The individual or the individual's authorized agent is uncooperative or refuses to participate in service development or service delivery and these actions result in unacceptable increases of risk to the individual's health, safety, or welfare in his or her home, as determined by the individual, the interdisciplinary team, or the AA;

(5) ~~the~~The individual's living environment poses a physical threat to self or others as supported by professional documentation and measures to correct hazardous conditions or assist the person to move are unsuccessful or are not feasible;

(6) ~~the~~The individual provides false or materially inaccurate information necessary to determine program eligibility or withholds information necessary to determine program eligibility;

(7) ~~the~~The individual does not require at least one ADvantage service monthly; ~~and~~.

(8) ~~the~~The individual, his or her family member(s), associate(s), or any other person(s) or circumstances as relates to care and coordination in ~~the individual's~~ his or her living environment produces evidence of illegal drug activity or substances used illegally as intoxicants. This includes:

(A) The use, possession, or distribution of illegal drugs;

(B) The abusive use of other drugs, such as medication prescribed by a doctor; ~~or~~

(C) The use of substances, such as inhalants including, but not limited to:

- (i) ~~typewriter~~Typewriter correction fluid;

- (x) ~~paint~~Paint; and
- (xi) ~~glue~~Glue;

(D) The observed intoxication, consumption or sensory indicators, such as smell of the use of ~~any~~ drug or intoxicant by the individual, family members, associates, or any other person(s) present at the time care is provided may be construed as evidence indicative of illegal drug activity or intoxication. This includes drug use or intoxicated activity that is menacing to the member or staff providing services;

(E) ~~the~~The observance of drug paraphernalia or any instrument used in the manufacturing, production, distribution, sale, or consumption of drugs or substances including, but not limited to:

- (i) ~~smoking~~Smoking pipes used to consume substances other than tobacco;
- (ii) ~~roach~~Roach clips containing marijuana cigarettes;

(iii) ~~needles~~Needles and other implements used for injecting drugs into the body;

(iv) ~~plastic~~Plastic bags or other containers used to package drugs;

(v) ~~miniature~~Miniature spoons used to prepare drugs; or

(vi) ~~kits~~Kits used in the production of synthetic controlled substances including descriptive materials that accompany the item, describing or depicting its use;

(F) ~~instructions, oral~~Instructions, verbal or written, concerning the item or device including, but not limited to, the manner in which the object is labeled and displayed for sale;

(G) ~~the~~The typical use of such items in the community; and/or

(H) ~~testimony~~Testimony of an expert witness regarding use of the item.

(h) ~~the~~The case manager provides the AA with professional documentation or other credible documentation to support the recommendation for redetermination of program eligibility. The service providers continue providing services according to the person-centered service plan as provider safety permits until the individual is removed from the ADvantage program. As a part of the procedures requesting redetermination of program eligibility, ~~DHS~~OKDHS AS provides technical assistance to the provider for transitioning the individual to other services; ~~and~~.

~~(i) individuals determined ineligible for ADvantage program services are notified in writing by DHS AS of the determination and of the right to appeal the decision.~~

(i) Individuals determined ineligible for ADvantage program services are notified in writing by OKDHS AS of the determination and of the right to appeal the decision.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 14, 2020:

SUBCHAPTER 9. INSURE OKLAHOMA ESI EMPLOYEE ELIGIBILITY

317:45-9-1.1. Certification of newborn child deemed eligible

(a) A newborn child is deemed eligible on the date of birth for SoonerCare benefits when the child is born to a member of Insure Oklahoma Employer Sponsored Insurance (ESI) and the annual gross household income does not exceed SoonerCare requirements. The newborn child is deemed eligible for SoonerCare benefits through the last day of the month the child attains the age of one (1) year.

(b) The newborn child's SoonerCare eligibility is not dependent on the mother's continued eligibility in Insure Oklahoma ESI. The child's SoonerCare eligibility is based on the original eligibility determination of the mother for Insure Oklahoma ESI and consideration is not given to any income or resource changes that occur during the deemed eligibility period.

(c) The newborn child's certification period for SoonerCare is shortened only in the event the child:

- (1) Loses Oklahoma residence; or
- (2) Expires.

(d) No other conditions of eligibility are applicable, including social security number enumeration and citizenship and identity verification. However, it is recommended that social security number enumeration be completed as soon as possible after the child's birth.

SUBCHAPTER 11. INSURE OKLAHOMA IP

PART 1. INDIVIDUAL PLAN PROVIDERS

317:45-11-2. Insure Oklahoma IP Individual Plan (IP) provider payments

Payment for covered benefits rendered to Insure Oklahoma IP members is made to contracted Insure Oklahoma IP healthcare providers for medical and surgical services within the scope of OHCA's medical programs, provided the services are medically necessary as defined in Oklahoma Administrative Code 317:30-3-1(f).

(1) Coverage of certain services requires prior authorization and may be based on a determination made by a medical consultant in individual circumstances; and

~~(2) The decision to charge a co-payment for a missed visit is at the provider's discretion;~~

~~(3) The provider may collect the member's co-payment in addition to the SoonerCare reimbursement for services provided; and,~~

~~(4) The provider may refuse to see members based on their inability to pay their co-payment.~~

PART 5. INSURE OKLAHOMA IP MEMBER ELIGIBILITY

317:45-11-21.1. Certification of newborn child deemed eligible

(a) A newborn child is deemed eligible on the date of birth for SoonerCare benefits when the child is born to a member of Insure Oklahoma Individual Plan (IP) and the annual gross household income does not exceed SoonerCare requirements. The newborn child is deemed eligible for SoonerCare benefits through the last day of the month the child attains the age of one (1) year.

(b) The newborn child's SoonerCare eligibility is not dependent on the mother's continued eligibility in Insure Oklahoma IP. The child's SoonerCare eligibility is based on the original eligibility determination of the mother for Insure Oklahoma IP and consideration is not given to any income or resource changes that occur during the deemed eligibility period.

(c) The newborn child's certification period for SoonerCare is shortened only in the event the child:

- (1) Loses Oklahoma residence; or
- (2) Expires.

(d) No other conditions of eligibility are applicable, including social security number enumeration and citizenship and identity verification. However, it is recommended that social security number enumeration be completed as soon as possible after the child's birth.

317:45-11-22. PCP Primary Care Physician (PCP) choices

(a) The applicant ~~(and dependents if also applying for Insure Oklahoma IP)~~ is and any covered dependent(s) are required to select a valid PCP.

(b) If a valid PCP is selected by the applicant or dependents and they are not enrolled with the first PCP choice, they are enrolled with the next available PCP choice. The applicant is notified in writing why their initial choice was not selected. The applicant and any covered dependent(s) must make a PCP selection through their mysooner-care.org account.

(c) After initial enrollment in Insure Oklahoma IP Individual Plan the applicant ~~or dependents~~ can any covered dependent(s) may change their PCP selection through their mysooner-care.org account or by calling the Insure Oklahoma helpline.

The Oklahoma Heritage Preservation Grant Program provides financial assistance to cities, counties, nonprofit organizations, and tribal governments to operate and improve the effectiveness of museums and historical organizations. The purpose of the Heritage Preservation Grant Program is to encourage the collecting, preserving, and sharing of Oklahoma history. Following the completion of the first cycle of grant applications it was identified that clarification and modification should be made to definitions, eligibility requirements, eligible projects and expenses, the weighted criteria, and the review process. These changes are intended to help applicant organizations, particularly those from smaller, volunteer run organizations, provide better clarity of the review process and streamline the administrative aspects of the program.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2020:

SUBCHAPTER 1. GENERAL PROVISIONS

320:15-1-3. Definitions

The following words and terms, when used in this chapter, shall have the following meaning, unless the context clearly indicates otherwise:

"Administrative Rules Liaison" means or refers to the OHS staff member that has been designated by the OHS Executive Director to serve as the liaison to the Office of Administrative Rules (OAR) in the Oklahoma Secretary of State's Office. They shall act as liaison between the OHS and the OAR in all matters concerning documents submitted by the OHS. All documents submitted by the OHS shall be coordinated through the liaison, and require the verification and signature of the liaison.

"Authorizing official" means or refers to the individual authorized on behalf of the institution to approve the submission of proposals and accept any resulting project grants or contracts.

"Cash match" means or refers to the money that the applicant organization will provide toward the project. This money can be from a number of sources, examples include: general operations, donation, or a fundraiser. Cash match would not include the salary of a staff member already working for the applicant organization. Matching funds must be expended after the grant contract is signed.

"Collections" means or refers to the objects, photographs, manuscripts, videos, audio recordings, maps, periodicals, microforms, books, vertical files, archaeological material, or oral histories under the care of an institution.

"Conserved" means or refers to the act of stabilizing or protecting an artifact or archival collection.

"County government" means or refers to Oklahoma county governments as defined in Oklahoma law.

"Exhibits" means or refers to the public display either physical or online of collections with contextual interpretation informing the public on the topic being explored.

"Indirect costs" means or refers to an organization's overhead, administrative, or other expenses not directly related to the project and also possibly supporting other projects or functions. An example of this would be another division of the applicant organization managing the financial aspects of the grant and wanting a percentage of the grant funds to pay for the financial overhead costs incurred.

"Key staff" means or refers to the staff member(s) or individual(s) who will play a major role in the proposed project.

"Libraries with special collection(s)" means or refers to historical collections held by libraries that may include anything other than published books.

"Major component" means or refers to the mission of the institution and the inclusion of Oklahoma history.

"Municipal government" means or refers to Oklahoma municipalities as defined in Oklahoma law.

"Not-for-profit historical organization" means or refers to museums, historic sites, historical associations, archives, libraries with special collections, or genealogical associations. These organizations must be located in the state of Oklahoma, be registered and in good standing with the Oklahoma Secretary of State as a domestic not for profit, and feature Oklahoma history as a major component of their mission.

"OHS" means or refers to the Oklahoma Historical Society.

"OHS project teams" means or refers to employees or volunteers under the jurisdiction of the Oklahoma Historical Society who may serve as consultants or contractors to the grant recipient to accomplish all or part of an awarded project.

"OHS staff review committee" means or refers to the OHS staff members selected by the OHS Executive Director who will evaluate applications based on the weighted criteria and adherence to program requirements. The OHS Grants Administrator is excluded from appointment to this committee and has no grant decision making power.

"Oklahoma Heritage Preservation Grant Review Committee" means or refers to the committee appointed by the Oklahoma Historical Society Board President and confirmed by the Oklahoma Historical Society Board of Directors. As authorized by 53 O.S. Section 416(a) this committee will be made up of no less than five (5) and no more than seven (7) individuals.

"Oklahoma Historical Society Board of Directors" means or refers to the governing body of the Oklahoma Historical Society as authorized by 53 O.S. Section 1.6.

"Operating budget" means or refers to the most recent operating budget approved for the applicant organization. This budget shall include staff salaries but exclude non-reoccurring costs. Applicants of tribal or municipal ~~entities~~ governments may use the operating budget of the division in which the project will take place. If an applicant organization is a sub-entity of tribal or municipal government but is a historical organization (museum, historic site, historical association, archive, library with special collection or genealogical association) they will use the sub-entity's operating budget. Support organizations must use the operating budget of the primary beneficiary of the grant funds, regardless of the funding source of that operating budget. Libraries with special collections may use the operating budget allotted to special collections. An example of this would be a city government applying for a grant to digitize historic maps. This applicant would use the operating budget for the division which oversees archives, not the entire budget of the city government.

"Programs" means or refers to organized educational activities available to the public. Examples of this might include a tour, lecture series, or workshop.

"Project" means or refers to an inclusive term to convey any eligible proposal.

"Publications" means or refers to publishing content of an educational nature in print or electronic form. For this purpose, publications would not include paid advertisements or invitation cards.

"Strategic plan" means or refers to an organization's process of defining its strategy, or direction, and making decisions on allocating its resources to pursue this strategy. The applicant organization's strategic plan should address the following: organization's mission statement, long-range planning, major issues and opportunities facing the organization, and an action plan for accomplishing goals.

"Support groups" means or refers to a not-for-profit organization whose purpose is to support the mission and provide

financial support to the applicant organization. This term could also include friend's groups or foundations. An example of this would be a library operated by an institute of higher learning having a friend's group that supports the organization through applying for grants, receiving and managing donations, or hosting donor events.

"Theme" means or refers to broad categories of Oklahoma history such as "American Indian," "Transportation," or "Military."

"Third-party consultant" means or refers to a contracted third party who conducts work for the grant recipient as it relates to the project grant funds awarded.

"Tribal government" means or refers to federally recognized American Indian tribes located in Oklahoma.

within one year. This criteria shall be weighted at a factor of three (3).

~~(5) Demonstration of measurable project impact based on quantifiable results such as number of collections conserved, oral histories produced, or students served, which shall be weighted at a factor of three (3).~~

(5) Organizational impact, which may include a description of how the project fits into the long-term goals of the applicant organization, a description of how the project will increase the ability to attract and diversify future funders, and the ability to capitalize on the project's success to springboard into future projects/collaborations. This criteria shall be weighted at a factor of three (3).

~~(6) Annual operating budget, including salaries, of under \$300,000, which shall be weighted at a factor of two (2).~~

~~(7) Failure to meet requirements from past Heritage Preservation Grant award (if applicable), which This criteria shall be weighted at a factor of negative two (-2).~~

320:15-2-3. Application process

(a) **Requests for project proposals.** Requests for project proposals shall be distributed at such times as determined by the OHS in the manner provided below.

(b) **Notification, solicitation, and deadlines.** Notification of availability of funds, solicitation of proposals, and deadlines for the receipt of application shall be provided, but not limited to, the following organizations or via the following methods:

- (1) Oklahoma Museums Association
- (2) Oklahoma Department of Libraries
- (3) Oklahoma Historical Society website
- (4) Press Release

(c) **Funding.** The total amount of funds to be granted, as well as specific grants awarded, will be based on appropriations, unless a revenue shortfall reduces appropriations to the OHS. If this occurs, funds granted will be deducted by the proportionate percentage of the shortfall to the Oklahoma Historical Society's appropriations.

(d) **Typical projects.** The following serve as examples of projects that would be eligible for funding. Some of these projects may be accomplished by a grant recipient's staff and/or volunteers, with payments available every quarter or month based on completed work. Some may be accomplished through OHS project teams that work as consultants to the grant recipients. Still other projects may be completed through third-party consultants who are paid quarterly or monthly based on work completed.

- (1) Storage, management, and/or care of collections
- (2) Conducting, transcribing, or cataloging oral histories
- (3) Digital conversion of historical collections
- (4) Preservation assessments
- (5) Emergency Preparedness Efforts
- (6) Environmental assessments and monitoring systems
- (7) Exhibit research, writing, graphic design, fabricating, mounting, and installation

- (8) Production or installation of audio/visual components of exhibits
 - (9) Governance capacity building, including board development, constitution and bylaws, or policies and procedures
 - (10) Strategic plan/succession planning
 - (11) Board, staff, and volunteer training
 - (12) Public programs, such as guided tours, classes, or lectures
 - (13) Publications
 - (14) Historical markers
 - (15) Website development
 - (16) Regional workshops
 - (17) Acquisition of collections
- (e) **Application requirements.** ~~Applications~~Application forms will be available online ~~at through~~ the Oklahoma Historical Society's website following the announcement of solicitation of proposals. This form must be submitted online following the instructions on the website. Applicants with questions regarding the application may contact the OHS Grants office. Any staff member(s) responding directly to questions regarding the grants process will not be part of the evaluation or award decision process.
- (1) The following information will be requested in the application:
 - (A) Project name
 - (B) Organization with name and contact information of authorizing official
 - (C) Organization status (non-profit, governmental entity, tribal)
 - (D) ~~Date registered with the Oklahoma Secretary of State, Filing number with the Oklahoma Secretary of State,~~ if applicant organization is a ~~nonprofit domestic not-for-profit.~~
 - (E) Organization type (museum, historic site, historical society, library with special collection, or archive, etc.)
 - (F) Organization description (including, if applicable, existing programs, scope and approximate number of collections, visitation, sources of financial support, participation of board members, and total membership)
 - (G) Accessibility to the public (this may include hours of operation, website, social media, workshops, or regularly scheduled meetings)
 - (H) Key staff/volunteers (if applicable) and board members
 - (I) Project summary
 - (J) Plan for project and organizational sustainability
 - (K) Project cost
 - (L) Amount requested
 - (M) Source of ten (10) percent cash match
 - (N) Strategic plan (not applicable if grant request is for strategic plan development)
 - (O) ~~Organizational and proposed project budget~~Organization's annual budget
 - (P) Timeline of project

- (Q) Date board of directors approved submitting a project proposal
 - (R) Proposed project budget which shall account for items outlined in project narrative, account for applicant organization's cash match, and include quotes from vendors or use of market research to formulate budget
 - (S) Any other information as may be requested
- (2) OHS staff will evaluate all project proposals and certify whether each meets the minimum eligibility requirements. Incomplete ~~or improperly completed~~ applications; or applications received after the application deadline will not be considered.
 - (3) Only one completed application will be considered per organization each grant selection cycle.
- (f) **Draft application.** Applicant organizations may voluntarily send a draft application to the Grants Administrator for feedback. This draft application must be sent following the guidelines and due date found on the OHS website. Participation in the draft application feedback will not guarantee funding nor will non participation negatively affect an organization's ability to receive funding. The applicant organization is able to accept or disregard in whole or part the recommendations offered by the Grants Administrator. It is important to remember that the Grants Administrator does not have grant decision making authority.
- (fg) **Application evaluation and awards.**
- (1) ~~A committee of OHS staff members~~The OHS staff review committee appointed by the OHS Executive Director, shall rank the proposed projects using the weighted criteria. The OHS staff member(s) designated to facilitate the program and grant application process will be excluded from appointment to this committee.
 - (2) Using the established weighted criteria (320:15-2-2[1-76]), a rating of one (1) to ~~ten (10)~~ five (5) will be applied to each criteria, with one (1) signifying minimum value and ~~ten (10)~~ five (5) signifying maximum value. The rating then will be multiplied by the weight assigned to each criteria to determine a total value. The highest rating an organization may receive is 190 points. In making the list for recommendation the OHS staff review committee shall evaluate based on the weighted criteria and adherence to statutory and regulatory program requirements. These requirements are geographic balance, cash match, the existence of a strategic plan for the applicant organization, tribal division, or governmental department, as well as, consideration of failure to meet requirements from past Heritage Grant awards.
 - (3) The OHS Executive Director shall submit the ~~ranked list of project proposals~~ staff evaluations and accompanying recommendations to the Oklahoma Heritage Preservation Grant Review Committee for review and recommendation to the full Board.
 - (4) The OHS Board of Directors will make the final decision of which projects will be funded, the amount of each grant, and the number of organizations to receive a grant, and the quarter of the year when each project will be initiated. In awarding grants the Board will, in

Permanent Final Adoptions

accordance with statutory requirements, ~~consider geographic diversity and~~ give preference to projects affecting collections, educational programs, and exhibits (53 O.S. Section 415). Because the grant application procedure(s) are not individual proceedings, the awarding of grants by the Board is not subject to appeal under the Administrative Procedures Act.

(5) The OHS will initiate a contract with each grant recipient.

(6) The Grants Administrator may contact the applicant organization for clarification or for additional information regarding an application.

(7) No employee of the OHS shall act as an individually paid third-party vendor for a project with an applicant organization that receives grant funds.

(gh) **Payment procedures.** Where applicable, payments for projects, programs, services, or activities for the Heritage Preservation Grant Program will be made according to the Central Purchasing Act (74 O.S. Section 85.1 et seq.) and Central Purchasing Rules as established by the Oklahoma Office of Management and Enterprise Services Administrative rules OAC 260:115.

Grant recipients must submit documentation for completed work and invoices to receive reimbursement as the project moves forward. All reimbursements will be made after proof that work has been completed.

(hi) **Audit.**

(1) The grantee shall retain all books, documents, accounting procedures and practices, and other data, regardless of type and regardless of whether such items are in written form, in the form of computer data, or in any other form. In accepting any contract with the State, the successful grant recipient agrees any pertinent State or Federal agency will have the right to examine and audit all records relevant to execution and performance of the resultant contract.

(2) The successful grant recipient is required to retain records relative to the contract for the duration of the contract and for a period of seven (7) years following completion and/or termination of the contract. If an audit, litigation, or other action involving such records is started before the end of the seven (7) year period, the records are required to be maintained for two (2) years from the date that all issues arising out of the action are resolved, or until the end of the seven (7) year retention period, whichever is later.

"Trainer" means a person qualified and licensed by the Commission as a Trainer.

"Week" means a calendar week.

"Year" means a calendar year.

SUBCHAPTER 5. OCCUPATION LICENSING

325:15-5-10. Grounds for denial, refusal, suspension or revocation of license

(a) In addition to any other valid ground or reason, the Stewards may deny, refuse to issue, suspend or refer to the Commission for revocation the occupation license for any person; or the Commission may deny, refuse to issue, suspend or revoke an occupation license for any person:

- (1) Who has been convicted of a felony in this State, any other state, or the United States of America; ~~or~~
- (2) Who has been convicted of violating any law regarding gambling or a controlled dangerous substance of this State, any other state, or of the United States of America; ~~or~~
- (3) Who is unqualified to perform the duties required of the applicant; ~~or~~
- (4) Who fails to disclose or states falsely any information required in the application; ~~or~~

- (5) Who has been found guilty of a violation of any provision of the Oklahoma Horse Racing Act or of the Rules and Regulations of the Commission; ~~or~~
- (6) Whose license or spouse's license for any racing occupation or activity requiring a license has been or is currently suspended, revoked, refused or denied for just cause in any recognized racing jurisdiction; ~~or~~
- (7) Who has been or is currently excluded from any racing enclosure by a recognized racing jurisdiction; or
- (8) Whose conduct or reputation is such that his/her presence at a race meeting may, in the opinion of the Commission or the Stewards, reflect on the honesty and integrity of horse racing or interfere with the orderly conduct of a race meeting; ~~or~~.
- (b) Notwithstanding the provisions ~~in (a)~~ of this Section, any person whose racing record(s) from any racing jurisdiction(s) recognized by the Commission, including Oklahoma, reflects two (2) or more racing ~~medication~~ substance rule violations for any United States Drug Enforcement Agency Schedule I or II controlled substances or two (2) or more rule violations regarding electrical or mechanical devices within the preceding ten (10) years shall be denied a Commission occupation license. [3A:204.2(C); see also 3A:204.2(D) and 3A:204.3]
- (c) Notwithstanding the ~~above~~ provisions of this Section, any applicant whose racing record(s) from any racing jurisdiction(s) recognized by the Commission, including Oklahoma, reflects any human substance abuse violations may be denied a Commission occupation license until the person pays for and submits to two (2) urine samples thirty (30) days apart with both samples failing to show any trace of a controlled dangerous substance. All such samples shall be obtained and tested by the Commission under conditions properly controlled to guarantee the complete integrity of the process and at the expense of the person. After the person has received two (2) negative tests, s/he may reapply for a license unless his/her continuing participation at a race meeting shall be deemed by the Commission Director of Law Enforcement or his/her designee as to be detrimental to the best interest of horse racing. [3A:204.2(C); see also 3A:204.2(D) and 3A:204.3]

325:15-5-16. ~~Age, weight, and experience~~ ~~qualifications~~ **Qualifications for Jockey**

- (a) ~~No person under~~ Each applicant requesting a Jockey's license shall:
- (1) ~~Be at least sixteen (16) years of age shall be granted a Jockey's license. No person whose riding weight at the time of application exceeds.~~
- (2) ~~Not exceed one hundred thirty (130) pounds shall be licensed as a Jockey. No person who has never in weight at the time of application.~~
- (3) ~~Have~~ ridden in a race at a recognized meeting shall be granted a license as Jockey unless s/he has or satisfactorily worked a horse from the starting gate in company before the Stewards or their representatives. Upon the recommendation of the Stewards, the Commission may issue a Jockey's license granting permission to ~~such person~~ the applicant for the purpose of riding in not more

than four races to establish the qualifications and ability of ~~such person~~ the applicant for the license. Subsequently, the Stewards may recommend the granting of a Jockey's license.

(4) Pass a physical examination and a baseline concussion test which uses the most current SCAT testing protocol. The examination and test shall be conducted by a licensed physician within twelve (12) months prior to application. Results affirming the applicant's fitness to participate as a Jockey shall be provided by the applicant to the Commission. After licensing, Stewards may require further examination and may refuse to allow a Jockey to ride, pending results of an examination.

(5) Show competence by providing evidence of any prior licensing and by demonstrating riding ability, which may include participation in up to five (5) races with the prior approval of the Stewards with the consideration of the recommendations from the starter, the head outrider, and the designated representatives of the Jockeys and the horsemen at the track. The demonstration of riding ability shall include, but not be limited to:

- (A) Breaking with a horse in company from the starting gate;
- (B) Working a horse in company around the turn and down the stretch;
- (C) Switching the riding crop from one hand to the other while maintaining control of the horse in a stretch drive; and
- (D) Causing a horse to switch leads coming out of the turn.

(b) ~~However, each person granted an Amateur Jockey occupation license shall:~~

- (1) ~~be at least 16 years old;~~
- (2) ~~meet all qualification rules for membership to Amateur Riders' Club of the Americas (ARCAS) as contained in the current membership application form.~~
- (3) ~~hold a current amateur riders license from ARCAS and be a current member of ARCAS;~~
- (4) ~~weigh no more than 142 pounds;~~
- (5) ~~not hold a current license as a Jockey or Apprentice Jockey;~~
- (6) ~~submit proof of a satisfactory physical examination given by a person licensed to practice medicine within the previous 12 months. The physical examination shall include visual acuity and hearing examinations. A reexamination of any Amateur Jockey may be required by the Commission or the Stewards at any time. An Amateur Jockey may be prohibited from riding by the Commission or the Stewards until the Amateur Jockey has successfully passed each examination;~~
- (7) ~~wear a properly fastened safety helmet while mounted on a race horse within the enclosure or riding in a race; and~~
- (8) ~~meet all Commission licensing requirements~~ A jockey who is an owner or trainer of a horse competing at a race meeting shall not engage to ride as a jockey at the same race meeting.

325:15-5-17. Qualifications for Apprentice Jockey

(a) An applicant for an Apprentice Jockey license may be prohibited from riding until verification of the applicant's previous riding experience by the stewards or Commission. This prohibition shall not exceed fourteen (14) days.

(b) The conditions of an Apprentice Jockey license shall not apply to quarter horse racing. A jockey's performances in quarter horse racing shall not apply to the conditions of an Apprentice Jockey.

(c) An Apprentice Certificate may be requested from the Stewards on a form provided by the Commission. Each applicant shall be limited to one Apprentice Certificate. If necessary, a duplicate copy may be requested from the issuing Commission.

(d) An applicant with an approved Apprentice Certificate may be licensed as an Apprentice Jockey.

(e) An Apprentice Jockey is a race rider who has ridden less than forty (40) winners since first having been licensed in any racing jurisdiction, and who otherwise meets the license qualifications of a Jockey. An Apprentice may be granted an Apprentice certificate issued by the Stewards and filed with the Commission in lieu of a traditional Apprentice contract. An Apprentice may execute a written contract, if a minor with written consent of his/her parents or guardian, to an Owner or Trainer for a period of not less than three nor more than five (5) years. All contracts and transfers of contracts must be approved by the Stewards and filed with the Commission. A contract employer shall not have any interest in the earnings of an Apprentice Jockey. Racing Officials and their licensed assistants and employees shall not directly or indirectly buy or sell any contract upon any Jockey or Apprentice Jockey for himself or any other person. In all overnight races except overnight stake and/or handicaps run exclusively for Thoroughbreds, an Apprentice Jockey shall ride with a five pound weight allowance beginning with his/her first mount and for one (1) full year from the date of his/her fifth winning mount. If, after riding one (1) full year from the date of his/her fifth winning mount, the Apprentice Jockey has failed to ride a total of forty (40) winners from the date of his/her fifth winning mount, s/he shall continue to ride with a five pound weight allowance for one more year from the date of his/her fifth winning mount, or until s/he has ridden a total of forty (40) winners, whichever comes first. In no event may a weight allowance be claimed for more than two years from the date of the fifth winning mount, unless an extension has been granted. Only Thoroughbred races at authorized race meetings in the United States, Canada, or Mexico which are reported in the DAILY RACING FORM or other recognized racing publications shall be considered in determining eligibility for license as an Apprentice Jockey. The apprentice weight allowance may be waived at the time of entry by the trainer or the trainer's designee with Stewards' approval. If an Apprentice Jockey is unable to ride for a period of fourteen (14) consecutive days or more after the date of his/her fifth winning mount because of service in the Armed Forces of the U.S.A., enrollment in an institution of secondary or higher education, or because of physical disablement disability, the Commission may extend the time during which such the

apprentice weight allowance may be claimed for a period not to exceed the period such the Apprentice Jockey was unable to ride.

325:15-5-20. Program Trainer Prohibited

(a) No licensee shall act as a Program Trainer, nor shall anyone use the services of a Program Trainer. Anyone found to be acting as a Program Trainer or using the services of a Program Trainer shall be responsible for all violations occurring from participation of the horse(s) entered or raced by that person.

(b) A licensed trainer or individual shall be determined to be acting as a Program Trainer or using the services of a Program Trainer if the licensed trainer or individual:

(1) Enters into an agreement on behalf of a licensed, unlicensed, ineligible, or suspended person for the sole purpose of completing an entry form for a race;

(2) Pays an entry, nomination, or starter fee on behalf of a licensed, unlicensed, ineligible or suspended person;

(3) Claims a horse on behalf of a licensed, unlicensed, ineligible, or suspended person;

(4) Receives a financial or beneficial interest from a licensed, unlicensed, ineligible, or suspended person for the sole purpose of being listed as the trainer on the official race program; or

(5) Pays any compensation to the licensed, unlicensed, ineligible, or suspended person.

(c) A licensed trainer or individual who violates the provisions of subsection (b) shall be subject to the following penalties:

(1) First offense - six (6) month suspension and a fine of Five Thousand Dollars (\$5,000.00);

(2) Second offense - one (1) year suspension and a fine of Ten Thousand Dollars (\$10,000.00); and

(3) Third offense - penalty shall be determined by the Commission.

(d) Any person who assumes the care, custody, or control of the horses of a licensed, unlicensed, ineligible, or suspended person, shall, upon request, permit Stewards, the Commission, and other law enforcement officers to examine all relevant financial and other records.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 14, 2020:

325:25-1-2. Definitions

In addition to the definitions provided in Section 200.1 of Title 3A, of the Oklahoma Statutes, the following words or terms, when used in this Chapter, shall have the following meaning, unless the context clearly indicates otherwise:

"Act" means the Oklahoma Horse Racing Act [3A:200 et seq.].

"Accredited Oklahoma-Bred horse" means a horse that is eligible pursuant to the Act and Commission rules and whose registration in the Oklahoma-Bred Program has been completed by the official Registering Agency.

"Added money" means the amount exclusive of trophy added into a stakes by the Organization Licensee, or by sponsors, state-bred programs, or other funds added to those monies gathered by nomination, entry, sustaining and other fees coming from the horsemen.

"Age" means that the age of a horse is reckoned as beginning on the first day of January in the year in which the horse is foaled.

"Also eligible" means:

(A) A number of eligible horses, properly entered, which were not drawn for inclusion in a race, but which become eligible according to preference or lot if an entry is scratched from a race prior to scratch time.

(B) In a trial race, the next preferred contestant that is eligible to participate when an entry is scratched, pursuant to the written conditions of the race.

"Assistant Trainer" means a person qualified and licensed by the Commission as an Assistant Trainer.

"Authorized Agent" means a person licensed by the Commission and appointed by a written notarized affidavit by the Owner, Trainer, Parent or Guardian of a minor on whose behalf the Agent will act and limited to the actions as specified on the affidavit. ~~Said~~The affidavit ~~must~~shall be on file with the Commission.

"Closing" means the time published by the Organization Licensee after which nominations or entries will not be accepted for a race.

"Commissioner" means a member of the Oklahoma Horse Racing Commission.

"Conditions of a race" means the qualifications which determine the eligibility of a horse to be entered in a race.

"Coupled entry" means two or more contestants in a race that are treated as a single betting interest for pari-mutuel wagering purposes (also see "Entry").

"Day" means a 24-hour period ending at midnight.

"Declaration" means the act of withdrawing an entered horse from a race before the closing of entries.

"Draw" means the process of publicly assigning post positions and selecting contestants in a manner to ensure compliance with the conditions of the rules of racing.

"Entry" means:

(A) A horse eligible for and entered in a race.

(B) Two (2) or more horses entered in the same race which have common ties of Ownership, lease, or training (also see "Coupled Entry").

"Field" means all horses competing in a race.

"Horse" means:

(A) Any equine including and designated as mare, filly, stallion, colt, ridgeling, or gelding registered for racing;

(B) An ~~entire~~intact equine male five (5) years of age and older.

"Lessee" means a licensed Owner whose interest in a horse is by virtue of a completed Commission-approved lease form attached to the Registration Certificate and on file with the Commission.

"Lessor" means the Owner of a horse that is leased.

"Maiden" means a horse which has never won an official or recognized race as defined in breed registry rules. A maiden which has been disqualified after finishing first is still a maiden.

"Mutuel field" means two or more contestants treated as a single betting interest for pari-mutuel wagering purposes because the number of betting interests exceeds the number that can be handled individually by the pari-mutuel system.

"Nomination" means the naming of a horse to a certain race or series of races generally accompanied by payment of a prescribed fee.

"Nominator" means the person who nominates a horse as a possible contender in a race.

"Post position" means the position in the starting gate assigned to the horse for the start of the race.

"Post time" means the scheduled time set for the arrival of the horses at the starting gate for the race.

"Pre-race inspections" means part of the routine for the safety and welfare of the horse on race day. These inspections are performed by a Commission veterinarian or designated veterinarian to provide an evaluation of the horse's racing fitness to compete prior to the race.

"Program" means the published listing of all contests and contestants for a specific performance.

"Race" means a contest between horses.

"Race day" means a day during a race meeting when pari-mutuel wagering occurs on live races conducted at that racetrack.

"Races" mean:

(A) **Allowance.** An overnight race for which eligibility and weight to be carried is determined according to specified conditions which include age, sex, earnings, number of wins, and distance of race.

(B) **Claiming.** A race in which any horse starting may be claimed and purchased for a designated amount in conformance with the rules in this Title.

(C) **Exhibition.** A race on which no wagering is permitted.

(D) **Handicap.** A race in which the weights to be carried by the horses are assigned by the Racing Secretary.

(E) **Invitational.** A race in which the competing horses are selected by inviting their Owners to enter specific horses.

(F) **Maiden.** A race restricted to non-winners.

(G) **Match.** A race contested between two or more horses under conditions agreed to by their Owners.

(H) **Nomination.** A race in which the subscription to a payment schedule nominates and sustains the eligibility of a particular horse. Nominations must close at least seventy-two (72) hours before the first post time of the day the race is originally scheduled to be run.

(I) **Oklahoma-Bred.** A race for which entry may be restricted to accredited Oklahoma-Bred registered horses.

(J) **Overnight (Purse).** A race for which entries close at a time set by the Racing Secretary.

(K) **Progeny.** A race restricted to the offspring of a specific stallion or stallions.

(L) **Schooling.** A preparatory race for entry qualification in official races which conforms to requirements adopted by the Commission.

(M) **Stakes.** A race ~~which is eligible for stakes or "black type" recognition by the particular breed registry in which nomination, entry, or starting fees contribute to the purse.~~

(N) **Trial.** A race or a series of races in which horses participate for the purpose of determining eligibility for a subsequent contest.

(O) **Walkover.** A race in which only one horse starts or in which all the starters are owned by the same interest. To claim the purse, a horse must start and go the distance of the race.

"Restricted area" means any area within the enclosure where access is limited to licensees whose occupation requires access. Those areas which are restricted shall include but not be limited to the barn area, paddock, test barn, Stewards' tower, racecourse, mutuel line and money rooms, or any other area designated restricted by the Organization Licensee or the Commission, or both. Signs giving notice of restricted access shall be prominently displayed at all entry points.

"Rules" means the rules adopted by the Commission to implement the provisions of the Act.

"Scratch" means the act of withdrawing an entered horse from a race after the closing of entries.

"Scratch time" means the deadline for withdrawal of entries from a scheduled race.

"Starter" means a horse whose stall door of the starting gate opens in front of such horse at the time the Starter (the Official) dispatches the horses.

"Safety Steward" means a duly appointed Racing Official with powers and duties specified by statutes or rules.

"Steward" means a duly appointed Racing Official with powers and duties specified by statutes or rules.

"Subscription" means the act of nominating a horse to a nomination race.

"Trainer" means a person qualified and licensed by the Commission as a Trainer.

"Week" means a calendar week.

"Weight for age" means a race in which a fixed scale is used to assign the weight to be carried by individual horses according to age, sex, distance of the race, and season of the year.

"Year" means a calendar year.

325:25-1-19. Deadline for arrival of entered horses

All horses scheduled to compete in a race must be present within the enclosure no later than ~~one (1) hour thirty (30) minutes~~ prior to their scheduled ~~race~~pre-race inspections, ~~which are listed in the condition book, or earlier if required by the organization licensee or to comply with Commission Furosemide (Salix) medication rules~~Executive Director. An organization licensee shall provide an adequate stall for a horse which is required to arrive more than ~~one (1) hour thirty (30) minutes~~ prior to ~~post time~~ for the horse's scheduled ~~race~~pre-race inspections. Horses not within the enclosure by

Permanent Final Adoptions

their deadline may be scratched and the Trainer subject to fine and/or suspension.

325:25-1-26. Limitations on field and number of races

A race with less than five (5) wagering interests entered, shall be declared off, with the exception of a trial or the finals for a nomination race or stakes. The Racing Secretary shall determine the number of valid entries necessary for each overnight race to be considered filled. If there are insufficient entries for the race to be considered filled, ~~such the~~ race may be declared off and a substitute race used. No more than twelve (12) races may be run on a race day, except with permission of the Commission.

325:25-1-32. ~~Coggins~~Equine Infectious Anemia test

No horse shall be allowed on the premises of an Oklahoma racetrack unless it has had a ~~Coggins~~negative test for Equine Infectious Anemia (EIA) conducted within the preceding twelve (12) months~~and with a negative result~~. The test record may be a copy of the original ~~Coggins~~EIA test. Record of the negative test for a race horse participating in a claiming race shall be the original VS Form 10-11 or an approved electronic version along with the registration papers of the horse and conducted within twelve (12) months of the race in question. The trainer of the race horse is responsible for insuring that a negative ~~Coggins~~EIA test result is in the racing secretary's office as required by this rule prior to racing. Failure to comply subjects the Licensee to disciplinary action.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 14, 2020:

325:35-1-2. Definitions

In addition to the definitions provided in Section 200.1 of Title 3A, of the Oklahoma Statutes, the following words or terms, when used in this Chapter, shall have the following meaning, unless the context clearly indicates otherwise:

"Act" means the Oklahoma Horse Racing Act [3A:200 et seq.].

"Assistant Trainer" means a person qualified and licensed by the Commission as an Assistant Trainer.

"Authorized Agent" means a person licensed by the Commission and appointed by a written notarized affidavit by the Owner, Trainer, Parent or Guardian of a minor in whose behalf the Agent will act, and limited to the actions as specified on the affidavit. ~~Said~~The affidavit ~~must~~shall be on file with the Commission.

"Commissioner" means a member of the Oklahoma Horse Racing Commission.

"Conditions of a race" means the qualifications which determine the eligibility of a horse to be entered in a race.

"Day" means a 24-hour period ending at midnight.

"Entry" means:

- (A) A horse eligible for and entered in a race.
- (B) Two (2) or more horses entered in the same race which have common ties of Ownership, lease, or training.

"Family" means husband, wife, and any dependent children.

"Horse" means:

- (A) Any equine including and designated as mare, filly, stallion, colt, ridgeling, or gelding registered for racing;
- (B) An ~~entire~~intact equine male five (5) years of age and older.

"Jockey" means a rider licensed to race.

"Lessee" means a licensed Owner whose interest in a horse is by virtue of a completed Commission-approved lease

form attached to the Registration Certificate and on file with the Commission.

"Lessor" means the Owner of a horse that is leased.

"Occupation license" means a state requirement for any person acting in any capacity pursuant to provisions of the Act.

"Organization license" means a state requirement for any person desiring to conduct a race meeting in Oklahoma within the minimum standards as required by the Act and the rules of the Commission.

"Owner" means any person who holds in whole or in part, any right, title or interest in a horse or an Organization Licensee or any person who is a Lessee of a horse and has been duly issued a currently-valid Owner license as a person responsible for such horse.

"Race" means a contest between horses.

"Race day" means a day during a race meeting when pari-mutuel wagering occurs on live races conducted at that racetrack.

"Restricted area" means any area within the enclosure where access is limited to licensees whose occupation requires access. Those areas which are restricted shall include but not be limited to the barn area, paddock, test barn, Stewards, tower, racecourse, mutuel line and money rooms, or any other area designated restricted by the Organization Licensee or the Commission, or both. Signs giving notice of restricted access shall be prominently displayed at all entry points.

"Rules" means the rules adopted by the Commission to implement the provisions of the Act.

"Safety Steward" means a duly appointed Racing Official with powers and duties specified by statutes or rules.

"Steward" means a duly appointed Racing Official with powers and duties specified by statutes or rules.

"Substance" means any kind of physical matter existing in a solid, liquid, or gaseous state or some combination thereof and includes any drugs or medications referred to under the Oklahoma Horse Racing Act, 3A O.S. § 200 et seq.

"Trainer" means a person qualified and licensed by the Commission as a Trainer.

"Week" means a calendar week.

"Year" means a calendar year.

325:35-1-5. Trainer responsibility

(a) The Trainer is presumed to know the rules of racing and is responsible for the condition, soundness, and eligibility of the horses s/he enters in a race. The Trainer shall conduct his/her business of training racehorses with reasonable care and skill and in a humane manner, and with due regard to the interests of his/her Owners and to the safety of employees and Agents and of the horses in his/her care. Should the chemical analysis, urine or otherwise, taken from a horse under his/her supervision show the presence of any substance except as otherwise provided for in Chapter 45, it shall be taken as prima facie evidence that the same was administered by or with the knowledge of the Trainer or person or persons under his/her supervision having care or custody of such horse. At the discretion of the Stewards or Commission, the Trainer and all other persons shown to have had care or custody of such horse may be fined or suspended or both. Under the provisions of

this Section, the Trainer is also responsible for any puncture mark on any horse s/he enters in a race, found by the Stewards upon recommendation of the Racing or Official Veterinarian to evidence injection by syringe. If the Trainer cannot be present on race days s/he shall designate an Assistant Trainer. Such designation shall be made prior to time of entry, unless otherwise approved by the Stewards. Failure to fully disclose the actual Trainer of a horse participating in an approved race shall be grounds to disqualify the horse and subject the actual Trainer to possible disciplinary action by the Stewards or the Commission. Designation of an Assistant Trainer shall not relieve the Trainer's absolute responsibility for the conditions and eligibility of the horse, but shall place the Assistant Trainer under such absolute responsibility also. Willful failure on the part of the Trainer to be present at, or refusal to allow the taking of any specimen, or any act or threat to prevent or otherwise interfere therewith shall be cause for disqualification of the horse involved; and the matter shall be referred to the Stewards for further action.

(b) In addition to the responsibilities of (a) of this Section, a Trainer has the following specific responsibilities:

- (1) Knowledge of ~~medications~~ substance rules;
- (2) Knowledge of ~~medications~~ substance status of all horses in his/her care;
- (3) Knowledge of Furosemide (~~Salix~~) use rules;
- (4) To register all horses in his/her care with the Racing Secretary;
- (5) To ensure that no injectable substances, hypodermic needles, syringes, or electrical or mechanical device (other than the ordinary whip or approved twitch) which may or can be used for the purpose of stimulating or depressing a horse or affecting its speed at any time are in his/her possession; in the possession of employees; or in automobiles; or in sleeping, storage or stable areas owned by or assigned to that Trainer or Trainer's employees;
- (6) Proper entering and eligibility of all horses in his/her care;
- (7) Guard horses in his/her care;
- (8) Make any declaration or scratch of an entered horse in his/her care;
- (9) Bill and account for fees and services rendered on behalf of any horse in his/her care to the appropriate Owner or Owners.
- (10) To instruct and determine the training regimen of all horses in his/her care and entered in any race.

(c) No Trainer duty or responsibility, whether listed in (a) or (b) of this Section or not, may be assigned to any person who is ineligible to hold a license or who is under suspension in this or any other racing jurisdiction.

(d) No licensed Trainer shall assume any of the responsibilities described in this Section for a horse not under his/her active care, supervision or custody.

(e) Trainers who are summarily suspended or suspended for more than sixty (60) days shall not be permitted to transfer their horses to family. A suspended trainer shall not provide financial assistance to, or have communication concerning care, custody, or control with a receiving trainer, once a transfer has been completed.

Permanent Final Adoptions

325:35-1-15. Trainer's duty to ensure licensed participation

No Trainer shall have in his/her custody within the enclosure of any race meeting any horse owned in whole or in part by any person who is not licensed as a horse Owner by the Commission unless such Owner has filed an application for license as a horse Owner with the Commission and the same is pending before the Commission; nor shall any Trainer have in his/her employ within the enclosure any Groom, Stable Employee, Stable Agent, or other person required to be licensed, unless such person has a valid license. All changes of employee personnel shall be reported immediately within seventy-two (72) hours to the Stewards, Law Enforcement Agent, or Commission Licensing Office.

325:35-1-21. Tricks/schemes prohibited

No person shall falsify, conceal, or cover up by any trick, scheme, or device a material fact; or make any false, fictitious, or fraudulent statements or representations; or make or use any false writing or document knowing the same to contain any false, fictitious, or fraudulent statement or entry regarding the prior racing record, pedigree, identity, or ownership of a registered animal in any matter related to the breeding, buying, selling, training or racing of such the animal. No person shall make false, fictitious, or fraudulent statements or misrepresent the identity of a horse or make or use any false writing, document, or statement to an organization licensee or to the Stewards or to the Commission.

325:35-1-30. Jockey wagering

No Jockey shall make any wager or have any wager made on his/her behalf in any race in which s/he participates, except through the Owner or Trainer of and on the horse which s/he rides. Any wager shall be limited to the Jockey's own mount to win or finish first in combination with other horses in multiple type wagers. Any Owner or Trainer wagering for such Jockey shall maintain a record of all such wagers and all gifts or other gratuities s/he has given any Jockey. Such records shall be furnished to the Stewards or the Commission or its investigators upon demand.

"Veterinarian's list" means the veterinarian's list specified by OAC 325:20-1-23.

"Week" means a seven (7) day period.

"Year" means a 365 day period.

325:45-1-4. Substance violations

(a) Except as authorized or restricted by the provisions of this Chapter and Chapter 40 of the rules of the Commission, no substance shall be given by parenteral administration to any horse within 24 hours prior to the running of a scheduled post time for the first race in which on the day the horse is entered to race.

(b) The primary laboratory's detection of a prohibited substance in a biological sample collected from any horse during out-of-competition testing, pre-race testing, or post-race testing by the Official Veterinarian or designee shall constitute prima facie evidence that a substance violation occurred and may, at the discretion of the Stewards or Commission, result in summary suspension of the responsible trainer, disqualification of the horse, placement of the horse on the veterinarian's list, placement of the horse on the Stewards' list, and other penalties authorized by the Act and the rules of the Commission.

(c) The primary laboratory's detection of a permitted substance exceeding listed thresholds in a biological sample collected from any horse during post-race testing by the Official Veterinarian or designee shall constitute prima facie evidence that a substance violation occurred and may, at the discretion of the Stewards or Commission, result in summary suspension of the responsible trainer, disqualification of the horse, placement of the horse on the veterinarian's list, placement of the horse on the Stewards' list, and other penalties authorized by the Act and the rules of the Commission.

(d) The primary laboratory's detection of a naturally occurring substance exceeding listed thresholds or exceeding concentrations that the substance may naturally occur in a biological sample collected from any horse during post-race testing by the Official Veterinarian or designee shall constitute prima facie evidence that a substance violation occurred and may, at the discretion of the Stewards or Commission, result in summary suspension of the responsible trainer, disqualification of the horse, placement of the horse on the veterinarian's list, placement of the horse on the Stewards' list, and other penalties authorized by the Act and the rules of the Commission.

(e) It shall be presumed that biological samples tested by a laboratory approved by the Commission are collected from the horse in question; that the integrity of the biological sample is preserved; that all accompanying procedures of collection, preservation, transfer to the laboratory, and analyses of the

sample are correct and accurate; and that the report received from the laboratory pertains to the sample collected from the horse in question and correctly reflects the condition of the horse on the day the biological sample was collected.

(f) Except as otherwise provided by Commission rules, the owner or owners of a horse disqualified for a substance violation shall not participate in any portion of the purse or stakes and any trophy or other awards shall be returned to the Stewards for redistribution to other race participants.

(g) The trainer or owner contesting prima facie evidence of a substance violation shall have the burden of proof to establish that no substance violation occurred or that other evidence mitigates the severity of punishment.

325:45-1-6.1. Listed thresholds for Thoroughbreds

(a) The thresholds listed in this section shall be the considered listed threshold for permitted substances or, if specified as such, naturally occurring substances in Thoroughbreds.

(b) Non-steroidal anti-inflammatories shall be considered prohibited substances except for the chemicals listed below and their corresponding analogs and metabolites in concentrations not exceeding the listed threshold:

(1) Diclofenac: 5 ng/ml in biological samples consisting of plasma or serum;

(2) ~~Dipyrrone: 20 ng/ml in biological samples consisting of plasma or serum;~~

(3) Firocoxib: 20 ng/ml in biological samples consisting of plasma or serum;

(43) Flunixin: 20 ng/ml in biological samples consisting of plasma or serum;

(54) Ketoprofen: 2 ng/ml in biological samples consisting of plasma or serum;

(6) ~~Naproxen: 750 ng/ml in biological samples consisting of plasma or serum; or~~

(75) Phenylbutazone: 2 ug/ml in biological samples consisting of plasma or serum.

(c) Corticosteroids shall be considered prohibited substances except for the chemicals listed below and their corresponding analogs and metabolites in concentrations not exceeding the listed threshold:

(1) Betamethasone: 10 pg/ml in biological samples consisting of plasma or serum;

(2) Dexamethasone: 5 pg/ml in biological samples consisting of plasma or serum;

(3) Isoflupredone: 100 pg/ml in biological samples consisting of plasma or serum;

(4) Methylprednisolone: 100 pg/ml in biological samples consisting of plasma or serum;

(5) Prednisolone: 1ng/ml in biological samples consisting of plasma or serum; or

(6) Triamcinolone Acetonide: 100 pg/ml in biological samples consisting of plasma or serum.

(d) Other substances shall be considered prohibited substances except for the chemicals listed below and their corresponding analogs and metabolites in concentrations not exceeding the listed threshold:

(1) Acepromazine: 10 ng/ml in biological samples consisting of urine;

- (2) Albuterol: 1 ng/ml in biological samples consisting of urine;
 - (3) Butorphanol: 300 ng/ml of total Butorphanol in biological samples consisting of urine or 2 ng/ml of free butorphanol in biological samples consisting of plasma or serum;
 - (4) Cetirizine: 6 ng/ml in biological samples consisting of plasma or serum;
 - (5) Cimetidine: 400 ng/ml in biological samples consisting of plasma or serum;
 - (6) Clenbuterol: 140 pg/ml in biological samples consisting of urine or at the level of detection in biological samples consisting of plasma or serum;
 - (7) Dantrolene: 100 pg/ml of 5-hydroxydantrolene in biological samples consisting of plasma or serum;
 - (8) Detomidine: 1 ng/ml in biological samples consisting of plasma or serum;
 - (9) Dimethyl Sulfoxide (DMSO): 10 ug/ml in biological samples consisting of plasma or serum;
 - (10) Furosemide: 100 ng/ml in biological samples consisting of plasma or serum;
 - (11) Glycopyrrolate: 3 pg/ml in biological samples consisting of plasma or serum;
 - (12) Guaifenesin: 12 ng/ml in biological samples consisting of plasma or serum;
 - (13) Lidocaine: ~~25 pg/ml~~ 20 pg/ml of total 30H-lidocaine in biological samples consisting of plasma or serum;
 - (14) Mepivacaine: 10 ng/ml in biological samples consisting of urine or at the level of detection in biological samples consisting of plasma or serum;
 - (15) Methocarbamol: 1 ng/ml in biological samples consisting of plasma or serum;
 - (16) Omeprazole: omeprazole sulfide- 10 ng/ml in biological samples consisting of plasma or serum;
 - (17) Procaine Penicillin: 25 ng/ml in biological samples consisting of plasma or serum;
 - (18) Pyrilamine: ~~50 ng/ml in biological samples consisting of plasma or serum;~~
 - ~~(19) Ranitidine: 40 ng/ml in biological samples consisting of plasma or serum; or~~
 - (2019) Xylazine: 200 pg/ml in biological samples consisting of plasma or serum.
- (e) Androgenic-Anabolic Steroids (AAS) shall be considered prohibited substances except for the chemicals listed below and their corresponding analogs and metabolites in concentrations not exceeding the listed threshold:
- (1) The naturally occurring substance, boldenone, shall be permitted in concentrations not exceeding:
 - (A) 25 pg/ml in biological samples consisting of plasma or serum for all horses, regardless of sex;
 - (B) 1 ng/ml in biological samples consisting of urine for fillies, mares, or geldings; or
 - (C) 15 ng/ml in biological samples consisting of urine for male horses other than geldings.
 - (2) The naturally occurring substance, nandrolone, shall be permitted in concentrations not exceeding:
 - (A) 25 pg/ml in biological samples consisting of plasma or serum for fillies, mares, and geldings;
 - (B) 1 ng/ml in biological samples consisting of urine for fillies, mares, or geldings; or
 - (C) 45 ng/ml in biological samples consisting of urine for male horses other than geldings.
 - (3) The naturally occurring substance, testosterone, shall be permitted in concentrations not exceeding:
 - (A) ~~25 pg/ml~~ 100 pg/ml in biological samples consisting of plasma or serum for fillies, mares, and geldings;
 - (B) 55 ng/ml in biological samples consisting of urine for fillies, mares (unless in foal); or
 - (C) 20 ng/ml in biological samples consisting of urine for geldings.
 - (D) The concentration of testosterone is not regulated or restricted in fillies or mares that are confirmed pregnant on the day of racing or in male horses other than geldings.
- (f) ~~Environmental contaminants shall be considered prohibited substances except for the chemicals listed below and their corresponding analogs and metabolites in concentrations not exceeding listed threshold:~~
- ~~(1) Arsenic: 0.3 ug/ml total arsenic in biological samples consisting of urine;~~
 - ~~(2) Atropine: 70 ng/ml in biological samples consisting of urine;~~
 - ~~(3) Gamma Aminobutyric Acid (GABA): 110 ng/ml in biological samples consisting of plasma or serum;~~
 - ~~(4) Hydrocortisone: 1 ug/ml in biological samples consisting of urine;~~
 - ~~(5) Methoxytyramine: 4 ug/ml, in biological samples consisting of urine;~~
 - ~~(6) Salicylate, Salicylic Acid: 750 ug/ml in biological samples consisting of urine or 6.5 ug/ml in biological samples consisting of plasma or serum;~~
 - ~~(7) Theobromine: 2 ug/ml in biological samples consisting of urine or 0.3 ug/ml in biological samples consisting of plasma or serum;~~
 - ~~(8) Cobalt: 50 ng/ml in biological samples consisting of plasma or serum;~~
 - ~~(9) Caffeine: 100 ng/ml in biological samples consisting of plasma or serum; or~~
 - ~~(10) Estradiol: 0.045 ug/ml in biological samples consisting of urine for male horses other than geldings.~~
- (g) The use of non-steroidal anti-inflammatories and corticosteroids are subject to the additional conditions:
- (1) The presence of more than two permitted non-steroidal anti-inflammatories in a biological sample consisting of plasma or serum is prohibited; or
 - (2) The presence of more than two corticosteroids in a biological sample consisting of plasma or serum is prohibited.

325:45-1-6.2. Listed thresholds for Quarter Horses, Paints, and Appaloosas

- (a) The thresholds listed in this section shall be considered the listed threshold for permitted substances or, if specified as such, naturally occurring substances in Quarter Horses, Paints, and Appaloosas.

Permanent Final Adoptions

(b) Non-steroidal anti-inflammatories shall be considered prohibited substances except for the chemicals listed below and their corresponding analogs and metabolites in concentrations not exceeding the listed threshold:

- (1) Diclofenac: 5 ng/ml in biological samples consisting of plasma or serum;
- (2) ~~Dipyrene: 20 ng/ml in biological samples consisting of plasma or serum;~~
- (3) Firocoxib: 20 ng/ml in biological samples consisting of plasma or serum;
- (4) Flunixin: 20 ng/ml in biological samples consisting of plasma or serum;
- (5) Ketoprofen: 2 ng/ml in biological samples consisting of plasma or serum;
- (6) ~~Naproxen: 750 ng/ml in biological samples consisting of plasma or serum; or~~
- (7) Phenylbutazone: 2 ug/ml in biological samples consisting of plasma or serum.

(c) Corticosteroids shall be considered prohibited substances except for the chemicals listed below and their corresponding analogs and metabolites in concentrations not exceeding the listed threshold:

- (1) Betamethasone: 10 pg/ml in biological samples consisting of plasma or serum;
- (2) Dexamethasone: 5 pg/ml in biological samples consisting of plasma or serum;
- (3) Isoflupredone: 100 pg/ml in biological samples consisting of plasma or serum;
- (4) Methylprednisolone: 100 pg/ml in biological samples consisting of plasma or serum;
- (5) Prednisolone: 1ng/ml in biological samples consisting of plasma or serum; or
- (6) Triamcinolone Acetonide: 100 pg/ml in biological samples consisting of plasma or serum.

(d) Other substances shall be considered prohibited substances except for the chemicals listed below and their corresponding analogs and metabolites in concentrations not exceeding the listed threshold:

- (1) Acepromazine: 10 ng/ml in biological samples consisting of urine;
- (2) Butorphanol: 300 ng/ml of total Butorphanol in biological samples consisting of urine or 2 ng/ml of free butorphanol in biological samples consisting of plasma or serum;
- (3) Cetirizine: 6 ng/ml in biological samples consisting of plasma or serum;
- (4) Cimetidine: 400 ng/ml in biological samples consisting of plasma or serum;
- (5) Dantrolene: 100 pg/ml of 5-hydroxydantrolene in biological samples consisting of plasma or serum;
- (6) Detomidine: 1 ng/ml in biological samples consisting of plasma or serum;
- (7) Dimethyl Sulfoxide (DMSO): 10 ug/ml in biological samples consisting of plasma or serum;
- (8) Furosemide: 100 ng/ml in biological samples consisting of plasma or serum;
- (9) Glycopyrrolate: 3 pg/ml in biological samples consisting of plasma or serum;

(10) Guaifenesin: 12 ng/ml in biological samples consisting of plasma or serum;

(11) Lidocaine: ~~25 pg/ml~~ 20 pg/ml of total 30H-lidocaine in biological samples consisting of plasma or serum;

(12) Mepivacaine: 10 ng/ml in biological samples consisting of urine or at the level of detection in biological samples consisting of plasma or serum;

(13) Methocarbamol: 1 ng/ml in biological samples consisting of plasma or serum;

(14) Omeprazole: omeprazole sulfide- 10 ng/ml in biological samples consisting of plasma or serum;

(15) Procaine Penicillin: 25 ng/ml in biological samples consisting of plasma or serum;

(16) ~~Pyrilamine: 50 ng/ml in biological samples consisting of plasma or serum;~~

(17) Ranitidine: 40 ng/ml in biological samples consisting of plasma or serum; or

(18) Xylazine: 200 pg/ml in biological samples consisting of plasma or serum.

(e) Androgenic-Anabolic Steroids (AAS) shall be considered prohibited substances except for the chemicals listed below and their corresponding analogs and metabolites in concentrations not exceeding the listed threshold:

(1) The naturally occurring substance, boldenone, shall be permitted in concentrations not exceeding:

(A) 25 pg/ml in biological samples consisting of plasma or serum for all horses, regardless of sex;

(B) 1 ng/ml in biological samples consisting of urine for fillies, mares, or geldings; or

(C) 15 ng/ml in biological samples consisting of urine for male horses other than geldings.

(2) The naturally occurring substance, nandrolone, shall be permitted in concentrations not exceeding:

(A) 25 pg/ml in biological samples consisting of plasma or serum for fillies, mares, and geldings;

(B) 1 ng/ml in biological samples consisting of urine for fillies, mares, or geldings; or

(C) 45 ng/ml in biological samples consisting of urine for male horses other than geldings.

(3) The naturally occurring substance, testosterone, shall be permitted in concentrations not exceeding:

(A) ~~25 pg/ml~~ 100 pg/ml in biological samples consisting of plasma or serum for fillies, mares, and geldings;

(B) 55 ng/ml in biological samples consisting of urine for fillies, mares (unless in foal); or

(C) 20 ng/ml in biological samples consisting of urine for geldings.

(D) The concentration of testosterone is not regulated or restricted in fillies or mares that are confirmed pregnant on the day of racing or in male horses other than geldings.

(f) ~~Environmental contaminants shall be considered prohibited substances except for the chemicals listed below and their corresponding analogs and metabolites in concentrations not exceeding listed threshold:~~

(1) ~~Arsenic: 0.3 ug/ml total arsenic in biological samples consisting of urine;~~

- (2) ~~Atropine: 70 ng/ml in biological samples consisting of urine;~~
- (3) ~~Gamma Aminobutyric Acid (GABA): 110 ng/ml in biological samples consisting of plasma or serum;~~
- (4) ~~Hydrocortisone: 1 ug/ml in biological samples consisting of urine;~~
- (5) ~~Methoxytyramine: 4 ug/ml, in biological samples consisting of urine;~~
- (6) ~~Salicylate, Salicylic Acid: 750 ug/ml in biological samples consisting of urine or 6.5 ug/ml in biological samples consisting of plasma or serum;~~
- (7) ~~Theobromine: 2 ug/ml in biological samples consisting of urine or 0.3 ug/ml in biological samples consisting of plasma or serum;~~
- (8) ~~Cobalt: 50 ng/ml in biological samples consisting of plasma or serum;~~
- (9) ~~Caffeine: 100 ng/ml in biological samples consisting of plasma or serum; or~~
- (10) ~~Estradiol: 0.045 ug/ml in biological samples consisting of urine for male horses other than geldings.~~
- (g) The use of non-steroidal anti-inflammatories and corticosteroids are subject to the additional conditions:
 - (1) The presence of more than two permitted non-steroidal anti-inflammatories in a biological sample consisting of plasma or serum is prohibited; or
 - (2) The presence of more than two corticosteroids in a biological sample consisting of plasma or serum is prohibited.

325:45-1-9.1. Phenylbutazone use

- (a) Phenylbutazone shall be permitted under the following conditions:
 - (1) Phenylbutazone shall not be administered within twenty-four (24) hours prior to the scheduled post time for the first race in which on the day the horse is entered to race.
 - (2) The concentration of Phenylbutazone in the post-race biological sample consisting of blood or plasma shall not exceed the listed threshold.
- (b) The following penalties shall be imposed for violations of this section when the concentration of Phenylbutazone exceeds 2 ug/ml but does not exceed 5 ug/ml in a biological sample consisting of plasma or serum:
 - (1) For a first offense, the Stewards shall give the trainer a written warning of the violation of this section.
 - (2) For a second offense involving the same horse within a one (1) year period, the Stewards shall impose a fine on the trainer of Two Hundred Fifty Dollars (\$250) and the Stewards may require the horse which is the subject of the second offense to pass an examination by the Official Veterinarian or designee before being eligible to participate in another race.
 - (3) For a third offense or additional offenses involving the same horse within a one (1) year period, the Stewards shall impose a fine on the trainer of Five Hundred Dollars (\$500), the horse shall be disqualified, the owner or owners of the horse shall not participate in any portion of the

purse or stakes, and any trophy or other award, and the Stewards shall require the horse which is the subject of the third or additional offenses to pass an examination by the Official Veterinarian or designee before being eligible to participate in another race.

- (c) The following penalties shall be imposed for violations of this section when the concentration of Phenylbutazone exceeds 5 ug/ml in a biological sample consisting of plasma or serum:

- (1) For a first offense, the Stewards shall impose a fine on the trainer of Five Hundred Dollars (\$500) and the Stewards shall require the horse which is the subject of the first offense to pass an examination by the Official Veterinarian or designee before being eligible to participate in another race.
- (2) For a second offense within a one (1) year period, the Stewards shall impose a fine on the trainer of One Thousand Dollars (\$1,000), the horse shall be disqualified, the owner or owners of the horse shall not participate in any portion of the purse or stakes, and any trophy or other award, and the Stewards shall require the horse which is the subject of the second offense to pass an examination by the Official Veterinarian or designee before being eligible to participate in another race. If the horse which is the subject of the second offense is also the subject of the first offense, the horse shall be placed on the veterinarian's list for forty-five (45) days.
- (3) For a third offense or additional offenses within a one (1) year period, the Stewards shall impose a fine on the trainer of Two Thousand Five Hundred Dollars (\$2,500), the horse shall be disqualified, the owner or owners of the horse shall not participate in any portion of the purse or stakes, and any trophy or other award, and the Stewards shall require the horse which is the subject of the third offense to pass an examination by the Official Veterinarian or designee before being eligible to participate in another race. If the horse which is the subject of the third offense is also the subject of the second offense, the horse shall be placed on the veterinarian's list for sixty (60) days.
- (4) For a fifth offense or additional offenses within a one (1) year period, the trainer shall be referred to the Stewards for disciplinary action.

325:45-1-19. Official testing

- (a) Only laboratories approved by the Commission may be used to test biological samples collected from designated horses.
- (b) Approved primary and referee laboratories shall report directly to the Commission and Stewards.
- (c) The Commission shall publish a list of approved referee laboratories available for split testing.
- (d) Laboratories conducting testing of biological samples shall be accredited by the ~~American Racing Commissioners~~ International Racing Medication and Testing Consortium (RMTC) and approved by the Commission.

Permanent Final Adoptions

325:45-1-20. Split tests

(a) When the quantity of biological samples collected by operation of Commission rules permits, each test sample shall be divided into two portions so that one portion shall be used for primary testing and the second portion shall, if available, be retained for split testing. OHRC makes no guarantee that the amount of sample it was able to collect will be sufficient for split testing. All samples taken by OHRC personnel are under the jurisdiction of and shall remain the property of OHRC at all times.

(b) Biological sample consisting of blood shall be collected and processed as provided by Commission rules. Biological samples consisting of urine shall be collected if available. Other biological samples may be collected at the direction of the Stewards or the Commission.

(c) The Official Veterinarian or designee shall be responsible for the freezing, storage, safeguarding, and shipment of biological samples to primary or referee laboratories.

(d) When biological samples are available for split testing, ~~an owner or a~~ trainer and/or owner may request a split test, subject to the following conditions:

(1) ~~The owner or~~ trainer and/or owner shall make the request for a split test in writing within ~~forty-eight (48)~~ seventy-two (72) hours following notification of a substance violation.

(2) ~~All costs for split testing, including the shipment and testing of biological samples, shall be the financial responsibility of the requesting trainer or owner.~~ When OHRC is notified by the primary laboratory that a substance violation has occurred, OHRC will submit split testing forms to all approved referee laboratories. If, within the above specified time limits, the trainer and/or owner requests that a split test be performed, a list of all referee laboratories that have agreed to accept the split test shall be presented to the trainer and/or owner. The trainer and/or owner shall then have forty-eight (48) hours to select one of the referee laboratories from the provided list. The trainer and/or owner requesting to have a split sample tested shall be responsible for all charges and costs incurred in shipping and testing the split sample.

(3) ~~Payment for the costs of split testing shall be paid within seventy-two (72) hours following notification of the cost of split testing to the requesting trainer or owner. Failure to make timely payment of split testing costs shall be deemed a waiver of a person's right to conduct a split test.~~ incurred in transporting and testing the split sample must be received by the OHRC within five (5) working days of the trainer and/or owner being provided a list of referee laboratories agreeing to accept said split. If the trainer and/or owner fails to notify the OHRC in writing, of their choice of referee laboratory agreeing to accept the split sample, along with payment within this time, the split sample will not be released or shipped by the OHRC and said trainer and/or owner will have relinquished his/her right to have the split sample tested.

(4) ~~Payment for the costs of split testing shall be in the form of a check from the horseman's bookkeeper account or cashier's check. No other forms of payment shall~~

~~be accepted.~~ Upon verified completion of all prerequisites, OHRC personnel shall ensure that the split sample is sent to the designated laboratory for testing.

(5) The trainer, the trainer's authorized representative or employee, the owner, or other licensed person designated by the owner may witness the packaging and shipping of biological samples. Failure to appear at the appointed time to witness the packaging and shipping of biological samples constitutes a waiver of the right to do so;

(6) Failure of a trainer and/or owner to submit a timely request for split testing or failure to make timely payment for the costs of split testing shall constitute a waiver of any and all rights to have a split test performed.

(e) The results of the split test shall not prohibit the Commission from imposing appropriate penalties for substance violations, including the disqualification of a horse or other penalties imposed against the trainer.

(1) If the primary test results are not confirmed by the split test, the Commission shall reimburse the trainer and/or owner requesting the split test the cost of shipment and testing.

(2) Contradictory split test results or split test results that do not confirm the primary test results may be offered by ~~an owner or a~~ trainer and/or owner as evidence to rebut the prima facie evidence of a substance violation established by the primary test results. However, a request for a split test shall not obligate Commission staff to submit evidence of confirmatory split test results for the purposes of proving that a substance violation occurred.

(f) Nothing in this Section shall prevent the Commission or Executive Director from ordering first use of both sample portions for testing purposes.

325:45-1-24. Substance classification and penalties

Upon a finding of any substance violation, the Stewards shall consider the classification level of the substance violation as currently established by the UNIFORM CLASSIFICATION GUIDELINES OF FOREIGN SUBSTANCES (Version ~~13.4~~ 14.1) as promulgated by the Association of Racing Commissioners International, Inc. and may impose penalties and disciplinary measures consistent with the recommendations contained therein, except not to conflict with the mandates of 325:45-1-9 and 325:45-1-9.1. Provided, however, that in the event a majority of the Stewards determine that aggravating or mitigating circumstances require imposition of a different penalty than the penalty suggested by the guidelines, the Stewards may impose a different penalty. In the event a majority of the Stewards wish to impose a penalty in excess of the authority granted them by 325:1-1-7, the Stewards may impose the maximum penalty authorized by state law and refer the matter to the Commission with specific recommendations for further action.

325:45-1-27. Prohibited practices and certain penalties

The following ~~items~~ substances and/or therapies shall be prohibited within the enclosure:

- (1) Any substance which may endanger the health and welfare of a horse. It is a violation of this regulation to possess or use substances that are detrimental to the health and welfare of a horse, on the premises of a facility under the jurisdiction of the Commission for which a recognized analytical method has not been developed to detect and confirm the administration of such substance;
- (2) Any substance which has not been approved by the United States Food and Drug Administration for use in humans or animals. It is a violation to possess, use, or distribute a substance on the premises of a facility under the jurisdiction of the Commission if there is an FDA approved equivalent of that substance available for purchase;
- (3) Erythropoietin. The administration of Erythropoietin, Darbepoietin, Oxyglobin, and/or Hemopure to a horse;
- (4) Darbepoietin;
- (5) Oxyglobin;
- (6) Hemopure;
- (7) Any substance that abnormally enhances the oxygenation of body tissue;
- (8) Any device or machine which may endanger the health and welfare of a horse or may endanger the safety of a rider;
- (9) Extracorporeal Shock Wave Therapy or Radial Pulse Wave Therapy machines unless:
- (A) Any treated horse shall not race or receive an official work for a minimum of ten (10) days following treatment.
- (B) The use and possession of Extracorporeal Shock Wave Therapy machines shall be restricted to practicing veterinarians.
- (C) Extracorporeal Shock Wave Therapy machines within the enclosure shall be registered with and approved by the Commission.
- (D) Any treatments administered using a Extracorporeal Shock Wave Therapy machine shall be reported to the Official Veterinarian by the trainer or practicing veterinarian no less than within twenty-four (24) hours following of treatment. The report must include veterinary diagnosis and diagnostic radiographs and/or ultrasound performed within seven (7) days prior to the region receiving the shockwave therapy.
- (10) The administration, within 24 hours prior to at the scheduled post time for the first race on the day the horse is entered to race, of an alkalizing substance that can alter the pH of serum or plasma, concentration of bicarbonates, or total dissolved carbon dioxide in a horse.
- (11) A blood gas machine or ozone generator.
- (12) The use of a nasogastric tube (a tube longer than six inches) for the administration of any substance within 24 hours prior to the scheduled post time of the for the first race in which on the day the horse is entered is prohibited to race.
- (13) The use of a nebulizer for the administration of any substance within 24 hours prior to the scheduled post time for the first race on the day the horse is entered to race.

- (11) No horse shall run in a race within six (6) days after receiving an Intra-articular injection.

325:45-1-29. Environmental contaminants and substances of human use

- (a) The Commission recognizes that testing of biological samples may detect the presence of prohibited substances that are caused by environmental contamination and not through any fault of the trainer. Environmental contaminants are either endogenous to the horse or can arise from plants traditionally grazed or harvested as equine feed or are present in equine feed because of contamination during the cultivation, processing, treatment, storage, or transportation phases.
- (b) Any biological sample containing an environmental contaminant shall be treated as a substance violation; however, evidence may be presented showing that the substance violation is the likely result of environmental contamination. The Stewards shall consider evidence of environmental contamination as a mitigating or explanatory evidence when making a determination about the appropriate punishment for the substance violation. Substances of human use and addiction may be found in the horse due to its close association with humans.
- (c) If the preponderance of evidence presented in the hearing shows that a positive test is the result of environmental contamination, including inadvertent exposure due to human drug use, or dietary intake, or is endogenous to the horse, those factors should be considered in mitigation of any disciplinary action taken against the affected trainer. Disciplinary action may only be taken if test sample results exceed the regulatory thresholds in version 4.0 of the ARCI Endogenous, Dietary, or Environmental Substances Schedule.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 14, 2020:

325:50-1-2. Definitions

In addition to the definitions provided in Section 200.1 of Title 3A, of the Oklahoma Statutes, the following words or terms, when used in this Chapter, shall have the following meaning, unless the context clearly indicates otherwise

"Act" means the Oklahoma Horse Racing Act [3A:200 et seq.].

"Commissioner" means a member of the Oklahoma Horse Racing Commission.

"Controlled substance" means any substance included in the five schedules of the Oklahoma Uniform Controlled Dangerous Substances Act.

"Day" means a 24-hour period ending at midnight.

"Medication" means any substance other than food intended to affect the structure or any function of the body of a human or a horse.

"Month" means a calendar month.

"Occupation license" means a state requirement for any person acting in any capacity pursuant to provisions of the Act.

"Organization license" means a state requirement for any person desiring to conduct a race meeting in Oklahoma within the minimum standards as required by the Act and the rules of the Commission.

"Probable cause testing" means a strategy for testing for controlled dangerous substances or alcohol, or any other drug, based on a Commission official's having good reason to believe that an Occupation Licensee who may affect the outcome of race results is possessing or using any controlled dangerous substance or any other drug in violation of any federal or state law. Such human substance abuse testing and the laboratories performing such tests must meet the nationally recognized standards specified in the Mandatory Guidelines for Federal Workplace Drug Testing Programs adopted by the U.S. Department of Health and Human Services.

"Prima Facie evidence" means evidence that, until its effect is overcome by another evidence, will suffice as proof of fact in issue.

"Race" means a contest between horses.

"Race day" means a day during a race meeting when pari-mutuel wagering occurs on live races conducted at that racetrack.

"Random testing" means a strategy for testing for alcohol or controlled substances not based on a reasonable belief that an individual has drugs or alcohol in his/her system. The strategy assures all affected individuals have an equal probability of being selected for testing.

"Reasonable cause/reasonable suspicion testing" means a strategy for testing for alcohol or controlled substances based on a Commission Steward or Law Enforcement Agent having good reason to believe a licensee has alcohol or controlled substances in his/her system.

"Restricted area" means any area within the enclosure where access is limited to licensees whose occupation requires access. Those areas which are restricted shall include but not be limited to the barn area, paddock, test barn, Stewards' tower, racecourse, mutuel line and money rooms, or any other area designated restricted by the organization licensee or the Commission, or both. Signs giving notice of restricted access shall be prominently displayed at all entry points.

"Rules" means the rules adopted by the Commission to implement the provisions of the Act.

"Steward" means a duly appointed Racing Official with powers and duties specified by statutes or rules.

"Substance" means any kind of physical matter existing in a solid, liquid, or gaseous state or some combination thereof and includes any drugs or medications referred to under the provisions of the Oklahoma Horse Racing Act, Section 200 et seq. of Title 3A of the Oklahoma Statutes.

"Substantial evidence" means evidence which a reasoning mind would accept as sufficient to support a particular conclusion and consists of more than a mere scintilla of evidence but may be somewhat less than a preponderance.

"Week" means a calendar week.

"Year" means a calendar year.

325:50-1-3. Use of controlled dangerous substance or prescription drug substance

(a) No person holding an occupation license issued by the Commission shall be under the influence of any scheduled "controlled dangerous substance" or synthetic substance as defined in the Uniform Controlled Dangerous Substances Act, 63 O.S., §§ 2-101 through 2-606, or any other intoxicating substance within the enclosure of any racetrack under the control of the Commission.

(b) The fact that any person charged with a violation of this Section is or has been lawfully entitled to use alcohol or a controlled dangerous substance or any other intoxicating substance shall not constitute a defense against any charge of violating this Section.

(c) No person holding an occupation license issued by the Commission shall have in his/her possession within the enclosure of any racetrack under the control of the Commission any

controlled dangerous substance in violation of the Uniform Controlled Dangerous Substances Act, 63 O.S., § 2-101 et seq.

**325:50-1-3.1. Prohibited Licensee
Activities/Substance Abuse Testing
Procedures/Assessment/Treatment/
Penalties**

(a) All licensees shall be deemed to be exercising the privileges of their license, and to be subject to the requirements of these rules, when engaged in activities that could affect the outcome of a race or diminish the conditions of safety or decorum required in restricted areas.

(b) It shall be a violation to exercise the privileges granted by a license from this Commission if the licensee:

- (1) Is engaged in the illegal sale or distribution of alcohol or a controlled substance;
- (2) Possesses, without a valid prescription, a controlled substance;
- (3) Is intoxicated or under the influence of alcohol or a controlled substance;
- (4) Is addicted, having been determined to be so by a professional evaluation, to alcohol or other ~~drugs~~-substance and not engaged in an abstinence-based program of recovery acceptable to the Commission;
- (5) Has in his/her possession within the enclosure any equipment, products or materials of any kind which are used or intended for use in planting, propagating, cultivating, growing, harvesting, manufacturing, compounding, converting, producing, processing, preparing, testing, analyzing, packaging, repackaging, storing, containing, concealing, injecting, ingesting, inhaling or otherwise introducing into the human body a controlled dangerous substance;
- (6) Refuses to submit to ~~drugs~~-substance and/or alcohol testing, when notified that such testing is based on reasonable grounds that the person is using ~~drugs~~-substance or alcohol or is based on the licensee's acting as if in an impaired condition; or
- (7) Presently has ~~drugs~~-(controlled substances)-or alcohol in his or her body. With regard to alcohol, the results of a breathalyzer test showing a reading of more than .05 percent of alcohol in the blood shall be the criterion for a finding of alcohol present in the body. With regard to other controlled substances, presence of the ~~drugs~~-substance in any quantity measured by the testing instrument establishes the presence of the ~~drug~~-substance for purposes of this paragraph.

(c) The fact that a person charged with a violation of this rule is or has been lawfully entitled to use a prescribed substance shall not constitute a defense against any charge of violating this rule.

(d) At its discretion, the Commission may conduct ~~drugs~~-substance and/or alcohol testing in order to ensure safety on the racetrack.

(e) When conducted, ~~drugs~~-substance and/or alcohol testing shall apply, equally, to all licensees who may affect the outcome of a race and are exercising the privileges of their license.

(f) No notice need be given as to onset or cessation of ~~drugs~~-substance and/or alcohol testing.

(g) For licensees who are tested under the provisions in this chapter, and whose testing shows the presence of ~~drugs~~-(controlled substances)-or alcohol, any field screening test results shall be confirmed by a laboratory acceptable to the Commission which shall include Gas Chromatography/Mass Spectrometry (GC/MS) procedures.

(h) When the sample quantity permits, each test sample shall be divided into portions so that one portion may be used for the confirmation procedure and another portion may be utilized for the licensee to obtain an independent analysis of the urine sample through the Commission designated laboratory.

(i) The Commission shall provide for a secure chain of custody for the sample to be made available for ~~drugs~~-substance and/or alcohol testing for the licensee.

(j) All costs for the transportation and testing for the sample portion for the licensee shall be the financial responsibility as follows:

- (1) If the licensee is required by order/ruling by a Board of Stewards or OHRC to obtain testing prior to being eligible for license, all cost associated with ~~drugs~~-substance and/or alcohol testing shall be paid by applicant.
- (2) If the licensee is ordered to obtain a ~~drugs~~-substance and/or alcohol test by an OHRC Representative, all cost associated with testing shall be paid by OHRC.

(k) Payment shall be made prior to ~~drugs~~-substance and/or alcohol testing.

(l) Refusal to submit to a required ~~drugs~~-substance and/or alcohol test will result in an immediate ~~sixty (60)~~one hundred eighty (180) day suspension and require two (2) negative test results thirty (30) days apart prior to reinstatement. However, a licensee penalized or restricted pursuant to this chapter shall retain rights of due process with respect to any determination of alleged violations which may adversely affect the capacity to hold a license.

(m) If there has been a violation, under (b) above, the following additional procedures will be followed:

- (1) The Stewards/Commission may, at its discretion, order the licensee to obtain a professional assessment to determine whether there is a substantial probability that the licensee is dependent on, or abuses, alcohol or other ~~drugs~~-substance or the Stewards/Commission may act on the information at hand.
- (2) Actions in the case of a first violation may include revocation of the license, suspension of the license for up to six ~~(6)~~(6) months, placing the violator on probation for up to ~~ninety (90)~~(90) days and/or ordering formal assessment and treatment.
- (3) Actions in the case of a second violation may include revocation of the license, suspension of the license up to one ~~(1)~~(1) year and/or a professional assessment of the person may be ordered by the Stewards/Commission.
- (4) Treatment or assessment, if ordered, must meet the conditions established in this rule.
- (5) If a professional assessment indicates presence of a problem of alcohol or other ~~drugs~~-substance abuse that is not treatable within the reasonably foreseeable future (360

days) the license may be suspended for a period of up to one (1) year.

(6) If a professional assessment indicates presence of a treatable problem of alcohol or other ~~drug~~ substance abuse or dependence, the Stewards/Commission may order the licensee to undergo treatment as a condition of continuing licensure. ~~Such~~The treatment will be through a program or by a practitioner, acceptable to the licensee and the Stewards/Commission. Required features of any program or practitioner acceptable to the Stewards/Commission will be:

- (A) Accreditation or licensure by an appropriate government agency, if required by state statute;
- (B) A minimum of one (1) year follow-up of formal treatment; and
- (C) A formal contract indicating the elements of the treatment and follow up program that will be completed by the licensee and, upon completion, certified by the program administrator to the Stewards/Commission as completed. To effect the contract, the licensee will authorize release of information by the treating agency, hospital or individual.

(7) When a licensee is determined to have failed in maintaining abstinence, the licensee shall furnish to the Stewards/Commission an assessment by the treating agency, hospital or individual practitioner indicating whether the licensee was compliant with the agreed upon program of recovery.

(8) Persons being reinstated following a violation of these rules who have not successfully completed a rehabilitation program shall submit a negative ~~drug~~ substance and/or alcohol test prior to being licensed.

(9) Actions in the case of a third violation may include revocation of the license and the violator being deemed ineligible for licensure for up to five (5) years.

(10) Prior human substance abuse violation reflected on a person(s) racing records from any racing jurisdiction(s) recognized by the Commission, including Oklahoma, shall be counted as violations when determining appropriate penalties as set forth in this rule.

325:70-1-23. Appeal from decision of the Stewards

(a) The Commission shall review hearings of any case referred to the Commission by the Stewards or appealed to the Commission from the decisions of the Stewards except as otherwise provided in this Chapter. Upon every appealable decision of the Stewards, the person subject to the decision or order shall be made aware of his/her right to an appeal before the Commission and the necessary procedures thereof. Appeals shall be made no later than 5:00 p.m. on the third calendar day, excluding intermediate Saturdays and Sundays and legal holidays as defined by the Oklahoma Statutes or any other day when the Commission office does not remain open for public business until 5:00 p.m. from the date the applicant or the applicant's attorney of record is notified of the rendering of the decision of the Stewards, excluding the date the decision was rendered, unless the Commission for good cause extends the time for filing not to exceed thirty (30) days from said the rendering date, and shall be filed with the Office of the Commission as specified in 325:1-1-14. PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 14, 2020:

SUBCHAPTER 1. GENERAL PROVISIONS

325:80-1-2. Definitions

Unless otherwise defined below, terms used in this chapter have the same meanings as set forth in the State-Tribal Gaming Act:

"Act" means the State-Tribal Gaming Act enacted by the people with passage of State Question 712.

"Authorized games" means Electronic Amusement Games as defined in the Act, Electronic Bonanza-Style Bingo Games as defined in the Act, Electronic Instant Bingo Games as defined in the Act, Compact Electronic Games as defined in these Rules, and Non-Compact Electronic Games as defined by these Rules.

"Commission" means the Oklahoma Horse Racing Commission.

"Component" means a part of a Gaming Machine that is necessary for the proper operation and essential function of the Gaming Machine, including but not limited to a hopper, coin acceptor, Microprocessor and related circuitry, Program Storage Device, Bill Acceptor, cashless system, progressive system, monitoring system, meter and any other parts the Commission determines are Components; a Component is necessary for the proper operation and essential function of a Gaming Machine if it affects, directly or indirectly, the Gaming Machine's operation, game outcome, security, record-keeping, or communication with the central monitoring system; parts such as light bulbs, buttons, wires, decorative glass, fuses, batteries, handles, springs, brackets, and locks are not Components if they do not directly or indirectly affect the Gaming Machine's operation, game outcome, security, record-keeping, or communication with the central monitoring system.

"Control" when used as a noun, means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person or to exercise significant influence over management and policies due to financial investment, assumption of debts or expenses, or other monetary or non-monetary considerations extended to the applicant or Licensee; when used as a verb, "Control" means to exert, directly or indirectly, such power, or to be in a position to exert such power.

Permanent Final Adoptions

SUBCHAPTER 13. REQUIREMENTS FOR KEY EXECUTIVE LICENSE OR GAMING EMPLOYEE LICENSE AND AMENDMENTS TO ANY EMPLOYEE LICENSE

325:80-13-6. Employee Licenses - Refusal to issue or denial and license termination upon loss of employment

All employee licenses are the property of the State of Oklahoma. Any employee whose employment is terminated for any reason must surrender his or her license to the Commission within five (5) business days of termination. An application for any type employee license may be denied for any reason that an application for a horse racing Occupation Gaming License may be denied. It may also be denied if an applicant has had a gaming or horse racing license revoked or suspended in any other jurisdiction or has been found guilty or pled guilty or no contest to any felony, or any crime involving gaming or horse racing. The grounds listed above in these Rules may also be used as a basis for refusal to issue or revoke a license.

SUBCHAPTER 15. REQUIREMENTS FOR INDEPENDENT TESTING LABORATORY LICENSE

325:80-15-1. Application Required

Testing laboratories that wish to function as a Commission-approved Independent Testing Laboratory ~~must~~shall apply to be issued an Independent Testing Laboratory License. The application ~~must~~shall be accompanied by the required application fee and an investigation fee in an amount equal to one-half of the license fee. The deadline for renewal license applications is ~~October~~November 1 of the current license year.

(1) In addition to other information required on the application, ~~any~~an applicant ~~must~~shall provide the following information for each of the last three (3) years:

- (A) address of main office and number of square feet used for testing;
- (B) addresses of all satellite offices, if any, and number of square footage;
- (C) number of full-time employees;
- (D) number of machines tested;
- (E) list of states for which the Laboratory has performed tests;
- (F) list of countries for which the Laboratory has performed tests; and
- (G) list of states and countries in which the Laboratory has been licensed or certified.

(2) In addition, the Commission review of consideration of an application for an Independent Testing Laboratory shall include:

- (A) For the testing laboratory and its parent corporation, if any, a complete corporate financial disclosure and review; a complete disclosure and review of any criminal proceedings, civil litigation or investigations by a regulatory entity; and an evaluation of its corporate good standing in the jurisdiction(s) where it is incorporated and/or does business.
- (B) For its principal shareholders (10% or greater) and its officers and directors, a complete individual financial disclosure and review; a complete disclosure and review of any criminal proceedings, civil litigation or investigations by a regulatory entity; and a finding of suitability.
- (C) The testing laboratory will demonstrate its relevant technical skill and capability by providing evidence of suitable testing previously conducted for state or tribal regulatory authorities. The Commission's Law Enforcement Division may conduct an on-site review of the testing laboratory's facilities as part of its evaluation and will be satisfied that the testing laboratory is qualified and competent to perform the testing required before making any recommendation for approval to the Commission. The frequency of the on-site review will be recommended by the Commission Law Enforcement Division's Director to the Commission Executive Director.
- (D) The testing laboratory ~~must~~shall have in-house staff personnel in the following categories:

- (i) Mathematicians,
 - (ii) Mechanical, electrical, and software engineering staff,
 - (iii) Compliance engineering staff,
 - (iv) Accounting system and communication protocol engineering specialists,
 - (v) High-level engineering staff for new and current technology, and
 - (vi) Quality assurance staff.
- (E) The testing laboratory ~~must~~shall have the ability to provide twenty-four hour, seven-day a week support for the Commission, including in-house personnel coverage.
- (F) The testing laboratory ~~must~~shall provide training and support staff for on-site field inspections to assist and/or train Gaming Agents on the security, compliance and accounting/auditing practices that ~~should~~shall be used, with expenses paid by the testing laboratory.
- (G) The testing laboratory ~~must~~shall provide a quality assurance staff that verifies each test result.
- (H) The testing laboratory ~~must~~shall conduct an annual due diligence investigation on each employee of the testing laboratory and maintain such due diligence files on each employee.
- (I) The testing laboratory ~~must~~shall have physical building security in terms of surveillance systems and alarms to protect confidential information.
- (J) The testing laboratory ~~must~~shall demonstrate that it possesses multiple units of the approved signature device(s); that it provides signatures of the approved software with each certification which will assist in the conduct of field audits of the equipment; and that the Laboratory has the ability to provide the specifications on the various software verification methods (i.e., KOBETRON, DataMan and other types of algorithms that allow checking of gaming equipment) to assist the Commission in determining which verification tools will be acceptable.
- (K) The testing laboratory ~~must~~shall have adequate equipment to support the submissions for testing and also, additional units available for on-site inspections when laboratory presence is requested; ~~must~~shall provide the requested signatures by taking those signatures at the Laboratory prior to storage of the storage media independent of the supplier; and a testing laboratory shall not rely on supplier-generated signatures.
- (L) During the detailed communication protocol tests that are performed on the device side and the system side, the testing laboratory ~~must~~shall use testing tools and testing techniques that are developed in compliance with the protocol used. The testing laboratory ~~must~~shall have the ability to develop such tools independently without having to rely on the Manufacturer for the equipment.
- (M) The testing laboratory ~~must~~shall demonstrate that the testing it performs includes complete detailed

tests to examine all external and internal functions, such as examinations of memory and communication protocol with all devices, of the gaming equipment being tested.

(N) The testing laboratory ~~must~~shall have a national reputation for honesty, independence, competence and timeliness.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 14, 2020:

SUBCHAPTER 1. GENERAL PROVISIONS

325:85-1-2. Definitions

Unless otherwise defined below, terms used in this chapter have the same meanings as set forth in the State-Tribal Gaming Act.

"**Act**" means the State-Tribal Gaming Act enacted by the people with passage of State Question 712.

"**Authorized games**" means Electronic Amusement Games as defined in the Act, Electronic Bonanza-Style Bingo Games as defined in the Act, Electronic Instant Bingo Games as defined in the Act, Compact Electronic Games as defined in these Rules, and Non-Compact Electronic Games as defined in these Rules.

"**Central computer**" means a computer or computers to which Player Terminals may be linked to allow competition in Electronic Bonanza-Style Bingo Games.

"**Commission**" means the Oklahoma Horse Racing Commission.

"**Compact**" means a Model Compact or any other tribal-state compact entered into between the State of Oklahoma and a federally recognized Indian tribe in accordance with the Indian Gaming Regulatory Act, and which has been approved by the United States Secretary of the Interior, as evidenced by publication of the approval in the Federal Register.

"**Compact Electronic Game**" means any Gaming Machine allowed by Oklahoma law that a federally recognized Indian tribe in Oklahoma is authorized to use by virtue of a Compact.

"**Component**" means a part of a Gaming Machine that is necessary for the proper operation and essential function of the Gaming Machine, including but not limited to a hopper, coin acceptor, microprocessor and related circuitry, Program Storage Device, bill acceptor, cashless system, progressive system, monitoring system, meter, and any other parts the Commission determines are Components; a Component is necessary for the proper operation and essential function of a Gaming Machine if it affects, directly or indirectly, the Gaming Machine's operation, game outcome, security, record-keeping, or communication with the central monitoring system; parts such as light bulbs, buttons, wires, decorative glass, fuses,

batteries, handles, springs, brackets, and locks are not Components if they do not directly or indirectly affect the Gaming Machine's operation, game outcome, security, record-keeping, or communication with the central monitoring system.

"**Control**" when used as a noun, means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person or to exercise significant influence over management and policies due to financial investment, assumption of debts or expenses, or other monetary or non-monetary considerations extended to the applicant or Licensee; when used as a verb, "Control" means to exert, directly or indirectly, such power, or to be in a position to exert such power.

"**Electronic Amusement Game**" means a game that is played in an electronic environment in which a player's performance and opportunity for success can be improved by skill that conforms to the Standards set forth in the Act.

"**Electronic Bonanza-Style Bingo Game**" means a game played in an electronic environment in which some or all of the numbers or symbols are drawn or electronically determined before the bingo cards for that game are sold that conforms to the Standards set forth in the Act.

"**Electronic Instant Bingo Game**" means a game played in an electronic environment in which a player wins if his or her electronic instant bingo card contains a combination of numbers or symbols that was designated in advance of the game as a winning combination. There may be multiple winning combinations in each game and multiple winning cards.

"**Executive director**" means the executive director of the Commission.

"**Gaming agent**" means a Commission employee trained in machine gaming, responsible for on-site enforcement of the Act and these Rules and other regulatory responsibilities as assigned by the Executive Director.

"**Game play credits**" means a method of representing value obtained from the exchange of cash or cash equivalents, or earned as a prize, in connection with the play of Authorized Games. Game Play Credits may be redeemed for cash or a cash equivalent.

"**Gaming facility**" means that area within an Organization Licensee's Racetrack Premises approved by the Commission that has been set aside for the use of Authorized Games and related activities and access to which is limited to patrons 18 years of age or older.

"**Gaming machine**" means a contrivance designed primarily for gambling purposes which for a consideration affords the player an opportunity to obtain something of value, the award of which is determined by chance, or any token, chip, paper, receipt or other document which evidences, purports to evidence or is designed to evidence participation in a lottery or the making of a bet. The fact that the prize is not automatically paid by the device does not affect its character as a gambling device.

"**Independent testing laboratory**" means a laboratory with a national reputation for honesty, independence, competence and timeliness that is demonstrably competent and qualified to scientifically test and evaluate devices for compliance with the Act and to otherwise perform the functions

assigned to it in the Act. An Independent Testing Laboratory shall not be owned or Controlled by an Organization Licensee, an Indian tribe, the State, or any Manufacturer, supplier or operator of Gaming Machines. The use of an Independent Testing Laboratory for any purpose related to the operation of Authorized Games by an Organization Licensee under the Act shall be made from a list of one or more laboratories approved by the Commission.

"Manufacturer" means a Person who manufactures, fabricates, assembles, produces, programs, refurbishes, or makes Modification to any Gaming Machine or Component thereof, or associated Program Storage Device for sale, lease, distribution, use or play by a Racetrack Gaming Operator Licensee in the State of Oklahoma.

"Model Compact" means a tribal-state compact between the State of Oklahoma and an Indian tribe entered into pursuant to 3A., O.S., § 280 and 281.

"Modification" means a change or alteration in an approved Gaming Machine or Component thereof that affects the manner or mode of play (including the percentage paid by the Gaming Machine), as well as a change in control or graphics programs. "Modification" does not include a conversion from one approved mode of play to another approved mode of play, replacement of one game for another approved game, replacement of one Component with another pre-approved Component, or the rebuilding of a previously approved Gaming Machine with pre-approved Components.

"Non-Compact Electronic Game" means any Gaming Machine that a federally recognized Indian tribe in Oklahoma is lawfully permitted to operate without a Compact under the Indian Gaming Regulatory Act. In determining whether a Gaming Machine qualifies as a Non-Compact Electronic Game, it shall be presumed that an Indian tribe is lawfully permitted to operate such Gaming Machine if such Indian tribe is operating such Gaming Machine within the State of Oklahoma and each of the following is true: (a) the National Indian Gaming Commission has not issued a Notice of Violation related to the unlawfulness of the Gaming Machine, instituted a formal action against the Indian tribe seeking to cause the Indian tribe to cease operating the Gaming Machine due to the unlawfulness of such Gaming Machine, issued an Order of Closure related to the Gaming Machine due to the unlawfulness of such Gaming Machine, nor assessed a civil fine related to the unlawfulness of the Gaming Machine; and (b) the Oklahoma Office of State Finance has not sent formal written notice to the Indian Tribe requesting that the Indian tribe cease operating the Gaming Machine due to the unlawfulness of such Gaming Machine. This presumption is a rebuttable presumption, which shall be deemed rebutted if substantial information to the contrary is presented or available to the Commission or its Executive Director.

"Organization license" means a license issued by the Commission which authorizes the licensee to conduct a race meeting in Oklahoma and accept pari-mutuel wagers on the outcome of live and simulcast horse racing.

"Organization licensee" means any Person receiving an Organization License issued by the Commission.

(a) All Gaming Machines - including each Player Terminal and each game - at a Gaming Facility ~~must~~shall be physically located as follows:

- (1) in an area that is at all times monitored by the Racetrack Gaming Operator Licensee or a Gaming Employee to prevent access or play of the Gaming Machines by Persons under the age of 18;
- (2) in an area that ensures that public access to the Gaming Machines is restricted to Persons legally entitled to play the Gaming Machines at the licensed premises; and
- (3) in the sight and Control of the Racetrack Gaming Operator, Licensee or a Gaming Employee.

(b) The initial installation and placement of each Player Terminal and each game within a Gaming Facility ~~must~~shall take place in the presence of a Gaming Agent who will at the time of installation test each Player Terminal and each game to ensure that each Player Terminal and each game is identical to a prototype that has been certified by an Independent Testing Laboratory. If the on-site test indicates that a Player Terminal or game does not conform to the certified prototype, the Racetrack Gaming Operator Licensee shall remove the game or Player Terminal from the floor and it may not be placed into operation until such time, if any, as a Gaming Agent finds that it is identical to a prototype certification issued by an Independent Testing Laboratory.

(c) If the on-site test by the Gaming Agent demonstrates that the game or Player Terminal is identical to a prototype certification issued by an Independent Testing Laboratory, the Gaming Agent shall seal the ~~Program Storage Device~~logic compartment with a Commission numbered seal.

(d) The Gaming Agent shall also perform a test to ensure that the game and Player Terminal are operating properly, then will conduct a test to determine that they are properly communicating with the Racetrack Gaming Operator Licensee's accounting system(s). Only machines and games that are found to be identical to prototypes certified by an Independent Testing Laboratory and that pass both the operation and communication tests conducted by the Gaming Agent ~~may~~shall be installed and placed into operation.

(e) Once the ~~Program Storage Device~~logic compartment has been sealed by a Gaming Agent, the seal ~~may~~shall only be broken or removed in the presence of a Gaming Agent. The seal may be broken or removed for the purposes of repair or Commission-authorized change to the Program Storage Device or software in the presence of a Gaming Agent, who, after the change or repair, ~~will~~shall verify the new software, if applicable, retest the machine and game and reseal it if the tests show the machine and game are in compliance. If, after retesting, they are found not to be in compliance, the machine or game cannot be placed into operation until such time that the Gaming Agent determines that the machine or game complies with the applicable requirements.

Permanent Final Adoptions

(f) Any relocation of a Player Terminal or game within the licensed premises requires prior written approval by the Gaming Agent.

(g) Licensed Manufacturers and Distributors ~~may~~shall store and display, and Persons certified pursuant to this Title ~~may~~shall repair, gaming machines or devices only at locations approved in advance by the Commission.

SUBCHAPTER 5. UNRESOLVED PATRON DISPUTES

325:90-5-1. Unresolved patron disputes

(a) This Subchapter deals with disputes between the Racetrack Gaming Operator Licensee and a patron involving a game outcome, prize, fee paid or other aspect of a player's use of an Authorized Game. In the event a dispute arises with a patron and the dispute is not resolved to the patron's satisfaction within two (2) hours, the Racetrack Gaming Operator Licensee ~~must~~shall notify the patron that the patron has a right to contact a Gaming Agent regarding the dispute.

(b) A Racetrack Gaming Operator Licensee ~~must~~shall immediately notify the Gaming Agent if the Racetrack Gaming Operator Licensee refuses to pay alleged winnings to a patron and the Racetrack Gaming Operator Licensee and the patron are unable to resolve the dispute to the patron's satisfaction within two (2) hours. This notice, which ~~must~~shall be in writing, shall include the following information:

- (1) The name, address and phone number of the patron.
- (2) The nature of the dispute.
- (3) The amount of money involved in the dispute.
- (4) The number of machines involved and the name of the game involved.

(c) Upon receipt of such notice, the Gaming Agent ~~may~~shall assist the parties in trying to resolve the dispute. Patron disputes not resolved to the patron's satisfaction within forty-eight (48) hours of the occurrence of the dispute shall be decided by the Commission in the following manner. The initial determination of unresolved disputes involving ~~\$500.00—One Thousand Nine Hundred Ninety-nine Dollars and ninety-nine cents (\$1,999.99)~~ or less will be made by the Gaming Agent. The Gaming Agent will conduct whatever review he/she deems necessary and will determine whether payment should be made to the patron. The determination shall be based on a review of all available surveillance tapes, Gaming Machine records, and required written statements from both the Racetrack Gaming Operator Licensee and the patron. The Racetrack Gaming Operator Licensee shall make all audio/visual ~~tapes and~~ records available to the Gaming Agent with failure to do so resulting in an automatic decision in favor of the patron.

(d) The Gaming Agent's determination shall be made in writing and state the factual and legal basis for the decision unless both the Racetrack Gaming Operator Licensee and the patron waive this requirement and agree to an expedited verbal decision by the Gaming Agent. Expedited, verbal decisions shall be final and unappealable, and the patron shall be advised of this fact before waiving his/her right to a written determination. Written decisions are appealable to the Executive Director, the appeal ~~must~~shall be sent to the Executive Director in writing by the patron and received within ten (10) calendar days of the initial determination by the Agent, and the Executive Director's decision is appealable to the District Court under the provisions of the Oklahoma Administrative Procedures Act.

(e) Unresolved disputes involving more than ~~\$500.00—One Thousand Nine Hundred Ninety-nine Dollars and ninety-nine cents (\$1,999.99)~~ will be initially decided by the Executive Director. The Executive Director's decision in all instances shall be in writing and shall be based on a review of all available ~~surveillance tapes~~audio/visual records, Gaming Machine

records, required written statements from both the Racetrack Gaming Operator Licensee and the patron. The Racetrack Gaming Operator Licensee shall make all audio/visual records available to the Executive Director. Failure to make these records available shall result in an automatic decision in favor of the patron. The Executive Director's decision may be appealed to the Commission and thereafter to the District Court under the provisions of the Oklahoma Administrative Procedures Act.

GIST/ANALYSIS:

The amended Single Family Mortgage Program Rules provide for important updates to the single family mortgage loan program administered by OHFA. The proposed amendments provide for updates to definitions, statutory references, and responsible parties for the day-to-day administration of the program. The proposed amendments incorporate updates from the Internal Revenue Code of 1986, as amended and associated regulations (collectively, the "Code") which provides for certain eligibility criteria for the issuance of mortgage revenue bonds, the proceeds of which are used to fund certain mortgage programs of OHFA. In addition, the proposed amendments update the list of eligible underwriters and participating lenders in the mortgage loan program while allowing for continuous mortgage originations which may or may not be associated with a mortgage revenue bond program.

**PURSUANT TO THE ACTIONS DESCRIBED HEREIN,
THE FOLLOWING RULES ARE CONSIDERED**

**FINALLY ADOPTED AS SET FORTH IN 75 O.S.,
SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE
DATE JANUARY 1, 2021:**

SUBCHAPTER 1. GENERAL PROVISIONS

330:15-1-1. Purpose

The rules of this Chapter have been adopted for the purpose of complying with the provisions of the Administrative Procedures Act, 75 O.S., Section 250, et seq. OHFA shall, from time to time as approved by OHFA Trustees, in furtherance of its efforts to provide safe, sanitary and decent housing, implement ~~programs~~ Programs to assist qualified persons in Oklahoma to obtain financing for single family, owner-occupied residences. Such ~~programs~~ Programs may be financed from the proceeds of revenue bonds, notes, mortgage backed securities or other obligations sold by OHFA either on a taxable or tax-exempt basis, or from other sources of money available to OHFA. Implementation of such ~~programs~~ Programs and the issuance of any debt obligations to provide financing therefor which are intended to be tax-exempt shall be subject to provisions of the United States Internal Revenue Code of 1986, as amended and supplemented (referred to herein as the "Code"), and any rules or regulations promulgated or adopted by reference thereunder and the Title 60 Oklahoma Statutes, ~~Supplement 1987-2011~~, Sections 175.1 through 175.54 and 176 through 180.4, as amended and supplemented, and such other provisions of Oklahoma and federal law and the provisions of the Trust Indenture creating the OHFA as may be applicable to such ~~programs~~ Programs and the financing thereof. ~~programs~~ Programs shall be of general applicability to eligible borrowers throughout Oklahoma insofar as possible, provided that from time to time OHFA may implement ~~programs~~ Programs to benefit one or more localized areas within the state depending on a showing of need therefor. The structure and details of any specific ~~program~~ Program shall be determined as needed by the Trustees and/or Staff of OHFA on a case-by-case basis.

330:15-1-2. Authority

The Agency is authorized by its Trust Indenture, Article IV, Sections (2), (3), (4), (5), (8), (14), and Article VII, Sections (7), (9), (13), (17), and (19) through (43), to plan and implement single family mortgage loan ~~programs~~ Programs to provide financing by various means for the construction, acquisition, purchase and/or rehabilitation of single family owner-occupied dwellings located within the State. Specific reference should be made to the Agency's current Trust Indenture for the exact provisions for the specific scope of authorization. The Agency is authorized by Title 60, Oklahoma Statutes ~~Supp. 1987-2011~~ Sections 176, et seq., as amended, to issue its evidences of indebtedness for the purpose of financing housing or housing ~~programs~~ Programs as an authorized and proper public function for public trusts.

Permanent Final Adoptions

330:15-1-3. Definitions

The following words or terms, when used in this Chapter, shall have the following meaning, unless the context clearly indicates otherwise:

— "**Act**" means Title 60 Oklahoma Statutes, ~~Supplement 1987-2011~~, Sections 175.1-175.54 and 176-180.4, as amended and supplemented.

"**Applicant**" means a person who applies for approval to become a borrower under a ~~program~~ Program.

"**Bond**" means any obligation of OHFA, including bonds, notes or any other form of indebtedness incurred to finance a ~~program~~ Program.

"**Bond indenture**" means ~~the any bond~~ indenture between OHFA as issuer and the Trustee authorizing and securing bonds used to finance a Program, and all amendments or supplements thereto.

"**Mortgage loan**" or "**Mortgage loans**" means the mortgage financing of the acquisition, alterations to, repair, rehabilitation or improvements on single family dwellings (which alterations, repairs, rehabilitation and/or other improvements substantially protect or improve basic livability of the property), which financing is evidenced by the mortgage note(s) and secured by the related mortgage(s), and which are made to borrowers pursuant to the terms and conditions of a ~~program~~ Program.

"**Origination**" means the identification of qualified mortgage loans for provision of financing by OHFA pursuant to the provisions of a ~~program~~ Program.

"**Participating lender** ~~Lender~~" means any state bank, national banking association, savings and loan association, building and loan association, mortgage banker or other financial institution, or holding company thereof, or governmental agency which provides services for, or otherwise aids in, the financing of single family residences by means of mortgage loans and which is approved by OHFA respecting participation in a ~~program~~ Program.

"**Program**" means a single family ~~mortgage~~ home ownership ~~program~~ Program of OHFA instituted for the purpose of providing funds to low and moderate income residents of the State of Oklahoma for the acquisition, alteration, rehabilitation, repair, or improvement of single family, owner-occupied housing.

"**Program documents** ~~Documents~~" means all contracts, agreements, certificates, affidavits and exhibits or similar instruments utilized in connection with a ~~program~~ Program, as may be required from time to time, whatsoever their title, including, but not limited to, the invitation, the offer to originate, notice of acceptance by OHFA, the master mortgage origination agreement, the bond indenture, the bond notice of acceptance, the interest rate notice and the official statement, to the extent deemed applicable by the Trustees and/or Staff of OHFA.

"**Resident**" means any person who, at the time of closing of a mortgage loan, permanently resides within the State of Oklahoma, and intends to use the single family dwelling as his or her principal place of residence.

"**Servicing**" means the administration, collection, and other duties specified in the ~~program documents~~ Program

Documents which may be performed by a ~~participating lender~~ Participating Lender respecting the mortgage loans.

"**Trustee**" means the bank designated by the issuer and appointed under the bond indenture or any successor thereto, as the custodian of funds derived from the issuance of the bonds of a ~~program~~ Program, and performing such other duties as may be designated in the bond indenture.

330:15-1-4. No discrimination

No application for a mortgage loan shall be arbitrarily rejected for residential properties within a specified geographical area of the State because of the location and/or age of the property, or, in the case of a proposed mortgagor, arbitrarily vary the terms of a loan or the application requirements or procedures therefor, or reject a mortgage loan because of the race, color, religion, national origin, ethnic background, age, sex, marital status or disability of any of the applicant(s) for a mortgage loan under a ~~program~~ Program.

SUBCHAPTER 3. SINGLE FAMILY MORTGAGE LOAN PROGRAMS

330:15-3-1. Interest rate and loan structure

OHFA shall endeavor to develop ~~programs~~ Programs in which the interest rate and/or points charged to the borrower will be competitive with, or lower in cost than private financing then reasonably available to the categories of qualifying borrowers to be served. Depending on the particular ~~program~~ Program, loans may be either at a fixed or variable rate, may be secured by a first lien or a second lien mortgage, may be for acquisition, construction or substantial rehabilitation, may be for a term of up to thirty-five (35) years, and, to the extent permitted by bond marketing and other applicable constraints, may be assumable by subsequent qualifying borrowers. Each of these factors shall be determined and announced by OHFA Trustees prior to implementation of the particular ~~program~~ Program. ~~Except to the extent permitted by applicable law, loans shall not be made for the purpose of refinancing existing mortgages.~~

330:15-3-2. Total volume of ~~program~~ Programs to be set by Trustees

Each ~~program~~ Program planned, authorized and implemented by OHFA shall be limited in total dollar amount by resolution of the Trustees. Such volume limitation may be changed from time to time by resolution of the Trustees until finalization of the ~~program~~ Program. In all cases, the volume limitation provided for by the resolution of the Trustees shall be consistent with any independent limitation upon the size of the ~~program~~ Program by reason of any applicable CAP allocation, or similar federal or state limitation.

330:15-3-3. Security for each loan

Each ~~program~~ Program shall provide that the financing to be provided to the borrower shall be a first mortgage loan upon

the borrower's single family dwelling, superior in lien priority to all other encumbrances, and shall not be for a second or other mortgage inferior to any other lien or encumbrance, except in ~~programs~~Programs specifically authorizing and providing for second mortgages, or except for easements, rights of way, or other similar encumbrances not interfering with the use and enjoyment of the single family dwelling as such, and which do not adversely impact upon the value of the single family dwelling.

330:15-3-4. Single family dwellings only

Only ~~single family~~qualifying dwellings shall be eligible for mortgage loan financing under any ~~program~~Program instituted by OHFA under this Chapter.

330:15-3-5. Loan purposes

The purposes for which a borrower may obtain a mortgage loan under any ~~program~~Program shall be limited to the following purposes:

- (1) Acquisition by the borrower of the single family dwelling to be financed by a mortgage loan under the ~~program~~Program.
- (2) Replacement of construction period loans, bridge loans or similar temporary initial financing for the acquisition by borrower of the single family dwelling to be financed by a mortgage loan under the ~~program~~Program.
- (3) Not for general refinancing of any existing loan or to pull out owners equity in the single family dwelling proposed to be mortgaged under the ~~program~~Program.
- (4) Special ~~programs~~Programs for rehabilitation, home improvement, home equity loans, and other special purpose ~~programs~~Programs, or blocking-out of funds in general ~~programs~~Programs, directed toward special limited housing needs and problems of the public or segments thereof.

330:15-3-6. Interest rate

Programs may provide for fixed rate or variable rate loans or both, at discretion of Trustees at time of finalization of ~~program~~Program. Specific interest rate(s) for mortgages under each ~~program~~Program shall be set as the Trustees may determine to be necessary under the market conditions prevalent at the time the ~~program~~Program is being developed and as may be determined by the Trustees at discretion of Trustees at time of finalization of the ~~program~~Program.

330:15-3-7. Assumability of mortgage loans

Program provisions for assumption of mortgage loans, or that loans are due on sale, for mortgages under each ~~program~~Program shall be set as the Trustees may determine to be necessary under the market conditions prevalent at the time the ~~program~~Program is being developed and as may be determined by the Trustees in their discretion at the time of finalization of the ~~program~~Program. A ~~program~~Program may be changed after the commencement of a ~~program~~Program to provide for

assumption of mortgage loans where the ~~program~~Program did not allow for assumption, provided that all necessary parties agree to such change, opinion of bond counsel advising of such changes is not in violation of the bond indenture of the ~~program~~Program, and that all necessary steps are taken as may be necessary to amend the ~~program documents~~Program Documents. In all ~~programs~~Programs providing for assumptions of mortgage loans, all assuming parties must qualify as a borrower under the terms and conditions of the ~~program~~Program in question, except that if the ~~program~~Program is intended to be tax-exempt under the Code, then the qualifications of the assuming borrower must be sufficient to at least satisfy the requirements of the Code in regard to such assumption.

330:15-3-8. Maximum mortgage loan interest rate

Maximum interest rate on all mortgage loans under any first mortgage ~~program~~Program shall be limited to 12% per annum and under any second mortgage ~~program~~Program shall be limited to 15% per annum. The actual interest rate for mortgages under each ~~program~~Program shall be set as the Trustees may determine to be necessary under the market conditions prevalent at the time the ~~program~~Program is being developed and as may be determined by the Trustees at discretion of the Trustees at time of finalization of the ~~program~~Program.

330:15-3-9. Eligible dwellings

Dwellings eligible for mortgage loans under any ~~program~~Program must meet the following minimum requirements, in addition to the specific requirements of the ~~program~~Program specified in the ~~program documents~~Program Documents:

- (1) Must be located entirely within the State;
- (2) Must be owner-borrower occupied, unless approval has been requested and granted by OHFA for a temporary rental or lease of the dwelling permissible under the Code. Such request must be in writing and in a form acceptable to OHFA and must demonstrate extenuating circumstances warranting such approval;
- (3) Must be a single family dwelling;
- (4) May be manufactured housing, condominium units, and planned unit developments (PUDs) provided that:
 - (A) Manufactured housing must be permanently affixed to real property owned by the borrower.
 - (B) All subject to restrictions imposed under the Code.
 - (C) All subject to volume limitations for such housing types for the particular ~~program~~Program to be fixed by Trustees at time of finalization of the ~~program~~Program.
 - (D) If the mortgage loan is to be insured by FHLMC, FNMA, FHA, VA, GNMA, PMI or similar coverages, the dwelling must satisfy the applicable requirements of such insurer.
- (5) Must be reasonably expected to become the principal residence of the mortgagor within a reasonable time, not to exceed sixty (60) days, after the loan is closed.

Permanent Final Adoptions

- (6) Must not be used in a trade or business, including farming or raising any plants or animals for profit, other than incidentally.
- (7) Property may not be subdivided.
- (8) Property may not be the subject of a zoning, minimum lot size or set back requirements variance for the purpose of obtaining the loan, or for divided sale, rental or lease of any portion of the property.
- (9) Must not be acquired or used, in conjunction with a tax-exempt Program or qualifying tax-exempt Mortgage Loan, in whole or in part, by the mortgagor as an investment property, rental property, or as a recreational, vacation or second home; provided, however, that limited rentals/leases of the dwelling may be permitted by OHFA upon request as provided herein.
- (10) Real estate owned by any of the ~~participants~~ Participating Lenders, Trustee banks or OHFA may be eligible if otherwise qualified or not prohibited by law.

330:15-3-10. Maximum sale price

Maximum sale price and/or appraised value of single family dwellings to be mortgaged under a ~~program~~ Program shall be fixed by Trustees at time of finalization of the ~~program~~ Program in question. In addition, such maximum sale price:

- (1) May be further restricted by provisions of the Code;
- (2) May be set at different amounts for various parts of the State, provided that such different amounts shall be based upon an objective standard generally accepted in the housing industry in the State as identifying the then current or recent per capita income and/or housing costs for the State and/or the various localities within the State;
- (3) Target areas or particular types of properties may be designated for special treatment under a ~~program~~ Program, as may be authorized or required under the Code, or as authorized or required by the final terms of the ~~program documents~~ Program Documents.

330:15-3-11. Program loan origination periods

~~Each program shall specify by dates, time period, or formula, the period of time during which program funds may be used or loans may be originated under the program in question.~~ In order to best serve the citizens of the State, Mortgage Loans shall be originated on a continuous basis and allocated to the Program as applicable. The actual period of time for the use of ~~program~~ Program funds or the origination of mortgages under each ~~program~~ Program shall be set as the Trustees may determine to be necessary under the market conditions prevalent at the time the program is being developed and as may be determined by the Trustees at the discretion of the Trustees at time of finalization of the ~~program~~ Program.

330:15-3-12. Loan origination underwriting standards.

- (a) Loans for all ~~programs~~ Programs shall be underwritten by use and application of the then current mortgage loan

underwriting criteria and/or standards of one or more of the following:

- (1) Federal Home Loan Mortgage Corporation (FHLMC)
 - (2) Federal National Mortgage Association (FNMA)
 - (3) Federal Housing Administration (FHA)
 - (4) Veterans Administration (VA)
 - (5) ~~Farmers Home Administration~~ USDA Rural Development (RD)
 - (6) Such other standards as may be set by the terms of a specific ~~program~~ Program.
- (b) Reference is hereby made to the provisions of the rules, regulations, underwriting handbooks and other official manuals or underwriting guidelines of each of the entities identified in (a) of this Section, and for the purposes expressed herein, said provisions are hereby adopted by this reference as authorized by Section 251(D) of the APA. ~~The specific underwriting materials to be used in each program shall be specified in the program documents for the program in question.~~
- (c) ~~Affidavits~~ Certifications of the following parties pertaining to the compliance of each application and mortgage loan under each ~~program~~ Program must be obtained for the purpose of and used to verify whether or not the application and proposed mortgage loan qualifies under the specific ~~program~~ Program in question:
- (1) ~~Participant~~ Participating Lender
 - (2) Borrower
 - (3) ~~Seller~~ Such other parties as may be required by the Code.
 - (4) ~~Bond Trustee~~
 - (5) ~~Code Compliance Reviewers~~
- (d) The aforementioned ~~affidavits~~ certifications shall be in such form as may be approved from time to time by OHFA with the advice of its counsel in the implementation of the ~~program~~ Program in order to comply with pertinent requirements of the Code, the rules of this Chapter, and the specifics of ~~program documents~~ Program Documents for the ~~program~~ Program in question.

330:15-3-13. Borrower's insurance requirements

The actual insurance requirements for each ~~program~~ Program and for the origination of mortgages under each ~~program~~ Program shall be set as the Trustees may determine to be necessary under the market conditions prevalent at the time the ~~program~~ Program is being developed, and as may be determined by the Trustees in their discretion at the time of finalization of the ~~program~~ Program. - (9) Such other criteria as the Trustees ~~and/or Staff~~ may deem in their discretion to be pertinent.

330:15-7-3. ~~Allocation to participating lenders~~Participating Lenders

In the event an allocation process is necessary to divide available loan proceeds among a number of ~~participating lenders~~Participating Lenders or for use within a number of counties or geographic areas, OHFA Trustees ~~and/or Staff~~ shall make such allocations on a fair, reasonable and equitable basis at a public hearing upon proper notice, offering affected persons or institutions an opportunity to be heard on the matter.

330:15-7-4. ~~Blocking-out~~

Blocking-out for ~~participating lenders~~Participating Lenders in each ~~programs~~Programs shall be set as the Trustees

~~and/or Staff~~ may determine to be necessary under the market conditions prevalent at the time the ~~programs~~Programs is being developed and as may be determined by the Trustees ~~and/or Staff~~ in their discretion at the time of finalization of each ~~programs~~Programs.

330:15-7-5. ~~Participating lenders~~Participating Lenders fees

The fee requirements for ~~participating lenders~~Participating Lenders in each ~~programs~~Programs shall be set as the Trustees ~~and/or Staff~~ may determine to be necessary under the market conditions prevalent at the time the ~~programs~~Programs is being developed and as may be determined by the Trustees ~~and/or Staff~~ in their discretion at the time of finalization of each ~~programs~~Programs in question.

330:15-7-6. ~~Origination of program~~Program loans

~~Participating lenders~~Participating Lenders shall originate mortgage loans in accordance with then current loan origination requirements of either FHLMC, FNMA, FHA, ~~FmHARD~~ or VA, as the case may be. Additional origination requirements may be in such form as the Trustees ~~and/or Staff~~ may determine to be required by market conditions prevalent at the time the ~~program~~Program is being developed and as may be determined by the Trustees ~~and/or Staff~~ in their discretion at the time of finalization of the ~~program~~Program.

330:15-7-7. ~~Servicing of program~~Program loans

~~Participating lenders~~Participating Lenders, as applicable, shall service ~~mortgage loans~~Mortgage Loans in accordance with then current loan servicing requirements of either FHLMC, FNMA, FHA, GNMA, ~~RD~~ or VA, as the case may be. Additional servicing requirements may be in such form as the Trustees ~~and/or Staff~~ may determine to be required by market conditions prevalent at the time the ~~program~~Program is being developed and as may be determined by the Trustees in their discretion at the time of finalization of the ~~program~~Program in question.

330:15-7-8. ~~Limitations upon assignability of rights and duties of Participating lenders~~Participating Lenders under programsPrograms

~~Participating lenders~~Participating Lenders in any ~~program~~Program shall not be authorized under ~~program documents~~Program Documents to assign their rights or obligations without the prior express written consent of OHFA ~~and the Bond Trustee for the program in question~~. No contract or agreement or other instrument evidencing, or intended to evidence, the assignment of any of such rights or duties of any ~~participating lenders~~Participating Lenders shall make provision for the release of any of the obligations to OHFA or the Bond Trustee under the ~~program~~Program in question, of the assigning ~~participating lenders~~Participating Lenders, and such restriction may not be waived by any action of the Trustees,

officers or staff of OHFA except by amendment to the rules of this Chapter.

330:15-7-9. ~~Participating lenders~~ Participating Lenders deemed to be fiduciaries of OHFA and bond trustee

All firms which agree to act as ~~participating lenders~~ Participating Lenders under any ~~program~~ Program for the purpose of originating and/or servicing ~~mortgage loans~~ Mortgage Loans shall be deemed to be acting as a fiduciary agent to OHFA ~~and Bond Trustee for the program in question~~, and by accepting and agreeing to so act, such ~~participating lenders~~ Participating Lenders shall be bound to the standards and duties of conduct of a fiduciary agent, as provided by law.

330:15-7-10. Disqualification and/or termination of participating lenders under ~~program~~ Program

The Program ~~documents~~ Documents for each ~~program~~ shall specify the specific grounds for disqualification and/or termination of a ~~participating lender~~ Participating Lender in the ~~program~~ Program in question. GIST/ANALYSIS:

Modifications to these Chapter 36 Rules are adopted in response to comments and program changes.

Section 42 of the Internal Revenue Code of 1986, as amended (Code), provides that a federal tax credit (Credit) may be claimed for a period of ten years by qualified owners (as defined by the Code) of residential property rented to qualified low-income tenant at restricted rates, if said owner has been approved for an allocation of Credits by the state housing credit allocating agency. Oklahoma Housing Finance Agency (OHFA) is Oklahoma's allocating agency. The Code further provides that each state's annual Credit authority is to be allocated by that state's allocating agency pursuant to a Qualified Allocation Plan (QAP). Chapter 36 Affordable Housing Tax Credit Program (Rules) is part of Oklahoma's QAP. The purpose of said Rules is to comply with the Code, the Oklahoma Administrative Procedures Act (APA), and to provide guidelines for administering the allocations of Oklahoma's annual Credit authority and OHFA's Affordable Housing Tax Credit Program (Program). The Board of Trustees are also required to administer the Program in a manner consistent with Oklahoma's Housing Antidiscrimination Act, 15 O.S., § 1451-1453 and all federal laws prohibiting discrimination, including 42 U.S.C., § 1983 and the Fair Housing Act, as amended 42 U.S.C., § 3601 et seq.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE JANUARY 1, 2021:

SUBCHAPTER 1. GENERAL PROVISIONS

330:36-1-4. Definitions

The following words and terms, when used in this Chapter, shall have the following meanings unless the context clearly indicates otherwise. Additional capitalized terms used in these Chapter 36 Rules are defined in the Code and these Chapter 36 Rules. When a conflict exists between the following definitions and the Code the more restrictive meaning shall be applied.

"Affiliate" means any Person that directly or indirectly through one (1) or more intermediaries, Controls, is Controlled By, or is Under Common Control With any other Person.

"Allocation" means the maximum amount of TCAs available to the Development as a result of the approval of an award by the Trustees. The Credit shall be apportioned to each Qualified Building at the time such Qualified Building is Placed-In-Service.

"Applicable Fraction" means the fraction used to determine the qualified basis of a qualified low-income Building which is the smaller of the Unit Fraction or the Floor Space Fraction.

"Applicant" means any individual, Nonprofit Sponsored Development, Nonprofit organization or profit-motivated individual, corporation, general or limited partnership, limited liability company or other legal entity which has submitted an Application to OHFA for a Credit Reservation and Allocation, and its successors in interest. "Applicant" includes the Owner and Owner's predecessor in interest, if any, and includes any successor in interest, Transferee of all or any portion of the Development, and the heirs, executors, administrators, devisees, successors and assigns of any purchaser, grantee, Transferee, Owner or lessee (other than a Resident) of all or any portion of the Development, and any other Person or entity having any right, title, or interest in the Development.

"Application" means an Application in the form prescribed by OHFA, from time to time, in the Application Packet (AP), including all exhibits and other materials filed by an Applicant with OHFA in support of or in connection with the formal request by the Applicant requesting a TCA.

"Application Packet" (referred to in these Rules as the "AP") means the Application in the form prescribed by OHFA at least annually, together with instructions and such other materials provided by OHFA to any Person requesting the same for the purpose of seeking to obtain from OHFA a TCA. OHFA will solicit formal public input on the Application Packet, and provide explanation of any significant changes. Staff will present the proposed AP to the Trustees for approval at a Trustees meeting. The AP may include definitive statements of what shall constitute Threshold Criteria, Selection Criteria, priorities, preferences, and compliance and monitoring requirements as may be authorized by or provided for in the Code and these Rules, and may include the necessary forms, instructions and requirements for Applications, market studies, Commitments, Agreements, Elections, set-asides, OHFA staff evaluation criteria for Threshold Criteria and Selection Criteria, final ranking, Credit amounts, tax-exempt bond financed projects, compliance monitoring, and other matters deemed by Trustees, in their complete discretion, to be relevant to the process of evaluation of Applications and the Applicants in connection with the award or denial of TCAs.

SUBCHAPTER 2. ALLOCATION PROCEDURES

330:36-2-13. Preliminary Review Reports

(a) Upon completion of its review of all Applications, OHFA will forward OHFA's preliminary Review Report to the contact person identified by the Applicant in the Application.

(b) The Applicant must provide OHFA with any information requested by OHFA in the preliminary Review Report or other clarifying information by the deadline given in the cover letter accompanying the preliminary Review Report. Neither the Staff nor the Trustees will be required to consider a late response to the preliminary Review Report.

(c) In the event the Applicant disputes any matter contained in the preliminary Review Report, including without limitation any finding, determination, recommendation or scoring by OHFA, the Applicant's response to the Review Report must identify with specificity the disputed matter, finding, determination, recommendation, scoring, etc., and the Applicant's reason for disputing same, including any evidence which controverts the Review Report. Any applicable statutes, rules, regulations or ordinances should be cited. Documentary evidence should be attached.

(d) Failure to respond or dispute a finding or determination in the preliminary Review Report shall be deemed the acceptance of the finding or determination by the Applicant.

(e) The Applicant's response to the preliminary Review Report must be in writing. ~~Electronically transmitted responses, including fax and e-mail transmissions, are not permitted and will not be reviewed. Applicants are encouraged to use certified mail, Federal Express or another carrier providing proof of timely delivery to OHFA. Refer to the AP for response submittal method.~~

330:36-2-16. Carryover Allocations

(a) **Code reference.** Code Section 42(h)(1)(E) provides that an Allocation may be made to a Qualified Building, as defined by Section 42(h)(1)(E)(ii), which has not yet been Placed-In-Service, provided the Qualified Building is Placed-In-Service not later than the close of the second calendar year following the calendar year of the Allocation.

(b) **Carryover Allocation applications.** Owners must submit a carryover application and required documents at a

Permanent Final Adoptions

date specified by OHFA staff. The Owner must satisfy all requirements of the Code and OHFA staff.

(c) **Carryover Allocation basis.** To qualify for a Carryover Allocation, the Owner must demonstrate that the Owner's basis in the Development, at one (1) calendar year after the date of Allocation, is more than ten percent (10%) of the Owner's reasonably expected basis in the Development. Developments that fail to meet the ten percent (10%) test will not have a valid Carryover Allocation. The ten percent (10%) test must be certified by the Owner's certified public accountant, in a form acceptable to OHFA. OHFA's determination as to the satisfaction of the ten percent (10%) requirement is not binding upon the IRS and does not constitute a representation by OHFA to the taxpayer or any other party to that effect.

(d) **Carryover Allocation Agreement.** The Owner must submit to OHFA an executed Carryover Allocation Agreement, in a form and at a date specified by OHFA.

(e) **Notification of Placed-In-Service date.** Applicant must notify OHFA within thirty (30) calendar days of the date the Building(s) is/are Placed-In-Service. Notice will consist of submission of copies of the permanent Certificates of Occupancy for each Building and completion of any and all forms as may be required in the AP.

(f) **Development based Allocation.** An Allocation pursuant to Code Section 42(h)(1)(F) must meet the requirements of Code Section 42(h)(1)(F), all applicable Treasury Regulations, and these Chapter 36 Rules.

330:36-2-17. Final Allocations

(a) **Deadline for filing.** Owner's request for approval of the Final Allocation must be received by OHFA at such date as OHFA may specify in writing to the Owner. Failure to file a timely Final Allocation accompanied by all required documentation may result in the denial of the Final Allocation and a determination by the Trustees that the Credits have been returned by the Applicant.

(b) **Complete filing.** The Final Allocation must be accompanied by all evidence or documentation required by the Program Rules then in effect, and such other information or documentation which may be requested by OHFA, in its sole discretion, to verify compliance with the Code, the Program Rules and the Resolutions, and to verify the amount of the Final Allocation. A complete and executed Regulatory Agreement in the form provided by OHFA and ready for filing, together with the appropriate fees, including without limitation applicable filing, must be filed with the Final Allocation. The Regulatory Agreement shall contain provisions for regulation and enforcement by OHFA and such additional provisions as may be necessary to assure compliance with Section 42 of the Code or to give effect to the requirements of OHFA.

(c) **Additional requirements.** In addition to the opinions and Certifications of professionals which may be required to be filed with OHFA pursuant to 330:36-2-16 in connection with a request for a Carryover Allocation, prior to making a Final Allocation, OHFA will require:

(1) An audited Certification of the Total Development Costs, and the Eligible Basis and qualified basis of each Building in the Development and the sources and uses of

funds for the Development prepared by an independent certified public accountant.

(2) All opinions must be in a form satisfactory to OHFA and must indicate that the professional has made an independent inquiry into the matters contained therein.

(d) **Approval.** Upon receipt of a completed Final Allocation, OHFA will conduct a final feasibility analysis. Approval of the Final Allocation is subject to Owner's continued compliance with the Code, the Program Rules, the Resolutions, all terms and conditions of this Agreement, and Owner's payment of all fees required by the Program Rule.

(e) **Issuance of Form 8609(s).** OHFA will issue IRS Form 8609(s) respecting each such Development (or each Building therein) to the extent required by, and in accordance with, the Code and the Program Rules. No Form 8609(s) shall be issued if OHFA has not received an executed Regulatory Agreement and all Exhibits thereto, applicable fees, permanent Certificates of Occupancy for each Building, and resolution of any issues to OHFA's satisfaction.

SUBCHAPTER 4. DEVELOPMENT APPLICATIONS AND SELECTION

330:36-4-2. Selection of Applications for award of TCAs

(a) **General.** For the purpose of selecting Applications for awards of TCAs, OHFA shall develop Threshold and Selection Criteria that conform to the Code, the OAHTC Program purposes and these Chapter 36 Rules for inclusion in the next AP. The number, severity, or value of any one or more of the Threshold or Selection Criteria items may be increased by adoption of an AP for a given year that contains such increased Threshold or Selection Criteria items. However, each AP must contain for any AP, criteria to evaluate set-asides and all Threshold and Selection Criteria.

(b) **Minimum Threshold Criteria.** Failure to meet all Threshold Requirements set forth in the AP upon initial submission of the Application may result in the Application being rejected without further review. The Threshold Criteria may include, but are not necessarily limited to the following:

~~(1) **Notice Requirements.** The provisions of this subsection apply to all Applicants for a TCA. All notice requirements must be satisfied not less than thirty (30) and no more than ninety (90) calendar days prior to submission of an Application. Each Application requires notice. If the Application is considered at a different Trustees meeting than in the notice, this notification requirement is considered to be met. Notice of an Applicant's intent to file an Application shall also be published in the local newspaper of the area wherein the Development will be located. The requirements for the publication notice will be in the AP.~~

~~(2) **Market analysis.** All Applicants must submit a third party, independent housing market analysis conforming to the Threshold Criteria set forth in the AP, demonstrating and documenting the status of the market demand for the type and number of Housing Units proposed to be developed.~~

(32) **Nonprofit Owners.** Applicants proposing Developments under the Nonprofit set-aside must demonstrate and document that the Nonprofit Owner and/or Nonprofit ownership participant meet the definition of a Nonprofit Sponsored Development as defined in Section 42h(5)(C) of the Code and these Chapter 36 rules at 330:36-1-4. Applicants for Nonprofit set-aside TCAs must demonstrate that the Nonprofit participant:

- (A) demonstrates more than fifty percent (50%) Ownership in the general partner or managing member;
- (B) will materially participate, on a regular basis, in the planning and construction of the Development, and in the operation and management of the Development throughout the entire Compliance Period pursuant to 26 CFR § 1.469;
- (C) has a Board of Directors and Officers that are independent from any for-profit Development partner; and
- (D) is duly authorized to do business within the State; and
- (E) has at least one year of affordable housing experience.

(43) **Capacity and prior performance.** Each Applicant must demonstrate and document the degree of expertise of Applicant and Owner, the Development Team, general partner, management, and principals thereof in the use of TCAs in the development, rehabilitation and/or conversion, management and operation of properties related to the type of the proposed Development. Instances of nonperformance include, but are not limited to:

- (A) having been involved in uncured financing defaults, foreclosures, or placement on HUD's list of debarred contractors;
- (B) events of material uncorrected noncompliance with any Federal or State assisted housing programs within the prior seven (7) years;
- (C) the appointment of a Receiver; conviction on a felony criminal charge; or bankruptcy within the prior seven (7) years;
- (D) removal as a general partner/managing member;
- (E) failure to meet and maintain any material aspect of a Development as represented in a Development Application;
- (F) failure to meet and maintain minimum property standards;
- (G) failure to bring any Development back into compliance after receiving written notice from OHFA's Compliance Staff.
- (H) failure to comply with OHFA's requests for information or documentation on any Development funded or administered by OHFA;
- (I) Extension requests depending on number and severity; and/or
- (J) excessive late or incomplete reports to OHFA.

(4) **Waiver of Qualified Contract.** Applicants applying for Affordable Housing Tax Credits must waive their right

to a Qualified Contract. Waiving the right to a Qualified Contract will not prohibit the Applicant from selling the Tax Credit Development after the initial 15-year compliance period. However, it will require the Tax Credit Development itself to remain Affordable for a minimum of 30 years.

(5) **Acquisition Credits.** Applicants requesting acquisition Credits must provide an opinion of independent unrelated counsel, in a form satisfactory to OHFA, that the requirements of Code Section 42(d)(2)(B) have been met or a waiver obtained from the IRS.

(6) **Financial feasibility and viability.** Applicants must demonstrate that there are Commitments to the Development's financial feasibility and viability as a qualified low-income housing Development. Applicants must demonstrate to OHFA's satisfaction that the Applicant has financing Commitments for one hundred percent (100%) of the project's total estimated construction and permanent financing. Items required to be included in financing Commitments will be established in the AP. Requirements set out in 36-4-2.1 (b)(c) and (d) are part of the analysis for financial feasibility.

(7) **Readiness to proceed.** Applicants must demonstrate readiness to proceed in a timely manner should they be awarded a TCA. Factors that may be considered regarding Development readiness may include but not be limited to:

- (A) Site Control;
- (B) preliminary plans or specifications;
- (C) proper zoning for the proposed Development; and

(8) **Certifications.** Refer to the application for required certification attachments to be completed.

(9) **Fair Housing Training.** Refer to the application for details regarding what training sessions OHFA will accept for the Developer, Architectural firm, general contractor, and managers.

(810) **Capital Needs Assessment.** All Applications for rehabilitation will be accompanied by a Capital Needs Assessment as established in the AP.

(912) **Development amenities.** Each Application will be analyzed and evaluated as to Commitments made therein for the provision of amenities. Amenities and documentation requirements will be established in the AP.

(c) **Selection Criteria.** The Selection Criteria, documentation, and points shall be set forth in the AP. Selection may include, but not necessarily be limited to the following:

(1) **Income targeting.** Each Application will be analyzed and evaluated as to the extent to which it is demonstrated therein a Commitment to target lower-income populations.

(2) **Term of affordability.** Each Application will be analyzed on its ability and evaluated as to any Commitments made therein in regard to serving qualified tenants for a period of time longer than the minimum required by the Code.

Permanent Final Adoptions

- (3) **Development location.** Each Application will be analyzed and evaluated as to the location for the proposed Development.
- (4) **Tenant/Targeted Populations.** Each Application will be analyzed and evaluated as to the extent to which Commitments are made therein to serve such Targeted Populations as are designated in the AP.
- (5) **Tenant Populations of Individuals with Children.** Each Application will be analyzed and evaluated as to the extent to which it serves tenant populations with children.
- (6) **Tenant ownership.** Applicants proposing single family home ownership after the Compliance Period must submit a detailed plan which includes projections on maintenance, tenant reserve funds, etc., which will be evaluated for feasibility.
- (7) **Preservation of affordable housing.** Each Application will be analyzed and evaluated to how an Application is preserving affordable housing.
- (8) **Energy Efficiency/Green Building of a Development.** Applicants are encouraged to provide energy efficient Developments and to utilize green building. This may be a separate point category, or it may be combined within another Threshold or Selection category.
- (9) **Historic Nature of a Development.** This may be a separate point category, or it may be combined within another Threshold or Selection category.
- (10) **Subsidy per Unit- An application is scored on the extent to which it proposes to use the least amount of Federal Affordable Housing Tax Credits per Tax Credit unit.**
- ~~(4011)~~ **Negative Points.** OHFA Staff may deduct points for records of poor performance.
- ~~(4412)~~ **Tie-breaker.** In case there are Applications with the same final score in any set-aside that will affect funding, the tie-breaker procedure will be established in the AP.
- (d) **OHFA Trustee discretion.** Notwithstanding the point ranking under the Selection Criteria set forth above under 330:36-4-2(c), the Trustees may in their sole discretion allocate Credits to a project irrespective of its point ranking, if Allocation is:
- (1) in compliance with Code Section 42;
 - (2) in furtherance of the housing goals set forth herein, in the AP or any formally adopted Resolution of the Trustees; and
 - (3) determined by the Trustees to be in the interests of the citizens of the State.
- 330:36-4-2.1. General program requirements and limitations**
- (a) **General.**
[RESERVED]
- (b) **Developer Fee limitations.** The amount of allowable Developer Fees shall be established in the AP.
- (c) **Contractor Fee limitation.** Allowable contractor fees shall be established in the AP.
- (d) **Underwriting standards.**
- (1) **Total reserves.**
- (A) Minimum reserves must equal the sum of six months of each:
 - (i) projected operating expenses
 - (ii) debt service payments and
 - (iii) replacement reserve payments.
 - (B) Minimum replacement reserves will be established in the AP.
 - (C) Developer guarantees or letters of credit may be accepted in lieu of operating reserves, at the discretion of OHFA. The Developer must demonstrate financial capacity and liquidity. OHFA will also consider the Developer's performance record and the number of other guarantees outstanding.
- (2) **Debt service coverage.**
- (A) Debt service coverage means the ratio of a property's net operating income to debt service obligations.
 - (B) The minimum acceptable debt service coverage ratio will be established in the AP.
- (3) **Projections.** All projections and pro-formas must contain realistic operating expense and vacancy rate projections consistent with prevailing market conditions.
- (4) **Cost limits.** Costs per unit must be realistic. Specific cost per unit criteria will be established in the AP. OHFA encourages cost efficient production, but will not give a preference solely for lowest construction costs.
- (5) **Minimum Hard Construction Costs per unit for rehabilitations.** Minimum Hard Construction Costs will be established in the AP.
- (6) **Buildings designated by OHFA to receive increase in Credit.** OHFA will allow up to one hundred thirty percent (130%) boost for reasons determined and identified in the AP.
- (e) **Progress reports.**
- (1) Progress reports must be filed by the Owner beginning with the calendar quarter following the approval of a reservation of Credits until the Final Allocation Application is submitted to OHFA. Due Dates are January 10, April 10, July 10 and October 10. The report must contain, at a minimum, the status of site preparation and/or construction, including the percentage of completion of each Building, and costs incurred to date. The report must address any other requirements set forth in a Resolution of the Trustees and/or the Carryover Agreement, or as OHFA may designate. Within thirty (30) calendar days after the Certificate of Occupancy is issued for each Building in the project, the Owner must submit a copy of the Permanent Certificate of Occupancy and the Placed-In-Service Acknowledgement for that Building. Remedies for violation of these provisions include those denoted at 330:36-6-3, including but not limited to return of Credits.
 - (2) Compliance progress reports are required as outlined in the compliance manual.
- (f) **Construction time period.** Construction must begin within nine (9) months of the last calendar day of the month of the Credit Reservation, unless extended for cause by OHFA.

Remedies for violation of these provisions include those denoted at 330:36-6-3, including but not limited to return of Credits.

(g) **Additional requirements.** OHFA may, as it deems necessary in its sole discretion, impose additional requirements or Program limitations on any Applicant, Owner, or Development. Said requirements or limitations may be set forth in a Resolution of the Trustees, in any contract between the Applicant or Owner and OHFA, or in any other document deemed acceptable in OHFA's sole discretion.

(h) **Timeliness and completeness of filings.** Deadlines for filing Applications will be established in the AP. Should OHFA request additional information, the deadline for filing same with OHFA will be set forth in the letter requesting same. Applicants/Owners must strictly comply with all deadlines and all filings must be complete when filed.

330:36-4-3. Fees

(a) **General.** Application and TCA Fees will be used to support overall OAHTC Program delivery and operation activities. Fees are nonrefundable.

(1) **Application fees.** All Applications will pay a \$2,000 fee with each submission of an Application.

(2) **Allocation fee.** A nonrefundable Allocation fee shall be paid in an amount equal to eleven percent (11%) of the total TCA, but in any event not less than \$1,000.00. The Allocation fee is due within fourteen (14) calendar days of notification from OHFA of the approval of a TCA. A Carryover Allocation Agreement will not be executed, nor will Form 8609(s) be issued unless this fee has been received by OHFA. Nonpayment may result in revocation of Credits.

(3) **Processing fee.** A nonrefundable processing fee of one percent (1%) of the TCA must accompany the request for a Final Allocation. Form 8609(s) will not be issued unless this fee has been received by OHFA.

(4) **Regulatory Agreement filing fee.** An executed Regulatory Agreement must be submitted to OHFA, as part of the request for Final Allocation, and be accompanied by a check payable to the County Clerk of the county or counties in which the Development is located. The check or checks shall be in an amount sufficient to cover the filing fees of the county or counties.

(5) **Compliance monitoring fees.** In addition to the documentation required by OHFA, an annual compliance monitoring fee shall be paid to OHFA. The compliance fee is payable on or before January 28th for each year during the Compliance Period and Extended Use Period subject to annual adjustment. If the Development includes scattered sites, a compliance monitoring fee for each site shall be paid to OHFA. If the compliance fee is not paid within thirty (30) calendar days of the Due Date, then a Late Fee will be assessed. The Late Fee is equal to twenty five percent (25%) of the compliance fee. Failure to remit timely payment of compliance monitoring fees may result in the filing by OHFA of a lien against the Development. The compliance monitoring fee shall be computed as follows:

(A) For Developments financed by RHS under the Section 515 (and otherwise qualify under the Code) receiving a TCA in 2011 or before where an agreement has been entered into between OHFA and RHS wherein the RHS agrees to provide OHFA with the required information respecting the Income and rent of the tenants in the Development, the fee shall be ~~\$240.00~~ \$315.00 per Development per year, plus ~~42.00~~ \$14.00 per OAHTC unit per year within any Building within the Development;

(B) For single site or contiguous site Developments of four units or less, the fee shall be ~~\$275.00~~ \$350.00 per Development per year.

(C) For all other Developments including those financed by RHS under Section 515 receiving a TCA in 2012 or later the fee shall be ~~\$375.00~~ \$450.00 per Development, plus ~~\$21.00~~ \$23.00 per OAHTC unit per year within any Building within the Development.

(D) Single-family homes or duplexes regardless if scattered or on the same tract of land \$525.00 flat fee + \$30.00 per unit.

(E) Developments selecting Income Averaging as the Minimum-Set- Aside will have an additional flat fee of \$150.00 in addition to the applicable items in (a-d) above.

(6) **Additional monitoring fees.** In the event of non-compliance with the Code or Regulatory Agreement or these Chapter 36 Rules requiring OHFA to conduct an examination of the Owner, any Building within the Development or any documentation to verify correction of said noncompliance, OHFA shall be reimbursed its costs by the Development or Owner for such an examination, including an hourly rate for the OHFA examiner, not to exceed \$35.00 per hour, plus any and all actual travel, lodging and per diem expenses of such examiner. Such reimbursement of expenses and costs shall be paid to OHFA within ten (10) calendar days of receipt of OHFA's statement of same.

(7) **Ownership/General Partner Transfer fee.** In the event that the Owner submits a request for approval of a Transfer of Ownership/general partner of the Development or any of the Buildings therein, a nonrefundable fee of \$7,500.00, shall be imposed to cover OHFA's costs of handling the request. This fee shall accompany the request. If additional transfers are submitted at the same time and are essentially the same parties involved, then each additional transfer will be \$4,000.

(8) **Management Transfer fees.** In the event that the Owner submits a request for approval of a Transfer of the management company of the Development, a ~~\$500.00~~ \$650.00 fee per Development shall be imposed to cover OHFA's costs of handling the request. This fee shall accompany the request and shall be nonrefundable.

(9) **Copies of Rules.** Copies of these Chapter 36 Rules can be accessed via OHFA's website, www.ohfa.org. If a copy is requested, then a charge to defray production will be charged.

~~(10) **Compliance Workshops.** A cost sufficient to defray the total cost of the presentation will be charged for attendance at the Compliance Workshop.~~

~~(11)~~ **Qualified Contract fees.** Submission deadlines for these fees will be established in the Qualified Contract Application (QCA) materials. Qualified Contract Preliminary Application (QCPA) fee shall be \$1,500.00 and is nonrefundable. Additionally, the nonrefundable Qualified Contract Application fee shall be \$12,500.00 plus any third party fees and expenses incurred by OHFA and not paid directly by the Applicant. Third party fees and expenses include but are not limited to appraisals for the entire property, market study, title reports, environmental reports, accountants review and reports, and legal services. This is not an all-inclusive listing. Any third party fees and expenses incurred by OHFA will be identified and Applicants will receive notice of the charge and reason.

~~(12)~~ **Late fees.** The Form 8609(s) will not be issued unless these fees have been received by OHFA.

(A) **Progress reports.** Progress reports as required in 36-4-2.1 when filed late will be assessed a late fee of \$10.00 per calendar day, per each late report.

(B) **Carryover Allocations.** Owners who fail to timely file all requirements in the AP as to Agreement, Application, ten percent (10%) cost Certifications, opinions and documents shall incur \$100.00 late fee per calendar day.

(C) **Final Allocations.** Owners who fail to timely file all requirements in the AP as to the Regulatory Agreement, Application, cost Certifications, opinions and documents shall incur \$100.00 late fee per calendar day.

(D) **Transfer Documents.** Owners who fail to timely file all requirements in regard to the Transfer of Ownership or general partnership interest (or other type of entity) may incur \$25.00 late fee per calendar day.

(E) **Acknowledgment of Placed-In-Service Form.** Owners who fail to timely file an Acknowledgment of Placed-In-Service Form in accordance to timelines established in the AP shall incur \$10 late fee per calendar day.

(F) **Annual Owner Certifications.** Owners who fail to file a complete Annual Owner Certification as required in 36-6-7(c)(4) within thirty (30) days of the Due Date shall incur a \$50 per Development late fee per calendar day for the signed certification and a \$150 per unit late fee for failure to file in the electronic format prescribed by OHFA.

SUBCHAPTER 6. PROGRAM ADMINISTRATION

330:36-6-7. OHFA monitoring procedures

(a) **General.** Section 42(m)(1)(B)(iii) of the Code mandates that state housing Credit agencies monitor all Placed-In-Service tax Credit projects for compliance with the provisions

of Section 42. The Code also mandates that the Internal Revenue Service be notified, by the state housing agencies, of any instances of noncompliance, this includes failure to comply with the Code and federal regulations and these Chapter 36 Rules, as well as failure to pay all compliance fees in a timely manner. OHFA will also monitor for compliance with the Regulatory Agreement provisions which contain additional Owner Commitments made to secure points in the project selection process, e.g. additional Low-Income Units or an Extended Use Period. OHFA has assembled and will make available to the Development Owners, a Compliance Manual explaining the OAHTC monitoring process in detail. An Owner representative and a management agent representative will be required to successfully complete a compliance training session conducted by OHFA or approved by OHFA and submit proof thereof with the first Quarterly report. OHFA will monitor the documents and Certifications set forth in 330:36-6-7(b) and (c) for compliance with the Code.

(b) **Record keeping and record retention provisions.**

(1) The Owner of a low-income housing project is required to keep records for each qualified low-income Building in the project showing:

(A) The total number of residential units in the Building (including the number of bedrooms and the size in square feet of each residential rental unit);

(B) The percentage of residential rental units in the Building that are Low-Income Units;

(C) The rents charged on each residential rental unit in the Building (including any utility allowances);

(D) The number of occupants in each Low-Income Unit;

(E) The Low-Income Unit vacancies in the Building and information that shows when, and to whom the next available units were rented;

(F) The initial Income Certification of each low-income tenant per unit, and any additional recertification that may be required;

(G) Documentation to support each low-income tenant's Income Certification;

(H) The Eligible Basis and qualified basis of the Building at the end of the first year of the Credit period;

(I) The character and use of the nonresidential portion of the Building included in the Building's Eligible Basis under Section 42(d) of the Code (e.g. tenant facilities that are available on a comparable basis to all tenants and for which no separate fee is charged for use of the facilities, or facilities reasonably required by the project); and

(J) Copies of all correspondence with the IRS.

(2) The Owner is required to retain the records described in this section for each Building in the project for at least six (6) years after the Due Date (with extensions) for filing the federal income tax return for that year. The records for the first year of the Credit period must be retained for at least six (6) years beyond the Due Date (with extensions) for filing the federal income tax return for the last year of the Compliance Period of the Building.

(c) **Certification and review provisions.**

(1) Between the Placed-In-Service date of a Building and the submission of an Application for a final Allocation of Credits, and prior to the issuance of an 8609, OHFA may physically inspect the property. An on-site review will again be conducted within the following year as described in 330:36-6-7 (c) (6) of these Rules.

(2) In accordance with Section 42(l) (1), following the close of the first taxable year in the Credit period, the Owner must certify to the Secretary of the Treasury:

- (i) the taxable year in which such Building was Placed-In-Service,
- (ii) the adjusted basis and Eligible Basis as of the close of the first year of the Credit period,
- (iii) the maximum applicable percentage and qualified basis, and
- (iv) the election made for the low-income targeting threshold.
- (v) This Certification is accomplished by completing Part II of the 8609(s). A copy of the completed 8609(s) must also be submitted to OHFA. The Due Date for submission is May 10, or as extended by The Service or Staff, of the year due to The Service for the first Credit year.

(3) Owners must prepare and submit a quarterly report beginning with the first full calendar quarter after the last Building is Placed-In-Service, and for the subsequent three quarters. This report must be accompanied by copies of the Tenant Income Certifications for each tenant and new move-ins for the appropriate quarter. If a project is determined not to be in compliance with Program requirements or there is indication of possible noncompliance, OHFA, at its discretion, may require reports each quarter until compliance is demonstrated.

(4) The Owner of a low-income housing project is required to certify annually, in a form prescribed by OHFA, that for the preceding 12-month period:

- (A) The project met the requirements of the 20-50 or 40-60 test under Section 42(g)(I) of the Code, whichever Minimum set-aside is applicable to the project, and, if applicable to the project, the 15-40 test under Section 42(g)(4) for "deep rent skewed" projects;
- (B) There was no change in the Applicable Fraction (as defined in Section 42(c) (1) (B)) of any Building in the project, or that there was a change and a description of the change;
- (C) The Owner has received an Income Certification from each low-income tenant and documentation to support that Certification;
- (D) Each Low-Income Unit in the project was Rent-Restricted under Section 42(g) (2);
- (E) All units in the project were for use by the general public and used on a nontransient basis (except for Transitional Housing for the Homeless);
- (F) Each Building in the project was suitable for occupancy, taking into account local health, safety, and building codes (or other habitability standards),

and the State or local government unit responsible for making building code inspections did not issue a report of a violation for any Building or Low-Income Unit in the project;

(G) There was no change in the Eligible Basis (as defined in Section 42(d)) of any Building in the project, or that there was a change, and the nature of that change;

(H) All tenant facilities included in the Eligible Basis under Section 42(d) of any Building in the project, such as swimming pool, other recreational facilities, and parking areas, were provided on a comparable basis without charge to all tenants in the Building;

(I) If a Low-Income Unit in the project became vacant during the year, reasonable attempts were, or are being made to rent that unit or the next available unit of comparable or smaller size to tenants having a qualifying Income before any units in the project were, or will be rented to tenants not having a qualifying Income;

(J) If the Income of the tenant of a Low-Income Unit in the project increased above the limit allowed in Section 42(g)(2)(D)(ii), the next available unit of comparable or smaller size in the project was, or will be, rented to tenants having a qualifying Income;

(K) An extended Low-Income Housing Commitment, as described in Section 42 (h)(6), was in effect;

(L) The project meets the additional requirements contained in the Regulatory Agreements;

(M) There was no change in the Owner entity (for example, Transfer of general partnership interest);

(N) If the Owner received its Credit Allocation from a portion of the State's ceiling set-aside for projects involving "qualified Nonprofit organizations" under Section 42(h)(5) of the Code, the Non-profit organization has materially participated in the operation of the Development (within the meaning of CFR § 1.469) and complete the Nonprofit Addendum or other form prescribed by OHFA;

(O) No finding of discrimination under the Fair Housing Act, 42 U.S.C. 3601-3619, has occurred for this project. A finding of discrimination includes an adverse final decision by a substantially equivalent state or local fair housing agency, 42 U.S.C. 361a(a)(1), or an adverse judgment from federal court; and

(P) An extended Low-Income Housing Commitment as described in Section 42(h)(6) was in effect, that an Owner cannot refuse to lease a unit in a project to an applicant because the applicant holds a voucher or certificate of eligibility under Section 8 of the United States Housing Act of 1937, 42 U.S.C. 1437s.

(Q) Collect data required by HUD in a form prescribed by OHFA. In no way will the data collection be in violation of Fair Housing.

(5) OHFA will review the Owner Certifications submitted pursuant to 330:36-6-7(c)(4), for compliance with the requirements of Section 42 of the Code.

(6) OHFA must and will conduct on-site inspections of all Buildings in the project by the end of the second calendar year following the year the last Building in the project is Placed-In-Service, and for at least twenty (20) percent of the project's Low-Income Units, inspect the units and review the low-income Certifications, the documentation supporting the Certifications, and the rent records for the tenants in those units.

(7) At least once every three (3) years through the Extended Use Period, OHFA must conduct on-site inspections of all Buildings. Refer to the application for number of units to be inspected based on size of property according to amended compliance monitoring regulation 1.42-.5. ~~in the project and, for at least twenty percent (20%) of the project's Low Income Units.~~ Staff will inspect the units and review the low-income Certifications, the documentation supporting the Certifications, and the rent records for the tenants in those units.

(8) The Certifications and reviews of paragraphs 330:36-6-7(c)(2) and (c)(4) of these Chapter 36 Rules are required to be made at least annually until the end of the Extended Use Period, and the Certifications are to be made under penalty of perjury.

(9) The Owner is required to provide to OHFA, for the first Credit year, a copy of the completed Part II 8609, 8609 Schedule A and Form 8586 that is submitted to the Internal Revenue Service.

(10) The Owner is required to provide to OHFA, as it occurs, copies of all correspondence with the Internal Revenue Service.

(d) **Auditing/compliance provisions.** OHFA has the right to perform an audit and/or compliance inspection of any low-income housing project during the term of the Regulatory Agreement. An audit/compliance inspection includes physical inspection of any Building in the project, as well as a review of the records described in 330:36-6-7(c)(1) of these Chapter 36 Rules. The auditing/compliance inspection provisions of this paragraph is in addition to any inspection of low-income Certifications and documentation under 330:36-6-7(c)(7) of this Chapter 36 Rules.

(e) **Notification of noncompliance provisions.**

(1) OHFA will provide prompt written notice to the Owner of a low-income housing project if OHFA does not receive the Certification described in 330:36-6-7(c)(4) of these Chapter 36, or does not receive, or is not permitted to inspect, the tenant Income Certification supporting documentation and rent records, or discovers on audit, inspection review, or in some other manner, that the project is not in compliance with the Code or these Chapter 36 rules. The Owner shall have a period of time, not to exceed forty-five (45) thirty (30) calendar days, from the date of such notice (the "correction period") to supply any missing Certifications and bring the project into compliance. OHFA may extend, in its own discretion, the correction period for up to an additional thirty (30) calendar days for good cause.

(2) OHFA must file IRS Form 8823 Report of Noncompliance with the Internal Revenue Service no later than

forty-five (45) calendar days after the end of the correction period whether or not the noncompliance or failure to certify is corrected. OHFA will explain on Form 8823 the nature of the noncompliance or failure to certify and indicate whether the Owner has corrected the noncompliance or failure to certify. Any change in either the Applicable Fraction or Eligible Basis that results in a decrease in the qualified basis of the project under Section 42(c)(1)(A) is an event of noncompliance that must be reported under this paragraph.

SUBCHAPTER 8. QUALIFIED CONTRACT

330:36-8-5. Policies and Procedures

(a) LIHTC Developments that received an Allocation of Credits ~~in between 1990-2018 or subsequent years~~ are eligible to submit a Qualified Contract Preliminary Application (QCPA) after the end of year 14 of the Compliance Period. This is available unless the Owner voluntarily waives the right to a Qualified Contract in the Application.

(b) OHFA will develop a Qualified Contract Application (QCA) process to administer requests from eligible Owners for a Qualified Contract pursuant to Code Section 42(h)(6)(E)(i)(II).

(c) In keeping with the clear purpose of IRS Code Section 42, OHFA will resolve every case of doubt or interpretation in determining the Qualified Contract Price (QCP), both with regard to the overall process and for particular properties, in favor of a lower value.

GIST/ANALYSIS:

The Section 8 Housing Choice Voucher Program (the Program) is extensively regulated by federal statutes and regulations, which are added to, deleted, or modified from time to time. OHFA must comply with those modifications when they become effective. The amended Section 8 Existing Housing Program Rules provide the Board of Trustees the flexibility to revise the Program by revising the federally-required Administrative Plan rather than by the more cumbersome means of administrative rulemaking. Revisions may be required by changing laws and regulations, by lessons learned, or by external circumstances that make revisions to the Program advisable to make it more effective, efficient, and a better steward of the public resources entrusted to it.

DUE TO EXCESSIVE LENGTH OF THESE RULES (AS DEFINED IN OAC 655:10-7- 12), THE FULL TEXT OF THESE RULES WILL NOT BE PUBLISHED. THE RULES ARE AVAILABLE FOR PUBLIC INSPECTION AT OKLAHOMA HOUSING FINANCE AGENCY, 100 NORTHWEST 63RD STREET, SUITE 200, OKLAHOMA CITY AND AT THE SECRETARY OF STATE'S OFFICE OF ADMINISTRATIVE RULES. THE FOLLOWING SUMMARY HAS BEEN PREPARED PURSUANT TO 75 O.S., SECTION 255(B):

Subchapter 1. Statement of Policies and Objectives

Part 1. Introduction

Oklahoma Administrative Code (OAC) 330:50-1-1 is amended to indicate that the U.S. Department of Housing and Urban Development (HUD) regulations, 24 C.F.R. §982.54, require the Oklahoma Housing Finance Agency (OHFA) to have an Administrative Plan to administer the Section 8 Housing Choice Voucher Program. This regulation prescribes certain policies that must be in the Administrative Plan as promulgated by federal statutes and regulations, which are added to, deleted, or modified from time to time. In addition, the OHFA Board of Trustees are charged with the general policy-making and superintendence over the Agency and may authorize revisions to the Administrative Plan to ensure OHFA is compliant with the changing laws and regulations. Subchapter 1. Statement of Policies and Objectives

Part 2. OHFA Objectives

OAC 330:50-1-2 is amended to indicate that rather than engaging in extensive and ongoing rulemaking in an attempt to keep up with changes in controlling federal law or circumstances

affecting the Agency and its performance, the Trustees have elected to set forth the federal, state,

and prudential requirements of the Section 8 Program in the Administrative Plan itself, which

may be amended from time to time. The Administrative Plan is available to the public on

OHFA's website and is available for review at OHFA's office in Oklahoma City. Furthermore,

administration of the Section 8 Program and the functions and responsibilities of the Oklahoma

Housing Finance Agency staff shall be in compliance with the Administrative Plan, OHFA's

Personnel Policy and the U.S. Department of Housing and Urban Development's (HUD)

Regulations as well as all Federal, State and local Fair Housing Laws and Regulations as

interpreted and directed by the Trustees and implemented by OHFA staff. If HUD's regulatory

requirements conflict with these rules, HUD regulations will have precedence. Subchapter 1. Statement of Policies and Objectives

Part 3. Purpose

OAC 330:50-1-3 is revoked since the U.S. Department of Housing and Urban Development's

(HUD) regulations have precedence over the policies and objectives governing these programs

and OHFA must comply with HUD requirements. Subchapter 1. Statement of Policies and Objectives

Part 4. Definitions

OAC 330:50-1-4 is revoked since the U.S. Department of Housing and Urban Development's

340:2-1-56. Criminal history background checks

(a) Criminal history background checks are completed for all employees appointed to or transferring to positions that are sensitive or critical in nature or to positions that work directly with children prior to, and when necessary, during their employment when the scope of employment brings them into direct contact with any vulnerable population, per Section 162 of Title 56 of the Oklahoma Statutes (56 O.S. § 162). The job categories within the Oklahoma Department of Human Services (DHS) subject to background searches prior to employment are determined at the discretion of the DHS Director. Criminal history background checks can include, but are not limited to, a search of:

- (1) Personnel handling restricted data are considered, for purposes of this Section, to be in a sensitive position. Criminal history checks are completed on designated positions within the Field Operations Division, Children and Family Services Division, Support Services Division, and Developmental Disabilities Services Division. Applicants for positions requiring criminal history checks are advised that, if selected for the position, a favorable criminal history check is required. The Oklahoma State Courts Network, including Oklahoma District Court records;
- (2) Divisions are responsible for designation of positions that require criminal history checks. Divisions must consistently obtain criminal histories on any person selected to fill a position requiring criminal history checks. the Restricted Registry maintained by DHS, per 10 O.S. § 405.3;
- (3) Criminal history checks are obtained prior to employment for staff of child care facilities when 24-hour, supervised care is provided, as in group homes, and include a

search of Department of Corrections files maintained pursuant to the Sex Offenders Registration Act. [10 O.S. § 404.1] the Department of Corrections files maintained by DHS, per the Sex Offender Registration Act;

(4) the Oklahoma Department of Corrections Violent Offender Registry, also known as the Mary Rippey Violent Crime Offender Registry;

(5) DHS abuse and neglect records;

(6) all applicable out-of-state child abuse and neglect registries when the subject of the search did not live in Oklahoma continuously for the past five years; and

(7) the Community Services Worker Registry, per 56 O.S. § 1025.3.

(4) Criminal history checks are required only on the applicant who is recommended for the position.

(5) Criminal history checks are also obtained on any Oklahoma Department of Human Services (OKDHS) employee selected for transfer to a position that requires a criminal history check.

(6) Criminal history checks are considered restricted information and are protected accordingly. The results of these investigations are maintained in a separate file and are not made a part of the local or Human Resources Management Division personnel files. The history check is maintained for the duration of employment of the person and for one year from the date of the report for employees who separate from OKDHS.

(7) Certain OKDHS volunteers and health care providers are required to have history checks.

(b) Applicants for positions requiring criminal history background checks are advised any offer of employment is conditional upon completion of a background check that reveals no disqualifying history.

PART 7. RECRUITMENT, SELECTION, AND PLACEMENT POLICY AND PROCEDURES

340:2-1-76. Appointments and changes in employee classification not subject to vacancy posting provisions

The local administrator submits a request to Human Resource Management (HRM) to announce personnel vacancies. Appointments and changes in employee job family descriptor (JFD) and level or position not subject to the vacancy notice posting provisions are:

- (1) temporary appointments;
- (2) detail to special duty or other temporary assignments that do not affect an employee's base JFD and level or classification;
- (3) intra-agency lateral transfer of a permanent employee from one position to another position in the same JFD and level or another JFD in the same pay band;

Dena Thayer, Programs Administrator, Legal Services-Policy, Department of Human Services, PO Box 25352, Oklahoma City, OK 73125, 405-693-6542.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 15, 2020:

SUBCHAPTER 4. OFFICE OF THE PUBLIC GUARDIAN

340:2-4-1. Purpose, legal basis, and definitions

(a) **Purpose.** The Oklahoma Department of Human Services (DHS) Office of the Public Guardian provides guardianship services throughout Oklahoma to criminal defendants, who are deemed incompetent to stand trial due to intellectual disability, per Section 1408 of Title 10 of the Oklahoma Statutes (10 O.S. § 1408), and were found by the Court to be dangerous, per 22 O.S. § 1175.1. The DHS Office of the Public Guardian must place wards in the least restrictive placement, which ensure appropriate levels of supervision and supports, sufficient to keep the ward and public safe.
 (b) **Legal basis.** Statutory authority for the DHS Office of the Public Guardian is derived from 22 O.S. § 1175.6b.
 (c) The following words and terms, when used in this Subchapter shall have the following meanings unless the context clearly indicates otherwise:

- (1) **"Court"** means the district court assigned to hear criminal matters in the jurisdiction where the crime was committed and the ward was charged.
- (2) **"Public guardian"** means the attorney who is the DHS administrator of the Office of the Public Guardian.
- (3) **"Ward"** means a person placed in the custody of the DHS Office of the Public Guardian by court order, per requisite statutory requirements.

340:2-4-3. Ward placement requirements

(a) **Placement requirements.** To place a ward into the Oklahoma Department of Human Services (DHS) Office of the Public Guardian, he or she must be:

- (1) a defendant in a criminal matter, misdemeanor or felony, in any Oklahoma district court;
- (2) found incompetent to stand trial in a criminal matter due to intellectual disability, per Section 1408 of Title 10 of the Oklahoma Statutes (10 O.S. § 1408); and
- (3) deemed dangerous by the court, per 22 O.S. § 1175.1.

(b) **Ward placement procedure.** When a valid order placing an individual in the custody of the DHS Office of the Public Guardian is received by DHS Legal Services (LS), LS forwards the order and all information on him or her to the Office of the Public Guardian.

Permanent Final Adoptions

(1) When the Office of the Public Guardian receives the information from LS, Office of the Public Guardian staff meets with Developmental Disabilities Services (DDS) staff to begin the evaluation process to determine what level of DDS placement best meets his or her service and supervision needs. Office of the Public Guardian staff accompanies DDS intake staff for the initial assessment, when possible.

(2) Ward placement is at the Office of the Public Guardian's sole discretion, per 22 O.S. 1175.6b(A)(2). All placements must be made within six months of the date of the order placing the ward in the custody of the Office of the Public Guardian.

(3) Any extension past the six months must be approved by the court.

(c) **Public guardian status reports.** The Office of the Public Guardian reports to the court of jurisdiction at least once every six months. The information for these reports are obtained from the individual's DDS case manager and include:

(1) the placement type;

(2) the services provided;

(3) the supervision level;

(4) his or her medical and psychological health;

(5) if he or she would be dangerous if conditionally released into a non-secure environment;

(6) the assistance and services that are required for such conditional release and if he or she has achieved competency; and

(7) other information the Office of the Public Guardian deems important or pertinent.

(d) **Conditional Release.** When a criminal defendant is found incompetent to stand trial due to intellectual disability, per 10 O.S. § 1408, and is deemed not dangerous, per 22 O.S. § 1175.1, he or she may be referred to DHS for consideration of voluntary assistance or conditional release.

(e) **Procedure.** When a valid order for conditional release is entered and received by DHS LS, the order and information pertaining to the individual is forwarded to the Office of the Public Guardian.

(f) **Public guardian role.** When a conditional release individual is in a DDS placement or receives DDS services, the Office of the Public Guardian assists the individual's personal support team, when necessary, regarding the conditional release order or requests to modify orders.

(g) **Conditional release status reports.** The Office of the Public Guardian submits annual reports regarding an individual's compliance with the conditions of release and overall progress. When the individual receives DDS services, the information is obtained from the DDS case manager and, when he or she is in any other placement, the information is obtained from the person responsible for the individual's care. When there are major non-compliances between annual reports, the Office of the Public Guardian notifies the court of jurisdiction.

340:2-4-5. Ward removed from public guardianship

(a) **Regaining competency.** When the Office of the Public Guardian determines a ward has regained competency, the Office of the Public Guardian notifies the court of jurisdiction.

(b) **Conditional Release.** When the Office of the Public Guardian determines a ward is no longer dangerous and release to a private guardian or other caretaker is appropriate, the Office of the Public Guardian notifies the court of jurisdiction.

(c) **Case dismissal by court.** When the court of jurisdiction dismisses the underlying charges, the Office of the Public Guardian no longer has jurisdiction or guardianship of the individual.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 15, 2020:

SUBCHAPTER 25. LEGAL SERVICES

PART 1. LEGAL SERVICES

PART 3. RULEMAKING

340:2-25-11. Rulemaking

(a) **Legal authority.** Oklahoma Department of Human Services (DHS) rules are promulgated, per the Oklahoma Administrative Procedures Act (APA), Sections 250 through 323 of Title 75 of the Oklahoma Statutes (75 O.S. §§ 250 through 323) and O.S. 56 § 162.

(b) **Rulemaking petition.**

(1) **Submission.** Any individual may petition DHS in writing to request rule promulgation, amendment, or repeal. The rulemaking petition is submitted to DHS Legal Services (LS) Policy by:

- (A) mail, to PO Box 25352, Oklahoma City, Oklahoma 73125, Attention: Legal Services Policy; or
- (B) delivery, to the Sequoyah Memorial Office Building, 2400 North Lincoln Boulevard, Oklahoma City, Oklahoma.

(2) **Form and content.** The rulemaking petition must, at a minimum, contain:

- (A) a clear statement of the requested action and the petitioner's proposed desired relief or solution;
- (B) the Title, Chapter, Subchapter, and Section, when known, or a copy of the existing rule proposed for promulgation, amendment, or repeal;
- (C) a statement of supporting facts; including legal grounds including, but not limited to, federal or state statutes, and House of Representatives or Senate bills; and other relevant information or views on which the petitioner relies.
 - (i) A copy of references or sources cited in the statement is submitted with the rulemaking petition.
 - (ii) When a petition requests more than one rule revision, a single statement that supports and justifies each proposal meets the requirements of this paragraph;
- (D) a description of the class or classes of persons, when known, who will most likely be affected by the proposed revision; and
- (E) the petitioner's or authorized representative's printed name, address, phone numbers, and signature.

(c) **Consideration and disposition of rulemaking petition.**

(1) **Rulemaking petition denial.** A rulemaking petition is considered denied when DHS does not initiate rulemaking proceedings within 30-calendar days after the petition is submitted, per 75 O.S. § 305. The rulemaking petition is denied, in whole or in part, when the petition:

- (A) requests promulgation of a rule that DHS is clearly without authority to promulgate;
- (B) requests a promulgation, amendment, or revocation inconsistent with, or in violation of, any applicable constitutional or statutory authority;
- (C) requests promulgation, amendment, or revocation of a rule that does not constitute a rule, per 75 O.S. § 250.3(17);
- (D) is frivolous or not proposed in good faith; or
- (E) proposes a new or amended rule that is not feasible based on available or anticipated DHS resources. When denial is based on feasibility, LS Policy notifies the petitioner of the denial.

(2) **Rulemaking petition approval.** DHS rulemaking proceedings are initiated when LS Policy submits the approved rulemaking petition to the leadership of any division that may be impacted or affected by the proposed rule promulgation, amendment, or repeal.

(d) **Rulemaking petitioner notification.**

(1) **Rulemaking petition receipt.** LS Policy provides written notification of the petition receipt to the petitioner.

(2) **Rulemaking petition action.** After any action is taken related to the petition, LS Policy provides written notification to the petitioner of:

- (A) rulemaking petition denial, in whole or in part; or
- (B) initiation of DHS rulemaking proceedings including, but not limited to:
 - (i) the substance of comments received and any revisions made, including a copy of the revisions; and
 - (ii) any actions taken.

SUBCHAPTER 31. INTERGOVERNMENTAL RELATIONS AND POLICY [REVOKED]

PART 4. INTERGOVERNMENTAL RELATIONS AND POLICY [REVOKED]

340:2-31-10. Intergovernmental relations and policy [REVOKED]

(a) **Purpose.** The Office of Intergovernmental Relations and Policy (OIRP):

- (1) serves as the liaison between the Oklahoma Department of Human Services (OKDHS) and the state legislature and state agencies;
- (2) chairs and staffs the OKDHS Committee on Rates and Standards;
- (3) manages OKDHS rules, policy, and procedures; and

- (4) ensures policy and other forms of communication comply with federal and state statutes.
- (b) **Legal authority.** OKDHS rules are promulgated per the Administrative Procedures Act, Sections 250.1 through 323 of Title 75 of the Oklahoma Statutes.

PART 5. RULEMAKING PETITION [REVOKED]

340:2-31-31. Rulemaking petition [REVOKED]

(a) **Submission.** Any person may petition the Oklahoma Department of Human Services (OKDHS) in writing to request the promulgation, amendment, or repeal of a rule.

- (1) The rulemaking petition is submitted to the OKDHS Office of Intergovernmental Relations and Policy (OIRP) by:
 - (A) mail to PO Box 25352, Oklahoma City, Oklahoma 73125, Attention, Office of Intergovernmental Relations and Policy; or
 - (B) delivery to the Sequoyah Memorial Office Building, 2400 N. Lincoln Blvd., Oklahoma City, Oklahoma.
- (2) The rulemaking petition is considered submitted upon OIRP receipt.
 - (A) OIRP date stamps the rulemaking petition to document receipt date.
 - (B) A rulemaking petition submitted to the Director of Human Services (Director) is forwarded to and considered submitted, upon OIRP receipt.
- (b) **Form and content.** The rulemaking petition must contain:
 - (1) a clear statement of the requested action and the desired relief or solution;
 - (2) the Title, Chapter, Subchapter, and Section, if known, or a copy of the existing rule proposed for revision;
 - (3) a statement of supporting facts, including legal grounds, and other relevant information or views on which the petitioner relies.
 - (A) A copy of references or sources cited in the statement are submitted with the rulemaking petition.
 - (B) When a petition requests more than one rule revision, a single statement that supports and justifies each proposed revision meets the requirements of this subsection;
 - (4) a description of the class or classes of persons, if known, who will most likely be affected by the proposed revision; and
 - (5) the petitioner or authorized representative's signature, printed name, address, and day time telephone numbers.

(e) **Incomplete or revised petition.**

- (1) When the rulemaking petition does not contain the required information, the petitioner or authorized representative is sent a written request for additional information specifying how the rulemaking petition is deficient.
- (2) The petitioner or authorized representative may supplement or revise the rulemaking petition prior to

the Director's approval; however, significant revisions may result in withdrawal of the rulemaking petition and require re-initiation of the rulemaking process with a new rulemaking petition.

340:2-31-32. Consideration and disposition of rulemaking petition [REVOKED]

(a) **Rulemaking petition review.** Within 15 calendar days after receipt of a rulemaking petition to promulgate, amend, or repeal a rule, the Office of Intergovernmental Relations and Policy (OIRP) reviews the petition and after consultation with the Director of Human Services (Director) denies, requests additional information, or initiates rulemaking proceedings.

(b) **Rulemaking petition denial.** The rulemaking petition is denied, in whole or in part when the petition:

- (1) requests promulgation of a rule that Oklahoma Department of Human Services (OKDHS) is clearly without authority to promulgate;
- (2) requests a new rule or rule revision inconsistent with or that violates any applicable statutory or constitutional authority;
- (3) requests promulgation, amendment, or repeal of an OKDHS policy that does not constitute a rule as defined in the Oklahoma Administrative Procedures Act per Section 250.3(17) of Title 75 of the Oklahoma Statutes;
- (4) is frivolous or not proposed in good faith; or
- (5) proposes a new or revised rule that is not feasible based on available or anticipated OKDHS resources. When denial is based on feasibility, the OIRP coordinator or designee notifies the petitioner of the denial per OAC 340:2-31-33.

(c) **Rulemaking petition approval.** OKDHS rulemaking proceedings are initiated when OIRP submits the approved rulemaking petition to the appropriate division director for action.

- (1) Within 60 calendar days after the affected division receives the rulemaking petition, the division director places the proposal into the proper rulemaking format, and submits it to OIRP.
- (2) The proposal is submitted to the Director within 45 calendar days after OIRP receipt.
- (3) Within 30 calendar days after the Director's receipt, the Director recommends approval, disapproval, or amendment of the proposal.

340:2-31-33. Rulemaking petitioner notification [REVOKED]

Within five working days of receipt of the rulemaking petition, the Office of Intergovernmental Relations and Policy (OIRP) coordinator or designee provides written notification to the petitioner of the petition receipt. Within five working days after any action taken related to the petition, OIRP provides written notification to the petitioner of:

- (1) rulemaking petition denial, in whole or in part, including the reasons for the denial;
- (2) initiation of Oklahoma Department of Human Services (OKDHS) rulemaking proceedings, including the

proposed rule revision submission date to the Director of Human Services (Director) for approval;
(3) the substance of comments received and any revisions made including a copy of the revised rule proposed by the division; and
(4) any Director action on the proposed rule revision.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S.,

SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 15, 2020:

SUBCHAPTER 28. OFFICE OF ADMINISTRATIVE HEARINGS: CHILD SUPPORT

340:2-28-3.1. Waiver

Upon a finding by the Office of Administrative Hearings: Child Support (OAH) that any rule in this Subchapter works a manifest injustice, the same rule may be waived for that particular instance. An express finding of manifest injustice on the record is not required for such waiver. All parties and attorneys will be given notice and an opportunity to respond before a decision is made.

340:2-28-11.1. Ex parte communication

Ex parte communications are governed by Rule 2.9, Appendix 4 of Title 5 of the Oklahoma Statutes. Communication with the Office of Administrative Hearings: Child Support (OAH) regarding scheduling and procedural matters is permitted and includes physical and/or technical requirements, preferences, or requested accommodations regarding the hearing setting and/or arrangement, per Rule 2.9. Child Support Services (CSS) and OAH are permitted to communicate regarding the creation/existence of a CSS family violence indicator in a particular case, per Rule 2.9.

340:2-28-17.2. Pleadings and motion practice

(a) Signatures on documents Document signatures.

(1) **Signing of pleadings.** Every pleading and motion filed with the Office of Administrative Hearings: Child Support (OAH) must be signed by an attorney of record, whose Oklahoma Bar Association (OBA) identification number must be stated, or, ~~if when~~ the party is not represented by an attorney, must be signed by the party. - (E) a statement that the opposing pro se party or the opposing party's counsel ~~has been~~ was contacted regarding the extension and either consents or objects to the extension; or in the alternative, a statement that

a good faith effort was made to comply but the opposing pro se party or the opposing party's counsel was unavailable.

(5) **Discovery not to be filed.** ~~Depositions, interrogatories, requests for admissions, requests~~ Requests for production of documents, and responses ~~the purpose of discovery~~ must not be filed with OAH, unless the discovery document accompanies a pleading, motion, a response to a motion ~~the administrative notice, or is an attachment to a motion or response to a motion~~, or is ordered by the ALJ. ~~A motion~~ Motions to compel discovery or discovery ~~motion~~ motions for protective order ~~must include either a verbatim recitation or a copy of the interrogatory, question, request, answer, response, or objection which is the subject of the motion~~ are permitted.

(A) Any discovery that contains ~~confidential in-~~ formation ~~personal identifiers, such as bank account numbers, routing numbers, taxpayer identification, or Social Security numbers, may be redacted by the party submitting the documents. If~~ When the numbers are relevant to the case, redacting all numbers except for the last four digits is acceptable. The party submitting the redacted documents must not redact the originals; the redaction is made on copies of the originals, with the redacted copies submitted in substitution for the originals.

(B) It is the responsibility of the party submitting the documents to redact any sensitive material.

(C) The originals with the redacted information intact may be required for viewing by the ALJ assigned to the case.

(6) **Disputed discovery motions.** ~~No~~ A hearing on a discovery dispute may not be set unless the moving party ~~or counsel~~ advises the ALJ in the motion that the party ~~or counsel~~ has conferred or has attempted to confer, in good faith, about the dispute, with the ~~opposing party or opposing party's counsel, non-movant~~ but ~~has been and was unable to resolve the dispute.~~

(7) **Withdrawal of counsel** Counsel withdrawal. When submitting an application ~~or motion~~ to withdraw and a proposed order allowing withdrawal, counsel must comply with ~~the requirements in this paragraph~~ (A) through (B) of this paragraph.

(A) Every application to withdraw as counsel must contain:

- (i) a statement of grounds for withdrawal;
- (ii) the current case status ~~of the case~~, including the next hearing date, ~~if~~ when a hearing ~~has been~~ is scheduled;
- (iii) ~~whether~~ if new or substitute counsel ~~has been~~ was obtained by the client and entered an appearance; and
- (iv) a certificate of mailing, delivery, or service to the party or custodian showing the last known mailing address ~~client~~ and to all other pro se parties and attorneys of record ~~in the case~~.

Permanent Final Adoptions

(B) No application to withdraw may be considered unless it is submitted to the ALJ at least ten days prior to the date on which a hearing is scheduled.

(C) Every proposed order allowing withdrawal must contain a statement of the case's current status, including the next hearing date, if when a hearing has been scheduled, and a certificate of mailing, delivery, or service to the party or custodian, showing the last known mailing address, movant's client, and to all other pro se parties, and attorneys of record.

340:2-28-22.1. Use of devices at hearings

(a) Audio or video recordings including photography, not made by an administrative law judge (ALJ) or court clerk, and broadcasting, of any type or means, during hearings is prohibited.

(b) The ALJ may:

(1) allow the use of personal phones, wireless laptops, or other electronic communication devices at his or her discretion;

(2) allow limited use of devices for a particular purpose;

(3) allow the devices to remain within the hearing room only when turned off; or

(4) prohibit such devices being physically present during a hearing.

(c) Persons violating this rule may be excused from the hearing or denied further participation in proceedings.

340:2-28-25. Record for appeal

The certified transcript, exhibits, briefs, memorandum of law, and any written orders constitute the record for appeal to the district court. Parties must file a designation of record with the Office of Administrative Hearings: Child Support indicating which documents in the administrative record are to be sent to the appellate court. The record for appeal prepared and sent by Office of Administrative Hearings: Child Support (OAH) to the appellate court is those documents included in the designation(s) and counter-designation(s) of record.

340:2-28-25.1. Privacy and confidentiality

(a) **Filings under seal.** Although the Office of Administrative Hearings: Child Support (OAH) court records are public records, per Section 32.1 of Title 12 of the Oklahoma Statutes (12 O.S. § 32.1) and 51 O.S. § 24A.30, OAH may order any material in the record sealed, per 12 O.S. § 3226(C)(2) and 51 O.S. § 24A.29.

(1) Materials are not sealed when the administrative law judge (ALJ) determines that a reasonable redaction resolves the issue or that the request is overbroad, such as an attempt to seal a general category of materials. When the motion to seal is denied, OAH directs that the materials are stricken or unsealed, with or without redaction as directed by the ALJ.

(2) Any protective order that authorizes materials to be filed or admitted under seal identifies those materials. The

protective order is accessible to the same extent as any other document in the OAH court record.

(3) When the motion to seal is granted, OAH retains authority to unseal the material or order the person who initially submitted the material to OAH to submit a redacted version into the record. This authority may be exercised either upon the court's own motion or pursuant to a party's written motion, served upon all non-moving pro se parties and attorneys of record, and subsequently approved after an ALJ hearing.

(b) **Redaction.** It is solely the responsibility of counsel and the parties to ensure that all filed pleadings, papers, exhibits, or other documents are redacted as permitted by these rules or the assigned ALJ. The party submitting the redacted documents must not redact the originals; the redaction is made on copies of the originals, with the redacted copies submitted in substitution for the originals. OAH personnel, including clerks and administrative law judges, do not review any document to verify redaction and have no duty to do so.

(1) The parties may refrain from including or may redact all but the last four digits, when inclusion is necessary, of the personal identifiers from any submission, such as Social Security, taxpayer identification, routing, or financial account numbers.

(2) When a filer includes personal information, such as Social Security numbers, tax identification numbers, routing numbers, financial account numbers, driver license numbers, dates of birth, addresses, or other sensitive information, in any document filed with OAH, electronically or otherwise, the document becomes a public record as filed.

(c) **Filing errors.**

(1) Filers make every effort to ensure they do not file a document other than the one intended to be filed, that it is filed in the correct case, and the document does not contain information that must be filed under seal or with redaction.

(2) When a document is filed into the wrong case, the OAH clerk is notified by submitting a "Notice of Erroneous Filing" in paper form into the correct case. The OAH clerk is authorized to move the document after inspection, without alteration; however, the OAH clerk may impose the correct OAH case number on the document in the upper right hand corner when necessary. The OAH clerk may move the document through electronic, mechanical, or a combination of the two means. The filer does not refile the document unless directed to do so. Alternatively, the OAH clerk, after inspection of the document, may decline to move the document when the "Notice of Erroneous Filing," itself, is in error. The "Notice of Erroneous Filing" may be obtained from the OAH clerk or found on the Oklahoma Department of Human Services website. The filer is required to provide copies of the "Notice of Erroneous Filing" to all other parties and attorneys and to file a certificate of mailing, delivery, or service in OAH.

(3) When the OAH clerk determines the requesting party's "Notice of Erroneous Filing" is in error and declines to move the document, he or she notifies the

requesting party by correspondence, with a copy of the correspondence filed in the same case as the "Notice of Erroneous Filing." The requesting party may be required to provide copies of such correspondence to the other pro se parties and attorneys of record and file a certificate of mailing, delivery, or service in OAH.

(4) When OAH discovers a filing error, the OAH clerk may enter a "Notice of Erroneous Filing," move the document, notify the original filer, and file a certificate of mailing, delivery, or service. The original filer may be required to provide copies to the other pro se parties and attorneys of record and file a certificate of mailing, delivery, or service in OAH.

(d) **Confidentiality.** Nothing in this rule impacts the confidentiality of juvenile records or any other records the Legislature determined are confidential.

340:2-28-25.2. Redaction of original paper documents

Any original paper document maintained in the Office of Administrative Hearings: Child Support redacted by nontransparent tape, ink, or other media or means is deemed permanently redacted.

340:2-28-55. Appeal from administrative order

(a) Appeals from an administrative order ~~must be~~ are in accordance with Section 240.3 of Title 75 ~~and Sections 318 through 323 of Title 75 of the Oklahoma Statutes~~ 56 of the Oklahoma Statutes (56 O.S. § 240.3).

(b) ~~Specifically, only~~ Only final orders of the Office of Administrative Hearings: Child Support (OAH); may be appealed to the district court. ~~Orders of OAH final orders~~ are not stayed pending an appeal ~~unless the except by~~ district court ~~orders order~~.

(c) ~~Notice of the appeal must be filed with~~ A copy of appellant's petition in error and designation of record, identical to the originals filed in district court to commence the appeal, is mailed by regular mail to OAH and sent to the child support district office that handled the case at the time the order being appealed was issued for filing. A copy of the appellee's counter-designation of record, identical to the original filed in district court, is mailed by regular mail to OAH for filing. No other form of service for a petition in error, a designation of record, counter-designation of record, or request for a transcript upon OAH is permitted, including hand-delivery or digital means.

(d) OAH prepares or directs preparation of the official transcript by a licensed court reporter, when a transcript is requested. A transcript may be obtained when the requesting party submits a written request to OAH by regular mail for the transcript(s) and pays the deposit. OAH responds by letter to the requesting party, specifying the amount of the required deposit and acceptable forms of payment.

(e) After OAH receives the request and deposit, OAH prepares or directs preparation of the official transcript by a licensed court reporter.

(f) OAH notifies the requesting party when the transcript is complete and of the balance due that must be paid in full before the certified copy is mailed to the district court or to the parties.

SUBCHAPTER 33. RATES AND STANDARDS

Permanent Final Adoptions

340:2-33-1. Purpose Rates and standards

(a) The purpose of this Subchapter is to describe the process the Oklahoma Department of Human Services (OKDHS) uses for establishing and modifying fixed rates and service levels for service provider contracts.

(a) Legal basis. Section 85.1 et seq. of Title 74 of the Oklahoma Statutes (74 O.S. §§ 85.1 et seq.) is the legal basis for establishing fixed and uniform rates.

(1) 74 O.S. § 85.7 requires agencies desiring to have a service qualified for a fixed and uniform rate, or an established rate modified, submit a written request and all supporting documentation to the Office of Management and Enterprise Services Division of Capital Assets Management (OMES DCAM). When OMES DCAM qualifies such service for a fixed and uniform rate, the rate must be approved in a public hearing, before the Oklahoma Department of Human Services (DHS) can enter into a legal contract.

(2) Within two weeks after the Legislature convenes, each state agency provides the Speaker of the House of Representatives and the President Pro Tempore of the Senate a complete list of all services paid for by fixed and uniform rates and, the number of contracts in existence for each type of service.

(b) Rate approval or disapproval. The DHS Rates and Standards Committee (Committee) is comprised of DHS executive-level staff designated by the Director of Human Services (Director). The Committee conducts public hearings where the public, vendors, and DHS staff are afforded the opportunity to provide testimony and documented evidence regarding the rate recommendation. The Committee approves or disapproves the rate and makes a recommendation to the Director. The Director of Human Services (Director) sets the rates for OKDHS administered programs.

(c) The policies and procedures in this Subchapter describe how information and recommendations are collected and provided to the Director for use in establishing service rates and standards.

340:2-33-2. Legal basis and role of the Department of Central Services [REVOKED]

(a) The Oklahoma Central Purchasing Act found at Section 85.1 et. seq. of Title 74 of the Oklahoma Statutes is the legal basis for establishing fixed and uniform rates.

(b) The statute requires agencies desiring to have a service qualified for a fixed and uniform rate, or an established rate modified, submit a written request and all supporting documentation to the Office of Management and Enterprise Services Division of Capital Assets Management (DCAM). If DCAM qualifies such service for a fixed and uniform rate, the rate must then be approved in a public hearing before the agency can enter into a legal contract.

(1) The agency notifies the DCAM Director at least 30 days in advance of the scheduled hearing. The agency delivers the notice, a copy of the agenda items relating to the proposed rate, and all supporting documentation.

(2) The DCAM Director communicates a recommendation to the agency in advance of the hearing or at the

time of the hearing. Whether made in person or in writing, any comment made by the DCAM Director is, by law, included in the hearing minutes.

(c) Within two weeks after the Legislature convenes, the administrative officer of each state agency provides the Speaker of the House of Representatives and the President Pro Tempore of the Senate a complete list of all services paid for by uniform fixed rates and the number of contracts in existence for each type of service.

340:2-33-3. Committee on Rates and Standards [REVOKED]

(a) The Committee on Rates and Standards (Committee) is comprised of Oklahoma Department of Human Services (OKDHS) administrative and executive level staff designated by the Director of Human Services (Director).

(b) The Director sets OKDHS rates.

(c) The Committee serves the rate setting process by conducting public hearings where the public, vendors, and OKDHS staff are afforded the opportunity to provide testimony and documented evidence in support of rate recommendations.

(1) The Committee, by majority vote, records a recommendation to the Director setting forth specific payment rates for specific services. If the Committee determines additional information is needed, the chair may recess the meeting until a later date to allow interested parties or staff additional time to secure the information.

(2) Once the Committee reaches a recommendation, the Director reviews and approves or disapproves the rate.

SUBCHAPTER 39. PLANNING, RESEARCH, AND STATISTICS INNOVATION SERVICES

PART 1. OFFICE OF PLANNING, RESEARCH AND STATISTICS INNOVATION SERVICES

340:2-39-1. Office of Planning, Research, and Statistics Innovation Services (IS)

(a) **Purpose.** ~~The Office of Planning, Research, and Statistics (OPRS)~~ IS:

- (1) conducts data-driven research and statistical analysis of Oklahoma Department of Human Services ~~(OKDHS)~~ (DHS) programs and services, including grant evaluation;
- (2) collaborates with ~~(OKDHS)~~ (DHS) divisions to communicate and disseminate information regarding ~~(OKDHS)~~ (DHS) research, programs, and services;
- (3) provides technical assistance in the design, development, implementation, and evaluation of projects, programs, and grants conducted or supported by DHS;
- (34) serves as the official DHS clearinghouse for language translation, forms, and appendices ~~for (OKDHS);~~

(45) provides technical assistance in designing, developing, and implementing DHS strategic planning ~~for (OKDHS); and~~

(56) ~~maintains program statistics and prepares policy-related analysis and a variety of complex state reports.~~

(6) provides leadership for developing and implementing quality and performance improvement strategies and initiatives; and

(7) works to build a culture of continuous improvement.

(b) **Reports.** ~~OPRS prepares and files~~ IS assists with the preparation of the DHS:

(1) ~~OKDHS~~ Annual Report, required by Section 162 of Title 56 of the Oklahoma Statutes (56 O.S. § 162), each year to the Governor on or before November 1; and

(2) ~~OKDHS~~ Strategic Plan, required by 62 O.S. § 45.3, every two years, ~~as described in OAC~~ per Oklahoma Administrative Code 340:1-1-18.

PART 3. OKLAHOMA DEPARTMENT OF HUMAN SERVICES INSTITUTIONAL REVIEW BOARD (DHSIRB)

340:2-39-5. Purpose, scope, and authority

(a) **Purpose.** The purpose of the Oklahoma Department of Human Services (DHS) Institutional Review Board (DHSIRB) is to ~~protect the rights and welfare of human participants involved in research and assist the investigator and the institution in their mutual obligation to comply with all applicable federal, state, and local laws, rules and regulations, including internal policies of the Oklahoma Department of Human Services (DHS), with respect to the research participants and investigators;~~

(1) protect the rights and welfare of DHS employees and DHS clients and/or patients, including individuals receiving DHS benefits or services provided at DHS- operated facilities, who participate in a research activity as a "research subject" or "human subject" as defined in this Part; and

(2) assist the investigator and DHS in their mutual obligation to comply with all applicable federal, state, and local laws, rules, and regulations, including DHS internal policies, with respect to the research participants and investigators.

(b) **Scope.** ~~The DHSIRB operates,~~ per Part 46 of Title 45 of the Code of Federal Regulations and applicable state laws. Unless the research meets the criteria for review exemption, per Oklahoma Administrative Code (OAC) 340:2-39-12(b) 340:2-39-11(d), DHSIRB reviews research ~~and program evaluation projects involving~~ including program evaluation projects with a human subjects research component that involve:

(1) direct interaction between the investigator and the research subject, including:

- (A) experimentation, such as experimental medication or treatment, involving the research subject;
- (B) surveys or interviews with research subjects;

- (C) interaction with research subjects beyond normal service delivery; and
 - (D) performance of any procedures not performed for the sole benefit of the person involved, and any procedures in which either a primary or secondary purpose, or objective, is the collection of data for research analysis;
- (2) any research ~~or evaluation program~~ intended to contribute to generalized knowledge; and
- (3) the collection of protected information about research subjects from third parties for research analysis ~~of program evaluation~~.
- (A) Research involving human subjects is not limited to deliberate experimentation with human subjects. It also includes the performance of any procedures not performed for the sole benefit of the person involved and any procedures in which either a primary or secondary purpose or objective is the collection of data for research analysis.
- (B) The scope of research involving human subjects covered by this Part not only involves physical, chemical, electrical, or psychological stimulation of responses within the human body, but also includes:
- (i) interviews;
 - (ii) observation of behavior in which an investigator interacts with human subjects;
 - (iii) ~~test administration of tests~~; or
 - (iv) other measurement techniques of measurement.
- (C) Some research involving human subjects may be exempt from on-going DHSIRB review. Authority for the decision on whether a research or evaluation project is exempt resides with ~~the~~ DHSIRB. Research involving human subjects is not intended to cover data obtained as part of the teaching or training of individuals in which the performance of therapeutic procedures is for the direct and sole benefit of the person involved, or for any area of investigation of individuals as part of the performance of professional services.
- (D) All activities related to human ~~participant~~ subject research, regardless of funding source, is guided by the ethical principles in The Belmont Report.
- (c) **Authority.**
- (1) ~~The DHSIRB receives its authority from the DHS Director of Human Services. The DHSIRB is registered with the federal Department of Health and Human Services (DHHS) and has approved the Federalwide Assurance of Protection for Human Subjects submitted to United States Department of Health and Human Services DHHS.~~
- (2) DHSIRB has the authority to review any research funded through DHS or that ~~involves~~ focuses on DHS staff or human participants ~~individuals~~ receiving DHS benefits or services provided at DHS operated facilities. In addition, DHSIRB has the authority to:

- (A) approve, disapprove, or order research modification ~~of research~~ based upon consideration of the risks and benefits to the human ~~participants~~ subjects;
- (B) oversee the conduct of the research and require periodic progress reports from research investigators;
- (C) suspend or terminate prior approval of a research project;
- (D) place restrictions on a research project;
- (E) require research investigators to ~~promptly~~ report breaches of confidentiality, within five-business days; and
- (F) require research investigators to ~~promptly~~ report ~~if~~ within five-calendar days of discovery when any researcher or research participant is endangered physically or psychologically during the data collection period of the study.

340:2-39-6. Definitions

The following words and terms, when used in this Part, shall have the following meanings, unless the context clearly indicates otherwise:

"Children" ~~means persons under 18 years of age.~~

"The Belmont Report" means a statement of basic ethical principles governing research involving human subjects issued by the National Commission for the Protection of Human Subjects in 1978.

"Child" means an individual, who has not attained the legal age for consent to treatments or procedures involved in the research, under the applicable law of the jurisdiction in which the research is conducted. For research conducted in Oklahoma, where federal regulations and Oklahoma law both apply, an unmarried or unemancipated individual younger than 18 years of age meets the definition of "child." For research conducted outside of Oklahoma or in a jurisdiction where Oklahoma law does not apply, individuals who meet the definition of a child are those individuals described under the applicable jurisdiction law where the research is conducted.

"Clinical trial" means a research study in which one or more human subjects are prospectively assigned to one or more interventions, which may include placebo or other control, to evaluate the effects of the interventions on biomedical or behavioral health-related outcomes, per Section 46.102(b) of Title 45 of the Code of Federal Regulations (45 C.F.R. § 46.102(b)).

"Cognitively impaired" means a person with:

- (A) ~~a psychiatric disorder, for example, psychosis, neurosis, personality or behavior disorders;~~
- (B) ~~dementia;~~
- (C) ~~a developmental disorder for example, mental retardation affecting cognitive or emotional functions to the extent that capacity for judgment and reasoning is significantly diminished; or~~
- (D) ~~a compromised ability to make decisions in his or her best interest, for example:~~
 - (i) ~~persons under the influence of or dependent on drugs or alcohol;~~
 - (ii) ~~those suffering from degenerative diseases affecting the brain;~~

- (iii) ~~terminally ill patients; and~~
- (iv) ~~persons with severely disabling physical handicaps.~~

"Confidentiality" means the treatment of information an individual discloses in a relationship of trust with the expectation that it is not divulged to others or in ways inconsistent with the understanding of the original disclosure without his or her permission.

"Demonstration project" means a project, deliberately small in scale and limited in scope ~~project~~, usually with a short project cycle.

"Department of Human Services Institutional Review Board (DHSIRB)" means a specially constituted review body established or designated by the Oklahoma Department of Human Services (DHS) to protect the welfare of human subjects recruited to participate in ~~biomedical or behavioral~~ research, per Sections 46.102(g), 108, and 109 of Title 45 of the Code of Federal Regulations (45 C.F.R. §§46.102(g), 46.108, and 46.109).

"The Belmont Report" means a statement of basic ethical principles governing research involving human subjects issued by the National Commission for the Protection of Human Subjects in 1978.

"Director" means the DHS Director, per Chapter 1 of this Title.

"Federalwide Assurance (FWA)" means a formal, written, binding commitment an institution submits to the United States (U.S.) Department of Health and Human Services (DHHS), U.S. Office for Human Research Protections (OHRP), in which it commits to DHHS compliance with the requirements set forth in the regulations for the protection of human subjects, per 45 C.F.R. § 46.

"Generalizable knowledge" means information where the intended use of the research findings can be applied to populations or situations beyond those being studied. In practice, generalizable knowledge refers to research results that are:

- (A) published, including research papers published as a thesis or dissertation;
- (B) presented to the public; or
- (C) developed for others to build upon. Generalizable knowledge may include theses, dissertations, and some oral histories.

"~~Human Protections Administrator~~ protections administrator (HPA)" means the person designated by the DHS ~~Office of Planning, Research and Statistics~~ Innovation Services director, who provides administrative support to the DHSIRB, serves as the ~~Office of Human Research Protection's~~ OHRP primary institutional contact, and has the administrative responsibility for the program. The HPA:

- (A) has comprehensive knowledge of all aspects of the DHS system of protections for human subjects;
- (B) is familiar with the institution's commitments under the ~~Human Subject Assurance (HSA)~~ FWA; and
- (C) plays a key role in ensuring the institution fulfills its responsibilities under the ~~HSA~~ FWA.

"Human subject" means a living individual about whom an investigator, whether professional or student, conducting research obtains:

- (A) ~~data through intervention or interaction with the individual~~ obtains information or biospecimens through intervention or interaction with the individual, and uses, studies, or analyzes the information or biospecimens; or
- (B) ~~identifiable private information per 45 C.F.R. § 46.102(f). DHSIRB extends the definition to include deceased individuals about whom an investigator conducting research obtains identifiable private information~~ uses, studies, analyzes, or generates identifiable, private information or identifiable biospecimens.

"~~Human Subject Assurance (HSA)~~" means a formal, written, binding commitment an institution submits to the United States Department of Health and Human Services (DHHS), Office for Human Research Protections (OHRP), in which it promises to comply with applicable regulations governing research with human subjects and stipulates the procedures through which compliance is achieved per 45 C.F.R. § 46.103.

"Identifiable biospecimen" means a biospecimen for which the identity of the subject is, or may readily be, ascertained by the investigator or associated with the biospecimen.

"Identifiable private information" means private information for which the identity of the subject is, or may readily be, ascertained by the investigator or associated with the information.

"Individual with impaired decision-making capacity" means an individual with a compromised ability to make decisions in his or her own best interest, such as individuals:

- (A) under the influence of, or dependent on, drugs or alcohol;
- (B) suffering from degenerative diseases affecting the brain;
- (C) terminally ill patients;
- (D) with severely disabling physical handicaps including, but not limited to:
 - (i) a psychiatric disorder, such as psychosis, neurosis, or personality or behavior disorders;
 - (ii) dementia; or
 - (iii) a developmental disorder, such as an intellectual disability affecting cognitive or emotional functions to the extent that capacity for judgment and reasoning is significantly diminished.

"Informed consent" means a person's voluntary agreement, based upon adequate knowledge and understanding of relevant information, to participate in research or to undergo a diagnostic, therapeutic, or preventive procedure. In giving informed consent, subjects may not waive or appear to waive any of their legal rights, or release or appear to release the investigator, the sponsor, the institution, or agents thereof from liability for negligence, per 45 C.F.R. § 46.116 and 21 C.F.R. §§ 50.20 and 50.25, and ~~Form 21AD084E, Application to the Oklahoma Department of Human Services Institutional Review Board (DHSIRB).~~

Permanent Final Adoptions

"Innovation Services (IS)" means the DHS office that provides technical assistance in the design, development, implementation, and evaluation of projects, programs, and grants conducted or supported by DHS. IS conducts data-driven research and statistical analysis of programs and services, and disseminates information and results.

"Institution" means DHS unless the context clearly indicates otherwise.

"Interaction" means communication or interpersonal contact between investigator and subject.

"Intervention" means physical procedures by which information or biospecimens are gathered, such as venipuncture because it is a physical procedure to gather a biospecimen, as well as manipulations of the subject or his or her environment that are performed for research purposes.

"Investigator" means a scientist or scholar, who may be a professional or a student, with primary responsibility for the design and conduct of research.

"Legally-authorized representative" means an individual, judicial entity, or other body authorized under applicable law to consent on behalf of a prospective subject to his or her participation in the procedure(s) involved in the research. When there is no applicable law addressing this issue, legally-authorized representative means an individual recognized by DHS policy as acceptable to provide consent in the non-research context on behalf of the prospective subject to his or her participation in the procedure(s) involved in the research.

"Minimal risk" means the probability and magnitude of harm or discomfort anticipated in the proposed research are not greater, in and of themselves, than those ordinarily encountered in daily life or during the performance of routine physical or psychological examinations or tests, per 45 C.F.R. § 46.102(i). For example, the risk of drawing a small amount of blood from a healthy individual for research purposes is no greater than the risk of doing so as part of routine physical examination.

"Office of Human Research Protection (OHRP)" means a federal agency that provides leadership in the protection of the rights, welfare, and well-being of subjects involved in research conducted or supported by DHHS. OHRP ensures this by:

- (A) providing clarification and guidance;
- (B) developing educational programs and materials;
- (C) maintaining regulatory oversight; and
- (D) providing advice on ethical and regulatory issues in biomedical and social-behavioral research.

"Office of Planning, Research and Statistics (OPRS)" means the DHS office that provides technical assistance in the design, development, implementation and evaluation of projects, programs, and grants conducted or supported by DHS. OPRS conducts data-driven research and statistical analysis of programs and services and disseminates information and results.

"Principal investigator (PI)" means the research investigator who is ultimately responsible for assuring-ensuring compliance with applicable federal, state, and local laws, rules, and regulations, and the conduct of the research.

"Privacy" means having control over the extent, timing, and circumstances of sharing one's self physically, behaviorally, or intellectually with others.

"Private information" means information, such as medical records, about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place. Information is provided for specific purposes, and he or she can reasonably expect the information is not made public.

"Research" means a systematic investigation, including research development, testing, and evaluation, designed to develop or contribute to generalizable knowledge, per 45 C.F.R. § 46.102(l).

"Research subject" means a DHS employee, client, and/or patient:

- (A) who is voluntarily participating as a human subject in a research project;
- (B) who is voluntarily participating in a survey or interview conducted as part of a research or program evaluation project; and/or
- (C) whose protected information is disclosed to, and used by, an investigator during a research or program evaluation project. The words "subject" and "participant" are used interchangeably.

"Research" means a systematic investigation, including development, testing, and evaluation, designed to develop or contribute to generalizable knowledge per 45 C.F.R. § 46.102(d).

"Risk" means the probability of harm or injury whether physical, psychological, social, or economic occurring as a result of participation in research. Both the probability and magnitude of possible harm may vary from minimal to significant.

"Systematic investigation" means an activity that involves a prospective plan incorporating data collection, either quantitative or qualitative, and data analysis to answer a question, such as systematic investigations that include surveys and questionnaires, interviews and focus groups, analyses of existing data or biological specimens, epidemiological studies, evaluations of social or educational programs, cognitive and perceptual experiments, and medical chart review studies.

340:2-39-7. ~~Principle~~Principles and Policiespolicies

(a) **Ethical principles.** The Oklahoma Department of Human Services Institutional Review Board (DHSIRB) is guided by the ethical principles regarding research involving human subjects set forth in the report of the National Commission for the Protection of Human Subjects of Biomedical and Behavioral Research entitled, "Ethical Principles and Guidelines for the Protection of Human Subjects of Research" or the "The Belmont Report." The DHSIRB recognizes the principles of respect for persons; beneficence, including minimization of harms and maximization of benefits; and justice as stated in The Belmont Report and strives to apply these principles in all research covered by this Part. In addition, DHSIRB makes all reasonable efforts ~~are made~~ to comply with the requirements in Part 46 of Title 45 of the Code of Federal Regulations

(45 C.F.R. Part 46) for all research ~~conducted or funded by DHSIRB~~ subject to its review.

(b) **Institutional policies.**

(1) DHSIRB acknowledges and accepts its responsibility for protecting the rights and welfare of human research subjects.

(2) DHSIRB acknowledges that it, and its investigators, accept those responsibilities necessary for the performance of all research covered by this Part including compliance with applicable federal, state, and local laws; ~~if any.~~

(3) DHSIRB works to ~~assure~~ ensure that, before subjects are involved in research, the requirements ~~listed in (A) - (G) of this paragraph~~ are met.

(A) Risks to participants are minimized by:

(i) using procedures consistent with sound research design that do not unnecessarily expose participants to risks; and

(ii) employing procedures already being performed on ~~the~~ participants for prevention, diagnostic, or treatment purposes, when appropriate.

(B) Risks to ~~participants~~ human subjects are reasonable relative to anticipated benefits, if any, to human subjects, and the importance of the knowledge that may reasonably be expected to result.

(C) Selection of ~~participants~~ human subjects is equitable.

(D) ~~Participants~~ Human subjects, or the ~~participant's~~ their legally authorized ~~representative~~ representatives, provide voluntary informed consent for participating in research, unless otherwise exempted by state or federal law, per Oklahoma Administrative Code 340:2-39-11.1.

(E) There are adequate provisions for ensuring ~~the human subjects'~~ the human subjects' safety ~~of participants.~~

(F) There are adequate provisions to protect ~~the human subjects'~~ the human subjects' privacy ~~of participants~~ and maintain ~~the data~~ the data confidentiality ~~of data.~~

(G) When necessary, appropriate additional safeguards are included in research involving subjects who are likely to be vulnerable to coercion or undue influence, such as children, including those who are wards of the state or any other agency, prisoners, ~~pregnant women, cognitively impaired persons,~~ individuals with impaired decision-making capacities, or economically or educationally disadvantaged persons.

(4) DHSIRB encourages and promotes constructive communication among its administrators, research supervisors, research investigators, and all other relevant parties as a means of maintaining a high level of awareness to safeguard the rights and welfare of research subjects.

(5) DHSIRB exercises appropriate administrative oversight to ~~assure~~ ensure its practices and procedures designed for the protection of the rights and welfare of human subjects are effectively applied.

(7) DHSIRB serves in a collaborative relationship with research investigators to ensure that research with human

subjects is conducted in accordance with legal requirements and ethical principles of respect for persons, beneficence, and justice.

(6) DHSIRB provides each individual conducting or reviewing human subject research, such as research investigators, research supervisors, research reviewers, and division directors with a copy of this Section.

(8) Per 45 C.F.R. § 46.108(a)(3), DHSIRB is responsible for:

(A) conducting its initial and continuing review of research and for reporting its findings and actions to the investigator and to appropriate Oklahoma Department of Human Services (DHS) managers, supervisors, and directors;

(B) determining which projects require review more often than annually and which projects need verification from sources other than the investigators when no material changes occurred since the previous DHSIRB review; and

(C) ensuring prompt reporting by investigators to DHSIRB of proposed changes in a research activity; and ensuring investigators conduct the research activity in accordance with DHSIRB terms of approval until any proposed changes are reviewed and approved by DHSIRB, except when necessary to eliminate apparent immediate hazards to the subject.

(9) DHSIRB is responsible for ensuring prompt reporting by investigators to DHSIRB; appropriate DHS officials; the department or agency head; and the Office for Human Research Protections, the Department of Health and Human Services (DHHS), or any successor office, or the equivalent office within the appropriate federal department or agency of any:

(A) unanticipated problems involving risks to subjects or others or any serious or continuing noncompliance with this policy or the DHSIRB requirements or determinations; and

(B) DHSIRB suspension or termination of approval.

(c) **Support for DHSIRB functions and operations.**

(1) In order to ensure that DHSIRB has the necessary resources to carry out its duties, DHS provides sufficient:

(A) staff support, which includes at a minimum, the human protections administrator (HPA). The HPA provides administrative support to DHSIRB, serves as the Office of Human Research Protection's primary DHS contact, and has the administrative responsibility for DHSIRB functions and operations; and

(B) meeting space for the Board to convene.

(2) Additional necessary resources, such as filing space, reproduction equipment, and computers for DHSIRB are provided by DHS through the Innovation Services (IS) division.

340:2-39-8. Membership

(a) **Requirements for membership of the Oklahoma Department of Human Services Institutional Review Board (DHSIRB) membership requirements.**

(1) The DHSIRB is comprised of at least seven members. Membership criteria includes, but is not limited to, consideration of earned degrees, representative capacity, and indications of experience, such as board certifications or licenses sufficient to describe each member's chief anticipated contributions to DHSIRB deliberations.

(2) Prior to serving on the DHSIRB, all members submit certificates of completed Human Subject Assurance Training offered by the federal Office for Human Research Protections (OHRP), ~~and sign a statement that they have received and reviewed the DHSIRB rules. The federal OHRP training is available at <http://ohrp.ed.od.nih.gov/CBTs/Assurance/login.asp>.~~

(3) Prior to serving on the DHSIRB, all members must sign the ~~an Acknowledgments~~ Acknowledgment of Receipt that ~~states~~ stating they have received and reviewed the DHSIRB rules.

(4) ~~The~~To the greatest extent reasonably possible, the DHSIRB members of the DHSIRB have varying academic, professional, and personal backgrounds to promote complete and adequate review of research activities commonly conducted by the institution.Oklahoma Department of Human Services (DHS) or at state-operated facilities. In addition to possessing the experience and expertise necessary to review specific research activities, the members are ~~able~~ expected to ascertain the acceptability of proposed research in terms of institutional DHS commitments and rules and regulations, applicable law, and standards of professional conduct and practice.

(5) ~~DHSIRB includes members with consideration of race, gender, cultural, and professional backgrounds, and sensitivity to issues, such as community attitudes. The DHSIRB does not consist entirely of men or women. There is at least one member whose primary concerns are in scientific areas and at least one member whose primary concerns are in nonscientific areas. In addition, DHSIRB includes at least one member who is not otherwise affiliated with the Oklahoma Department of Human Services (DHS) and who is not part of the immediate family of a person who is affiliated with the institution. The DHSIRB similarly strives, through member experience, expertise, and diversity, including race, gender, cultural backgrounds, and sensitivity to issues, such as community attitudes, to promote respect for its advice and counsel in safeguarding the rights and welfare of human subjects.~~

(A) **Scientific background.** The DHSIRB includes at least one member whose primary concerns are in scientific areas and at least one member whose primary concerns are in nonscientific areas.

(B) **A member not affiliated with DHS.** The DHSIRB includes at least one member who is not otherwise affiliated with DHS and who is not an immediate family of a person who is affiliated with DHS.

(C) **Ad hoc members with special competence.** The DHSIRB may, in its discretion, invite individuals with competence in special areas to assist in the review of issues that require expertise beyond, or in

addition to, that normally available to DHSIRB members. These individuals may not vote on any DHSIRB matter.

(6) DHSIRB membership consists of at least a member of DHS:

~~(6A) A member of DHS Office of Client Advocacy (OCA) serves on the DHSIRB.~~

~~(7B) A member of DHS Legal Services serves on the DHSIRB.~~

~~(8C) A member of DHS Child Welfare Services serves on the DHSIRB.~~

~~(9D) A member of DHS Community Living and Support Services serves on the DHSIRB.~~Children's Services;

~~(10E) A member of DHS Adult and Family Services serves on the DHSIRB.~~

(F) Adult Services;

(G) Information Security; and

~~(11H) A member of DHS Office of Planning, Research and Statistics serves on the DHSIRB.~~Innovation Services. The Innovation Services member serves on the DHSIRB representing scientific areas.

~~(12I) The DHS Director of Human Services (Director) approves the selection of DHSIRB members, including that of the Chair, Vice-Chair, and alternates, and is notified by the Chair of any studies that are disapproved by the DHSIRB.~~

(b) **Alternate members.**

(1) ~~Alternate members are designated by the DHSIRB members and approved by the Director to serve as voting members in the event the primary member is not available to attend the regularly scheduled meeting. Primary DHSIRB members may designate an alternate member from his or her respective programs or divisions, who subject to Director approval, serves as a voting member in the event the primary member is not available to attend any regularly scheduled meeting. Alternate members complete the any primary DHSIRB member required training, and may then vote on any new submission, when needed. Alternate members receive meeting documents, such as agendas, minutes, and protocols for review and are encouraged to attend all meetings.~~

(2) An alternate member-at-large is designated and approved by the Director to serve ~~if~~when both a voting member and his or her alternate are not available to attend a regularly scheduled meeting. The alternate member-at-large ~~may not serve as an alternate for a representative of particularly vulnerable subjects~~is approved based on the same criteria per (a)(5), of this Section.

(c) **Ad hoc members.**

(1) ~~When the DHSIRB reviews research applications involving particularly vulnerable subjects including, but not limited to, children, including those who are wards of the state or any other agency, prisoners, pregnant women, or cognitively impaired persons, prospective research subjects who have impaired decision-making capacity or who otherwise are considered vulnerable to coercion or undue influence, consideration is given to the~~

~~inclusion of~~including one or more individuals who are knowledgeable about, and experienced in, working with these ~~participants~~prospective subjects.

(2) DHSIRB may, at its discretion, invite individuals with competence in specific areas to assist in the review of issues that require expertise beyond or in addition to that available on the DHSIRB.

(3) Ad hoc members are non-voting members.

(4) No person outside of the DHSIRB may override a ~~not approved~~not approved vote.

(d) **Roles and responsibilities.**

(1) ~~The~~ DHSIRB Chair:

(A) is appointed by the DHS Director;

(B) serves for a minimum of one year, with the possibility of reappointment;

(C) does not resign when the majority of the DHSIRB membership consists of new members who have served for less than one year;

(D) serves as a member of the DHSIRB in addition to his or her authority as Chair;

(E) prepares for, and convenes meetings with, the assistance of the ~~Human Protections Administrator~~human protections administrator (HPA);

(F) ensures meeting coverage by the ~~vice-chair~~Vice-Chair when not able to serve as chair;

(G) ensures a quorum is present for all meetings;

(H) carries out an initial assessment of submissions with the Vice-Chair and the OCA member of ~~OCA~~;

(I) carries out an expedited review of submissions that qualify under such ~~condition, or designates one or more experienced reviewers from among members of the DHSIRB~~conditions by convening a DHSIRB subcommittee to complete the expedited review, per Oklahoma Administrative Code 340:2-39-12(d);

(J) ~~delegates review responsibilities as necessary and applicable;~~

~~(K)~~ distributes copies of the submissions to the appropriate DHSIRB members with the HPA assistance of the ~~HPA~~;

~~(L)~~(K) ensures adequate expertise for review and determinations;

~~(M)~~ consults with investigators as necessary;

~~(N)~~(M) assists the reviewers and other members with any concerns in preparing for the meeting;

~~(O)~~(N) ensures assigned reviewers present a clear and concise review of research materials;

~~(P)~~(O) votes on each DHSIRB action;

~~(Q)~~(P) is temporarily removed in the event of a conflict of interest;

~~(R)~~(Q) is permanently removed in the event of termination of employment or at the Director's discretion of the ~~Director~~; and

~~(S)~~(R) notifies the Director of any ~~disapproval~~disapproval.

(2) ~~The~~ DHSIRB Vice-Chair:

(A) is appointed by the Director;

(B) serves for a minimum of one year, with the possibility of reappointment;

(C) serves as a member of the DHSIRB in addition to his or her DHSIRB authority as Vice-Chair;

(D) assists or acts on behalf of the Chair in particular DHSIRB matters and at DHSIRB meetings;

(E) carries out an initial assessment of submissions with the Chair and the OCA member of ~~OCA~~;

~~(F)~~(E) carries out an expedited review of submissions that qualify under such conditions by participating on a DHSIRB subcommittee to complete the expedited review, per OAC 340:2-39-12(d);

~~(G)~~(F) is temporarily removed in the event of a conflict of interest;

~~(H)~~(G) is permanently removed in the event of termination of employment or at the Director's discretion of the ~~Director~~.

(3) ~~The~~ DHSIRB members:

(A) are approved by the Director;

(B) serve at least one year with the option of rotating with designated alternate;

(C) do not resign from the DHSIRB, ~~if without good cause, when~~ the majority of the members are in their first year of serving;

(D) are responsible for reviewing research protocols submitted for full DHSIRB review;

~~(E)~~(D) are responsible for reviewing research protocols submitted when designated for an expedited review;

~~(F)~~(E) are responsible for attending all scheduled meetings;

~~(G)~~(F) are removed from the DHSIRB ~~if when~~ more than two consecutive meetings are missed without having the designated alternate attend;

~~(H)~~(G) are temporarily removed in the event of a conflict of interest; and

~~(I)~~(H) are permanently removed in the event of termination of employment or at the Director's discretion of the ~~Director~~.

(4) DHSIRB Chair, Vice-Chair, and members:

(A) ~~annually, July 1 – June 30, submit training certificates from the Assurance Training Modules on the OHRP website. Training certificates are not required for ad hoc members~~ensure any required IRB training is completed and sufficient IRB training certification is submitted as necessary;

(B) ~~annually submit signed acknowledgements of reading the DHSIRB procedures and supporting documents. Supporting documents are not required for ad hoc members~~ensure DHSIRB primary members and designates submit signed acknowledgments affirming the DHSIRB procedures and that supporting documents were reviewed and submitted as necessary;

(C) have access to the reference materials available through the DHSIRB HPA-maintained library ~~maintained by the HPA~~;

(D) receive no compensation for serving as members of the DHSIRB;

- (E) conduct reviews of submitted research proposals as delegated, mandated, or requested;
- (F) provide written responses to the research investigator and organization containing ~~the DHSIRB findings of the DHSIRB;~~
- (G) determine which research requires review more often than annually;
- (H) determine which research needs verification that ~~no~~ material changes have not occurred since previous DHSIRB review, from sources other than the investigators;
- (I) advise research investigators to promptly report changes to the approved research activities;
- (J) advise research investigators that changes in approved research are not initiated without DHSIRB review and approval, except when necessary to eliminate apparent immediate hazards; and
- (K) advise research investigators to promptly, within ~~five business~~ five-business days, report to DHSIRB and appropriate ~~institutional DHS~~ officials of:
 - (i) unanticipated problems involving risks to research participants, interviewers, or others;
 - (ii) serious or continuing noncompliance with ~~the DHSIRB requirements of the DHSIRB;~~
 - (iii) suspension or termination of DHSIRB approval; or
 - (iv) disapproval of other DHSIRB submissions.
- (5) Consultants ~~are may~~ be invited to review submissions and attend meetings when a ~~submitted~~ proposal contains information outside of the scope of the DHSIRB members' collective knowledge. No individual with an interest or involvement in the research study application under DHSIRB consideration is utilized in any consultative capacity.
- (6) ~~The Office of Planning, Research and Statistics Performance Outcomes and Accountability provides administrative support for the DHSIRB.~~
- (7) ~~Resources for the DHSIRB, for example filing space, reproduction equipment, and computers are provided by DHS.~~
- (8) ~~Meeting areas are provided by DHS.~~
- (e) **Conflict of Interest.** No DHSIRB member votes on a submission ~~if when~~ there is an actual or potential conflict of interest with regard to ~~the member's~~ professional or personal interests, including financial interests ~~of the member.~~ Every DHSIRB member recuses himself or herself from consideration of any research study application in which that member or the member's immediate family has any involvement or interest in the study or its outcome.
 - (1) ~~DHSIRB members are not selected by potential investigators. Based on a DHSIRB majority vote, any DHSIRB member may be excluded from participating in an initial or continuing review of any project in which the member has an actual, apparent, or potential conflicting interest.~~
 - (2) ~~When a member is directly involved with a research, the member recuses himself or herself from the~~

~~meeting while the submission is reviewed and abstains from voting on the submission. A conflict of interest exists when any DHSIRB member, including alternate members and ad hoc members, has an interest sufficient to influence, or appear to influence, the objective exercise of his or her official duties. A conflicting interest may:~~

- ~~(A) be personal in nature or may result from divergent professional responsibilities;~~
- ~~(B) arise when a DHSIRB member is involved with a research project as an investigator, a researcher, a director, an assistant, an advisor, or as another type of stakeholder;~~
- ~~(C) arise when any DHSIRB member or the member's immediate family has a financial interest in the outcome of the research. Immediate family includes spouses/domestic partners, siblings, parents, and dependent minors and adult children; and~~
- ~~(D) be recognized for any other reason that is considered to be an unacceptable conflict of interest by the member or by DHSIRB.~~
- (3) When a DHSIRB member has a conflict of interest, the member:
 - (A) discloses his or her conflict of interest; and
 - (B) recuses himself or herself from participation in the meeting while the submission is reviewed or discussed, and
 - (C) abstains from voting on the submission.
- (4) Recusal means the member with a conflict of interest:
 - (A) refrains from discussing any research project in which he or she has a conflict of interest;
 - (B) does not seek to influence other DHSIRB members prior to a vote; and
 - (C) removes himself/herself from the meeting room while the discussion and DHSIRB vote takes place, except to provide DHSIRB-requested information.
- (5) It is each DHSIRB member's duty to ensure participant protection, DHSIRB review integrity, and that research projects conducted are not jeopardized by an undisclosed, unidentified, or unmanaged conflict of interest.

340:2-39-9. Meetings

- (a) ~~The Oklahoma Department of Human Services Institutional Review Board (DHSIRB) meetings are held monthly. If there is insufficient business, the meeting is cancelled. Full actions of the DHSIRB require a quorum of the voting members.~~
- (a) **Oklahoma Department of Human Services Institutional Review Board (DHSIRB) meetings general rules.**
 - (1) DHSIRB meetings are scheduled monthly.
 - (2) A DHSIRB meeting can be held when there is a quorum of voting members and sufficient business to conduct a meeting. The decision to conduct a meeting is left to the discretion of a majority determination by the DHSIRB Chair, Vice-Chair, and an OCA member. A DHSIRB meeting may be cancelled when there is insufficient business, when a quorum is not available, or for other unforeseen reasons.

- (3) DHSIRB meetings require a quorum of the voting members.
- (b) **Quorum.** A quorum is defined as 50 percent plus one of all primary DHSIRB voting members, including the at least one member whose primary concerns are in nonscientific areas.
- (1) DHSIRB member refers to the primary members and alternate members who are approved by the Director and are eligible to vote.
- (2) If at any time during a meeting the members who are eligible to vote on a matter fail to constitute a quorum, then the matter is tabled for consideration until the next meeting.
- (A) Ad hoc members do not count toward the quorum requirement because they are not eligible to vote.
- (B) A member who is recused from discussion and voting on any item is not counted toward the quorum requirement while the item is under consideration.
- (3) The determination of a quorum sufficient to convene and conduct a meeting of the DHSIRB is left to the sole discretion of the DHSIRB Chair.
- (e) A majority vote is required of those present for approval of a motion.
- (c) **Majority vote required.** For approval of a motion, a majority vote of those present and eligible to vote is required.
- (1) A member who is eligible to vote has a right to abstain and cannot be compelled to vote. An abstention does not count toward the majority required to approve a motion.
- (2) DHSIRB does not recognize voting by proxy. All voting occurs in person at the time of the meeting by the member or his or her designated alternate.
- (d) **Prior to the meeting.** One week prior to the meeting, DHSIRB members and alternates receive:
- (1) a reminder of the upcoming meeting, including the date, location, and time;
- (2) minutes from the previous meeting;
- (3) an agenda for the upcoming meeting; and
- (4) all new submissions for review at the upcoming meeting including:
- (A) survey instruments;
- (B) consent, assent, and permission forms, when applicable;
- (C) letters from other IRBs, Institutional Review Boards and agency directors, if when applicable; and
- (D) the assigned unique identifier DHSIRB number.
- (e) **Other requirements.** At a minimum:
- (1) the Chair convenes and conducts the meetings;
- (2) the minutes of the prior meeting are approved by an open, recorded vote of the members;
- (3) all actions taken require an open, recorded vote of the members following discussion and the making and seconding of a motion; and
- (4) meeting minutes are recorded by the Human Protections Administrator or a designated individual.

340:2-39-10. Record requirements

(a) The Oklahoma Department of Human Services Institutional Review Board (DHSIRB) prepares and maintains documentation of its activities, per Section 46.115 of Title 45 of the Code of Federal Regulations (45 C.F.R. § 46.115) and 21 C.F.R. § 56.115, including:

- (1) a list of the DHSIRB members identified by:
- (A) name;
- (B) earned degrees;
- (C) representative capacity, including a brief statement of competence, scientific concerns, and affiliation;
- (D) indications of experience, such as board certifications and licenses, sufficient to describe each member's anticipated contributions to DHSIRB deliberations; and
- (E) any employment or other relationship between each member and the ~~institution~~ Oklahoma Department of Human Services (DHS), including whether the member is a full-time or part-time employee, member of a governing panel or board, or a paid or unpaid consultant;
- (2) copies of:
- (A) all research proposals reviewed;
- (B) scientific evaluations, if any, that accompany the proposals;
- (C) approved sample consent documents;
- (D) progress reports submitted by investigators; and
- (E) reports of injuries to subjects;
- (3) DHSIRB meeting minutes ~~which shall~~ to document:
- (A) attendance;
- (B) actions taken by the DHSIRB;
- (C) the vote on actions including the number of members voting for, against, and abstaining;
- (D) declarations of any DHSIRB member's conflict of interest with regard to any research projects;
- (E) any recusal of a member with a brief explanation why recusal was necessary;
- (~~DF~~) the basis for requiring changes in or disapproving research; and
- (~~EG~~) a written summary of the discussion of contro-
versial/controverted issues and their resolution;
- (4) records of continuing review activities, including the rationale for conducting continuing review of research that otherwise would not require continuing review, per 45 C.F.R. § 46.109(f)(1);
- (5) copies of all correspondence between the DHSIRB and investigators; and
- (6) written procedures and guidelines for records documenting DHSIRB activities, per Oklahoma Administrative Code 340:2-39-7(b)(8).
- (A) conducting initial and continuing review of research and reporting the findings and actions to the investigator and the institution;
- (B) determining which research requires review more often than annually;

Permanent Final Adoptions

- (C) determining which research needs verification that no material changes have occurred since the previous DHSIRB review from sources other than the investigators;
 - (D) prompt reporting to the DHSIRB of proposed changes in an approved research;
 - (E) initiating proposed changes in an approved research only after DHSIRB review and approval, except when necessary to eliminate apparent immediate hazards to the subject; and
 - (F) prompt reporting to the DHSIRB of any:
 - (i) unanticipated problems involving risks to subjects or others;
 - (ii) serious or continuing noncompliance with this Part or the requirements or determinations of the DHSIRB; and
 - (iii) suspension or termination of DHSIRB approval.
- (b) Records are retained:
- (1) for at least three years from the date of creation for general administrative record; and
 - (2) for at least three years after research completion.
- (c) All records are accessible for inspection and copying by authorized representatives of the United States Department of Health and Human Services (DHHS) or the Office of Human Research Protection (OHRP) at reasonable times and in a reasonable manner, per 45 C.F.R. § 46.115(b).
- (d) DHSIRB submits a list of current DHSIRB members, and any changes in membership, to OHRP, DHHS per 45 C.F.R. §§ 46.103(b)(3) and 115(a)(5). DHS or the DHSIRB may maintain the records in printed form or electronically.

340:2-39-11. Application procedures

~~(a) A completed Oklahoma Department of Human Services Form 21AD084E, Application to the Oklahoma Department of Human Services Institutional Review Board (DHSIRB), is submitted with each new research proposal.~~

(a) General requirements.

- (1) Investigators or researchers wanting to conduct research focused on Oklahoma Department of Human Services (DHS) employees or DHS clients must first secure written approval from the Department of Human Services Institutional Review Board (DHSIRB).
 - (2) Investigators submit an application to the DHSIRB before initiating any part of a research project, including subject recruitment.
 - (3) Permission requests may be made through the application procedures described in this rule.
- (b) Previously approved research must request to continue beyond any one year period of time. Re review and re approval of research occurs on or before the one year anniversary of the initial Oklahoma Department of Human Services Institutional Review Board (DHSIRB) approval date, unless the degree of risk, complaints about the research, or investigator non-compliance necessitate more frequent re review. Research found exempt is reviewed annually.
- (b) New research proposals.

(1) The DHSIRB provides DHS Form 20AD085E, Application and Instructions, for investigators who want to submit a research proposal to DHSIRB.

(2) The application and all required attachments must be submitted to DHSIRB. When received 14 or more calendar days prior to the next meeting, the application is reviewed at the next regularly scheduled DHSIRB meeting. When received 13 or fewer calendar days prior to the next meeting, the application is reviewed at the following regularly scheduled DHSIRB meeting. No application is considered for approval until it is fully completed and submitted along with any required attachments.

(3) Information provided to the DHSIRB in Form 20AD085E includes, at a minimum:

(A) the professional qualifications of the principal investigator as well as co-investigators;

(B) a description of necessary support services and facilities;

(C) a description of the research protocol, including and addressing the:

(i) research title;

(ii) research purpose, including identifying any expected benefits as a consequence of doing the research;

(iii) research sponsor;

(iv) results of previous, related research;

(v) research participant inclusion or exclusion criteria;

(vi) justification for the use of special or vulnerable participant populations;

(vii) research design including appropriateness of research methods discussion;

(viii) description of procedures to be performed;

(ix) potential risks and a discussion of their relationship to potential participant benefits;

(x) circumstances surrounding consent procedure, including the:

(I) setting;

(II) participant autonomy concerns;

(III) language difficulties;

(IV) reading level; and

(V) particularly vulnerable subjects;

(xi) procedures for documentation of informed consent, including any procedures for obtaining assent from minors, using witnesses, translators, and document storage;

(xii) compensation to participants for their involvement;

(xiii) compensation for injured research participants;

(xiv) provisions for protection of subjects' privacy;

(xv) extra costs to participants for their involvement in the research; and

(xvi) extra costs to third-party payers because of participant's involvement;

(D) investigator's brochure, when one exists;

(E) informed consent document; and

- (F) each application must include a description of how the investigator obtains human subject consent, including a copy of the investigator's proposed consent document. For further guidance, refer to Oklahoma Administrative Code (OAC) 340:2-39-11.1.
- (4) The DHSIRB makes a determination on the request using procedures, per OAC 340:2-39-12.
- (e) ~~If the research departs from the original proposal, the DHSIRB is advised and a new application is submitted for DHSIRB approval.~~
- (c) **Requesting a determination that a proposed research project is not human subject research.**
- (1) The principal investigator is responsible for obtaining the DHSIRB determination on whether a proposed project does or does not qualify as human subject research. A determination includes, whether human subjects, as defined in OAC 340:2-39-6, are involved.
- (2) To receive a determination that a research project does not constitute human subject research, the investigator must submit a request in writing to DHSIRB. The request must include:
- (A) a completed Form 20AD085E, as described in (b) of this Section; and
- (B) the proposed justification for determining the research does not constitute human subjects research.
- (3) The DHSIRB makes a determination on the request using procedures, per OAC 340:2-39-12(b).
- (d) ~~In general, action on all proposals is taken within two months after submission. Investigators are notified in writing of the DHSIRB decisions within two weeks of board action.~~
- (d) **Requesting a determination that a proposed research project is exempt from review.**
- (1) In some limited circumstances, per this Section and in federal regulations, per Title 45 of the Code of Federal Regulations, an investigator may request that DHSIRB recognizes his or her proposed research project as a project exempt from DHSIRB review and oversight.
- (2) To receive a determination that a research project is exempt from review, the investigator must submit a request in writing to DHSIRB. The request must include a completed Form 20AD085E, per (b) of this Section, and written justification why the investigator is seeking an exemption determination.
- (3) The DHSIRB makes a determination on the request using the procedures, per OAC 340:2-39-12(c).
- (e) ~~Decisions to disapprove are accompanied by reasons for the decision.~~
- (e) **Requesting an expedited review.**
- (1) An expedited review may be requested if the principal investigator submits to the DHSIRB that the proposed research project involves no more than minimal risk and:
- (A) the proposed research falls within a category of research, as determined by the U.S. Secretary of Health and Human Services and is specifically identified in the DHSIRB application, that it is eligible for expedited review by the DHSIRB;
- (B) minor changes in previously approved research during the period for which approval is authorized; or
- (C) the proposed research for which limited DHSIRB review is sought qualifies as a condition of exemption, per Title 45 C.F.R. 46.104(d)(2)(iii), (d)(3)(i)(C), and (d)(7) and (8).
- (2) The investigator must submit a request in writing to the DHSIRB to ask for an expedited review of his or her proposed research project. The request must include a completed Form 20AD085E, per (b) of this Section, and written justification why the investigator is seeking an expedited review.
- (3) The DHSIRB makes a determination on the request, per OAC 340:2-39-12(d).
- (f) Information provided to the DHSIRB by the investigator is the:
- (f) **Cooperative research projects.**
- (1) ~~DHSIRB application Form 21AD084E, Application to the Oklahoma Department of Human Services Institutional Review Board (DHSIRB);~~ A cooperative research project is a research project that involves DHS and at least one other institutional review board, per 45 C.F.R. § 46.114.
- (2) ~~professional qualifications to do the research, including a description of necessary support services and facilities;~~ An investigator, in limited circumstances, may request the DHSIRB recognize his or her proposed research project as a cooperative research project, per 45 C.F.R. § 46.114.
- (3) ~~research protocol including and addressing the:~~ In the conduct of cooperative research projects, each institutional review board including the DHSIRB, is responsible for safeguarding the rights and welfare of human subjects.
- (A) ~~title of the research;~~
- (B) ~~purpose of the research, including the expected benefits obtained by doing the research;~~
- (C) ~~sponsor of the research;~~
- (D) ~~results of previous related research;~~
- (E) ~~research participant inclusion or exclusion criteria;~~
- (F) ~~justification for use of any special or vulnerable participant populations;~~
- (G) ~~research design, including, as needed, a discussion of the appropriateness of research methods;~~
- (H) ~~description of procedures to be performed;~~
- (I) ~~potential risks, and a discussion of their relationship to the potential benefits to the participants;~~
- (J) ~~circumstances surrounding consent procedure, including the:~~
- (i) ~~setting;~~
- (ii) ~~participant autonomy concerns;~~
- (iii) ~~language difficulties;~~
- (iv) ~~reading level; and~~
- (v) ~~particularly vulnerable subjects;~~
- (K) ~~procedures for documentation of informed consent, including any procedures for obtaining assent from minors, using witnesses, translators, and document storage;~~
- (L) ~~compensation to participants for their involvement;~~

- (M) compensation for injured research participants;
- (N) provisions for protection of subjects' privacy;
- (O) extra costs to participants for their involvement in the research; and
- (P) extra costs to third-party payers because of participant's involvement;
- (4) investigator's brochure, when one exists; To receive recognition that a research project is a cooperative research project, the investigator must submit a request in writing to the DHSIRB. The request must include:
 - (A) a completed Form 20AD085E, per OAC 340-2-39-11(b)(1);
 - (B) identifying information about the other institution, including a reliable point of contact; and
 - (C) a description of the other institution's proposed role in the cooperative research project.
- (5) informed consent document. The DHSIRB makes a determination on the request, per OAC 340:2-39-12(f).
 - (A) Per Section 50.23 of Title 21 of the Code of Regulations (21 C.F.R. § 50.23) and 21 C.F.R. § 50.24, except in situations of medical emergency or active military, no investigator may involve human subjects as participants in research covered by this Part unless the investigator has obtained the legally effective informed consent of the participant or the participant's legally authorized representative. An investigator seeks such consent only under circumstances that provide the prospective participant or the representative sufficient opportunity to consider whether to participate and that minimize the possibility of coercion or undue influence. The information given to the participant or the representative is in language understandable to the participant or the representative. No informed consent, whether oral or written, may include any exculpatory language through which the participant or representative is made to waive or appear to waive any of the participant's legal rights or releases or appears to release the investigator, sponsor, institution, or its agents from liability for negligence.
 - (B) The proposed informed consent document contains the elements listed in (A) of this paragraph.
 - (C) When necessary, a translated version of the informed consent is provided to the participant;
- (6) requests for changes in research after initiation;
- (7) reports of unexpected adverse events, including events involving research participants or interviewers;
- (8) periodic progress reports if the research has continued past the approval period; and
- (9) final report stating the closure of the research and findings.

340:2-39-11.1. Informed consent standards

(a) Informed consent general requirements.

- (1) Research studies submitted for Oklahoma Department of Human Services Institutional Review Board

(DHSIRB) consideration must adhere to those requirements necessary to obtain informed consent, per 45 C.F.R. § 46.116. Requirements include, but are not limited to:

- (A) obtaining consent prior to involving a human subject in any research study;
- (B) providing sufficient time that allows a human subject the opportunity to consider and discuss whether to participate;
- (C) presenting sufficient information about the research study in an understandable and comprehensible format; and
- (D) information that must begin with a concise and focused presentation of the key information that is most likely to assist a prospective subject or legally authorized representative in understanding the reasons why one might or might not want to participate in the research.

(i) The manner in which the key information is described and presented is reasonably determined by the complexity of the research project. Key information elements may include:

- (I) a statement that the project is research and participation is voluntary;
- (II) a summary of the purpose of the research, procedures, and duration of participation;
- (III) reasonable, foreseeable risks or discomforts;
- (IV) reasonable, expected benefits; and
- (V) alternative procedures or course of treatment, if any.

(ii) The key information elements of the informed consent must be organized and presented in a way that facilitates comprehension.

(iii) Informed consent must present information in sufficient detail relating to the research, and must be organized and presented in a way that does not merely provide lists of isolated facts, but rather facilitates the prospective subject's or legally authorized representative's understanding of the reasons why one might or might not want to participate.

(2) Informed consent may not include any exculpatory language through which the subject or the legally authorized representative is made to waive or appear to waive the subject's legal rights or releases or appears to release the investigator or other party associated with the research study from liability for negligence.

(3) Basic elements of informed consent include:

- (A) a statement that the study involves research, an explanation of the research purposes and the expected duration of the subject's participation; a description of the procedures to be followed; and identification of any procedures that are experimental;
- (B) a description of any reasonably foreseeable risks of discomforts to the subject;

(C) a description of any benefits to the subject or to others that may reasonably be expected from the research;

(D) a disclosure of appropriate alternative procedures or courses of treatment, if any, that might be advantageous to the subject;

(E) a statement describing the extent, if any, to which confidentiality of records identifying the subject are maintained;

(F) an explanation for research involving more than minimal risk, whether any compensation and an explanation as to whether any medical treatments are available if injury occurs and, if so, what they consist of or where further information may be obtained;

(G) an explanation of whom to contact for answers to pertinent questions about the research and research subjects' rights and in the event of a research-related injury to the subject;

(H) a statement that participation is voluntary, refusal to participate involves no penalty or loss of benefits to which the subject is otherwise entitled, and the subject may discontinue participation at any time without penalty or loss of benefits to which the subject is otherwise entitled; and

(I) one of the following statements about any research that involves the collection of identifiable private information or identifiable biospecimens:

(i) a statement that identifiers might be removed from the identifiable private information or identifiable biospecimens and that, after such removal, the information or biospecimens could be used for future research studies or distributed to another investigator for future research studies without additional informed consent from the subject or the legally authorized representative, if this might be a possibility; or

(ii) a statement that the subject's information or biospecimens collected as part of the research, even when identifiers are removed, is not used or distributed for future research studies.

(4) DHSIRB enforces the general requirements for informed consent, per 45 C.F.R. § 46.116.

(5) Except as described in (b) and (c) of this Section, before involving a human subject in research covered by this Part, an investigator obtains the subject's or the subject's legally authorized representative's legally effective informed consent. The minimum requirements of legally effective informed consent are given in the federal regulations at 45 C.F.R. § 46.116(a) through 45 C.F.R. § 46.116(d).

(A) Informed consent must begin with a concise and focused presentation of the key information that is most likely to assist a prospective subject or legally authorized representative in understanding the reasons why one might or might not want to participate in the research. This part of the informed consent must be organized and presented in a way that facilitates comprehension.

(B) Informed consent must present information in sufficient detail relating to the research, and must be organized and presented in a way that does not merely provide lists of isolated facts, but rather facilitates the prospective subject's or legally authorized representative's understanding of the reasons why one might or might not want to participate.

(C) An investigator seeks informed consent only under circumstances that provide the prospective subject or the legally authorized representative sufficient opportunity to discuss and consider whether to participate and that minimize the possibility of coercion or undue influence.

(D) The information that is given to the subject or the legally authorized representative is in language understandable to the subject or the legally authorized representative.

(E) The prospective subject or the legally authorized representative must be provided with the information that a reasonable person would want to have in order to make an informed decision about whether to participate, and an opportunity to discuss that information.

(6) On a case-by-case basis, the DHSIRB may determine that other information, in addition to that specifically mentioned in the federal regulation at 45 C.F.R. § 46.116, is given to the subjects when in the DHSIRB's judgment the additional information would meaningfully add to the subjects' protection of the rights and welfare.

(A) The DHSIRB makes this determination based on the nature of the research as well as the local research context.

(B) If the DHSIRB determines that additional elements are appropriate, this additional information is considered as essential as the basic elements of informed consent described in the federal Department of Health and Human Services (HHS) regulations at 45 C.F.R. § 46.116(b).

(b) **Broad consent in lieu of informed consent.** The DHSIRB may permit broad consent for the storage, maintenance, and secondary research use of identifiable private information or identifiable biospecimens, collected for either research studies other than the proposed research or nonresearch purposes, when the:

(1) application specifically declares it is seeking broad consent and contains an adequate description of the broad consent process; and

(2) proposed research project satisfies the requirements of Title 45 C.F.R. § 46.116(d).

(c) **Waiver or alteration of consent.** When appropriate, an application for a proposed research study may seek a waiver from the requirements to obtain informed consent or it may seek permission to alter the informed consent requirements. Such a waiver or alteration may be permitted by the DHSIRB when the requirements of 45 C.F.R. § 46.116(e) & (f) are met.

(d) **Informed consent documentation.**

(1) **Use of a written informed consent form.** Except as provided in (3) of this subsection, informed consent

is documented by the use of a written informed consent form, approved by the DHSIRB and signed, including in an electronic format, by the subject or the subject's legally authorized representative. A written copy is given to the person signing the informed consent form.

(2) **Written consent form options.** Except as provided in (3) of this subsection, the informed consent form may be either (A) or (B).

(A) A written informed consent form that meets the requirements of this Section. The investigator gives the subject or the subject's legally authorized representative adequate opportunity to read the informed consent form before it is signed; alternatively, this form may be read to the subject or the subject's legally authorized representative.

(B) A short written consent form stating the elements of informed consent required by this Section were presented orally to the subject or the subject's legally authorized representative, and that the key information required by 45 C.F.R. § 46.116(a)(5)(i) was presented first to the subject, before other information, if any, was provided.

(i) Informed consent must begin with a concise, organized, and focused presentation of the key information most likely to assist a prospective subject or legally authorized representative understand the reasons why one might, or might not, want to participate in the research. This portion of the informed consent process must be organized and presented in a way that facilitates comprehension.

(ii) The DHSIRB approves a written summary of what is said to the subject or the legally authorized representative. When the short form method is used, there must be a witness to the verbal presentation. Only the short form itself is signed by the subject or the subject's legally authorized representative. The witness signs the short form and a copy of the summary, and the person obtaining consent signs a summary copy.

(iii) Summary and short form copies are given to the subject or the subject's legally authorized representative.

(3) **Documentation waiver requirement.**

(A) In certain defined circumstances, the DHSIRB may waive the requirement for the investigator to obtain a signed informed consent form for some or all subjects.

(i) The requirement may be waived if the DHSIRB makes a determination that the only record linking the subject and the research would be the informed consent form, and the principal risk would be potential harm resulting from a breach of confidentiality. Each subject or legally authorized representative is asked if the subject wants documentation linking the subject with the research. The subject makes the decision.

(ii) The requirement may be waived if the DHSIRB makes a determination that the research presents no more than minimal risk of harm to subjects and involves no procedures for which written consent is normally required outside of the research context.

(iii) The requirement may be waived if the DHSIRB makes a determination that the subjects or legally authorized representatives are members of a distinct cultural group or community in which signing forms is not the norm. The DHSIRB must also determine that the research presents no more than minimal risk of harm to subjects, and there is an appropriate alternative mechanism for documenting that informed consent was obtained.

(B) In cases in which the documentation requirement is waived, the DHSIRB may require the investigator to provide subjects or legally authorized representatives with a written statement regarding the research.

340:2-39-12. Review and approval process

(a) **Submission requirements and initial assessment.** ~~Pre-liminary review and assessment.~~

(1) ~~The proposed research is submitted to the Oklahoma Department of Human Services Institution Review Board (DHSIRB) no less than 14 calendar days prior to the next regularly scheduled meeting. Upon receipt of a completed application for a proposed research project, a preliminary assessment of the application is performed by the Oklahoma Department of Human Services Institution Review Board (DHSIRB).~~

(2) ~~The Chair completes an initial assessment of submissions with the Vice Chair and the assigned member of the Office of Client Advocacy. The initial assessment includes: The preliminary assessment is completed by the chair or the Chair's designee. The assessment determines if the applicant is seeking a full review, an expedited review, or an exemption from review and ensures the provided documentation complies with the pertinent application, per Oklahoma Administrative Code (OAC) 340:2-39-11.~~

(A) ~~determining whether the research requires review and contains all supporting documents;~~

(B) ~~assigning a unique identifier number;~~

(C) ~~determining whether the submission:~~

(i) ~~is exempt from review;~~

(ii) ~~meets the requirements for an expedited review; or~~

(iii) ~~requires a full review by the DHSIRB; and~~

(D) ~~distributing copies of the submissions to the appropriate DHSIRB members for:~~

(i) ~~an expedited review by a subcommittee of no less than two voting members of the DHSIRB. The subcommittee includes:~~

(I) ~~a scientific member; and~~

(II) ~~a non-scientific member; or~~

- (ii) a full DHSIRB review by all voting members and their alternates.
- (3) When the application is incomplete in any way, the Chair or the Chair's designee notifies the applicant and explains any deficiencies. The applicant is invited to re-submit the application with deficiencies corrected.
- (4) When the application is determined to be complete, the Chair or the Chair's designee assigns a unique identifier number to the proposed research project. This number is used in all future correspondence with the applicant and/or investigator.
- (5) When the chair determines the application satisfactorily seeks an expedited review or exemption review, the application and its materials are presented to the Vice-Chair and the DHSIRB Office of Client Advocacy member for review.
- (6) When the chair determines the application requires a full review, the application and its materials are presented to all DHSIRB members for review and consideration at the next DHSIRB meeting.
- (7) When it is determined that additional information and/or clarification is needed for an application's review, the Chair or the Chair's designee notifies the applicant. The applicant has 90-calendar days to respond.
 - (A) When the applicant does not respond in a satisfactory manner to the request for additional information and/or clarification within 90-calendar days, the DHSIRB notifies the applicant that the application was administratively closed.
 - (B) An application that is administratively closed may not be re-opened; however, a new application may be submitted.
- (b) **Requirements for exempt submissions.** DHSIRB does not review activities that do not involve the disclosure of protected information to non-DHS staff, and do not involve greater than minimal risk. Research involving human subjects in one or more of the categories listed in (1)–(5) of this subsection, are exempt from DHSIRB review per Section 46.101(b) of Title 45 of the Code of Federal Regulations (45 C.F.R. 46.101(b)).
- (b) **Determination that a proposed research project is not human subjects research.**
 - (1) Research conducted in established or commonly accepted education settings, involving normal educational practices, such as research on:When an investigator or researcher submits an application with a request for a determination of not human subjects research, the DHSIRB chair follows the procedures described in (A) and (B) of this paragraph.
 - (A) regular and special education instructional strategies; orThe Chair convenes a subcommittee consisting of the Chair, the Vice-Chair, and the Office of Client Advocacy member.
 - (B) the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.The subcommittee reviews completed Form 0AD085E and the principal investigator's justification why the proposed research does not qualify as human subjects research.

- (i) Based on this review, if the subcommittee determines the proposed research project does not constitute human subjects research, the Chair or the Chair's designee informs the applicant, in writing, of the DHSIRB decision.
- (ii) When the subcommittee determines that the proposed research project does constitute human subjects research, the Chair or the Chair's designee informs the applicant, in writing, of the DHSIRB subcommittee decision. The applicant is directed to re-submit the application with a request for an exempt, expedited, or full board review.
- (2) Research involving the use of educational tests such as, cognitive, diagnostic, aptitude, and achievement, survey procedures, interview procedures, or observations of public behavior unless DHSIRB members are notified each time a research proposal is determined to not constitute human subjects research. The information is presented electronically or in hard copy format at the earliest possible DHSIRB regular meeting.
 - (A) information obtained is recorded in such a manner that human participants can be identified, directly or through identifiers linked to the study participants; and
 - (B) any disclosure of the human participants' responses outside the research could reasonably place the participants at risk of criminal or civil liability or be damaging to the participants' financial standing, employability, or reputation.
- (3) Research involving the use of educational tests such as, cognitive, diagnostic, aptitude and achievement, survey procedures, interview procedures, or observations of public behavior that is not exempt under (2) of this subsection, if:If the investigator or researcher disagrees with the DHSIRB decision, a request for reconsideration may be submitted, per OAC 340:2-39-13(c).
 - (A) the human participants are elected or appointed public official or candidates for public office; or
 - (B) federal statute requires without exception that the confidentiality of the personally identifiable information is maintained throughout the research and thereafter.
- (4) Research involving the collection or research of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in such a manner that participants cannot be identified, directly or through identifiers linked to the participants.
- (5) Research and demonstration projects conducted by or subject to the approval of department or agency heads, and designed to research, evaluate, or otherwise examine:
 - (A) public benefit or services programs;
 - (B) procedures for obtaining benefits or services under those programs;
 - (C) possible changes in or alternatives to those programs or procedures; or

Permanent Final Adoptions

- (D) possible changes in methods or levels of payment for benefits or services under those programs.
- (6) Per 45 C.F.R. 46, Subparts C and D, sometimes exemptions do not apply to research involving vulnerable subjects, such as prisoners, pregnant women, fetuses, children, or cognitively impaired persons.
- (e) **Requirements and procedures for expedited review.** DHSIRB may use an expedited procedure to review research that presents no more than minimal risk to participants per 45 C.F.R. 46.110. Additionally, an expedited review may be used when:
 - (c) **Applications with an exemption request.**
 - (1) minor changes have been made to previously approved research during the period of one year or less for which approval is authorized; When an investigator or researcher submits an application with a request for recognition that his or her project is exempt from review, the DHSIRB chair follows the procedures in (A) and (B) in this paragraph.
 - (A) The chair convenes a subcommittee consisting of the Chair, the Vice-Chair, and the Office of Client Advocacy member.
 - (B) The subcommittee reviews the completed application and materials supporting the justification why the research project is exempt from review.
 - (i) Based on this review, if the subcommittee determines that the proposed research project is properly exempt from any review, the Chair or the Chair's designee informs the applicant, in writing, of the DHSIRB decision.
 - (ii) If the subcommittee determines that the proposed research project is conditionally exempt from DHSIRB review, the subcommittee must also conduct a limited review, per (g) of this Section.
 - (I) The subcommittee conducts a limited review when the proposed research is of a type described in the federal regulations at Title 45 C.F.R. § 46.104(d)(2)(iii), (d)(3)(i)(C), (d)(7) or (8).
 - (II) The subcommittee may conduct a limited review when the subcommittee believes a limited review is necessary in order to protect the privacy of subjects or to maintain the confidentiality of data or to ensure broad consent was properly obtained and documented.
 - (iii) If the subcommittee determines that the proposed research project is not exempt from a review, the subcommittee proceeds with an expedited review of the project using the procedures in (e) of this Section.
 - (2) enrollment of new subjects is permanently closed and no additional risks have been identified; all subjects have completed all research-related interventions; and the research remains active only for long-term follow up of subjects; Within 14-calendar days after the DHSIRB action on the exemption request, the Chair or Chair's designee sends a written notification informing the applicant of the determination. The written notification includes:
 - (A) the unique identifier DHSIRB number;
 - (B) research name; and
 - (C) reason(s) the exemption request was approved or denied.
 - (3) remaining research activities are limited to data analysis; If the investigator or researcher disagrees with the DHSIRB decision, a request for reconsideration may be submitted, per OAC 340:2-39-13(c).
 - (4) research appears in the list of categories published as a Notice in the Federal Register per 63 C.F.R. 60364–60367, that include: The DHSIRB members are notified each time a research proposal is approved through exemption. The information is presented electronically or in hard copy format at the earliest possible DHSIRB regular meeting.
 - (A) collection of data from voice, video, digital, or image recordings made for research purposes; and
 - (B) research on individual or group characteristics or behavior including, but not limited to, research on perception, cognition, motivation, identity, language, communication, cultural beliefs or practices, and social behavior or research employing survey, interview, oral history, focus group, program evaluation, human factors evaluation, or quality assurance methodologies;
 - (5) the review process ensures the research meets the requirements for an expedited review; and
 - (6) proposals reviewed under the expedited procedure may be approved, conditionally approved, or referred for full DHSIRB review if not approved as proposed. The reviewers may exercise all of the authority of the DHSIRB except the reviewers may not disapprove the research. Research may be disapproved only after a full DHSIRB review.
- (d) **Applications with a request for an expedited review.**
 - (1) When an investigator or researcher submits an application with a request for an expedited review, the DHSIRB Chair follows the procedures described in this paragraph.
 - (A) The chair convenes a subcommittee consisting of the Chair, Vice-Chair, and Office of Client Advocacy member. The subcommittee reviews the completed application and assesses the proposed research project based upon the criteria for an expedited review, per OAC 340:2-39-11(e).
 - (i) Based on this review, if the subcommittee determines that the proposed research project satisfies the criteria for an expedited review, the subcommittee carries out the proposed project initial review.
 - (I) The subcommittee may exercise all DHSIRB authorities except disapproving research.
 - (II) When the subcommittee fails to accept the research project for an expedited review, then the proposed research project is reviewed in accordance with the non-expedited procedures described in (e) of this Section.

- (III) A research project may be disapproved only after review in accordance with the non-expedited procedure.
- (ii) If the subcommittee determines that the proposed research project does not meet the criteria for an expedited review, the Chair presents the application to the DHSIRB for a non-expedited review at the next scheduled meeting.
- (B) The Director may restrict, suspend, terminate, or choose not to authorize the DHSIRB's use of this expedited review procedure.
- (2) The DHSIRB members are notified each time a research proposal is approved through the use of this expedited process. Information about each expedited approval is given to the DHSIRB members in a written report of expedited actions. The report is presented in written or electronic form and disseminated to all board members or at the earliest possible DHSIRB regular meeting. DHSIRB members are given an opportunity to review the report of expedited actions. The review must include an opportunity for members to ask questions or raise concerns about any expedited action. A motion to accept or approve the report may be entertained.
- (e) **Full DHSIRB review.** Full review of new research projects, non-exempt, non-expedited.
- (1) **Review at a convened meeting.** Proposals are reviewed at regularly scheduled meetings of the DHSIRB and investigators are informed in writing of the results of the review. Each proposed research project includes: Except when an expedited review procedure is used, per (d), the DHSIRB performs an initial review of proposed new research projects at a convened meeting when a quorum is present. In order for the research to be approved, it must receive the approval of a majority of those members present at the meeting.
- (A) a detailed description of the research design and procedures as they affect human subjects;
- (B) a list of precautions necessary to safeguard the subjects' welfare;
- (C) a precise description of the subject population involved in the research;
- (D) a description of the informed consent process and all consent forms used; and
- (E) methods used to protect data confidentiality and subject privacy.
- (2) **Reliance on the written application.** Proposals are assigned to one of the four categories listed in (A)–(D) of this paragraph. To complete its review, the DHSIRB may choose to rely solely on the written application, including attachments submitted by the applicant.
- (A) Approved. Research is approved as submitted. Investigators whose proposals are approved can begin work immediately.
- (B) Conditionally approved. Research is conditionally approved until investigators comply with items identified by the DHSIRB for final approval. There are no structural problems with the study.
- (C) Deferred. DHSIRB does not have enough information to make a determination. Investigators whose proposals receive a deferral must resubmit the entire application to address the required changes.
- (D) Not approved. The magnitude and/or number of concerns is such that conditional approval is not appropriate. Investigators whose work is disapproved cannot conduct the research or resubmit their proposals.
- (3) **Optional review of other information.** In addition to its review of the written application, including attachments, the DHSIRB may also choose to invite:
- (A) the primary investigator to provide additional information;
- (B) subject matter experts to assist in the review; or
- (C) experts and guests to attend the meeting when the review takes place.
- (4) **Review criteria.** In order to approve new research covered by this subsection, the DHSIRB determines, per 45 C.F.R. § 46.111 that the requirements in (A) through (G) are satisfied.
- (A) Risks to subjects are minimized by using procedures:
- (i) consistent with sound research design and that do not unnecessarily expose subjects to risk; and
- (ii) already performed on the subjects for diagnostic or treatment purposes, whenever appropriate.
- (B) Risks are reasonable in relation to anticipated benefits to subjects, if any, and the importance of the knowledge that may be expected to be gained. In evaluating risks and benefits, DHSIRB considers only those risks and benefits that may result from the research as distinguished from risks and benefits of therapies subjects would receive even if not participating in the research. Per 45 C.F.R. § 46.111(a)(2), DHSIRB does not consider possible long-range effects of applying the knowledge gained in the research.
- (C) Selection of subjects is equitable. In making this assessment the DHSIRB takes into account the research purposes and the setting in which the research is conducted. Additionally, the DHSIRB is particularly cognizant of the special problems of research involving subjects who are likely to be vulnerable to coercion or undue influence, such as children, prisoners, economically or educationally disadvantaged persons, or individuals with impaired decision-making capacities.
- (D) The proposed research includes a plan to seek informed consent from each prospective participant or the subject's legally authorized representative, per OAC 340:2-39-11.1.
- (E) Informed consent is appropriately documented or appropriately waived, per OAC 340:2-39-11.1.

(F) When appropriate, the research plan makes adequate provision for monitoring the data collected to ensure the subjects' safety.

(G) When appropriate, there are adequate provisions to protect the subjects' privacy and maintain the confidentiality of data.

(5) **Additional requirements.** In order to approve new research projects covered by this subsection the DHSIRB reviews the investigator's qualifications to conduct and supervise the proposed research. This process may include:

(A) reviewing the investigators', sub-investigators', and other necessary research staffs' resumes, verifying professional associations and licenses and may include a review of the investigators' previous specific experience as demonstrated by recent presentations or publications;

(B) using previous DHSIRB experience with the investigators; and

(C) requesting additional information confirming the investigators' qualifications from an administrator of the investigators' institutions.

(f) **Review criteria.** In order to approve research covered by this Part, DHSIRB reviews the investigator's qualifications to conduct and supervise the proposed research. This process may include:

(f) **Review and approval of cooperative research projects.**

(1) reviewing the curriculum vitae of the investigator, sub-investigators, and other necessary research staff, verifying professional associations and licenses. It may also include a review of the investigator's previous specific experience as demonstrated by recent presentations or publications; Cooperative research projects are those projects that involve the Oklahoma Department of Human Services (DHS) as well as one or more additional institutions.

(A) In the conduct of cooperative research projects, DHSIRB and the other institution(s) are responsible for safeguarding the rights and welfare of human subjects.

(B) DHSIRB makes arrangements with the other institution(s) to avoid duplication of efforts.

(C) When a cooperative research project is sponsored by a federal department or agency that is supporting or conducting the research, DHSIRB relies on the federal department or agency to identify the reviewing Institution Review Board (IRB).

(D) Consistent with the federal regulations, per Title 45 C.F.R. § 46.114(b), DHSIRB recognizes that any institution located in the United States (U.S.) engaged in cooperative research must generally rely upon approval by a single IRB for the portion of the research conducted in the U.S., unless:

(i) more than a single IRB review is required by law, including tribal law passed by the official governing body of an American Indian or Alaska Native tribe;

(ii) a federal department or agency supporting or conducting the research determines and documents that the use of a single IRB is not appropriate for the particular context; or

(iii) the cooperative research project does not have a federal sponsor.

(2) using previous DHSIRB experience with the investigator; and When DHSIRB participates with another institution in a cooperative research project that does not have a federal sponsor, DHSIRB seeks to avoid duplication of effort by:

(A) entering into a joint review agreement with the other institution;

(B) relying on the review of the other institution's IRB; or

(C) making similar arrangements for avoiding duplication of effort.

(3) requesting additional information confirming the investigator's qualifications from an administrator of the institution.

(g) **Additional requirements.** DHSIRB determines whether all of the additional requirements listed in (1) — (9) of this subsection are met.

(g) **Limited reviews.**

(1) Risks to participants are minimized by using procedures. If the DHSIRB affirms that a research proposal meets the criteria for a conditional exemption from review, per OAC 340:2-39-12(c), the DHSIRB performs a limited review of the proposal.

(A) consistent with sound research design; and

(B) already being performed on the participants for diagnostic or treatment purposes, whenever appropriate.

(2) Risks are reasonable in relation to anticipated benefits to participants, if any, and the importance of the knowledge that may be expected to be gained. In evaluating risks and benefits, DHSIRB considers only those risks and benefits that may result from the research as distinguished from risks and benefits of therapies that participants would receive even if not participating in the research. Per 45 CFR 46.111(a)(2), DHSIRB does not consider possible long range effects of applying the knowledge gained in the research. The scope of the limited review depends on the type of research proposal. The four types of research are in (A) through (D).

(A) Mildly obtrusive interactions research, per 45 C.F.R. § 46.104(d)(2)(iii), is defined as research with features in (i) and (ii) of this subparagraph.

(i) Mildly obtrusive interactions research only includes interactions involving:

(I) educational tests, such as cognitive, diagnostic, aptitude, and achievement tests;

(II) survey procedures;

(III) interview procedures; or

(IV) observation of public behavior, including visual or auditory recording; and

(ii) the information obtained is recorded by the investigator so the human subjects' identity can

readily be ascertained, directly or through identifiers linked to the subjects.

(B) Benign behavioral interventions, per 45 C.F.R. § 46.104(d)(3)(i)(C), is defined as research with features in (i) and (ii) of this subparagraph.

(i) Benign behavioral interventions involves interventions in conjunction with the collection of information from an adult subject through verbal or written responses, including data entry, or audiovisual recording if the subject prospectively agrees to the intervention and information collection.

(ii) The information obtained is recorded by the investigator so the identity of the human subjects can readily be ascertained, directly or through identifiers linked to the subjects.

(C) Storage or maintenance for secondary research for which broad consent is required, per 45 C.F.R. § 46.104(d)(7), is defined as research involving the storage or maintenance of identifiable private information or identifiable biospecimens for potential secondary research use.

(D) Secondary research for which broad consent is required, per 45 C.F.R. § 46.104(d)(8), is defined as research involving the use of identifiable private information or identifiable biospecimens for secondary research use, when the conditions in (i) through (iii) are present.

(i) Broad consent for the storage, maintenance, and secondary research use of the identifiable private information or identifiable biospecimens was obtained.

(ii) Documentation of informed consent or waiver of documentation of consent was obtained, per OAC 340:2-39-11.1.

(iii) The investigator does not include returning individual research results to subjects as part of the study plan.

(3) Selection of participants is equitable. In making this assessment the DHSIRB takes into account the purposes of the research and the setting in which the research is conducted and is particularly cognizant of the special problems of research involving particularly vulnerable subjects, such as children, prisoners, pregnant women, or cognitively impaired persons. For mildly obtrusive interactions research and for benign behavioral interventions, the DHSIRB review is limited to determining that there are adequate provisions to protect the privacy of subjects and to maintain the confidentiality of data.

(4) Informed consent is sought from each prospective participant or the participant's legally authorized representative and contains: For storage or maintenance for secondary research for which broad consent is required, and for secondary research for which broad consent is required, the DHSIRB review is limited to determining that:

(A) an explanation of the purposes of the research; broad consent for storage, maintenance, and

secondary research use of identifiable private information or identifiable biospecimens is obtained, per OAC 340:2-39-11.1(b);

(B) an expected duration of the participant's involvement in the research; broad consent is appropriately documented or waiver of documentation is appropriate, per OAC 340:2-39-11.1(d); and

(C) a description of the procedures to be followed; if there is a change made for research purposes in the way the identifiable private information or identifiable biospecimens are stored or maintained, there are adequate provisions to protect the privacy of subjects and to maintain the confidentiality of data.

(D) identification of any experimental procedure;

(E) a description of any reasonably foreseeable risks or discomforts to the participant;

(F) a description of any benefits to the participant or to others that may reasonably be expected from the research;

(G) disclosure of appropriate alternative procedures or courses of treatment, if any, that may be advantageous to the participant;

(H) a statement describing the extent, if any, to which confidentiality of records identifying the participant is maintained;

(I) an explanation for research involving more than minimal risk:

(i) whether any compensation is available if injury occurs;

(ii) whether medical treatment is available if injury occurs, and if so, what it consists of; or

(iii) where further information can be obtained;

(J) an explanation of whom to contact:

(i) for answers to pertinent questions about the research;

(ii) to discuss research participant's rights; and

(iii) in the event of a research-related injury to the participant;

(K) a statement that:

(i) participation is voluntary;

(ii) refusal to participate involves no penalty or loss of benefits to which the participant is otherwise entitled; and

(iii) the participant may discontinue participation at any time without penalty or loss of benefits to which the participant is otherwise entitled; and

(L) when appropriate, one or more of the elements of information listed in (i) – (viii) of this subparagraph is provided to each participant.

(i) Statement that the particular treatment or procedure may involve unforeseeable risks to the participant or to the embryo or fetus, if the participant is or may become pregnant.

(ii) Anticipated circumstances under which the participant's involvement in the research may be terminated by the investigator without regard to the participant's consent.

- (iii) Any additional costs to the participant that may result from involvement in the research.
 - (iv) Consequences of a participant's decision to withdraw from the research and procedures for orderly termination of involvement by the participant.
 - (v) Statement that significant new findings developed during the course of the research, that may relate to the participant's willingness to continue, are provided to the participant.
 - (vi) Approximate number of participants involved in the research.
 - (vii) Research treatment(s) and the probability of random assignment to a placebo or control group, or to each treatment.
 - (viii) Other information the DHSIRB determines that would meaningfully add to the protection of the rights and welfare of the participants.
- (5) Informed consent is appropriately documented by the use of a written form approved by DHSIRB and signed and dated by the participant or the participant's legally authorized representative at the time of consent. Per 45 C.F.R. 46.117(a), a copy is given to the person signing the form. Except as provided by 45 C.F.R. 46.117(e), consent form may be either of the following:
- (A) a written consent document that embodies the elements described above. The consent document may be read to the participant or the participant's legally authorized representative; however, the investigator provides either the participant or the representative opportunity to read the document before it is signed; or
 - (B) a short form written consent document stating the required elements of informed consent were presented orally to the participant or the participant's legally authorized representative. When this method is used, there is a witness to the oral presentation. The DHSIRB approves a written summary of what is to be said to the participant or the representative. Only the short form is signed by the participant or the representative. However, the witness signs both the short form and a copy of the summary, and the person actually obtaining the consent signs a copy of the written summary. A copy of the summary is given to the participant or the representative in addition to a copy of the short form.
- (6) When appropriate, there are adequate provisions to obtain affirmative agreement from children to participate in research and the permission of their parents or guardians.
- (7) When appropriate, the research plan makes adequate provision for monitoring the data collected to ensure the safety of participants.
- (8) When appropriate, an advocate for children participating as subjects in research is appointed by the DHSIRB, in addition to any other individual acting on behalf of the child as guardian or in loco parentis. The advocate acts in

the best interests of the children for the duration of their participation in the research (45 C.F.R. 46.409 (b)).

(9) When appropriate, there are adequate provisions to protect the privacy of participants and maintain the confidentiality of data.

(A) When some or all of the participants, such as children, prisoners, pregnant women, or cognitively impaired persons, are likely to be vulnerable to coercion or undue influence, additional safeguards are included in the research to protect the rights and welfare of these participants.

(B) To approve research in clinical settings in which some or all of the participants are children, DHSIRB shall take steps to ensure all research is in compliance with the federal Food and Drug Administration's regulations regarding children per 21 C.F.R. § 50(D).

(10) For some or all participants, DHSIRB may waive the requirement that the participant or the participant's legally authorized representative, sign a written consent form if it finds the research presents no more than minimal risk of harm to participants and involves no procedures for which written consent is normally required outside the research context.

(11) If the submission falls under the jurisdiction of an IRB other than DHSIRB, the approval letter from the other IRB is included in the original submission.

(h) **Communication from DHSIRB for exempt submissions.** For exempt research, the Chair:

(h) **Review and approval notification.**

(1) **Approval categories.** presents the submission finding to the DHSIRB members at the next scheduled meeting; As a result of the DHSIRB review, each research proposal is assigned to one of the categories in (A) through (E) of this paragraph.

(A) **Not human subjects research.** Proposal determined to not constitute human subjects research. Investigators whose proposals receive this determination may begin work immediately.

(B) **Approved.** Research is approved as submitted. Investigators whose proposals are approved may begin work immediately.

(C) **Conditionally approved.** Research is conditionally approved, but research may not begin until investigators comply with items identified by the DHSIRB for final approval.

(D) **Deferred.** DHSIRB does not have enough information to make a determination. Investigators whose proposals receive a deferral must resubmit the entire application to address the required changes.

(E) **Not approved.** The magnitude and/or number of concerns are such that conditional approval is not appropriate. Investigators whose work is disapproved may not conduct the research or resubmit their proposals.

(2) **Notification required.** writes a letter to the investigator within 14 days of DHSIRB action. The letter contains: The DHSIRB notifies investigators and appropriate

managers, supervisors, and directors within DHS in writing of its decision regarding the proposed research activity, including any modifications or conditions required to secure DHSIRB approval of the research activity.

(A) **Approved applications.** ~~the unique identifier DHSIRB number;~~

- (i) At a minimum, the approval letter contains:
 - (I) the unique identifier DHSIRB number;
 - (II) the research name;
 - (III) the date of approval;
 - (IV) all reviewed and approved DHSIRB documents;
 - (V) the duration of the approval; and
 - (VI) circumstances, such as adverse events or closure of the research, for which DHSIRB must be contacted.

(ii) The approval date is the date when the application is approved.

(iii) Continuing review is not required except when there is a good reason for doing so, per OAC 340:2-39-12.2(c).

(B) **Conditionally approved applications.** ~~name of the research;~~

(i) A letter describing the concerns of the DHSIRB is sent to the investigator. The letter makes it clear the research may not begin until DHSIRB issues a letter of approval.

(ii) Investigators have 90-calendar days from the day they are notified about the conditionally approved research to respond. If a response is not received during this period, investigators must re-submit the entire application.

(iii) To review the investigator's response, the chair convenes a subcommittee consisting of the Chair, the Vice-Chair, and the Office of Client Advocacy member. The subcommittee reviews the investigator's response for appropriateness.

(iv) The subcommittee makes a determination as to whether the response adequately addresses the DHSIRB concerns.

(v) A DHSIRB final approval letter is sent to the investigator when the response is approved. At that time, the research may begin. The approval date is the date the investigator's response is approved. Continuing review is not required except when there is a good reason for doing so, per OAC 340:2-39-12.2(c).

(C) **Deferred.** ~~reasons the research is exempt from DHSIRB review; and~~ A letter describing the determination is sent to the investigator.

(D) **Not approved.** ~~signature of the DHSIRB chair or vice Chair; and~~ A designation of not approved indicates the magnitude and/or number of concerns is such that conditional approval is not appropriate, as determined by the DHSIRB.

(i) A letter describing the DHSIRB decision and concerns is sent to the investigator. The investigator is notified of the opportunity to respond to

the DHSIRB, in writing or in person, regarding the determination, per OAC 340:2-39-13.

(ii) The DHSIRB accomplishes any reconsideration in the same manner as the preliminary review and assessment described in (a) of this Section.

(iii) The investigator is not advised to resubmit disapproved research without consulting the DHSIRB.

(iv) In the event of a resubmission, the DHSIRB submission is given a new number and addressed as a completely new submission.

(3) files a copy of the letter in the DHSIRB file with the submission. ~~In general, action on all proposals is taken within two months after submission. Investigators are notified, in writing, of the DHSIRB decisions within two weeks of board action.~~

(4) **Communication from DHSIRB for non-exempt but expedited review submissions.** ~~For expedited review submissions approved or conditionally approved, a letter is written to the investigator(s). At a minimum, the letter contains the:~~

(i) **Further reviews by DHS.** Research covered by this Part approved by the DHSIRB may be subject to further appropriate review and approval or disapproval by DHS officials. However, DHS officials may not approve the research if it was not approved by the DHSIRB.

(1) ~~unique identifier DHSIRB number;~~

(2) ~~name of the research;~~

(3) ~~date of approval or conditional approval;~~

(4) ~~duration of the approval;~~

(5) ~~circumstances for which DHSIRB must be contacted, such as adverse events or closure of the research; and~~

(6) ~~signature of the DHSIRB Chair or Vice Chair.~~

(5) **Communication from DHSIRB for non-exempt and non-expedited review submissions.**

(1) ~~The submission is forwarded to the Chair and all voting members. If a voting member is not available to attend the meeting to review the submission, he or she forwards the submission to his or her alternate member.~~

(2) ~~The DHSIRB determines if the submission meets the criteria for approval.~~

(6) **Quorum requirements.**

(1) ~~A quorum of the DHSIRB includes a majority of voting members, for example five members plus one if DHSIRB has 10 members.~~

(2) ~~Any quorum must include one non-abstaining outside member.~~

(3) ~~An investigator may be a member of the DHSIRB so long as the investigator as member does not participate in any review and approval process for any research in which he or she has an actual or potential conflict of interest.~~

(A) Any investigator as member with a conflict of interest is allowed to be present only to provide information requested by the DHSIRB.

Permanent Final Adoptions

- (B) The investigator member is absent from the meeting room during the discussion and voting phases of the review and approval process.
- (C) DHSIRB minutes reflect whether these requirements are met.
- (l) **Voting requirements.** After appropriate research discussion, the Chair calls for a vote and announces each vote option. Each member votes in only one category.
- (1) **Abstain.** A DHSIRB member declares an abstain vote if the member:
- (A) is helping to direct the research;
 - (B) is an investigator or co-investigator of the research;
 - (C) has any significant financial interest in the outcome of the research; or
 - (D) has what he, she, or the DHSIRB considers an unacceptable conflict of interest for other reasons. The minutes of the DHSIRB meeting reflect a vote of abstention. In addition to abstaining from voting on the research, a DHSIRB member with a conflict of interest related to a research does not attend the meeting scheduled to review the research unless requested by the DHSIRB to answer specific questions per (k)(3) of this Section. If the DHSIRB requests the investigator as member with a conflict of interest to attend the meeting to provide information, this is reflected in the DHSIRB minutes.
- (2) **Approved.** The approval date is the date of the DHSIRB meeting. The approval is valid for one year unless the committee designates a shorter period based on the risk of the research. An approval letter is sent to the investigator. At a minimum, the approval letter contains:
- (A) the unique identifier DHSIRB number;
 - (B) the name of the research;
 - (C) the date of approval;
 - (D) all documents reviewed and approved by the DHSIRB;
 - (E) the duration of the approval;
 - (F) circumstances for which the DHSIRB must be contacted, such as adverse events or closure of the research; and
 - (G) signature of the DHSIRB Chair or Vice Chair.
- (3) **Conditionally Approved.**
- (A) A letter describing the concerns of the committee is sent to the investigator. The letter makes it clear the research may not begin until DHSIRB issues a letter of approval.
 - (B) Investigators have 90 calendar days from the day they are notified about the conditionally approved research to respond. If no response is received during this period of time, investigators must resubmit the entire application.
 - (C) The investigator's response is reviewed for appropriateness by the Chair or designated DHSIRB member(s).
 - (D) A final approval letter from the DHSIRB is sent to the investigator once the response is approved.
- At that time, the research may begin. The approval date is the date of the original DHSIRB meeting at which the conditional approval determination was made. DHSIRB approval is valid for one year unless the committee designates a shorter period based on the risk of the research.
- (4) **Deferred.** A letter describing the determination is sent to the investigator.
- (5) **Not Approved.** A designation of not approved indicates the magnitude and/or number of concerns is such that conditional approval is not appropriate.
- (A) A letter describing the decision and concerns of the DHSIRB is sent to the investigator. The investigator is notified of the opportunity to respond to the DHSIRB in writing or in person regarding the determination.
 - (B) The DHSIRB accomplishes any reconsideration in the same manner as an initial review.
 - (C) The investigator is not advised to resubmit disapproved research without consulting the DHSIRB.
 - (D) In the event of a resubmission, the DHSIRB submission is given a new number and addressed as a completely new submission.
- (6) **DHSIRB does not recognize voting by proxy.** All voting occurs in person at the time of the meeting by the member or his or her designated alternate.
- (7) **A deferral decision is reviewed as a new submission.** The voting occurs independent of the prior voting.
- (8) **Research including particularly vulnerable subjects.** For a research including particularly vulnerable subjects, such as children, prisoners, pregnant women, or cognitive impaired persons, a quorum includes an advocate representing those subjects.
- (m) **Approval.** For a research to receive approval, it must obtain an approval vote from the members attending the meeting. A decision for each category is determined using the process listed in (1)–(2) of this subsection:
- (1) Approved (A) and conditionally approved (CA) versus not approved (NA). The NA vote is compared with the sum of the A and CA vote. If the sum (A + CA) is greater than the NA votes, the conditions of approval are refined using the approach described. If the NA vote is greater than the sum (A + CA), the research is not approved. If the NA vote and the (A + CA) vote are tied, the research is not approved.
 - (2) Approved (A) versus conditionally approved (CA). If the CA vote is greater than (A + NA), the research is conditionally approved. If the CA vote is less than or equal to (A + NA), a second vote is taken with the choices limited to approved, conditionally approved, and abstain. If the A vote and CA votes are tied, the research is conditionally approved.
- (n) **Communication from the DHSIRB.**
- (1) Assigned DHSIRB member reviewers presenting the submission may contact the investigator with questions regarding the submission.

(2) The investigator is notified of the review decision within 14 business days following the meeting. This notification may be done electronically with a signed letter to follow.

(3) All parties, including funding agencies, facility directors, and other IRBs with jurisdiction to review the submission, are sent a copy of the signed response letter.

(4) Discussion and individual votes are confidential. Votes by individual members may not be discussed or divulged outside the DHSIRB meeting.

(e) **Continuing review.**

(1) All research is reviewed by DHSIRB until it is completed. This happens when the analysis of data has ended and reports have been written.

(2) Approval for a research project is valid for no more than one year.

(3) DHSIRB is required to conduct continuing reviews of research at intervals appropriate to the degree of risk, but not less than once a year per 45 C.F.R. § 46.109(e).

(4) The principal investigator is responsible for the timely submission of a continuation application to the DHSIRB that previously reviewed the protocol.

(5) Research protocols that initially required full DHSIRB review and that have not completed data collection generally require full DHSIRB review for continuation. The review takes place at a convened DHSIRB meeting, and action on the research must be approved by a majority of the members present. The DHSIRB's stipulations, if any, must be met before approval for continuation is granted.

(6) Research protocols initially approved as exempt need to submit a request for continuation if the research extends beyond the approval period.

(7) Research protocols that initially required full DHSIRB review, that have completed data collection, and are in the process of analyzing data, may be reviewed using the expedited process. Research protocols that were initially reviewed using the expedited process may be re-reviewed using the expedited process as long as the degree of risk associated with the research has not changed. A continuation request must include a:

- (A) request to continue the research project;
- (B) copy of all currently approved informed consent forms if subjects are still involved;
- (C) brief report on the status of the research project including:
 - (i) the protocol's progress to date;
 - (ii) the reasons for continuing the research;
 - (iii) plans for the next approval period;
 - (iv) a description of any adverse events or unanticipated problems involving risks to participants or others;
 - (v) a discussion of the number of refusals, withdrawal of participants from the research or complaints about the research;
 - (vi) a summary of any recent literature;
 - (vii) findings obtained thus far; and
 - (viii) modifications to the research.

340:2-39-12.1. Research project changes after Oklahoma Department of Human Services Institution Review Board (DHSIRB) approval

(a) After initial approval of a research project by the DHSIRB, the investigator conducts the research activity in accordance within the terms of the DHSIRB approval.

(b) The investigator may not make changes in an approved research activity until the proposed changes are submitted to the DHSIRB for review and approval, except when necessary to eliminate apparent immediate hazards to the subject.

(c) When the investigator encounters any unanticipated problems involving risks to subjects or others or any serious or continuing noncompliance with this Part or with DHSIRB requirements or determinations, those problems and difficulties must be immediately reported to the human protections administrator.

(d) An investigator may ask the DHSIRB to review and approve a proposed change by submitting a completed DHS Form 20AD085E, Oklahoma Department of Human Services Institutional Review Board (DHSIRB) Application and Instructions, per OAC 340:2-39-11(b).

(1) Form 20AD085E and all required attachments must be received by the DHSIRB. When Form 20AD085E and all required attachments are received 14 or more calendar days prior to the next meeting, the application is reviewed at the next regularly scheduled DHSIRB meeting. When Form 20AD085E and attachments are received 13 or fewer calendar days prior to the next meeting, the application is reviewed at the following regularly scheduled DHSIRB meeting.

(2) The investigator may request an expedited review for minor changes in a research activity.

340:2-39-12.2. Continuing review requirements

(a) Except as provided for in (b) of this Section, the DHSIRB conducts continuing review of any research study it approved at intervals appropriate to the degree of risk, but not less than once per year. Principal Investigators are responsible for submitting a continuing review application at annual intervals unless directed by the DHSIRB to submit more frequently.

(b) Unless the DHSIRB determines otherwise, continuing review of research is not required in the circumstances in (1) through (3). The:

- (1) research was eligible for expedited review, per Oklahoma Administrative Code (OAC) 340:2-39-12(c);
- (2) proposed research was reviewed by the DHSIRB using one of the limited review procedures, per OAC 340:2-39-12(g); or
- (3) research progressed to the point that it involves only:
 - (A) data analysis, including analysis of identifiable private information or identifiable biospecimens; or
 - (B) accessing follow-up clinical data from procedures that subjects would undergo as part of clinical care.

(c) Notwithstanding the provisions of (b) of this Section, the DHSIRB may require a continuing review of any research

Permanent Final Adoptions

when it determines there is a good reason for doing so. A determination to conduct a continuing review must be made in a DHSIRB-convened meeting, and a rationale for conducting continuing review of research must be stated. DHSIRB requires the investigator to submit a continuation request that must include a:

- (1) specific request to continue the research project;
- (2) copy of all currently approved informed consent forms when subjects are still involved; and
- (3) brief status report on the research project including:
 - (A) the protocol's progress to date;
 - (B) the reasons for continuing the research;
 - (C) plans for the next approval period;
 - (D) a description of any adverse events or unanticipated problems involving risks to participants or others;
 - (E) a discussion of the number of refusals, withdrawal of participants from the research, or complaints about the research;
 - (F) a summary of any recent literature;
 - (G) findings obtained thus far; and
 - (H) modifications to the research.
- (d) The continuing review by the convened DHSIRB may be supplemented by other review activities, as determined appropriate by the DHSIRB, such as:
 - (1) progress report(s) submitted by the principal investigator; or
 - (2) compliance report(s), if any, prepared by the human protections administrator or others, including:
 - (A) reports on observations of the consent process, per 45 C.F.R. § 46.109(g);
 - (B) reports on observations of the research, per 45 C.F.R. § 46.109(g);
 - (C) reports on any material changes that occurred in the research project since the previous DHSIRB review; per 45 C.F.R. § 46.108(a)(3)(ii);
 - (D) any complaints received from human subjects, legally authorized representatives, or others; and
 - (E) any findings of serious or continuing noncompliance with this Part or the DHSIRB requirements or determinations, per 45 C.F.R. § 46.108(a)(4)(i).
- (e) As a result of its continuing review, the DHSIRB may suspend or terminate approval of research that is not conducted in accordance with the DHSIRB's requirements or that was associated with unexpected serious harm to subjects. Any suspension or termination of approval includes a statement of the reasons for the DHSIRB action and is reported promptly to the investigator, appropriate DHS officials, and others as appropriate, per 45 C.F.R. § 46.113.
- (f) When the DHSIRB decides to suspend or terminate research activity approval, it includes, in its written notification, a statement of the reasons for its decision and gives the investigator an opportunity to respond in person or in writing, per 45 C.F.R. § 46.109(d).

340:2-39-13. Appeal process

- (a) ~~Institutional~~ Oklahoma Department of Human Services officials may not approve research disapproved by the Oklahoma Department of Human Services Institutional Review Board (DHSIRB), per Section 46.112 of Title 45 of the Code of Federal Regulations.
- (b) There is no mechanism for an appeal of DHSIRB decisions to other departmental components. DHSIRB is an autonomous entity and its decisions are binding.
- (c) Principal investigators may request reconsideration of a DHSIRB decision regarding a research protocol. The request ~~is must be~~ submitted in writing and ~~includes must include~~ any pertinent information ~~relative~~ relevant to the decision. The reconsideration is accomplished in the manner described for ~~initial review~~ preliminary review and assessment, per Oklahoma Administrative Code 340:2-39-12(a). Upon reexamination and reconsideration of its actions, the subsequent DHSIRB decision of the DHSIRB is final.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 15, 2020:

SUBCHAPTER 1. GENERAL PROVISIONS

340:10-1-3. State Plan for Temporary Assistance for Needy Families (TANF)

The State Plan (Plan) covering TANF encompasses the requirements listed in paragraphs (1) through ~~(13)~~(14) of this Section.

(1) **State-wide operation.** The ~~plan~~Plan is in effect in all counties of the state as a state-administered program.

(2) **Financing.** The Oklahoma State Legislature appropriates funds for financing the TANF program. Federal money is provided by block grant funding, per federal laws and regulations relating to the TANF program. These state and federal funds are used for assistance and administration under the ~~plan~~Plan.

(3) **Designated state agency.** The state TANF program is administered by the Oklahoma Department of Human Services (DHS), with at least one county office in each county in the state, operating under federal regulations, per Sections 261.1 through 261.80 of Title 45 of the Code of Federal Regulations (45 §§ C.F.R. §§ 261.1 through 261.80), Sections 230.50 through 230.78 of Title 56 of the Oklahoma Statutes (56 §§ O.S. §§ 230.50 through 230.78) and DHS rules, per Oklahoma Administrative Code (OAC) 340:10 and 340:65.

(4) **Appeal rights.** Individuals applying for or receiving TANF cash assistance have the right to appeal any action relating to the application for or receipt of TANF benefits. An applicant may also appeal a delay in processing an application timely.—Refer to OAC 340:2-5 for fair hearing procedures.

(5) **Proper and efficient administration.** DHS operates under the State Merit System, which establishes and maintains personnel standards on a merit basis for certain federal grant-in-aid agencies, including DHS. ~~Employees of DHS employees engaged in the administration of the TANF State Plan~~ administration are covered by the State Merit System.

(6) ~~Reports as required~~**Required reports.** DHS Financial Services:

(A) assists in fulfilling the requirements of state and federal laws by making necessary reports;

(B) cooperates with various federal agencies by providing current and special reports; and

(C) furnishes DHS with ~~data~~ necessary data for the operation of its programs.

(7) ~~Safeguarding of information.~~ Federal and state laws and DHS rules restrict the use or disclosure of information concerning TANF applicants ~~for~~ or recipients ~~of~~

Permanent Final Adoptions

TANF to purposes directly connected with the ~~program~~ administration of the program.

(8) **Right to apply.** An individual has the right to:

- (A) ~~make application apply~~ for TANF;
- (B) expect an investigation of eligibility; and
- (C) a prompt decision by ~~DHS in regard to~~ the regarding his or her application.

(9) **Assistance under only one program.** The needs of an eligible person must only be included in one cash assistance program; the State Supplemental Payment (SSP) or TANF payment.

(10) **Standards for determining eligibility and amount of payment.** Uniform standards for determining eligibility and ~~policies rules~~ and procedures for such determination are provided in OAC 340:65, and this Chapter. As a means of promoting uniformity and accuracy in determining the basic needs, such as food, clothing, basic drugs, personal items, shelter, utilities, and household equipment of each TANF assistance unit, a flat grant consisting of these requirements is used.

(11) **Income and resources.** ~~When determining need for TANF, DHS considers any available~~ The income and resources of an individual when requesting assistance, except income and resources available to the assistance unit are considered in determining its eligibility for TANF unless they are required to be disregarded by federal or state law or by DHS rules. Income and resources received on behalf of a member of the assistance unit by another individual that include, but are not limited to, a guardian or conservator, is considered available to the assistance unit.

(12) **Civil rights.** The TANF program is administered, per the provisions of Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1975, as amended; the Age Discrimination Act of 1975; the Americans with Disabilities Act of 1990; and Title IX of the Education Amendments of 1972, as amended.

(13) **Electronic benefit transfer (EBT) restrictions.** ~~Per Section 4004 of the Middle Class Tax Relief and Job Creation Act of 2012, Section 608(a)(12) of Title 42 of the United States Code (42 U.S.C. § 608(a)(12)),~~ States are required to maintain policies and practices as necessary to prevent TANF cash assistance from being used in any EBT transaction in certain prohibited businesses, per Section 4004 of the Middle Class Tax Relief and Job Creation Act of 2012, Section 608(a)(12) of Title 42 of the United States Code (42 U.S.C. § 608(a)(12)). ~~Section 241.4 of Title 56 of Oklahoma Statutes (56 O.S. § 241.4)~~ also restricts the use of EBT transactions in these businesses and adds one additional prohibited business.

(A) Prohibited businesses include any:

- (i) liquor store. The term liquor store means any establishment that sells exclusively or primarily intoxicating liquor. The term does not include a grocery store that sells both intoxicating liquor and groceries, including staple foods, per 7 U.S.C. § 2012;

(ii) casino, gambling casino, or gaming establishment except for:

- (I) a grocery store that sells groceries, including staple foods, per 7 U.S.C. § 2012, and also offers, or is located within the same building or complex as an establishment offering casino, gambling, or gaming activities; or
 - (II) any other establishment offering casino, gambling, or gaming activities incidental to the principal purpose of the business;
- (iii) retail establishment that provides adult-oriented entertainment in which performers disrobe or perform in an unclothed state for entertainment; or
- (iv) retail establishment whose principal business is that of selling cigarettes, cigars, or tobacco products. This type of retail establishment is prohibited, ~~only by state statute per~~ 56 O.S. § 241.4 but not by federal law.

(B) EBT transaction means the use of a credit or debit card service, automated teller machine, point-of-sale terminal, or access to an online system for the withdrawal of funds or the processing of a payment for merchandise or service.

(C) DHS informs applicants and recipients of this prohibition by including information about the prohibition in:

- (i) Form 08MP003E, Rights, Responsibilities, and Signature for Benefits, of the application;
- (ii) ~~a poster posters~~ displayed in the county office ~~lobby lobbies~~;
- (iii) the certification notice; and
- (iv) a sign sent to identified prohibited businesses ~~for use in educating to educate~~ staff and customers that the ~~DHS issued~~ DHS-issued debit card is not accepted at their ~~business businesses~~.

(D) Refer to OAC 340:10-3-57(h) for recipient benefit reduction penalties when DHS determines a recipient used his or her debit card in a prohibited business.

(E) Refer to OAC 340:65-3-6 for debit card and direct deposit procedures, including information about accessing benefits, free services, and fees.

(14) **Teen Pregnancy.** DHS has youth mentoring contracts throughout Oklahoma. These programs provide a safe environment for at-risk and low-income youth and teens. Teens attending youth mentoring are less likely to become involved in risky behavior as their after school hours are filled with sponsored/monitored activities, life skills, mentoring, nutrition, and programs designed for the teen population to make smart decisions in every area of their lives including relationship decisions that help the teen population learn how to prevent unwanted teen pregnancies.

SUBCHAPTER 2. TEMPORARY ASSISTANCE FOR NEEDY FAMILIES (TANF) WORK PROGRAM

340:10-2-5. Job search activities

The primary objective of all job search activities is for applicants and recipients of Temporary Assistance for Needy Families (TANF) to obtain employment through personal contacts with employers. The worker and the participant jointly determine the number of employer contacts based on availability of child care, financial resources, jobs in the community, skills and abilities, and any other factors which affect or influence the participant's ability to obtain employment.

(1) An employer contact is defined as a face-to-face interview with an employer, the completion and return of any application to an employer, including an on-line application, or the completion of tests required for employment with the state, local, or federal government. ~~Referrals to employers are made on Form 08TW011E, Employment Referral.~~ The participant records employer contacts on Form 08TW010E, Employer Contact List.

(2) Job search is defined as the participant's job seeking efforts. Persons in job search activities are eligible for participant allowances and may be eligible for child care for the time they are actively looking for a job or in a group activity.

(A) The participant is given Form 08TW013E, TANF Time and Progress Report, to complete and return to the worker by the time frame shown on the form.

(i) Additional job search may be required as a part of another work activity ~~if when~~ it would improve the participant's employment prospects.

(ii) The number of employer contacts to be made each week is included in the employability plan.

(B) ~~If When~~ the participant has ~~been unsuccessful in obtaining~~ not obtained a job after a reasonable amount of time, the worker and the participant review the employability plan to determine if another activity is more appropriate.

(C) The maximum amount of time spent in job search activities cannot exceed 240 hours at 20 hours per week or 360 hours at 30 hours per week for the preceding 12-month period for any person.

340:10-2-7. Training

(a) **Scope.** Job skills training activities include vocational training and hands-on work experience to develop technical skills, knowledge, and abilities in specific occupational areas. All training programs must include qualitative measures, such as competency gains or proficiency levels, to evaluate a participant's progress and reasonable time limits for completion. Referrals are made to appropriate training facilities on Form 08TW003E, Interagency Referral and Information.

(b) **Assignments.** Any training to which the participant is assigned must meet the criteria in (1) through (4) of this subsection.

(1) The hours of any training activity are governed by the training facility but must not exceed 40 hours per week.

(2) The training is preparation for a job that meets the criteria for appropriate employment.

(3) The quality and type of training must meet local employers' requirements so participants are in a competitive position with the local labor market.

(4) Training is related to in-demand occupations that are likely to become available in Oklahoma, such as health care, geriatric care, and other career paths found at <https://oklahomaworks.gov/>.

(c) **Job Corps non-resident training program (Job Corps II).** Oklahoma's four Job Corps centers provide a nonresident Job Corps program to Temporary Assistance for Needy Families (TANF) participants who can commute to their sites. Participants referred must be between 16 and 24 years of age. The Adult and Family Services (AFS) worker completes Form 08MP013E, ~~Information/Referral~~ Referral for ~~Other~~ Services to refer the TANF participant to Job Corp. It is the AFS worker's responsibility to coordinate with the Job Corps center to arrange for child care.

(1) By special agreement with the Job Corps centers, Job Corps II students are provided Job Corps participant training allowances designed to meet training costs not covered by the TANF cash assistance. These allowances are not considered as income.

(2) The worker coordinates with the centers and other designated agencies, such as the Oklahoma Employment Security Commission (OESC) and Workforce Innovation and Opportunity Act (WIOA) partners, to ensure Job Corps II students leaving the center are placed in an appropriate work activity. When a Job Corps II student leaves the center, the worker meets with the Job Corps II student to make immediate plans for further implementation of the employability plan.

(d) **Vocational training.** Up to 12 months of participation in a vocational certificate, associate's degree, bachelor's degree, or advanced degree program may count as vocational training when it qualifies a participant to obtain immediate employment in a specific field.

(1) When the institution of higher education has a TANF-funded contract, the participant must attend through the contracted provider.

(2) The participant is required to participate the minimum number of hours in a TANF activity, ~~per OAC~~ Oklahoma Administrative Code 340:10-2-1(2) or as mandated by the TANF-contracted provider.

(3) The participant must maintain satisfactory academic progress with a minimum grade point average of 2.0 and verify progress at mid-term, when possible, and at the end of the semester. Progress may be verified by a grade report, transcript, or a statement from the contracted provider or other school official.

(4) When satisfactory progress is not met, the AFS worker submits Form 08TW008E, Higher Education Probationary Approval Request, to AFS TANF ~~program field representative~~ staff to request a probationary approval period. When the probationary approval period is not approved, the participant is placed in another TANF Work activity.

(5) Participants participating in a vocational certificate, associate's degree, bachelor's degree, or advanced degree

Permanent Final Adoptions

program as part of the employability plan may count homework or study time up to one hour for each class hour, when the participant provides, at the beginning of each new class or semester; a class syllabus or a statement from the instructor, professor, or advisor that states the additional time is:

- (A) a class requirement;
- (B) above and beyond work normally completed during class hours; and
- (C) not used to make up missed class hours.

(e) **Special programs and demonstration efforts with other agencies.** The Oklahoma Department of Human Services (DHS) may enter into special education, training, or employment efforts with federal, state, and local governments; and with private for-profit; and private not-for-profit organizations; and agencies. When this occurs, involved county office staff is expected to comply with the terms of those agreements.

(f) **Job skills training.** Training directly related to job skills required by an employer or that provides a participant with the ability to obtain employment or to advance or adapt to the changing demands of the workplace.

- (1) Time spent in vocational training in excess of 12 months that is an approved part of the participant's employability plan may be counted toward the required work activity hours, when the participant also participates in a different approved core activity for a minimum of 20 hours per week.
- (2) Homework or study time may count up to one hour for each class hour, when the participant provides, at the beginning of each new class or semester; a class syllabus or a statement from the instructor, professor, or advisor that states the additional time is:
 - (A) a class requirement;
 - (B) above and beyond the work normally completed during class hours; and
 - (C) not used to make up missed class hours

340:10-2-8. Temporary Assistance for Needy Families (TANF) Work support services

(a) **Scope.** The worker provides or arranges payments and services for the participant to ensure successful completion of the participant's employability plan to become self-supporting.

- (1) Payments are authorized for items or services directly related to employment as an outcome.
- (2) When support services are available and part of the employability plan, the participant's failure to cooperate in obtaining the support services constitutes a failure to participate in the TANF Work program.
- (3) Items and services covered by the participant's medical card are not paid for by the support service fund.
- (4) The only support services available to an applicant are the participant allowance and work activity payment.
- (5) Payments are not authorized for reimbursement of expenses already paid by client or others.

(b) **Flexible funds.** The intent of flexible funds is to provide a participant with the necessary support services needed to accomplish his or her employment goals.

- (1) Flexible funds are not available to the applicant.
- (2) To be eligible for flexible funds, the participant must:

- (A) otherwise be ready to participate in a required work activity for the minimum number of hours;
- (B) have a guaranteed offer of employment; or
- (C) be employed.

(3) Payments for the services through flexible funds are not an automatic entitlement to the participant.

(4) Flexible funds are not used for fines including traffic fines or any cost related to a criminal offense, such as legal fees or court costs.

(5) Designated county staff or the career development specialist has final authority to determine authorizations.

(6) One-time payments of specific services are not approved for reimbursement of expenses already paid by the participant or others.

(7) Ongoing maintenance payments are not allowed.

(8) Relatives of the client are not eligible for payment. Refer to Oklahoma Administrative Code (OAC) 340:10-9-1 for degree of relationship.

(c) Other support services.

(1) **Work activity payments.** Work activity payments are issued to purchase specific items, such as a tank of gas, clothing, or personal items, when needed to participate in assigned work activities. The maximum amount approved cannot exceed \$40 per month.

(2) **Participant allowances.** Daily cash allowances, up to a \$13 maximum per day, are made to participants in assigned scheduled, structured, and supervised work activities.

(A) Lunch hours and travel time are not included as actual attendance hours.

(B) For persons in Job Search, travel time between job interviews and job applications is included as actual attendance hours.

(C) The participant makes appropriate daily entries on Form 08TW013E, Time and Progress Report, to document actual attendance hours and submits it to the worker by the time frame shown on the form.

(D) The daily allowance paid is:

- (i) \$8 per day when the work activity equals four hours or less; or
- (ii) \$13 per day when the work activity equals more than four hours.

(3) **Oklahoma State Bureau of Investigations (OSBI) background checks.** OSBI background checks may be requested for a participant who is placed in job skills training that requires an OSBI background check as a prerequisite for employment. The job skills training may include vocational training, hands-on work experience, or public or private sector work experience.

(4) **Child care.** Child care arrangements are made for each ~~child (ren)~~ child in the home ~~under~~ younger than 13 years of age, or younger than 19 years of age when the child is mentally or physically incapable of self-care, or under court supervision, per Oklahoma Administrative Code (OAC) 340:40-7-3. The ~~plans for~~ worker includes

the child care ~~are included~~ plan on Form 08TW002E, TANF Work/Personal Responsibility Agreement. When the person begins active participation in TANF Work activities, the worker and client complete a child care application based on the TANF Work plan, per OAC 340:40.

(5) **Transportation contracts.** Transportation contracts are initiated to provide transportation for TANF recipients who have no means of transportation to access required TANF Work training activities. To initiate a transportation contract, designated county office staff contact the Adult and Family Services (AFS) TANF staff.

(6) **Disability Advocacy Program (DAP).** DAP is available to assist a TANF Work participant or a child(ren) receiving a TANF benefit, who has an application for disability pending with the Social Security Administration (SSA) or who the Oklahoma Department of Human Services (DHS) determines has a potentially meritorious claim for such benefits.

(A) The worker makes a referral to the ~~DHS contracted~~ DHS-contracted law firm to assist the recipient(s) with the:

- (i) application;
- (ii) reconsideration;
- (iii) Administrative Law Judge hearing; and
- (iv) review by the SSA Appeals Council.

(B) The evaluation of merit determines ~~whether~~ if the appropriate SSA test for disability would be met if evidence was available to prove all conditions claimed by the TANF recipient. When the evaluation of merit determines there is:

(i) sufficient evidence, the law firm represents the TANF recipient.

(I) Statewide representation consists of assisting the recipient with the application through an unfavorable SSA Appeals Council decision.

(II) In counties in which representation by a lawyer or experienced non-lawyer advocate is not available without advance payment, the contracted law firm assists with the pending application for disability through an unfavorable decision by the SSA Appeals Council; or

(ii) insufficient evidence to prove conditions claimed by the TANF recipient, no further services are provided by DAP. Representation by the law firm ceases at any time the law firm determines there is insufficient evidence to support the TANF recipient's claim for disability benefits.

(7) **Achievement bonuses.** TANF recipients participating in TANF Work are eligible for bonuses related to achievement of certain goals when funding is available. TANF recipients may receive one bonus payment per achievement, for activities in (A) of this paragraph.

(A) Achievements are completion of a:

- (i) high school diploma; ~~or~~
- (ii) ~~general educational development~~ high school equivalency certificate (GED); or

(iii) ~~career readiness certificate (CRC) per OAC 340:10-2-3(b).~~

(B) Refer to DHS Appendix H-4-C for bonus payment amounts.

SUBCHAPTER 3. CONDITIONS OF ELIGIBILITY - NEED

PART 1. RESOURCES

340:10-3-1. Resources defined

~~The term~~ For the purposes of the Temporary Assistance for Needy Families Program, resources is a general-term representing defined as any form of real and personal property which that has an available money/monetary value. All available resources, except those required to be disregarded by federal law or by policy rules of the Department per Oklahoma Administrative Code 340:10-3-1 through 340:10-3-10 are considered.

340:10-3-2. General provisions regarding resources

(a) ~~Every time eligibility is determined. The value of each capital countable resource is available to the assistance unit must be evaluated and verified at application and renewal. The maximum allowable resource amount is \$1000 for a family to be eligible to receive Temporary Assistance for Needy Families (TANF). Refer to Oklahoma Department of Human Services (DHS) Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedule IX.C regarding the maximum resource standard.~~

(b) ~~In establishing eligibility and who is included in the TANF assistance unit, only those~~ Only available resources which the applicant/client or another assistance unit member owns, wholly or in part, are considered. If/When an adult or child is receiving/receives Supplemental Security Income (SSI), his or her resources are not considered in determining Temporary Assistance for Needy Families (TANF) eligibility for TANF.

(c) ~~Capital resources are evaluated on a monthly basis in determining eligibility for TANF. An applicant is determined The assistance unit is ineligible for TANF for any month that its resources exceed the maximum resource standard, at any time during that month per DHS Appendix C-1, Schedule IX.C. When a recipient has the assistance unit's resources which exceed the resource standard, the worker closes the TANF cash assistance is terminated for the next possible advance notice effective date, per DHS Appendix B-2, Deadlines for Case Actions.~~

(d) ~~The recipient/client may change the form of capital resources from time to time as long as the resources are not in excess of the maximum resource standard, per DHS Appendix C-1, Schedule IX.C.~~

(e) In determining eligibility based on resources, only ~~those~~ resources available for current use or those which resources that the client can has the legal ability to convert to cash for current

Permanent Final Adoptions

use with no legal impediment involved are considered as countable resources. ~~A resource is considered available when actually available and when the client has a legal interest in a liquidated sum and has the legal ability to make such sum available for support and maintenance. Under this provision, a resource is considered available if the client has the legal ability to convert the resource to cash for his or her own use. Legal ability is explained in (f) of this Section.~~

(f) ~~Generally, a~~ resource is considered unavailable ~~if when~~ there is a legal impediment to overcome. ~~However, When there is a legal impediment,~~ the client must agree to pursue all reasonable steps to overcome the impediment and ~~is responsible for taking necessary steps to initiate legal action within 30-calendar days. While the legal action is in process, the resource is considered unavailable. If a determination is made and documented that~~ When the cost of making a resource available exceeds the gain, the client is not required to pursue action to make it available.

340:10-3-5. Personal property

(a) This subsection describes personal property and how it is considered in determining eligibility for Temporary Assistance for Needy Families (TANF).

(1) **Household goods and equipment.** Items essential to day-to-day living, such as clothing, furniture, and other similarly essential items of limited value, are excluded as resources.

(2) **Livestock and equipment used in a business enterprise.** A person's equity in livestock, equipment, or ~~inventory of~~ merchandise in a business enterprise is considered as a resource only when the person is not actively engaged in the business enterprise. Equity is not counted when the person actively participates in the business or is only temporarily inactive, ~~for example, such as when the person is becomes~~ incapacitated and ~~can~~ reasonably ~~expect~~ expects and ~~has~~ plans to resume the business enterprise upon recovery. Equity is established ~~on the basis of oral~~ based on verbal or written information ~~which that~~ the person has at hand and counsel with or by obtaining information from persons ~~who have~~ with specialized knowledge about the particular resources.

(3) **Livestock and home produce used for home consumption.** Any livestock or produce grown and used by the assistance unit for home consumption is exempt.

(4) **Cash savings and bank accounts.** Available cash and money in a financial institution is considered as a resource. The person's statement that he or she does not have cash on hand or in a financial institution is sufficient unless there are indications to the contrary. When there is information to the contrary or when the person does not have records to verify the amount on deposit, verification is obtained from bank records. Section 167.1 of Title 56 of the Oklahoma Statutes (O.S. 56 § 167.1) provides that financial records obtained for the purpose of establishing eligibility for assistance or services must be furnished without cost to the person or the Oklahoma Department of Human Services (DHS).

(A) Checking accounts may or may not represent savings. Current bank statements are evaluated with the person to establish what, if any, portion of the account represents savings. Any income deposited during the current month is not considered savings.

(B) Jointly-owned accounts are considered available to the person unless it can be established what part of the account belongs to each of the owners, the money is separated, and the joint account is dissolved.

(C) Per 56 O.S. § 4001.1, money and assets deposited into or withdrawn from an individual savings or trust account owned by the designated beneficiary of the account and established to pay qualified disability expenses are excluded under the Oklahoma Achieving a Better Life Experience (ABLE) Program or an ABLE program in any other state for the purpose of determining eligibility to receive, or the amount of, any assistance or benefits from local or state means-tested programs. A person may have only one ABLE account. The client must provide documents to verify that the account meets exemption criteria before the funds are exempted from resource and income consideration. When verified, the exclusion applies to money:

(i) deposited in the account up to the annual federal gift tax exclusion, per Section 2503(b) of Title 26 of the United States Code. Any money deposited in the account in a calendar year that is in excess of the annual federal gift tax exclusion is considered a countable resource and income in the month deposited; or

(ii) withdrawn to pay qualified disability expenses. Money withdrawn for reasons other than to pay qualified disability expenses is considered as income for the month of withdrawal.

(D) In certain instances, a client may receive and access funds from a charitable account in a TANF assistance unit member's name or in a third party's name.

(i) Charitable accounts are typically set up for a specific purpose, such as to help pay for medical expenses not covered by SoonerCare (Medicaid) or the person's insurance, funeral expenses, or living expenses while a person is unable to work. Medical expenses may include travel expenses to obtain treatment, such as fuel, meals, lodging, and incidentals.

(ii) The worker must verify:

(I) the purpose of the account;

(II) the name(s) on the account;

(III) the person(s) who is authorized to withdraw funds from the account;

(IV) the dates and amounts of any deposits into or withdrawals from the account within the most recent 12-month period; and

(V) any limitations or restrictions placed on the access to account funds.

(iii) When the account is in the name of a TANF assistance unit member and there are no restrictions on accessing funds, the funds in the account are considered as a countable resource. When funds are periodically withdrawn from the account, the amount withdrawn is considered as unearned income in the month withdrawn.

(iv) When the account is in the name of an assistance unit member and funds are restricted for non-elective medical expenses or funeral expenses, the funds in the account are exempt from resource and income consideration. When the restricted funds can be released to the client for other purposes such as living expenses, the funds are considered as unearned income in the month released.

(v) When the account is held and managed by a third party on the client's behalf and the client does not have direct access to the funds, the account is not considered as an available resource to the client. When the third party disburses funds from the account to:

(I) vendors on the client's behalf, the released funds are not considered as countable income; or

(II) the client for purposes other than non-elective medical bills or funeral expenses, the funds are considered as unearned income in the month received.

(vi) When charitable funds are collected and released to the client in a one-time payment for non-elective medical expenses or funeral expenses, the funds are exempt. When released for other purposes, the one-time payment is considered as a nonrecurring lump sum payment, per Oklahoma Administrative Code (OAC) 340:10-3-28.

(5) **Insurance policies and prepaid funeral benefits.**

(A) **Life insurance policies.** The cash surrender value (CSV) less any loans or unpaid interest of life insurance policies owned by members included in the TANF cash assistance is counted as a resource. Dividends that accrue and remain with the insurance company increase the amount of the resource. Dividends paid to a person are considered as income. Assignment of the face value of a life insurance policy to fund a prepaid burial contract is not counted as a resource. In this instance, the amount of the face value of the life insurance is evaluated according to (C) or, when applicable, (D) of this paragraph.

(B) **Burial spaces.** The value of a burial space for each family member whose needs are included in the cash assistance or whose income and resources are considered when computing the cash assistance is excluded from resources.

(C) **Burial funds.** Revocable burial funds not in excess of \$1500 for each person included in the assistance unit are excluded as a resource when the

funds are specifically set aside for the burial arrangements of the person, per 56 O.S. § 165. Any amount in excess of \$1500 for each person included in the assistance unit is considered as a resource. Burial policies that require premium payments and do not accumulate cash value are not considered prepaid burial policies.

(i) The term burial funds means a prepaid burial contract or trust with a funeral home or burial association that is set aside to pay for the person's burial expenses.

(ii) The face value of a life insurance policy, when properly assigned by the owner to a funeral home or burial association, may be used for purchasing burial funds as described in (i) of this subparagraph.

(iii) The burial fund exclusion must be reduced by the face value of life insurance policies owned by the person and by the amounts in an irrevocable trust or other irrevocable arrangement.

(iv) Interest earned or appreciation on the value of any excluded burial funds is excluded when left to accumulate and become a part of the burial fund.

(v) When the person did not purchase the prepaid burial contract or trust, even when the person's money was used for the purchase, the person is not the owner and the prepaid burial funds are not considered a resource to the person.

(D) **Irrevocable burial contract.** Oklahoma law provides that a purchaser of a prepaid burial contract may elect to make the contract irrevocable. Irrevocability becomes effective 30-calendar days after the contract is signed.

(i) When the irrevocable election was made prior to July 1, 1986, and the person received assistance on July 1, 1986, the full amount of the irrevocable contract is excluded as a countable resource. This exclusion applies only when the person does not add to the amount of the contract. Interest accrued on the contract is not considered as ~~added~~ added to the contract. Any break in assistance requires that the contract be ~~evaluated~~ reevaluated at the time of reapplication.

(ii) When the effective date for the irrevocable election or application for assistance is July 1, 1986, or later, the amount in any combination of an irrevocable contract, revocable prepaid burial contract or trust, and the cash value of unassigned life insurance policies cannot exceed \$10,000, per 56 O.S. § 165. ~~When the principal amount exceeds \$10,000, the person is ineligible for assistance.~~ Any amount in excess of \$10,000 is considered a countable resource. Accrued interest is not counted as a part of the \$10,000 limit, regardless of when it is accrued.

(iii) For an irrevocable contract to be valid, the election to make it irrevocable must be made by the

Permanent Final Adoptions

purchaser or the purchaser's guardian or a person with power of attorney for the purchaser.

(E) **Medical insurance.** When a person has medical insurance, payments made to the medical provider or directly to the person and the payments are applied to the cost of medical services, they are excluded from resource consideration. Any amount remaining after payment for medical services is considered a resource.

(6) **Stocks, bonds, mortgages, and notes.** The person's equity in stocks, bonds, including United States Savings Bonds Series A through EE, mortgages, and notes are considered as resources.

(A) The current market value less encumbrances is the equity of stocks or bonds.

(B) The amount that can be realized from notes, mortgages, and similar instruments, when offered for immediate sale, constitutes a resource.

(7) **Non-negotiable resources.** Installment payments received on a note, mortgage, and similar instruments, for which a buyer cannot be found, are considered as monthly income.

(8) **Vehicles.** ~~For each vehicle, the~~ The market value of each year's make and model vehicle owned by the person is established on the basis of ~~based on~~ the average trade-in value listed in the National Automobile Dealers Association (NADA) books, other blue books, or one of the Internet websites that provide data on the market value of used vehicles at no cost to the user. When the person states the vehicle is worth less than the average trade-in value, the person secures written appraisals from two persons familiar with current values. The appraisals must state the appraised value of the vehicle and why it is worth less than the average trade-in value. When there is a substantial unexplained difference between the appraisals or between the blue book value and one or more of the appraisals, the worker and the person jointly arrange for a third ~~person~~ party familiar with current values and acceptable to both, to establish the true market value of the vehicle.

(A) **Exempt vehicles.** The equity value of up to \$5,000 in one vehicle is exempt from resource consideration. The amount of the equity in excess of \$5,000 is considered against the resource limit.

(B) **Other vehicles and personal property.** The equity in other vehicles and personal property including boats, travel trailers, motorcycles, motor homes, and campers is considered against the resource limit. The current market value less encumbrances is the equity. Only encumbrances that are verified are considered in computing equity.

(9) **Lump sum payments.** A lump sum settlement that compensates for the loss of a resource, such as an automobile, may be disregarded in the amount used to replace the loss.

(A) ~~The person is given a reasonable amount of time~~ has up to 30-calendar days to replace the loss ~~not to exceed 30-calendar days~~. Extension beyond 30-calendar days may be ~~justified in special instances~~

granted when completion of the transaction is beyond the person's control.

(B) Any amount remaining after the replacement of the loss is considered as income.

(C) Income tax refunds, except for the portion representing an earned income tax credit (EITC), must be treated as a resource and considered available to the person upon receipt. Per the Tax Relief, Unemployment Insurance Authorization, and Job Creation Act of 2010 Public Law 111-312, EITC payments received after December 31, 2009, as a result of filing a federal or state tax return are exempt as a resource for 12 months following receipt.

(D) Retirement benefits received as a lump sum payment at employment termination ~~of employment~~ are considered a resource. These benefits are not treated as income because the retirement contribution was regarded as income in the month earned and withheld by the employer.

(10) **Individual Development Accounts (IDAs)** ~~(IDA)~~. IDAs are dedicated savings accounts that are used for a qualified purpose, such as purchasing a first home, education or job training expenses, capitalizing a small business, or other purposes designated by the IDA administrative entity.

(A) IDAs are managed by community organizations and accounts are held at local financial institutions.

(B) Cash deposits and interest accrued from the deposits made by a person in an IDA up to \$2,000 are not considered as income or resources in determining TANF eligibility, per 56 O.S. § 230.54.

(C) The account deposits must be made from earned income, EITCs, or tax refunds.

(11) **Saving For Education, Entrepreneurship, and Downpayment (SEED) Initiative accounts.** SEED accounts are dedicated savings accounts for persons 13 through 18 years of age that are used for a qualified purpose, such as purchasing a first home, education or job training expenses, capitalizing a small business, or other purposes designated by the administrative entity. SEED accounts are managed by community organizations and accounts are held at local financial institutions. Cash deposits and interest accrued from the deposits made by a person in a SEED account up to \$2,000 are not considered as income or resources in determining TANF eligibility.

(b) ~~This subsection describes resources~~ Resources ~~disregarded in determining need. Disregarded resources are include:~~

(1) income disregarded, per Oklahoma Administrative Code OAC 340:10-3-40;

(2) trusts of a child(ren) included in a TANF benefit when the funds are used for educational purposes for a child(ren). Any court established trust must be examined to determine if the court restricted the trust for other purposes. The client must verify at application and renewal if funds were withdrawn. Withdrawn funds are treated as lump sum unearned income unless documentation shows

the funds were used for the child(ren)'s educational purposes;

(3) any accounts, stocks, bonds, or other resources held under the control of a third party when the funds are:

(A) designated for educational purposes for a child(ren) eligible for receiving TANF, even when a child(ren)'s name is on the account and the third party holder is required to access the funds; or

(B) established to pay for non-elective medical expenses or funeral expenses for an assistance unit member;

(4) a migratory migrant farm worker's out-of-state homestead if home property when the farm worker's intent is worker intends to return to the homestead home after the temporary absence;

(5) a non-recurring retroactive, nonrecurring lump sum Supplemental Security Income (SSI) retroactive payment, made to a TANF recipient, in the month paid and the next following month. The amount remaining in after the second month after the month of receipt is a countable resource;

(6) funds in education accounts established, per Sections 529 and 530 of the Internal Revenue Code or exempted by O.S. 56 § 4000; and

(7) child support collected from a child support tax intercept for the month received. The amount remaining in the second month after the month of receipt is a countable resource.

340:10-3-9. Family relations as a resource

State law is specific on the mutual responsibility of spouses for each other and of a parent for his or her child(ren). If the husband and wife are living together When two persons are married and live together, a resource, whether income or capital resources available to one spouse constitutes a resource is considered available to the other. When there is a break in the family relationship, and the husband and wife are separated spouses separate, but are not divorced or legally separated, they constitute a possible resource to each other and this possible resource is must be explored to determine what, if any, resource can income or resources may be made available.

(1) It is the legal responsibility of the natural or adoptive parent(s) to support his or her minor child(ren) to the extent that he or she is able to do so. For Temporary Assistance for Needy Families (TANF), a minor is defined as a child younger than 18 years of age, regardless of his or her marital status. A minor may also be considered a person younger than 19 years of age when he or she attends high school and is scheduled to graduate before his or her 19th birthday.

(2) This responsibility is not affected by any action of either parent affecting the marriage relationship of the parents or by a change in legal custody of the child(ren). A natural or adoptive parent living in the home is responsible for the support of his or her minor child(ren) even though the parent has remarried and the stepparent is ~~also~~ in the home.

(23) When a minor with a child(ren) applies for ~~Temporary Assistance for Needy Families (TANF)~~ and lives in the same home with the minor's natural or adoptive parent(s), the income of the minor's parent(s) is considered available and ~~is computed the same as stepparent liability, per Oklahoma Administrative Code 340:10-3-57(e). [OAC 340:10-3-57(f)] Stepparent's~~ When the minor parent's stepparent lives in the home, the stepparent's income is not considered. ~~In regard to this Chapter, a minor is defined as anyone under 18 years of age, regardless of marital status.~~

(34) ~~If When~~ a minor child(ren) ~~is living lives~~ in a relative's home, separated from his or her parent(s), the parent(s) continue continues to be responsible for ~~his or her the~~ minor child's support, ~~but The worker only such~~ considers financial support as actually income when it becomes available to the child(ren) is considered. Support offered by When the parent(s) but conditioned on the child(ren)'s moving offers support only when the child(ren) moves back to the parent(s)' home, it is considered available only when such a move is in the child(ren)'s best interest.

(45) An adult child(ren) has a moral, but not a legal, obligation to support his or her parent(s) to the extent of his or her ability. The individual's oral statements person's statement that he or she does not receive contributions are not received from an adult child(ren) and or other relatives not living with the individual constitute acceptable substantiation concerning contributions if him or her is sufficient when the statements are pertinent and it is consistent with other known facts. If When the individual person states that such he or she receives contributions are received, verification of verbal or written statements from the persons providing the contributions regarding the frequency and amounts amount of such contributions is are required.

340:10-3-10. Maximum resources

Maximum resources is a term used to designate the largest amount an individual can hold in one or more capital countable resources and still be considered eligible for Temporary Assistance for Needy Families (TANF) from the standpoint of need. Resources may be held in any form or combination of forms of capital resources real or personal property.

(1) **Maximum TANF resource standard.** ~~The maximum resource standard is shown on OKDHS Refer to Oklahoma Department of Human Services (DHS) Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedule IX.C to determine the maximum resources a family may have and be eligible for TANF.~~ The resources of all members ~~whose needs are~~ included in the TANF cash assistance benefit are considered in determining the maximum resources for the family. For resources of a needy caretaker ~~see refer to~~ paragraph (2) of this Section.

(A) When both parents are in the home and one parent receives Supplemental Security Income (SSI) and is included in a State Supplemental Payment (SSP)

~~ease benefit~~ and the ~~spouse~~ other parent is included in a TANF ~~ease benefit~~ with the children, the resources of both parents are evaluated in relation to determine eligibility for Supplemental Security Income (SSI) and therefore are not considered on for the TANF ease benefit.

(B) ~~If When~~ a natural or adoptive parent or dependent child is not included in the assistance unit because of alien status, his or her resources are considered with the resources of the eligible children in computing ~~the maximum resources~~ TANF resource eligibility.

(2) **Consideration of resources of a relative-payee other than a natural or adoptive parent.** A relative-payee ~~can may~~ only be included in the cash assistance benefit when the natural or adoptive parent is not in the home and the relative-payee ~~also~~ meets the definition of a needy caretaker, per Oklahoma Administrative Code (OAC) 340:10-3-30 and inclusion of his or her resources does not exceed the resource standard, per DHS Appendix C-1, Schedule IX.C. A stepparent may be included in the cash assistance benefit when the natural or adoptive parent is incapacitated or not in the home.

(A) ~~If When~~ a relative-payee is not eligible to be included in the TANF assistance unit or is eligible but does not ~~request want~~ to be included, ~~consideration is not given to his or her resources or the resources of the relative-payee or his or her spouses~~ spouse's resources are not considered in determining the children's eligibility of the children.

(B) A relative-payee is considered resource eligible as a needy caretaker ~~if when the his or her resources for the case does do~~ not exceed the maximum resource standard.

(C) Only one needy caretaker may be included in the TANF assistance unit when the child's parent(s) is not in the home. ~~If When~~ the needy caretaker has a spouse who is not an SSI recipient, one-half of their combined resources are considered as the needy caretaker's resources. ~~If When~~ the spouse of the needy caretaker is an SSI recipient, ~~consideration is not given to his or her resources~~ are not considered.

PART 3. INCOME

340:10-3-28. Lump sum payments

Lump sum payments received from any source are considered as income. Changing a resource from one form to another is not considered a lump sum payment.

(1) **Recurring lump sum payment.** ~~A nonrecurring lump sum payment considered as income includes payments based on accumulation of income and payments which are considered windfall in nature. Retirement benefits received at time of retirement in a lump sum are considered as unearned income. A non-recurring lump sum Supplemental Security Income (SSI) retroactive payment, made to a Temporary Assistance for Needy Families~~

~~(TANF) recipient who is not currently eligible for SSI, is not counted as income or a resource for TANF purposes in the month paid and the following month. The amount remaining in the second month after the month of receipt is a countable resource. A recurring lump sum payment is a payment received from any source on a regular basis. A recurring lump sum payment, including income from earnings, is averaged over the period it is intended to cover beginning with the month received.~~

(A) Examples of recurring lump sum payments include income from surface or mineral rights, oil and gas production, or cash winnings resulting from an established pattern of gambling.

(B) When, after averaging, the monthly income from the lump sum payment is in excess of the Temporary Assistance for Needy Families (TANF) cash assistance benefit, per Oklahoma Department of Human Services (DHS) Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedule IX, the worker denies the application or closes the TANF benefit for the next effective month, per DHS Appendix B-2, Deadlines for Case Actions. The income is considered available for the period of time it is intended to cover, even when it is depleted in less time.

(C) When an applicant receives a recurring lump sum payment before applying for TANF, any amount remaining at application after income averaging is considered as a resource.

(2) **Nonrecurring lump sum payment.** A nonrecurring lump sum payment is any money the client receives one time or that he or she does not expect to receive regularly from that source. Retirement benefits received at time of retirement in a lump sum are considered as a resource in the month received. The worker calculates how receipt of a nonrecurring lump sum affects the recipient's continued eligibility for TANF per the lump sum rule at (5) of this Section.

(A) Examples of nonrecurring lump sum payments considered as income include, but are not limited to:

- (i) retroactive Veterans' (VA) or Social Security benefits or worker's compensation payments;
- (ii) insurance settlements or death benefits;
- (iii) personal injury awards or settlements;
- (iv) monetary inheritances or gifts;
- (v) cash winnings from gambling or the lottery that are not the result of an established pattern of gambling; and
- (vi) wage bonuses or one-time earnings.

(B) When a TANF recipient is approved for Supplemental Security Income (SSI) and receives a retroactive, lump sum SSI payment, it is not counted as income or a resource for the month received and the following month. The amount remaining in the second month after the month received is a countable resource.

(C) When a nonrecurring lump sum payment is from a disregarded income source per OAC 340:10-3-40, it is not counted as income.

(D) Refer to OAC 340:10-3-5(a)(9) for lump sum payments considered as resources.

(E) Refer to OAC 340:10-10-7 when DHS Child Support Services receives a lump sum child support payment.

(23) **Worker responsibilities.** The worker gives—the person explains the information contained on Form 08TA006E, Important Notice About the Effect of Lump Sum Payments on TANF Benefits, to ensure he or she has knowledge of the effect of lump sum receipt on eligibility, asks the client to sign the form, and provides a copy to the client. When the worker:

(A) learns from a client or a third party that the assistance unit received or expects to receive a lump sum payment, the worker is responsible for informing the recipient of the lump sum rule per (5) of this Section within five-calendar days; and

(B) has sufficient information to compute the ineligibility period, the worker provides the client with Form 08TA007E, Lump Sum Termination or Denial Notice.

(3) A recipient who returns the cash assistance for the same month a lump sum is received is not considered a recipient for that month. The recipient must report the lump sum within 10 calendar days of receipt. The cash assistance must be returned within 10 calendar days from the date the lump sum is reported.

(4) **Allowable deductions.** A person who receives a lump sum payment may request his or her needs be removed from the assistance unit if, in accordance with OAC 340:10-3-56, the person is not required to be in the assistance unit. If this person requests his or her needs be removed, the lump sum rule does not apply. If the person does not request his or her needs be removed from the assistance unit, the lump sum rule applies to the entire assistance unit. Allowable deductions are expenses earmarked in the settlement or award to be used for a specific purpose. Examples include payment of a court judgment, including attorney fees and costs directly related to the lump sum settlement or paying medical or funeral expenses for an immediate family member. For earned income received in a lump sum, work related expenses and one-half of the remainder are allowed as deductions for each month the earned income accumulated per OAC 340:10-3-33.

(5) **Lump Sum Rule.** When a member of the TANF cash assistance unit receives a nonrecurring lump sum payment, it may cause the assistance unit to become ineligible for TANF for a number of future months. This is called the Lump Sum Rule. The effect the lump sum payment on the assistance unit's eligibility for TANF is calculated by:

(A) subtracting allowable deductions from the lump sum payment, per (4) of this Section;

(B) adding the remaining lump sum payment to all other countable monthly income. This includes

any non-excluded child support payments received by Child Support Services per OAC 340:10-10-7(b)(2). It does not include the TANF benefit; and

(C) dividing the income by the monthly TANF need standard for the assistance unit's family size to determine the number of months the assistance unit is ineligible for TANF. Refer to Oklahoma Department of Human Services Appendix C-1, Schedule IX for the TANF need standard per family size.

(6) **When the Lump Sum Rule does not apply.** The Lump Sum Rule does not apply:

(A) to an applicant when the applicant:

(i) receives the lump sum payment prior to the application date. In this instance, any amount remaining on the application date is considered a resource; or

(ii) reports receipt of the lump sum payment within 10-calendar days of receipt and requests the TANF application be denied;

(B) to a recipient when:

(i) he or she anticipates receipt of the lump sum and requests the TANF benefit be closed prior to the anticipated lump sum receipt month;

(ii) he or she reports receiving the lump sum payment within 10-calendar days of receipt and repays the TANF cash assistance payment for the receipt month within 10-calendar days of timely reporting receipt of the lump sum payment;

(iii) the lump sum payment is less than the TANF cash assistance payment. In this instance, the lump sum payment is considered as income in the receipt month. The worker completes an overpayment referral per 340:65-9 unless the recipient repays the TANF payment in the amount received; or

(iv) the person who expects to receive a lump sum payment is not required to be included in the assistance unit per OAC 340:10-3-56 and has his or her needs removed prior to receiving the lump sum payment;

(C) when the lump sum was received and the ineligibility period was determined by another state prior to the person establishing residence in Oklahoma; or

(D) when the lump sum payment is received by a stepparent not included in the TANF cash assistance unit. When this occurs, the stepparent's countable income including the lump sum is computed per OAC 340:10-3-57(e)(1) for the receipt month. Any portion of the lump sum income retained after the receipt month represents a resource to the stepparent per OAC 340:10-3-57(e)(2).

(57) **Ineligibility period.** Ineligibility due to a lump sum payment received by a person required to be in the assistance unit in accordance with OAC 340:10-3-56 The worker closes the TANF benefit and starts the ineligibility period for the next advance notice effective date per DHS Appendix B-2, Deadlines for Case Actions, and sends the client Form 08TA007E. The ineligibility period applies to

Permanent Final Adoptions

~~all members of persons included in the assistance unit, including at the time the lump sum is received. This includes those not required to be in the assistance unit included and those that may be included per OAC 340:10-3-56.~~

~~(6) Any remaining part of a lump sum payment received by a non-recipient prior to the date of application is considered as a resource.~~

~~(7) The lump sum rule is not applicable if the period of ineligibility was determined by another state prior to the person establishing residence in Oklahoma.~~

~~(8) Lump sum payments minus allowable deductions related to establishing the lump sum payment received by persons are considered as income. Allowable deductions are expenses earmarked in the settlement or award to be used for a specific purpose. Earmarked means an expense specifically set forth in the settlement or award. For earned income received in a lump sum, work-related expense and one-half of the remainder are allowed as deductions for each month the earned income accumulated. The lump sum payment is added to all other countable monthly income considered in determining the amount of the TANF benefit including non-excluded child support payments received by the Child Support Enforcement Division. The TANF benefit is not included. If the total equals or exceeds the payment standard for the assistance unit size, the case is determined ineligible. The case remains ineligible for the number of months derived by dividing the total amount of monthly countable income plus the lump sum payment by the need standard for the assistance unit size.~~

~~(9) The lump sum payment is considered whether depleted or not until the ineligibility period of ineligibility has expired expires or is shortened per (8) of this Section. The period of ineligibility begins with the next possible effective date. Any income remaining is treated as other income received in the first month following the ineligibility period of ineligibility.~~

~~(10) If the lump sum is received by a stepparent not included in the TANF unit, the stepparent's countable income including the lump sum is computed in accordance with the stepparent policy at OAC 340:10-3-57(f). Any portion of the lump sum income retained after the month of receipt represents a resource to the stepparent. The resource is considered in determining TANF eligibility only to the extent of the amount actually contributed to the assistance unit.~~

~~(11) In all cases where a lump sum payment has been or is expected to be received, the person must be advised of the lump sum rule. In all cases where the Oklahoma Department of Human Services (OKDHS) learns from a third party that a lump sum payment has been or is expected to be received, the person is advised within five calendar days of the lump sum rule.~~

~~(128) **Shortening the ineligibility period.** The ineligibility period of ineligibility may be recalculated and shortened when a member of the assistance unit verifies and informs the worker that one or more circumstances described in (A) through (D) of this subsection occurred. Circumstances may include when:~~

~~(A) an event occurs which, had the assistance unit been receiving TANF, would change the need requirement and the amount of payment including revision of the TANF Need Standard the cash assistance unit's family size increases;~~

~~(B) the income lump sum becomes unavailable due to circumstances beyond the person's control. Examples may include when:~~

~~(i) someone steals all or part of the lump sum;~~

~~(ii) a natural disaster occurs and the assistance unit uses all or part of the lump sum to replace items lost in the disaster;~~

~~(iii) the assistance unit uses the lump sum to pay overdue rent or late mortgage payments owed at the time the lump sum is received; or~~

~~(iv) the assistance unit uses the lump sum to pay overdue utility bills owed at the time the lump sum is received;~~

~~(C) a member of the TANF assistance unit has incurred, incurs, owes or becomes responsible for and pays for an immediate family member's medical or funeral expenses; or~~

~~(D) funds from the person uses the lump sum are expended to enhance employment. Examples include:~~

~~(i) buying or repairing a car to keep or look for employment;~~

~~(ii) paying moving expenses to relocate for better job opportunities; or~~

~~(iii) buying necessary clothing for job search or employment.~~

~~(13) Recurring lump sum income received from any source for a period covering more than one month is prorated over the period of time it is intended to cover, beginning with the month of receipt of a lump sum payment. On applications and active cases, it is considered as available for the period of time it is intended to cover even though it is depleted in less than that time. If the lump sum closes a case and the person later reapplies for TANF, the prorated amount is considered as income for the period of time it was intended to cover even if it has been depleted. Any remaining part of a recurring lump sum payment received by a non-recipient prior to the date of application is considered a resource.~~

340:10-3-32. Determination of earned income

Earned income results from self-employment or other employment sources.

~~(1a) **Self-employment income determination.** Self-employment income received by a member of the assistance unit whose income is derived from a self-employment business enterprise owned solely or in part by the person; or when the person works for an employer, but is considered self-employed, per Oklahoma Administrative Code (OAC) 340:10-3-31(a), is considered per the procedures listed in (2)(b) of this Section. Other types of self-employment income are listed in (1) through (3) of this subsection.~~

~~(A1) **Room or board.** Earned income from When a person:~~

(A) ~~rents a room rented in the client's home, is determined by considering the worker subtracts 25 percent of the gross earned income amount received as a business expense;~~ or

(B) ~~Earned income from pays for room and board paid by a person in the client's home, is determined by considering the worker subtracts 50 percent of the gross earned income received as a business expense.~~

(B2) **Rental property.** Income from rental property is considered ~~income from earned~~ self-employment if ~~income when~~ none of the activities associated with renting the property is conducted by an outside person or agency. When the client does not manage the rental property, it is considered unearned self-employment income. When the client incurs business expenses, such as a mortgage payment, the worker subtracts 50 percent of the client's rental property income as a business expense.

(C3) **Profit sharing.** Households who operate S corporations, general or limited partnerships, or limited liability companies (LLC) may receive profit sharing that is reported on the household's personal income tax return. When a household member:

- (i) ~~actively participates in the operations, the income from profit sharing is considered part of the household's self-employed earned income; or~~
- (ii) ~~does not actively participate in the operations, the income from profit sharing is considered part of the household's unearned income.~~

(A) ~~S corporation profit sharing is considered unearned profit sharing income. Refer to (c)(3) of this Section and OAC 340:10-3-39(o) for information regarding S corporations.~~

(B) ~~Partnerships are unincorporated businesses with two or more partners. When a household member is a partner in a business, he or she is considered self-employed and not an employee of the business. Each partner receives a profit share from the business.~~

When a business is considered a:

- (i) ~~general partnership or LLC with a member-manager, each partner's share of the business income is shown as self-employment income on his or her federal income tax form; or~~
- (ii) ~~limited partnership or other LLC member, each partner's share of the business income is shown as self-employment income or unearned profit sharing income on his or her federal income tax form.~~

(2b) **Self-employment income procedures.** Self-employment income that represents the person's annual support is prorated over a 12-month period, even when the income is received in a shorter period of time. The worker uses the gross self-employment shown on the person's most recent federal tax return, when filed, or computes the person's gross self-employment income from the person's business or employer records. When the person claimed business expenses, the worker subtracts 50 percent of the person's gross self-employment income as business expenses and divides the remaining income by the

number of months to be averaged to arrive at the person's net monthly self-employment income.

(A1) **New income source.** When self-employment income was received for less than a year, the income must be averaged over the period of time received and the monthly income projected for the coming year.

(B2) **Averaged over period of time received.** When there is insufficient data to make a reasonable income projection from this income source, the worker does not consider income from this source until the six-month renewal. At renewal, the worker averages the income over the number of months received until a full year's data information is available.

(C3) **Substantial increase or decrease in income.** When the person who would normally have the self-employment income annualized experiences a substantial increase or decrease in income, the worker does not calculate self-employment income on the basis of prior earnings, such as income tax returns. Instead, the worker calculates the self-employment income using only the income that can reasonably be anticipated to project future earnings.

(3c) **Earned income from sources other than self-employment.**

(A1) **Earned income from wages, salary, or commission.** ~~When~~ the income is from wages, salary, ~~or~~ commission, ~~or contract employment,~~ the earned income is the gross income prior to payroll deductions and withholdings. ~~This includes earned income from contract employment.~~ Money from the sale of whole blood or blood plasma is ~~also~~ considered as earned income.

(B2) **Earned income from work and training programs.**

(iA) **Workforce Innovation and Opportunity Act (WIOA) of 2014.** Per Section 181 of WIOA, earned income ~~from WIOA~~ is exempt.

(iiB) **On-the-job training (OJT).** Earned income from ~~regular employment for~~ OJT is considered as any other earned income.

(3) **S corporations.** When a household member is a shareholder in an S corporation, he or she may receive profits from the business in two ways: as a salary and/or as a profit share of the business. Both types of income are reported on the household member's personal income tax return. Salary income is considered as earned income and profit share income is considered as unearned income.

340:10-3-39. Income other than earned income

(a) **Capital investments.** Proceeds from interest or dividends from capital investments, that include savings accounts, bonds, other than United States (U.S.) Savings Bonds, notes, and mortgages received subsequent to certification constitute income.

(b) **Real property held as a resource.** ~~When~~ the ~~individual~~ client has income from property held as a resource, only the income after deducting the actual business expense is considered.

Permanent Final Adoptions

(c) **Life estate and homestead rights.** For income from life estate and homestead rights, refer to Oklahoma Administrative Code (OAC) 340:10-3-4(d).

(d) **Minerals.** ~~If~~ When the individual client owns minerals, but not the surface rights, only actual income from minerals, delayed rentals, and production is considered. ~~Evidence is obtained~~ The worker obtains income verification from documents which that the individual client has in hand, when available. When the individual has no client does not have documentary evidence of the income amount of income, the evidence is secured worker or client obtains income verification from the firm or person who is making the payment.

(e) **Home produce.** Any home produce from garden, livestock, and poultry utilized by the individual client and his or her household for their consumption represents resourcefulness on the part of the individual in improving his or her situation, and is not considered in determining the Temporary Assistance for Needy Families (TANF) benefit amount of benefit.

(f) **Contributions.** Appreciable contributions recurrently received in cash are considered income except when the contribution is not made directly to the recipient.

(g) **Child support.** The Oklahoma Department of Human Services (DHS) Child Support Services (OCSS) may send the client child support in excess of the monthly court ordered amount. When the client receives this excess amount, it is considered as unearned income. When the TANF payee is a minor parent and lives with an adult relative who receives child support for the minor parent, the child support is considered as income for the minor parent.

(h) **Retirement, disability, and unemployment benefits.** Income received monthly from annuities, pensions, retirement, veterans' or disability benefits, workers' or unemployment compensation, survivors' or Social Security benefits are considered unearned income. ~~Information as to present receipt and amount of current benefits is obtained from the individual's~~ The worker verifies the income by obtaining a copy of the person's award letter or benefit verification statement, by viewing the warrant, or by use of the data exchange files. Retirement benefits received as a lump sum payment at termination of employment upon retirement are considered as a resource, per OAC 340:10-3-5(a)(9)(D). Supplemental Security Income (SSI) does not fall under these types of benefits.

(i) **Military benefits.** ~~Life~~ When the client or his or her spouse is or was in the military, he or she may be eligible to receive life insurance, pensions, compensation, servicemen dependents' allowances, and similar benefits, ~~are sources of income which the individual and dependents may be eligible to receive. In each case, information is obtained concerning the military service of the individual's son, daughter, spouse, or parent. Clearance is made~~ When the client states that any member of the assistance unit, former spouse, or a non-custodial parent is or was in the military, the worker checks with the proper state and federal veterans' agencies, both state and federal, to determine whether they any benefits are available to the assistance unit.

(j) **Income from any agency or organization.** Financial aid provided to individuals persons by agencies or organizations which that base their payment on financial need is not

considered in determining the TANF benefit amount of the benefit provided duplication does not exist between such other assistance and that provided by the Oklahoma Department of Human Services (OKDHS) DHS. Financial aid given by other agencies or organizations does not constitute duplication if when the financial aid is given:

(1) for a different purpose than that provided by OKDHS DHS;

(2) for goods and services that are not included in the Temporary Assistance for Needy Families (TANF) need standard, per OAC 340:10-1-3(10); or

(3) in an amount sufficient to make it possible for the individual person to have the amount of money as determined by the TANF need standard, per DHS Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedule IX. In this instance, the non-duplicated amount is the difference between the monthly payment standard and the monthly need standard, per DHS Appendix C-1, Schedule IX. Any amount of financial aid that exceeds that difference is considered as unearned income.

(k) **Income from Vocational Rehabilitation Program through the Oklahoma Department of Rehabilitation Services (DRS).** Assistance or services received by a TANF recipient When the client receives assistance or services from the Department of Rehabilitation Services which are DRS that is allocated to for items not covered in the TANF standards, are it is disregarded in determining the amount of the assistance payments TANF benefit amount. Examples of disregarded assistance or services are car fare to a rehabilitation center, extra clothing, lunches, grooming needed for a training program, and any other such complementary payments.

(l) **Casual and inconsequential gifts.** Monetary gifts which, such as Christmas, birthday, or graduation gifts that do not realistically represent income to meet living expenses, for example, Christmas, graduation, and birthday gifts, not to exceed \$30 per calendar quarter for each individual person, are disregarded as income.

(1) ~~The amount of the gifts is~~ Gift amounts are disregarded as received during the calendar quarter until the aggregate total amount has reached reaches \$30. At that time the portion exceeding When the amount received exceeds \$30 per quarter, it is counted as lump sum income unearned income.

(2) ~~If the amount of~~ When a single gift exceeds \$30, the entire amount is not inconsequential and the total amount is counted as unearned lump sum income, per OAC 340:10-3-28.

(3) ~~If~~ When the recipient claims that the gift is intended for more than one person in the assistance unit, it can be divided among these persons. Gifts between members of the assistance unit are not counted.

(m) **Grants.** Grants which that are not based on financial need are considered income to the extent the grant is available for current maintenance.

(1) Any portion of the grant that is expended, designated, or intended for items not included in current maintenance is excluded provided documentation is provided to justify the exclusion.

(2) ~~Any remaining portion of a grant excluded as not for current maintenance must have detailed case documentation to justify the exclusion.~~

(3) ~~The countable amount of a grant received for a period covering more than one month is prorated over the period it is intended to cover.~~

(n) **Funds held in trust by Bureau of Indian Affairs (BIA).** ~~The BIA frequently puts an individual's a person's trust funds in an Individual Indian Money (IIM) account. To determine the availability of funds held in trust in an IIM account, the worker must contact BIA in writing and ascertain if the funds, in total or any portion, are available to the individual. If any portion of the funds is disbursed to the individual client, guardian, or conservator, such funds are considered in determining eligibility. Funds held in trust by BIA and not disbursed are considered unavailable.~~

(1) ~~When the BIA determines the account is unavailable and releases a certain amount of funds each month to the individual, the monthly disbursement is considered as unearned income. If is disburseddisburses any portion of the fundsto the individualclient, guardian, or conservator, such funds are considered as available unearned income unless the income is disregarded, per OAC 340:10-3-40.~~

(A) When countable funds are disbursed on a monthly basis, the income is treated as unearned income in the month received.

(B) When countable funds are disbursed on a regular basis, less often than monthly, the income is averaged over the number of months it is intended to cover, per OAC 340:10-3-28(1).

(C) When countable funds are disbursed in a one-time payment, the income is considered a nonrecurring lump sum payment in the month received, per OAC 340:10-3-28(2).

(D) If BIA determines the funds are not available, they are not considered in determining eligibility. Funds held in trust byWhen the BIA states that the funds are unavailable and are not disbursed, the funds are not consideredunavailablein determining eligibility.

(2) ~~When the BIA has statedstates that the account is unavailable and the account does not have a monthly disbursement plan, but a review of the account reveals a recent history of disbursements to the individualclient, guardian, or conservator, these disbursements must be resolved with BIA. These disbursementsthis may indicate that all or a portion of the account may beis available to the individual, guardian, or conservator. The availability of the funds must be resolved with the BIA. When the worker is unable to resolve the situation with BIA, the worker submits a referral to the Family Support Services Division (FSSD). When a referral is sent to FSSDthis occurs, the funds are considered as unavailable withbecause of a legal impediment until the worker is notified otherwise situation is resolved.~~

(3) ~~When the BIA makes disbursements have been made, a determination is made whether such disbursements were made to the individual or to a third party~~

~~vendor in payment for goods or services. Payments made directly from BIA to vendors, the disbursements are not considered as countable income to the individual. Services rendered and payment made by BIA is documented.~~

(4) ~~Amounts disbursed directly to the individual are counted as non-recurring lump sum payments in the month received. Some trusts generate income on a regular basis and the income is sent to the beneficiary. In those instances, the income is treated as unearned income in the month received.~~

(o) **Profit sharing.** When a household member is a shareholder in an S corporation or a partner in a limited partnership or limited liability company, he or she may receive a distribution or profit share of the business. This is considered unearned income.

(C) not received by the service member prior to the service member's deployment to or service in a federally designated combat zone.

PART 5. ASSISTANCE PAYMENTS

340:10-3-58. Income determination procedures

(a) The Temporary Assistance for Needy Families (TANF) cash assistance benefit amount is determined based on actual income received for the current or past month, when known, and the best estimate of the amount of income that can be anticipated to be received for future months.

~~(1) Income received When the client receives income in varying amounts, is averaged to establish the amount to be anticipated and considered in determining eligibility. The the past 30-calendar days of income is averaged to indicatedetermine what income can be anticipated. The available paystubs which accurately reflect the amount the individual earns on an ongoing basis are used unless:~~

~~(A) the individual has client starts new employment and paystubs are not available. In this instance, When pay stubs are not available, the employer's statement is obtained and must include regarding the client's~~

Permanent Final Adoptions

hourly wage, number of hours worked, and frequency of pay is obtained;

(B) ~~there has been a change in the hourly wage changed.~~ The new hourly wage is verified by a paystub(s) ~~which that~~ includes the new hourly wage. ~~If/When~~ a paystub reflecting the hourly wage change is not available, the employer is contacted for verification;

(C) ~~there has been~~ is a change in the number of hours worked. When paystubs are not available, the increase or decrease in hours is verified with the employer and then multiplied by the hourly wage to ~~arrive at the pay for the period—anticipate the next paycheck amount;~~

(D) the individual client obtains a second job. The monthly earnings from each job is computed separately and then added together for the total month's gross; or

(E) paystubs are not representative of the normal circumstances. ~~The case record is documented to show why the current pay stubs are not representative of the normal work week and, therefore, not used in the computation.~~ In this instance, income is anticipated by using only the paystubs that are representative.

(2) Income received more often than monthly must be converted to a monthly amount as described in (A) - (D) of this paragraph. ~~The worker must exercise extreme caution when determining whether income is received twice a month or biweekly, every two weeks.~~

(A) Income received on a daily basis is converted to a weekly amount, then multiplied by 4.3.

(B) Income received weekly is multiplied by 4.3.

(C) Income received twice a month is multiplied by 2.

(D) Income received every two weeks is multiplied by 2.15.

(b) ~~In the process of determining the amount of~~ When income verification is needed, it is important to define time frames for verification. The individual is advised in writing concerning the agreed upon verification to be provided within the time frame the worker gives or sends Form 08AD092E, Client Contact and Information Request, to the client specifying the income verification needed and gives the client at least 10-calendar days to provide the verification.

(1) ~~If/When~~ a certification is for a past month, then actual income, ~~if/when~~ known, is used ~~when determining the amount to be considered into~~ to determine income eligibility for the past month.

(2) Once acceptable verification is provided, no further information is required unless a change occurs or the renewal is due.

(3) ~~If an individual~~ When the client reports new employment and representative pay periods ~~have not been completed~~ has not been received yet, the best estimate is determined from the information provided by the individual client and the employer.

(c) ~~Some case closures~~ The TANF cash assistance benefit may be closed based on actual or anticipated income. ~~If/When~~ the TANF cash assistance payment is closed based on anticipated income and the individual client reports within 30-calendar days of the effective termination closure date that the anticipated income was not received or was received in a lesser amount ~~which that~~ does not cause ineligibility, the ~~case~~ TANF cash assistance benefit is ~~recertified by the re-~~opened using the administrative error process, per Oklahoma Administrative Code 340:65-5-6.

(d) ~~An individual~~ A client is responsible for reporting changes within 10-calendar days of when the change ~~took~~ takes place. ~~Action taken by the~~ The worker is responsible for taking timely ~~if taken~~ action within 10-calendar days of the reporting of the date the client reports the change. All client notices must include the timely reporting requirement.

340:10-3-59. Assistance benefits

(a) **Availability of funds.** The Oklahoma Department of Human Services (DHS) Temporary Assistance for Needy Families (TANF) Cash Assistance Program is funded by a federal TANF block grant. In the event of insufficient block grant funds, the program may be terminated or benefits not paid during the insufficiency period.

(b) **Maximum benefits.** The maximum benefit a TANF assistance unit is eligible to receive cannot exceed a nine-person payment standard, per DHS Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedule IX. A TANF eligible child(ren) who is not a blood-related sibling to the other TANF eligible child(ren) must receive benefits in a separate case, per Oklahoma Administrative Code (OAC) 340:10-3-56(a).

(c) **Minimum payments.** The minimum TANF benefit paid to a recipient is \$10 ~~except for recoupment of~~ unless the payment is reduced to recoup an overpayment, per OAC 340:65-9-6. ~~The~~ When the TANF ~~case~~ cash assistance benefit would be less than \$10, a benefit does not issue. The TANF benefit remains in open status and, when applicable, per OAC 340:10-2, the parent or needy caretaker is subject to TANF Work participation rules. The assistance unit remains eligible for SoonerCare (Medicaid) and may continue to receive food benefits in this case, when eligible.

(d) **Payment to minors.** Minors may be considered as the adult payee for TANF on behalf of others when the minor is ~~assuming~~ assumes the responsibilities of an adult and meets all conditions of eligibility for TANF. ~~Refer to OAC 340:10-3-56(a)(3)(O) for~~ For rules regarding when a minor parent may not be considered part of the assistance unit, refer to OAC 340:10-3-56(a)(3)(O).

(e) **Overpayments.** When the recipient received assistance but did not meet all conditions of eligibility, refer to OAC 340:65-9 for overpayment procedures.

(f) **Flat grant system and use of benefits.** The flat grant system of budgeting was developed to determine the extent of need based on the number of eligible persons.

(1) A flat grant precludes any agreement on the part of Oklahoma Department of Human Services (DHS) to pay

or guarantee payment for goods or services provided to recipients by vendors in lieu of a ~~money~~ monetary payment.

(2) ~~Per OAC 340:65-3-6~~, DHS issues TANF cash assistance by debit card or direct deposit, per OAC 340:65-3-6.

(3) ~~Except per OAC 340:10-1-3(13)~~, DHS does not restrict where the recipient uses the TANF benefit, except per OAC 340:10-1-3(13).

PART 7. TRANSITIONAL BENEFITS

340:10-3-75. Continued medical benefits (CMB)

(a) **Conditions for CMB.** ~~When a~~The Temporary Assistance for Needy Families (TANF) ~~benefit closes due to the receipt of child or spousal support, or new or increased earnings of the natural or adoptive parent or caretaker relative, referred hereafter as payee, medical benefits are continued when assistance unit is eligible to receive CMB for the time period described in (b) and/or (c) of this Section following TANF benefit closure due to child or spousal support receipt or new or increased earnings of the TANF payee provided the payee is included in the benefit, per Section 408 of the Social Security Act, Section 608 of Title 42 of the United States Code. The medical benefits coverage for CMB recipients is of the same amount and scope as if the assistance unit continued receiving for TANF recipients. CMB eligibility begins effective the TANF benefit closure date or the effective date of closure had the income been reported timely. Only persons included in the assistance unit when the TANF benefit is closed are eligible for CMB. To be eligible for CMB the assistance unit must meet all of the requirements listed in (1) - (5) of this subsection.~~

(1) At least one member received TANF in at least three of the six months immediately preceding the month the TANF benefit closed.

(2) The payee must be included in the TANF benefit in the month of closure and remain as payee during CMB receipt.

(3) The assistance unit did not fraudulently receive TANF benefits in the six months preceding TANF closure. Refer to Oklahoma Administrative Code (OAC) 340:65-9-4 for fraudulent receipt rules.

(4) The assistance unit must include an eligible child.

(A) An eligible child is a child who is included in the TANF cash assistance benefit ~~at~~ in the time of closure month and continues to meet age requirements, per OAC 340:10-5-1 and relationship requirements, per OAC 340:10-9-1 while receiving CMB.

(B) A child who is not included in the TANF cash assistance benefit because of Supplemental Security Income receipt is also considered an eligible child when he or she is the only child in the home meeting age and relationship requirements.

(C) The eligible child must have met deprivation requirements, per OAC 340:10-10-1 prior to TANF benefit closure but is not subject to deprivation requirements during the CMB eligibility period.

(5) The payee must comply with Soonercare (Medicaid) citizenship and identity verification rules, per OAC 317:35-5-25.

(b) **Closure due to child support or spousal support.** Medical benefits are continued for up to four months when the TANF closure is due to the receipt of new or increased child support or ~~payments for~~ spousal support in the form of alimony.

(c) **Closure due to new or increased earnings of payee.** Medical benefits may be continued for up to 12 months when the closure is due to the payee's new or increased earnings ~~of the payee~~. When the payee is the natural or adoptive parent and deprivation is due to the other parent's absence, he or she is required to cooperate with Oklahoma Child Support Services (CSS) while receiving CMB.

(1) **Eligibility.** The CMB eligibility period is divided into two, six-month periods with eligibility requirements and procedures for each period.

(A) **Initial six-month period.** The assistance unit is eligible for CMB when:

- (i) an eligible child remains in the home per (a)(4) of this Section;
- (ii) the payee remains the same; and
- (iii) the assistance unit remains in Oklahoma.

(B) **Additional six-month period.** Medical benefits are continued for the additional six month period when:

- (i) an eligible child remains in the home per (a)(4) of this Section;
- (ii) the payee remains the same;
- (iii) the assistance unit remains in Oklahoma;
- (iv) the assistance unit was eligible for and received CMB for each month of the initial six month period;
- (v) the assistance unit complied with reporting requirements in (4) of this subsection;
- (vi) the assistance unit's average monthly earned income does not exceed the income standard, per the Oklahoma Department of Human Services (DHS) Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedule I. The income standard is based on 185 percent of the federal poverty level; and
- (vii) the payee had earnings in each month of the three-month reporting period, unless the lack of earnings was due to an involuntary loss of employment, illness, or other good cause.

(C) **Income eligibility for additional six-month period.** The worker determines income eligibility for the additional six-month period per rules in (i) through (iii) of this subparagraph.

- (i) The worker disregards the assistance unit's:
 - (I) unearned income;
 - (II) a child's earned income when the child is a full time student; and
 - (III) resources.

Permanent Final Adoptions

- (ii) The gross earnings of all assistance unit members minus the payee's child care expenses incurred for employment purposes must not exceed the income standard per household size on DHS Appendix C-1, Schedule I. To determine income eligibility over the three-month reporting period, the worker averages the:
- (I) entire assistance unit's gross monthly earnings;
 - (II) family size when changes occurred per (D) of this subsection; and
 - (III) child care expenses. There is no maximum amount for this deduction.
- (iii) The earnings of an additional family member ~~is~~are considered only when the member is a natural or adoptive parent. When the additional family member's earnings are considered, he or she is included in the household size for the income test.
- (D) **Additional members.** After the CMB begins, the worker:
- (i) does not add family members who move into the home to the CMB coverage. This includes siblings and a natural or adoptive parent(s). When the additional member needs medical services, the worker refers the payee to the Oklahoma Health Care Authority (OHCA) online enrollment system at www.mysooner.org to complete an application for the additional member. The payee may also complete an application at the local health department, Indian clinic, participating health care provider, or county office; and
 - (ii) adds a child younger than one year of age to the CMB coverage when the child is deprived of parental support, per OAC 340:10-10-1 and the child's mother is included in the CMB coverage.
- (E) **Assistance unit member leaves home and returns.** When an assistance unit member included in the CMB leaves the home and then returns, he or she may be added back to the CMB coverage when all conditions of eligibility are met, provided the member is not the payee.
- (F) **Third party liability.** The assistance unit remains eligible for CMB when it obtains health insurance coverage ~~and third party liability must be considered~~. However, the assistance unit is responsible for reporting all insurance coverage and any changes in the coverage as third party liability must be considered. The worker is responsible for explaining third-party liability and the necessity for filing medical claims with the private insurance before filing with OHCA.
- (G) **CMB closure.** The worker closes the CMB any time the assistance unit fails to meet the eligibility requirements included in this Section. When the worker closes the CMB for the assistance unit or any member of the assistance unit, the worker informs the payee that the assistance unit or the member

may complete an application for medical benefits under the regular SoonerCare (Medicaid) Program by accessing OHCA's online enrollment system at www.mysooner.org or ~~complete~~completing an application at the local health department, Indian clinic, participating health care provider, or county office.

- (2) **Notification.** DHS sends notices to the assistance unit when CMB is approved and throughout the CMB period. The notices are sent at specific times and inform the assistance unit of its rights and responsibilities. When a TANF benefit closes and the assistance unit is eligible for CMB, the computer-generated closure notice includes notification of the continuation of medical benefits. DHS sends another computer-generated notice at the same time to ~~advise~~inform the assistance unit of the reporting requirements and under what circumstances the medical benefits may be discontinued. Each notice listed in (A) through (C) of this paragraph includes specific information about the assistance unit's reporting responsibilities and serves as the required advance notification in the event benefits are closed because of the information furnished in response to these notices or because the payee does not respond to the notices.

(A) **Notice # 1.** PSNCM1 issues in the third month of the initial continued medical eligibility period.

This notice ~~advise~~informs the assistance unit of the additional six-month period of CMB, the eligibility conditions, reporting requirements, and appeal rights.

(B) **Notice # 2.** PSNCM2 issues in the sixth month of the continued medical eligibility period, ~~but~~ only when the assistance unit is eligible for the additional six-month period. This notice ~~advise~~informs the assistance unit of the eligibility conditions, reporting requirements, and appeal rights.

(C) **Notice # 3.** PSNCM3 issues in the ninth month of the continued medical eligibility period, ~~or which~~ is the third month of the additional six-month period. This notice ~~advise~~informs the assistance unit of the eligibility conditions, the reporting requirements, appeal rights, and the expiration of CMB coverage.

- (3) **Notices not received.** ~~In some instances~~When the assistance unit does not receive all of the notices listed in (2)(A) through (C) of this subsection, ~~the~~the notices and report forms are not issued retroactively. When the payee notifies the worker he or she did not receive a notice or report form, the worker obtains required information necessary to establish the assistance unit's continued eligibility from the payee and informs ~~the payee he or she must~~him or her to provide earned income proof for the appropriate reporting period.

- (4) **Reporting.** The assistance unit is required to periodically report specific information necessary to determine the assistance unit's continued eligibility for CMB. To assist the unit, computer-generated Form 08TA018E, Continued Medical Benefit Reply Form, is sent to the assistance unit with the notices generated during the CMB period. Though preferred, it is not mandatory that Form

08TA018E be returned. The payee may report the information ~~may be reported~~ by phone, in an office interview, or by letter. The payee must provide proof of all gross earnings for the three-month reporting period.

- (A) The assistance unit must report:
- (i) the gross earned income of the entire assistance unit for the appropriate three-month period;
 - (ii) employment-related child care expenses ~~paid by the payee~~ for the appropriate three-month period, ~~necessary for the caretaker relative's continued employment~~;
 - (iii) any changes in the members of the assistance unit;
 - (iv) any residency changes; and
 - (v) third party liability insurance coverage information.

(B) The reporting requirement time frames are explained in this subparagraph.

(i) The payee must report required information ~~requested~~ in the third month and return ~~required~~ earned income proof by the 24st12th day of the fourth month. The worker evaluates the information provided to determine the assistance unit's eligibility for the additional six-month period. Even though the payee is required to report required information in the fourth month, no negative action occurs during the initial six-month period for failure to report. When the:

- (I) assistance unit returns required information and no longer meets eligibility conditions per (1) of this subsection, the worker closes CMB effective the first day of the seventh month; or
- (II) payee fails to report required information and submit earned income proof, CMB automatically suspend effective the first day of the seventh month. When the worker does not reinstate CMB by the advance notice deadline of the suspension month, per DHS Appendix B-2, Deadlines for Case Actions, CMB automatically closes effective the next month.

(ii) The payee must report required information requested in the sixth month and return required earned income proof by the 24st12th day of the seventh month. When the:

- (I) assistance unit returns required information and no longer meets eligibility conditions per (1) of this subsection, the worker closes CMB effective the first day of the eighth month; or
- (II) payee fails to report required information and submit earned income proof, CMB automatically suspends effective the first day of the eighth month. When the worker does not reinstate CMB by advance notice deadline of the suspension month, per DHS Appendix B-2 CMB automatically closes effective the next month.

(iii) The payee must report required information requested in the ninth month and return required earned income proof by the 24st12th day of the tenth month. When the:

- (I) assistance unit returns required information and no longer meets eligibility conditions per (1) of this subsection, the worker closes CMB effective the first day of the eleventh month; or
- (II) payee fails to report required information and return required earned income proof by the 24st12th day of the tenth month, CMB automatically suspends effective the first day of the eleventh month. When the worker does not reinstate CMB by advance notice deadline of the suspension month, per DHS Appendix B-2, CMB automatically closes effective the next month.

(5) **CMB reinstatement.** When the assistance unit subsequently reports the necessary information following suspension, the worker determines eligibility. When all eligibility factors are met during and after the suspension period, the worker reinstates the medical benefits effective the date of the suspension so the assistance unit has continuous medical coverage until the CMB period ends.

(d) **Receipt of medical benefits after CMB ends.** ~~To ensure continued medical coverage, a~~ computer-generated expiration notice is mailed to the assistance unit ~~during the third month of CMB for benefits closed due to the receipt of child or spousal support or the 11th month of CMB for benefits closed due to new or increased earnings. The expiration notice explains before the CMB period ends to explain~~ how to apply for continued medical benefits. When the assistance unit applies and is determined eligible, medical benefits continue as regular SoonerCare (Medicaid) benefits, not CMB.

SUBCHAPTER 4. CONDITIONS OF ELIGIBILITY - MANDATORY DRUG SCREENING

340:10-4-1. Mandatory Drug Screening

(a) Per Section 230.52 of Title 56 of the Oklahoma Statutes, adult parents, or needy caretakers who apply for Temporary Assistance for Needy Families (TANF) cash assistance are required to be screened for illegal use of a controlled substance or substances. TANF child only cases and minor ~~parent~~ parents under ~~the age of 18~~ years of age are exempt from the provisions in this Section.

(b) At any point the Oklahoma Department of Human Services (~~OKDHS~~DHS) has reasonable cause to believe the adult parent or needy caretaker currently receiving TANF cash assistance is engaged in the illegal use of a controlled substance or substances, the adult parent or needy caretaker is required to be screened. ~~OKDHS~~DHS is authorized to request administration of a chemical drug screen, such as an observed urinalysis (UA). Behaviors observed by ~~OKDHS~~DHS or observed and reported by community resource partners that might indicate

Permanent Final Adoptions

illegal use of a controlled substance or substances include, but are not limited to:

- (1) slurred speech;
- (2) unsteady gait;
- (3) inability to focus;
- (4) lethargy;
- (5) excessive nervousness or agitation;
- (6) showing flat affect or no emotion;
- (7) inappropriate responses to questions;
- (8) inappropriate anger or hostility;
- (9) excessive worry;
- (10) facial tics or muscle spasms;
- (11) erratic attendance in TANF Work activities;
- (12) lack of follow through with agreed upon plans; or
- (13) government or law enforcement documents indicating the person was engaged in the illegal possession or use of a controlled substance or substances within the last 30-calendar days.

(c) The minimum drug screening includes a Substance Abuse Subtle Screening Inventory (SASSI). Additional screening methods may be used that include, but are not limited to, a clinical interview, consideration of the person's history with ~~OKDHS~~DHS, and an Addictions Severity Index (ASI). ~~Additional screening and UA~~An ASI must be completed when the results of the initial SASSI screening are high probability, high defense, invalid, or the client self-declares a substance abuse problem. When the ASI indicates a need for treatment, a UA must be completed.

(d) The TANF application is approved with the adult parent or needy caretaker's needs included when all other factors of eligibility are met and ~~the substance abuse:~~

- (1) drug screening result indicates low probability of illegal use of controlled substance or substances; or
- (2) assessment result is a recommendation for alcohol and/or prescription drug abuse treatment.

(e) The TANF application is denied or benefits are closed ~~if when~~ the adult parent or needy caretaker refuses to comply or fails to follow through with the screening.

(f) When the adult parent or needy caretaker applicant screens positive for the illegal use of a controlled substance or substances, the worker denies the TANF application or closes the TANF benefit for the adult parent or needy caretaker. The parent or needy caretaker may choose to receive child only benefits ~~if when~~ all other factors of TANF eligibility are met. ~~If the choice is~~When the parent or needy caretaker chooses to receive child only benefits, the worker approves or continues child only benefits using the current TANF application. The worker also:

- (1) provides the denied applicant or adult recipient with a list of substance abuse treatment programs available at minimal or no cost to the applicant or recipient;
- (2) makes a referral to the Child Abuse Hotline at 1-800-522-3511 ~~of the~~when there is a positive screen for illegal drug use; and
- (3) determines eligibility of all household members for other requested program benefits.

(g) ~~If When~~ the adult parent or needy caretaker is ineligible ~~as a result because~~ of a positive screen for illegal use of a

controlled substance or substances, he or she is not eligible for TANF benefits until:

- (1) one year ~~has passed since~~after the date of the first ineligibility determination;
 - (2) six months ~~have passed since~~after the date of the first ineligibility determination ~~and when~~ the adult parent or needy caretaker ~~has~~ complied with a substance abuse treatment plan; or
 - (3) three years ~~have passed since~~after the date of the second or subsequent ineligibility determination.
- (h) At the end of an ineligibility period, a new application is required and all factors of eligibility determined. The steps described at (a) and (c) through (f) are followed.

SUBCHAPTER 7. CONDITIONS OF ELIGIBILITY - RESIDENCE

340:10-7-1. Residence

To be eligible to receive Temporary Assistance for Needy Families (TANF), a person must be making his or her home in Oklahoma. ~~A person whose residence has been~~Once established ~~in Oklahoma a person~~ does not lose Oklahoma residency status when he or she is removed from Oklahoma against his or her will and held in another state, for example, in federal prison, or ~~has been~~goes out-of-state to ~~make use of a federal facility, or look for a job or to attend school.~~

(1) A person's statement that he or she is ~~residing in an~~ Oklahoma voluntarily resident and is not residing in Oklahoma for a temporary purpose is acceptable if it is sufficient when consistent with other known facts. ~~If~~ When the statement is inconsistent with other known facts, further substantiation is necessary.

(2) ~~A When a person applying for TANF after living~~lived in another state or states at any time ~~must not be certified until the state or states of former residence is contacted that he or she lives in another state before applying for TANF in Oklahoma, the worker must contact the other state(s) to determine how many months, if any, the person has already received TANF and if cash assistance is currently being received from that state open. If so, planning must be done with that state so approval and closure are simultaneously effected in the respective states.~~

(A) When TANF is open in the other state, the closure date is coordinated between states to ensure the applicant does not receive TANF cash assistance in Oklahoma and the other state for the same month.

(B) When the person already received 60 months of TANF cash assistance TANF is not approved in Oklahoma unless a hardship extension is approved, per Oklahoma Administrative Code (OAC) 340:10-3-56(a)(2)(E).

(3) Continuous residence is established when the case record and contact with the person show no evidence of absence from Oklahoma.

(A) **Temporary residence.** For purposes of TANF eligibility, a person is considered a resident of Oklahoma ~~if when~~ he or she is ~~living in Oklahoma voluntarily or~~ plans to reside in Oklahoma temporarily because ~~of~~ has a job commitment or is ~~seeking to seek employment, even though the intent is to stay only temporarily,~~ as long as the person does not receive cash assistance ~~is not being received from another state.~~ This includes migrant and itinerant workers who ~~are temporarily residing in Oklahoma but~~ maintain a homestead in another state. A person traveling through the state or visiting relatives in this state is not considered a resident.

(B) **Out-of-state visits.** ~~A temporary absence from~~ When a member of the TANF assistance unit temporarily leaves the state ~~with subsequent returns to the state or intent for a purpose described in OAC 340:10-3-56(b) and intends to return to Oklahoma when the purposes purpose of the absence have been is accomplished, it does not interrupt Oklahoma residence. When the purpose is temporary in nature, the person~~ The recipient is responsible for ~~information regarding informing the worker which member(s) of the assistance unit is visiting plans to visit out-of-state, for what purpose, and the plan and date of the planned departure; and the planned date of return dates.~~

(i) ~~An absence~~ When a person included in a TANF assistance unit is temporarily absent from the state, ~~he or she may not continue beyond to be included in the assistance unit for at least three months without a specific and current determination of the unless~~ circumstances of ~~unrelated to the temporary absence occur, whether the purposes purpose of the absence have been is accomplished, and the person's statement as to his or her residence or a longer period of absence is permitted, per OAC 340:10-3-56(b).~~ The person is considered ~~as residing in an~~ Oklahoma resident until there is substantial factual evidence he or she ~~has chosen~~ chooses to establish residence in another state.

(ii) When the TANF Work participant is the person that temporarily leaves the state and does not participate in TANF Work activities during the absence, he or she may be sanctioned, per OAC 340:10-2-2 unless a good cause reason exists.

(iii) ~~If~~ When the person applies for cash assistance in another state and is determined eligible by that state, the ~~case record must document the facts used to establish that the closure~~ effective date of closure in Oklahoma ~~corresponds is~~ coordinated with the effective date of certification in the other state, ~~thus ensuring to ensure~~ there is no interruption in the assistance payment or duplication of benefits.

SUBCHAPTER 10. CONDITIONS OF ELIGIBILITY - DEPRIVATION

340:10-10-2. Physical or mental incapacity of the natural or adoptive parent

(a) **Scope and applicability.** The physical or mental incapacity of a natural or adoptive parent exists when one parent has a physical or mental ~~defect,~~ illness, or impairment that substantially reduces or eliminates the parent's ability to support or care for ~~the otherwise eligible his or her child(ren).~~ To be considered incapacitated, the parent's illness or impairment must be expected to last for at least a 30-calendar day period. The physical or mental incapacity must be supported by competent medical and social evidence.

(1) Both parents may be included in the assistance unit ~~if when~~ either parent is incapacitated ~~due to a reduced ability to provide support or care,~~ regardless of whether the parent who is not incapacitated is employed, ~~and regardless of or~~ the incapacitated parent's usual function as a homemaker or wage earner.

(2) The reduction of the ability to provide support to an eligible child is not the same as the inability to perform work. A parent may be working or capable of work but still be incapacitated for the purposes of establishing eligibility for Temporary Assistance for Needy Families (TANF). The criterion is the reduced ability of the parent to provide support or care, not the parent's employability.

(b) **Determination of substantial reduction or elimination of ability to provide support or care.** The factors in (1) - (8) of this subsection are considered evidence of a substantial reduction or elimination of a parent's ability to provide support or care. One factor by itself does not automatically determine ~~whether an individual that a parent is incapacitated, rather, these.~~ These factors are indicators to the Oklahoma Health Care Authority, Level of Care Evaluation Unit (~~LCEU~~) (LO-CEU) of the various ways a physical or mental impairment affects a parent's ability and the extent ~~to which that~~ such ability is affected. Any factor considered must exist as a result of the parent's physical or mental impairment and must be supported by specific medical information or social facts. Factors include the:

- (1) parent's inability to perform any type of gainful employment;
- (2) parent's ability to provide care for the child(ren) is substantially impaired without help from others;
- (3) parent qualifies for placement in a job that is rehabilitative or therapeutic, or for work in a sheltered workshop that is not considered to be a competitive full-time job;
- (4) number of hours the parent is able to work is substantially reduced;
- (5) wages the parent is able to earn are substantially reduced;
- (6) parent is unable to work in his or her customary occupation, but is able to work at employment ~~for which her that he or she is equipped by education, training, and experience to perform, but~~ that pays substantially less than his or her customary employment;

Permanent Final Adoptions

- (7) parent is incapable of accomplishing as much on the job as an unimpaired worker and is or would be paid on a reduced basis even though able to work full-time; or
- (8) employer's refusal to hire the parent due to of the nature of the parent's physical or mental impairment. This includes behavioral disorders and disabling conditions.
- (c) **Determination of incapacity at the time of application.** When the deprivation at application for TANF is based on the incapacity of a parent who is ~~currently receiving~~ receives Social Security Administration (SSA) disability benefits, Supplemental Security Income (SSI) due to disability or blindness, or State Supplemental Payment (SSP) for the blind or disabled, the determination of disability or blindness that established SSA, SSI, or SSP eligibility establishes incapacity for TANF. ~~If~~When disability or blindness ~~has~~was not been predetermined by the previous criteria, a referral is ~~made~~sent to LCEU ~~for a LOCEU to make an incapacity decision on incapacity for TANF eligibility.~~
- (1) **Determination of incapacity by LCEU.** MedicalThe worker obtains medical information is obtained by the social services specialist from the client or, with the client's permission, from the relevant health professional and ~~sends~~the medical information and a completed Form 08MA022E, Medical Social Summary, to LCEU~~LOCEU~~ for use in determining incapacity. The medical information must be less than 90-calendar days old in order for LOCEU to make an incapacity decision, per OAC 317:35-5-4(2)(C).
- (2) **Payment**When existing medical information cannot be obtained without cost to the client, payment may be authorized for existing medical information or one general physical examination by a medical or osteopathic physician of the parent's choice, transportation, or subsistence can be authorized. The physician cannot be in an intern, residency, or fellowship program of the medical facility, or in the full-time employment of the Veterans Administration, Public Health Service, or other agency. Refer to OAC 317:35-3-2 for information regarding transportation and subsistence assistance.
- (3) The Form ABCDM 80-D, Medical Social Summary, submitted to the LCEU by the county office 08MA022E, completed with the client, along with medical documentation provides sufficient medical and social information to enable that unitLOCEU staff to make a prompt and proper decision. ~~On~~Upon receipt of the medical documentation and Form ABCDM 80-D08MA022E, a medical review team within LCEU-LOCEU is responsible for:
- (A) ~~determining~~making an incapacity decision;
 - (B) setting ~~an~~the incapacity eligibility effective dateof eligibility for incapacity;
 - (C) requesting additional medical and social information when it is necessary for a decision;
 - (D) ~~authorizing specialists' examinations, if needed;~~
 - (E) setting ~~at~~the date when ~~another~~a re-examination and medical social summary is needed or stating no further medical social summary is needed; and;

(F) recommending the advisability of a training plan, when advisable.

- (2) **Specialist's examination.** If, on receipt of the medical information and medical social summary, the LCEU needs additional medical information, that unit makes the appointment for the specialist's examination. The medical member of the team selects a physician and authorizes the examination. The parent is immediately notified by the social services specialist of the appointment and advised that failure to keep the appointment without good cause will result in denial of the application or case closure when redetermining continuing incapacity. Good cause is determined by the social services specialist if the parent notifies the social services specialist at least 24 hours prior to the date of the examination that the appointment cannot be kept. If the parent notifies the social services specialist he or she has no intention of keeping the appointment or fails to keep the appointment, the reason is documented and LCEU is immediately notified by memo and the decision of good cause is made by LCEU. If the appointment was missed due to illness of the parent, the illness must be supported by a written statement from a doctor or if missed for another reason, the reason must be supported by an affidavit signed by someone other than the parent or his or her representative and sworn to before a notary public or other person authorized to administer oaths. If LCEU determines good cause, another appointment is arranged by LCEU. If good cause is not established by LCEU, a decision regarding incapacity cannot be made. The social services specialist is responsible for explaining to the parent that eligibility cannot be determined without additional information, giving the parent the opportunity to reconsider, to withdraw his or her application, or request closure of the TANF case in writing. If the parent still refuses a specialist's examination and does not wish to withdraw the TANF application or request closure of the case, the application is denied or the case is closed as incapacity cannot be established.
- (d) **Incapacity not established.** LCEU makes the determination whetherLOCEU determines if incapacity can be established based on the medical and social information provided. ~~If~~When incapacity cannot be established, LCEU LOCEU describes the specific factors upon which they relied on to make the decision. The worker denies the application is denied or the case is closedcloses the TANF benefit as incapacity was not established.
- (e) **Determination of incapacityIncapacity determination at renewal or other specified times other than at the time of applicationafter certification.** WhetherWhen the parent's initial incapacity was based on an SSA determination of blindness or disability or by LCEU~~LOCEU~~ the steps outlined in (1) - (5)(6) of this subsection are followed. ~~If~~When incapacity is no longer determined by either SSA or LCEU~~LOCEU~~ no longer consider the parent incapacitated, the case is closedworker closes the TANF benefit.

SUBCHAPTER 22. TEMPORARY ASSISTANCE FOR NEEDY FAMILIES (TANF) SUPPORTED PERMANENCY PROGRAM

340:10-22-1. Temporary Assistance for Needy Families (TANF) Supported Permanency Program (SPP)

(a) **Scope.** ~~In an effort~~ The TANF SPP was developed to promote permanency for a child(ren) who is in the custody of the Oklahoma Department of Human Services (~~OKDHS~~)(DHS) and placed with a relative(s) residing in Oklahoma, who is a paid kinship relative foster home, ~~the Supported Permanency Program has been developed.~~ Supported permanency ~~The SPP~~ is considered appropriate when the:

- (1) child meets age requirements described on Schedule XVII of DHS Appendix C-1, Maximum Income, Resource, and Payment Standards, or has a sibling residing in the same relative foster home who meets age requirements ~~described on Schedule XVII of Appendix C-1, and resides in the same relative foster home;~~
- (2) child(ren) in DHS custody is placed in a paid kinship foster home with a relative(s), who resides in Oklahoma and meets the specified degree of relationship, as defined in per Oklahoma Administrative Code (OAC) 340:10-9-1;
- (3) ~~court has made a finding~~ finds that reasonable efforts to reunite the child(ren) with his or her parent(s) are not required or have been made and failed, and guardianship is the permanency plan of reunification has been ruled out for the child(ren);
- (4) child(ren) currently resides with the relative(s) in Oklahoma and ~~has~~ resided with the relative(s) four of the last six months;
- (5) relative(s) ~~has~~ completed all requirements to be ~~an~~ approved ~~OKDHS~~ DHS foster care home;
- (6) relative(s) is willing to assume legal responsibility for the child(ren); and
- (7) court and, ~~if when~~ appropriate, the child(ren), are in agreement with the plan for the relative(s) to obtain legal responsibility for the child(ren).

(b) **Eligibility.** ~~Once the Supported Permanency Program~~ Child Welfare Services (CWS) specialist determines that a referral to the TANF SPP is determined appropriate by the Child Welfare (CW) worker per (a)(1) of this Section and the transfer of legal responsibility has been is approved by the court, the CW worker makes a referral for Temporary Assistance for Needy Families (TANF) to the appropriate Family Support Services worker in the human services center CWS specialist refers the relative to apply for TANF SPP at the local county office within five-business days of the relative obtaining legal responsibility for the child(ren) using Form 04PP006E, Supported Permanency Referral. When the child(ren) is approved for the TANF ~~supported permanency~~ SPP benefit, he or she is eligible for SoonerCare (Medicaid) and child care benefits, ~~if when~~ appropriate.

- (1) ~~Income of this child(ren)~~ The child(ren)'s income is considered the same as it is for any other TANF eligible child.

(1) ~~If~~ No further incapacity determination is required when the parent continues to receive SSI based on disability or blindness or SSA disability benefits, ~~no further determination of incapacity is made as long as this individual continues eligible for SSA disability benefits or SSI based on disability or blindness.~~

(2) ~~If~~ When the parent ~~no longer receives~~ stops receiving SSA or SSI because SSA ~~has determined~~ determines the ~~individual~~ parent no longer meets the disability or blindness definition and the parent states he or she is still incapacitated, an incapacity decision must be made by LOCEU. Form ABCDM 80-D08MA022E, Medical Social Summary, is completed and submitted to LCEU LOCEU for a determination of continuing incapacity for TANF, ~~in accordance with per subparagraph (c)(2) of this Section.~~

(3) ~~If~~ When SSA discontinues disability benefits or SSI benefits for a reason other than failure to meet the definition of disability or blindness and the assistance unit meets all other conditions of TANF eligibility, continuing incapacity is determined by ~~LCEU~~ LOCEU per (c) of this Section.

(4) ~~If~~ When the parent continues to receive SSP on the basis of ~~an~~ LOCEU decision ~~by LCEU~~, no further determination of incapacity is made as long as the parent continues to be eligible for SSP because of disability or blindness.

(5) ~~If LCEU~~ When LOCEU determines ~~that the individual~~ person no longer meets the definition of disability or blindness but the assistance unit meets all other conditions of TANF eligibility, ~~continuing the worker requests that LOCEU determine incapacity, is determined in accordance with per (c)(2) of this Section.~~

(6) When LOCEU staff determined initial incapacity and includes a date when a new Form 08MA022E is due, the worker completes Form 08MA022E with the client and begins gathering new medical information per (c) of this Section the month before a new incapacity decision is due.

(f) ~~Determination of incapacity~~ **Incapacity determination at the time of reapplication.** ~~When TANF based on~~ An incapacity determination is not needed at reapplication when TANF was previously denied or terminated closed for reasons other than incapacity, ~~and the parent reappears within 12 months of the date on which LCEU made an incapacity decision, it is not necessary to have incapacity redetermined at the time of reapplication if LCEU had approved;~~

(1) parent's incapacity previously for a period extending was established prior to denial or closure, and the incapacity approval date extends beyond the reapplication date of reapplication; or

(2) If the TANF reapplication is based on the incapacity of a parent who is currently receiving receives SSP or SSI benefits based on disability or blindness or SSA disability benefits, it is not necessary to have incapacity determined at the time of reapplication.

Permanent Final Adoptions

(2) Food benefit eligibility is dependent on the eligibility of the household.

(3) ~~Benefit reduction as a result of program violation is applicable for~~ The Adult and Family Services (AFS) worker reduces the TANF SPP benefit when the child(ren) fails to meet the school attendance and requirement, per OAC 340:10-13-1 or the immunization requirement, per OAC 340:10-14-1.

(4) ~~If When the child(ren) leaves the home to reside elsewhere, the Supported Permanency Program AFS worker closes the TANF SPP benefit is terminated for the child(ren).~~

(5) ~~If When, following closure, the child(ren) returns to this the relative's home, he or she the child(ren) may be eligible for TANF cash assistance but not for the Supported Permanency Program~~ TANF SPP benefit.

SUBCHAPTER 1. SCOPE AND APPLICABILITY

340:25-1-1.2. Structure and service

(a) Structure.

(1) Under Part A of Subchapter IV of Chapter 7 of Title 42 of the United States Code, every state must designate a single state agency to administer a statewide plan for child support services. The Oklahoma Department of Human Services is the designated agency in Oklahoma. Oklahoma Child Support Services (~~OCSS~~) (CSS) administers the plan.

(2) ~~OCSS~~ CSS provides services through a state office and other offices throughout the state that may be administered through service agreements or contracts with district attorneys and other entities, such as Community Action Program agencies to provide legal child support services.

(3) The primary function of ~~OCSS~~ CSS is to provide child support services in all Title IV-A Temporary Assistance for Needy Families (TANF), Title IV-E foster care, and non-TANF SoonerCare (Medicaid) cases where eligibility is due to the absence of one or both parents, and in other cases for persons who have applied for services. ~~OCSS~~ CSS also provides these services in cases forwarded by:

- (A) Title IV-D agencies of other states;
- (B) Native American tribes; and
- (C) foreign jurisdictions, as appropriate.

(4) ~~OCSS~~ CSS is committed to the right of all parties to have access to the justice system for the purpose of enhancing understanding and ownership of the case. In addition to the child support services provided by ~~OCSS~~ CSS as described in this Chapter, when parties want to be heard on child support issues, regardless of whether

the party's positions of the party are contrary to the state's position and may be subject to legal defenses, ~~OCS~~ CSS:

(A) provides available pro se self-help forms to request a hearing before either the Office of Administrative Hearings: Child Support (OAH) under Oklahoma Administrative Code (OAC) 340:2-28-17.2 or the district court. OAH or the district court determine whether a hearing is granted;

(B) assists pro se customers in completing available ~~OCS~~ CSS self-help forms upon request; and

(C) refers parties to community resources including, but not limited to:

- (i) lawyer referral services;
- (ii) community legal services;
- (iii) other available self-help legal forms; and
- (iv) other available informational materials and community resource materials.

(5) ~~OCS~~ CSS complies with the standards for an effective program and the organization and staffing requirements, ~~prescribed by~~ per Part 303 of Title 45 of the Code of Federal Regulations (45 C.F.R. Part 303).

(b) **Services.** ~~OCS~~ CSS services include, but are not limited to:

(1) establishment of paternity, child support obligations, ongoing medical support, and ongoing child care obligations through administrative and court actions;

(2) enforcement of:

- (A) child support;
- (B) health insurance;
- (C) fixed sums and judgments for medical support including birthing costs;
- (D) fixed ongoing child care costs and judgments for child care costs; and
- (E) certain spousal support obligations when due in conjunction with child support;

(3) location of noncustodial parents and their assets by establishing intrastate and interstate links with local, state, and federal agencies, private sources, and international central authorities;

(4) ~~review of cases~~ case reviews for modification of support orders as appropriate;

(5) collection and distribution of support payments in accordance with federal and state ~~and federal~~ law; and

(6) establishment and maintenance of accounting and other records in accordance with federal and state ~~and federal~~ law.

(c) **Excluded services.** ~~OCS~~ CSS services do not include:

(1) establishment or modification of spousal support, visitation, or custody;

(2) establishment of judgment for unreimbursed medical expenses or child care costs that are not included in the fixed monthly child support obligation; ~~and~~

(3) enforcement of alimony in lieu of property division; and

(4) enforcement or collection of private attorney fee judgments.

(d) **Limited Intergovernmental limited services.** ~~OCS~~ CSS provides limited services only at the request of

an initiating interstate Title IV-D agency or an international central authority, ~~under~~ per Sections 601-101 through 901 of Title 43 of the Oklahoma Statutes and ~~Section 303.7 of Title 45 of the Code of Federal Regulations~~ 45 C.F.R. § 303.7. ~~OCS~~ CSS provides limited services, when appropriate, even if ~~when no individual~~ the noncustodial parent or custodial person ~~resides~~ does not reside in Oklahoma. Requests for limited services not listed in 45 C.F.R. 303.7 must be approved by the CSS director or his or her appointed designee.

SUBCHAPTER 5. OPERATIONAL POLICIES

PART 15. CASE INITIATION, CASE MANAGEMENT, AND CASE CLOSURE

340:25-5-110.1. Applications

(a) The Oklahoma Department of Human Services (DHS) Child Support Services (CSS) initiates child support cases, per Title IV, Part D, of Subchapter IV of Chapter 7 of Title 42 of the United States Code, Sections 302.33 and 303.2 of Title 45 of the Code of Federal Regulations (45 C.F.R. §§ 302.33 and 303.2), and Section 237 of Title 56 of the Oklahoma Statutes (56 O.S. § 237).

(b) To apply for child support services, a person must submit a completed and signed application form to the address on the form. A one cent application fee is paid by CSS for each application received. An application for child support services is submitted in every circumstance, including applications ~~received by~~ from:

(1) former Temporary Assistance for Needy Families (TANF), Aid to Families with Dependent Children (AFDC), or non-TANF SoonerCare (Medicaid) DHS recipients ~~with DHS~~;

(2) former participants in Title IV-D cases;

(3) noncustodial parents (NCP) listed on ~~an~~ existing medical enforcement only ~~case~~ cases, when the NCP is requesting a review and adjustment, or to open a new case, per Oklahoma Administrative Code (OAC) 340:25-5-198.1; or

(4) persons receiving child support payments from the Centralized Support Registry, and who are not currently receiving CSS child support services ~~through CSS~~.

(c) Application forms are obtained at any child support or other DHS office or by writing or phoning CSS at the address and phone numbers provided in OAC 340:25-1-2.1. Printable application forms are available from the CSS website at <http://www.okdhs.org>.

(d) An applicant who is a custodial person (CP) must give DHS authority to endorse and negotiate payments related to child support and to spousal support on behalf of the CP and child(ren).

(e) CSS accepts an application from a CP, parent, or person alleging his or her parentage and opens a case when:

(1) the child is a minor or is still entitled to current support, per 43 O.S. § 112;

Permanent Final Adoptions

- (2) the application is to enforce a child support order for an adult with disabilities, per 43 O.S. § 112.1A;
 - (3) parentage must be established for a minor child against a deceased NCP ~~consistent~~, per OAC 340:25-5-176; or
 - (4) the former CP's parental rights were terminated, then the child was adopted, and the application to collect past-due support owed to the former CP was received before the adoption.
- (f) CSS does not accept applications for collection of past-due support when:
- (1) all children on the application have reached the age of majority and none is an adult with disabilities, with an established child support order;
 - (2) the child is deceased; or
 - (3) the child is a minor, ~~but who~~ no longer resides with the CP.
- (g) CSS accepts applications for locate only services, per OAC 340:25-5-155.
- (h) CSS does not accept an application and does not open a case when the case was previously closed and the circumstances that led to the closure have not changed.

340:25-5-117. Initiation of Title IV-D cases

(a) Title IV-A, Title IV-E foster care, non-TANF SoonerCare (Medicaid), and child care subsidy referrals.

- (1) Oklahoma Department of Human Services Child Support Services (CSS) automatically initiates child support cases without additional application for certified Title IV-A, Title IV-E foster care, non-Temporary Assistance for Needy Families (TANF) SoonerCare (Medicaid), and child care subsidy referrals.
- (2) A referral from the assistance programs listed in (1) of this subsection, means receipt of data that includes verified information with no errors or duplications, sufficient and appropriate for CSS to initiate a child support case;
- (3) Custodial persons (CP)s who apply for non-TANF SoonerCare (Medicaid) for themselves and their child(ren) must assign medical support rights to the state, per Section 1396k of Title 42 of the United States Code (42 U.S.C. § 1396k).
 - (A) These CPs must cooperate in establishing paternity and obtaining medical support unless an exception exists, per 42 U.S.C. §§ 1396a(l)(1)(A), 1396k, or 1396r-6.
 - (B) CSS must open a Title IV-D medical enforcement only case, per Oklahoma Administrative Code (OAC) 340:25-5-169. CSS may open a full-service case to provide all appropriate Title IV-D services, per OAC 340:25-1-1.2 at the CP's request.
- (4) When CSS receives a referral from the Adult and Family Services worker, per OAC 340:40-7-9, CSS must open a full-service case when any of the applicant's children in the household are certified for a child care subsidy.
- (5) When CSS receives a non-TANF SoonerCare (Medicaid) referral from the Oklahoma Health Care Authority (OHCA) in which the CP has assigned court-ordered child support or cash medical support ~~child support~~

~~is owed~~, CSS ~~must~~ determines when it is appropriate to open a full-service case, per OAC 340:25-5-169.

- (6) CPs who apply for non-TANF SoonerCare (Medicaid) on behalf of their child(ren) only are not required to cooperate in establishing paternity and obtaining medical support. Therefore, except when (4) of this subsection applies, CSS does not provide child support services unless the CP made a request for a full-service case or the case is for medical enforcement only.
- (b) **Termination of Title IV-A, Title IV-E foster care, and non-TANF SoonerCare (Medicaid) benefits.** When a family is no longer eligible for assistance under Titles IV-A, Title IV-E foster care, or SoonerCare (Medicaid) programs, all appropriate Title IV-D services continue without application, per Section 302.33 of Title 45 of the Code of Federal Regulations. Non-TANF SoonerCare (Medicaid) cases previously limited to medical support continue as full-service cases. When a CP refuses continued Title IV-D services and subsequently requests services, the CP must submit a completed and signed Form 03EN001E, Application for Child Support Services, even when CSS has an active case because of unreimbursed assistance owed to the state.
- (c) **Referrals from other jurisdictions.** CSS accepts cases referred:
- (1) by any state or tribal Title IV-D agency and from other countries when the noncustodial parent (NCP) resides in Oklahoma. CSS does not require an application for cases referred from another Title IV-D agency;
 - (2) by interstate referrals for judgment only collections when the case was opened in the initiating state during the minority of any child on the case; or
 - (3) when Oklahoma is an appropriate jurisdiction to establish, enforce, modify, or determine the controlling order, per the Uniform Interstate Family Support Act in Sections 601-101 through 601-903 of Title 43 of the Oklahoma Statutes, whether or not the NCP resides in Oklahoma.
- (d) **Responses from NCPs who sign an acknowledgment of paternity form.** CSS opens full-service cases for NCPs who filed Form 03PA209E, Acknowledgment of Paternity, with the Oklahoma State Department of Health, Division of Vital Records and requested child support services by completing and signing Form 03EN001E, Application for Child Support Services.
- (e) **Other Title IV-D cases.** Except as provided in ~~subsections~~ (a), (c), and (d) of this Section, an applicant must submit a completed and signed Form 03EN001E to receive all appropriate child support services or locate only services.
- (f) **Building case balances.**
- (1) CSS builds case balances on new and reopened cases, per OAC 340:25-5-140.
 - (2) When CSS opens a case and has information the NCP made payments in excess of the court-ordered child support order, CSS only collects the excess payment when a court has determined the amount of the excess payment and ordered that it be satisfied by offset against the monthly current child support obligation.

(g) **Good cause.** When the NCP submits an application for child support services in a case previously closed for good cause for noncooperation, CSS:

- (1) reviews the case to determine if:
 - (A) good cause still exists for the CP not to cooperate with CSS; and
 - (B) CSS can proceed without the CP's cooperation or participation;
- (2) opens the case when good cause no longer exists;
- (3) opens the case when good cause exists, but CSS can proceed without the CP's cooperation or participation; or
- (4) closes the case when good cause still exists and CSS cannot proceed without the CP's cooperation or participation.

(h) CSS does not open a case when the case was previously closed and the circumstances that led to the closure have not changed.

340:25-5-134. Default orders

(a) **Legal basis.** The Oklahoma Department of Human Services, Child Support Services (CSS) requests default orders and processes requests for vacation or modification of default orders, per Sections 1031, 1031.1, 1038, and 2004 of Title 12 of the Oklahoma Statutes.

(b) **Service of process.** Before a default order is requested, CSS ensures all parties whose rights will be affected are served, in accordance with Section 2004 of Title 12 of the Oklahoma Statutes, unless there are statutorily recognized substitutes for service.

(bc) **Entry of default orders.** CSS reviews service of the pleadings and files a proper return of service prior to requesting entry of a default.

(ed) **Default order reviews.** When a default order is entered and either party contacts CSS in writing within 30-calendar days of entry of the default order, CSS treats the request as a motion to rehear, vacate, or modify. CSS takes necessary steps to bring the action before the court for resolution.

(de) **Default orders in parentage action.** CSS requests default orders in parentage actions, per Oklahoma Administrative Code 340:25-5-176. When any party whose rights will be affected has been served and is non-cooperative in establishing parentage, CSS may request a default order of parentage, unless the non-defaulting party objects. When the non-defaulting party objects, CSS determines whether to set the case for hearing or dismiss without prejudice.

PART 20. MEDICAL SUPPORT

340:25-5-168. Establishment of medical support

(a) **Scope and applicability.** Oklahoma Department of Human Services (DHS) Child Support Services (CSS) refers to federal and state law for establishment of a medical support order, per:

- (1) Section 666 of Title 42 of the United States Code (42 U.S.C. § 666) and 25 U.S.C. § 1603(12);
- (2) Sections 302.33, 302.56, 303.7, 303.30, and 303.31 of Title 45 of the Code of Federal Regulations (45 C.F.R.

§§ 302.33, 302.56, 303.7, 303.30 & 303.31); and 42 C.F.R. § 433.152;

(3) Section 6058A of Title 36 of the Oklahoma Statutes (36 O.S. § 6058A), and 43 O.S. §§ 112, 118-118I, 118.2 and 119, and 56 O.S. § 237.

(b) **Medical support provision of child support order.** A child support order established by CSS must contain a medical support provision.

(c) **Calculating the cost of medical support.** To calculate the actual premium cost of health insurance, CSS:

- (1) deducts from the total insurance premium, the cost of coverage for the parent;
- (2) deducts from the total insurance premium, the cost of coverage for any other adults in the household, when that cost information is available;
- (3) divides the remainder by the number of dependent children covered; and
- (4) multiplies the amount per child by the number of children in the child support case under consideration.

(d) **Standards for medical support provision.** When choosing a medical support provision, CSS requests the court to apply the standards in (1) through (3) of this subsection.

(1) Health insurance must be reasonable in cost, meaning that the pro rata share of the actual out-of-pocket premium cost paid for the child(ren) by the insured does not exceed five percent of the gross income of the parent ordered to provide health insurance.

(2) Health insurance must be accessible, meaning the health care providers must be available to meet the child(ren)'s individual health care needs, and must be located no more than 60 miles one-way from the primary residence of the child(ren).

(3) Health insurance must provide coverage for both routine and major medical expenses including, but not limited to: preventive care, office visits, hospitalization, and medication coverage in compliance with the Oklahoma Insurance Department, per Oklahoma Administrative Code (OAC) 365:10-5-3(14) and OAC 365:10-5-5(f). Limited Insurance Coverage, per OAC 365:10-5-5(k) does not satisfy this requirement. Annual deductibles must be reasonable and relate to the medical circumstances of the child(ren).

(e) **Exceptions to standards for medical support provision.** When the parents agree or it is otherwise appropriate, CSS requests the court make an exception to the standards for health coverage when the:

- (1) reasonable cost of health insurance exceeds five percent of the gross income of the parent ordered to provide health insurance; or
- (2) closest insurance provider exceeds 60 miles one-way from the primary residence of the child(ren).

(f) **Selection of health care coverage.** CSS requests the court consider the cost, quality, and accessibility of health care coverage available to the parties when entering a medical support order.

(g) **Health coverage preference.** When health coverage meeting standards in (d) of this Section is available to both

Permanent Final Adoptions

parents, CSS requests the court give priority to the preference of the custodial person (CP).

(h) **Applicability of cash medical support.** CSS requests a cash medical order by the obligor, when:

- (1) the court determines an order for health insurance is inappropriate due to family violence concerns; or
- (2) the only health care plan available for the child is a governmental medical assistance program or health plan, such as SoonerCare (Medicaid); or
- (3) there is no health care plan available for the child(ren).

(i) **Cash medical support.**

(1) When cash medical support is applicable, CSS requests the court order cash medical support to be paid by the obligor, until the obligor enrolls the child(ren) in accessible insurance coverage and provides proof of enrollment to CSS and the CP.

(2) CSS refers to the Cash Medical Income Guidelines Table as found in the child support computation form prescribed by CSS and published by the Administrative Office of the Courts on the Oklahoma State Courts Network site, per 43 O.S. § 120 to determine the cash medical support amount.

(3) CSS computes a cash medical order by applying the Cash Medical Income Guidelines Table, using the gross income for the noncustodial (NCP) of the child in the case under consideration and the number of children in the instant case.

(A) When the NCP's gross income is at or below the income amount for the number of children in the case, CSS requests the court order a cash medical order at \$0 per month.

(B) When the NCP's gross income exceeds the income amount for the number of children in the case, CSS computes the requested cash medical order by:

- (i) multiplying the amount of \$115, representing the average monthly cost of health care for an uninsured child(ren), by the number of children in the case not covered by insurance; and
- (ii) prorating the result by the percentage of income for each parent.

(C) The NCP's share of the cash medical amount is added to the child support obligation.

(D) CSS does not request the court set cash medical support against a parent who has at least 182 overnights.

(4) Unless the parties agree or the court orders a greater amount, the prorated cash medical support amount must not exceed five percent of the gross income of the parent who is ordered to pay cash medical support.

(5) CSS seeks cash medical support only as part of a prospective order for child support. CSS does not include a cash medical support amount in a judgment for support for a prior period, per OAC 340:25-5-179.1.

(6) In a child support modification action, CSS requests a cash medical support order be effective the same date the

modified child support amount is effective, unless the parties agree to a different date or the change in health coverage cost or availability occurred on a later date.

(7) In a multiple case action, when the monthly child support amount in the combination child support computation form exceeds 20 percent of the NCP's gross income, CSS may request a deviation to set cash medical support at \$0 per month in the individual computation forms as applicable.

(j) **Medical support for DHS adopted children.** CSS does not request health insurance or cash medical support for children who are adopted through DHS Adoption Services. CSS requests a medical support order reflecting that the child(ren) receive SoonerCare (Medicaid) through the adoption plan. The parties may agree to cover the child(ren) on health insurance.

(k) **Termination of cash medical support.**

(1) When CSS receives notice the parent ordered to pay cash medical support enrolled the child(ren) in health insurance, CSS sends a Notice of Proposed Termination of Cash Medical Support to all parties in the case by regular mail. When a party believes the child(ren) is not covered by accessible health insurance, a party may request a review of the termination of cash medical support within 10-calendar days from the date of mailing of the notice.

(2) When a party requests a review to contest the Notice of Proposed Termination of Cash Medical Support, CSS reviews the case within 10-calendar days of receipt of the request and determines if termination of cash medical support is proper based on information provided by the contesting party. CSS notifies the parties of the review decision.

(3) When the parties disagree with the review decision, the parties have 15-calendar days from the date of mailing the review decision to request a hearing on the termination of cash medical support.

(4) CSS files a Notice of Termination of Cash Medical Support with the proper court when no party requests a:

- (A) review within the 10-day time period; or
- (B) hearing after CSS notifies them of the review decision.

(5) CSS does not proceed with a separate termination of cash medical support when the child support and medical support order is modified within 30-calendar days of notification that the child(ren) is enrolled in health insurance.

(6) When a cash medical support order is terminated within a modification action, CSS requests the termination become effective the date of filing of the Motion to Modify or the date, if later when the child was actually enrolled in the insurance.

(l) **Reinstatement of cash medical support.**

(1) CSS seeks reinstatement of the cash medical order when:

- (A) a child support court order previously ordered the NCP to pay cash medical support until insurance was available;
- (B) insurance became available;
- (C) the cash medical support was terminated; and

- (D) the insurance subsequently lapsed.
- (2) CSS uses one of the processes listed in (A) or (B) of this paragraph to seek reinstatement of the cash medical order:
- (A) **Modification.** CSS seeks modification of the child support order and reinstatement of cash medical support, per OAC 340:25-5-198.1 and OAC 340:25-5-198.2 when:
- the child support order that provided for cash medical support was modified to include credit for insurance premium costs; or
 - there is another material change of circumstance in addition to the lapse of health coverage.
- (B) **Expedited Process.** When (A) of this paragraph does not apply, CSS uses an expedited process to reinstate the cash medical support. CSS uses the expedited process when there is an address of record for the obligor.
- (3) CSS initiates a reinstatement of cash medical support when it receives notice the parent whose cash medical support was terminated due to the enrollment of the child(ren) in health insurance has allowed the coverage to lapse. CSS sends a Notice of Proposed Reinstatement of Cash Medical Support to all parties in the case by regular mail. When a party believes the child(ren) is covered by health insurance, a party may request a review of the reinstatement within 10-calendar days of the date the notice was mailed.
- (4) A party may file a written objection to the reinstatement of cash medical support and submit it to CSS with supporting health care coverage documentation. CSS reviews the case within 10-calendar days of receipt of the objection and determines if reinstatement of cash medical support is proper based on the information provided by the contesting party. CSS provides the CP and the NCP with written notice of the review decision.
- (5) When the parties disagree with the review decision, they have 15-calendar days from the date of the review decision to request a hearing.
- (6) CSS files a Notice of Reinstatement of Cash Medical Support with the proper court when no party requests a:
- review within the 10-calendar day time period; or
 - hearing after CSS notifies them of the review decision.
- (m) **Fixed medical costs.** When the parties agree or the court orders, CSS includes the total monthly fixed medical costs in the child support guidelines computation. When the obligor's share of fixed medical costs exceeds five percent of the obligor's gross income and the parties do not agree to exceed the five percent standard, CSS requests the court determine the monthly amount of fixed medical costs included in the current child support order.
- (n) **Indian Health Services (IHS).**
- ~~A~~When a child support order that provides for the enrollment of a child(ren) in IHS ~~may comply with~~does not meet the standards in (d) of this Section, CSS seeks an order for either or both parents to secure another type of

health ~~insurance~~care coverage besides IHS for the minor child(ren) ~~when:~~

- ~~IHS does not meet the standards in (d) of this Section; or~~
 - ~~health insurance is available through an employer or other group plan and the CP requests it.~~
- (2) CSS does not request cash medical support when a child(ren) is receiving IHS is the chosen provider.
- (o) **Notification requirements.** The NCP and the CP must notify CSS in writing within 30-calendar days after:
- health insurance becomes available;
 - the cost of existing health insurance changes; or
 - other provisions of existing health insurance change.
- (p) **Modification request.** When a child support order exists, CSS considers a request to establish a medical support order as a request for modification of the order, per 43 O.S. § 118.1. CSS seeks a medical support order in a tribunal that has jurisdiction to modify the child support order.

PART 21. ESTABLISHMENT

340:25-5-176. Establishment of parentage

- (a) **Legal authorities.** Oklahoma Department of Human Services Child Support Services (CSS) establishes parentage and provides genetic testing when appropriate based on the facts of the case, per:
- Sections 653, 654, and 666 of Title 42 of the United States Code (42 U.S.C. §§ 653, 654, & 666);
 - Parts 302 and 303 of Title 45 of the Code of Federal Regulations; and
 - Sections 83, 90.4, and 7700-101 ~~through~~ 7700-902 of Title 10 of the Oklahoma Statutes (10 O.S. §§ 83, 90.4, and 7700-101 - 7700-902), 43 O.S. §§ 601-201, 601-401, & 601-701, 56 O.S. §§ 230.60, 231 - 240.23, and 63 O.S. §§ 1-311 and 1-321.
- (b) **Legal parents.** CSS applies the presumptions in 10 O.S. § 7700-204(A)(1) through (4) to an individual when the individual and the woman who gave birth to the child are married. CSS applies the presumption in 10 O.S. § 7700-204(A)(5) to an individual regardless of gender. CSS requests the court confirm parentage in cases where the individual is a presumed parent.
- (c) **Acknowledgment of Paternity.** Form 03PA209E, Acknowledgment of Paternity, can only be completed by the biological mother and biological father of the child, per 10 O.S. § 7700-301. CSS provides Form 03PA209E, ~~Acknowledgment of Paternity~~, for voluntary acknowledgment of paternity, per 10 O.S. § 7700-312 and 63 O.S. §§ 1-311 ~~& and~~ 1-311.3. CSS also provides companion forms that include instructions for completion, described (1) through (4) of this subsection. Signed and witnessed forms must be filed with the Oklahoma State Department of Health (OSDH), Division of Vital Records.
- When parents of an adult child, 18 years of age ~~or and~~ older, complete Form 03PA209E, the adult child must give consent to add the natural father's name to the

birth certificate. The child indicates consent by signing Form 03PA212E, Adult Child's (18 Years or Older) Consent.

(2) Form 03PA210E, Denial of Parentage, must accompany Form 03PA209E ~~if when~~ the mother of a child is married to someone other than the natural father and the child is born within ~~300-calendar~~ 300-calendar days after the marriage is terminated, per 10 O.S. § 7700-204.

(3) ~~Per 10 O.S. §§ 7700-307 & 7700-312,~~ CSS provides Form 03PA211E, Rescission of Acknowledgment of Paternity, to rescind the legal finding of parentage created by having previously signed Form 03PA209E, per 10 O.S. §§ 7700-307 and 7700-312. This form must be completed, signed, and filed with the OSDH Division of Vital Records within ~~60-calendar~~ 60-calendar days after the date of the last signature on Form 03PA209E.

(A) When a person submits Form 03PA211E within ~~60-calendar~~ 60-calendar days after the date of the last signature on Form 03PA209E, CSS sends notice of the rescission to all other signatories on Forms 03PA209E and 03PA210E. Notice is given by mailing a copy of the rescission to the address of the signatories as shown on Forms 03PA209E and 03PA210E and to the last-known address of the signatories, if different.

(B) When rescissions are submitted to CSS past the ~~60-calendar~~ 60-calendar day time period, CSS sends a letter to the person who submitted Form 03PA211E informing ~~the person him or her that~~ the rescission is invalid because it was not timely submitted.

(4) ~~Per 10 O.S. §§ 7700-307 & 7700-312,~~ CSS provides Form 03PA213E, Rescission of Denial of Parentage, to rescind the legal finding of parentage created by having previously signed Form 03PA210E, per 10 O.S. §§ 7700-307 and 7700-312. Form 03PA213E must be completed, signed, and filed with the OSDH Division of Vital Records within ~~60-calendar~~ 60-calendar days after the date of the last signature on Forms 03PA209E and 03PA210E.

(A) When a person submits Form 03PA213E to CSS within ~~60-calendar~~ 60-calendar days after the date of the last signatures on Forms 03PA209E and 03PA210E, CSS sends notice to all other signatories of Forms 03PA209E and 03PA210E. Notice is given by mailing a copy of Form 03PA213E, to the address of the signatories as shown on Forms 03PA209E and 03PA210E and to the last known addresses of the signatories, if different.

(B) When Form 03PA213E is submitted to CSS past the ~~60-calendar~~ 60-calendar day time period, CSS sends a letter to the person who submitted Form 03PA213E informing ~~the person him or her that~~ the rescission of denial of parentage is invalid because it was not timely submitted.

(d) **Servicemembers.** When CSS establishes parentage and either parent is a servicemember, CSS applies the provisions of the Servicemembers Civil Relief Act, codified in 50 U.S.C. §§ 3901 through 4043.

(e) **Genetic testing of relatives.** When CSS has the cooperation of a deceased alleged biological father's relatives, CSS establishes parentage of the child(ren) through genetic testing of the relatives as necessary according to the standards and provisions of the Uniform Parentage Act, 10 O. S. §§ 7700-501-7700-511.

(f) **Supplemental Security Income (SSI).** CSS establishes parentage against a parent who is disabled and receiving monthly SSI before reviewing the case for possible closure, per Oklahoma Administrative Code (OAC) 340:25-5-123.

(g) **Defaults.**

(1) CSS pursues all alleged **biological** fathers before requesting the court enter a default parentage order.

(A) CSS requests a default order when genetic testing shows one alleged father is the biological father or all other alleged fathers ~~have been~~ are excluded by genetic testing. CSS uses other legal processes to compel genetic testing, such as license revocation or contempt of court proceedings.

(B) CSS requests the court determine parentage when unable to obtain genetic testing on two or more alleged biological fathers.

(2) CSS does not request a default parentage order when the alleged biological father is the case applicant and the CP objects to the alleged biological father being found the father without genetic testing. When a default parentage order is entered and either party contacts CSS in writing within 30-calendar days of entry of the default order, CSS treats the request as a motion to rehear, vacate, or modify, per 12 O.S. § 1031.1. CSS takes necessary steps to bring the action before the court for resolution.

(3) When requesting a default parentage order CSS follows OAC 340:25-5-134.

(h) **Genetic testing costs.** Costs incurred in parentage establishment cases are paid per (1) through (4) of this subsection.

(1) CSS advances the costs for genetic testing and recovers the genetic test costs from the noncustodial parent or as ordered by the court.

(2) When CSS genetic test results are contested, CSS requests payment in advance of a second genetic test by the requesting party.

(3) When a court orders CSS to provide genetic testing and CSS does not have a case open for services, CSS requires a party to complete an application for services.

(4) In interstate cases, CSS follows OAC 340:25-5-270.

(i) **Genetic testing services.**

(1) When parentage ~~has~~ is not ~~been~~ established, CSS performs genetic testing when appropriate before establishing parentage and child support orders. CSS only performs genetic testing in open, full-service cases.

(2) The case applicant may apply for case closure, per OAC 340:25-5-123 after parentage and child support are established.

(3) CSS does not provide genetic testing only services.

340:25-5-178. Calculation of new and modified child support obligations

(a) **Legal authority.** Oklahoma Department of Human Services (DHS) Child Support Services (CSS) establishes current child support, per:

- (1) Sections 654, 656, and 666 of Title 42 of the United States Code (42 U.S.C. §§ 654, 656, and 666);
- (2) Parts 302 and 303 of Title 45 of the Code of Federal Regulations; and
- (3) Section 83 of Title 10 of the Oklahoma Statutes (10 O.S. § 83); Title 43; and 56 O.S. §§ 231 through 240.23.

(b) **Child support guidelines.** CSS uses the child support guidelines in 43 O.S. §§ 118-118I and 119 to:

- (1) establish the amount of current support; and
- (2) prepare a child support computation form prescribed by CSS and published by the Administrative Office of the Courts on the Oklahoma State Courts Network website, per 43 O.S. § 120.

(c) **Child support computation.** ~~Per 43 O.S. §§ 118-118I,~~ CSS uses the best evidence available to determine a parent's monthly gross income for the child support computation form, including written earning records, past job history, and earning ability based on education and training, with a continued emphasis on setting fair and equitable child support orders, per 43 O.S. §§ 118-118I. When requesting the court enter or modify child support orders in a noncustodial parent's (NCP) multiple cases, CSS may request the court deviate from the child support guidelines amounts, per 43 O.S. § 118H.

(d) **Gross income.** When determining gross income for the child support computation, CSS uses (1) through (4) of this subsection, per 43 O.S. § 118B.

(1) **Written earning record.** For time periods when a parent has a written earning record, CSS uses the:

- (A) actual monthly gross income; or
- (B) average of the gross monthly income for the time actually employed during the previous three years.

(2) **Ability to work and no written earning record.** For time periods when a parent has an earning ability, but no written earning records, CSS imputes the most equitable of the:

- (A) minimum wage paid for a 40-hour work week; or
- (B) amount of gross income a person with comparable education, training, and experience could reasonably expect to earn.

(3) **Combination.** For time periods when a parent has a written earning record for some months, but no written earning record for other months, for the months worked CSS uses the actual income and for the months with no written earning record CSS uses the most equitable of either:

- (A) the actual gross income; or
- (B) an imputed amount of either:
 - (i) minimum wage paid for a 40-hour work week; or

(ii) the amount of gross income per person with comparable education, training, and experience could reasonably expect to earn.

(4) **Reduced earning ability.** CSS uses actual income when a parent has reduced earning ability due to the parent's limited education, physical or mental disability, incarceration, or other obstacle to employment, and there is evidence the parent has income of less than minimum wage for 40 hours per week.

(e) **Child care.** To establish the amount of current support, CSS considers "actual" child care expenses to be the amount paid to the child care provider by the parent(s) or custodial person (CP) except when (f) of this Section applies. CSS determines the amount of prospective annual child care costs and allocates this amount between the parents in the same proportion as their adjusted gross income. The amount allocated to the NCP becomes part of the fixed monthly child support obligation.

(f) **Child care subsidy.** When the parent(s) or CP is participating in the DHS Child Care Subsidy Program, per 56 O.S. § 230.50, CSS uses DHS Appendix C-4, Child Care Eligibility/Co-payment Chart, to determine the family share co-payment amount considered as actual child care costs on the child support computation form, per 43 O.S. § 118G.

(1) CSS considers a parent's share of the base monthly obligation for child support and the monthly income amount reflected in the records of the DHS Child Care Subsidy Program as the monthly income when applying Appendix C-4. ~~Upon selecting the applicable income level on Appendix C-4, CSS uses the corresponding family share co-payment amount based on the number of children in DHS subsidized child care.~~ CSS allocates the family share co-payment amount indicated on Appendix C-4, in the same proportion as base child support. CSS staff performs a separate child support guidelines calculation for each NCP.

(2) When a parent has a child(ren) in DHS subsidized child care other than a child(ren) included in the child support case being established, CSS uses the proportionate share of the family share co-payment for the child(ren) included in the case.

(g) **Juvenile Court cases.**

(1) **Deprived cases.** When a case is referred, CSS establishes child support orders in deprived court actions, per 10A O.S. § 1-4-702 and prepares the child support order on the standard child support order form prescribed by CSS and published by the Administrative Office of the Courts on the Oklahoma State Courts Network website.

(2) **Delinquent cases.** When a case is referred, CSS establishes a child support order against each parent of a child in the custody of the Oklahoma Office of Juvenile Affairs, per 43 O.S. §§ 118 through 118I.

(h) **Intergovernmental majority age.** CSS establishes child support orders for a child(ren) for whom child support is impossible under applicable law.

(i) **Minor parents.** When a parent is a minor, CSS establishes paternity, per Oklahoma Administrative Code

Permanent Final Adoptions

340:25-5-176 when necessary and establishes a child support order.

- (1) When a minor NCP or a CP is ~~under~~younger than 16 years of age, CSS does not impute gross income for the minor parent in the child support computation and only uses actual income.
- (2) When a minor NCP or CP is between 16 and 18 years of age and regularly and continuously attending high school, unless otherwise inappropriate, CSS uses either the imputed gross income for the minor parent(s) based on minimum wage at 20 hours per week or actual income.
- (i) **Minor parents.** When the NCP is a minor, CSS establishes paternity, per Oklahoma Administrative Code 340:25-5-176 when necessary and establishes a child support order. When a minor NCP or a CP is ~~under~~younger than 16 years of age, CSS does not impute gross income for the minor parent in the child support computation and only uses actual income. When a minor NCP or CP is between 16 and 18 years of age and regularly and continuously attending high school, unless otherwise inappropriate, CSS uses either the imputed gross income for the minor parent(s) based on minimum wage at 20 hours per week or actual income.
- (j) **Adult disabled child.** CSS enforces child support orders for adults with disabilities, per 43 O.S. § 112.1A. CSS establishes or modifies child support orders to continue after the child reaches the age of majority, per 43 O.S. § 112.1A when the application or referral for Title IV-D services is received during the period when child support is due, per 43 O.S. § 112.
- (k) **Incarcerated NCP.** When an NCP is expected to be incarcerated for at least ~~six consecutive~~six consecutive months from the date the support amount is reviewed or established, CSS requests the court enter a temporary child support and medical support amount using actual income of \$0, unless there is evidence of income or assets outside of the correctional institution. At the time the order is entered, when there is:
 - (1) a pre-incarceration child support order, CSS requests the order state that upon release from incarceration, the monthly child support obligation reverts back to the pre-incarceration order amount beginning the first day of the month following a lapse of 90-calendar days upon release from incarceration. When the NCP within the lapse period, requests in writing a review of the pre-incarceration order, the post incarceration monthly child support obligation does not begin until the review or modification is complete. When a review is requested and the NCP fails to appear for hearing, the monthly child support obligation reverts back to the pre-incarceration amount to begin the first day of the month following a lapse of 90-calendar days upon release from incarceration; or
 - (2) no pre-incarceration child support order, CSS requests the court order state; upon release from incarceration, the monthly child support amount is set based on minimum wage for a 40-hour work week beginning the first day of the month following a lapse of 90-calendar days upon release from incarceration. When the NCP within the lapse period requests in writing a hearing, the post incarceration monthly child support amount does not

begin until the review or modification is complete. When a hearing is requested and the NCP fails to appear for the hearing, the monthly child support obligation reverts back to the support amount set based on minimum wage for a 40-hour work week, to begin 90-calendar days upon release from incarceration.

- (l) **Military.** When CSS establishes a child support order for a child of an NCP or a CP who is a servicemember, CSS applies the provisions of the Servicemembers Civil Relief Act, codified in 50 U.S.C. §§ 3901 through 4043.
- (m) **Disability benefits.** CSS does not impute gross income to a person determined disabled by the Social Security Administration.
- (n) **Default orders.** When a default order for child support is ordered and either party contacts CSS in writing within 30-calendar days of entry of the default order and provides information to calculate an accurate child support obligation, CSS treats the request as a motion to vacate or modify, and requests the court enter a new order consistent with the evidence presented.

340:25-5-179.1. Establishment of support for a prior period

- (a) Oklahoma Department of Human Services Child Support Services (CSS) establishes support for a prior period.
 - (1) In parentage and establishment cases, CSS establishes current support and support for a prior period at the same time, per Sections 83 and 7700-636 of Title 10 (10 O.S. §§ 83 and 7700-636), 43 O.S. §§ 118-118I and 119, and 56 O.S. ~~§ 238.1~~§ 238.6B.
 - (2) When a child(ren) is born during a marriage and no order addressing support for a prior period exists, CSS establishes support for a prior period per 43 O.S. §§ 118-118I and 119 and 56 O.S. § 238.1.
 - (A) CSS establishes support for a prior period under this subsection only when:
 - (i) current child support is sought; and
 - (ii) Temporary Assistance for Needy Families (TANF) or Title IV-E and non-Title IV-E eligible foster care has been expended in any month during the past two years.
 - (B) CSS limits this prior period to the number of months on TANF or Title IV-E and non-Title IV-E eligible foster care during the two years immediately before the date CSS files the court action.
- (b) When a child support order is entered against a minor noncustodial parent (NCP), CSS establishes support for a prior period under the criteria for establishing current child support, per Oklahoma Administrative Code (OAC) 340:25-5-178.
- (c) CSS does not establish an order for support for a prior period on an incarcerated NCP. ~~CSS requests the court:~~
 - (1) ~~reserve and~~ When establishing an order on an incarcerated NCP, CSS requests the court not ~~determine~~ address the amount of child support for any periods prior to the entry of the court order ~~during which the NCP was not incarcerated; and~~

- (2) ~~set the amount of support for a prior period at \$0 for any time periods during which the NCP was incarcerated. The issue of support for a prior period may be determined after release from incarceration by application of any party.~~
- (3) Upon release from incarceration, when the issue of support for a prior period is before the court, CSS requests the court set the amount based on actual income for any time periods during which the NCP was incarcerated.
- (d) When CSS establishes an order for support for a prior period for a child of an NCP or a custodial person who is a servicemember, CSS applies the provisions of the Servicemembers Civil Relief Act, codified in Sections 3901 through 4043 of Title ~~50A-50~~ of the United States Code.
- (e) When the NCP is a current TANF or Supplemental Security Income (SSI) recipient and CSS:
- (1) has information that the NCP had no obligation based on the child support guidelines for the prior period, CSS requests the court set the judgment at \$0; or
 - (2) determines a debt may be owed for a prior period, CSS requests the court reserve the issue of support for a prior period until the NCP is no longer receiving TANF or SSI.
- (f) CSS sets a monthly payment schedule per OAC 340:25-5-140.

PART 33. INTERGOVERNMENTAL CASES

340:25-5-270. Intergovernmental cases

- (a) **Legal basis.** When referring and processing intergovernmental Title IV-D cases, the Oklahoma Department of Human Services Child Support Services (CSS) is governed by:
- (1) Section 1738B of Title 28 of the United States Code (28 U.S.C. § 1738B) and 42 U.S.C. §§ 654, 659A, and 666;
 - (2) Sections 302.36 and 303.7 of Title 45 of the Code of Federal Regulations (45 C.F.R. §§ 302.36 and 303.7); and
 - (3) the Uniform Interstate Family Support Act, per Sections 601-100 through 601-903 of Title 43 of the Oklahoma Statutes (43 O.S. §§ 601-100 through 601-903) and 56 O.S. § 240.9.
- (b) **Definition.** For purposes of this Section, forum state means the state in which the hearing is held or the responding court proceeding is filed to establish or enforce a support order.
- (c) **Intergovernmental central registry.** CSS operates an intergovernmental central registry, per 45 C.F.R. §§ 302.36 and 303.7.
- (d) **Forms.** CSS uses forms issued by the Secretary of the United States Department of Health and Human Services, per 42 U.S.C. § 652 as applicable for processing intergovernmental cases.
- (e) **Communication.** When:
- (1) Oklahoma is the initiating state, CSS obtains information from the other Title IV-D agency and communicates with the custodial person in Oklahoma.
 - (2) Oklahoma is the responding state, CSS communicates to the initiating state with which CSS has established a case.

- (3) CSS receives written communication from a party or a party's attorney, CSS sends copies to the appropriate agency or person within two-business days of receipt, per 43 O.S. § 601-307.
- (f) **Family violence and nondisclosure.** When Oklahoma is the initiating state and a party claims family violence, CSS does not release the physical address of the party without a court order. CSS:
- (1) enters the address of record, when designated, or the district office's address instead of the physical address of the party requesting nondisclosure on the Child Support Enforcement Transmittal # 1, Initial Request, and on the General Testimony, when applicable;
 - (2) does not file the interstate transmittal forms with the tribunal;
 - (3) does not release a copy of the interstate transmittal form to the other party, per Oklahoma Administrative Code (OAC) 340:25-5-67; and
 - (4) seeks an order from the appropriate tribunal regarding release of the information when the initiating state, responding state, or a party requests release of specific identifying information, per 43 O.S. § 601-312.
- (g) **Services provided.** Except as provided in (1) through (4) of this subsection, CSS processes intergovernmental cases in the same manner as intrastate cases, per OAC 340:25-1-1.2.
- (1) **Evidence.** If one of the parties is a nonresident of the forum state, CSS arranges for telephonic testimony at the request of the nonresident party or a Title IV-D agency, and requests the court to admit evidence, per 43 O.S. § 601-316.
 - (2) **One-state processing.** In the absence of an order to establish paternity or support, CSS uses a one-state process to establish an order if personal and subject matter jurisdiction may be exercised over a nonresident party, per 45 C.F.R. § 303.7 and 43 O.S. § 601-201.
 - (3) **Determination of controlling order.** When there are multiple orders for current support for the same child, CSS seeks a determination of controlling order (DCO) or a new order from the appropriate tribunal, per 43 O.S. § 601-207 and 43 O.S. §§ 601-602 through 601-615.
 - (A) When making the arrears calculation for the DCO proceeding, CSS applies the law of the respective issuing states in determining the arrears under each order.
 - (B) Once the court issues a DCO, CSS applies the law of the controlling order state to the consolidated arrears, even when the support orders of other states contributed a portion to those arrears.
 - (4) **Redirection of payments.** Per 43 O.S. §§ 601-307 and 601-319:
 - (A) CSS issues a notice to redirect payments to the Title IV-D agency in the state in which the custodial person resides and issues an Order/Notice to Withhold Income for Child Support to implement the order when:
 - (i) Oklahoma is the state that issued the child support or income assignment order;

- (ii) neither the noncustodial parent, custodial person, or any child lives in Oklahoma; and
 - (iii) CSS or another Title IV-D agency makes the request.
- (B) CSS issues a notice to redirect payments to the Title IV-D agency in the state of residence of the custodial person when:
- (i) a child support or income assignment order was issued;
 - (ii) neither the noncustodial parent, custodial person, or any child lives in the issuing state; and
 - (iii) Oklahoma provides child support services.
- (C) CSS furnishes a certified record of payments to a requesting party or tribunal when CSS receives redirected payments, per 43 O.S. § 601-319.
- (5) **Limited services.** CSS provides limited services only at the request of an initiating interstate Title IV-D agency or an international central authority, per 43 O.S. §§ 601-101 through 901 and 45 C.F.R. § 303.7. CSS provides limited services, when appropriate, even when an individual noncustodial parent or custodial person does not reside in Oklahoma. Request for limited services not listed in 45 C.F.R. § 303.7 must be approved by the CSS director or appointed designee.
- (h) **Determination of arrears.** When Oklahoma has personal and subject matter jurisdiction and can obtain service of process on the noncustodial parent, CSS uses the annual notice, notice of support debt, contempt, or other appropriate proceedings to determine past support and interest before requesting a tribunal of another state to enforce.
- (i) **Choice of law.** The applicable law for determination of duration of support and other choice of law issues is controlled by subsection (h) of the Full Faith and Credit for Child Support Orders Act, per 28 U.S.C. § 1738B(h) and 43 O.S. §§ 601-604 through 601-611. The law of the initial controlling order state governs the duration of support even after the order is modified by another state.
- (j) **Genetic testing.** When genetic testing is required in intergovernmental cases, the responding state is responsible for paying the cost of testing, per 45 C.F.R. § 303.7 and OAC 340:25-5-176.

PART 39. ACCOUNTING AND DISTRIBUTION

340:25-5-351. Allocation and distribution of collections

- (a) **Authority.** Oklahoma Department of Human Services Child Support Services (CSS) allocates and distributes support collections, per Section 657 of Title 42 of the United States Code (42 U.S.C. § 657) and Sections 302.32, 302.51, and 302.52 of Title 45 of the Code of Federal Regulations (45 C.F.R. §§ 302.32, 302.51, and 302.52). CSS collects fees, per 42 U.S.C. § 654, 45 C.F.R. § 302.33, and Section 237 of Title 56 of the Oklahoma Statutes (56 O.S. § 237).
- (b) **Fees.** CSS collects fees, per 42 U.S.C. § 654, 45 C.F.R. § 302.33, and 56 O.S. § 237. A case is exempt from fees when the custodial person (CP) is currently receiving Temporary

Assistance for Needy Families (TANF). Fees are withheld prior to child support distribution to the CP. CSS collects:

- (1) an annual fee on eligible cases, per 45 C.F.R. § 302.33. When there is more than one Title IV-D child support program involved, CSS collects the annual fee on cases when Oklahoma is the initiating state; and
 - (2) a three percent service fee for each payment distributed to the CP, up to a \$10.00 per month maximum except when the CP is currently receiving SoonerCare (Medicaid).
- (c) **Allocation.**
- (1) **General allocation.** Allocation refers to how a payment is divided among eligible obligations. Some obligors have more than one child support case and the allocation rules determine which case receives all or a portion of the collection received. A collection is allocated based on the source of the collection and the type of legal action resulting in a collection.
- (2) **Allocation models.** CSS divides collections among the obligor's eligible obligations based on the following models.
- (A) **Standard.** All payments not made by income withholding order or federal income tax refund offset are allocated to eligible obligations in (i) through (iii):
- (i) prorated to the current child support, cash medical support, and spousal support;
 - (ii) prorated to the monthly payment plan on past support; and
 - (iii) amounts remaining from the initial collection or additional collections received during the same month will allocate based on a prorated share of total arrears owed on all eligible obligations. The allocated amounts cannot exceed the total arrears due on the cases.
- (B) **Income Withholding Order (IWO).** Periodic payments from an IWO are allocated to eligible obligations in (i) through (iii):
- (i) prorated to the current child support, cash medical support, and spousal support;
 - (ii) prorated to the monthly payment plan on past support and other judgment(s), such as judgments for ~~attorney fees or~~ genetic testing costs; and
 - (iii) the steps in (1) and (2) of this subsection are repeated for amounts remaining from the initial collection or additional collections received during the same month, until the entire collection is allocated.
- (C) **Internal Revenue Service (IRS).** Collections received from the offset of federal income tax refunds are allocated according to the existing federal hierarchy, per 42 U.S.C. § 657 and 45 C.F.R. ~~§ 302.32~~ 303.72. CSS allocates only to balances certified to the IRS. CSS applies these collections to each eligible obligation:
- (i) first to balances certified to the IRS as public assistance; and
 - (ii) then to any CP's certified balances.

(3) **Specific enforcement actions.** Collections received from case-specific enforcement actions are not allocated across all cases, but are allocated to the case(s) in which the action is taken.

(4) **Non-Title IV-D cases.** In non-Title IV-D cases, CSS allocates payments as follows:

(A) payments received from an IWO are allocated using the IWO model. Collections are allocated to non-Title IV-D cases based on the amounts listed in the non-Title IV-D IWO; and

(B) all other payments are allocated using the Standard model. When CSS receives information on processing a specific payment, CSS may allocate the payment based on that information.

(5) **Intergovernmental cases.**

(A) **Incoming.** In cases where CSS is collecting support for a CP who is receiving services from another jurisdiction's child support agency, past-due payments are allocated based on information provided by the initiating state.

(B) **Outgoing.** Collections received from other jurisdictions resulting from an outgoing referral are allocated to that case.

(d) **Distribution.**

(1) CSS distributes collections based on the federal distribution hierarchy, per 42 U.S.C. § 657 and 45 C.F.R. §§ 302.32 and 302.51.

(2) CSS initially distributes collections to current support and current cash medical support obligations due each month. When collections are less than the amount of all current support and current cash medical support due, CSS distributes collections between the current child support and the current cash medical support obligations in proportionate shares.

(3) After the current child support and current cash medical support obligations are met, CSS distributes collections to current spousal support due.

(4) After current child support, current cash medical support, and current spousal support obligations are satisfied, remaining collections for the month are distributed to past-due balances.

(5) CSS distributes payments to interest owed after current child support and principal arrears balances are paid in full to each obligation.

(6) When a payment collected represents current support for future months, the amount is applied to such. When past support balances exist on any of the noncustodial parent's cases, payments are not applied to the next month's current support, per 45 C.F.R. § 302.51.

GIST/ANALYSIS:

The proposed amendment to remove the graduated phase out of care provision, reference to an entry and exit income threshold and the provision that when the number of children in care increases, the family share copayment increases are made as the income threshold on Appendix C-4, Child Care Eligibility/Copayment Chart is being updated to raise the income threshold for all families to the federal income threshold and to no longer increase the family share copayment when the number of children in child care increases. These changes will increase the number of families eligible for high quality, subsidized child care and is made possible because of the increased discretionary Child Care and Development Fund (CCDF) funding received as a result of passage of the Bipartisan Budget Act of 2018. The proposed revisions to approve children attending an OECP facility for a weekly unit type and exempting household income when a child attends an OECP facility are made to benefit low-income families by increasing access to child care and providing high-quality early learning opportunities for young children. Decades of research show that the experiences infants and toddlers have in their earliest years shape the architecture of the brain and have long-term impacts on human development such as success in school and the ability to earn higher wages as adults. At the same time, the proposed changes increase the employability and stability of parents and reduce the impact of poverty on children. Studies have shown that access to reliable child care contributes to increased employment and earnings for parents. The proposed amendment to exclude military combat pay from income consideration and update the legal citations for Title III and Title V funds excluded under the Older Americans Act and the organizations that receive the funds are made to align Child Care Subsidy rules with SNAP rules.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 15, 2020:

SUBCHAPTER 1. GENERAL PROVISIONS

340:40-1-6. Philosophy and goals of the child care program

(a) **Strengthen the family and promote early childhood development.** ~~Child~~Subsidized child care is a servicebenefit provided for children as a means to strengthen the family and promote early childhood development. Providing child care services which are safe and affordable child care benefits for low income families;

(1) enables a ~~parent(s) or caretaker(s)~~parents or caretakers to participate in employment, training, or education-related activities which help themto become more self-supporting-;

(2) promotes early childhood development and school readiness through rules that support continuity of care and stability of child care placement; and

(3) ~~Child care is also provided in certain critical situations to help~~helps prevent neglect, abuse, or exploitation of children in certain critical situations.

(b) **Promote choice.** ~~A parent(s) or caretaker(s)~~Parents or caretakers can choose between a licensed and contracted child care center or family child care home, or a contracted in-home child care provider when deciding on the type of child care whichthat best meets the family's needsof the family.

(c) **Provide consumer education.** ~~The child care subsidy program~~Child Care Subsidy Program encourages a ~~parent(s) or caretaker(s)~~parents and caretakers to become educated on choosing a provider that best suits the needs of a particular familytheir families through online resources at www.okdhs.org and through the local Child Care Resource and Referral agency.

(d) **Achieve independence from welfare.** Affordable, quality child care is a necessary work support to help move families receiving Temporary Assistance to Needy Families (TANF) families from welfare dependencycash assistance to self-support through employment or TANF Work activities.

(e) **Encourage collaboration.** ~~The child care subsidy program~~Child Care Subsidy Program encourages collaboration with all agencies and programs whichthat help to strengthen families and increase resources available to families~~them~~. Recommended partnerships include child care and:

- (1) ~~child support programs;~~
- (2) ~~the Medical Assistance Program;~~
- (3) ~~child protective services;~~
- (4) ~~cash assistance programs; and~~
- (5) ~~Head Start, Early Head Start, and First Start.~~

SUBCHAPTER 3. INITIAL APPLICATION

340:40-3-1. Application process

(a) **Application process.** The application process for subsidized child care benefits begins with a request for benefits and ends with an eligibility determination. Application approval is subject to available funding. Subsidized child care benefits must be synchronized with the client's food benefits or Sooner-Care (Medicaid) benefits per Oklahoma Administrative Code (OAC) 340:40-9-1~~(e)~~(f). Child Welfare Services or Adult and Family Services (AFS) staff ~~process~~processes the application.

(1) **When an application is required.** An application is required, when:

- (A) an applicant initially applies for subsidized child care benefits. Refer to (c)(2) of this Section when an application is denied;
- (B) the client's subsidized child care benefits are closed for more than 30-calendar days;
- (C) the payee for the subsidized child care benefits changes; or
- (D) the family income was not considered because OAC 340:40-7-12(6) policy applied and one or more of the affected adopted children turns 6 years of age unless there is already a separate open income eligible case and the child can be added to that case per OAC 340:40-9-2(d).

(2) **Who can apply.** An applicant or the applicant's authorized representative may apply for subsidized child care benefits. When an authorized representative applies on behalf of an applicant, he or she must bring a signed statement from the applicant giving the person permission to act on behalf of the applicant or the applicant must have designated the person as his or her authorized representative on the signed application.

(A) When the natural or adoptive parent or stepparent lives with the child, he or she is considered the applicant and eligibility is based on the parent's situation regardless of whether he or she has custody of the child.

(B) When both the natural and adoptive parent of the child live in the same household and the adoption is final, the adoptive parent is considered the applicant and eligibility is based on the adoptive parent's situation.

(C) When the natural or adoptive parent or stepparent is not in the home, the person acting in the role of the parent, referred to as the caretaker, is the applicant. The caretaker may or may not be related to the child.

(D) When the child's parent is a minor, either the minor parent or the responsible adult the minor lives with can be considered the applicant for the subsidized child care benefits. Eligibility is based on the minor parent's situation.

(E) When the natural or adoptive parent lives in the home but is too incapacitated to apply, another person living in the home may apply for the natural or adoptive parent. The other person must provide proof of the parent's inability to apply.

(3) **Application.** An applicant or the applicant's authorized representative completes and signs an application to apply for subsidized child care benefits. When the applicant requests child care for a child with disabilities, the worker gives Form 08AD006E, Certification for Special Needs Rate for Licensed Child Care Homes and Centers, to the applicant.

(4) **Request date.** The request date, known as the application date for other Adult and Family Services programs, is the date the applicant requests subsidized child care benefits verbally or in writing.

(5) **Certification date.** The certification date is the date the applicant or the applicant's authorized representative completes the child care interview and provides all necessary verification to the county office, including the name of the child care provider the client chooses to use.

(A) The provider must have a valid Oklahoma Department of Human Services (DHS) child care provider contract.

(B) Refer to OAC 340:40-5-1(7) for reasons an applicant cannot choose certain child care providers.

(C) For applicants choosing an in-home provider, refer to OAC 340:40-13-1 and 340:40-13-2.

(6) **Child care interview.** Child care interviews may be completed face-to-face or over the phone with the applicant or authorized representative.

(7) **Explanation of eligibility factors.** At the time of the initial interview, the worker informs the applicant or authorized representative of:

(A) his or her rights and responsibilities;

(B) all factors of eligibility including the requirement that the chosen child care provider be contracted with DHS;

(C) the child care plan and reason child care may be approved based on the applicant's statements at interview;

(D) the applicant's electronic benefit transfer (EBT) responsibilities including viewing the client training video;

(E) the earliest date child care can be approved;

(F) the requirement to cooperate with the DHS Office of Inspector General during any audit or investigation of the applicant or the provider the applicant uses for child care; and

(G) the requirement to report within 10-calendar days when household income exceeds the ~~federal exit~~ income eligibility threshold per DHS Appendix C-4, Child Care Eligibility/Copayment Chart, ~~Schedule II~~. At certification and renewal, a computer-generated notice issues to inform the client of the current, ~~federal~~ income eligibility threshold for his or her family size.

(8) **Timeliness.** To be considered timely, the worker must determine eligibility within two-business days of receiving all necessary verification to certify or deny the application.

(A) When the applicant does not provide requested verification, the worker denies the request within 30-calendar days of the request date.

(B) When eligibility is not determined within 30-calendar days, the worker sends Form 08MP038E, Client Notice of Action Taken, explaining the reason for delay.

(9) **Right to appeal.** The applicant has the right to appeal the untimely processing of a child care request or the decision of eligibility or ineligibility per OAC 340:2-5.

(b) **Presumptive eligibility processing.** The worker may presumptively approve a maximum of 30-calendar days of child care prior to making a complete eligibility determination when a reason described in (1) of this paragraph applies.

(1) Reasons include, when the applicant:

(A) is in danger of losing a job or cannot start a new job unless child care is immediately approved. In this circumstance it must be out of the applicant's control to provide required verification and the applicant does not have the money to pay toward the cost of child care;

(B) is employed but has not received pay from the job and is not guaranteed a wage because he or she is self-employed or works on a commission-only basis. Further care is not approved until the applicant provides proof he or she received earnings from the job;

(C) requests protective or preventive child care per OAC 340:40-7-8(f); or

(D) requests good cause for refusal to cooperate in pursuing child support with Child Support Services per OAC 340:40-7-9 and has not provided good cause proof yet. Further care is not approved until the applicant provides good cause proof that supports the good cause claim.

(2) The worker gives or sends the applicant Form 08AD092E, Client Contact and Information Request, to inform the applicant what he or she needs to provide before further care is approved.

(c) **Eligibility determination.** The worker determines the applicant's eligibility to receive child care subsidy benefits based on eligibility conditions per OAC 340:40-7. The applicant must meet a need factor within 30-calendar days of the request date. After calculating family income, the worker uses DHS Appendix C-4, Child Care Eligibility/Copayment Chart, ~~Schedule I-A or I-B~~ to determine if the household meets the income guidelines eligibility threshold. Refer to OAC 340:40-5-1(8) and 340:40-7-10 through 340:40-7-13 for information regarding income determination.

(1) **Applicant determined eligible.** The earliest date the worker approves subsidized child care benefits is the date the applicant completes the child care interview and provides all necessary verification to determine eligibility. The worker certifies the applicant for a 12-month eligibility period per Section 98.21 of Title 45 of the Code of Federal Regulations. The applicant is responsible for child care used before the certification date.

(A) The client swipes attendance with his or her EBT card through a point-of-service machine at the child care facility.

(B) DHS does not pay for care for any day the child attends child care when the client fails to swipe attendance, unless extenuating circumstances exist beyond the control of the client or provider.

(C) When the client fails to swipe attendance, he or she is responsible for any care provided that day and may be responsible for any absent day payment DHS pays, when all of the days the child attended were recorded.

(2) **Applicant determined ineligible.** The worker denies the child care request or application when the applicant completes the application process and is determined ineligible, does not provide needed verification, or fails to cooperate in determining eligibility.

(A) When the applicant is determined ineligible after completing the application process and providing necessary verification, a new application is required regardless of the original request date.

(B) When the worker denies the application because the applicant did not provide required verification, including choice of provider, a new application is not needed when the applicant completes the application process and provides necessary verification within 60-calendar days of the original request date.

(C) When the worker denies the application because the applicant fails to cooperate in determining eligibility, a new application is not required when the

applicant cooperates within 30-calendar days of the original request date.

SUBCHAPTER 5. CHILD CARE PLAN

340:40-5-1. Child care plan

Providing child care is part of an overall plan of service designed to help the parent or caretaker, with whom the child lives, achieve his or her maximum potential for self-support. Quality child care services ~~assure~~ensure the parent or caretaker each child has adequate care that affords developmental and learning experiences while the parent or caretaker is engaged in self-support activities. The child care plan consists of many components that link to form a goal-directed child care plan; ~~and includes components as described in (1) through (11) of this Section.~~

(1) **Child characteristics.** The worker gathers information about the child for whom child care is needed including his or her name, age, grade level, and ~~whether if~~ the child has a disability.

(2) **Need for child care.** The worker determines ~~whether if~~ the parent or caretaker meets a need factor per Oklahoma Administrative Code (OAC) 340:40-7-7 and 340:40-7-8.

(3) **Plan hours.** The worker gathers information about the days and hours, including travel time, from the parent or caretaker ~~meets to document the need factor, including travel time.~~

(A) When there are two parents or caretakers in the home, the worker only approves subsidized child care benefits when both parents or caretakers meet a need factor during the same hours, per OAC 340:40-7-7 and 340:40-7-8.

(B) Based on the days and hours the child requires care, the worker approves a full-time daily, part-time daily, a combination of full-time and part-time daily, weekly, or a blended unit type.

(C) Refer to OAC 340:40-7-7(e) for plan hours concerning a child attending an Early Head Start-Child Care Partnership (EHS-CCP) grant program or an Oklahoma Early Childhood Program (OECP).

(D) The worker does not decrease the child care plan hours because the client no longer meets a need factor or has a decreased need for child care between renewal periods, per Section 98.21(a) of Title 45 of the Code of Federal Regulations (45 C.F.R. § 98.21) and OAC 340:40-9-2(b).

(4) **Alternative to subsidized child care benefits.** The worker and client explore whether there is an appropriate, feasible alternative to Oklahoma Department of Human Services (DHS) subsidized child care benefits.

(A) When the alternative is a spouse or the natural or adoptive parent of the child who lives in the home, the client must use the alternative rather than subsidized child care benefits.

(B) When the alternative is someone other than a spouse or parent of the child, the client may choose whether to use the alternative.

(5) **Plan to increase income.** At each application or renewal, the client and worker explore ways the client ~~could~~may become more self-supporting by increasing household income. ~~Ways to increase~~Increasing household income may include pursuing a work promotion, searching for a higher paying job, or increasing job skills. The client must also pursue any identified potential income, per OAC 340:40-7-9.

(6) **Back up plan.** The worker and client discuss and develop a ~~back-up~~backup plan for child care when the child cannot go to the usual provider because of illness, school holidays, or other ~~unforeseen~~ emergencies. The ~~back-up~~backup plan includes the name and address of a person the client feels he or she can rely on when the normal plan of care cannot be used.

(7) **Choice of provider.** The worker documents the choice of provider on the application or renewal form.

(A) When the client does not choose a provider at the time of request, the worker provides the client with information to help in making the choice.

(B) The client may choose a family child care home regardless of star level.

(C) The client may not choose a child care:

- (i) facility that does not have a valid contract with DHS;
- (ii) facility in which the client or his or her spouse, including the child's parent or stepparent, has an ownership interest;
- (iii) home in which the child resides;
- (iv) home in which the client also works during the hours his or her child is in care;
- (v) provider who does not allow parental access during the hours the provider is caring for children;
- (vi) program receiving state or federal funds, such as Head Start, Early Head Start, or public schools, and not charging all parents for the hours subsidy payment is requested. EHS-CCP grant programs and OECPs are exempt from this rule; ~~and~~
- (vii) provider caring for a school age child during the regular school day when the student could be attending a public or private school during those hours;
- (viii) center, when it is a one star facility, unless there are no centers with a higher star status in the community or special exception criteria are met.

Special exception criteria are:

- (I) the child was approved for care prior to the provider's star status being reduced to one star. The child may remain at the facility unless the child stops attending there for more than 30-calendar days. The child may be approved at the same facility again when the only reason

the child did not attend for more than 30-calendar days was because of a school break or circumstances beyond the control of the family, such as the child's illness~~of the child~~;

(II) care is requested for a child living in the same home as a child already approved for care per (7)(C)(viii)(I) of this subsection for the same one star child care provider; or

(III) the parent or guardian demonstrates there is no other child care option that meets the family's needs; or

(ix) in-home provider who is not related to the child. Per OAC 340:40-13-2, related means an aunt, uncle, grandparent, great grandparent, or sibling not living in the home.

(8) **Income determination.** Per OAC 340:40-7, the worker determines who is considered part of the household for income determination and what income is countable or excluded.

~~(A)~~ The household's countable income must not exceed the ~~entry~~ income eligibility threshold, per DHS Appendix C-4, Child Care Eligibility/Copayment Chart, ~~Schedule I-A or Schedule I-B, state income guidelines for initial certification.~~

~~(B)~~ When the household reports increased income during the 12 month eligibility period that exceeds the entry income threshold but remains below the exit income threshold, per DHS Appendix C-4, Schedule H, federal income guidelines, the household remains eligible. The family share copayment does not increase until renewal per (9)(A) of this Section.

~~(C)~~ At renewal, the household's countable income must not exceed the exit income threshold to remain eligible for an additional 12 months.

(9) **Family share copayment.** The worker refers to DHS Appendix C-4 to determine the family share copayment for each family. The family share copayment is applied before DHS pays a child care subsidy. The family's copayment cost varies based on family size, and income, ~~and the number of children receiving subsidized child care benefits.~~

(A) The family share copayment is determined at approval and may not be increased until renewal, per 45 C.F.R. § 98.21(a)(3). When the worker anticipates changes in household income at approval, such as when the client started a new job and did not receive a full month's pay for the application month, the worker increases household income and the family share copayment for the next month in the certification action. All family share copayment changes made at certification are included in the approval notice(s).

(B) When household income decreases during the eligibility period, the worker decreases the family share copayment, when applicable, per OAC 340:40-9-2(c). Following a decrease, the copayment is not increased until renewal unless the household income is overexceeds the federal income guidelines

~~eligibility threshold, per DHS Appendix C-4, Schedule II.~~

(C) ~~At renewal, when the family's income exceeds the state income guidelines and remains below the federal income guidelines eligibility threshold, per OAC 340:40-9-1(f) the worker increases the family share copayment per DHS Appendix C-4, the worker closes the child care benefits.~~

(10) **Social services requests.** When a client requests help in meeting the social services needs listed on the application or renewal, the worker provides all available information to aid a client in meeting these needs.

(11) **Client rights and responsibilities.** The worker informs the client of his or her rights and responsibilities per (A) through (G) of this paragraph.

(A) A child care request is only approved back to the request date when the interview is conducted and verification is provided on the request date.

(B) The client has the right to ask for a fair hearing when the client disagrees with an action taken on his or her case, per OAC 340:2-5.

(C) The provider may charge the client for special fees, such as enrollment or transportation fees, provided these fees are posted and also charged to families attending the facility who do not receive subsidized child care.

(D) The provider may charge the client for care provided in excess of the DHS- approved child care plan when the client chooses to leave the child in care longer. When the provider requires all children in the facility to begin care by a certain time of day and the client's child care plan hours start later, the provider must not charge the client for the additional hours. The client swipes attendance based on the child care plan hours.

(E) The provider may charge the client for any days DHS refuses to pay for care because the:

- (i) client did not swipe attendance for the correct days and times his or her child attended child care;
- (ii) swipes were denied and the client did not get them corrected within 10- calendar days; or
- (iii) provider lost the absent-day payment for a child approved for a weekly unit type because the client did not swipe correct attendance for every day the child attended that month.

(F) The provider may not charge the client for days:

- (i) and hours covered in the child care plan when all attendance was correctly swiped, even when the hours are more than customary for a full-time day; and
- (ii) the child is not in attendance.

(G) The client is required to cooperate with the DHS Office of Inspector General in any audit or investigation of possible overpayments by the client or by the client's chosen provider.

SUBCHAPTER 7. ELIGIBILITY

340:40-7-1. Categories of eligibility

A person may be predetermined eligible for a child care benefit, determined income eligible based on the gross income of the household, or have dual eligibility with his or her tribe.

(1) **Predetermined eligible.** A person is predetermined eligible for a child care benefit with a zero copayment when he or she is a recipient of public assistance or Supplemental Security Income (SSI). Public assistance is defined as a State Supplemental Payment (SSP), Temporary Assistance for Needy Families (TANF) that includes Supported Permanency, or Refugee Resettlement Program (RRP) cash assistance.

(A) TANF recipients who work and are eligible for a child care benefit may choose to receive a child care benefit through the Oklahoma Department of Human Services (DHS) or pay for the child care themselves. When they choose to pay for the child care cost, it is considered as an earned income exemption for the TANF benefit per Oklahoma Administrative Code 340:10-3-33.

(B) A person receiving public assistance or SSI is not predetermined eligible for a zero copayment when:

- (i) the recipient is a child and the parent or guardian requesting the benefit for the child is not the payee on the public assistance or SSI payment; ~~or~~
- (ii) ~~it makes a difference whether other children in the household are income eligible for child care.~~

(2) **Income eligible.** Households not predetermined eligible for a child care benefit must meet the income eligibility guidelines threshold for their household/family size, per DHS Appendix C-4, Child Care Eligibility/Co-payment Chart, to receive assistance with child care costs.

(3) **Transitional child care.** Per Section 230.61 of Title 56 of the Oklahoma Statutes, a TANF recipient who becomes employed is eligible for transitional child care benefits for 24 months following the date of employment as long as he or she meets the income eligibility guidelines threshold, per DHS Appendix C-4, for his or her household/family size unless the:

- (A) employer provides child care benefits; or
- (B) recipient's gross monthly earned income exceeds the monthly allowance of assistance pursuant to the TANF program plus the cost of child care and medical insurance to which the recipient would be entitled.

(4) **Dual eligibility.** A person may have dual eligibility to receive child care assistance through the DHS Child Care Subsidy Program and his or her tribe. However, the child care provider may not receive payment for the same service from both programs simultaneously.

340:40-7-2. Conditions of eligibility [REVOKED]

In order for a child to be eligible for Department subsidized child care, the household must meet the conditions of eligibility found in this Subchapter. See OAC 340:40-3-1(b) for expedited eligibility processing.

340:40-7-6. Household composition and income consideration

(a) **Definition of household composition terms.** The worker ~~determines household composition for income considerations using~~ uses the definitions of household composition terms listed in (1) through (9)(8) of this subsection when determining who must be considered part of the household for income consideration.

(1) An adult is an emancipated minor or person 18 years of age ~~or~~ and older. A child who is a parent is considered an adult.

(2) A spouse is a person married by ceremony or common-law to another person. They may live together or separately. When they live separately, they are not considered part of the household unless the separation is temporary or involuntary.

(3) A stepparent is a person who is or was a spouse to the child's parent.

(4) A caretaker is an adult who lives with, and acts in the role of a parent to the child applying for or receiving subsidized child care benefits. The caretaker:

- (A) ~~The caretaker~~ may or may not be:
 - (i) related to the child by blood, adoption, or marriage; or
 - ii) legally and financially responsible for the child; and

(B) ~~The caretaker~~ must pursue child support from the natural or adoptive parent, per Oklahoma Administrative Code (OAC) 340:40-7-9.

(5) ~~An adult non relative is defined as any person over 18 years of age or an emancipated minor who is not related to the parent or caretaker by blood, adoption, or marriage.~~

(6) The term legally and financially responsible adult is defined as a parent or stepparent of the child who needs child care. The term also includes other caretaker adults who are court-ordered to be legally and financially responsible for the child.

(7) ~~A child is any unmarried, unemancipated non-emancipated, non-parental person under younger than 18 years of age.~~

(8) A child who ~~has married~~ marries or voluntarily ~~left~~ leaves the parental home for any reason other than to attend school or receive medical care, and established ~~establishes~~ independent living arrangements, other than being away from home for school or health reasons, is considered emancipated and treated as an adult. Once a child is emancipated, the emancipation is permanent.

(9) A sibling is a minor child who has at least one parent in common with another child in the same household. ~~The definition also includes~~ A sibling may also include a step-brother or step-sister.

(b) **Household composition and income consideration.** To establish a child's eligibility for subsidized child care benefits, it is necessary to define who must be considered part of household composition for income consideration. All persons whose income is counted in determining the income eligibility threshold and family share copayment amount are included ~~to determine~~ in family size on the Oklahoma Department of Human Services (DHS) Appendix C-4, Child Care Eligibility/Copayment Chart. Persons whose income must be considered in determining eligibility are:

- (1) the natural, adoptive, or stepparent ~~of living in the home with the child living in the home~~ who needs child care;
- (2) the caretaker(s) of the minor child needing child care when the caretaker is legally and financially responsible for the child; and
- (3) the child needing child care and his or her siblings ~~under younger than~~ 18 years of age living in the home;
- (4) ~~an adult non relative who lives in the home with the natural or adoptive parent and acts in the role of a spouse. An adult non relative is considered to be acting in the role of a spouse when the person lives with the parent or caretaker and they represent themselves as a couple and/or have a physical relationship with each other; and~~
- (5) ~~a child of an adult non relative acting in the role of a spouse when the child lives in the home.~~

(c) **Temporary absence of a household member.**

(1) When a household member is out of the home due to a temporary absence and intends to return to the home, he or she is considered a household member ~~as long as he or she plans to return to the home.~~ Any parent or ~~caretaker(s)~~ caretaker who remains in the home must meet a need factor, per OAC 340:40-7-8. ~~Examples of temporary absence~~ Temporary absences may include, but are not limited to:

- (A) hospitalization for physical or mental health reasons;
- (B) incarceration;
- (C) attending school;
- (D) military service;
- (E) working or training away from home
- (F) looking for a job away from home; and
- (G) vacation time for a child. When a child goes to stay with:

- (i) someone other than a natural or adoptive parent for a vacation, household composition, income, and need is based on the usual home situation. The person the child is staying with must also meet the need factor for child care; or
- (ii) a non-custodial natural or adoptive parent, ~~that the non-custodial parent must apply and qualify for subsidized child care benefits for that time frame based on his or her own household's eligibility for the visitation time frame.~~

(2) When a child lives with each parent for part of the month, refer to (d) of this Section.

(3) When a child lives with a parent for part of the month and a caretaker for the rest of the month, the child's

Permanent Final Adoptions

eligibility is based on the parent meeting the eligibility factors, per OAC 340:40-7. The caretaker must also meet a need factor during the time he or she has physical custody of the child, per OAC 340:40-7-70 ~~during the time he or she has physical custody of the child~~.

(d) **Joint or shared custody.** When parents separate or divorce and have joint or shared custody of their child and one or both need child care, each parent applies separately for subsidized child care benefits.

- (1) Joint or shared custody may be voluntary or court-ordered.
- (2) The worker determines each parent's eligibility separately. This includes a separate income and need for child care determination.
- (3) When only one parent qualifies for subsidized child care benefits, the worker only approves child care for the days ~~that the~~ qualifying parent meets a need factor for child care and has physical custody of the child.
- (4) When both parents qualify for subsidized child care benefits, the worker approves each parent only for the days and hours ~~that parent~~ he or she meets a need factor for child care and has physical custody of the child.

340:40-7-7. Establishing the need factor for child care

(a) **Establishing the need factor.** In order for children to be cared for in a safe environment while the parent or caretaker participates in an approved activity or for protective or preventive reasons, the Oklahoma Department of Human Services (DHS) provides subsidized child care benefits.

- (1) The worker arranges to obtain documentation of the need factor from the client or collateral sources, ~~documentation of the need factor~~.
- (2) The worker and client negotiate the amount of travel time allowed for an activity based on what is a reasonable length of time.
- (3) The worker does not approve child care for the hours the child attends school or Head Start.

(b) **Need factor for single parent or caretaker families.** The need for subsidized child care is met when the:

- (1) parent or caretaker is employed, per Oklahoma Administrative Code (OAC) 340:40-7-8(a);
- (2) parent or caretaker needs sleep time during the day after working night hours when a feasible alternative is used at no cost to DHS during the night working hours, per OAC 340:40-7-8(a)(5);
- (3) parent or caretaker attends a training or formal education program designed to lead to employment, per OAC 340:40-7-8(b) and (c);
- (4) parent or caretaker attends high school, high school equivalency classes, literacy, adult basic education (ABE), or English as a Second Language (ESL) classes, per OAC 340:40-7-8(c);
- (5) parent or caretaker participates in Supplemental Nutrition Assistance Program (SNAP) Education and Training (E&T) activities, per OAC 340-7-8(d);
- (6) parent or caretaker participates in an approved Temporary Assistance for Needy Families (TANF) Work activity, per OAC 340:10-2-1;

(7) child needs care or supervision for part of the day as a protective or preventive service, per OAC 340:40-7-8(f); or

(8) child receives Supplemental Security Income (SSI) and needs care for enrichment purposes, per OAC 340:40-7-8(g).

(c) **Need factor for two-parent or two-caretaker families.** Two-parent or two-caretaker families include two natural or adoptive parents, the natural parent and a stepparent, two grandparents, other relative married couples, or other non-relative married couples. When an unmarried couple applies, only the natural or adoptive parent must meet a need factor. The need for subsidized child care is met when:

- (1) both parents or caretakers work during the same hours they request child care, per OAC 340:40-7-8(a);
- (2) one or both parents or caretakers need sleep time during the day after working night hours when a feasible alternative is used at no cost to DHS during the night working hours, per OAC 340:40-7-8(a)(5). When both parents do not work night hours, one parent must work during the other parent's sleep time hours;
- (3) one parent or caretaker attends a formal education or training program, per OAC 340:40-7-8(b) or (c) during the same hours the other parent or caretaker works per OAC 340:40-7-8(a) ~~through (e)~~;
- (4) both parents or caretakers attend high school, per OAC 340:40-7-8(c);
- (5) one parent or caretaker attends high school during the same hours the other parent or caretaker works or attends a formal education or post high school training program, per OAC 340:40-7-8(a) through (c);
- (6) one parent or caretaker attends high school equivalency classes, literacy, ABE, or ESL classes, per OAC 340:40-7-8(c)(2) or (3) during the same hours the other parent or caretaker works, per OAC 340:40-7-8(a) ~~through (e)~~;
- (7) one or both parents or caretakers participates in SNAP E&T activities per OAC 340-7-8(d). When one parent or caretaker is not participating in SNAP E&T activities, he or she must meet a need factor during the same hours, per OAC 340:40-7-8;
- (8) one or both parents or caretakers participate in approved TANF Work activities, per OAC 340:10-2-1. When one parent or caretaker is not participating in TANF Work activities, that parent must meet a need factor, per OAC 340:40-7-8 during the same hours;
- (9) the child needs care or supervision for part of the day as a protective or preventive service, per OAC 340:40-7-8(f);
- (10) the child receives SSI and needs care for enrichment purposes, per OAC 340:40-7-8(g); or
- (11) one parent or caretaker is incarcerated and the other parent remains in the home. In this instance, the parent remaining in the home is treated as a single parent.

(d) **Need factor in joint custody cases.** When parents are separated or divorced and share custody of their child, voluntarily or through a court order, each parent's income and need for child care is considered separately.

(e) **Need factor for a child attending an Early Head Start-Child Care (EHS-CC) Partnership (EHS-CCP) grant program or an Oklahoma Early Childhood Program (OECPP).** A child attending an EHS-CC Partnership grant program or an OECPP may be approved for a weekly unit type when the parent or caretaker qualifies for Child Care Subsidy and meets a need factor per (b) or (c) of this Section for some of the EHS-CC Partnership grant program or OECPP care hours.

(f) **Activities that do not meet the need factor for child care.** The need factor for child care is not met and child care must not be approved for:

- (1) job search for parents or caretakers not participating in TANF Work activities, per OAC 340:10-2-1;
- (2) online Internet based or televised education or training courses when an instructor is not conducting a live broadcast and attendance is not required while the program is being broadcast, per OAC 340:40-7-8(b) and (c);
- (3) undergraduate classes or other training not expected to lead to a degree or certificate of completion, per OAC 340:40-7-8(b) and (c);
- (4) post graduate education, such as master's and doctoral programs;
- (5) two-parent or two-caretaker families when both attend a formal education or training program during the same days and hours;
- (6) transportation only;
- (7) volunteer hours or jury duty;
- (8) hours a school age child could attend a public or private school, but the parent or caretaker chooses to home school the child at night; and
- (9) children in Child Welfare Services foster care, when one or both foster parents do not meet child care eligibility rules, per OAC 340:75-7-65.

340:40-7-9. Mandatory pursuit of child support and other potential income

(a) **Mandatory referral to Child Support Services (CSS).** When one or both of the child's parents are absent from the home, the client must agree to pursue child support through CSS for all children who must be included in the same household, per Oklahoma Administrative Code (OAC) 340:40-7-6 before subsidized child care benefits are approved.

- (1) **When a CSS referral is required.** The client is required to pursue child support for all children living in the home when one or both parents are absent, unless good cause exists per (2) or (6) of this subsection, including when:
- (A) the parent or caretaker is not requesting subsidized child care benefits for every child living in the home;
 - (B) the client receives court-ordered child support;
 - (C) there is a joint custody agreement and neither parent is ordered to pay support;
 - (D) parental rights are terminated, except in the case of adoption, per Section 1-4-906 of Title 10A of the Oklahoma Statutes;

- (E) an additional child, whose parent is absent, is added to the household after certification; or
- (F) one or both parents leave the home after certification.

(2) **When a CSS referral is not required.** The client is not required to complete child support forms when:

- (A) he or she is a foster parent to the child and the CSS referral was completed in the child's SoonerCare (Medicaid) case;
- (B) the client is an adoptive parent and provides proof of a single parent adoption;
- (C) a parent is temporarily out of the home, per OAC 340:40-7-6(c) and is considered part of the household;
- (D) ~~the child, whose parent is absent,~~ is not required to be considered part of the household, per OAC 340:40-7-6; or
- (E) the client is a minor parent; ~~or~~
- (F) ~~the child does not receive a subsidized child care benefit and is included in household composition because his or her parent is considered an adult non-relative acting in the role of a spouse per OAC 340:40-7-6(a) and (b).~~

(3) **Required forms.** The worker makes the referral to CSS by completing with the client Form 08TA001E, Absent Parent (AP) Information Sheet, for each absent parent. The client must sign Form 08TA012E, Cooperation Agreement and Request for Good Cause, per (6) of this subsection. The worker gives the Oklahoma Department of Human Services (DHS) Appendix C-16, Child Support Services and Responsibilities, to the client. The form explains CSS services and client expectations. The worker sends copies of legal documents concerning custody or child support to the appropriate CSS district office.

(4) **Oklahoma Centralized Support Registry (CSR).** After approval, the client must send all future child support payments to the CSR. DHS Appendix C-16 contains the CSR address ~~for the CSR.~~ CSR returns the child support payments to the client unless the client receives Temporary Assistance for Needy Families, per OAC 340:10-10-7.

(5) ~~Establishment of paternity~~ **Paternity establishment.** When the worker is able to contact the alleged father, the worker asks ~~whether him~~ if he is willing to acknowledge paternity. When the alleged father agrees to acknowledge paternity, the worker gives or sends him Form 03PA209E, Acknowledgment of Paternity, to review. The worker advises him to contact CSS at the phone number on the back of the form when, after review, he is willing to sign the form.

(6) **Good cause.** Good cause for refusal to cooperate in pursuing child support may be granted when cooperation is not in the child's or parent's best interest of the child or the parent. DHS may continue to pursue child support when CSS determines child support activities may be safely conducted without the client's cooperation.

Permanent Final Adoptions

(A) The client must sign Form ~~03TA012E~~08TA012E, Cooperation Agreement and Request for Good Cause, and state if he or she wants to request good cause:

- (i) at the time of the initial application;
- (ii) at the time of an additional child request; or
- (iii) ~~when circumstances result in an applicant or recipient~~the recipient wants to request for good cause after certification.

(B) The worker does not deny, delay, or discontinue subsidized child care benefits pending a good cause determination ~~of good cause~~ when the applicant or recipient furnishes evidence or information supporting the good cause claim.

(C) DHS determines the client has good cause for refusing to cooperate only when:

- (i) there is possible physical or emotional harm to the child;
- (ii) there is possible physical or emotional harm to the parent or caretaker;
- (iii) the child was conceived as a result of incest or forcible rape;
- (iv) legal proceedings for adoption of the child are pending before a court; or
- (v) the client is currently being assisted by an attorney or a public or licensed private social agency ~~to resolve the issue of~~decide whether to keep the child or relinquish the child for adoption.

(D) The applicant or recipient claiming good cause is responsible for supplying documentary evidence to establish the claim or furnishing sufficient information to permit DHS to investigate the good cause claim. Uncorroborated statements of the applicant or recipient are not acceptable documentation. The evidence must be of probative value and supported by written statements to the extent possible. ~~Examples of acceptable written statements~~Acceptable documentation may include:

- (i) ~~a birth certificate, or a medical, or law enforcement records indicating report that indicates~~ the child was conceived as a result of incest or forcible rape;
- (ii) court documents or other records indicating legal adoption proceedings ~~for adoption~~ are pending before a court of competent jurisdiction;
- (iii) ~~criminal court~~, medical, child protective services, social services, psychological, or law enforcement records indicating the putative alleged father or absent non-custodial parent might inflict physical or emotional harm on the child or caretaker;
- (iv) medical records or a written statement from a licensed mental health professional as defined in Title 43A of the Oklahoma Statutes indicating that the parent or caretaker or the child suffered emotional health history and present emotional health status of the caretaker or child ~~or a written statement from a mental health~~

~~professional indicating a diagnosis or prognosis concerning the emotional health of the caretaker or child~~harm due to the non-custodial parent's actions;

(v) a written statement from an attorney or a public or licensed private social agency ~~working with that~~ states the applicant or recipient is being assisted to resolve the issue of~~decide~~ whether to keep the child or relinquish~~give~~ the child up for adoption; and

(vi) ~~sworn~~ statements from persons other than the client with knowledge of the circumstances that provide the basis for the good cause claim, except in the case of adoption.

(E) Upon request, the worker helps the client obtain applicable documentary evidence listed in (D)(i) through (vi) of this subsection. The client must specify the type of document or record needed and provide sufficient identifying information to make it possible for the worker to obtain the documents.

(b) **Failure to cooperate in the pursuit of child support.** Failure to cooperate in pursuit of child support without good cause may be indicated at the time of application or at any time further action by the client is necessary.

(1) Actions indicating failure to cooperate include refusals to:

- (A) identify and assist in locating a known parent;
- (B) establish paternity; or
- (C) establish, modify, or enforce a support order.

(2) When at application the client refuses to cooperate ~~at the time of application~~, the worker denies the child care subsidy application.

(3) When an applicant applies for subsidized child care and is in non-cooperation status with CSS, the applicant must verify cooperation with CSS before the worker approves subsidized child care benefits.

(4) When, after certification, CSS informs the worker the client is not cooperating, the subsidized child care benefits remain open until the child care renewal is due. At renewal, the worker reviews the client's cooperation with CSS. When the client is not cooperating, further care is not approved.

(c) **Cooperation with CSS following denial or closure of the subsidized child care benefits.** The client must verify that he or she is cooperating with CSS before the worker approves subsidized child care benefits following a denial or closure based on non-cooperation with CSS.

(1) When the client cooperates with CSS and notifies the worker of the cooperation within 30-calendar days of the:

- (A) denial of subsidized child care benefits, the client is not required to file a new application before benefits may be approved; or
- (B) closure of the subsidized child care benefits, the worker reopens the benefits back to the closure date.

(2) When the client does not cooperate with CSS or cooperates, but waits to inform the worker of the cooperation

for more than 30-calendar days from the denial or closure date, the client must complete a new application before care is approved. The earliest date subsidized child care benefits may be approved is the date the client completes a child care interview and provides all necessary verification, per OAC 340:40-3-1.

(d) **Exploration and development of potential income other than child support.** The worker explores potential sources of income, such as Social Security benefits, Supplemental Security Income (SSI), unemployment benefits, veteran's benefits, and increased wages with the client at the time of application and each renewal for all members of the household whose income must be considered, per OAC 340:40-7-6. The client must apply for, or continue to pursue, all potential sources of income for which it appears likely he or she may be eligible, except for SSI before the next child care renewal is due. The client is encouraged, but not required, to apply for SSI when the client indicates a household member has a disability.

(1) When the client refuses to pursue available income at the time of request, the worker denies the child care request.

(2) When the client agrees to pursue all potential income and fails to do so within the 12-month eligibility period, further care is not approved at renewal.

(3) When the client is approved for the potential income or offered a pay raise within the 12-month eligibility period and refuses to accept it, further care is not approved at renewal.

(4) When the client's ~~pay decreases in~~ rate of pay or number of hours worked ~~decreases~~, the worker explores why the decrease occurred. When the client requested the decrease to avoid a family share copayment increase or to maintain eligibility, the worker closes the subsidized child care benefits at renewal.

(5) At each renewal, the worker determines whether the client continues to pursue potential income.

(A) When the client begins receiving previously identified potential income, the worker ~~considers~~ adds the income for the next negative action deadline after it is reported to the case although the system does not ~~decrease the benefit until renewal~~.

(B) When the client was not approved for the income, the client must verify this. The worker records in the case record the verification provided and stops exploring this potential income with the client.

(C) When the client stops pursuing potential income and was not determined ineligible for the income, further care is not approved at renewal.

(6) When the client's subsidized child care benefits close at renewal because of failure to pursue potential income, the client must verify receipt or pursuit of such income or that such income is no longer potentially available before child care may be approved.

(A) When the client verifies cooperation within 30-calendar days of the closure of subsidized child care benefits, the worker may reopen the benefits

back to the date they were closed without imposing a penalty.

(B) When the client does not cooperate or waits to verify cooperation for more than 30-calendar days from the date the subsidized child care benefits close, the client must complete a new application before care is approved. The earliest date subsidized child care benefits may be approved is the date the client completes a child care interview and provides all necessary verification, per OAC 340:40-3-1.

340:40-7-10. General provisions regarding income

(a) **Income considered.** Available and anticipated income, except that required to be disregarded by law or Oklahoma Department of Human Services (DHS) policy, per Oklahoma Administrative Code (OAC) 340:40-7-12, is considered when determining a client's eligibility for child care subsidy benefits per this Section and OAC 340:40-7-11.

(b) **Reporting requirement.** The client must report all sources of income at application and as changes occur, per (e) of this Section and OAC 340:40-9-2.

(c) **Income from a new source.** Income from a new source is only considered for the approval month when a full check is received on or prior to the certification date. Income is anticipated and considered for the next month when a full check from the new source is expected to be received by the first of the month. When a full check is not received by the first of the next month, it is anticipated and considered for the third month before income is set for the remainder of the eligibility period.

(d) **Past income.** Past income is not used to anticipate future income for any month in which an income change occurred or employment ended.

(e) **Increased income between eligibility determinations.** Between eligibility determinations, per Section 98.21(e)(1) of Title 45 of the Code of Federal Regulations, the client is only required to report income changes within 10-calendar days of the date the change occurs, when the household's gross income exceeds the ~~federal exit~~ income eligibility threshold for the ~~household~~ family size, per DHS Appendix C-4, Child Care Eligibility/Copayment Chart, ~~Schedule H~~.

(1) A computer-generated notice issues at certification and renewal informing the client of the current ~~federal exit~~ income eligibility threshold for his or her family size and instructs the client to report when the household income exceeds this amount.

(2) When income exceeds the ~~federal exit~~ income eligibility threshold, the worker closes the child care benefit for the next advance-notice effective date per OAC 340:40-9-2(f).

(f) **Decreased income after approval.** When income decreases after approval, the worker makes the change for the current month, when appropriate, or by the next non-advance notice effective date per Oklahoma Department of Human Services (DHS) Appendix B-2, Deadlines for Case Actions. Once income decreases, it is not increased until the renewal month per ~~OAC 340:40-5-1(8)~~ and (e) of this Section.

Permanent Final Adoptions

(g) **Garnished income.** When a person's income is reduced due to garnishment, the gross amount before the garnishment is counted as income.

(h) **Withheld or returned payments not considered as income.** Payments not considered as income are:

- (1) monies withheld from any income source to repay a prior overpayment received from that same source;
- (2) monies voluntarily or involuntarily returned to repay a prior overpayment received from that same income source; or
- (3) child support payments received by Temporary Assistance for Needy Families (TANF) recipients that must be sent to DHS Child Support Services to maintain TANF eligibility.

(i) **Withheld or returned payments considered as income.** Monies withheld or returned to repay overpayments in federal, state, or local means tested assistance programs are not excluded when they are withheld or returned to repay overpayments resulting from intentional program violation as established by the agency administering the program.

340:40-7-11. Sources of income considered

(a) **Sources of income considered.** Income may be received periodically or at irregular intervals. All income, unless specifically excluded, per Oklahoma Administrative Code (OAC) 340:40-7-12 is considered in determining monthly gross income. Income is classified as earned or unearned income.

(b) **Earned income.** Earned income means total money earned by a person through the receipt of wages, salary, commission, or profit from activities in which the person is engaged as self-employed or as an employee. Temporary disability insurance payment(s) and temporary workers' compensation payments are considered earned income when payments are employer-funded and the person remains employed.

(1) **Wages.** Wages include total money earned for work performed as an employee including armed forces pay, commissions, tips, piece-rate payments, longevity payments, and cash bonuses before deductions, such as taxes, bonds, pensions, union dues, credit union payments, or cafeteria plans are subtracted.

(A) Countable wages for military personnel include any allowance included on the earnings statement, such as the Basic Allowance for Housing (BAH) or Basic Allowance for Subsistence (BAS).

(B) Only the portion of the cafeteria plan the client controls, including any excess benefit allowance payments, is counted as income.

(C) Reimbursements for expenses, such as a uniform allowance or transportation costs, other than daily commuting, are subtracted from the gross income.

(D) Payments made for annual leave, sick leave, or severance pay are considered earned income during the month such income is received whether paid during employment or at termination of employment.

(E) Wages that are garnished or diverted and paid to a third party are also counted as income.

(2) **S corporations.** When a household member is a shareholder in an S corporation, he or she may receive profits from the business in two ways; as a salary and/or as a profit share of the business. Both types of income are reported on the household member's personal income tax return. Salary income is considered as earned income and profit share income is considered as unearned income, per (c)(11) of this Section.

(23) **Self-employment.** Self-employment income is calculated based on procedures listed in this subsection.

(A) **Persons considered self-employed.** A person is considered self-employed when:

- (i) he or she declares himself or herself to be self-employed;
- (ii) there is an employer/employee relationship and the employer does not withhold income taxes or Federal Insurance Contributions Act (FICA), even when required to do so by law; or
- (iii) the employer withholds taxes and the person provides proof he or she files taxes as self-employed.

(B) **Records used and income calculation.** The worker uses the records described in (i) through (iii) of this subparagraph to calculate income. When the person reports a loss instead of a profit on the business, the worker does not deduct the loss from other household income.

(i) When the person filed a federal income tax return for self-employment income for the most recent year, whether the person's income is derived from his or her own business or from working for an employer, the worker uses the gross self-employment income shown on the person's federal income tax return, subtracts 50 percent of the income for claimed business expenses, and divides the income by 12 or the number of months the business has existed or the person started working for the employer, when less than 12 months. The worker verifies the person's start date with the employer when the person states he or she has not worked for the employer for at least 12 months.

(ii) When the person did not file an income tax return for the most recent tax year for his or her own business, the worker calculates self-employment income using the person's business records for the last 12 months or the number of months the business has existed when less than 12 months. When the client declares business expenses, the worker subtracts 50 percent of the gross self-employment income to arrive at the net profit.

(iii) When the person works for an employer, did not file a federal tax return as self-employed, and receives earnings from an employer, the person must provide proof of the last 12 months of income from the employer. The worker divides the gross income by 12 or the number of months the person worked for the employer to determine

monthly income. When the person declares business expenses, the worker subtracts 50 percent of the gross self-employment income before dividing the income by the applicable number of months to determine monthly income.

(C) **Profit sharing.** Households who operate S corporations, general or limited partnerships, or limited liability companies (LLC) may receive profit sharing that is reported on the household's personal income tax return. ~~When a household member:~~

(i) ~~actively participates in the operations, the income from profit sharing is considered part of the household's self-employed earned income; or~~ S corporation profit sharing is considered unearned profit sharing income. Refer to Oklahoma Administrative Code (OAC) 340:40-7-11(b)(2) and (c)(11) for information regarding S corporations.

(ii) ~~does not actively participate in the operations, the income from profit sharing is considered part of the household's unearned income.~~ Partnerships are unincorporated businesses with two or more partners. When a household member is a partner in a business, he or she is considered self-employed and not an employee of the business. Each partner receives a profit share from the business. When a business is considered a:

(I) general partnership or LLC with a member-manager, each partner's share of the business income is shown as self-employment income on his or her federal income tax form; or

(II) limited partnership or other LLC member, each partner's share of the business income is shown as self-employment income or unearned profit sharing income on his or her federal income tax form.

(D) **Monthly self-employment income.** Self-employment income received on a monthly basis is normally averaged over a 12-month period. When the averaged amount does not accurately reflect the household's actual monthly circumstances because the household experienced a substantial increase or decrease in income, the worker calculates the self-employment income based on anticipated earnings.

(E) **Seasonal self-employment.** Self-employment income intended to meet the household's needs for only part of the year is averaged over the period of time it is intended to cover.

(F) **Annualized self-employment income.** Self-employment income that represents a household's annual support is averaged and annualized over a 12-month period, even when the income is received in a short time period.

(i) When the average annualized amount does not accurately reflect the person's actual monthly circumstances because the person experienced a substantial increase or decrease in income, the

worker calculates the self-employment income on anticipated earnings.

(ii) The worker does not calculate self-employment income on the basis of prior earnings, such as income tax returns, when an increase or decrease of business has occurred.

(iii) When the person received the self-employment income for less than 12 months, the worker averages the income over the applicable number of months and projects the monthly amount for the coming year.

(G) ~~Income from rental~~ **Rental property income.** ~~Income from rental~~ Rental property income is considered self-employment income.

(H) ~~Income from room~~ **Room and board income.** Payments from roomers or boarders are considered self-employment when the roomer or boarder pays a reasonable amount. ~~When the roomer or boarder is acting in the role of a spouse, OAC 340:40-7-6(b)(4) applies.~~

(34) **On-the-job (OJT) training.** Earned income from regular employment for ~~on the job training (OJT)~~ is considered earned income. This includes OJT provided, per Section 3(44) of the Workforce Innovation and Opportunity Act (WIOA), for persons 19 years of age and older. This does not include classroom or institutional training or WIOA-sponsored intern assignments sponsored by WIOA, even when an hourly amount is paid for such training, per OAC 340:40-7-12(25)(G).

(45) **Title I payments of Domestic Volunteer Services Act.** Payments under Title I of the Domestic Volunteer Services Act of 1973 as amended per Public Law 93-113 are considered income unless excluded, per OAC 340:40-7-12.

(56) ~~Earnings of children~~ **Children's earnings.** ~~Earned income of a~~ minor parent's earned income is treated as adult earned income. Earnings of other children 17 years of age and younger who are under the parental control of an adult household member are excluded, per OAC 340:40-7-12.

(c) **Unearned income.** Unearned income is income a person receives for which the person does not put forth any daily, physical labor. Types of income listed in paragraphs (1) through (10) of this subsection are considered unearned income.

(1) **Assistance payments.** Assistance payments include state means-tested programs, such as Temporary Assistance for Needy Families (TANF), including Supported Permanency benefits, State Supplemental Payment (SSP) to the aged, blind, or disabled, and Refugee Resettlement Program (RRP) cash assistance.

(2) **Pensions, disability, and Social Security benefits.** Annuities, pensions, retirement benefits, disability benefits from either government or private sources, or Social Security survivor benefits are considered unearned income.

(A) When a minor child receiving Social Security benefits no longer lives with the payee receiving the

Social Security benefits, only the portion of the child's Social Security benefit used to meet the minor child's needs is considered income. This may include cash given directly to the minor child or money paid to a third party for room and board for the minor child.

(B) The parent or caretaker or, when appropriate, the minor child must take action to become the payee within the 12 month eligibility period, per OAC 340:40-7-9(d). When the parent, caretaker, or minor child does not take action by renewal, the worker counts the total Social Security benefit as income.

(3) **Supplemental Security Income (SSI).** SSI is considered unearned income.

(4) **Unemployment and workers' compensation.** Income from unemployment insurance benefits or workers' compensation is counted as unearned income.

(5) **Child support, court-ordered or third party paid child care, and alimony.** Child support, child care payments, and alimony payments, whether court-ordered or voluntary, made directly to the household from non-household members are counted as unearned income.

(A) When a child care payment is paid directly to the child care provider, it is not considered income for the client.

(B) When the absent parent reports he or she is paying a portion of the client's family share copayment to the child care provider, the only action taken by the worker is to record this in the case record.

(C) When the absent parent or another third party, such as an employer, is making a payment to the provider in addition to the client's copayment, it is considered an additional copayment that must be met before the Oklahoma Department of Human Services (DHS) makes a subsidy payment to the provider.

(D) Any other payment made to a third party for a household expense must be considered as income when a court order directs the payment be made to the household. Payments for medical support are excluded.

(6) **Veterans' compensation, pensions, or military allotments.** Disability compensation, military allotments, servicemen dependent allowances, and similar payments are considered unearned income.

(7) **Contributions.** Appreciable contributions recurrently received in cash are considered unearned income except when the contribution is not made directly to the client. To be appreciable, a contribution must exceed \$30 per calendar quarter per person.

(8) **Dividends, interest, minerals, and royalties.** Dividends, interest income, income from minerals, royalties, and similar sources are considered unearned income. When income from these sources is received irregularly or in varied amounts, it is averaged over 12 months. Income from royalties is treated as unearned, self-employment income, subject to (b)(2)(3) of this Section.

(9) **Lump sum payments.** Recurring lump sum payments, including income from earnings, are averaged over the period they are intended to cover.

(10) **Irregular income.** Income received irregularly but in excess of \$30 per quarter is considered income unless it is from an excluded income source specifically mentioned at OAC 340:40-7-12. Countable irregular income is averaged over 12 months.

(11) **Profit sharing.** When a household member is a shareholder in an S corporation or a partner in a limited partnership or an LLC, he or she may receive a distribution or profit share of the business. This is considered as unearned income.

340:40-7-12. Sources of excluded income

Only the income listed in this Section is excluded in determining a household's eligibility for a child care benefit. No other income is excluded.

(1) **Lump sum payments.** One-time lump sum payments are excluded as income. Recurring lump sum payments are excluded as a countable income source unless specifically mentioned per Oklahoma Administrative Code (OAC) 340:40-7-11.

(2) **In-kind income.** In-kind income is excluded as income. In-kind income is defined as any gain or benefit that is not in the form of money paid directly to the household. This includes non-monetary or in-kind benefits, such as meals, clothing, public housing, or produce from a garden.

(3) **Money received from the sale of property.** Money received from the sale of property, such as stocks, bonds, or a house or car is excluded. This exclusion does not apply when the person is engaged in the business of selling such property.

(4) **Bank or trust account withdrawals.** Money withdrawn from a bank or trust account is excluded as income even when used to meet current living expenses.

(5) **Capital gains.** The proceeds from the sale of capital goods or equipment are excluded.

(6) **Household income for certain children adopted through Oklahoma Department of Human Services (DHS).** The income of all household members is exempt for a child only when conditions in (A) through (E) are met. The:

(A) child was adopted through DHS or a federally-recognized Indian tribe, as defined by the Federal and Oklahoma Indian Child Welfare Acts, by the parent applying for benefits;

(B) adoptive parent applying for benefits must provide:

(i) a fully executed Form 04AN002E, Adoption Assistance Agreement, listing child care as an adoption assistance benefit for the child;

(ii) Form 04AN033E, Post Adoption Child Care Referral;

(iii) the Final Decree of Adoption; and

(iv) a form of identity;

(C) adoptive parent and child are Oklahoma residents;

(D) child is 5 years of age or younger. When a child turns 6 years of age during the 12-month eligibility

period, household income remains exempt until the next renewal; and

(E) adoptive parent meets an allowable need factor and provides proof, per OAC 340:40-7-7 and OAC 340:40-7-8 ~~and provides proof~~. In a two-parent family, both parents must meet an allowable need factor.

(7) **Household income when at least one child attends an Early Head Start-Child Care (EHS-CC) Partnership (EHS-CCP) grant program or an Oklahoma Early Childhood Program (OECF).** The household income is exempt for all children in care when at least one child attends an ~~EHS-CC Partnership~~ OECF grant program or an OECF and the household meets the income guidelines threshold, per DHS Appendix C-4, Child Care Eligibility/Copayment Chart.

(8) **Earnings of children.** ~~Exclude the~~ The earnings of a person 17 years of age and younger who is considered a child in the case are excluded as long as the child ~~is attending~~ attends school regularly. The exclusion continues to apply during temporary interruptions in school attendance due to semester or vacation breaks, provided the child's enrollment resumes following the break. When the child is a minor parent and the payee, the minor parent's earnings are treated as adult income.

(9) **Irregular income.** Any income received too infrequently or irregularly to be reasonably anticipated is not counted unless it is in excess of \$30 per calendar quarter.

(10) **Reimbursements.** Reimbursements for past or future expenses not exceeding actual expenses are excluded.

(11) **Tax refunds.** Exclude federal or state income tax refunds including Earned Income Tax Credit (EITC) payments.

(12) **Money received for third parties.** Money received and used for the care and maintenance of a third party who is not a household member is excluded.

(13) **Loans.** All loans, including loans from private as well as commercial institutions, are excluded as income. When the household states someone is loaning the household money to meet expenses, a statement signed by both parties is required indicating the payment is a loan and must be repaid. When the household states it receives loans on a recurrent or regular basis from the same source, the lender must sign an affidavit stating the payments are loans that must be repaid or that payments will be made in accordance with an established repayment schedule.

(14) **Grants.** Grants obtained and used under conditions that preclude their use for current living costs are excluded.

(15) **Educational assistance.** Educational assistance is excluded as income and includes, but is not limited to:

- (A) work study;
- (B) scholarships;
- (C) fellowships;
- (D) educational loans when payment is deferred; and
- (E) veterans' education benefits.

(16) **Stipends.** Stipends paid to students participating in the Indian Vocational Education Program through the Carl

D. Perkins Vocational and Applied Technology Education Act are excluded as income.

(17) **Service Corps of Retired Executives (SCORE) and Active Corps of Executives (ACE).** Payment for supportive services or reimbursement of out-of-pocket expenses made to volunteers serving as foster grandparents, senior health aides, senior companions, and to persons serving in SCORE and ACE is excluded as income.

(18) **Government rent or housing subsidies.** Government rent or housing subsidies by government agencies received in-kind or in cash for rent, mortgage payments, or utilities are excluded as income.

(19) **Foster care payments.** Foster care payments received for a foster child in state or tribal custody are excluded as income.

(20) **Title IV E of the Social Security Act or State Adoption Subsidy.** Federal or state funded adoption subsidy payments made to adoptive parents are excluded as income.

(21) **Victims of Crime Act of 1984.** Payments made from the crime victims' compensation program as amended in Section 1402 of the Victims of Crime Act of 1984 and ~~per~~ Section 10602 of Title 42 of the United States Code (42 U.S.C § 10602) are excluded as income.

(22) **Family Support Assistance Payment Program.** Family Support Assistance Payment Program payments paid to persons by ~~the~~ DHS Developmental Disabilities Services are excluded as income.

(23) **Vendor payments.** Vendor payments made directly to the household's creditors, a person, or an organization providing a service to the household, are excluded as income unless a court order or other legally binding agreement specifies the money is to be paid directly to the client.

(24) **Money received by another household for a household member.**

(A) When a child spends part of the month in two separate households and receives countable income, the worker considers the portion of the income received by the household applying for or receiving a child care benefit as income and excludes the remainder.

(B) When a minor parent is the payee and lives with a parent or caretaker, child support received for the minor parent is considered income for the parent or caretaker and not considered for the minor parent's child care benefit.

(25) **Money deposited into or withdrawn from a qualified Oklahoma Achieving a Better Life Experience (ABLE) Program account.** Money deposited into or withdrawn from a qualified ABLE Program account, per Sections 4001.1 through 4001.5 of Title 56 of the Oklahoma Statutes, or a qualified ABLE Program account set up in any other state, per the ABLE Act of 2014 (26 U.S.C. § 529A), is excluded as income when the client:

(A) provides documents to verify the account meets exemption criteria;

Permanent Final Adoptions

- (B) verifies money deposited in the account does not exceed the annual federal gift tax exclusion amount, per 26 U.S.C. § 2503(b). Any money deposited in the account in the calendar year that is in excess of the annual federal gift tax exclusion amount is considered as countable income in the amount deposited; and
- (C) verifies withdrawals from the account were used to pay qualified disability expenses. Money withdrawn for reasons other than to pay qualified disability expenses is considered as income for the month of withdrawal.
- (26) **Income excluded by federal law.** Income excluded by federal law is defined as:
- (A) payments received under Title II of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970;
- (B) payments received:
- (i) under the Alaska Native Claims Settlement Act, Public Law (P. L.) 92-203, § 21(a);
 - (ii) under the Sac and Fox Indian Claims Agreement, P.L. 94-189;
 - (iii) from the disposition of funds to the Grand River Band of Ottawa Indians, per P.L. 94-540;
 - (iv) by members of the Confederated Tribes of the Mescalero Reservation, per P.L. 95-433;
 - (v) under the Maine Indian Claims Settlement Act of 1980 to members of the Passamaquoddy and the Penobscot Nation, P.L. 96-420; or
 - (vi) by an individual as a lump sum or a periodic payment via the Cobell Settlement, per the Claims Resolution Act of 2010, P.L. 111-291;
- (C) any payment to volunteers under Title II, Retired and Senior Volunteer Program, Foster Grandparents and others, of the Domestic Volunteer Services Act of 1973, P.L. 93-113 as amended. Payments under Title I of that Act, Volunteers in Service To America, University Year for Action, and Urban Crime Prevention Program, to volunteers are excluded only when the monthly amount, converted to an hourly rate, is less than the Oklahoma minimum wage;
- (D) income derived from submarginal land of the United States held in trust for certain Indian tribes, per P.L. 94-114, Section 6;
- (E) Indian per capita payments distributed from judgment awards and trust funds, made per P.L. 98-64. ~~Also excluded is any interest~~ Interest or investment income accrued on such funds while held in trust or any purchases made with judgment funds, trust funds, interest, or investment income accrued on such funds is excluded. Any per capita payments, headrights of the Osage tribe, income from mineral leases or other tribal business ventures are excluded as long as the payments are paid per capita. Any interest or income derived from the funds after distribution is considered as any other income. The per capita exclusion applies per person rather than per family;
- (F) income up to \$2,000 per year received by individual Indians derived from leases or other uses of individually-owned trust or restricted lands, is not counted as income. The income exclusion applies to calendar years beginning January 1, 1994. Any remaining disbursements from the trust or restricted lands are considered income;
- (G) allowances, stipends, earnings, compensation in lieu of wages, grants, and other payments made for participation in the Workforce Innovation and Opportunity Act (WIOA) or other federally-funded workforce training program to persons of all ages and student status with the exception of income paid to persons 19 years of age and older for on-the-job training. This income is treated as any other earned income, per OAC 340:40-7-11(b)(4);
- (H) payments, allowances, or earnings to persons participating in programs under Title I of the National and Community Service Trust Act of 1993. Title I includes three Acts: Serve-America, The Community Service, Schools and Service-Learning Act of 1990; the American Conservation and Youth Service Corps Act of 1990; and the National and Community Service Act. Most of the payments are made as a weekly stipend or for educational assistance. The Higher Education Service-Learning Program and the AmeriCorps Umbrella Program come under this Title. This includes AmeriCorps income;
- (I) payments or allowances made under any federal law for the purpose of energy assistance, Low Income Home Energy Assistance Program (LIHEAP), and utility payments and reimbursements made by the Department of Housing and Urban Development (HUD) and the Farmers Home Administration (FmHA);
- (J) the amount of the mandatory salary reduction of military service personnel used to fund the G.I. Bill;
- (K) ~~all funds paid to persons under the Community Service Employment Program under benefits from State and Community Programs on Aging, per Title III and Title V, P.L. 100-175 of the Older Americans Act of 1965 as amended by P.L. 114-144, Older Americans Act Reauthorization Act of 2016. This program is authorized by the Older Americans Act.~~ Each state and various organizations receive ~~some~~ Title V funds. These organizations include:
- (i) Experience Works, ~~formerly Green Thumb~~;
 - (ii) National Council on Aging;
 - (iii) National Council of Senior Citizens;
 - (iv) American Association of Retired Persons Foundation;
 - (v) United States (U.S.) Forest Service;
 - (vi) National Association for Spanish Speaking Elderly;
 - (vii) National Urban League;
 - (viii) National Council on Black Aging; and

- (ix) National Council on Indian Aging;
- (x) Asociación Nacional Pro Personas Mayores;
- (xi) Associates for Training and Development, Inc.;
- (xii) American Samoa;
- (xiii) Easter Seals, Inc.;
- (xiv) Goodwill Industries International, Inc.;
- (xv) Institute for Indian Development;
- (xvi) National Able Network;
- (xvii) National Asian Pacific Center on Aging;
- (xviii) National Caucus and Center on Black Aged, Inc.;
- (xix) National Older Worker Career Center;
- (xx) Operation A.B.L.E. of Greater Boston, Inc.;
- (xxi) Senior Service America, Inc.;
- (xxii) SER-Jobs for Progress National, Inc.;
- (xxiii) Workplace, Inc.; and
- (xxiv) VANTAGE Aging;
- (L) payments made from the Agent Orange Settlement Fund or any other fund established pursuant to the settlement In Re Agent Orange Product Liability Litigation, M.D.L. No. 381 (E.D.N.Y.);
- (M) payments received under the Civil Liberties Act of 1988. These payments are made to persons of Japanese ancestry who were detained in internment camps during World War II;
- (N) payments made from the Radiation Exposure Compensation Trust Fund as compensation for injuries or deaths resulting from exposure to radiation from nuclear testing and uranium mining;
- (O) payments for the fulfillment of a Plan for Achieving Self-Support under Title XVI of the Social Security Act;
- (P) payments made to persons because of their status as victims of Nazi persecution;
- (Q) payments made for the Experimental Housing Allowance Program under Annual Contributions Contracts entered into prior to January 1, 1975, per Section 23 of the U.S. Housing Act of 1937 as amended;
- (R) monetary allowances provided to certain children of Vietnam War veterans, per Chapter 18 of Title 38 of the United States Code;
- (S) federal funds distributed by Federal Emergency Management Assistance (FEMA) due to a disaster or emergency to persons directly affected by the event. This exclusion also applies to comparable disaster assistance provided by states, local governments, and disaster assistance organizations. For payments to be excluded, the disaster or emergency must be declared by the President of the United States;
- (T) the value of the food benefit allotment under the Food and Nutrition Act of 2008; ~~and~~
- (U) the value of supplemental food assistance under the Child Nutrition Act of 1966 and the special

food services program for children under the National School Lunch Act of 1970, both as amended, per Omnibus Budget Reconciliation Act of 1981; and (V) income received by a member of the United States Armed Forces, per 37 U.S.C. Chapter 5 and per 273.9(c)(20) of Title 7 of the Code of Federal Regulations that is:

- (i) received in addition to the service member's basic pay during combat deployment;
- (ii) received as a result of the service member's deployment or service in an area designated as a combat zone as determined per Executive Order or P.L.; and
- (iii) not received by the service member prior to the service member's deployment to or service in a federally designated combat zone.

340:40-7-13. Computation of income

(a) **Ongoing income.** Income from an ongoing source received regularly but in amounts that vary, or income received irregularly, is averaged over a minimum of 30-calendar days unless the client has not received at least 30-calendar days of representative income. This includes overtime pay, irregular child support, and other occasional increases or decreases in monthly gross income. When income is received more often than once per month, the income is converted to a monthly amount.

(b) **Income verification.** The worker verifies the household's income using the best available information.

(1) When at application or renewal the person received at least 30-calendar days of income, the best available information is normally the person's pay stubs or an employer statement. When neither source is available, the worker uses whatever records are available that best establish the income already received and expected for future months.

(2) When the client's ongoing employment income changed and the last 30-calendar days of income is not indicative of future earnings, the best available information may be an employer statement. When work hours remain the same but the client received a pay raise, the worker averages the person's work hours over the last 30-calendar days and multiplies the averaged hours by the new pay rate.

(3) For earned income, pay stubs are used for verification only when the client's name or Social Security number, date(s) of the pay period, and amount of income before deductions are shown on the pay stub. When this information is not shown on the pay stub, or pay stubs are not available, phone contact with the employer or an employer statement is required.

(4) When a household member starts a new job, the worker verifies the person's start date, date the first full paycheck is expected to be received, hourly rate, and anticipated number of hours per week.

(c) **Income calculations at initial certification.** For an initial certification, the worker calculates income using procedures in (1) through (4).

Permanent Final Adoptions

(1) When household income is ongoing, the worker uses actual income received for the approval month, except when:

(A) all income for the month has not been received and verified. When this occurs, the worker uses any full representative paychecks to anticipate income not yet received for the approval month and future months; or

(B) the person received an additional check in the approval month due to a third or fifth week. When this occurs, the worker averages the last 30-calendar days of income for the approval month and future months.

(2) When income is ongoing and actual income is used for the approval month, the worker averages the last 30-calendar days of representative income and converts it to a monthly amount for the following month.

(3) When income is from a new source and the person did not receive any income as of the approval date, the worker does not consider income for the approval month per Oklahoma Administrative Code (OAC) 340:40-7-10.

(A) Income expected to be received in the month following the approval month is anticipated and considered when a full check is expected to be received on or before the first of the month following the approval month.

(B) When only partial earnings are expected to be received in the month following the approval month, earnings are not considered until the next month.

(4) The worker adds together all countable earned and unearned income to arrive at the household's gross income.

(d) **Income calculation at renewal.** To calculate income at renewal, the worker determines eligibility based on circumstances anticipated for future months using the best information available.

(1) The worker adds together all countable earned and unearned income to arrive at the household's gross income.

(2) When the household reports earned income from a new source at renewal, the worker considers the earned income effective the first month a full check is expected to be received by the first of that month.

(e) **Income deduction.** After computing gross income, the worker subtracts any verified, legally-binding child support payments paid by a household member to or for a non-household member, including child support and child care support payments made to a third party on behalf of the non-household member.

(f) **Income eligibility guidelines threshold.** The worker uses Oklahoma Department of Human Services Appendix C-4, Child Care Eligibility/Copayment Chart, ~~Schedule I-A or I-B,~~ to determine if the household meets the income guidelines threshold for initial certifications and Schedule II to determine ongoing eligibility per Section 98.21(b)98.20(a)(2) of Title 45 of the Code of Federal Regulations ~~and OAC 340:40-5-1(8).~~

340:40-9-1. Renewal of child care eligibility

(a) **Child care renewal.** The client must complete the child care renewal at the end of the 12-month eligibility period in order to continue receiving benefits per Section 98.21(a) of Title 45 of the Code of Federal Regulations (45 C.F.R. § 98.21(a)). Refer to Oklahoma Administrative Code 340:40-9-2(f) for reasons child care is closed prior to the renewal. At renewal, the client is sent a computer-generated notice informing the client:

- (1) the renewal is due;
- (2) the methods the client may use to complete the renewal;
- (3) types of verification that may be required; and
- (4) when benefits close if the renewal is not completed.

(b) **Renewal time frame.** A child care renewal is due no earlier than 12 months from the approval date or the last renewal unless the client receives Supplemental Nutrition Assistance Program food benefits and benefits must be synchronized per (g) of this Section.

(c) **Signature requirement.** The client or the client's authorized representative must sign the renewal.

(d) **Interview requirement.** An interview is not required at renewal for the Child Care Subsidy Program.

(e) **Eligibility determination.** An eligibility determination is made once the renewal is signed and all required verification is provided and evaluated.

(1) The eligibility determination results in:

- (A) completing the renewal without changes;
- (B) completing the renewal with changes; or
- (C) closing the child care benefits.

(2) Benefits, when closed, may be reopened when the client provides required information within 30-calendar days of closure.

~~(f) **Graduated phase-out of subsidized care.** When the household's income at renewal exceeds state income guidelines but remains below federal income guidelines, the household is eligible to receive 12 more months of subsidized care. The family share copayment is increased per Oklahoma Department of Human Services Appendix C-4, Child Care Eligibility/Copayment Chart.~~

~~(g) **Synchronization of benefits.** When the client receives other Adult and Family Services benefits in addition to the subsidized child care benefits, certification and renewal dates must be coordinated with the other programs.~~

340:40-9-2. Case changes

(a) **Change reporting.** Between eligibility determinations, per Section 98.21(e)(1) of Title 45 of the Code of Federal Regulations (45 C.F.R. § 98.21(e)(1)), the household must report within 10-calendar days of the change occurring, when the household's gross income exceeds ~~federal~~ the income eligibility threshold for the household family size, per Oklahoma Department of Human Services (DHS) Appendix C-4, Child Care Eligibility/Copayment Chart, ~~Schedule II.~~

- (1) A computer-generated notice issues at certification and renewal informing the client of the current ~~federal~~ income eligibility threshold for his or her family size and

SUBCHAPTER 9. PROCEDURES RELATING TO CASE CHANGES

instructs the client to report when the household income exceeds this amount.

(2) When the client fails to report an income increase timely that, if reported, would have resulted in benefit closure, the worker makes an overpayment referral to Adult and Family Services Benefit Integrity and Recovery per Oklahoma Administrative Code (OAC) 340:40-15-1.

(b) **Action taken on reported changes.** The worker must act on all changes reported by the household between renewal periods. Benefits do not decrease unless the client requests a decrease to avoid or reduce an overpayment or the reported change results in closure of the child care benefit per (f) of this Section.

(c) **Changes that increase subsidized child care benefits.** When the client reports a change within 10-calendar days of the change that increases the amount of child care approved or decreases the family share copayment, the client and the worker jointly plan the effective date of the change. When the client does not report the change within 10-calendar days of the change, the earliest date the worker increases the subsidized child care benefits is the first day of the month in which the client reports the change.

(d) **Additional child request.** When an additional child requires subsidized child care benefits, the worker completes the request within two-business days of the client providing all necessary verification to determine eligibility. When eligible, the child may be approved for subsidized child care benefits beginning with the date of request.

(e) **Change in provider.** When a client reports a change in provider, the change is effective the date the change in provider occurs, regardless of whether the client reports the change timely. The worker completes provider changes within two-business days of the date the client reports the change.

(f) **Closure of subsidized child care benefits.** When the client is no longer eligible for subsidized child care benefits, the closure date varies depending on circumstances. Refer to DHS Appendix B-2, Deadlines for Case Actions, for advance-notice deadline dates.

(1) The worker closes the subsidized child care benefits effective 10-calendar days from the date action is taken, when the:

- (A) payee for the child care benefit changes. When this occurs, a new application is needed per OAC 340:40-3-1(a)(1)(C);
- (B) only child(ren) approved for subsidized child care leaves the home;
- (C) client already received income in excess of the federal ~~exit~~ income threshold per DHS Appendix C-4, ~~Schedule H~~;
- (D) client moves out of state; or
- (E) client was approved for child care in error.

(2) The worker closes the child care benefit effective the last day of the current calendar month when the client's anticipated income for the next month is expected to exceed the ~~federal~~ income ~~guidelines~~ eligibility threshold, per 45 C.F.R. § 98.21(e)(1) and DHS Appendix C-4, ~~Schedule H~~.

(3) The worker closes the child care benefit effective the last calendar day of the renewal month when:

- (A) the client does not meet a need factor;
- (B) the client is not pursuing child support or other potential income per OAC 340:40-7-9;
- (C) the child reached the maximum age limit per OAC 340:40-7-3; or
- (D) an adopted child turned 6 years of age and the family income must now be considered per OAC 340:40-7-12. In this circumstance, a new application is required per OAC 340:40-3-1(a)(1)(D).

(4) When the client receives Temporary Assistance for Needy Families (TANF) related subsidized child care per OAC 340:40-7-8(e) and stops meeting a need factor, the worker closes the child care benefit effective 90-calendar days from the date the client stops participating.

(5) When a client stops participating in Supplemental Nutrition Assistance Program Employment and Training activities per OAC 340:40-7-8(d) and does not meet another need factor, the worker closes the child care benefit effective 90-calendar days from the date the client stops participating.

(6) When the client requests closure of the child care benefit, the earliest date the worker closes the child care is the date action is taken.

(7) When the client does not complete the benefit renewal timely, the system closes the child care benefit effective the last day of the renewal month.

(g) **Reopen action.** When a client's subsidized child care benefits close, benefits may be reopened within 30-calendar days of the closure effective date using current eligibility information unless the client must complete a new application per OAC 340:40-3-1(a)(1). Child care benefits are not decreased unless the renewal is due per 45 C.F.R. § 98.21(a).

SUBCHAPTER 10. ELECTRONIC BENEFIT TRANSFER (EBT) SYSTEM FOR CHILD CARE

340:40-10-1. Electronic benefit transfer (EBT) system for child care

(a) The EBT system used for child care ~~is used to track~~ tracks time and attendance for a child ~~using~~ receiving subsidized child care and ~~to process~~ processes provider child care payments ~~sent to child care providers~~. This system involves use of an EBT card by a client or authorized representative to document attendance by swiping the card through a point-of-service (POS) machine at the child care facility. The client ~~is able to~~ swipes real-time attendance or ~~can enter~~ enters previous in and out times for up to ~~ten~~ 10-calendar days, the current day and nine previous days. The system works best if when all or most of the client's swipes are completed real time.

(b) The county EBT specialist issues an EBT card to a child care applicant ~~is issued an EBT card~~ at the time ~~a request is made~~ or she applies for a child care benefit and views an EBT training video.

(c) Only two EBT cards ~~can be~~ issued per Adult and Family Support Services Division (FSSD) child care case;

Permanent Final Adoptions

one card for the parent or caretaker and one for an authorized representative. The authorized representative can be the other parent or someone else who helps the client take the child to ~~and~~ pick the child up ~~the child~~ from the child care facility. The client is responsible for all swipes made by the authorized representative. The authorized representative ~~cannot~~ must never be the child care provider or anyone who is employed by the child care provider.

(d) Two EBT cards can be issued per child in a Child Welfare case ~~if when~~ each child in the case is residing with different foster parents.

340:40-10-2. Client, worker, and provider electronic benefit transfer (EBT) responsibilities

(a) **Client EBT responsibilities.** Client EBT responsibilities include:

- (1) ~~watching~~ viewing the client training video;
- (2) swiping correct attendance days and times with his or her EBT card through the provider's point-of-service (POS) machine within ~~ten~~ 10-calendar days, current day and previous nine days;
- (3) checking the message on the POS machine after each swipe to see if it is approved, denied, ~~or~~ pending, or pending different provider. ~~If When~~ the message shows denied or pending different provider, the client is responsible to report the problem to the worker right away;
- (4) not swiping attendance for any day the child does not attend child care;
- (5) not giving the EBT card or personal identification number (PIN) to anyone else, including the child care provider; and
- (6) paying for care the Oklahoma Department of Human Services (~~OKDHS~~) (DHS) does not pay because:
 - (A) the client did not swipe attendance timely for days and times his or her child attended child care;
 - (B) swipes were denied and the client did not get them corrected within ~~ten~~ 10-calendar days; or
 - (C) the provider loses the absent day payment for a weekly authorization because the client did not swipe correct attendance for every day that the child attended care for a given month.

(b) **Worker EBT responsibilities.** Worker EBT responsibilities include:

- (1) ensuring that ~~the client reads and states he or she understands~~ clients read and state they understand the EBT responsibilities shown on the application;
- (2) arranging for ~~the client~~ clients to receive ~~his or her~~ their EBT ~~card~~ cards and ~~watch~~ view the training video as soon as possible after the child care request is submitted;
- (3) ~~if the client chooses an authorized representative,~~ arranging for ~~that person~~ authorized representatives to receive ~~his or her~~ their EBT ~~card~~ cards and ~~watch~~ view the training video as ~~quickly~~ soon as possible;
- (4) acting on swipe errors reported by ~~the client~~ clients as soon as they are reported;

(5) acting on reports of misuse of the EBT card as soon as they are reported, per ~~policy at OAC~~ Oklahoma Administrative Code 340:40-10-3 ~~as soon as they are reported~~.

(c) **Provider EBT responsibilities.** Provider responsibilities include:

- (1) never ~~being in possession of~~ possessing or swiping a client's EBT card through the POS machine;
- (2) never moving the POS machine to another location without receiving prior written approval from ~~OKDHS~~ DHS Adult and Family Support Services Division Child Care Section Subsidy;
- (3) requiring clients to swipe attendance as child care is used;
- (4) never asking or requiring a client to swipe attendance for a day the child does not attend; and
- (5) ensuring ~~that~~ claimed attendance submitted via the EBT system is correct and voiding any incorrect transactions within the ~~ten~~ 10-calendar day swipe limit, current day and previous nine days.

340:40-10-3. Misuse of the electronic benefit transfer (EBT) card

- (a) When the worker becomes aware that the client or the authorized representative of the client is misusing his or her EBT card, the worker cancels that EBT card.
- (b) Misuse can occur when the client or authorized representative gives his or her EBT card to another person, such as the child care provider, to swipe attendance or when the client knowingly swipes incorrect attendance dates and times.
- (c) Before the EBT specialist issues a new EBT card, the client or authorized representative must view the EBT training video regarding proper use of the EBT card again ~~and sign Form 08EB005E, Access Oklahoma Card Violation~~.

340:40-10-4. Child care electronic benefit transfer (EBT) payment process

- (a) **Child care payments.** The Oklahoma Department of Human Services (~~OKDHS~~) (DHS) makes payments for child care services to providers electronically using the electronic benefit transfer (EBT) system unless the provider is an in-home provider. ~~These~~ In-home providers are paid manually via the EBT system after submitting Form 10AD121E, Child Care Claim.
- (b) **Point-of-service (POS) machines.** Contracted child care providers are issued a POS machine within ~~ten~~ 10-calendar days of the date the worker authorizes care for a child and the provider notifies the ~~OKDHS~~ DHS contractor that he or she ~~is beginning to care~~ started caring for a child eligible for ~~an~~ OKDHS subsidy DHS subsidized child care and submits all necessary forms to the contractor.
- (c) **Attendance swiping.** Clients record actual times their child attends child care by swiping an EBT card through the POS machine. Providers ~~can~~ may charge clients for care provided on days they fail to bring their EBT card or when the machine message shows care is denied. ~~If When~~ the client pays for care that is later approved for that date(s), the provider must

reimburse the client for any care paid for by the client above the family share ~~co-payment~~ copayment amount.

(1) Providers must monitor the POS machine to ensure correct attendance times are recorded. ~~If~~ When incorrect times are recorded, the provider can void the incorrect transaction and ask the client to start over.

(2) When clients forget to swipe their EBT card for a day their child attends care, record incorrect times that are voided by the provider, or receive a denied error message, the system allows the client to swipe previous in and out times for the current day and the previous nine days.

(3) Based on attendance recorded and the level of care authorized, electronic settlements to providers are made weekly.

(d) **EBT payment week.** The EBT payment week begins every Sunday at 12:01 a.m. and ends every Saturday at midnight. Electronic settlements are made each week in the provider's designated financial institution account on Tuesday morning for services provided two weeks prior to the current week. ~~If~~ When the financial institution is closed on Monday or Tuesday or Monday is a holiday, the electronic settlement is deposited on Wednesday morning.

(e) **Manual claims process.** When the provider reports he or she was not paid correctly, the provider may submit Form 10AD121E ~~or ask the client's worker to submit Form 10EB004E, Report of EBT Child Care Payment Adjustments,~~ to the DHS Financial Services Electronic Payment Services (EPS) Unit of the Finance Division for a manual adjustment. Manual claims must be submitted within 90-calendar days of the error. EPS staff ~~evaluate~~ evaluates whether to adjust the payment to the provider based on the reason care was not paid electronically.

(1) ~~If~~ When the client did not attempt to record attendance electronically, ~~no payment is made to~~ DHS does not pay the provider for those days ~~swipes are not recorded~~ unless extenuating circumstances beyond the client's or provider's control exist. These extenuating circumstances must be documented on Form 10AD121E.

(2) ~~If the client swiped correct attendance times but swipes were denied in error,~~ EPS staff makes manual adjustments when the:

(A) client swiped correct attendance times, but swipes were denied in error;

~~(3B) If the family share co-payment~~ copayment applied by the EBT system was incorrect, ~~EPS staff makes manual adjustments;~~ or

~~(4C) If the provider was paid the wrong rate because;~~

(i) of incorrect coding of the child care plan was incorrectly coded;

(ii) an incorrect birth date ~~shown~~ was entered for a child; or

(iii) an incorrect star status was paid, ~~EPS staff makes manual adjustments.~~

(f) **Absent-day payments.** Providers can be paid an absent-day payment for a child who misses some days of scheduled attendance and is authorized for a weekly unit type. An absent-day payment is electronically deposited in the

provider's account in their weekly settlement received after the ~~tenth~~ 10th day of the month following the month care was given. To be eligible to receive this additional payment, the child must be approved for a weekly unit type and attend the minimum number of full-time days shown on ~~OKDHS~~ DHS Appendix C-4-B, Child Care Provider Rate Schedule, for that month. The provider is not eligible for an absent-day payment ~~if~~ when the child did not attend the minimum number of full-time days for that calendar month or attended the maximum days paid ~~also~~ as shown on ~~OKDHS~~ DHS Appendix C-4-B.

SUBCHAPTER 13. CHILD CARE RATES AND PROVIDER ISSUES

340:40-13-3. Child care payments and rates

(a) The Oklahoma Department of Human Services (DHS) contracts to purchase out-of-home child care services for children only with licensed providers who:

- (1) post rates and fees;
- (2) sign and comply with all the terms of Form 08CC001E, Child Care Provider Contract;
- (3) ~~have~~ participated in mandatory contract training; and
- (4) have access to an account at a financial institution for electronic benefit transfer (EBT) purposes.

(b) Per Section 85.44B of Title 74 of the Oklahoma Statutes, DHS cannot make advance payments to child care providers.

(c) The rates paid by DHS are described on DHS Appendix C-4-B, Child Care Provider Rate Schedule, and determined by:

- (1) the child's age;
- (2) the settings in which the care is provided that in- clude:
 - (A) the child's own home;
 - (B) a child care center; or
 - (C) a child care home;

(3) whether the child has disabilities and the provider is approved for the special needs rate unit type. The special needs rate is added to the applicable rate a child care provider receives for a typical child of the same age after the Form 08AD006E, Certification for Special Needs Child Care Rate, Certification for Special Needs Child Care Rate for Licensed Child Care Homes and Centers, approval process is followed;

(4) whether the care is provided full-time, over four hours per day, or part-time, four hours or fewer per day;

(5) whether the worker approves a full-time daily, part-time daily, a combination of full-time and part-time daily, blended, or a weekly unit; and

(6) ~~the county in which the provider is located;~~ and

(7) whether the facility qualifies for a differential quality rate.

(d) The in-home child care rate is paid for children cared for in their own homes. The in-home rate is shown on DHS Appendix C-4-B for the child's age. ~~If~~ When a child is eligible for the severe or moderate special needs rate, this additional amount is added to the applicable in-home rate for that child.

Permanent Final Adoptions

(e) When the child is cared for in an out-of-home child care center or home, the allowable rate is the amount as shown on DHS Appendix C-4-B.

(f) Care may only be authorized at one facility per day per child. ~~If~~When the client uses care at two different providers for the same day for the same child, DHS staff approves care at only one of the facilities. The parent or caretaker may use care at two different providers for the same child when care is needed on different days of the week.

(g) Charges are authorized and payment is made only when the care provided is in accordance with the jointly developed child care plan between the client and DHS.

(h) Age-driven rate changes are effective the first of the month following the child's birth date.

(i) A change to add the higher special needs rate to the applicable daily rate is effective the first of the month following the month eligibility for this rate is determined.

(j) A child care provider may be approved for a differential quality rate ~~if~~when he or she meets the criteria for this rate. This rate is approved effective the first of the month following the month Oklahoma Child Care Services licensing staff approves the provider for the rate. The rate is designated on DHS Appendix C-4-B by its star status.

340:40-13-5. Child care provider contracts

(a) **Criteria.** A child care facility owner and the Oklahoma Department of Human Services (DHS) director or his or her designee must sign Form 08CC001E, Child Care Provider Contract, before DHS pays for out-of-home child care services. By signing the contract, the provider agrees to not take into account a person's race, color, religion, sex, national origin, or disability in deciding which children to accept in the child care program or in how services are provided to them. Age may be a factor only to the extent that certain services are designed for a particular age group.

(1) Written complaints of noncompliance with the assurance in (a) of this Section may be made to the DHS Director or to the Secretary of Health and Human Services, Washington, D.C., 20201.

(2) Local Child Care Services (CCS) licensing staff provides initial contract information for child care facilities. The provider contacts Adult and Family Services (AFS), Child Care Subsidy staff to request a contract.

(3) Child care contracts are valid for a maximum of one year. Contracts may be renewed at the sole option of DHS for successive one year terms per (g) of this Section.

(b) **License and star status for child care centers and homes.** DHS does not contract with child care providers located out-of-state. Child care providers may only obtain a DHS contract after they are licensed or permitted.

(1) A child care center provider requesting a contract must have a license or permit and a one plus or higher star status.

(2) A child care home provider requesting a contract must have a license or a permit.

(A) When licensed, the child care home provider must have a star status of one star or higher.

(B) When on permit, the child care home provider must have a star status of one star plus or higher.

(c) **Procedure for obtaining child care contracts.** The procedures in (1) through (5) of this subsection are used to obtain child care contracts.

(1) CSS licensing staff gives the child care provider DHS Publication 07-12, "Obtaining a Contract with OKDHS for Child Care Subsidy Payments" and instructs the provider to contact AFS Child Care Subsidy to obtain a DHS child care contract.

(2) When contacted by the owner of a child care facility, AFS Child Care Subsidy staff explains to the owner or responsible person authorized to sign the contract that he or she must provide documents listed in (A) through ~~(C)~~(D) of this paragraph before signing a contract. Documents include a copy of:

(A) the owner's Social Security card;

(B) a document from the Internal Revenue Service verifying the employer identification number for a child care center provider and a home provider who is not a sole proprietor; ~~and~~

(C) the certificate of completion of the required online "Orientation to Child Care Subsidy Contracts" training; and

(D) ownership verification.

(3) Once the owner provides the required documents, AFS Child Care Subsidy staff sends Form 08CC001E to the provider and explains that the earliest date a contract is valid is the date of approval by the DHS Director or designee.

(4) The owner or person authorized to sign the contract signs and returns the contract to AFS Child Care Subsidy.

(5) AFS Child Care Subsidy staff processes the contract request for approval or denial.

(A) When approved, AFS Child Care Subsidy staff assigns a contract number and sends a copy of the signed contract to the provider.

(B) When denied, AFS Child Care Subsidy staff sends a letter to the provider.

(d) **Changes the provider must report.** Form 08CC001E informs child care providers of changes they must report to AFS Child Care Subsidy no less than 30-calendar days prior to the effective date of any changes. When the provider fails to report the anticipated change timely and a new contract is needed, a gap may occur in the child care subsidy payment to the provider. Changes that must be reported include:

(1) collaborations or agreements;

(2) change of ownership;

(3) change of legal business entity;

(4) change in facility status;

(5) legal name change of the business;

(6) plan to stop caring for children; ~~and~~

(7) reduction of star status;

(8) changes in the responsible person authorized to sign the contract or a legal name change of that person;

(9) disqualification, suspension, or debarment from the Child and Adult Food Care Program or any other federal program;

(10) when a person who has ownership or an employment relationship with the provider is convicted of a criminal offense; and

(11) provider change of address.

(e) **Changes that require a new contract.** A new contract is required when changes listed in (1) through (3) of this subsection occur.

(1) **Change in ownership.** A change in ownership occurs when the owner of a child care center or child care home changes.

(2) **Change of legal business entity.** A change of legal business entity is a change from one legal business entity type to another. Refer to Appendix L-7, Ownership Proof Chart, for a list of legal business entity types.

(3) **Change in facility status.** A change in facility status occurs when a child care home changes to a child care center or a child care center changes to a child care home.

(f) **Providing care at a different site than is authorized.** When the child care provider signs the child care contract, he or she agrees to provide care only at the physical address designated in the contract.

(1) After obtaining prior written approval from AFS Child Care Subsidy staff, a child care center provider owning more than one child care center may be authorized to move children receiving subsidized child care benefits and the point-of-service (POS) machine to an alternate center for a designated period of time.

(2) AFS Child Care Subsidy staff may provide written approval when (A) through ~~(D)~~(E) of this paragraph are met.

(A) The same owner or legal business entity operates the alternate site.

(B) The alternate site is licensed and contracted at the same star level and the provider has adequate licensed capacity at the alternate site.

(C) There is a legitimate business reason for providing care in another location.

(D) The provider advises AFS Child Care Subsidy staff how he or she is ensuring parents are aware their children are being cared for at a different location.

(E) The provider advises AFS Child Care Subsidy staff of the date of expected return to the contracted site.

(g) **Child care contract renewal.** Child care contracts may be renewed at the sole option of DHS for successive one-year terms, under the same terms and conditions, unless DHS makes changes to Form 08CC001E. The child care contract is not renewed when:

(1) the provider or DHS gives written notice of its intent not to renew to the other party at least 30-calendar days prior to the expiration of the previous contract term; or

(2) during the contract renewal period, the provider fails to:

(A) complete all required contract training; or

(B) provide any other information or documents requested.

(h) **Contract violations.** By signing the child care provider contract, Form 08CC001E, the child care provider agrees to abide by the terms of the contract. When local county staff becomes aware a provider is violating the terms of the contract, he or she emails the circumstances to AFS Child Care Subsidy staff. Local county staff may also complete Form 19MP001E, Referral Form, to report the violation to the Office of Inspector General. Examples of contract violations include, but are not limited to:

(1) discriminating against persons seeking services by charging a discriminatory rate or violating a person's rights as listed in the Civil Rights Act of 1964 as amended, the Rehabilitation Act of 1973 as amended, or the Americans with Disabilities Act of 1990, as amended;

(2) failing to maintain a drug-free workplace;

(3) operating over licensed capacity;

(4) possessing or swiping a client's electronic benefit transfer (EBT) card;

(5) knowing a client's EBT personal identification number (PIN);

(6) refusing unlimited access by a parent or caretaker to the areas of the facility used for child care during the hours of operation;

(7) failing to ensure the parent or caretaker records accurate time and attendance information on the POS machine. During the school year when a child is approved for a blended unit type or any time part-time care is approved, the parent or caretaker is only required to enter one swipe per day to record attendance because the number or hours the child attends does not affect provider payment;

(8) charging a client receiving subsidized child care more than the DHS rate for days and hours ~~within the client's child care plan~~ authorized by DHS;

(9) charging a client receiving subsidized child care an allowable fee when not charged to non-DHS participants;

(10) failing to post all of the facility's rates and fees;

(11) charging or requiring a client to swipe attendance for days and hours outside of client's child care plan when those days and hours are a requirement of the provider, not a choice of the client;

(12) failing to advise and provide DHS a completed copy of any collaboration or agreement the provider enters into within 30-calendar days of signing the collaboration or agreement. This includes agreements with Head Start, Early Head Start, public schools, or other programs receiving federal or state funding;

(13) claiming or receiving payment from DHS for any hours of care the provider is not charging all parents for care because provider receives federal or state funds for those hours. Refer to Oklahoma Administrative Code (OAC) 340:40-5-1(7) regarding collaborations;

(14) claiming payment for care given for any hours in an unlicensed collaborative classroom;

(15) moving the children from the agreed upon location shown in the contract and claiming for services at the other location without prior, written approval from AFS Child Care Subsidy staff;

(16) moving the POS machine without receiving prior, written approval from AFS Child Care Subsidy staff per subsection (f) of this Section;

(17) failing to inform DHS of a change in facility status, legal business entity, or ownership of the business, or the responsible person at least 30-calendar days in advance of the change;

(18) failing to inform DHS in writing within 10-calendar days of any person who has an ownership or controlling interest in, or is an agent or managing employee of the child care business, who was convicted of a criminal offense related to such person's involvement under Titles XVIII, XIX, or XX of the Social Security Act;

(19) failing to allow full access to the facility's premises and personnel to investigate a complaint;

(20) failing to report the income from the child care business within 10-calendar days to his or her AFS worker when receiving benefits;

(21) claiming payment for care given by a home provider for an employee's child. Refer to OAC 340:40-5-1(7);

(22) subcontracting services to another provider; or

(23) breaching the contract signed by the provider with the DHS EBT contractor.

(i) **Cancellation of child care provider contracts.** AFS Child Care Subsidy staff initiates the cancellation by issuing a notice to the provider. When AFS cancels a contract, all open child care authorizations for the provider close automatically. Contracts may be cancelled:

(1) with cause. The effective date of cancellation is 13-calendar days after AFS Child Care Subsidy staff mails the notice. This allows three-calendar days for mailing time. The notice must contain a reference to the grounds for cancellation including the specific contract provision(s) violated; or

(2) without cause. The effective date of cancellation is 33-calendar days after AFS Child Care Subsidy staff mails the notice. This allows three-calendar days for mailing time.

SUBCHAPTER 16. IMPROPER PAYMENTS ERROR RATE REVIEW PROCESS

340:40-16-1. Improper payments error rate review process

~~There is a federally mandated review of a scientific sample of case actions relating to the Child Care Subsidy Program by the Office of Inspector General (OIG) Administrative Review Unit (ARU) in the same manner as for food benefits, public assistance, and medical benefit actions. The sample is selected by the Office of Planning, Research, and Statistics. The records for all cases in the sample are requested by ARU when the cases are scheduled and verification of conditions of eligibility is reviewed. The improper payments error rate review process is a federally mandated review of randomly selected child care subsidy cases to determine if an error existed on the case during the sample month. The review occurs every three years. The Office of Inspector General Administrative Review~~

Unit conducts the reviews and maintains the files as required by federal law.

GIST/ANALYSIS:

The proposed amendment to update shelter deduction information to allow for a new standard homeless shelter deduction or an excess shelter deduction for homeless households with shelter expenses is submitted as emergency rules to comply with a United States Department of Agriculture (USDA) informational memo issued in February, 2019, regarding changes to Section 4004 of the Agriculture Improvement Act of 2018, Section 2014 of Title 7 of the United States Code (7 U.S.C. § 2014), to make the current option to provide a shelter deduction to homeless households that are not receiving free shelter throughout the month and do not opt to claim an excess shelter deduction mandatory for all states.

The following proposed amendments are submitted as emergency rules to comply with implementation of federal regulations issued in April, 2019, and a USDA Informational Memo Regarding Implementation of Section 4009 of the Agricultural Act of 2014 issued in June, 2019 to: (1) update employment and training programs in which students are exempt from student eligibility restrictions; and (2) define and count substantial lottery or gambling winnings as countable resources and explain how a household may regain resource eligibility following benefit closure and add a household requirement to report substantial lottery or gambling winnings within 10-calendar days of receipt and that such a verified change may close food benefits between renewal periods. The proposed amendment to reduce the percentage of able-bodied adults without dependents that may be exempted from work requirements is submitted as an emergency rule to comply with a USDA informational memo regarding Section 4005 of the Agriculture Improvement Act of 2018, issued in March, 2019.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 15, 2020:

SUBCHAPTER 5. NON-FINANCIAL ELIGIBILITY CRITERIA

PART 3. SPECIAL HOUSEHOLDS

340:50-5-29. Homeless households

(a) A household is not required to have a fixed residence in order to receive food benefits. A homeless household may include one or more homeless persons.

(b) Per 271.2 of Title 7 of the Code of Federal Regulations (7 C.F.R. § 271.2), homeless person means a person who lacks a fixed and regular nighttime residence or a person whose primary nighttime residence is a:

(1) supervised shelter designed to provide temporary accommodations;

(2) half-way house or similar institution providing temporary residence for persons intended to be institutionalized;

(3) temporary accommodation in the residence of another person of not more than 90-calendar days from the application date. The worker applies the 90-calendar day time frame to each subsequent temporary accommodation in a different household and location; or

(4) place not designed for, or ordinarily used, as a regular sleeping accommodation for human beings, such as a hallway, bus station, lobby, car, or similar places.

(c) Per 7 C.F.R. § 273.2(f)(4)(v) and Oklahoma Administrative Code 340:50-7-31, when a homeless household incurs or expects to incur a shelter cost during the month, the household is eligible for the standard homeless shelter deduction, per Oklahoma Department of Human Services Appendix C-3, Maximum Food Benefit Allotments and Standards for Income and Deductions, or the excess shelter deduction, whichever results in the most food benefits for the household. When a homeless household lives in a vehicle and makes ~~Homeless shelter costs may include a monthly payments on the vehicle, the monthly payment is an allowable shelter cost payment when the household lives in the vehicle, payments to friends or neighbors for sleeping accommodations, camping fees, or hotel or motel charges.~~

PART 5. STUDENTS, STRIKERS, RESIDENT FARM LABORERS, MIGRANT HOUSEHOLDS, SPONSORED ALIENS, AND SCHOOL EMPLOYEES

340:50-5-45. Students

(a) **Supplemental Nutrition Assistance Program (SNAP) eligibility.** Persons classified as students per (b) of this Section are not eligible to participate in the Supplemental Nutrition Assistance Program (SNAP) unless they qualify for an exemption per (c) of this Section. Students that do not meet the criteria per (b) of this Section may participate in SNAP when all other eligibility criteria are met.

(a**b**) **Student classification.** ~~Persons~~ Per Section 273.5 of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.5), persons are classified as students when they are enrolled at least half-time in an institution of higher education.

(1) An institution of higher education includes a:

(A) business, technical, trade, or ~~voca-~~ tion/vocational school that normally requires a high school diploma or equivalency certificate to enroll in the curriculum. Schools or courses that do not require a high school diploma or equivalency certificate are not considered an institution of higher education; or

(B) a college or university that offers degree programs even when a high school diploma or equivalency certificate is not required to enroll. A college includes a junior, community, two-year, or four-year college, or university.

Permanent Final Adoptions

- (i) Students enrolled at least half time in the **regular curriculum** are considered enrolled in higher education.
- (ii) Persons enrolled in a special program at a college or university, ~~in special programs are not considered enrolled in higher education. Special programs include:~~
 - (I) ~~courses for such as~~ English as a second language;
 - (II) ~~course or other courses that are not part of the regular degree programs; or~~
 - (III) ~~Temporary Assistance for Needy Families (TANF) Special Projects Expansion Project~~ program are not considered to be enrolled in higher education.
- (2) Student status begins on the first day of the school term for students who have:
 - (A) not attended an institution of higher education previously; or
 - (B) had a break of more than a semester since they last attended.
- (3) Persons are classified as students during normal periods of class attendance, ~~and through vacations~~ vacation, and other breaks unless the student:
- (4) ~~Persons who graduate, are~~
 - (i) graduates;
 - (ii) is expelled or suspended;
 - (iii) dropout, drops out; or
 - (iv) have completed school and does not intend to register for the next normal school term, excluding summer school, are no longer considered students.
- (~~b~~c) **Students not subject to eligibility restrictions** ~~Student exemptions.~~ The students described in this subsection may participate in the Supplemental Nutrition Assistance Program (SNAP) ~~if when~~ all other eligibility criteria are met. ~~Eligibility restrictions discussed in subsection (e) of this Section do not apply if the students are~~ The student is:
 - (1) ~~under age~~ younger than 18 years of age or age 50 or years of age and older;
 - (2) physically or mentally unfit.
 - (A) ~~If When the student claims~~ mental or physical unfitness ~~is claimed~~ and the unfitness is not evident to the worker, verification may be required.
 - (B) Appropriate verification may consist of:
 - (i) receipt of temporary or permanent disability benefits issued by governmental or private sources;
 - (ii) participation in a state vocational rehabilitation (VR) program; or
 - (iii) a statement from a physician or licensed or certified psychologist;
 - (3) ~~attending high school;~~
 - (4) participating in an on-the-job training (OJT) program. Students are considered participating in OJT programs only during the period of time the students are being trained by the employer;
 - (5) ~~attending an institution of higher education less than half time; or~~
 - (6) ~~enrolled half time or more in schools and training programs which are not institutions of higher education.~~
- (~~e~~) **Eligibility restrictions for students.** Persons between the ages of 18 and 50 who are physically and mentally fit and are enrolled at least half time in an institution of higher education may participate in the SNAP only if:
 - (14) employed for an average of 20 hours per week or 80 hours per month and paid for that employment. Earning wages equal to the federal minimum wage times 20 ~~is does not a substitute~~ qualify the person for this restriction exemption;
 - (25) self-employed for an average of 20 hours per week or 80 hours per month and receives weekly earnings at least equal to the federal minimum wage times 20;
 - (36) participating in a state or federally financed work study program during the regular school year.
 - (A) To qualify under this provision, the ~~student~~ student must be approved for work study at the time of application for food benefits.
 - (i) The work study must be approved for the school term and the ~~students~~ student must anticipate actually working during the school term.
 - (ii) The exemption begins with the month the school term begins or the month work study is approved, whichever is later.
 - (iii) Once begun, the exemption continues until the end of the month the school term ends, or it becomes known the ~~students have~~ student refused an assignment.
 - (B) The exemption does not continue between terms when there is a break of a full month or longer unless the student is ~~participating~~ participates in a work study program during the break;
- (47) responsible for the care of a dependent household member under ~~the age of~~ six years of age. Only one person may be considered as responsible for a dependent child. The caretaker need not be the person providing for the child's support;
- (58) responsible for the care of a dependent ~~household member~~ child, six through 11 years of age, when the worker determines that adequate child care is not available to enable the student to attend class and work an average of 20 hours per week or participate in a state or federally financed work study program.
 - (A) The reasons for lack of adequate child care include, but are not limited to, ~~location of the nearest~~ lack of an available licensed and contracted child care facility within a reasonable distance from the student's home or school or the availability of funds to pay child care expenses. Determination of availability of adequate child care is made on a case-by-case basis.
 - (B) Only one person may be considered ~~as~~ responsible for the care of a dependent child. The caretaker need not be the person providing for the child's support;

(69) a single ~~parent~~parent enrolled in an institution of higher education on a full-time basis, as determined by the institution, and responsible for the care of a dependent child ~~under age~~younger than 12 years of age, regardless of the availability of child care.

(A) This provision applies in those situations where only one natural, adoptive, or stepparent, regardless of marital status, is in the same food benefit household as the child.

(B) ~~If~~When no natural, adoptive, or stepparent is in the same food benefit household as the child, another full-time student in the same food benefit household as the child may qualify for eligible student status under this provision if exemption when he or she has parental control over the child and ~~is not living~~does not live with his or her spouse;

(710) A Temporary Assistance for Needy Families (TANF) ~~recipients~~recipient; or

(811) assigned to or placed in an institution of higher education through or in compliance with the requirements of one of the employment and training programs identified in (A) through ~~(E)~~(D) of this paragraph. "In compliance with" means the person self-enrolled in the school during the period of time he or she was enrolled in an employment and training program and the program has a component for enrollment in an institution of higher education and accepts the placement. Employment and training programs include:

(A) the Workforce ~~Investment~~Innovation and Opportunity Act (~~WIA~~) Program;

(B) a food benefit employment and training program, per 7 C.F.R. § 273.7, subject to the condition that the course or program of study, as determined by Adult and Family Services (AFS) SNAP staff, is:

(i) part of a career and technical education program, per Section 3 of the Carl D. Perkins Career and Technical Education Act of 2006; and Section 2302 of Title 20 of the United States Code (20 U.S.C. § 2302), designed to be completed in not more than four years at an institution of higher education, per Section 102 of the 1998 Amendments to the Higher Education Act of 1965, 20 U.S.C. § 1002; or

(ii) limited to remedial courses, basic adult education, literacy, or English as a second language;

(C) ~~the Job Opportunities and Basic Skills (JOBS) program under Title IV of the Social Security Act;~~

~~(D)~~ a program under Section 236 of the Trade Act of 1974 currently known as The Trade Adjustment Assistance Program and administered by the Oklahoma Employment Security Commission; or

~~(E)~~ a state or local government-operated employment or training program, ~~as determined appropriate by the United States Department of Agriculture, Food and Nutrition Service (FNS) for low-income households where one or more components of the~~

program is at least equivalent to an acceptable SNAP employment and training program as specified, per 7 C.F.R. § 273.7(e)(1) and as determined by AFS SNAP staff; or

(12) enrolled as a result of participation in the Job Opportunities and Basic Skills program under Title IV of the Social Security Act or its successor program.

(d) **Income and deductible expenses of an ineligible student.** When the student is not eligible to receive food benefits, he or she is considered a non-household member per Oklahoma Administrative Code (OAC) 340:50-5-5. His or her income is not considered and household expenses may be prorated, per OAC 340:50-5-6.

PART 10. ABLE-BODIED ADULTS WITHOUT DEPENDENTS

340:50-5-101. Exemption to Able-Bodied Adult Without Dependents (ABAWD) Work Requirements

Per Section 273.24(g) of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.24(g)), the Oklahoma Department of Human Services (DHS) may provide an exemption from the three-countable months during any 36-month period rule for ABAWDs, per Oklahoma Administrative Code (OAC) 340:50-5-100(b), for up to ~~45~~12 percent of eligible ABAWDs per federal fiscal year.

(1) **Eligible ABAWD.** An eligible ABAWD is a food benefit recipient or applicant denied eligibility solely because he or she received three-countable months during the current 36-month period. This includes an ABAWD, who is not:

(A) exempt from ABAWD work requirements, per OAC 340:50-5-100(d);

(B) fulfilling work requirements, per OAC 340:50-5-100(a); or

(C) receiving Supplemental Nutrition Assistance Program food benefits because he or she regained eligibility for three-consecutive months, per OAC 340:50-5-100(e)(2).

(2) **Tracking.** DHS tracks the number of exemptions used each month and reports the information to the United States Department of Agriculture Food and Nutrition Services regional office on a quarterly basis.

(3) **~~15~~12 percent exemption.** DHS uses the allowable ~~15~~12 percent exemptions to extend food benefit eligibility for one additional month to ABAWDs whose eligibility was extended more than three-countable months in error.

SUBCHAPTER 7. FINANCIAL ELIGIBILITY CRITERIA

PART 1. RESOURCES

Permanent Final Adoptions

340:50-7-1. Resources considered

(a) Resources are excluded in determining eligibility for the Supplemental Nutrition Assistance Program (SNAP) unless the household:

- (1) applies for expedited service. The worker must include the household's liquid resources as defined at (b) of this Section to determine eligibility for expedited service, per Oklahoma Administrative Code (OAC) 340:50-11-1; or
- (2) contains one or more sponsored aliens whose sponsor's resources must be considered, per OAC 340:50-5-49; or
- (3) has substantial lottery or gambling winnings. Per Section 273.11(r) of Title 7 of the Code of Federal Regulations (7 § C.F.R. 273.11(r)), substantial lottery or gambling winnings are defined as a cash prize won in a single game, before taxes or other amounts are withheld equal to, or greater than, the SNAP resource standard for households containing an elderly or disabled household member. Refer to Oklahoma Department of Human Services (DHS) Appendix C-3, Maximum Food Benefit Allotments and Standards for Income and Deductions, for the current resource standard.

(A) The client must provide verification of the winnings from the appropriate lottery commission or gaming facility.

(B) When the household's winnings exceed the SNAP resource standard for the elderly or disabled, the worker closes the SNAP food benefit for the next advance notice effective date, per Appendix B-2, Deadlines for Case Actions.

(C) The household may regain resource eligibility once the client verifies the winnings are spent down below the resource standard.

(b) The worker accepts the household's statement regarding the value of liquid resources to determine expedited eligibility. Liquid resources include:

- (1) cash on hand;
- (2) checking or savings account balances;
- (3) the cash value of savings certificates; and
- (4) the cash value of stocks or bonds.

(c) The household must verify the value of liquid and non-liquid resources, per OAC 340:50-5-49, when the sponsor's resources must be considered. After subtracting \$1,500 from countable resources, resources cannot exceed \$3,000the resource standard for households that contain a member who is disabled or 60 years of age or older or \$2,000the resource standard for all other households, per DHS Appendix C-3.

PART 3. INCOME

340:50-7-29. Income inclusions

(a) **Sources of income considered.** The worker considers all household income, unless specifically excluded, per Section 273.9(c) of Title 7 of the Code of Federal Regulations (7 § C.F.R. 273.9(c)) and Oklahoma Administrative Code (OAC)

340:50-7-22, in determining monthly gross income. Income is classified as earned or unearned.

(1) When one or more household members are absent from the home, before deciding whether to consider the absent household member's income, the worker must determine if the person returns to the home for part of the month.

(A) Per OAC 340:50-5-2, the worker does not include the absent member in the benefit amount and only counts the portion of his or her income that he or she makes available to the rest of the household when the household member does not return for part of the month.

(B) When the household member returns for part of each month, the worker includes him or her in the benefit amount and counts all of his or her income unless excluded, per OAC 340:50-7-22.

(2) Per OAC 340:50-5-5, the household has the option of including a child receiving a foster payment that includes a payment for kinship care, or a Developmental Disability Services (DDS) room and board payment in the food benefit. When the household chooses not to include the child in the food benefit, the worker does not count the child's income, including the foster or DDS room and board payment.

(3) When the household adopts a child previously in the custody of the Oklahoma Department of Human Services (DHS) and receives an adoption subsidy payment for the child, the worker includes the child in the food benefit and counts the child's income, including the adoption subsidy payment.

(4) When a member of the household becomes the guardian of a child and receives a guardianship payment from DHS, the payment is considered as income. The child for whom the payment is received must be included in the food benefit.

(b) **Earned income.** Per 7 C.F.R. § 273.9(b)(1), earned income is income a household receives in the form of wages, commission, self-employment, or training allowances, and for which a person puts forth physical labor. Temporary disability insurance payments and temporary workers' compensation payments are considered earned income when payments are employer-funded and the person remains employed. The types of earnings listed in (1) through (4) of this subsection, including money from the sale of whole blood or blood plasma or a DDS payment to an extended family care provider for services rendered in addition to the child's room and board payment, are considered earned income.

(1) **Wages.** Wages and salaries include sick pay paid by the employer to an employee who plans to return to work when recovered, excess benefit allowance payments, and wages garnished or diverted to pay a third party for a household's expenses. Countable wages for military personnel include any allowance included on the earnings statement, such as the Basic Allowance for Housing (BAH) and the Basic Allowance for Subsistence (BAS).

(2) **S corporations.** When a household member is a shareholder in an S corporation, he or she may receive

profits from the business in two ways; as a salary and/or as a profit share of the business. Both types of income are reported on the household member's personal income tax return. Salary income is considered as earned income and profit share income is considered as unearned income per (c)(7) of this Section.

(3) **Self-employment.** Refer to OAC 340:50-7-30 for self-employment income procedures.

(4) **Title I payments of the Domestic Volunteer Services Act.** Countable earned income includes payments paid to a household member under Title I of the Domestic Volunteer Services Act of 1973 as amended per Public Law (P.L.) 93-113, unless excluded, per OAC 340:50-7-22.

(5) **On-the-job training (OJT).** The worker counts income earned in OJT positions as earned income. This includes OJT provided per Section 3(44) of the Workforce Innovation and Opportunity Act of 2014, P.L. 113-128 for persons 19 years of age or older.

(c) **Unearned income.** In general, unearned income is income a household receives and is not in the form of wages, self-employment, or training allowances, and for which a person does not put forth physical labor. The income listed in (1) through (6) of this subsection, while not all inclusive, are considered unearned, per 7 C.F.R. § 273.9(b)(2).

(1) **Assistance payments.** The worker counts payments from a federally-aided public assistance program, such as Supplemental Security Income (SSI), Temporary Assistance for Needy Families (TANF), or assistance programs based on need, such as State Supplemental Payments, as unearned income. When such payments are received by a third party, they are counted as income for the person to whom it is legally owed.

(A) A household's food benefit amount does not increase when the public assistance benefit the household receives under a federal, state, or local means-tested public assistance program is reduced, suspended, or closed because the public assistance program imposed a penalty due to an intentional program violation determined as fraud or a household member's failure to comply with a requirement of that program.

(i) To impose a food benefit sanction, the person must be certified for Supplemental Nutrition Assistance Program (SNAP) benefits at the time of the failure to comply and receiving regular benefits from the other program at the time fraud occurred or the household failed to comply with a substantive program requirement.

(ii) Examples of means-tested public assistance programs include SSI and TANF.

(iii) Substantive requirements are behavioral requirements of that program designed to improve the well-being of the household. For TANF, this includes:

(I) complying with TANF Work requirements, per OAC 340:10-2. OAC 340:10-2-2 explains the TANF penalty considered for

SNAP when the household fails to comply with TANF Work activities;

(II) cooperating to obtain child support, per OAC 340:10-10-5;

(III) providing a Social Security number, per OAC 340:10-12-1;

(IV) ensuring school-age children regularly attend school, per OAC 340:10-13-1;

(V) verifying children meet immunization requirements, per OAC 340:10-14-1; and

(VI) not using the TANF benefit in a prohibited business, per OAC 340:10-1-3.

(iv) Procedural requirements that do not trigger a penalty include failing to:

(I) provide verification;

(II) complete an interview; or

(III) complete a benefit renewal.

(v) When a worker is not able to obtain the necessary information and cooperation from another federal, state, or local means-tested welfare, or public assistance program to comply with the provision in (A) of this paragraph, DHS is not held responsible. The worker must make a good faith effort to get the needed information and record the details and results of this effort in the case file.

(vi) The worker does not reduce, suspend, or close the household's current food benefit amount when the benefits under another assistance program are decreased.

(vii) When the worker adds eligible members to the food benefit, the benefit must be adjusted regardless of whether the household is prohibited from receiving benefits for the additional member under another federal, state, local welfare, or public assistance means-tested program.

(viii) Changes in household circumstances not related to the penalty imposed by another federal, state, local welfare, or public means-tested assistance program are not affected by the provision in (A) of this paragraph.

(ix) The application of the provision in (A) of this paragraph applies for the duration of the imposed penalty or until DHS cannot determine the amount of the penalty.

(x) SNAP sanctions extending beyond one year must be reviewed at least annually to determine if the sanction continues to apply.

(B) The provision in (A) of this paragraph does not apply to persons or households subject to disqualification from SNAP for noncompliance with a comparable work requirement per Title IV of the Social Security Act or an unemployment compensation work requirement.

(2) **Pension and Social Security.** Annuities, pensions, retirement, veterans' or disability benefits, workers' or unemployment compensation, survivors' or Social Security benefits, and strike benefits are unearned income. When a third party receives Social Security benefits it is counted

Permanent Final Adoptions

as income for the person to whom it is legally owed. The worker considers disability payments as:

- (A) unearned income when the person is no longer considered an employee of the company and an agency outside of the company pays the disability benefits; and
 - (B) earned income when the person is still considered an employee of the company and the company pays the disability benefits.
- (3) **Support and alimony.** The worker counts support and alimony payments paid directly to the household from non-household members as unearned income. The worker also counts money deducted or diverted to a third party to pay a household expense as unearned income when the court order directs the payment be made to the household. The worker does not count money the court order states must be paid to a third party as income.
- (4) **Grants, dividends, royalty, and interest payments.** Payments from government sponsored programs, such as Agricultural Stabilization and Conservation Service Programs, grants, dividends, royalties, interest, and all other direct money payments from any source construed to be a gain or profit are considered income. The worker treats income from these sources as unearned income. The household must provide proof of income from these sources so income can be averaged to determine monthly countable income.
- (5) **Monies withdrawn or dividends that are or could be received by a household from trust funds.** Dividends the household has the option of either receiving as income or reinvesting in the trust are considered income in the month they become available to the household.
- (6) **Department of Veteran's Affairs (VA) Aid and Attendance.** When a person receives VA Aid and Attendance income and does not pay someone outside of the food benefit household to care for him or her, this is considered as countable income. Any portion of the VA Aid and Attendance paid to someone outside of the food benefit household for care is excluded.
- (7) **Profit sharing.** When a household member is a shareholder in an S corporation or a partner in a limited partnership or limited liability company, he or she may receive a distribution or profit share of the business. This is considered as unearned income.
- (d) **Income of excluded household members.** Per OAC 340:50-5-10.1, excluded household members are termed as disqualified or ineligible. The worker does not consider the needs of a disqualified or ineligible household member when determining the household's size for purposes of assigning a benefit level to the household or comparing the household's monthly income with the income eligibility standard, per 7 C.F.R. § 273.11(c)(2)(iv).
- (1) **Disqualified household members.** The worker counts the disqualified household member's income in its entirety as available to the remaining household members, per 7 C.F.R. § 273.11(c)(1)(i). The worker does not prorate utility, medical, dependent care, child support expenses, or excess shelter deductions. Per OAC

340:50-5-10.1, disqualified household members are those excluded for:

- (A) committing an intentional program violation;
 - (B) failing to meet work registration requirements;
 - (C) meeting fleeing felon criteria; or
 - (D) being a probation or parole violator.
- (2) **Ineligible household members.** The worker prorates the income of ineligible household members among all household members, per 7 C.F.R. § 273.11(c)(2)(ii).
- (A) Per OAC 340:50-5-10.1, ineligible household members are those excluded because they do not meet a program requirement, such as:
- (i) failure to obtain or refusal to provide a Social Security number;
 - (ii) not being a citizen or qualified alien; or
 - (iii) being an able-bodied adult without dependents and not meeting work requirements; or
 - (iv) failure to cooperate with providing requested verification regarding unclear information.
- (B) The worker counts a pro rata share of the ineligible household member's income as income available to the remaining members by first subtracting the allowable income exclusions, per OAC 340:50-7-22, from the ineligible member's income and dividing the income evenly among the eligible household members and the ineligible member.
- (C) The worker counts all but the ineligible member's share as income available to the remaining household members. The earned income deduction, per OAC 340:50-7-31, and DHS Appendix C-3, Maximum Food Benefit Allotments and Standards for Income and Deductions, applies to the prorated income attributed to the household when it was earned by the ineligible member.
- (D) The portion of the household's allowable shelter, child support, and dependent care expenses paid by or billed to the ineligible member is divided evenly among the household members, including the ineligible member. All but the ineligible member's share is considered a deductible shelter expense for the remaining household members, with the exception of utility expenses, per 7 § C.F.R. § 273.9(d)(6)(iii)(F), or the standard homeless shelter deduction, per 7 C.F.R. § 273.9(d)(6)(i). When the:
- (i) household is responsible for utility expenses, the household is allowed the full utility standard for which it qualifies, per OAC 340:50-7-31; or
 - (ii) homeless household is responsible for shelter costs, the household is allowed the full standard homeless shelter deduction, per Appendix C-3, Maximum Food Benefit Allotments and Standards for Income and Deductions, or the prorated excess shelter deduction incurred by the household, whichever results in the most benefits for the household, per OAC 340:50-7-31(a)(6)(A)(v).

340:50-7-31. Deductions

(a) **Deductible expenses.** Households are allowed certain deductible expenses from income as described in (1) through (6) of this subsection and per Section 273.9(d) of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.9(d)). The household reports current medical, dependent care, legally-binding child support, and shelter expenses at certification, mid-certification renewal, and certification renewal. The household must also report current shelter costs when the household moves.

(1) **Standard deduction.** All households are allowed a standard deduction, per Oklahoma Department of Human Services (DHS) Appendix C-3, Maximum Food Benefits Allotments and Standards for Income and Deductions.

(2) **Earned income deduction.** Households with earned income are allowed an earned income deduction, per DHS Appendix C-3, to cover the cost of state and local income taxes, pensions, union dues, and work related expenses. Refer to Oklahoma Administrative Code (OAC) 340:50-7-30 for information regarding business expenses for self-employed persons.

(3) **Medical expense deduction.** A medical expense deduction is only allowed for household members meeting the definition of elderly or disabled, per OAC 340:50-5-4. For these household members, medical expenses exceeding \$35 per month are deductible when verified. The \$35 is subtracted from medical expenses once per household, not per person, when the household has more than one elderly or disabled member.

(A) **Allowable medical expenses.** Allowable medical expenses must be prescribed or approved by a state licensed or qualified practitioner and include:

- (i) medical and dental care, including psychotherapy and rehabilitation services provided by a licensed practitioner or other qualified health professional authorized by state law;
- (ii) hospitalization or outpatient treatment, nursing care, and nursing home care, including payments by the household for a person who was a household member immediately prior to entering a hospital or nursing home provided by a facility recognized by the state;
- (iii) prescription drugs and other over-the-counter medication including insulin, when approved by a licensed practitioner or other qualified health professional authorized by state law. This does not include the cost of a Schedule I controlled substance under the Controlled Substances Act, Section 801 et. seq. of Title 21 of the United States Code, or any expenses associated with its use;

~~(iv) Costs~~ (iv) costs of medical supplies, sick-room equipment including rentals, or other prescribed equipment ~~are also included;~~

~~(v)~~ (v) health, dental, and hospitalization policy premiums;

~~(vi)~~ (vi) Medicare premiums and any cost-sharing or spend-down expenses incurred by Medicare or SoonerCare (Medicaid) recipients;

~~(vii)~~ (vii) dentures, hearing aids, and prosthetics;

~~(viii)~~ (viii) eye glasses prescribed by a licensed practitioner;

~~(ix)~~ (ix) reasonable cost of lodging and transportation to obtain medical treatment or services. Lodging costs are allowed when the elderly or disabled member is required to spend the night away from home to receive medical services. Reasonable transportation costs are based on the type of transportation used. When the elderly or disabled member:

(I) uses his or her vehicle, the state's current mileage reimbursement is allowed;

(II) uses public transportation, the actual cost of the transportation is allowed; or

(III) pays a non-household member for transportation, the amount charged by the person is allowed;

~~(x)~~ (x) maintaining an attendant, homemaker, home-health aide, child care services, or housekeeper due to age, infirmity, or illness. When this expense also qualifies as a dependent care expense per (4) of this subsection, it is considered a medical expense rather than a dependent care expense. Additionally, when the household furnishes a majority of the caretaker's meals, an amount equal to one allotment is added to the medical expense for meals provided. The allotment used is the amount in effect at certification; and

~~(xi)~~ (xi) costs associated with all service animals specially trained to serve the needs of elderly or disabled program participants. This includes maintenance costs, such as veterinary bills, food, and other expenses for these service animals.

(B) **Medical expenses not allowed.** Expenses not allowed include:

(i) costs associated with special diets;

(ii) premiums for health and accident insurance policies, such as those payable in lump sum settlements for death or dismemberment;

(iii) premiums for income maintenance policies, such as those that continue mortgage or loan payments while the beneficiary is disabled;

(iv) items that can be purchased with food benefits, such as dietary supplements; ~~and~~

(v) the cost of meals or other incidentals when the person spends the night away from home to receive medical services; ~~and~~

(vi) medical marijuana or any expenses associated with its use.

(C) **Medical expense verification requirements.** Households are required to report and verify medical expenses at certification and certification renewal. Households are not required to report changes in medical expenses during the certification period.

(i) When a household voluntarily reports a reduction in medical expenses that will decrease the food benefit allotment, no verification is needed.

Permanent Final Adoptions

However, the change requires notice of adverse action, per OAC 340:50-9-5.

(ii) When a household voluntarily reports additional medical expenses that will increase the food benefit allotment, the household must verify the additional expenses before the worker changes the medical expense deduction.

(iii) When the additional medical expenses are one-time expenses, such as hospital costs, dental expenses, or the purchase of prescription eyeglasses, the expense is only allowed when the person reports and verifies the expense before it becomes past due. When a portion of the expense will be paid by a vendor or insurance payment, the worker does not allow the expense until the amount owed by the person is verified. Once verified, the household may choose to:

- (I) deduct the entire expense in the month incurred or when it becomes due;
- (II) average the expense over the remaining months of the certification period; or
- (III) average the expense over the scheduled length of a payment plan.

(iv) When the worker finds out about a change from a source other than the household, the change is acted on when verified upon receipt, such as when the worker is notified via data exchange of a Medicare premium change. The worker does not contact the household for additional information. When the change requires household contact for additional information or verification, the worker does not make the change.

(v) When a household reports but does not verify an anticipated medical expense, the worker informs the household the expense will be allowed when the household provides verification.

(4) **Dependent care.** Dependent care is payment for the actual cost for the care of a child under 18 years of age or other dependent of any age with disabilities when necessary for a household member to seek, accept, or continue employment or to attend training or education preparatory to employment. Dependent care costs may include activity fees and the cost of transportation to and from the dependent care facility.

(A) The deduction applies regardless of whether the household member is subject to the Supplemental Nutrition Assistance Program Employment and Training requirements.

(B) When the expense also qualifies as a medical expense per (a)(3) of this Section, it is considered a medical expense rather than a dependent care expense.

(C) There is no maximum dependent care deduction. The total reported by the client is an allowable expense as long as it meets the criteria in this Section.

(D) Dependent care is only verified when the expenses claimed actually result in a deduction and

other information available to the worker is inconsistent with the household's claim that it incurs a dependent care expense.

(5) **Legally-binding child support.** A deduction is allowed for verified legally-binding child support payments paid by a household member to or for a non-household member, including payments made to a third party on behalf of the non-household member.

(6) **Shelter costs.** A household is allowed a shelter deduction when the monthly shelter cost exceeds 50 percent of the household's income after all other deductions are allowed, per 7 C.F.R. § 273.9(d)(6)(ii). The shelter deduction cannot exceed the maximum amount allowed per DHS Appendix C-3, unless the household includes an elderly or disabled member. Households with an elderly or disabled member receive an excess shelter deduction for the monthly cost exceeding 50 percent of the household's income after the deductions listed in (1) through (6) of this subsection are allowed. When the household includes a non-household member or disqualified member, refer to (b)(4)(5) and ~~(5)(6)~~ of this Section to determine whether to prorate shelter costs.

(A) **Allowable rent or mortgage costs.** Allowable rent or mortgage costs for the

(i) monthly rent or mortgage payment, or other continuing charges leading to the ownership of the shelter, such as loan repayments for the purchase of a mobile home, including interest on such payments;

(ii) charge for renting or buying the land on which a mobile home is located;

(iii) property taxes, state and local assessments, and insurance on the structure. A mobile home is taxed as part of the property tax when the land is owned or being purchased;

(iv) personal property tax for unregistered mobile homes on rented land; or

(v) ~~monthly vehicle payment~~ standard homeless shelter deduction, per DHS Appendix C-3, or the excess shelter deduction described, per (a)(6) of this Section, whichever results in the most food benefits for the household, when a homeless household lives in the vehicle incurs or expects to incur a shelter cost.

(B) **Expenses not considered as shelter costs.** The worker does not consider as shelter costs, the cost for:

(i) insuring furniture or personal belongings when paid separately from the insurance on the home;

(ii) vehicle registration or a tag for a mobile or motor home; or

(iii) personal property tax except as allowed, per (6)(A)(iv) of this subsection.

(C) **Allowable utility costs.** When the household incurs utility expenses, it is eligible for one of three standard utility allowances based on criteria in (i) through (iii) of this subparagraph. The applicable

utility standard amount is specified, per DHS Appendix C-3.

(i) The standard utility allowance (SUA) is based on annual averages that include costs for heating or cooling; and cooking fuel, electricity, basic phone service, water, sewage, and garbage. This includes households that receive Low Income Heat Energy Assistance Payments (LIHEAP).

(I) The household is eligible for the SUA when the household is billed for heating or cooling during the year. Households billed less often than monthly for heating costs, such as butane or propane may continue to use the utility standard between billing months.

(II) When a household reports they no longer incur a heating or cooling expense, but still have a utility expense, the standard must be changed to the basic utility allowance (BUA) or telephone standard.

(III) When a household's heating or cooling expenses are partially reimbursed or paid by an excluded payment, such as a vendor payment, Housing and Urban Development (HUD), or Farmers Home Administration (FmHA) payment, the household remains eligible for the SUA.

(ii) The BUA includes utility charges the household incurs other than for heating and/or cooling, such as cooking fuel, water, sewage, garbage collection, and basic phone service.

(iii) The telephone standard is used when the household is not entitled to use the SUA or BUA, but has a phone cost.

(D) **When shelter costs for an unoccupied home are allowed.** Shelter costs for an unoccupied home may be allowable when the household is temporarily away from home because of illness, a disaster or casualty loss to the home, or to attend an employment or training opportunity.

(i) For the cost of a vacated home to be included in shelter costs the:

(I) household must intend to return to the home;

(II) current occupants of the home, if any, must not claim the shelter costs during the household's absence; and

(III) home must not be rented or leased during the household's absence.

(ii) A household that has an occupied home and an unoccupied home is only allowed one standard utility deduction.

(b) **Expense calculation.** The worker calculates a household's expenses based on the expenses the household expects to be billed for during the certification period. The worker anticipates expenses based on the most recent month's bills unless the household is reasonably certain a change will occur.

(1) **Billing fluctuations.** The household may elect to average expenses when the billed amount fluctuates

monthly, is billed less often than monthly, or as in the case of some medical expenses, the expense changes throughout the certification period.

(2) **When expenses are owed but not paid.** The household is allowed a deduction in the month the expense is billed or otherwise becomes due, regardless of when the household intends to pay the expense. A particular expense may be deducted only once.

(3) **Reimbursed expenses.** The portion of an expense paid by an excluded reimbursement or vendor payment is not deductible. The amount left after deducting the excluded payment is deductible and includes HUD and Farmers Home Administration (FmHA) rent and utility payments. Expenses are only deductible when the service is provided by someone outside of the household and the household makes a monetary payment for the service.

(4) **One-time expenses.** The household may choose to average one-time expenses over the entire certification period in which they are billed, per 7 C.F.R. § 273.10(d)(3). When the household reports a one-time expense during the certification period, the household may choose to:

(A) deduct the entire expense for the next effective month; or

(B) average the expense over the remaining months in the certification period beginning with the next effective month. When the household is certified for 24 months and the one-time expense was incurred in the:

(i) first 12 months of the certification period, the household may elect to deduct the expense in one month, average the expense over the remaining months in the first 12 months of the certification period or average the expense over the remaining months in the certification period; or

(ii) the second 12 months of the certification period, the household may elect to have the expense deducted in one month or averaged over the remaining months in the certification period.

(5) **When the household includes a disqualified household member.** When the household includes a disqualified household member, per OAC 340:50-5-10.1, the worker does not prorate allowable deductions because the disqualified member's income is counted in its entirety, per OAC 340:50-7-29(d).

(6) **When the household includes an ineligible household member.** When the household includes an ineligible household member, per OAC 340:50-5-10.1, the worker prorates the allowable deductions evenly between the household members, including the ineligible member except for utility expenses, with the exception of (A) and (B) of this subparagraph, because the ineligible member's income is also prorated, per OAC 340:50-7-29(d). When the household is:

(A) ~~When the household is~~ responsible for utility expenses, the household is allowed the full utility standard deduction for which it qualifies per (a)(6)(C) of this Section; or

(B) homeless and incurs shelter costs, the household is eligible for the full standard homeless shelter deduction or for a prorated share of excess shelter deduction, whichever results in more food benefits for the household.

- (7) **When the household includes a non-household member.** When the household shares deductible expenses with a non-household member, the worker only deducts the amount the household actually pays or contributes toward household expenses with the exception of the utility expenses. When the household pays part of the utility expenses, the household is allowed the full utility standard deduction for which it qualifies, per (a)(6)(C) of this Section. When the payments or contributions cannot be differentiated, the worker prorates the expenses evenly among persons actually paying or contributing to the expense and deducts only the household's pro rata share with the exception of the utility expenses.

SUBCHAPTER 9. ELIGIBILITY AND BENEFIT DETERMINATION PROCEDURES

340:50-9-5. Changes after application and during the certification period

(a) **Change reporting requirements.** Section 273.12 of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.12) contains change reporting requirements after application and during the certification period described in (a) through (i) of this Section.

(b) **Applicant households.** Applicant households must report all changes related to their food benefit eligibility and benefit amount. Households must report changes that occur after the interview but before the date of the notice of eligibility, within 10-calendar days of the date of the notice.

(c) **Annual reporting households.** Annual reporting households are households in which all adult members are elderly or disabled with no earned income.

(1) **Certification period.** A 24-month certification period is automatically assigned to annual reporting households. Annual reporting households must complete a mid-certification renewal between certification periods to report current household circumstances.

(2) **Change reporting between renewal periods.** Between the mid-certification renewal and certification renewal reporting months, the household must report gross income changes when the household's income exceeds the maximum gross income scale for household size shown on Form 08MP006E, Information for Benefit Renewal, and when the household wins substantial lottery or gambling winnings as defined, per 7 C.F.R. § 273.11(r) and Oklahoma Administrative Code (OAC) 340:50-7-1, within 10-calendar days of receipt of the first payment attributable to the change. The maximum gross income scale is based on 130 percent of the monthly poverty income guidelines.

(3) **Action taken on reported changes.** The worker must act on all changes reported by households.

(A) The computer system determines if the change results in an increase, decrease, or no change in benefits.

(B) Between the mid-certification renewal and certification renewal months, the changes the worker makes do not decrease or close benefits until the mid-certification renewal is due unless the:

(i) household's income increase exceeds the maximum gross income scale for household size shown on Form 08MP006E;

(ii) household requested benefit closure;

(iii) worker has information about the household's circumstances considered verified upon receipt, per (g) of this Section; ~~or~~

(iv) a household member is identified as a disqualified or ineligible person, per 7 C.F.R. § 273.12(a)(5)(vi) and ~~Oklahoma Administrative Code (OAC) 340:50-5-10.1; or~~

(v) the worker verifies the household won substantial lottery or gambling winnings as defined, per 7 C.F.R. § 273.11(r) and OAC 340:50-7-1.

(C) The computer system applies all changes that increase benefits. Before entering a change that increases benefits, verification supporting the change must be provided, when required.

(d) **Mid-certification renewal for annual reporting households.** Annual reporting households are sent notification in the 11th month of certification that the mid-certification renewal is due. The notice explains methods the household may choose to complete the renewal and required verification needed. An interview is not required.

(1) **When the mid-certification renewal is due.** The household must complete the benefit renewal and provide required verification by the last day of the 12th month of certification.

(2) **Completion of mid-certification renewal.** The worker reviews benefit renewal information and verification provided to determine completeness and continued eligibility.

(A) When the renewal is complete and the household remains eligible, the worker acts on all reported changes and the computer system applies any increase or decrease in benefits.

(i) When the household fails to provide sufficient information regarding a deductible expense requiring verification, the worker processes the mid-certification renewal without regard to the deduction.

(ii) When benefits are decreased, an advance notice is sent, per the Oklahoma Department of Human Services (DHS) Appendix B-2, Deadlines for Case Actions.

(B) When the household is no longer eligible, the worker closes food benefits effective the next advance-notice deadline date, per DHS Appendix B-2.

(C) When the renewal is incomplete, the computer system closes food benefits effective the next advance-notice deadline date, per DHS Appendix B-2.

- (3) **When benefits may be reopened.** Food benefits may be reopened following closure when criteria is met per (j) of this Section.
- (e) **Semi-annual reporting households.** Food benefit households are considered semi-annual reporting households unless they meet criteria per (b) or (g) of this Section.
- (1) **Certification period.** A 12-month certification period is automatically assigned to semi-annual reporting households.
- (2) **Change reporting between renewal periods.** Between the mid-certification renewal and certification renewal reporting months, the household must report when:
- (A) the household's gross income exceeds the maximum gross income scale for household size shown on Form 08MP006E and when the household wins substantial lottery or gambling winnings as defined per 7 C.F.R. § 273.11(r) and OAC 340:50-7-1 within 10-calendar days of receiving the first payment attributable to the change. The maximum gross income scale is based on 130 percent of the monthly poverty income guidelines; and
- (B) a decrease in work hours below an average of 20 hours per week or 80 hours per month occurs for any household member meeting the able-bodied adults without dependents (ABAWD) work rules, per OAC 340:50-5-100 by the 10th of the following month.
- (3) **Action taken on reported changes.** The worker must act on all changes reported by households.
- (A) The computer system determines if the change results in an increase, decrease, or in no change in benefits.
- (B) Between mid-certification renewal and certification renewal months, the changes the worker makes do not decrease or close food benefits until the mid-certification renewal is due unless:
- (i) the household's income increase exceeds the maximum gross income scale for household size shown on Form 08MP006E;
- (ii) the household requested benefit closure;
- (iii) the worker has information about the household's circumstances considered verified upon receipt, per (h) of this Section;
- (iv) an ABAWD must be removed from the food benefit household because he or she does not meet the ABAWD work rule, per OAC 340:50-5-100;
- (v) a household member is identified as a disqualified or ineligible person, per 7 C.F.R. § .27312(a)(5)(vi) and OAC 340:50-5-10.1; ~~or~~
- (vi) a household member is identified as failing to meet work registration requirements, per OAC 340:50-5-85 through OAC 340:50-5-87; or
- (vii) the worker verifies the household won substantial lottery or gambling winnings as defined per 7 C.F.R. § 273.11(r) and OAC 340:50-7-1.
- (C) The computer system applies all changes that increase benefits. Before entering a change that increases benefits, verification supporting the change must be provided, when required.
- (f) **Mid-certification renewal for semi-annual reporting households.** Semi-annual reporting households are sent notification in the fifth month of certification that the mid-certification renewal is due. An interview is not required.
- (1) **When the mid-certification renewal is due.** The household must complete the benefit renewal and provide required verification by the last day of the sixth month of certification.
- (2) **Completion of mid-certification renewal.** The worker reviews benefit renewal information and verification provided to determine completeness and continued eligibility.
- (A) When the renewal is complete and the household remains eligible, the worker acts on all reported changes and the computer system applies any increase or decrease in benefits.
- (i) When the household fails to provide sufficient information regarding a deductible expense requiring verification, the worker processes the mid-certification renewal without regard to the deduction.
- (ii) When benefits are decreased, the worker sends an advance notice, per DHS Appendix B-2, Deadlines for Case Actions, deadline dates.
- (B) When the household is no longer eligible, the worker closes food benefits effective the next advance-notice deadline date, per DHS Appendix B-2.
- (C) When the renewal is incomplete, the computer system closes food benefits effective the next advance-notice deadline date, per DHS Appendix B-2.
- (3) **When benefits may be reopened.** Food benefits may be reopened following closure when criteria is met per (i) of this Section.
- (g) **Change reporting households.** Change reporting households are assigned a certification period other than 12 or 24 months. These households are required to report changes within 10-calendar days of when the change occurred.
- (1) **Household characteristics.** Households not approved for a 12- or 24-month certification period include households approved for:
- (A) expedited services for one or two months because the interview and/or verification were postponed, per OAC 340:50-3-2; and
- (B) a three- or four-month certification period because the household includes one or more ABAWDs that do not meet the work rule, per OAC 340:50-5-100.
- (2) **Required change reporting.** These households must report changes in:
- (A) sources of income;
- (B) unearned income of \$100 per month or more;
- (C) earned income of more than \$100 per month;
- (D) household composition, such as an addition or loss of a household member;

- (E) residence and shelter costs;
 - (F) the legal obligation to pay child support; ~~and~~
 - (G) the work hours of an ABAWD subject to benefit time limits, per OAC 340:50-5-100 when they fall below 20 hours per week; ~~and~~
 - (H) resources when the household wins substantial lottery or gambling winnings as defined, per 7 C.F.R. § 273.11(r) and OAC 340:50-7-1.
- (3) **Action taken on case changes.** The worker must act on changes reported by the household within 10-calendar days of the date the household reported the change and provided necessary verification.
- (A) When the household fails to report a change within the 10-calendar day period and, as a result, receives benefits to which it is not entitled, an overpayment claim is referred to Adult and Family Services (AFS) Benefit Integrity and Recovery, per OAC 340:50-15.
 - (B) When the worker fails to take timely action on a reported change and benefits are lost, the worker supplements the household's food benefits.
- (4) **Changes that increase benefits.** When the household reports a change that increases benefits the household must verify the information before the worker makes the change. The worker gives the household 10-calendar days to verify the information.
- (5) **Changes that decrease or close benefits.** When the household reports a change in household circumstances that decreases or closes food benefits, the worker gives or sends the household Form 08AD092E, Client Contact and Information Request, giving the household 10-calendar days to provide verification of the change. When the household provides required verification, the worker reduces or closes food benefits based on the verification provided. When the household does not provide required verification, the worker closes the food benefits based on the household's failure or refusal to provide verification.
- (A) When a household's benefit decreases or closes, an advance notice of adverse action is required unless exempt from such notice for a reason listed in (i) or (ii) of this subparagraph. Per 7 C.F.R. § 273.13, advance notice of adverse action is considered timely when the notice is mailed at least 10-calendar days before the action becomes effective. The household retains its right to a fair hearing and continuation of benefits when a fair hearing is requested within 10-calendar days of the change notice. An adverse action notice may be mailed just prior to the date the household receives or would have received benefits when the:
 - (i) DHS receives a clear written statement signed by a responsible household member:
 - (I) stating the household no longer wishes to receive food benefits; or
 - (II) giving information that requires closure or reduction of food benefits and stating

- that the household understands the food benefit will be reduced or closed; or
 - (ii) worker closes or reduces food benefits per notice requirements at (k)(3)(A) of this Section.
- (B) When an advance notice is required, the benefit decrease or closure is effective the next advance notice deadline date, per DHS Appendix B-2. When the household reports a change:
- (i) 10-calendar days or more before the advance-notice deadline, per DHS Appendix B-2, the worker decreases or closes the food benefit effective the first of the following month; or
 - (ii) less than 10-calendar days before the advance-notice deadline, per DHS Appendix B-2, the worker must take action before the advance-notice deadline the following month.
- (C) When a reported change increases food benefits, the worker makes the change by the non-advance-notice deadline date, per DHS Appendix B-2.

(h) **Changes considered verified upon receipt.** Verified upon receipt means the information is not questionable and the provider is the primary source of the information. For example, when DHS receives Social Security and Supplemental Security Income verification through data exchange with the Social Security Administration (SSA), it is considered verified upon receipt because SSA is the primary source. When the worker receives information considered verified upon receipt, he or she makes the change within 10-calendar days of notification using DHS Appendix B-2 deadline dates.

(i) **Required action on unclear information.** During the certification period, the worker may obtain unclear information about a household's circumstances that may affect the household's continued eligibility or benefit amounts. The worker may receive the unclear information from a third party, such as a data exchange discrepancy, an employer, or a person claiming knowledge of the household's circumstances. Unclear information is information that is not verified or is verified but the worker needs additional information before acting on the change.

(1) Per 7 C.F.R. § 273.12(c)(3)(i), when the worker receives unclear information in a non-report month for semi-annual or annual reporting households or any month for change reporters, he or she sends Form 08AD092E to the household; ~~to inform it of required verification or actions. The household must clarify~~ verify its circumstances within 10-calendar days only when the unclear information:

- (A) significantly conflicts with the information used at the time of the certification, indicating the household may have failed to report eligibility information at application; or
 - (B) is fewer than 60-calendar days old, relative to the current participation month and when true, must be reported under the household's reporting responsibilities.
- (2) When the household provides the requested verification in a non-report month, the worker determines

whether to take action, per requirements at (c)(3) and (e)(3) of this Section.

(3) When the worker sends Form 08AD092E, per (i)(1)(A) or (B) of this Section, and the household does not respond or responds but refuses to provide sufficient information to clarify its circumstances, the worker closes the household's food benefits effective the next advance-notice deadline date, per DHS Appendix B-2;

(4) Per 7 C.F.R. § 273.12(c)(3)(iii), when the worker receives a data match that indicates a household member may have died or may be incarcerated for more than 30-calendar days, the worker sends Form 08AD092E to the household notifying it of the discrepancy and requesting information regarding the household member.

(A) When the household is a change reporting household and:

- (i) fails to respond to Form 08AD092E or responds but refuses to provide sufficient information to clarify the person's household status, the worker closes the household's food benefits;
- (ii) responds and verifies the person is not dead or incarcerated, no action is taken; or
- (iii) responds and confirms the accuracy of the data exchange information, the worker removes the person from the food benefit and determines if an overpayment referral is needed, per OAC 340:50-15.

(B) When the household is an annual or semi-annual reporting household and:

- (i) fails to respond to Form 08AD092E or responds but refuses to provide sufficient information to clarify the person's household status, the worker removes the person and his or her income from the household and adjusts the food benefits;
- (ii) responds and verifies that the person did not die or is not incarcerated, no action is taken; or
- (iii) responds and confirms the accuracy of the data exchange information, the worker removes the person and his or her income from the household, adjusts the food benefits, and determines if an overpayment referral is needed, per OAC 340:50-15.

(j) **When benefits may be reopened following closure.** The food benefit may be reopened following closure using current eligibility information, when:

- (1) DHS did not administer policy and procedures correctly. The food benefit is reopened effective the first day of the month of closure;
- (2) the household fails to complete the mid-certification renewal timely, but provides all required verification by the first day of the month of closure. The food benefit is reopened effective the first day of the month of closure; or
- (3) the household fails to complete the mid-certification renewal timely, but provides all required verification by the last day of the month of closure. The food benefit is reopened and prorated from the date the household completes the mid-certification renewal and provides all required verification.

(k) **Notice requirements.** DHS is required to send a notice to the household when food benefits increase, reduce, or close.

(1) **Advance notice of adverse action required.** Prior to reducing or closing food benefits during the certification period, per 7 C.F.R. § 273.13, the worker must provide timely advance notice unless circumstances described in (k)(2) or (3) of this Section occur.

(A) Advance notice of adverse action is considered timely when the notice is mailed at least 10-calendar days before the action becomes effective. Refer to DHS Appendix B-2 for advance notice processing deadlines.

(B) When the household reports a change:

- (i) 10-calendar days or more before the advance notice of adverse action deadline, the worker decreases or closes the food benefit effective the first of the following month. For example, when the household reports a change on May 18th, the effective date of the change is June 1st; or
- (ii) less than 10-calendar days before the advance notice of adverse action deadline, per DHS Appendix B-2, the worker decreases or closes the food benefit effective the first of the month after the following month. For example, when the household reports a change on May 25th, the effective date of the change action is July 1st.

(2) **Notice requirement when benefits increase.** When a reported change increases food benefits, the worker makes the change by the non-advance notice deadline date, per DHS Appendix B-2. When the change is reported after the non-advance notice deadline, the worker supplements food benefits.

(3) **Advance notice of adverse action not required.** Advance notice of adverse action is not required for actions (A) through (H) of this paragraph, per 7 C.F.R. § 273.12(e) and 7 C.F.R. § 273.13(b).

(A) **Mass changes.** When DHS initiates mass changes because of changes or requirements in federal or state law, the computer system closes benefits by the non-advance-notice deadline, per DHS Appendix B-2. In these situations, the individual notification requirement is waived and AFS mails generic notices to the affected households informing them of the changes that are about to be made.

(B) **Deceased household members.** When the worker determines, based on reliable information, that all members of the household are deceased, the worker closes benefits by the non-advance-notice deadline, per DHS Appendix B-2.

(C) **Moved out of state.** When the worker determines, based on reliable information, the household moved out of state, the worker closes benefits by the non-advance-notice deadline, per DHS Appendix B-2.

(D) **Unfinished issuance certification.** When the unfinished issuance process is used at certification, the worker adjusts the benefit to take into account changes anticipated at the time of certification. The

certification notice informs the household of all benefit changes included in this process.

(E) **Disqualified household member.** When the only household member is disqualified for an intentional program violation or fraud, per OAC 340:50-15-25, food benefits are closed by the non-advance-notice deadline, per DHS Appendix B-2. When there is more than one person in the household, the remaining household members' benefits are reduced or closed because of that household member's disqualification by the non-advance-notice deadline, per DHS Appendix B-2.

(F) **Facility loses approval.** When a household's food benefit closes because the drug or alcohol treatment center or group home facility where the household resides is no longer approved, the worker closes benefits by the non-advance-notice deadline, per DHS Appendix B-2.

(G) **Household provides written statement.** The worker closes or reduces benefits by the non-advance-notice deadline, per DHS Appendix B-2, when the household provides a written statement:

- (i) stating the household no longer wants to receive food benefits; or
- (ii) requesting closure or reduction in food benefits to avoid or repay an overpayment.

(H) **Case transfer.** When the worker closes food benefits in one case in order to transfer the food benefits to another case without a decrease or disruption in benefits, the worker closes benefits by the non-advance-notice deadline, per DHS Appendix B-2.

(I) **Action on changes when fair hearings are requested.** When a household requests a fair hearing within 10-calendar days of the date shown on an adverse action notice, the worker must reopen or restore food benefits to the previous level pending the outcome of the hearing unless the household specifically waives continuation of benefits, per 7 § C.F.R. 273.15(k). Refer to OAC 340:2-5 for fair hearing procedures.

GIST/ANALYSIS:

The proposed amendments to Chapter 100, Subchapter 5 amend the rule to implement changes recommended during the annual Developmental Disabilities Services (DDS) rule review process. The proposed amendments add eligibility criteria for Prader-Willi Syndrome (PWS) when an applicant provides documentation that he or she has a condition closely related to PWS, except mental illness; clarify when an applicant may be removed from the PWS waiting list; and clarify that an applicant may remain on the waiting list when he or she declines or is not 18 years of age.

The proposed amendment to Oklahoma Administrative Code (OAC) 340:100-18-1 adds registered behavior technician (RBT) service provisions to the rules. The amendment protects public health, safety, and welfare by ensuring individuals have adequate access to medically necessary applied behavior analysis (ABA) therapy.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S.,

SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 15, 2020:

SUBCHAPTER 5. CLIENT SERVICES

PART 3. SERVICE PROVISIONS

340:100-5-34. Services for persons with Prader-Willi Syndrome (PWS)

(a) **Legal Basis.** Section 1020 of Title 56 of the Oklahoma Statutes authorizes the Oklahoma Department of Human Services (~~OKDHS~~) (DHS) to provide community services for persons with ~~Prader-Willi Syndrome~~ PWS.

(b) **Applicability.** The rules in this ~~section~~ Section apply to services provided through ~~(OKDHS)(DHS) and Developmental Disabilities Services Division (DDSD)(DDS)~~ to persons with ~~Prader-Willi Syndrome~~ PWS through funds appropriated by the Oklahoma Legislature.

(c) **General information.** Services for ~~people~~ persons with ~~Prader-Willi Syndrome~~ PWS are intended to meet the service recipients' specialized needs of ~~persons with Prader-Willi Syndrome~~. ~~OKDHS~~ DHS provides a monthly payment to the contracted residential provider to:

- (1) ensure each service recipient participates in regular recreation, leisure, and exercise activities at home and in the community;
- (2) provide program coordination staff who serve no more than ~~eight~~ 12 service recipients ~~in~~ within a 40-mile radius. The program coordinator must visit each home at least four times per month when the service recipient is present, and one of the visits must occur during night-time hours;
- (3) assess the service recipient's progress and challenges related to activities of daily living and safety and provide a written summary to the case manager ~~30~~ 30-calendar days prior to the annual Individual Plan (Plan) meeting;
- (4) ensure program coordination staff attend a ~~Prader-Willi Syndrome~~ annual PWS conference ~~annually~~ and provide the direct service staff at least one hour per month of ~~Prader-Willi Syndrome~~ PWS-related training;
- (5) ensure service recipients are provided with specialized diets, ~~as specified in their Plan~~ per his or her Plan;
- (6) ensure ~~the~~ service recipient's exercise program is implemented and ~~provide~~ he or she is provided access to exercise equipment and classes, ~~as identified in their Plan~~ per his or her Plan;
- (7) work with the service recipient and ~~their~~ his or her team to develop a plan for ~~the replacement of~~ replace property damaged by a service recipient at no cost to ~~OKDHS~~ DHS;
- (8) assist service recipients ~~in conducting~~ to conduct safety and evacuation drills, per Oklahoma Administrative Code (OAC) 340:100-5-22.1; and

Permanent Final Adoptions

- (9) ensure ~~that the~~ service recipient's home is safe and secured, ~~as defined in their Plan~~ per his or her plans.
- (d) **Eligibility.** To be eligible for ~~Prader Willi Syndrome~~ PWS services, each person must:
- (1) provide documentation from a licensed physician that confirms the diagnosis of ~~Prader Willi Syndrome~~ PWS as evidenced by the deoxyribonucleic acid (DNA) Methylation Analysis of the PWS region of chromosome 15; or
 - (2) be receiving Home and Community Based Waiver Services (HCBS) or be on the Request for Waiver Services List per OAC 317:40-1-1 and determined eligible for HCBS unless admitted to the program prior to July 1, 1997; and provide documentation that he or she has a condition closely related to PWS, except for mental illness. The DDS director or his or her designee may grant an exception to the confirmed PWS DNA Methylation analysis when the service recipient provides documentation containing objective evidence that he or she has a condition closely related to PWS. The condition:
 - (A) results in challenging behaviors that create serious risk of physical injury or harm to the service recipient;
 - (B) results in substantial impairments;
 - (C) is likely to continue indefinitely;
 - (D) requires treatment or services similar to those required for persons with PWS;
 - (E) requires strict control of access to food and limitation of daily caloric intake required for the individual's normal growth; and
 - (F) requires services and supports that are not available from another source;
 - (3) be 18 years of age receiving Home and Community Based Waiver Services (HCBS) or be on the Request for Waiver Services List, per OAC 317:40-1-1 and determined eligible for HCBS unless admitted to the program prior to July 1, 1997; and
 - (4) be 18 years of age.
- (e) **Waiting list.** When resources are unavailable to offer services through the ~~Prader Willi Syndrome~~ PWS program, applicant names are maintained on a statewide waiting list.
- (1) The statewide waiting list is maintained by the DDS residential programs supervisor for DDS, manager or his or her designee.
 - (2) The statewide waiting list is maintained in chronological order based on the date of receipt of a written request for ~~Prader Willi Syndrome~~ PWS services.
 - (3) The statewide waiting list is administered by ~~DDS~~ DDS uniformly throughout the state.
 - (4) An applicant is removed from the statewide waiting list, when he or she:
 - (A) is determined ineligible for services; or
 - (B) the applicant cannot be located by OKDHS DDS;
 - (C) does not provide DHS-requested information or fails to respond;
 - (D) is not an Oklahoma resident at the requested Waiver approval date; or

- (E) declines an offer of PWS services and indicates he or she does not want to remain on the statewide waiting list.
- (5) When an applicant is offered ~~Prader Willi Syndrome~~ PWS services but declines ~~or is not eligible due to age~~ because he or she is not at least 18 years of age, the applicant maintains ~~their~~ his or her position on the statewide waiting list.
- (f) **Scope. Reimbursement** ~~for Prader Willi Syndrome~~ PWS services reimbursement is provided at a ~~rate~~ DHS-approved by the ~~Oklahoma Commission for Human Services~~ rate within the program capacity determined by legislative appropriation.
- (g) **Service expectations.** The contracted-residential provider agency ensures that:
- (1) all applicable ~~rules of OKDHS~~ DHS and the Oklahoma Health Care Authority (~~OHCA~~) rules are met, including OAC:
 - (A) ~~OAC 340:100-3-24, Quality assurance~~ 340:100-3-27;

SUBCHAPTER 1. GENERAL PROVISIONS

PART 1. LICENSING SERVICES - CHILD CARE

340:110-1-8.4. Licensing status and compliance for differential quality rating and improvement certification criteria

(a) **Licensing status criteria for one star plus, two star, and three star levels.** For star certification, programs ~~must~~ have a license or permit.

(b) **Compliance criteria for one star plus, two star, and three star levels.** The monitoring visits and substantiated complaints for the last 24 months of operation are reviewed. The ~~licensing record~~ Licensing file from the applicant's previous licenses is considered. Numerous, repeated, and serious non-compliance, per Oklahoma Administrative Code (OAC) 340:110-1-9.3 are considered when approving or denying star certification. The request for star certification may be denied or the level reduced, when:

- (1) there are numerous, repeated, or serious non-compliance with applicable ~~licensing~~ Licensing requirements;
- (2) a serious incident occurs resulting in injury or imminent risk of harm to a child; ~~or~~
- (3) ~~the program fails to employ a qualified director for six months or more~~ an Emergency Order or notice of proposed request for license denial or license revocation is issued;
- (4) a serious substantiated complaint occurs;
- (5) the program fails to employ a qualified director for six months or more; or
- (6) star certification level criteria are not met.

340:110-1-8.6. Director, personnel, and primary caregiver qualifications for differential quality rating and improvement certification criteria

(a) **Criteria one star plus centers and homes.** Program evaluation criteria in (1) through (2) of this subsection are required for family child care homes. Program evaluation criteria in (2) of this subsection are required for all child care programs. In addition, program evaluation criteria in (3) of this subsection are required for part-day programs.

(1) Health and safety checklists for both indoor and outdoor spaces are completed annually and maintained on file at the facility.

(2) Personnel and parents are surveyed annually identifying program strengths and weaknesses and evaluating effectiveness in meeting children's, parents', and personnel's needs.

(3) An equipment inventory is conducted annually using the appropriate Oklahoma Department of Human Services (DHS) form and kept on file at the center.

(b) **Criteria two and three star centers and homes.** Program evaluation criteria in (a) of this Section are required. In addition, program evaluation methods described in (1) through (4) of this subsection ~~must be~~ are completed within one year of receiving two star level and repeated as required.

(1) The program is assessed annually using an assessment tool approved by Child Care Services (CCS). This assessment is not required for:

(A) programs accredited by a CCS-approved, national accrediting ~~body organization~~; or

(B) Head Start grantees compliant with Head Start Program Performance Standards.

(2) Program goals are established and updated annually considering information gathered from completed health and safety checklists, parent and personnel surveys, and a CCS-approved assessment tool.

(3) The program has a written plan and program policy and procedures for meeting established goals, including professional development and educational needs ~~offor~~ personnel or the provider and assistant.

(4) Personnel participate in program evaluation and the established goals are shared with personnel.

340:110-1-9.2. Complaint investigations

(a) **Legal basis.** The Oklahoma Child Care Facilities Licensing Act (Act), ~~10 O.S. § 406~~ Section 406 of Title 10 of the Oklahoma Statutes (10 O.S. § 406), mandates that the Oklahoma Department of Human Services (OKDHS)(DHS) conduct a full complaint investigation of a complaint alleging a violation against the Act or any licensing requirement Licensing requirements.

(b) ~~Receipt of the complaint~~ Complaint receipt. Complaints may be made to licensing Licensing in writing, in person, by ~~telephone~~ phone, or electronically.

(c) **Complaint information.** Licensing staff obtains as much relevant information as possible from the complainant.

(d) **Screening complaints.** Licensing staff accepts a complaint for investigation when ~~it alleges~~ alleging:

(1) non-compliance with licensing Licensing requirements;

(2) violation of the Act;

(23) unlicensed facility operation of an unlicensed facility in violation of the Act; or

(34) abuse or neglect of a child in care.

(e) **Complaint risk levels.** ~~Risk levels are determined by licensing~~ Licensing staff determine risk levels based upon the degree of harm or danger to children in care. Risk levels are used to ensure ~~that~~ investigations occur in a timely manner ~~and to track types of complaints.~~

(1) **Risk level I complaints.** Risk level I complaints indicate a child is in imminent risk of serious physical harm. The risk level ~~of risk~~ is not influenced by the removal of a child from the facility ~~if when~~ other children remain in care. Investigations are initiated immediately or no later than 24 hours after receipt ~~of the complaint~~ by licensing staff Licensing unless awaiting investigation by a Child Welfare Services (CWS) or local law enforcement. ~~This does not include investigation; excluding weekends and holidays when the facility is closed. Examples of risk level I complaints~~ Non-compliances with licensing requirements include, but are not limited to:

(A) alleged physical or sexual abuse;

(B) the presence or use of illegal drugs while children are in care;

(C) drug distribution of drugs;

(D) children left alone in the facility or in a vehicle without anyone present;

(E) extreme facility temperatures;

(F) an infant placed on the stomach for sleep ingsleep environments and safe-sleep training;

(G) caregiver's threatening or impaired behavior ~~of a caregiver;~~

(H) severe understaffing or severe over licensed capacity;

(I) unlicensed facility child passenger restraints;

(J) violating an Emergency Order violation;

(K) required staff without current cardio-pulmonary resuscitation and first aid training;

(L) failure to obtain background investigations; or

(M) knowingly permitting access to children by persons individuals identified as restricted or Re- stricted Registry registrants.

(2) **Risk level II complaints.** Risk level II complaints do not indicate there is imminent risk of harm, but without intervention, a child may not be safe. Investigations are initiated within ~~45~~ 10-calendar days of receipt ~~of the complaint~~ by licensing staff, or sooner depending on the degree of risk Licensing, unless advised to delay the investigation by CWS or local law enforcement ~~to delay the investigation. Examples~~ Non-compliances with licensing requirements include, but are not limited to:

(A) leaving children with an underage staff ~~per-~~ son personnel;

(B) alleged physical abuse from a ~~staff~~ per- son personnel no longer working in the facility;

(C) inappropriate discipline, where when no injury is reported;

(D) broken playground equipment diapering or toilet- ing;

(E) injury caused by lack of supervision hazardous equipment; or

(F) minor understaffing transporting without a valid driver license, liability insurance, or parent permissions;

(G) lack of supervision; or

(H) minor understaffing or minor over licensed ca- pacity.

(3) **Risk level III complaints.** Risk level III complaints do not indicate imminent risk of harm and there are no injuries alleged. Serious non-compliances, per Oklahoma Administrative Code (OAC) 340:110-1-9.3 are not considered risk level III complaints. Investigations are initiated within ~~30~~ 15-calendar days of the ~~date of receipt of the complaint~~ by licensing staff or immediately ~~if~~ Licensing; including when a telephone phone investigation is appropriate, per (g) of this Section. ~~Examples~~ Non-compliances with licensing requirements include, but are not limited to:

(A) inadequate meal service;

(B) lack of play equipment;

Permanent Final Adoptions

- (C) ~~inappropriate use of television or videos~~quarterly vehicle maintenance; or
- (D) ~~inadequate cleanliness of the facility~~program records and documentation;
- (E) ~~inappropriate television or media use~~; or
- (F) ~~facility cleanliness~~.

(f) **The investigation.** Licensing staff conducts a full investigation, obtaining sufficient information to ~~make~~determine a finding.

(g) **Telephone investigation.** With supervisory approval, ~~licensing~~Licensing staff may investigate a complaint by ~~telephone~~phone. The investigation discussion ~~and if necessary, an agreed-upon plan of correction~~, is documented on Form 07LC080E, Licensing Services Supplemental Information, including an agreed-upon plan of correction, when necessary. A copy is ~~sent~~provided to the operator. A complaint ~~may be~~is investigated by ~~telephone~~phone only when:

- (1) the alleged non-compliance does not place children at risk of harm, ~~for example such as~~, the facility did not serve milk one day or children have head lice;
- (2) the facility has not had numerous, repeated, or serious non-compliance within the previous 12 months from complaint receipt; and
- (3) a monitoring visit ~~has been made~~was conducted in the last three months ~~during which~~with substantial compliance was documented.

(h) **Procedure for investigating an allegation of operating an unlicensed facility investigations.** When a complaint alleging ~~operation~~ of an unlicensed facility is received, the procedure, per OAC 340:110-1-13 is also followed.

(i) **Child abuse and neglect complaints.** ~~Upon~~On receipt of a complaint alleging abuse or neglect allegations of a child in care, ~~licensing~~Licensing staff immediately notifies the ~~licensing~~Licensing supervisor and ~~makes~~submits a CWS referral to CWS. ~~If~~When the allegation involves child abuse or neglect or a report indicating ~~that~~ a child is in imminent risk of serious physical harm, the ~~licensing~~Licensing regional programs manager (RPM) is also notified.

(j) **Findings.** After the investigation is ~~completed~~completion, the ~~licensing~~Licensing staff, in consultation with the ~~licensing~~Licensing supervisor, as appropriate, ~~makes~~ a finding as to whether ~~determines~~ the complaint is ~~finding~~ as substantiated, ~~or unsubstantiated, or ruled out~~.

(1) **Substantiated.** A substantiated finding of ~~substantiated~~ is ~~made when a weighing of the information obtained during the investigation clearly indicates~~determined when some credible evidence indicates the facility violated any licensing requirementLicensing requirements or the Act.

(2) **Unsubstantiated.** ~~A~~An unsubstantiated finding of ~~unsubstantiated~~ is ~~made when the information does not lead to a definite conclusion, for example~~determined when:

- (A) ~~there is insufficient or conflicting information on which to conclude that~~insufficient evidence exists to fully determine whether a violation occurred; or
- (B) ~~information needed to make a finding is unavailable~~.

(3) **Ruled out.** A finding of ruled out is made when a weighing of the information clearly indicates that there was not a

(B) ~~no violation of any licensing requirement~~Licensing requirements or the Act occurred.

(k) **Documentation of findings.** Upon investigation completion, ~~of the investigation, licensing~~Licensing staff:

- (1) documents the findings;
- (2) notifies the provider of the complaint allegations and findings by ~~sending~~providing:

(A) a complaint findings cover letter;;

(B) Form 07LC081E, Licensing Complaint Report Summary;; and if

(C) applicable, Form 04CP004E, Child Welfare Investigative Summary Notification to Child Care Licensing Services, when applicable; and

(3) ~~enters the complaint information on the licensing database using complaint key words~~; and

(4) updates the Licensing database and closes the complaint ~~tracking screen~~. Licensing staff and a supervisor complete the complaint review checklist.

(l) **Use of Notice to Comply.** When a complaint allegation ~~has been~~is substantiated, ~~licensing~~Licensing staff advises the facility to correct the violations immediately and requests the facility complete Form 07LC037E, Notice to Comply, ~~following the procedure in~~per OAC 340:110-1-9.3(d)(7). Licensing staff update the Licensing database with plan of correction information.

(m) **Summary of facts.** Facility owners, directors, or primary caregivers may submit a written request for a summary of the facts used to evaluate and determine the ~~licensing~~Licensing complaint findings.

(n) **Complaint overview.** Licensing staff ~~complete~~completes an overview of completed complaint investigations on Form 07LC080E, Licensing Services Supplemental Information. This overview provides ~~an investigation~~ summary of ~~the investigation~~, how the complaint findings were determined, and is filed in the case file's confidential section.

340:110-1-10.1. Restricted Registry

(a) **Legal basis.** The Oklahoma Child Care Facilities Licensing Act, Section 405.3 of Title 10 of the Oklahoma Statutes (10 O.S. § 405.3) requires the Oklahoma Department of Human Services (DHS) to establish and maintain a Restricted Registry, also named Joshua's List. Individuals recorded on the Restricted Registry are identified as registrants and are prohibited from licensure, ownership, employment, unsupervised access to children, and/or residence in a facility or program licensed, certified, operated or contracted by, or with, DHS or the Office of Juvenile Affairs (OJA). The Restricted Registry search is required, per 10 O.S. § 404.1 and Oklahoma Administrative Code (OAC) ~~340:110-1-8.1~~340:2-46-5.

(b) **Registrants.** Registration may result after review by the Restricted Registry Review Committee and after all appeals are exhausted, when:

- (1) a substantiated finding of abuse or neglect, per 10A O.S. § 1-1-105 by an individual, when the abuse or neglect

occurred to a child while in the care of a facility licensed, certified, operated or contracted by, or with, DHS or OJA;
(2) a denial or revocation of a child care program license;

(3) a specified criminal history for individuals who have entered a plea of guilty, nolo contendere (no contest), or a conviction for felony offenses in (A) through (C) of this paragraph of:

- (A) child abuse or neglect;
- (B) a crime against a child; or
- (C) a crime involving violence including, but not limited to: rape, sexual assault, or homicide;

(4) a specified criminal history for individuals who have entered a plea of guilty, nolo contendere (no contest), or a conviction ~~within the five year period preceding prior to, and after the request for license date and ownership, prior to employment, unsupervised access to children, and/or residence, for the felony offenses in (A) and (B) of this paragraph of:~~

- (A) domestic abuse; or
- (B) a drug or alcohol-related offense; or

(5) an individual required to register, pursuant to per the Sex Offender Registration Act or the Mary Rippe Violent Crime Offenders Act.

(c) **Restricted Registry search for program owners.** When the owner is a:

(1) registrant, ~~Licensing documents owner contact~~ contacts the owner and documents discussion regarding his or her registration on Form 07LC080E, Licensing Services Supplemental Information, regarding the owner's registration; or

(2) non-registrant, procedures for processing a request for license are followed, per OAC 340:110-1-6 or 340:110-1-45.

(d) **Restricted Registry online search for child care program owners, personnel, individuals with unsupervised access, and residents.** The DHS Office of Background Investigation (OBI) verifies programs conduct ~~and a Restricted Registry online search of the Restricted Registry~~ within 30-calendar days of submission, per OAC ~~340:2-46-4~~ 340:2-46-5.

(e) **Registration as a result of findings of abuse or neglect investigations by Child Welfare Services (CWS).** DHS staff notifies Restricted Registry staff of receipt of substantiated or confirmed findings when the abuse or neglect occurred to a child while in the care of a facility licensed, certified, operated or contracted by, or with, DHS or OJA. Restricted Registry staff verifies CWS appeal status before requesting additional information on potential registrants. Investigation information is forwarded to the Restricted Registry Review Committee for consideration, per (j) of this Section.

(f) **Registration as a result of findings of abuse or neglect investigations by Office of Client Advocacy (OCA).** OCA submits abuse or neglect investigations to the residential licensing programs manager who reviews the information. Information meeting Restricted Registry registration criteria ~~identified in, per (b)(1) of this Section~~ are forwarded to Restricted Registry staff. Investigation information is forwarded

to the Restricted Registry Review Committee for consideration, per (j) of this Section. Restricted Registry staff verifies OCA appeal status before requesting further review.

(g) **Registration as a result of findings of OJA abuse or neglect investigations.** OJA Office of Public Integrity personnel submits abuse or neglect investigations to Restricted Registry staff. Information meeting Restricted Registry registration criteria ~~identified in, per (b)(1) of this Section~~ are forwarded to Restricted Registry staff. Investigation information is forwarded to the Restricted Registry Review Committee for consideration, per (j) of this Section. Restricted Registry staff verifies OJA appeal status before requesting further review.

(h) **Registration as a result of a denial or revocation.** Procedures regarding the request for license denial or revocation of a license are followed, per OAC 340:110-1-10 or 340:110-1-52. A copy of the cease and desist letter and ~~revocation or denial or revocation~~ letter is forwarded to Restricted Registry staff by the statewide licensing coordinator or designee. Documentation relating to the denial and revocation is forwarded to the Restricted Registry Review Committee for consideration, per (j) of this Section.

(i) **Registration as a result of a specified criminal history.** When a criminal history review conducted by OBI, including Record of Arrest and Prosecution (RAP) Back, reveals an individual is a potential registrant ~~as indicated in, per (b)(3) - (5) of this Section~~, and a criminal history restriction waiver was rescinded or not granted, all criminal background information is forwarded to the Restricted Registry Review Committee for consideration, per (j) of this Section.

(j) **Restricted Registry Review Committee.** The Restricted Registry Review Committee consists of six DHS staff and one OJA staff, who make a registration determination of registration within 30-calendar days of receipt of necessary information from Restricted Registry staff.

(1) Criteria considered for Restricted Registry registration include, the:

- (A) individual's age at the time of the offense(s);
- (B) length of time since the offense(s) occurred;
- (C) number and types of offenses the individual was convicted for, or for findings made;
- (D) circumstances surrounding commission of the offense(s), demonstrating willful intent;
- (E) likelihood the individual will re-offend; and
- (F) other documentation submitted indicating children's health, safety, and well-being are, or are not endangered.

(2) The Restricted Registry Review Committee ~~standard to determine~~ determines Restricted Registry registration by clear and convincing evidence ~~includes; including~~ consideration of:

- (A) the individual's history of behavior likely to create a reasonable risk of harm to children; and
- (B) ~~if the individual is~~ children are unsafe with ~~child~~ the individual; either alone or in a group.

(3) The Restricted Registry Review Committee's determination requires a majority decision and is based on a ~~majority decision of the Restricted Registry Review~~

Permanent Final Adoptions

~~Committee members~~ the members' review, discussion of documentation, and consideration of registration criteria as listed.

(4) When the Restricted Registry Review Committee recommends registration, information is forwarded to Restricted Registry staff.

(k) **Restricted Registry legal review.** Restricted Registry staff submits registration information to DHS Legal Services (LS) ~~requesting legal review~~ for registration review.

(l) **Restricted Registry notification.** Within five DHS-business days of receipt of DHS LS review, Restricted Registry staff notifies the potential registrant on Form 07LC115E, Restricted Registry Notification. The notification:

(1) is mailed to the most recent address of record as provided by the potential registrant through request for license, personnel documents, criminal background requests, or interviews. Notification is provided by regular and certified mail, return receipt requested; and

(2) advises the potential registrant of the:

(A) right to appeal within 30-calendar days of receipt of notice;

(B) failure to request a hearing, within the time frame specified, may result in Restricted Registry registration, per (n) of this Section; and

(C) responsibility for notifying restricted registry staff of changes in mailing address.

(m) **Restricted Registry appeal process.** A request for an appeal is forwarded to Restricted Registry staff. Appeal requests are forwarded to DHS LS.

(n) **Registration.** When an appeal is not requested within the specified timeframe or when an administrative decision becomes final, Restricted Registry staff:

(1) mails Form 07LC114E, Restricted Registry Final Notification, to the registrant's last known address of record on file;

(2) mails Form 07LC113E, Restricted Registry Program Notification, to the program where registrant is associated;

(3) notifies the appropriate CWS Resource Unit, OJA, or Licensing staff regarding Restricted Registry registration; and

(4) enters registrant information on the Restricted Registry database.

(o) **District Court appeal process.** Registrants aggrieved by the decision may appeal to the District Court of the county where the program is maintained and operated by filing a verified petition with the court clerk within 10-calendar days after the decision. Within 20-calendar days of the filing of the appeal in District Court, the registrant must also file with the court clerk the administrative hearings transcript.

(p) **Request for registration removal.** A registrant may request removal after 60 months from the date of Restricted Registry registration. A request for removal from the Restricted Registry is forwarded to the Restricted Registry staff for submission to the Restricted Registry Review Committee. The Restricted Registry Review Committee makes a determination within 30-calendar days of receipt of notice from the Restricted Registry staff.

(1) Criteria considered for removal includes, but ~~are~~is not limited to, ~~criteria in~~ (j)(1)(A) through (F) of this Section, and:

(A) a current criminal background review, conducted within 30-calendar days;

(B) ~~work and training histories~~, since registration, consideration of;

(i) work and training histories; and

(ii) character behavioral references;

(C) a personal statement of rehabilitative efforts; and

(D) reason for original placement and the length of time on the Restricted Registry.

(2) A decision to remove a registrant from the Restricted Registry is based on a Restricted Registry Review Committee majority decision.

(3) A request for appeal of continued placement on the Restricted Registry is forwarded to Restricted Registry staff. Appeal requests are forwarded to DHS Legal Services. ~~(3)(4)~~ Restricted Registry staff notifies the registrant of the Restricted Registry Review Committee decision.

340:110-1-15. Grievance policy and procedure

(a) **Grievance policy.** The program owner or director may ~~file~~submit a grievance regarding the application of any written or unwritten policy, rule, or regulation of Child Care Services (CCS) or a CCS employee decision affecting the program. Grievances must be ~~requested~~received within 30-calendar days of the documented non-compliance, star criteria violation, or substantiated complaint allegation. A grievance is not accepted concerning an Emergency Order, request for license denial, ~~or license revocation, or Restricted Registry registration.~~ The procedure for appealing this action is provided in the Oklahoma Child Care Facilities Licensing Act, Section 407 of Title 10 of the Oklahoma Statutes (10 O.S. § 407).

(b) **Grievance procedure.** Individuals wanting to ~~file~~submit a grievance are encouraged to seek informal resolution of his or her concerns by contacting the appropriate Licensing supervisor, who attempts to resolve the matter.

(1) When a resolution cannot be reached at the local level or through verbal conversation with CCS State Office staff, the grievant is ~~requested~~instructed to ~~file~~submit one written grievance request with the Licensing supervisor. Grievances must be received within 15-calendar days of this communication. Written grievances are forwarded when additional reviews are requested.

(2) The Licensing supervisor notifies the regional programs manager (RPM) and statewide licensing coordinator that a formal grievance was filed~~received~~ and efforts ~~were~~ made to resolve the issue. The Licensing supervisor responds to written grievances within 10-Oklahoma Department of Human Services (DHS) business days of receipt. The grievant is informed additional review requests must be ~~submitted~~received within 15-calendar days of the correspondence date.

(3) When the grievant is not satisfied with the proposed resolution, he or she may request RPM review. The RPM

responds to written grievances within 10-DHS business days of receipt. The grievant is informed additional review requests must be ~~submitted~~received within 15-calendar days of the correspondence date.

(4) When the grievant is not satisfied with the proposed resolution, he or she may request statewide licensing coordinator review. The grievant is informed he or she may request Child Care Advisory Committee (CCAC) Peer Review Board review, prior to statewide licensing coordinator review. The statewide licensing coordinator forwards information to the Peer Review Board, when applicable or proceeds with the review.

(5) When applicable, the Peer Review Board responds to the statewide licensing coordinator with resolution advisement within 10-DHS business days of receipt.

(6) The statewide licensing coordinator notifies the grievant of the CCS decision within 10-DHS business days or when applicable 10-DHS business days of Peer Review Board advisement receipt. The grievant is informed additional review requests must be ~~submitted~~received within 15-calendar days of the correspondence date.

(7) When the grievant is not satisfied with the proposed resolution, he or she may request review by the CCS director, ~~Adult and Family Service (AFS)~~Children's Services director, and DHS Director (Director), respectively. The CCS director, AFS director, and Director each respond within 10-DHS business days of receipt. The grievant is informed additional review requests must be ~~submitted~~received within 15-calendar days of the correspondence date. The Director's decision is final.

(c) **Grievance procedures against a CCS employee.** A child care program may ~~file~~submit a grievance about a CCS employee who retaliated against a program or program employee. Grievances must be received within 30-calendar days of the alleged incident. Reports are investigated regardless of the grievant's decision to remain anonymous.

(1) The grievant is referred to the appropriate supervisor, who attempts to resolve the matter.

(2) When the grievant is not satisfied with the proposed resolution at the supervisory level, the grievant is referred to the assistant licensing coordinator not within the line of supervision of the involved Licensing staff. The assistant licensing coordinator:

- (A) requests the allegations be submitted in writing; however, written submission is not required;
- (B) investigates the allegations; and
- (C) provides written investigation results to the grievant, when contact information is available.

(3) The assistant licensing coordinator's decision is final; however, the grievant may request the CCS director review the finding.

PART 3. LICENSING SERVICES - RESIDENTIAL CARE AND AGENCIES

340:110-1-47. Case management

(a) Periodic visits.

(1) Licensing staff conducts monitoring visits documenting compliance with requirements. Required monitoring visits annually include two:

(A) unannounced and one announced, to residential programs; and

(B) announced, to child-placing agencies

(2) When caseloads prevent Licensing staff from conducting ~~all the required~~ monitoring visits, the programs manager consults with Licensing staff on case management, and the required monitoring visits may be reduced. This adjustment is approved and documented in the case file by the programs manager.

(3) During each monitoring visit, Licensing staff:

(A) observes the entire facility, including outdoor play space and transportation, when available; and

(B) verifies:

- (i) compliance with ~~licensing~~Licensing requirements;
- (ii) resident files, when applicable;
- (iii) new personnel records including personnel sheets and compliance with background investigations, per Oklahoma Administrative Code (OAC) 340:110-1-8.1;
- (iv) the Oklahoma Department of Human Services (DHS) database on applicable individuals, per OAC 340:110-1-8.1;
- (v) Form 07LC092E, Insurance Verification, within the ~~last~~previous 12 months;
- (vi) fire and health inspections within the ~~last~~previous 12 months, when applicable; and
- (vii) other documentation requiring renewal.

(b) **Consultation and technical assistance.** Licensing staff provides technical assistance to operators to meet and maintain minimum requirements. Consultation is provided to parties interested in licensure and to licensed programs, and includes suggestions for improving the quality of care and for exceeding minimum requirements.

(c) **Address change.** When a program moves to a new address, Licensing staff follows procedures in this subsection to document the change.

(1) **Child-placing agency.** When a child-placing agency moves its office, Licensing staff:

- (A) obtains an updated Form 07LC040E, Request for License Child-Placing Agency and Residential Child Care; and
- (B) requests a permit or license be issued reflecting the address change.

(2) **Residential program.** When a residential program moves, Licensing staff:

- (A) obtains an updated request for license;
- (B) conducts a monitoring visit verifying the new location meets ~~licensing~~Licensing requirements;
- (C) obtains new fire and health inspection approvals, when applicable;
- (D) obtains Oklahoma Department of Environmental Quality approval, when applicable;
- (E) completes an updated physical plant drawing with required calculations; and

Permanent Final Adoptions

- (F) requests a permit or license be issued reflecting the address change.
- (d) **Satellite office.** When a child-placing agency adds a satellite office, Licensing staff:
- (1) documents each office location; and
 - (2) requests needed files from satellite locations.
- (e) **Program or agency name change.** When Licensing staff verifies there is a name change but no ownership change, the name change is documented in the case file and the database is updated. A new Form 07LC040E, Request for License Child-Placing Agency and Residential Child Care, reflecting the name change is completed. Licensing staff requests permit or license issuance reflecting the new program or agency name.
- (f) **Executive or program director change.** When there is a director change, Licensing staff:
- (1) verifies the new director meets qualifications;
 - (2) obtains the applicable page of Form 07LC040E, Request for License Child-Placing Agency and Residential Child Care, completed by the new director;
 - (3) obtains an appropriate, Form 07LC056E, Compliance Review-Residential Child Care Facility; or Form 07LC043E, Child Placing Agency Compliance Review, completed by the executive or program director;
 - (34) notifies the new director of current personnel granted a waiver; and
 - (45) documents the information on Form 07LC080E, Licensing Services Supplemental Information.
- (g) **Capacity increase or decrease.** When a program requests a capacity increase or decrease, it is documented on Form 07LC080E, Licensing Services Supplemental Information, and must be approved by the programs manager. When the increase involves new construction, architectural plans approved by the State Fire Marshal are submitted to Licensing for approval prior to construction. When the request to increase capacity is due to additional physical space, the required documentation includes:
- (1) the reason for the increase;
 - (2) fire department approval;
 - (3) health department approval of additional food preparation space not previously inspected;
 - (4) a physical plant drawing indicating required calculations; and
 - (5) the request for additional personnel, when applicable.
- (h) **Inactive programs.** A program is inactive when care or child-placing agency activity was not provided for more than 90-calendar days.
- (1) A program remaining open after 90-calendar days submits a request in writing including a statement the owner will notify Licensing prior to resuming care or child-placing agency activity. Licensing staff verifies compliance with requirements prior to resuming care.
 - (2) The program is contacted by Licensing staff, a minimum of every four months for residential programs; and a minimum of every six months for child-placing agencies by phone, letter, or email to update the program status including changes in personnel, household members, or other program changes.

- (3) ~~The Voluntary~~ closure is discussed with the owner and an agreement to close is reached, when possible.
 - (4) Licensing staff ~~visits~~ monitors the inactive program, at least once during the 12-month timeframe verifying compliance with ~~licensing~~ Licensing requirements until closure is final or the program resumes care.
 - (5) When an address change occurs during the time a program is in inactive status, a monitoring visit is required and address change is followed per (c) of this Section.
- (i) **Inactive program closure.** Procedures in (1) ~~through~~ (4) of this subsection are followed when closing an inactive residential program or child-placing agency.
- (1) To verify program status, Licensing staff contacts the program or agency owner during the 12th month of inactive status.
 - (2) Licensing ~~staff~~ documents program status on Form 07LC080E, Licensing Services Supplemental Information, and notifies the owner ~~that if the case will be closed when care or child-placing activity does not resume prior to the end of the 12th month, the case will be closed.~~
 - (3) When care was not provided for 12-consecutive months or longer, Licensing staff provides a letter notifying the owner of case closure within 10-calendar days of letter receipt, unless Licensing is notified care or child-placing activity resumed.
 - (4) The case is closed and the owner must reapply and be approved for a new license prior to resuming care, per OAC 340:11-1-45.
- (j) **Change in ownership.** When there is a change in ownership or a change in the business organization of a residential program or child-placing agency assumes new ownership, the case ~~file~~ is closed, and the program must apply for a new license ~~under the new owner~~. Prior to permit or license issuance, the program must comply with background investigations, per OAC 340:110-1-8.1. A permit may be issued when a monitoring visit without numerous, repeated, or serious non-compliances was conducted ~~at the program~~ within the past 60-calendar days. A full-monitoring visit is conducted within 14-calendar days of ownership change, verifying the new owner is able to meet minimum ~~licensing~~ Licensing requirements.
- (k) **Transitional change of ownership.** When a residential program or child-placing agency requests a transitional change of ownership (1) through (5) of this subsection are followed.
- (1) Licensing staff conducts a monitoring visit within five DHS-business days, verifying compliance with ~~licensing~~ Licensing requirements and, obtains:
 - (A) Form 07LC015E, Transitional Change of Ownership, completed by the current and prospective owners;
 - (B) Form ~~07LC004E~~ 07LC040E, Request for License Child-Placing Agency and Residential Child Care, completed by the prospective owner; and
 - (C) a ~~list of all~~ current personnel list, verifying ~~that~~ the prospective owner employs the same personnel as the current owner, at the time of transitional change of ownership.

- (2) Periodic and ongoing monitoring is maintained, per (a) of this Section.
- (3) All ~~licensing~~Licensing monitoring and correspondence are provided to both the current and prospective owners.
- (4) Change of ownership procedures are followed, by the end of 90-calendar days, when applicable, per (j) of this Section.
- (5) When programs notify Licensing ~~that~~the transitional change of ownership is no longer proceeding, Licensing staff verifies program operation or child-placing activity status and consults with the programs manager for appropriate action.
- (l) **Response to a child death.** When notified of a child death while in care, Licensing staff:
 - (1) completes Form 07LC079E, Child Death Report, and forwards it to the statewide licensing coordinator or designee; and
 - (2) visits the residential program as soon as possible, and contacts the child-placing agency unless advised otherwise by local law enforcement officials.
- (m) **Serious incident reports.** Licensing staff submits a serious incident report to the programs manager. Serious incidents include at least, incidents:
 - (1) resulting in the serious injury or child death, such as a:
 - (A) shaken baby;
 - (B) drowning or near drowning; or
 - (C) traffic accident resulting in serious injury;
 - (2) placing a child at a high risk for death or injury, such as when a child is left:
 - (A) at a location away from the facility;
 - (B) unattended in a vehicle; or
 - (C) alone in a facility; or
 - (3) resulting in significant facility damage, such as:
 - (A) fire;
 - (B) flood; or
 - (C) tornado.
- (n) **Coordination with state agencies.** Licensing staff works cooperatively with the DHS Office of Client Advocacy and Child Welfare Services, the Oklahoma Commission on Children and Youth, the Oklahoma Health Care Authority, and local law enforcement.

340:110-1-47.1. Complaint investigations

- (a) **Legal basis.** The Oklahoma Child Care Facilities Licensing Act (Act), Section 406 of Title 10 of the Oklahoma Statutes (10 O.S. § 406), mandates that the Oklahoma Department of Human Services (DHS) conduct a full ~~investigation of a complaint~~ investigation alleging a violation against the Act or ~~any licensing requirement~~ Licensing requirements.
- (b) **Receipt of the complaint** ~~Complaint receipt~~. Complaints may be made to Licensing ~~Services~~, in writing, in person, by phone, or electronically.
- (c) **Complaint information.** Licensing staff obtains as much relevant information as possible from the complainant.
- (d) **Screening complaints.** Licensing staff accepts a complaint for investigation when ~~it alleges~~ alleging:

- (1) non-compliance with ~~licensing~~Licensing requirements;
- (2) violation of the Act;
- (3) unlicensed program operation ~~of an unlicensed program in violation of the Act~~; or
- (34) abuse or neglect of a child in care.
- (e) **Disposition of complaints.** ~~Upon~~On receipt of a complaint, ~~licensing~~Licensing staff determines a disposition, as described in this subsection.
 - (1) A complaint not meeting the criteria in (d) of this Section is discussed with the complainant and, when appropriate, a referral is ~~made~~submitted to another entity, such as local law enforcement, the Office of Juvenile Affairs (OJA), the Office of Client Advocacy (OCA), Child Welfare Services (CWS), or the Office for Civil Rights.
 - (2) A complaint alleging ~~violation of licens~~ing non-compliance with Licensing requirements or unlicensed program operation ~~of an unlicensed program~~ is investigated by Licensing Services.
 - (3) A complaint alleging child abuse or neglect is immediately referred to the Child Abuse and Neglect Hotline with a copy of Form 07LC012E, Licensing Complaint. The referral is documented on the form. When an immediate response ~~to the referral~~ is not received, ~~licensing~~Licensing staff follows up the next DHS-business day to obtain a response.
 - (4) When a complaint alleges illegal activity by program personnel, including illegal drug activity in the child care facility, ~~all referral information, including the complainant's name,~~ is immediately referred to the DHS Office of Inspector General (OIG) and local law enforcement where the program is located.
 - (A) Referral follow ups are documented in writing, a copy is filed in the program record case file, and the programs manager is notified.
 - (B) ~~It is the responsibility of licensing~~Licensing staff ~~to follow up~~follows up with local law enforcement officials to determine and document the investigation's outcome of the investigation.
 - (C) ~~A~~The referral ~~to~~ OIG is documented on Form 19MP001E, Office of Inspector General (OIG) Referral Form.
 - (5) ~~A~~Information in a complaint received from another ~~program division~~ within DHS or an agency responsible for monitoring residential child care programs or child-placing agencies, such as the Oklahoma Commission on Children and Youth (OCCY), OCA, the local health, or fire department, ~~is may be~~ may be deemed valid when documented in writing by the agency representative. Licensing staff determines ~~whether when~~ the observation is a non-compliance. The program is advised of the report, requested to complete Form 07LC037E, Notice to Comply, when applicable, per Oklahoma Administrative Code (OAC) 340:110-1-47.2, and given an opportunity to respond.
 - (6) The programs manager is notified of ~~any~~ a complaint when:
 - (A) the alleged non-compliance caused or could cause imminent risk of harm to a child in care;

Permanent Final Adoptions

(B) the program has numerous, repeated, or serious non-compliance with requirements;

(C) the alleged non-compliance was addressed in a previous Form 07LC037E, Notice to Comply;

(D) referred to the Child Abuse and Neglect Hotline or local law enforcement; or

(E) receiving special attention, such as from the media or a legislator.

(f) **Complaint risk levels.** ~~Risk levels are determined by licensing~~ Licensing staff determine risk levels based upon the degree of harm or danger to children in care. Risk levels are used to ensure investigations occur in a timely manner ~~and to track types of complaints.~~

(1) **Risk level I complaints.** Risk level I complaints indicate a child is in imminent ~~danger~~ risk of serious physical injury. The ~~risk level of risk~~ is not influenced by the removal of a child from the program ~~if when~~ other children remain in care. Investigations are initiated immediately or no later than 24-hours after receipt of the complaint by ~~licensing staff~~ Licensing unless awaiting investigation by OCA or local law enforcement investigation; excluding weekends and holidays when the program or agency is closed. Examples of risk level I complaints ~~non-compliances with licensing requirements~~ include:

- (A) alleged physical or sexual abuse;
- (B) presence or use of illegal drugs while children are in care;
- (C) ~~drug distribution of drugs;~~
- (D) children ~~left~~ alone in the facility or in a vehicle without anyone present;
- (E) ~~extreme~~ facility temperatures;
- (F) ~~an infant placed on the stomach for sleep~~ sleep environments;
- (G) caregiver's threatening or impaired behavior ~~of a caregiver;~~
- (H) severe understaffing or severe over licensed capacity;
- (I) ~~unlicensed program~~ child passenger restraints;
- (J) ~~violating an~~ Emergency Order violation;
- (K) required personnel without current cardio-pulmonary resuscitation and first aid training;
- (L) failure to obtain background investigations; or
- (M) knowingly permitting access to children by individuals identified as restricted or Restricted Registry registrants.

(2) **Risk level II complaints.** Risk level II complaints do not indicate there is imminent danger of injury, but without intervention a child may not be safe. Investigations are initiated within ~~45~~ 10-calendar days of receipt of the complaint by ~~licensing staff or sooner, depending on the degree of risk~~ Licensing, unless advised by OCA or local law enforcement to delay the investigation. Examples of risk level II complaints ~~non-compliances with requirements~~ include:

- (A) leaving children with underage personnel;
- (B) alleged physical abuse from personnel no longer working in the program;

- (C) inappropriate discipline where no injury is reported;
- (D) ~~broken playground equipment~~ diapering or toileting;
- (E) ~~injury caused by lack of supervision~~ hazardous equipment; or
- (F) ~~minor understaffing~~ transporting without a valid driver license or liability insurance;
- (G) lack of supervision; or
- (H) minor understaffing or minor over licensed capacity.

(3) **Risk level III complaints.** Risk level III complaints do not indicate imminent danger and there are no injuries alleged. Serious non-compliances, per OAC 340:110-1-47.2 are not considered risk level III complaints. Investigations are initiated within ~~30~~ 15-calendar days of the date of receipt of the complaint by ~~licensing staff or immediately~~ Licensing including when a phone investigation is appropriate, per (h) of this Section. Examples of risk level III complaints ~~non-compliances with requirements~~ include:

- (A) inadequate meal service;
- (B) ~~inappropriate use of television or videos~~ quarterly vehicle maintenance; or
- (C) ~~inadequate cleanliness of the facility~~ program or agency records and documentation;
- (D) inappropriate use of television or videos; or
- (E) inadequate facility cleanliness.

(g) **The investigation.** Licensing staff conducts a full investigation, obtaining sufficient information to ~~make~~ determine a finding.

(h) **Phone investigation.** With supervisory approval, ~~licensing~~ Licensing staff may investigate a complaint by phone. The investigation discussion and, when necessary, an agreed upon plan of correction ~~are~~ is documented on Form 07LC080E, Licensing Services Supplemental Information, including an agreed-on plan of correction, when necessary. A copy is ~~sent~~ provided to the operator. A complaint ~~may be~~ is investigated by phone only when:

- (1) the alleged non-compliance does not place children at risk of harm, ~~for example~~ such as, the program did not serve milk one day or children have head lice;
- (2) the program has not had numerous, repeated, or serious non-compliance within the previous 12 months from complaint receipt; and
- (3) a monitoring visit ~~has been made~~ was conducted in the ~~last~~ previous three months ~~where~~ with substantial compliance ~~was~~ documented.

(i) **Procedure for investigating allegations of operating an unlicensed** Unlicensed program investigations. When ~~allegations of operating~~ a complaint alleging an unlicensed program ~~are investigated~~ is received; procedures, per Oklahoma Administrative Code (OAC) 340:110-1-54.1 are also followed.

(j) **Child abuse and neglect complaints.** ~~Upon~~ On receipt of a complaint ~~alleging~~ allegations of a child in care, ~~licensing~~ Licensing staff immediately notifies the programs manager and ~~makes~~ submits a referral to the Child Abuse and Neglect Hotline.

(k) **Findings.** After ~~the~~ investigation is ~~completed~~completion, ~~licensing~~Licensing staff, in consultation with the programs manager, as appropriate, ~~makes a finding as to whether~~determines the complaint ~~is finding as~~ substantiated, or unsubstantiated, or ruled out.

(1) **Substantiated.** A ~~finding of~~ substantiated ~~finding~~ is ~~made when a weighing of the information obtained during the investigation clearly indicates~~determined when some credible evidence indicates the program violated a ~~licensing~~Licensing requirement or the Act.

(2) **Unsubstantiated.** ~~AAn unsubstantiated finding of unsubstantiated is made when the information does not lead to a definite conclusion, for example~~determined when:

(A) ~~there is insufficient or conflicting information to conclude~~insufficient evidence exists to fully determine whether a violation occurred; or

(B) ~~information required to make a finding is un-~~available.

(3) **Ruled out.** A ~~finding of ruled out is made when a weighing of the information clearly indicates there was not a~~

(B) no violation of a ~~licensing~~Licensing requirement or the Act occurred.

(l) **Documentation of findings.** Upon investigation completion of ~~the investigation~~, ~~licensing~~Licensing staff:

(1) documents the ~~complaint allegations~~, findings;:

(2) notifies the provider in writing, ~~and enters the complaint information on the licensing database using complaint key words; and~~

(3) updates the Licensing database and closes the complaint. Licensing staff and the programs manager complete the complaint review checklist.

(m) **Notice to Comply.** When a complaint allegation is substantiated, ~~licensing~~Licensing staff advises the program to correct the violations immediately, using Form 07LC037E, Notice to Comply, following procedure, per OAC 340:110-1-47.2(c)(7). ~~The program must complete a plan of correction.~~Licensing staff update the Licensing database with plan of correction information.

(n) **Summary of facts.** Program or agency owners or program directors may submit a written request for a summary of the facts used to evaluate and determine the ~~licensing~~ complaint findings.

(o) **Complaint overview.** Licensing staff ~~complete~~completes an overview of completed complaint investigations on Form 07LC080E, Licensing Services Supplemental Information. This overview provides ~~an~~ an investigation summary of ~~the investigation~~, how the complaint findings were determined, and is filed in the case file's confidential section.

340:110-1-54. Grievance policy and procedure

(a) **Grievance policy.** The residential program or child-placing agency owner, director, or administrator may ~~file~~submit a grievance regarding the enforcement of any written or unwritten policy, rule, or regulation of ~~the~~ Child Care Services (CCS) or a CCS employee decision affecting

the program. Grievances must be ~~requested~~received within 30-calendar days of the documented non-compliance or substantiated complaint allegation. A grievance is not accepted concerning an Emergency Order, request for license denial, ~~or~~ license revocation, or Restricted Registry registration. The procedure for appealing this action is provided in the Oklahoma Child Care Facilities Licensing Act, Section 407 of Title 10 of the Oklahoma Statutes (10 O.S. § 407).

(b) **Grievance procedure.** Individuals wanting to ~~file~~submit a grievance are encouraged to seek informal resolution of his or her concerns by contacting the programs manager, who attempts to resolve the matter.

(1) When a resolution cannot be reached at the local level or through verbal conversation with CCS State Office staff, the grievant is ~~requested~~instructed to ~~file~~submit one written grievance request with the programs manager. Grievances must be received within 15-calendar days of this communication. Written grievances are forwarded when additional reviews are requested.

(2) The programs manager notifies the statewide licensing coordinator a formal grievance was ~~filed~~received and efforts were made to resolve the issue. The programs manager responds to written grievances within 10-Department of Human Services (DHS) business days of receipt. The grievant is informed additional review requests must be ~~submitted~~received within 15-calendar days of the correspondence date.

(3) When the grievant is not satisfied with the proposed resolution, he or she may request statewide licensing coordinator review. The grievant is informed he or she may request Child Care Advisory Committee (CCAC) Peer Review Board review, prior to statewide licensing coordinator review. The statewide licensing coordinator forwards information to the Peer Review Board, when applicable or proceeds with the review.

(4) When applicable, the Peer Review Board responds to the statewide licensing coordinator with resolution advisement within 10-DHS business days of receipt.

(5) The statewide licensing coordinator notifies the grievant of the CCS decision within 10-DHS business days or when applicable 10-DHS business days of Peer Review Board advisement receipt. The grievant is informed additional review requests must be ~~submitted~~received within 15-calendar days of the correspondence date.

(6) When the grievant is not satisfied with the proposed resolution, he or she may request review by the CCS director, ~~Adult and Family Service (AFS)~~Children's Service director and Director of Human Services (Director), respectively. The CCS director, AFS director and Director each respond within 10-DHS business days of receipt. The grievant is informed additional review requests must be ~~submitted~~received within 15-calendar days of the correspondence date. The Director's decision is final.

(c) **Grievance procedures against a CCS employee.** A residential program or child-placing agency may ~~file~~submit a grievance about a CCS employee who retaliated against a program or program employee. Grievances must be received within 30-calendar days of the alleged incident. Reports are

Permanent Final Adoptions

investigated regardless of the grievant's decision to remain anonymous.

- (1) The grievant is referred to the programs manager, who attempts to resolve the matter.
- (2) When the grievant is not satisfied with the proposed resolution at the programs manager level, the grievant is referred to an assistant licensing coordinator. The assistant licensing coordinator:
 - (A) requests the allegations be submitted in writing; however, written submission is not required;
 - (B) investigates the allegations; and
 - (C) provides written investigation results to the grievant, when contact information is available.
- (3) The assistant licensing coordinator's decision is final; however, the grievant may request the CCS director review the finding.

SUBCHAPTER 3. LICENSING STANDARDS FOR CHILD CARE FACILITIES

PART 5. REQUIREMENTS FOR FAMILY CHILD CARE HOMES AND LARGE FAMILY CHILD CARE HOMES

340:110-3-84. Ages and number of children

(a) **Total number of children.** The maximum number of children in care at one time, ~~whether on or off of the premises,~~ does not exceed the number of children specified on the license.

(1) The total number of children in ~~a family child care home~~ care is limited to:

- (A) ~~seven children, that includes for a family child care home;~~
- (B) ~~twelve children, for a large family child care home; and~~
- (C) ~~includes children in (2) and (3) of this subsection.~~

(2) The total number of children in care includes:

- (1A) ~~children younger than five years of age who are living in the home and are present in the home while children are in care;~~
- (2B) ~~foster children 12 years of age and younger who are living in the home and are present in the home while children are in care; and~~
- (3C) ~~the substitute's or assistant caregiver's children of any substitute or assistant caregiver present while children are in care.~~

(3) When the primary caregiver is licensed in an alternative residence other than his or her primary residence, the total number of children in care includes children 12 years of age and younger not residing in the alternative residence.

(b) **One caregiver.**

- (1) When only one caregiver is present, the total number and ages of children ~~that may be~~ in care at any one time are:

- (A) seven children, with no more than two children younger than ~~two~~ 2 years of age;
- (B) six children, with no more than three children younger than ~~two~~ 2 years of age; or
- (C) five children of any age.

(2) Examples of number and ages of children are ~~presented~~ described in this paragraph.

Total Number of Children in Care	Under 2 Years	2 Years and Older
7	0	7
7	1	6
7	2	5
6	3	3
5	4	1
5	5	0

(A) When one caregiver has seven children in care, the program may care for:

- (i) seven children two years of age and older, and no children younger than two years of age;
- (ii) one child younger than two years of age, and six children two years of age and older; or
- (iii) two children younger than two years of age, and five children two years of age and older.

(B) When one caregiver has six children in care, the program may care for three children younger than two years of age, and three children two years of age and older.

(C) When one caregiver has five children in care, the program may care for:

- (i) four children under two years of age and one child two years of age and older; or
- (ii) five children all younger than two years of age, and no children two years of age and older.

(c) **Two caregivers.** Two caregivers ~~must be present and providing~~ are required to provide care when:

- (1) seven children are in care and more than two children are younger than ~~two~~ 2 years of age; or
- (2) six children are in care and more than three children are younger than ~~two~~ 2 years of age.

(d) Additional staff provisions are made for enrollment of children with disabilities ~~who require~~ requiring individual attention.

340:110-3-85. Caregiver requirements

(a) **Caregiver responsibilities.** Caregiver responsibilities ~~are listed in (1) through (15) of this subsection~~ are met.

- (1) **Primary caregiver.** The primary caregiver is present in the home at least 80 percent of weekly-operating hours and is responsible for the day-to-day program operation. The sole proprietor ~~must be~~ is the primary caregiver.

(2) **Care and supervision.** The caregiver provides children's care and supervision at all times, both indoors and outdoors.

(A) Caregivers prevent and respond to allergies and life-threatening conditions by:

- (i) being aware of children's known food and life-threatening allergies;
- (ii) knowing the location of life-threatening condition medications; and
- (iii) ensuring life-threatening condition medications, such as epinephrine pens and rescue inhalers, are in close proximity to the child for immediate administration when needed, including outdoors when the child is outside, during transportation, or on field trips. However, medications are inaccessible to children.

(B) Supervision of children means observing, overseeing, and guiding a child or group of children, including:

- (i) awareness of, and responsibility for, ~~the each child's~~ ongoing activity of ~~each child~~ and, being near enough to intervene when needed;
- (ii) observation of infants at least every 15 minutes while awake or sleeping; and
- (iii) observation of children 1 year of age and older at least every 15 minutes while in cribs and playpens.

(3) **Outdoor play supervision.** In addition to the requirements in (2) of this subsection, the caregiver remains outdoors with children at all times when:

- (A) there is a potentially hazardous situation, such as a pool on the premises or a trampoline in the outdoor play area;
- (B) there is access to a dog(s) outdoors;
- (C) there are children 3 years of age and younger present; or
- (D) the outdoor area is not completely fenced.

(4) **Overnight care supervision.** When children are in care overnight and more than one caregiver is required due to the children's ages and number ~~present~~, at least one caregiver ~~must be~~ awake at all times.

(5) **Assistant and substitute caregivers.** When the primary caregiver employs an individual to assist with or ~~to~~ provide children's care and supervision in the primary caregiver's absence, the primary caregiver ensures the assistant or substitute caregiver is qualified, understands and complies with requirements, and has current cardio-pulmonary resuscitation (CPR) and first aid certification documentation, per Oklahoma Administrative Code (OAC) 340:110-3-85(h).

(A) **Required records.** Prior to employment, a personnel information form provided by Oklahoma Department of Human Services (DHS) is completed. Relative references are not accepted. Assistant and substitute personnel records are maintained at the home and available to Licensing on request.

(B) **Assistant caregiver.** When an assistant caregiver is employed to meet the required staff to child

ratio, the assistant caregiver ~~must be~~ is a responsible, mature, and healthy individual at least 16 years of age. The caregiver is prohibited from leaving children alone in the care of individuals younger than 18 years of age.

(C) **Substitute caregiver.** A substitute caregiver, at least 18 years of age, is available to provide care for short periods of time in the caregiver's absence.

(i) The substitute caregiver may be used in emergency situations and occasionally in non-emergency situations. In non-emergency situations, the caregiver ~~must notify~~ notifies parents in advance when the substitute will be providing care.

(ii) The substitute's name, address, and phone number are provided to Licensing and ~~are~~ posted with the other required emergency numbers.

(6) **Criminal history investigation verification.** The family child care owner or primary caregiver is responsible for submitting to the DHS Office of Background Investigations (OBI), criminal history investigations and obtaining dispositions on any charges shown on the report lacking dispositions.

(7) **Realistic expectations.** The caregiver demonstrates a capacity for setting realistic behavior and performance expectations based on the children's ages, abilities, and special needs.

(8) **Constructive influence.** The caregiver's family members and others living in the home accept the children in care and provide constructive influence. There ~~must be~~ is an indication of a stable and harmonious home life.

(9) **Hazards.** The caregiver recognizes and acts to correct hazards to children's safety, both indoors and outdoors.

(10) **Child abuse and human trafficking reporting.** Reporting requirements in (A) and (B) of this paragraph are met.

(A) Any person who has reason to believe a child was abused or neglected, per Section 1-1-105 of Title 10A of the Oklahoma Statutes (10A O.S. § 1-1-105) is required to report the matter promptly to the DHS Child Abuse and Neglect Hotline at 1-800-522-3511, per 10A O.S. § 1-2-101. Failure to report is a misdemeanor offense and upon conviction is punishable by law. Failure to report with prolonged knowledge, six months or more, of ongoing abuse or neglect is a felony offense.

(B) Per 21 O.S. § 870, every person having reason to believe that a person or child-placing agency is engaging in the crime of human trafficking in children, per 21 O.S. § 866, reports the matter promptly to the Oklahoma Bureau of Narcotics and Dangerous Drugs Control.

(11) ~~Notification of Licensing notification.~~ The primary caregiver notifies Licensing within:

(A) 24-hours of a child death while in care;

- (B) 24-hours of accidents involving transportation unless there were no injuries and only minor vehicle damage;
 - (C) 24-hours of changes in liability insurance coverage;
 - (D) 24-hours of a child's injury requiring emergency medical attention;
 - (E) 24-hours of remodeling, changes, or physical facility damage affecting compliance with licensing requirements;
 - (F) 24-hours of known arrests, criminal investigations, criminal charges, or child abuse investigations involving ~~persons~~individuals living in the home, providing care, or assisting with children's care;
 - (G) 24-hours of any legal action against a caregiver involving or affecting a child in care or program operation;
 - (H) 24-hours when an animal bites a child and the skin is broken;
 - (I) five-calendar days of an individual moving into the home; and
 - (J) 30-calendar days in advance of moving from one residence to another, unless an emergency exists. The new home ~~must comply~~complies with licensing requirements.
- (12) **License posting.** The permit or license is displayed in the home, including the denial or revocation notice, when applicable.
- (13) **Other employment.** The caregiver is prohibited from conducting business in the home during the hours children are in care. The primary caregiver is not employed outside the home during ~~the hours of~~ child care hours.
- (14) **Foster care.** The caregiver may not provide therapeutic foster care. The caregiver may provide foster care only with prior written approval from Licensing for each child placement.
- (A) The written approval includes the number and ages of foster children.
 - (B) Foster children 12 years of age and younger are counted in the license capacity.
- (15) **Inactive care.** A primary caregiver is in inactive status when care was not provided for more than 90-consecutive calendar days.
- (A) Prior to resuming care, the caregiver ~~must~~ notify Licensing to verify compliance with licensing requirements.
 - (B) When care was not provided for more than 12-consecutive months, the family child care home is closed ~~and~~. Prior to resuming care, the caregiver must reapply and be approved for a license prior to resuming care.
- (b) **Caregiver qualifications.** Caregiver qualifications are described in this subsection.
- (1) **General.** The caregiver is a responsible, mature, healthy adult capable of understanding and complying with licensing requirements, and meeting ~~the children's~~ need of children in care. The caregiver demonstrates

good judgment, as evidenced by prudent and responsible behavior reasonably ensuring children's health, safety, and well-being. Caregivers interact with children without physical, psychological, or emotional punishment, mistreatment, neglect, or abuse.

- (A) Primary caregivers applying for a license after October 1, 2007, are at least 21 years of age.

- (B) Primary caregivers applying for a license after October 1, 2007, have obtained a high school diploma or General Educational Development credential (GED).

- (C) Caregivers left alone with children have the ability to read and write for keeping required records, reading the licensing requirements, and administering medication.

- (D) Caregivers cooperate with Licensing during monitoring visits and DHS investigations.

(2) **Health.** The requirements relating to the caregiver's, assistant caregiver's, and household members' health ~~are specified in (A) - (C) of this paragraph~~ are met.

- (A) **General health.** Caregivers and household members where licensed care is provided ~~must be~~ are in good physical, mental, and emotional health. When it is reported or observed that a caregiver or household member has a physical, mental, or emotional condition that could negatively impact children's care, a licensed physician's statement is requested.

- (B) **Tuberculosis testing.** The need for personnel tuberculin skin testing is based upon a local identified tuberculosis exposure, the degree of transmission risk of latent tuberculosis infection, the impact to public health and safety, and Oklahoma State Department of Health specific recommendations.

- (C) **Immunizations.** There is documentation verifying children living in the home have or are in the process of obtaining the required immunizations at the medically appropriate time. The schedule for required immunizations is found in Supplement ~~IX~~III of DHS Publication No. 86-104, Licensing Requirements for Family Child Care Homes and Large Child Care Homes.

(3) **References.** The primary caregiver submits to Licensing the names of three non-relative references that may include a licensed personal or family physician.

(c) **Background investigations - general.**

- (1) **Required individuals.** Background investigations are required, per the Oklahoma Child Care Facilities Licensing Act (Licensing Act), 10 O.S. §§ 401 et seq., Oklahoma Child Care Facilities Licensing Act (Licensing Act) 404.1, unless an exception, per (3) of this subsection applies for:

- (A) owners, prior to authorization to operate;

- (B) responsible entities, prior to authorization to operate and, when there is a change in a responsible entity;

- (C) personnel applicants, prior to hire; however, the program may hire individuals, when:

- (i) the program has submitted a criminal history review request to OBI;
- (ii) only awaiting the national criminal history records search, based on fingerprint submission;
- (iii) criminal history review results from OBI are received by the program. However, until complete results are received, the individual does not have unsupervised access to children; and
- (iv) coming from another licensed program owned by the same business entity. Individuals are not required to repeat the background investigation process, unless required, per (2) of this subsection, with the exception of criminal history restriction waivers, provided there is no break in employment from the business entity;
- (D) individuals with unsupervised access to children, prior to having access to children, unless an exception, per (3) of this subsection applies;
- (E) adults living in the facility, prior to authorization to operate or moving into the facility of an existing program. This includes children, who become 18 years of age while living in the facility; and
- (F) individuals having access to, or review of, fingerprint results, prior to access to or review of results.
- (2) **Resubmission of criminal history reviews as of November 2, 2017.** Effective November 2, 2017, programs request a criminal history review process, excluding fingerprinting, for required individuals every five years. However criminal history reviews requested prior to November 2, 2017, are resubmitted by November 1, 2022.
- (3) **Non-required individuals.** Background investigations are not required for:
 - (A) specialized service professionals who are not program personnel, provided parent releases are obtained, per OAC 340:110-3-88(c);
 - (B) volunteer drivers transporting children on an irregular basis and not filling another position, provided parent releases are obtained, per OAC 340:110-3-88(c);
 - (C) contracted drivers not filling another position or having unsupervised access to children; and
 - (D) contracted non-personnel not having unsupervised access to children, such as when the program contracts for special activities or facility repair.
- (d) **Background investigations - Restricted Registry.** The program conducts an online search of the Restricted Registry, also named Joshua's List, when required, per (c) of this Section.
 - (1) **Non-registrants.** Non-registrants are individuals not recorded on the Restricted Registry.
 - (2) **Registrants.** Registrants are individuals recorded on the Restricted Registry, who are prohibited from licensure, ownership, employment, unsupervised access to children, or facility residence, and prohibited individuals, per (e) of this Section.
- (e) **Background investigations - criminal history.** The program and required individuals complete the criminal history review process. The program receives the completed criminal

history review results from OBI, when required, per (c) of this Section.

- (1) **Criminal history prohibitions.** Individuals with criminal history prohibitions are prohibited, per (f) of this Section. Criminal history prohibitions include:
 - (A) required registration under the:
 - (i) Sex Offenders Registration Act, including state and national repositories; or
 - (ii) Mary Rippy Violent Crime Offenders Registration Act; or
 - (B) pleas of guilty or nolo contendere (no contest), or convictions of felonies involving:

GIST/ANALYSIS:

The amendment to 365:10-5-129.1(e)(5) clarifies that Medicare supplement insurance due to disability falls within guaranteed issue. Additionally, Medicare supplement C and F are replaced with D and G plans. The other changes at 365:10-5-129.1(e) are to correct citations.

The amendment to 365:10-5-132 adds language to subsection 365:10-5-132(g) providing that an issuer will not present a Medicare supplement policy rate structure for filing or approval based on attained age rating greater than one year after age 67. It also adds language allowing a rate structure with groupings of attained ages greater than one year after the age of 90.

The amendments to the appendices update the Insurance Department's address, the date, or both.

**PURSUANT TO THE ACTIONS DESCRIBED HEREIN,
THE FOLLOWING RULES ARE CONSIDERED
FINALLY ADOPTED AS SET FORTH IN 75 O.S.,
SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE
DATE OF SEPTEMBER 11, 2020:**

SUBCHAPTER 5. MINIMUM STANDARDS; CONTRACT GUIDELINES

PART 13. MEDICARE SUPPLEMENT INSURANCE MINIMUM STANDARDS

365:10-5-129.1. Guaranteed Issue for Eligible Persons

(a) Guaranteed Issue.

(1) Eligible persons are those individuals described in subsection (b) who apply to enroll under the policy not later than sixty-three (63) days after the date of the termination of enrollment described in subsection (b), and who submit evidence of the date of termination, disenrollment or Medicare Part D enrollment with the application for a Medicare supplement policy.

(2) With respect to eligible persons, an issuer shall not deny or condition the issuance or effectiveness of a Medicare supplement policy described in subsection (c) that is offered and is available for issuance to new enrollees by the issuer, shall not discriminate in the pricing of such a Medicare supplement policy because of health status,

claims experience, receipt of health care, or medical condition, and shall not impose an exclusion of benefits based on a preexisting condition under such a Medicare supplement policy.

(b) **Eligible Persons.** An eligible person is an individual described in any of the following paragraphs:

(1) **Employee welfare benefit plan.** The individual is enrolled under an employee welfare benefit plan that provides health benefits that supplement the benefits under Medicare; and the plan terminates, or the plan ceases to provide all or substantially all supplemental health benefits to the individual.

(2) **Medicare Advantage.** The individual is enrolled with a Medicare Advantage organization under a Medicare Advantage plan under part C of Medicare, and any of the following circumstances apply, or the individual is 65 years of age or older and is enrolled with a Program of All-Inclusive Care for the Elderly (PACE) provider under Section 1894 of the Social Security Act, and there are circumstances similar to those described below that would permit discontinuance of the individual's enrollment with such provider if such individual were enrolled in a Medicare Advantage plan:

(A) The certification of the organization or has been terminated;

(B) The organization has terminated or otherwise discontinued providing the plan in the area in which the individual resides;

(C) The individual is no longer eligible to elect the plan because of a change in the individual's place of residence or other change in circumstances specified by the Secretary, but not including termination of the individual's enrollment on the basis described in section 1851(g)(3)(B) of the federal Social Security Act (where the individual has not paid premiums on a timely basis or has engaged in disruptive behavior as specified in standards under section 1856), or the plan is terminated for all individuals within a residence area;

(D) The individual demonstrates, in accordance with guidelines established by the Secretary, that:

(i) The organization offering the plan substantially violated a material provision of the organization's contract under this part in relation to the individual, including the failure to provide an enrollee on a timely basis medically necessary care for which benefits are available under the plan or the failure to provide such covered care in accordance with applicable quality standards; or

(ii) The organization, or agent or other entity acting on the organization's behalf, materially misrepresented the plan's provisions in marketing the plan to the individual; or

(E) The individual meets such other exceptional conditions as the Secretary may provide.

(3) **Organizations.**

(A) The individual is enrolled with:

(i) An eligible organization under a contract under Section 1876 (Medicare risk or cost);

(ii) A similar organization operating under demonstration project authority, effective for periods before April 1, 1999;

(iii) An organization under an agreement under Section 1833(a)(1)(A) (health care prepayment plan); or

(iv) An organization under a Medicare Select Policy; and

(B) The enrollment ceases under the same circumstances that would permit discontinuance of an individual's election of coverage under Section 365:10-5-129.1(b)(2).

(4) **Medicare supplement.** The individual is enrolled under a Medicare supplement policy and the enrollment ceases because:

(A) Of the insolvency of the issuer or bankruptcy of the nonissuer organization; or because of other involuntary termination of coverage or enrollment under the policy;

(B) The issuer of the policy substantially violated a material provision of the policy; or

(C) The issuer, or an agent or other entity acting on the issuer's behalf, materially misrepresented the policy's provisions in marketing the policy to the individual;

(5) **Termination of enrollment and subsequent enrollment.** The individual was enrolled under a Medicare supplement policy and terminates enrollment and subsequently enrolls, for the first time, with any Medicare Advantage organization under a Medicare Advantage plan under part C of Medicare, any eligible organization under a contract under Section 1876 of the Social Security Act (Medicare risk or cost), any similar organization operating under demonstration project authority, any PACE provider under Section 1894 of the Social Security Act or a Medicare Select Policy; and an organization under an agreement under section 1833(a)(1)(A) (health care prepayment plan), or a Medicare Select policy; and the subsequent enrollment under this subparagraph is terminated by the enrollee during any period within the first twelve (12) months of such subsequent enrollment (during which the enrollee is permitted to terminate such subsequent enrollment under section 1851(e) of the federal Social Security Act); or

(6) **Medicare Advantage disenrollment.**

(A) The individual, upon first becoming eligible for benefit under Part A of Medicare at age 65, enrolls in a Medicare Advantage plan under part C of Medicare, or with a PACE provider under Section 1894 of the Social Security Act, and disenrolls from the plan by not later than twelve (12) months after the effective date of enrollment.

(B) An individual, under age 65, who first becomes eligible for Medicare Part B and enrolls in a Medicare Advantage plan under part C of Medicare, and

disenrolls from the plan by not later than twelve (12) months after the effective date of enrollment.

(7) **Part D Benefit Enrollment.** The individual enrolls in a Medicare Part D plan during the initial enrollment period and, at the time of enrollment in Part D, was enrolled under a Medicare supplement policy that covers outpatient prescription drugs and the individual terminates enrollment in the Medicare supplement policy and submits evidence of enrollment in Medicare Part D along with the application for a policy described in Subsection 365:10-5-129.1(e)(4).

(c) **Guaranteed issue time periods.**

(1) In the case of an individual described in Section 365:10-5-129.1(b)(1), the guaranteed issue period begins on the later of the date the individual receives a notice of termination or cessation of all supplemental health benefits (or, if a notice is not received, notice that a claim has been denied because of such a termination or cessation); or the date that the applicable coverage terminates or ceases; and ends sixty-three (63) days thereafter;

(2) In the case of an individual described in Section 365:10-5-129.1(b)(2), (b)(3), (b)(5) or (b)(6) whose enrollment is terminated involuntarily, the guaranteed issue period begins on the date that the individual receives a notice of termination and ends sixty-three (63) days after the date the applicable coverage is terminated;

(3) In the case of an individual described in Section 365:10-5-129.1(b)(4)(A), the guaranteed issue period begins on the earlier of the date that the individual receives a notice of termination, a notice of the issuer's bankruptcy or insolvency, or other such similar notice if any, and the date that the applicable coverage is terminated, and ends on the date that is sixty-three (63) days after the date the coverage is terminated.

(4) In the case of an individual described in Section 365:10-5-129.1(b)(2), (b)(4)(B), (b)(4)(C), (b)(5) or (b)(6) who disenrolls voluntarily, the guaranteed issue period begins on the date that is sixty (60) days before the effective date of the disenrollment and ends on the date that is sixty-three (63) days after the effective date;

(5) In the case of an individual described in Subsection 365:10-5-129.1(b)(6), the guaranteed issue period begins on the date the individual receives notice pursuant to Section 1882(v)(2)(B) of the Social Security Act from the Medicare supplement issuer during the sixty-day (60) period immediately preceding the initial Part D enrollment period and ends on the date that is sixty-three (63) days after the effective date of the individual's coverage under Medicare Part D; and

(6) In the case of an individual described in Section 365:10-5-129.1(b) but not described in the preceding provisions of this Subsection, the guaranteed issue period begins on the effective date of disenrollment and ends on the date that is sixty-three (63) days after the effective date.

(d) **Extended Medigap access for interrupted trial periods.**

(1) In the case of an individual described in Section 365:10-5-129.1(b)(5) (or deemed to be so described, pursuant to this paragraph) whose enrollment with an organization or provider described in Section 365:10-5-129.1(b)(5)(A) is involuntarily terminated within the first twelve (12) months or enrollment, and who, without an intervening enrollment, enrolls with another such organization or provider, the subsequent enrollment shall be deemed to be an initial enrollment described in Section 365:10-5-129.1(b)(5);

(2) In the case of an individual described in Section 365:10-5-129.1(b)(6) (or deemed to be so described, pursuant to this paragraph) whose enrollment with a plan or in a program described in Section 365:10-5-129.1(b)(6) is involuntarily terminated with the first twelve (12) months of enrollment, and who, without an intervening enrollment, enrolls in another such plan or program, the subsequent enrollment shall be deemed to be an initial enrollment described in Section 365:10-5-129.1(b)(6); and

(3) For purposes of Sections 365:10-5-129.1(b)(5) and (b)(6), no enrollment of an individual with an organization or provider described in Section 365:10-5-129.1(b)(5)(a), or with a plan or in a program described in Section 365:10-5-129.1(b)(6), may be deemed to be an initial enrollment under this paragraph after the two-year period beginning on the date on which the individual first enrolled with such an organization, provider, plan or program.

(e) **Products to which eligible persons are entitled.** The Medicare supplement policy to which eligible persons are entitled under:

(1) **Section 365:10-5-129.1(b)(1), (2), (3) and (4).** Section 365:10-5-129.1(b)(1), (2), (3) and (4) is a Medicare supplement policy which has a benefit package classified as Plan A, B, C, F D, G (including F or G with a high deductible), K or L offered by any issuer.

(A) Subject to subparagraph (B), Section 365:10-5-129.1(b)(5) is the same Medicare supplement policy in which the individual was most recently previously enrolled, if available from the same issuer, or, if not so available, a policy described in Section 365:10-5-129.1(e-e)(1).

(B) After December 31, 2005, if the individual was most recently enrolled in a Medicare supplement policy with an outpatient prescription drug benefit, a Medicare supplement policy described in this subparagraph is: The policy available from the same issuer but modified to remove outpatient prescription drug coverage; or at the election of the policyholder, an A, B, C, F D, G (including F or G with a high deductible, K or L policy that is offered by any issuer;

(3) **Section 365:10-5-129.1(b)(6)(A).** Section 365:10-5-129.1(b)(6)(A) shall include any Medicare supplement policy offered by any issuer.

(4) **Section 365:10-5-129.1(b)(7).** Section 365:10-5-129.1(b)(6-7)(B) is a Medicare supplement policy that has a benefit package classified as Plan A, B, C, F D, G (including F or G with a high deductible, K or L, and that

is offered and is available for issuance to new enrollees by the same issuer that issued the individual's Medicare supplement policy with outpatient prescription drug coverage.

(5) For individuals who meet any of the conditions identified in subsection (b) and who are under age 65 and enrolled in Medicare due to disability shall be limited to the standardized Medicare supplement plan identified by the issuer as outlined in Section 365:10-5-129 (d). Such individuals would be subject to the timeframe stated under Section 365:10-5-129.1(a)(1). The premium rate charged for such disabled person may not exceed the lowest available aged premium rate for such plan.

(f) Notification provisions.

(1) At the time of an event described in Section 365:10-5-129.1(b) because of which an individual loses coverage or benefits due to the termination of a contract or agreement, policy, or plan, the organization that terminates the contract or agreement, the issuer terminating the policy, or the administrator of the plan being terminated, respectively, shall notify the individual of his or her rights under this section, and of the obligations of issuers of Medicare supplement policies under Section 365:10-5-129.1(a). Such notice shall be communicated contemporaneously with the notification of termination.

(2) At the time of an event described in Section 365:10-5-129.1(b) because of which an individual ceases enrollment under a contract or agreement, policy, or plan, the organization that offers the contract or agreement, regardless of the basis for the cessation of enrollment, the issuer offering the policy, or the administrator of the plan, respectively, shall notify the individual of his or her rights under this section, and of the obligations of issuers of Medicare supplement policies under Section 365:10-5-129.1(a). Such notice shall be communicated within ten working days of the issuer receiving notification of disenrollment.

365:10-5-132. Filing and approval of policies and certificates and premium rates

(a) Policy forms and certificates filing and approval requirements. An issuer shall not deliver or issue for delivery a policy or certificate to a resident of this state unless the policy form or certificate form has been filed with and approved by the Commissioner in accordance with filing requirements and procedures prescribed by the Commissioner.

(b) Removal of Prescription Drug benefit. An issuer shall file any rider or amendments to policy and certificate forms to delete outpatient prescription drug benefits as required by the Medicare Prescription Drug, improvement, and Modernization Act of 2003 only with the commissioner in the state in which the policy or certificate was issued.

(c) Premium rates and rating schedule filing and approval requirements. An issuer shall not use or change premium rates for a Medicare supplement policy or certificate unless the rates, rating schedule and supporting documentation have been filed with and approved by the Commissioner in

accordance with the filing requirements and procedures prescribed by the Commissioner.

(d) Additional policy or certificate forms.

(1) Except as provided in paragraph (2) of this subsection, an issuer shall not file for approval more than one form of a policy or certificate of each type for each standard Medicare supplement benefit plan.

(2) An issuer may offer, with the approval of the Commissioner, up to four (4) additional policy forms or certificate forms of the same type for the same standard Medicare supplement benefit plan, one for each of the following cases:

(A) The inclusion of new or innovative benefits;

(B) The addition of either direct response or agent marketing methods;

(C) The addition of either guaranteed issue or underwritten coverage;

(D) The offering of coverage to individuals eligible for Medicare by reason of disability.

(3) For the purposes of this section, a "type" means an individual policy, a group policy, an individual Medicare Select policy, or a group Medicare Select policy.

(e) Policy forms and certificate forms availability for purchase after Commissioner's approval.

(1) Except as provided in (A) of this paragraph, an issuer shall continue to make available for purchase any policy form or certificate form issued after the effective date of this Part that has been approved by the Commissioner. A policy form or certificate form shall not be considered to be available for purchase unless the issuer has actively offered it for sale in the previous twelve (12) months.

(A) An issuer may discontinue the availability of a policy form or certificate form if the issuer provides to the Commissioner in writing its decision at least thirty (30) days prior to discontinuing the availability of the form of the policy or certificate. After receipt of the notice by the Commissioner, the issuer shall no longer offer for sale the policy form or certificate form in this state.

(B) An issuer that discontinues the availability of a policy form or certificate form pursuant to (A) of this paragraph shall not file for approval a new policy form or certificate form of the same type for the same standard Medicare supplement benefit plan as the discontinued form for a period of five (5) years after the issuer provides notice to the Commissioner of the discontinuance. The period of discontinuance may be reduced if the Commissioner determines that a shorter period is appropriate.

(2) The sale or other transfer of Medicare supplement business to another issuer shall be considered a discontinuance for the purposes of this subsection.

(3) A change in the rating structure or methodology shall be considered a discontinuance under (d)(1) of this section unless the issuer complies with the following requirements:

(A) The issuer provides an actuarial memorandum, in a form and manner prescribed by the Commissioner, describing the manner in which the revised rating methodology and resultant rates differ from the existing rating methodology and existing rates.

(B) The issuer does not subsequently put into effect a change of rates or rating factors that would cause the percentage differential between the discontinued and subsequent rates as described in the actuarial memorandum to change. The Commissioner may approve a change to the differential which is in the public interest.

(f) **Combination of policy forms or certificate forms experience for purposes of refund or credit calculation.**

(1) Except as provided in (2) of this subsection, the experience of all policy forms or certificate forms of the

same type in a standard Medicare supplement benefit plan shall be combined for purposes of the refund or credit calculation prescribed in 365:10-5-131.

(2) Forms assumed under an assumption reinsurance agreement shall not be combined with the experience of other forms for purposes of the refund or credit calculation.

(g) **Attained age rating.** An issuer shall not present for filing or approval a rate structure for its Medicare supplement policies or certificates issued after the effective date of the amendment of this regulation based upon a structure or methodology with any groupings of attained ages greater than one year after age 67. The ratio between rates for successive ages shall increase smoothly as age increases. After the age of 90, a rate structure with groupings of attained ages greater than one year is allowed.

Determination of Deviated Presumptive Case Rate

- (a) Single Account Cases: If the account is 100% credible or if it is within the definition of a single account case as filed by the insurer, the deviated presumptive case rate for the account will be determined by the appropriate formula set forth in (c) below.
- (b) Multiple Account Case: If the account is in a multiple account case, the deviated presumptive case rate for the account will be the case rate for that multiple account case determined by the appropriate formula set forth in (c) below.
- (c) Calculation of Deviated Presumptive Case Rates:
 - (1) Symbols and Definitions:
 - NCR=New Case Rate
 - PFR=Presumptive Rate
 - ALR=Actual Loss Ratio for Case at Presumptive Rate Basis
 - ELR=Expected Loss Ratio at Presumptive Rate Basis
 - Z =Credibility Factor for Case
 - CLR=Credibility Adjusted Case Loss Ratio at Presumptive Basis = $Z (ALR) + (1-Z) (ELR)$
 - (2) New Case Rate: Credit Life Insurance
 - (A) If CLR is greater than ELR, $NCR = PFR [1 + 1.1 (CLR - ELR)]$
 - (B) If CLR is less than ELR, $NCR = PFR [1 - (ELR - CLR)]$
 - (3) New Case Rate: Credit Disability Insurance
 - (A) If CLR is greater than ELR, $NCR = PFR [1 + 1.15 (CLR - ELR)]$
 - (B) If CLR is less than ELR, $NCR = PFR [1 - (ELR - CLR)]$

If you are requesting an expedited external review, call the Insurance Department at 800-522-0071 or 405-521-2828 before sending your paperwork, and you will receive instructions on the quickest way to submit the application and supporting information.

CERTIFICATION OF TREATING HEALTH CARE PROVIDER FOR EXPEDITED CONSIDERATION OF A PATIENT'S EXTERNAL REVIEW APPEAL

NOTE TO THE TREATING HEALTH CARE PROVIDER

Patients can request an external review when a health carrier has denied a health care service or course of treatment on the basis of a utilization review determination that the requested health care service or course of treatment does not meet the health carrier's requirements for medical necessity, appropriateness, health care setting, level of care or effectiveness of the health care service or treatment you requested. The Oklahoma Insurance Department oversees external appeals. The standard external review process can take up to 45 days from the date the patient's request for external review is received by our department. Expedited external review is available only if the patient's treating health care provider certifies that adherence to the time frame for the standard external review would seriously jeopardize the life or health of the covered person or would jeopardize the covered person's ability to regain maximum function. An expedited external review must be completed at most within 72 hours. This form is for the purpose of providing the certification necessary to trigger expedited review.

CERTIFICATION

I hereby certify that: I am a treating health care provider for _____
(hereafter referred to as 'the patient'); that adherence to the time frame for conducting a standard external review of
the patient's appeal would, in my professional judgment, seriously jeopardize the life or health of the patient or
would jeopardize the patient's ability to regain maximum function; and that, for this reason, the patient's appeal of
the denial by the patient's health carrier of the requested health care service or course of treatment should be
processed on an expedited basis.

**PHYSICIAN CERTIFICATION
EXPERIMENTAL/INVESTIGATIONAL DENIALS
(To Be Completed by Treating Physician)**

I hereby certify that I am the treating physician for _____
(covered person's name) and that I have requested the authorization for a drug, device, procedure or therapy denied for coverage due to the insurance company's determination that the proposed therapy is experimental and/or investigational. I understand that in order for the covered person to obtain the right to an external review of this denial, as treating physician I must certify that the covered person's medical condition meets certain requirements:

In my medical opinion as the Insured's treating physician, I hereby certify to the following:
(Please check all that apply) (NOTE: Requirements #1 - #3 below must all apply for the covered person to qualify for an external review).

1) <input type="checkbox"/>	The covered person has a terminal medical condition, or a life threatening condition, or a seriously debilitating condition.
2) <input type="checkbox"/>	The covered person has a condition that qualifies under one or more of the following: [please indicate which description(s) apply]:
i. <input type="checkbox"/>	Standard health care services or treatments have not been effective in improving the covered person's condition;
ii. <input type="checkbox"/>	Standard health care services or treatments are not medically appropriate for the covered person; or
iii. <input type="checkbox"/>	There is no available standard health care service or treatment covered by the health carrier that is more beneficial than the requested or recommended health care service or treatment.
3) <input type="checkbox"/>	The health care service or treatment I have recommended and which has been denied, in my medical opinion, is likely to be more beneficial to the covered person than any available standard health care services or treatments.
4) <input type="checkbox"/>	The health care service or treatment I have recommended would significantly less effective if not promptly initiated. Explain: _____ _____
5) <input type="checkbox"/>	It is my medical opinion based on scientifically valid studies using accepted protocols that the health care service or treatment requested by the covered person and which has been denied is likely to be more beneficial to the covered person than any available standard health care services or treatments. Explain: _____ _____

Please provide a description of the recommended or requested health care service or treatment that is the subject of the denial. (Attach additional sheets as necessary.)

Applicant acknowledges that payment of any fees associated with any external reviews conducted pursuant to 36 O.S. § 6475.1 et seq. are the sole responsibility of the health carrier whose medical decision is being reviewed. Applicant understands that it has no recourse against the Oklahoma Insurance Department or the state of Oklahoma to the extent that any health carrier fails to pay any medical reviewer fees. Applicant authorizes the Oklahoma Insurance Department to verify information with any federal, state, or local government agency, insurance company or accrediting organization.

Applicant acknowledges and represents that it understands and will comply with Oklahoma's insurance laws and the rules of the Oklahoma Insurance Department. Applicant hereby represents that it will comply with all requirements imposed under 36 O.S. § 6475.1 et seq. and assures that no conflict of interest or improper controlling interest as outlined in the statute exists. Applicant further agrees to maintain and provide to the Oklahoma Insurance Department the information set out in 36 O.S. § 6475.15.

I certify that, under penalty of perjury, I am the person named herein and know the contents thereof, and that all of the information submitted in this application and its attachments is true and complete. I attest that I have the authority and capacity to execute this certification on behalf of the applicant. I am aware that submitting false information or omitting pertinent or material information in connection with this application is grounds for license denial or revocation and may subject me to civil or criminal penalties.

GIST/ANALYSIS:

365:25-7-90 through 365:25-7-95 is added to support the Corporate Governance Annual Disclosure Act (36 O.S. § 1534-1541) passed by the

legislature in 2019. The Corporate Governance Annual Disclosure Act was passed to provide the Commissioner a summary of an insurer or insurance group's corporate governance structure, policies and practices to permit the Commissioner to gain and maintain an understanding of the insurer's corporate governance framework, and to provide the requirements for completing the Corporate Governance Annual Disclosure.

365:25-7-100 through 365:25-7-119 is added to support the Oklahoma Annual Financial Report Act (36 O.S. §§ 311A.1-311A.18) which is to improve the surveillance of the Insurance Commissioner over the financial condition of insurers. This act was passed by the legislature in 2019.

365:25-29-1 and 365:25-29-3 are amended to include 36 O.S. §§ 6858-6968 in this subchapter.

365:25-29-2 is amended to provide clarification as to the applicability of the act.

365:25-29-4 is amended to provide a definition for "Preferred participating pharmacy" and "provider".

365:25-29-5 is amended for clarification and a word correction.

365:25-29-7.1 is added to address the standards required by the act for the retail pharmacy network access. Specifically, health insurers are required to audit their contracting PBMs to confirm compliance with the act and provide those audits along with verification of the audit to the Department to confirm compliance. The insurers are required to report situations of inadequate access to the Department. This section addresses the use of mail-order pharmacies for adequacy standards, clarification of the act applying to specialty drugs, and use of pharmacy, hospital or other providers on mail and ID cards.

365:25-29-9 is amended for formatting purposes and adds instructive language regarding the insurer's responsibility to confirm the PBM contracts are in compliance with the act. It requires insurers to conduct an audit of its contracting PBMs to confirm the requirements of 36 O.S. § 6962 are being met and provide that information to the Department.

365:25-29-10 is amended to include 36 O.S. §§ 6858-6968 and to include penalty language for insurers for failing to comply with the act.

365:25-29-12 is added to clarify the authority of the Commissioner over the advisory committee and the role of the advisory committee. The advisory committee will function in an advisory capacity. The committee members will be privy to confidential material and will therefore need to submit to a background check.

365:25-29-13 is added to clarify that claims payments are the obligation of the insurer that issues the policy.

365:25-29-14 addresses the inquiry or complaint handling process.

365:25-29-15 is added to address examinations of PBMs and insurers by the Department for compliance with the act.

The changes to the appendices B, D, E, F, G, H, N, O, and Q update the dates without any substantive changes. The change to appendix R is to strike the former requirement of 36 O.S. § 6136(C)(2) superseded November 1, 2009.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2020:

SUBCHAPTER 7. COMPANIES

PART 17. CORPORATE GOVERNANCE

365:25-7-90. Authority

These regulations are promulgated pursuant to the authority granted by Sections 36 O.S. §§ 1534-1541 of the Insurance Law.

365:25-7-91. Purpose

The purpose of these regulations is to set forth the procedures for filing and the required contents of the Corporate Governance Annual Disclosure (CGAD), deemed necessary by the Oklahoma Insurance Commissioner to carry out the provisions of 36 O.S. §§ 1534-1541.

365:25-7-92. Definitions.

The following words and terms, when used in this Part 17 or Subchapter 7, shall have the following meaning, unless the context clearly indicates otherwise:

"Commissioner" means the Insurance Commissioner of the State.

"Insurance group" means those insurers and affiliates included within an insurance holding company system as defined 36 O.S. § 1631.

"Insurer" means as set forth in 36 O.S. § 103, except that it shall not include agencies, authorities or instrumentalities of the United States, its possessions and territories, the Commonwealth of Puerto Rico, the District of Columbia, or a state or political subdivision of a state.

"Senior Management" means any corporate officer responsible for reporting information to the board of directors at regular intervals or providing this information to shareholders or regulators and shall include, for example and without limitation, the Chief Executive Officer ("CEO"), Chief Financial Officer ("CFO"), Chief Operations Officer ("COO"), Chief Procurement Officer ("CPO"), Chief Legal Officer ("CLO"), Chief Information Officer ("CIO"), Chief Technology Officer ("CTO"), Chief Revenue Officer ("CRO"), Chief Visionary Officer ("CVO"), or any other "C" level executive.

365:25-7-93. Filing procedures

(a) An insurer, or the insurance group of which the insurer is a member, required to file a CGAD by Article 15b of Title 36 of the Oklahoma Statutes shall, no later than June 1 of each calendar year, submit to the Commissioner a CGAD that contains the information described in O.A.C. 365:25-7-94.

(b) The CGAD must include a signature of the insurer's or insurance group's chief executive officer or corporate secretary attesting to the best of that individual's belief and knowledge that the insurer or insurance group has implemented the corporate governance practices and that a copy of the CGAD has been provided to the insurer's or insurance group's Board of Directors (hereafter "Board") or the appropriate committee thereof.

(c) The insurer or insurance group shall have discretion regarding the appropriate format for providing the information required by these regulations and is permitted to customize the CGAD to provide the most relevant information necessary to permit the Commissioner to gain an understanding of the corporate governance structure, policies and practices utilized by the insurer or insurance group.

(d) For purposes of completing the CGAD, the insurer or insurance group may choose to provide information on governance activities that occur at the ultimate controlling parent

Permanent Final Adoptions

level, an intermediate holding company level and/or the individual legal entity level, depending upon how the insurer or insurance group has structured its system of corporate governance. The insurer or insurance group is encouraged to make the CGAD disclosures at the level at which the insurer's or insurance group's risk appetite is determined, or at which the earnings, capital, liquidity, operations, and reputation of the insurer are overseen collectively and at which the supervision of those factors are coordinated and exercised, or the level at which legal liability for failure of general corporate governance duties would be placed. If the insurer or insurance group determines the level of reporting based on these criteria, it shall indicate which of the three criteria was used to determine the level of reporting and explain any subsequent changes in level of reporting.

(e) Notwithstanding Subsection (a) of this Section, and as outlined in 36 O.S. § 1536, if the CGAD is completed at the insurance group level, then it must be filed with the lead state of the group as determined by the procedures outlined in the most recent Financial Analysis Handbook adopted by the NAIC. In these instances, a copy of the CGAD must also be provided to the chief regulatory official of any state in which the insurance group has a domestic insurer, upon request.

(f) An insurer or insurance group may comply with this section by referencing other existing documents (e.g., ORSA Summary Report, Holding Company Form B or F Filings, Securities and Exchange Commission (SEC) Proxy Statements, foreign regulatory reporting requirements, etc.) if the documents provide information that is comparable to the information described in O.A.C. 365:25-7-94. The insurer or insurance group shall clearly reference the location of the relevant information within the CGAD and attach the referenced document if it is not already filed or available to the regulator.

(g) Each year following the initial filing of the CGAD, the insurer or insurance group shall file an amended version of the previously filed CGAD indicating where changes have been made. If no changes were made in the information or activities reported by the insurer or insurance group, the filing should so state.

365:25-7-94. Contents of Corporate Governance Annual Disclosure

(a) The insurer or insurance group shall be as descriptive as possible in completing the CGAD, with inclusion of attachments or example documents that are used in the governance process, since these may provide a means to demonstrate the strengths of their governance framework and practices.

(b) The CGAD shall describe the insurer's or insurance group's corporate governance framework and structure including consideration of the following:

(1) The Board and various committees thereof ultimately responsible for overseeing the insurer or insurance group and the level(s) at which that oversight occurs (e.g., ultimate control level, intermediate holding company, legal entity, etc.). The insurer or insurance group shall describe and discuss the rationale for the current Board size and structure; and

(2) The duties of the Board and each of its significant committees and how they are governed (e.g., bylaws, charters, informal mandates, etc.), as well as how the Board's leadership is structured, including a discussion of the roles of Chief Executive Officer (CEO) and Chairman of the Board within the organization.

(c) The insurer or insurance group shall describe the policies and practices of the most senior governing entity and significant committees thereof, including a discussion of the following factors:

(1) How the qualifications, expertise and experience of each Board member meet the needs of the insurer or insurance group.

(2) How an appropriate amount of independence is maintained on the Board and its significant committees.

(3) The number of meetings held by the Board and its significant committees over the past year as well as information on director attendance.

(4) How the insurer or insurance group identifies, nominates and elects members to the Board and its committees. The discussion should include, for example:

(A) Whether a nomination committee is in place to identify and select individuals for consideration.

(B) Whether term limits are placed on directors.

(C) How the election and re-election processes function.

(D) Whether a Board diversity policy is in place and if so, how it functions.

(5) The processes in place for the Board to evaluate its performance and the performance of its committees, as well as any recent measures taken to improve performance (including any Board or committee training programs that have been put in place).

(d) The insurer or insurance group shall describe the policies and practices for directing Senior Management, including a description of the following factors:

(1) Any processes or practices (i.e., suitability standards) to determine whether officers and key persons in control functions have the appropriate background, experience and integrity to fulfill their prospective roles, including:

(A) Identification of the specific positions for which suitability standards have been developed and a description of the standards employed.

(B) Any changes in an officer's or key person's suitability as outlined by the insurer's or insurance group's standards and procedures to monitor and evaluate such changes.

(2) The insurer's or insurance group's code of business conduct and ethics, the discussion of which considers, for example:

(A) Compliance with laws, rules, and regulations; and

(B) Proactive reporting of any illegal or unethical behavior.

(3) The insurer's or insurance group's processes for performance evaluation, compensation and corrective action

to ensure effective senior management throughout the organization, including a description of the general objectives of significant compensation programs and what the programs are designed to reward. The description shall include sufficient detail to allow the Commissioner to understand how the organization ensures that compensation programs do not encourage and/or reward excessive risk taking. Elements to be discussed may include, for example:

- (A) The Board's role in overseeing management compensation programs and practices.
 - (B) The various elements of compensation awarded in the insurer's or insurance group's compensation programs and how the insurer or insurance group determines and calculates the amount of each element of compensation paid;
 - (C) How compensation programs are related to both company and individual performance over time;
 - (D) Whether compensation programs include risk adjustments and how those adjustments are incorporated into the programs for employees at different levels;
 - (E) Any clawback provisions built into the programs to recover awards or payments if the performance measures upon which they are based are restated or otherwise adjusted;
 - (F) Any other factors relevant in understanding how the insurer or insurance group monitors its compensation policies to determine whether its risk management objectives are met by incentivizing its employees.
- (4) The insurer's or insurance group's plans for CEO and Senior Management succession.
- (e) The insurer or insurance group shall describe the processes by which the Board, its committees and Senior Management ensure an appropriate amount of oversight to the critical risk areas impacting the insurer's business activities, including a discussion of:
- (1) How oversight and management responsibilities are delegated between the Board, its committees and Senior Management;
 - (2) How the Board is kept informed of the insurer's strategic plans, the associated risks, and steps that Senior Management is taking to monitor and manage those risks;
 - (3) How reporting responsibilities are organized for each critical risk area. The description should allow the Commissioner to understand the frequency at which information on each critical risk area is reported to and reviewed by Senior Management and the Board. This description may include, for example, the following critical risk areas of the insurer:
 - (A) Risk management processes (An ORSA Summary Report filer may refer to its ORSA Summary Report pursuant to the Risk Management and Own Risk and Solvency Assessment Model Act);
 - (B) Actuarial function;
 - (C) Investment decision-making processes;
 - (D) Reinsurance decision-making processes;

- (E) Business strategy/finance decision-making processes;
- (F) Compliance function;
- (G) Financial reporting/internal auditing; and
- (H) Market conduct decision-making processes.

365:25-7-95. Severability clause

If any provision of these regulations, or the application thereof to any person or circumstance, is held invalid, such determination shall not affect other provisions or applications of these regulations which can be given effect without the invalid provision or application, and to that end the provisions of these regulations are severable.

PART 19. ANNUAL FINANCIAL REPORTING

365:25-7-100. Authority

This regulation is promulgated by the commissioner of insurance pursuant to 36 OS §§ 311a.1 through 311a.18 of the Oklahoma Insurance Code.

365:25-7-101. Purpose and scope

(a) The purpose of this regulation is to improve the Oklahoma Insurance Department's surveillance of the financial condition of insurers by requiring:

- (1) an annual audit of financial statements reporting the financial position and the results of operations of insurers by independent certified public accountants,
- (2) Communication of Internal Control Related Matters Noted in an Audit, and
- (3) Management's Report of Internal Control over Financial Reporting.

(b) Every insurer, as defined in O.A.C. 365:25-7-102 shall be subject to this regulation. Insurers having direct premiums written in this state of less than \$1,000,000 in any calendar year and less than 1,000 policyholders or certificate holders of direct written policies nationwide at the end of the calendar year shall be exempt from this regulation for the year (unless the commissioner makes a specific finding that compliance is necessary for the commissioner to carry out statutory responsibilities) except that insurers having assumed premiums pursuant to contracts and/or treaties of reinsurance of \$1,000,000 or more will not be so exempt.

(c) Foreign or alien insurers filing the audited financial report in another state, pursuant to that state's requirement for filing of audited financial reports, which has been found by the commissioner to be substantially similar to the requirements herein, are exempt from O.A.C. 365:25-7-103 through O.A.C. 365:25-7-112 of this regulation if:

- (1) A copy of the audited financial report, Communication of Internal Control Related Matters Noted in an Audit, and the Accountant's Letter of Qualifications that are filed with the other state are filed with the commissioner in accordance with the filing dates specified in O.A.C.

365:25-7-103, 110, and 111, respectively (Canadian insurers may submit accountants' reports as filed with the Office of the Superintendent of Financial Institutions, Canada).

(2) A copy of any Notification of Adverse Financial Condition Report filed with the other state is filed with the commissioner within the time specified in O.A.C. 365:25-7-109.

(d) Foreign or alien insurers required to file Management's Report of Internal Control over Financial Reporting in another state are exempt from filing the report in this state provided the other state has substantially similar reporting requirements and the report is filed with the commissioner of the other state within the time specified.

(e) This regulation shall not prohibit, preclude or in any way limit the commissioner of insurance from ordering or conducting or performing examinations of insurers under the rules and regulations of the Oklahoma Department of Insurance and the practices and procedures of the Oklahoma Department of Insurance.

365:25-7-102. Definitions

The following words and terms, when used in this Part 19 of Subchapter 7, shall have the following meaning, unless the context clearly indicated otherwise:

"Accountant" or **"independent certified public accountant"** means an independent certified public accountant or accounting firm in good standing with the American Institute of Certified Public Accountants (AICPA) and in all states in which he or she is licensed to practice; for Canadian and British companies, it means a Canadian-chartered or British-chartered accountant.

"Affiliate" of, or person **"affiliated"** with, a specific person, means a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, the person specified.

"Audit committee" means a committee (or equivalent body) established by the board of directors of an entity for the purpose of overseeing the accounting and financial reporting processes of an insurer or group of insurers, the internal audit function of an insurer or group of insurers (if applicable), and external audits of financial statements of the insurer or group of insurers. The audit committee of any entity that controls a group of insurers may be deemed to be the audit committee for one or more of these controlled insurers solely for the purposes of this regulation at the election of the controlling person. Refer to O.A.C. 365:25-7-113(f) for exercising this election. If an audit committee is not designated by the insurer, the insurer's entire board of directors shall constitute the audit committee.

"Audited financial report" means and includes those items specified in O.A.C. 365:25-7-104 of this regulation.

"Indemnification" means an agreement of indemnity or a release from liability where the intent or effect is to shift or limit in any manner the potential liability of the person or firm for failure to adhere to applicable auditing or professional standards, whether or not resulting in part from knowing of other misrepresentations made by the insurer or its representatives.

"Independent board member" means independent board member as described in 365:25-7-113 (c).

"Insurer" means a licensed insurer as defined in 36 O.S. § 103. For purposes of the Oklahoma Annual Financial Report Act, insurer includes but is not limited to fraternal benefit societies, health maintenance organizations, multiple employer welfare arrangements, title insurers, and similar organizations licensed by the Insurance Commissioner.

"Group of insurers" means those licensed insurers included in the reporting requirements of [insert state law equivalent of the model Insurance Holding Company System Regulatory Act], or a set of insurers as identified by management, for the purpose of assessing the effectiveness of Internal control over financial reporting.

"Internal audit function" means a person or persons that provide independent, objective and reasonable assurance designed to add value and improve an organization's operations and accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes.

"Internal control over financial reporting" means a process effected by an entity's board of directors, management and other personnel designed to provide reasonable assurance regarding the reliability of the financial statements, i.e., those items specified in O.A.C. 365:25-7-104 (b)-(g) of this regulation and includes those policies and procedures that: pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of assets; provide reasonable assurance that transactions are recorded as necessary to permit preparation of the financial statements, i.e., those items specified in O.A.C. 365:25-7-104 (b)-(g) of this regulation and that receipts and expenditures are being made only in accordance with authorizations of management and directors; and provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of assets that could have a material effect on the financial statements, i.e., those items specified in O.A.C. 365:25-7-104 (b)-(g) of this regulation.

"SEC" means the United States Securities and Exchange Commission.

"Section 404" means Section 404 of the Sarbanes-Oxley Act of 2002 and the SEC's rules and regulations promulgated thereunder.

"Section 404 Report" means management's report on "internal control over financial reporting" as defined by the SEC and the related attestation report of the independent certified public accountant as described in O.A.C. 365:25-7-102.

"SOX Compliant Entity" means an entity that either is required to be compliant with, or voluntarily is compliant with, all of the following provisions of the Sarbanes-Oxley Act of 2002: (i) the preapproval requirements of Section 201 (Section 10A(i) of the Securities Exchange Act of 1934); (ii) the Audit committee independence requirements of Section 301 (Section 10A(m)(3) of the Securities Exchange Act of 1934); and (iii) the Internal control over financial reporting requirements of Section 404 (Item 308 of SEC Regulation S-K).

365:25-7-103. General requirements related to filing and extensions for filing of annual audited financial reports and audit committee appointment

(a) All insurers shall have an annual audit by an independent certified public accountant and shall file an audited financial report with the commissioner on or before June 1 for the year ended December 31 immediately preceding. The commissioner may require an insurer to file an audited financial report earlier than June 1 with ninety (90) days advance notice to the insurer.

(b) Extensions of the June 1 filing date may be granted by the commissioner for thirty-day periods upon a showing by the insurer and its independent certified public accountant of the reasons for requesting an extension and determination by the commissioner of good cause for an extension. The request for extension must be submitted in writing not less than ten (10) days prior to the due date in sufficient detail to permit the commissioner to make an informed decision with respect to the requested extension.

(c) If an extension is granted in accordance with the provisions in subsection b, a similar extension of thirty (30) days is granted to the filing of Management's Report of Internal Control over Financial Reporting.

(d) Every insurer required to file an annual audited financial report pursuant to this regulation shall designate a group of individuals as constituting its audit committee, as defined in O.A.C. 365:25-7-102. The audit committee of an entity that controls an insurer may be deemed to be the insurer's audit committee for purposes of this regulation at the election of the controlling person.

365:25-7-104. Contents of annual audited financial report

(a) The annual audited financial report shall report the financial position of the insurer as of the end of the most recent calendar year and the results of its operations, cash flows and changes in capital and surplus for the year then ended in conformity with statutory accounting practices prescribed, or otherwise permitted, by the Department of Insurance of the state of domicile.

(b) The annual Audited financial report shall include the following:

- (1) Report of independent certified public accountant.
- (2) Balance sheet reporting admitted assets, liabilities, capital and surplus.
- (3) Statement of operations.
- (4) Statement of cash flow.
- (5) Statement of changes in capital and surplus.
- (6) Notes to financial statements. These notes shall be those required by the appropriate NAIC *Annual Statement Instructions* and the NAIC *Accounting Practices and Procedures Manual*. The notes shall include a reconciliation of differences, if any, between the audited statutory financial statements and the annual statement filed pursuant to 36 O.S. § 311 of the Oklahoma Insurance Code with a written description of the nature of these differences.

(7) The financial statements included in the audited financial report shall be prepared in a form and using language and groupings substantially the same as the relevant sections of the annual statement of the insurer filed with the commissioner, and the financial statement shall be comparative, presenting the amounts as of December 31 of the current year and the amounts as of the immediately preceding December 31. (However, in the first year in which an insurer is required to file an audited financial report, the comparative data may be omitted).

365:25-7-105. Designation of independent certified public accountant

(a) Each insurer required by this regulation to file an annual audited financial report must within sixty (60) days after becoming subject to the requirement, register with the commissioner in writing the name and address of the independent certified public accountant or accounting firm retained to conduct the annual audit set forth in this regulation. Insurers not retaining an independent certified public accountant on the effective date of this regulation shall register the name and address of their retained independent certified public accountant not less than six (6) months before the date when the first audited financial report is to be filed.

(b) The insurer shall obtain a letter from the accountant, and file a copy with the commissioner stating that the accountant is aware of the provisions of the insurance code and the regulations of the Insurance Department of the state of domicile that relate to accounting and financial matters and affirming that the accountant will express his or her opinion on the financial statements in terms of their conformity to the statutory accounting practices prescribed or otherwise permitted by that Insurance Department, specifying such exceptions as he or she may believe appropriate.

(c) If an accountant who was the accountant for the immediately preceding filed audited financial report is dismissed or resigns, the insurer shall within five (5) business days notify the commissioner of this event. The insurer shall also furnish the commissioner with a separate letter within ten (10) business days of the above notification stating whether in the twenty-four (24) months preceding such event there were any disagreements with the former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure; which disagreements, if not resolved to the satisfaction of the former accountant, would have caused him or her to make reference to the subject matter of the disagreement in connection with his or her opinion. The disagreements required to be reported in response to this section include both those resolved to the former accountant's satisfaction and those not resolved to the former accountant's satisfaction. Disagreements contemplated by this section are those that occur at the decision-making level, i.e., between personnel of the insurer responsible for presentation of its financial statements and personnel of the accounting firm responsible for rendering its report. The insurer shall also in writing request the former accountant to furnish a letter addressed to the insurer stating whether the accountant agrees with the statements contained in the insurer's letter and, if not, stating the

Permanent Final Adoptions

reasons for which he or she does not agree; and the insurer shall furnish the responsive letter from the former accountant to the commissioner together with its own.

365:25-7-106. Qualifications of independent certified public accountant

(a) The commissioner shall not recognize a person or firm as a qualified independent certified public accountant if the person or firm:

- (1) Is not in good standing with the AICPA and in all states in which the accountant is licensed to practice, or, for a Canadian or British company, that is not a chartered accountant; or
- (2) Has either directly or indirectly entered into an agreement of indemnity or release from liability (collectively referred to as indemnification) with respect to the audit of the insurer.

(b) Except as otherwise provided in this regulation, the commissioner shall recognize an independent certified public accountant as qualified as long as he or she conforms to the standards of his or her profession, as contained in the Code of Professional Ethics of the AICPA and Rules and Regulations and Code of Ethics and Rules of Professional Conduct of the Oklahoma Board of Public Accountancy, or similar code.

(c) A qualified independent certified public accountant may enter into an agreement with an insurer to have disputes relating to an audit resolved by mediation or arbitration. However, in the event of a delinquency proceeding commenced against the insurer under Article 18 and 19 of the Oklahoma Insurance Code, the mediation or arbitration provisions shall operate at the option of the statutory successor.

(d)

(1) The lead (or coordinating) audit partner (having primary responsibility for the audit) may not act in that capacity for more than five (5) consecutive years. The person shall be disqualified from acting in that or a similar capacity for the same company or its insurance subsidiaries or affiliates for a period of five (5) consecutive years. An insurer may make application to the commissioner for relief from the above rotation requirement on the basis of unusual circumstances. This application should be made at least thirty (30) days before the end of the calendar year. The commissioner may consider the following factors in determining if the relief should be granted:

- (A) Number of partners, expertise of the partners or the number of insurance clients in the currently registered firm;
- (B) Premium volume of the insurer; or
- (C) Number of jurisdictions in which the insurer transacts business.

(2) The insurer shall file, with its annual statement filing, the approval for relief from subsection (d)(1) with the states that it is licensed in or doing business in and with the NAIC. If the nondomestic state accepts electronic filing with the NAIC, the insurer shall file the approval in an electronic format acceptable to the NAIC.

(e) The commissioner shall neither recognize as a qualified independent certified public accountant, nor accept an annual

audited financial report, prepared in whole or in part by, a natural person who:

- (1) Has been convicted of fraud, bribery, a violation of the Racketeer Influenced and Corrupt Organizations Act, 18 U.S.C. Sections 1961 to 1968, or any dishonest conduct or practices under federal or state law;
- (2) Has been found to have violated the insurance laws of this state with respect to any previous reports submitted under this regulation; or
- (3) Has demonstrated a pattern or practice of failing to detect or disclose material information in previous reports filed under the provisions of this regulation.

(f) The commissioner of insurance, as provided in Section [insert applicable section] of the insurance code, may, as provided in [insert applicable citation], hold a hearing to determine whether an independent certified public accountant is qualified and, considering the evidence presented, may rule that the accountant is not qualified for purposes of expressing his or her opinion on the financial statements in the annual audited financial report made pursuant to this regulation and require the insurer to replace the accountant with another whose relationship with the insurer is qualified within the meaning of this regulation.

(g) [RESERVED]

(1) The commissioner shall not recognize as a qualified independent certified public accountant, nor accept an annual audited financial report, prepared in whole or in part by an accountant who provides to an insurer, contemporaneously with the audit, the following non-audit services:

- (A) Bookkeeping or other services related to the accounting records or financial statements of the insurer;
- (B) Financial information systems design and implementation;
- (C) Appraisal or valuation services, fairness opinions, or contribution-in-kind reports;
- (D) Actuarially-oriented advisory services involving the determination of amounts recorded in the financial statements. The accountant may assist an insurer in understanding the methods, assumptions and inputs used in the determination of amounts recorded in the financial statement only if it is reasonable to conclude that the services provided will not be subject to audit procedures during an audit of the insurer's financial statements. An accountant's actuary may also issue an actuarial opinion or certification ("opinion") on an insurer's reserves if the following conditions have been met:

- (i) Neither the accountant nor the accountant's actuary has performed any management functions or made any management decisions;
- (ii) The insurer has competent personnel (or engages a third party actuary) to estimate the reserves for which management takes responsibility; and
- (iii) The accountant's actuary tests the reasonableness of the reserves after the insurer's management has determined the amount of the reserves;

- (E) Internal audit outsourcing services;
 - (F) Management functions or human resources;
 - (G) Broker or dealer, investment adviser, or investment banking services;
 - (H) Legal services or expert services unrelated to the audit; or
 - (I) Any other services that the commissioner determines, by regulation, are impermissible.
- (2) In general, the principles of independence with respect to services provided by the qualified independent certified public accountant are largely predicated on three basic principles, violations of which would impair the accountant's independence. The principles are that the accountant cannot function in the role of management, cannot audit his or her own work, and cannot serve in an advocacy role for the insurer.
- (h) Insurers having direct written and assumed premiums of less than \$100,000,000 in any calendar year may request an exemption from subsection (g)(1). The insurer shall file with the commissioner a written statement discussing the reasons why the insurer should be exempt from these provisions. If the commissioner finds, upon review of this statement, that compliance with this regulation would constitute a financial or organizational hardship upon the insurer, an exemption may be granted.
- (i) A qualified independent certified public accountant who performs the audit may engage in other non-audit services, including tax services, that are not described in subsection (g)(1) or that do not conflict with subsection (g)(2), only if the activity is approved in advance by the Audit committee, in accordance with subsection j.
- (j) All auditing services and non-audit services provided to an insurer by the qualified independent certified public accountant of the insurer shall be preapproved by the audit committee. The preapproval requirement is waived with respect to non-audit services if the insurer is a SOX Compliant Entity or a direct or indirect wholly-owned subsidiary of a SOX Compliant Entity or:
- (1) The aggregate amount of all such non-audit services provided to the insurer constitutes not more than five percent (5%) of the total amount of fees paid by the insurer to its qualified independent certified public accountant during the fiscal year in which the non-audit services are provided;
 - (2) The services were not recognized by the insurer at the time of the engagement to be non-audit services; and
 - (3) The services are promptly brought to the attention of the audit committee and approved prior to the completion of the audit by the audit committee or by one or more members of the audit committee who are the members of the board of directors to whom authority to grant such approvals has been delegated by the audit committee.
- (k) The audit committee may delegate to one or more designated members of the audit committee the authority to grant the preapprovals required by subsection j. The decisions of any member to whom this authority is delegated shall be presented to the full audit committee at each of its scheduled meetings.

(1) The commissioner shall not recognize an independent certified public accountant as qualified for a particular insurer if a member of the board, president, chief executive officer, controller, chief financial officer, chief accounting officer, or any person serving in an equivalent position for that insurer, was employed by the independent certified public accountant and participated in the audit of that insurer during the one-year period preceding the date that the most current statutory opinion is due. This section shall only apply to partners and senior managers involved in the audit. An insurer may make application to the commissioner for relief from the above requirement on the basis of unusual circumstances.

(2) The insurer shall file, with its annual statement filing, the approval for relief from subsection (l)(1) with the states that it is licensed in or doing business in and the NAIC. If the nondomestic state accepts electronic filing with the NAIC, the insurer shall file the approval in an electronic format acceptable to the NAIC.

365:25-7-107. Consolidated or combined audits

An insurer may make written application to the commissioner for approval to file audited consolidated or combined financial statements in lieu of separate annual audited financial statements if the insurer is part of a group of insurance companies that utilizes a pooling or 100 percent reinsurance agreement that affects the solvency and integrity of the insurer's reserves and the insurer cedes all of its direct and assumed business to the pool. In such cases, a columnar consolidating or combining worksheet shall be filed with the report, as follows:

- (1) Amounts shown on the consolidated or combined audited financial report shall be shown on the worksheet;
- (2) Amounts for each insurer subject to this section shall be stated separately;
- (3) Noninsurance operations may be shown on the worksheet on a combined or individual basis;
- (4) Explanations of consolidating and eliminating entries shall be included; and
- (5) A reconciliation shall be included of any differences between the amounts shown in the individual insurer columns of the worksheet and comparable amounts shown on the annual statements of the insurers.

365:25-7-108. Scope of audit and report of independent certified public accountant

Financial statements furnished pursuant to O.A.C. 365:25-7-104 shall be examined by the independent certified public accountant. The audit of the insurer's financial statements shall be conducted in accordance with generally accepted auditing standards. In accordance with AU Section 319 of the Professional Standards of the AICPA, *Consideration of Internal Control in a Financial Statement Audit*, the independent certified public accountant should obtain an understanding of internal control sufficient to plan the audit. To the extent required by AU 319, for those insurers required to file a Management's Report of Internal Control over Financial Reporting pursuant to 365:25-7-116, the

Permanent Final Adoptions

independent certified public accountant should consider (as that term is defined in Statement on Auditing Standards (SAS) No. 102, *Defining Professional Requirements in Statements on Auditing Standards* or its replacement) the most recently available report in planning and performing the audit of the statutory financial statements. Consideration shall be given to the procedures illustrated in the *Financial Condition Examiners Handbook* promulgated by the National Association of Insurance Commissioners as the independent certified public accountant deems necessary.

365:25-7-109. Notification of adverse financial condition

(a) The insurer required to furnish the annual audited financial report shall require the independent certified public accountant to report, in writing, within five (5) business days to the board of directors or its audit committee any determination by the independent certified public accountant that the insurer has materially misstated its financial condition as reported to the commissioner as of the balance sheet date currently under audit or that the insurer does not meet the minimum capital and surplus requirement of the Oklahoma insurance code as of that date. An insurer that has received a report pursuant to this paragraph shall forward a copy of the report to the commissioner within five (5) business days of receipt of the report and shall provide the independent certified public accountant making the report with evidence of the report being furnished to the commissioner. If the independent certified public accountant fails to receive the evidence within the required five (5) business day period, the independent certified public accountant shall furnish to the commissioner a copy of its report within the next five (5) business days.

(b) No independent certified public accountant shall be liable in any manner to any person for any statement made in connection with the above paragraph if the statement is made in good faith in compliance with subsection a.

(c) If the accountant, subsequent to the date of the audited financial report filed pursuant to this regulation, becomes aware of facts that might have affected his or her report, the commissioner notes the obligation of the accountant to take such action as prescribed in Volume 1, Section AU 561 of the Professional Standards of the AICPA.

365:25-7-110. Communication of internal control related matters noted in an audit

(a) In addition to the annual audited financial report, each insurer shall furnish the commissioner with a written communication as to any unremediated material weaknesses in its internal control over financial reporting noted during the audit. Such communication shall be prepared by the accountant within sixty (60) days after the filing of the annual audited financial report, and shall contain a description of any unremediated material weakness (as the term material weakness is defined by Statement on Auditing Standard 60, *Communication of Internal Control Related Matters Noted in an Audit*, or its replacement) as of December 31 immediately preceding (so as to coincide with the audited financial report discussed in O.A.C.

365:25-7-103(a)) in the insurer's internal control over financial reporting noted by the accountant during the course of their audit of the financial statements. If no unremediated material weaknesses were noted, the communication should so state.

(b) The insurer is required to provide a description of remedial actions taken or proposed to correct unremediated material weaknesses, if the actions are not described in the accountant's communication.

365:25-7-111. Accountant's letter of qualifications

The accountant shall furnish the insurer in connection with, and for inclusion in, the filing of the annual audited financial report, a letter stating:

(1) That the accountant is independent with respect to the insurer and conforms to the standards of his or her profession as contained in the Code of Professional Ethics and pronouncements of the AICPA and the Rules of Professional Conduct of the Oklahoma Board of Public Accountancy, or similar code;

(2) The background and experience in general, and the experience in audits of insurers of the staff assigned to the engagement and whether each is an independent certified public accountant. Nothing within this regulation shall be construed as prohibiting the accountant from utilizing such staff as he or she deems appropriate where use is consistent with the standards prescribed by generally accepted auditing standards;

(3) That the accountant understands the annual audited financial report and his opinion thereon will be filed in compliance with this regulation and that the commissioner will be relying on this information in the monitoring and regulation of the financial position of insurers;

(4) That the accountant consents to the requirements of O.A.C. 365:25-7-112 of this regulation and that the accountant consents and agrees to make available for review by the commissioner, or the commissioner's designee or appointed agent, the workpapers, as defined in O.A.C. 365:25-7-112;

(5) A representation that the accountant is properly licensed by an appropriate state licensing authority and is a member in good standing in the AICPA; and

(6) A representation that the accountant is in compliance with the requirements of 365:25-7-106 of this regulation.

365:25-7-112. Definition, availability and maintenance of independent certified public accountants work papers

(a) Work papers are the records kept by the independent certified public accountant of the procedures followed, the tests performed, the information obtained, and the conclusions reached pertinent to the accountant's audit of the financial statements of an insurer. Work papers, accordingly, may include audit planning documentation, work programs, analyses, memoranda, letters of confirmation and representation, abstracts of company documents and schedules or commentaries prepared or obtained by the independent certified public

accountant in the course of his or her audit of the financial statements of an insurer and which support the accountant's opinion.

(b) Every insurer required to file an audited financial report pursuant to this regulation, shall require the accountant to make available for review by Insurance Department examiners, all work papers prepared in the conduct of the accountant's audit and any communications related to the audit between the accountant and the insurer, at the offices of the insurer, at the Insurance Department or at any other reasonable place designated by the commissioner. The insurer shall require that the accountant retain the audit work papers and communications until the Insurance Department has filed a report on examination covering the period of the audit but no longer than seven (7) years from the date of the audit report.

(c) In the conduct of the aforementioned periodic review by the Insurance Department examiners, it shall be agreed that photocopies of pertinent audit work papers may be made and retained by the department. Such reviews by the department examiners shall be considered investigations and all working papers and communications obtained during the course of such investigations shall be afforded the same confidentiality as other examination work papers generated by the department.

365:25-7-113. Requirements for audit committees

(a) This section shall not apply to foreign or alien insurers licensed in this state or an insurer that is a SOX Compliant Entity or a direct or indirect wholly-owned subsidiary of a SOX Compliant Entity.

(b) The audit committee shall be directly responsible for the appointment, compensation and oversight of the work of any accountant (including resolution of disagreements between management and the accountant regarding financial reporting) for the purpose of preparing or issuing the audited financial report or related work pursuant to this regulation. Each accountant shall report directly to the audit committee.

(c) The audit committee of an insurer or group of insurers shall be responsible for overseeing the insurer's Internal audit function and granting the person or persons performing the function suitable authority and resources to fulfill their responsibilities if required by 365:25-7-114 of this regulation.

(d) Each member of the audit committee shall be a member of the board of directors of the insurer or a member of the board of directors of an entity elected pursuant to subsection f and 365:25-7-102(c).

(e) In order to be considered independent for purposes of this section, a member of the audit committee may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee, accept any consulting, advisory or other compensatory fee from the entity or be an affiliated person of the entity or any subsidiary thereof. However, if law requires board participation by otherwise non-independent members, that law shall prevail and such members may participate in the audit committee and be designated as independent for audit committee purposes, unless they are an officer or employee of the insurer or one of its affiliates.

(f) If a member of the audit committee ceases to be independent for reasons outside the member's reasonable control, that person, with notice by the responsible entity to the state, may remain an audit committee member of the responsible entity until the earlier of the next annual meeting of the responsible entity or one year from the occurrence of the event that caused the member to be no longer independent.

(g) To exercise the election of the controlling person to designate the audit committee for purposes of this regulation, the ultimate controlling person shall provide written notice to the commissioners of the affected insurers. Notification shall be made timely prior to the issuance of the statutory audit report and include a description of the basis for the election. The election can be changed through notice to the commissioner by the insurer, which shall include a description of the basis for the change. The election shall remain in effect for perpetuity, until rescinded.

(h) [RESERVED]

(1) The audit committee shall require the accountant that performs for an insurer any audit required by this regulation to timely report to the audit committee in accordance with the requirements of SAS 61, Communication with Audit Committees, or its replacement, including:

(A) All significant accounting policies and material permitted practices;

(B) All material alternative treatments of financial information within statutory accounting principles that have been discussed with management officials of the insurer, ramifications of the use of the alternative disclosures and treatments, and the treatment preferred by the accountant; and

(C) Other material written communications between the accountant and the management of the insurer, such as any management letter or schedule of unadjusted differences.

(2) If an insurer is a member of an insurance holding company system, the reports required by subsection (g)(1) may be provided to the audit committee on an aggregate basis for insurers in the holding company system, provided that any substantial differences among insurers in the system are identified to the audit committee.

(i) The proportion of independent audit committee members shall meet or exceed the following criteria for prior calendar year direct written and assumed premiums

(1) \$0 to \$300,000,000 no minimum requirements;

(2) Over \$300,000,000 to \$500,000,000 majority (50% or more) of members shall be independent;

(3) Over \$500,000,000 supermajority of members (75% or more) shall be independent.

(j) An insurer with direct written and assumed premium, excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, less than \$500,000,000 may make application to the commissioner for a waiver from this section's requirements based upon hardship. The insurer shall file, with its annual statement filing, the approval for relief from this section with the states that it is licensed in or doing business in and the NAIC. If the nondomestic state accepts electronic filing with the NAIC,

Permanent Final Adoptions

the insurer shall file the approval in an electronic format acceptable to the NAIC.

365:25-7-114. Internal audit function requirements

Exemption - An insurer is exempt from the requirements of this section if:

(1) The insurer has annual direct written and unaffiliated assumed premium, including international direct and assumed premium but excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, less than \$500,000,000; and

(2) If the insurer is a member of a group of insurers, the group has annual direct written and unaffiliated assumed premium including international direct and assumed premium, but excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, less than \$1,000,000,000.

(A) Function - The insurer or group of insurers shall establish an internal audit function providing independent, objective and reasonable assurance to the Audit committee and insurer management regarding the insurer's governance, risk management and internal controls. This assurance shall be provided by performing general and specific audits, reviews and tests and by employing other techniques deemed necessary to protect assets, evaluate control effectiveness and efficiency, and evaluate compliance with policies and regulations.

(B) Independence - In order to ensure that internal auditors remain objective, the internal audit function must be organizationally independent. Specifically, the internal audit function will not defer ultimate judgment on audit matters to others, and shall appoint an individual to head the internal audit function who will have direct and unrestricted access to the board of directors. Organizational independence does not preclude dual-reporting relationships.

(C) Reporting - The head of the internal audit function shall report to the audit committee regularly, but no less than annually, on the periodic audit plan, factors that may adversely impact the internal audit function's independence or effectiveness, material findings from completed audits and the appropriateness of corrective actions implemented by management as a result of audit findings.

(D) Additional Requirements - If an insurer is a member of an insurance holding company system or included in a group of insurers, the insurer may satisfy the internal audit function requirements set forth in this section at the ultimate controlling parent level, an intermediate holding company level or the individual legal entity level.

365:25-7-115. Conduct of insurer in connection with the preparation of required reports and documents

(a) No director or officer of an insurer shall, directly or indirectly:

(1) Make or cause to be made a materially false or misleading statement to an accountant in connection with any audit, review or communication required under this regulation; or

(2) Omit to state, or cause another person to omit to state, any material fact necessary in order to make statements made, in light of the circumstances under which the statements were made, not misleading to an accountant in connection with any audit, review or communication required under this regulation.

(b) No officer or director of an insurer, or any other person acting under the direction thereof, shall directly or indirectly take any action to coerce, manipulate, mislead or fraudulently influence any accountant engaged in the performance of an audit pursuant to this regulation if that person knew or should have known that the action, if successful, could result in rendering the insurer's financial statements materially misleading.

(c) For purposes of subsection b of this section, actions that, "if successful, could result in rendering the insurer's financial statements materially misleading" include, but are not limited to, actions taken at any time with respect to the professional engagement period to coerce, manipulate, mislead or fraudulently influence an accountant:

(1) To issue or reissue a report on an insurer's financial statements that is not warranted in the circumstances (due to material violations of statutory accounting principles prescribed by the commissioner, generally accepted auditing standards, or other professional or regulatory standards);

(2) Not to perform audit, review or other procedures required by generally accepted auditing standards or other professional standards;

(3) Not to withdraw an issued report; or

(4) Not to communicate matters to an insurer's audit committee.

365:25-7-116. Management's report of internal control over financial reporting

(a) Every insurer required to file an audited financial report pursuant to this regulation that has annual direct written and assumed premiums, excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, of \$500,000,000 or more shall prepare a report of the insurer's or group of insurers' internal control over financial reporting, as these terms are defined in O.A.C. 365:25-7-102. The report shall be filed with the commissioner along with the Communication of Internal Control Related Matters Noted in an Audit described under O.A.C. 365:25-7-110. Management's Report of Internal Control over Financial Reporting shall be as of December 31 immediately preceding.

(b) Notwithstanding the premium threshold in subsection a, the commissioner may require an insurer to file Management's

Report of Internal Control over Financial Reporting if the insurer is in any RBC level event, or meets any one or more of the standards of an insurer deemed to be in hazardous financial condition as defined in (include reference to Corrective Action statute).

- (c) An insurer or a group of insurers that is
- (1) directly subject to Section 404;
 - (2) part of a holding company system whose parent is directly subject to Section 404;
 - (3) not directly subject to Section 404 but is a SOX Compliant Entity; or
 - (4) a member of a holding company system whose parent is not directly subject to Section 404 but is a SOX Compliant Entity; may file its or its parent's Section 404 Report and an addendum in satisfaction of this section, O.A.C. 365:25-7-116 "Section 116", requirement provided that those internal controls of the insurer or group of insurers having a material impact on the preparation of the insurer's or group of insurers' audited statutory financial statements (those items included in O.A.C. 365:25-7-104(b)-(g)) were included in the scope of the Section 404 Report. The addendum shall be a positive statement by management that there are no material processes with respect to the preparation of the insurer's or group of insurers' audited statutory financial statements (those items included in O.A.C. 365:25-7-104(b)-(g)) excluded from the Section 404 Report. If there are internal controls of the insurer or group of insurers that have a material impact on the preparation of the insurer's or group of insurers' audited statutory financial statements and those internal controls were not included in the scope of the Section 404 Report, the insurer or group of insurers may either file (i) a Section 116 report, or (ii) the Section 404 Report and a Section 116 report for those internal controls that have a material impact on the preparation of the insurer's or group of insurers' audited statutory financial statements not covered by the Section 404 Report.
- (d) Management's Report of Internal Control over Financial Reporting shall include:
- (1) A statement that management is responsible for establishing and maintaining adequate internal control over financial reporting;
 - (2) A statement that management has established internal control over financial reporting and an assertion, to the best of management's knowledge and belief, after diligent inquiry, as to whether its internal control over financial reporting is effective to provide reasonable assurance regarding the reliability of financial statements in accordance with statutory accounting principles;
 - (3) A statement that briefly describes the approach or processes by which management evaluated the effectiveness of its internal control over financial reporting; and
 - (4) A statement that briefly describes the scope of work that is included and whether any internal controls were excluded;
 - (5) Disclosure of any unremediated material weaknesses in the internal control over financial reporting

identified by management as of December 31 immediately preceding. Management is not permitted to conclude that the internal control over financial reporting is effective to provide reasonable assurance regarding the reliability of financial statements in accordance with statutory accounting principles if there is one or more unremediated material weaknesses in its internal control over financial reporting;

- (6) A statement regarding the inherent limitations of internal control systems; and
- (7) Signatures of the chief executive officer and the chief financial officer (or equivalent position/title).

(e) Management shall document and make available upon financial condition examination the basis upon which its assertions, required in subsection (d) above, are made. Management may base its assertions, in part, upon its review, monitoring and testing of internal controls undertaken in the normal course of its activities.

(1) Management shall have discretion as to the nature of the internal control framework used, and the nature and extent of documentation, in order to make its assertion in a cost effective manner and, as such, may include assembly of or reference to existing documentation.

(2) Management's Report on Internal Control over Financial Reporting, required by subsection (a) above, and any documentation provided in support thereof during the course of a financial condition examination, shall be kept confidential by the State Insurance Department.

365:25-7-117. Exemptions and effective dates

(a) Upon written application of any insurer, the commissioner may grant an exemption from compliance with any and all provisions of this regulation if the commissioner finds, upon review of the application, that compliance with this regulation would constitute a financial or organizational hardship upon the insurer. An exemption may be granted at any time and from time to time for a specified period or periods. Within ten (10) days from a denial of an insurer's written request for an exemption from this regulation, the insurer may request in writing a hearing on its application for an exemption. The hearing shall be held in accordance with the regulations of the Oklahoma Department of Insurance pertaining to administrative hearing procedures.

(b) Domestic insurers retaining a certified public accountant on the effective date of this regulation who qualify as independent shall comply with this regulation for the year ending December 31, 2020, and each year thereafter unless the commissioner permits otherwise.

(c) Domestic insurers not retaining a certified public accountant on the effective date of this regulation who qualifies as independent may meet the following schedule for compliance unless the commissioner permits otherwise.

(1) As of December 31, 2020, file with the commissioner an audited financial report

(2) For the year ending December 31, 2020, and each year thereafter, such insurers shall file with the commissioner all reports and communication required by this regulation.

(d) Foreign insurers shall comply with this regulation for the year ending December 31, 2020, and each year thereafter, unless the commissioner permits otherwise.

(e) The requirements of O.A.C. 365:25-7-106(d) shall be in effect for audits of the year beginning January 1, 2020, and thereafter.

(f) The requirements of O.A.C. 365:25-7-113 are to be in effect January 1, 2020. An insurer or group of insurers that is not required to have independent audit committee members or only a majority of independent audit committee members (as opposed to a supermajority) because the total written and assumed premium is below the threshold and subsequently becomes subject to one of the independence requirements due to changes in premium shall have one (1) year following the year the threshold is exceeded (but not earlier than January 1, 2010) to comply with the independence requirements. Likewise, an insurer that becomes subject to one of the independence requirements as a result of a business combination shall have one (1) calendar year following the date of acquisition or combination to comply with the independence requirements.

(g) The requirements of O.A.C. 365:25-7-116, except for O.A.C. 365:25-7-113 covered above, are effective beginning with the reporting period ending December 31, 2020, and each year thereafter. An insurer or group of insurers that is not required to file a report because the total written premium is below the threshold and subsequently becomes subject to the reporting requirements shall have two (2) years following the year the threshold is exceeded (but not earlier than December 31, 2020) to file a report. Likewise, an insurer acquired in a business combination shall have two (2) calendar years following the date of acquisition or combination to comply with the reporting requirements.

(h) The requirements of O.A.C. 365:25-7-114 are to be in effect January 1, 2020. If an insurer or group of insurers that is exempt from the O.A.C. 365:25-7-114 requirements no longer qualifies for that exemption, it shall have one year after the year the threshold is exceeded to comply with the requirements of this article.

365:25-7-118. Canadian and British companies

(a) In the case of Canadian and British insurers, the annual audited financial report shall be defined as the annual statement of total business on the form filed by such companies with their supervision authority duly audited by an independent chartered accountant.

(b) For such insurers, the letter required in O.A.C. 365:25-7-105(b) shall state that the accountant is aware of the requirements relating to the annual audited financial report filed with the commissioner pursuant to O.A.C. 365:25-7-103 and shall affirm that the opinion expressed is in conformity with those requirements.

365:25-7-119. Severability provision

If any section or portion of a section of this regulation or its applicability to any person or circumstance is held invalid by a court, the remainder of the regulation or the applicability

of the provision to other persons or circumstances shall not be affected.

SUBCHAPTER 29. PHARMACY BENEFIT MANAGERS

365:25-29-1. Purpose

The purpose of this Subchapter is to set:

(1) Set forth the regulations and procedures relating to the licensing and oversight of pharmacy benefits managers under 59 O.S. §§ 357-360—, and

(2) Set forth the regulations and procedures relating to the Patient's Right to Pharmacy Choice Act, 36 O.S. §§ 6958-6968.

365:25-29-2. Scope

This Subchapter shall apply to all pharmacy benefits managers, which must be licensed pursuant to 59 O.S. § 358(A), and to all health insurers subject to compliance with 36 O.S. § 6958 et seq.

365:25-29-3. Authority

This Subchapter is promulgated under the authority granted to the Insurance Commissioner in 59 O.S. § 358(B)- and 36 O.S. §§ 6958-6968.

365:25-29-4. Definitions

All definitions contained in 59 O.S. §§ 357-360 and 36 O.S. §§ 6958-6968 are applicable to this Subchapter and in addition:

(1) "Day" means a calendar day, unless otherwise defined or limited.

(2) The "act" means 59 O.S. §§ 357-360 and 36 O.S. §§ 6858-6968.

(3) Pharmacy benefits manager and PBM may be used interchangeably in this Subchapter.

(4) "Preferred participating pharmacy" means a pharmacy that is designated as a preferred participating pharmacy in a PBM's retail pharmacy network.

(5) "Provider" means an Oklahoma licensed retail pharmacy.

365:25-29-5. Forms and contents of application for PBM license

An application for PBM License shall be on a form provided by the Commissioner and shall include:

(1) The identity of the PBM and any company or organization controlling the operation of the PBM, including the name, business address, and contact person for the PBM and the controlling entity. For purposes of this subsection, "control" or "controlling" means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of the PBM, whether through the ownership of voting securities, by contract or

otherwise, unless, for an individual, the power is the result of an official position with or corporate office held by the person;

(2) The name and address of the corporate officers and directors, members and managers (if an LLC), or names of all partners (if a partnership) of the applicant PBM;

(3) A license fee in the amount of One Thousand Dollars (\$1,000.00);

(4) A "Certificate of Incorporation" or comparable organizational document from the domiciliary state of the PBM;

(5) In the case of a PBM domiciled ~~without~~outside the State of Oklahoma, a certificate that the PBM is in good standing in the state of domicile or organization;

(6) A report of the details of any suspension, sanction, penalty or other disciplinary action relating to the PBM and its officers and directors;

(7) The name and address of the agent of record for services of process in Oklahoma;

(8) The number of total covered individuals or lives served under all of the PBM's contracts or agreements in Oklahoma;

(9) The most recently concluded fiscal year-end financial statements for the PBM and its controlling entity, which statements have been audited by an independent certified public accountant (CPA) under U.S. generally accepted accounting principles (GAAP); and

(10) A certificate signed by an Executive Officer of the PBM attesting to the accuracy of the information contained in the filing.

365:25-29-6. Surety bond

(a) Prior to the issuance of a pharmacy benefits manager license, the PBM applicant shall file with the Commissioner and thereafter keep in effect, as long as the license remains in effect, a surety bond in an amount determined to be sufficient by the Commissioner. The bond shall be in a form acceptable to the Commissioner and for the purpose of securing conformity with the laws and regulations governing pharmacy benefits managers. The bond shall be for the benefit of parties protected by the provisions of 59 O.S. §§ 357-360 and 36 O.S. §§ 6958-6968.

(b) The surety bond must provide that no party may cancel the bond without first giving thirty (30) days written notice to the principal and the Commissioner.

(c) Absent a finding otherwise, a bond, shall be deemed to be sufficient if it meets the following requirements:

(1) For a PBM with not more than five thousand (5,000) annual Oklahoma covered lives, the bond shall have a minimum penal sum of fifty thousand dollars (\$50,000.00);

(2) For a PBM with more than five thousand (5,000) but not more than ten thousand (10,000) annual Oklahoma covered lives, the bond shall have a minimum penal sum of one hundred thousand dollars (\$100,000.00);

(3) For a PBM with more than ten thousand (10,000) but not more than twenty-five (25,000) annual Oklahoma covered lives, the bond shall have a minimum penal sum of two hundred fifty thousand dollars (\$250,000.00);

(4) For a PBM with more than twenty-five thousand (25,000) but not more than fifty thousand (50,000) annual Oklahoma lives covered, the bond shall have a minimum penal sum of five hundred thousand dollars (\$500,000.00);

(5) For a PBM with more than fifty thousand (50,000) but not more than one hundred thousand (100,000) annual Oklahoma lives covered, the bond shall have a minimum penal sum of seven hundred fifty thousand dollars (\$750,000.00); and

(6) For a PBM with more than one hundred thousand (100,000) annual Oklahoma covered lives, the bond shall have a minimum penal sum of one million dollars (\$1,000,000.00).

365:25-29-7.1. Retail pharmacy network access -audit

(a) Standards:

(1) Section 6960 of the act defines "member of a retail pharmacy network" as meaning retail pharmacy providers contracted with a PBM on behalf of a payor in which the pharmacy primarily fills and sells prescription medicine via retail storefront location.

(2) The act draws no distinction between regular or specialty drugs, both being prescription medications, therefore, specialty drugs fall within the contemplation of the act.

(3) Pharmacy benefits managers shall not in any manner on any material, including but not limited to mail and ID cards, include the name of any pharmacy, hospital or other providers unless it specifically lists all pharmacies, hospitals and providers.

(b) A PBM's retail pharmacy network access shall be monitored for compliance with this act by those insurers that utilize the services of such PBM. Health insurers are required to maintain retail pharmacy network access in conformity with the requirements set forth in § 6961 of this act.

(c) Every Insurer that utilizes the services of a PBM shall, as part of the annual general compliance audit required by 365:25-29-9, conduct a network adequacy audit. If the audit reveals the percentage of covered individuals is less than one hundred and five percent (105%) above any of the required percentages in 36 O.S. § 6961 the insurer shall conduct semi-annual network adequacy audits until such time that an audit indicates that the percentage of covered individuals is more than five percent 5% above the required percentage.

(d) The audits must be completed within ninety (90) days of the effective date of 36 O.S. § 6958-6968 and annually each year thereafter. The results of the audits shall be reported to the Commissioner within thirty (30) days of the completion of the audit.

365:25-29-9. Contractual requirements --~~maximum~~ allowable cost

(a) Maximum Allowable Cost.

(1) Contracts between a PBM and a provider shall conform to the following requirements:

(A4) Identify sources of information utilized by the PBM to create and modify the PBM's maximum allowable cost price specific to the pharmacy;

(B2) The PBM shall provide an electronic process, including but not limited to e-mail, for its pharmacy providers to readily access the MAC list specific to that provider. Upon a provider's written request, a PBM shall furnish its MAC list to the provider in paper form or other agreed format;

(C) (3) If a provider is unable to obtain a drug from a regional or national wholesaler at a price equal to or less than the PBM's multisource drug product reimbursement, the PBM shall provide a reasonable appeals procedure to contest the multisource drug product reimbursement amount;

(D4) A "reasonable appeals procedure" means a process which permits a provider or a provider's representative to contest a multisource drug product reimbursement amount based on the provider's contention that the drug is not generally available for purchase by Oklahoma pharmacies in the state at or below the PBM's multisource drug product reimbursement;

(E5) A provider's appeal shall contain information including but not limited to the date of claim, National Drug Code number, and the identity of the national or regional wholesalers from which the drug was found to be unavailable for purchase by the provider, at or below the PBM's multisource drug product reimbursement;

(F) (6) Appeals filed under this subsection shall be presented to the PBM within ten (10) business days following the final adjusted payment date. The PBM must respond to a provider within ten (10) business days following the receipt by the PBM of the notice that the provider is contesting the multisource drug product reimbursement amount;

(G) (7) If a provider's appeal is denied, the PBM shall provide the reason for the denial, including the National Drug Code number and the identity of the national or regional wholesalers from whom the drug was generally available for purchase by providers in the state at or below the PBM's multisource drug product reimbursement;

(H) (8) If a provider's appeal is found to be justified, the PBM shall make a change in the multisource drug product reimbursement amount, permit the provider to reverse and re-bill the claim in question, and make the multisource drug product reimbursement amount change applicable prospectively for all similarly contracted Oklahoma providers.

(2) (b) A PBM shall permit the submission of either paper or electronic documentation to perfect an appeal. A PBM shall not require the submission of appeals on an individual claim (non-batch) basis or refuse to accept appeals from a provider's designated representative or require procedures that have the effect of obstructing or

delaying the appeal process. All multisource drug product reimbursement appeals shall be properly documented.

(3e) Before beginning business, and as contracts are amended thereafter, each PBM shall submit to the Insurance Commissioner a certificate signed by an executive officer of the PBM attesting that the Oklahoma provider contracts utilized by such PBM satisfy the requirements of 59 O.S. § 360 and this subchapter the act.

(b) The relationship between a PBM and an insurer or other payor is controlled by contract whereby the PBM acts on behalf of the payor to facilitate the delivery of prescription medication benefits provided by such payor. Requirements and limitations contained within the act and applicable to such payors must be understood within this payor - contractor relationship.

(c) The act requires or limits certain conduct in the interaction between the PBM and retail pharmacy network providers. Consequently, the Department hereby requires that every insurer utilizing the services of a pharmacy benefit manager shall be responsible, as follows:

(1) for approving all contractual documents utilized by its contracted PBMs and its retail pharmacy network to ensure compliance with the act;

(2) for conducting an annual audit of transactions and practices utilized by its contracted PBMs and members of its retail pharmacy network to ensure compliance with the act; and

(3) any exceptions found shall be reported to the Department pursuant to the Commissioner's examination authority.

365:25-29-10. Penalty for noncompliance

(a) After notice and opportunity for hearing, and upon determining that the PBM has violated any of the provisions of 59 O.S. §§ 357-360 of the Oklahoma Statutes, or this Subchapter as it relates to 59 O.S. §§ 357-360, or upon finding the existence of grounds to refuse the issuance or renewal of such license, the Commissioner may suspend or revoke a PBM's license or assess a civil penalty of not less than Five Hundred Dollars (\$500.00) nor more than Five Thousand Dollars (\$5,000.00) for each instance of violation, or both. Each day that a pharmacy benefits manager conducts business in the State of Oklahoma without a license shall be deemed to be an instance of violation. The payment of the penalty may be enforced in the same manner as civil judgments may be enforced.

(b) ~~Every PBM upon receipt of any inquiry from the Commissioner or the Commissioner's representative shall within thirty (30) days from the date of inquiry, furnish the Commissioner or the Commissioner's representative with an adequate response to the inquiry.~~

(b) After notice and opportunity for hearing, and upon determining that the PBM has violated any of the provisions of 36 O.S. §§ 6958-6968 of the Oklahoma Statutes, or this Subchapter as it relates to 36 O.S. §§ 6958-6968, the Commissioner may suspend or revoke a PBM's license and/or levy fines not to exceed Ten Thousand Dollars (\$10,000.00) for each count for which any PBM has violated the provisions of 36 O.S. §§

6958-6968. The payment of the penalty may be enforced in the same manner as civil judgments may be enforced.

(c) After notice and opportunity for hearing, and upon determining that the health insurer has violated any of the provisions of 36 O.S. §§ 6958-6968 of the Oklahoma Statutes, the Commissioner may suspend or revoke a health insurer's certificate of authority license or assess a civil penalty of not less than Five Hundred Dollars (\$500.00) nor more than Five Thousand Dollars (\$5,000.00) for each instance of violation, or both. The payment of the penalty may be enforced in the same manner as civil judgments may be enforced.

(d) Every health insurer upon receipt of any inquiry from the Commissioner or the Commissioner's representative shall, within thirty (30) days from the date of inquiry, furnish the Commissioner or the Commissioner's representative with an adequate response to the inquiry.

365:25-29.12. Commissioner's authority - advisory committee

(a) Pursuant to 36 O.S. § 6966, the Insurance Commissioner shall establish an advisory committee composed of representatives from the following constituent groups:

- (1) Oklahoma Pharmacists Association;
- (2) Office of the Oklahoma Attorney General;
- (3) Consumers; and,
- (4) Insurers or PBMs.

(b) The advisory committee shall function in an advisory capacity only. Any investigation or enforcement action in consequence of the act shall be at the sole discretion of the Commissioner.

(c) Nominees for members of the advisory committee as provided in § 6966 (C) shall be representative of the interests of the stakeholders listed above and shall be submitted to the Commissioner for appointment.

(d) Because committee members will be dealing with confidential, proprietary, or competitively sensitive information the Commissioner shall implement the following protections to prevent such information from being viewed or used inappropriately:

- (1) Advisory committee members shall avoid conflicts of interest and recuse themselves from being involved in any proceedings where they may have insight into a competitor's pricing or proprietary information. The committee members must also avoid any conduct which could be viewed as a conspiracy to fix prices or otherwise restrict competition.
- (2) Committee members shall be required to sign conflict of interest forms that disclose potential conflicts before serving on the committee, and affirmatively recuse themselves when a potential conflict arises. A conflict arises when a committee member has a financial stake in the outcome of a complaint or issue before the committee, or has an existing contract with a PBM, pharmacy, or insurer that is the subject of the committee's review. In addition, committee members shall be required to sign confidentiality commitments that acknowledge the statutory

prohibition of any disclosure of confidential information that is available to the committee.

(3) All committee nominations must be supported by a National Association of Insurance Commissioners biographical affidavit and background check.

(e) Meetings of the advisory committee shall be convened by the Commissioner upon ten (10) days prior written notice or waivers thereof. The Commissioner or Commissioner's designee may attend any or all meetings of the committee.

365:25-29.13. Claims payment

Payment of claims arising under the terms and conditions of any policy of a medical insurance health benefit plan is the obligation of the insurer that issues such policy. Failure to properly handle such claims is addressed by other provisions of Title 36.

365:25-29.14. Inquiry/complaint handling process

(a) Complaints alleging failure by the PBM to comply with the act, shall be made in writing to the Commissioner, supported by evidentiary materials. All complaints must include a completed "PBM Complaint Form" as promulgated by the Commissioner.

(b) All audits of PBMs by health insurers shall include a review of complaints against the PBM to determine compliance with the terms of the contract between the PBM and the complainant.

(c) PBMs must provide the complainant with a written notice as to the final disposition of the complaint.

(d) As part of its response to the Department in connection with every complaint, the PBM must provide a statement to the Department that the complaint was carefully reviewed and could not be resolved under the terms and conditions of the contract.

365:25-29.15. Examinations of PBMs and health insurers

(a) Pursuant to 36 O.S. § 6965, the Commissioner may examine PBMs for compliance with the 59 O.S §§ 357-360 and 36 O.S. §§ 6958-6968.

(b) Pursuant to 36 O.S. § 309.1 through 309.7, the Commissioner may examine health insurers for compliance with 36 O.S. §§ 6958-6968.

(c) Any examination permitted under 36 O.S. § 6965 will follow the examination procedures and requirements applicable to insurers under 36 O.S. §§ 309.1 through 309.7.

(d) The Commissioner shall not be required to regularly examine a PBM under the same time constraints, as required under 36 O.S. §§ 309.1 through 309.7, applicable to insurers, however, the Commissioner may examine the PBM, pursuant to 36 O.S. § 6965, at any time, in which he or she believes it reasonably necessary to ensure compliance with 59 O.S §§ 357-360 and 36 O.S. §§ 6958-6968 or provisions of this subchapter.

Name, Title, Address and Telephone Number of Individual to Whom Notices and Correspondence Concerning This Statement Should Be Addressed:

ITEM 1. Identity and control of registrant

Furnish the exact name of each insurer registering or being registered (hereinafter called "the Registrant"), the home office address and principal executive offices of each; the date on which each Registrant became part of the insurance holding company system; and the method(s) by which control of each Registrant was acquired and is maintained.

ITEM 2. Organizational chart

Furnish a chart or listing clearly presenting the identities of and interrelationships among all affiliated persons within the insurance holding company system. No affiliate need be shown if its total assets are equal to less than 1/2 of 1% of the total assets of the ultimate controlling person within the insurance holding company system unless it has assets valued at or exceeding \$250,000. The chart or listing should show the percentage of each class of voting securities of each affiliate which is owned, directly or indirectly, by another affiliate. If control of any person within the system is maintained other than by the ownership or control of voting securities, indicate the basis of such control. As to each person specified in such chart or listing indicate the type of organization (e.g., corporation, trust, partnership) and the state or other jurisdiction of domicile.

ITEM 3. The ultimate controlling person

As to the ultimate controlling person in the insurance holding company system furnish the following information:

- (a) Name.
- (b) Home office address.
- (c) Principal executive office address.
- (d) The organizational structure of the person, i.e., corporation, partnership, individual, trust, etc.
- (e) The principal business of the person.
- (f) The name and address of any person who holds or owns 10% or more of any class of voting security, the class of such security, the number of shares held of record or known to be beneficially owned, and the percentage of class so held or owned.
- (g) If court proceedings looking toward a reorganization or liquidation are pending, indicate the title and location of the court, the nature of proceedings and the date when commenced.

ITEM 4. Biographical information. Furnish the following information for the directors and executive officers of the ultimate controlling person: the individual's name and address, his principal occupation and all offices and positions held during the past five years, and any conviction of crimes other than minor traffic violations during the past ten years.

ITEM 5. Transactions, relationships and agreements

Briefly describe the following agreements in force, and transactions currently outstanding or which have occurred during the last calendar year between the Registrant and its affiliates:

- (a) loans, other investments, or purchases, sales or exchanges of securities of the affiliates by the Registrant or of the Registrant by its affiliates;
- (b) purchases, sales or exchanges of assets;
- (c) transactions not in the ordinary course of business;
- (d) guarantees or undertakings for the benefit of an affiliate which result in an actual contingent exposure of the Registrant's assets to liability, other than insurance contracts entered into in the ordinary course of the Registrant's business;
- (e) all management agreements, service contracts and all cost-sharing arrangements;
- (f) reinsurance agreements;
- (g) dividends and other distributions to shareholders;
- (h) consolidated tax allocation agreements; and
- (i) any pledge of the Registrant's stock and/or of the stock of any subsidiary or controlling affiliate, for a loan made to any member of the insurance holding company system.

No information need be disclosed if such information is not material for purposes of Section 1654 of the Act.

Sales, purchases, exchanges, loans or extensions of credit, investments or guarantees involving one-half of 1% or less of the Registrant's admitted assets as of the 31st day of December next preceding shall not be deemed material.

The description shall be in a manner as to permit the proper evaluation thereof by the Commissioner, and shall include at least the following: the nature and purpose of the transaction; the nature and amount of any payments or transfers of assets between the parties; the identity of all parties to such transaction; and the relationship of the affiliated parties to the Registrant.

ITEM 6. Litigation or administrative proceedings

A brief description of any litigation or administrative proceedings of the following types, either then pending or concluded within the preceding fiscal year, to which the ultimate controlling person or any of its directors or executive officers was a party or of which the property of any such person is or was the subject; give the names of the parties and the court or agency in which such litigation or proceeding is or was pending:

- (a) Criminal prosecutions or administrative proceedings by any government agency or authority which may be relevant to the trustworthiness of any party thereto; and
- (b) Proceedings which may have a material effect upon the solvency or capital structure of the ultimate holding company including, but not necessarily limited to, bankruptcy, receivership or other corporate reorganizations.

ITEM 7. Statement regarding plan or series of transactions

The insurer shall furnish a statement that transactions entered into since the filing of the prior year's annual registration statement are not part of a plan or series of like transactions, the purpose of which is to avoid statutory threshold amounts and the review that might otherwise occur.

ITEM 8. Financial statements and exhibits

- (a) Financial statements and exhibits should be attached to this statement as an appendix, but list under this item the financial statements and exhibits so attached.
- (b) The financial statements shall include the annual financial statements of the ultimate controlling person in the insurance holding company system as of the end of the person's latest fiscal year.

If at the time of the initial registration, the annual financial statements for the latest fiscal year are not available, annual statements for the previous fiscal year may be filed and similar financial information shall be filed for any subsequent period to the extent such information is available. Such financial statements may be prepared on either an individual basis, or unless the Commissioner otherwise requires, on a consolidated basis if such consolidated statements are prepared in the usual course of business.

Unless the Commissioner otherwise permits, the annual financial statements shall be accompanied by the certificate of an independent public accountant to the effect that such statements present fairly the financial position of the ultimate controlling person and the results of its operations for the year then ended, in conformity with generally accepted accounting principles or with requirements of insurance or other accounting principles prescribed or permitted under law. If the ultimate controlling person is an insurer which is actively engaged in the business of insurance, the annual financial statements need not be certified, provided they are based on the Annual Statement of such insurer filed with the insurance department of the

insurer's domiciliary State and are in accordance with requirements of insurance or other accounting principles prescribed or permitted under the law and regulations of such state.

- (c) Exhibits shall include copies of the latest annual reports to shareholders of the ultimate controlling person and proxy material used by the ultimate controlling person; and any additional documents or papers required by Form B or 365:25-7-23 and 365:25-7-25.

ITEM 9. Form C required

A Form C, Summary of Registration Statement, must be prepared and filed with this Form B.

ITEM 10. Signature and certification

Signature and certification required as follows:

APPENDIX D. FIDELITY BOND [REVOKED]

APPENDIX D. FIDELITY BOND [NEW]

Know All Men by These Presents: That we _____, of _____, Oklahoma, as Principal, and _____ a surety company duly authorized to do business in the State of Oklahoma, as Surety, are held and firmly bound unto the State of Oklahoma in the penal sum of \$ _____, lawful money of the United States, for the payment of which well and truly to be made we bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally, by these presents.

The condition of the above obligation is such that, whereas, the Principal has applied for a permit from the Insurance Commissioner of the State of Oklahoma, to enter into contracts and receive payments thereon for prepaid funeral services and/or merchandise, in accordance with the terms and provisions of Title 36 Oklahoma Statutes 1981, Section 6121 et seq., and the issuance of such permit is conditional upon the Principal filing a bond in the amount above set forth in the office of such Insurance Commissioner, said bond and the surety thereon to be subject to approval by said Insurance Commissioner.

Now, if the above bounden Principal shall faithfully perform any and all such contracts, and shall faithfully account for and promptly pay over to those entitled thereto and all amounts or sums of money due under the terms of any and all such contracts, according to law, then this obligation shall be void, otherwise to remain in full force and effect.

Provided, however, that the liability of the Surety hereunder may be terminated by giving thirty days written notice thereof, by registered mail, to the Principal and the Insurance Commissioner; and the Surety shall be discharged from all liability for any act or omission of the Principal occurring after the expiration of thirty days from the date of service of such notice.

This obligation shall be effective from noon on _____, (Month,Day,Year) to noon on the date of cancellation or termination of this bond, standard time, at the Principal address as to each of said dates.

In witness whereof, the said Principal and Surety above named have subscribed this bond at _____, Oklahoma, this ____ day of _____, 20 ____.

Name, Title, Address and Telephone Number of Individual to
Whom Notices and Correspondence Concerning This Statement
Should Be Addressed:

ITEM 1. Identity of parties to transaction

Furnish the following information for each of the parties to the
transaction:

(a) Name.

- (b) Home office address.
- (c) Principal executive office address.
- (d) The organizational structure, i.e. corporation, partnership, individual, trust, etc.
- (e) A description of the nature of the parties' business operations.
 - (f) Relationship, if any, of other parties to the transaction to the insurer filing the notice, including any ownership or debtor/creditor interest by any other parties to the transaction in the insurer seeking approval, or by the insurer filing the notice in the affiliated parties.
- (g) Where the transaction is with a non-affiliate, the name(s) of the affiliate(s) which will receive, in whole or in substantial part, the proceeds of the transaction.

ITEM 2. Description of the transaction

Furnish the following information for each transaction for which notice is being given:

- (a) A statement as to whether notice is being given under Section 1655(b) of the Act.
- (b) A statement of the nature of the transaction.
- (c) The proposed effective date of the transaction.

ITEM 3. Sales, purchases, exchanges, loans, extensions of credit, guarantees or investments

Furnish a brief description of the amount and source of funds, securities, property or other consideration for the sale, purchase, exchange, loan, extension of credit, guarantee, or investment, whether any provision exists for purchase by the insurer filing notice, by any party to the transaction, or by any affiliate of the insurer filing notice, a description of the terms of any securities being received, if any, and a description of any other agreements relating to the transaction such as contracts or agreements for services, consulting agreements and the like. If the transaction involves other than cash, furnish a description of the consideration, its cost and its fair market value, together with an explanation of the basis for evaluation.

If the transaction involves a loan, extension of credit or a guarantee, furnish a description of the maximum amount which the insurer will be obligated to make available under such loan, extension of credit or guarantee, the date on which the credit or guarantee will terminate, and any provisions for the accrual of or deferral of interest.

If the transaction involves an investment, guarantee or other arrangement, state the time period during which the investment, guarantee or other arrangement will remain in effect, together with any provisions for extensions or renewals of such investments,

guarantees or arrangements. Furnish a brief statement as to the effect of the transaction upon the insurer's surplus.

No notice need be given if the maximum amount which can at any time be outstanding or for which the insurer can be legally obligated under the loan, extension of credit or guarantee is less than, as of the 31st day of December next preceding:

- (a) in the case of non-life insurer's, the lesser of 3% of the insurer's admitted assets or 25% of surplus as regards policyholders or,
- (b) in the case of life insurers, 3% of the insurer's admitted assets.

ITEM 4. Loans or extensions of credit to a non-affiliate

If the transaction involves a loan or extension of credit to any person who is not an affiliate, furnish a brief description of the agreement or understanding whereby the proceeds of the proposed transaction, in whole or in substantial part, are to be used to make loans or extensions of credit to, to purchase the assets of, or to make investments in, any affiliate of the insurer making such loans or extensions of credit, and specify in what manner the proceeds are to be used to loan to, extend credit to, purchase assets of or make investments in any affiliate. Describe the amount and source of funds, securities, property or other consideration for the loan or extension of credit and, if the transaction is one involving consideration other than cash, a description of its cost and its fair market value together with an explanation of the basis for evaluation. Furnish a brief statement as to the effect of the transaction upon the insurer's surplus.

No notice need be given if the loan or extension of credit is one which equals less than, in the case of non-life insurer's, the lesser of 3% of the insurer's admitted assets or 25% of surplus as regards policyholders or, with respect to life insurers, 3% of the insurer's admitted assets, each as of the 31st day of December next preceding.

ITEM 5. Reinsurance

If the transaction is a reinsurance agreement or modification thereto, as described by Section 1655(b)(3)(ii) of the Act, furnish a description of the known and/or estimated amount of liability to be ceded and/or assumed in each calendar year, the period of time during which the agreement will be in effect, and a statement whether an agreement or understanding exists between the insurer and non-affiliate to the effect that any portion of the assets constituting the consideration for the agreement will be transferred to one or more of the insurer's affiliates. Furnish a brief description of the consideration involved in the transaction, and a brief statement as to the effect of the transaction upon the insurer's surplus.

No notice need be given for reinsurance agreements or modifications thereto if the reinsurance premium or a change in the insurer's liabilities in connection with the reinsurance agreement or modification thereto is less than 5% of the insurer's surplus as regards policyholders, as of the 31st day of December next preceding.

ITEM 6. Management agreements, service agreements and cost-sharing arrangements

For management and service agreements, furnish:

- (a) a brief description of the managerial responsibilities, or services to be performed.
- (b) a brief description of the agreement, including a statement of its duration, together with brief descriptions of the basis for compensation and the terms under which payment or compensation is to be made.

For cost-sharing arrangements, furnish:

- (a) a brief description of the purpose of the agreement.
- (b) a description of the period of time during which the agreement is to be in effect.
- (c) a brief description of each party's expenses or costs covered by the agreement.
- (d) a brief description of the accounting basis to be used in calculating each party's costs under the agreement.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 15, 2020:

SUBCHAPTER 15. WAIVER SELF-INSPECTIONS

380:55-15-2. Waiver requirements

(a) Waiver self-inspection requirements are as follows:

(1) Owners/Operators must retain, on each site, manufacturers' ride manuals with all bulletins and changes updated and Department of Labor approved ride inspection checklists. The ride manuals and ride inspection checklists shall be under control of the waiver inspector. Current copies of the ride inspection checklists shall be provided to the Department of Labor to be retained on file. Owners/Operators must also retain, on each site, a current copy of the Oklahoma Amusement Ride Safety Act.

(2) For homemade or out-of-production rides, the owner/operator shall develop an inspection checklist, to be approved by the Department of Labor. The inspection checklist shall be retained on site, under the control of the waiver inspector. Current copies of the ride inspection checklist shall be provided to the Department of Labor to be retained on file.

(3) After the initial Department of Labor inspection and waiver approval, the ride owner/operator shall cause the initial pre-opening inspections of all amusement rides at each site, including the generator(s), electrical systems, and general midway safety by the approved waiver inspector. The waiver inspector shall be responsible for inspecting all rides on the midway including booked in rides. Inspection documents shall be provided by the owner/operator. The waiver inspector shall also monitor that all rides are being operated in a safe manner on a daily basis. In the event of an unforeseeable emergency or illness, the approved waiver inspector may appoint a substitute waiver inspector who must be approved by the Commissioner of Labor or the Commissioner's designee prior to the inspection.

(4) The ride owner/operator shall cause the daily pre-opening inspection of each ride, by the operator. Inspection documents shall be maintained by the owner/operator.

(5) The waiver inspector shall review the operators' daily pre-opening inspection documents on a daily basis. The waiver inspector shall supervise the operators performing daily pre-opening inspections.

(6) Waiver inspection reports shall be maintained at each site and held for the remainder of the current operating season or calendar year. They shall then be maintained at winter quarters location for not less than 3 (three) years. The Department of Labor may request copies of waiver inspection reports at no charge.

(7) Waiver self-inspections shall not apply to the Oklahoma State Fair, the Tulsa State Fair, and any midway sites with over 25 (twenty-five) rides.

(8) The Department of Labor shall be informed of all show dates and locations within Oklahoma. The ride owner/operator must provide the Department with itinerary updates with new additions, cancellations, or other changes. The Department will also be provided a complete list of all rides owned/operated. The list will include ride name, manufacturer, serial number, and Oklahoma registration number, where possible.

(9) Waiver requests will be granted on an annual basis.

(10) Department of Labor inspectors may spot check rides and self-inspection documentation at any time, without prior notification.

(11) If the approved waiver inspector is not the actual ride/show owner, he must have on file with the Department of Labor a formal letter from the ride/show owner that said waiver inspector is empowered to order cessation of ride operation due to unsafe conditions (mechanical or operational) to include booked in rides.

- (12) Non-compliance with waiver requirements, or public safety violations found at the time of the spot checks may result in any or all of the following:
- (A) Shut down of the ride(s).
 - (B) Department of Labor inspection(s) at next set-up(s).
 - (C) Formal Department of Labor hearing regarding the cancellation of the waiver request for the remainder of the Oklahoma operating season or a period to be determined by the hearing officer.
 - (D) Issuance of an administrative penalty.
- (13) Only approved Department of Labor waiver inspectors may conduct waiver inspections. The Department shall maintain a list of persons who are approved to act as a waiver inspector. No other person may act as, or perform any part of, the waiver inspection.
- (b) In addition to the requirements contained in subsection (a), complex temporary amusement device waiver inspections must meet the following requirements:
- (1) All complex temporary amusement devices shall have the initial inspection completed by the Department of Labor prior to final waiver approval or operation. After the Oklahoma Department of Labor completes initial inspection, the Department will conduct one mid-season inspection and an annual safety compliance audit. The dates of state inspections are at the discretion of the Department of Labor. The designated waiver inspector for an owner/operator of complex temporary amusement devices shall be required to perform waiver self-inspections on rides that are included in the initial inspection conducted by Department of Labor.
 - (2) Owners may add new devices to their current waiver cycle only after they have submitted a revised ride list and have been inspected by the Department of Labor.
 - (3) Complex temporary amusement device waiver self-inspections are subject to NAARSO inspector certification requirements.
- (c) In addition to the requirements contained in subsection (a), non-complex temporary amusement device waiver inspections must meet the following requirements:
- (1) Non-complex temporary amusement devices shall have the initial inspection completed by the Department of Labor prior to final waiver approval or operation. After the Department of Labor completes the initial inspection, rides requiring less than one (1) man-hour setup time shall receive one Department of Labor mid-season inspection and a Department of Labor annual safety compliance audit.
 - (2) Owners may add new devices to their current waiver cycle only after they have submitted a revised ride list and have been inspected by the Department of Labor.
 - (3) Non-complex temporary amusement device self-inspections are exempt from NAARSO inspector certification requirements and may be inspected by the business owner designee who must maintain all inspection records and make said records available to the Department of Labor.

- (d) Inflatable amusement devices must meet the following requirements:

- (1) At the beginning of each year, and any time an owner or operator of inflatable amusement devices adds a new inflatable device for operation, the owner or operator shall provide an inventory to the Department of Labor and shall pay the registration fee for each inflatable. If the inflatable device is set up with temporary amusement devices or permanent amusement devices, the inspection schedule will coincide with the temporary and/or permanent amusement devices.
- (2) The Department of Labor shall inspect any and all inflatable devices at least annually. The Department of Labor may inspect any and all inflatable devices at any time upon complaint, or at the request of the owner/operator or the public, or if the Commissioner of Labor determines inspection is necessary for the safety of the public.
- (3) An inflatable amusement device is subject to all the other provisions regarding amusement devices included in these rules and the Oklahoma Statutes including requirements for maintaining liability insurance and reporting injuries.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 15, 2020:

SUBCHAPTER 1. GENERAL PROVISIONS

380:70-1-2. Definitions

The following words and terms, when used in this Chapter, shall have the following meaning, unless the context clearly indicates otherwise.

"Acceptance Test" means a test or a group of tests required by the applicable standard that are performed prior to a conveyance being placed into service or after an approved alteration.

"The Act" means the Oklahoma Elevator Safety Act, Title 59 of the Oklahoma Statutes, Sections 3020 et seq. and the Administrative Rules contained in this Chapter.

"Alteration" means any change, including major repair, made to an existing elevator, escalator, moving walkway or conveyance, its hoistway, enclosure, doors, and controls, other than the repair or replacement of damaged, worn, or broken parts necessary for normal operation. The changing of the speed governor shall be considered an alteration.

"Annually" means a period of twelve (12) calendar months.

"ANSI" means the American National Standards Institute, 1819 L Street NW, 6th Floor, Washington, D.C., 20036.

"ASME" means the American Society of Mechanical Engineers, 3 Park Avenue, New York, NY, 10016-5990.

"ASSE" means the American Society of Safety Engineers, 1800 E. Oakton St., Des Plaines, IL., 60018.

"AWS" means the American Welding Society, 550 N.W. LeJune Road, Miami, Florida 33126.

"Chief Elevator Inspector" means the Chief Elevator Inspector appointed under the Act.

"Commissioner" means the Commissioner of Labor or his/her authorized representative.

"Certificate of Operation" means a document issued by the Commissioner of Labor, affixed to an elevator or conveyance that indicates it has been inspected, tested and found to be in compliance for operation as required by the Act.

"Conveyance" means any elevator, escalator, moving walkway, wheelchair lift or other such device subject to the provisions of the Act.

"Department" means the Oklahoma Department of Labor, 3017 N. Stiles, Suite 100, Oklahoma City, OK 73105.

"Deputy Inspector" means an inspector appointed by the Chief Elevator Inspector subject to the approval of the Commissioner under the provisions of the Act.

"Elevator" means any device for lifting or moving people, cargo, or freight within, or adjacent and connected to, a structure or excavation, and includes any escalator, power driven stairway, moving walkway or stairway chair lift. It does not mean any of the following:

(A) Amusement ride or device subject to inspection and regulation under the provisions of Section 460 et seq. of Title 40 of the Oklahoma Statutes;

(B) Mining equipment subject to inspection and regulation by the Department of Mines;

(C) Aircraft, railroad car, boat, barge, ship, truck, or other self-propelled vehicle or component thereof;

(D) Any boiler grate stoker or other similar firing mechanism subject to inspection under the provisions of the Oklahoma Boiler and Pressure Vessel Safety Act; or

(E) A dumbwaiter, conveyor, chain or bucket hoist, construction hoist or similar devices used for the primary purpose of elevating or lowering materials. This list is not exhaustive.

"Elevator Apprentice" means an unlicensed person registered with the Department of Labor who works under the direct supervision of a licensed elevator mechanic, licensed elevator contractor, or licensed elevator inspector.

"Existing Installation" means any elevator, escalator, moving walkway or other conveyance subject to the provisions of this Act in operation before the effective date of this Act.

"Expedited Inspection" means an inspection performed by the Commissioner, Chief Elevator Inspector, or Deputy Inspector that is to be performed during the same calendar month as it is requested.

"Freight Elevator" means an elevator used for carrying freight and on which only the operator and the person(s) necessary for loading and unloading are permitted to ride.

"Installation Permit" means a document issued by the Commissioner to a licensed elevator contractor upon receipt of an application to install or construct an elevator or conveyance which indicates Department approval of the proposed installation or construction project.

"ICC" means the International Code Council, 5360 Workman Mill Road, Whittier, California, 90601-2298.

"Maintenance" means a process of routine examination, lubrication, cleaning, and adjustment of parts, components, and/or subsystems for the purpose of ensuring performance in accordance with the applicable Code requirements.

"May" means that an action or requirement is optional and non-mandatory.

"Mobility Restricted" means a person or persons unable to move freely without the aid of mechanical assistance such as walkers, wheelchairs, crutches or canes, and/or an inability to

move freely because of a physical or mental disability, handicap or restriction.

"New Installation/New Construction" means a completely new elevator or conveyance installation or construction occurring on or after the effective date of this Act.

"NFPA" means The National Fire Protection Association, Inc., One Batterymarch Park, Quincy, Massachusetts, 02169-7471.

"Night Time Inspection" means any inspection that does not occur during "reasonable hours."

"Occurrence" means any event involving an elevator, escalator, moving walkway, wheel chair lift or other conveyance subject to the provisions of this Act, that the operation of which has caused personal injury or property damage.

"Owner-Occupied Private Residence" means a separate dwelling, or a separate apartment in a multiple dwelling/complex, which is occupied by the legal owner and/or his/her family.

"Periodic Test" means a group of tests performed at common time intervals required by the authority having jurisdiction.

"Personnel Hoist" means a mechanism and its hoistway for use in connection with the construction, alteration, ongoing maintenance or demolition of a building, structure or other work. It is used for hoisting and lowering workers or materials or both, and is equipped with a car that moves vertically on guide members

"Professional Engineer" means a mechanical engineer registered as such in one or more states, or the equivalent certification registration if from another country.

"Reasonable Hours" means that period of time beginning one hour prior to normal advertised business hours and ending one hour after normal advertised business hours. For facilities normally open twenty-four (24) hours, reasonable hours shall be that period of time beginning at 7:00 a.m. and ending at 6:00 p.m.

"Red Tag" means a document issued by a licensed elevator inspector and attached to an elevator or conveyance declaring that any further operation of the elevator or conveyance shall constitute a violation of the Oklahoma Elevator Safety Act.

"Repair" means reconditioning or renewal of parts, components, and/or subsystems, not constituting an alteration, necessary to keep equipment in compliance with applicable Code requirements and for which a permit is not required.

"Responsible Party" means that person(s) so named and designated on an elevator contractors license required to have met and maintain training credentials and knowledge necessary to satisfy the requirements of the Act.

"Shall" means that an action or requirement as stated in this Chapter is mandatory.

"Special Inspector" means an inspector, licensed by the Department, who is regularly employed by an insurance company providing liability insurance on an elevator, escalator, moving walkway, chairlift or conveyance subject to the provisions of the Act.

"State Special" means the designation applied to an elevator or conveyance subject to the provisions of this Act that

is of special or unique construction and cannot be constructed, installed and/or operated in accordance with the applicable ASME Code and the provisions of this Act.

"Temporarily Dormant" means an elevator or conveyance whose power supply has been disconnected by removing fuses and placing a padlock on the mainline disconnect switch in the "OFF" position.

"Temporary Certificate of Operation" means a document issued by a licensed elevator inspector granting the temporary continued operation of a non-compliant elevator or conveyance for a period not to exceed sixty (60) days so that repairs can be performed; or to a licensed elevator contractor for the temporary continued operation of an elevator, transport platform, or personnel hoist for a specified period of time not to exceed the length of the applicable construction project.

"Transport platform" means an elevator consisting of a platform that is elevated by a mechanical drive system and guided by and moving along its supporting masts, where the mast requires lateral restraint from separate supporting structures, that is primarily used to vertically transport authorized persons, along with materials and necessary tools, to various access levels on a building or structure for construction, renovation, maintenance, or other types of work.

"Triennially" means a period of thirty-six (36) calendar months.

SUBCHAPTER 3. ADMINISTRATION

380:70-3-4. National standards, adoption and availability

(a) The following American National Standards are hereby adopted:

- (1) Safety Code for Elevators and Escalators, ASME A17.1, latest edition and most current addenda.
- (2) Safety Code for Existing Elevators and Escalators, ASME A17.3, latest edition and most current addenda.
- (3) Safety Standard for Platform Lifts and Stairway Chairlifts, ASME A18.1, latest edition and most current addenda.
- (4) Safety Standard for Belt Manlifts, ASME A90.1, latest edition and most current addenda.
- (5) Safety Requirements for Personnel Hoists and Employee Elevators, ASSE A10.4, latest edition.
- (6) The National Electrical Code, NFPA 70, latest edition.
- (7) The International Building Code, latest edition.
- (8) American National Standard for Transport Platforms, ANSI/SIA A92.10-2009.

(b) Standards referenced in this chapter are available for public viewing in the office of the Chief Elevator Inspector and may be purchased from the American Society of Mechanical Engineers, the National Fire Protection Association, the American Society of Safety Engineers, and the International Code Council.

(c) Compliance with the provisions of the Elevator Safety Act does not relieve an owner, operator, or licensed Elevator Contractor from the requirement to comply with Codes and

Permanent Final Adoptions

Standards as may be adopted and enforced by the Construction Industries Board and the Office of the State Fire Marshal, or other such state or jurisdictional agency as may be required.

(d) Where there is a conflict between the adopted standard and this Chapter, the requirements of this Chapter shall take precedence.

380:70-3-9. Temporary Certificates of Operation

(a) Temporary Certificates of Operation may be issued for established elevators or conveyances after the required inspection to renew a Certificate of Operation subject to the following conditions:

(1) When a routine inspection is performed and the inspector finds that the elevator or conveyance does not comply with the provisions of the Act, the inspector will explain what the violations are, what repairs are required, and shall also document them on an inspection report and/or checkoff list. Upon agreement of a reinspection date between the inspector and the owner or lessee of not more than 60 days, the inspector may issue a Temporary Certificate of Operation for the elevator or conveyance.

(2) Elevators or conveyances granted a Temporary Certificate of Operation shall be re-inspected prior to the expiration date of the Temporary Certificate of Operation. If any of the conditions that caused the issuance of a Temporary Certificate of Operation are found to have not been corrected, no further Certificates shall be issued and the Chief Elevator Inspector shall be consulted about future operations of the unit including but not limited to extensions of time, restricted operations or up to being Red Tagged.

(3) The issuance of a Temporary Certificate of Operation shall be reported to the Department by the inspector within 24 hours or the first working day after its issuance.

(b) Temporary Certificates of Operation may be issued for new elevators or conveyances at the request of a licensed elevator contractor for elevators or conveyances and personnel hoists in accordance with the following requirements:

(1) **Issuance for Elevators.** The Chief Elevator Inspector or a Special or Certificate Inspector may allow the temporary use of any elevator for passenger or freight service, not for use by the general public, during its new installation or alteration under the authority of a Temporary Certificate of Operation, issued for each class of service. Such limited certificates shall not be issued for elevators until the elevator has been tested, electric elevators with a capacity of 125% load test of the brake holding and stopping, and rated load test of the car safeties, hydraulic elevators test with the rated load, working and relief pressure, hoistway door interlocks, car door switch, and terminal stopping devices have been tested to determine the safety of the equipment for the specified construction purposes. These test reports shall be kept on site for the inspector to review.

(2) **Issuance for Personnel Hoists and Transport Platforms.** The Chief Elevator Inspector may allow the temporary use of any personnel hoist or transport platform under the authority of a Temporary Certificate of

Operation. Such limited certificate shall not be issued until the personnel hoist or transport platform has been tested with a rated load, and the car safety, hoistway door interlocks, car door switch, and terminal stopping devices, as applicable, have been tested to determine the safety of the equipment.

(3) **Expiration.** Temporary Certificates of Operation issued in accordance with Subsections (b)(1) and (b)(2) shall expire pursuant to the following:

(A) Temporary Certificates of Operation for new elevators or conveyances may be issued for a period not to exceed ninety (90) days.

(B) Temporary Certificates of Operation for personnel hoists and transport platforms may be issued for a period not to exceed ninety (90) days.

(C) Such certificates may be renewed at the discretion of the Chief Elevator Inspector upon receiving a written request showing justifiable cause for renewal.

(c) In addition to any other fee provided for in the Act, a fee for the issuance of a Temporary Certificate of Operation shall be assessed and paid to the Department.

SUBCHAPTER 5. LICENSES

380:70-5-1. Elevator Contractor's License: Issuance, denial and renewal

(a) Upon the effective date of this Chapter, no elevator or conveyance subject to the provisions of this Act shall be installed in this state by any sole proprietor, firm or corporation not having first been issued at the time of the construction or installation a valid elevator contractor's license, issued by the Department of Labor. There shall be a six (6) month grace period from the date of enactment of this Chapter to allow new and existing elevator contractors an opportunity to comply with the provisions of this section.

(b) Any sole proprietor, firm or corporation wishing to engage in the business of installation, alteration, service, repair, replacement or maintenance of elevators, escalators, moving walkways, wheelchair lifts, or other such conveyances within the state of Oklahoma shall make application for an elevator contractor's license to the Oklahoma Department of Labor.

(c) No license shall be granted to any sole proprietor, firm or corporation that has not demonstrated the requisite qualifications and abilities. Duly authorized applicants for an elevator contractor's license must have in their employ licensed elevator mechanic(s) who perform the work described herein.

(d) Application for elevator contractor's license shall be on forms provided by the Department and shall contain, as a minimum, the following information:

(1) If a person or sole proprietor, the name, residence and business address of the applicant;

(2) If a partnership, the name, residence and business address of each partner;

(3) If a domestic corporation, the name and business address of the corporation and the name and residence address of the principal officer of said corporation;

- (4) If a corporation other than a domestic corporation, the name and address of the local agent located in the State of Oklahoma who shall be authorized to accept service of process and/or official notices;
- (5) The approximate number of licensed elevator mechanics expected to be employed by the elevator contractor applicant, and if applicable, satisfactory evidence that the employees are or will be covered by workers' compensation insurance;
- (6) Verification of liability insurance as required by the Chapter;
- (7) Such other information as the Chief Elevator Inspector may require;
- (8) Designation of at least one but not more than two responsible parties to be named on the license. Such responsible parties shall have and maintain the training credentials required for a valid contractor's license. Documentation of satisfactory completion of the required training and all subsequent refresher training shall accompany the application;
- (A) In the absence of such responsible party in the employ of the contractor, the contractor shall not be allowed to perform elevator or conveyance installation, service, repair, alteration, testing or maintenance work in the State of Oklahoma.
- (B) Responsible party(ies) may be changed or added to the license at any time by providing written notice to the Department of such change.
- (9) Written notice of change shall be provided to the Department when any item on the application changes.
- (10) A limited contractor license may be issued to those facilities that have a maintenance program for elevators and/or conveyances using mechanics trained in elevator and/or conveyance maintenance and employed by that facility. The limited contractor license shall not apply to installation, major repair or alterations as required by the applicable ASME code.
- (A) The limited contractor shall be required to submit an application for approval listing qualifications, scope of work to be performed under the license, and any additional information deemed necessary by the Chief Elevator Inspector.
- (B) Mechanics working under a limited contractor license shall be required to make application to the Department and provide evidence to the Commissioner or Chief Elevator Inspector they are qualified to perform the work under the limited contractor scope of work.
- (C) All other requirements of the Elevator Safety Act shall apply.
- (11) Whether the scope of work to be performed by the applicant shall be limited to or shall include the installation, operation, alteration, service, repair, replacement, or maintenance of transport platforms.
- (e) Upon approval of an application and receipt of fees as provided for by the Act, the Commissioner may issue the elevator contractor's license- which may authorize or be limited to authorizing the installation, operation, alteration, service, repair, replacement, or maintenance of transport platforms, if appropriate.
- (f) Upon receipt of fees as established in the Act, and such additional documentation as may be required by the Commissioner, a license may be issued to a sole proprietor, firm or corporation holding a valid license from a state or jurisdiction having standards substantially equal to those contained in this Act.
- (g) The Department may deny approval or renewal of an elevator contractor's license for cause. The Department shall mail written notice to the applicant of the denial, the reason for the denial, and a statement that the applicant may appeal to the Commissioner provided their written request is received by the Department within fifteen (15) days of the date of the denial notice.
- (h) Elevator Contractor's licenses not renewed on or before the expiration date shall become invalid.
- (i) Elevator Contractor's licenses not renewed prior to the expiration date shall be subject to late fee and renewal fees as provided for in the Act.
- (j) Elevator contractors may have in their employ elevator inspectors licensed in accordance with the provisions of this Chapter for the purpose of witnessing and certifying conveyance tests as required by the Act, this Chapter and the applicable ASME Code(s).
- 380:70-5-2. Elevator Mechanic's License: Issuance, denial, and renewal**
- (a) Upon the effective date of this Chapter, no person shall work as an elevator mechanic to install, service, repair, alter, remodel or maintain any elevator or conveyance subject to the provisions of this Act and this Chapter without having first been issued a valid elevator mechanic's license by the Department. There shall be a six (6) month grace period after the effective date of this Chapter to allow new and existing elevator mechanics to comply with the requirements of this Section.
- (b) No license shall be granted to any person who has not sufficiently demonstrated their qualifications and abilities. Applicants for an elevator mechanic's license must demonstrate the following qualifications:
- (1) An acceptable combination of documented experience and education credits: Not less than three (3) years work experience in the elevator industry, in construction, maintenance and service/repair, as verified by current and previous employers licensed to do business in this state or other such jurisdiction having an elevator program substantially equal to this Act; Satisfactory completion of a written examination administered by the Chief Elevator Inspector on the most recent referenced codes, standards, and this Act;
- (2) Any person who furnishes the Commissioner with acceptable and verified proof that they have previously worked in elevator construction, maintenance, or repair may, upon making application for an elevator mechanic's license and paying the license fee, be entitled to receive a license without an examination. They shall have worked without direct or immediate supervision for an elevator contractor licensed to do business in this state or other

jurisdiction having a program substantially equal to this Act. This employment shall not be less than three (3) years immediately prior to the effective date of this Act;

(3) Provide certificates of completion demonstrating successful passage of a mechanic's examination of a nationally recognized training program for the elevator industry such as the National Elevator Industry Education Program or its equivalent; or

(4) Provide certificates of completion of an apprenticeship program for elevator mechanic's registered with the Bureau of Apprenticeship and Training, of the U.S. Department of Labor or a state apprenticeship council;

(5) A license may be issued to an individual holding a valid elevator mechanic's license from a state having standards substantially equal to those of this Act, upon application and payment of such fees as provided for in this Act, without examination.

(6) An elevator mechanic's license may be issued to an individual demonstrating, in the judgment of the Chief Elevator Inspector, sufficient training and experience in the erection, maintenance, and operation of transport platforms. The elevator mechanic's license issued pursuant to this paragraph shall not authorize an individual to install, service, repair, alter, remodel, or maintain any elevator or conveyance other than a transport platform.

(c) Applications for an elevator mechanic's license shall be on forms provided by the Department.

(d) Elevator mechanic's licenses shall be valid for a period of one (1) year and expire on the last day of the month of initial issuance. The Department shall notify holders of valid elevator mechanic's licenses not less than sixty (60) days prior to the expiration date of the license that it must be renewed within the next sixty (60) days. Elevator mechanic's licenses not renewed on or before the expiration date shall become invalid.

(e) Elevator mechanic's licenses not renewed on or before the expiration date shall be subject to late fee and renewal fees as provided for in the Act.

(f) Elevator mechanic's licenses once issued become the property of the licensee and must be carried on his/her person at all times when working on elevators or conveyances and made available upon request by the Commissioner, Chief or Deputy Elevator Inspector, or any Special Inspector.

(g) The Department may deny approval or renewal of an elevator mechanic's license for cause. The Department shall mail written notice to the applicant of the denial, the reason for the denial, and a statement that the applicant may be afforded the opportunity for a hearing pursuant to the provisions of the Administrative Procedures Act, provided their written request is received by the Department within fifteen (15) days of the date of the denial notice

(h) Whenever an emergency exists in this state due to disaster, act of God or work stoppage and the number of persons in the state holding licenses granted by the Commissioner is insufficient to cope with the emergency, temporary elevator mechanic's licenses may be issued. A licensed elevator contractor shall notify the Chief Elevator Inspector when there are no licensed personnel available to perform elevator or conveyance work. The licensed elevator contractor may request

that the Chief Elevator Inspector issue temporary elevator mechanic's licenses to persons certified by the licensed elevator contractor to have an acceptable combination of documented experience and education to perform elevator work without direct or immediate supervision. Any person certified by a licensed elevator contractor to have an acceptable combination of documented experience and education to perform elevator work without direct or immediate supervision shall immediately seek a temporary elevator mechanic's license from the Chief Elevator Inspector and shall pay such fees as provided for in this Act. Each such license shall recite that it is only valid for a period of thirty (30) days from the date of issuance and while employed by a licensed elevator contractor that certified the individual as qualified. It shall be renewable as long as the shortage of license holders shall continue, as determined by the Chief Elevator Inspector.

The adopted rule amendments provide that an applicant for a temporary fire sprinkler trainee license may work for a licensed fire sprinkler company on unoccupied commercial new-construction projects while the applicant's application is being processed by the Department of Labor, for up to (30) thirty days, provided the applicant has first undergone a national criminal history records search by a third party and the applicant meets the applicable background requirements. The applicant, prior to licensure, shall not be authorized to perform work or otherwise be present at any job site located at or

immediately adjacent to a school, church, long-term care facility, or hospital. The adopted amendments also provide that a licensed fire sprinkler company may display an identifying sign on job sites rather than on company vehicles on job sites. The adopted rule amendments also separate the burglar alarm sales license from the fire alarm sales license, so that a burglar alarm salesperson will no longer need to be licensed as a residential fire alarm salesperson as well. The adopted rule amendments also modify the fire alarm inspection green tag to include information regarding deficiency repairs.

(b) **License period.**

- (1) All individual licenses shall expire annually on the last day of the licensee's birth month. Each such license shall be prorated in accordance with the licensing

procedures adopted by the Department. All company licenses shall expire annually on the last day of the month the license was initially issued. A manager may choose to renew the company license in the same month as the manager license. An expired license may be renewed by paying the renewal fee no later than thirty (30) days after the license's expiration date. An expired license may be renewed later than thirty (30) days after the license's expiration date by paying double the renewal fee. Any individual license renewal shall require the licensee to be listed as an employee of a licensed company on the companies' renewal form or in a separate letter from the company which has been signed by the licensed manager of record. If an individual licensee cannot supply to the Department the required employment information, the licensee may request the Department to designate his or her license as inactive. The inactive designation of the license shall remain until the employment information is provided to the Department. The requirement of employment by an employer specifically licensed as a company under this Section shall not apply for individual licensees employed by a general services provider engaged by the Department of Defense for broad, general DOD facility services which would include fire sprinkler, locksmith, alarm, access control, nurse call or locksmith services.

(2) Initial applications for managers, technicians, salespersons, plan and design and trainees shall be submitted to the Department. Each applicant shall comply with the licensing procedures adopted by the Department. This registration shall be contingent on a security background investigation. Each license applicant shall provide either:

(A) An application and a current criminal history record check dated within thirty (30) days of application from the Oklahoma State Bureau of Investigation. If the applicant has resided in any other state within the past ten (10) years, a current criminal history record check from each state of previous residence will be required. In addition, the applicant shall submit two (2) classifiable sets of fingerprints. The Commissioner may allow for the option of electronic submission of the applicant's fingerprints under licensing procedures adopted by the Department. The applicant shall be photographed by the Department of Labor or an entity approved by the Department in accordance with the licensing procedures adopted by the Department. (This provides for temporary licensure for trainees only.); or

(B) An application and two (2) classifiable sets of fingerprints. The Commissioner may allow for the option of electronic submission of the applicant's fingerprints under licensing procedures adopted by the Department. The applicant shall be photographed by the Department of Labor or an entity approved by the Department in accordance with the licensing procedures adopted by the Department. (This does not provide for temporary licensure.)

(3) A license which has been expired for more than two (2) years shall not be renewed. An individual may obtain

Permanent Final Adoptions

a valid license by successful completion of the appropriate examination and/or certification and other licensure requirements.

(4) A temporary trainee license will be issued to an individual who has provided the documents required in 380:75-3-2(b)(2)(A). The temporary license will be valid for a period not to exceed (90) ninety days. An individual may be issued a second temporary license for good cause shown as determined by the Department. An applicant for a temporary fire sprinkler trainee license may work for a licensed fire sprinkler company on unoccupied commercial new-construction projects only, upon application for licensure while the applicant's application is being processed by the Department of Labor, for up to (30) thirty days, subject to the requirements of 380:75-3-6(a)(4), and provided the applicant has first undergone a national criminal history records search by a third party commercial provider of national criminal history records search services and the applicant meets the requirements of 59 O.S. § 1800.7 and 59 O.S. § 1800.13. The applicant, prior to licensure, shall not be authorized to perform work or otherwise be present at any job site located at or immediately adjacent to a school, church, long-term care facility, or hospital.

(c) **Examination and re-examination.** Any applicant failing to pass the appropriate examination shall be required to retake the same category examination after payment of a retest fee. Any person who fails to appear for a scheduled examination shall forfeit his/her examination fee.

(d) **Company license display.** While actively engaged in any activity regulated by this Chapter, the state issued company license number, or a statement referring to a website or toll free phone number to obtain licensing information shall be placed on all advertising and marketing materials including but not limited to, letterhead stationery, business cards, invoices, statements, contracts, bids, estimates, printed advertisements, electronic media advertisements, decals and yard signs. The license number shall be prominently displayed on any publicly accessible website, either on the home page or on every page advertising a product or service regulated by this Chapter. The state issued license number shall be displayed in numerals of two (2) inches or more in height and shall be located on all vehicles that display the company name while actively engaged in any activity regulated by this Chapter. The license number shall be placed on every side of the vehicle which displays the company name. Display shall be in letters and numerals of two (2) inches or more in height. The required license number and company name shall be displayed in either a temporary or permanent manner on at least one company vehicle at any job site unless exempted by a specific written request of the customer, except that a licensed fire sprinkler company may prominently display a durable sign, at least 2'x2' in size, bearing the company name and license number in letters and numerals of two (2) inches or more in height, at the main location of vehicle ingress to a commercial job site in lieu of having a vehicle bearing the company name and license number present at the job site while work is being performed.

(e) **Personal license display.** Each manager, technician, technician trainee, or salesperson, shall possess the state issued card any time the person is working in such capacity. The individual license shall be presented to any authorized representative of the Department of Labor or other authorities having jurisdiction. In addition the individual shall have a valid, state-issued photo I.D. in their possession while engaged in the licensed activity.

(f) **Personal license information.**

(1) Each individual license holder shall notify the Department of Labor, on a form specified and provided by the Department, within fourteen (14) days of the following:

- (A) Any change in the home address.
- (B) Any separation from an employer or change in employer.
- (C) Any conviction for a felony or entry of a plea of guilty or nolo contendere to a felony charge.

(2) No individual licensed under this Chapter shall contract for his/her services as an independent contractor without applying for and being issued a company and manager license under this Chapter. No company shall contract for the independent services of a holder of an individual license under this Section.

380:75-3-3. Burglar alarm license requirements

Licensing requirements for the burglar alarm industry are as follows:

(1) **Company.**

(A) Each burglar alarm company shall employ an Oklahoma licensed burglar alarm manager who is responsible for the operations of the company's office. A burglar alarm company shall notify the Department within fourteen (14) days in event of the death of the burglar alarm company manager or the manager's separation from the company for any other reason, and the company shall designate another licensed burglar alarm manager within (30) thirty days from separation.

(B) A licensed burglar alarm technician or manager shall be on site for any work being performed.

(C) A burglar alarm company may operate multiple activity offices provided each office has the same name and ownership of the parent company and shall operate in compliance with 380:75-3-3(1)(A). The company will notify the Department of the physical address and telephone number for each office in accordance with 59 O.S. Section 1800.10.

(D) Each alarm company engaged in alarm business that sells a burglar alarm system to a consumer upon request from the consumer shall within forty-eight (48) hours return the lockout, installer, or programming code of the system to the factory default setting when the consumer cancels the contract on customer-owned equipment. If a system is installed without a written contract with the consumer, the system shall have the lockout code, installer or programming code set at default.

(E) A company shall maintain and provide the customer with the following information prior to any agreement for service becoming effective. Any early termination clause applicable to military personnel, or the lack of such a clause, shall be fully disclosed in writing and shall be separately acknowledged by the customer. All monitoring and/or lease contracts shall include, as a minimum, the following information: the initial term of the agreement, the renewal term of the agreement, the terms for notification of cancellation of the agreement as well as the costs involved of all the terms of the agreement, the company name and the state issued license number, the sales representative's name and state issued license number, and the address where service will be provided. The minimum contract information described above shall be disclosed in one of the following ways:

- (i) Printed on the front or face of the written contract in not less than twelve (12) point bold type and at least two (2) points larger than the rest of type size of the remaining text in the written contract;
 - (ii) On a separate disclosure form appended to the written contract and dated, and signed by the customer and the licensed alarm company representative who made the sale; or
 - (iii) Electronically in a format and language that is understandable to the average consumer using bold type which is at least two (2) points larger than the type size of the remaining text in the contract.
- (2) **Manager.**
- (A) Each application for licensure as a manager shall include verification of four (4) years of experience in the burglar alarm business. The experience shall include two (2) years verified/or licensed experience as a burglar alarm technician or other related experience approved by the Committee.
- (B) Each burglar alarm manager applicant must pass an examination prescribed by the Commissioner.
- (C) Each licensed burglar alarm company manager shall be responsible for all activities conducted within the State of Oklahoma by the office where they are listed as manager.
- (D) Each licensed burglar alarm company manager shall have a security background verification.
- (E) Each licensed burglar alarm company manager shall also be licensed as a residential fire alarm manager.
- (3) **Technician.**
- (A) Each technician shall work for a licensed burglar alarm company and under the supervision of a burglar alarm company manager.
- (B) Each burglar alarm technician applicant must pass an examination prescribed by the Commissioner.
- (C) Each technician shall have a security background verification.

(D) Each licensed burglar alarm technician shall also be licensed as a residential fire alarm technician.

(E) An individual that holds a technician license in this category can engage in any licensed category as a trainee pursuant to this Chapter.

(4) **Technician/Salesperson Trainee.**

(A) A technician/salesperson trainee shall be employed by a licensed Oklahoma burglar alarm company.

(B) A technician/salesperson trainee shall work under the direct supervision of a licensed burglar alarm company manager, burglar alarm technician or a burglar alarm salesperson.

(C) There shall be no more than three (3) technician/salesperson trainees per burglar alarm company manager, burglar alarm technician or burglar alarm salesperson per job site or project.

(D) Each technician/salesperson trainee shall have security background verification.

(E) Each licensed burglar alarm trainee shall also be licensed as a residential fire alarm trainee.

(F) An individual that holds a trainee license can engage in any licensed category pursuant to this Chapter while under the direct supervision of an individual holding the appropriate license in the category of activity being performed.

(G) An individual who holds a trainee license can engage in the rough-in cabling or wiring under the direct supervision of a licensed company holding the appropriate license category.

(H) A technician trainee must submit a trainee application to the Department of Labor within fifteen (15) business days of being hired by a burglar alarm company.

(5) **Salesperson.**

(A) Each salesperson shall work for a licensed burglar alarm company and under the supervision of a burglar alarm company manager.

(B) Each salesperson shall have a security background verification.

~~(C) Each licensed burglar alarm salesperson shall also be licensed as a residential fire alarm salesperson.~~

- (~~41~~12) Certified Reserve Peace Officers and applicants;
(~~42~~13) Bail Enforcement training schools and applicants;
(~~43~~14) Bail Enforcement training instructors and applicants;
(~~44~~15) Bail Enforcement persons and applicants; and
(~~45~~16) Any other parties for which CLEET has statutory authority.
- (b) **Type of sanctions.** CLEET may take the following actions against the parties mentioned in (a) of this section:
- (1) Oral Reprimand
 - (2) Written Reprimand
 - (3) Denial
 - (4) Suspensions
 - (5) Revocation and/or
 - (6) Disciplinary penalty or fine.
- (c) **Disciplinary procedures.** In the event CLEET, or its designated agent, has determined that an action will be taken, the following procedures shall apply in accordance with the Administrative Procedures Act, Section-250, et. seq. Title 75 of the Oklahoma Statutes.
- (1) The issuance or denial of a new license or new certification is not an individual proceeding, and is not subject to review by the administrative hearing process set forth below.
 - (2) CLEET or its designated agent shall serve by certified mail, return receipt requested, or by personal delivery by an individual authorized by CLEET, a "Notice of Council Action" containing information required by 75 O.S. Section 309 et. seq., to the party at his last known residential address as reflected by the records of CLEET or current employing department or agency address if the personal address is unknown. If said letter is returned and notation of U.S. Postal Service indicates "unclaimed," "moved," "refused" or any non-delivery markings and the Council's records indicate no change of address as required by rule 390:35-5-13, and 70 O.S., §3311 the notice and any subsequent order shall be deemed served. Any order issued shall be deemed valid as if said individual or agency had been served.
 - (3) The notice shall provide that CLEET action shall commence and become effective fifteen (15) days after receipt of said notice by the party, unless the party timely files a written request for a hearing with CLEET except as follows:
 - (A) When CLEET determines that an allegation warrants immediate action, the commencement and effective date of fifteen (15) days will be waived and the action will be effective upon receipt of said notice.
 - (B) A request for hearing will be timely filed if said request is in writing and received by CLEET, its Director, or designated agent within ten (10) days of the date the party received notice.
 - (C) If a timely written request for a hearing is not received by CLEET, the allegations shall be deemed confessed by the party and the action will become final.

- (D) If the written request for hearings is timely received by CLEET, such hearings shall be scheduled within sixty (60) days from the date said request is received to be heard at the date to be determined.
- (4) The timely filing of a written request for a hearing will stay CLEET's action pending disposition of the hearing, unless the notice and allegations fall within (3)(A) of this subsection.
 - (5) The hearings will be held at a location designated by the Council.
 - (6) The hearing officer will be designated by CLEET or the Director thereof, and each party shall be afforded an opportunity to be heard and present evidence.
 - (7) The hearing will be electronically recorded and the tapes of said hearing will be preserved until all avenues of appeal have expired or been exhausted. If a party desires a court reporter, or certified stenographer, it shall be the party's burden to provide and bear the cost of said services and subsequent transcription.
 - (8) If a party fails to appear at the scheduled hearings without prior notification or good cause, the hearing officer shall default the party, and enter an order sustaining the allegations set forth in the notice and imposing the sanctions set forth therein; or if the State sustains its burden, the hearing examiner shall rule accordingly.
 - (9) If the complaining party fails to show or the state otherwise fails to prove the allegations by clear and convincing evidence, the action against the party shall be dismissed without sanctions.
 - (10) The designated hearing officer shall render a decision based upon the law and the evidence presented at the hearing.
 - (11) Each party shall be notified, in written order form, of the findings of fact and conclusions of law relating to the action.
 - (12) A party may appeal the hearing officer's decision as set forth in 75 O.S. Section 250 et. seq. of the Administrative Procedures Act.

Amendments to 390:10-1-7. Withdrawal, voluntary withdraw, suspension, revocation and reinstatement of certification

(a) Adding verbiage to definition of "Withdrawal".

(b) Adding Voluntary surrender.

(c) Suspension, added and CLEET rules.

(d) Added Revocation.

(e) Amended verbiage in Reinstatement and added (4) Time for reinstatement applications.

CONTACT PERSON:

Shelly Lowrance, Council on Law Enforcement Education and Training, 2401 Egypt Road, Ada, Oklahoma 74820-0669, shelly.lowrance@cleet.state.ok.us or 405-239-5152.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2020:

390:10-1-7. Withdrawal, voluntary withdraw, suspension, revocation and reinstatement of certification

(a) **"Withdrawal" defined.** A withdrawal of certification is the voluntary surrender of peace officer certification by an officer that has been certified pursuant to the provisions of 70 O.S. 3311 et seq and who is the subject of an investigation into, or a pending or concluded proceeding involving, allegations of violation of any of the provisions of 70 O.S. 3311 et seq or CLEET rules. "Withdrawal" does not include the voluntary surrender of peace officer certification by an officer who is in good standing with CLEET and is not the subject of such an investigation or proceeding.

(1) An officer requesting a withdrawal of certification must notify CLEET of his or her intent in writing to voluntarily surrender peace officer certification and have his name withdrawn from the list of Oklahoma certified peace officers.

(2) If an officer is requesting withdrawal by voluntary surrender of peace officer certification based upon completed, pending or contemplated criminal proceedings, the officer must include in the notice to withdraw certification, a certified copy of the charges, sentencing agreement or other information to support the action. This would include any deferred sentencing agreement.

(3) When a request for withdrawal of certification has been received by CLEET, the supporting documents will be verified and an investigation conducted to determine the facts for the stated underlying purpose of the withdrawal of certification.

(4) CLEET will enter a Final Order of Withdrawal ~~or Surrender~~ which will include the peace officer's request to voluntarily surrender pending investigation or proceeding and/or any documentation requiring the voluntary surrender of a certification. The Final Order must be signed by the Director and must include:

(A) A statement by the officer that the withdrawal and surrender of peace officer certification is voluntary; and/or is ordered by the court.

(B) A statement of the underlying facts for the withdrawal; ~~or surrender;~~

(C) A statement that the information gathered during the investigation of the request for withdrawal or surrender may be submitted as evidence at a hearing upon the request of the officer for reinstatement of certification;

(D) A statement that the officer cannot file a request for reinstatement for a minimum of five (5) years from the date of the entry of the Final Order of Withdrawal ~~or Surrender~~.

(b) **Voluntary surrender.** A peace officer who is in good standing with CLEET and who is not the subject of an investigation into, or a pending or concluded proceeding involving, allegations of violation of any of the provisions of 70 O.S. 3311 et seq or CLEET rules, may voluntarily surrender such officer's peace officer certification.

(1) An officer wishing to voluntarily surrender certification must notify CLEET of his or her intent in writing to voluntarily surrender peace officer certification and have his or her name removed from the list of Oklahoma certified peace officers, provide a signed and notarized statement that such request is not made to avoid investigation or the outcome of a pending or concluded proceeding involving allegations of violation of any of the provisions of 70 O.S. 3311 et seq or CLEET rules, and return to CLEET his or her CLEET card.

(2) Upon receipt of the officer's written intent to voluntarily surrender and the officer's CLEET card, CLEET will enter a Final Order of Voluntary Surrender which will include the peace officer's request and statement described in subparagraph (1) above and will be signed by the Director.

(3) An officer who voluntarily surrendered his or her certification pursuant to this subsection may apply for reinstatement without regard to any particular time restriction.

(~~b~~c) **Suspension.** The certification of a peace officer may be suspended pursuant to the provisions of 70 O.S. Section 3311 et seq. and CLEET rules.

(1) If any action against a peace officer results in the suspension of peace officer certification, the suspended officer shall not engage in law enforcement activities of any type during the period of suspension. Any peace officer

Permanent Final Adoptions

found to be engaging in law enforcement activities of any kind during the period of suspension shall be subject to revocation of peace officer certification without prior notice but otherwise subject to administrative proceedings.

(2) When permitted by law, the officer and CLEET may enter an agreement for the suspension of peace officer certification. The Agreed Final Order of Suspension must include the length of the suspension.

(3) Administrative actions involving actions against a peace officer in which suspension of peace officer certification is provided by law, shall be conducted in accordance 70 O.S. 3311, the Administrative Procedures Act, OAC 390:2-1 et. seq. and this chapter.

(4) A suspension ordered after administrative hearing shall state the term of the suspension. Unless otherwise provided by law, the Hearing Examiner may establish a reasonable length of suspension.

(d) Revocation. The certification of a peace officer may be revoked pursuant to the provisions of 70 O.S. Section 3311 et seq. and CLEET rules.

(1) If any action against a peace officer results in the revocation of peace officer certification, the revoked officer shall immediately cease to engage in law enforcement activities of any type. Any peace officer found to be engaging in law enforcement activities of any kind may be subject to additional administrative or criminal actions.

(2) Administrative actions involving actions against a peace officer in which revocation of peace officer certification is provided by law, shall be conducted in accordance 70 O.S. 3311, the Administrative Procedures Act, OAC 390:2-1 et. seq. and this chapter.

(ee) Reinstatement.

(1) After five years, an officer who has had peace officer certification withdrawn, suspended or revoked, who has voluntarily withdrawn/surrendered his or her certification, may have peace officer certification reinstated through the following procedures:

(A) The officer shall file a request for reinstatement in writing, under oath.

(B) The request shall require the applicant to furnish information reasonably required to enable the Council to determine the fitness of the applicant for certification.

(2) The request for reinstatement shall be referred to the Assistant Director for processing of the request.

(3) The request will be reviewed by the Assistant Director and General Counsel to approve or deny the request. The following factors will be considered during the review:

(A) Circumstances surrounding the withdrawal, suspension, revocation or voluntary withdrawal/surrender of certification;

(B) Successful completion of the any terms for of suspension, or voluntary withdrawal of certification;

(C) Any pending charges or actions in this state or any other state; any convictions, including verdicts of guilt or entry of pleas of guilty or nolo contendere or an "Alford" plea or any plea other than not guilty

to any felony, crime of domestic violence, or crime of moral turpitude in this state or any other state, and any final orders of protection entered against the applicant; and

(D) Activities of applicant during the period of suspension or following withdrawal, revocation, or voluntary surrender.

(4) Time for reinstatement applications:

(A) An applicant who voluntarily surrendered his or her certification while in good standing with CLEET and not the subject of an investigation into, or a pending or completed proceeding involving, allegations of violation of 70 O.S. 3311 et seq. or CLEET rules, may apply for reinstatement at any time;

(B) An applicant whose certification was suspended may apply for reinstatement upon the expiration of the suspension period;

(C) An applicant whose certification was revoked or who withdrew his or her certification while the subject of an investigation into, or a pending or completed proceeding involving, allegations of violation of 70 O.S. 3311 et seq. or CLEET rules, may apply for reinstatement after at least five (5) years have passed since the entry of the Final Order of Withdrawal or Revocation.

(D) That an applicant has waited the appropriate time period before applying for reinstatement does not guarantee that a reinstatement will be granted. Such application is subject to review as provided for in these rules.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2020:

SUBCHAPTER 1. BASIC ACADEMY PROGRAMS

390:15-1-13. Academic requirements

(a) In order to successfully complete the basic academy program, trainees must achieve a minimum passing score as designated by CLEET or a higher standard if so required by an approved academy entity. All training standards and academic requirements must be completed within the time frame specified in Section 3311 of Title 70 of the Oklahoma Statutes.

(b) Any trainee who fails a specific block examination will be permitted to retake that block examination within a time frame established by CLEET.

(c) If the trainee fails the block examination a second time, the trainee's agency head may request that the trainee repeat the block of instruction and take the examination for a third time.

(d) If a trainee fails to complete any block of instruction the trainee will not be allowed to take the certification examination.

(e) Trainees who fail the certification examination will be permitted to retake the examination within ten (10) business days. A second failure will necessitate reenrollment into a basic academy. In accordance with 390:10-1-2 (d) for not completing basic certification according to 70 O.S., section 3311 (E) (4).

~~(f) When a trainee fails a proficiency test in the Custody Control block, or the Law Enforcement Driver Training block, the trainee will not be certified, and will be scheduled for up to two remedial training sessions at a later time. If the trainee does not successfully complete remedial training, no further testing will be allowed until student has retaken the entire block of instruction.~~

~~(g)~~ If the trainee fails a proficiency test in the ~~Firearms Block~~Custody Control block, the Law Enforcement Driver

~~Training block or firearms block, the trainee will not be certified, and shall be required to obtain additional firearms training through his/her employing agency; such training to be conducted by a CLEET certified firearms instructor, discipline specific, within ninety (90) calendar days of the student's original academy completion date. Upon completion of such training, the student's employing agency administrator must, within ninety (90) calendar days of the student's original academy completion date, in writing, notify the Director of CLEET or the director's designee that the student is ready to be scheduled for firearms remedial proficiency testing by CLEET firearms staff. Such testing shall be completed by allowing the student up to three (3) attempts to attain the CLEET required proficiency in firearms the skills area needed. If the trainee does not successfully complete additional remedial training testing, no further testing will be allowed until the student has retaken the entire firearms block of instruction.~~

~~(h)~~ Trainees are expected to attend all blocks of instruction. If a trainee misses any time during the academy, the trainee must state in writing the reasons for the absence.

~~(i)~~ Absences due to unforeseen emergencies, illnesses, subpoenas, or other unusual circumstances may be approved by the Training Division Manager or Assistant Director for make-up during the current academy. Each case will be reviewed to evaluate the length of time missed and the impact upon the instructional staff and class to remediate the trainee. The trainee may be required to provide documentation for excused absences such as a copy of the subpoena, doctor's statement, etc. Absences of more than five (5) hours in any training block may require the trainee to attend the entire block in the next subsequent academy.

~~(j)~~ Each applicant is required to attend all class sessions, subject to previously state exceptions. Unexcused absences or repeated tardiness requires makeup work during a current or future academy, and may result in administrative discipline. Decisions that the Training Manager or Assistant Director make, regarding attendance and makeup requirements, may be appealed to the Director.

~~(k)~~ It is mandated by the Council that all examinations, and all proficiency tests must be successfully completed to meet the requirements for peace officer certification.

~~(l)~~ If a health condition or an injury exists, prohibiting a trainee from fully participating in any block of instruction, a signed release from the trainee's physician must be submitted before the trainee will be allowed to further participate in that block.

~~(m)~~ If the trainee cannot be so released by a physician to fully participate in that block then participation is prohibited.

~~(n)~~ Approved academy entities shall establish their own requirements for academy testing, retesting, and attendance except that no academic standards shall be less than those established by CLEET in 390:15-1-13.

**PURSUANT TO THE ACTIONS DESCRIBED HEREIN,
THE FOLLOWING RULES ARE CONSIDERED
FINALLY ADOPTED AS SET FORTH IN 75 O.S.,
SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE
DATE OF SEPTEMBER 11, 2020:**

390:25-1-8. Outside law enforcement schools and seminars

(a) Centralized peace officer training records.

(1) CLEET shall maintain a centralized depository of training records for every peace officer, reserve and full-time, which has been certified by the State of Oklahoma as either a reserve or fulltime peace officer in accordance with applicable Oklahoma statute. Schools and Seminars attended by such officers may be entered into their individual training files upon request.

(2) Local "in-service" training or informational sessions of less than one (1) hour shall not be entered.

(3) Requests for individual training record entries shall be in format approved by CLEET.

(4) Requests for training entries shall minimally contain the following documentation:

(A) The date(s), location and title of the school or seminar; and

(B) An official school Attendance Roster or electronic roster, showing the name, CLEET number, and employing agency of each full-time, certified officer in attendance; and

(C) One of the following:

(i) The name and address of the instructor(s); or

(ii) A copy of the completion or attendance certificate issued by the school, and the requesting officer's name, CLEET number, and employing agency and the authorized signature of the agency head or designee certifying attendance.

(D) Training may not be recorded when names provided on the roster or electronic record cannot be matched to CLEET records by the CLEET number or name until additional identifying information is provided.

(E) Agencies or individuals submitting rosters or electronic records shall maintain a file copy, subject to inspection, for a period of three years.

(b) Local training incentive ~~accreditation~~ cataloging.

(1) For the purposes of this sub-section, "~~ACCREDITATION~~" "~~CATALOGING~~" means that CLEET will assign a course catalog number and send a confirmation letter to the agency requesting such ~~accreditation~~ ~~cata-~~ ~~loging~~ for a lesson plan submitted by that agency. It will be the responsibility of the agency requesting ~~accredita-~~ ~~tion~~ ~~cataloging~~ to retain the lesson plan and all supporting material. All lesson plans and supporting materials on file with the agency requesting ~~an accreditation~~ ~~a~~ ~~catalog~~ number will be considered by CLEET to be copyrighted. Regarding any law enforcement concepts, practices, methods, techniques, products, or devices as might be taught, promoted, or otherwise espoused in outside schools or seminars, there is no intent, expressed or implied, that "~~ae-~~ ~~reditation~~" "~~cataloging~~" indicates or in any way conveys "CLEET approval" of such concepts, practices, methods, techniques, products, or devices, unless such approval is explicitly stated by CLEET.

(2) For the purpose of qualifying for training or educational pay increases, or for other training incentives which might be initiated by law enforcement agencies, and for which CLEET ~~accreditation~~ ~~cataloging~~ is a requisite, the rules and procedures set forth in (3) and (4) of this subsection shall apply.

(3) Requests for local training incentive ~~accredita-~~ ~~tion~~ ~~cataloging~~ for any outside school or seminar, shall be made in writing in a format approved by CLEET and shall minimally contain the following information:

- (A) A description of the subject of the school or seminar;
- (B) A resume' or summary of each known instructor's qualifications, describing his or her training and experience in the particular subject.

390:25-1-10. Requirements for basic instructor certification

(a) **Qualification.** To qualify for basic instructor certification, applicants must meet the following qualifications:

- (1) Have a minimum of two (2) years of full-time experience in law enforcement after completing the basic certification course, and be in compliance with 70 O.S., Section 3311, and
- (2) Successfully complete a CLEET recognized instructor development school, or
- (3) Possess a teaching certificate for secondary education; or
- (4) Possess an advanced degree in the field of secondary or adult education, or
- (5) Be qualified to instruct at an accredited 4-year college or university.

(b) **Inactive Peace Officers.** Any instructor who has been inactive as a peace officer for over five years shall not be allowed to use his/her Oklahoma Basic Instructor Development certification to teach CLEET courses. Instructors who are listed in an inactive status over five years must meet the requirements outlined for an adjunct instructor (390:25-1-13) if they intend to teach any CLEET course, including basic academy, reserve academy and continuing education. This provision is designed to insure students receive current subject matter expertise throughout the training.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2020:

SUBCHAPTER 5. LICENSE REQUIREMENTS

390:35-5-1. Agency license requirements

(a) All licensed security guard and private investigative agencies, shall maintain a place of business within the State of Oklahoma, and shall maintain an operative telephone having a published listing, in the agency name. The agency must also provide proof of published phone number in a format

Permanent Final Adoptions

specified by CLEET. Every license issued under this chapter shall be posted conspicuously in the licensee's principal place of business in this state. The phone number shall be on file with CLEET. The office of such business may be maintained at the personal residence of the executive officer, manager, or supervisor of such office. Such notification shall include both the geographical location (street address) and the mailing address. Any changes in the above shall be submitted to CLEET in writing, with an original signature, within 10 days of the effective date of the change. Notice of change of address will not be accepted over the phone, fax or by email.

(b) The executive officer, manager, or other person in charge of supervising security guards and/or private investigators shall be a resident of the State of Oklahoma.

(1) The executive officer, manager, or other person in charge of supervising security guards in the performance of their duties shall be a licensed security guard.

(2) The executive officer, manager, or other person in charge of supervising private investigators in the performance of their duties shall be a licensed private investigator.

(c) ~~Agency licenses are not transferrable upon the sale of a company issued in the name of a corporation, limited liability company (LLC), or other non-natural person legal entity recognized by the State of Oklahoma remain with the corporation, LLC, or other non-natural person legal entity regardless of changes in ownership interests. Agency licenses issued in the name of an individual or in the name of a company which is not a corporation LLC, or other non-natural person legal entity, such as a "doing business as" (d/b/a) company, are not transferrable upon the sale of the company. Any agency licensee shall notify CLEET in writing, with an original signature, of changes in agency head, security guard and/or private investigator supervisor, and/or branch manager and such substitutes must satisfy the requirements listed in (d) of this section and be approved by CLEET. Such notices must be made within ten (10) days of any changes and will not be accepted over the phone, by fax, or by email. The Council may approve the transfer of a license to a new entity providing that one or more of the original licensees retain ownership in the new entity, and the new licensee meets the qualifications listed in (d) of this section. The licensee shall notify CLEET in writing, with an original signature, within ten (10) days of any change of identity of the licensee, or as it relates to an agency license, any of its owners, partners, directors, or in the case of a corporation, officers and registered agents (branch managers); and any substitute in the person enumerated must satisfy the requirements listed in (d) of this section; and be approved by CLEET. Notice will not be accepted over the phone, by fax, or by email.~~

(d) Every applicant for an agency license, ~~or any of its owners, partners, directors, or in the case of a corporation, LLC, or other non-natural person legal entity, the agency head, security guard and/or private investigator supervisor, and/or branch manager each officer and registered agent (branch manager),~~ shall meet the following qualifications before ~~at the agency~~ may engage in any business licensed under this chapter:

- (1) be 21 years of age;
- (2) be a citizen of the United States or a resident alien;

(3) ~~not have been convicted of a felony that substantially relates to the occupation of a security guard or private investigator and poses a reasonable threat to public safety or crimes involving moral turpitude enumerated in the Act or CLEET rules unless waived by the Council pursuant to O.S. Title 59, Section 1750.5 (H);~~

(4) ~~not have had his or her license revoked or application for such license denied by CLEET or any other state and must provide a letter of good standing from any other state previously licensed;~~

(5) ~~be of good moral character; and~~

(6) ~~in the case of a corporation, be incorporated under the laws of this state, or shall be duly qualified to do business within this state.~~

(e) Alarm Companies who respond to electrical, electronic or mechanical alarm signal devices, burglar alarms, television cameras or still cameras used to manually or automatically signal or detect burglary, fire, breaking or entering, shoplifting, pilferage, theft, or hold-up are required to be licensed as a Security Agency, and individually license employees as security guards, or armed security guards, who provide the response.

(f) Temporary employment agencies who provide guards or private investigators to its clients on a contractual basis falls within the definition of a contract security or investigative company and must be licensed pursuant to the Act.

(g) Employee leasing services who provide an administrative service only for handling the payroll, employee's salaries, and benefits, who do not make assignments, supervise or direct the work of the employee, or select the employees, but who lease the employee back to the licensed agency, do not fall within the definition of a contract security or investigative company and are not required to obtain an agency license. Licensed agencies who utilize the employee leasing services, are responsible for the duties such as reporting employments, terminations, address changes to our agency, providing appropriate liability insurance coverage, etc., as if the employee were paid by the agency.

(h) CLEET retains the right to inform an agency applicant that the Agency Name they are submitting is a duplicate too similar to an existing agency name licensed in the state.

(i) Agency licenses that have expired for a period of more than thirty (30) days must complete the entire application process. If an agency renewal application is received more than thirty (30) days after the agency license expiration date, a letter will be mailed to the Agency address of record with instructions to submit a completed new application and complete licensing fee.

390:35-5-2.1. Renewals and continuing education

(a) Continuing education training is required for renewal of an individual license.

(1) Private Investigators must complete a minimum ~~number of sixteen~~ (16) hours of continuing education training from an approved source, during the licensing period to maintain their license, pursuant to Title 59, O.S., § 1750.3.

(2) Security Guards must complete a minimum ~~number of eight~~ (8) hours of continuing education training from an

approved source, during the licensing period to maintain their pursuant to Title 59 O.S., § 1750.3.

(3) A person holding both a security guard license and private investigator license or a combination license must complete a ~~total of sixteen (16) minimum number of~~ hours of continuing education training during the licensing period to maintain their license, pursuant to Title 59, O.S., § 1750.3.

(4) Any expenses incurred for continuing education courses by any licensee shall be the responsibility of the licensee.

(5) Firearms requalification courses will not count towards mandate training. Approved sources for mandated training are:

(A) College credit hours. Fifteen hours of mandate training will be granted for each successfully completed college hour. Proof of attendance needed is a certified copy of the grade report. Requests for credit must be submitted within one (1) calendar year from the date the college credit is obtained;

(B) Established Entities (Recognized county, state, and federal associations, professional associations, vocational-technical schools). One hour of training will be granted for each hour attended in a topic which directly relates to the performance of duties under the respective license. Proof of attendance needed is a copy of a certificate, sign-in roster, electronic notification or other proof from the sponsor accepted by CLEET; or

(C) ~~CLEET Accredited~~ approved or cataloged Schools, Seminars, and Conferences. One hour of mandate training credit will be granted for each hour of instruction. For approval to conduct mandate training, sponsors must:

- (i) Submit a written request for program ~~accreditation~~ cataloging to CLEET;
- (ii) Provide ~~course outline, and~~ course information, including course objectives;
- (iii) Provide ~~Resume~~ resume for ~~Instructors~~ instructors; and
- (iv) After training, submit a roster of attendees completing the training to CLEET.

(D) Completion of training courses required for initial licensing will satisfy the continuing education requirements for the first licensing period of an initial license.

(6) Continuing education training may be reported to CLEET as it is completed or at the time of license renewal. Verification of the minimum hours of continuing education training will be made by CLEET when the licensee requests renewal. A licensee will be subject to the following disciplinary sanctions for failure to comply with the mandate training requirements:

- (A) Written Reprimand
- (B) Denial
- (C) Suspension
- (D) Revocation and/or
- (E) Disciplinary penalty or fine

(b) Renewal applications will be accepted up to thirty (30) days after the date of expiration of the applicant's license. If the renewal application is received more than thirty (30) days after the expiration date of the applicant's license, a letter will be mailed to the applicant with instructions to submit a completed new application and complete licensing fee. Continuing education will still be required even if the applicant has to submit a new application. Renewal applications will be accepted no more than sixty (60) days before the date of expiration of the applicant's license. If the renewal application is received more than sixty (60) days before the expiration date of the applicant's license, the payment received and a letter will be mailed to the applicant with instructions of when to submit a completed renewal application and licensing fee.

(c) A renewal license will be issued only after CLEET receives a completed renewal application, the renewal fee, current passport size and quality photographs, verification of current employment with a licensed Agency or verification of current insurance or bond coverage, and verification of the minimum hours of continuing education training for the license period.

(d) A licensee who has timely submitted a request for renewal with payment and has failed to meet the minimum training requirements will be mailed a letter along with a penalty citation as listed in Appendix C requiring proof of continuing education and disposition of the fine within fifteen (15) days. No license will be issued without verification of the minimum hours of continuing education and disposition of the above mentioned citation.

(e) A licensee who has failed to meet the minimum training requirements and continues to work after his/her license expiration date, will be subject to disciplinary action under Chapter 2 of this Title.

(f) If the renewal applicant is the defendant in a disqualifying charge that is pending in any court in this state, another state, tribal court, or pursuant to the United States Code, no license will be issued.

(g) If the renewal applicant is the subject of an order deferring imposition of judgment and sentence or deferred prosecution in this state or another state or pursuant to federal authority for the commission of a disqualifying offense, no license will be issued. The preclusive period shall be for five (5) years and shall begin upon final determination of the matter.

(h) Any person seeking an Oklahoma Security Guard or Private Investigators license, who has been licensed by a state whose training and standards have been deemed comparable to and approved by the Oklahoma Council on Law Enforcement Education and Training may obtain a license by reciprocity, under the following conditions:

- (1) The applicant must meet the minimum license requirement standards set forth by Oklahoma Law including fingerprint requirements. Such fingerprints requirement may be waived by CLEET where a verified records check has been made within a reasonable period of time in the context of existing law requiring fingerprint checks. The individual must also complete the "Legal Block" of Phase IV Firearms Training.

(2) The applicant must have an active license in the original licensing state, and not be subject to any administrative action regarding the active status in the licensing state. A letter of good standing must be received from the original licensing state.

(3) The applicant receiving a license by reciprocity in Oklahoma shall at all times while working as a security guard or private investigator in Oklahoma be subject to all laws regarding security guards and private investigators including all applicable fees for such license.

(4) Reciprocity may be granted only from the state in which the applicant was originally licensed and not from any intervening state by reciprocity to the original licensing state.

(5) The applicant must sign a statement of irrevocable consent that service of process, in any complaint or disciplinary action filed against the applicant, arising out of the applicant's private investigative activities in the reciprocating state, may be made by the delivery of such process on the administrator of the private investigation regulatory agency in his/her/its state of residence.

(6) An armored car employee who is primarily employed by an armored car company in another state, and is properly licensed by that state to carry a weapon while acting in the services of that company in the home state, and meets the minimum home state requirements, would be exempt from other requirements of 59 O. S. Section 1750.1 et seq. during such time as the armored vehicle from that state is actively engaged in interstate commerce within Oklahoma pursuant to 15 U.S.C. Section 5901, the "Armored Car Industry Reciprocity Act of 1993."

390:35-5-3. Conditional licenses

(a) Conditional licenses may be issued only to employees of security or investigative agencies and will only be issued for unarmed security guard applicants or unarmed private investigator applicants. Conditional licenses will NOT be issued for armed security guard applicants or armed private investigator applicants.

(b) Conditional licenses may be issued to such employees when the following requirements have been met:

(1) Receipt of an applicant's completed license application form. An application form shall be considered complete when all applicable spaces have been filled in properly, required documents have been provided, and it has been signed and notarized;

(2) Receipt of two (2) properly completed, CLEET-issued "applicant" fingerprint cards or fingerprints submitted electronically through a fingerprint system approved by CLEET;

(3) Receipt of correct license fees;

(4) Receipt of a completed OSBI records name check.

(c) Conditional licenses may be issued to an applicant one time per new application every five (5) years. This does not include renewal applications.

(d) If after a conditional license has been issued, disqualifiers are discovered or the applicant fails to respond to requests for additional information within thirty (30) days of request,

the conditional license will become null and void. The applicant and employer will be notified that the application is null and void and no further action will be taken.

(e) If, after a conditional license has been issued, the employee-employer relationship under which the application was made ceases to exist, the conditional license will become null and void. The application approval process for a security guard license will continue, however, and upon final approval a regular security guard license may issue. The application process for a private investigator becomes null and void when the employee-employer relationship ends and no further action on the application will be taken.

SUBCHAPTER 7. APPLICATION PROCEDURE

390:35-7-4. Background investigation of applicants

(a) The requirements of the Act will necessitate an investigation into the personal history, employment history, and moral character of each applicant. Local, state, and federal criminal indices will be examined in the normal processing of applications for evidence of any prior criminal record. In addition to those offenses set forth in the Statutes, convictions of crimes set forth in Appendix A of this Chapter, may be deemed as disqualifying convictions.

(b) Failure to provide the information necessary to complete this background investigation, including certified copies of final dispositions, shall preclude any further processing and shall result in denial of said application.

(c) Fingerprint cards or electronically captured fingerprints submitted by an applicant which have been rejected by the Oklahoma State Bureau of Investigation (OSBI) or Federal Bureau of Investigation (FBI), have failed to meet the statutory requirement of 59 O. S. Section 1750.6 (A)(1) for providing "classifiable fingerprints to enable the search of criminal indices for evidence of prior criminal record".

(1) Upon notice to CLEET from the OSBI or FBI that fingerprints have been rejected, CLEET shall send written notice to the applicant requesting resubmission of fingerprints.

(2) Failure to resubmit fingerprints within thirty (30) days of the request for resubmittal shall preclude any further processing and shall result in denial, suspension or revocation of any license held by the applicant.

(3) Upon the third rejection of fingerprints by the OSBI or FBI or the expiration of one-hundred-eighty days (180) days, whichever occurs first, from the original date of issuance of any license, such license shall be suspended or revoked until such time that classifiable fingerprints have been submitted and criminal history reports have been received from OSBI and FBI.

(d) An applicant shall state any and all names previously used by the applicant, and the date of any name change.

(e) An applicant shall provide information on any previous licenses held as a private security guard or private investigator, whether in this state or other state, and any previous revocations or suspensions of any such license.

(f) No license shall be issued under the following circumstances:

(1) A new license shall not be issued if a disqualifying charge is pending against the applicant in any court in this state, another state, tribal court, or pursuant to the United States Code.

(2) The A new or renewal license shall not be issued if the applicant is subject to the provisions of a deferred sentence or deferred prosecution in any court in this state, another state, tribal court, or pursuant to federal authority for the commission of any disqualifying offense. The preclusive period shall be for five (5) years and shall begin upon the final determination of the matter.

(g) An applicant who has been reported to CLEET to have been involuntarily committed at anytime, will be notified in writing of the alleged involuntary commitment along with the applicant's employer. The applicant shall provide to CLEET written notification of a psychological evaluation conducted by a licensed physician or psychologist which attests and states by affidavit that the licensee and the evaluation test data of the licensee have been examined and that, in the professional opinion of the physician or psychologist, the licensee is psychologically suitable to be a security guard or private investigator.

390:35-7-8. Individual private security applicant requirements

(a) Applicants for a License issued pursuant to Title 59, Section 1750.1 through 1750.13 must:

(1) Be a citizen of the United States or an alien legally residing in the United States and have a minimum of six (6) months legal residence documented in this state;

(2) Be at least Eighteen (18) years of age for an unarmed license and at least twenty one (21) years of age for an armed license;

(3) Proof of successful completion of the training and psychological evaluation requirements for the license applied for, and related testing, as prescribed by CLEET;

(4) Be of good moral character;

(5) Have no final victim protection orders issued in any state in which applicant is the respondent / defendant;

(6) Have no record of a felony conviction or any expungement or a deferred judgment or suspended sentence for a felony offense that substantially relates to the occupation of a security guard or private investigator and poses a reasonable threat to public safety;

(A) If the applicant is the defendant in such a felony criminal prosecution that is pending, no license will be issued until final resolution of the criminal prosecution.

(B) If the applicant is the subject of an Order Deferring Imposition of Judgment and Sentence in such a felony case, no license will be issued until completion of the deferred sentence and dismissal of the criminal prosecution without a finding of guilt.

(C) If the Applicant was convicted of a felony that substantially relates to the occupation of a security

guard or private investigator, and the sentence was completed more than five

(5) ~~fifteen~~ (15) years prior to the date of application, and the Applicant otherwise meets the licensing requirements, an Unarmed Security or Private Investigator License may be issued, but an Armed Security Guard or Armed Private Investigator License may not be issued to the Applicant if the felony involved the use of a firearm or was violent in nature. The Applicant must supply provide all documentation required by CLEET.

(7) ~~Have no record of conviction for assault or assault and battery, aggravated assault and battery, larceny, theft, false pretense, fraud, embezzlement, false impersonation of an officer, any offense involving moral turpitude, any offense involving a minor as a victim, any nonconsensual sex offense, any offense involving the possession, use, distribution, or sale of a controlled dangerous substance, any offense of driving while intoxicated or driving under the influence of intoxicating substance, any offense involving a firearm, or any other offense as prescribed by the Council.~~

(b) If an applicant was convicted of a disqualifying crime, and the sentence was completed more than five (5) years prior to the application date and the Council is convinced the offense constituted an isolated incident and the applicant has been rehabilitated, the Council may, in its discretion, waive the conviction disqualification as provided for in this paragraph and issue an unarmed Security or Private Investigator license, but shall not issue an armed Security or Private Investigator license if the offense was a felony and involved the use of a firearm, or was violent in nature, or was a felony offense other than a driving offense. The passage of five (5) years from completion of the sentence does not mean that the applicant is entitled to a license. The decision on whether the disqualifying conviction is waived is within the sole discretion of CLEET. The applicant must supply all documentation required by CLEET for consideration of a possible waiver.

(c) If it is discovered that a disqualifying conviction exists, other than one that was waived pursuant to this section, the Council shall immediately revoke or deny any license;

(d) Under oath, the applicant shall certify that the applicant has no disqualifying convictions as specified in the Private Security Licensing Act or by CLEET rule, or must disclose the disqualifying convictions and state that more than five (5) years have lapsed since the completion of the sentence for a disqualifying conviction.

(e) The applicant must provide CLEET and the Oklahoma State Bureau of Investigation with individual fingerprints for a state and national criminal history records search.

(f) The applicant must supply CLEET two (2) current individual passport - sized photographs with the completed CLEET application.

(g) The applicant must provide certified copies of all court documents showing the disposition of any criminal charges. If no certified copies are available, the applicant must provide a "no records letter" from the appropriate court. Obtaining and providing certified copies is the responsibility of the applicant.

Permanent Final Adoptions

- (h) The applicant must state, under oath, that the applicant is not currently undergoing treatment for a mental illness, condition, or disorder.
- (i) The applicant must state, under oath, whether the applicant has ever been adjudicated incompetent or committed to a mental institution.
- (j) The applicant must state, under oath, whether the applicant has any history of illegal drug use or alcohol abuse.
- (k) Upon presentation by the Council of the name, gender, date of birth, and address of the applicant to the Department of Mental Health and Substance Abuse Services, the Department of Mental Health and Substance Abuse Services shall notify the Council within ten (10) days whether the computerized records of the Department indicate the applicant has ever been involuntarily committed to an Oklahoma state mental institution.
- (l) The applicant must state, under oath, whether the applicant has ever been charged with any misdemeanor domestic violence offense.
- (m) The applicant must provide proof of liability insurance or an individual bond in a minimum amount established by the Private Security Licensing Act.
- (n) The applicant must complete all the training requirements, and pass the appropriate examinations related to training.
- (o) The signature of the applicant on the Application shall be considered an attestation that the Applicant has read these Rules, and agrees to obey these Rules.
- (p) Private Security guard and or private investigator licenses are not transferrable.
- (q) Any changes in licensee's information shall be provided to CLEET in writing within ten (10) days of the effective date of the change. Notice of changes of Licensee information will not be accepted over the phone.
- (r) An applicant who previously voluntarily surrendered an Unarmed Security Guard, Armed Security Guard, Unarmed Private Investigator, Armed Private Investigator license, any combination license, or an Agency license shall complete all application requirements, including paying the applicable licensing fee, as if he or she is a new applicant. If said applicant was in good standing with CLEET and was not the subject of an investigation into, or a pending or completed proceeding involving, allegations of violation of the Act or CLEET rules at the time of such voluntary surrender, no particular time requirement shall be imposed before such applicant can make a new application. If such applicant voluntarily surrendered his or her license(s) while a subject of an investigation into, or a pending or completed proceeding involving, allegations of violation of the Act or CLEET rules, such applicant will not be eligible to apply for another license under the Act until five (5) years have passed from the date of such voluntary surrender.

SUBCHAPTER 9. VIOLATIONS AND INVESTIGATIONS

390:35-9-1. Classifications of actions against licensees

(a) Pursuant to the Act, CLEET shall have the responsibility and authority to investigate alleged violations of the Act and of the rules of this Chapter. ~~These investigations may result in one or more of the following classifications of actions to be taken against a licensee:~~

(b) These investigations may result in one or more of the following classifications of actions to be taken against a licensee:

- (1) Written reprimand, without probation;
- (2) Written reprimand, with probation;
- (3) Suspension of license or identification card;
- (4) Revocation of license or identification card;
- (5) Denial of license application;
- (6) Non-renewal of license;
- (7) Arrest; and/or
- (8) Disciplinary penalty or fine.

(c) A licensee may choose to voluntarily surrender his or her license(s) or identification card while subject to an investigation into, or a pending or concluded proceeding involving, allegations of violation of any of the provisions of the Act or CLEET rules. Such voluntary surrender will be treated as a revocation of said license(s) or identification card. Any licensee who voluntarily surrenders his or her license(s) or identification card under such circumstances shall not be eligible to apply for a new license under the Act until five (5) years have passed from the date of such voluntary surrender.

SUBCHAPTER 15. TRAINING REQUIREMENTS

390:35-15-6. Psychological evaluations

(a) Prior to Phase 4 "Firearms" training, all students shall be administered a Minnesota Multi-Phasic Personality Inventory (MMPI), or a CLEET approved equivalent psychological examination, by a person qualified to administer such examinations. The school coordinator shall arrange for the examinations to be evaluated by a licensed psychologist of each student's choice and at each student's expense. The results of the psychological evaluations shall be forwarded to CLEET by the evaluating psychologist on forms to be provided by CLEET.

(b) If, after evaluating this initial psychological testing instrument, an evaluating psychologist is not able to form an opinion as to whether or not an applicant is "at risk" or "capable" of exercising appropriate judgement, restraint, and self-control in the use of a firearm, the Act directs the psychologist to "employ whatever other psychological measuring instruments or techniques deemed necessary to form his professional opinion". For the purposes of this subsection, an evaluating psychologist is not necessarily obliged to find an applicant "at risk", by virtue of deficiencies in any particular area (judgement, restraint, and self-control), but may consider the applicant's psychological traits in light of all three areas in formulating his opinion. For example, the test scores may indicate that an applicant is likely to lose his temper, but he also has a strong sense of ethics; so he may not be likely to shoot someone just because he tends to get angry easily.

(c) Any additional testing shall be done through mutual agreement between the psychologist and the applicant, and at the expense of the applicant.

(d) In the event that the evaluating psychologist is unable to form an opinion (either "at risk" or "capable"), or in the event an applicant does not agree to any further testing, the evaluating psychologist may so indicate on the "Notification of Psychological Evaluation". In such cases, the applicant's psychological evaluation shall be treated in the same manner as an "at risk" evaluation, pursuant to the Act.

(e) No psychological evaluation shall be accepted as valid for the purposes of this Act when the following conditions have not been satisfied:

(1) The evaluation results may be used for up to six (6) months from the date of the evaluation; and

(2) The evaluation must have been performed for the specific purpose of evaluating an applicant's capability of exercising appropriate judgement, restraint, and self-control in the use of a firearm.

(f) No armed security guard license, armed private investigator license, armed bail enforcer license, or any other license permitting a person to carry a firearm or weapon may be issued or renewed by CLEET if the applicant has been involuntarily committed for a mental illness, condition or disorder as provided in the Act. The preclusive period shall be permanent unless the applicant has been granted relief from the disqualifying disability pursuant to 21 O.S. Section 1290.27.

APPENDIX A. DISQUALIFYING CONVICTIONS [REVOKED]

APPENDIX A. DISQUALIFYING CONVICTIONS [NEW]

**PURSUANT TO THE ACTIONS DESCRIBED HEREIN,
THE FOLLOWING RULES ARE CONSIDERED
FINALLY ADOPTED AS SET FORTH IN 75 O.S.,
SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE
DATE OF SEPTEMBER 11, 2020:**

SUBCHAPTER 1. GENERAL PROVISIONS

390:60-1-6. Eligibility for licensing

(a) Applicants for Bail Enforcer licenses must meet and satisfy the requirements of The Oklahoma Bail Enforcement and Licensing Act.

(b) A Sheriff, Deputy Sheriff, Police Officer, or officer of the law who is not on duty and who assists in the apprehension of a defendant is not required to be licensed as a Bail Enforcer.

(c) The following persons are not eligible for licensing as a Bail Enforcer or as a Bail Enforcement Agency.

- (1) Jailers;
- (2) Police officers;
- (3) Committing judges;
- (4) District or Municipal judges;
- (5) Prisoners;
- (6) Sheriffs, deputy sheriffs and any person having the power to arrest or having anything to do with the control of federal, state, county or municipal prisoners.
- (7) Any person who possesses a permit pursuant to the provisions of Section 163.11 of Title 37 of the Oklahoma Statutes or is an officer, director or stockholder of any corporation holding such a permit;
- (8) Any person who is an agent or owner of any establishment at which low-point beer is sold for on-premises consumption;
- (9) Any person who holds any license provided for in Section 518 of Title 37 of the Oklahoma Statutes or is an agent or officer of any such Licensee, except for an individual holding an employee license pursuant to paragraph 20 of subsection A of Section 518 of Title 37 of the Oklahoma Statutes;
- (10) Any person who holds any license or permit from any city, town, county, or other governmental subdivision for the operation of any private club at which alcoholic beverages are consumed or provided;
- (11) Any person or agent of a retail liquor package store;
- (12) Any person whose bail bondsman license has been revoked by the Insurance Commissioner;
- (13) Any person whose employment prohibits that person from being licensed as a bail bondsman;
- (14) Any district attorney, or assistant district attorney, or employee of a district attorney; and
- (15) Any employee of the Department of Corrections.

(d) A licensee who is in good standing with CLEET and who is not subject to an investigation into, or a pending or concluded proceeding involving, allegations of violation of any of the provisions of the Act or CLEET rules, may voluntarily surrender his or her license by doing the following:

- (1) A licensee wishing to voluntarily surrender his or her license must notify CLEET of his or her intent in writing, provide a signed and notarized statement that such request is not made to avoid investigation or the outcome of a pending or concluded proceeding involving allegations of violation of any of the provisions of the Act or CLEET rules, and return to CLEET his or her CLEET license and identification card.
- (2) Upon receipt of the licensee's written intent to voluntarily surrender and the licensee's CLEET license and identification card, CLEET will enter a Final Order of Voluntary Surrender which will include the licensee's request and statement described in subparagraph (1) above and will be signed by the Director.

SUBCHAPTER 7. DISCIPLINARY ACTIONS

390:60-7-3. Possible disciplinary actions against licensees

(a) Pursuant to the Act, CLEET shall have the responsibility and authority to investigate alleged violations of the Act and of the Rules of this Chapter. These investigations may result in one or more of the following classifications of actions to be taken against a Licensee:

- (1) Written reprimand, without probation;
- (2) Written reprimand, with probation;
- (3) Suspension of license;
- (4) Revocation of license;
- (5) Denial of license application;
- (6) Non-renewal of license;
- (7) Arrest; and/or
- (8) Disciplinary penalty or fine found in Appendix B of this Chapter.

(b) A licensee may choose to voluntarily surrender his or her license while subject to an investigation into, or a pending or concluded proceeding involving, allegations of violation of any of the provisions of the Act or CLEET rules. Such voluntary surrender will be treated as a revocation of said license. Any licensee who voluntarily surrenders his or her license under such circumstances shall not be eligible to be reinstated.

(bc) The following, in addition to all other laws, Rules and regulations shall constitute unacceptable practices for licensed Bail Enforcers possibly subjecting the violator(s) to administrative actions.

- (1) Failure to provide written reports/summaries of activities to clients, when requested.
 - (2) Providing false or misleading information to a client, or to CLEET.
 - (3) Giving false statements, oral, written or otherwise to any member of the CLEET staff or any law enforcement officer in this state.
 - (4) Failing to maintain good moral character.
- (ed) Complaints of violations subject to investigation may be made in person, by telephone, or in writing to CLEET.

SUBCHAPTER 13. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE NURSE-NURSES WITH PRESCRIPTIVE AUTHORITY

435:10-13-1. Purpose

The purpose of this Subchapter is to set forth the requirements for allopathic physicians to supervise ~~the~~ physician assistants pursuant to 59 O.S., §519 et seq., and advanced

practice ~~nurse~~nurses with prescriptive authority pursuant to 59 O.S., §567.1 et seq.

435:10-13-2. Eligibility to supervise physician assistants and advanced practice ~~nurse~~nurses with prescriptive authority

(a) To be eligible to serve as supervising physician for ~~the physician assistants and/or advanced practice nurse~~nurses with prescriptive authority, an allopathic physician shall meet the following criteria:

(1) Have possession of a full and unrestricted Oklahoma medical license with Drug Enforcement Agency (DEA) and Oklahoma Bureau of Narcotics (OBN) permits for any drug on the formulary as defined in the Physician Assistant Practice Act and the Oklahoma Nursing Practice Act.

(2) The physician shall be in an active clinical practice in which no less than twenty (20) hours per week shall involve direct patient contact.

(3) The supervising physician shall be trained and fully qualified in the field of the physician assistant's and/or advanced practice nurse's specialty.

(4) No physician shall supervise more than ~~two (2) a total of six (6) full-time equivalent physician assistants and/or advanced practice nurses regarding their prescriptive authority advanced practice nurses regarding their prescriptive authority at any one time. For purposes of this section, each "full-time equivalent" advanced practice nurse position equals forty (40) hours per week collectively worked by the part-time advanced practice nurses being supervised by the physician. Notwithstanding the provisions for the supervision of two (2) full-time equivalent advanced practice nurses above, no physician shall supervise more than a total of four (4) advanced practice nurses.~~ The Board may make an exception to any limit set herein upon request by the physician.

(b) Proper physician supervision of the advanced practice nurse with prescriptive authority is essential. The supervising physician should regularly and routinely review the prescriptive practices and patterns of the advanced practice nurse with prescriptive authority. Supervision implies that there is appropriate referral, consultation, and collaboration between the advanced practice nurse and the supervising physician.

The proposed revisions realign the Physical Therapy administrative rules with national trend in the physical therapy profession moving from continuing education and competency to professional development, and they provide for and clarify certain definitions related to professional development. The revisions also set forth a process wherein certain organizations' programs may automatically qualify as professional development. While the current rules separate continuing education and competency into two categories, the revisions eliminate these categories and instead distinguish between synchronous, asynchronous, and other educational and competency opportunities. The methods for earning professional development units have also been significantly expanded.

SUBCHAPTER 9. ~~CONTINUING EDUCATION~~ PROFESSIONAL DEVELOPMENT

435:20-9-1. Definitions

The following words and terms, when used in this Subchapter, shall have the following meaning, unless the content clearly indicates otherwise:

"Activities" means activities that a licensee participates in to either assess his/her competence or to develop competency. An activity is assigned a value toward meeting professional development requirements.

"APTA" means the American Physical Therapy Association.

"Asynchronous instruction" means instructional interaction whereby instructional delivery and learner participation occurs other than simultaneously, offering either a delayed opportunity or no opportunity for instructional feedback.

"Board" means the Board of Medical Licensure and Supervision.

"Clinical practice" means physical therapy consultation or patient care or client management or the supervision thereof.

"Committee" means the Physical Therapy Advisory Committee.

"Compliance period" means the ~~initial compliance period from February 1, 1998 through January 31, 2000 and each successive two calendar year period from January 1, 2000 to December 31, 2002~~ initial compliance period starting on February 1, 2022 through January 31, 2024.

"Competence" means the application of knowledge, skills, and behaviors required to function effectively, safely, ethically and legally within the context of the patient/client's role and environment.

"Continuing competence" means the lifelong process of maintaining and documenting competence through ongoing self-assessment, development, and implementation of a personal learning plan, and subsequent reassessment.

"**Continuing education**" means those appropriate learning experiences physical therapists and physical therapist assistants undertake to expand their scope of knowledge beyond the basic preparation for the profession of physical therapy and these experiences should be referenced to one of four areas: administration, education, patient care, or research.

"**Documentation**" means evidence of completion of continuing education and competence activities.

"**FSBPT**" means the Federation of State Boards of Physical Therapy.

"**IACET**" means the International Association for Continuing Education and Training.

"**Jurisprudence assessment**" means an outline set of questions concerning the Oklahoma Physical Therapy Practice Act, Board rules, and Position Statement posted on the Board's website at www.okmedicalboard.org.

"**One (1) Continuing Education Unit or CEU**" means ten (10) contact hours.

"**OPTA**" means the Oklahoma Physical Therapy Association.

"**Pre-approval**" means the continuing education professional development experience has received approval prior to the end of the compliance period.

"**Professional development**" means the fusion of continuing competence and continuing education, which demonstrates and evidences a licensee's ability and knowledge to practice physical therapy consistent with the requirements of Oklahoma law and the standards of the physical therapy profession.

"**Professional Development Unit or PDU**" means one contact hour (60 minutes) of continuing education coursework or an approved PDU activity (detailed in section 435:20-9d)

"**Provider**" means an entity that has been approved by the Board to provide professional development activities for licensees as provided in the rules of this section.

"**Synchronous instruction**" means instructional interaction conducted in real time where the instructional delivery and learner participation occurs concurrently with an immediate opportunity for instructional feedback.

435:20-9-2. **Continuing education Professional development requirements for renewal**

(a) Beginning with the renewal period ending January 31, 2000 and every two years thereafter, the applicant for renewal of licensure shall sign a statement indicating whether or not continuing education professional development requirements have been fulfilled for the preceding two-year period.

(b) Effective February 1, 2004, 2022 and every two years thereafter, physical therapists will be required to show proof of forty (40) approved contact hours and/or PDU equivalent and Physical Therapist Assistants will be required to show proof of thirty (30) approved contact hours and/or PDU equivalent.

(1) At least half of the required hours must be Category A as set out in subsection 435:20-9-3(b) except as

~~provided in 435:20-9-3(a)(3) professional development coursework.~~

(2) Three of the required hours must contain ethics education that includes the APTA Guide for Professional Conduct and the APTA Code of Ethics.

(3) No ~~continuing education~~ professional development hours may be carried over from one compliance period to another.

(c) Any applicant for renewal who cannot meet the requirements for ~~continuing education~~ professional development may not renew until deficient ~~hours~~ professional development units (PDUs) are obtained and verified. Additionally, within the next compliance period the licensee will be required to obtain double the required ~~hours~~ units of approved ~~continuing education~~ PDUs. ~~At least half of the required hours must be Category A. Proof of meeting the additional requirements, as verified by an audit, will be required in order to renew at the end of the next compliance period. Failure to meet these additional requirements will result in disciplinary action.~~

(d) Each licensee is responsible for maintaining evidence/proof/record of participation in a ~~continuing education~~ professional development experience for a minimum of four years, ~~two compliance periods~~. Copies of such proof shall be submitted to the Board upon request. Such proof shall include:

- (1) date, place, course title, schedule, presenter(s), etc.,

GIST/ANALYSIS:

The proposed revisions will bring the rules up to date and consistent with updated educational curriculum being taught to Athletic Trainers and pathway for licensure. The name of the national certifying body has been corrected in the proposed amendment. Certification is currently required for initial licensure but not renewal of licensure. The proposed rule amendments also close that loophole, and certification will now be required for licensure renewal as well. ATs will be able to administer and dispense scheduled and legend drugs under the supervision of a physician, but ATs have not been and will not be allowed to prescribe scheduled and legend drugs. These revisions also consolidate the definitions used in the rules related to ATs into one section. Additionally, contradictory language regarding the Committee conducting investigatory hearings that are currently performed by the Board consistent with its statutory authority under the Oklahoma Athletic Trainers Act is being repealed along with a prohibition on disclosure of examination contents as neither the Board nor the Committee administer the BOC Certification Examination.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S. SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2020:

SUBCHAPTER 1. GENERAL PROVISIONS

435:25-1-2. Definitions

The following words and terms, when used in this Chapter, shall have the following meaning unless the context clearly indicates otherwise:

"Apprentice Athletic Trainer" means a person who is putting in clock hours toward becoming a licensed Athletic Trainer.

"Athlete" means a person who engages in physical activity or is physically active.

"Direct supervision" means on-site, personal supervision. The supervisor will delineate specific tasks and duties to be performed. Supervisee will not perform duties or tasks for which he/she is not trained.

"General supervision" means responsible supervision and control. The supervisor is regularly and routinely on site to provide supervision. When not on site, the supervisor is available physically or through direct telecommunication for consultation.

"National Athletic Trainers' Association Board of Certification, Inc., or its successor organization" means, herein referred to as "BOC", the national certifying body for the profession of Athletic Training

"Physical activity" means activity that consists of athletic, recreational or occupational activities that require physical skills and utilize strength, power, endurance, speed, flexibility, range of motion or agility.

"Physically active" means individuals that engage in athletic, recreational or occupational activities that require physical skills and utilize strength, power, endurance, speed, flexibility, range of motion or agility.

"Poses a reasonable threat" means the nature of criminal conduct for which the person was convicted involved an act or threat of harm against another and has a bearing on the fitness or ability to serve the public or work with others in the occupation.

"Substantially relates" means the nature of criminal conduct for which the person was convicted has a direct bearing on the fitness or ability to perform one or more of the duties or responsibilities necessarily related to the occupation

SUBCHAPTER 3. LICENSURE OF ATHLETIC TRAINERS

435:25-3-1. Licensure by examination

Requirements for Athletic Trainer licensure by examination are as follows:

(1) **Statutory requirements.** All applicants for licensure by examination must meet the statutory requirements set forth in the Oklahoma Athletic Trainers Act, hereinafter referred to as Act.

(2) **Required examination.** The State Board of Medical Licensure and Supervision, hereinafter referred to as Board, recognizes and adopts the ~~National Athletic Trainer's Association~~ Certification Examination of ~~(hereinafter referred to as NATA)~~ BOC as the examination required for licensure of an Athletic Trainer.

Permanent Final Adoptions

(3) **Filing application.** Application for licensure by examination must be on file at the office of the Board at least 30 days prior to examination.

(4) **Admittance.** No person shall be admitted to the examination until satisfactory evidence is submitted to the Board of her/his qualifications to be admitted to such examination.

(5) **Proof of scores—Certification.** Submission of documentation of certification proof of scores of a passing grade, as awarded determined by the National Athletic Trainers' Association BOC shall constitute satisfactory evidence of an applicant's educational qualifications for licensure. Applicants must have the scores documentation submitted to this Board through the Interstate Reporting Service.

(6) **Failure of written portion of examination.** In the event of failure to pass the written portion of the NATA examination, the applicant must re take said part of the examination until such time as a passing score is obtained.

(7) **Failure of oral/practical portion of examination.** In the event of failure to pass the oral/practical portion of the examination, the applicant must re take said part of the examination until such time as a passing score is obtained.

(8) **Administration of oral/practical examination.**

(A) The oral/practical portion of the examination will be administered by one licensed physician and two licensed Athletic Trainers.

(B) The Secretary of the State Board of Medical Licensure and Supervision is authorized to appoint the physician and licensed Athletic Trainers who are to administer the examination each time the examination is given.

(9) **Fees.**

(A) The application for licensure by examination shall be accompanied with a fee to cover the actual cost of purchasing the examination and the cost of administering the examination which is to be determined on a per capita basis.

(B) The Secretary of the Board is hereby authorized to assess the actual cost of the examination and the administration costs of said examination and to notify the respective applicants of the cost for the examination or any respective parts thereof.

(C) The application for licensure by examination shall be accompanied with a fee of \$50.00 in addition to the examination fee.

(10) **Team or consulting physician application and written protocol.** An Athletic Trainer's License shall only be issued by the Board upon application filed by both the Athletic Trainer-applicants and the team physician or consulting physician with a written protocol approved by said physician.

435:25-3-2. Licensure by endorsement

Requirements for Athletic Trainer licensure by endorsement are as follows:

(1) **Statutory requirements.** Applicants for licensure by endorsement must meet all statutory requirements

required of applicants for licensure by examination, as set forth in the Act.

(2) **Examination standard; personal interview.** Any person who is currently licensed by examination as an athletic trainer in another state of the United States of America, the District of Columbia or Puerto Rico, is eligible for licensure by endorsement provided the written examination and grade standard were that of the NATABOC. Scores must be submitted through the Interstate Reporting Service or other recognized reporting service. If the applicant has not been employed as an athletic trainer during the year prior to application, such applicant may be requested to present herself/himself for a personal interview with the members of the Advisory Committee or the Board.

(3) **Fees.** The application shall be accompanied by a fee as set in 435:1-1-7.

SUBCHAPTER 5. REGULATION OF ATHLETIC TRAINER PRACTICE

435:25-5-2. Initial licensure; renewal; reinstatement

(a) Initial licensure of an Athletic Trainer shall be for one year, and shall be renewed annually, and shall require documentation of current good standing with the BOC.

(b) Athletic Trainers with licenses lapsed twelve months or less wishing to apply for reinstatement of licensure will be required to file an application on forms provided by the Board. Athletic Trainers may be required to meet one or more of the following guidelines:

(1) Personal appearance before the Advisory Committee;

(2) Practice under the direct supervision of a licensed Athletic Trainer and/or licensed physician for up to ninety (90) days. The supervising Athletic Trainer and/or supervising Physician will provide to the Committee a report on the applicant's performance prior to licensure; or

(3) Provide proof of current National Athletic Trainers Association Board of Certification (NATABOC) BOC certification.

(c) Athletic Trainers with licenses lapsed more than twelve months wishing to re-enter the practice of Athletic Trainer will be required to file a new application on forms provided by the Board. Athletic Trainers may be required to meet one or more of the following guidelines:

(1) Personal appearance before the Advisory Committee;

(2) Practice under the direct supervision of a licensed Athletic Trainer and/or licensed Physician for one month (at least 22 days) for each year the license was lapsed. The supervising Athletic Trainer and/or supervising Physician will provide to the Committee a report on the applicant's performance prior to licensure;

(3) Provide proof of up to 25 continuing education units for each year the license was lapsed or proof of current NATABOC Certification;

- (4) Provide proof of current good standing with the BOC-; or
 (5) Retake and pass the National Athletic Trainers Association Board of Certification (NATABOC)-BOC examination or a Committee-determined equivalent thereof.

435:25-5-4. Prescribing drugsDocumentation and use of drugs in practice

The athletic trainer shall not prescribe, administer or dispense any scheduled or legend drug.

- (a) The athletic trainer under the supervision of a physician, shall document the specific condition/injury of the athlete being treated and indicate the non-drug treatment regimen being proposed; and,
 (b) If drugs are being considered, the athletic trainer shall not prescribe, but may administer or dispense onsite, any legend drug or scheduled drug excluding Schedule II and opiates, benzodiazepines or Carisporodol to be noted and signed by the supervising physician within 72 hours; and,
 (c) The athlete shall be directed/documented to make contact with the supervising physician or with their personal physician for follow up care.

435:25-5-5. Disclosure of examination contents by licensee prohibited [REVOKED]

An athletic trainer shall not reproduce in written form or reveal in any other manner, any part of the written or oral/ practical examination for the purpose of aiding licensure of candidates.

SUBCHAPTER 7. LICENSURE OF APPRENTICE ATHLETIC TRAINERS

435:25-7-1. Definitions [REVOKED]

The following words or terms, when used in this Subchapter, shall have the following meaning, unless the context clearly indicated otherwise:

"**Apprentice Athletic Trainer**" means a person who is putting in clock hours toward becoming a licensed Athletic Trainer.

"**Direct supervision**" means on site, personal supervision. The supervisor will delineate specific tasks and duties to be performed. Supervisee will not perform duties or tasks for which he/she is not trained.

"**General supervision**" means responsible supervision and control. The supervisor is regularly and routinely on site to provide supervision. When not on site, the supervisor is available physically or through direct telecommunication for consultation.

SUBCHAPTER 11. DISCIPLINARY ACTION

435:25-11-2. Investigatory hearings [REVOKED]

Investigatory hearings may be conducted by the Advisory Committee to ascertain facts, make conclusions and recommendations to the Board.

- (1) **Notices.** All notices or other papers requiring service in an individual proceeding shall be served in the manner set forth in 435:1-1-4 (c).
 (2) **Time.** The time set for a hearing shall not be less than thirty days after the date the notice is completed.
 (3) **Discovery techniques.** All parties to said hearing are authorized to use discovery techniques available to parties in a civil action in the state courts of Oklahoma.
 (4) **Hearing.** The hearing shall be conducted in an orderly manner by the Chairman of the Advisory Committee. The order of procedure will follow that which applies in civil proceedings of law.
 (5) **Administrative Procedures Act.** All hearings shall be conducted in accordance with and be governed by the provisions of the Oklahoma Administrative Procedures Act, 75 O.S. 1971, Sections 301 through 327, as now or hereinafter may be amended.
 (6) **Hearing recorded.** The hearing will be tape recorded and a record preserved by the Chairman of the Advisory Committee. If the respondent desires a certified court reporter to be present, that party shall be responsible for securing the attendance of the same. Neither the Advisory Committee nor the Board shall be responsible for the cost for the attendance of the reporter or a transcription of the hearing.
 (7) **Transcript of hearing.** If a transcript of the hearing is desired, the requesting party must deposit sufficient funds to cover the transcription cost. The fees previously adopted by this Board for such transcription shall be applicable.
 (8) **Continuances.** Requests for continuances received prior to the hearing date may be granted by the Chairman of the Advisory Committee for good cause shown.
 (9) **Recommendations to the Board.** The Advisory Committee shall conduct the hearing, receive all evidence and shall thereafter make its recommendations to the Board for an appropriate order. Such recommendations shall be made within 15 days after the hearing.
 (10) **Appeal to the Board.** An aggrieved party may appeal such finding to the Board within thirty (30) days of the issuance of the Advisory Committee's Recommendations. The appeal to the Board will be on the record; parties will be afforded an opportunity to make oral arguments to the Board.

GIST/ANALYSIS:

The Board of Medical Licensure and Supervision with the cooperation of the Occupational Therapy Advisory Committee intends to establish rules regulating the use of telemedicine while providing occupational therapy. In addition to establishing telemedicine rules, there are a number of amendments to a number of sections under Chapter 30 of Title 435. The first amendment allows an applicant for licensure by endorsement to get a temporary license for a period of not more than ninety (90) days once the Board has received an application for licensure. Secondly, another amendment clarifies the potential penalty for failing to comply with the continuing education requirements as well as ramifications for failing to produce records of continuing education. Third, the Occupational Therapy Advisory Committee will now have an audit process to ensure licensees are meeting the continuing education requirements. Finally, an amendment regarding the rule governing supervision makes clear that an occupational therapist is accountable and responsible for the use of unlicensed personnel during a therapy session or service delivery regardless of whether it is in person or by telehealth.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S. SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2020:

435:30-1-2. Definitions

The following words and terms, when used in this Chapter, shall have the following meaning, unless the context clearly indicates otherwise:

"Alternate supervisor" means an Oklahoma licensed Occupational Therapist who has signed a Form #5, Verification of Supervision, agreeing to provide supervision to the Occupational Therapy Assistant or applicant for licensure in the absence of the supervising Occupational Therapist. The alternate supervisor assumes all duties and responsibilities of the primary supervisor during that absence.

"Consultation" means periodic meetings to review and to provide recommendations and resource information regarding methods of implementation of the occupational therapy programs.

"Direct supervision" means personal supervision and specific delineation of tasks and responsibilities by an Oklahoma licensed occupational therapist who has signed a Form #5, Verification of Supervision, agreeing to supervise the Occupational Therapy Assistant or applicant for licensure. Direct supervision shall include the responsibility for personally reviewing and interpreting the results of any habilitative or rehabilitative procedures conducted by the supervisee. It is the responsibility of the supervising occupational therapist to be onsite during treatment to ensure that the supervisee does not perform duties for which he is not trained.

"Distant site" means the location of the Occupational Therapist via telecommunications systems.

"General supervision" means responsible supervision and control by an Oklahoma licensed occupational therapist who has signed a Form #5, Verification of Supervision, agreeing to supervise the Occupational Therapy Assistant or applicant for licensure. The supervising occupational therapist provides both initial direction in developing a plan of treatment and periodic inspection of the actual implementation of the plan. Such plan of treatment shall not be altered by the supervised individual without prior consultation with and approval of the supervising occupational therapist. The supervising occupational therapist need not always be physically present or on the premises when the assistant is performing services; however, except in cases of emergency, supervision shall require the availability of the supervising occupational therapist for consultation with and direction of the supervised individual. Supervision is an interactive process, more than a paper review or a co-signature, and requires direct in-person contact.

"In association with" means a formal working relationship in which there is regular consultation.

"Occupational therapist of record" means the occupational therapist who assumes responsibility for the provision and /or supervision of occupational therapy services for a client, and is held accountable for the coordination, continuation and progression of the plan of care.

"Originating site" means the location of the patient at the time the service being furnished via a telecommunications system occurs.

"Poses a reasonable threat" means the nature of criminal conduct for which the person was convicted involved an act or threat of harm against another and has a bearing on the

fitness or ability to serve the public or work with others in the occupation.

"Primary supervisor" means the Oklahoma licensed Occupational Therapist who has signed a Form #5, Verification of Supervision, agreeing to provide supervision to the Occupational Therapy Assistant or applicant for licensure. The Primary Supervisor must have access to the client's plan of care.

"Substantially relates" means the nature of criminal conduct for which the person was convicted has a direct bearing on the fitness or ability to perform one or more of the duties or responsibilities necessarily related to the occupation.

"Telehealth" means, and shall have, the same meaning as it does under 59 O.S. § 888.3(8).

"Telemedicine" means, and includes, the practice of healthcare delivery, diagnosis, consultation, treatment, including but not limited to, the treatment and prevention of conditions appropriate to treatment by telehealth management, transfer of medical data, or exchange of medical education information by means of audio, video, or data communications. Telemedicine is not a consultation provided by telephone or facsimile machine.

"Telerehabilitation" means, and shall have, the same meaning as it does under 59 O.S. § 888.3(9).

435:30-1-4. Licensure by endorsement

Requirements for licensure by endorsement for Occupational Therapists or Occupational Therapy Assistants are as follows:

- (1) Applicants for licensure by endorsement must meet all statutory requirements required of applicants for licensure by examination, as set forth in the Act.
- (2) Any person who is currently licensed by examination as an occupational therapist or occupational therapy assistant in another state of the United States of America, the District of Columbia or Puerto Rico, is eligible for licensure by endorsement provided the written examination and grade standard were that of the National Board for Certification in Occupational Therapy or any other group approved by the Board. Submission of proof of having passed the licensure examination shall be required. If the applicant has not been employed as an occupational therapist or occupational therapy assistant during the year prior to application, such applicant may be requested to present himself/herself for a personal interview with the members of the Advisory Committee or the Board.
- (3) Applicants who have not taken and passed the approved licensure examination within the past five years may be required to provide proof of continued competence as evidenced by one or more of the following:

(A) Continuing education consisting of up to two hours for each month out of practice, obtained with the last two years and approved by the Committee;

(B) Practice under the direct supervision of a licensed Occupational Therapist for one to three months. The supervising Therapist will provide to the Committee a report on the applicant's performance prior to licensure;

(C) Retake the approved licensure examination.

(4) The completed application form must be submitted to the Board office accompanied by fees as set by the Board.

(5) The Board may issue a temporary license to any applicant for licensure by endorsement for no more than ninety (90) days upon the Board's receipt of an application for licensure together with a completed Verification of Supervision form issued pursuant to 59 O.S. § 888.5(5)

435:30-1-5. License renewal; late fees; continuing education; re-entry guidelines

(a) **Yearly license renewal.** The occupational therapist and occupational therapy assistant license is required to be renewed yearly on October 31 upon forms provided by the Board and shall be accompanied by fees set by the Board. In addition, late fees shall be assessed as set by the Board.

(b) **Continuing education for renewal.**

(1) Continuing education for renewal of licensure has been established to require therapists' involvement in activities which keep their skills and knowledge of current practice up to date. A point is the equivalent of 1 contact hour. Twenty contact hours every 2 years will be required. Penalties for failure to comply with continuing education requirements may be assessed after notice and hearing as required by law. Penalties may include imposition of additional continuing education contact hours, probation of license, suspension of license, or revocation of license. Failure to produce records of continuing education rebuts the presumption that continuing education requirements have been completed. The willful and intentional misrepresentation of compliance with continuing education requirements shall constitute prima facie evidence of a fraudulent application for licensure renewal.

(2) A Sub-Committee, composed of Occupational Therapists and Occupational Therapy Assistants, may review all points submitted. The Sub-Committee will forward recommendations to the Occupational Therapy Advisory Committee for approval or denial. Reasons for denial will be given to each therapist. Should any individual therapist have questions as to the appropriateness of a program, the therapist could consult the Committee. The Committee would have the authority to decide on any type of program not listed and assign appropriate hours. The responsibility for showing how a particular activity is relevant to maintaining skills as an Occupational Therapist or Occupational Therapy Assistant will be with the therapist applying for approval. The Committee will automatically accept programs offered or approved by the American Occupational Therapy Association or the Oklahoma Occupational Therapy Association as proved courses.

(3) The Committee recognizes the role that ongoing practice plays in maintaining competence as an Occupational Therapist or Occupational Therapy Assistant. Continuing education requirements are designed to update knowledge and skills. Synthesis takes place when the therapist has the opportunity to apply this knowledge and these skills to their practice. Therefore, therapists will

Permanent Final Adoptions

be asked to provide information about their practice of occupational therapy at the time of renewal.

(v) Active involvement in related organizations and committee upon approval by the Committee (up to 4 points per year). Documentation: List of dates of activities and types of activities, signed by committee chair, with a statement of relevance of the organization or committee to the practice of occupational therapy.

(6) Guidelines for the audit process.

(A) The Occupational Therapy Committee will, ninety (90) days before expiration date of each compliance period, randomly or for cause, select licensees for audit to ensure that all continuing education requirements have been met.

(B) Licensees being audited have thirty (30) calendar days from the date of the letter of notification to submit proof of continuing education to the Committee.

(C) The Occupational Therapy Committee or its appointed sub-committee shall review the documentation of each individual for compliance with established continuing education standards.

(D) Licensees found to be in compliance shall be notified of such and that no further action regarding the audit is required.

(E) Licensees found not to be in compliance shall be notified within (5) working days following the determination of non-compliance. The Board shall provide to the licensee specific information concerning areas of deficiency and what further information, if any, is needed to bring them into compliance. The licensee shall be given the opportunity to submit additional documentation for the Committee to consider, or he or she may elect to personally appear at the next Occupational Therapy Committee meeting. Provided, nothing in this provision shall prevent the Committee from requiring the licensee to personally appear for the purposes of ensuring compliance with the continuing education requirements.

(F) A summarized report shall be submitted to the Occupational Therapy Committee listing the names of those audited who are in compliance with continuing education requirements. Those not in compliance shall be listed with notation of deficiencies found and/or recommendation.

(c) **Renewal license identification card.** The Board shall issue to a licensee who has met all requirements for renewal a renewal license identification card.

(d) **Re-entry guidelines.** Therapists with licenses lapsed more than twelve months wishing to re-enter the practice of Occupational Therapy will be required to file an application on forms provided by the Board. Therapists may be required to meet one or more of the following guidelines:

(1) Personal appearance before the Advisory Committee.

(2) At least 2 Continuing Education Units for each month license was lapsed.

(3) Practice under the direct supervision of a licensed Occupational Therapist for one month (at least 22 days) for each year license was lapsed up to three months. The supervising Therapist will provide to the Committee a report on the applicant's performance prior to licensure.

(4) NBCOT certification examination.

(e) **Personal appearance requirement.** Therapists with licenses lapsed more than sixty months wishing to re-enter practice will be required to make a personal appearance before the Committee and meet any of the above guidelines as directed by the Committee.

435:30-1-15. Supervision of students, new graduates, techs and aides

The Occupational Therapist is responsible and accountable for the overall use and actions of unlicensed personnel under his/her supervision and control during a therapy session or service delivery whether in person or by telehealth.

(1) **Students.** Supervision of the student must occur by one of the following methods:

(A) Direct, on-site supervision will be provided by the Oklahoma licensed Occupational Therapist for the Occupational Therapy student in models of healthcare or educational systems. Supervision of the Occupational Therapy Assistant student may be provided by an Oklahoma licensed Occupational

Therapy Assistant working under supervision of an Oklahoma licensed Occupational Therapist.

(B) In emerging occupational therapy models, areas of innovative community-based and social systems-based occupational therapy practice where there is no occupational therapy practitioner on site, the occupational therapy practitioner must provide a minimum of six hours of weekly supervision. Supervision must include role modeling for the student, direct observation of client interaction, meeting with the student, review of student paperwork, and availability for communication and consultation. The supervisor must be readily available during all working hours. It is understood that supervision begins with more direct supervision and gradually decreases to a minimum of six hours weekly as the student demonstrates competence. The supervisor must be cognizant of the individual student's needs and must use judgment in determining when an individual student may need more of the supervisor's time.

(2) **New graduates.** Direct on-site supervision will be provided by the Occupational Therapist for new Occupational Therapist and Occupational Therapist Assistant graduates practicing under a letter authorizing practice temporarily.

(3) **Techs and aides.** Direct on-site supervision will be provided by the Occupational Therapist or Occupational Therapy Assistant for aides/technicians providing patient care. Occupational Therapists and Occupational Therapy Assistants will delegate only those tasks that are of a routine nature and do not require interpretation or professional judgment. The occupational therapy practitioner must ensure the aide/technician has demonstrated competency in the delegated tasks.

435:30-1-18. Telehealth regulations

(a) In order to provide occupational therapy services via telehealth defined in 435:30-1-2 of the Code, an occupational therapist or occupational therapy assistant providing services to a patient or client in this State must have a valid and current Occupational Therapy or Occupational Therapy Assistant license issued by State of Oklahoma.

(b) An occupational therapist shall determine whether an in-person evaluation or in-person interventions are necessary in lieu of telehealth provision, considering: the complexity of the patient's/client's condition; the provider's own knowledge, skills and abilities; the nature and complexity of the intervention; the requirements of the practice setting; and the patient's/client's context and environment. Clinical reasoning for providing occupational therapy via teletherapy must be documented at the onset of treatment in the patient's/client's record.

(c) All legal, regulatory, and ethical rules applicable to the delivery of in-person occupational therapy shall also apply to the delivery of occupational therapy via telehealth technology.

(d) Audio and video equipment must allow for interactive, real-time communications which permit the occupational therapist or occupational therapy assistant and the patient to see and hear each other. Any telehealth technology used by any

occupational therapist or occupational therapy assistant must comply with confidentiality requirements imposed by federal or state law concerning network connection security in place for video and non-video connections, specifically including requirements under HIPAA.

(e) An occupational therapist or occupational therapy assistant providing occupational therapy services via telehealth shall:

(1) Exercise the same standard of care when providing occupational therapy services via telehealth as with any other mode of delivery of occupational therapy services;

(2) Provide occupational therapy in a manner consistent with the standards of practice, ethical principles, rules and regulations for Oklahoma occupational therapy practitioners. Therefore, it is the occupational therapy practitioner's responsibility to determine when a telehealth encounter is not the appropriate treatment model;

(3) Determine if it is medically and clinically necessary for a licensed healthcare provider or technician trained in the use of the equipment to be utilized at the originating site to "present" the patient, manage the cameras, and perform any physical activities to successfully complete the initial patient evaluation; and

(4) Be proficient in the use of the telehealth and/or telemedicine technology.

(f) An occupational therapist or occupational therapy assistant that is providing therapy services via telehealth as a mode of service delivery will be required to have two (2) continuing education units in the area of telehealth practice each reporting period.

(g) An occupational therapist may utilize telehealth methods for routine and general supervision of Form 5-registered supervisees, but not when direct on-site supervision is required under 435: 30-1-2.

(h) Fieldwork students must follow the Accreditation Council for Occupational Therapy Education ("ACOTE") standards, academic program rules, and practice setting policies regarding the use of telehealth service delivery as well as follow all applicable supervision rules under 435:30-1-15 and 435:30-1-16.

(i) Failure to comply with telehealth regulations shall be considered unprofessional conduct as set forth in Section 9 of the Occupational Therapy Practice Act.

GIST/ANALYSIS:

The proposed revisions will bring the rules up to date and consistent with updated law. These revisions add several definitions as well as a code of ethics, which has been included by the Advisory Committee on Dietetic Registration to incorporate the ethical standards adopted by the Commission on Dietetic Registration ("Commission") and Academy of Nutrition and Dietetics ("Academy"). The Commission is the national credentialing body for dietetics and nutrition professionals, and the Academy serves as the national association for these professionals. Additionally, contradictory language regarding the Committee conducting investigatory hearings that are currently performed by the Board consisted with its statutory authority under the Licensed Dietitian Practice Act is being repealed.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S. SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2020:

435:35-1-2. Definitions

The following words and terms, when used in this Chapter, shall have the following meanings, unless the context clearly indicates otherwise:

"Association" **"Academy"** means the American Dietetic Association Academy of Nutrition and Dietetics and is the national professional association for registered dietitians which accredits education and pre-professional training programs in dietetics.

"ACEND" means the Accreditation Council for Education in Nutrition and Dietetics which accredits educational and pre-professional training programs in dietetics.

"Act" means the Licensed Dietitian Act, 59 O.S. Supp. 1984, Section 1721 et seq.

"Autonomy" means ensures a patient, client, or professional has the capacity and self-determination to engage in individual decision-making specific to personal health or practice.

"Beneficence" means encompasses taking positive steps to benefit others, which includes balancing benefit and risk.

"Board" means the Oklahoma State Board of Medical Licensure and Supervision.

"Competence" means a principle of professional practice, identifying the ability of the provider to administer safe and reliable services on a consistent basis.

"Conflict(s) of Interest(s)" means defined as a personal or financial interest or a duty to another party which may prevent a person from acting in the best interests of the intended beneficiary, including simultaneous membership on boards with potentially conflicting interests related to the profession, members or the public.

"Commission" means the Commission on Dietetic Registration and is the agency which evaluates credentials, administers proficiency examinations and issues certificates of registration to qualifying dietitians and is a member of the National Commission on Health Certifying Agencies.

"Customer" means any client, patient, resident, participant, student, consumer, individual/person, group, population, or organization to which the nutrition and dietetics practitioner provides service.

"Diversity" means The Academy values and respects the diverse viewpoints and individual differences of all people. The Academy's mission and vision are most effectively realized through the promotion of a diverse membership that reflects cultural, ethnic, gender, racial, religious, sexual orientation, socioeconomic, geographical, political, educational, experiential and philosophical characteristics of the public it serves. The Academy actively identifies and offers opportunities to individuals with varied skills, talents, abilities, ideas, disabilities, backgrounds and practice expertise.

"Evidence-based Practice" means Evidence-based practice is an approach to health care wherein health practitioners use the best evidence possible, i.e., the most appropriate information available, to make decisions for individuals, groups and populations. Evidence-based practice values, enhances and builds on clinical expertise, knowledge of disease mechanisms, and pathophysiology. It involves complex and conscientious decision-making based not only on the available evidence but also on client characteristics, situations, and preferences. It recognizes that health care is individualized and ever changing and involves uncertainties and probabilities. Evidence-based practice incorporates successful strategies that improve client outcomes and are derived from various sources of evidence including research, national guidelines, policies, consensus statements, systematic analysis of clinical experience, quality improvement data, specialized knowledge and skills of experts.

"Justice" means (social justice): supports fair, equitable, and appropriate treatment for individuals and fair allocation of resources.

"LD" means a person duly licensed as a licensed dietitian under the Licensed Dietitian Act.

Permanent Final Adoptions

"Non-Maleficence" means is the intent to not inflict harm.

"PLD" means a person duly licensed as a provisional licensed dietitian under the Licensed Dietitian Act.

"RD" means registered dietitian.

"RDN" means represents an accepted abbreviation for a registered dietitian according to the Commission.

435:35-1-4. Standards of professional conduct

(a) **Purpose.** The rules in this section on the profession of dietetics shall be to establish the standards of professional conduct required of a licensee.

(b) **Statutory standards.** Examples of activities included in the statutory definition of dietetics are as follows:

Permanent Final Adoptions

435:35-1-5. Academic requirements for examination and licensure

The purpose of this section is to set out the academic requirements for examination and licensure as a dietitian or provisional licensed dietitian.

(1) The Board shall accept as meeting licensure requirements baccalaureate and post-baccalaureate degrees received from American colleges or universities which held accreditation, at the time the degree was conferred, from accepted regional educational accrediting associations as reported by the American Association of Collegiate Registrars and Admissions Officers.

(2) Degrees and course work received at foreign colleges and universities shall be acceptable only if such course work could be counted as transfer credit from accredited colleges or universities as reported by the American Association of Collegiate Registrars and Admissions Officers.

(3) The relevance to the licensing requirements of academic courses, the titles of which are not self-explanatory, must be substantiated through course descriptions in official school catalogs or bulletins or by other means acceptable to the Board.

(4) The Board shall accept no course which an applicant's transcript indicates was not completed with a passing grade or for credit.

~~(5) In evaluating transcripts, the Board shall consider a quarter hour of academic credit as 2/3 of a semester hour.~~

~~(6)~~ In the event that an academic deficiency is present, an applicant may re-apply by submitting proof that the deficiency has been corrected and payment of appropriate fees.

~~(7)~~ Persons applying for licensure must possess a baccalaureate or post-baccalaureate degree including a minimum of 24 semester hours from the fields of human nutrition, food and nutrition, dietetics, or food systems management, or an equivalent major course of study as may be approved by the Board. A substantial equivalent major course of study shall be defined as either:

~~(A) a baccalaureate or post baccalaureate degree including a minimum of 30 semester hours specifically designated to train a person to apply and integrate scientific principles of human nutrition under different health, social, cultural, physical, psychological and economic conditions to the proper nourishment, care and education of individuals or groups through the life cycle. Of these 30 semester hours, a minimum of 18 semester hours must be from human nutrition, food and nutrition, dietetics, or food systems management; or~~

~~(A) and have completed a didactic program in dietetics (DPD) accredited by ACEND and earned a verification statement~~

~~(B) or have a bachelor's or post-baccalaureate degree in another field of study and also have completed a didactic program in dietetics (DPD) accredited by ACEND and earned a verification statement.~~

~~(B) a baccalaureate or post baccalaureate degree including a major course of study meeting the minimum academic requirements to qualify for examination by the Commission.~~

~~(8)~~ Persons applying for licensure must be registered or registry eligible with the Commission on Dietetic Registration by having satisfactorily completed a supervised practice program an internship or pre-planned professional experience program (e.g. Coordinated Program, AP4) approved by the American Dietetic Association accredited by ACEND.

435:35-1-11. Disciplinary hearings [REVOKED]

Investigatory hearings may be conducted by the Advisory Committee on Dietetic Registration to ascertain facts, make conclusions and recommendations to the Board.

~~(1) All notices or other papers requiring service in an individual proceeding shall be served in the manner set forth in 435:1-1-4 (c).~~

~~(2) The time set for a hearing shall not be less than thirty days after the date the notice is completed.~~

~~(3) All parties to said hearing are authorized to use discovery techniques available to parties in a civil action in the state courts of Oklahoma.~~

~~(4) The hearing shall be conducted in an orderly manner by the Chairman of the Advisory Committee. The order of procedure will follow that which applies in civil proceedings of law.~~

~~(5) All hearings shall be conducted in accordance with and be governed by the provisions of the Oklahoma Administrative Procedures Act, 75 O.S. 1981, Sections 301 through 327, as now or hereinafter may be amended.~~

~~(6) The hearing will be tape recorded and a record preserved at the Board office. If the respondent desires a certified court reporter to be present, that party shall be responsible for securing the attendance of the same. Neither the Advisory Committee nor the Board shall be responsible for the cost for the attendance of the reporter or a transcript of the hearing.~~

~~(7) If a transcript of the hearing is desired, the requesting party must deposit sufficient funds to cover the transcription cost. The fees previously adopted by this Board for such transcription shall be applicable.~~

~~(8) Requests for continuances received prior to the hearing date may be granted by the Chairman of the Advisory Committee for good cause shown.~~

~~(9) The Advisory Committee shall conduct the hearing, receive all evidence and shall thereafter make its recommendations to the Board for an appropriate order. Such recommendations shall be made within 15 days after the hearing. An aggrieved party may appeal such finding to the Board within thirty (30) days of the issuance of the Advisory Committee's Recommendations.~~

(10) Appeals to the Board must be made by written request of the appellee. Parties will be afforded an opportunity to make oral arguments to the Board.

HB1094 removes the statutory requirement for salesperson licensing and replaces with a requirement for salesperson registration. Therefore, the first three amended sections remove any reference of salesperson "license", "licensing" and substituting with verbiage "registration" "registered" or "certificate of registration". The new section is required to comply with the Oklahoma Tax Commission's law, Title 47, Section 1128(A) concerning a licensed salesperson's exemption from the 72 hour limit on operating a motor vehicle with a dealer's tag affixed.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S. SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2020:

SUBCHAPTER 3. LICENSE IDENTIFICATION LICENSES AND CHANGES REGISTRATIONS

465:10-3-1. Purpose

The rules in this subchapter outline additional requirements for licensing of ~~dealers and dealerships~~, registration of salespersons and renewal of those licenses and registrations.

465:10-3-3. Salespersons' ~~license~~ registration

(a) License Registration. Contemporaneous with the employment of a new Salesperson being employed, an application for Salesperson License registration shall be submitted to the Commission on forms prescribed by the Commission along with the appropriate fee paid by the employing licensed dealer. A license certificate of registration for a Motor Vehicle Salesperson will ~~not be issued, issued, renewed, or endorsed until the employing Dealer is licensed and has certified that the applicant for said license is in his or her employ. It is not intended that the Dealer pay for licenses for its Salespersons. However, for convenience, the Dealer may do so on a reimbursable basis or any other plan satisfactory to its organization by the Commission within ten days of receipt of a completed application and the proper fee.~~ All Salespersons' license certificates of registration will be sent to the Dealer for distribution to his or her respective applicants, and the Dealer will determine that all its personnel required to obtain license be registered have done so. Salesperson Licenses registrations are required for anyone involved in the selling of new or used vehicles, including sales managers and F&I personnel.

(b) Identification card. A Salesperson's license certificate of registration shall consist of an identification card. The card shall be carried upon his or her person when acting as a Salesperson.

(c) Termination of employment. Upon termination of employment of a licensed registered Salesperson, the dealership must notify the Motor Vehicle Commission in writing within ten days.

(d) One license registration and employer at a time. No Salesperson may ~~hold be registered with more than one licensed dealer~~ at any ~~one~~ time or be employed by, or sell for, any Dealer other than the Dealer designated on the Salesperson's license certificate of registration, except as follows:

(1) A Salesperson may ~~hold be registered with more than one licensed dealer~~ only in instances where the salesperson is employed by multiple dealerships which have the same majority ownership;

(2) ~~The~~ A Salespersons' ~~new or renewal license registration~~ application shall reflect all dealerships must be submitted for each dealership which have the

same majority ownership for which the Salesperson seeks a Salesperson's license to be registered;

(3) The identification card or cards which are issued in accordance with OAC Title 465:10-3-3(b), shall contain the names of all commonly owned dealerships for which the Salesperson is licensed-registered; and,

(4) The Salesperson shall only sell for the dealerships designated on the Salespersons' identification card.

(e) **Change of employment.** ~~A licensed Salesperson shall, on Upon change of employment to another dealership, surrender the Salesperson's License to the new employer, who shall submit the License along with the appropriate Transfer form and fee to the Commission for issuance of a replacement License reflecting the change of employers. The existing certificate of registration shall be invalid. A new application for registration along with the appropriate fee paid by the employing dealer shall be submitted to the Commission. Within ten days of receipt of a completed application and required fee the Commission will issue a certificate of registration for a New Motor Vehicle Salesperson.~~

465:10-3-5. **Renewal of licenses and salesperson registrations**

~~Application~~Notification for renewal of all licenses and salesperson registrations shall be ~~mailed~~sent by the Commission to each of its licensees by May 1 of each year and all licensees shall return the completed renewal ~~application~~applications, along with the proper fees, by June 1 of each year.

465:10-3-6. **Compliance with dealer's tag provision**

A Salesperson Certificate of Registration issued in accordance with the procedures set forth in 465:10-3 shall be considered "a valid salesman's license issued by the Oklahoma Motor Vehicle Commission" for purposes of 47 O.S. § 1128(A), concerning a licensed salesperson's exemption from the seventy-two hour limit on operating a motor vehicle with a dealer's tag affixed.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2020:

475:20-1-4. Physical security controls for nonpractitioners; manufacturing areas

Physical security controls for nonpractitioners and manufacturing areas shall be in compliance with Title 21 Code of Federal Regulations §1301.73, except physical security controls for medical marijuana commercial growers, processors, packagers, and manufacturers shall, at a minimum, meet the following requirements:

(1) All in-process medical marijuana shall be returned to the storage area at the termination of the process. If the process is not terminated at the end of a workday (except where a continuous process or other normal manufacturing operation should not be interrupted), the processing area or tanks, vessels, bins or bulk containers containing medical marijuana shall be securely locked, with adequate security for the area or building.

(2) Each building shall require a security alarm system, that upon unauthorized entry, shall transmit a signal directly to a central station protection company, or local or state police agency that has a legal duty to respond, or a 24-hour control station operated by the registrant, or to such other source of protection as the Director may approve.

(3) Each building shall be equipped with self-closing, self-locking doors constructed of substantial material commensurate with the type of building construction, provided, however, a door which is kept closed and locked at all times when not in use and when in use is kept under direct observation of a responsible employee or agent of the registrant is permitted in lieu of a self-closing, self-locking door. Doors may be sliding or hinged. If doors hinges are mounted on the outside, such hinges shall be sealed, welded or otherwise constructed to inhibit removal. Locking devices for such doors shall be either of the multiple-position combination, keyless entry, or key lock type and;

(A) In the case of key locks, shall require key control which limits access to a limited number of employees, or;

(B) In the case of multiple-position combination or keyless entry systems, the system shall be limited to a minimum number of employees and can be changed upon termination of employment of an employee having knowledge of the combination.

(4) Any outdoor or greenhouse facilities shall provide adequate security measures for the area or building including the following:

(A) The entire outdoor or greenhouse facility shall be surrounded by a fence and entry gates. Acceptable fencing shall be a metal chain link fence with a wire diameter at least nine (9) gauge or larger, or another similarly secure material or wood. The fence shall measure at least eight (8) feet from the ground to the top of the fence. The fence may be at least six (6) feet of acceptable fencing with a top guard of fencing wire with sharp edges or points, such as barbed wire, to enhance the overall height of the fence to the minimum of eight (8) feet. All support posts shall be steel and securely anchored.

(B) All entry gates shall measure at least eight (8) feet from the ground to the top of the entry gate and shall be constructed of acceptable fencing. The entry gate may be at least six (6) feet of acceptable fencing with a top guard of fencing wire with sharp edges or points, such as barbed wire, to enhance the overall height of the entry gate to the minimum of eight (8) feet. All entry gates shall be kept closed and securely locked at all times when not in use and when in use shall be kept under direct observation of a responsible employee or agent of the registrant.

(C) The fence and entry gates shall be in good repair and obscure the outdoor or greenhouse facility so that it is not easily viewed from outside the fence or entry gates.

(5) The medical marijuana commercial growing, processing, packaging, and manufacturing areas shall be accessible only to an absolute minimum number of authorized employees. When it is necessary for employee maintenance personnel, nonemployee maintenance personnel, business guests, or visitors to be present in or pass through areas where controlled dangerous substances are

present, the registrant shall provide for adequate observation of the area by an employee specifically authorized in writing.

(6) A registrant may, in writing, request that the OBN waive one or more of the security requirements described in subsection (4) of this rule, by submitting on a form provided by the OBN a security waiver request for OBN approval. The OBN may in its discretion and on a case-by-case basis, approve the security waiver if it finds that the alternative safeguard proposed by the registrant meets the goals of the above security requirements. Approved security waivers expire at the same time as the underlying registration. The registrants request for a waiver shall include:

(A) The specific portion(s) of subsection (4) that is requested to be waived;

(B) The reason for the waiver; and,

(C) A description of an alternative safeguard the registrant will implement in lieu of the requirement that is the subject of the waiver.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2020:

475:30-1-2. Persons entitled to issue prescriptions

Only a registered individual practitioner may issue a prescription for a Schedule II, III, IV and V controlled dangerous substance. Except as otherwise prohibited by law or rule. ~~An~~ an individual practitioner, an authorized employee of the practitioner, or an authorized employee of the facility at which the practitioner works may communicate by telephone an oral prescription for any controlled dangerous substance in Schedules III, IV or V being prescribed by the individual practitioner. It remains the responsibility of the practitioner to guard against the diversion of CDS by employees authorized by him/her to call in such prescriptions.

475:30-1-4. Manner of issuance of prescriptions

(a) The practitioner shall sign a ~~written~~ prescription in the same manner he/she would sign a check or legal document and shall also type, stamp, or print the practitioner's name on the face of each prescription. Where an oral order is not permitted or an electronic prescription is not utilized, prescriptions shall be written with ink. All written prescriptions shall be manually signed by the practitioner. The prescriptions may be prepared by an agent for the signature of a practitioner, but the prescribing practitioner is responsible in the event the prescription does not conform in all essential respects to the Uniform Controlled Dangerous Substances Act and this Chapter.

(b) A resident or staff practitioner, an intern of a teaching hospital, or a limited institutional practitioner of a federal, state, or local government hospital or institution, exempted from registration or registered in fee-exempt status with the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control (OBN), shall include on all prescriptions issued by him/her the hospital or institutional Federal Drug Enforcement Administration (DEA) registration number with the special internal code number assigned by the hospital or other institution; or include on all prescriptions he/she issues his/her personal DEA registration number. Such prescriptions issued by interns of a teaching hospital, if for outpatients, must be countersigned by a practitioner licensed by the practitioner's appropriate State of Oklahoma licensing board.

(c) A practitioner must state on a ~~written~~ prescription for any controlled dangerous substance the name, address, and DEA registration number of the practitioner; the date of delivery of the prescription; the name, dosage, and strength per dosage unit of the controlled dangerous substance; the name and address of the patient, or if it is a veterinary prescription, the species of the animal and the name and address of the owner; the directions for use and any cautionary statements required; and if allowable, the number of times to be refilled.

(1) The face of a prescription must not be materially altered; if an error is made in filling out the prescription, a

new prescription must be ~~written~~ issued by the prescribing practitioner.

(A) A pharmacist may add to the prescription the patient's address or age, the prescribing practitioner's DEA registration number, or the generic drug name if used.

(B) After confirming with the prescribing practitioner, the pharmacist may add information indicating the strength, whether tablet or capsule form, and whether it is compounded if such additions would not materially alter the prescription.

(C) If omitted, the directions (Sig) or the quantity, may be added by the pharmacist after confirming with the prescribing practitioner.

(D) Documentation of contacting the prescribing practitioner will be noted on the back of the prescription regarding (B) and (C) above.

(2) A ~~written~~ prescription for a controlled dangerous substance in Schedule II becomes invalid thirty (30) days after the ~~date of issuance~~ earliest date on which a pharmacy may fill the prescription, with day one (1) of the thirty (30) day period being the first day after the ~~date of issuance~~ earliest date on which a pharmacy may fill the prescription. After issuing an initial prescription pursuant to Section 2-309I of Title 63, an individual practitioner may issue one (1) subsequent prescription for an immediate-release opioid drug in Schedule II in a quantity not to exceed seven (7) days if:

(A) The subsequent prescription is due to a major surgical procedure and/or "confined to home" status as defined in 42 U.S.C. 1395n(a);

(B) The practitioner provides the subsequent prescription on the same day as the initial prescription;

(C) The practitioner provides written instruction on the subsequent prescription indicating the earliest date on which the prescription may be filled (i.e. "do not fill until" date); and,

(D) The subsequent prescription is dispensed no more than five (5) days after the "do not fill until" date indicated on the prescription.

(3) Each scheduled drug shall be written on a single prescription form, and no other prescriptions (controlled or non-controlled) shall be written on the same prescription form.

(d) Upon receiving an oral prescription, the pharmacist must reduce the oral prescription to the form specified in (c) of this Section, including the typewritten name of the prescribing practitioner. The pharmacist filling any prescription for any controlled dangerous substance must enter the date of filling and handwrite the initials of the pharmacist on the prescription. If the practitioner is not known to the pharmacist, he/she must make a reasonable effort to determine that the oral authorization came from a registered practitioner.

(e) Upon receiving an oral prescription, the pharmacist may use a computer printout label if the label meets all requirements for a prescription as set out by the Uniform Controlled Dangerous Substances Act and this Chapter. On computer labeling for oral prescriptions, it is not necessary that the DEA registration

Permanent Final Adoptions

number be on the label used as an oral prescription, but it must be recorded on the document prepared by the pharmacist.

(f) Written prescriptions may be transmitted by a practitioner to a dispensing pharmacy by facsimile. In such cases, the prescribing practitioner shall print "FAXED" on the face of the prescription, and the facsimile received must be on non-fading standard paper. Thermographic paper is not acceptable for any prescriptions for drugs in any Schedule.

(1) For drugs in Schedules III, IV, and V, a facsimile of a written, signed prescription transmitted directly by the prescribing practitioner to the pharmacy can serve as an original prescription.

(2) For drugs in Schedule II, the original written prescription must still be presented and verified against the facsimile at the time the substance is actually dispensed and the original document must be properly annotated and retained for filing subject to the exceptions listed in (3) below.

(3) Exception to (2): A facsimile copy of a prescription for a Schedule II drug when sent by facsimile by the prescribing practitioner:

(A) To a Home Infusion Pharmacy.

(B) When the prescription is for a patient in a Long Term Care Facility (LTCF).

(C) When the prescription is for a patient in a Hospice program certified by Medicare under Title XVIII or licensed by the state.

(D) If the facsimile is sent from a LTCF or hospice instead of the prescribing practitioner's office, the original must be presented at the time any controlled dangerous substance is dispensed.

(g) The pharmacist still bears the responsibility for ensuring that prescriptions for controlled dangerous substances have been issued for a legitimate medical purpose by an individual practitioner acting in the usual course of his/her professional practice. This responsibility applies equally to an order transmitted by facsimile. Measures to be considered in authenticating prescriptions sent by facsimile equipment would include maintenance of a practitioner's facsimile number reference file, verification of the telephone number of the originating facsimile equipment, and/or telephone verification with the practitioner's office that the prescription was both written by the practitioner and transmitted by the practitioner or the practitioner's agent.

(h) Electronic prescriptions are permitted as provided by 21 CFR §§ 1311 et. seq.

475:30-1-6. Requirements of prescriptions for controlled dangerous substances listed in Schedule II

(a) A pharmacy may dispense directly a controlled dangerous substance listed in Schedule II which is a prescription drug as determined under the Uniform Controlled Dangerous Substances Act, only pursuant to a ~~written~~ prescription or as otherwise provided for in this Title.

(b) A registered individual practitioner may administer or dispense directly a controlled dangerous substance listed

in Schedule II in the course of his/her professional practice without a prescription, subject to 475:30-1-5.

(c) An institutional physician limited in practice by the individual's appropriate Oklahoma state licensing board, other than those registered in a fee-exempt status with the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control, may administer or dispense directly (but not prescribe) a controlled dangerous substance listed in Schedule II, only pursuant to a ~~written~~ prescription signed by the "Limited Institutional Practitioner's" supervising chief medical practitioner or to an order for medication made by an individual supervising chief medical practitioner which is dispensed for immediate administration to the ultimate user.

(d) In case of an emergency situation, as defined by the Oklahoma State Board of Pharmacy pursuant to Title 63 Okl.St. Ann. §2-309, and Title 21 Code of Federal Regulations, §1306.11, the pharmacist of a registered or otherwise authorized pharmacy may dispense a controlled dangerous substance listed in Schedule II upon receiving oral authorization of a prescribing registered individual; PROVIDED that:

(1) The quantity prescribed and dispensed is limited to the amount adequate to treat the patient during the emergency period (dispensing beyond the emergency period must be pursuant to a ~~written~~ prescription signed by the prescribing registered individual practitioner).

(2) The prescription shall be immediately reduced to writing by the pharmacist and shall contain all information required in Title 63 Okl.St. Ann. §2-309 and OAC 475, except for the signature of the prescribing registered individual practitioner.

(3) If the prescribing registered individual practitioner is not known to the pharmacist, he/she must make a reasonable effort to determine that oral authorization came from a registered individual practitioner, which may include a callback to the prescribing registered individual practitioner, using his/her phone number as listed in the telephone directory and/or good faith effort to ensure his/her identity.

(4) In emergency situations, reasonable effort must be made to determine the identity of the person picking up the prescription if that person is not known to the pharmacist.

(5) Within seventy-two (72) hours after authorizing an emergency oral prescription, the prescribing registered individual practitioner shall cause a ~~written~~ prescription for the emergency quantity prescribed to be delivered to the dispensing pharmacist. In addition to conforming to the requirements of Title 63 Okl.St. Ann. §2-309(F), the prescription shall have written on its face "Authorization for Emergency Dispensing", and the date of the oral order. The ~~written~~ prescription may be delivered to the pharmacist in person or by mail, but if delivered by mail, it must be postmarked within the 72-hour period. Upon receipt, the dispensing pharmacist shall attach this prescription to the oral emergency prescription which had earlier been reduced to writing. The pharmacy shall notify the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control if the prescribing registered individual practitioner fails to deliver to him/her a ~~written~~ prescription; failure of

the pharmacy to do so shall void the authority conferred by this paragraph to dispense without a ~~written~~ prescription of a prescribing registered individual practitioner.

475:30-1-7. Partial filling of Schedule II prescriptions

(a) The partial filling of a prescription for a controlled dangerous substance listed in Schedule II is permissible if the pharmacy is unable to supply the full quantity called for in ~~a written or emergency oral~~ on the prescription, or where the partial fill is requested by the patient or the practitioner that wrote the prescription. A notation of the quantity supplied on the face of the ~~written~~ prescription (or written record of the emergency oral prescription) is required. Except as otherwise prohibited by law or rule, if the remaining portion of the prescription is going to be filled, it shall be filled not later than thirty (30) days after the ~~issuance of~~ earliest date on which a pharmacy may fill the prescription; however, in the case of emergency oral prescriptions, the remaining portion of a partially filled prescription shall be filled not later than seventy-two (72) hours after the earliest date on which a pharmacy may fill the prescription is issued.

(b) For each partial filling, the dispensing pharmacist shall record on the back of the prescription (or on another appropriate record, uniformly maintained, and readily retrievable) the date of the partial filling, quantity dispensed, remaining quantity authorized to be dispensed, and the identification of the dispensing pharmacist. Prior to any subsequent partial filling, the pharmacist is to determine that the additional partial filling is necessary. The total quantity of Schedule II controlled dangerous substances dispensed in all partial fillings must not exceed the total quantity prescribed. Schedule II prescriptions for patients in a LTCF or patients with a medical diagnosis documenting a terminal illness shall be valid for a period not to exceed 60 days from the issue date unless sooner terminated by the discontinuance of medication.

475:30-1-10. Requirements of prescriptions for controlled dangerous substances listed in Schedules III and IV

(a) A pharmacy may dispense controlled dangerous substances listed in Schedules III or IV only pursuant to either a ~~written~~ prescription signed by a registered or otherwise authorized individual practitioner, except as otherwise prohibited by law or rule, an oral prescription made by a prescribing registered or otherwise authorized individual practitioner and promptly reduced to writing by the pharmacist, containing all the information required by Title 63 Okl.St. Ann. § 2-309 and 2-314, and this Chapter, or pursuant to an electronic prescription in compliance with the terms of 21 CFR §§ 1311 et. seq. Computer labels meeting these requirements are acceptable.

(b) A registered or otherwise authorized individual practitioner may administer or dispense directly a controlled dangerous substance listed in Schedule III or IV in the course of his/her professional practice without a prescription, subject to 475:30-1-5.

(c) An institutional practitioner limited in practice by the individual's appropriate State of Oklahoma professional licensing board, other than those registered as fee-exempt by the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control, may administer or dispense directly (but not prescribe) a controlled dangerous substance listed in Schedule III or IV pursuant to a ~~written~~ prescription signed by the "Limited Institutional Practitioner's" supervising chief medical practitioner, or, except as otherwise prohibited by law or rule, pursuant to oral prescription made by the "Limited Institutional Practitioner's" supervising chief medical practitioner and promptly reduced to writing by the pharmacist containing all information required by 475:30-1-4, except for the signature of the "Limited Institutional Practitioner's" supervising chief medical practitioner or pursuant to an order for medication made by an individual supervising chief medical practitioner which is dispensed for immediate administration to the ultimate user, subject to 475:30-1-5.

475:30-1-14. Dispensing, prescribing, administering, or distributing without prescription

A controlled dangerous substance listed in Schedule V which is not a prescription drug as determined by the Oklahoma State Board of Pharmacy and/or the Federal Food and Drug Administration, may be dispensed by a pharmacy without a prescription to a purchaser at retail level; PROVIDED that:

(1) Such dispensing is made only by a pharmacist that has been licensed by the Oklahoma State Board of Pharmacy to dispense controlled dangerous substances and not by a non-pharmacist employee, even if under the supervision of a pharmacist (although after the pharmacist has fulfilled his/her professional and legal responsibilities set forth in this Section, the actual cash, credit transaction or delivery may be completed by a non-pharmacist).

(2) No person shall dispense, prescribe, administer or distribute to any one person, for the use of any one person or animal, any preparation(s) included in Title 63 Okl.St. Ann. § 2-313(B)(1), when the dispensing, prescribing, administering or distributing person knows, or can by reasonable diligence ascertain, that such dispensing, prescribing, administering or distributing will provide the person to whom or for whose use, or the owner of the animal for the use of which, such preparation is prescribed, administered, dispensed or distributed, within any forty-eight (48) consecutive hours, with more than 320 milligrams of opium, or more than 40 milligrams of morphine or any of its salts, or more than 160 milligrams of codeine or any of its salts, or will provide such person or the owner of such animal, within forty-eight (48) consecutive hours, more than one preparation exempted by Title 63 Okl.St. Ann. § 2-313.

(3) Except as otherwise authorized by the Act, OAC 475:30-1-14 shall not apply to the following cases:

(A) Prescribing, administering, dispensing or selling at retail not more than one of any of the following medicinal preparations that contain in thirty (30) milliliters or if a solid or semi-solid preparation, in one (1) avoirdupois ounce:

- (i) Not more than one hundred sixty (160) milligrams of opium.
- (ii) Not more than twenty (20) milligrams of morphine or any of its salts.
- (iii) Not more than eighty (80) milligrams of codeine or any of its salts.

(B) Prescribing, administering, dispensing or selling at retail of liniments, ointments and other preparations that are susceptible of external use only and that contain narcotic drugs in such combinations as to prevent their being readily extracted from such liniments, ointments or preparations, except that this shall apply to all liniments, ointments and other preparations that contain coca leaves in any quantity or combination.

(C) Any compound, mixture or preparation which contains not more than one drachma of paregoric per thirty (30) milliliters.

(D) The labeling requirements set forth in this Chapter shall not apply to medicinal preparations excepted by Title 63 Okl.St. Ann. § 2-313, and OAC 475.

(4) The medicinal preparation or the liniment, ointment or other preparation susceptible of external use only, prescribed, administered, dispensed or distributed shall contain, in addition to the narcotic drug therein, some drug or drugs conferring upon it medicinal qualities other than those possessed by the narcotic drug alone. Such preparation shall be prescribed, administered, dispensed and distributed in good faith as a medicine and not for the purpose of evading the provisions of the Uniform Controlled Dangerous Substances Act and this Chapter.

(5) The pharmacy, through its agent who is duly licensed by the Oklahoma State Board of Pharmacy, shall not dispense to persons under eighteen (18) years of age.

~~(6) The pharmacy requires every purchaser of controlled dangerous substances under this Chapter not known to him/her to furnish suitable identification (including proof of age where appropriate).~~

~~(76) A bound record book for dispensing controlled dangerous substances under this Section is maintained by the pharmacy, which book shall contain the name and address of the purchaser, the date of each purchase, and the name or initials of the pharmacist who dispensed the substance to the purchaser (the book shall be maintained in accordance with the record-keeping requirements of 475:25-1-4).~~

~~(87) The pharmacy agent dispensing controlled dangerous substances listed in Schedule V shall, pursuant to Title 63 Okl.St. Ann. § 2-314(B), affix to the package a label showing the prescription number, if any, the date dispensed, the purchaser's name, the name of the prescribing physician, if any, name and address of the pharmacy, if the patient or ultimate user is an animal, the name of the owner of the animal and the words "for veterinary use only".~~

475:35-1-3. Distribution upon discontinuance or transfer of business

(a) Any registrant desiring to discontinue business activities altogether or with respect to controlled dangerous substances (without transferring such business activities to another person) shall return for cancellation of his/her Certificate of Registration. Any controlled dangerous substances in his/her possession shall be disposed of in accordance with Title 21 Code of Federal Regulations, part 1317. Schedule I medical marijuana shall be disposed pursuant to standards set forth in ~~the Uniform Controlled Dangerous Substances Act, 63 Okla.St. Ann. §2-101 et seq., and OAC 252§429.~~

(b) Any registrant desiring to discontinue business activities altogether or with respect to controlled dangerous substances (by transferring such business activities to another person) shall submit in person or by registered or certified mail, return receipt requested, to the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control (OBN) at least fourteen (14) days in advance of the date of the proposed transfer (unless the Director waives this time limitation in individual instances), the following information:

- (1) The name, address, registration number, and authorized business activity of the registrant discontinuing the business (registrant-transferor).
- (2) The name, address, registration number, and authorized business activity of the person acquiring the business (registrant-transferee).
- (3) Whether the business activities will be continued at the location registered by the person discontinuing the business or moved to another location (if the latter, the address of the new location should be listed).
- (4) Whether the registrant-transferor has a quota to manufacture or procure any controlled dangerous substance listed in Schedule I or II (if so, the basic class or classes of the substance should be indicated).
- (5) The date on which the transfer of controlled dangerous substances will occur.

(c) Unless the registrant-transferor is informed by the OBN, before the date on which the transfer was stated to occur, that the transfer may not occur, the registrant-transferor may distribute (without being registered to distribute) controlled dangerous substances in his/her possession to the registrant-transferee in accordance with the following:

- (1) On the date of transfer of the controlled dangerous substances, a complete inventory of all controlled dangerous substances being transferred shall be taken in accordance with 475:25-1-5 through 475:25-1-12. This inventory shall serve as the final inventory of the registrant-transferor and the initial inventory of the registrant-transferee, and a copy of the inventory shall be included in the records of each person. It shall be necessary to file a copy of the inventory with the OBN unless waived by the Director. Except for Schedule I medical marijuana, transfers of any substances listed in Schedule I or II ~~require~~ require the use of order forms in accordance with Title 21 Code of Federal Regulations, § 1305.

- (2) On the date of transfer of the controlled dangerous substances, all records required to be kept by the registrant-transferor with reference to the controlled dangerous substances being transferred, pursuant to this Chapter and Title 21 Code of Federal Regulations, § 1304, or OAC 310:681-5-6, shall be transferred to the registrant-transferee. Responsibility for the accuracy of records prior to the date of transfer remains with the transferor, but responsibility for custody and maintenance shall be upon the transferee.

475:35-1-4. Procedure for disposing of controlled dangerous substances

Any registrant in possession of any controlled dangerous substances and desiring or required to dispose of such substances shall do so according to the provisions of Title 63 Okl.St. Ann. §2-315 and Title 21 of the Code of Federal Regulations, part 1317, except Schedule I medical marijuana shall be disposed pursuant to standards set forth in ~~the Uniform Controlled Dangerous Substances Act, 63 Okla.St. Ann. §2-101 et seq., and OAC 252§429.~~

GIST/ANALYSIS:

The proposed revisions to rules in 485, subchapters 3, 5, and 10 remove the requirement for the submission of faculty qualification records for faculty, allowing those records to be maintained onsite at the nursing education programs.

The proposed new rules in 485, subchapters 7, 9 and 15, in accordance with S.B. 670, allow for expedited licensure at no cost of active military and active military spouses relocated to Oklahoma and hold a valid, unencumbered license at the same level in another state or territory.

The proposed new rules in 485:10-11-4 sets out a list of criminal offenses that disqualify one from becoming or remaining a licensed nurse or certified Advanced Unlicensed Assistant. In addition, it prescribes a method for a potential applicant with a criminal history to obtain an initial determination of eligibility for licensure or certification, including the required fee. The rule implements the requirements of 59 O.S. §§567.1 et seq. and new law codified in 59 O.S. § 4000.1 that become effective November 1, 2019.

The proposed new rules in 485-10-16-6 includes the additional two hours of education requirements for prescriptive authority for Advanced Practice Registered Nurses who hold a valid federal Drug Enforcement Administration registration number. S.B. 848, signed by the Governor on May 19, 2019 with an emergency clause, amended the ONPA prescriptive authority renewal requirements in 59 O.S. § 567.4a. The rule revisions in 485-10-16-6 are necessary to ensure the requirements are in compliance with the law.

**SUBCHAPTER 3. REGULATIONS FOR
APPROVED NURSING EDUCATION PROGRAMS**

**485:10-3-2. Establishment of new nursing education
programs**

(a) Step I. Initial application.

- (1) An institution wishing to establish a new nursing education program shall advise the Board of its intent in writing, and shall seek Board consultation in the initial planning.
- (2) The institution shall submit the Step I Initial Application to the Board office at least eight weeks prior to a regularly-scheduled Board meeting, which provides the following information for the Board's consideration:
 - (A) mission and organization of the educational institution;
 - (B) accreditation status of the educational institution;
 - (C) type of nursing program to be established;
 - (D) relationship of nursing program to the educational institution;
 - (E) documentation of the rationale for the establishment of the nursing program in Oklahoma;
 - (F) tentative time-table for program development and implementation;
 - (G) source of potential qualified Nurse Administrator and faculty, with projected times of employment;
 - (H) tentative budget plans including evidence of financial resources adequate for developing, implementing, and continuing the nursing program;
 - (I) source of anticipated student population;
 - (J) description of support staff for the proposed program;
 - (K) description of physical facilities;
 - (L) description of available clinical resources with letters from clinical resources supporting development of a new program in nursing.
- (3) The application shall be signed by the controlling institution's administrative official with evidence that the institution is authorized to offer educational programs in

Oklahoma. Regional accreditation is recommended for institutions offering programs in nursing education.

(4) The Board shall advise the institution in writing of its decision to:

- (A) approve proceeding with development of the program-Step II; or
 - (B) defer approval pending a visit to the institution and/or receipt of further information; or

(89) The application shall be limited to fifty (50), single-sided pages, with at least a one inch margin, no less than 1.5 line spacing and no less than an 11 point font size.

485:10-3-5. Reports to the Board

The Board shall take action on all reports as appropriate.

(1) Faculty qualification report.

(A) A Faculty Qualification Record shall be submitted for ~~all instructional staff (full time, part time, classroom, or clinical)~~ the Nurse Administrator, and shall include educational preparation and employment experience.

(B) The Faculty Qualification Record for the Nurse Administrator must be submitted to the Board office by the Nurse Administrator on a form provided by the Board within thirty days of day of appointment, a change in title or status of position, and any time that an advanced degree is attained. The Faculty Qualification Record may be submitted electronically to a designated email address.

(2) **Enrollment and annual reports.** Enrollment and annual reports shall be submitted in formats requested by the Board.

(3) **Special reports.** Special reports to the Board shall include but not be limited to:

(A) notification in writing of administrative changes relating to and affecting the program within thirty days of the change, to include a change in Nurse Administrator;

(B) requests in writing to obtain approval prior to implementation for:

(i) major curriculum changes that alter the length of the program, substantially change the objectives, or reflect a significant philosophical or conceptual shift. Board staff may approve minor changes including but not limited to such matters as reorganizing existing course offerings, transferring existing objectives or content from one course to another, or alterations in the leveling of course objectives.

(ii) extended, distance learning, or off-campus offerings, when any nursing course is offered;

(iii) a significant change in instructional format;

(iv) a pilot or experimental program.

(4) **Pass Rate Reports.** Pass Rate Reports are required when the first-time NCLEX writer pass rate falls ten (10) percentage points or more below the national average and at least ten candidates wrote the examination (based on a calendar year.)

(5) **Completion Rate Reports.** A completion rate report is required when the program completion rate average is less than 70% for the most recent three (3) annual report years. Program completion rate shall be calculated as 200% of the program length as defined by selective admission to the nursing program's first nursing course. Admission is defined as the grade of the first nursing course that is transcribed with a letter grade of A, B, C, D, or F, which are used to calculate the grade point average. Individual exceptions to the calculation of completion rate include death, military, and peace corp.

(6) All reports shall be limited to ten (10), single-sided pages, with at least a one inch margin, no less than 1.5 line spacing and no less than an 11 point font size.

SUBCHAPTER 5. MINIMUM STANDARDS FOR APPROVED NURSING EDUCATION PROGRAMS

485:10-5-5.2. Faculty for nursing education programs

(a) There shall be sufficient number of qualified full-time faculty to meet the purpose and student learning outcomes of the nursing program.

(b) Qualifications, rights, and responsibilities of faculty members shall be available in writing.

(c) Faculty policies shall be available in writing, shall include those used in evaluating performance, specify the teaching load for the faculty and Nurse Administrator, and be in keeping with accepted educational standards.

(d) Sufficient time shall be provided for faculty to accomplish those activities related to the teaching-learning process.

(e) All nurse faculty shall:

(1) hold a valid unencumbered license to practice as a Registered Nurse in the State of Oklahoma;

(2) present evidence of a minimum of two (2) years full-time equivalent practice as a Registered Nurse in a clinical setting preceding the first date of first employment as a nursing faculty member, PROVIDED: any person employed in the faculty position on September 1, 2016, is deemed to meet this requirement; and

(3) ~~submit a Faculty Qualification Record to the Board office on a form provided by the Board and in accordance to OAC 485:10-3-5(1); and~~

(4) engage in teaching, scholarship, service and/or practice in keeping with the mission, goals, and expected faculty outcomes.

(f) All programs leading to licensure as a Registered Nurse in this state shall establish comparable educational qualifications for the nursing faculty as required for other teaching faculty in the governing organization. The minimum requirements shall be as follows:

(1) a master's or higher degree in nursing; or

(2) a baccalaureate degree in nursing plus evidence of continued progress toward a master's or higher degree in nursing with completion of a minimum of six (6) semester hours per calendar year; and

(3) at least one-half of the full-time faculty having a master's or higher degree in nursing; and

- (4) part-time clinical instructors, regardless of title used, having a minimum of a baccalaureate degree in nursing.
- (g) All programs leading to licensure as a Practical Nurse in this state shall establish requirements for nursing faculty as follows:
 - (1) minimum of an associate degree or diploma in nursing in this state, and effective January 1, 2017, has evidence of continued progress toward a baccalaureate or higher degree in nursing with completion of a minimum of six (6) semester hours per calendar year, **PROVIDED:** any person employed in the position of faculty of a practical nursing education program on December 31, 2016, is deemed to meet this requirement; and
 - (2) teacher certification, as established by the State Department of Education, when employed in schools conducted by public comprehensive high school systems.
- (h) There shall be a faculty organization with written policies and procedures to guide its activities and shall:
 - (1) hold regular meetings for all members to participate in planning, developing, implementing, and evaluating the nursing program;
 - (2) establish committees as necessary to carry out the functions of the program;
 - (3) provide for student participation; and
 - (4) maintain minutes of all meetings documenting actions and decisions of the faculty.

SUBCHAPTER 7. REQUIREMENTS FOR REGISTRATION AND LICENSURE AS A REGISTERED NURSE

 - (E) An evaluation of educational credentials as evidenced by:
 - (i) CGFNS Certificate Status or Visa Screen Certificate; or
 - (ii) CGFNS Credentials Evaluation Service Professional Report;
 - (iii) Reports received from CGFNS must have been completed within the five (5) years immediately preceding the date of application for licensure by endorsement. The five-year requirement is waived if the applicant holds a license in another state.
- (F) Evidence of either:
- (i) successful completion of the National Council Licensure Examination for Registered Nurses since July 1, 1982; or
 - (ii) passing the State Board Test Pool Examination for Registered Nurse licensure prior to July 1, 1982;
- (2) The requirement for verification by CGFNS is waived for applicants currently licensed in another state when the state validates that the credential review report was prepared by an independent credentials review agency.
- (3) The requirements for competence in spoken and written English are waived for applicants who are:
- (A) Graduates of nursing education programs taught in English in Australia, Canada (except Quebec), Ireland, New Zealand, the United Kingdom, Trinidad, Tobago, Jamaica, Barbados, South Africa, and the United States.
 - (B) Licensed in another US State or Territory and have successfully completed the licensure examination approved by the Board.
- (4) Applicants must submit a completed application and the required fee.
- (e) **Temporary license for endorsement applicants.**
- (1) A temporary license may be issued to the applicant on proof of:
 - (A) Current unrestricted licensure in another state, territory or country with no history of arrest or disciplinary action requiring further review;
 - (B) Evidence of having successfully passed the licensure examination adopted by the Oklahoma Board of Nursing;
 - (C) Evidence of meeting educational qualifications through completion of a state board-approved nursing education program meeting the educational standards established by the Board, or an evaluation of educational credentials and nursing licensure or registration as required in country of origin for the foreign-educated nurse as evidenced by:
 - (i) Commission on Graduates of Foreign Nursing Schools (CGFNS) Credentials Evaluation Service Professional Report with verification of equivalent educational credentials and unrestricted licensure in country of origin, or
 - (ii) Commission on Graduates of Foreign Nursing Schools (CGFNS) Certificate status or Visa Screen Certificate, accompanied by a verification of graduation from a government approved nursing education program, the translated transcript, and verification of unrestricted nursing

licensure or registration as required in country of graduation;

(D) Payment of the fee for licensure by endorsement and temporary license;

(E) Foreign-educated applicants must provide evidence of competence in oral and written English by meeting the requirements of 485:10-7-2(d)(1)(D) unless 485:10-7-2(d)(3) applies;

(F) Demonstrating evidence of continued qualifications for practice through meeting the requirements of 485:10-7-2(a)(6) or (7); and

(G) Submission of fingerprint images with the fee established by the Oklahoma State Bureau of Investigation and/or vendor for the purpose of permitting a state and national criminal history records search to be completed.

(2) The temporary license may not be issued for a period longer than ninety (90) days.

(3) The temporary license may be extended, but such period shall be no longer than one (1) year for any applicant.

(f) Licensure of active duty military or the spouse of an active military individual. Applications must be completed and filed with the Board.

(1) Submit with the endorsement application a copy of the United States Uniformed Services Identification and Privilege Card and a copy of the Permanent Change of Station orders for the active military individual;

(2) The requested Oklahoma license and/or temporary license shall be issued within thirty (30) days for their currently held valid license from another state or territory provided the license from the other state is found to be in good standing and reasonably equivalent to the requirements of this state; and

(3) The fee for licensure, including temporary license, of active duty military or the spouse of an active duty military individual is waived with the license expiration date extended through the first renewal cycle.

SUBCHAPTER 9. REQUIREMENTS FOR REGISTRATION AND LICENSURE AS A LICENSED PRACTICAL NURSE

485:10-9-2. Licensure by endorsement

(a) **Qualifications.**

- (G) Submission of fingerprint images with the fee established by the Oklahoma State Bureau of Investigation and/or vendor for the purpose of permitting a state and national criminal history records search to be completed.
- (2) The temporary license may not be issued for a period longer than ninety (90) days.
- (3) The temporary license may be extended, but such period shall be no longer than one (1) year.
- (f) **Licensure of active duty military or the spouse of an active military individual.** Applications must be completed and filed with the Board.
 - (1) Submit with the endorsement application a copy of the United States Uniformed Services Identification and Privilege Card and a copy of the Permanent Change of Station orders for the active military individual;
 - (2) The requested Oklahoma license and/or temporary license shall be issued within thirty (30) days for their currently held valid license from another state or territory provided the license from the other state is found to be in good standing and reasonably equivalent to the requirements of this state; and
 - (3) The fee for licensure, including temporary license, of active duty military or the spouse of an active duty military individual is waived with the license expiration date extended through the first renewal cycle.

SUBCHAPTER 10. ADVANCED UNLICENSED ASSISTANT

485:10-10-9. Records

- (a) The following records shall be maintained and submitted to the Board by approved training programs:
 - (1) curriculum plan and revisions; and

- (2) faculty records that provide for verification of academic credentials, clinical practice and current licensure as a registered nurse; and
- (3) verification of program completion for graduates of the program, in a format so designated by the Board.
- (b) The approved training programs shall maintain faculty records that provide evidence of faculty meeting licensure and employment experience requirements under 485:10-10-4.

SUBCHAPTER 11. DISCIPLINARY ACTION

485:10-11-4. **Licensure or certification of individuals with criminal history**

(a) This section establishes the criteria utilized by the Board in determining the effect of criminal history on eligibility for nursing licensure or Advanced Unlicensed Assistant (AUA) certification and implements the requirements of Oklahoma Statutes Title 59 Sections 567.1. *et seq.* and 4000.1 (2019). This section applies to:

- (1) all currently licensed nurses and holders of an AUA certificate;
- (2) all individuals seeking to obtain a nursing license or AUA certificate; and
- (3) all individuals seeking an initial determination of their eligibility for nursing licensure or AUA certification.
- (b) The felonies listed below in subsection (c) disqualify an individual from retaining licensure or becoming licensed as a nurse or retaining certification or becoming certified as an AUA in Oklahoma. However, subsection (c) is not an exhaustive or exclusive list of crimes, both felonies and misdemeanors resulting in a conviction or a deferred sentence, that may result in discipline from the Board of Nursing, up to and including revocation. The felonies listed in subsection (c) disqualify an individual because they substantially relate to the practice of nursing and pose a reasonable threat to public safety for the reasons stated below.

(1) **The practice of nursing is a unique profession.** Licensees and certificate holders practice nursing autonomously in a wide variety of settings and provide care to patients who are, by virtue of their illness or injury, physically, emotionally, and/or financially vulnerable. These patients often include the elderly, children, those with mental or cognitive disorders, sedated or anesthetized patients, and/or disabled or immobilized individuals. Individuals who have engaged in criminal conduct place patients, healthcare employers and employees, and the public at risk of harm.

(2) **Crimes involving fraud and/or theft.** Licensees and certificate holders often have unfettered access to patients' privileged information, financial information, and valuables, including but not limited to medications, money, jewelry, credit cards/checkbook, and/or sentimental items. The practice of nursing continues 24 hours per day in all healthcare settings, including those where there is often no direct supervision of the individual. Patients in these healthcare settings are particularly vulnerable to the unethical, deceitful, and illegal conduct of a licensee

or certificate holder. When an individual has engaged in criminal behavior involving fraud and/or theft, the Board is mindful that similar misconduct may be repeated in healthcare settings, thereby placing patients, healthcare employers and employees, and the public at risk. As such, crimes involving any type of fraud and/or theft are highly relevant to an individual's ability to provide safe nursing care.

(3) **Crimes involving sexual misconduct.** Licensees and certificate holders frequently provide nursing care to partially clothed or fully undressed patients, who are particularly vulnerable to exploitation. Due to the intimate nature of nursing care, professional boundaries in the practice of nursing are extremely important. When an individual has engaged in criminal behavior involving any type of sexual misconduct, the Board is mindful that similar misconduct may be repeated in healthcare settings. As such, crimes involving any type of sexual misconduct are highly relevant to an individual's ability to provide safe nursing care.

(4) **Crimes involving lying, falsification, and/or deception.** Licensees and certificate holders are required to accurately and honestly report and record information in a variety of places, such as medical records, pharmacy records, billing records, nursing notes, and plans of care, as well as to report errors in their own nursing practice. When an individual has engaged in criminal behavior involving lying, falsification, and/or deceptive conduct, the Board is mindful that similar misconduct may be repeated in healthcare settings, thereby placing patients, healthcare employers and employees, and the public at risk of harm. As such, crimes involving any type of lying, falsification and/or deception are highly relevant to an individual's ability to provide safe nursing care.

(5) **Crimes involving drugs and/or alcohol.** Licensees and certificate holders have a duty to their patients to provide safe, effective nursing care and to be able to practice safely. Individuals who have a substance use disorder may have impaired judgment and motor skills and are at risk for harming their patients and/or the public. Licensees and certificate holders have access to many medications and drugs and those with substance use disorders may misuse or steal drugs. Individuals affected by a substance use disorder may be unable to accurately assess patients, make appropriate judgments, or intervene in a timely and appropriate manner, thus putting their patients at risk. This danger is heightened when the licensee or certificate holder works in an autonomous setting where other healthcare providers are not present to intervene for the patient or the public. As such, crimes related to the use or possession of drugs or alcohol are highly relevant to an individual's fitness to practice.

(6) **Crimes involving violence and/or threatening behavior.** Licensees and certificate holders provide care to the most vulnerable of populations, including patients who often have no voice of their own and cannot advocate for themselves. Further, patients are dependent on the caregiver-patient relationship for their daily care.

When an individual has engaged in violent or threatening criminal behavior, the Board is mindful that patients may be at risk for similar behavior in a healthcare setting. As such, crimes involving violence and threatening behavior are highly relevant to an individual's fitness to practice.

(c) All crimes listed in this subsection are as described in Titles 21, 47 and 63 of the Oklahoma Statutes. In addition, the Board recognizes and gives similar treatment to similar offenses charged in other jurisdictions. Felony convictions that disqualify an individual from retaining licensure or becoming licensed as a nurse, or retaining certification or becoming certified as an AUA in Oklahoma include:

(1) Crimes involving fraud, theft, lying and/or falsification.

(A) Robbery 21 O.S. § 791 et seq.

(B) Falsely personating another to gain money or property 21 O.S. § 1532.

(F) Procure, cause the participation of a minor in any child pornography, buys, or knowingly possesses, procures, manufactures, or causes to be sold or distributed child pornography 21 O.S. §§ 1021.2 and 1024.2

(G) Commercial sale or distribution of pornography 21 O.S. § 1040.13.

(H) Soliciting/offering sex with minor 21 O.S. § 1040.13a.

(I) Offering or transporting one under 18 for sex 21 O.S. § 1087.

(J) Child Prostitution - unlawful detainment in prostitution house 21 O.S. § 1088.

(K) Lewd or indecent proposals to minor, sexual battery of minor 21 O.S. § 1123.

(L) Knowingly engaging in acts likely to spread Human Immunodeficiency Virus 21 O.S. § 1192.1.

(3) Crimes involving drugs and/or alcohol.

(A) Causing, aiding, abetting minor to commit controlled dangerous substance crimes 21 O.S. § 856.1.

(B) Drug trafficking 63 O.S. § 2-415.

(4) Crimes involving threats, violence and/or harm to another individual.

(A) Assault, battery, or assault and battery with a dangerous weapon 21 O.S. § 645.

(B) Aggravated assault and battery 21 O.S. § 646.

(C) Aggravated assault and battery on a law officer 21 O.S. § 650.

(D) Aggravated assault and battery on medical personnel with firearm or other dangerous weapon 21 O.S. § 650.5.

SUBCHAPTER 15. REQUIREMENTS FOR PRACTICE AS AN ADVANCED PRACTICE REGISTERED NURSE

485:10-15-4. Application

(a) **An applicant for licensure as an Advanced Practice Registered Nurse must:**

- (1) Hold a current license to practice as a Registered Nurse in Oklahoma;
- (2) Cause submission of an official transcript verifying completion of an advanced practice registered nursing education program in one of the four advanced practice registered nurse roles (CNP, CNM, CNS, and CRNA) and a specialty area recognized by the Board. The transcript must be obtained from an entity approved and recognized by the U.S. Department of Education as a primary source for providing education transcripts. Effective January 1, 2016, the applicant shall have completed an accredited

graduate level advanced practice registered nursing education program in at least one of the following population foci: family/individual across the lifespan, adult-gerontology (acute and/or primary), neonatal, pediatrics (acute and/or primary), women's health/gender related, or psychiatric/mental health;

(3) submit evidence of current national certification consistent with educational preparation and by a national certifying body recognized by the Board; and

(4) submit a completed application for licensure containing such information as the Board may prescribe and the required fee. If the application is not completed within one (1) year, a new application and new fee will be required.

(b) **Changing and adding certifications.**

(1) An Advanced Practice Registered Nurse who wishes to add an area of specialty and national certification must meet initial requirements for advanced practice licensure, as identified in 485:10-15-4(a).

(2) An Advanced Practice Registered Nurse who changes national certification and certifying body within the same specialty area must notify the Board in writing within thirty (30) days of the change and submit a copy of a current national certification recognized by the Board within the same specialty area.

(3) An Advanced Practice Registered Nurse holding more than one certification who does not renew or maintain one of the national certifications must notify the Board in writing within thirty (30) days of the change. The license for which the national certification has expired will be placed on inactive status. The Advanced Practice Registered Nurse shall not work in the specialty area upon expiration of national certification.

(c) **Endorsement.**

(1) An applicant who is licensed or recognized as an APRN in another U.S. state or territory may be issued an APRN license by endorsement if current Board requirements for licensure as an APRN are met. A Board-recognized APRN holding recognition may continue to be licensed as an APRN with his or her current certification, even if such certification is no longer included on the list of recognized APRN certifications and certifying bodies approved by the Board, PROVIDED the APRN license remains in an active status and current certification is maintained. The applicant must have met all requirements of the advanced practice certifying body to maintain full certification, including requirements for maintaining continuing competence. An applicant for APRN licensure by endorsement who holds certification on provisional or conditional status may be considered for licensure by the Board.

(2) In addition to meeting other requirements for endorsement established by the Board in these rules, the applicant for endorsement of the APRN license must demonstrate continued qualifications for practice through completion of one or more of the following requirements within the last two (2) years prior to receipt of a completed application in the Board office:

Permanent Final Adoptions

- (A) Cause submission of an official transcript, from an entity approved and recognized by the U.S. Department of Education as a primary source for providing education transcripts, or certificate of completion verifying completion of an APRN nursing refresher course meeting the requirements established by the Board in policy;
 - (B) Cause submission of an official transcript, from an entity approved and recognized by the U.S. Department of Education as a primary source for providing education transcripts, verifying successful completion of at least six (6) academic semester credit hours of APRN nursing courses in the same role and population focus as was previously held by the APRN in a graduate-level APRN program, which includes classroom and clinical instruction;
 - (C) Present evidence of current licensure or recognition as an APRN in another state or territory with employment in a position that requires APRN licensure or recognition with verification of at least 520 work hours during the past two (2) years preceding receipt of the application for endorsement in the Board office;
 - (D) Submission of evidence of current national certification consistent with educational preparation and by a national certifying body recognized by the Board.
- (d) **Temporary license for endorsement applicants.** Temporary licensure may be granted under the following conditions:
- (1) Current unrestricted licensure as an RN in Oklahoma;
 - (2) Current unrestricted APRN licensure or recognition in another state or territory in the same role with no history of arrest or disciplinary action requiring further review;
 - (3) Demonstrates evidence of meeting continuing qualifications for practice through meeting the requirements of 485:10-15-4(c)(2);
 - (4) Evidence of completing an advanced practice registered nursing education program in one of the four roles and a specialty area recognized by the Board;
 - (5) Evidence of current national certification consistent with educational preparation and by a national certifying body recognized by the Board;
 - (6) Completed application for endorsement and temporary recognition and the required fees; and
 - (7) Submission of fingerprints with the fee established by the Oklahoma State Bureau of Investigation and/or vendor for the purpose of permitting a state and national criminal history records search to be completed.
 - (8) The temporary license may not be issued for a period longer than ninety (90) days.
 - (9) The temporary license may be extended, but such period shall be no longer than one (1) year for any applicant.
- (e) **Licensure of active duty military or the spouse of an active military individual.** Applications must be completed and filed with the Board.

- (1) Submit with the endorsement application a copy of the United States Uniformed Services Identification and Privilege Card and a copy of the Permanent Change of Station orders for the active military individual;
 - (2) The requested Oklahoma license and/or temporary license shall be issued within thirty (30) days for their currently held valid license from another state or territory provided the license from the other state is found to be in good standing and reasonably equivalent to the requirements of this state; and
 - (3) The fee for licensure, including temporary license, of active duty military or the spouse of an active duty military individual is waived with the license expiration date extended through the first renewal cycle.
- (f) **Certification program.** The Board shall identify and keep on file the current list of recognized APRN certifications and certifying bodies approved by the Board. A Board-recognized APRN holding recognition prior to July 1, 2012, may continue to be licensed as an APRN with his or her current certification, even if such certification is no longer included on the list of recognized APRN certifications and certifying bodies approved by the Board, PROVIDED the APRN license remains in an active status and current certification is maintained. A licensee may request that a certification program be considered by the Board for inclusion on the list. Effective July 1, 2012, the certification program shall provide documentation of compliance with the following standards:
- (1) The certification program is national in the scope of its credentialing;
 - (2) Conditions for taking the certification examination are consistent with standards of the testing community;
 - (3) Educational requirements are consistent with the requirements of the advanced practice role and specialty;
 - (4) The standard's methodologies used are acceptable to the testing community such as incumbent job analysis studies and logical job analysis studies;
 - (5) Certification programs are accredited by a national accreditation body as acceptable by the Board;
 - (6) The examination represents entry-level practice in the APRN role and specialty;
 - (7) The examination represents the knowledge, skills and abilities essential for the delivery of safe and effective advanced nursing care to patients;
 - (8) Examination items shall be reviewed for content validity and correct scoring using an established mechanism, both before use and at least every five years. When possible, items will be reviewed for cultural bias;
 - (9) The passing standard is established using acceptable psychometric methods and is re-evaluated at least every five years;
 - (10) Certification is issued based upon meeting all certification requirements and passing the examination;
 - (11) A re-take policy is in place;
 - (12) Certification maintenance program, which includes review of qualifications and continued competence, is in place;
 - (13) Mechanisms are in place for communication to boards of nursing for timely verification of an individual's

certification status, changes in the certification status, and changes in the certification program, including qualifications, test plan and scope of practice; and

(14) An evaluation process is in place to provide quality assurance in the certification program.

SUBCHAPTER 16. REQUIREMENTS FOR PRESCRIPTIVE AUTHORITY FOR ADVANCED PRACTICE REGISTERED NURSES

485:10-16-6. Renewal

The application for renewal of prescriptive authority shall:

(1) be concurrent with the two-year RN licensure renewal and renewal of advanced practice registered nurse licensure;

(2) include:

(A) a completed application containing such information as the Board may prescribe and required fee;

(B) documentation approved by the Board verifying a minimum of fifteen (15) contact hours, or one academic credit hour of education, or the equivalent, in pharmacotherapeutics, clinical application and use of pharmacological agents in the prevention of illness, and in the restoration and maintenance of health. ~~At least one hour of the fifteen (15) required hours shall be specific to proper prescribing of opioids, risks of opioids, and/or recognizing addiction and diversion.~~—All of the required hours shall be obtained in a program beyond basic registered nurse preparation, approved by the Board, within the two-year period immediately preceding the effective date of application for renewal of prescriptive authority, which is applicable to the scope of practice and specialty certification. This documentation requirement does not apply to individuals renewing within twenty-four (24) months of initial prescriptive authority approval.

(i) The following categories identify how this requirement may be met. No more than the identified percentage for each category may apply towards the contact hour/academic hour or the equivalent requirements for renewal of prescriptive authority;

(ii) Maximum number of units acceptable in continuing education categories:

(I) Category A: up to 100% of requirement (1 credit hour)

(II) Category B: up to 100% of requirement (15 contact hours)

(III) Category C: up to 100% of requirement (15 contact hours)

(IV) Category D: up to 20% of requirement (3 contact hours)

(V) Category E: up to 20% of requirement (3 contact hours)

(C) documentation approved by the Board verifying two (2) hours of education in pain management

or two (2) hours of education in opioid use or addiction, unless the Advanced Practice Registered Nurse has demonstrated to the satisfaction of the Board that the Advanced Practice Registered Nurse does not currently hold a valid federal Drug Enforcement Administration registration number.

(D) A written statement signed by the physician supervising prescriptive authority that includes a method of assuring availability of the supervising physician through direct contact, telecommunications or other appropriate electronic means for consultation, assistance with medical emergencies, or patient referral. Applicants for renewal who have submitted a written statement signed by the physician supervising prescriptive authority prior to renewal but within ninety (90) days of the expiration date are not required to submit another written statement for renewal.

485:10-16-7. Reinstatement/Inactive Status

(a) Reinstatement.

(1) If an Advanced Practice Registered Nurse fails to renew prescriptive authority prior to the expiration date of that authority, the Advanced Practice Registered Nurse's prescriptive authority shall expire and the Advanced Practice Registered Nurse shall cease prescribing.

(2) The Advanced Practice Registered Nurse may reinstate the prescriptive authority recognition by submitting:

(A) a completed application containing such information as the Board may prescribe and required fee. If the application is not completed within one (1) year, a new application and new fee will be required;

(B) A written statement signed by the Oklahoma-licensed physician supervising prescriptive authority that includes a method of assuring availability of the supervising physician through direct contact, telecommunications or other appropriate electronic means for consultation, assistance with medical emergencies, or patient referral; and

(C) present evidence of:

(i) having met requirements for renewal of prescriptive authority as listed in 485:10-16-6(2)(B)(C); or

(ii) licensure or recognition as an APRN in the same role with prescriptive authority in another state with employment in a position that requires APRN prescriptive authority licensure or recognition with verification of at least 520 work hours during the past two (2) years preceding receipt of the application for reinstatement in the Board office.

(b) Inactive Status.

(1) An Advanced Practice Registered Nurse may submit a written request to place prescriptive authority on inactive status.

(2) The date of inactive status will be the date of approval by the Board. The Board may delegate approval of the licensee's request to be placed on inactive status to Board staff.

(3) The Advanced Practice Registered Nurse may return to active status the prescriptive authority recognition by submitting:

(A) a completed application containing such information as the Board may prescribe and required fee. If the application is not completed within one (1) year, a new application and new fee will be required;

(B) A written statement signed by the Oklahoma-licensed physician supervising prescriptive authority that includes a method of assuring availability of the supervising physician through direct contact, telecommunications or other appropriate electronic means for consultation, assistance with medical emergencies, or patient referral; and

(C) present evidence of:

(i) having met requirements for renewal of prescriptive authority as listed in 485:10-16-6(2)(B); or

(ii) licensure or recognition as an APRN in the same role with prescriptive authority in another state with employment in a position that requires APRN prescriptive authority licensure or recognition with verification of at least 520 work hours during the past two (2) years preceding receipt of the application for return to active status in the Board office.

527:1-1-2. Description of organization

(a) The Board is created by the Oklahoma Legislature, 59 O.S. 1996 Supp. §2053. The Board has the authority and duty to regulate and administer the practice of perfusion in this state.
(b) The Board consists of nine (9) members who are qualified and appointed in accordance with the provisions of 59 O.S. 1996 Supp. §2053 and §2054.

(c) Officers of the Board, Terms of office, and Vacancy. The officers of the Board shall be, in order of seniority, the Chair, Vice Chair, and Executive Secretary. Effective January 1, 2021, the officers of the Board shall serve one three-year term, with the exception of the Chair who shall only serve as Chair for one (1) year, and shall be elected at the first meeting after January 1 of the same year by a majority vote of the members attending the meeting; the Vice Chair shall automatically assume the position of Chair at the end of the one year term and a new Vice chair shall be elected by majority vote of the members in attendance at the meeting. Each succeeding year, the Vice-Chair shall become the Chair, the Executive Secretary shall elevate to be the Vice-Chair, and a new Executive Secretary shall be elected by the Board. Should any officer be unable to serve due to death, incapacity, or resignation, the next most senior officer, except in the case of a vacancy in the office of Executive Secretary, shall assume the vacant office and fulfill the unexpired year. He or she shall subsequently succeed himself or herself in the same office for a full year as if he or she had been elevated as set forth above. In the case of a vacancy in the office of Executive Secretary, the Board shall elect a new Executive Secretary at its next meeting to serve the unexpired portion of the year and will be subject to a retention vote at the first meeting of the year after January 1.

(d) Absence of Chair and Vice Chair. When the Chair is absent, the Vice Chair shall act in his or her absence. If the Vice Chair is also absent, the most senior member of the Board shall act as the chair.

The revision in 535:15-3-2 (h) removes the word "plumbing".

535:15-3-9 (c) (3) adds 'no pharmacist may serve as pharmacist in charge in more than one pharmacy at a time' for non-resident pharmacies so it is the same as for in-state pharmacies. The revision in 535:15-3-9 (g) adds a reference to Title 59 OS 353.20.2. The revision in 535:15-3-9 (i) adds pharmacy refrigerator and freezer temperature requirements.

The revision in 535:15-3-11 (c) adds the words "shipping to a reverse distributor for" to "destruction or by being returned to the supplier" to clarify the rule. The revision 535:15-3-11 (d) adds a reference to 59 OS 353.20.2, since pharmacist need to understand this complex statute before dispensing as it allows. 535:15-3-11 new (e) describes the formulary required under 59 OS Section 353.20.2.

Three cite revisions in 535:15-3-21 (d) (1) (C), 535:15-3-21 (d) (2) (A) and 535:15-3-21 (d) (3) correct to CFR 1306.22.

New 535:15-3-22 pharmacy refrigerator and freezer temperature requirements.

The revision in 535:15-5-2 definitions removes the definition of "Certified pharmacy technician", as it no longer exists in the rules.

The revision in 535:15-5-7.4 (a) (10) removes (A), (B), and (C) describing functions and limitations to what a pharmacy technician may perform in a hospital pharmacy. These requirements were replaced in 535:15-10-52 (d).

The revision in 535:15-6-5 (a) (7) inserts a new (B) which states 'No more than 5 visits in any one month count toward the 52 visit total for the year', the old (B) is moved to (C), the old (C) is moved to (D) and the old (D) is moved to (E).

The revision in 535:15-13-6 (b) removes (7) as these are replaced in 535:15-10-52 (d). The revision in 535:15-13-6 (b) renumbers (8) to (7), (9) to (8), and (10) to (9).

The revision in 535:15-13-7 (a) removes (5) as these are replaced in 535:15-10 compounded rules. The revision in 535:15-13-7 (a) (6) - (a) (8) are renumbered 535:15-13-7 (a) (5) - 535:15-13-7 (a) (7).

The revision in 535:15-18-4 removes (c) to improve clarity of the rule.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED FINALLY ADOPTED AS SET FORTH IN 75 O.S., SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE DATE OF SEPTEMBER 11, 2020:

SUBCHAPTER 3. PHARMACIES

535:15-3-2. Pharmacy responsibilities

(a) **Pharmacy staffing responsibility.** Each pharmacy shall employ an adequate number of pharmacists to perform the practice of pharmacy as defined by the Oklahoma Pharmacy Act with reasonable safety.

(b) **PIC.** Each pharmacy, in order to obtain and maintain a pharmacy license, must have a licensed pharmacist as the PIC.

(1) A PIC is designated by his signature on the original pharmacy application or by the appropriate notification to the Board as required in 535:15-3-10 (a), and is responsible for all aspects of the operation related to the practice of pharmacy. These responsibilities include, but are not limited to the:

- (A) supervision of all employees as they relate to the practice of pharmacy;
- (B) establishment of policies and procedures for safekeeping of pharmaceuticals that satisfy Board requirements, including security provisions when the pharmacy is closed;
- (C) proper record keeping system for the purchase, sale, delivery, possession, storage, and safekeeping of drugs;
- (D) proper display of all licenses;
- (E) annual controlled drug inventory; and,
- (F) maintenance of prescription files;

(2) Failure of the pharmacy to have a PIC who fulfills these responsibilities is a violation of this code by both the pharmacy and PIC.

(3) No pharmacist may serve as a PIC in more than one pharmacy at a time. This requirement shall not apply to charitable pharmacies or hospital drug rooms.

(4) The PIC shall be present and practicing at the pharmacy for which he holds the PIC position no less than 20 hours per week during the pharmacy's ordinary course of business. In the event the pharmacy's normal hours of business are less than 40 hours per week the PIC shall be present and practicing at least 50 percent of the normal business hours.

(5) A PIC shall work sufficient hours in the pharmacy to exercise control and meet the responsibilities of the PIC.

(c) **PIC's and pharmacy's responsibilities.** The following describe responsibilities of the pharmacy and PIC.

(1) Where the actual identity of the filler of a prescription is not determinable, the PIC and the pharmacy where the prescription was filled will be the subject of any charges filed by the Board.

(2) The pharmacy and the PIC are responsible to establish and maintain effective controls against prescription errors or misfills.

(3) The pharmacy and/or PIC shall notify the Board immediately by certified mail of the separation of employment of any pharmacist, pharmacy intern, or pharmacy technician for any suspected or confirmed drug or pharmacy related violation. If the PIC is terminated for such reason, the owner or other person in charge of the pharmacy shall notify the Board by certified mail.

(4) The pharmacy, pharmacist, and/or PIC shall establish and maintain effective controls against the diversion of prescription drugs into other than legitimate medical, scientific, or industrial channels as provided by federal, state or local laws or rules.

(5) The pharmacy, pharmacist and PIC are responsible for supervision of all employees as they relate to the practice of pharmacy.

(d) **Responsibility for automated pharmacy systems.** This subsection describes the responsibilities of the pharmacy and the PIC for automated pharmacy systems.

(1) Prior written notice must be provided to the Board of the installation or removal of automated pharmacy systems. Such notice must include, but is not limited to the:

- (A) name and address of the pharmacy,
- (B) name of PIC,
- (C) name of the manufacturer & model of system.

(2) The system being implemented should conform to Board automated pharmacy system guidelines.

(3) The pharmacy shall monitor the automated pharmacy system with a quality assurance program.

(4) The pharmacy, pharmacist, and/or PIC shall establish and maintain effective controls against the diversion of prescription drugs into other than legitimate medical, scientific, or industrial channels as provided by federal, state or local laws or rules.

(5) The pharmacy, pharmacist and PIC are responsible for supervision of all employees as they relate to the practice of pharmacy regarding automation.

(e) **Responsibilities for personnel identification.** The PIC and the pharmacy are responsible to assure that the public is able to distinguish pharmacy technicians, auxiliary support personnel, and/or interns from any pharmacist in the pharmacy.

- (1) All pharmacy technicians, auxiliary support personnel, and/or interns must wear a designation tag and be distinctly identifiable from a practicing pharmacist.
- (2) Designation tags must be clear, readable and lettered with "Rx Tech", "Tech", "Clerk", or "Intern".
- (3) All pharmacy interns, technicians or clerks must identify themselves as such on any phone calls initiated or received while performing pharmacy functions.

(f) **Written drug diversion detection and prevention.** The pharmacy, pharmacist, and/or PIC shall implement and follow a written drug diversion detection policy. The policy shall be available for Board review.

(g) **Inspections.** Pharmacies are subject to inspection. The Board and/or its authorized representatives may conduct on-site periodic routine inspections and investigations during reasonable business hours.

(h) **Remodel.** The pharmacy and the PIC are responsible to notify the Board in writing in advance of any remodel in the pharmacy that would result in a change in square footage; ~~plumbing~~, or additional storage areas. Such pharmacy shall be subject to inspection by the Board and shall be required to pay an inspection fee.

(i) **Closing of a Pharmacy.** The pharmacy and the PIC are responsible to notify the Board in writing within ten (10) days of the closing of a pharmacy. The notification shall include, but not be limited to:

- (1) Date of closing,
- (2) Copy of final CDS inventory,
- (3) Disposition of pharmacy records,
- (4) Disposition of prescription drugs, and
- (5) Return of pharmacy license.

(j) **Notification of Theft.** The pharmacy and the PIC shall report any theft or significant loss of any drugs to the Board within one day of discovery. The pharmacy and the PIC must complete and submit a DEA 106 form for any theft or significant loss of controlled substances to DEA within the required time. A copy shall be sent to the Board within fourteen (14) days of the filing of the DEA Form 106.

535:15-3-9. Non-resident pharmacies

(a) **Definitions.** "Non-resident pharmacy" means a pharmacy, not located in Oklahoma, which transacts or does business in Oklahoma by soliciting, receiving, dispensing, and/or delivering prescription medications and devices to Oklahoma residents.

(b) **Licensing requirements.** A non-resident pharmacy shall:

- (1) make application and receive an annual non-resident pharmacy license at a fee set by the Board;
- (2) maintain in good standing a pharmacy license in its resident state;
- (3) comply with the Oklahoma Secretary of State requirements for conducting business in this state.

(4) submit on initial licensure and on renewals a written report of an inspection conducted within the previous twenty-four (24) months by the non-resident's state or by any organization approved by the Board;

(5) be in a commercial location and not a personal dwelling or residence;

(6) submit on initial licensure the name and license number of an Oklahoma licensed pharmacist in charge (PIC) who is responsible for the non-resident's pharmacy compliance with Oklahoma laws. The name of the Oklahoma licensed PIC shall be reported to the Board, in writing, with each renewal and/or within 10 days of any change of such PIC.

(7) the pharmacy registrant may request, in writing, that the Board allow additional time for a new pharmacist-in-charge to get Oklahoma licensed in emergency or urgent situations. If the Board determines circumstances warrant they may grant up to a 90 day extension

(c) **Laws and regulations.** Oklahoma pharmacy laws and regulations shall apply to the practice of pharmacy for the Oklahoma portion of the nonresident pharmacy's practice or operation.

(1) The pharmacist manager (also called pharmacist-in-charge (PIC)) and all other pharmacists performing pharmacist-only functions in Oklahoma licensed non-resident pharmacies must be currently licensed in the state in which they are practicing. The PIC must also be licensed by the Board.

(2) The pharmacist manager (PIC) and/or pharmacy owner(s), or partners, or corporate officer(s) shall be responsible for compliance with Oklahoma laws and regulations pertaining to the provisions of receiving, dispensing, and/or delivering of prescriptions or prescription medications and devices to Oklahoma residents.

(3) No pharmacist may serve as a PIC in more than one pharmacy at a time.

(d) **Inspections.** Non-resident pharmacies are subject to inspection and investigation. ~~(4)~~ The Board may conduct on-site periodic routine inspections and investigations during reasonable business hours.

(e) **Records.** Prescription records documenting prescriptions delivered and distributed to Oklahoma residents shall be identifiable, readily retrievable and available for Board review.

(1) Records must be maintained for not less than five years.

(2) Patient records shall comply with 535:15-3-14.

(3) Schedule II, III, IV, and V prescription records. These records shall be sent to the Oklahoma Prescription Drug Monitoring program as set out in Title 63 of the Oklahoma Statutes.

(f) **Counseling services.** Non-resident pharmacies shall provide accessible toll-free telephone counseling by a licensed pharmacist for patient drug inquiries during regular working hours. The counseling provided shall comply with the pharmaceutical care requirements listed in OAC 535:10-9.

(g) **Prescription integrity.** A pharmacy or registrant shall not increase the quantity of a prescription without the authorization of the prescriber. Unless specified otherwise by

the prescriber, a pharmacist may exercise his professional judgement to dispense up to a ninety (90) day supply for maintenance non-controlled dangerous drugs, if sufficient quantity has been authorized by the prescriber on the original prescription, including any refills. Increasing controlled dangerous drugs or any medications that require reporting to the controlled substance database are prohibited. See 59 OS 353.20.2

(h) **Written drug diversion detection and prevention.** The pharmacy and the pharmacy manager shall implement and follow a written drug diversion detection and prevention policy and procedure. This policy and procedure shall be available for Board review.

(i) **Pharmacy refrigerator and freezer temperature logs.**

(1) All refrigerators and freezers used to store medications shall have a sensor or thermometer capable of reading internal temperatures.

(2) The internal temperatures maintained in the refrigerators and freezers shall be appropriate for the products stored.

(3) Temperatures in refrigerators and freezers shall be logged twice daily (AM and PM) on days the pharmacy is open for business or shall have continuous temperature monitoring.

(A) Pharmacy name, date, time, temperature and staff person taking reading shall be logged at a minimum for paper logs.

(B) Temperature logs shall be maintained on paper or electronically for two years and be available for inspection.

(4) If there is a temperature reading that falls outside of appropriate ranges, a notation must be made on the temperature log detailing the corrective measures which were taken.

(5) It is the PIC's responsibility to review the temperature readings to ensure compliance with appropriate storage temperatures.

535:15-3-11. Prescription drugs

(a) **Authorization; Original and refill prescriptions.** No prescription for a "dangerous drug" (as defined in 59 O.S., Section 353.1) shall be filled or refilled without the authorization of a prescriber licensed by law to prescribe within the scope of his practice.

(b) **Refill time limit; Non-CDS prescriptions.** Prescriptions may only be refilled as authorized by the prescriber. There shall be a maximum of one year from date of original prescription that the prescription may be refilled. After that time a new prescription shall be required.

(c) **Drug expiration dating.** All outdated prescription drugs shall be removed from the active inventory area upon expiration and cannot be used to fill prescriptions. The removal from the pharmacy of these expired drugs must occur within six months of expiration either by shipping to a reverse distributor for destruction or by being returned to the supplier.

(d) **Prescription integrity.** A pharmacy or registrant shall not increase the quantity of a prescription without the authorization of the prescriber. Unless specified otherwise by the prescriber, a pharmacist may exercise his professional

judgment to dispense up to a ninety (90) day supply for a maintenance non-controlled dangerous drug, if sufficient quantity has been authorized by the prescriber on the original prescription, including any refills. Increasing controlled dangerous drugs or any medications that require reporting to the controlled substance database are prohibited. See 59 OS 353.20.2 (A) (B)

(e) **Refills for patient safety.** The following prescription medications and devices are included in an inclusionary formulary of potentially life-saving prescription and devices authorized under 59 OS 353.20.2 (C) (4) which may be refilled by a pharmacist without an authorization in accordance with the requirements in 59 OS Section 353.20.2(C):

(1) Insulin and any devices or supplies necessary for the administration of insulin;

(2) Glucometers and any devices or supplies necessary for the operation of the glucometer;

(3) Rescue inhalers and any devices utilized that are necessary for the administration of a rescue inhaler;

(4) Inhalers for chronic asthma and chronic obstructive pulmonary disease (COPD) and any devices or supplies necessary for administration;

(5) Medication for nebulizers that treat acute and chronic pulmonary conditions and any devices necessary for administration; or

(6) Ophthalmic products for topical treatment of chronic conditions.

(7) No CDS medications can be dispensed pursuant to 353.20.2 (C) (4).

(8) A form will be posted on the Board website for the Pharmacist to complete to document attempts to obtain refill authorization from the prescriber by the patient and by the pharmacist. This completed form shall be maintained in the pharmacy and be available for inspection.

535:15-3-21. Prescription fill, refill and partial fill records and reports

(a) **Dangerous drugs.**

(1) Refills may be entered on the back of each original prescription.

(2) Refill records may be kept by using an automated data processing system to maintain the refill information.

(b) **Controlled dangerous Substances (CDS) - Schedule II.** No refills are allowed on Schedule II CDS.

(c) **Controlled dangerous Substances (CDS) - Schedule III, IV and V Hard copy method.** The refills are entered on the back of the original (hard copy) prescription according to Oklahoma Bureau of Narcotics and Dangerous Drugs' rules in OAC 475:30-1-11 et seq.

(d) **CDS automated data processing method.** A pharmacy may elect to use an automated data processing system to maintain the prescription files including the original information and the refill information. **Caution:** The pharmacy must maintain complete and retrievable prescription records for five years whether logbooks, nightly reports, or a manual system are used. If the pharmacy elects the automated system certain compliance reports are required.

(1) **Nightly reports.** Nightly reports are required for Schedule II and for Schedule III, IV and V. These reports will include but are not limited to:

(A) Schedule II reports will include the information in ASAP/NABP Committee on Standardization's Computerized Compliance Reports (e.g. run date, run by, Rx #, drug name, dose form, quantity, date written, date dispensed; pharmacist, patient and prescriber names, DEA number, and patient and prescriber addresses.)

(B) Schedule III, IV and V reports will include the same information as in (A) above, except patient and prescriber addresses are not required. These reports may be mixed or be Schedule III, IV or V specific.

(C) These nightly reports shall be verified, signed and dated by the pharmacist as required. (See CFR 1306.22 (b)-(3), et seq.)

(D) These reports must be kept for five years.

(2) **Logbook or file alternate procedure.** In lieu of the nightly reports procedure for Schedule II, III, IV & V provided in 535:15-3-21, the pharmacy may choose to use the following method:

(A) The pharmacy shall maintain a bound log book, or separate file, in which each individual pharmacist involved in such refill dispensing shall sign a statement (in the manner described in CFR 1306.22 (b)) each day, attesting to the fact that the refill information entered into the computer that day has been reviewed by them and is correct as shown.

(B) Such a book or file must be maintained at the pharmacy employing such a system for a period of five years after the date of dispensing the appropriately authorized refill.

(3) **Refill reports.** Any pharmacy using an automated data processing system to track refills shall be able to print such reports as required in CFR 1306.22 (b) et seq.

(4) **Audit reports.** If an automated data processing system is used to maintain refill information, the ability to print upon request the following Controlled Dangerous Substance (CDS) audit reports is required. The following required audit reports must include the information in ASAP/NABP Committee on Standardization's Computerized Compliance Reports:

- (A) CDS Audit Report by Drug
- (B) CDS Audit Report by Prescriber
- (C) CDS Audit Report by Pharmacist
- (D) Patient Profile Report

535:15-3-22. Pharmacy refrigerator and freezer temperature logs

(a) All refrigerators and freezers used to store medications shall have a sensor or thermometer capable of reading internal temperatures.

(b) The internal temperatures maintained in the refrigerators and freezers shall be appropriate for the products stored.

(c) Temperatures in refrigerators and freezers shall be logged twice daily (AM and PM) on days the pharmacy

is open for business or shall have continuous temperature monitoring.

(1) Pharmacy name, date, time, temperature and staff person taking reading shall be logged at a minimum for paper logs.

(2) Temperature logs shall be maintained on paper or electronically for two years and be available for inspection.

(d) If there is a temperature reading that falls outside of appropriate ranges, a notation must be made on the temperature log detailing the corrective measures which were taken.

(e) It is the PIC's responsibility to review the temperature readings to ensure compliance with appropriate storage temperatures.

SUBCHAPTER 5. HOSPITAL PHARMACIES

535:15-5-2. Definitions

The following words or terms, when used in this Subchapter, shall have the following meaning, unless the context clearly indicates otherwise:

"Automated dispensing systems" means a mechanical system controlled by a computer that perform operations or activities, relative to the storage, packaging, compounding, labeling, dispensing, administration, or distribution of medications, and which collects, controls, and maintains all transaction information.

"Auxiliary supportive personnel" or **"auxiliary supportive person"** means all persons, other than pharmacists, interns and techs, who are regularly paid employees of the hospital pharmacy and who work or perform tasks in the hospital pharmacy that do not require a permit or license (e.g. clerk, typist, delivery, or data entry person, etc.).

"Certified medication order" means a filled prescription that has been reviewed and certified by a pharmacist.

~~**"Certified pharmacy technician"** means a pharmacy technician who has a current Board approved pharmacy technician certification in addition to a current Oklahoma pharmacy technician permit.~~

"Director of Pharmacy" means a pharmacist licensed to engage in the practice of pharmacy in Oklahoma who is thoroughly familiar with the specialized functions of a hospital pharmacy and directs the activities of a hospital pharmacy.

"Drug room" means a secured room where drug inventories are maintained for use in a facility licensed and regulated by the Oklahoma Health Department, and which may be inspected by the Board.

"Hospital employee" means any individual employed by a hospital whose compensation for services or labor actually performed for a hospital is reflected on the payroll records of a hospital.

"Hospital" or **"Hospital facility"** means hospital as defined in 59 O.S. Section 353 et seq.

"Hospital pharmacy" means the place or places in which drugs, chemicals, medicines, prescriptions, or poisons are stored, controlled and prepared for distribution and administration for the use and/or benefit of patients in a hospital facility.

Permanent Final Adoptions

Hospital pharmacy shall also mean the place or places in which drugs, chemicals, medicines, prescriptions or poisons are compounded and prepared for dispensing to the members of the medical staff, hospital employees, and the members of their immediate families, patients being discharged, and for other persons in emergency situations.

"Medical staff" means a prescriber who has privileges to practice in the hospital facility.

"Medication order" means a prescription as defined in Title 59 O.S. Section 353.1.

"Pharmacist" means any person licensed to practice pharmacy by the Oklahoma Board.

"Pharmacy technician", "Tech", "Technician" or "RxTech" means a person who has been issued a permit by the Board to assist the pharmacist and performs nonjudgmental, technical, manipulative, nondiscretionary functions in the prescription department under the pharmacist's immediate supervision.

"Remote medication order processing" or "RMOP" means the processing of a medication order for a hospital facility by a pharmacist located in a remote medication order processing pharmacy site. Remote medication order processing does not include the dispensing of a drug, but may include receiving, interpreting, evaluating, clarifying and approval of medication orders. Additionally, remote medication order processing may include order entry, other data entry, performing prospective drug utilization review, interpreting clinical data, performing therapeutic interventions, and providing drug information services, and authorizing release of the medication for administration.

"Remote site" means a site located within the continental United States (US) or District of Columbia (DC) that is electronically linked to the hospital via a computer and/or other electronic communications system as defined in the operations, policies and procedures manual of a hospital pharmacy for the purposes of remote medication order processing (RMOP) of a remote medication order processing pharmacy.

"Supportive personnel" means supportive personnel as defined in 59 O.S. Section 353.1 et seq.

535:15-5-7.4. Pharmacy technician tasks

Pharmacy technicians may perform the following tasks in a licensed hospital pharmacy facility in accordance with 535:15-5-7.2:

- (1) any tasks auxiliary supportive personnel are allowed to perform;
- (2) count and/or pour medications;
- (3) affix the prescription label to the final container;
- (4) affix auxiliary labels to the container as directed by the pharmacist;
- (5) assist the pharmacist in the management of the controlled dangerous substance (CDS) inventory. The pharmacist remains responsible for completeness and accuracy;
- (6) fill "Modified unit dose distribution systems", "Automated dispensing systems" and/or "Unit dose distributions systems";

(7) prepackage and label multi-dose and unit-dose packages of medication as directed by pharmacist-established procedures for such, including selection of containers, labels and lot numbers, with provisions for the pharmacist to check the finished task prior to dispensing to the patient. (While a pharmacy technician may package and label the drug, the certification is the responsibility of the pharmacist.)

(8) perform bulk reconstitution of prefabricated non-injectable medication utilizing a pharmacist established procedure for the bulk reconstitution of prefabricated noninjectable medications.

(9) perform bulk compounding, including such items as sterile bulk solutions for small-volume injectables, sterile irrigation solutions, products prepared in relatively large volume for internal or external use by patients, and reagents or other products for other departments of the hospital facility. Such intermediate and large scale compounding may be done by a pharmacy technician through the use of a procedural manual and a system of in-process and final checks and controls developed or approved by the pharmacist and which are carefully and systematically enforced.

(10) prepare sterile compounded preparations utilizing a policy and procedure that addresses the verification of the pharmaceutical constituents, the prepared label and the final product by the pharmacist following documented training and demonstrated competency as required in OAC 535:15-10-52(d).

~~(A) Pharmacy technicians may perform functions involving the:~~

~~(i) reconstitution of single dosage units that are to be administered to a given patient as a unit; and/or~~

~~(ii) addition of one manufacturer's prepared unit (whole or in part) to another manufacturer's prepared unit if the unit is to be administered as one dose to a patient.~~

~~(B) Pharmacy technicians may add a single ingredient in preparing sterile compounded preparations.~~

~~(C) Certified pharmacy technicians as defined in 535:15-5-2 may prepare chemotherapy and add multiple ingredients when preparing sterile products only following documented demonstration of appropriate competency to the Director of Pharmacy or his designated pharmacist on an annual basis.~~

(11) record patient or medication information for later validation by the pharmacist pursuant to procedures which prevent the information from being utilized in any way until it is validated by the pharmacist. Exempt from the necessity of pharmacist validation shall be records, such as financial, inventory control, etc., which can in no way affect the safety and accuracy of medication administration to patients.

(12) select prepackaged and pre-labeled doses of medication from storage areas and place and transport to the patient area such doses in containers bearing a patient's name in a unit dose distribution system or a modified

unit dose distribution system if the pharmacist personally checks and verifies by signature or initial all patient medication before it is administered to the patient.

SUBCHAPTER 6. HOSPITAL DRUG ROOM

535:15-6-5. Drug room and PIC responsibilities and duties

(a) **Responsibilities.** Responsibilities of the hospital drug room and PIC include drug purchasing, acquisition, preparation, distribution, monitoring, security, storage and control.

(1) **Written procedures.** The hospital drug room and PIC shall establish written procedures for the safe and efficient acquisition, distribution, and utilization of all medicine products with any of the Federal legends such as "RX only" and medications administered or distributed in the hospital system. A current copy of such procedures shall be available for review by the Board.

(2) **General Responsibility.** The hospital drug room and PIC shall be responsible for the safe and efficient monitoring, distribution, control, purchasing, acquisition and accountability of all drugs including but not limited to Federal legend drug products used in diagnostic procedures, I.V. fluids, or contained in supply kits excluding blood bank products and reagents controlled by the laboratory. The other professional staff of the hospital facility shall cooperate with the pharmacist in meeting this responsibility.

(3) **Confidentiality.** The hospital drug room and PIC shall have responsibility for establishing policies for the security and integrity of any patient information, confidential and non-confidential, and must abide by all relevant State and Federal regulations applicable to the hospital system.

(4) **Adverse Drug Events Program.** The hospital drug room and PIC shall develop and maintain a program to monitor the actual and potential adverse drug events including pharmacist interventions, medication errors, and adverse drug reactions for all medications utilized in the hospital to include system wide programs if an integrated system is involved. Records indicating the tracking, review, and outcome of the Adverse Drug Events shall be kept current and available for Board inspection.

(5) **Investigational drug programs.** The PIC shall establish a policy for investigational drug use.

(6) **Review of medication orders.** The PIC shall cause medication orders to be reviewed by a 100 pharmacist in a timely manner.

(7) **Pharmacists Visits.** The hospital drug room and PIC shall cause and document a minimum of 52 routine in-house visits per year to be made to a hospital with a drug room as required by health department rule OAC 310:667-21-2(a) et seq.

(A) No more than 2 visits in any 7-day period shall be counted towards this minimum.

(B) No more than 5 visits in any one month count toward the 52 visit total for the year.

(C) Visits in any calendar month shall be no less than 2.

(D) The PIC shall submit a report outlining issues encountered and decisions made during visits. A copy of this report shall be available in the hospital drug room for inspection by the Board.

(E) A licensed hospital drug room employing a full-time pharmacist is not required to document the 52 routine in-house visits since daily work is done, interventions are documented, and audit systems are maintained.

(8) **Pharmacy and Therapeutics (P&T) Committee.** The PIC shall be a participating member in the Pharmacy and Therapeutics Committee.

(9) **Effective Controls.** The hospital drug room and PIC shall establish and maintain effective controls against the diversion of prescription drugs into other than legitimate medical, scientific, or industrial channels as provided by federal, state or local laws or rules.

(b) **Duties.** The duties of a PIC in a licensed hospital drug room, at a minimum, shall be the following:

(1) The training duties of the PIC are:

(A) Competency training regarding preparation and sterilization of sterile compounded preparations prepared by appropriate hospital staff;

(B) Competency training of personnel concerning medicine incompatibilities and providing incompatibility information; and

(C) Training personnel in confidentiality of protected health and proprietary information and regarding the compliance with all federal and state laws and regulations applicable to the hospital drug room.

(i) Such rules regarding confidentiality of patient records are described in 535:15-3-14(e), the federal HIPAA regulations; and,

(ii) Such responsibilities for confidentiality shall be as set forth in 535:10-3-1.1(6) and 535:10-3-1.2 (a) (16) and the rules of this Title.

(D) Conducting initial and continuing competency training of all drug room personnel.

(2) Repackaging drug products including unit dose.

(3) Establishing procedures for procurement of all medicines used within the hospital system subject to approval of the medical and professional staff.

(4) Participating in the development and maintenance of a formulary for use within the hospital system.

(5) Maintaining and making available a sufficient inventory of medicines including antidotes and other emergency drugs approved by the medical and professional staff, for use within the hospital facility. In addition, current references, antidote information, and telephone numbers of regional reference centers such as Poison Centers and Drug Information Centers shall be maintained and readily available throughout the hospital.

(6) Maintaining oversight of the records of all transactions of the drug room required by applicable local, state, and federal law, and necessary to maintain accurate control and accountability for all medications.

- (7) Participating in those aspects of the hospital facility's patient care evaluation programs that relate to medicine utilization and effectiveness.
- (8) Cooperating fully with teaching and/or research programs in the hospital facility, if any.
- (9) Implementing the policies and decisions of the appropriate committees of the medical and professional staff that deal with drug distribution.
- (10) Meeting all inspection and other requirements of the Oklahoma Pharmacy Act, and those rules and regulations governing the practice of pharmacy within a hospital facility.
- (11) Establishing guidelines for the safe and effective distribution of medicines intended for floor stock, and their subsequent administration.

SUBCHAPTER 13. PHARMACY SUPPORTIVE PERSONNEL

535:15-13-6. Duties

(a) The following tasks may be performed by auxiliary supportive personnel:

- (1) retrieval tasks such as retrieving prescriptions or files as necessary;
- (2) clerical tasks such as typing labels and maintaining patient profiles;
- (3) secretarial tasks such as telephoning, filing, and typing;
- (4) accounting tasks such as record keeping, maintaining accounts receivables, third party billing and posting;
- (5) inventory control tasks including monitoring, pricing, dating, invoicing, stocking pharmacy, and preparation of purchase orders; and
- (6) help maintain a clean and orderly pharmacy.

(b) The following tasks may be performed by pharmacy technicians:

- (1) count and/or pour medications;
- (2) prepackage (e.g. unit dose) and properly label medications;
- (3) affix the prescription label to the proper container;
- (4) affix auxiliary labels to the container as directed by the pharmacist;
- (5) reconstitution of medications (i.e. liquid antibiotics);
- (6) bulk compounding, including such items as non-sterile topical compounds, sterile bulk solutions for small volume injectables, sterile irrigation solutions and products prepared in relatively large volume for internal or external use. Documentation of a system of in-process and final checks and controls must be developed or approved by the certifying pharmacist and carefully and systematically enforced;
- (7) ~~functions involving reconstitution of single dose units of sterile compounded preparations that are to be administered to a given patient as a unit, and functions involving the addition of one manufacturer's prepared unit (whole or in part) to another manufacturer's prepared unit~~

~~if the unit is to be administered as one dose to a patient. The pharmacist must establish the procedures for compounding sterile preparations and certify the ingredients, label and finished preparation;~~

~~(8)~~ any duties auxiliary personnel are allowed to perform;

~~(9)~~ assist the pharmacist in the annual CDS inventory. The pharmacist remains responsible for completeness and accuracy; and,

~~(10)~~ take verbal authorizations from licensed prescriber or licensed prescriber's authorized agent (when allowed) for refill of non-controlled prescriptions with no changes to strength or directions.

535:15-13-7. Prohibited duties

These duties shall not be performed by supportive personnel:

- (1) The pharmacist must interpret the original prescription.
- (2) The pharmacist must perform the prospective drug utilization review and determine action to be taken when there is an indication of a drug interaction.
- (3) The pharmacist must receive new orally communicated prescriptions from prescribers or their agents.
- (4) The pharmacist must determine product selection if substitution is requested or approved.
- (5) ~~The pharmacist must prepare multi ingredient, non-repetitive, cytotoxic or experimental drug I.V.'s, enteral or other sterile multi ingredient medications; and the pharmacist shall be responsible for weighing, measuring and calculating ingredients for sterile compounded preparations.~~
- ~~(6)~~ The pharmacist must certify, by reviewing, the completed prescription for accuracy and completeness before the prescription is released from the prescription department. This process shall be completed before the prescription is given to the patient.
- ~~(7)~~ The pharmacist must provide patient counseling or drug information as necessary.
- ~~(8)~~ The pharmacist must take verbal authorizations from licensed prescriber or licensed prescriber's authorized agent (when allowed) for any refill of a controlled substance or any non-controlled prescription that has changes to strength or directions.

SUBCHAPTER 18. CUSTOMIZED ADHERENCE MEDICATION PACKAGE (CAMP)

535:15-18-4. Labeling

(a) Packaging must bear, at a minimum, the labeling requirements as stated in Title 59, Section 353.20.1 (B); and,

- (1) Physical description of medication (i.e. imprint, description) or be separately packaged;
- (2) Expiration date;
- (3) Lot number(s), if required;
- (4) Date and time to be given

(b) If packaging is detachable into individual units of administration time, each individual unit must bear:

- (1) The name of patient;
- (2) The name and strength of the medication(s); and
- (3) Date and time to be given.

~~(c) If packaging is detachable, (a)(4) of this section does not apply.~~

GIST/ANALYSIS:

OPERS is adding two rules and amending three rules in Chapter 10. The addition of 590:10-1-21 and 590:10-1-22 were passed as emergency rules by

the Board of Trustees in August. They are necessary to comply with Senate Bill 709 passed in the 2019 legislative session. These rules clarify that the rules and laws governing participation in OPERS-administered systems will govern the election made by the Chief of Administration of the Department of Public Safety and specific employees of the State Department of Education regarding their retirement.

The amendment to 590:10-3-12 clarifies that the only military service that can be credited to a member after retirement is free military credit. This free credit is only available to members who joined the system on or before June 30, 2000.

590:10-7-5 and 590:10-10-8 have been amended to delete the requirement for certified copies of death certificates. Certified copies are only required in two places in OPERS' administrative rules. The requirement for certified marriage licenses and certified birth certificates has also been deleted.

**PURSUANT TO THE ACTIONS DESCRIBED HEREIN,
THE FOLLOWING RULES ARE CONSIDERED
FINALLY ADOPTED AS SET FORTH IN 75 O.S.,
SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE
DATE OF SEPTEMBER 11, 2020:**

SUBCHAPTER 1. GENERAL PROVISIONS

590:10-1-21. Department of Public Safety Chief of Administration

A person appointed to the position of Chief of Administration of the Department of Public Safety, pursuant to 47 O.S. Supp. 2018, Section 2-104, shall be eligible to participate in the OPERS Defined Benefit Plan or the OPERS Defined Contribution System, whichever is applicable under the laws and rules governing those systems. The election to participate in the Oklahoma Law Enforcement Retirement System or the OPERS-administered systems shall be made in writing within thirty (30) days from such appointment and is irrevocable.

590:10-1-22. Retired members-State Department of Education

A retired member of the Oklahoma Teachers Retirement System who becomes employed by the State Department of Education for the first time on or after November 1, 2019, shall have the option to remain a member of the Oklahoma Teachers Retirement System subject to any applicable post retirement limitations placed on retired members returning to work, or to participate in the OPERS Defined Benefit Plan or the OPERS Defined Contribution System, whichever is applicable under the laws and rules governing those systems. The election to participate in the Oklahoma Teachers Retirement System or the OPERS-administered systems shall be made in writing within thirty (30) days from the initial date of hire with the State Department of Education and is irrevocable.

SUBCHAPTER 3. CREDITED SERVICE

Permanent Final Adoptions

590:10-3-12. Military service credit

(a) Any member who joined the System on or before June 30, 2000, can receive up to five (5) years of military service credit for periods as defined in paragraph 23 of Section 902 of Title 74 of the Oklahoma Statutes. As set forth in Section 913 of Title 74 of the Oklahoma Statutes, the service credit can be prior service or participating service or a combination of the two, however, total military service credit cannot exceed five (5) years. The service must be active military service and the member must have been honorably discharged. The member must submit an application for military service credit and provide a copy of his or her DD214 form or other similar documentation clearly showing dates, types and places of service. If eligible, a retired member shall receive an increase in his or her monthly benefit as a result of the addition of the military service credit effective with the month following the receipt of the documents and approval by the System.

(b) Any active member who joined the System on or after July 1, 2000, can purchase up to five (5) years of military service credit for periods as defined in paragraph 23 of Section 902 of Title 74 of the Oklahoma Statutes. As set forth in Section 913 of Title 74 of the Oklahoma Statutes, the service credit can be prior service or participating service or a combination of the two, however, total military service credit cannot exceed five (5) years. The service must be active military service and the member must have been honorably discharged. The member must submit an application for military service credit and provide a copy of his or her DD214 form or other similar documentation clearly showing dates, types and places of service. The member must make payment in the amount determined by the Board pursuant to Section 913.5 of Title 74 of the Oklahoma Statutes and 590:10-3-8. This purchase may be amortized over sixty (60) months as provided for in 590:10-3-9.

(c) Military service credit will be credited or purchased in full months only. The initial month of military service will be accepted only if the service began on or before the 15th day of the month. The final month of military service will be accepted only if the service was completed on or after the 16th day of the month.

(d) Members who joined the System on or after July 1, 2003, can make the purchase set forth in paragraph (b) of this rule only if the member has not received credit for the same period of military service for retirement from another retirement system created pursuant to the Oklahoma Statutes. For such members, the military credit shall be granted or purchased in the retirement system from which the member retires first. In the event such a member fails to disclose a previous grant or purchase of military credit, the purchase will be voided, his or her service credit will be adjusted to remove the military service credit and only the purchase price shall be returned to the member.

(e) It is the responsibility of the member wishing to receive or purchase military service credit to complete the application provided by the System for this purpose and to provide all documentation necessary to support the application. Military service will not be credited until all required documentation is provided by the member to the System, the System has

approved the grant or purchase and any required payments are made.

(f) Retired members who are not credited with military service prior to or at the time of retirement may make application for the credit at any time. After approval by the System, the military service credit will be added to the member's record and increased retirement benefits, if any, as a result of the addition of the military service credit, shall begin with the first month following said approval. Retroactive payments will not be made under any circumstances. This subsection only applies to members whose initial membership in the System began on or before June 30, 2000.

(g) Members who served in the Armed Forces of the United States during a war or combat military operation other than World War I, World War II, the Korean War, the Vietnam War or the Gulf War as provided in Section 902 (23) of Title 74 of the Oklahoma Statutes, may be eligible to purchase or receive military service credit for the period of time that he or she actually served in an area of responsibility for a war or combat military operation which lasted for a period of at least ninety (90) days. It is the responsibility of the member to provide sufficient documentation to support his or her eligibility for this credit as requested by the System, including, but not limited to, documents showing specific service areas and times.

(h) The provisions for granting or purchasing military service credit shall be in addition to any contributions, benefits and service credit with respect to qualified military service in accordance with Section 414 (u) of the Internal Revenue Code of 1986.

SUBCHAPTER 7. RETIREMENT BENEFITS

590:10-7-5. Selecting an option

(a) The member may choose to receive the maximum benefit or receive benefits under any one of the retirement Options provided in 74 O.S. § 918.

(1) The type of retirement benefit selected by the member and/or the member's spouse, if applicable, cannot be changed under any circumstances on or after the effective date of retirement, except as provided in this Section.

(2) In the event of the death of the named joint annuitant after the member's retirement date, the member shall provide the System with a copy of the joint annuitant's death certificate as notice of said death. The member's benefit will "pop-up" to reflect the amount of benefit the member would be entitled to absent the selection of an option. The "pop-up" increase becomes effective the first day of the month following the death of the joint annuitant, provided the member has given notice of said death. If the death of the joint annuitant occurred prior to June 30, 1994, the benefit increase may become effective with the July 1994 benefit payment, provided the member has given notice of said death. Retrospective benefits will not be paid for any month prior to July 1994 and are limited to a maximum of six (6) months. The "pop-up" increase is limited to members retiring with an Option A or Option B.

(b) A member choosing Option C provided in 74 O.S. § 918 shall be subject to the following provisions:

(1) In the event of the death of the retired member within the ten-year certain period under Option C, and there are no living designated beneficiaries, the person responsible for the estate of the deceased retired member shall be given the option for the estate to receive monthly benefits for the remainder of the ten-year period, or receive the present value of the remaining benefit payments in a one-time, lump-sum distribution.

(2) In the event the retired member predeceases a designated beneficiary within the ten-year certain period, and the designated beneficiary dies after the beneficiary has begun to receive benefits, the person responsible for the estate of the beneficiary shall be given the option for the beneficiary's estate to receive monthly benefits for the remainder of the ten-year period, or receive the present value of the remaining benefit payments in a one-time, lump-sum distribution.

(3) For purposes of this subsection:

(A) "person responsible for the estate" means the personal representative, executor or administrator of the estate as determined by a court of competent jurisdiction, or in the case of a probate waiver as permitted by 74 O.S. § 916.1, the appropriate claiming heir; and

(B) "present value of the remaining benefit payments" means the lump-sum distribution shall be discounted using an interest rate equal to the actuarially assumed interest rate adopted by the Board of Trustees for investment earnings for the year in which the election is made pursuant to this subsection.

(4) The following shall be provided by the person responsible for the estate before any benefits will be paid:

(A) taxpayer identification number (TIN) for the estate, if applicable;

(B) legal documents naming the personal representative, executor or administrator of the estate, or in the case of a probate waiver, the appropriate documents as set forth in 74 O.S. § 916.1;

(C) ~~certified~~ copy of the death certificate for the member or beneficiary; and

(D) statement in writing from the person responsible for the estate selecting either the monthly or lump-sum payout method.

SUBCHAPTER 10. DEPARTMENT OF CORRECTIONS DEATH IN PERFORMANCE OF DUTY BENEFITS

590:10-10-8. Filing for Surviving Spouse and Surviving Child Benefits

(a) Claims for Surviving Spouse and/or Surviving Child benefits should be made as soon as possible following the employee's date of death. Benefits shall be payable beginning with the month following the employee's date of death, however, benefit payments will not commence until all required documentation has been furnished and a final determination

has been made by the System. Required documentation to be provided by the claimant include, but are not limited to, a completed application for benefits, a ~~certified~~ copy of the employee's death certificate, a ~~certified~~ copy of the public record of marriage and ~~certified~~ copies of birth certificates for Surviving Children.

(b) It is the responsibility of the Department of Corrections to assist the Surviving Spouse or the person with the care and custody of a Surviving Child with the completion of all necessary forms. It is also the responsibility of the Department of Corrections to provide any necessary documentation to confirm eligibility of any person for benefits under this Subchapter. Required documentation to be provided by the Department of Corrections include, but are not limited to, a completed report of death form which shall include a notarized statement from the deceased employer's supervisor describing in detail the duties being performed by the employee at the time and the circumstances under which death occurred, all workers' compensation claim information in the possession of the employer, a certified copy of the autopsy report, and any medical records in the possession of the employer.

(c) In addition to the information supplied by the claimant and the employer, the System may require a medical statement from a treating physician which includes a detailed analysis of the cause of death and the circumstances surrounding the death.

(d) Where the System feels that it is necessary or appropriate, it may, at its own expense, have the medical and other records reviewed and evaluated by an independent physician of its own choosing. The System may also use the services of law enforcement agencies or may contract for a licensed investigator for any situations that it deems necessary or appropriate.

(e) The System shall make a determination on all claims for benefits under this Subchapter within ninety (90) days following receipt of all required documentation and reviews and shall notify the employer and the claimant in writing.

GIST/ANALYSIS:

OPERS is amending two rules in the Pathfinder plan. The amendment to 590:40-5-1 was passed as an emergency rule by the Board of Trustees in August. This amendment is necessary to comply with Senate Bill 709 passed in the 2019 legislative session. This rule clarifies that the rules and laws governing participation in OPERS-administered systems will govern the election made by the Chief of Administration of the Department of Public Safety and specific employees of the State Department of Education regarding their retirement.

The amendment to 590:40-9-25 aligns the 457(b) and 401(a) distribution requirements for active participants who have rolled money into the plans. OPERS already does this for the 401(a) plan.

PURSUANT TO THE ACTIONS DESCRIBED HEREIN, THE FOLLOWING RULES ARE CONSIDERED

FINALLY ADOPTED AS SET FORTH IN 75 O.S.,
SECTIONS 250.3(5) AND 308(E), WITH AN EFFECTIVE
DATE OF SEPTEMBER 11, 2020:

**SUBCHAPTER 5. ELIGIBILITY AND
PARTICIPATION - APPLICABLE TO THE 401(A)
PLAN AND THE 457(B) PLAN**

**PART 1. ELIGIBILITY AND PARTICIPATION -
APPLICABLE TO THE 401(A) PLAN AND THE
457(B) PLAN**

**590:40-5-1. Participation in 401(a) plan and 457(b)
plan**

(a) **Eligibility.** Each Employee shall become a Participant on the first day of the month following the date of employment with an Employer for the mandatory contributions as set forth in 74 O.S. §935.5 and 590:40-5-5. Participants may participate in voluntary deferrals to the 457(b) plan set forth in 74 O.S. §935.5 and 590:40-5-6 beginning the first day of the month following the entry date of employment. An Employee shall participate in the DC System if the Employee is employed in a full-time-equivalent position or any position which is less than full-time but more than a half-time position and includes employee benefits such as health insurance and leave time. The determination of whether an Employee is in an employment position which is more than a half-time position shall be made by the Employer and such determination shall be exclusively relied upon by OPERS. Members who have been declared eligible to participate in the DC System, but subsequently fall below the level of eligibility for a new member, shall continue to participate in the System.

(b) **Participation upon reemployment.** A former Participant or former Employee who satisfies the eligibility requirements in this section shall become a Participant in the DC System on the first day of the month following the date of reemployment.

(c) **Change in employment status.** In the event a Participant is no longer a member of an eligible class of Employees and becomes ineligible to participate in the DC System, the individual will participate immediately upon returning to an eligible class of Employees.

(d) **Previous participation in defined benefit plan.** Any employee first employed by an Employer prior to November 1, 2015, and was a participating member in OPERS defined benefit plan set forth in 74 O.S. §§ 901 et seq. shall not be a Participant in the DC System. Such employees shall participate in OPERS defined benefit plan set forth in 74 O.S. §§ 901 et seq. regardless of whether the individual maintained membership in the OPERS defined benefit plan. If an employee is first employed by an Employer on or after November 1, 2015, in a position in which the employee is eligible to participate in OPERS defined benefit plan, and such employee subsequently terminates service with such Employer and becomes employed

in a position which is eligible under the DC System, the employee shall no longer participate in OPERS defined benefit plan but shall participate in the DC System.

(e) **Department of Public Safety Chief of Administration.** A person appointed to the position of Chief of Administration of the Department of Public Safety, pursuant to 47 O.S. Supp. 2018, Section 2-104, shall be eligible to participate in the OPERS Defined Benefit Plan or the OPERS Defined Contribution System, whichever is applicable under the laws and rules governing those systems. The election to participate in the Oklahoma Law Enforcement Retirement System or the OPERS-administered systems shall be made in writing within thirty (30) days from such appointment and is irrevocable.

(f) **Retired Members-State Department of Education.** A retired member of the Oklahoma Teachers Retirement System who becomes employed by the State Department of Education for the first time on or after November 1, 2019, shall have the option to remain a member of the Oklahoma Teachers Retirement System subject to any applicable post retirement limitations placed on retired members returning to work, or to participate in the OPERS Defined Benefit Plan or the OPERS Defined Contribution System, whichever is applicable under the laws and rules governing those systems. The election to participate in the Oklahoma Teachers Retirement System or the OPERS-administered systems shall be made in writing within thirty (30) days from the initial date of hire with the State Department of Education and is irrevocable.

**SUBCHAPTER 9. DEFINED CONTRIBUTION
457(B) PLAN**

PART 7. BENEFITS

590:40-9-25. Commencement of benefits

The payment of amounts deferred under the Plan shall be payable:

(1) No earlier than forty-five (45) days after the Participant separates from service with the Employer, through termination or retirement; or

(2) Distribution of a Participant's account must begin no later than the required beginning date, which is the later of the April 1 following the calendar year in which the Participant attains the age of 70 $\frac{1}{2}$ years of age, except as provided in 590:40-9-28, or the April 1 of the year following the calendar year in which the Participant terminates. If a Participant fails to apply for distribution by the later of either of those dates, the Board shall begin distribution of the Participant's entire interest as required by this Section in the form provided in 590:40-7-35.

(3) The Participant's entire interest must be distributed over the Participant's life or the lives of the Participant and a designated beneficiary, or over a period not extending beyond the life expectancy of the Participant or of the Participant and the designated beneficiary.

Permanent Final Adoptions

(4) Plan-to plan transfers as described in 590:40-9-35 are not subject to the requirements for separation of service and shall be available for distribution within 45 days of acceptance of the properly completed distribution form as prescribed by OPERS.

SUBCHAPTER 1. PROCEDURE FOR OBTAINING AND MAINTAINING A DRIVER LICENSE OR IDENTIFICATION CARD

PART 2. APPLICATION FOR INTIAL DRIVER LICENSE

595:10-1-3. Procedures for obtaining an initial driver license

(a) **Application.** Every applicant for an initial Oklahoma driver license shall appear before a Driver License Examiner [47 O.S. §6-110]. An application for a driver license must be completed either by the applicant at the Driver License Examination Station or online, when an electronic process is made available by the Department of Public Safety (the Department), prior to the commencement of the required examination. Each applicant must sign a declaration under penalty of perjury that the information presented on the application is true and correct, and the State must retain this declaration. An applicant must sign a new declaration when presenting new source documents to the Department of Public Safety or certified motor license agent on subsequent visits. An emergency contact name, address and phone number may be included on the application, ~~which emergency contact may be changed or removed at any time by the licensee or by the emergency contact. The emergency contact information shall be for use by the Department and law enforcement officers only.~~ [See OAC 595:10-1-50(d)(4) for more information on emergency contact.] Upon submitting a completed and approved application, providing proof of identity as provided for in (b) of this Section and proof that the applicant is a United States citizen, foreign national or a legal permanent resident alien [21 O.S., § 1550.42(B)], or having valid documentary evidence of lawful presence in the United States, and meeting all statutory requirements and successfully completing every required examination [Subchapter 3. Examination of this Chapter], the applicant may, if paying with an accepted credit card, be issued a temporary driver license by the Driver License Services Division after paying the required fees or proceed to a ~~certified motor license agent~~ Certified Motor License Agent and present the ~~DL-10 approved application form~~ issued by the Driver License Examiner along with the same identification presented to the examiner, and paying the required fees, the applicant will be issued a temporary driver license. The actual license will be mailed to the customer. ~~The State must subject each person applying for a REAL ID compliant and non compliant driver license or identification card to a mandatory facial image, finger image capture, and shall maintain photographs and finger image of individuals even if no card is issued.~~ For each individual applying for an Oklahoma REAL ID Compliant or REAL ID Non-Compliant credential, the State must take and retain a photograph of the applicant's face and collect and retain the applicant's finger images, with or without the issuance of any type of Oklahoma credential. A person who has been declared to be a disabled veteran receiving compensation at the 100% rate for a permanent disability shall receive an original, renewal, or replacement driver license or identification card at no charge, upon presentation of one of the following documents:

 - (BB) If none of the forms of identification listed in this paragraph are available, any other documentation as approved by the Driver License Examiner Supervisor, Administrative Officer or Director. The Driver License Examiner shall list the approved documentation on the ~~DL-10~~ application form. After November 1, 2019, the Department will not require secondary proof of identification.
- (5) **Additional identification requirements.** The Department may require additional identification documents:
- (A) when the Department is unable to determine the reliability or validity of the identification document(s) presented, or
 - (B) as provided in OAC 595:10-1-35.
 - ~~(C) All persons acting as an interpreter must be eighteen (18) years of age or older and must supply proof of legal presence in the United States and a driver license or identification card issued by any state and must sign an affidavit provided by and filled out by Department personnel.~~
- (d) **Driver license numbers.**
- (1) Driver license numbers shall be assigned by computer. Use of the applicant's ~~Social Security number~~ SSN as the driver license number is prohibited [47 O.S. § 6-106(B)]; provided, every applicant shall provide the Department with the Social Security number of the applicant [47 O.S. § 6-106(B),12], which shall be verified before a driver license shall be issued to the applicant. Verification shall be accomplished using the Social Security On-line Verification (SSOLV) system. The Department shall refer any applicant to the ~~Social Security Administration~~ SSA whenever the ~~Social Security number~~ SSN cannot be verified for the applicant.
 - (2) Any licensee may request to change his or her driver license number to any nine-digit number which is not in use or has not been previously used by making a written request to the Department. Upon approval by the Department, the licensee shall obtain a replacement driver license from a motor license agent, and the licensee shall pay the required fee for the replacement license [OAC 595:10-1-18]

PART 3. DRIVER LICENSE RENEWAL

Permanent Final Adoptions

595:10-1-10. Procedure for obtaining a renewal driver license

(a) **General requirements.** During the month of expiration or as provided in (d) of this Section, each licensee shall present proper identification and pay the required fee to a Motor License Agent or to the Driver License Services Division of the Department of Public Safety for renewal of the driver license of the licensee. Failure to renew a driver license by the end of the month of expiration shall not relieve the person of the obligation to renew his or her driver license under the provisions required by law and this Section if the person wishes to keep his or her driver license in force.

(b) Required identification.

(1) **Renewal with valid and unexpired Real ID Non-Compliant driver license.** The valid and unexpired Class D license provided as the ~~primary~~ identification, as prescribed in OAC 595:10-1-3(c)(3), may be retained by the licensee, after the ~~motor license agent~~ Motor License Agent or Driver License Examiner has first punched a hole through the identification number of the license or cut off the bottom right corner of the card. ~~The person shall also provide secondary identification as prescribed in OAC 595:10-1-3(e)(4).~~

(2) **Renewal with ~~ana~~ Real ID Non-Compliant expired driver license.** The expired Class D driver license provided as the ~~primary~~ identification may be retained by the licensee, after the ~~motor license agent~~ Motor License Agent or Driver License Examiner has first punched a hole through the identification number of the license or cut off the bottom right corner of the card. ~~The person~~ licensee shall provide ~~primary~~ identification as prescribed in OAC 595:10-1-3(c)(3), as appropriate. Any ~~customer~~ licensee with a license expired more than one (1) year past the expiration date ~~and the original issue date was before 11/01/2007~~ must show proof of legal presence in this country unless legal presence has previously been noted in Department records. If the ~~motor license agent's~~ Motor License Agent's operator is not Birth Certificate certified or REAL ID certified the customer must go to an agent who is certified or they must see a Driver License Examiner.

(3) **Renewal without driver license.** Any person who does not have the valid and unexpired driver license shall provide identification as prescribed in OAC 595:10-1-3(b) for a Real ID Compliant or 595:10-1-3(c) for a Real ID Non-Compliant driver license.

(4) **Renewal of a Real ID Compliant Driver License.** The ~~customer~~ licensee must surrender the Real ID Compliant driver license if available [Title 47 §6-101(T)] and provide identification as required in OAC 595:10-1-3(b).

(c) **Vision examination.** Persons holding a commercial driver license shall, upon renewal, meet the vision standards established in OAC 595:10-5-7 and 49 C.F.R. § 391.41.

(d) Limitations to issuance of a renewal driver license.

(1) A renewal driver license will be issued only to an individual whose driving privilege is not under suspension, revocation, disqualification, cancellation or denial and who complies with this Section.

(2) Any ~~customer~~ licensee who requests a renewal of his or her driver license when the license has been expired in excess of three (3) years is required to appear before a Driver License Examiner, pursuant to OAC 595:10-1-2.

(e) **Early renewal of a driver license.** Any licensee may renew his or her driver license no more than one (1) year prior to the expiration date. ~~A renewal which occurs more than one (1) year prior to the expiration date shall be treated as a replacement under the provisions of OAC 595:10-1-18.~~

(f) Change of driver license number.

(1) Use of the licensee's ~~Social Security number~~ SSN as the driver license number is prohibited. At the time of renewal, any licensee whose driver license number is his or her Social Security number shall inform the Department or the ~~motor license agent~~ Motor License Agent of that fact. If the numbers are the same, a new driver license number will be assigned for the licensee by computer [47 O.S. § 6-106(B)].

(2) Any licensee may request to change his or her driver license number to any nine-digit number by making a written request to the Department. Upon approval by the Department, the licensee shall obtain a replacement driver license from a ~~motor license agent~~ Motor License Agent, and the licensee shall pay the required fee for the replacement license [see OAC 595:10-1-18 regarding replacement driver licenses].

(g) **Persons who may appear before a motor license agent.** An individual, who has previously held an Oklahoma Class D driver license that has been surrendered to another state in exchange for the other state's license, may apply directly to a ~~motor license agent~~ Motor License Agent for reactivation of the previous Oklahoma Class D license, upon establishing Oklahoma residence and following the applicable procedure for renewal. The agent shall call the Driver License Services Division and request clearance to issue the license. Any customer with a license expired more than one (1) year past the expiration date ~~and the original issue date was before 11/01/2007~~ must show proof of legal presence in this country unless legal presence has previously been noted in Department records. If the ~~motor license agent's~~ Motor License Agent's operator is not Birth Certificate certified or Real ID Certified the customer must go to an agent who is certified or they must see a Driver License Examiner. If the clearance is given by the Department, the person shall surrender the out of state license to the agent, and the agent shall issue the Oklahoma license. In no case shall the out of state driver license be retained by the person when an Oklahoma license has been issued to the person. The agent shall retain the license and submit it to the Department with the agent's report. If clearance is not given, the person shall be informed to contact the state whose action is causing the clearance to be withheld.

(h) **Persons unable to appear due to medical situation.** An individual, who is an Oklahoma resident and who is located within the state, may declare in writing to the Department that, because of a medical reason or condition, he or she is unable to appear in person to renew his or her driver license, in which case the Department shall issue by mail an identification card to the person and shall not issue a driver license. The

driver license shall be surrendered by the individual to the Department prior to issuance of the identification card. The individual shall provide identification as prescribed in OAC 595:10-1-3(b) for a Real ID Compliant or 595:10-1-3(c) for a Real ID Non-Compliant credential. A ~~non-compliant~~ REAL ID Non-Compliant driver license cannot be surrendered for a REAL ID ~~compliant~~ Compliant identification card. A REAL ID ~~compliant~~ Compliant identification card shall not be issued if there is any material change in any personally identifiable information since prior issuance and the Department of Public Safety shall take an updated photograph of the customer, no less frequently than every sixteen (16) years.

(i) **Renewing driver license - not in person.** The Department may create an alternative method where any Oklahoma Class D driver license holder may apply to the Department of Public Safety to renew his or her Class D driver license without appearing in person as provided in this Section.

(1) The Class D driver license holder shall make application online, when such process is made available, or in writing to the Department and shall submit to the Department:

- (A) copies of documentary evidence of the customer's name and date of birth as required by OAC 595:10-1-10 (~~documents sent for verification will not be returned; therefore, original documents should not be sent~~). If a material change is requested for a Real ID Non-Compliant driver license, ~~the original or~~ certified copies of the required documents must be submitted. A material change means any change to the personally identifiable information of an individual, such as their name or driver license number. If the customer wants these documents returned they are to enclose a self-addressed, stamped envelope. A material change does not include a change of address;
- (B) A Real ID Compliant license requiring a material change must be done in person;
- (C) the customer's Class D driver license number;
- (D) both the Oklahoma residence address ~~and~~ Oklahoma mailing address, or temporary mailing address with the expiration date of the temporary mailing address. If an expiration date is not provided for the temporary mailing address, the system will default to an expiration date of thirty (30) days from the issuance of the Oklahoma credential. If the address is different than the address on record at the Department, the customer must submit a change address request to the Department online at <https://www.dps.state.ok.us/addresschange/card>;
- (E) ~~the number of a nationally recognized credit card and authorization for the required fee for the renewal Class D driver license to be paid by the customer to the Department using the credit card; and~~
- (F) ~~the customer's~~ applicant's signature.

(2) Submission of the items required in (1) shall be made in ~~one of the following manners:~~

- (A) ~~online application: <https://ok.gov/dps/dlrenewal/>; or~~

(B) by first class mail: Department of Public Safety, PO Box 11415, Oklahoma City, OK 73136

(3) Method of payment shall be made :

(A) ~~online: if you are submitting your application online you may only pay by credit card.~~

(B) by mail: ~~if the customer is submitting their application by mail they must include in the form of a cashier's check or money order along with the required documents.~~ No personal checks or other forms of payment will be accepted.

(4) If the Department approves the renewal Class D driver license without appearing in person, pursuant to the requirements of this chapter, and: if the digital photograph and digital signature of the customer are available from the files of the Department, the Department shall create the renewal Class D driver license using that photo and signature.

(5) The Department may mail the renewal Class D driver license only to a customer who is temporarily residing out of state to the out of state address provided by the licensee. The licensee shall provide a pre-paid self-addressed stamped envelope.

(6) If the Department denies the renewal Class D driver license to the customer pursuant to this Section, the Department shall notify the customer in writing of the denial, the reason for the denial, return any payment submitted by the customer, and the customer shall be required to appear in person for the renewal of the Class D driver license.

(7) A renewal Class D driver license without appearing in person shall be approved for no more than three (3) consecutive renewals or replacements of such license. A fourth consecutive renewal or replacement must be done in person.

PART 7. IDENTIFICATION CARDS

595:10-1-25. Procedure for obtaining an identification card
